Reagan—Bush Sweep To Landslide

RONALD REAGAN

Haskell County, along with the State of Texas and 48 others contributed to a Ronald Reagan/George Bush landslide Tuesday.

In Haskell County Reagan/Bush defeated Democratic challengers Walter Mondale and Geraldine Ferraro 1701 to 1434 votes. That total represents a 54.3% Republican victory in a county which as historically voted Democratic. Early Wednesday morning, Reagan had unofficially carried every state in the nation except Mondale's home state of Minnesota. Mondale also carried the District of Columbia.

In the U.S. Senate race for the seat being vacated by Republican John Tower, Phil Gramm logged 12 votes more than Democratic challenger Lloyd Doggett, 1540 to 1528. Gramm carried the state with almost 60% of the vote.

In three other contested state wide races, Democrats carried Haskell County and were all ahead by small margins in the State totals early Wednesday morning.

In the Railroad Commission race, incumbent Mack Wallace carried Haskell County 2168 to 645 for challenger John Thomas Henderson. State wide with about 98% of the precincts in, Wallace had 50.36% of the votes.

John Hill received the nod of County voters, 2218 to 599 for John

Bates. State wide Hill had 54.11% in his bid for the State Supreme Court.

Sam Houston Clinton 2073 votes in Haskell County over challenger Virgil Mulanax with 583. State wide Clinton received 51.02% with about 98% reporting.

About 3175 Haskell County voters marked ballots in one of the largest turnouts in recent history. The total represents about 67% of the 4740 registered voters in the county.

In the uncontested races in Haskell County, U.S. Congressman Charles Stenholm received 2498 votes.

Supreme Court Justice place one, Franklin Speer received 2221 votes, and C.L. Ray received 2204 votes for Supreme Court Justice, place two.

Judge for the Court of Criminal Appeals, place two, W.C. Bill Davis received 2259 votes, and Bill White received 2257 for place three.

Ray Farabee retained his Senate seat with 2282 votes in Haskell County, and Rick Perry had 2484 to gain his Dist. 64 Congressional seat. Associate Judge, Court of Criminal Appeals Raleigh Brown had 2241 votes, and John Fouts had 2538 votes for District Attorney, 39th Judicial Dist.

County Judge B.O. Roberson won with 2423 votes, and sheriff

will be Johnny Mills who won with 2592.

Charles Chapman won the county attorney's race with 2466.

County tax assessor/collector will be Bobby (Guffey) Collins who had 2507 votes.

County Commissioner, prec. one will be T.C. (Tim) Burson, who had 1507 votes.

County Constable, prec. 5, will be Troy Brown who had 334 votes. Precinct one Constable spot went to D.L. (Jack) Speer, with 1712 votes.

Justice of the peace, prec. 6,

unexpired term, went to Elaine Holcomb, with 429 votes, and L.V. (Sonny) Pittcock is constable for prec. 6, having 425 votes.

Commissioner J.R. (Ray) Perry won with 368 votes in prec. 3.

Six of the eight proposed amendments won in Haskell county with Amendments 6 and 8 failing by wide margins.

First proposal giving the state banks the same rights as the national banks won 1655-676.

Proposal two, creating a special revenue fund for colleges and

universities, won in Haskell county 1515 to 886.

Proposal three won 1197-1154, to okay payment of benefits to survivors of public servants killed in the line of duty.

Voters came close to not approving the fourth amendment which dealt with abolishing the office of County Treasurer in Bexar and Collins counties, as that vote was 984 for 903 against.

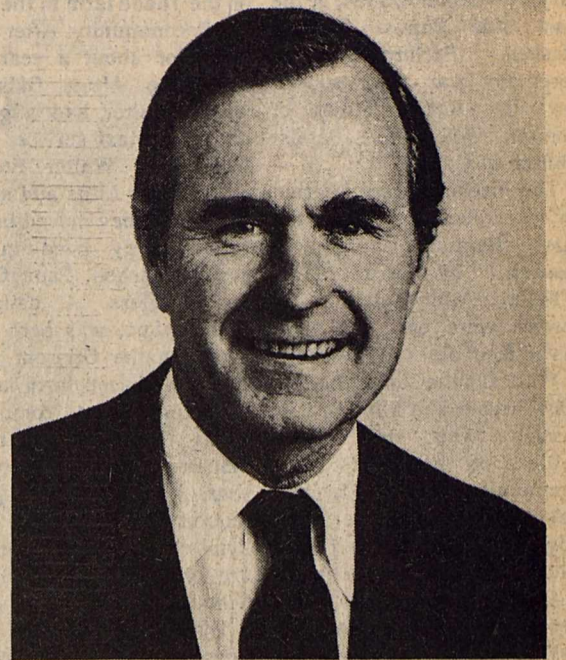

Amendment five won the voters

approval with 1238 for and 1000 against the proposal to authorize the senate to fill the office of Lt. Gov.

The sixth amendment failed with 480 for and 1682 against as voters said they did not approve the payment of premiums on certain insurance contracts in Texas.

Voters did say yes to the seventh amendment which was to give the State Judicial Commission the authority to discipline judges, and other court officials, by 1323 to 833.

Number eight on the amendments failed as voters saw little need to raise the per diem for members of Congress to the maximum daily amount allowed by federal law, and this proposal failed by over 1000 votes, with 583 for and 1585 against.

MAKING WAY

Kendell Larned, in the foreground, is making way for ball carrier, #37 Robert Ivey, to gain some ground against Hawley. The Indians were victorious in the game last week.

Tribe Rolls Over Hawley 39-6

BY SHANE HADAWAY

The Haskell Indians exploded for 19 points in the first quarter on their way to a 39-6 rout of the Hawley Bearcats last Friday night.

The Indian offense rolled up 388 total yards offense; 319 yards rushing and 69 yards passing.

Fullback Robert Ivey rushed for 132 yards on 16 carries and 3 touchdowns while tailback Carl Dever rushed for 102 yards on 18 carries and scored 3 touchdowns. The Bearcats managed 219 yards total offense; 170 yards rushing and 49 yards passing.

The first of three touchdowns for the Indians came with 9:26 left in the quarter on a 1 yard plunge by Dever. The touchdown came on the Indians first possession and consisted of 4 plays. The PAT by Ivey was good putting the Indians

up 7-0.

Dever scored again in the first quarter on a 7-yard scamper with 3:20 left in the quarter. The touchdown was set up by an Indian recovery on a Hawley fumble on the 18. The drive consisted of 3 plays. The PAT failed putting the Indians up 13-0.

With less than 2 minutes left in the quarter, linebacker Shawn Lane blocked a Bearcat punt and recovered it on the 24-yard line.

On the first play of the drive, Ivey took the ball and muscled his way down to the Bearcat 3 yard line. Ivey took the ball again on the next play and bulled his way in for the touchdown.

The Indians tried to run the PAT in but were stopped by the Bearcat defense.

Lane again set up the Indians next

touchdown with about 9 and a half minutes left in the half. Lane picked off a Bearcat pass deep in Indian territory and returned it 78 yards to the Bearcat 4 yard line.

On the first play of the series, Ivey steamrolled in from 4 yards out for the touchdown.

The Indians tried for 2 on the PAT by running it in and again were stopped.

Dever tiptoed in from 20 yards out with 4:38 left in the third quarter to put the Indians up 31-0. This touchdown was Dever's third of the night. Joel Torres ran the PAT in to put the Indians up 33-0.

The Indians last touchdown came off a 6-yard run by Ivey with 1:07 left in the third quarter. This, too, was Ivey's third touchdown of the night. The Indian's passed on the PAT and the pass fell incomplete,

putting the Indians up 39-0.

The Bearcats managed to 6 points on the board on a 5-yard pass from quarterback Mike Womack to end Tim Barks with 6:27 left in the ballgame. The PAT was no good. This made the score 39-6 in favor of the Indians.

The Indians opponent this Friday is the Anson Tigers and will conclude the season for both teams.

Game time is 7:30 p.m. at Indian Field.

Fischers Renew Vows At 50th Anniversary Ceremony

Walter August and Birdie Pearl Lee Fischer renewed their wedding vows on their Fiftieth Wedding Anniversary, November 4, 1984, at the East Side Baptist Church, Haskell. Performing the ceremony was their son-in-law, Dr. Robert Stuart of Preston Highland Baptist Church in Dallas.

The Fischer's were married on November 3, 1934 at the First Baptist Church in Haskell, by Bro. H.R. Whatley. Attendants for the service were Mr. and Mrs. Wylie Keel and Carl Fischer.

Walter is the son of the late Karl Fischer and Mina Bittner Fischer who were early settlers of the Paint Creek community. Birdie is the daughter of the late John Fogle and Nora Jones Fogle, who settled around Bonham, in East Texas. The two young people met when Birdie came to West Texas to visit with her sister and family. Lela and Wylie Keel, who lived in the Paint Creek Community. Walter came courting Birdie on his Harley-Davidson motorcycle. They enjoyed

going to rabbit drives, the movies, church gatherings and for country rides.

The couple's first home was on the Thane farm in the Paint Creek community. After living there for about a year they moved to Altus, Oklahoma where Walter had a garage and ran a taxi service. Their first child, Walter Eugene, was born in Altus and shortly thereafter they moved back to Texas. They lived in and around Haskell, Paint Creek, and Lueders. A daughter, Belinda Sue, was born while living on the Grissom place. They purchased farm land in the Centerpoint community where they made their permanent home for thirty two years. Another daughter, Sharon Kay, was born while living there. All three children are graduates of Rule High School.

Walter was engaged in all phases of farming and raising cattle, while Birdie helped with the farming, she also enjoyed her garden, raising chickens, and sewing for her family. The family were all members of the Plainview

Baptist Church and treasure the life long friendships made there with neighbors and friends.

Retirement for the Fischer's came in 1974 and in 1977 they bought a home in Haskell. They enjoy an occasional camping trip with friends and family. Walter takes great pride in his yard and Birdie in the beautiful needlework she does for her friends and family.

As guest registered they also signed quilt blocks to be pieced together into a "friendship quilt" for the honored couple.

Hosting the Golden Wedding Anniversary celebration were their children and grandchildren; Walter Eugene and Anita Jo Fischer, Kay Fischer of Paint Creek, Gena and John Trice of Knox City, Linda, Galen, and (great grandson) Craig Lowrance of Colorado City, Sue and Doug Morris of Hereford, Terry and Jeff Morris of San Angelo State University, Alan Morris of University of Texas at Arlington, Sharon and Bob Stuart, Amy and Denise Stuart of Dallas.

Out of town guests were; Tina VanDeCarr and Shari Shaw of San Angelo State University, Mr. and Mrs. Wayne Fogle of Dallas, Alvena Estes of Azle, Mr. and Mrs. John Keel, Mr. and Mrs. Lyndall Keel of Oklahoma City, Mr. and Mrs. Darrell Richards, Ursula, Eric, and Fritz, Mrs. Carl Marugg and Lorie of Stamford, Mr. and Mrs. Alan Keel.

Dickerson, Jetton Wed In Double Ring Ceremony

Shelah Jetton and Wendell Dickerson were united in marriage in a double ring ceremony in the East Side Baptist Church in Haskell on Saturday, November 3, 1984 at 6:30 in the evening. The unity candle service was observed. Reverend Darrell Feemster, pastor of the church, officiated. He was assisted by Reverend R.D. Williams of Brownwood.

Parents of the couple are Mr. and Mrs. Jerry Jetton of Haskell, Mrs. Clara Dickerson of Peacock and the late Carl Dickerson.

The center of the altar area held a brass archway and two heartshaped candelabras, each accented with greenery. A basket of white gladioli, lilac spider mums, lilac daisies and baby breath accented each side of the altar area. Few markers were of white satin ribbon.

The bride's maid of honor was Jonna Wheatley of Haskell, Sharla Jetton of Haskell, sister of the bride, served as bridesmaid. Best man was Lyndell Dickerson of Peacock, twin brother of the groom. Keith Conner of Benjamin served as groomsman. Ushers were Larry Dickerson of Swenson and Ronnie Dickerson of Kemp, Oklahoma, brothers of the groom. Andrew Melton of Munday was ring bearer, with Lindsey Griffin of Wichita Falls, cousin of the bride, acting as flower girl. The ring bearer wore a silver Cheyenne tux and the flower girl wore a lilac satin floor length dress.

Music was provided by Mrs. Kenneth Jarred of Haskell, organist, Mrs. W.O. Elmore of Haskell, pianist, and Mrs. Mike New of Haskell sang.

"If," "God, a Woman, and a Man," and "The Wedding Prayer."

The bride was given in marriage by her parents, and was escorted down the aisle by her father. She wore a formal gown of imported Chantilly lace. The bodice featured a Queen Anne neckline sprinkled with seed pearls and fitted lace sleeves. The skirt cascaded from a natural waistline to cathedral length in tiers of chantilly lace. Chantilly lace trimmed illusion-fell from a Caemlot headpiece of fingertip length. She carried a cascade bouquet of white roses and gypsophila showered with white ribbon and lace on a white Bible.

In keeping with tradition, the bride wore a gold necklace that had belonged to her paternal great-grandmother as something old, and which was also worn by her mother on her wedding day. In her Bible she carried an orchid handkerchief which had belonged to her maternal great-grandmother. Something borrowed was a blue garter and something new was her dress. Also, she wore a six pence in her shoe. The bride presented a red rose to her mother and to the groom's mother.

Her attendants wore identical floor length lilac satin dresses. The fitted bodice had a Queen Anne neckline and elbow length puff sleeves. Each carried a colonial bouquet of white carnations, lilac roses, and gypsophila trimmed with white ribbon.

The groom wore a white Cheyenne tux, white tuckered shirt, with a white western tie. He wore a lilac rose bouton-

niere. The best man, groomsman, ushers and the bride's father wore silver Cheyenne tuxedos, white tuckered shirts, and silver western ties. Each wore a white carnation boutonniere.

The bride's mother chose a lilac floor length dress of taffeta with long chiffon sleeves and collar. The groom's mother wore a plum color floor length dress with long sleeves and cowl neckline. The ensembles were complimented with corsages of white roses.

Sherry Cole, cousin of the bride, registered guests.

The bride's parents hosted a reception in the fellowship hall of the church. Gina Grand of Abilene, Judy Dickerson of Swenson and Melissa Collins of Haskell served at the bride's table. Ember Miller of Abilene and Tammy Coker of Rule served at the groom's table.

The bride's table was covered with a lilac cloth overlaid with white lace. The three tiered wedding cake was ornamented by lilac roses, white bells and doves. Punch was served from a crystal punch bowl. The centerpiece was made up of the bride's bouquet and those of her attendants. Crystal and silver appointments completed the table decor.

A chocolate cake topped with a miniature ceramic pump jack was served from the groom's table where silver and crystal appointments were used. Coffee was served from a silver coffee urn. The centerpiece was a family Bible, opened to I Cor. 13, the Love chapter.

At the reception the groom's nephew, Bryan Dickerson of Kemp, Okla. and bride's cousin, Justin Griffin of Wichita Falls passed out rice bags from white western hats.

The rehearsal dinner was hosted by the groom's mother at the fellowship hall of the East Side Baptist Church, and catered by Mitchell's Porthole.

The bride graduated from Haskell High School and attended Midwestern State University in Wichita Falls. The groom graduated from Aspermont High School and Tarleton State University in Stephenville. He is employed by Sun Oil Co. in Haskell. After a wedding trip to Florida the couple will reside in Haskell.

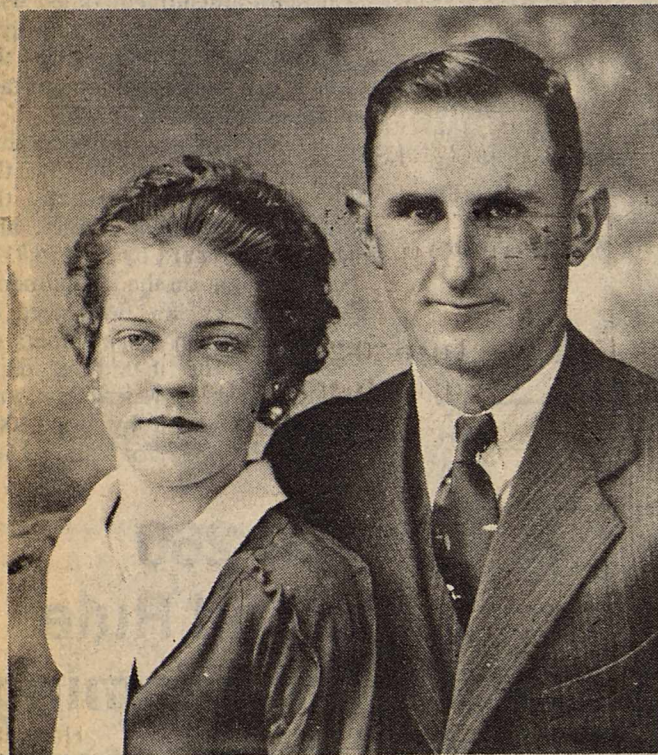

Out-of-town guests attending the wedding were from Wichita Falls, Abilene, Brownwood, Big Springs, Weinert, Munday, Rule, Peacock, Swenson, Stamford, Benjamin, Crowley, Aspermont, Kemp, Oklahoma and Los Cruces, N.M.

Pre-nuptial courtesies included a miscellaneous shower given by the couple's

Dr. Robert Stuart, Maxine Grand, Geraldine Hise, Lillian Hodgkin, Effie Howard, Lenda Iley, Roberta Jenkins, Diane Josselet, Melba Lowrance, Nedra McCauley, Sue McGee, Helen Miller, Deborah Mitchell, Gladys O'Neal, Pauline Reding, Donna Thomas, Willie Faye Tidrow, and Lena Tidwell. A bridesmaids luncheon was hosted by Anita Medford in her home. She was assisted by Amy McKnight and Floradean Cockerell.

Jill Jennings Is F. W. Martin Award Recipient

Jill Jennings of Haskell was recently named as the 1984 F.W. Martin Memorial Achievement Award winner at the County 4-H Awards Program. Rick Perry presented Jill with an engraved individual plaque courtesy of Mrs. Mary H. Martin. Her name was added to the large plaque which hangs in the County Extension Office.

Jill is the 16 year old daughter of Mr. and Mrs. Ted Jennings and a Junior at Haskell High School. She has been a member of her local 4-H club for 6 years. During this time she has carried 5 4-H projects. These projects include foods and nutrition, clothing, child development, home designer, method demonstration, and rabbit. She has participated in local,

district, and state 4-H foods shows, local and district fashion shows, district home designer events, district and state method demonstration contests, and district and state 4-H record book judging. Her 4-H record book recently was chosen as 2nd place at the state record book judging.

Jill has been on the County 4-H Council for 4 years and she served as president of the County Council last year.

She is currently serving as the County Council Treasurer.

She was recently elected as President of her local 4-H Club. Other offices she has held locally include council delegate for 2 years and she served as president for one year.

Jill has represented the Haskell County 4-H'ers at various activities. She has

attended Teen Leader Lab in Brownwood and State 4-H Congress in College Station. She has presented programs for the Lion's Club, Haskell Young Homemakers, and the 4 Extension Homemakers Clubs. She has served as a judge for county food shows and has done radio programs for KVRP.

Jill is also active in her school activities. She is a twirler for the Indian Band, participated in the UIL prose event and the UIL one act play. She is a member of FHA, and is a honor student.

She attends the Haskell Church of Christ where she is an active member of the youth group. She attends their annual Singing School and helps teach some bible classes.

Jill is planning to attend Abilene Christian University after she graduates from high school. She plans to major in home economics. The F.W. Martin Memorial Achievement Award is given each year to a Haskell County 4-H'er by Mrs. Mary H. Martin. It was established in 1977 to honor the life and achievement of

Mr. Martin, who served as Haskell County Agent from 1944 to 1967. The guidelines used to determine the winner are achievement in 4-H activities, responsible citizenship ability, scholastic excellence, and service to club, school, community, and church. The agents currently serving Haskell County make a list of 4-H members considered worthy to receive the award Mrs. Martin contacts 4-H leaders, school officials, and other interested individuals and then makes the final decision.

Head Lice Are Presenting A Problem In Texas Schools

Head lice are once again becoming a problem in many areas of Texas and are presenting a real nuisance in public schools and private day care centers.

The tiny pests suck blood, causing intense skin irritation and itching. Continuous scratching may cause skin abrasions that can lead to bacterial infection.

Head lice are tiny grayish, flattened, wingless insects, says Dr. Phil Hamman,

entomologist with the Texas Agricultural Extension Service, Texas A&M University System. The adult female attaches 50-100 eggs, or nits, to the hair near the scalp. Eggs hatch in a week and lice sucking blood in the scalp area.

Head lice spread easily by physical contact, such as children at play, even under the best sanitary conditions, infestations may occur among school children who are in

close, daily contact, notes the entomologist.

Infected persons should see a physician. Medicated lotions or shampoos can be prescribed for effective control.

Personal hygiene and not using another person's comb, brush or hat are keys to prevent lice infestations.

Shampooing with soap and water normally will not remove nits from hair since they are attached by a "cement," explains Hamman.

Dry cleaning or thorough laundering of clothing, towels and bedding in hot, soapy water (125 degrees F. or more for at least 10 minutes) kills lice and nits. Personal items (hats, caps, combs, rollers, hairbrushes, wigs) can be heat sterilized.

Suspected infestations should be reported to a physician, local public health authorities or school officials so the source can be located. Prevention is the most important control of head lice.

Give so others can live! The Haskell Co. Ambulance Service is in need of Memorial contributions from you. This will make a lovely Christmas gift for some one special. And, the contributions are always tax deductible.

Carolyn Schur Presents Holiday Gift Program

The Haskell Future Homemakers of America met November 5. The program was given by Carolyn Schur of West Texas Utilities. She gave members and their mothers holiday gift ideas. Some of the recipes were sampled afterwards.

Following the program the business meeting was held. The note tins have come in and the money needs to be turned in by Nov. 16.

Saturday, Nov. 10, the FHA members will provide a

babysitting service at the Young Homemakers' Arts and Crafts Show. Parents may leave their children at the FHA booth while they look around the area. Activities will be provided for the children. There will be no charge, but donations will be accepted.

Members elected the new FHA beau Jimmy Burson.

The annual children's Christmas Party will be held December 3 in the Home-making Cottage.

Walling Yard Named For November

WANDA DULANEY, Manager, Haskell Chamber of Commerce
The home of J.E. and Ida Walling, 1503 North 1st, has been named the November (and of the Month, according to Dr. Ed Harris, chairman, Community Betterment Committee of the Haskell Chamber of Commerce.

Coordinated by Maryjane Cunningham, this month's judges were Jill Druesedow and Mr. and Mrs. Coyt Hix. The Wallings' property covers an entire block that is a special asset to the city since visitors to and from the West on Highway 380 are welcomed

by its beauty and spaciousness. They built their home in 1950 and were fortunate to have two native trees that are now over seventy years old. The well they use has been in operation on the premises since J.E.'s childhood, supplying water for the old Walling homestead. It feeds the sprinkling system today that makes it possible to cover such a large area.

Ida gives J.E. the credit for the beautifully manicured lawn and says he works hard to keep it mowed and edged, with rewarding results. She tends the flowers and says that one day she sat down with a pencil and paper and listed around 75 different species of growth.

In front of the limestone house of modernistic structure are pecan trees and the ever-present squirrels who steal the nuts.

Other trees include hackberry, mimosa, mesquite, apricot and two redbuds by the fountain.

There are climbing roses on the iron fence from the old Walling homeplace, and other fences include a brick tile one and a picket fence. There are pomegranates and a grapevine that has produced every year except one in thirty years. Volunteer petunias are

bountiful and have to be organized frequently, with miniature chrysanthemums also predominant. In the back yard are violets bordering the South fence and surrounding the bird bath.

Stepping stones from the driveway to the back entrance add to the landscape which appears to have been done by professionals but the Wallings have created their showplace with continuous care, a remarkable sense of design and balance, a coordination of colors and just pride in their masterpiece.

There is a courtyard outside the South living room door and a fish pond with a waterfall, stocked with gold fish. A rock garden is nearby.

An inviting swing under a tree in the front yard adds a touch of hominess, as do the sandbox and swings in the back yard for the enjoyment of their grandchildren.

Ida thinks their place is prettier in the Spring when bulbs, blooming in different stages, include iris, Dutch iris, amaryllis, daffodils, narcissus, verbenas, lantanas, among other foliage.

The Wallings have always taken pride in their sur-

roundings and the immaculate yard they have maintained for 34 years. This may be their first formal recognition but Ida and J.E. can be assured that this town has always appreciated and enjoyed the results of their efforts.

The Haskell Chamber of Commerce invites everyone to drive by the Walling home to see why they do deserve this special honor.

8 Take Top Food Show Honors

18 Participate In Turkeywalk

Eighteen turkey walkers for the American Heart Association walked in Saturday's 10 mile marathon, with 12 of the number completing the entire 10 miles, and the rest completing at least five miles, according to Phil Harris, campaign chairman.

Harris also said that they had already had \$1,320.25 in pledges turned in for the walkathon, and that this Friday will be the deadline for pledges to be turned in. He said he expected many more pledges would come in on or before Friday.

Harris said he was pleased with the results, even at this point, and wanted to thank the 49 sponsors who donated prizes. He said that so far there will be at least 6 turkeys given away, and that there were already 5 or 6 more walkers who may also have earned at least a turkey, or maybe another prize.

The grand prize for the person who turns in the most pledges for the number of miles walked will be a VCR or a nine inch color TV. The first runner up will be awarded the prize which the winner decides to pass up. There will also be prizes for the second through eighth place finishers, Harris said.

It was also concluded that there would be at least 13 who would receive a t-shirt for having \$50 or more in pledges turned in.

Captains of the teams were Cindy Guess of Weinert, John Greeson of Rule and Abe Turner and W.O. Elmore, of

Haskell. If there are those of you who still wish to make a donation to the Heart Association, you may still do so by contacting one of the captains prior to 3 p.m. Friday. The captains will be taking the pledges to the bank, where Melba Lowrance, treasurer for the Heart Association will be taking care of them.

President of the Haskell chapter of the American Heart Association is Rev. J.C. Amburn.

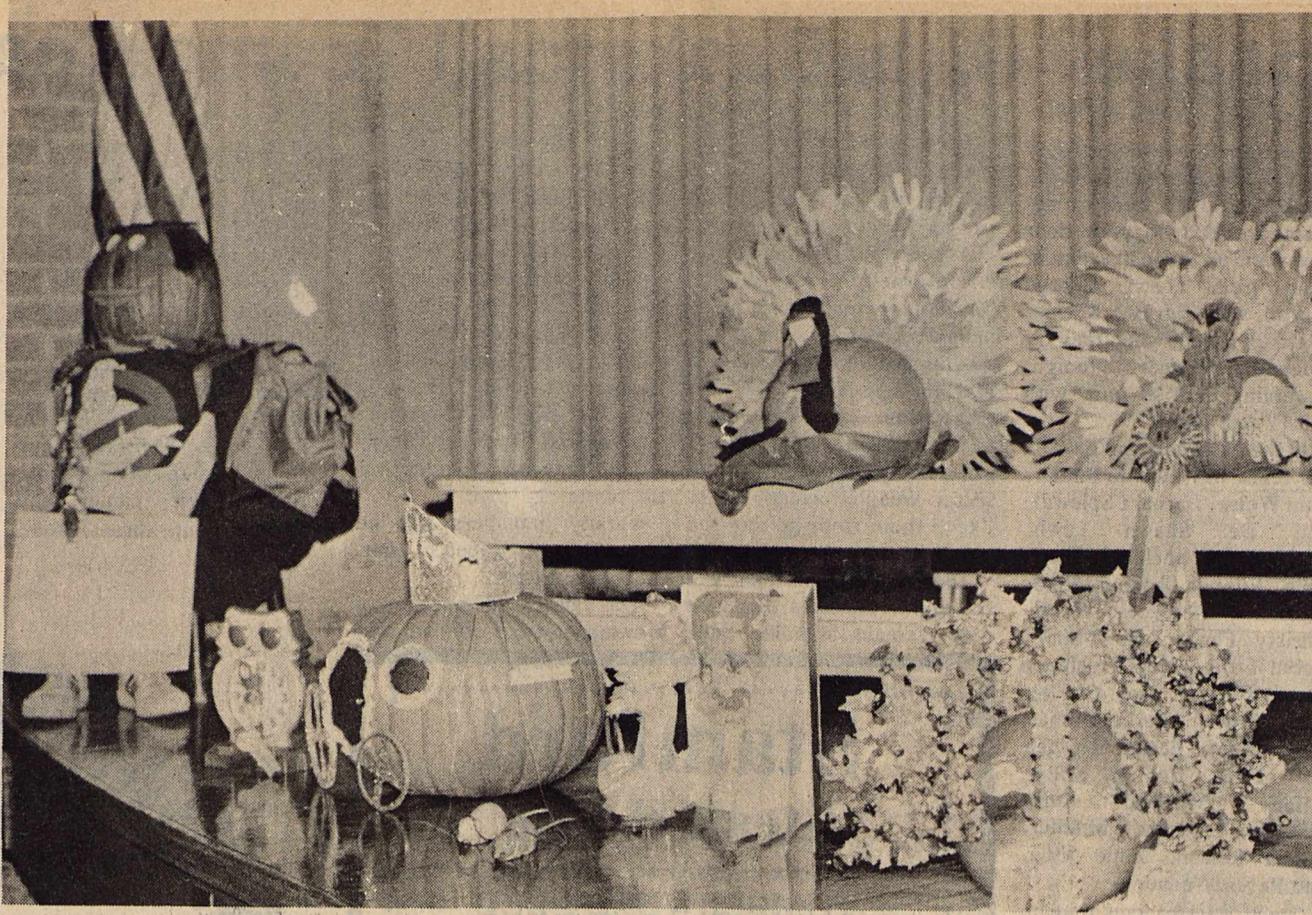

Warriors Suffer Loss

By Steven Boyd
The seventh grade Warriors traveled to Hawley to do battle with the Bearcats and were defeated 14-0. "We had many chances to score early, but we could not convert". Coach Jim Dan Raughton said. "We dropped a few passes, had turnovers and a few penalties. We were not beaten physically, we just had too many mental mistakes. The cold weather bothered us some, and it shouldn't have," he said.

"We have had a successful year, and it has been a privilege working with these young men."

The Warriors will travel to Anson Saturday to end their season.

The reason the game will be on Saturday is because Anson students will be taking six weeks tests during the week. Game time is 9 a.m.

PUMPKIN SURPRISES

Lutherterians Report Successful Lock-In

The 8-12 Grade Young People of the Haskell Lutheran and Presbyterian churches recently had a very successful Lock-In on October 13. It was an evening filled with refreshments, fellowship, movies, discussion, and music. The morning after the Lock-In, many of these same young people had various parts in the worship services at the Trinity Lutheran and First Presbyterian churches. The participation of the Lutherterians in the worship services was their way of saying "thank-you" to the members of the two churches for their encouragement and support.

Currently, the Lutherterians are in the process of planning their Fall 1984 Mission Project. The emphasis of this year's project is the Heifer Project International, based out of Little Rock, Arkansas. In a world where 40,000 people die of starvation every day, HPI provides tangible and lasting resources of food-producing animals, not only overseas, but also in the United States. Each need is

based on considerations of livestock development for needy families and/or communities around the world. But most importantly, recipients of HPI gifts are taught how to "pass on" what they have received and been taught. After being trained how to raise their own livestock with HPI assistance, recipients either return offspring raised from HPI gifts to be used for another needy family or in various ways share the productivity of their livestock with other families or villages in their area. Each project emphasizes self-help and the dignity of individuals who are not just looking for a hand-out.

HPI is a non-denominational organization and a substantial part of its income is contributed by churches, church-related groups like the Lutherterians, and individuals. Last year, 80.7% of HPI's income was used directly for its mission programs.

On November 17, the Lutherterians will have a walk and bike-a-thon to help HPI

continue to provide food-producing animals and training in their care to needy families overseas and in the United States. Those walking will walk a five mile course while those riding bikes will pedal ten miles. The Lutherterians will be seeking sponsors to pledge so much per mile for each mile a participant walks or rides.

Following their November 17 Mission Project, the Lutherterians are planning a Fellowship Dinner as well as a time for singing and Bible Study on Sunday afternoon, December 2 for recreation and dinner; and on Sunday, December 16, the Lutherterians have planned an evening of Christmas caroling for Haskell nursing home residents as well as home-

bound members of the Lutheran and Presbyterian churches.

Any young person in Haskell or its surrounding communities is always welcome to participate in any of the Lutherterian activities. Information about the Lutherterians can be obtained from the 1984-85 officers: Shane Hadaway, Stephanie Browning, Pam Weise, or Kelli Gilliam. Adult sponsors are Hugh and Barbara Peiser, Jance Browning, and Phyllis Klose.

Rule Railroad Depot Scheduled To Reopen

By Janet Wilke
Through the efforts of the Rule Lion's Club, the old railroad depot at Rule will be reopened Monday, Nov. 12. But, this time it will serve as the new meeting place for the Rule Lions.

According to Patrick Pace, the Lion's Club has been working on this project ever since the City of Rule gave the building to the club after the City obtained possession of it from Santa Fe.

The Lions have spent more than \$5,000 to renovate the building, as they have taken out the partitions, put in a kitchen, replaced the ceiling with a suspended one, paneled the walls, put new tiling on the floor, painted the entire building, and put in a new heating and cooling system. They repaired the old restrooms.

According to Pace, the newly remodeled building will seat approximately 80 persons, and the Lions have even bought new tables and chairs.

A great deal of the money for the project came from donations and also from some of the Lion's Club projects, which included a turkey shoot and a chili supper.

The twenty three member club will be also offering the

building for family reunions, and community get-togethers. There will be a charge, which will be \$50, and this will be used to defray the expenses of the utilities, etc.

Pace said the Lions Club members will also be doing the custodial work on the building, and its maintenance will be up to them.

For anyone wanting to secure the building, they may contact any Lions Club members, and it was suggested that they make arrangements to use the building well in advance so they will not run into a conflict.

Pace said they had tried to keep the original appearance of the building as much as possible, and are planning to have the old switch signal sign placed by the depot.

Moved from its original place by the tracks, the depot now sits adjacent to the park on the north side of the street east of highway 380.

BIOLOGY CLASS

Shown are Danny Letterman and Scott Guenther dissecting a frog in a Paint Creek Biology class.

Paint Creek Students Seeing More Lab Time

With the passage of House Bill 72, Paint Creek Science students are spending more time in the lab. The new bill states that students must spend 40% of the year in the lab. To achieve this, students usually go to the lab 3 or 4 times a week.

Paint Creek Science teacher Valiene Bullinger said in an interview that in the Junior High lab the Life Science students are studying living things. They are using models to study human muscles, the brain and various other vital organs of the body. They are going to be dissecting and making observations of grasshoppers, worms, starfish, frogs and fetal pigs. They will then relate them to the human body.

The Paint Creek Science Department has received new equipment to work with. There are five new microscopes, four that will magnify up to 400 times and one for examining larger specimens. They have received new scales, beakers, burners and

test tubes. A model of a skeleton and torso has also been bought. New microscope slides of human tissues have also arrived.

The high school Biology and Anatomy Classes are learning to relate science to every day life. They are going to dissect worms, fetal pigs, grasshoppers, and a cow's heart and eyes.

The age recorded on whiskey bottles refers to the number of years it is aged prior to being bottled. Once, in the bottle, whiskey does not improve.

Basketball season is just around the corner, and the Haskell girls JV and Varsity teams are ready to try on their new skills on the instruction of head girls coach George Martin, with Jim Bob Mickler as the JV coach, when they try Abilene Cooper tonight beginning at 4:30 p.m. with the JV-fish game.

In the JV squad, the girls on the team will include Juniors Pam Weise, Barbara Spiewak, and De Shawn Lewis. Sophomores include Gloria Villa, Rhonda Adams, Emily Camacho, Rebecca Flores, Christy Peiser, Kim Short, Robin Struve, and Freshmen Tamra Burnett, Vicki Chavez, Lori Darden, Sheree Dumas, Dana Hale, Brandi Kreger, Lori Lane, Tammi Miller, Tiffany Moeller, Leiza Morales, Shanna Mueller, Donna Rowan, Janie Villa, and Robin Weaver.

Coach Mickler says that he will be running an overload offense and use a three post offense, while on defense he will be utilizing the full court press, and a man to man defense. He said they will also use the sliding zone defense.

Mickler said the girls will be playing some of JV, some on freshmen, and some on both teams.

By Shawn Lane
The eighth graders scored another victory, this time against the Hawley eighth grade, 27-8.

The scores came off three runs by Fred Shaw and a 45-yard interception return by Wade Martin.

"This was the first time this group has come from behind after the half", Coach George Martin said.

Fumbles were the cause of a scoreless first half. "This game really showed the character of the team," Coach Martin said.

"The backs ran well after the fumbles were eliminated, and the line including Bobby Medford blocked extremely well," he said. "It has been a thrill and privilege working with the group, and I hope I have prepared them for their upcoming years in high school athletics," Coach Martin said.

The eighth graders will travel to Anson to play their team at 10 a.m. Saturday.

Fines Collected
Judge Geraldine Hise, Justice Court, Precinct 1, Haskell County reports a total of 193 convictions for the month of October, 1984. Traffic and Criminal Cases were filed by the following Law enforcement agencies: Highway Patrol 179; Game Warden 8; Sheriff's Dept. 6. Resulting in a total of \$7,924.00 in fines.

Geraldine Hise, Judge, City of Haskell, Haskell County, reports a total of 46 convictions for the month of October, 1984 resulting in a total of \$2,012.00 in fines.

He said he was expecting good things from his junior players, Weise, Spiewak, and Lewis.

As far as the freshman team is concerned, Mickler said he was hoping to play as many people each game as he could, so they could gain valuable playing experience.

In their game tonight against Abilene Cooper's JV, Mickler said the Haskell secret weapon would be to "keep them from getting the ball."

The Varsity girls team will see eight returnees this year with Tamala Randle, Julie

Roewe, Holli High, Jennifer Davis, Holly McBroom, Denise Burris, Denise Young, and Mitchell Stout coming back from last year's team.

New coach George Martin also named the following seniors on the varsity: Kim Lanier, Lorry Geilhausen, and juniors Lori McGee, Stephanie Browning, Kelly Wallace, and sophomores Patricia Henry and Mindy Smith rounding out the roster.

Varsity managers will be Lynn Dewey, Rebecca Holt, and Erma Flores.

The varsity will be running a swing and cut offense, and

will use the fast break when ever possible. They will utilize the full, half, and quarter court presses defensively, and will use a match up zone, man to man as well.

Martin said that in tonight's scrimmage against Abilene, he will divide the team into three groups to start, and they will be: team one; Roewe, High, Davis, McBroom, and Randle; group two; Henry, Young, Burris, Lanier, and McGee; group three; Stout,

Browning, Geilhausen, Smith, and Young. Martin noted that these were divided just so he could see how the various groups operated together, and has nothing to do with being named as a starter by being in the first group, etc.

Stating that the team's strong points were in their ability to have a strong running game, Martin also said he felt their post game was good, and that Haskell had good outside shooters.

The weak point Martin says is in the fact that the team is having to adjust to a new system this year.

Potential competition for Haskell this year, Martin believes, will be Stamford, as they have been picked by the coaching magazines to win the district. He also said he felt Hamlin, Anson, and Hawley would be in the running. "But, Haskell girls sure won't be out of the running," said Martin.

Booster Club Plans To Revamp Programs

The Haskell Indian Booster Club met Monday night at 7 p.m. in the High School Cafeteria. President Dan Griffith called the meeting to order.

The idea of re-vamping the football programs for next year's home games was discussed. Final decisions will be made in the spring as to advertising rates and number of programs to be ordered.

Coach Blue Holt informed the club that they may have the concession stand for the Junior High basketball tournament as a fund raiser. The tournament is scheduled for Thursday and Saturday, January 17 and 19. Seventh and eighth grade girls' and boys' teams from Haskell, Seymour, Stamford, and Knox City will compete. Besides the concession stand the sale of programs will also be a project.

Funds are needed mainly to cover the cost of the All Sports Banquet set for Saturday, April 20.

Concerning the Hawley game, Coach Holt said he was "well pleased with the way things went." He mentioned that the difference in play-calling provided a break in the monotony.

Coach Jim Mickler gave a

scouting report on the Anson Tigers, our opponents for the last game of the Varsity season this Friday night.

He said that Anson always plays us a "good ballgame" and that for the last two years it was "awfully close."

"The Anson team doesn't have too much experience, but does have a lot of size. They play their backs close to the line of scrimmage and power through."

Mickler said that the Tigers' middle linebacker is probably one of the best "reading" linebackers we'll play. Offensively tailback Junior Garcia at 210 pounds is hard to bring down. The Tigers had some injuries earlier in the season, but seem to have it all straightened out now.

Their situation is the same as the Indians' in that they can't make the play-offs. But its being the seniors' last game makes a win important.

The Junior High and JV teams will play on Saturday for their last games of the '84 season. This was agreed upon since Anson is having six-weeks' tests this week. Seventh grade will play at 9 a.m., eighth grade at 10:15 a.m., and the JV's at 11:30 a.m. --all at Anson.

PIRATE CHEERLEADERS

Paint Creek High School Cheerleaders for the 1984 season are (l to r) Doretha Moore, daughter of Mr. and Mrs. Dewayne Moore; Kay Fischer, daughter of Mr. and Mrs. Gene Fischer; Rhonda Coleman, daughter of Mr. and Mrs. Martin Dale Coleman and Gina Calk, daughter of Mr. and Mrs. Max Calk.

Frank Cadenhead Named To Baptist Executive Board

A Haskell resident was elected to a major position on one of the Texas Baptist boards during the annual

meeting of the 2.3-million-member Baptist General Convention of Texas (BGCT) in Dallas, Oct. 30-Nov. 1.

Frank Cadenhead was elected to the Executive Board.

The Executive Board, composed of laypersons and church staff members, conducts the business of the BGCT between annual sessions.

The BGCT owns and operates eight universities, an academy, eight hospitals, four

children's homes and nine homes for the aging.

This work is supported by the Convention's more than 4,900 churches and missions which will give about \$54 million this year through the Cooperative Program for mission work at home and abroad.

Besides the institutions, the Convention helps support the work of more than 6,000 missionaries in the United States and more than 100 foreign nations.

JV Loses To Bearcats

By Robert Ivey

The Haskell JV was defeated by the Hawley Bearcats 8-0.

The JV suffered 6 turnovers enabling the Bearcats to score the only touchdown of the game.

The offense was unable to get untraced, although the defense played well the entire game.

The JV's record is now 1-6 on the year as they prepare to play their final game of the season against the Anson Tigers.

The JV will face the Tigers Saturday morning Nov. 10 at Anson.

Chamber Names List Of Parade Participants

The response to invitations to participate in Haskell's Third Annual Night Christmas Parade is very rewarding and emphasizes the widespread interest in the unique and spectacular event. An even larger attendance is expected due to the theme being "A Child's Christmas," with a parade that is designed especially for the joy and wonder of the young.

To date the following are entering theme floats, with others indicating they will probably participate also:

Rotary Club (Snow White and the Seven Dwarfs);

Kiwanis Club (The Three Bears); Lions Club (Wizard of Oz); Fire Department and Auxiliary (Smoky the Bear); Progressive Study Club (Little Red Riding Hood); Young Homemakers (Raggedy Ann and Andy); City of Haskell (Hickory Dickory Dock); Ministerial Alliance (Baby Jesus); Chamber of Commerce (Santa Claus).

Haskell National Bank (Ole King Cole); Commodore Savings (The Night Before Christmas); Kids Duds (Minnie and Mickey Mouse); Lane-Felker (Cinderella); Dulaney Abstract (E.T.); Kays

Cleaners (Bert, Ernie and Oscar); Pizza Barn (Pizza Pete); M'System (Big Bird); Allsups (Miss Piggy and Kermit the Frog); Brian Burgess Insurance Co. (Care Bear).

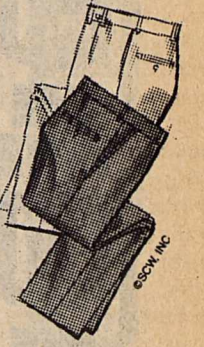

Also on a float in the parade will be the Queen of the Haskell County Fair and her court.

Ever need an ambulance? What if you did, and there was none available? Don't wait until this happens. Give to the Haskell Co. Ambulance Memorial Fund today. The life you save may be your own!!

When you wanted to talk about some change in CD rates, we listened.

Commodore Savings listens to its customers. That's why, when you told us you wanted a variable instead of a fixed CD maturity term, we heard you. And now, Commodore Savings gives you what you asked for: on any Commodore Certificate of Deposit - from our 32 day CD all the way up to a 5-year CD - you can pick your maturity term.

With a Star CD from Commodore Savings, you set the maturity date at 7 months...or 2 years and 3 months...or 1,713 days...[of any length CD you want up to 5 years.] And on each one, you'll receive the same high CD rates you always expect from Commodore Savings:

LENGTH OF CD	RATE
1 Month to 3 Months (32 thru 89 days)	10.50%
3 Months to 6 Months (90 thru 179 days)	10.75%
6 Months to 9 Months (180 thru 269 days)	11.00%
9 Months to 1 Year (270 thru 364 days)	11.25%
1 Year to 2 Years (365 thru 729 days)	11.50%
2 Years to 3 Years (730 thru 1094 days)	11.75%
3 Years to 4 Years (1095 thru 1459 days)	12.00%
4 Years to 5 Years (1460 thru 1824 days)	12.25%

At Commodore Savings, we think listening is important. Because when you know how to listen, you know how to help with innovative ideas like our Star CD's. Come talk to us about opening a Star CD today.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

To the editor:

Hopefully, Mark White will not get another term. He has done nothing but raise taxes and help ruin our education system. Next year, there is a threat (or promise?) of a state income tax.

This reform was necessary, some measures taken are ludicrous. In January, the appointed board will consider consolidation of schools and abolishment of all junior high athletics, among other things. Will the appointed board do what White and Perot dictate, or will they consider our students and teachers as individuals?

House Bill 72 puts the emphasis on failure rather than the success of the student. Only one subject that the student is "slow" in fails that student. Since there are no more "social promotions" it is conceivable to have 14 year-olds in the third grade eventually. What about the ones who really cannot keep up? Perot is said to have replied that we'll always need ditchdiggers. His daughter, of course, goes to a private school, and missed around twenty days last year to attend horse shows. Is he trying to weck out the "undesirables" as in Communist countries? America educates the masses, everyone has a chance for improvement here.

Our teachers do not get paid for tutoring. When, not if, the school day goes from 8-5, teachers will be glorified baby-sitters. Undue pressure is being put on teachers and students. We will have more drop-outs. Teachers will quit and go into the business world.

Maybe we cannot get rid of House Bill 72, but we can get rid of the ones who voted it into existence. Vote against the Senators and Representatives who were for what White and Perot wanted. Perhaps the next ones will be truly representative of the people.

Dear Editor,

I think it was nice for the merchants to let the young people paint on their windows, stay open late, and participate in the Halloween activities, such as dressing up and passing out candy to the children.

I heard many of the young people tell of their excitement or their scare from their visit to the spook house, located at Busy Bee Mini Mart. There was also much talk about the interesting ways the merchants dressed and acted. As the holidays season comes, I hope there will be

more activities around town for the young people to be involved in. Thank you, Merchants. We appreciate it.

Sincerely,

Dear Editor:

Due to the conclusion of my legislative duties, the enclosed "Capitol Update" will be the last of my weekly columns. I very much appreciate your publishing the columns through the years. The community newspaper is the backbone of many Texas towns, and I am proud my columns have appeared in so many of your publications.

I always have cherished my good relationships with newspapers across Texas, and believe they have been fair in their coverage of me over the past 23 years. For that I am most grateful.

Once again, thank you for your courteous treatment of the "Capitol Updates." It has been an honor communicating to my fellow Texans through so many fine newspapers.

Sincerely,
John Tower

During 1983, The National Association of Civilian Conservation Corps Alumni (NACCCA) celebrated the 50th anniversary of the establishment of the Civilian Conservation Corps (CCC).

The NACCCA is trying to locate about two million former members and persons who were connected or affiliated with the CCC during the 1930's and 1940's. It is a known fact that many of these persons reside in Texas and areas serviced by the "Free Press."

I am sure that many of your readers have often wondered what became of the CCC. You can tell them the CCC lives again in the NACCCA. It is a young and growing organization with 111 chapters throughout the nation, and more are in the planning and development stages. One of its major objectives is to have the CCC reactivated.

Anyone interested in the organization can write to NACCCA, Loehmann's Plaza, 7245 Arlington Blvd., Suite 318, Falls Church, Virginia, 22042 for more information and literature.

Food Stamp Recipients To See Increases

The 1.3 million Texans participating in the Food Stamp program will receive increased benefits beginning November 1st, it was announced today by Martin Dukler, Deputy Commissioner for Programs of the Texas Department of Human Resources.

Dukler said the increase in food stamp allotments will average about \$3 a month for a four-person household. Allotments vary with size of households and family income.

Authority to increase the allotments is contained in a joint Congressional resolution passed October 12, 1984, and signed the same day by President Reagan.

The increase will provide an additional \$12,000,000 in benefits to Texas annually, Dukler said. The food stamp program is funded by the U.S. Department of Agriculture and administered by the various states.

Editorial

It seems like people's quest for physical fitness, or maybe just a lack of transportation, has driven them to use our public roadways for walking and/or jogging.

And, most of these people find that getting out in the evening to exercise is more preferable than any other time of the day.

However, most of these people do not realize that their being on the streets at night poses a particular problem, especially if they are not wearing light colored or reflective clothing.

We, unfortunately, hear of the tragic deaths each day of persons who were out jogging and were struck by an oncoming car and killed.

Last year alone, according to DPS figures, there were 452 men and 148 women who lost their lives as pedestrians when they were killed by being hit by a car.

While I have no conclusive evidence that these deaths were attributed to the victims not having had on light colored or reflective clothing, I am sure that they were struck because they were not seen. It would make little sense to think that these pedestrians were in full view of the driver when they were struck and killed, except in the event that they stepped into the path of an oncoming car.

Haskell was unfortunate to have had an experience earlier in the year where someone was hit and killed.

Friday night, there was nearly another incident of this type.

I was driving to the football game, when I nearly struck a teenaged boy, who was walking with a friend on the street.

The boy was wearing blue jeans, a maroon shirt or coat and thankfully, white tennis shoes.

Had it not been for me seeing his shoes, I would have hit him, as I swerved, after having seen his white shoes as he was taking a step.

This young man did not know how very close I came to hitting him.

I was not going fast, and could have stopped easily, but the very thought of possibly hitting another person almost made me nauseated.

I would like to make an appeal to all of you who enjoy walking or jogging in the evening.

Please, for heaven's sake, as well as your own, wear some type of light colored clothing or use reflective tape on your clothing if you are going to be walking at night.

If you just refuse to do this, then please walk somewhere other than my neighborhood, because I don't want to have to live with my conscience for the rest of my life if, some night, I am driving home, and don't see you, and hit you because you were not dressed so that you could be seen at night.

Please, don't take chances with your life like that...and please don't take chances with mine, either!

Superintendent's Pirates Defeat Steers 52-45 Views

BY JAMES LANIER
Superintendent, Haskell ISD

This week, I will strive to explain the expenditures for supplies and materials. We have budgeted \$24,000 under instruction for supplies and materials. This includes paper, new science equipment to meet new requirements of Chapter 75 especially in the elementary school, and various other program areas. We budgeted \$6,250 for supplies and materials under instruction related services. This consists mainly of media supplies from the service center and supplies for the principals' offices such as stamps, stationery and other office supplies. We have budgeted \$90,400 under pupil services. This figure includes guidance and counseling supplies, mainly achievement test, gasoline and other supplies for transportation, supplies for co-curricular and food for the cafeteria. We have budgeted \$2,050 in administration for supplies. This is mainly for paper and postage. We have budgeted \$20,600 in plant services. This is for custodial supplies such as wax, toilet tissue, cleaning materials, etc. These figures make the total for supplies \$153,300 which represents 8% of the total budget.

Other operating expense include items such as travel, insurance, maintenance contracts, etc. Under instruction, we have budgeted \$6,104 in this area. We budgeted \$1,900 under instruction related, we budgeted \$33,900 on pupil services. The majority of this sum is in co-curricular for meals, travel, filming, etc. We budgeted \$4,496 under administration. This is mainly for bonds and insurance for buildings. We budgeted \$9,600 under plant services for other expenses. This figure includes expenditures such as pest eradication, mop service clock maintenance, etc. Our total for other expenses is \$56,000 which represents 3% of the total budget.

I would like to cover one more area of the total budget in this column which is debt service. Our debt service expense this year is \$28,170. We have only three years more on our debt service. In 1985-86, we will owe \$27,260, and in 1986-87, we will owe \$9,315. The debt service portion of our budget represents 1.5% of the total budget.

The Paint Creek Pirates defeated the Rochester Steers 52-45. The Steers scored on their first possession when Paul Ortiz dropped back for what appeared to be a pass, but he handed the ball to Howell Adkins who ran up the middle for a seven yard touchdown. PAT was no good. Later in the first quarter, Ortiz threw a 45 yard touchdown reception to John Wyatt. He then threw for a one point conversion. After Paint Creek turned the ball over on downs, the Steers hit paydirt again when Ortiz connected with Wyatt for a 62 yard touchdown.

On the Pirates next possession, Kenneth Jeffcoat bulled his way five yards into the end zone for the Pirates first touchdown. PAT was good. On third and goal from the Pirates 13 yard line, Ortiz passed to Richard Shaver for their final touchdown of the first half. PAT was good. Following an interception by Mikeal Gonzales the Pirates marched 26 yards to the Rochester 4 yard line, where Lewis Lacey carried it over for the Pirates second score. PAT by Ronald Campbell was good. With three seconds left in the half Rob Mickler caught a 15 yard touchdown pass from Campbell leaving the score at the half Rochester 27, Paint Creek 22.

The Pirates received the second half kickoff and four plays later Campbell rambled 34 yards for the first touchdown of the half. PAT was good putting Paint Creek into the lead for the first time 30-27. Rochester answered the Pirates score with a 31 yard touchdown reception to Wyatt. The Steers then intercepted a Pirate pass. They handed the ball off to Wyatt on a reverse and he dashed 43 yards for another touchdown. PAT was good.

Keith Medford received the ensuing kickoff and returned it 56 yards to a touchdown. PAT was no good. On their next possession the Steers marched to the Pirate 23 yard line where Ortiz tossed a 23 yard touchdown pass to Richard Shaver. PAT was no good, putting the Steers ahead 45-44 with 52 seconds left in the game. Greg Rowland returned the Steer kickoff to the Pirate 30 yard line. The Pirates drove the ball to the Steer 11 yard line and with eight seconds left, Campbell took the snap, rolled to his right and found Lacey for an 11 yard touchdown pass. PAT was good. This put the score 52-45 for the Paint Creek win.

The Defensive Player of the week is Mikeal Gonzales with two key interceptions and 10 tackles. The Offensive players of the week were Lewis Lacey and Ronald Campbell. Paint Creek will play Weinert at Weinert on Friday, November at 7:30 to determine the second place team in the North Zone 4 A.

Haskell Nursing Center News

Monday afternoon the monthly birthday party was given for residents by the First Baptist Church. A host of ladies from three classes came and presented a program for residents. A special reading was given by Reatha Mullins concerning the life of women in years past and the present day time. Punch and angel food cake was served to all residents.

Donna Westmoreland was the birthday resident of the month. There was also some old time favorite gospel singing. A good time was enjoyed by all.

Emma Reed visited in the rooms this week and brought reading material for residents.

Wednesday afternoon the Home was visited by a group from the Experienced Citizens Center. The Green Team hosted the Halloween party. Old time favorite gospel singing filled the dining room and enjoyed by all. Cup cakes and punch were served to all residents. A Halloween Favor of green with a scented pumpkin decorated the cup cakes. Visiting in the rooms during the party was the Happy Witch. She went into the residents room with a smile and hug for each resident. While on duty as a nurses aid the Happy Witch is Rachel Livingston.

The Church of Christ paid a visit Wednesday night and brought a group of their small young people dressed in Halloween costumes. Residents were delighted to see the young group in their special costumes. Punch and cup cakes were brought for each resident with a special favor of a cloth pumpkin with a treat of bananas and kleenex inside. The children sang a selection of Bible songs and visited with each resident. The Home wishes to thank the mothers and young ones for such a nice visit. The Home

enjoyed and looks forward to the company of children.

Rev. Hodges and Mrs. Hodges and their guests Celia Lopez and Quinette Hammons came Wednesday for a devotional. Residents led by Elaine Hodges sang some gospel songs. Colene Moody played the piano for the group.

New resident for the Home is Mrs. T.C. Connors from Rule.

Lillian Bagley from the Home is in room 329 Lubbock General Hospital in Lubbock.

The residents enjoyed the staff members and their families that came Wednesday and visited with residents in their rooms. Nelda Davis brought popcorn balls for refreshments. Jeanette Jones and daughter-in-law Mary Ann McWhorter and her children, Amy, Josheau and Michelle dressed in costumes and played trick or treat. Halloween was indeed a busy and delightful day for all in the Home.

John McDermott, A.I.T. has been attending Tarrant County Junior College in Ft. Worth the last 3 weeks where he is attending a 200 hour course in nursing Home Administration. The completion of the course will be this week and will pick up one more week in February. This is to meet State requirements for Nursing Home Administrators license.

Popcorn and Happy Hour was Tuesday afternoon and Bingo with Fruit Thursday.

Maxine Grand and Mabel Mullinggs were here Friday morning for a devotional and sing-a-long. Thank you ladies for bringing some Sunshine and fellowship.

Friday afternoon old time favorite songs were played for residents by Laura Overton.

MARX BROTHERS AND COMPANY ... In the early years of this century the Marx Brothers were serious singers and actors. They were appearing at the Opera House in Nacogdoches. During their "serious" show a team of mules ran away with a wagon. The entire audience ran out to see the runaway. When they returned the angry Marx Brothers began to insult and make faces at the crowd. The audience loved it ... and "comedian" Marx Brothers was born.

H.H.S. Twirlers Earn Honors At Contest

The Haskell High School twirlers, and Shanna Mueller, all earned first divisions on their routines at the UIL twirling contest, which was held in conjunction with the UIL marching contest, Saturday, October 20, in Stamford.

Members of the high school line are seniors Holli High, Lorry Geilhausen, Miehelle Stout, junior Jill Jennings, and sophomore Kelli Gilliam.

Also, earning first divisions on solo routines were Holli High, Lorry Geilhausen, Jill Jennings, and Kelli Gilliam, of the Indian twirlers, and Shanna Mueller.

Earning a second division on her routine was Patricia Henry, who twirled a solo.

All of the twirlers at the contest were judged by Elaine Flory, of Amarillo.

Those girls who earned a first division will advance to the State Solo and Ensemble contest, which will be held in the spring in Austin.

The Haskell twirling line is taught by Roz Love of Abilene.

who are successful in rounding up the largest number of new members, they will be treated to a meal, served up by the group who brought in the fewest number of new members.

November 9, mark down the Lions Club pancake supper, which will be held in the high school cafeteria, beginning at 5 p.m. until 7 p.m.

Proclamation

WHEREAS, The men and women who have served in the Armed Forces of the United States of America have made major contributions toward the preservation of the freedom of this Nation and her people; and

WHEREAS, There are millions of men and women throughout the Nation who have met the greatest demand of citizenship—honorable military service to their country in time of war; and

WHEREAS, the services performed by these millions of gallant Americans have demonstrated the unselfish willingness of our Nation to meet the challenges of those wishing to subjugate individual determination through armed conflict; and

WHEREAS, The Congress of the United States of America has designated the eleventh day of November of each year as Veterans Day; and

WHEREAS, the Nation and the free world are eternally grateful for the contributions of American veterans to the advancement of the cause of an honorable world peace; now

THEREFORE, I, B.O. Roberson, County Judge of Haskell County, do hereby call upon all citizens to observe Nov. 6-13, 1984, as VETERANS WEEK, and ask that the day be observed with appropriate ceremonies in honor of those who have served the national purpose to preserve the principles of Justice, Freedom, and Democracy.

I further call upon all citizens and business firms to mark this week with the proud display of the Flag of the United States of America in reaffirmation of our national unity and pride and in rededication of our national ideals.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the official seal of the City of Haskell, Haskell County, State of Texas, this day of November 8, 1984.

Public Notice

Pursuant to an order of the Public Utility Commission of Texas in Docket No. 5926, notice is hereby given that Southwestern Bell Telephone has filed a Feature Group "E" (FGE) Access Service as a new tariff offering to meet the needs of Cellular Mobile Radiotelephone Common Carriers.

The new tariff offering will also be available, on an optional basis, to Radio Common Carriers authorized to provide domestic public land mobile radiotelephone and paging services.

FGE Access Service will be provided as trunk side switching with line treatment at suitably equipped Telephone Company electronic end offices and other end offices where equipment is available. The proposed rates for FGE Access Service are on a minutes of use basis.

A number of common switching optional features will be available with FGE Access Service, including Class of Call Screening, up to 7-digit outpulsing of called party telephone number of customer, delay dial start-pulsing signaling and dial pulse address signaling. Certain additional optional features will be offered in connection with FGE Access Service under other tariffs of the Telephone Company, including blocks of telephone numbers and Billed Number Screening.

Southwestern Bell Telephone Company customers interested in participating in this hearing or needing additional information, should write to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Commission's Consumer Affairs Division at 512/458-0223, 512/458-0227 or teletypewriter for the deaf at 512/458-0221.

Southwestern Bell Telephone

Aviso Público

En conformidad con una orden de la Comisión de Servicios Públicos de Texas bajo el Docket No. 5926, se anuncia mediante el presente aviso que Southwestern Bell Telephone ha registrado un Servicio de Acceso para el Grupo de Clasificación "E" (o sea Feature Group "E", o FGE) en una nueva opción tarifaria destinada a responder a las necesidades de las Empresas de Telecomunicaciones Radiotelefónicas Celulares Móviles.

La nueva tarifa estará disponible también, en forma opcional, para las Empresas de Radiocomunicaciones autorizadas para proporcionar servicios nacionales públicos de radiotelefonía móvil terrestre y de altavoces.

El Servicio de Acceso FGE se proporcionará mediante conmutación de cable troncal con tratamiento especial de la línea telefónica en centrales terminales electrónicas de la compañía de teléfonos que estén debidamente equipadas, y en otras centrales terminales que tengan disponible el equipo. Las tarifas propuestas para el Servicio de Acceso FGE se computan por minutos de uso.

Junto con el Servicio de Acceso FGE se ofrecerán varias opciones de conmutación central, incluyendo Investigación de la Clase de Llamada (Clase de Call Screening), representación visual de hasta 7 dígitos del número telefónico llamado por el usuario, retardo de la señal para transmitir y señalización de la dirección para marcar. También se ofrecerán algunas opciones adicionales en relación con el Servicio de Acceso FGE bajo otros sistemas tarifarios de la Empresa Telefónica, incluyendo restricciones a bloques de números telefónicos e Investigación del número al que se carga la cuenta (Billed Number Screening).

Los usuarios de Southwestern Bell Telephone Company que estén interesados en participar en esta audiencia, o que requieran mayor información, deben dirigirse por escrito a: Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. También puede obtenerse información adicional llamando a Public Utility Commission Consumer Affairs Division at 512/458-0223, al 512/458-0227, o al 512/458-0221 si requiere teletipo para personas con impedimentos de audición.

Connie Turnbow Is Dental Assn. President

Connie Turnbow was unanimously elected president of the Texas Midwest Area Dental Hygienist Association in a meeting on Woodlake in Abilene Nov. 4, 1984. The Texas Midwest Area covers Abilene, San Angelo, Brownwood, and the surrounding areas.

Kathryn M. Trilli of Jacksonville, president of the Texas Dental Hygienist Association and Gail Lutz of Austin, TDHA membership chairman, presided over the meeting.

Officers elected were Linda May of Abilene, component trustee, Diane Beicher of Abilene, treasurer, and Jan Mims of San Angelo, secretary.

A luncheon of finger sandwiches, assorted chips and dips were served.

Connie graduated from Amarillo College with an Associate Applied Science Degree in Dental Hygiene. She has worked in the Seymour, Albany, and Abilene area for the last eight years.

Connie will be attending the Dallas mid-winter meeting Jan. 25th.

Connie is the daughter of Jean Turnbow of Haskell.

Indians Begin Basketball Season

The Haskell Indians will be seeing basketball action today at Lueders when they scrimmage the Lueders-Avoca team, beginning at 3:30 p.m. Because football season is not over yet, some of the players who will be in the scrimmage today will actually be playing on the JV team, according to head boys basketball coach Jim Raughton.

Back to the varsity from last year will be Shane Hadaway, David Adams, and Stephen Boyd.

Also those who will be on the varsity will include Ricky Rojas, Robert Ivey, Todd Harris, and Carl Dever, all of whom are still involved in football. Others who may be possibly on the varsity, who will see action tonight will include Sammy Baker, Tim Johnson, Kelly Strickland, Chris Lopez, Lance Hanson, Jerry Davis, and B.J. Mitchell.

According to Raughton, there have been about 20 athletes who have been in the gym all year who have been working on basketball, not having gone out for football.

Raughton said the teams' strength lies in the fact that there will be seven of last year's nine players back to the varsity team.

"This team has played

together for so long, that could also be considered another strong point," said Raughton. He also said that their bench strength would be improved this year.

A weakness for the team this year was not having a 6'5" player back, after having lost McCoy from last year. Shane Hadaway, at 6'4" will be the tallest team member for the varsity.

Offensively, the varsity will run a continuity offense against a man to man defense, and Raughton said they will be cutting and moving alot. They will also be playing a high/low offense against a zone defense, which is pretty much the same set up they used last year, said Raughton.

"We will be moving the ball, and Hadaway will be post and we will be giving him the ball a lot," said the coach.

As was mentioned earlier, the JV team is not yet finalized, so Coach Jim Mickler will not really have a clear cut idea of who, or what he has on his JV team until after football season.

Wagon Train To Visit Haskell

Just like in the olden days, there will be a wagon train stopping in Haskell on June 4, 1986.

These hearty folks will be coming close to the end of their 2800 mile, six month excursion, which will begin January 2, 1986, at Sulphur Springs, and will wind its way through Texas, ending on July 3, 1986 at the Fort Worth Stockyards.

They will be in the Haskell area for about two days, stopping first at Rochester, then in Haskell, and proceeding on to Stamford.

Executive director of the Texas Wagon Train Association is Jan France, who is 39, and is from Sulphur Springs. She will be coordinating all of the activities which those persons involved in the wagon

train will be participating in. Her husband, Garry France, will serve as the wagonmaster for the trip.

Each of the people who are involved in the wagon train will pay a \$15 per person fee, and \$25 per family.

This trip is being financed by donations of Texans across the state.

There has been a budget of 3 million dollars which will be needed to get those wagons rolling on January 2, 1986.

Mrs. France says that if each Texan could just send \$5 or \$10, the budget would be met in a very short time.

The Wagon Train Association also urges civic groups, riding clubs, historical organizations, businessmen, ranchers, and farmers to make contributions.

For any of you in Haskell or this area who wish to make a donation to the Texas Wagon Train Association, the address is: Texas Wagon Train Association, P.O. Box 323, Sulphur Springs Texas, 75482 or to: Western Bank P.O. Box 1866, Denton, 76201. All donations are tax deductible.

According to the France's, there should be 20,000 travelers on the wagon train trip, and there is expected to be some 1,000 wagons in the train.

The group will leave Sulphur Springs, January 2, 1986 and will circle in a southeasterly direction to Longview, Marshall, and then proceed south to Nacogdoches, Lufkin, and then on to Humble.

They will travel west from Humble to Austin, then south to Kingsville, north to San Antonio, and then west to El Paso.

Continuing on, the wagon train will head from El Paso, back to Odessa and Midland, then make a swing north up to Amarillo. They will come back to our area, going through Abilene, Wichita Falls, and head east to Denton, Dallas, and their destination of Fort Worth.

Each town along the wagon train route will be planning an event for the time the wagon

train is in their town. Mrs. Jerrene Couch will be organizing the plans for Haskell, and each of the civic and service organizations will be helping to carry out the plans.

The entourage will be assisted by sheriffs or city police at all times in order to insure safety to those in the train and to others with which the wagon train will be sharing the highways of the state.

Each participant of the trip will receive a certificate of participation, and those who complete the entire 6 month trip will receive a plaque of recognition.

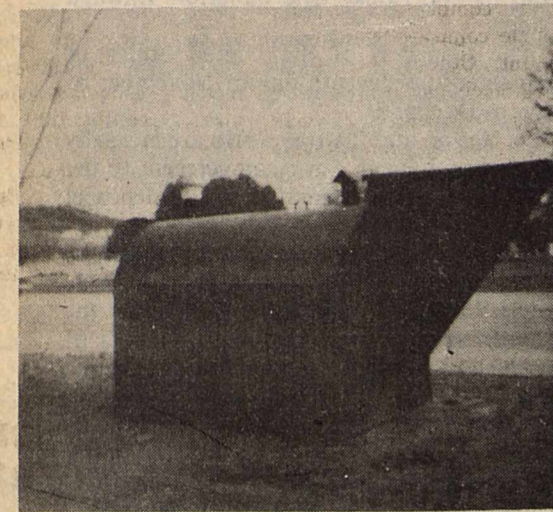

For those families who have children who will be taken along on the trip, there will be tutors available to see that the children's education is

continued. This tutorial situation will be able to work with 20 students. If additional teachers can be hired, the number of children to be tutored may increase.

The train will be traveling 20 plus miles per day, and should an emergency crop up, there will be persons trained in first aid and the use of CPR.

Some of the sponsoring corporations and businesses in Texas so far include Copenhagen-Skoal-Skoal Bandits, Western State Bank of Denton, Billy Bob's Texas, WBAP/820, Dallas/Fort Worth and Glen's Sporting goods.

Walt Garrison, former Dallas Cowboy great, will serve as Honorary State Wagonmaster, with Billy Bob Barnett and Tom Landry, serving as his assistants.

Got some Designs in mind?

A lot of people try and do their own home improvement — and make the mistake of doing major changes a little at a time! They end up paying more — as well as more often — in the long run.

Let us help with a home improvement loan plan that won't paint your family budget red all over.

Come in and let's talk about some of those designs you've got in mind...interior or exterior. We can plan a home improvement loan to make those designs come true.

Public Notice

NOTICE OF SHERRIFF'S SALE THE STATE OF TEXAS County of Haskell

Notice is hereby given that by virtue of a certain judgment issued out of the Honorable District Court of Haskell County, of the 20th day of July, 1984, by Carolyn Reynolds, clerk of said District Court of Haskell County, Texas for the sum of One Thousand Seven Hundred Forty Five and 65/100 Dollars and costs of suit, under a judgment, in favor of Brittany Drilling Co., in a certain cause in said Court, No. 9437 and styled Brittany Drilling Co. vs. William Morse, placed in my hands for service, I Johnny L. Mills, as Chief Deputy Sheriff of Haskell County, Texas, did on the 29th day of October 1984, levy on certain Real Estate, situated in Haskell County, Texas, described as follows, to-wit: WILLIAM MORSE'S working interest in the oil, gas and mineral lease known as the Walsworth lease Haskell County: Walsworth Lease covering the following described land: Being 40 acre lease, being the west 40 acres out of 160 acres of Sec. No. 246, Blk. 45, H & TC Ry Co., Haskell County, Texas. And levied upon as the property of William Morse and that on the first Tuesday in December, 1984, the same being the 4th day of said month at the Court House door of Haskell County, in the city of Haskell, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said judgment I will sell said above described Real Estate at public vendue, for each, to the highest bidder as the property of said William Morse. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County, Texas. Witness my hand, this 29th day of October, 1984. Johnny L. Mills Chief Deputy Sheriff Haskell County, Texas 45-47c
