Pros and cons of amendments in this issue

City ordinances re-coded

City councilmen passed an ordinance last Tuesday which adopted a new code of ordinances.

The new code represents a compilation of all ordinances ever passed by the city after the elimination of unconstitutional and antiquated provisions.

Nearly two years in the making, the new code brings all ordinances up to date in an orderly, referenced and indexed journal.

The City also approved a lease of the 88 acres of land at the airport to Leon Kretschmer. The lease, calling for payment of \$15.55 per acre is for 1988 with the lessee having an option to renew for 1989. Former lessee Roger Moeller had notified the council that he was not interested in renewing his lease.

In other action, the council:

Approved a Zoning Board recommendation that property at 1002 S. 2nd St., belonging to J. C. Amburn, be re-zoned to allow the placement of a mobile home at the site.

Heard a protest from Billy Jack Ray concerning the recent appointment of Bill Lane to succeed Ray as fire marshal. (Councilmen said they were following long-standing policy of approving the recommendation of the fire department.)

Discussed, but took no action, on the feasibility of installing handicapped ramps around the courthouse square, and of the high curbing in the 100 block of North Avenue E.

Heard a report from city administrator Robert Baker that the City ended the fiscal year Sept. 30 with a surplus of \$17,191.49. Baker explained that total income for the year came to \$1,015,710.62 and expenditures were \$998,519.13. He also told the council that the City has \$372,289.01 in cash and in certificates of deposit and that Jeff Gregg, CPA, is in the process of performing the annual audit.

First cotton bale ginned at Rule

Haskell County's first bale of cotton from the 1987 crop was ginned Oct. 12 by Rule Co-op Gin. It was harvested by Norris Anders and weighed 419 pounds.

The Rule Compress presented Anders with a \$50 check for having the first bale of cotton.

At seminar

U. S. Rep. Charles Stenholm, right, takes time out from the rural health seminar in Haskell last week to chat with State Rep. Rick Perry, center, and R. C. Couch.

Stenholm gives health care views

U.S. Rep. Charles Stenholm told a Haskell audience last Tuesday that the federal government's attempts to control health care costs have unfairly hurt rural hospitals.

Speaking at a community development seminar at Haskell Memorial Civic Center, the congressman outlined possible changes in the Medicare system.

"I think we now have a major crisis on our hands," Stenholm said. "Rural health care is in a crisis stage as we see more and more hospitals being closed."

Three Big Country hospitals have closed in the past three years. Hospital officials say a new Medicare reimbursement system is reducing their income and forcing the closings. The old method of reimbursement paid almost all of what doctors and hospitals submitted in bills for care of Medicare patients.

In 1983, Congress passed amendments to the Social Security act which limited reimbursements in most cases to the average cost of treating an illness or performing a medical procedure.

Congress made those changes to halt medical care inflation, which threatened to bankrupt the Medicare program, Stenholm said. Even with

the reimbursement changes, he said, "Medicare is still going broke--but without the changes things could be even worse."

Stenholm said the system is "starving rural hospitals," since it pays them less than urban hospitals for treating the same malady.

Providing health care in rural areas, federal officials say, costs less than in urban areas because rural hospitals have smaller operating costs. But Stenholm argued that rural hospitals must often pay higher salaries to attract nurses and doctors and pay more for supplies because they buy less than urban hospitals.

"We do obviously need to do a lot of things to this program, especially in the area of rural health," agreed Bill McCutchen, a Health Care Finance Administration deputy regional director. The administration operates Medicare programs.

The 50-member U.S. House of representatives Rural Health Coalition has pushed for narrowing the reimbursement disparity between rural and urban hospitals, which varies from 25 to 40 percent, but haven't been successful, Stenholm said.

"If you want to help rural areas, you have to take away from cities whose representatives outnumber rural representatives," said Stenholm.

City to apply for state grant

The Haskell City Council has called a public meeting for next Tuesday, Oct. 27, for the purpose of discussing priorities of city needs. The meeting will begin at 7 p.m. at City Hall.

City administrator Robert Baker said that the City will apply for a \$300,000 grant from the Texas Department of Community Affairs, and it will be necessary to obtain citizen input in determining the projects for which the money would be used.

Another public hearing, as required by law, will be held later.

Stephanie Solomon claims contest prize

Stephanie Solomon claimed the \$20 first prize in last week's football contest by correctly selecting the winners of 17 of the 20 contest games.

She missed only the Texas win over Arkansas, the Syracuse victory over Penn State and the Redskins' triumph over the Cowboys.

Another contestant, Esther Conner of Rule, also had 17 right answers, but had to settle for \$10 and second place after application of the tie-breaker prediction. Ms. Conner failed to foresee Haskell's win over Albany, Alabama's triumph over Tennessee and Washington's win over Dallas.

Seven contestants picked 16 winners, but Marsha Reid of Rochester and Stacy Hester of

Prizes to be offered

Turkey Walk Nov. 7

It's about that time of year again to get out the walking shoes and dust them off for the annual Haskell County Heart Association's Turkey Walk, set for Nov. 7.

Grand prize this year will be New Years Eve at the Hilton Inn Downtown in Dallas with four tickets to the Cotton Bowl and overnight accommodations. The prize is being donated by Farmers National Bank, First National Bank, Haskell National Bank, Home State Bank and Olney Savings.

Other prizes will include a plant stand from Boggs & Johnson, cassette tape from Frazier's Appliance, a \$15 gift certificate from Heads or Tails, a florentine tray from Jones Cox, a photo album from Kis Photo; 20 free movie rentals from Owens Radio and Electric, a cake plate from Perry's, a decorative wall hoop from The Sunshine Shop, an exerciser from Sport About, two sets of tea glasses from Western Auto, a storage box from White's Auto, a pocket radio with ear phones from Bassing Jewelry, The Carousel, The Drug Store and Video Vendor.

Participants who turn in at least \$50 in pledges will receive Turkey Walk T-shirts. Each walker garnering \$100 in pledges will receive a turkey. Turkeys are being donated by Modern Way, M System, Buster's Drive In Grocery and Pogue's Grocery of Haskell, Tanners Grocery of Rule and Weinert Grocery in Weinert.

To be eligible for any of the prizes a participant must register to walk by filling out a Turkey Walk pledge/registration sheet. It must be completed when the walker registers for the walk on Nov. 7. Registration will start at 8:30 a.m. at Haskell National Bank for Haskell walkers, and at the Rule City Park for Rule walkers.

The walk will be 10 miles, but participants are not required to walk the entire distance. Walkers will be expected to pick up the pledges for the number of miles they do complete, however.

All pledges should be turned in no later than Nov. 17. Sponsors can be enlisted for an event after the completion of the walk. Participants will be given credit for all money they turn in Nov. 17.

Pledge sheets and additional information is available from Norma Richardson at Olney Savings (864-3179) or Janet Thane at the First National Bank (864-8555).

Fund established for fire victims

A fund has been established for the family of Marcello and Gloria Rodriguez who lost their home and furnishings in a fire last Wednesday night. They have six children.

Contributions may be made at the Haskell National Bank.

Haskell, Stamford collide here Friday

It's "that time" again.

And "that time" means the annual Haskell-Stamford football game will be played this Friday in Haskell.

Although the contest will be a very important district 7-2A encounter, especially for the Indians, it also represents "the game of the year" as far as the two schools are concerned. No football game in these parts is more fiercely contested than this annual brawl between these two ancient rivals.

Each of the teams is coming off a cliffhanger. Haskell defeated Albany, 13-12, last Friday while the Bulldogs were losing a 21-20 decision to Anson.

Haskell now stands 1-1 in the district and 4-3 for the season. Stamford is 0-1-1 and 1-5-1. But Stamford's season record is somewhat excusable when considering the Bulldogs pretty well held their own while losing to the likes of Breckenridge and Eastland.

The Bulldogs opened the district season with a 14-14 standoff against Albany before blowing a 20-point lead and losing by a single point to Anson.

"They have a lot better team than their record indicates," said Haskell

Coach Nelson Coulter this week. "The film of their game against Albany looks a lot like ours against Hamlin. They had several costly mistakes at inopportune times."

The Bulldogs have some outstanding players. Senior quarterback Bobby Alvarez provides them with experienced leadership. Haskell coaches are high on Stamford tailback Eric Jones. Todd Harrison, who was a quarterback until suffering a broken thumb is now a flanker and end Paige Griggs is considered one of the best pass receivers in the area.

Haskell should go into the game injury free. Quarterback Patrick Perez, who was in for only one offensive play last week, appears to be recovered from the leg injury he suffered at Hamlin. Eric Mullen, who had a knee injury last week, should be able to go.

Haskell needs a victory to remain in contention for the district championship. A win here Friday, along with victories in the other two remaining district games against Hawley and Anson, would assure the Indians of no worse than a second-place finish.

Kickoff is at 7:30 for the final home game of the season.

Josselet club has meeting

The Josselet Extension Homemakers Club met Tuesday, Oct. 13, in the home of Mrs. Pete Mullins for their regular monthly meeting.

Mrs. Mullins, club president, read a poem "So Swift the Way: So Short the Day" for devotional and the TEHA prayer was said.

Fifteen members and one guest, Lou Gilly, county agent, were present.

Roll call was answered with: A bad experience I have encountered as a patient, or of someone else.

Lou Gilly gave the program on: "The Art of Being an Informed Patient." The agent had a patient/doctor relationship quiz, pertaining to:

1. Preparation for a visit.
 2. The office visit.
 3. Following the doctor's advice.
- And a lot more information was given.

She used two club members in her illustration:

Mildred Robertson was Dr. Do Good and Sara Hodge was Mrs. Passive. Even after much laughter and fun there were lots of good points brought out on being an informed patient. Everyone enjoyed the program very much.

Sara Hodge, vice president, appointed Flo Holder and Dorothy Trussell as members to attend the leader training program on "How to Be a Better Beef Shopper." at 3:30 p.m. on Oct. 21 in the County Extension office.

Mrs. Mullins reported "Information Day" will be Nov. 18 at the bank building.

Secret ballots were cast for the outstanding club woman of the year to be announced at the "Information Day."

New club officers were elected for the coming year.

The club discussed quilting a quilt as a money-making project.

Cavaness, Dunnam wed

Sharie Ann Cavaness of Water Valley became the bride of Ricky Wayne Dunnam in a wedding ceremony Oct. 17 in the Water Valley United Methodist Church.

The bride is the daughter of Mr. and Mrs. Alton Cavaness and the groom is the son of Mr. and Mrs. Jerry Dunnam of Haskell.

Ed McCorkle, a Church of Christ minister from Carlsbad, Texas, officiated.

Vows were read before an archway and two seven branch candelabras covered with jade greenery and red bows. Altar walls were covered with jade greenery accented with eight hurricane globes with candles. Two large baskets of red anthuriums and white carnations were placed on either side of the church. Arrangements of red anthuriums and Ti leaves were anchored to side windows.

Maid of honor was Cindy Turner of Canyon and bridesmaids were Pam Weise, Colene Glass and Teresa Charlesworth, all of San Angelo.

Flower girl was Kitna Copeland of Water Valley and ring bearer was Justin Stewart of Haskell.

Mickey Dunnam of Haskell served

his brother as best man. Groomsmen were Jimmy Burson, David Adams, Benny Bredthauer, all of Haskell. Candlelighters and ushers were Kevin Mathis of Lubbock, cousin of the groom, and John Cavaness, brother of the bride.

Given in marriage by her father, the bride's wedding gown was made from candlelight satin. The bodice, both front and back, was lattice cutouts, accented with iridescent sequins and pearls.

The sleeve featured a large puff on the shoulder, and also was accented with lattice cutouts, sequins and pearls. The cathedral length train was scalloped and also was trimmed in lattice cutouts, sequins and pearls.

Her headpiece was a candlelight headband that came to a slight point in front and was accented down the right side with silk flowers and string pearls. The poof on the back was of sheer illusion, as was the finger tip veil.

She carried an arm bouquet of white dendrobium orchids, white cymbidium orchids, Japhete orchids and white roses, sprengeri fern, plumosa fern and Ti leaves.

Her attendants wore floor length red taffeta gowns featuring puffed sleeves. Their arm bouquets were of red anthuriums, plumosa fern, sprengeri fern and Ti leaves.

The bride's mother wore a pink chiffon tea length dress and the mother of the groom wore a champagne satin tea length dress. Both wore corsages of red roses and red carnations.

The groom's boutonniere was a white rose accented with fern. He wore a full dress ivory couture.

His attendants wore regular cut grey Dynasty Sharkskin suits with red accessories and boutonnieres of red carnations. The fathers wore suits identical to the attendants with grey accessories and boutonnieres of red carnations.

A reception followed in the church. The bride's table was adorned with a silver votive candlebra featuring red anthuriums, white roses, scotch broom, sprengeri fern, plumosa fern and Ti leaves placed on a round mirror surrounded with votive candles.

The groom's table held a German chocolate cake topped with an arrangement of white roses, red miniature carnations, red bride anthuriums, scotch broom and sprengeri fern. Also decorating the table were cotton boles and miniature cotton bales. Serving at the groom's table were Suzanne Davis of Wichita Falls and Mandy Mathis of Rule, both cousins of the groom.

Following a wedding trip to San Antonio, the couple will reside in Haskell.

The bride is a graduate of Water Valley High School and American Commercial College. She also

Sharie Ann Cavaness Dunnam

attended Angelo State University. She is employed by Haskell Independent School District.

The bridegroom is a graduate of Haskell High School and is engaged in farming.

Sagerton couple to celebrate 60th

Mr. and Mrs. Leo Monse Sr. of Sagerton will be honored at a reception from 3 to 5 p.m. Saturday in observance of their 60th wedding anniversary. The reception will be in Fellowship Hall of Faith Lutheran Church in Sagerton.

Hosting the reception will be their children, Mr. and Mrs. Franklin Mrzek of Aspermont, Mr. and Mrs. Jack Monse of Sagerton, Mrs. Norvell Lehrmann of Rule and Mr. and Mrs. Virgil Vahlenkamp of Denton.

He was born July 10, 1902, in Louise and she was born Jan. 23,

1909, in Gruene. They met and married in Orange Grove where they lived until moving to Sagerton in 1946.

Members of Faith Lutheran Church, they have 13 grandchildren and 16 great-grandchildren.

from the trend current at that time of forming clubs basically with a commercial interest. The dream was presented on June 17, 1917, and they called for the first convention, which was held in Dallas Oct. 8-10, 1917, with 23 clubs participating.

In 1920 the first clubs were formed in Canada, which made Lionism international. From there it has spread throughout the world until over 160 countries and areas are represented. Although the youngest by far of the major service clubs, it is also the largest, with over 1,345,000 members in over 37,000 clubs.

Haskell Lions club was chartered in 1928. Except for a few years in the '30s, it has labored continuously under that name to serve the community of Haskell and work with Lions everywhere to serve the world.

The name "Lions Club" has been especially connected with sight conservation, through area eye banks and eye glass programs. That spread to interest in diabetes, since diabetes is a leading cause of blindness. The Crippled Children's Camp in Kerrville is one of 15 such camps sponsored by Lions, providing a lesson in independence, free of charge, under specialized care. Drug education and awareness also have been a concern for Lions, as part of a general interest in youth.

As Haskell Lions Club approaches 60 years of service, we thank all who have supported us over the years. We ask for your continued support and encouragement as we seek to promote peace and goodwill among people everywhere.

Great Walk

Editor: The Capitol Committee and the State Preservation Board are pleased to announce that Haskell County will be represented among those etched on the Great Walk leading to the Texas State Capitol in Austin and want to thank the Haskell County Commissioners Court for this accomplishment.

The Texas Association of Counties is sponsoring a project to have all 254 Texas counties' names included in a special section of the walk.

Over the past several years, plans have been underway for the restoration of the state Capitol, which will celebrate its 100th anniversary on May 16, 1988. To complete the first phase of the restoration, the Capitol Committee has enlisted the support of all Texans to share in this historic restoration by means of "A Walk in History" project.

Years of continued use and weather have deteriorated the Capitol's walkways. These approaches to the Capitol will be restored using 28-inch concrete diamond-shaped pavers upon which will be etched the name of each contributor. Completion of the "Walk in History" is scheduled prior to the May 16 centennial celebration of the Capitol's completion and dedication.

Anyone interested in participating should contact the Capitol Committee, 1507 W. 6th, Austin, TX 78703, or call 512-477-6499. Pavers are available on the Great Walk and the names of individuals, families, associations, clubs and businesses may be inscribed on the pavers.

Revival planned at Goree

The First Baptist Church of Goree will host a revival this Friday, Saturday and Sunday.

The first service will be at 7 p.m. Friday. A prayer breakfast is planned for 7:15 a.m. Saturday, with services that night starting at 7.

Sunday's schedule calls for Sunday School at 9:45 a.m., services at 11, followed by dinner and an evening service starting at 6.

Dr. Frankie Rainey will lead the revival.

A pre-revival rally is planned for 7:15 p.m. today (Thursday) with the new pastor, the Rev. Wayne Varnell, preaching.

The public is invited to all services.

Lutherans schedule changes

Trinity Lutheran Church will change its Sunday morning schedule for this week only.

Sunday school will begin at 10 a.m. and worship at 11:15. The church will return to its usual schedule the following week (Nov. 1) with worship at 8:45, followed by Sunday school.

Since this Sunday is Mission Festival, the change will make it possible for the meal to follow worship service. Dinner will consist of stew and dessert. A sing-along will open the afternoon activities.

The stirring story of the resurrection of an inner city church will emphasize the importance of outreach in the U.S. A special offering will be received for the church's mission, Iglesia San Pablo in Weslaco.

"The cooperation of our partners, Christ Lutheran in Stamford, is greatly appreciated," said Vic Andersen who serves both congregations as pastor.

Winn's attempts to please our customers at all times. That includes having ample quantities of advertised items on hand. But occasionally, due to unforeseen reasons, an advertised item may not be available for purchase. In this event, Winn's will issue a Rain Check upon request for the item to be purchased at the sale price as soon as it becomes available. If the item will not be available within a reasonable time, the customer may purchase a similar item at a comparable reduction in price. Merchandise designated as available in limited quantities will be sold on a first come, first served basis while quantities last. Winn's reserves the right to limit quantities purchased so that as many customers as possible may benefit from advertised prices.

Academy applications available

Congressman Charles W. Stenholm is accepting applications from young men and women in the 17th congressional district who are interested in attending one of the nation's service academies. In December, the congressman will have the opportunity to nominate area citizens for appointments to the four U.S. academies: the Air Force Academy in Colorado Springs; the Military Academy in West Point; the Naval Academy in Annapolis; and the Merchant Marine Academy in Kings Point, N.Y. Applicants must be American citizens; have outstanding high school records; be in good physical condition, including excellent eyesight. There is a limited number of waivers for non-pilot candidates whose eyesight is less than 20/20.

Chamber of Commerce Welcoming Committee members recently welcomed the A. L. Williams Company to the local business community. Rosemary Brown, third from right, is regional vice president of A. L. Williams. To her right is her husband, George Brown.

Perry to co-chair state committee

State Rep. Rick Perry of Haskell has been appointed co-chairman of the Select Committee on State Air Transport Systems.

The appointment was announced last week by Rep. Gib Lewis of Fort Worth, speaker of the house.

The committee is charged with examining the efficiency of state aircraft usage. The study will include a review of operations of the State Aircraft Pooling Board and the Texas Aeronautics Commission.

It also will include the examination of the number of hour flown and passenger loads, the percentage of travel into major metropolitan areas where frequent commercial flights are available, other states' pooling practices, and the establishment of standardized flight data.

Upon accepting the co-chairmanship, Perry stated, "The critical point in this study is that Texas is a big state, and we want to establish a travel system that can service non-commercial areas with the

greatest efficiency and effectiveness.

Perry is serving his second term as a democratic lawmaker. He is chairman for budget and oversight for the House Judicial Affairs Committee and also serves as a member of the House Appropriations and Calendars committees.

Church to host Handbell Choir

The First Baptist Church of Haskell will host a concert by the Handbell Choir of the First Baptist Church of Hamlin Sunday evening. It begins at 6 o'clock.

Also appearing will be Two With Song, a ladies' duet, and Revised Edition, a ladies' and men's singing group.

The public is invited. There will be no charge.

Ask VA

Q: Does the New GI Bill, which started July 1, 1985, have an ending date for participation by active duty military personnel?

A: This program was made permanent on June 1, 1987. It was re-designated the Montgomery GI Bill with no termination date.

Q: I was denied reimbursement for a privately purchased headstone because I purchased it prior to my husband's death. Is this correct?

A: Yes. Reimbursement may only be paid for a headstone or marker purchased after a veteran's death. If a headstone or marker was purchased prior to a veteran's death, an allowance may be paid for separate charges for engraving the existing headstone or marker following the death.

Q: Is there a maximum VA-guaranteed home loan?

A: Depending upon the income of the veteran, lenders will approve a loan up to four times the maximum VA loan guaranty of \$27,500, with no down payment. Beyond that amount, \$110,000, lenders usually require a down payment.

District leaders to meet

Either Hamlin or Anson will rest alone at the top of the district 7-2A standings after the third week of action this Friday.

The Pied Pipers and the Tigers, both unbeaten in district competition, play in Anson.

Hamlin has defeated Haskell and Albany, while Anson owns victories over Hawley and Stamford.

Haskell and Stamford will attempt to keep their title hopes alive when they meet in Haskell. Haskell lost to Hamlin and won over Albany, while Stamford tied Albany and lost to Anson.

The other district game will find Hawley at Albany. Hawley is winless in two district games against Anson and Hamlin, while Albany has a tie (Stamford) and a loss (Haskell).

Sidelines

Coach Nelson Coulter didn't think his team played one of its best games, but he was pleased that the Indians were able to win with a sub-par performance.

But he wasn't embarrassed. "I'll settle for three more just like it," he quipped.

Talk about ball control. Albany ran off 72 offensive plays, to only 33 for the Indians.

The Lions had 23 in the first quarter while Haskell had only two. The Indians had two first-quarter possessions and they fumbled the ball to the Lions on first down each time.

Chan Guess was a perfect 5-for-5 in passing. His extra point after the first Haskell touchdown provided the margin of victory, and his tackle of Albany's Guy Craig on the Lions' two-point conversion attempt preserved the victory.

Stephon Brockington broke up both of Gary Vickers' last two passes on the two final plays of the game.

Albany could have tied the game with a one-point conversion following its late touchdown and remained in pretty good shape in

district standings. A tie, which would have been the Lions' second, would have left them unbeaten in 7-2A.

Or the Lions may well have won if they had gone for a field goal on the final play of the first half. With a first and goal from the Haskell 4, they elected to go for the touchdown and failed.

Those weren't "cheap" field goals Jeff Mayes kicked. One was for 36 yards and the other 44 yards.

Stamford's Todd Harrison is the son of former Bulldog great Bob Harrison of the Gordon Wood era who went on to star at Oklahoma.

7th grade

The seventh-grade Warriors fell to 0-4 last week. A 28-0 loss to the Albany Cubs gave the Warriors their second loss to a district contender.

Due to UIL eligibility rules on grades, seven players no longer can compete. Because of this, the seventh- and eighth-grade teams will combine tonight to take on the Stamford Bullpups. The game will begin at approximately 6 p.m. at Stamford.

Booster Club

The Indian Booster Club was visited by a large group of seventh- and eighth-grade Warriors at Monday night's meeting.

Introduced by one of their coaches, Randy Stone, were seventh graders Mark Jones, Jason Munday, Cody Josselet, Sherwin Everton, Stacey Martin, Kevin Grand, Shawn Sanford, Brad Lane, Patrick Billington, Joseph Rodriguez and Shawn Jordan.

Eighth graders: Chris Tanner, Aaron McFadden, Lee Decker, Jay Williams, Jimmy Johnston, Johnny Rodriguez, Tony Coleman, Jeffrey Brister, Heath McMeans, Jeremy Jordan, Isaac Swann, Sam Rodriguez and Relandus Swann.

Concerning the Indians' 13-12 victory over Albany last week, head coach Nelson Coulter said that they played "keep away" with us as some other teams have done this year. The Lions ran the ball 72 times offensively to the Indians' 33 times. Coach Coulter felt that Albany had their best game of the year against us. "But," he said, "we survived."

It was reported that all the Indians are healthy enough to play this week against the Stamford Bulldogs. Coulter said "We'll keep doing what we're doing, we think it's sound."

He said Stamford is better than their 1-5-1 record indicates. They are about the same size as Albany. Coulter considers Paige Griggs to be the best receiver we've seen this year. They have a pretty good line which does a good job of protecting quarterback Bobby Alvarez. Alvarez was moved to the quarterback position only two weeks ago when Rob Harrison broke his thumb. Eric Jones is probably the best athlete on the team, according to Coulter. "He can tote the mail."

Varsity team members, cheerleaders and parents will be introduced at 7:15 Friday night as it is the last home game for the year.

Soccer practice

This week's soccer practice will be at the practice field east of the gym. Times are as follows:

Under 12 group, 9 a.m.; under 10 group, 10:30 a.m.; under 6 group, 1 p.m.; under 8 group, 2:30 p.m.

Indians edge Albany for 13-12 district win

It wasn't the prettiest of victories, but a victory nevertheless.

The Haskell Indians mounted two scoring drives here Friday night and made them stand up for a 13-12 victory over the Albany Lions in a district 7-2A football game.

Albany's failure to convert a 2-point conversion after getting a touchdown with less than 2 minutes to play preserved the Indians' first district victory.

Down 6-0 by virtue of Jeff Mayes' field goals of 36 and 44 yards, the Indians scored their first touchdown a minute and a half before intermission when Chan Guess connected on a 36-yard pass to Stephon Brockington. The Indian flanker made an over-the-shoulder reception and raced in for the score. Guess booted the extra point to give the Indians what turned out to be the winning margin, and a 7-6 halftime lead.

Except for a first down on an Albany penalty on the play immediately preceding the Haskell touchdown, the Indians had not even had a first down up to that point.

On their second possession in the third period, the Indians drove 76 yards for their second touchdown. Guess passes of 29 yards to and 24 yards to Louie Torres, a 10-yard run by Mark Young, and a 14-yard scamper by Fred Shaw powered the drive, made more difficult by Haskell penalties of 5 and 10 yards. Young got the touchdown from 3 yards out. Guess' extra point attempt was blocked, but the Indians led 13-6 with 44 seconds remaining in the third quarter.

Albany drove to the Haskell 34 after the Indian kickoff and Mayes tried a 50-yard field goal on fourth down. Although the attempt was no good, the Lions got another shot when Haskell was whistled for a 5-yard penalty on the attempt as the ball was moved to the 29. This time the field goal was faked and Junior Garcia, the holder, ran to the 20 which was 3 yards short of a first down.

After an exchange of possessions, the Lions mounted a 60-yard touchdown drive with Gary Vickers passing 37 yards to Ronald Holson for the score. But when Guy Craig tried to run for a 2-point conversion,

he was hit first by Rodney Johnson and then by Guess who pulled him down a yard short of his mark.

The Indians now stand 1-1 in district play and 4-3 for the season.

Rochester peace justice attends Amarillo seminar

Jane Short of Rochester was one of 95 justices of the peace from region 10 who attended a 20-hour seminar Sept. 8-11 in Amarillo.

The seminar was conducted by the Texas Justice Court Training Center, headquartered at Southwest Texas State University in San Marcos.

Seminars are held in compliance with article 5972, section B of the Texas Revised Civil Statutes.

Topics covered included a review of new legislation impacting the justice court system passed by the 70th Legislature, Civil Law, Code of Judicial Conduct, Criminal Trial Procedure, Forcible Entry, Detainer and Lease Agreement Laws, Contracts and Torts, Justice Court vs. Small Claim Court Jurisdiction, Regulatory Law Review, Inquests, Autopsies and a review of the Penal Code.

Unbeaten Rochester edges out Newcastle

Newcastle scored first, but Rochester more often Friday night as the Steers chalked up their seventh consecutive victory with a 30-22 win over their spunky foe.

Newcastle's Mark Spieker hit Eddie Newson with a 25-yard scoring pass and then booted the extra points as his team took an early 8-0 lead. Rochester tied it up later in the first period on a 3-yard run by Anthony Brown and a two-point kick by Larry King.

The Steers took the lead with 1:23 remaining in the first half on a 23-yard run by King. His bonus points gave the Steers a 16-8 halftime lead.

Brown ran 5 yards in the third quarter to stretch the Rochester lead to 22-8. Newcastle answered with a third-period score of its own on a 1-yard run by Tony Duckworth.

Spieker's extra-point boot made it 22-16.

Brown ran 34 yards in the fourth quarter and King booted the bonus points as Rochester upped its lead to 30-16. But again, Newcastle came back, scoring at the 4:23 mark on a 4-yard pass from Spieker to Tom Posey.

The Steers were scheduled to meet Weinert this week but Weinert's cancellation of its schedule will leave them with an open date.

Next week the Steers will be host to Benjamin in an important district contest. Benjamin is 6-1 for the season, but unbeaten in district pending outcome of its game with Goree this week. Goree, Rochester's final regular-season opponent, also is unbeaten in district.

SUPER THOROSEAL®:

THE CELLAR WATERPROOFING SOLUTION

Now you can completely waterproof and protect all masonry and concrete against moisture and seepage, above or below grade, indoors or out with Super Thoroseal - the heavy-duty, cement-base waterproof coating.

Harder and more durable than concrete alone, Super Thoroseal becomes part of the original surface after it's brushed on to completely seal pores and voids permanently. And, because Super Thoroseal permits surfaces to "breathe," it won't peel, crack or separate. Economical and easy to use, Super Thoroseal does the job right, once and for all.

Class of 1954

Members of the Haskell class of 1954 enjoyed a salad luncheon at the Methodist Church during homecoming. Hostesses were Mary Counts, Bobbie Brewick, Helen Homer and Dwanna Klose. Class members were, front row from left, Patsy Mullins Cooksey, Mary McCollum, ex-teacher, Kay Diggs, ex-teacher, Dwanna Matthews Klose, Lena Rueffeur Alvis, Helen Kimbrough Homer; back row, Delois Alsabrook Myers, June Alsabrook Robertson (class of 56), Fran Mullins Stewart (class of 53), Mary Mullins Counts, Bobbie Merchant Brewick, Sara Coleman Darden, Melva Andress Everett, Jessie Jones Nesbitt, Doris Strain Lloyd, Betty Nuckles Berry, Runey Easterling Hudgens, Brenda Josselet Baccas, Kay Gardner Payne and Joyce Rose Taggart. Also attending, but not pictured, was Thelma Thomas, ex-teacher.

Paint Creek Scouts winners

Paint Creek Scout Troop 148 bested 22 other Scout troops to win the Presidential Award or Best Troop at the Chisholm Trail council fall Camporee. The Camporee was held at Hayford on the Watt Mathews ranch near Albany where approximately half of the troops of the Council met to test their skills in various events in Scouting.

Events included eating a half-cooked pancake that had been cooked over a flint and steel fire and flipped three feet high, pulled off the ground and reflipped to the necessary five feet; lashing three poles in a tripod and suspended a sitting Scout from the middle with a bowline; trying to measure one-fourth acre by stride and compass, and still be in Shackelford County; finding a north-south line during the daytime without a compass in 10 minutes; establishing the distance across a river using a compass and determining magnetic bearing and distance within 180

degrees; lash three poles together forming a flag pole, and raise the flag without looking like half a McDonald's sign; each boy tie five knots and still have 10 fingers; stand uniform, or lack thereof, inspection; and camp inspection.

Other events the troop participated in included an adventure trail, a chili-mac cook-off, and visiting with other Scouts and Scouters from California, Oregon and Kansas, thanks to an Abilene Ham Radio Club.

Both the Cobra and Phantom Fox patrols from Paint Creek won blue ribbons, and their combined total placed them first in the Council camporee.

Sunday morning, the boys attended church services and struck camp trying to outrun a rain cloud that had been threatening all morning. Luckily, the rain held off until the troop was back on the Albany highway.

This week, Troop 148 is planning

a five-mile hike west of Rule, and preparing for the annual Pop Corn Sale which begins Oct. 21. Anyone wishing to purchase stovetop or microwave popcorn from the troop should contact a Paint Creek Boy Scout. Ask anyone who has tried this corn, and you will find it is an excellent popcorn. It will be delivered in plenty of time for Christmas presents.

Paint Creek Troop 148 is sponsored by the Paint Creek Independent School District.

Group seeks Super Collider

A statewide, bi-partisan campaign spearheaded by many of the state's top political and business leaders aims to bring the federal government's proposed \$4.4 billion Superconducting Super Collider to a site in Texas.

"At stake for Texas," said Houston businessman Jack Blanton, chairman of the campaign, "are literally tens of thousands of jobs and billions of dollars in economic activity."

The campaign will be funded with private donations solicited by the "Yes on Prop. 19 Committee."

If you use NCR forms, we have Liquid Paper's "Just for Forms". Corrects those errors easily. Haskell Free Press.

Saving requires consistency

The best way to acquire a fund for emergencies is to make saving a habit.

"Regular savers end up saving far more than occasional savers, even when they set aside a small amount at a time," says Nancy Granovsky, a family economics specialist with the Texas A&M Extension Service.

According to the specialist, there are several ways to get started on a savings plan:

+Every payday put money into a savings account first, before paying other expenses.

+Have a portion of your earnings deducted from your pay and deposited directly into a savings account.

+When you pay off a loan, save the amount of the old payment instead of putting it back into the budget for spending.

+Put your change in a home bank or jar. When it's full, deposit the money in the bank.

"It's advisable to have a fund to draw on in case of unemployment or a financial emergency," says Granovsky. "You may want to build a fund of two to six months take-home pay, an amount equal to your fixed expenses for a year, or some other amount appropriate for your financial situation."

Since money saved for emergencies should be convenient and readily available, it should be kept in a savings plan. Once you have reached your goal for an emergency fund, however, you can start investing your savings where they will earn higher interest, notes the specialist.

Arthritis affects clothing

"With the variety of fabric and clothing styles available, most people who have special requirements for ease in dressing need to select carefully when they shop," says Dr. Ann Beard, a clothing and textiles specialist.

"Light weight clothes are easier to put on and take off without tiring the wearer," she points out. Beard, who is a home economist of the Texas A&M Agricultural Extension Service, says that fabrics with give or elasticity are also more comfortable to wear and easier to put on.

"Since the effort required to complete routine tasks may cause people with arthritis to perspire more heavily, choose absorbent fabrics and those which wick moisture away from the skin," she says. "Cotton, linen, ramie, rayon and blends containing these fibers are among the best choices."

Beard says that texture is important since it can cause skin irritation, especially if the clothing is difficult to put on.

NOTICE OF PETITION TO LOWER FIXED FUEL FACTOR

Brazos Electric Power Cooperative, Inc. ("Brazos") hereby publishes NOTICE that it has filed with the Public Utility Commission of Texas a Petition to Lower Fixed Fuel Factor pursuant to the provisions of Article 1446c, Vernon's Annotated Civil Statutes and the Commission's Substantive Rules. Brazos is seeking an interim order to make the lower fixed fuel factor effective with Brazos' next billing cycle. If approved, the proposed interim fixed fuel factor would result in a reduction of anticipated fuel revenues by \$11,522,901 or 26.39% for the period September 1987 through August 1988. All customers of Brazos, which serves only at wholesale, are affected.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the PUBLIC UTILITY COMMISSION OF TEXAS, 7800 Shoal Creek Blvd., Suite 450N, Austin, Texas 78757. Further information may also be obtained by contacting Brazos at (817) 750-6500 or by calling the PUBLIC UTILITY CONSUMER AFFAIRS DIVISION at (512) 458-0223, or (512) 458-0227, or (512) 458-0221, TELETYPEWRITER FOR THE DEAF.

Lots of memory

It's said that elephants never forget, but the San Diego Zoo has found a better system. Debra Arnett demonstrates a computerized dating and mating service while one of the zoo's residents watches. Miss Arnett is the daughter of A. B. Arnett Jr. of Rule.

Having problems with those office Supp. or bookkeeping needs? Come by the Haskell Free Press, we can help you find a solution.

Search is on

The search is on. Under contract with the National Cancer Institute, botanists are scouring the world's tropical forests for plants with cancer-fighting potential.

The goal of the search is to find other plants as useful as the rosy periwinkle, which has yielded two powerful drugs against childhood leukemia, and the Pacific yew, which is showing promise against the deadly skin cancer, melanoma.

You are reading The Haskell Free Press and we thank you.

Rule man's daughter 'computerizes' zoo

The daughter of a Rule man is manager of information systems at the San Diego Zoo where thousands of animals are managed by computer.

Debbie Arnett, daughter of A. B. Arnett Jr. and the granddaughter of Mrs. A. B. Arnett of Rule, is in charge of the unique system.

The zoo has been using a computer to develop "Noah," a vast in-house animal data base system. Histories of 38,000 animals have been recorded, dating back to the founding of the zoo after the 1915-16 Panama-California International Exposition in Balboa Park.

Each animal is assigned a number and filed in the computer system by common and scientific names, sex, institution and type of enclosure.

Detailed electronic information is maintained and updated daily, listing accessions (purchases and births), medical records and causes of death.

Information on animals from zoos all over the world is kept on a master database. In addition, the staff developed a personal computer-based Animal Records Keeping System (ARKS).

"ARKS is a kind of animal dating and mating service, said Miss Arnett. "Sharing ARKS information helps us arrange trades with other zoos. ARKS saves us lots of effort when it comes to trying to breed or replace rare animals such as Fiji Island iguanas, pygmy chimpanzees or Przewalski horses from Mongolia."
