Homecoming

News Briefs

CPR Class

A CPR class will be held September 23 and 25 from 6 to 10 p.m. in the Conference Room of the Haskell Memorial Hospital. Cost of the class will be \$10.00 per person. Contact Charles Harvey at 864-2621 ext. 52 or Casey Caldwell at 864-3945 for more information.

Tutorial Program

Tutorial programs will begin at Haskell Elementary and Haskell Secondary Schools beginning next Monday, September 23. Contact Bill Blakley at Haskell Elementary or Clayton Neal at Haskell High School for more information. Classes are open to any student who wants to take advantage of the program.

Reserved Tickets

40 reserved tickets are available for the rest of the Haskell football season. They may be purchased for the remaining games or one game at a time. Tickets are \$3.00 each and are available at the Haskell High School office. BBQ supper

Volleyball

The First Baptist Church - Haskell is getting geared up for another great year of Mixed Volleyball. The first organizational meeting for the fall season, will be Tuesday, September 24th at 7:00 p.m. in the Family Activity Center. The volleyball is open to all men and women, young and old. There is no fee. Come sign up, Tuesday and join in for some good Christian fellowship.

Cub Scouts

If you are a boy between the ages of 7 and 10, the Cub Scouts need you!

It is not too late to join-new dens are now being established. A rally was held Monday night with 16 Tigers, 17 Cubs and 5 new leaders joining.

Tiger Cubs begin at age 7. Anyone that age can contact Pat Mickler or Tommy Clay. Anyone being 8 before January can contact Bill Perry.

Luncheon Cancelled

The Sunday luncheon scheduled September 22 at the Haskell Country Club has been cancelled. The luncheon has been rescheduled for Sunday, September 29. Hostesses are Mr. and Mrs. David Davis and Mr. and Mrs. Frankie SoRelle.

Portraits

Members of the Haskell Church of God are selling 16x20 family portraits to purchase living room furniture for the church parsonage.

The portraits will be made Sept. 28 from 10 a.m. to 8 p.m. and any interested persons are asked to call 864-2558 for further information.

Bar-be-cue

The Greater Independent Baptist Church will be selling barbeque plate lunches, Saturday, September 21 beginning at 11 a.m. til. The lunch is sponsored by the Youth Adult Choir of the church. Plates are \$3.50 each.

Homecoming Activities Set

This edition of the **Haskell Free Press** salutes the ex-students of Haskell and Mattson High Schools during the 17th biennial homecoming celebration.

One highlight of this year's celebrations is the 50th anniversary of the class of 1935. Pictured below is the graduating class of 1935 courtesy of Odell Bynum.

In addition to special activities for the class of '35, a full slate of activities has been planned for the weekend.

The Homecoming celebration will include a business program and two full days of parties, dances and other activities for various classes and groups.

50TH ANNIVERSARY

Members of the Haskell Chamber of Commerce Welcoming Committee recently showed their appreciation to Mrs. Lyles of Lyles Jewelry Store during her store's 50th Anniversary celebration. Lyles Jewelry has been a member of the Chamber for many years.

Cong. Stenholm Opposes Comparable Worth Pay Scale

Congressman Charles Stenholm hailed a recent court decision which overruled the enactment of a so-called "comparable worth" pay scale.

In a speech to Congress, the Stamford Democrat argued against comparable worth, which would require similar wages for dissimilar jobs. He opposed supporters of such legislation who had claimed that some jobs, because of their assumed "worth to society" should receive higher wages.

"I strongly believe that all Americans deserve equal pay for equal work," said Congressman Stenholm. "When a man and woman perform the same job, the compensation for that job should be based on the same factors. However we are confusing equal pay for equal work with equal pay for different jobs, or comparable worth as we are calling it today." The congressman agreed

with a judge in Washington state who overturned a decision which supported the comparable worth theory. "The government cannot determine the worth of an individual's labor or its contribution to society. That should be determined by the current market, not by bureaucrats or by the courts," he said.

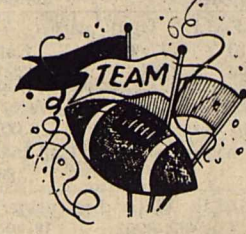

A resolution has been introduced which would have appointed a panel to study the feasibility of enforcing comparable worth in the federal wage scale. The study would cost between \$1.5 million and \$2 million. However, since the ruling and floor statements by Stenholm and others, a vote on the issue has been postponed.

Congressman Stenholm also sent out a "Dear Colleague" letter to other congressmen urging them to oppose the legislation. The letter was co-signed by congressman Marvin Leath of Waco.

"The measure has lost its steam right now," Stenholm said. "But if it comes up again, we'll remain on top of it."

Participated in West Texas Fair calf scramble. Back row (l to r) Gary Scheets, Bobby Short and Danny Letterman; front row (l to r) Darrin Wright and Ty Williams. Bobby, Danny and Darrin caught calves in the scramble, they will receive animal certificates to purchase registered Ewe lambs to show in next year's show. They are members of the Paint Creek FFA.

Obituaries

Ernest Coleman

Funeral services for Ernest A. Coleman, 83, of Lubbock were held at 11 a.m. Friday, September 13 in First Baptist Church with Rev. Jimmy Griffith, pastor First Baptist Church in Paducah and Ford Cole officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mr. Coleman died Wednesday, September 11 at 5:26 p.m. in St. Mary's Hospital in Lubbock.

Born July 2, 1902 in Haskell County. He married Floy Hobbs September 13, 1921 in Haskell County. He farmed in Haskell County until 1953 when he moved to Lamb County. He farmed there until 1969 when he retired and returned to Haskell County. They had lived in Lubbock 3 months. He was a member of First Baptist Church in Haskell.

Survivors include his wife; his children, Helen and Bill Wiseman of Temple; Marjorie and Ewing Mathis of Guyton, Okla.; Norma and Carlton Kelley of Artisia, N.M.; Brenda and Gene Coleman and Lavetta and Ron Coleman, all of Lubbock; three sisters, Myrtle Robbins and Autie Bland, both of Stamford, and Dorothy Childress of Tulsa;

one brother, J.C. Coleman of Stamford; 20 grandchildren, 15 great grandchildren and several nieces and nephews. He was preceded in death by one sister, Pearl Coleman in 1973 and one brother, Ira Coleman in 1981.

Grandsons were pallbearers. They were Billy Wiseman, Tony Kelley, Bret Coleman, Scot Coleman, Andy Coleman, John Coleman and Jay Mathis.

Ruth Withers

Funeral services for Mrs. Henry (Ruth) Withers, 83, of Haskell were held at 2 p.m. Wednesday, September 18 in First United Methodist Church with Rev. Cecil Shirey, pastor, officiating. Burial was in Bethel Cemetery in Funston under the direction of Holden-McCauley Funeral Home.

Mrs. Withers died September 16 at 7:30 p.m. in Haskell Memorial Hospital.

Born January 2, 1902 in Anson, she was a retired music teacher. She had taught music for 65 years before retiring. She married Henry Withers October of 1924 in Hamlin. They moved to Haskell from Rotan in 1958. She was a member of First United Methodist Church.

Survivors include her husband; one daughter, Patsy Ruth Smith of Houston; one brother, Weldon Carlton of Hamlin; one sister, Mrs. Bill (Julia) Rountree of Hamlin; three grandchildren, Wade H. Smith III, Dana Bryan Smith and Courtney Scott Smith, all of Houston and 3 great grandchildren.

Pallbearers were Pete Berry, Dr. J.G. Vaughter, Oattie Johnson, Wayne Wainscott, Glen Sammons, and Joe Harper.

Penny Arrington

Penny Medley Arrington, 30, was killed in a car wreck on Sunday, Sept. 1, in Garland.

Memorial services were held Thursday, Sept. 5 in the Chapel at Restland Memorial Park in Dallas.

Penny attended school in Haskell from 1965 to 1970. She graduated from South Garland High in 1973. She was a graduate of Oklahoma School of Pharmacy. She was a pharmacist for Safeway in Dallas.

She is survived by her husband Pat; daughter, Amanda Kate of the home; her parents, Jim and Nell Medley of Garland; brother Mike of Garland; and grandfather Everett Medley of Haskell.

Brightly colored — attention getting — Open-Closed Signs for your office or business. Comes complete with changeable letters in black or red. Also includes a sign for counter top use. See at the Haskell Free Press.

SIDELINE CONFERENCE

Coach Harold Hill, Coach Jim Bob Mickler and Kendall Larned confer during Haskell-Electra football game.

Indians Lose To Electra 39-2

The Haskell Indians suffered a 39-2 loss to the Electra Tigers last Friday night. The Tigers were able to rake up twenty points in the first quarter. Quarterback Rodney Bell had an exceptional night scoring four of their six touchdowns. Three of them came in the first quarter.

His first score came on a 55 yard scramble. The PAT was no good. Electra took the ball on their second possession and marched it down to the Indians three yard line, where Bell scored his second touchdown of the night. He also carried the ball in for the two point conversion. On their fourth

possession Bell was able to sneak in from six yards out. The PAT was no good. During the second quarter Electra lit up the scoreboard with 19 more points. On the fifth play of their first possession Bell struck again with a 30 yard run. The PAT was no good.

Electra had 2 touchdowns from their backfield. One came on a 6 yard run from tailback Charlie Lott, and the other on a 1 yard run from fullback Edward Willis. Lott also had an extra point in the game. The Indians came out after halftime and played a great defensive game, not allowing the Tigers to score. The Indians only score came late in the third quarter when Sammy Baker was able to trap quarterback Rodney Bell in the end zone for a safety.

FANNIE BALDWIN

Rice Springs News

Someone You Should Know

Fannie Baldwin, better known as Fannie Jack was born in Dallas. She has been a resident here at Rice Springs Care home for the past 2 years. Fannie graduated from high school and then went on to college for 2 years where she studied English and developed her skill in stenography. Never being married or children, Fannie spent her time in professional organizations, and church events, also a retired school teacher and secretary. In the home she enjoys reading, watching tv, working puzzles, and group activities. She is a very caring person and loves to receive

visits from her friends. Fannie is 92 years old and is someone you should get to know.

Booster Club Reviews Film, Hears Comments

The Indian Booster Club met Monday night with fifteen members present. Twenty-seven players were also present. They each introduced themselves, telling their numbers and the positions they play. The Electra game film was shown and commented

on by Coach Harold Hill. Friday night's game with Seymour was commented on too. Members were told that Seymour has the same offensive set (wing set), that they are big, strong, good and quick. They are the same kids we've played three years. Their quarterback is good and they have a good running back. They play an odd man frame defense as well as a regular five defense. "Reed Staggie is as good a linebacker as we've seen," said Coach Hill. To sum it

up, Seymour has a good ball club.

President Dan Griffin mentioned that the fans have certainly enjoyed watching these Haskell Indians play football.

Indian Booster Club members will give away the game ball at half time Friday night. Game time is 8:00 p.m.

The Indian Booster Club would like to thank the Haskell Free Press for the great job they did with the new football programs this year.

Stories Of Christmas Is Parade Theme

WANDA DULANEY, Manager, Haskell Chamber of Commerce
The fourth annual Night Christmas Parade will be held in downtown Haskell, as has been the custom, on the first Saturday of December.

The parade will begin at 6:00 p.m. on December 7, with Wanda Dulaney, director/coordinator, and Grace Womack, parade marshal. The 1985 theme will be "The Stories of Christmas", for which local churches will be asked to enter floats depicting the story told in Luke II in the Bible, followed by the traditional nativity scene by the Ministerial Alliance. The chamber will be asking the youth groups of the various churches to assume the leadership in the construction of float in this segments story.

The remaining floats by organizations and businesses will depict the familiar Christmas stories that have been told to children through the years, concluding with the Chamber of Commerce float upon which Santa Claus will be riding.

Area and local bands, riding groups, twirlers, new cars and other entries are expected.

Thousands of people line the streets each year, despite bad weather, to watch the unique night parade in which all float and entries and lighted and have music on board.

Chamber officials announce that better lighting is being planned for the streets and the entries for the enjoyment of parade goers.

Assorted color coding labels. These self sticking colored labels come in a package of 4 bright colors. Ideal for shower invitations or home color coding projects. *Haskell Free Press.*

Weinert Bulldogs Defeat Benjamin Mustangs 44-0

The Weinert Bulldogs got their 2nd win of the season Friday night by defeating the Benjamin Mustangs 44-0.

Louis Perez opened the scoring for Weinert when he ran 15 yards for a T.D. with 3:37 left in the 1st quarter. Extra point attempt was no good. The score remained the same until 5:46 in the 2nd quarter when Louis went 13 yards this time for the T.D. Kevin White kicked the extra point to make the score 14-0. The Bulldogs kicked off to Benjamin and Shannon Forehand went down field and tackled Oscar Gideon in the end

zone for a safety with 5:40 left. This made the score 16-0. No other score was made before half so at half the Bulldogs lead 16-0.

In the 3rd quarter Edward Perez ran 1 yard with 6:10 left for the score. Kevin White kicked the extra point. The score was then 24-0. That was the only score in the 3rd quarter.

In the 4th quarter Shannon Forehand passed 20 yards to Louis Perez for the T.D. with 9:38 remaining. Extra point

attempt was no good. This left the score 30-0.

Then Johnny Perez got in on the scoring when he caught a 14 yard pass from Shannon Forehand with 6:51 left for the T.D. Kevin White again kicked the extra point. The score was 38-0. With 3:04 remaining Edward Perez ran 22 yards for a T.D. Extra point attempt was no good. This was the last score of the ballgame which left the score Weinert 44 and Benjamin 0. Weinert is 2-0 for the season.

Weinert Boys Compete In Calf Scramble

Two Weinert High School students competed in the calf scramble at the West Texas Fair and Rodeo last Wednesday.

Mondy Mayfield and Shane Stout, both sophomores, caught calves and will receive certificates worth one hundred dollars to be used toward the purchase of a registered pig to be exhibited at next year's fair.

Mondy is the son of Mr. and Mrs. Tiffen Mayfield of Weinert, and Shane is the son of Mr. and Mrs. Wayne Stout of Haskell. Both boys are members of the Weinert FFA and have been involved in feeding and showing livestock.

12th Annual Mulberry Canyon Confab Set

All Master Masons are cordially invited to attend the 12th Annual Mulberry Canyon Confab, Saturday, September 21, 1985.

A delicious barbeque dinner will be served by John Sayles Lodge #1408 at 6:00 p.m. This will be followed at 7:00 p.m. with

an outdoor Master Mason degree conferred by Past Masters of Arlington Lodge.

This will be in the Suez Shrine Temple Childrens Park on the banks of Mulberry Canyon Creek, 9.2 miles south of Merkel on FM 126.

Haskell Co. American Heart Association Begins New Year

The first organizational meeting of the Board of Directors, committee chairmen, and volunteers of the Haskell County American Heart Association was held Wednesday, September 11, 1985 at noon at the Porthole Restaurant. With a good representation attending, Mrs. Alicia Nemecek, regional coordinator for the volunteer services of the American Heart Association, greeted all of the workers. Mrs. Nemecek is a representative of the Wichita Falls regional office. She outlined her hopes for the future, and then turned the remainder of the program over to local chapter president, Don

Glandon. Glandon introduced the various committee chairpersons, who, in turn, gave their outline of what each of their committees had planned for the year. Heading up the Development Committee is Casey Caldwell, in charge of the programs committee is Mrs. A.C. (Martha) Richardson, and directing the Publicity/Public Relations committee is Mrs. Carl (Janet) Wilke. Once again this year, the American Heart Association in Haskell County is planning to hold a second annual Turkey-Walk set for Saturday, November 2. Plans are already beginning to shape up for this event. Casey

Caldwell is in charge of the TurkeyWalk this year, and all of the volunteers with the Haskell County AHA chapter are looking forward to this fun-filled event. The goal for this year's event has been set at \$3,300. Last year, the event

netted \$2,400. Also on tap for this year's events sponsored by the American Heart Association the elementary school students will Jump Rope for Heart. Last year, these youngsters earned

\$2,700 in their efforts to stamp out heart disease forever, and, they have set their goal this year at \$2,760. Officers for this year's Haskell County chapter of

the American Heart Association include president, Don Glandon; vice president, Charles Harvey; Secretary, Inez Gholson, and Treasurer, Janet Thane.

Haskell County's chapter of the American Heart Association is hoping to raise at least \$8,000 this year, to further the education and preventative materials set out by the Association. But, the chapter will need the help of each Haskell County resident in order to see this goal met. The main objective of the American Heart Association is to stamp out heart disease in our lifetimes. The American Heart Association wants you to know that heart disease can be a thing of the past, if we all work together. If you or your club is interested in hearing more about how to live a more

VELMA JETTON
Velma Jetton Celebrates 75th Birthday

A birthday reception will be held honoring the 75th birthday of Mrs. T.W. "Velma" Jetton Saturday, September 21 from 2 to 5 p.m. The reception, hosted by her children, will be held at the Fellowship Hall of the East Side Baptist Church. All her friends and relatives are invited to attend. No gifts please.

Jennifer & Doug Davis Named To Who's Who

The First Baptist Church of Haskell is announcing that Jennifer Davis and Douglas Davis are included in the 19th annual edition of WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS, 1984-85.

WHO'S WHO, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are selected by high school principals and guidance counselors, national youth groups, churches or by the publishing company based upon students' performance in scholarship award contests or extracurricular activities. Final selection is determined on the basis of criteria which include high achievement in academics and leadership in school

activities, athletics or community service. Traditionally, 99 percent of WHO'S WHO students have a grade point average of "B" or better and 97 percent are college-bound. The 19th edition of WHO'S WHO, published in the nine regional volumes, features 392,000 students, or 5 percent of the nation's 6,500 high school juniors and seniors. They represent 18,000 of the 22,000 public, private and parochial high schools in the country.

WHO'S WHO students also compete for over \$50,000 in scholarship awards and participate in the publication's annual opinion poll of teen attitudes. The book is distributed on a complimentary basis to over 15,000 high schools, colleges, universities, and

public libraries throughout the country.

Jennifer is an active member of the First Baptist Church, Haskell. She participated in FHA; Beta Club; War Whoop; Varsity; Vice Pres.-National Honor Society; Senior Class Favorite; and was the recipient of the Jaycees All Sportsmanship award; also receiving the "American Legion Award; "All District Basketball" First Team, and was a Regional Qualifier Tennis Single for 3 years. Jennifer is a Freshman at A.S.U., and Douglas is a Junior at Haskell High School.

They are the children of Jennabeth Buchanan, and the grandchildren of Hazel Weaver, and the late Arlos Weaver of Haskell.

The Haskell Co. Ambulance Memorial Fund needs your support. You never know when you or a loved one will need these services. What would happen if someday they weren't there because you didn't give your fair share? Think about it....

Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

Kelly Earp Selected As Fair Queen Regional Baptist Sunday School Convention Set

The 1985 Haskell County Fair Queen and Court were named last Thursday night at the Haskell Elementary Cafeteria. A crowd of parents and friends enjoyed seeing the girls and the entertainment at the annual pageant. The 37 contestants were viewed in their evening gowns while the judges gave each a score for her appearance and stage presence. All the girls were so pretty, the decisions were hard to make, but a list of 10 finalists was presented;

Karen McGuire sponsored by KVRP, Kelly Earp, sponsored by Murphy Photography, Shanna Mueller sponsored by Bassing Jewelry, Lynn Dewey, sponsored by Pat's Headquarters, Brandi Kreger sponsored by Mitchells Porthole, Lori Lane sponsored by Farmer's Co-op, Mindy Smith sponsored by Haskell National Bank, Rebecca Holt sponsored by Hanson Paint and Body, Kelli Gilliam sponsored by Gilliam Oil Co., and Kay

Fisher sponsored by Hassen's. Each finalist was asked the question, "what is life's most important goal, and what steps will you take to achieve it?" A difficult question, but one that allows the contestant to express her true self. While awaiting the decision of the judges, the crowd was entertained by the beautiful music of "The Four Friends", composed of Patsy Blakely, Pam Gibson, Roberta High and Susan Pope. 1984 Fair

Queen Denise Burris was present to crown the new Queen. Denise, the daughter of Mr. and Mrs. Dale Burris, is a student at Abilene Christian University. The second runner up was presented first. She is Shanna Mueller, a 15 year old sophomore at Haskell High School. She has been on the cotton judging and parliamentary procedure teams and is an award winning twirler for the Indian Band. Presented as first runner up is Karen McGuire, a 15 year old sophomore at Weirner High. Karen is a member of the speech club, runs track, plays basketball, volleyball and tennis, and is a 1985 Bulldog Cheerleader. The 1985 Haskell County Fair Queen is Kelly Earp, a Sr. at Weirner High School. She is a member of the speech club, FFA, FHA, and the One Act Play. She plays volleyball, basketball, and is a Bulldog Cheerleader. As the Queen, she is a recipient of a \$100.00 scholarship by the Fair Association. We congratulate Kelly and all the girls who were a part of

the Queen's Contest. Our thanks to Sue's Flowers, Gifts, and Photography for the beautiful stage decorations. Thanks to Bud Turnbow and Ronnie Chapman for moving chairs into the cafeteria. Thank you to Brian Burgess for being the Master of Ceremonies. And of course, a big thank you to each merchant in the county who sponsored a contestant to make the Queen's contest an event they'll remember.

Regional Baptist Sunday School Convention Set

A Texas Baptist Regional Sunday School Convention will be conducted at First Baptist Church in Stamford on Thursday, Sept. 26. The Stamford convention is one of 30 being conducted across the state by the Baptist General Convention of Texas Sunday School Division to help strengthen work in local Sunday Schools.

"Catch the Spirit" is the theme of the conventions which will launch Sunday School's involvement in Mission Texas, a five-year emphasis of the BGCT to share the gospel with more than seven million unchurched Texans. Speakers will address the subjects of "Catch the Spirit" and "Sunday School and Mission Texas" to give insight into beginning 2,000 new churches and 10,000 teaching units in the state by 1990.

Church, San Antonio. Age-group and general officers' conferences and a variety of special-interest conferences will be offered during the convention. The convention also will feature conferences for persons who attend Hispanic congregations. The convention will be conducted from 1:30-4:15 p.m. and from 6:45-9:15 p.m. For more information about the convention, contact the Baptist General Convention of Texas, Sunday School Division, 511 N. Akard, Dallas 75201-3355, or call (214) 720-0550.

Area Screening Services Set

The Texas Department of Health Region 4 will hold screening services for area towns. The public is invited to attend and there will be no charge for these services. Any abnormal

findings will be referred to the client's physicians. Services offered will be for diabetes, high blood pressure, anemia, and weight. Immunizations will

also be given on specified dates and specified sites. Haskell at the Texas Department of Health, 530 South 2nd, Haskell, October 17, 1985. Adult Risk Assessment clinic will be from 9:00 a.m. until 12 noon. Immunizations will be given from 1:00 p.m. until 3:00 p.m. Jayton at the Kent County Community Center on October 10, 1985, Adult Risk Assessment clinic will be from 10:00 a.m. until 12 noon. Immunizations will be given from 1:00 p.m. until 2:00 p.m.

Aspermont, at the Stonewall County Activity Center, on October 2, 1985. Adult Risk Assessment clinic will be from 10:00 a.m. until 12 noon. Immunizations will be given from 1:00 p.m. until 3:00 p.m. Throckmorton, at the Senior Citizens Center, on October 24, 1985. Adult

Risk Assessment clinic will be from 10:00 a.m. until 12 noon. Immunizations will be given from 1:00 p.m. until 2:00 p.m.

WIC certification Clinics will be each Monday at the Texas Department of Health 530 South 2nd, Haskell. Office hours are from 8:00 a.m. to 12 noon, and 1:00 p.m. to 5:00 p.m. Please call for an appointment for your convenience.

Homemade Cookies Make Great Rewards

Have you ever felt as though you deserve a reward? Perhaps it's for a job well done — the kitchen cleaned... a good workout... the lawn cut... home-work completed.

When this happens, it's a special treat to have homemade snacks on hand for an edible reward.

Whole grain oats have been the start of delicious cookies for generations of Americans. Oats are high in water-soluble fiber, and provide a distinctive nutty texture to baked goods.

Here are two contemporary classics to fill your cookie jar. Raisin Spice Drops is a chewy oatmeal cookie packed with morsels of raisins and nuts. Or, for the chocolate lover in all of us, try Easy Chocolate Chippers.

You'll think the best reward for making your own oatmeal cookies is the aroma as they bake—that is, until you take your first bite!

Raisin Spice Drops

2-1/2 cups Quick Quaker Oats*, uncooked
One 6-oz. pkg. (1 cup) semi-sweet chocolate pieces

uncooked Quaker Oats, uncooked, increase amount to 2 3/4 cups.

RAISIN SPICE DROPS
3/4 cup margarine or butter, softened
2/3 cup firmly packed brown sugar
2/3 cup granulated sugar
2 eggs
1 teaspoon vanilla
2-1/2 cups Quaker Oats (quick or old fashioned oats, uncooked)
1-1/4 cups all-purpose flour
1 teaspoon cinnamon
1/2 teaspoon baking soda
1/2 teaspoon salt (optional)
1/4 teaspoon nutmeg
2/3 cup raisins
1/2 cup chopped nuts

Heat oven to 350°F. Grease cookie sheet. Beat together margarine and sugars until light and fluffy. Blend in eggs and vanilla. Add remaining ingredients; mix well. Drop dough by rounded teaspoonfuls onto prepared cookie sheet. Bake 8 to 10 minutes or until light golden brown. Cool 1 minute on cookie sheet; remove to wire cooling rack. Store in tightly covered container.

4-1/2 dozen cookies

For more delicious oats recipes from The Quaker Kitchens, send your name and address to: Quaker's Best Oats Recipes, 231 South Green St., Fifth Floor, Chicago, IL 60607.

EASY CHOCOLATE CHIPPERS
1 cup margarine or butter, softened
3/4 cup firmly packed brown sugar
1/2 cup granulated sugar
1 egg
3 tablespoons water
1 teaspoon vanilla
1-1/4 cups all-purpose flour
1/2 teaspoon salt (optional)
1/2 teaspoon baking soda

Heat oven to 350°F. Beat together margarine and sugars until light and fluffy. Blend in egg, water and vanilla. Add combined flour, salt and baking soda; mix well. Stir in oats and chocolate pieces. Drop by rounded teaspoonfuls onto ungreased cookie sheet. Bake 13 to 15 minutes. Cool 1 minute on cookie sheet; remove to wire cooling rack. Store in loosely covered container.

About 3 dozen cookies

*NOTE: When using Old Fashioned

AFT To Hold Teachers Competency Test Workshop

The Abilene Federation of Teachers will be holding a "How To Take The (Competency) Test" Workshop on Saturday, October 12, 1985 from 9 a.m. - 4 p.m. with a 1 hour break for lunch (on your own). The workshop will be held at Abilene Christian University, Roberson Chapel, Rm. 200, Administration Building.

The workshop is open to all AISD employees and any other interested employees in surrounding school districts who are required to take the competency test.

The workshop room only holds 144 so, if you want to attend, please send a \$22.00 (members) or \$25.00 (non-members) check made payable to AFT, along with a note

stating your name, address (including city, state, and zip), phone number, school district and grade taught. The above information is very important so that, if more than 144 people send in registration information, we can call those over the 144 to see about scheduling them for an alternative date or refunding the registration fee.

This workshop, provided by the Abilene Federation of Teachers, is guaranteed to be exactly what teachers and other district employees need to prepare for the TECAT test. There is a money back guarantee on this workshop. If a participant does not pass the test after taking the workshop, the entire registration fee will be refunded.

HASKELL—A GOOD PLACE TO VISIT. A BETTER PLACE TO LIVE

VOLUME NINETY-NINE HASKELL, TEXAS 79521, SEPTEMBER 19, 1985

Hillbilly Country Is Theme Of Country Dinner Theatre

WANDA DULANEY, Manager, Haskell Chamber of Commerce Hillbilly Country will be the theme of the 1985 Country Dinner Theater, sponsored by the Haskell Chamber of Commerce according to chairman Tom Richardson.

"This will be our fourth consecutive year to combine good country food for an event that grows more popular each year", Richardson said.

He is describing a meal of baked ham, beans, cole slaw, potato salad, hot bread, tea and homemade

peach cobbler and a play that once again stars the members of the Board of Directors of the Haskell Chamber of Commerce.

The Country Dinner Theater is scheduled for Saturday Oct. 19 at 7:30 p.m.

The cast of the hillbilly play will feature The Hymyonkle Family: Pappy (Abe Turner), Mammy (Carolyn Reynolds), Big Leroy (Bud Lane), Boy Bo (Joel Fox), Baby Sugar (Kay Smith). The Gookins: Aunt Lucindy (Grace Womack), Cousin Cullie (Donna Wilson), Cousin

Clem (Dr. Ed Harris), Cousin Zeke (Eddie Medford). It also stars: Banker Buttram (Raymond Andrada), Plunkett Plunkett, Guitar Man (Dickie Greenwood), The Revenooer (Tommy Richardson), Mooney, the Moonshiner (Bob Brandon), Landlord Louie (Sam Bitner), Peddler Gypsum Jake (Bill Comedy) and Fergie Gerguson, hillbilly reporter (Charles Thornhill).

The Welcoming Committee of the Haskell Chamber of Commerce will greet, serve and join the Board of Directors in a Hillbilly Band.

The wives and husbands of board members are being asked to comprise the food, decorations, and host committees.

Tickets at \$7.50 each for both the dinner and show will go on sale within two weeks, from board members at any of the following locations: Chamber of Commerce, Haskell Free Press, Haskell National Bank, Commodore Savings, District Clerk's office, Lanco Insurance, Thornhill Insurance, KVRP, Kay's Cleaners, M-System, Modern Way, Video Vendor, Dr. Harris' office, Medford Buick, J and R Radiator Repair, Kids Duds, Trammel Bit and Spur, and from welcoming committee members at Sears, Carousei, Hayloft, Rodriguez Inn, Bill Wilson Mtr. Co.

VFW Post Presents Flag To Boy Scouts

The V.F.W. Post 9179 and Ladies Aux. of Stamford presented an American Flag to Boy Scout troop 136 of Haskell on Monday Sept. 16, 1985. Scout master is E.W. Hester. Present for the post were Commander Carl Myers, District #8, Chief of Staff Durwood Livengood, Aux. President Bette Stovall and Paul Stovall.

Rep. Perry Returns From Washington Visit

Rep. Rick Perry (D-Haskell) recently returned from Washington, D.C., where he represented the Agriculture and Livestock Committee of the Texas Legislature. Rep. Perry met with officials of the Reagan Administration and with numerous senators and congressmen. He informed them of the serious conditions the farming and ranching industries in West Texas are facing.

Foremost on Rep. Perry's agenda was relaying to the administration the concern of returning the federal government to sane spending. "If we are to solve this country's basic problems we have to cut the deficit," said Perry.

Rep. Perry conferred with Cong. Charles Stenholm (D-Stamford) at length and was supportive of his approach to the current situation. Mandatory controls were

Dr. Cadenhead Invited To Special Dinner

Dr. J. Frank Cadenhead, Jr., of Haskell, a member of the Hardin-Simmons University Board of Development, has been invited to attend a special dinner commemorating the 25th anniversary of the founding of the development board on Sept. 26.

Board of Development members will be joined by trustees in a 6:30 p.m. dinner on Thursday, Sept. 26, in HSU's Moody Center to mark the occasion. The next day, they will meet in a joint session and then separately.

The HSU Board of Development consists of approximately 100 men and women who help to interpret and promote HSU, recruit students and provide financial support for the university. Meetings are held semi-annually, in the spring and in the fall.

HSU President Dr. Jesse C. Fletcher will be a speaker. Ben Mathers, a Canadian, Tex., rancher, is current chairman of the Board of Development.

Get Bitter About Litter

Beautify Haskell Council

discussed and Rep. Perry felt that most farmers do not realize what mandatory controls will entail. "It will mean that farmers will be in the programs whether they vote in referendum for them or not. It will mean that wheat and feed grains will be treated much like tobacco and peanuts are now."

The Haskell lawmaker was adamant in also telling federal officials that the farm crisis was not just "a farmer and rancher problem," but deals with the survival of all rural America. "If we lose these individuals, we have not just lost another farmer or

rancher, but have lost an integral part of a community. Our small communities and cities will be devastated and rural America as we know it will be no more," he said.

Rep. Perry told members of the U.S. House Agriculture Committee that he realized that the ag condition was not arrived at overnight, and that a solution was not expected in that length of time. He stated that if the Chrysler Corporation was worth saving, the agriculture industry was more important, and as a vital segment of this nation's economy, it must be saved.

TEXAS TRAILS

LOVE STAR STATE HISTORY BY DAN BROWN

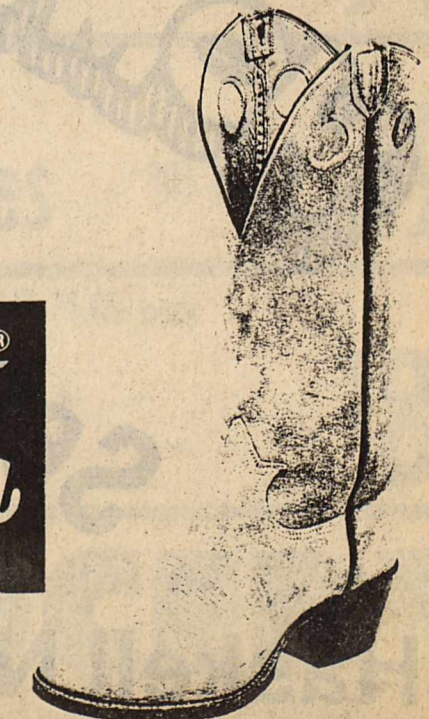

SAVE THE OAK ... In 1854 Martin Fleming was camped in a grove of live oaks. During the night Indians raided the camp. Fleming hid behind one of the trees. Later the town of Comanche grew up around that grove. The trees were soon getting in the way of progress. The trees must go! Fleming pleaded to save his oak, but city fathers voted no. When the cutting crew got to Fleming's oak he was standing guard with his rifle. The tree was saved.

TAX PLANNING

Written By
 Gerald Rodgers, CPA

PAID UP BUT FILING LATE

If you file your tax return late (after the due date or the expiration of any extensions you have been granted), you can be assessed two types of penalties:

- 1) A late filing penalty of 5% a month of the unpaid tax up to a maximum of 25%, and
- 2) a negligence penalty of 5% of the "underpayment".

If you file a late return but own no tax because you've already paid in all you owe via withholding or estimated taxes, you would not be charged either penalty, right? Not according to a recent IRS ruling that defines "underpayment" on late returns as the full tax liability computed on the return. The fact that your taxes were fully paid, or even overpaid, through withholding or estimated tax payments will not prevent the assessment of the 5% negligence penalty.

The ruling resulted from an individual case where a taxpayer failed to file his 1981 and 1982 returns. After being notified by the IRS, he filed late returns. He had overpaid his tax liability through withholding and estimated taxes, so he claimed refunds for both years. The IRS, nevertheless, assessed a penalty on the full amount of the individual's computed tax liability, stating that the penalty was imposed for the taxpayer's negligence in filing late returns. The total tax liability was considered the "underpayment" on which the 5% penalty was calculated.

Such rulings as this one are written statements issued by the IRS in response to a written inquiry by a taxpayer. They do not carry the weight of published IRS revenue rulings or IRS regulations. This particular letter ruling may be set aside, or a court ruling may prevent the IRS from issuing such penalties in other cases. However, it is an area that bears watching. Late filing, even if your tax liability is fully paid, could result in a penalty.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 5, 1985

PROPOSITION NO. 1 ON THE BALLOT
 Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$980 million of Texas Water Development bonds.

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater. Of the remaining bonds authorized, \$190 million will be dedicated for use in water quality enhancement projects, and \$200 million will be dedicated exclusively for flood control projects.

The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply corporations.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

amount not to exceed \$200 million, if authorized to do so by a two-thirds vote of the members of each house of the legislature. The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. The amendment would allow Texas agricultural water conservation bonds to be issued and sold only for four years after the date on which this Act becomes a part of the constitution.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."

PROPOSITION NO. 3 ON THE BALLOT
 House Joint Resolution 54 proposes a constitutional amendment that would permit the legislature to authorize a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property if such relocation or replacement is done in conjunction with or immediately following the relocation or replacement of water mains serving the property. Any legislative enactment permitting the expenditure of funds for such purposes would authorize the city or town to fix a lien on the property, with the owners' consent, for the cost of relocating or replacing the water laterals, and would provide that such cost shall be assessed against the property, with repayment by the property owner to be amortized over a period not to exceed five years at the rate of interest set by law. Such liens could not be enforced until after five years from the date the liens were affixed.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment to authorize the legislature to enact laws permitting a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property."

PROPOSITION NO. 4 ON THE BALLOT
 Senate Joint Resolution 21 proposes a constitutional amendment that would authorize the use of the proceeds from the sale of permanent school fund land to acquire other land for the permanent school fund. Currently, the constitution requires that proceeds from the sale of such land be invested in certain bonds and other securities.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment authorizing proceeds from the sale of land dedicated to the permanent school fund to be used to acquire other land for that fund."

PROPOSITION NO. 6 ON THE BALLOT
 Senate Joint Resolution 6 proposes a constitutional amendment that would enable the State of Texas to enter into an agreement with another state to confine inmates from the state of Texas in penal or correctional facilities of the other state.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment to permit state prisoners to be placed in penal facilities of another state pursuant to an interstate agreement."

PROPOSITION NO. 7 ON THE BALLOT
 House Joint Resolution 27 proposes a constitutional amendment that would authorize the commissioners court of Chambers County to divide Chambers County into not less than two and not more than six justice precincts. Under current constitutional law, Chambers County may be divided into not less than two and not more than five justice precincts.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment authorizing Chambers County to be divided into two to six precincts."

PROPOSITION NO. 8 ON THE BALLOT
 Senate Joint Resolution 9 proposes a constitutional amendment that would grant an additional \$500 million in bonding authority to the Veterans' Land Board for the veterans' housing assistance program. Under the current constitution, the Veterans' Land Board is authorized by Article III, Section 49-b-1 to issue and sell not more than \$800 million in bonds, \$500 million of which may be used for the Veterans' Housing Assistance Fund. This amendment would increase that authorization to permit the issuance and sale of up to \$1.3 billion in bonds, \$1 billion of which would be used for the Veterans' Housing Assistance Fund. In addition, the amendment would remove the current definition of "veteran" from the constitution and permit the legislature to redefine "veteran" as the changing times and circumstances require.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment providing \$500 million in additional bonding authority for the veterans' housing assistance program and changing the definition of those veterans eligible to participate in the veterans' land program and the veterans' housing program by authorizing the legislature by law to define an eligible veteran for the purposes of those programs."

PROPOSITION NO. 9 ON THE BALLOT
 House Joint Resolution 72 proposes a constitutional amendment that would permit the legislature either to enact a statute or to attach a rider to the General Ap-

propriations Act to require prior approval of the expenditure or emergency transfer of any funds appropriated by the legislature to state governmental agencies.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment to protect public funds by authorizing prior approval of expenditure or emergency transfer of state appropriations."

PROPOSITION NO. 10 ON THE BALLOT
 House Joint Resolution 19 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds, the proceeds of which would be deposited in a fund to be known as the farm and ranch finance program fund. The fund would be administered by the Veterans' Land Board and would be used to make loans and provide other financial assistance for the purchase of farm and ranch land. The amount of bonds outstanding at any one time would be limited to \$500 million. The principal and interest due on such bonds in each fiscal year would be paid from amounts remaining in the interest and sinking fund at the close of the prior fiscal year, with the balance due to be appropriated from treasury revenues in the fiscal year when such amounts become due.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment authorizing the issuance of general obligation bonds to provide financing assistance for the purchase of farm and ranch land."

PROPOSITION NO. 11 ON THE BALLOT
 Senate Joint Resolution 16 proposes a constitutional amendment that would define indictments and informations as instruments charging a person with the commission of an offense, and would delete certain technical requirements as to the form of writs and processes.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment relating to the manner in which a person is charged with a criminal offense and to certain requirements applicable to state writs and processes."

PROPOSITION NO. 12 ON THE BALLOT
 Senate Joint Resolution 10 proposes a constitutional amendment that would grant the Texas Supreme Court and the Texas Court of Criminal Appeals jurisdiction to answer questions of state law certified from federal appellate courts. In addition, the two courts would promulgate rules of procedure relating to the review of those questions.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment granting the Supreme Court of Texas and the Court of Criminal Appeals of Texas jurisdiction to answer questions of state law certified from a federal appellate court."

PROPOSITION NO. 13 ON THE BALLOT
 Senate Joint Resolution 14 proposes a constitutional amendment that would create a board with responsibility for the reapportionment of judicial districts, subject to legislative approval. The amendment would provide for the continued power of the legislature to provide for judicial reapportionment, and would provide that reapportionment

will be the responsibility of the Legislative Redistricting Board if the Judicial Districts Board fails to make a timely reapportionment. The amendment would provide for the creation of judicial districts smaller than a county in counties where the creation of such districts has been approved by the voters at a general election. The amendment would provide for more than one judge for a judicial district. The amendment would rename supreme judicial districts as courts of appeals districts. The amendment would provide that the jurisdiction and terms of court of district and county courts may be as provided by law. The amendment would provide for the jurisdiction of justice courts, which may have additional jurisdiction as provided by law. The amendment would provide for rules of judicial administration and civil procedure to be promulgated by the Supreme Court, and would provide that the legislature may delegate additional rule making power to the Supreme Court or to the Court of Criminal Appeals. The amendment would provide that courts and judges in existence at the time of its adoption remain in existence until otherwise provided by law.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment providing for the reapportionment of the judicial districts of the state by the Judicial Districts Board or by the Legislative Redistricting Board, and providing for the administration and jurisdiction of constitutional courts."

PROPOSITION NO. 14 ON THE BALLOT
 Senate Joint Resolution 27 proposes a constitutional amendment that would abolish the office of County Treasurer in Andrews County and transfer the powers and duties of that office to the County Auditor. The amendment would also abolish the office of County Treasurer in El Paso County if, at the statewide election at which this amendment is submitted to the voters, a majority of the voters who vote in El Paso County favor the amendment. The functions of the office of El Paso County Treasurer will be performed by a person employed or designated by the El Paso County Commissioners Court. The amendment also provides for the abolition of the office of County Surveyor in Denton, Randall, Collin, Dallas, El Paso, and Henderson Counties upon approval of such abolition by a majority of the voters who vote on the question at an election called by the commissioners court of the county. If the office of County Surveyor is abolished in any county, the commissioners court may employ or contract with any qualified person to perform the duties of the office.

The proposed amendment will appear on the ballot as follows:
 "The constitutional amendment to provide for:
 (1) the abolition of the office of county treasurer in Andrews County and El Paso County;
 (2) the abolition of the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson, and Randall Counties."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 5 de noviembre de 1985. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/9802 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Public Notice

Southwestern Bell Telephone Company, in accordance with an order of the Public Utility Commission of Texas, hereby gives notice that on August 20, 1985, the Company filed tariffs which propose revisions to the Joint User Tariffs and implementation of Shared Tenant Services Tariffs.

If the tariffs are approved by the Public Utility Commission, the Company will grandfather existing customers to the Joint User Tariffs and totally withdraw the Joint User Tariffs one year after the date of approval of the proposed tariff revisions, with one exception. Even after the one year period, existing single-line customers subscribing to Joint User Tariffs may continue their service under certain conditions.

Also, if the tariffs are approved, the provision of shared tenant services will require partitioned switching equipment.

No new rates are being proposed in the aforementioned tariffs. As a result of the partitioning of switching equipment, some existing customers may require additional PBX trunks. If so, the Company's revenues may increase. The Company is unable, at this time, to estimate the additional revenues, if any, which would result therefrom.

The Commission received these tariffs as Docket 6450 and a prehearing conference will be held at 10:00 A.M., Monday, September 23, 1985, at the Commission's offices at 7800 Shoal Creek Boulevard, in Austin, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. Motions to intervene should be filed with the Commission on or before 4:00 P.M., Friday, September 20, 1985. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

Aviso Público

De conformidad con una orden de la Comisión de Servicios Públicos de Texas, Southwestern Bell Telephone Company anuncia el registro de nuevas tarifas, las cuales proponen ciertas modificaciones de las Tarifas para Usuarios Mancomunados (Joint User Tariffs) y la implementación de Tarifas para Servicios Compartidos por Inquilinos (Shared Tenant Services Tariffs).

De aprobar la Comisión tales tarifas, la Compañía mantendrá vigentes los acuerdos con usuarios actuales en lo que respecta a Tarifas para Usuarios Mancomunados, pero discontinuará tales tarifas a partir del primer aniversario de la fecha en que se aprueben las nuevas tarifas. Sin embargo, existe una excepción; aún después de tal aniversario, los clientes con líneas sencillas que actualmente cuentan con el servicio para Usuarios Mancomunados podrán seguir con tal servicio sujeto a ciertas condiciones.

De aprobarse las nuevas tarifas, las disposiciones correspondientes a los Servicios Compartidos por Inquilinos requerirán el uso de conmutadores separados.

Las citadas tarifas no proponen nuevas cuotas. Sin embargo, es posible que debido a la separación de equipos de conmutación, algunos clientes actuales requerirán nuevos troncales PBX. De ser así, los ingresos de la Compañía podrían aumentar. En la actualidad, la Compañía no puede determinar el monto de ingresos adicionales que resultarían de tales tarifas.

La Comisión ha registrado este asunto bajo el Docket 6450. Se llevará a cabo una audiencia preliminar para discutir todo asunto relacionado con el Servicio Compartido por Inquilinos el lunes 23 de septiembre de 1985, a las 10:00 de la mañana, en las oficinas de la Comisión, 7800 Shoal Creek Boulevard, en Austin, Texas.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención deberán presentarse ante la Comisión antes del viernes 20 de septiembre de 1985 a las 4:00 de la tarde. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission, Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Our roots are firmly planted right in your own back yard!

For years, the Terra Seed Company has been a valuable part of farming communities throughout the country. As quality producers of certified seed, and by offering a wide variety of seed products, we've become like a member of the family at planting time... doing our part to bring you the best wheat seed yet.

Our roots go deep!
 Your wheat crop needs a good strong root system to assure its survival. One that goes deep in search of food resources and won't leave the plant high and dry. Terra Seed Company's roots are deeply embedded in its over 30 year history in the seed business. And now the roots grow stronger with the backing of Terra International so you know your seed is coming from a tried and true friend who will stand by you at planting time.

Breaking new ground.
 Our roots are firmly planted in quality production of clean certified seed. By continually searching for the sturdiest, high yielding wheat strains, we make sure we're offering you the best seed available. It's our goal and our promise to continue producing new types of seed to increase the harvest of today's farmer.

Consistency
 When you plant your wheat fields you're putting your livelihood into the ground, so you have to make sure that what comes up is a consistently healthy high yielding wheat crop. Terra Seed Company has always offered the highest quality wheat seed available to make sure your fields produce a great crop year after year.

Sagerton Community News Crop Insurance Deadline Nearing

The Luthern League of Faith Lutheran Church in Sagerton will have a car wash on Saturday, September 21, from 1:00 to 5:00 p.m. Price will be \$5.00 for cars and \$7.00 for pickups which includes vacuuming, washing and drying. This project will help all youth of the church grades 4 to 12 to go to Bible camp next summer. New officers of the Luthern League for 1985-86 are Betty Manske, president; Stacey Swoyer, vice president; Jimma Vahlenkamp, secretary; Kim Diers, treasurer; and Philip Manske, sergeant at arms. They are planning a Halloween carnival and dance for Oct. 19th in the Sagerton Community Center.

The new group, the Junior Lutherans, was organized on Sept. 15th at Faith Lutheran Church with 18 elementary age children present. They will meet monthly for games, Bible studies, and special

parties. Officers elected were Greg Teichelman, president; Jennifer Swoyer, vice president; Michael Manske, secretary; and Tony Manske, treasurer. Their Bible study was on the whole armor (Ephesians 6) and pastor Swoyer dressed up in his army field gear to illustrate the lesson. Sponsors this month were: Danny and Helen Lammert Kelye Teichelman, Kara Lamb, Marilyn Yarbrough, and Mel and Gaile Swoyer. Next month the Junior Lutherans will have a Halloween carnival in the Church basement and sponsors will be Paula Stegemoeller, Tami Baiz and Mrs. Jimmy (Kathy) Teichelman.

Mrs. Louise Busby, Mrs. Ladain Anderson, Mrs. Reece Clark visited with Mrs. Alva LeFevre at Haskell Nursing Center in Haskell.

Texas farmers have until the last day of September to buy crop insurance for small grains.

"Crop insurance is basically a risk management strategy in which a farmer pays a premium to protect against large, unpredictable yield losses," says Dr. Ashley Lovell of Stephenville, economist with the Texas Agricultural Extension Service, The Texas A&M University System.

"Crop insurance can assure a farmer of a minimal cash flow in case of a major crop loss so that he will have a chance to farm the next year," adds the economist.

Producers who insured their small grain crops last year will have their contracts renewed automatically unless they cancel them, Lovell points out. However, any changes

in the level of coverage or price election must be made by Spt. 30.

This year multiple peril crop insurance (mpci) for 1985-86 wheat, oats and barley will be available only under the Actual Production History (APH) program, Lovell explains.

Under APH, yield guarantees are based on actual production records of the insured or grower rather than on county average yields as was the case under the area coverage plan. This means that a farmer must provide evidence of previous years'

production and acreages. The premium cost per acre also may be higher than with the area coverage plan.

Selecting crop insurance requires choosing a price election and a yield guarantee of either 50, 65 or 75 percent of past production history, explains the conomist. Price elections are \$1.30, \$1.50 or \$1.80 a bushel for barley; 80 cents, \$1 or \$1.25 a bushel for oats; and \$2, \$2.80 or \$3.30 a bushel for wheat. The combination of yield guarantee and price election determines

the level of insurance coverage and cost of the premium.

Lovell reminds farmers that the premium cost for mpci reflects the federal subsidy of the premium.

Interested producers can obtain additional information by contacting a local firm that offers multiple peril crop insurance.
