Mustangs Meet Kress For League Lead

Game There Friday Night

The spotlight in District 3-A will be focused on Kress Friday night when the "big shootout" between the top rated offensive and defensive teams in loop play will take place.

And it promises to be quite a "happening."

The Kangaroos, the league's top defensive 11, will host Bovina's Mustangs, the top offensive team in league play, with the kickoff scheduled at 7:30 p.m.

The Mighty Mustangs head into the battle for the undis-

puted lead in District 3-A fresh off a satisfying 26-15 win over the Farwell Steers Friday night. The Kangaroos, probably just as determined to capture the league lead, took a 3-0 win over the Hart Longhorns Friday night to drop the Horns from the top of the 3-A heap to third place.

The 3-0 statistic wasn't the score, it was the number of penetrations the Kangaroos compiled over Hart in the scoreless battle. It was the first time this year for the Hart 11 to be shut out and

the second consecutive week for the 'Roos to shutout a 3-A team. They blanked Springlake-Earth the week before, 12-0.

Both teams have, thus far this year, compiled 5-2 records with identical 3-0 records in district play. The Kangaroos and Mustangs have faced only one common

opponent this year, Farwell. The 'Roos edged Farwell, 15-13, in their first district contest.

The two losses on Kress' ledger came at the hands of Hale Center and Petersburg in the first two weeks of the contest. Bovina's losses have come from Friona, a Class AA squad, and Plains.

In district competition, the Mustangs are ranked first-offensively and fourth defensively, scoring 68 points to their opponent's 45. The Kangaroos are first in defense and sixth in offense, scoring 35 points while giving up 20. Besides the two-point win over Farwell, Kress blanked S-E, 12-0, and fought to the

0-0 tie with Hart last week. They own one other two-point victory in the season, an 8-6 win over Class AA Dimmitt.

The last time the Mustangs took a win over the Kangaroos was in 1968 when they edged Kress, 14-12. Kress won 33-6 in '69, 36-21 in '70 and 12-12 in '71.

"They have got a good foot-

ball team," Head Coach Roger Ezell stated about Kress early this week. "In fact, we weren't too worried about them until we checked their record and they've only lost two games. And, defensively, they have given up less points in non-district and district games than any other 3-A team."

Ezell went on to say that Kress is about the size of Plains. "Offensively, their halfback, Terry Stark, is the best back we've seen this year. He has good speed and

excellent balance. It takes three or four hits to get him down. Stark has been an all-district center the past two years and was moved to halfback this year.

"Defensively, their pass rush is tough. They kept Hart from throwing the ball. Their secondary isn't that good, but the front four doesn't give the opposing quarterback time to set up and throw.

"Comparatively, they are similar to us. They have been more defense-minded. They (Continued on Page 6)

By DOLPH MOTEN

Tuesday is election day. That will be your last chance for four years to vote for Democratic candidates from the presidency down through county offices.

Take advantage of it.

Notice the blank spaces (no candidates) under the Republican heading on the ballot.

That's a good display, we think, of political irresponsibility.

Sure, the Repubs want you to vote for Nixon, Agnew and Tower. Maybe even for Grover for governor, but after that they evidently don't even care if we have people in lesser offices, judging from the aforementioned blanks on the ballots.

Either they don't want these offices manned or they think Democrats are good enough to fill them. If the latter is the case, we'd just as soon Demos filled the higher ones, too!

Reckon the Texas Tech Red Raider football team is for real this year?

The Raiders have a surprisingly good record up to this point. They've got a shot at the conference championship if they could be lucky enough for one or two other teams to knock off Texas U.

Tain't likely, but stranger things have happened.

We're sure it won't come as any surprise to the cable TV people hereabouts, but the natives are getting just the least bit restless in regard to the quality of their cable service.

We keep hearing mutterings that the people think the service could be consistently better, though there probably isn't any big problem they could put a finger on. Seems the reception on a certain station one night early this week was poor and that set off increased mutterings. It's possible the trouble might not have been the fault of the cable.

Some checking into is in order before we join the complainers.

There's a copy of Tuesday's general election ballot in today's issue of the Blade courtesy of First State Bank of Bovina.

It's provided for people who like to look over the ballot before they go to the polls. The amendments, especially, might need some pre-polls study. Anyway, the ballot is provided by the bank for your convenience.

For Bovina fans at least, the Mustang vs. Farwell game Friday night was everything it was supposed to be and plenty of fun. That made two wins in a row for Bovina over Farwell after that much-discussed Farwell win streak which lasted too long and was the first win for the Mustangs on the Farwell field. Last year's oh-so-nice icebreaker came on Mustang Field last year, you'll remember.

Nevermind their loss to Bovina Friday night, this isn't, or hasn't been, a good year for Steers, football-wise. They've had only one win this season and that's been a handicap in the Bovina Businesses Football Contest to Willie Roberts, superintendent of Farwell Schools. He's a good football contest player and is right up in the running for the grand prize in Farwell, where the Steers' games are used as the tiebreaker and not one of the games to pick each week. In the contest here, he's picked the Steers too many times to be in the running and was some six points back of the leader through last week.

Incidentally Mr. Roberts was one of the Farwell fans to wish the Bovina team good luck in the (Continued on Page 2)

Turkey Dinner Sunday

Turkey and dressing will be featured on the menu at the annual St. Ann's Society-sponsored dinner Sunday at Parish Hall of St. Ann's Catholic Church. Serving will begin at 11:30 a.m. and continue until 2 p.m. Admission will be \$1.72 per plate.

The society will also have a country store, featuring baked goods and homemade items, in the hall.

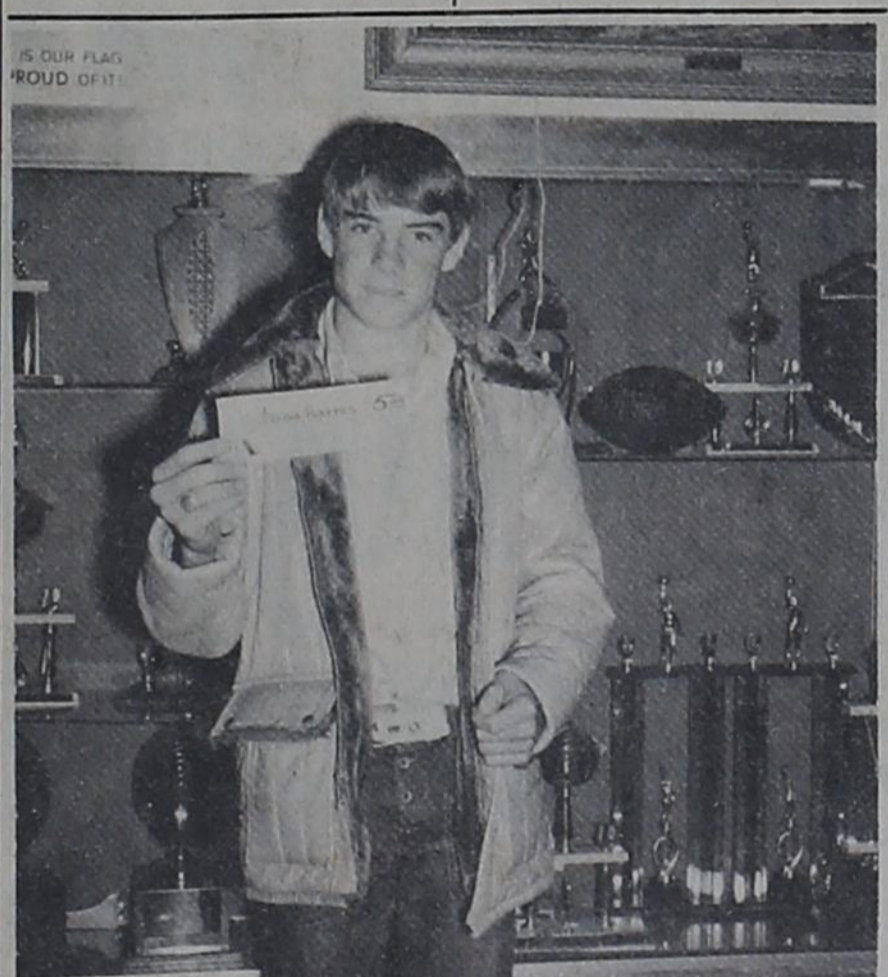

A portable television set will be given away at the conclusion of the meal, announces Mrs. Leon Schilling, president of the society.

The annual dinner draws a large crowd each year.

WINTER WEATHER --- Neo Ortiz attempts to scrape ice from the windows of his truck Tuesday as a blast of Winter brought rain and freezing temperatures into the area. Note the ice on the trees in the background. The moisture and wind which ac-

companied the front made the chill factor much lower than the mid-20's temperature reading. Driving on the ice-slickened pavement was hazardous.

WINS WEEKLY CONTEST --- Dana Harris, Bovina High School freshman, edged out three other contestants who picked 10 correct games last week for \$5 and first place in the eighth week of the Bovina Businesses Dallas Cowboy Football Contest. Harris was five points off on the tie-breaker, picking Bovina to win, 22-14. Fifteen points off on the tie-breaker won Mrs. Bryant Harris second place and \$3. Eldon McCormick placed third with his guess of Farwell 28-14, 25 points off on the tiebreaker.

In 8th Weekly Contest --

Dana Harris Winner On Tiebreaker Pick

Dana Harris, Bovina High School freshman, topped three other contestants with 10 correct predictions last week to take the \$5 first place prize in the eighth week of Bovina Businesses Football Contest.

Harris won on his tiebreaker prediction, picking Bovina to de-

feat Farwell, 22-14, just five points off the actual 26-15 score.

Another Harris, Mrs. Bryant Harris, won second place and \$3 on her tiebreaker prediction of 13-13. She was 15 points off on the tiebreaker. Winning third place and \$1 was Eldon McCormick who predicted that Farwell

would defeat Bovina, 28-14, making his prediction 25 points off the actual score.

One other contestant, Scooter Russell, picked 10 winners, but lost out on the tiebreaker predictions.

Only five contestants came up with as many as nine correct

predictions. They were Bryant Harris, Jay Harris, Ben McCain, Dean Stanberry and Larry Wiseman. Jay Harris and Stanberry missed the outcome of the Kress-Hart game, Bryant Harris missed the Viking-Green Bay Packer game, McCain

Harvest Halted --

Old Man Winter Hits With Freezing Rain

Old Man Winter took his second swing at the area in as many weeks as a cold front moved in Monday, bringing rain, sleet and icy conditions.

The moisture stopped the just-begun milo harvesting in its tracks. Cutting of grain sorghum had just started again Saturday afternoon and Sunday following moisture of last week.

Temperatures dropped into the mid-20's Monday night, killing plants which had escaped the earlier sub-freezing temperatures.

The milo crop was estimated to be only 15 per cent harvested when the latest weather setback hit.

Farmers were concerned Tuesday that the rainfall and

freezing temperatures would cause ice to form on the milo heads, breaking the stalks.

However, the stalks are expected to have good strength because they were still alive until this blast and may be able to endure more advance weather without falling than they could had they been dead for a longer period of time.

How bad the milo crop is hurt depends entirely on how long the storm lasts. If it clears up right away, the damage will be negligible. If it lingers on for a period of several days, it could cause much of the crop to fall.

The milo price is at the \$2.20 per hundredweight mark here

this week, up some 10 per cent over a year ago. Most farmers, however, have cut only a

portion of their crop and are not ready to "settle up," price-wise yet.

School's Out Here Friday!

More than 5,000 public school teachers and administrators from 26 counties in the Texas Panhandle are expected to be in Amarillo this weekend for the Annual Convention of District XVI Texas State Teachers Association.

Classes will be dismissed Friday in Bovina Schools to enable teachers here to attend the meeting.

Theme of the convention is "Quality Education For All." David Wolvoord, principal of Oak Dale Elementary School of Amarillo, president of the organization, will preside over the meeting.

Kicking off the convention will be a dinner meeting of the House of Delegates Thursday at 6:30 p.m. at Caprock High School. After dinner, the delegates will adjourn to the Caprock Auditorium for a business session.

The general session at the Civic Center Coliseum will begin Friday at 10 a.m. Featured speaker will be Ben

Interstate Highway In Area?

Plans to make Highway 60 into an interstate road were explained to Bovinians at a Thursday night meeting at First State Bank.

Explaining the proposal which would line Interstate 40 at Amarillo-Canyon with Interstate 10 at Las Cruces, N.M., were three leaders of the project from Amarillo.

The new highway, which would probably go around Bovina and most other towns on the route, is some eight to 10 years away, it was explained to the half dozen or so Bovina people attending the information session.

The interstate highway, the promoters pointed out, would require a special act of Congress. However, Sen. Joe Montoya, New Mexico Democrat, is pushing the project.

Pointed out at the meeting was that the proposed route would be 130 miles shorter from Oklahoma City, for instance, to Los Angeles than is the present Interstate 40 route which goes through Albuquerque, N.M. and Flagstaff, Ariz. Also, the proposed route would be less mountainous and would offer fewer Winter-time hazards.

No Congressional designation or funding has been made up to now, the Amarillo men explained.

The visitors here requested support of the project by Bovina's city council and chamber of commerce.

The plan will be discussed by members of those bodies in forthcoming meetings.

Heart Ass'n To Organize Here Tonight

An organizational meeting of the Parmer County Chapter of the American Heart Association will be at 7:30 tonight (Wednesday) in the Community Room of First State Bank of Bovina, announces Mrs. Jack Kassahn. Hugh Moseley of Farwell, chairman of the county chapter, and other county leaders will attend, Mrs. Kassahn said. The meeting is open to the public and interested persons are urged to attend.

Former Resident --

Mrs. Sudderth's Services Friday

Funeral services for Mrs. Wanda Pearl Sudderth, 37, a former resident of Bovina, were held Friday afternoon at Hammons Funeral Home in Littlefield with Don Stone of Fritch, former minister here, officiating, assisted by Cecil Bunch, minister of Bovina Church of Christ. Burial was in Littlefield Memorial Park.

Mrs. Sudderth was killed late Tuesday in a car-truck accident near Ely, Nev. She was born Oct. 13, 1935, at Amherst. She moved to Bovina with her parents in the early 1950's and was graduated from Bovina High School. Survivors include her husband, Sam Sudderth of Carson City, Nev.; three daughters, Kathy Sudderth, Becky Sudderth and Tricia Sudderth, all of the home; one son, Randy Sudderth of the home; her parents, Mr. and Mrs. Fred Roberts of Mason; and one sister, Mrs. Beverly McCutchan of Los Angeles, Calif.

Pallbearers included B. L. Marshall, Joe Pinner, James Boardman, William Gromowsky, Thomas Rhodes and Leon Langford.

Mrs. Murphy's Mother Dies At Ballinger

Funeral services will be held this afternoon (Wednesday) at First Baptist Church in Ballinger for Mrs. Elmer Patton, mother of Mrs. Don Murphy of Bovina. Burial will be in a Ballinger cemetery.

Mrs. Patton died Monday afternoon at home following a lengthy illness. She is survived by her husband; one daughter, Mrs. Murphy; three sons, Bobby Patton of Ballinger, Dwayne Patton of Midland and Howard Patton of Fort Stockton; and eight grandchildren.

This department picked seven of 10 winners in last week's predictions.

That's pretty good for an ol' boy who is just playing for funnies.

We'd like to do as well this week.

FARWELL at Vega --- We'll go along with Mr. Roberts on this one just because of thence pressbox seat he allowed us to have Friday night. Too, we think the Steers could win this one. The Longhorns aren't as good as the pre-season dope said they would be. The Steers have an impressive passing attack when it's working.

DIMMITT at FRIONA -- This is a good year for the Chiefs, in spite of their loss last week to Littlefield, and not-too-good a year for the Bobcats.

SPRINGLAKE-EARTH at HART -- This might be a good place to try to pick an upset, but Hart should be trying to get back on the winning track this week so as to figure in on the district championship some way after being edged by Kess.

MULESHOE at Levelland --- The Mules aren't winning them all this year, but they're taking most of 'em.

WILSON at Lazbuddie --- We hate to pick against our Parmer County buddies, but the book we had read to us said that Wilson was good last year and had several of the same players back.

TEXAS TECH at Rice --- We said why earlier in the column, Baylor at TEXAS CHRISTIAN --- Somebody said to pick the home team when you think the game will be close and that's as good a reason as any to use here.

Southern Methodist at TEXAS --- We kinda wish this one would turn out the other way.

West Texas at SAN DIEGO STATE --- The Buffaloes just barely did win in Canyon; surely they can't in California.

OAKLAND at Kansas City --- Hasn't KC been having some hard luck this season?

Bank Deposits Continue Rise

Deposits at First State Bank of Bovina as of Sept. 30 totaled \$4,505,530.17, an increase of approximately \$30,254.89 over the same period a year ago. Total deposits as of Sept. 30, 1971, were \$3,475,275.18. The Sept. 30 deposits show a slight increase over the June 30 figure, which was \$3,773,478.11. Loans at the end of last month totaled \$2,766,684.00, up \$276,914.49 from the '71 mark of \$2,489,769.51. The bank's official statement of condition appeared in last week's issue of The Blade.

12 Accidents In September

The Texas Highway Patrol investigated 12 accidents on rural highways in Parmer County during the month of September,

according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and two persons injured.

The rural traffic summary for this county during the first nine months of 1972 shows a total of 114 accidents resulting in three persons killed and 66 persons injured.

Region 5 of the Texas Department of Public Safety shows a total in September, 1972 of 561 accidents resulting in 21 persons killed and 335 persons injured as compared to the same month in 1971 with 499 accidents resulting in 33 persons killed and 268 persons injured.

At the state association of Soil and Water Conservation Districts annual meeting on October 18 and 19, several resolutions were passed that are of interest to Parmer County farmers, says Herb Evans, Soil Conservationist at Friona.

One resolution passed was for changing the present state law concerning conservation districts to make it more inclusive of environmental problems. Another resolution was to request the Governor of Texas to include at least one farmer and rancher on the Texas Water Quality Board, said Evans.

The resolution calling for districts to administer any land use planning regulations was passed.

The final resolution passed was to protect agriculture land

from excessive taxes caused by inflated valuations.

The resolution concerning use of prime agriculture land for other than agriculture was turned down, Evans reported.

The state association of Soil and Water Conservation Districts, of which the Parmer County SWCD is a member, is encouraging all people voting on November 7th to support amendments nine and 12.

Leon Grissom, chairman of the Parmer County SWCD, said that these constitutional amendments will make it possible for district directors to be elected from well qualified men who are serving on other boards and committees. This will improve the quality of the soil and water program in Parmer County.

At Home In Parmer County

By Jana Pronger

With sewing winter fashions in full swing and sewing for Christmas gifts under way, I thought you might enjoy the following information on knits:

Simply using a small ruler can help the shopper determine several important characteristics about a knit fabric. You should consider stability and shrinkage factors in coordinating knit fabrics and patterns.

The knits stability is important. Moderately stretchy and very stretchy knits require

more care in construction, including scrupulous stay-stitching where the sewer doesn't want the seams to stretch.

Stability can be determined by gripping the knit fabric and ruler in your left hand, four inches from the raw edge. Next, stretch the fabric toward the right and measure how much it stretches.

If the stretch is no more than half an inch, the fabric is stable; up to 1-1/4 inches means it's moderately

stretchy; and more than 1-1/4 inch means the fabric is very stretchy.

After determining the stability in this way, check the back of the pattern envelope to see if the fabric's stretchiness is suitable for the style chosen.

In addition to determining the knit's stability, the shopper can check its recovery ability as well.

After stretching the knit, let it go with your right hand. If it springs back to its original shape immediately, it has good recovery ability and won't "grow" during construction. If it doesn't snap back right away, then special care in sewing and handling will be necessary.

Also, shrinkage is easily converted from per cent to inches per yard with the ruler.

By knowing the shrinkage, the purchaser can decide whether to allow additional yardage for shrinkage in washable knits.

Patti Mills, Mike Ware Tell Girls-Boys State Experiences

Miss Patti Mills and Mike Ware, Bovina's representatives at Girls State and Boys State this past summer, were guest speakers at the Thursday afternoon meeting of Bovina Woman's Study Club.

At the business session prior to their talks, Mrs. Jack Clayton, president of the organization, appointed Mrs. Earl Stevenson and Mrs. W. E. Williams

as co-chairmen of the Christmas Card Fund this year. The club also voted to send \$25 to Girlstown. Study clubs in the district sponsor the Girlstown project, with the \$25 being Bovina's contribution toward the goal.

Mrs. Earl Whitten introduced the two high school seniors, saying, "We know by their church and school activities that

they are setting an example for our youth to follow. They are our future."

"It was a dual feeling -- apprehension and excitement -- as we left Amarillo for the 72nd session of Girls State," said Miss Mills. "I learned so much that it was hard to believe I was the same person as 10 days before."

Among the guest speakers at Girls State, reported Miss Mills, were Henry Grover, the Republican gubernatorial candidate; Senator John Tower, who is seeking re-election; Bill Hobby, Democratic candidate for lieutenant governor; and Mrs. Barefoot Sanders, wife of the Democratic candidate for the U. S. Senate.

Miss Mills reported, that a citizen of the Funky Feet From the Foothills city, she ran for county tax assessor-collector on the Federalist ticket and won in the primary election.

"One of the things I enjoyed the most was learning how the House of Representatives and Senate operate. It has meant a lot in my government class this fall."

On Monday, the Girls Staters toured the capitol building in Washington and the mythical state officers were inaugurated there. Governor Preston Smith spoke to the girls. A surprise visitor was Mrs. Frances Farenthold.

"Our Girls State director explained to us that Girls State could only supply the initiative, each of us would have to take it from that point. It has made me a better person and a better citizen and it is difficult to say thank you for the opportunity that was given me," concluded Miss Mills.

Ware noted the trip "... marked the beginning of the week I learned by doing. I really

thought it was the greatest week of my life.

"Besides being a rewarding and learning experience, it was fun," he said.

Ware was assigned to the Federalist Party and Burkhead city. He was elected to the House of Representatives at the state level.

Among speakers at Boys State were Governor Smith, Jim Carlen, Texas Tech Red Raider coach, the executive secretary of the Texas Democratic Party and the chairman of the Texas Republican Party.

Among other activities offered the boys were band, choir, football, baseball, basketball. "We had tournaments that went from district to state with all-state players chosen," said Ware. One of the highlights of his trip was playing football in the University of Texas stadium and touring the Lyndon B. Johnson Library.

"I felt such a sense of pride in our government at the flag ceremonies, because I realize now what went into it. I am really proud to be an American and especially a Texan. My pride and patriotism were strengthened during this trip," said Ware. "I know it takes each and every individual to make our country one and indivisible," he concluded.

Attending the meeting were Mrs. Williams, Mrs. Buck Ellison, Mrs. Reagan Looney, Mrs. Leslie McCain, Mrs. O. H. Jones, Mrs. Charles Ross, Mrs. Henry Ivy, Mrs. Leon Ware, Mrs. H. D. Bradshaw, Mrs. Joe Fowler, Mrs. Billie Sudderth, Mrs. Clayton, Mrs. Whitten, Mrs. Clarence Jones, Mrs. Jerry Ware, Mrs. Stevenson, Mrs. Cecil Bunch, Mrs. I. W. CROP Drive Set Sunday

The Youth of Bovina United Methodist Church will conduct a house-to-house canvas for funds for CROP Sunday night, according to Rev. Howard Marcom, pastor.

CROP is the Community Hunger Appeal of Church World Service and its objective is to collect funds and commodities from communities to support the overseas

programs of Church World Service.

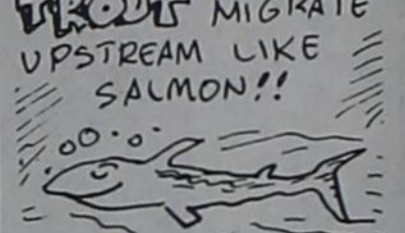

These programs include nutritional feeding to build strong mind and bodies, development projects to help people help themselves and emergency assistance in times of disaster, said Rev. Marcom. "Your help can help ease hunger in the world," he commented.

Ramirezes Have Son

Pvt. and Mrs. Roy Ramirez announce the birth of a baby boy at 4:13 p.m. Friday, Oct. 27, at Parmer County Community Hospital in Friona.

The new arrival weighed in at six pounds, eight ounces, and has been named Oscar David. He is the couple's first child.

Grandparents are Pedro Ramirez and Mr. and Mrs. Pablo Garza, all of Bovina. Ramirez is stationed with the Army at Ft. Carson, Colo.

Fowler Enlists In U.S. Navy

Robert Paul Fowler, son of Mr. and Mrs. Joe Fowler of Bovina, enlisted in the United States Navy October 6.

Fowler, a 1970 graduate of Bovina High School and a former student at South Plains College in Levelland, was enlisted in the Navy's new Aviation Electronics Program. He was also enlisted in an advanced pay grade due to his college credits.

After completion of basic training at the Naval Training Center at San Diego, Calif., Fowler will be home for two weeks leave prior to reporting to electronics school at the Navy's Aviation Technical Training Command, Naval Air Station, at Memphis, Tenn.

In a shell

by Lou Nuttall

The recent country music awards program brought to mind another program viewed recently. It was one of those mornings toward the end of the week when tired blood finally asserted itself and we were late getting to work.

The guest star that particular morning was the woman who was named entertainer of the year in country music. The show's hostess was making much ado over the singer's sewing and canning ability, as if it were a phenomenal talent. Would wager that, per capita, Bovina has more accomplished seamstresses and specialists in the canning and freezing departments than we could begin to list.

For someone who can scarcely manipulate scissors well enough to cut out recipes and coupons and who has to wrestle with a can opener, those talents are not taken lightly. But, maybe, we just take them for granted in others.

We have noticed the change in home economics since we struggled through the agonies of cooking and sewing classes. A much more practical approach is taken today with so many convenience foods on the market. Today, when there are so many working wives and mothers, that approach makes a lot more sense.

We will know for certain about the changes when our girls begin the sewing lessons. If they can make that more simple, we may go back to school for a course in sewing on buttons and such stuff.

It's terrible to be handicapped with five thumbs.

A tip of the Texas sombrero to the Mustang footballers and bandmen for Friday night's performances.

Both groups have been steadily improving and numerous compliments were heard Friday night on both.

At this stage, it might not be too much to hope for a district champion and sweepstakes winner for Bovina High School.

Why You Should Re-Elect President Richard Nixon Nov. 7

LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses--and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

TAKE TIME FOR LIFE

We live in a time of highly pressurized society. If any one word describes our frantic behavior it is "fast." We hurry, hurry into and out of almost everything. Many of us don't particularly like this aspect of our life, but we are drawn into the pace anyway. Our lives can be made more serene if we would just "take time."

A little book authored by Vera Holding is entitled Take Time. She suggests that we need to take time:

- To live,
- To Think,
- To Read,
- To Laugh,
- To Dream,
- To Love,
- For God,
- For Little Things,
- For Friends,
- To Meditate,
- To Play.

As I reflect upon these things I find them very Biblical. Jesus taught about every one of these things. If we would be happy, we must slow the pace and take time for those things that really make life enjoyable. It is possible that in our desire to get the most out of life we rush through it in such a way that we haven't taken the time to really live. Christ came that we might have life and have it more abundantly. Take time to do and be those things that are most important. Cecil Bunch, Minister, Bovina Church of Christ

BANDSMEN OF WEEK --- The drum majors and twirlers for the Mustang Band have been named Bandsmen of the Week by Band Director Bryant Harris following the Friday night halftime performance at the Bovina-Farwell football game. From left to right are drum majors, Jan Kassahn and Kim Langer, and twirlers, Gail Dixon and Patti Mills. Evanna Johnston, the third twirler, was not present. Harris based his selection on the leadership of the five girls the past several weeks.

take a lot of time to score and when they do, the defensive unit goes to work." Ezell considers Kress the team to beat for the district title. Kress has Sudan and Vega left on their schedule while the Mustangs will face Springlake-Earth and Hart in the final two outings. "If they get by us, they will probably take district."

The Mustangs emerged from the Farwell tilt in good physical condition and Ezell said he expects no let down this week. "In fact, they are already mentally prepared for Kress."

Ezell had a big smile on his face when he reported that the coaching staff was "very pleased" with last week's victory. "It's hard to point out any one player, it was just a fine team effort," he commented.

"We changed our offense up some and it seemed to bring more balance to our attack," he remarked. In reference to Farwell's scoring drive in the fading moments of the game, Ezell said the Mustangs were in a prevent defense. "I don't think the team wanted Farwell to score. However, we were giving them the short yardage in order to eat up the clock. We definitely didn't want the Steers to score on a long pass and have very much more time on the clock. They would have tried an on side kick and we wanted to play it safely," Ezell added.

"Farwell was our best offensive effort of the year. The defense did its job, but the offense was the key to the win." The Mustangs kept the ball over 10 minutes in the first quarter and 11 in the third quarter and "that's what you have to do to win ball games."

Ezell said the coaching staff picked the senior members of the squad as players of the week because it was difficult to single out any one individual effort. "Besides, it was the last go-round against Farwell for the seniors," Ezell commented.

in Parmer County --

Jim Noyes Director Of '73 Spelling Bee

Jim Noyes, principal of Bovina Junior High School, has been named to direct the activities of the 1973 Spelling Bee for Parmer County.

The 1973 Regional Bee -- the Silver Anniversary Bee -- co-sponsored by the Amarillo Globe News and West Texas State University -- will climax in Amarillo on April 28 with the naming of the Golden Spread Champion.

More than 11,000 students in the eighth and lower grades are expected to participate and the area includes 46 counties in the Panhandle. There are 26 Texas counties, 10 in Oklahoma, four in New Mexico and three in Kansas.

The rules of the National Spelling Bee stipulate that any boy or girl who has not reached his 16th birthday or passed beyond the eighth grade by June 1, 1973, is eligible to enter. Each county director has complete control over the respective county and may conduct the contests as a verbal "battle of the words," or it may be by a written test. However, the regional bee in Amarillo will be conducted verbally.

The study book, compiled by the National Spelling Bee, New York City, contains more than 3,000 words, many of which have been used in the annual national contest. New in design and content, the booklet is available from the Amarillo Globe-News, P. O. Box 2091, Amarillo, Texas 79105. The price is 25 cents.

The 1972 champion from Parmer County was Denise Shipp. Her parents are Mr. and Mrs. Dean Shipp of Friona. A student

in the eighth grade of the Friona Junior High School, she placed 13th in the 1972 regional competition.

The only secondary contest conducted within the areas of the National Spelling Bee is also sponsored by the Amarillo newspapers and the University.

To acquaint boys and girls in the sixth and lower grades, a junior division contest is conducted. These county winners are special guests of the sponsors on Bee Day in Amarillo. Unless they hold a dual title, they do not spell.

The 1972 junior division champion was Marsha Carlan and her parents are Mr. and Mrs. T. H. Carlan of Friona.

A list of prizes to be awarded will be made available at a later date.

The deadline for all county contests is March 31, 1973. The grand winner will receive an all-expense paid trip to Washington, D. C. June 4 through 8. In the nation's capital the youngster will compete in the 45th National Spelling Bee along with other boys and girls from all over the United States, as well as Guam and Puerto Rico.

Spelling Bee coordinator is Jack W. Edmondson, Director of Public Services, West Texas State University, Canyon.

Rehearsals Begin --

Announce Cast For Junior Play

"The Boarding House Reach," a three-act comedy, will be presented by the Junior Class at 7:30 p.m. Tuesday, Nov. 21, announce Mrs. Pat DiCuffa and Byrant Harris, class sponsors, who will direct the play.

The play revolves around Wilbur Maxwell, 13, whose efforts to earn the money for a bicycle turns his family home into chaos. When his parents leave on a business trip, Wilbur decides to turn their home into a boarding house to earn the money. His parents come home unexpectedly and bedlam reigns supreme, especially after its discovered that one of the boarders is a bank robber.

Cast of the play includes Rodney Hromas as Wilbur, Terry Sherrill as Hercules Nelson, Terry Willard as Betty Lou Maxwell, Christi Trimble as Connie Maxwell, Pam Wilson as Bernadine Smith, Rex Beaudain as John Maxwell, Nancy Hutto as Janet Maxwell, Jana Barrett as Aunt Mary, Chuck Gilbreath as Limpy McGuire, Cissie Minter as Nora, Danny McKay as Herman "Ninety Volt" Jones, Ute Blalock as

Roughhouse Ruby, Al Kerby as Mr. Potter, Rhonda Rhodes as Lucy Burns, Connie Terry as Mrs. Mort, and Galen Carson as Connolly.

Rehearsals are currently in progress, said Mrs. DiCuffa. Admission prices and further details will be released in the near future.

Health And Science Shorts

Before election day, sales for antacids to relieve simple heartburn may rise along with tempers. Remedies for swallowing too much air should do well, too. Tension and anxiety lead to air swallowing, a major contributor to formation of gastrointestinal gas. According to published medical studies, a tablet called Phazyme has proved effective in breaking up the entrapped gas bubbles that cause gas pain.

Physicians advise that heated debates and missed meals or food eaten hurriedly can take their toll on anyone's intestinal system. A fact there is bound to be agreement on, regardless of which political party is favored.

One of the most common conditions for which women seek the help of a gynecologist is vaginitis, and particularly the infection caused by the organisms called trichomonas. Its most common symptoms are an intense itch and an unpleasant discharge. Fortunately, there are a number of drugs that clear up the condition, including one on prescription in tablet form that has been found particularly effective.

The physician author of an article on vaginitis in the 1972 edition of "Current Therapy" adds that "an occasional vaginal douche to soothe the symptoms may be used in addition to the drug." He recommends using a nonirritating cleanser such as Trichotone twice a week.

Council Hears Reports

Several organizations at St. Ann's Catholic Church gave reports at the meeting last week of St. Ann's Parish Council. Fifteen members, Rev. John Coppinger and Brother John Poncia were present.

The Catholic Youth Organization representative reported the results of its recent election. Sylvia Hernandez of Friona was elected president; Frank Salz of Friona, vice-president; Norma Villareal of Bovina, secretary; and Dora Villareal of Bovina, treasurer. The group announced that a teenage dance had been set Saturday at Friona. The CYC volunteered to assist members of St. Ann's Society at the turkey dinner Sunday.

Mrs. Leon Scholling, president of St. Ann's Society, said that final plans were complete for the turkey dinner Sunday. A portable television set will be raffled off at the conclusion of the dinner. She announced that the Diocesan Council of Catholic Women Convention will be held in Lubbock on Nov. 14 and 15. Delegates planning to attend are Mrs. Schilling and Mrs. Leo Ruzicka.

representative of the Sacred Heart Society, reported plans for a retreat in the near future. Stanley Klimek, Parish Council president, reported on the Stewardship Workshop that Rev. Coppinger, Gene Brito, Josie Alonzo and he attended in Amarillo in September. The workshop was designed to create an awareness of the need for greater giving of time, talent and resources to the church work, he said.

Brother Poncia, chairman of the Confraternity of Christian Doctrine, said that a CCD workshop would be held at St. Ann's Parish Hall on Nov. 11. Sister Miriam Doyle of Lubbock will be the instructor. She is the Associate Director of Religious Education for the

Not All Chores Succeed

When a homemaker tries out a new recipe and it is a smashing success, the entire family is most appreciative. Compliments abound. But when the laundry comes out fresh and clean time after time, this is a fact taken for granted -- no big excitement, no accolades.

Actually, we don't really expect any special thanks from our families for performing this very ordinary, but necessary task. There is a way, however, to achieve some psychic income, to find self-satisfaction and make this usually humdrum task more rewarding.

By using today's phosphate-free washing products with their modern formulations, we can be proud and confident of the results, and at the same time, know we're doing our part towards preventing fur-

ther destruction of our country's environment. Already, over 10% of America's purchases of these products are of the phosphate-free variety. And, it is increasing daily. There are two very good reasons for this.

We demand rich active suds from our washing powder and we get it in these new formulations. To make it even more effective and time-saving, they've added bleach, borax and brighteners, along with that old standby washing soda.

The second reason makes the difference. It is the desire of women to work on this matter of ecology. We care deeply about the world we leave for our children. Small as the contribution of one individual may seem, it all adds up. Right now there is 10% less phosphates ending up in our lakes and rivers. Still small but growing.

So join the fight today. No one will thank you but you'll know you are doing something special.

missed the outcome between Wichita State and West Texas and Wiseman missed the SMU-Texas Tech tilt.

Out of the 196 contestants entering last week, only the second week this year for the mark to drop below 200, 22 contestants had eight correct predictions, 46 had seven, 48 had six, 39 had five, 22 had four, eight had three and two had two correct games.

In regard to the Blade's policy on the games in the contest, if officials declare a tie, it will be counted as such on the entry blanks. However, if a winner is declared by officials, it will be counted as a win in the contest. Two games on last week's contest resulted in tie scores with Kress declared the winner over Hart on penetrations and Vega the winner over Sudan on the same basis.

Terry Carpenter of Clovis continues to lead the pack at the end of the eighth week of the contest with 61 total points for a .762 percentage.

Close behind with 59 points are Larry Wardlaw, winner of the grand prize in 1969, and Scooter Russell.

Four contestants, Gary Cox, Corky Criswell, Donna Criswell and George Douglas, have 58 points. Mrs. Criswell won the contest in 1970.

Contestants with 57 points are Rocky Bartlett, Penny Crump, Cindy Morrison and Bill Read.

Five points back with 56 points are Rex Beardain Jr., Jerry Bradford, Donna Jester, Virginia Lambert, Ben McCain, Bill Moore, Jim Noyes, Kent Roy Nuttall, Carl Rea, Lee Stanberry and Paula Whitecotton.

Only five weeks remain in the 13-week-long contest. The contestant with the highest number of points will receive an expense-paid trip for two to see the Dallas Cowboys and New York Giants play at Texas Stadium on December 17.

FIRST STATE BANK of BOVINA

Second Consecutive Win For Bovina --

Ponies Kick Steers With 'New' Offense

Displaying a different offense which worked with methodical success, the Bovina Mustangs took a 26-15 decision over their arch-rival, the Farwell Steers, in a District 3-A football game there Friday night.

This was the second consecutive win for the Mighty Mustangs over the Steers. The Bovina team broke a 16-year win streak by Farwell last

year by a similar score, 23-13.

The win not only was satisfying for the Mustangs and their fans because it came over the Blue and White-clad boys from the county seat, but it boosted their district record for the season to 3-0, leaving them one of two undefeated teams in the loop at this point.

The Maroons picked up a

touchdown in each of the quarters as they ground out yardage consistently with their "new" standard T-formation which was used for the first time against the Steers. The

host team got a TD in the second quarter on a 55-yard pass play and also scored on a pass play in the closing minutes to make the score look more successful after the Mustangs already had the win safely tucked inside their victory belt.

Bovina's opening drive which resulted in a TD gave an indication of how the game would turn out. The Ponies put the opening kickoff in play on their own 28 yard line and marched steadily downfield for the score.

The drive was a thing of beauty for Bovina fans as the Mustangs made only one miscue in the march. That was a fumble which the Mustangs retained possession of and went for no gain. Utilizing each of the three deep backs for ball carrying and crisp blocking by the linemen, the Mustangs moved the ball the 72 yards to paydirt in 18 plays. The drive earned the Ponies five first downs enroute. Quarterback Kim Rundell carried the mail only one time during the drive and that was the final step for the six points. His kick was good to boost the score to 7-0 before the Steers ever had possession of the pigskin, with only 4-4 remaining in the first period.

There was a good turnout for the tilt between the neighboring Parmer County schools. The crowd was estimated to be in excess of 800. The weather was almost ideal for football ---- the cold wasn't uncomfortable and the air had only a touch of dampness.

As satisfying as that opening drive was for them, Bovina fans weren't able to relax at that point. The Steers' Ray Norton ran the following kickoff back from the 10 to the 46, almost breaking for a TD run. On their first play from scrimmage, the Steers ripped off a 14-yard scamper by Halfback Winfred Long, giving them a first down at the Bovina 40. The next three plays netted only four yards, however, and Farwell tried a draw play on fourth down which lost a yard and gave the Mustangs possession at their own 37.

Bovina's second touchdown came midway through the second stanza and was easier comeby than the first one. The Ponies put a short Farwell punt in play at the midfield stripe, moved down to the 27-yard line in six plays and then broke Halfback Jeff McCormick through the left side of the line. He raced into the endzone for the counter and Rundell's accurate placekick boosted the score to 14-0.

The Steer divided the margin in half with 3:01 remaining in the first half on a 55-yard pass play from Quarterback Kevin Hargrove to End Alan Cockerham to End

David Dannheim. Doug Johnston kicked the extra point.

The Mustangs' effort to get one more tally before the bell rang on the first half didn't work out. However, a Rundell pass was intercepted in the endzone by Norton who was tackled inside the goal line. One official signaled a safety which would have given Bovina two points. That decision was changed, however, as it was ruled that Norton had not crossed the goal line and the play was a touchback instead of a safety. That gave the Steers possession at their 20 and they had time for only one play before the halftime buzzer sounded.

The determined Mustangs continued to play tough defense in the third period, allowing the host team only one first down in the 12 minutes.

Another sustained drive by Bovina was climaxed with a TD in the final seconds of the quarter.

That drive required 11 plays and the dash to paydirt was made by Fullback Billy Shelby from two yards out. The scoring drive began with Safety Joe Deigado fielding a punt on his own 28 and dashing like a rabbit away from three would-be Farwell tacklers returned 10 yards to the 38. Then with Shelby, McCormick and Halfback Bryan Fillpot taking turns at the leather toting duties moved to the 31. From there, Rundell fired a strike to End Alan Cockerham, who was knocked out of bounds at the four. The pass play was good for 27 yards. From there, Shelby made two yards, was stopped for no gain and went in for the score on the third attempt. Rundell's kick was wide to the left, leaving the score 20-7, but allowing Bovina's fans to feel somewhat more confident.

Trying desperately to get back in the game, the Steers gambled and lost to set up Bovina's final TD. On a fourth down play from their own 27, the Steers faked a punt and passed incomplete giving Bovina possession at that point. A five yard penalty moved the ball back to the 32 but a major penalty two plays later against the Steers put the ball at the Farwell 16. McCormick got six of that and then Shelby blasted his way in from the 10. The Mustangs faked a Rundell kick on the conversion try, but passed incomplete, leaving the score 26-7 with 4:01 remaining between them and a highly-desirable win over the Farwell team.

In spite of the odds against them, the Steers weren't finished.

Featuring an effective passing attack with Hargrove doing the pitching and Dannheim the catching, they went 80 yards following Bovina's last kickoff in nine plays. Hargrove threw five complete passes, four of them to Dannheim, during the drive for 56 of the yards. The TD came on a 12 yard pass to Dannheim.

Shelby paced the ball-carriers with a total of 142 yards in 27 tries. McCormick made 105 yards in 21 trips. Fillpot's number was called 11 times and he made 28 yards.

In previous games this season, the Mustangs had operated their offense from an "I" formation.

Rundell completed two of seven passes, a 21-yarder to Shelby late in the first quarter, and the 27-yarder to Cockerham which set up the third score.

DON'T TAKE RURAL TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and cosponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.
