

It's that time: Dinner theater to be Saturday

The cast of "Hillbilly Country"

John Deere to build new facility in area

The John Deere Co. and Hale Farm Supply are announcing the opening of a new John Deere dealership to serve the Haskell/Jones County areas. The new facility will be constructed in Haskell County, 1.7 miles north of Stamford.

Absentee voting underway

Absentee voting for the Nov. 5 election on constitutional amendments opened Wednesday, according to County Clerk Woody Frazier.

Registered voters may cast their absentee ballots in person with the County Clerk through Nov. 1.

Those wishing to mail their absentee ballots should make application with the clerk.

Officials of the John Deere Co. and Hale Farm Supply will hold a press conference and "meet the customer" rally at 11 a.m. Thursday, on the future site of the new facility.

Dave Novle, John Deere vice president and Dallas regional division manager, and Joe Pat Hale, president of Hale Farm Supply, will announce plans for construction of the facility. Other Dallas region John Deere representatives on hand for the occasion will be Bill Lemmons, division sales manager; Charles Steinman, agriculture general sales manager, and Mark Noel, area representative.

Both Hale and Noble will be stressing the desire of the management and staff to provide a special services at the new facility to meet the changing needs of area farmers and city dwellers alike.

The new building will contain approximately 16,000 square feet, housing a complete sales show

room displaying John Deere products, a 4,000-square-foot parts department and a repair shop utilizing the most modern equipment available.

The dealership will be introducing a new line of John Deere consumer products that have never been shown in this area.

Property on Highway 277 has already been purchased and construction of the new building will begin immediately.

"The building and grounds will be a credit to the area, and the facility will be located conveniently to our customers," Hale said.

Both Hale Farm Supply and John Deere Co. selected this site because it lies in the center of the geographical area to be served, he explained.

"A short driving time will allow our customers in Hamlin, Anson, Breckenridge, Albany, Throckmorton, Rochester, Aspermont, Haskell and Stamford to have their needs met at the new location."

Hale also stated that pick up and delivery trucks will continue to be available for hauling tractors and implements to and from the shop for all area farmers. A traveling service man will be available to make "on the farm" repairs and delivery parts when necessary.

Hale stresses that the dealership wants to earn customer loyalty by supplying excellent repair service and replacement parts.

Hale will serve as general manager of the new facility. He will be assisted by Jerry Harris, assistant general manager and salesman, as well as a staff of 16 to 18 employees. Hales hopes to hire

Hearty vittles, mountain music and the "world premier" of Wanda Dulaney's "Hillbilly Country," highlight this year's presentation of the Haskell Chamber of Commerce's dinner theater.

The fourth annual event, which has become one of Haskell's most popular activities, is expected to attract as many as 500 guests.

"It's a fun event," said Chamber manager Dulaney, who wrote the script for the play. "There'll be no speeches, just entertainment and relaxation. We hope to see smiles on 500 faces."

Food, prepared by members of the cast and served by members of the Chamber's Welcoming Committee, begins at 7 o'clock. The menu will include baked ham, new potatoes, cole slaw, hot rolls, iced tea, pinto beans and peach cobbler.

After dinner, the curtain goes up on "Hillbilly Country." It's a hilarious story of the reunion of the Hymyankle and Goodin families with visits from the Moonshiner, the Musician, the Peddler, the Villian Landlord, the Greedy Banker and the Hillbilly turned-city-reporter.

Starring in the 30-minute play will be Abe Turner, Charles Thornhill, Carolyn Reynolds, Bud Lane, Joel Fox, Kay Smith, Grace Womack, Donna Wilson, Dr. Ed Harris, Eddie Medford, Bill Comedy, Dickie Greenwood, Sam Bitner, Raymond Andrada, Bob Brandon and John Wayne McDermott, all members of the Chamber's Board of Directors.

Tickets, priced at \$7.50 each, cover the cost of the dinner and admission to the play. They may be

purchased from various businesses, individuals and at the Chamber office. They also will be available Saturday evening at the door.

Saturday's show will be the first dramatic presentation on the new stage of the Civic Center.

Attendance at last year's dinner theater, held at the American Legion building, was limited to 340 because of limited capacity. Tickets were not sold at the door, and some people who had not bought advance tickets were not able to attend. With the greater seating capacity at the Civic Center, we don't anticipate that problem this year," said Mrs. Dulaney.

The dinner theater is a fund-raising project of the Haskell Chamber of Commerce. Proceeds help defray the Chamber's operating expenses.

School establishes pay periods

Pay dates for employees of the Haskell Independent School District were established last Tuesday during a meeting of the school board.

Pay days for employees during the coming year will be Oct. 18, Nov. 20, Dec. 20, Jan. 20, Feb. 20, March 20, April 18, May 20, June 20, July 18 and Aug. 20. Pay day for September was the 20th.

In other action, the School Board:

- Approved changes in the school budget changes which primarily were transfers from some accounts to others.

- Established job descriptions for school employees,

- Approved a change in depository security from Federal Loan Credit Bonds to Federal Home Loan Bank Bonds,

- Approved the use of a facsimile stamp to be used when no board members are available to sign checks,

- Approved the appointment of Kay Cook as a secretary at Haskell High School,

- Discussed the upcoming visit of a team from the Texas Education Agency to evaluate the viability and quality of all school functions and activities. The visit will be during the week of Jan. 6.

- Heard reports from the superintendent on the computer program, the condition of the school's rental property on North Ave. D, the status of the Garcia vs. San Antonio suit under the Fair Labor Standards Act and the superintendent's upcoming attendance as a representative of the Loyal Education Agency at a state meeting in Austin Oct. 24-25.

RECEIVES PLAQUE

Former District Judge Ben Charlie Chapman, left, receives a plaque from County Judge Beverly Roberson during the Rochester Homecoming Saturday. The homecoming event was decided to the long-time district judge.

Med tech class to be given here

A medical technician's class will be offered in Haskell, beginning Nov. 12.

Presented by the Texas State Technical Institute of Sweetwater, the 124-hour class will be taught by Don Glandon, administrator of the Haskell County Ambulance Service.

Classes will meet at 6 p.m. each Tuesday and Thursday at the Haskell Fire Dept. Glandon said they would run until about 9:30

each evening, continuing through the first part of March. The exact date of completion will depend on scheduling during the holiday season.

Instruction will cover a variety of medical and trauma-related emergencies.

The course is open to anyone interested in attending. Registration deadline is Nov. 5.

Those interested should contact Glandon at 864-3945.

Baptist Church selects new pastor

The Rev. James L. Densman of Groesbeck has been named pastor of the First Baptist Church of Haskell.

It is not known at this time just when he will arrive in Haskell. A church spokesman said that it is hoped he will be here by Thanksgiving.

The Rev. Mr. Densman has been pastor of the First Baptist Church of Groesbeck for the past seven years. His wife, Elaine, is a fifth-grade teacher in the Groesbeck schools.

The new pastor is a graduate of Baylor University and the Southwest Baptist Seminary in Fort Worth. He has a doctor of ministry degree from Luther Rice Seminary in Florida.

The Densmans are parents of two daughters, Sarah, 9, and Mary, 2, and a son, Joshua, 6.

The Haskell church has been without a pastor since June 1984 when the Rev. Mike McKinney left to become pastor of the First Baptist Church in Childress.

Window painting contest next week

Students wishing to participate in the window-painting contest may pick up their paint next week at the Music Box, Perry's, Video Vendor or Sears. They will furnish their own brushes and containers.

Windows will be painted during the week of Oct. 21-25.

The annual Halloween contest is sponsored by the Haskell Retail

Merchants Assn. Students and groups are reminded to put their names in the window.

Prizes will be awarded in four school-age groups, K-3, 4-6, 7-8 and 10-12.

Questions concerning the contest may be directed to Sandy Horton at Sears.

Chili/Bean Dinner Friday

The Haskell Rotary Club's chili and bean dinner will be from 5:30 to 7:30 p.m. Friday in the high school lunch room.

Tickets are \$3 each and may be purchased from any Rotarian, or at the door.

Indians to host Rotan

Two of the hungriest football teams in Texas clash at Indian Field Friday night when the Haskell Indians entertain the Rotan Yellowhammers in a district 6-AA contest.

Kickoff is 7:30 p.m. Both Haskell and Rotan sport 0-6 records. And each team will be going all out to reverse a season-long tailspin.

For the Indians, it will be the first time this season that they are facing a team with a losing record. They are given their best chance of winning since the Quannah game.

But Coach Harold Hill has warned that Rotan also is thinking

in terms of winning. "They have some good athletes," the coach said. "They've had a number of boys hurt during the season or they would have a better record."

Rotan has a big edge in offensive output. The Yellowhammers have scored 80 points in six games, hardly a remarkable achievement, but one which far outshines Haskell's output of just 26 points.

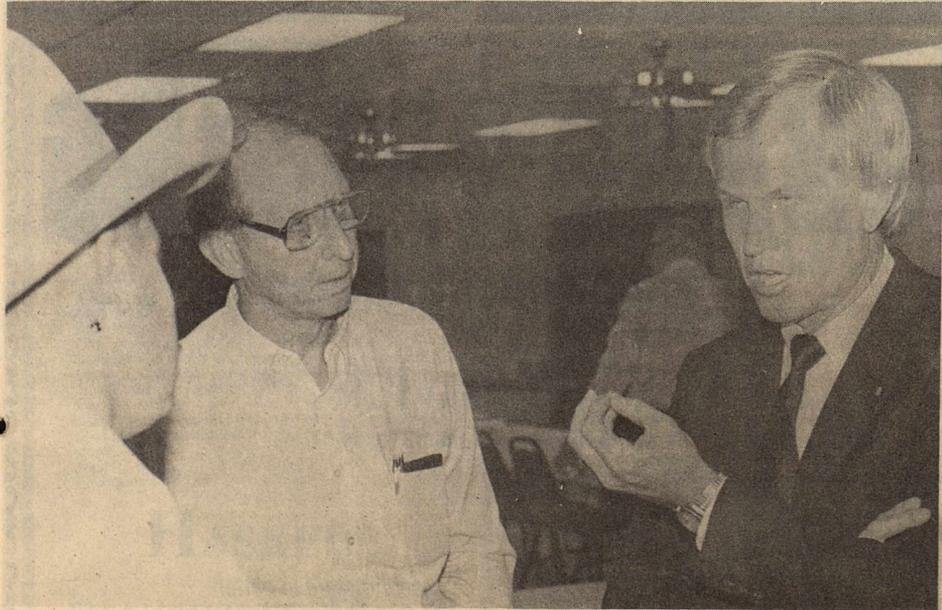

On defense, however, the Indians enjoy an edge. They've allowed six opponents 221 points, while Rotan has surrendered 262.

No doubt, Haskell has played a much stronger schedule. The

Indians have met both Electra and Hamlin, which rank 1-2 in state Class AA polls.

Last week the Indians lost 47-0 to Hamlin in its 6-AA opener while the Yellowhammers lost to Stamford 53-18.

Haskell goes into the game with two starters on the questionable list. Ponciano Lopez suffered an ankle injury against Hamlin and his participation this Friday is questionable. Mark Young's arm injury required eight inside stitches and 20 outside stitches and his availability will not be known until game time.

CONGRESSMAN

Congressman Charles W. Stenholm makes a point to Pat Hale, center, and Dale Bullinger following a luncheon at the Haskell Civic Center Tuesday, during which Stenholm was speaker.

Baptist Conference Set In Haskell

Haskell will be host Oct. 26 to members of Acteen and Girls in Action and leaders of Mission Friends of the Haskell-Knox Baptist Assn. and the West Central Baptist Assn. Registration begins at 9

Charisma Girl Pageant Set In Abilene

Charisma Girl Pageant, a national scholarship pageant, will hold an Abilene preliminary Oct.

Births

Kristin Joelle Crain was born Oct. 10 in Hendrick Medical Center in Abilene to Jim and Karen Crain.

The new baby weighed eight pounds and four and a half ounces and was 21 inches long.

Kristin Joelle has a brother, Benjamin.

at the First Baptist Church. Leadership conferences will begin at 9:30 for Acteen and GA leaders, while the girls enjoy movies and games in the gym.

At 11 a.m. the girls will join their leaders for instruction in their work. Mission Friends leaders will come for lunch at noon and their conferences will begin after the meal and continue until about 2:30 p.m.

GA leaders and girls will be dismissed after noon, while Acteen leaders and girls will have a mission action workshop in the afternoon.

special conference leaders will be Barbara Curnutt, state Acteen

consultant, and Marsha Spradlin, state MF/GA consultant.

Special instructions for lunch have been mailed to area churches.

Mrs. A.D. May of Rule, director of the Haskell-Knox WMU, said all area leaders are being urged to attend the event.

Additional information is available from Mrs. May, 997-2157.

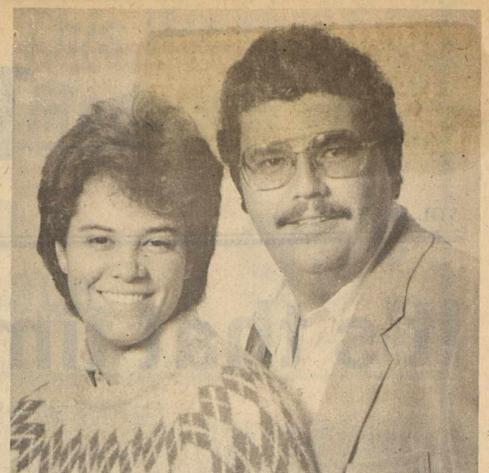

Dalyn Gilly Named President

Dalyn Gilly has been elected president of the Haskell Community 4-H Club.

Other officers are Penny Peden, vice president; Emily SoRelle, secretary-treasurer; Kim Gilly, reporter, and Jill Jennings and Tamra Burnett, County Council delegates.

Four-H clubs are open to all youth in the third grade and up, or ages 9 through 13, regardless of socioeconomic levels, race, color, sex, religion, handicap or national origin.

Persons wishing to become members of 4-H should contact either of the county extension agents, Lou Gilly (864-2546) or Max Stapleton (864-2658).

ENGAGED

MR. AND MRS. WENDELL BEVERLY of Hurst announce the engagement and approaching marriage of their daughter, Margaret Ann, to Wesley David Strickland son of Mr. and Mrs. David J. Strickland of Rt. 3, Haskell. They will be united in marriage on Nov. 23 at the First Baptist Church in Haskell.

TO MARRY

MRS. JOAN LAIN of Richardson has announced the engagement and approaching marriage of her daughter, Mollevon Mishael Grimes, to Donald Ray Van Story of Haskell, son of Mr. and Mrs. Dolan Van Story of Brownwood.

Garden Club Hears Fall Planting Tips

Continuing with this year's theme of "Pride in the Past—Footsteps to the Future," the Haskell Garden Club held its October meeting Thursday afternoon in the Bank Community Room.

Answering roll call with a favorite bulb, 10 members were present to enjoy a program, introduced by Mrs. Linda King, featuring a variety of subjects all pointing toward a "Bright Future."

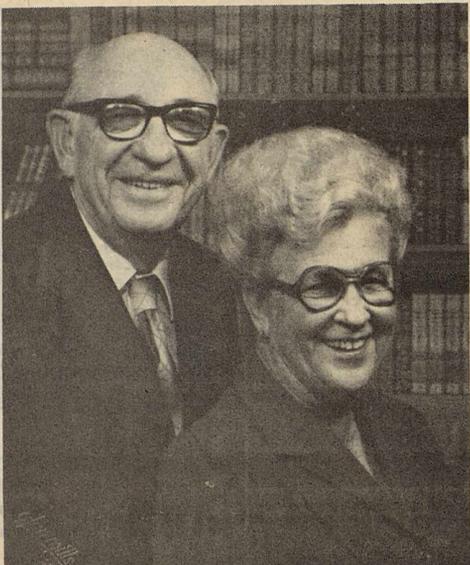

Mrs. J.O. Blankenship, giving, fall planting tips, recommended planting in the fall rather than spring, citing warmer soil for good root development, need for less water and fewer weeds for competition. She also gave best recommended times for dividing and planting both annuals and perennials.

Giving hints on when to tidy up and when to severely prune, Mrs. Edith James, during her program on general fall cleanup, told members that good

sanitation means increased spring blooms. She urged members not to use old leaves, dead flowers, stems and roots for mulch, recommending instead the

use of dry straw and clean leaves after the ground is cold, reducing the risk of disease.

Fresh fall horticultural exhibits were brought by

MR. AND MRS. LEON BURSON

Couple To Celebrate 50th Anniversary

Leon and Ella Belle Burson of North Ave. E will celebrate their 50th wedding anniversary Saturday with a reception from 5:30 to 7:30 p.m.

To be held in the Community Room of the Haskell National Bank, the reception will be hosted by their children, David Burson and his wife, Linda,

of Haskell, and Janice Hill and her husband, Larry, of Abilene.

Mr. Burson was born in DeQueen, Ark., to Dave and Othella Burson on Oct. 12, 1915. The family moved to Haskell County in a covered wagon in 1923, settling in the Blue community. They later moved to the Midway community.

Mrs. Burson was born in Santa Anna to Vernon and Delta Lane on April 27, 1918. The family came to Haskell County when she was six months old, settling in the Midway community.

It was in Midway that the couple met. They were married there Oct. 18, 1935 by the Rev. A.F. Thurman.

Mr. and Mrs. Burson are members of the Haskell Church of Christ. He is a retired farmer.

Mrs. King, Mrs. Blankenship, Mrs. James, Mrs. Juanita Rhea and Mrs. Lorene Dewey. These included ageratum, two colors of bougainvillea, four varieties of geraniums, six varieties of verbena, blooming white sage, seven varieties of zinnia, celosia, houseleek, spider lily, golden glow and a blue ribbon specimen of Queen Elizabeth rose.

As a regular feature by one of the members at each program, Mrs. Rhea demonstrated the artful use of flowers by constructing four beautiful arrangements.

During the business meeting, presided over by Mrs. John Robison, Mrs. Rhea gave a report on the recent flower show at the County Fair. She commended members on their participation. Plans were made for attending the Texas Garden Club District VIII meeting in Abilene Nov. 14 and for the planting of three pecan trees on the grounds of the Experienced Citizens Center in honor of Arbor Day.

As refreshments were served by hostesses Mrs.

Robison and Mrs. Mary Bischofhausen, Mrs. Tom Kaigler read an original poem entitled, "An Elm at Autumn."

Next meeting of the club will be Nov. 13 with the theme being "Holiday Inspirations." Objectives will be education, horticulture, therapy and community service.

SET WEDDING DATE

JERRY AND LENDA ILEY of Haskell announce the engagement and forthcoming marriage of their daughter, Judith Fae, to Lawrence Earl Sanders, son of David and Donnie Sanders of Stamford. The wedding is planned for Nov. 9, 1985 at First Baptist Church in Haskell.

Kids Nutrition Is Important

When hungry kids rush home from school, they'll head straight for the chips, soft drinks and sugared treats unless some nutritious snacks are ready.

"The key to getting youngsters to snack wisely is having the right snacks on hand," says Marilyn Haggard, a nutritionist with the Texas A&M University Agricultural Extension Service.

Having nutritious foods handy for youngsters may be especially important to working parents who are not at home to supervise after school snacking, she adds.

Haggard suggests having the following on hand as quick, nutritious after-school snacks:

- Fresh fruits of any kind.
- Fresh vegetable pieces, such as carrot or celery sticks.
- Unsweetened fruit juices
- Wholegrain crackers or bread with cheese
- Nuts and popcorn

•Boiled eggs

•Leftovers

Parents can teach their children about nutrition and get more ideas and recipes for nutritious snacks and treats from "Be a Super Snacker: Snackman Tells You How", an Extension publication especially for children.

The Snackman publication is number B-1416, and a companion piece on snacking for adults is number B-1415. Both are available from the county Extension office.

Anita Payne Named Alternate In Contest

Anita Payne of Haskell was selected as District 3 adult alternate to the 1985 Texas "Make It Yourself With Wool" contest. She constructed a 65 percent wool teal blue coat dress

Young Homemakers Sponsoring Book Deposit

Haskell Young Homemakers is sponsoring a "book deposit" box at the Haskell County Library. The deposit box is located outside the library so patrons can drop off books at their convenience.

Librarian Elsie McGee has expressed her appreciation for those who have donated to the library and to the young homemakers for sponsoring the drop box. She also thanked Leon Jones for time and effort in building the deposit box.

The library is interested in receiving any type of books.

from a "Go Every Where" Simplicity pattern (no. 6273) for the competition on Oct. 5 at the Sunset Mall in San Angelo.

The fabric for her outfit was purchased locally from Lois' Fabric Outlet. She accessorized her creation with silver accessories and purchased hat and shoes.

For her efforts, Anita received a length of 100 percent wool fabric and a gift certificate from Casual Corner in the Mall.

The "Make It Yourself Wool" district contests are held each year in late September and early October. They are sponsored by the Texas Sheep and Goat Raisers Auxiliary, the Texas Dept. of Agriculture and the American Sheep Producers Council.

Information about this annual competition can be obtained from Lou Gilly, County Extension Agent, 101 South Ave. D, Haskell, phone 864-2546.

WINNER

Anita Payne of Haskell shows off the wool teal blue coat dress which qualified her as an alternate to the 1985 Texas "Make It Yourself With Wool" contest.

Mrs. A. V. Jones Jr. Presents Book Review

Members of the Progressive Study Club met Oct. 10 in the Community Room at 7:30 p.m. Mrs. Kenneth Quattlebaum, president, called the meeting to order and asked the members to introduce their guests.

The meeting was

directed by Mrs. Gary Druessedow, fine arts chairman. She introduced Mrs. A.V. Jones Jr. of Albany who delighted the group with a review of "Stand Proud" by Elmer Kelton.

The setting of the novel was post-Civil War years

when this prairie land was being settled by cowboys and pioneer families. Mrs. Jones portrayed the lives of two cowboys who were friends, who loved the grassy valleys, but also were guilty of murder, intrigue, triangle love affairs and deep hate and

love. The social hour followed. Cake squares, sandwiches, nuts and punch were served by Mrs. Garvin Foote, Raymond Liles, James Blankenship and Mrs. Mary Martin.

Following the social hour, Mrs. Quattlebaum called the club to order for a short business meeting.

Due to the illness of Mrs. Rick Perry, who had charge of reading the constitution, Mrs. Virgil Cobb made a motion that the reading be set aside and that the reading be done at the next official meeting in January.

The president gave the federation report, announcing the Mesquite district will meet Oct. 12 in Sweetwater. Mrs. Emma Liles will represent the club.

There was a short discussion concerning the Oct. 25 Chicken Trazzine

supper. Members turned in their money for tickets sold.

Mrs. Foote, treasurer, reported that an audit by

Doris Reeves showed a balance of \$1,820.61. After bills were paid and ticket money deposited the total is \$2,051.55.

MRS. A. V. JONES JR.

Rep. Rick Perry Is Beta Chi Chapter Guest

State Rep. Rick Perry was guest speaker Oct. 5 at a meeting of members of Beta Chi Chapter of Delta Kappa Gamma International.

Perry described how legislature action affected teachers, especially House Bill 72.

Dorothy Myers of Munday, president, presided, and members from Aspermont served refreshments.

Mary Sawyers presented the "Red Rose Salute" to

Erma Liles of Weinert for her outstanding contribution to Beta Chi. Ms. Sawyers also presented 100-percent attendance certificates to Linda Chapman, Dorothy Myers, Erma Liles, Mary Martin and Pat Quattlebaum. These members attended all meetings during the 1984-85 year.

Mary Jo Lankford of

Knox City resigned her membership as she has moved from the area.

Linda Chapman, music chairman, led the group in the Delta Kappa Gamma prayer and the Delta Kappa Gamma song.

New yearbooks were passed out and a treasurer's report given. Correspondence also was read.

Program Helps New Mothers

Becoming a new mother creates many changes—mentally, physically, and emotionally. In fact, it is not unusual to experience quite a range of feelings from being overjoyed to depressed. Responding to an infant's needs is yet another change which results in added work and added responsibilities—all at a time when the new mother is experiencing less sleep and is still recovering from the delivery.

It is important to recognize that stressful feelings can result from these changes. A new mother can, however, choose to respond to these changes in ways that can either increase or decrease the amount of stress she feels.

To assist new parents in dealing with these changes the American Heart Association announces a new program which consists of an audiovisual, "Stress and the New Parent," and a brochure, "Stress and the New Parent - A Guide for the New Mother."

The program describes a series of changes which often accompany the birth of a child. Healthy and unhealthy ways of responding to these changes to reduce the risk of developing cardiovascular disease in the parent and the child are identified in the program. For example, smoking, overeating, and excessive drinking are all unhealthy ways of dealing with stress, according to the American Heart Association, and can increase the chance of developing cardiovascular disease. Instead, the American Heart Association encourages a nutritious diet low in saturated fats and cholesterol, regular exercise, smoking cessation, and a relaxed attitude toward the pressures of everyday life.

Becoming a new parent is a time of stress as well as a time of joy. It is also a time when parents examine their own values and lifestyles and ask if they are living in ways that will promote their own health as well as the health of the child. After all, a new mother is not only maintaining her own health, she is also serving as a role model for her child.

The new parent program was developed for use with new and first time mothers, for use in childbirth preparation classes or over closed-circuit television in hospitals.

TEXAS TRAILS

LONE STAR STATE HISTORY by DAN BROWN

BEFORE CHRIST...
2000 years ago, according to the Bible, the Star of Bethlehem guided wise men to the birth place of the Christ Child. That same star shone on a "Native Texan" that was already a century old at the time. Located on Lamar Peninsula, in present-day Goose Island State Recreation Area, this "Native Texan" has lived through hurricanes, droughts, and floods and has stood watch as Indians, Spaniards, Mexicans, and Anglos passed. This still-living "Native" is the Champion Live Oak Tree of Texas.

Wildlife preservation program set for Friday

Ways to promote and preserve wildlife and integrate it into total ranching operations on the High and Rolling Plains will be explained in a wildlife field day in Miami Friday, Oct. 18, on the 2-B Ranch of T. Boone Pickens, Jr.

The program will focus upon the requirements of various types of wildlife and ways to improve and maintain their habitat while still providing for efficient ranch operation, said Herman S. Boone,

Roberts County Extension agent. It is sponsored by the Roberts County Extension Service, Roberts County Soil and Water Conservation District, Soil Conservation Service and the Texas Parks and Wildlife Department.

Pickens and his wife will welcome guests to the program and host the noon meal. The ranch is north of Miami on the east side of U.S Hwy. 70. Registration at the ranch begins at 8 a.m. The program will conclude at 3:30 p.m.

REHEARSAL

Pappy Hymyankle (Abe Turner), left; Fergie Ferguson (Charles Thornhill) and Big Leroy Hymyankle (Bud Lane) rehearse a scene from "Hillbilly Country" which will be presented Saturday evening by a cast consisting of members of the Board of Directors of the Haskell Chamber of Commerce.

Premium list in mail

The 1986 premium list for the Southwestern Exposition and Fat Stock Show, scheduled Jan. 22 through Feb. 2 at the Will Rogers Complex in Fort Worth, is now in the mail to potential exhibitors, reports W.R. Watt Jr., show president/manager. Included in the premium

list of show rules and schedules are classifications for several new breeds of livestock and revised premium allotments for a number of the returning breeds. Premiums will total over \$400,000 for the Stock Show and Rodeo.

Survey Discloses Eating Habits Of Texans

Thirty-six percent of the consumers polled during September for the Texas Restaurant Assn.'s "Texas

Tastes" study said they are more likely to order natural foods and vegetables when dining out than they were a

year ago. Twenty-five percent of the survey respondents said they are less likely to order red meat

and thirty five percent are more likely to order salads. "Customer demand for healthy foods is being felt

in all segments of the restaurant business today - from fine dining to fast food - and I think it will keep growing," said Louis Hochman, president of the Texas Restaurant Assn. "Today's consumer is more interested in 'eating healthy' than 'just eating' and restaurateurs are responding to this trend by including foods perceived as nutritious on their menu", he said.

In addition to providing Texans with a wide variety of dining experiences, the state's eating places will pump over \$10 billion into the economy in 1985. In honor of this significant economic contribution and in recognition of the state's 300,000 foodservice workers, Gov. Mark White has proclaimed October as Texas Restaurant Month. Wilton Turnerhill, president of the Abilene Chapter of the Texas Restaurant Assn., said that consumers in Abilene spend \$633 per capita annually to eat out. "Food service is an integral part of our local economy," Turnerhill said, "the 283

food service units in our area employ 3,168 persons and residents spend 38.4 percent of their food dollar to eat away from home".

Hamburger restaurants account for 15.6 percent of all restaurants in the Abilene area. Mexican food accounts for 9.3 percent of restaurants while cafes and diners account for 9 percent, and the pizza for 8 percent of area restaurants.

Statewide, Mexican food was voted the favorite ethnic food by consumers participating in the "Texas

Tastes" study, with enchiladas the first choice of 38 percent, tacos the favorite of 18 percent and fajitas the choice of 13 percent. The study also showed a higher preference for fajitas as income increases. Twenty seven percent of the survey respondents earning \$50,000 or more annually choose fajitas, he 'rich man's mexican food', when eating out.

Baptists to show film

A fast-paced, modern-day allegory, akin to the familiar Bible story, The Prodigal, a World Wide Pictures Presentation, will be shown at 7:30 p.m. Sunday at the First Baptist Church in Haskell.

Set in contemporary urban framework and intimately examining the gradual spiritual and emotional breakdown of an

American family as each member searches for his identity, The Prodigal, was filmed entirely on location in Seattle and various other spectacular sites throughout the state of Washington.

Heading the cast are John Hammond, Hope Lange and John Cullum. Hammond, who portrays the title role of the wayward son caught up in the netherworld web of drugs and sex, was recently starred in the hit mini-series "The Blue and the Gray." Award-winning actress Lange stars as his confused and bewildered mother; while the noted Broadway Tony Award winner, Cullum, essays the role of his single-minded, career-consumed father.

World Wide Pictures, is the film organization of the Bill Graham Assn., and the internationally known evangelist has a cameo role in the picture.

In commenting on the feature-length The Prodigal, producer Ken Wales stated, "This is both

an entertainment and a message piece. Some people will be uncomfortable when they see this film, as it strikes so close to home, paralleling so many of today's family situations. But we believe that the current trend of the public's willingness to examine its own conscience will place it on the 'must see' list of family entertainment."

Lung cancer deaths of men drops

Lung cancer death rates are steadily decreasing in young Texas men, according to an article in the scientific journal Texas Medicine.

During the period 1970-1983, there was an 18.8 percent decrease in lung cancer deaths among white men aged 35-44 and a 39 percent decrease in black men of the same age. Fewer cigarette smokers have contributed to these decreases.

The article, written by Dr. Guy Newell, Dr. David T. Carr, and H. Keith Lynch, appears in the September issue of the Texas Medical Association journal. The authors are all with the Division of Medicine at The University of Texas MD Anderson Hospital and Tumor Institute, Houston.

The article also mentions a reduction in lung cancer death rates among white men aged 35-44 in the US as a whole from 1969-1979. In addition, in 1964 slightly more than 50 percent of men were regular smokers, while in 1979 the prevalence of smoking among men was 37 percent.

Want the memory of a loved one to live on? Give to the Haskell Co. Ambulance Memorial Fund. Let their memory live on in the lives of others who may be helped by the Service. Your contributions are appreciated.

Baptists expecting big turnout

The Centennial session of the Baptist General Convention of Texas in San Antonio Nov. 5-7 is expected to draw a record number of Baptists from throughout the state.

Messengers from many of the state's 4,900 Southern Baptist churches and missions will conduct business involving the Convention's 27 institutions including hospitals, child care homes, universities and homes for aging and a statewide program of mission efforts.

They will consider a \$63.5 million cooperative Program budget to help support the institutions, 7,000 Southern Baptist missionaries and other causes.

Also, they will elect a new president to succeed W. Winfred Moore, pastor of First Baptist Church, Amarillo, who has served the traditional two terms as president of the 2.3-million-member denomination.

Obituaries

Morrell Dick

Funeral services were held at 1 p.m. Saturday in the Haskell Church of Christ for long-time Haskell businessman Morrell Dick.

Burial was in Coleman. Jim Crain, minister of the Haskell Church of Christ, and Bob Connel, minister of the Central Church of Christ of Abilene, officiated.

Dick, 74, died Friday morning in Haskell Memorial Hospital.

Born June 15, 1911, in San Angelo, Dick was married to Cloys Riley in Brownwood on March 5, 1939.

He moved to Santa Anna at an early age and graduated from Santa Anna High School. He owned and operated Modern Way Food Store in Brownwood from 1936 to 1946. He moved to Haskell in 1947 where he purchased the Modern Way Food Store. He also operated Dick's Refrigeration.

He sold the grocery store in 1965 but continued to operate the refrigeration service until February when he retired due to ill health. He also owned Haskell Recreation until 1978.

Survivors include his wife of Haskell, his mother-in-law, Rosa Woodring of Coleman; a sister-in-law, Mrs. A.S. Sherry of Abilene; two brothers-in-law, R.G. Riley of Madisonville and Carl Woodring of New York; two sisters-in-law, Janette Dick of Falls Church, Va., and Mrs. Mike Melendez of San Angelo, and several nieces and nephews.

Shop Haskell First

Ray Merchant

Funeral services were held Sunday at the East Side Baptist Church for Ray Merchant. Officiating were the Revs. Elizabeth Pruitt of Tahlequah, Okla., David Green of Haskell and Roy Herricks of Haskell.

Burial was in the Willow Cemetery.

A retired farmer, Merchant had been a resident of Haskell since 1908. He was a member of Foursquare Church.

He was born Aug. 17, 1904, in Bell County. He was married Oct. 12, 1925, to Alma Zahn of Haskell.

Pallbearers were Robert Kloiber, Marvin Kloiber, Tim Kloiber, J.D. Zahn, Tony Zahn and Benny Zahn.

Merchant is survived by his wife of Haskell; two sons, J.R. Merchant of Laurel, Miss., and Cleo Merchant of Sherman; two brothers, Sam Merchant of Farmington, N.M., and Joe Merchant of Brothers, Ore.; one sister, Alverine Dyer of Roswell, N.M., six grandchildren and 14 great-grandchildren.

Thomas Patterson, 74, died Monday Oct. 7 of a heart attack at his home in San Antonio.

Mike Cook - Owner

Thomas Patterson

Thomas M. Patterson, 74, died Monday Oct. 7 of a heart attack at his home in San Antonio.

He was reared in Haskell, graduating from Haskell High School. He attended S.M.U. He was cashier of the Haskell National Bank for several years. He served as an infantry officer in World War II in the Europe, and took part in the Battle of the Bulge.

Following the war, he attended Rutgers University in New Brunswick, N.J., and

begin working for the Federal Deposit Insurance Corporation. He worked for the TDIC in the Dallas area several years, then the Lubbock area for eight years, and finally in San Antonio for the past 15 years. He became head of the San Antonio Area of FDIC.

He married Roberta Phillips in 1956.

Patterson was a member of the Methodist Church, and of all the Masonic bodies of Haskell. He was a Past Master of the Blue AF and AM lodges, and commander of the Haskell Commandry in 1947. In 1984 he received his 50-year Masonic pin at a ceremony in the Haskell Lodge.

He is survived by his wife, Roberta, and a brother, David of Arlington.

Attending the funeral service from Haskell were Mrs. Oscar Oats, Mrs. Ruby Smith and Mrs. Henry Atchison; from Lake Dallas, Mrs. Charles Grissom and from Paint Creek, Mr. and Mrs. Dale Middlebrook, Mr. and Mrs. Billy Middlebrook and Mr. and Mrs. Gene Overton.

Billie Lotspeich

Billie Lotspeich of Odessa, 85, died Oct. 8 in Hall-Bennett Hospital in Big Spring. Funeral services were at 4 p.m. last Friday at the Hubbard-Kelly Funeral Home chapel in Odessa and burial was at Sunset Memorial Gardens, Odessa.

Mrs. Lotspeich was born in Haskell on July 13, 1900. A homemaker and a Baptist she moved to Odessa in 1950 from Big Spring.

Survivors include one son, Bill Allen Starr of Pomona, Calif.; one daughter, Betty Starr of Odessa; two sisters, Mrs. Otis Kimball of Alpine and Eunice Fincher of Odessa; five grandchildren, six great-grandchildren and three great-great-grandchildren.

Samuel Scott

Samuel Archibald Scott, who was born in Haskell Oct. 12, 1903, died Oct. 8 at Shannon West Texas Memorial Hospital in San Angelo.

He was the son of Samuel Walter Scott, who founded the Haskell Telephone Co., and Frances Elizabeth Tandy.

Scott attended public

schools in Haskell and San Antonio and graduated from Southern Methodist University in 1925. He was a member of Kappa Sigma Fraternity and Blue Key and Cycen Fjord honorary fraternities at SMU.

In September 1925 he was employed by Haskell Telephone Co., one of the predecessor companies of what is now General Telephone Co. of the Southwest.

In April 1930 he transferred to the State Telephone Co. of Texas which had purchased the Haskell Telephone Co. His employment of 43 years and one month was all spent with General Telephone Co. of the Southwest and its predecessor companies with the exception of three years spent with Associated Telephone Co. Ltd. in California. He was highly respected in the telecommunications industry for his knowledge of toll line routings and settlements and for his administrative ability. He served as general traffic superintendent.

After retirement from GenTel he remained active in the management of family ranching and mineral interests.

As a member of the First United Methodist Church of San Angelo, he served as trustee and in various other capacities.

He was active in Boy Scouting over the years and was a strong supporter of the Concho Valley Regional Food Bank and the SMU Alumni Assn.

He is survived by his wife, Dorothy Wells Wilson; one son, Wilson Scott of Dallas; one daughter, Susan Tandy Brandt of Tyler, and six grandchildren. Another son, Roger Frederick Scott, preceded him in death.

Private family graveside services were held in San Angelo.

Bensen requests more agents

Senator Lloyd Bensen said Saturday he is asking the Drug Enforcement Administration to assign more agents to Texas to help curb a sharp increase in cocaine smuggling through the state.

"I am concerned that the number of field agents assigned to Texas by the DEA has increased only from 180 in 1979 to 184 in 1985," Bensen said in a letter to Acting DEA Administrator John C. Lawn.

Public Notice

NOTICE OF ELECTION (AVISO DE ELECCION)
To the Registered Voters of the County of Haskell, Texas: (A los Votantes Registrados del Condado de Haskell, Texas.)

Notice is hereby given that the polling places listed below will be open from 7:00 a.m. until 7:00 p.m. on Tuesday, November 5, 1985, for voting in the Special Election FOR THE PURPOSE of adopting or rejecting the fourteen (14) proposed Constitutional Amendments as submitted by the 69th Legislature of the State of Texas.

(Notifiquese por lo presente que los sitios de votacion citados abajo estaran abiertos desde las 7 de la manana hasta las 7 de la noche, el martes, dia 5 de noviembre de 1985, para votar en la Eleccion Especial PARA adoptar o rechazar las catorce (14) enmiendas propuestas a la Constitucion asi como fueron sometidas por la 69a Legislatura del Estado de Texas.)

LOCATION (S) OF POLLING PLACES:
(Localidad (es) de los sitios de votacion)

WHEREAS, voter adoption of Amendments 1 and 2 is essential to insure the state's future wellbeing and the continued prosperity of Texas cities;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Haskell endorses Amendments No. 1 and 2, and urges their adoption by the citizens of Haskell at the November 5 constitutional amendments election.
Adopted this 8 day of October, 1985.

Lila Brock
City Secretary 42c

A RESOLUTION SUPPORTING ADOPTION OF THE NEW TEXAS WATER PLAN AT THE NOVEMBER 5, 1985 CONSTITUTIONAL AMENDMENTS ELECTION
WHEREAS, rapid economic expansion and population growth are taxing the state's existing water resources to their limits; and to meet the current and mid-term needs of the state will require the construction of at least 44 new reservoirs, 200 major wastewater treatment systems and scores of large-scale flood-control projects; and

WHEREAS, city governments, which historically have borne the major part of the responsibility for financing water resource facilities, will be required to carry an even greater share in the future due to reductions in federal aid; and

WHEREAS, the cumulative cost of the water resource facilities that need to be provided between now and the year 2030 could approach \$100 billion — an amount that far exceeds the ability of local governments to finance without state assistance; and

WHEREAS, the 1985 Texas Legislature approved a new proposed Texas Water Plan that, upon voter adoption, will establish a sound methodology for addressing the state's diverse water problems, and create a major new role for state government in helping finance the solutions to those problems; and

WHEREAS, the new Texas Water Plan will appear on the November 5, 1985 statewide constitutional amendments ballot as Amendments 1 and 2 and, if adopted, would:

(1) Create a \$400 million state fund to guarantee water resource bonds issued by municipal governments, thus saving city taxpayers tens of millions of dollars in interest costs;
(2) Allocate \$400 million in funding for state participation in the cost of oversize capacity of reservoirs and other facilities that exceed immediate local requirements, thus alleviating short-term financial strains on local governments;
(3) Authorize the issuance of \$580 million in state bonds to be used for loans to cities and other local governments, including \$190 million for water supply facilities, \$190 million for wastewater projects and \$200 million for flood-control facilities; and

(4) Establish a state loan fund to assist farmers with the purchase of water-efficient irrigation equipment, and provide state financing for agricultural water conservation research programs; and

WHEREAS, state legislation that will be implemented upon adoption of Amendments 1 and 2 would enhance the preservation of the state's water resources by establishing safeguards for bays and estuarine areas; providing incentives for water conservation; and by authorizing the creation of voter-approved mechanisms to protect underground water supplies; and

WHEREAS, voter adoption of Amendments 1 and 2 is essential to insure the state's future wellbeing and the continued prosperity of Texas cities;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Haskell endorses Amendments No. 1 and 2, and urges their adoption by the citizens of Haskell at the November 5 constitutional amendments election.
Adopted this 8 day of October, 1985.

Haskell murder suspect on 'Most Wanted' list

Francisco Enriquez probably wasn't thinking about fate as he rode home from a dance with a carload of friends on the evening of March 13, 1983.

But fate was a passenger in their car that night.

Enriquez, 20, had been dancing at the American Legion Hall in Haskell.

At about midnight, he and two other men and two women piled into a car owned by Joe Baez of nearby Stamford.

As he drove back to Stamford, Baez said he saw a car come up behind him. The driver of the other vehicle started blinking the head-

lights, then passed them. Baez said he noticed that the driver of the other vehicle was his brother-in-law, Alberto Flores.

Flores' wife Flora was in the Baez car and so they pulled over to the shoulder of the roadway.

Flora Flores got out of the car and became involved in a heated argument with her husband, witnesses say. Baez and Enriquez tried to act as peacemakers. They grabbed Flora Flores and took her back to the Baez vehicle.

But Enriquez lingered behind. Witnesses told investigators that suddenly Enriquez and Flores began struggling.

In a statement to police, one of the bystanders said that she saw Flores reach into his pocket "and pull out something." Moments later, Enriquez staggered back to the Baez vehicle. He was bleeding profusely.

Baez and his passengers loaded Enriquez into their vehicle and drove back to the hospital in Haskell.

When they arrived, Enriquez was already dead with eight stab wounds in the chest and stomach — the result of being at the wrong place at the wrong time.

When investigators went to a farm south of Rule where Alberto

Flores was living, found that he had taken his clothes and fled. Flores' vehicle, a 1972 yellow Ford Mustang, was found abandoned two days later on a farm road southwest of Haskell.

Flores was indicted by a Haskell County Grand Jury on April 19, 1983. However, investigators have never been able to catch up with the fugitive.

This week Flores has been added to the Texas Most Wanted list. A \$1,000 reward is being offered for information leading to his arrest.

Flores is described as being 27 years old, 5-4, 125 pounds, with black hair and brown eyes.

Investigators with the Haskell County District Attorney's office say they believe Mexican authorities would like to talk to Flores about another murder in their country. Flores also has a prior offense of felony injury to a child.

Anyone who might have information about Flores' possible location is asked to call Texas Crime Stoppers toll-free at 1-800-252-8477. Callers do not have to reveal their identities.

Texas Most Wanted is a cooperative effort between the Department of Public Safety and Texas Crime Stoppers.

ALBERTO FLORES

City gets \$9,530 from August sales taxes

Haskell received \$9,530.03 from the state comptroller this week as its one-percent sales-tax share of sales in the county during the month of August.

This brought sales tax receipts for the year to date to \$134,916.11, a four percent increase over 1984 receipts of \$129,710.15 for the same period.

Rule received \$1,690.42 from August sales, making \$20,561.24 for the year to date. This is a 46 percent increase over 1984 receipts of \$14,092.56 for the same period.

Rochester's share of August tax receipts came to \$717.73. For the year, Rochester has received \$8,774.20, compared to \$7,832.02 for the first eight months of 1984.

Combined, the three towns of Haskell County got \$11,938.18 from August collections. That

gives them a 1985 total to date of \$166,601.14, a respectable 8.22 percent increase over the \$153,946.83 disbursed to Haskell County towns during the first eight months of last year.

Wins microwave

Linda Tibbets of Rule was winner of the microwave oven given away recently by Sandy Horton, owner of Sears in Haskell, as a climax to the ninth anniversary celebration of the store.

NUMBER FORTY-TWO

Church youth groups combine their activities

About 15 to 20 young people of the First Presbyterian Church and the Trinity Lutheran churches get together twice a month for a combined service, recreation and social program.

The group, which calls itself the Lutherians, meets at 4 p.m. on the first and third Sunday afternoons of the month, alternating the

meeting site between the two churches.

According to pastors Jimmy Hooper, Presbyterian, and Victor Andersen, Lutheran, the group conducts services, discusses issues, plans ways to help others and has fun in a Christian atmosphere.

Members stress their similarities rather than any denominational

differences.

The young people, in grades seven through 12, were organized as a means to allow them to see themselves as an important part of the churches, the pastors said.

The two churches decided to combine the youth activities to make for a larger group of participants.

Festival planned at Paint Creek

The public is invited to attend the Fall Festival Oct. 31 at the Paint Creek School.

Seniors will have a chili supper in the cafeteria and there will be fun and games for kids of all ages.

The event begins at 6:30 and will continue until 10:30.

Reminders

Commodities

Commodities will be distributed to qualified applicants in Haskell Thursday.

Those 60 years old and older may receive their commodities between 8 and 9 a.m. and those 59 years and younger from 9 to 10 a.m.

Distributions will be made at the Experienced Citizen Center.

Employment

An occupational training specialist will discuss employment with interested Haskell residents each Wednesday at 406 North 1st.

Cathy Dudley of Abilene, representing the West Central Texas Council of Governments, will take applications from those seeking employment at 10 a.m. each Wednesday.

Mums

Oct. 23 is the deadline to place orders for mums for the Paint Creek Homecoming Nov. 2. Orders may be placed with cheerleaders or by calling 864-2741.

Annuals

Haskell High School annuals are on sale this week. Students placing orders are required to deposit \$8 of the \$13 price of the 1986 yearbook.

There is an additional charge of \$5 for having a name printed on the annual. Those ordering annuals with names imprinted must deposit \$13.

FHA workers get plaques for service

Personnel of the Haskell County Farmers Home Administration were presented plaques recently for "sustained high volume of work accomplished and outstanding performance of work" during the past year.

Recipients were Larry P. McDaniel, county supervisor; Wayne J. Arrigo, assistant county supervisor; Deborah D. Hoover, county office clerk, and Joyce M. Thompson, office assistant.

Presentations were made by John Wolf of Abilene, district director of FHA.

Cowboy Reunion schedules lunch

The annual "October Basket Lunch" of the Texas Cowboy Reunion Oldtimers will be Saturday in the Roundup Hall at Stamford.

President Charles Clark has urged all members, their families and friends to attend.

Low cost Classified Ads will bring positive results fast. Try them.

Next to M-System Haskell, Texas

Commentary

We'll buy that!

The city has served notice that city policemen are reducing the tolerance allowed on violators of the speed limit through the town.

It's a move we can live with. Although regulations will have to be enforced indiscriminately, it's no secret that the object of the crackdown is the truck traffic through Haskell, primarily on US 277.

Nothing is more frightening than to see an 18-wheeler, loaded with tons of cargo,

barrel through town at near-freeway speed.

An accident in downtown Haskell three weeks ago underscores the importance of speed limit compliance. In this particular incident, the truck driver was not speeding, but it's frightening to think what the result may have been if a speeding truck had been involved.

Far too often, safety measures are taken after some tragedy has occurred. It's nice to know that in this instance, the action is being taken before a tragedy.

Community benefit

Approval of Constitutional Amendment No. 1 by state voters in the general election on Nov. 5 could provide a boost for many towns and cities throughout the state of Texas that are experiencing water problems.

Constitutional Amendment No. 1 provides for a total of \$980 million in additional state bonds to be administered through the Texas Water Development Fund. Proceeds from the sale of these bonds could be used by the smaller cities and towns throughout the state for water development, water quality, flood control and/or water supply projects.

Basically, Constitutional Amendment No. 1 provides for the following:

- \$400 Million in state bonds to allow for state participation in the acquisition and development of facilities for the storage, transmission, transportation, and treatment of water and wastewater;
- \$190 million for water quality projects;
- \$200 million for flood control projects

and \$190 million for water supply projects.

Cities and towns throughout the state that have demonstrated that they cannot sell bonds on the open market at reasonable interest rates could, through these bonding programs, take advantage of the state's triple-A bond rating. Developers working to bring several small projects together into one regional system could also benefit from these bonding proposals.

By taking advantage of these bonding proposals of the cost of the facilities developed would be reduced, which would in turn reduce the cost to local residents who will be taking advantage of the facilities created.

All loans made by the state from these bond funds are to be repaid in full, including interest, by the direct beneficiaries of the projects involved. Therefore, there would be no long-term cost to state taxpayers.

Good Night's Sleep

Without sleep, most people become cranky and have difficulty performing their daily tasks. According to the Texas Medical Association, insomnia ranks third, just behind the common cold and headaches, as a reason people seek medical help.

While the "average" person sleeps between seven and eight hours a night, sleep requirements differ widely. A less-than-average amount of sleep should not be harmful as long as the person remains alert and energetic during waking hours.

A person with a sleep problem that lasts for more than a few weeks and interferes with daytime functioning, should obtain professional help.

For most people who have trouble falling asleep, however, these suggestions can be helpful:

—Establish a relaxing evening routine, which might include a warm bath,

reading a chapter of a light book, or working on a relaxing hobby.

—Get some exercise early in the day. Healthy bodies seem to sleep better than unfit ones.

—Make sure your bed is comfortable and that you are neither too hot or too cold.

—Avoid drugs that affect the nervous system: caffeine, nicotine, alcohol, nasal decongestants, cough suppressants, minor tranquilizers.

—A glass of milk before bed can promote relaxation, since milk contains an amino acid that has a sedative effect.

—Don't go to bed until you are sleepy, and try to rise at about the same time each morning. Avoid naps during the day.

—If you still cannot fall asleep, get out of bed and engage in some activity that you consider relaxing, even boring. This may help you become sleepy.

Why use two-syllable words?

By Wendell Fought

One of the many things which intrigues this born-again Texan about Texas is its geographical descriptions.

It may be Western Oklahoma, Southern New Mexico, Northern Colorado and Eastern Arizona. But in Texas, where the natives see no need using a two-syllable word when one will do, the "ern" is dropped and the locales are described simply as West Texas, South Texas, North Texas and East Texas.

Few things are so certain to agitate a Texan as to hear a national newscaster refer to something in Western Texas.

Due probably to the vastness of West Texas, there are other descriptive sub-sections within the directional classification. We have in West Texas, for instance, the Panhandle, High Plains, South Plains, Permian Basin, Big Bend, and a new one

to me, Big Country.

Left out of these West Texas categories is El Paso, which is as west as you can get in Texas. But to my knowledge, the Rio Grande metropolis is not included in any of the sub-sections.

This fact may well add credibility to the long-held belief in many circles that El Paso rightfully is a part of New Mexico, which by topography, climate, history, heritage and custom it so closely resembles.

I think Amon Carter, long-time publisher of the Fort Worth Star-Telegram, gets credit for defining West Texas as anything west of Fort Worth. The old Star-Telegram carried a line under the front-page flag, "Where the West Begins."

Among other things, it

established a territorial claim on Fort Worth and points west, serving notice to Dallas newspapers that this was Star-Telegram territory, not to be invaded by the Easterners from Dallas.

I've heard a lot of ways that people and businesses use to collect delinquent accounts, but a firm in Breckenridge is using—or threatening to use—an unorthodox approach.

In an ad in last week's Breckenridge American, Presley Feed Mill announced that those customers who don't pay up are "gonna get told on."

Customers in arrears are going to be mailed a bill. If full payment is not received in 15 days, according to the ad, "we'll publicize by any means

necessary (newspaper, radio, correspondence with other creditors, word of mouth, etc.) the names, current or last known addresses, the amount of principal owed, amount of interest legally obligated and due and the period of time the account has been owed."

The ad goes on to give an example of how a newspaper notice will appear in print. The age of the debt given in the example is 15 years, which indicates that a lot of the firm's debtors may be in the ancient category.

Anyone who has ever tried and failed to collect an old bill can probably sympathize with the people at Presley Feed Mill. They say that their creditors are threatening to foreclose on them.

They leave one opening: "If anyone has a better idea, please hurry and tell us."

From out of the past

From the files of the Haskell Free Press

30 Years Ago
Oct. 13, 1955

City aldermen heard a recommendation on needed repairs to the city-owned Fairgrounds building, re-appointed two members of the Haskell Housing Authority and spent about two hours discussing the location of streets in a part of the Lindsay addition at a regular meeting of the City Council Tuesday night.

More than 1,500 ex-students, former teachers and patrons of Haskell public schools returned to Haskell Friday for the second annual school homecoming.

Scoring in every quarter almost at will, the Haskell Indians opened District 8-A play in their homecoming game here Friday night with a 59-6 win over the hapless Roby Lions.

Fire which apparently started from a defective water heater flue caused damage of several

thousand dollars at the home of Mr. and Mrs. Travis Hadaway, North 9th and Avenue H. Thursday night.

A.C. Orr of this city, pioneer resident of Haskell and Throckmorton counties, celebrated his 89th birthday Sunday.

The Boy Scout movement in Haskell will need approximately \$2,200 to maintain its present facilities and take care of anticipated expansion in 1956, says Dr. T.W.

Williams, community chairman for the coming Scout Finance campaign in Haskell.

50 Years Ago
Oct. 10, 1935

The old East Ward School building is to be torn down, and materials salvaged will be used in the new buildings to be erected, the school board said this week.

A new waterworks system will be constructed in Haskell soon, with the aid of a PWA grant and

bonds voted by the city. Mr. and Mrs. H.C. King left Monday for Menard where they will spend several days.

60 Years Ago
Oct. 16, 1925

James E. Lindsey of Rule, special reporter for the Bureau of Census, reports that 7,950 bales of cotton had been ginned in Haskell County from this year's crop prior to Oct. 1. This compares with 9,955 bales ginned to the same date last year.

H.B. Turner Jr. of the Foster community is undoubtedly the champion melon grower of the county. Last week he exhibited at the fair a melon weighing 92 pounds.

80 Years Ago
Oct. 14, 1905

John Therwhanger of Cliff was in town Thursday selling cotton and trading with Haskell merchants.

The Haskell Public School opened Monday with 174 students in attendance. About 20 more entered during the week.

Indians fall to Pipers

Any pre-game doubt that the Hamlin Pied Pipers are not worthy of their lofty state ranking were quickly dispelled in Hamlin Friday night.

The Mean Green scored in the first 14 seconds and then again two and a half minutes later enroute to a 47-0 pasting of the Haskell Indians.

It was the unbeaten Pipers' six consecutive one-sided victory and the winless Indians' sixth consecutive loss. For each team, it was the first district 6-AA contest.

Hamlin struck on the very first play from scrimmage when Mike Howerton intercepted a Haskell pass on the Indian 32 and ran it back for a touchdown.

After Haskell was unable to move on its next series, James Cork returned an Indian punt from his 40 to the Haskell 16. An incomplete pass was followed by runs of 15 and 1 yard by Coy McGee and the Pipers were out front 14-0 with less than three minutes gone.

The score went to 21-0 after Hamlin marched 33 yards in six plays the next time it got the ball. Chase got the touchdown from seven yards out.

Hamlin added a second-period touchdown after recovering a Haskell fumble. Howerton raced 42 yards for the score.

Hamlin scored twice more in the first four minutes of the third period, taking four plays to hit paydirt following the second-half kickoff with McGee getting the final 19 yards and the touchdown.

The other score came on a 67-yard bomb from Howerton to Ernie Piske. The Pipers added the final touchdown on the first play of the fourth quarter when Howerton went over from two yards out, climbing a 75-yard drive.

Haskell's offense was completely bottled up by the bigger, more experienced Pied Pipers. The Indians didn't get their initial first down until midway through the third period, and didn't have another until a couple of back-to-back first downs in the final stages of the game.

Biggest gain for the Indians was a 21-yard run by Stephon Brockington which gave Haskell a first down at the Hamlin 33 toward the end of the game. He followed this with a six-yard gainer and then Kendall Larned gave the Indians another first down with a seven-yard run to the 23. But time ran out as Joel Torres picked up five to the 18.

TORRES RAMBLES

Haskell's Joel Torres is pulled down after a five-yard gain at Hamlin Friday night.

Weinert still unbeaten

By Stacy Hester

The Weinert Bulldogs spoiled Rochester's homecoming by defeating the Steers 61-26 in Rochester Saturday.

Weinert's scoring came from a touchdown by Louis Perez, two from Edward Perez and four touchdown passes from Shannon Forehand.

Two of the receptions came from Johnny Perez and two from Ricky Perez.

Kevin White kicked six PATs for the Bulldogs.

Rochester's scoring was done by John Mark White who scored on a run and a reception from Larry King.

King also threw two other touchdowns, one to Nick Jones and the other to Benny Hernandez. Paul Ortiz was successful on one PAT.

Weinert boosted its record to 4-0 for the season with its first district win. Rochester suffered its first loss to bring its record to 5-1.

Weinert will play Rule at 7:30 p.m. Friday in Rule.

V-ballers play in Vernon

By Stacy Hester

The Weinert girls' volleyball team traveled to Vernon Monday to meet its district opponents.

The girls lost their first game in district, losing to Chillicothe, 1-15, 10-15. They then played Harrold and won, 15-12, 15-13. This leaves them with a 3-1 record in district.

Weinert travels to Vernon again next week to meet these teams again.

GAINER

Weinert's Louis Perez takes off on a run across the field in Rochester Saturday afternoon. Ricky Shaver comes across the field to try to make the stop. (Mary Murphy Photograph)

Paint Creek juniors post big 34-0 victory

It was Thursday, when the junior Pirates of Paint Creek set sail on a cloudy wet day to Leuders. As they turned the corner, they saw a band of Raiders, dressed in red, waiting for their battle. The ship landed, the Pirates jumped off and planned their strategy. The Pirates won the toss and would have the ball first.

They drove the ball down the field until a fumble stopped the drive. Then a superior Pirate defense took over and regained possession of the ball from the Raiders. This time Jesse Rodriguez took the ball in for the score and Tony Jeffcoat ran in the extra point to make it 7 to 0.

Again, the Pirate defense held, and Troy Jeffcoat scored on a sweep play.

The Pirates kicked off and once again held the Raiders. They took over the ball and Jesse Rodriguez scored and added the extra point.

As the second half got underway, it was Troy Jeffcoat scoring for the Pirates with the extra point failing. Jesse Rodriguez scored one more time with Troy Jeffcoat adding the extra point run. This made the final score Paint Creek 34, Leuders-Avoca 0.

The eighth-grade Warriors hosted the Hamlin Pied Pipers last Thursday but were defeated 12-0.

With two runs by Rodney Johnson, the Warriors moved the ball up and down the field, but failed to score.

Johnson's first run was for 60 yards and the second, for 25.

"They learned two valuable lessons from this game. They learned what four fumbled snaps and three fumbles can do to a good football team," Coach Jim Bob Mickler said.

Small defensive mistakes let the Hamlin Pied Pipers get on the board.

The Warriors will face the Rotan Yellowhammers at 6 p.m. today at Rotan.

Jeffcoat scored on a sweep play.

The Pirates kicked off and once again held the Raiders. They took over the ball and Jesse Rodriguez scored and added the extra point.

As the second half got underway, it was Troy Jeffcoat scoring for the Pirates with the extra point failing. Jesse Rodriguez scored one more time with Troy Jeffcoat adding the extra point run. This made the final score Paint Creek 34, Leuders-Avoca 0.

Again, the Pirate defense held, and Troy Jeffcoat scored on a sweep play.

7th-grade loses close one to Hamlin

By Lance Hanson

The seventh-grade Warriors hosted the Hamlin Pied Pipers last Thursday and were nosed out, 12-14.

"It was fun to see the kids fight back hard to try to win," said Coach George Martin.

The Warriors' two scores came on identical plays. David Foreman hit Domingo Gonzales for a 70-yard touchdown and 75-yard touchdown. Both extra points failed.

"We had some penalties and they made few mistakes than we did," Martin said.

The Warriors travel to Rotan this Thursday (today) to face the Yellowhammers in a game beginning at 5 p.m.

Rule falls to Pirates

The Rule Bobcats received the kickoff and the Paint Creek Pirates took the ball over on downs. They started a drive which ended with a scoring pass from Mikeal Gonzales to Keith Medford.

The Bobcats scored on their next possession. After both teams scored twice more in the second quarter, the halftime score was Bobcats 22 Pirates 20.

In the second half the Bobcats exploded with three touchdowns while the Pirates were held to only one, which was scored by Gonzales.

The final score was Bobcats 42 Pirates 26.

—Sports Stuff—

Certainly no team in Texas this year—or probably no other year—has met the caliber of opposition that the Haskell Indians have faced during this football season.

Having met the No. 1 and No. 2 rated teams in its own classification (Electra and Hamlin) gives the club a distinction that no other team can claim.

And that's not all. The Indians also met the No. 1 rated team in Class A (Munday), in addition to facing a top-flight Class AAA opponent (Iowa Park).

For the rest of the season, Haskell's football games will start at 7:30 instead of 8 p.m.

All non-district games started at the later time, but now that district play has begun, games will get started a half hour earlier.

The 7:30 starting time will continue after the end of daylight saving time Oct. 27.

Coach Harold Hill won't say whether he thinks

Electra or Hamlin is the better team.

"I just hope they get to play each other in the playoffs—and they probably will," said the Haskell coach who met both of these teams.

When you get beat 47-0 as Haskell did last week at Hamlin, there's not a whole lot of good things to be said.

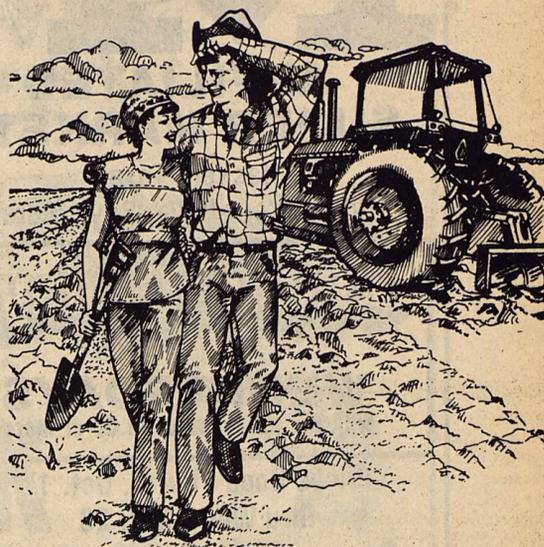

But the Haskell defense can be applauded for its efforts in the last quarter.

After the Pied Pipers recovered a fumble at the Haskell 12, the Indians were not ready to give up, despite a 47-0 deficit. In four plays, the Pipers lost a yard, made four yards, made another four and then were stopped on the 3.

On their next series, Hamlin took over on the Haskell 27. Three running plays and a penalty left them at the 23 with a fourth down. A fumbled pitchout was recovered by Patrick Perez on the 31, leaving the Pipers with a minus-4 yards for the four-play series.

Pride.

A tradition in the good country. And at Olney Savings.

The tradition of pride runs deep in the good country, and it sets the people here apart from others.

In one sense, it's pride in being the best they can be. But more importantly, it's pride in knowing that their efforts are directed toward a common good—the kind of pride that can be experienced only through shared achievement.

At Olney Savings, that's the kind of pride we encourage—and always will. Because that's the kind of pride that makes the most important things in life happen.

Come see us soon. Or call and we'll come see you. We'd be proud to serve you.

Checking Accounts

Five different accounts to choose:

- All interest-bearing
- Pick your own minimum balance: \$2,500, \$1,000 or no minimum balance
- No service charge is required if balance is maintained
- MPACT service
- Free first order of checks
- Insured up to \$100,000 by FSLIC

Savings Accounts

All savings accounts are insured up to \$100,000.

Osamatic Account

- \$5 minimum balance
- Earns 5½% interest
- Unlimited withdrawals

Daily Money Market Savings

- \$1,000 minimum balance
- Earns current money market rates
- Earns 5¼% interest if balance is below \$1,000

Certificates of Deposit

- Invest from \$1,000 to \$100,000
- Various terms to suit your needs

Tax Sheltered Retirement Account

- Individual—save up to \$2,000 per year

Postmaster offers Christmas mailing tips

With a little bit of care, holiday cards and packages can arrive on time and in good shape, says Haskell Postmaster Joe Alves.

In addition to mailing early, postal customers are urged to properly address cards and packages with the name, house number and street (or post office box) number, and the city, state and ZIP Code reserved for the last line. Use of apartment numbers is encouraged.

"It is also a good idea to put a slip of paper with the recipient's name and address and your return address inside parcels, and be sure the addressing on the outside of the parcel includes your return address and ZIP Code," Alves says.

Customers also are reminded to check the size of their envelopes before mailing Christmas and other holiday cards. Letter size standards require that envelopes be at least 3-1/2 inches high and 5 inches long to be accepted for mailing.

Parcels will arrive at their intended destination in good shape if the following suggestions are followed:

CUSHION: Make sure contents are well-cushioned and there is no empty space in the box. Use crumpled newspaper around the item, including all sides, top and bottom. Commercially available foam shells or air-pocket padding also are good cushioning materials. Padded mailing bags are a

good way to mail small items.

DON'T OVERWRAP: Just use the carton. Brown paper and twine cord are not necessary. Paper can rip, and twine can become entangled in mail processing equipment.

SEAL PROPERLY: Close the parcel with one of the three recommended types of tape: pressure sensitive, nylon-reinforced kraft paper, or glass-reinforced pressure sensitive. Don't use cellophane tape or masking tape—they aren't sturdy enough. It's a good idea to put a slip with the address and return address inside the parcel.

AVOID SMUDGES: Use smudge-proof ink for addressing.

POSITION ADDRESSES PROPERLY: Put the recipient's address in the lower right portion of the package. Put the return address in the upper left corner of only one side of the package. Remove all other labels.

USE ZIP CODES: Be sure to include the ZIP Code in both the recipient's and your address. Remember, wrong ZIP Codes can delay the mail.

APARTMENT NUMBERS: Using apartment numbers or suite numbers, when known, helps the Postal Service deliver mail in large buildings.

TIME IT RIGHT: Mail early in the month and early in the day.

USE THE RIGHT SERVICE: Irreplaceable items, such as cash and other valuables, should be

sent by registered mail.

IF YOU RUN OUT OF TIME: Priority mail affords first-class handling for packages weighing over 12 ounces and up to 70 pounds. Priority mail can be sent from any post office, station or branch or through rural carriers to any address in the U.S. Delivery of priority mail is accomplished in two to three days anywhere in the country. Priority mail can even be used for foreign mailings.

The service is available with insurance, return receipt, COD, certificates of mailing and special delivery. Customers interested in priority mail should contact the post office for details.

While it may be true that money can't buy love, it can buy life, especially when you give a contribution to the Haskell Co. Ambulance Memorial Fund. Your contribution is tax deductible, and will be useful for years to come. Don't hesitate. Make arrangements now to give. Thank you.

SCOUTS VISIT FIRE DEPT.

Members of the Den 4 of the Cub Scouts took a tour of the Haskell Fire Dept. Friday afternoon. Enjoying the sights and explanations from Fire Chief Tom Watson were, front row from left, Vickie Emert, den leader, Cody Conner, Anthony Emert, Brandon McFadden, Michael McFadden, Mary Ann McFadden, den mother; top row, Jonathan Short, Huey Peiser, Junior Pena and Jeremy Cadenhead.

Poster Winners Told

Winners in the school's Fire Prevention Week poster contest were announced Friday.

Posters of all students who participated in the contest are being displayed in windows of Haskell stores during this week.

First-place winners were:

Tony Coleman, special education division; Mary Kay Watson, primary division; Anna Morrison, intermediate division; Wendy Watson, junior high division, and Vance Breeden, high school division.

Wendy Cowperthwait was second-place winner in the special education division. Other second-

place winners were Jeremy Brock, primary; Jennifer Comedy, intermediate; Chris Tanner, junior high, and Todd Sparks, high school.

Third-place honors went to Chad McGhee, special education; Mik Everett, primary; Casey Larned, intermediate; Chad Gibson, junior high, and Brad Bevel, high school.

The contest was sponsored by the Haskell Volunteer Fire Dept.

Local winners will compete in the Midwest Texas district contest and winners there will compete in the state contest sponsored by the Firemen and Firemarshal's Assn. of Texas.

Cubs receive badges

Cub Scout pack 136 members received badges last week when they met at the Presbyterian Church.

Two members graduated into the Tiger Cubs.

There were nine Bobcat badges awarded, two Wolf badges, six Airpoint badges, seven recruiting

badges and seven Scientist Activity badges.

Certificates of appreciation were awarded to three leaders who helped with the group last year, Kathy Jones, Vicki Josselett and Laura Adress.

The pack now has 37 members and nine leaders.

QUESTIONS BEFORE BUYING

Too many small businesses are purchased with too few questions asked. You should have satisfactory answers to at least these questions before proceeding with your investigation to purchase a business.

- Why is the seller selling? Are the hours too long for the new profit received?
- Is the asking price realistic in relation to net profit and assets being transferred?
- What is the true new profit? Are owners' salaries included in the expenses?
- Are adequate records available to determine net profit for the past three years? Are sales tax records or federal returns available for review?
- Will you get an adequate financial return on both your money invested and your time to manage the business?
- How much cash is needed now, and how much cash will be needed for peak seasons as well as for changes you would like to make shortly after the purchase?
- Is the current equipment adequate or will you be purchasing new equipment?
- Is the building lease adequate and is it transferable?
- Will the customers remain loyal to the business when the current owner leaves?
- Will the current owner help during a transition period?
- How much do you know about the type of business you are about to buy?
- Will the seller let you work in the business for a few weeks before you actually sign a buy/sell agreement?

There are more questions to be asked depending on the type of business you are buying. Unless you are well acquainted with the buying and selling of businesses, you should seek professional assistance.

232 attend farm group convention

Two hundred and thirty-two members and guests attended the annual convention and barbecue supper of the Haskell County Farm Bureau Oct. 7.

Cole Turner of Rochester was elected president of the organization and Kenny Thompson of Paint Creek was named vice president.

The group elected three new board members and re-elected two others, all to two-year terms.

New board members are Tim Everett of Haskell, who replaces Joe Davis; Gary Thomas of Haskell, who replaces Leon Stegemoeller, and Woody Turnbow of Weinert, who succeeds Harlan Weinert.

Re-elected to the board were Robert D. (Bob) Aycock of Haskell and Thompson.

Special guests were Mr. and Mrs. Leonard Schaffner of Henrietta. He is state director of District 3. Other guests included Steve Fieldman, Steve Cochran of Aspermont. Schaffner gave a brief address, updating members on Texas Farm Bureau happenings. Ten towel sets were awarded as door prizes.

Brightly colored — attention getting — Open-Closed Signs for your office or business. Comes complete with changeable letters in black or red. Also includes a sign for counter top use. See at the Haskell Free Press.

Haskellites eligible to serve as arbitrators

Persons from Haskell are invited to apply for positions of community arbitrators, to be trained to hold hearings and make final decisions in consumer/business disputes.

The program is a project of the Better Business Bureau of North Central Texas, which includes Haskell and 15 other area counties.

In the BBB arbitration program, a customer and a business may settle a dispute by taking it before a community volunteer, who holds an informal hearing and then makes a final legally binding decision on the dispute.

The credibility of this

entire program depends on drawing volunteers from all segments of the community," said Noros H. Martin, president of the North Central Texas BBB. "We want public-spirited people who can make equitable decisions. No special background is necessary.

The BBB arbitration programs is provided at no cost to consumers. An arbitrator's decision is final and binding on all parties and the arbitrator serves without pay.

"Our cases include all kinds of marketplace disputes, but our arbitrators do not have to have technical expertise since the BBB maintains a

special pool of volunteer technical advisors who are available to provide assistance when needed," said Martin.

Those wishing to volunteer for the program should contact the BBB at 723-0900 in Wichita Falls.

9-county fair starts October 18

The third annual King County Fair, a nine-county invitational show which includes Haskell County, will be Oct. 18-19 at the King County Community Complex in Guthrie.

Gary Antilley, King County Extension agent, said that projects would arrive between 8 and 10 a.m. Friday, Oct. 18, and judging will begin at 10 a.m.

All livestock must be in the barn at 8 a.m. Saturday, the 19th, and sheep show judging will start at 10 a.m.

There will be a barbecue and a beard-growing contest at noon and judging of the cattle show starts at 1:30 p.m. A 4-H concession stand will be open on both days.

Show judges will be Russell Kott, Sterling county agent, for the sheep division, and Bob Benson, Hale County agent, for the cattle division.

Sailor completes course

Navy Petty Officer 3rd Class James R. Rea, grandson of Lee Brown of Haskell, has completed the Advanced Electronic Technician Course.

During the 10-week course conducted at the Naval Training Center Great Lakes, Ill., Rea received instructions on the operations, maintenance and repair of communication station receiver systems with an emphasis on antenna couplers, voice terminal units and microwave equipment.

A 1982 graduate of Haskell High School, he joined the Navy in March 1984.

Homecoming November 2

Homecoming at Paint Creek will be Saturday, Nov. 2.

The schedule for homecoming activities includes registration at 1 p.m., a business meeting at 2, a homecoming supper at 5, a pep rally at 6:30 and a football game between Paint Creek and Rochester at 8.

Haskell area aging agency awarded funds for hunger

Hunger will no longer be a constant companion to many homebound elderly in Haskell. The Texas Department on Aging has

awarded the West Central Texas Area Agency on Aging \$43,776. This is the first year's award of money appropriated during the 69th Texas Legislature for the Omnibus Hunger Bill.

The West Central Texas area includes Haskell County, as well as the counties of Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Jones, Kent, Knox, Mitchell, Nolan, Rannels, Scurry, Shackelford, Stephens, Stonewall, Taylor and Throckmorton. These counties contain and over-60 population of 83,469.

"The program is for elderly people who cannot afford, or are unable to prepare a meal for themselves due to physical limitations," said O.P. (Bob) Bobbitt, TDOA executive director.

"The home-delivered meals are intended for elderly persons who have not regularly participated in any home-delivered meal program during the last federal fiscal year (Oct. 1, 1984-Sept. 30, 1985), particularly low-income persons in need of nutrition maintenance; elderly

people whose names have been on written waiting lists to be served by an agency when resources are available, or elderly persons recently released from hospitals," Bobbitt said.

"This program will enhance our current efforts to provide nutrition programs for older Texans. Each weekday, the Department on Aging, through our area agency on aging network, provides over 50,000 home-delivered and congregate meals which meet one-third of the recommended USDA nutritional requirement.

"Our nutrition services, as well as our many other services such as transportation, telephone reassurance, and information and referral are available free to any Texas 60 years of age or older. Those who are able may contribute to help maintain and expand our programs."

Assorted color coding labels. These self sticking colored labels come in a package of 4 bright colors. Ideal for shower invitations or home color coding projects. Haskell Free Press.

Roberson featured in Sunday recital

Edwin A. Roberson, son of County Judge and Mrs. B.O. Roberson of Haskell, graduate assistant with Hardin-Simmons University bands, will be presented in a recital at Woodward-Dellis Recital Hall on the HSU campus at 3 p.m. Sunday, Oct. 20.

Roberson, E. flat alto saxophone, will be assisted by Dr. Andy J. Patterson of the School of Music faculty, on the piano.

Selections will include Suite, 1. Improvisation, 2. Dance des Demons, 3. Plainte, 4. Espieglerie by Paul Bonneau; Ballade by

Alfred Reed; Intermezzo, Op. 103 by Edvard Moritz; Saxophone Royal by David Bennett; Two Portraits, 1. Adagio-Andante, 2. Allegro by Andy J. Patterson; and Scaramouche, Op. 53, No. 2 by Eugene Bozza.

Roberson holds a bachelor of music degree in saxophone performance from HSU and a master of music degree in saxophone performance from Ball State University, Muncie, Ind. He is working toward another master's in theory-composition at HSU.

Bundle UP Your Home Today

And Help Keep Energy Bills DOWN This Winter.

Upgrade Your Insulation.

Insulation comes in rolls, loose fill or batts. The "Resistance-value" or "R-value," indicates the ability of a material to keep heat from passing through it. The higher the "R-value" the more heat the insulation will keep inside in the winter and outside in the summer. WTU recommends R-30 insulation in the ceiling and R-16 in the walls.

Keep Weatherstripping & Caulking in Good Condition.

Seal cracks around doors, windows, pipes

and wiring to help you save on both heating and cooling costs. Polyurethane or similar caulking, plus felt or foam-rubber products, come in an easy-to-install form at most hardware stores and will help you draft-proof your home.

Call Your Heating Serviceman.

Have your heating unit checked NOW by a qualified specialist to put it into top operating condition. Not only will you minimize the possibility of a costly and uncomfortable breakdown in the middle of winter, you will also help keep down home operating costs.

Remember REDDY Supplies the energy— but only YOU can use it wisely!
