

Rule Chamber Of Commerce Banquet Set For April 2

The annual Rule Chamber of Commerce banquet will be held Tuesday, April 2nd, at 7 p.m. The meal will be served in the Rule School cafeteria by members of the Rule School Junior Class and mothers. Musical entertainment will be furnished during the meal. The program will follow in the auditorium with Dr. Charles W. Jarvis of San Marcos as guest speaker.

Dr. Jarvis is a former dentist

turned professional speaker. The humorist makes more than 140 speeches a year throughout the United States for dinner clubs, banquets, conventions, ladies nights and sales meetings. He attended Texas A&M and the Naval Academy. He married a girl from his hometown of Brady, and planned a Navy career until he decided the regulated life was not for him. He moved to Houston to train as a dentist at the University

of Texas Dental Branch and chose to practice in San Marcos. He joked with his dental patients and in 1959, he was asked to serve as master of ceremonies of the local chamber of commerce. He won a reputation and speaking invitations in other towns, and he decided to turn professional.

His awards in dentistry include: O.K.U.-National Dental Honor Society, Fellow American College of Dentistry, Fellow International College of Dentistry, Honorary Membership PSI Omega Dental Fraternity, President's Award (for service to profession), Texas Dental Association and Outstanding Alumnus Award, University of Texas Dental Branch Alumni Association. His speaking awards include Mark Twain Award for Humor, International Platform Association, International Speaker's Hall of Fame and Toastmaster's Golden Gavel Award.

Rule's Man and Woman of the Year will be announced as well as Outstanding Boy and Girl. Introductions of 1985-86 chamber officers will be made and the chamber's work for the year reviewed.

Tickets are \$10.00 and may be purchased from any Rule Chamber of Commerce member or by writing Rule Chamber of Commerce, Rule, 79547.

ALL DISTRICT GIRLS

Shown are members of the Haskell Maidens basketball team who were selected to the All District team recently. From left to right are Tamala Randle (honorable mention), Holly McBroom, (second team), Jennifer Davis first team and Julie Roewe, first team.

Two Named To All Dist. First Team From Haskell

Jennifer Davis and Julie Roewe earned themselves places on the All District first team roster, it was announced recently.

Miss Davis is a senior, and Miss Roewe is a sophomore.

Roewe led the Haskell Maidens in scoring for the year with 279 points while Miss Davis was second in the seasonal scoring with 260 points.

Others who were named first team All District selections include Sue Blackwell of Anson, Pam Willis of Hamlin, Cathy Connor of Rotan, Lisa Kiker of Hawley, and Cynthia Titus of Hamlin.

Senior Holly McBroom was a

selection for the second team All District roster. Joining McBroom on the second team were Lana Bradshaw of Hawley, Shelly Hayes of Rotan, Gigi Roberson of Anson, Gina Bond of Hamlin and Kelly Thompson of Stamford.

Those girls who were honorably mentioned for selections to the All District teams were Tamala Randle of Haskell, Charissa George of Hamlin, Lenore Young of Anson, Christa Conley of Hawley, Sharon Monsey of Hawley, Dawn Carroll of Anson, Evangelina Guerra of Hamlin, and Terri Whitefield of Rotan.

Reasons Made Public Due To Attorney General Ruling

A letter from the Haskell Independent School District to Supt. James Lanier listing reasons for the board not renewing Lanier's contract was made public this week following a ruling from the Attorney General's office.

The Haskell Free Press requested a copy of the letter in late January under the Texas Open Records act. Board members and their attorney took the position that the letter was confidential and requested a ruling from Austin.

In a letter from the Attorney General's office said in part, "...the public clearly has a legitimate interest in knowing the reasons for the nonrenewal of the school district superintendent."

Listed below are the reasons cited in the letter to Lanier.

1. Failure to properly supervise and support teachers and

employees.

1. Graduation exercises - Jill Druessedow and Margaret Chafin were in charge of graduation exercises and advised the students that anyone missing the practice could not take part in the exercise itself; and, Mark Reynolds did not attend the practice and was prohibited from going through the exercise; his parent complained to the Superintendent and Superintendent overruled the teacher and allowed the boy to take part in the exercises.

2. Failed to see that discipline was maintained and school principles upheld in athletic program.

(a) Student made obscene gesture on athletic field during athletic contest and Superintendent failed to follow up incident with coaches or students. (Monday

football game)

(b) Failed to see that coaches and players upheld the dignity of the school in a sportsman-like manner.

(1.) Hamlin game at Haskell.

(2.) Haskell game at Stamford

3. Failed to see that elementary school grounds were ready for school in Fall of 1984; failure to properly oversee grounds personnel.

4. Failure to handle transfer and assignment of personnel in elementary school in orderly and professional manner. i.e. elementary school secretary.

5. Failure to inform all insured members of intention to drop group hospitalization policy and of their alternatives.

6. Failure to handle personnel matters in a manner conducive to the good morale of the teachers, students, and employees.

Local Airport Closed For Renovations

By Janet Wilke

As of Monday of this week, the runways at the airport will be closed, according to City Manager Robert Baker.

Baker did say, however, that pilots can take off and land on the taxiways most of the time, and at their own risk, if they so choose. They do need to tell the contractor at the airport what they will be doing, so they will not be in the way or present problems with the movement of equipment, said Baker.

Martin Paving Company of

Abilene is the contractor on the renovations at the airport. These will include resurfacing the runways and installing a new lighting system. The bid for this construction came in at \$105,446.10 with 75 percent of this being paid for by a Texas Aeronautical Commission grant, and the remainder being paid for from sales of airport fuels and hangar rent. Baker said that the city was not anticipating having to use funds from any other sources at this time for the renovations.

The new surface for the runways will be finished in 4-6 weeks, say the contractors. The lighting will be finished in 90 days.

When the runways become useable again, they will be opened for daylight traffic only until the entire project is finished.

The new lighting system will be able to be activated by microphone

remote control from the pilots while still in the air, prior to landing.

Haskell's airport has 22 hangars rented. The TAC insisted that the airport be renovated or shut down because the runways were in such poor condition, and the lighting was bad.

Two years ago, the City of Haskell applied for a grant from

TAC for the renovation of the airport.

Contractors will be gaining access to the runways from the south end of the runway.

So, because of this, pilots who do wish to use the taxiways, and anyone who is at the airport, needs to be careful not to get in the way of the workers there.

Questionnaire Available To Candidates

A questionnaire for Haskell School Board candidate may be picked-up at the Free Press beginning Thursday. The questionnaire will be printed in next week's Free Press.

The school board election will be held Saturday, April 6 and a total of fifteen candidates are seeking five positions.

Three candidates are seeking to fill one position for a one year term. They are: Charles Reed, Bob Brandon, and Pat Henry.

Two candidates have filed for a two year term, they are David Davis and Sammy Larned.

Ten candidates are seeking election to three-three year positions. They are, Terry Blanks, Wayne Cadenhead, James Davis, Bob Aycock, Tim Everett, Bill Thomas, Jerry Harris, John R. Wilson, Gary Druessedow, and Brian Burgess.

Hadaway, Rojas Named To All District Team

Seniors Shane Hadaway and Ricky Rojas have been named to the first team of the district 6-AA All District basketball team, it was announced recently.

In addition to having been named to the first team, Hadaway was also honored as the district's most valuable player.

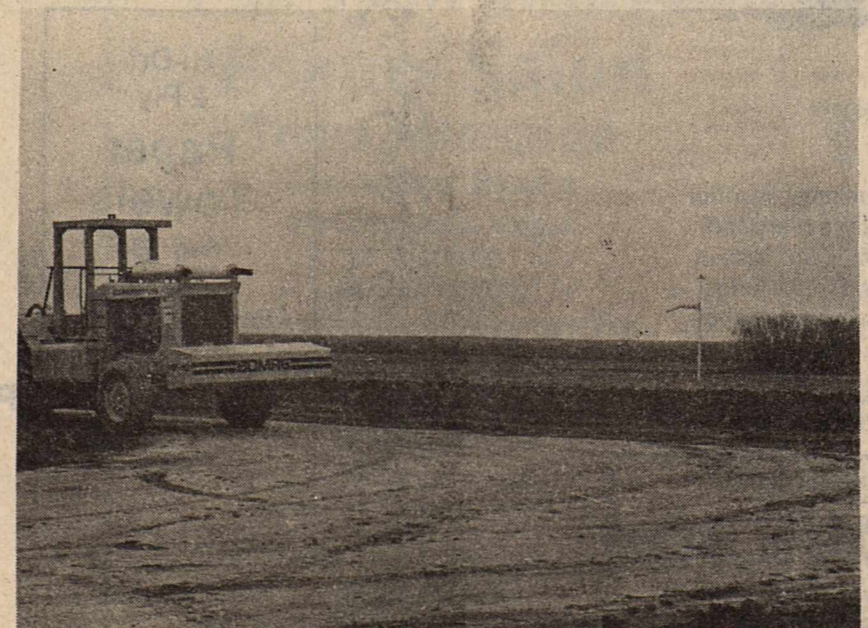

The 6 foot 4 inch senior averaged about 30 points per game all season long.

Rojas scored approximately 15 points per game this season, after having been out in the beginning of the season, recuperating from knee surgery.

Others on the first team include Hunter Cooley of Hawley, Robby Baker of Hawley, Bobby Griffin of Stamford, and Michael Howerton of Hamlin.

On the second team all district roster, senior Robert Ivey was included. Others who joined Ivey were Charles Williams of Rotan, Tim Delce of Stamford, James Pryor of Anson, and Johnny New of Hawley.

Three Indians were also included as Honorable Mention to the All District roster, and those were junior, Sammy Baker, and seniors David Adams and Todd Harris.

RUNWAY RUBBLE

Shown is the rubble that was left after the runway at the airport was removed in order to repack and resurface that area. The job began Monday, and the job is scheduled to take 4-6 weeks. New lighting should be installed withing 90 days after completion of the runway.

City Council Says No To Cable Company Request

In their regular meeting, the City Council said no to a proposed ordinance brought to them by CenTex Cablevision Corp of Stamford, in which CenTex was asking the City to prosecute the users of the cable system who were not paying for the system.

City Attorney Joseph Thigpen asked the representative from the cable company if their proposed ordinance was being used in any other city.

Gigi Barnett, who was

representing the cable company said she did not know if the ordinance was passed in any other Texas city or not, but that the proposal had been given to the Austin City Council for their consideration.

Then Thigpen went on to explain to the Council that this ordinance called for the possible imprisonment of a person if he failed to pay for services rendered by the cable company, which is illegal according to the U.S. Constitution because it constitutes imprisonment for

indebtedness.

Thigpen said he had problems with the ordinance that CenTex was bringing to the Council because he was not sure that it was constitutionally sound, and also because there were other laws that dealt with theft of a communication service. He also said that he felt that if the State of Texas felt that the laws needed to be changed that the legislature should be the one to do that, not Haskell's City Council.

It was moved and seconded that the Council not adopt the ordinance brought to them by the cable company, but that if Ms. Barnett found that such an ordinance was intact in any Texas city, that she was welcome to come back to the Council and present her findings, and they might have enough evidence to re-consider her request.

When the representative of the cable company asked the council if they had any complaints, prior to taking up the matter of the proposed ordinance, the Council made it clear that it felt that all of the residents of Haskell who had wanted service had not gotten it. Some of the potential users have been put off for as long as a year, according to the statement made by the Council.

Ms. Barnett promised the Council that these users would have their service by July 1, 1985. She also explained that the reason that there had been such long delay was due to the fact that they (CenTex) had to order the cable and electronics. She also indicated that there had been some cables installed to Haskell residences on the day of the Council meeting (Tuesday).

One Haskell resident was summoned to appear before the Council because of a violation of the City's weed ordinance, but the matter concerning that property had already been taken care of prior to the Council meeting.

Councilmen discussed the problems of the city-owned pool, and the need for renovations there.

It was decided that whoever leases the pool this summer should sign a lease agreement with the City, and meet the requirements set out in the

See CITY page 4...

PSC Members Make Holy Land Slide Trip

Members and guests of the Progressive Study Club enjoyed an interesting trip to the Holy Land by way of

slides, when the club met in March. Flight Attendant, Doris Reeves, greeted the members and issued passports as they arrived at the Community Room.

A background of pyramids, set the mood as director, Mary Martin introduced Nancy Toliver. Mrs. Toliver, who was dressed in a gown from Egypt, gave a short history of the Holy Lands and showed slides from her recent trip through these countries.

Displays of items bought by members of the tour group were enjoyed by those attending.

Following the program, Vice President, Mrs. Kenneth Quattlebaum presided for a short

business meeting. During new business, Mrs. Tom Hairgrove was elected as a delegate for the Mesquite District Spring Convention in Stamford. She will be attending along with president, Mrs. Hugh Horton and Mrs. R.W. Herren. The club also voted to give a donation to be applied to the purchase of a television set for M.D. Anderson Hospital in Houston.

Members were invited to write questions to ask Kay Denkoff when she is guest for the April 11th program, entitled "Turning the Tables on Kay". These questions are to be given to Mrs. Quattlebaum as soon as possible.

Refreshments were served by the hostesses: Mrs. C.O. Holt, Mrs. Cathy Jones, Mrs. Milton Christian, Mrs. Mildred Berry and Mrs. Abe Turner.

MR. AND MRS. LEONARD KLEIN of Henrietta and Mr. and Mrs. Steve Chandler of Levelland announce the engagement of their daughter, Valerie Dawn Chandler to Leroy Shelton Shaw, son of Mr. and Mrs. Johnnie H. (Dick) Shaw of Henrietta. The bride is a graduate of Levelland High School and is employed by Thrif-Tee-Foods, Henrietta. Valerie was formally employed by Modern Way Foods Haskell, and is the granddaughter of Mr. and Mrs. C.L. Shipman of Haskell. Shaw is a graduate of Henrietta High School and is employed by Kaufman and Broad, Henrietta. They plan to be married at 7:30 p.m. Saturday, July 20, at Henrietta First Baptist Church.

Jean Green To Teach Oil Painting Classes

Jean Green of Olton will conduct oil painting lessons at the Community Center in Jayton April 15, 1985. Ms. Green began teaching painting lessons in 1964 after studying with numerous outstanding art instructors throughout the U.S.A. Since then she has developed a style distinctively her own. In her landscapes she tries to capture the rich character

and warm mood of those marvelous old buildings, windmills, and farm scenes of yesteryear, symbolic of our vanishing American heritage. Skies and clouds play a very important role in each landscape painting. Her still lifes and florals may feature baskets and copper or Indian artifacts.

In her classes she gives demonstrations, then works with the artist on a

one on one basis. She generates an enthusiastic and positive mental attitude in the classroom, trying to bring out the talent of each student whether a beginner or more advanced.

There will be two sessions, a day class beginning at 9 a.m. until 4 p.m. for a fee of \$22.00 and the evening session from 6 p.m. to 9 p.m. will be \$11.00.

Reservations may be made by sending your fee with complete name and address to Joy Kidd, RR3 Box 86, Jayton, 79528 and we will send you a complete list of supplies needed. Reservations must be made by April 8, 1985.

For more information contact Joy Kidd at 806-237-3667 which is the WTU office or at home after 5 p.m. 806-237-9255 or Lillian Boland 806-237-9583.

Area Screening Services Scheduled

The Texas Department of Health Region 4 will hold screening services for area towns. The public is invited to attend and there will be no charge for these services. Any abnormal findings will be referred to the client's private physicians.

Services offered will be for diabetes, high blood pressure, anemia, and weight. Immunizations will also be given on specified dates and specified sites.

Jayton at the Kent County Community Center on April 11, 1985, from 10:00 a.m. until 2:00 p.m. Immunizations will be given from 1:00 p.m. until 2:00 p.m.

Aspermont, at the Stonewall County Activity Center, on April 3, 1985, from 10:00 a.m. until 3:00 p.m. Immunizations will be given from 1:00 p.m. until 3:00 p.m.

Throckmorton at the Senior Citizen Center on April 25, 1985, from 10:00 a.m. until 2:00 p.m. Immunizations will be given from 1:00 p.m. until 2:00 p.m.

WIC Certification Clinics will be each Monday at the Texas Department of Health, 530 South 2nd, Haskell. Office hours are 8 a.m. to 12 noon, and 1 p.m. to 5:00 p.m. Please call for an appointment for your convenience.

Local China Painters To Attend Convention

The State Convention for China painters will be held March 27-31 in Fort Worth at the Hyatt Regency Hotel. Haskell County has thirty-three active China painters, including senior citizens.

Rule has the largest group with fourteen.

Mrs. Bob Herren will be one of the demonstrators. She will demonstrate baby roses, and pansys. Mrs. Herren will also be demonstrating for the West Texas Porcelain Art Club in Sweetwater sometime next year.

Those planning to attend the convention are: Anita Herren, Frances Davis,

Barbara Kile, Faye Dunnam, Nan Simpson and Joyce Turner.

Rochester Hobby Club

Texas Sesquicentennial begin to take form, we are getting enthused about our part-a Special Quilting Exhibition. Since quilting is one of our specialties, we are trying to think of something new, unique or different in our presentation.

Bill Burleson dropped by for a short visit with us. She is now living in Knox City Rest Home and isn't able to attend our meetings regularly.

Around Town

Sara Blizzell, Phillip, Kevin and Patrick of Oklahoma City, Oklahoma visited with their grandparents Mr. and Mrs. Lynn Toliver. Also visiting Ma and Granddad were Ken and Lynn Newberry of Denton.

Sanford Ticklers dry-erase memo boards. Write a message, wipe a message off. Dry-erase markers available, too! *Haskell Free Press.*

Rule Young Homemakers Enjoy Progressive Chinese Dinner

The Rule Young Homemakers met Thursday, February 7 at 7:00 p.m. in the home of Karen Lehrmann. Lou Gilly spoke to us about the Extension Homemaker program. Charlene Murray was surprised by being crowned the Valentine Sweetheart for the evening. Refreshments were furnished by Brenda Turner and Debbie Miller.

Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

ADMISSIONS

MEDICAL: Edith Davis, Haskell; Johnnie Love, Rochester; Moneta Hix, Weinert; Shannon Villarreal, Haskell; Helen Hutchison, Munday; Anna Lou Shaver, Rochester; David Anderson, Knox City; Reba Henry, Haskell. SURGICAL: Audry Swann, Haskell; Jack Speer, Haskell.

DISMISSALS

Jackie Hedgecock, Lela Mae Atchison, Sheree Randell, Betty Alvarez, Donald Hobert, Marvin Manning, Mary Russell, Flo Holder, Albert Arend, Alice Armstrong, Grace Smith.

Dinner. It began at 6:00 p.m. on March 11 in the home of Patti Wilson. Appetizers were egg rolls made by Karen Lehrmann, and the main course was Broccoli Beef made by Patti Wilson. All members ate with chopsticks. We then went to the home of Brenda Turner for Fried Rice, Almond Cookies, and Fortune Cookies.

A business meeting followed the dinner. Members decided to sponsor a CPR course on Monday, March 18 and Thursday, March 21. The course was given by Bobby Hutchinson of the American Heart Association.

We then voted to become Extension Homemakers instead of Young Homemakers of Texas. Our next meeting will be a Flashlight Easter Egg Hunt on April 2 at 7:00 p.m. in the home of Brenda Turner. We will vote on a name for our new club and an officers. Anyone interested in becoming an extension homemaker should come to this meeting.

Heat pan. add oil and fry onions until brown. Add cold rice and saute. Season eggs with soy sauce and salt; scramble in separate pan. Add scrambled eggs to rice. Saute until done. For variety add: 2 c. chopped cooked meat or 1/2 c. green peas, celery or chopped green pepper.

Egg Rolls
1 egg, slightly beaten
3 T. peanut or vegetable oil
1/2 lb. lean pork, chopped or finely diced
1/4 lb. raw shrimp, shelled, deveined and chopped (optional)
2 c. chopped Chinese cabbage, or 2 c. fresh or canned bean sprouts
1 c. chopped celery

Erica Hollingsworth Crowned In Beauty Contest

ERICA HOLLINGSWORTH of Rochester, was crowned Universal Beauty Miss La Petite in the "Big Country Universal Pageant System" on March 16, 1985 in Stamford. Being crowned Universal Beauty has won Erica the opportunity to participate in the Texas State Our Little Miss Pageant held in Houston where she is also an honor roll recipient. Erica traveled to the Oil Country Pageant in Breckenridge, on March 23 to crown the 1985 winners who will also compete in Houston in June.

4 green onions, chopped
1/2 t salt
1/4 t MSG
1 t. cornstarch
1 T soy sauce
Oil for frying
Egg Roll wrappers
Heat 3 T oil in large skillet over high heat. Add pork. Cook, stirring until meat loses its color. Add shrimp. Cook 1 minute. Add vegetables and seasonings. Cook 2 minutes, stirring often. Sprinkle with cornstarch. Mix well. Stir in soy sauce. Cook 1 minute. Turn into colander set in bowl. Cool completely. Place 1 egg roll wrapper with a corner pointing toward you. Put 2-3 T cooled filling on dough, slightly below center. Brush edges of dough with reserved egg. Fold the corner nearest to you up and over the filling. Fold the left hand corner over, then fold over the right one. Roll toward top corner to form cylinder. Repeat with rest of squares. Cover with a damp towel until ready to use. Heat 2-inch depth oil

or shortening to 375° in deep, heavy pan or in a skillet. Cook rolls, 3 or 4 at a time, until crisp and golden. Drain. Serve with sweet and sour sauce. Makes 12.

Broccoli Beef
1/2 lb. boneless tender beef steak
2 T. cornstarch, divided
4 T. soy sauce, divided
1 t. sugar
2 t. minced fresh ginger root
1 clove garlic, minced
1 lb. fresh broccoli, trimmed
3 T peanut oil, divided
1 onion, chunked and separated
1 carrot, cut diagonally into 1/8 inch slices
Cut beef across grain into thin slices. Combine 1 T each cornstarch and soy sauce with sugar, ginger and garlic; stir in beef, let stand 15 minutes. Meanwhile, remove flowerets from broccoli; in large, cut in half lengthwise. Cut stalks crosswise into 1/8 in slices. Combine remaining cornstarch and soy sauce with 1 c. water; set aside. Heat 1 T. oil in wok or large skillet over high heat. Add meat and stir-fry 1 minute; remove. Heat remaining oil in same wok. Add broccoli, onion and carrot; stir-fry 4 minutes, or until vegetables are tender crisp. Stir in meat and soy sauce mixture; bring to boil. Cook and stir until sauce thickens. Serve immediately. Makes 4 servings.

Chinese Almond Cookies
1 c. vegetable shortening
1 c. sugar
1 egg
1 1/2 t. almond extract
2 c. all purpose flour
1/2 c. finely ground toasted almonds.
1/2 t salt
Whole blanched almonds
1 egg yolk
1 t. water
In medium bowl cream shortening, sugar, egg and almond extract. In small bowl combine flour, ground almonds and salt. Stir into creamed mixture. Shape into 1 1/2 inch balls. Place 2 inches apart on ungreased cookie sheet. Press whole almond into center of each cookie. Beat egg yolk and water. Brush over cookie to glaze. Bake 12-15 min. in a 375° oven till golden brown and crisp. Makes 2 1/2-3 dozen cookies

Chinese Fortune Cookies
Flour
3 T. butter or margarine, softened
3 T. Sugar
1 egg white
1/2 t. vanilla
Make fortunes (clever sayings on small strips of paper); fold in half lengthwise, then crosswise. Set aside.

Grease cookie sheet. Dip rim of 3 inch cookie cutter or glass in flour; press 6 outlines firmly 1 inch apart on prepared sheet; set aside. In small bowl beat butter, sugar, egg white and vanilla until well blended. Stir in 1/2 c. flour until well blended. With small spatula spread

rounded teaspoonful batter in each outlined circle. Bake in preheated 400° oven 4-5 minutes or until edges are lightly browned. Remove; place cookie sheet on rack. Quickly loosen cookie with spatula; turn bottom side up. Place folded fortune in center. Gently fold cookie in half; hold edges together

3 seconds (count of 3). Grasp folded ends of cookie; place center of fold over rim of glass. Gently press ends down to bend cookie in middle. Cool. Repeat with remaining cookies. If cookies cool and become too brittle to fold, return to oven briefly to soften. Makes about 20.

Careful Answering Of Child's Questions Important

One of the satisfactions of being a parent is being able to answer a child's questions, to fill a small mind with ideas where there were none before.

Of course, this satisfaction is sometimes replaced by annoyance, for as a child's understanding grows, so do the number and difficulty of his questions. And not only are his questions often hard to answer, they tend to pop up at times when you are busy or your mind is occupied by something else.

Sometimes a child will ask a question just to gain your attention, but more often than not he has been doing some hard thinking about something and has run up against a mystery.

Whatever the circumstances, the way you answer his questions can have an important effect on the direction of his thoughts, both now and later. Your response can even influence his appetite for learning, according to Growing Child, the monthly child development newsletter.

There are two easy but not-too-useful ways to answer a child's question. One is simply to say, "I don't know." In our complex world, that may be at least partly correct. The other way is to bestow on the child everything you know about the subject.

Unfortunately, neither type of answer gives the child the kind of information that is most useful to him. The first obviously provides no information, while the second floods him with too much. It is very easy while giving an explanation to be overzealous, forgetting that each word, phrase, and idea is new to the child. A few too many words and all is lost, for the child simply can't hold on to it all.

There is an artful middle ground between these two extremes. It takes a bit more care, but the results will be well worth the effort.

The artful answer gives a child an explanation he can remember for the present but plants the seeds for further questions in the future.

Let's take, for example, the question "What makes a car go?"

An overloaded answer might be, "A car has an engine that makes its wheels turn. When you push on a pedal with your foot, the engine turns around and that makes the wheels turn so the car can move."

Engine, pedal, pushing, turning. Too many ideas. It

has more than a child can digest and he may catch none of it.

A more effective explanation might be, "A car has an engine that makes the wheels turn." "Engine" is a new word that will require all of his attention. You can illustrate engine by lifting the car hood and giving him a look, again without much other distracting explanation.

A good rule of thumb is to look for the shortest and most general explanation that will answer the question. This will give the child a big picture, a single, important fact he can chew on.

After he has digested the main idea he will be ready, in his own time, for the details. A few minutes or a few weeks later he will come to you with another question, like "What makes the engine go?" or "How does the engine make the wheels go?"

Then you can pause for a moment and select the best single fact to answer this question. For your efforts, you will save some time in the actual explanation and possibly the trouble of reanswering the same question later. And you will lead your child to better questions, building his understanding in a more effective way.

The Growing Child newsletter follows a child's development month by month from birth to six years old. For more information and a free sample newsletter, write to Growing Child, P.O. Box 620N, Lafayette, Indiana 47902. Include child's birthdate when writing.

The Haskell Co. Ambulance Memorial Fund needs your support. You never know when you or a loved one will need these services. What would happen if someday they weren't there because you didn't give your fair share? Think about it...

The View From Here

by Janet Wilke

BY JANET WILKE

Sometimes, we take for granted that kids never really take too many things that happen in their young lives too seriously. However, as shown in the article which I am going to feature in my column this week, you can plainly see that this person took the time to think out his position on HB 72 and its effects on the high school athlete.

Shane Hadaway, who is not only a fine athlete, but a member of the HHS National Honor Society, wrote this column, which was an award winner in the Interscholastic League Press conference this year.

It is a timely column, and very worth repeating. I give Shane all of the credit for having written such a fine article, and would also like to congratulate him on his recent honor from the ILPC.

Sports Scene

BY SHANE HADAWAY
(Taken from the War Whoop)

Last spring the UIL strengthened its eligibility requirements for participation in athletic contest. The rule requires athletes to pass four instead of three classes. However, the state legislature butted in with House Bill 72 that will require athletes to pass ALL classes beginning with the 1985 spring semester.

We support the four course passing minimum. Athletes should have to pass a majority of classes. School is for academics first, athletics second.

However, we do not support the "all classes passing" rule. Anyone can make a mistake and fail a major test. While this might be the only test the person fails all year, it will keep him/her out of athletics for six weeks. For some sports that's the whole season.

Passing all classes will not make an athlete any smarter. Instead the athlete will tend to choose easier courses to insure his/her eligibility to compete in extra-curricular activities. Student athletes will not want to be challenged by the more difficult classes for fear of failure. This situation encourages mediocrity instead of excellence.

For some students the only reason they stay in school is to play sports. The "all passing rule" will increase the drop-out rate. Instead of passing all classes to make the student eligible, the athlete will not pass any classes because he/she won't be in school.

H. Ross Perot's attempt to strengthen academics in athletics will backfire. The quality education that the athlete is suppose to receive will turn into no education or at best a less than challenging one.

In other matters, there are some people who need to be recognized for their outstanding efforts. These are the players from HHS who recently made the All District selections.

The players who were named to the first teams were Jennifer Davis, Julie Roewe, Shane Hadaway and Ricky Rojas.

Making the roster for the second team were Robert Ivey and Holly McBroom.

Honorable mentioned for All District were Tamala Randle, Todd Harris, Sammy Baker, and David Adams.

We would like to congratulate these HHS students for being named to such an honor. Also, congratulations to their two fine coaches, George Martin and Jim Dan Raughton.

We would also be a miss in not mentioning that the War Whoop was named as one of the finest scholastic newspapers in its class in the state, recently, by the Interscholastic League Press Conference.

Our heartiest congratulations go out to Mrs. Jill Druessedow and her entire staff. All of the students who work on the War Whoop are very fine workers and good high school journalists. I am sincerely glad the ILPC saw their efforts and rewarded them accordingly!

The first car theft reportedly occurred in Paris in 1896. The Baron de Zuylen's auto was stolen by his mechanic while it was undergoing repairs.

Letters To The Editor

(EDITORS NOTE: The Haskell Free Press will publish letters to the Editor dealing with any subject. All letters must be signed but names will be withheld by request. All letters are subject to editing for length and liability.)

To the Editor:

The nation's former military glider pilots on March 24th will observe the 41st anniversary of "Operation Varsity", the largest single-day airborne operation of World War II, across the Rhine River into Wesel, Germany.

I'm seeking the help of your readers in locating the glider pilots who flew that mission, and also those who landed their gliders behind enemy lines in the five other major Allied invasions of the war.

The gigantic Wesel mission involved 2,937 aircraft, 1,346 of them gliders, and 1,591 power planes. More aircraft, were used in "Operation Market-Garden" in Holland earlier, but that operation covered one week.

There were more than a million American and British troops massed along the Rhine River, ready for the crossing into Wesel. The Nazi had ten divisions, and an estimated 100 tanks and self-propelled artillery within a 20 mile radius of the target area.

The Germans had taken a heavy toll, as the last of the 572 American gliders in the first serials either landed or crashed in the landing zone. A total of 140 of the 295 tow planes pulling gliders on double tow were hit, and twelve C47 tow planes crashed. A large percent of the American gliders landed on target. Only 83 landed outside the LZ. They brought in 3,492 troops, 202 jeeps, 94 trailers, and a great deal of ammunition and artillery.

Other missions of the American glider pilots, all of whom were volunteers, were D-Day in Normandy, France, the invasions of Southern France, Holland, Bastogne, Belgium, Burma, and Luzon in the Philippines.

The American glider pilots who flew the high 15-place CG4A gliders with an 83 foot wing span, and a fuselage made of tubular steel covered with fabric were relatively few in number. Now their ranks are decimated, and they are a "vanishing breed" since the American military glider program was discontinued in 1945.

We are extremely anxious to locate the glider pilots who flew these missions, as well as those associated in any way with the glider pilot program, so we can reunite them with their buddies in the National World War II Glider Pilots Association. I urge them to contact me.

P.S.: I will be in Haskell visiting my mother Mrs. Gracie M. Moore, 400 N.

Ave. B during the week of April 6 to 12, 1985. I also will visit with my sister Mrs. Henry Harris (Panzy) as you may know I was raised most of my childhood days in Haskell and that is where I finished High School and left to go in to the Armed Forces.

Dear Editor,

It was such a pleasure to hear that Charles Swinson was named Haskell's Outstanding Citizen.

Charles is known for many contributions of service, but I feel many of his acts of kindness and good deeds are unknown to the general public.

It was our pleasure to have had the privilege of knowing and learning to love and appreciate both Charles and Leatrice. Our congratulations go not only to Charles but to Leatrice also; in our eyes they are both outstanding citizens.

Sincerely,
Pat Byford
Breckenridge, Texas

Dear Editor,

I was really surprised at the outcome of the Ladies Fire Auxiliary bake sale. We had a good number of volunteers bring baked goods and to help with the sale. We were able to raise over \$200.00 for just an hours work.

I would like to thank you and all the volunteers who helped in any way with the bake sale.

At this time, the men of the Haskell Fire Department are in need of an air compressor. All proceeds from this sale and future fund raisers will be used to help purchase this compressor.

Sincerely,

Merry Harvey
Fund Raising Chairman
Ladies Auxiliary

Slow Pitch Tournament Set May 16-19

The annual Seymour Lions Club men's slow pitch softball tournament will be held May 16-19 at Portwood Park in Seymour. The tournament is limited to Class "B" teams. Entry fee is \$85.00, and must be received with entry on or before May 10th, 1985. Entry fee is non-refundable after that date. Entries will be limited to the first 16 teams on a first-come, first-serve basis. For information contact Jeff Gregg at (817) 888-5539 or 888-3758, or Clifton Talley at (817) 888-3161 or 888-2943. Mail entries to Jeff Gregg, Box 287, Seymour, 76380.

Post-it-notes. Stick them anywhere for notes that get noticed. Several sizes, colors too! Haskell Free Press.

City Council...

City's bid.

Also, the Council felt that it might be a wise idea to have an engineer check out the pool to make sure of its soundness. This matter will be looked into and the City will discuss this more on April 9.

Haskell is still looking for a full-time equipment operator who would work at the City's landfill. They are currently looking for someone who has had past experience in the operation of heavy equipment.

Haskell has had one police applicant so far. They are looking for an officer to replace Monnie Hise. The applicant had attended a police academy in Dallas, but had not yet been certified.

It was brought to the Council's attention that they had spent some \$164,000 on the new refuse collection system, with about \$20,000 more to be spent on additional dumpsters. Even at that rate, the system will still be below the \$210,000 which was allowed.

The Council was told that the Creek Project was still on schedule, even after the subcontractor walked off the job recently. The contractor, Bobby Nobels, has already taken care of that matter, said City Manager Robert Baker, and the problem will not cost the City any additional money.

The City recieved a letter from the Health Dept. that their effluent water output per day exceeded their permit, and the City will have to amend their present permit to be able to put out the additional amounts.

In a report on the airport renovations, it was stated that Glenn Strube from the Texas Aeronautical Commission said that the stub off of the main runway could be resurfaced just like the runways, and TAC would pay 75% of that cost as well, with the City's portion being only about \$2800.

The City of Haskell has made an application for a revitalization grant for City's southwest section, but before the grant can be approved, they will have to complete door to door surveys of the residents of that portion of town. The City will hire people to do this on a temporary basis.

Insurance is still being looked at

by the City, and the City Manager told the Council that one of the police vehicles not being used would be used by the Assistant Director of waterworks, while a pick-up being used by this individual will be used in street maintenance.

Council members discussed the possibility of closing an alleyway which was not being used.

It was also stated that in order to comply with most of the insurance company requirements, the City's

vehicles are all equipped with First Aid kits.

Repair work should done soon on the pavilion at the City park, since the materials for the re-construction have been received.

It was also brought to the Council's attention that there might be a need for No Thru Trucks signs to be installed within the residential areas of town since there have been some problems with trucks going through these areas.

Retired Teachers To Meet

The Haskell Retired Teachers Association will hold their meeting for the month on Tuesday, April 2, at 1 p.m. at the Porthole Restaurant.

Bake Sale

The Paint Creek Sophomore class will hold a bake sale Friday, April 5, at 1:30 p.m. in front of the Aladdin House and Haskell National Bank. Also on Saturday, April 6-the sale will continue in front of the Aladdin House at 9:30 a.m. Call in orders will be taken beginning at 4 p.m. March 27. Call Susan Cox 864-3290 or Estalynn Liles 864-2029.

Golfers To Meet

The Haskell Golf Association will have a meeting at the Haskell Country Club April 2, 1985 at 7:30 p.m.

All golfers are urged to attend. Plans for tournaments and anything pertaining to golf need to be discussed.

Horse Club To Meet

The Haskell Horse Club organizational meeting for 1985 will be Sunday, March 31, 1985 at 1:30 p.m. in the Haskell National Bank Community Room. 1984 awards will be given for best all-around in each age group.

Plans will be finalized for an amateur Rodeo May 9-11 and an area rodeo August 1-3.

Anyone interested in participation in any of the activities are urged to attend.

Spring Tea Set

The ladies of the Independent Baptist Church invite all area ladies to a Spring tea to be held at the Fellowship Hall of the Independent Baptist Church Saturday March 30 from 3 til 5 p.m. The tea is sponsored by the Senior Mission and will benefit the Womens Mission Society. The ladies invite you to come by and enjoy the refreshments.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

I apologize for the lack of columns for the past two months; however, I have had a rather dramatic adjustment to make. Job hunting is an art to which I seemingly, have lost the skill. After eleven years of working in Haskell, content and complacent, I find myself at a loss in making the necessary connections and following up on leads. However, my family and I have great faith, and we know the good Lord will take care of us in some manner. We will intensify our efforts in seeking a new place to work and produce. We have been strongly encouraged from all levels of education to remain in the role of superintendent. At least some people think I have something to contribute to the growth and management of education. Unfortunately, so far, none of these people have been in a position to employ me. However, we will not give up.

We have failed to recognize several groups which have achieved various honors because of our inability to concentrate on writing. However, we will briefly mention several today.

Our boys basketball teams had a wonderful season. The varsity boys had a record of 25-2 and won district for the third straight year and lost in bi-district by one point. Four of the boys, Shane Hadaway, Robert Ivey, Ricky Rojas, and Todd Harris have been on all three district winning teams at least at the playoff stage. The JV boys lost 2 games-both to varsity teams. The freshman lost four games, the eighth graders were undefeated and the seventh graders lost one game to our eighth graders in the finals of the Paint Creek Tournament. Therefore all five of our boys teams lost a total of nine games. I feel this is a remarkable achievement and an excellent accomplishment both for the participants

and the coaches under the direction of head basketball coach Jim Dan Raughton.

The girls basketball teams also returned to a district contending level under the coaching of George Martin. While I do not have the exact won-loss records for the five girls teams, all of them finished far above the .500 mark. I see a very bright future for the girls basketball.

The primary purpose of a return of this column, however, was to recognize another group which has achieved a great honor, the staff of our school newspaper "The War Whoop". The school newspaper under the guidance and instruction of Jill Druesedow has made remarkable progress the last 5 years until it is recognized as one of the top high school newspapers in the state and has been so honored. Mrs. Druesedow has developed a serious attitude among her student staff to "put out" an excellent and informative newspaper. Many of the students' editorials have been worthy of much wider publication. Their involvement in our efforts to implement the legislative mandated changes have been invaluable in creating understanding among the student body. This publication is a source of great pride to all of us. Mrs. Druesedow and her staff are to be commended on the results of their hard work.

The world is filled with priorities, and especially when it comes to giving to worthy causes. When you sit down this giving season, and start to re-evaluate which ones need the money the most, in view of what services they provide, please think of the Haskell Co. Ambulance Service. They are always here, ready to serve you and your loved ones, whenever you need them. But they cannot operate for free, and that is why they need your help. Give to something that will benefit all Haskell residents...give to the Haskell Co. Ambulance Memorial Fund.

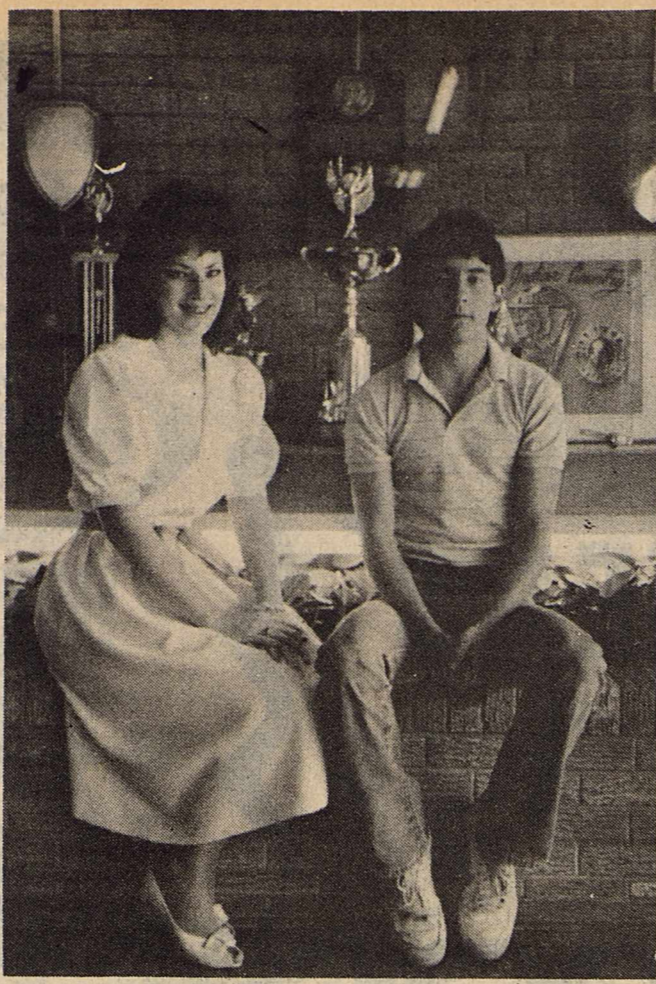

Photo by Steven Boyd

ALL STAR CAST

Haskell High School actors who were named to the All Star Cast recently were left Lynn Dewey, and right Michael Wallace, who received an honorable mention.

Two Named To All-Star Cast

By Elizabeth Scharff

Two Haskell students earned honors Saturday in the UIL district 6AA one-act play contest held in Rotan.

Lynn Dewey, junior, was named to the all star cast and Michael Wallace, also a junior, made honorable mention.

Haskell entered competition with the play "Of Winners, Losers and Games" about winning and losing in the game of life. "Everybody did a good job and I am pleased with the way the students acted", Mrs. Glenda

Drinnon.

The cast consisted of Sammy Baker, Lynn Dewey, Lance Hanson, Diana Jarred, Tim Johnson, Kim Lanier, Kendall Larned, Chris Medford, Deborah Rodriguez, Vickie Rodriguez, Darla Rogers, Scott Schaake, Kelly Strickland and Michael Wallace.

The schools participating were Anson, Hamlin, Rotan, Hawley, Haskell and Stamford. Stamford and Rotan advanced to regional with Anson as alternate.

Daughter Of Local Woman

Injured In Auto Accident

Doy McKenzie, of Hawley, who is the daughter of Marsha Whittemore of Haskell was injured in an automobile accident Sunday morning, as she was driving to Anson to attend worship services. Her ten year old daughter, Shana, was also injured in the crash of their pick-up.

Mrs. McKenzie sustained chest and neck injuries as well as having a blood clot form on her vocal cords.

According to Mrs. Whittemore, her daughter will be treated medically to dissolve this clot.

Shana received facial

lacerations, and a cut on one of her eyes. The doctors have said that the girl's vision was not impaired by this injury, however.

Mrs. McKenzie is listed in crucial condition, in the precautionary care unit at Humana Hospital, Room 217, while her daughter is listed in good condition, in Room 532.

According to Mrs. Whittemore, the two will possibly be in the hospital the remainder of this week, with Shana being discharged as early as next week. Doctors have not said when Mrs. McKenzie might be allowed to go home.

Conservation Viewpoints

USDA Soil Conservation Service

Assisting
Haskell Soil and Water
Conservation District

The Haskell-California Creek Soil and Water Conservation Districts Land Range and Pasture Judging contests were held in Anson Thursday March 21st. FFA teams from Anson, Hawley, Lueders, Stamford, Haskell, Paint Creek, and Weinert participated. In the range and pasture judging portion the contestants judged four different sites comprised of 2 range sites, 1 plant identification site and 1 pasture site.

Not having far to travel Anson stayed home and took first place, while Paint Creeks #1 team was second and Haskell was third. Teddy Gray from Anson was high point individual.

In the land judging contest Haskell took top honors with Paint Creek second, and Weinert third. The land teams also had to judge four different soil sites. Scott Burris from Haskell was high point individual. The top three placing teams received a plaque along with the high point individual.

This contest happened to be an excellent warm up for area teams in preparing them for the District and State meets as Paint Creeks Range team will be going to state. It also helps the student to better distinguish the different types of soils and importance of the native grasses in this area.

HHS Ag Students Take First In Meet

The Haskell High School ag. department took a first place in land judging at the district meet in Sweetwater Saturday, then took a fifth in area.

The range team placed third in district and sixth in area.

Of the top ten high individuals, sophomore Scott Burris ranked sixth.

Land team members included Burris, Doug Davis, Jerry Davis and Patricia Henry.

Range team members were Mickey Dunnam, B.J. Mitchell, Joey Thomas and John Wilson.

The livestock, cotton and meats teams attended the meet for practice. Their contests will be April 13 in Lubbock.

Livestock team members were Dana Hale, Lori Lane,

Steven Klose, Lori Peiser and Robyne Weaver.

Cotton judging team members were Kristen Campbell, Russ Flanary, Tiffany Moeller and Jason Whitehead.

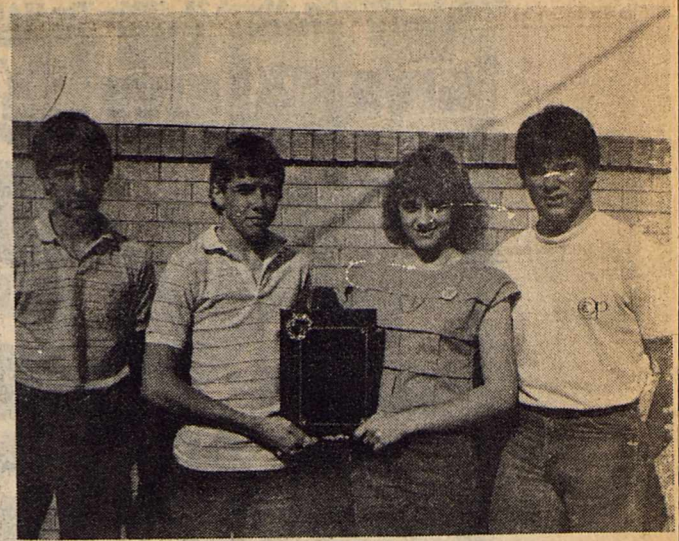

The meats team competed at the Gooch Packing Plant. Members were David Adams, Joey Kimbrough and Keith Parrott.

Thursday the land and range teams attended a practice meet in Anson.

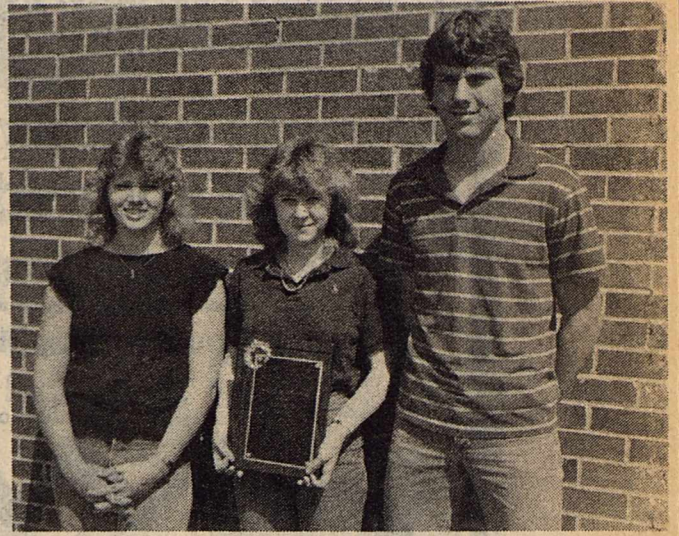

The land team took first place, and Burris ranked first of the top ten high individuals.

The range team placed third.

"These teams competed against other teams from our district," James Bevel, ag adviser, said.

1ST PLACE HASKELL LAND JUDGING TEAM (left to right) Scott Burris, Jerry Davis, Kelli Gilliam, and Doug Davis.

2ND PLACE PAINT CREEK RANGE AND PASTURE Judging Team (left to right) Jettone Bivins, Kathy Simmons, Keith Medford, and Greg Rowland (not pictured).

GOING TO STATE CONTEST

Member of Paint Creek FFA Range & Pasture Team qualified to attend State contest, April 20th at Stephenville. Members are Jettone Bivins, Keith Medford, Kathy Simmons, Greg Rowland (not pictured). Qualifying at Sweetwater Judging Contest the team won 2nd in Contest, 1st in District, 2nd in Area II also Greg Rowland was 2nd high individual in the contest. Jettone Bivins was 3rd high individual in the contest.

Paint Creek FFA Land Judging team placed 10th in Sweetwater Judging Contest and 2nd in District. Members are Darrin Wright, Blake Liles and David Hoodley (not pictured).

Paint Creek FFA Dairy Product team placed 10th in Sweetwater Judging Contest. Team members are Gina Calk, Melissa Cockerell and Kaelyn Whitfield.

Paint Creek FFA Range & Pasture team placed 7th in Sweetwater Judging Contest. Team members are Doretha Moore, Kay Fischer, Tina McMurray and Sondra Patterson.

Host Families Sought For Exchange Students

Host families are being sought for 60 students from France who will arrive in Dallas on July 14 for a four-week visit. The program is sponsored by Nacel, a non-profit organization which has the official approval of the French government and is widely supported by French teachers in the United States and English teachers in France. NACEL is also a participant in the President's International Youth Exchange Initiative.

Participation in the program involves sharing your home with a French teenager from July 14 - August 11, 1985. The responsibility of host families is to warmly accept the French student as a member of the family and share everyday activities. The program provides comprehensive medical, accident, and liability insurance, and the individual participants bring their own spending money.

Teenagers of Texas host families will have the opportunity to live with a family in France the following summer if they wish.

Last summer, Texas teenagers lived with French families in Biarritz, Cannes, Grenoble, Paris, and other parts of France.

In Texas, French teenagers were welcomed by families in Dallas, as well as from Texarkana to Midland-Odessa.

As the need for international understanding is becoming more and more evident, the Nacel program offers opportunities for building better international understanding at a very personal level. It provides the opportunity for French students to experience the American lifestyle, develop greater skill in speaking English, and establish lasting American friendships. It provides the American families an extraordinary opportunity to broaden their horizons and learn first-hand about the French way of life.

Students are individually matched to families according to interests, activities, and special requests (such as living on a ranch!, riding horses, playing tennis, or working with computers). Families are needed to host boys ages 13 to 18 and girls ages 14 to 18.

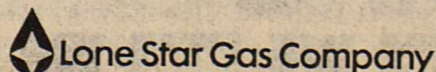

If you are interested in participating in the program, write to the Nacel coordinator for Texas: Mrs. Carol Ann Carl, 5908 Highland Hills Drive, Austin, Tx. 78731, Telephone (512) 452-8526.

PUBLIC NOTICE

Lone Star Gas Company, in accordance with the Gas Utility Regulatory Act, hereby gives notice of the Company's intent to implement a new schedule of rates for natural gas service to be charged to the residential and commercial consumers in the City of Rule, Texas effective

The rate schedule is expected to furnish a 3.01 percent increase in the Company's revenues from residential and commercial customers in the City of Rule, Texas.

A Statement of Intent has been filed with the City of Rule and is available for inspection at the Company's business office located at 304 North First Street, Haskell, Texas.

Haskell War Whoop Named One Of State's Best Papers

The Haskell High School newspaper, "The War Whoop", and five senior journalism students, were all named winners as they received State awards from the Interscholastic League Press Conference last week.

In the AA division, the

paper was given the Award of Distinguished Merit, which denotes the highest award a high school newspaper can be given in Texas UIL competition.

"This is the first time the newspaper has received this rating," said Mrs. Jill Druesedow, the newspaper

advisor at HHS.

"The award is really a staff award because everyone contributed to the production of the newspaper and its contents. Holly McBroom who is co-editor, was especially diligent with the appearance of the newspaper," commented Mrs. Druesedow.

The judges made a special notation of this by awarding bonus points for typesetting and paste-up.

In the individual categories, Shane Hadaway won first place for his sports column about the effects on House Bill 72 on athletics.

The combined efforts of Joey Kimbrough, Shawn

Lane, and Keith Parrott won second place for their photo story on motocross racing.

Lane and Parrott also took a second place for a sports photo, also on motocross racing.

Steven Boyd was a third place winner in the sports photography division for a photo of Carl Dever dodging tackles during a football game.

"Because of the large number of entries, and the keen competition, ILPC awards are the most prestigious in the State. Any student who wins one has spent more than just classroom time on the entry," remarked Mrs. Jill Druesedow.

Lone Star Gas Files For Increase At Rule

Lone Star Gas Company Manager, Roy Washburn, today filed an application for a rate increase which would raise the average residential customer's monthly bill in Rule, about \$1.81 in the winter and (-\$.79) in the summer.

Based on Lone Star's rate application, a residential customer who uses an average of six thousand cubic feet of gas a month paid \$34.87 for gas service in the winter. Under the requested rate, that same customer would pay \$36.68.

Commercial gas customers' rates would also increase under the requested rate schedule.

"Our customers are accustomed to dependable natural gas service," says Washburn. "This rate increase is necessary to continue a high performance level and for other necessary expenses, such as maintaining and improving the local pipeline distribution

system, which are vital to dependable service."

Lone Star's last rate increase in Rule became effective March, 1982.

"Since that time, every business, including Lone Star, has experienced increased operating expenses," says Washburn. "And, of course, unlike other businesses that can raise their prices as expenses go up, we must apply to the city council for a rate increase. No one likes raising prices, but any business must earn enough money to meet operating expenses and still achieve a reasonable profit. Even though our expenses have gone up, Lone Star still has one of the lowest average operating costs per customer when compared to any of the other major gas utilities in Texas."

STATE JOURNALISM WINNERS

Shown are the students from Haskell who were named some of the outstanding journalism students in the state, by the Interscholastic League Press Conference. Seated are Shawn Lane, and Keith Parrott. Standing are Shane Hadaway, Steven Boyd, and Joey Kimbrough.

PC Reveals Plans For Sesquicentennial

1985-86 is the year of the Texas Sesquicentennial anniversary.

Every county in the state is supposed to have different projects for the anniversary. The Paint Creek School System, as part of the celebration, has planted ten Afghanistan Pine Trees. The trees were obtained from the Soil Conservation Service.

Elementary grades (k-6) dug holes and planted the trees along the front to the school, to offer wind and sun break, to classrooms facing the South. In future years they will add beauty to the campus. This is the first of about three projects that Paint Creek School will be involved in during the Sesquicentennial year.

TAKING THE HEAT

Plant this pair from Pioneer for a superior grain sorghum crop in hot, dry weather.

8680

This hybrid is especially adapted to the lighter and mixed soils of North Texas and the Rolling Plains. Excellent yield record under a wide range of conditions - but most impressive is its ability to produce a dependable yield when hot and dry conditions cause many to fail. Semi-open heads produce dark red, hard-textured grain with high bushel weight. Grows fast and matures early. Excellent root and stalk strength keep it standing for maximum harvest.

8493

The tougher the conditions, the better you'll like 8493. A new hybrid, especially developed to withstand the heat, drought, and insect problems of this region. Superior yield and standability, excellent resistance to greenbugs, and much improved grain quality. Strong stalk and roots, too. Medium height plants produce semi-compact heads of harder textured, heavy test-weight grain. Plant this one with 8680 to spread weather risks, genetic risks, and harvest load.

Depend on these two for both yield potential and drought tolerance. Come on in let's talk. See:

Campbell Seed Co.

TEXAS TRAILS
LONE STAR STATE HISTORY by DAN BROWN

EASTER FIRES ...
In 1847 while John Meusebach was negotiating a treaty with the Comanche Indians, the Indians watched the town of Fredericksburg. They built signal fires on the hills around town. As long as the fires burned Indians in distant camps knew all was well. The children of Fredericksburg were frightened, but a resourceful mother created a story that it was only the Easter Rabbit cooking and dying eggs.

Haskell Golf Team Takes Fourth At Invitational

Haskell's varsity golfers placed fourth in the Haskell Invitational golf tourney, which was held last week. Memphis had the winning team, with their golfers shooting a 325. Throckmorton was second with 344, Seymour was third shooting 346, and Haskell was fourth with a 349.

Fourteen teams entered the invitational tournament, and some of the other placings were: Hamlin-352; Olney-369; Eastland-370; Merkel-377; Aspermont-377; Paducah-378; Quanah-378; Stamford-383; Anson-385;

and Eastland's "B" team-456.

Memphis also took the Medalists title as Darrell Coffey of Memphis, shot a 76 to earn the honor. Following Coffey was Lance Jones of Merkel with a 77, Greg McClendon of Paducah with a 78, and Kelly Strickland of Haskell with a 79.

Members of the Indians golf team are Kendall Larned, Kelly Strickland, Robert Ivey, Michael Wallace, Jeff Neal, and Jerry Davis. They are coached by Jim Dan Raughton.

Junior High Tracksters Second At Breckenridge

By Tina Lacey

Derrick Billington, Chan Guess, Paul Harvey and Fred Shaw ran a 46.73 to earn a first place in the 400 meter relay.

Shaw brought home a first in the 100 meter dash with a time of 11.94 and also a first in the 200 meter dash running a 24.4.

Billington placed second behind Shaw in the 200 meter dash (24.8).

The 1600 meter relay team ran a 3:55.09 to bring home a second place. The relay members were Alberto Alvarez, Billington, Guess and Harvey.

With a jump of 5 ft. 2 in., Guess placed third and also placed fourth, running a 12.52 in the 100 meter dash.

Others placing fourth were Harvey in the 400 meter dash (59.35) and Alvarez in the 1600 meter run (5:37.49).

Chan Guess placed fifth with a jump of 16 ft. 10 1/2 in. in the long jump.

7th Boys Track

By Barbara Spiewak

Haskell's seventh grade boys' track team came home from the track meet in Breckenridge with six points.

Earning those points were Jackie Bradley, who got two points for a fifth place in the 800 meter run, the 1600 meter relay-team of Bradley, Stephen Holt, Rodney Johnson and Robert Swann got four points for placing fifth.

Bradley also placed seventh in the 1600 meter run.

Maidens Are Fourth In Wylie Track Meet Saturday

By Janet Wilke

Haskell's Maidens track team were fourth place last Saturday at the first annual Wylie Bulldog Invitational track meet. They came home with some 77 1/2 points.

In the field events, Denice Young was fourth place and Tina Lacey was sixth place in the shot put.

In the triple jump event, three Haskell girls took third, fourth, and sixth place, respectively, as Sheree Dumas was third, Lori McGee was fourth, and Mindy Smith earned a sixth place finish.

Sheree Dumas was a sixth place finisher in the high jump.

In the running events, Emily Camacho garnered a sixth place finish in the 3200 meter run, while the 400 meter relay team of Vicki Chavez, Tamala Randle, DeShawn Lewis, and Mindy Smith was a fifth place winner, with a time 52.6.

Freshman Leiza Morales is still just burning up the cinders in the 800 meter run as, once again this week, she won that event with a 2:32.4 time. Coach Jim Bob Mickler is already looking to the district meet for this youngster.

In the 400 meter dash, Lori McGee was a second place finisher with a time of 63.2 while Sheree Dumas was a fourth place winner with a time of 65.2.

In the 200 meter dash, Tamala Randle placed third, with 27.4, and Maiden Tammi Miller was a sixth place finisher in that event with a time of 28.4.

Sheree Dumas was fourth in the 100 meter

hurdles, as she posted a time of 17.7.

Gaining herself a fifth place slot in the 100 meter dash was Mindy Smith, a sophomore, who ran a 13.49.

But, the brightest spot on the day was the 1600 meter relay team of Leiza Morales, Denice Young, Lori McGee, and Sheree Dumas, who timed in behind Hamlin's state qualifying team, with a 4:19.83. This time cut a clear ten seconds off of last week's time, and Coach Jim Mickler is anxious to see what this relay team can do in the near future. They were second place in the event.

Haskell's girls will be in the Jayton Jaybird Relays

on Saturday. This will be one of their major meets of the year, with some 29 other teams expected to be in the competition.

The junior high girls will be involved in the Kyle McCowan Memorial meet on the campus of McMurry this Saturday, and this will be a major event for the junior high team, with some 21 teams set for that event.

Need a tax break? Why not give to the Haskell Co. Ambulance Memorial Fund? Your contribution will be tax deductible, and it will go to aid in the upkeep and future of the ambulance service in Haskell. By your giving, you allow others to benefit. Please give!

We pack SELLING POWER in our CLASSIFIED ADS.

Eight Grade Girls Get Second At Track Meet

By Tina Lacey

The eighth grade Maidens placed second out of twelve teams at the Buckaroo Relays in Breckenridge last Saturday.

The 400 meter relay team consisting of Gloria Castillo, LaKay Gibbs, Dala Harris and Joy McKeever brought home a first place running a 54.71.

Castillo, Harris, McKeever, and Teresa Rodriguez ran a 155.6 in the 800 meter relay to gain a first.

McKeever with a time of 17.88 brought home a first in the 100 meter low hurdle while Rodriguez ran a 28.87 to finish first also.

With a jump of 30 ft. 3 inch, McKeever placed second.

The 1600 meter relay

team, whose members consist of Alicia Boatman, Castillo, Gibbs and Rodriguez finished third having a time of 4:37.43.

Boatman also ran the 800 meter run and came out fourth while Nicole Anderson threw 25 ft. 4 in. to place sixth in the shot put.

"The girls keep improving their times, and I am pleased with their progress", Coach Jim Bob Mickler said.

The eighth grade Maidens will travel to Abilene for the McMurry Relays this Saturday. The prelims will start at 10 a.m. and the finals at 5:30 p.m.

Motor mileage log. Complies with new IRS record keeping requirements. Haskell Free Press.

Two Seventh Graders Are First Place

By Barbara Spiewak

Two seventh grade girls placed first in the track meet at Breckenridge Saturday. They were Velma Castillo in the 200 meter dash with a time of 29.99 seconds and Cathy Rowan in the 1600 meter run with 6:38.09 minutes.

Missy Davis took a second place in the 100 meter low hurdles with a time of 19.28 seconds.

The 800 meter relay-team of Sylvia Alvarez, Castillo, Davis, and Julie Martinez also placed second. Their time was 2:04 minutes.

A sixth place went to Davis in the high-jump event with a height of 4'0".

Over all the Haskell girls placed sixth.

Three boys came home in sixth place which contributed points to help their team. The boys were Eric Mullen throwing the discus 103 ft., Billington jumping 16 ft. 9 1/2 in. in the long jump and Alvarez with a time of 2:19.89 in the 800 meter run.

The boys placed second with 89 points behind Wylie who won the meet with 94 points at the Buckaroo Relays in Breckenridge last Saturday.

"The boys' times are improving on relay teams and individually but we still need work on field events," Coach George Martin said.

The boys will travel to Abilene for the McMurry Relays this Saturday.

Little Dribblers Play Thirteen Games Here

Action continues in Little Dribblers play, and last week, there were 13 games scheduled.

On March 18, the Roadrunners were the winners over the Maidens, 34-10, while the Warriors were winners over the Apaches 27-10.

Games on the 19th yielded winners out of the Ghosts who spooked the Tadpoles 31-18, and the Chiefs edged by the Tomahawks, 17-13.

On March 21, the Robins were a two point winner over the Maidens 16-14, and the Kiowas topped the

Spurs 26-13.

On March 22, the Comanches were big winners over the Warhoops, 45-11, while the Warriors stopped the Mohawks 15-7, and the Blackhawks were winners over the Apaches 31-26.

Last Saturday, March 23, there were four games played, and the winners were Runts by one over the YoYo's 13-12, with the Sioux besting the Chiefs 40-14. The Mohawks slapped the Spurs 30-17, and the Blackhawks stunned the Kiowas by five, 37-32.

CABLE AMNESTY WEEKS April 1st - April 15th

Harmon Cable Communications wants you to know that stealing of cable programming is a crime, but we're willing to give you one last opportunity to subscribe legally during Cable Amnesty Weeks.

Amnesty Weeks, April 1st-April 15th, offer violators their last opportunity to make good before a total system audit is undertaken.

NO QUESTIONS ASKED! NO INSTALLATION CHARGE!

Just report your unauthorized service or bring in your unauthorized converter to our office by April 15th and there will be no questions asked. We will legally hook you up to cable with no installation charge, as long as a home service call isn't necessary.

After the Cable Amnesty offer ends on April 15th, Harmon Cable Communications will be providing a list of all suspected illegal connections to the local authorities. Cable theft is a federal crime and a soon to be passed Texas law will make theft of cable programming punishable by a jail sentence and a fine, violators will be prosecuted.

Now's your chance, violators take advantage of Cable Amnesty Weeks. Call the Cable office today!

In Stamford, call 773-3391

In Haskell, Munday and Rule call Enterprise 2406

First UMC Celebrates 100th Anniversary Here

The 100th anniversary of the First United Methodist Church was celebrated March 16-17 with two days of special activities.

Officially beginning on Saturday, the first centennial activity was a welcoming tea at the parsonage and a "talk-about" for former members, ministers and their families.

"We spent the afternoon renewing friendships and talking about our memories of the church and reliving special moments from the past," Mrs. Allie Belle Smith, general chairman, said.

She and her committee of Mrs. Jo Cox, Mrs. Helen Elliott, Mrs. Arnolia Foote and Mrs. Christie Stapleton began planning the celebration in the summer of 1984.

Mrs. Amelia Perry and her committee were responsible for the

parsonage and church activities on Saturday.

Sunday's celebration included the Anniversary Service at 10:40 a.m., a church luncheon and the Homecoming Celebration at 2 p.m.

Mrs. Paula Everett set up displays for the registration area.

According to Mrs. Mary Bischofhausen and Ms. Grace Bisbee who presided at the registration table Sunday, more than 85 out-of-town guests attended the worship service.

"We were honored to have the Bishop Louis W. Schowengerdt of the Northwest Texas conference deliver the message," the Rev. Mike Struve said.

The bishop resides in Albuquerque, N.Mex., and he and his wife attended the worship service.

He was introduced to the congregation by the district

Superintendent Weldon McCormick, who along with his wife traveled from Seymour for the celebration.

"Special acknowledgment was made of the numerous flower arrangements in the sanctuary."

"These were memorials given in loving memory of loved ones," Mrs. Smith explained.

Following the service, the Women of the Church hosted a covered dish luncheon in the Fellowship Hall.

The walls of the luncheon area were covered with picture murals and a quilt made by the Methodist women also was displayed.

The tables were laid with white cloths and centered green runners. Mrs. Gaele Overton provided the potted flowers for use

on all the tables.

Mrs. Elliott and Ms. Sue Pate coordinated preparations for the luncheon, attended by more than 300 people.

At 2 p.m. the congregation gathered in the sanctuary for the Homecoming Celebration moderated by Wallace Cox, Jr.

Former ministers of the church and widows of former ministers reflected upon their tenure in Haskell. The Bell twins, Mrs. Jane Dement and Mrs. June Park, both of Clyde, enhanced the service through music.

Mrs. Nelda Lane headed the special music committee for both services, and Bill Blankenship served as the official photographer.

"So many of our members took part in the celebration of our first century. The generous giving of both time and talent by the congregation made the anniversary and homecoming activities memorable not only for us but for our honored guests as well," Mrs. Smith said.

The honored guests were Mrs. Gladys Carter from Plainview—the wife of the late Rev. Orion W. Carter (1922-35), Mrs. Catherine Copeland from San Antonio—the wife of the late Rev. Kenneth W. Copeland (1940-44), Dr. and Mrs. Jordan Gooms from Amarillo (1944-47), Dr. and Mrs. Vernon N. Henderson from Lubbock (1948-50), Mrs. Irene Bruce Crawford of Amarillo—the wife of the late Rev. Oscar Bruce (1957-1961), the Rev. and Mrs. J.V. Patterson of Stamford (1964-68), the Rev. and Mrs. H.O. Abbott, Jr. from Sweetwater (1968-74), and the Rev. and Mrs. Charles Graff from El Paso (1976-1978).

Ms. Engle was a nutrition consultant and home economist for the Dairy Council of South Dakota for two years before coming to OSU. She was a secondary home economics teacher in Fort Collins, Colo., in 1977-78.

Ms. Engle belongs to the American and the Oklahoma Home Economics Associations; to the American Council for Consumer Interest, Oklahoma Chapter; and to the OSU Graduate Student Home Economics Association.

She received the Oklahoma Home Economists in Business Scholarship and the Louise Wolfe Home Economics Fellowship in 1984. She completed a bachelor's degree at Abilene Christian University in 1975.

Before becoming a full-time graduate student at OSU, she pursued graduate studies at South Dakota State University.

Debora K. Engle Among Outstanding Young Women

Debora K. Engle is among exceptional young women selected for the 1984 Outstanding Young Women of America Awards.

Her biographical sketch and record of accomplishments will be included in the 1984 edition of "Outstanding Young Women of America."

Ms. Engle is the daughter of C.C. and Eureda Campbell, 912 N. Fifth St., Haskell. She and her husband, David Engle, live at 313 N. Donaldson St., Stillwater, and have a

son, Jeff.

Ms. Engle is interim director of the Freshman Programs and Services at Oklahoma State University. She is also a graduate research assistant in the OSU Family Study Center in the College of Home Economics.

She is completing a master's degree in home economics, with emphasis in consumer studies, and she plans to continue studying toward a Ph.D. degree.

While a graduate teaching assistant at OSU,

she taught an introductory home economics class and advised first year students. She also developed a slide-tape program for the college.

Ms. Engle was a nutrition consultant and home economist for the Dairy Council of South Dakota for two years before coming to OSU. She was a secondary home economics teacher in Fort Collins, Colo., in 1977-78.

Ms. Engle belongs to the American and the Oklahoma Home Economics Associations; to the American Council for Consumer Interest, Oklahoma Chapter; and to the OSU Graduate Student Home Economics Association.

She received the Oklahoma Home Economists in Business Scholarship and the Louise Wolfe Home Economics Fellowship in 1984. She completed a bachelor's degree at Abilene Christian University in 1975.

Before becoming a full-time graduate student at OSU, she pursued graduate studies at South Dakota State University.

Sagerton News

The Hobby Club met in the home of Mrs. Clarence Teichelman Thursday at 2:00 p.m. with 10 members present. After a brief meeting the afternoon was spent in visiting and talking about the bazaar in October. Those who attended were Mrs. Johnny Teichelman, Mrs. Reece Clark, Mrs. M.Y. Benton, Mrs. Aline Summers, Mrs. J.B. Toney, Mrs. Velma Lou Hertel, Mrs. Alvin Bredthauer, Mrs. Delbert LeFevre, Mrs. Louise Stegemoeller, and the hostess Mrs. Clarence

Teichelman. Mr. and Mrs. Maxey Thompson of Colleyville visited in the home of her mother Mrs. John L. Brooks and Beulah Mae Summers. They also went fishing with Mr. and Mrs. Bill Guinn of McCauley and visited Mr. and Mrs. J.E. Kittley and Pete Kittley at Rule.

Those who had lunch in the home of Mr. and Mrs. Leonard Kieke Sunday were Mrs. Adela Niedieck, Mrs. Loudell Barbee, Mr. and Mrs. Herbert Vahlenkamp, Mr. and Mrs.

Haskell Nursing Center News

The F.H.A. girls and their sponsor came Wednesday afternoon for a program of music and song. The young ladies were a delight to have visit the residents. Miss Eleanor Blohm came Thursday morning for piano music and singing program.

The Eastside Baptist Church had a special treat for residents of the home. Dr. and Mrs. Wayne Cadenhead gave a slide presentation of their travel to Africa. Many beautiful pictures were shown, which everyone enjoyed viewing. Those attending the luncheon were Linnie Hickman, George Goble, Colene Moody, Fannie Hargrove, C.V. Langford, Pauline Williams, Nora Macon, Olive P. Quattlebaum, Mona Gibson, and John McDermott. Everyone attending enjoyed the delicious meal.

Nialene Hall came Friday morning for a devotion and singing. She also visited in the rooms on one to one visits. Mrs. Overton was here Friday afternoon. She had a music program and

brought cookies for the residents.

The Independent Church came for church service Sunday morning. A special message was given with a music program in the dining room.

The home appreciates all the thoughtful and kind deeds done throughout the week.

A.J. Patterson was visited by W.H. Patterson, Rochester, Bagwell, Gorman, Mike and Nadine Patterson, Okla. City, Okla.

Mrs. May was visited by Mr. and Mrs. Thomas Ferguson of Tulsa.

Colene Moody was visited by Ila Moody of Weinert and R.M. Walker of Weinert.

Alva LeFevre and Nora Macon was visited by Oleta Cornelius of Rule.

Emette Cross was visited by Mrs. Earl Alvis of Rochester.

Mrs. Glover and Pauline Williams were visited by Jack Sessions of Elk City, Okla., R.L. Rose Sr. and Jr. of Abilene, John Brown, A.V. Spalding of Hamlin, T.N. Rose, Hawley, Peggy and Robert of San Bernadino Calif., Bobby Hendsley, Haskell, Mrs. Cox and Mrs. Call, Joy Spalding also visited Pauline Williams.

Lillie Greenwood was visited by Melisa Myers of Lewisville.

Josie Johnson was visited by Lynn and Ken Newberry of Denton.

Nora Macon was visited by Lorene Vernon, Rule, Mrs. Jess Cannon of Rule and Mrs. Greeson of Rule, Robert Starr of Abilene.

George Goble was visited by Mrs. Happer of Knox City.

Mrs. Era White was visited by Sue and Tolanda Hackney of Ft. Worth.

Mrs. Maud Welsh was visited by Barbara Pinkston and daughter of Jacksville, also Dorothy Morgan of Arlington.

L.J. Dunn was visited by Wilma Mitchell of Lubbock and Bobbie Bryant of Muleshoe.

Lizzy Killion was visited by Ed and Lois Rolland of Amarillo.

Owen Egger of Morton visited by Emette Cross.

Arlis Mann was visited by Woody Strickland of Abilene.

Vets Use Program To Purchase New Homes

Under this program, the eligible veteran locates the home he wishes to purchase, completes a purchase contract through a private mortgage company, and makes application to the State Veterans Land Board. The application papers are processed by the mortgage company for submission to the Veterans Land Board in Austin. When the veteran is shown to be entitled, the Land Board will advance \$20,000 to the mortgage company, representing a down payment on the veteran's loan, and usually resulting in a lesser interest rate than would be applied to the loan without a down payment or a smaller down payment.

Veterans desiring to take advantage of this home loan assistance program may contact a local mortgage company, who will process all of the paper work that is necessary.

According to C.H. Herren, Veterans Service Officer for Haskell County, a large number of veterans have used the State Housing Assistance Program to purchase a home. This program was established by the Texas Legislature in 1983, and went into effect February 1, 1984. Since that date, some 15,000 veterans have applied for the financial assistance provided through the State of Texas. Eligible to participate in this program are veterans who were legal residents of Texas at the time of entering into active military service, and were honorably discharged after serving 90 days or more at any time since September 16, 1940. Also eligible are veterans who entered service from other states, but who have resided in Texas for five years or more.

Local Educators Attend ATPE Annual Convention

Approximately 1,000 educators from throughout Texas convened for the fifth annual convention of the Association of Texas Professional Educators (ATPE) March 14-16 in Fort Worth, where they elected new state officers and spoke with state education officials about current Texas school reforms.

Sue McGarvey, a Hallsville government teacher, was elected to president of the 42,000-member association for 1985-86. Janna Bogenschutz, Daingerfield, was elected vice president. Tony Diaz, Corpus Christi, was elected treasurer and Marion Wagamon, Huntsville was elected secretary.

Jon Brumley, chairman of the State Board of Education (SBOE), delivered the convention's keynote address. Brumley told ATPE members about the SBOE's latest efforts to implement the sweeping education reforms mandated last summer by the Texas Legislature. He also talked of reducing teacher paperwork, the teacher career ladder and smaller class sizes.

"We're going to keep reminding the Legislature that if they really want reform, that's where they've got to put the priority of the money," Brumley said of the board's commitment to smaller classrooms.

Dr. Noland Wood, director of professional assessment for the Texas Education Agency (TEA), gave ATPE members a progress report on the agency's work to develop the state-mandated teacher competency test.

Dr. Thomas Anderson, one of TEA's deputy commissioners, gave a status report on implementation of Chapter 75, the state's new curriculum law.

The association also awarded Educator of the Year awards for outstanding teachers. Joyce Early, Hurst-Euleless-

Bedford, and Cindy Petty, Cypress-Fairbanks, each received the elementary Educator of the Year award. Duane Snyder and Nancy Key tied for Secondary Educator of the Year, and Fred Dillard, Garland, was named Administrator of the Year. Karen Smith, Marble Falls, received the Special Services award, and Elizabeth Samways, Cypress-Fairbanks, was named associate of the year.

Judy Coyle, Irving, received the Texas Liberty Award for outstanding contributions to public education and professionalism in teaching.

The Alafair Hammet Media Award also was given in several categories to news media and reporters for excellence in education reporting. Winners were Jorjanna Price, Houston Post, and Barbara Holsomback, Fort Worth Star-Telegram, both in the daily newspaper category. Other recipients were the Lampasas Dispatch-Record in the semiweekly newspaper category, and radio station KROO, Breckenridge, in the broadcast category.

The Mexia ATPE unit was named Local Unit of

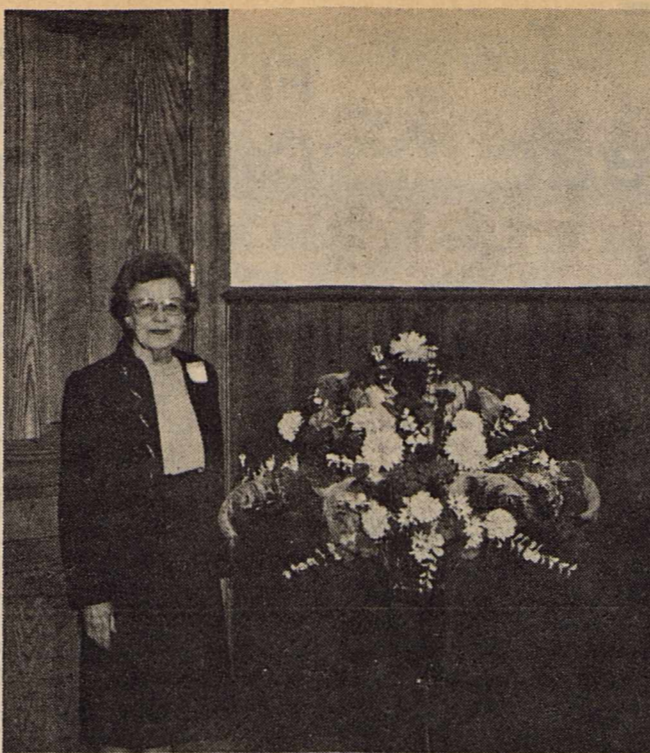

the Year.

The convention marked ATPE's fifth anniversary. The association was formed in 1980 by the merger of the Association of Texas Educators and Texas Professional Educators. Since its inception, ATPE has grown from an initial membership of 18,000 to more than 42,000 educators in 373 local units, making it the state's second-largest and fastest-growing teacher association.

"ATPE's phenomenal growth indicates that it represents the professionalism and integrity teachers want in a professional association," said McGarvey. "We are confident that this growth will continue until ATPE soon becomes the largest teacher association in Texas."

Approximately 94 percent of ATPE's members are classroom teachers. Administrators, support personnel and student and retired members make up the remainder of the membership.

Attending the convention from Haskell County were Clayton and Kay Neal, Alice Jones, Pam Denise, W.L. (Blue) and Merilan Sue Holt, and Wayne Phemister.

IMA DEL FITZGERALD

Ima Dell Fitzgerald Visits 100th Anniversary Of Methodist Church

Ima Dell Fitzgerald, a retired educator, visited Haskell for the 100th anniversary of the First Methodist Church.

Mrs. Fitzgerald taught school in Haskell for 27 years, then she and her late husband moved to Arlington, where she continued to teach school for 22 more years, retiring in 1977.

Mrs. Fitzgerald taught only one grade in all of the years she was an educator -- first grade.

"I may have had other classes to teach in addition to first grade, but I always made sure that I got to teach first grade," commented the veteran teacher.

Mrs. Fitzgerald was recently honored by the Arlington ISD when an elementary school was recently named in her honor.

Arlington's newest elementary facility will bear the name of the former Haskell teacher, as the Ima Dell Fitzgerald Elementary School.

Mrs. Fitzgerald taught school at the Thornton Elementary complex in Arlington for 22 years, and in setting the dedication address for the new school, the administration waited until National Public Schools week to set the ceremonies, so as to coincide with the events of Natl. public school week. The new school was actually opened in December.

In speaking with Mrs. Fitzgerald, she recalled the amazement which she encountered when it was revealed that she would be the person who the new school would be named for.

"I just felt that there were so many more important people who could have been given this honor. I was just so surprised," recalled Mrs.

Fitzgerald.

When asked why she always wanted to teach first grade, Mrs. Fitzgerald replied, "Because I just love working with little kids!"

Apparently, her love for education was contagious, as she counts among her many former students several doctors, and other professionals.

While she is now retired, Mrs. Fitzgerald still keeps very busy substituting in the nearby schools.

According to a local principal in Arlington, she is constantly in demand. So much so, that she is booked up for months in advance.

Who knows, someday she may even be substituting in the school that bears her own name!

College News

Area students attending Angelo State University in San Angelo, are listed on the dean's honor roll for the fall semester at the University.

Those listed on the 3.00 to 3.49 honor roll include Douglas Lee Lanier, a Pre-Dentistry Major, Don Wally Kretschmer, a Government Major, Alice Acosta, an Elementary Education Major, Albert Eugene Sherman, a Finance Major, Cary Dean Hannsz, an Animal Science Major, Casey William Hannsz, a Health and Physical Ed Major all from Haskell, Deborah Ann Hutchinson, an Elementary Education Major, and Jeffrey Wayne Robertson, a Marketing Major all from Weinert.

Those listed on the 3.50 to 4.00 honor roll include Jonna Ruth Wheatley, a Business Major from Haskell.

Wheat Producers To Vote In Important Referendum

Texas wheat producers will be voting in April to decide if they want to expand the check-off territory from the existing 34 counties under the jurisdiction of the Texas Wheat Producers Board.

To explain the provisions of the referendum and provide an update of the

current wheat situation, the Texas Agricultural Extension Service of the Texas A&M University System will be conducting 15 educational meetings in the coming weeks over much of the state.

The meeting schedule is as follows: March 7, American Legion Bldg.,

Clarksville 10 a.m.; March 7, Sherman (time and location to be announced); March 12, District Courtroom, Ballinger, 2 p.m.; March 12, Activity Center, Anson, 7 p.m.; March 13, Bura Handley Community Bldg., Wellington, 7:30;

March 14, School Administration Bldg., Brownfield, 7 p.m.;

March 18, Texas A&M Agricultural Research and Extension Center, Uvalde, 7 p.m.; March 19, Beeville (time and location to be announced); March 19, Midland (time and location to be announced); March 20, Allied Trust National Bank, Crockett, 10 a.m.;

March 20, Lockhart (time and location to be announced); and March 21, County Extension Office, Wharton, 7 p.m.

The meetings will feature discussions on the current wheat outlook and changing production trends in Texas, points out Dr. Ed Smith, Extension Service economist. Also, the mechanics and timing of the referendum voting process will be discussed, including recent changes in the commodity referendum law.

Texas Wheat Producers Board representatives also will be on hand to present information on the existing wheat check-off program, which is designed to support research and marketing efforts, and the potential outcome of a total statewide effort. A question-and-answer period will follow each meeting.

Merits Of Rotational Grazing To Be Explained

The merits of rotational grazing in the Rolling Plains of Texas will be examined in Throckmorton Thursday, April 25, at the field day of the Texas Experimental Ranch.

The program begins at 9:30 a.m., said Dr. Rod Heitschmidt, associate professor of range management with the Texas Agricultural Experiment Station, Texas A&M University System. The ranch is 11 sections on the Throckmorton Ranch of the Swenson Land and Cattle Co. It is on U.S. Hwys. 183 and 283, 10 miles north of Throckmorton and 20 miles south of Seymour.

"Particular emphasis will be given to the do's and don'ts of managing a rotational grazing system," Heitschmidt said.

Speakers will include Dr. Earl C. Gilmore, resident director of research at the TAES center at Vernon; Dr. Bill Pinchak, TAES range animal nutritionist; Heitschmidt, and range management research associates John Walker and Steve Dohowier. All are on the staff of experimental ranch.

Other speakers will include Dr. Mort Kothmann, professor of grazing management and range nutrition; Dr. Jerry Stuth, associate professor of range management, and Dr. Robert Knight, assistant professor of watershed management, all from Texas A&M.

Also on the program are Dr. Nelson Adams, livestock specialist with the Texas Agricultural Extension Service at Vernon; Dr. Richard Connor, professor of agricultural economics, and Dr. Wayne Green, department of animal science, Texas A&M.

A dutch treat lunch will be served at noon, Heitschmidt said.

Since its inception in 1957, the Texas Experimental Ranch has conducted research on livestock responses to rates of stocking, types of grazing systems and levels of winter supplementation of feed; longterm vegetation response to

grazing treatments; effects of stocking and grazing systems on rate of water infiltration and sediment, production and calf growth and development.

The ranch is a cooperative venture of ranchers, businessmen and the Texas Agricultural Experiment Station, an arm of the Texas A&M University System. Pasture and livestock are provided by the Swenson Land and Cattle Co, TAES provides personnel and funds for research, and citizens formed the Texas Experimental Ranch Committee to raise private funds for construction of facilities. The committee also serves as a lay advisory board.

Public Notice

Southwestern Bell Telephone Company has filed a tariff with the Public Utility Commission of Texas to introduce a new service offering called ESSX-400 and to limit all rate plans for Centrex services to existing customers.

Rate plans for all Centrex services, as provided in this tariff, are applicable only to customers with service as of the effective date of this tariff. Centrex customers will be able to expand existing systems and enhancements will continue to be provided. The net effect of this tariff would be no change in total billing for Centrex customers.

The Commission has assigned this matter to Docket 6146. A prehearing to discuss the proposed change is scheduled at 9:30 a.m., Wednesday, April 17, 1985, in the Commission offices at 7800 Shoal Creek Boulevard in Austin, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Southwestern Bell Telephone Company anuncia a los usuarios que ha registrado una tarifa ante la Comisión de Servicios Públicos de Texas, con el fin de introducir un nuevo servicio denominado ESSX-400 y de limitar todo plan tarifario para servicios Centrex a los usuarios actuales.

Los planes tarifarios para todos los servicios Centrex, según dispone dicha tarifa, corresponden solamente para los usuarios que tengan servicio a partir de la fecha de vigencia de dicha tarifa. Los usuarios de Centrex podrán expandir sus sistemas actuales, y se seguirán proporcionando mejoras. El efecto real de esta tarifa no constituirá ningún cambio en la facturación total de los usuarios de Centrex.

La Comisión ha registrado este asunto bajo el Docket 6146. A fin de discutir el cambio propuesto, se realizará una preaudiencia el miércoles 17 de abril de 1985, a las 9:30 de la mañana, en las oficinas de la Comisión, 7800 Shoal Creek Boulevard, en Austin, Texas.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Cheerleaders Named For 1985-1986 Academic Year

Junior High and High School cheerleaders were chosen Monday, after they tried out for a panel of three out-of-town judges to gain the honor.

From High School, three girls retained the honor of being cheerleader for another year. The returners to the squad are Stephanie Browning, daughter of Mr. and Mrs. Jimmy Browning, Mindy Smith, daughter of Mr. and Mrs. John Smith, and Kelly Wallace, daughter of

Mr. and Mrs. J.W. Wallace.

Newcomers to the varsity squad are Lorie Alvarez, daughter of Betty Alvarez; Vicky Chavez, daughter of Alicia Chavez; and Sheree Dumas, daughter of Mr. and Mrs. Bill Dumas.

From the junior high, there was only one returning cheerleader who was selected for another year, and that was Dawn Langhofer, daughter of Mr. and Mrs. Keith Langhofer. The other junior high cheerleaders will be in high school next year, as they were all 8th graders.

Others who were selected for junior high cheerleaders were Sylvia Alvarez, daughter of Betty Alvarez; Becky Cline, daughter of Mr. and Mrs. Jack Cline; Julie Martinez, daughter of Mr. and Mrs. Andy Lopez; and Missy Phemister, daughter of Wayne Phemister and Doris Phemister.

Both of the cheerleading squads will be attending a camp later on, during the summer.

Their sponsor is Mrs. Cathy Bartley.

Fish Cleaning Law Causing Some Concern

One of the proposed changes in fishing regulations for 1985-86 regarding cleaning or filleting of fish in fresh water may be causing some concern among Texas anglers.

Texas Parks and Wildlife Department officials are proposing to extend the "final destination" rule now in effect for salt water to include all waters of the state.

"The proposal simply means that it would be illegal for a fisherman to remove the head or tail, or to fillet, any finfish while still in his boat," said Ernest Simmons, inland fisheries chief. "This does not mean they have to keep the fish whole until arriving back home."

Simmons explained that the proposal, if adopted after public hearings are completed, still would allow fishermen to process fish at fish-cleaning stations or other shoreline facilities. "They would be prohibited from cleaning fish on jetties or fishing piers, however," Simmons advised.

The final destination rule is designed to assist game wardens in enforcing length limits and other regulations, since cleaned or filleted fish are difficult or impossible to identify by length and species, Simmons added.

This and all other proposed game and fish regulation changes will be discussed in public hearings in all counties between March 26 and April 5 before being considered for adoption by the Parks and Wildlife Commission.

To determine the date and location of the public hearing nearest you, contact a local TP&WD office or call toll-free 1-800-792-1112.

Q. How long should I continue serving infant cereal to my baby?

A. Iron-fortified infant cereal is important to babies during the first two years of life. It is one of the first solid foods given to infants because it is easily digestible and an excellent source of iron. Iron is a particularly important nutrient for infants during this rapid growth period.

Rice cereal generally is the first single-grain cereal given to baby because it is tolerated by most babies. Later, other single-grain infant cereals, such as barley and oatmeal, can be added to the infant's diet. As the baby gets older, mixed cereals containing several kinds of grains, high protein cereal and cereal and fruit combinations are palatable and good sources of iron. But remember, most health care professionals recommend continuing to serve infant cereal to babies for the first two years of life.

Obituaries Funeral Services Held For Randell Arend

Funeral services for Martin Randell (Randy) Arend, 32 of Haskell were held at 2 p.m. Saturday, March 23 in First Baptist Church with Rev. Randall Stewart, pastor Central Baptist Church of Stamford and Rev. Randolph Wilson of Haskell, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

He died Thursday, March 21 at 7:15 a.m. in Hendrick Medical Center in Abilene.

Born August 26, 1952 in Haskell, he was a railroad engineer for Santa Fe Railroad. He graduated from Paint Creek High School in 1971, from TSTI in June of 1972 and from the engineer school of Santa Fe Railroad in 1978. He was an Eagle Scout and a Baptist.

Survivors include two children, Cory Dean Arend and Jana Elaine Arend, both of Cleburne; his parents, Mr. and Mrs. Al Arend of Haskell; two sisters, Myra Rainey of Abilene and Fern Gonzales of Hemet, Calif.; and two brothers, Quinton of Barstow, Calif. and David of Hacinda Heights, Calif.

Pallbearers were Jack Rueffer, Jim Pace, Garland McKelvin, Hershall Lance, David Ellison, Terry McCoy, Jimmy Helms and Bud Howeth.

from Commodore Savings.

8 1/2% - \$1000 Minimum

The new UltraSTAR Check Club from Commodore Savings. It pays you a current interest rate of 8 1/2% on a balance of only \$1,000. You don't need \$2,500 and up. With UltraSTAR, you also get a galaxy of additional benefits, including:

- No club fee for 12 months
- Free personalized checks
- \$20,000 accidental death insurance
- Major discounts on hotels, rental cars and entertainment
- Retail discounts up to 40%
- And much, much more

If your balance should fall below \$1,000, you'll still earn 5 1/4% interest—plus all the free services and discounts exclusive with UltraSTAR. So, catch a rising star. UltraSTAR Check Club from Commodore Savings. Call or come by today for full details.
