Noah workers to train

The Noah Project North, a program designed to assist victims of family violence, is in need of volunteers to man telephone hotlines, according to Betsy Nanny, outreach coordinator. A series of four special training classes is scheduled to begin in November.

"The Noah Project was started in Abilene several years ago, as a way of helping families stop abuse," said Mrs. Nanny. "The northern district project began operating Sept. 1 of this year and the response has been overwhelming.

Mrs. Nanny said that in the two months since operation began, more than 50 clients have been helped through the program. The Noah Project North serves Haskell, Throckmorton, Stonewall and Knox counties, as well as Stamford in Jones County.

The dates of the next volunteer training sessions are Nov. 5, 6, 12 and 13, from 7 to 9:30 each evening. Persons wishing to serve as volunteers need no special background or education, other than completing the four sessions. Volunteers are needed from all the areas that are served by the project.

Mrs. Nanny pointed out that the project also has numerous other needs, including donations of good, used clothing for women and children, disposable diapers, non-perishable food items and baby food and formula. Contributions of cash, which she says are tax deductible, also are welcome and appreciated, she added.

Those wishing to find out more about the project are encouraged to call the project office at 864-2551, or contact the volunteer coordinator at 864-3638. The 24-hour hotline number is 817-864-3972.

City sets another hearing

A second public hearing to discuss city needs and determine priorities for the use of a \$300,000 state grant is scheduled for City Hall at 7 p.m. Tuesday.

City administrator Robert Baker said any citizen of Haskell is welcome to attend the hearing and give his or her comments.

At an earlier public hearing last week, city councilmen discussed a paving, curb and gutter project covering 26 blocks in the southwest part of the city which would complete a project started three years ago. The cost would be \$346,000. A tentative proposal calls for the city to match the \$300,000 state grant with \$36,000 in cash and \$10,000 in in-kind inducements.

Only two citizens showed up at the earlier public hearing.

The city will apply for the \$300,000 grant from the Texas Department of Community Affairs. No grant was approved for the city last year.

Turkey walk Saturday

The annual Turkey Walk, sponsored by the Haskell County Heart Association, begins at 8:30 Saturday morning when walkers register at the Haskell National Bank (at the City Park in Rule).

The walk will be 10 miles, but participants are not required to walk the entire distance. Walkers will be expected to pick up the pledges for the number of miles they do complete, however.

To be eligible for the prizes being offered a participant must register to walk by filling out a pledge/registration sheet. It must be completed when the walker registers Saturday morning.

Numerous prizes are being offered, including a grand prize of a New Years Eve at the Hilton Inn Downtown in Dallas with four tickets to the Cotton Bowl and overnight accommodations.

Ten to compete in 4-H food show

Ten Haskell County 4-H members will compete Saturday in the Rolling Plains District 4-H Food Show. It will be at the Sikes Senter Mall Shopping Center in Wichita Falls.

Representing Haskell County will be:

Kacy Baitz, son of Mr. and Mrs. Fred Baitz of Sagerton; Heather Stewart, daughter of Mr. and Mrs. Danny Stewart of Haskell; Heather Guess, daughter of Mr. and Mrs. Hal Guess of Weinert; Jonathan Lamert, son of Mr. and Mrs. Danny Lamert of Sagerton; Emily SoRelle, daughter of Mr. and Mrs. Frankie SoRelle of Haskell; Jennifer Swoyer, daughter of Mr. and Mrs. Mel Swoyer of Sagerton; Joni Penman, daughter of Mr. and Mrs. Bill Penman of Rochester; Darla Draper, granddaughter of Mrs. Roy Cochran of Sagerton; and Dalyn and Kim Gilly, daughters of Mr. and Mrs. Duane Gilly of Haskell.

Entrants from 21 counties will compete in senior, intermediate and junior divisions. Each division has four food classes: main dish, fruits and vegetables, breads and cereals, and snacks and desserts.

Contestants in the district event are all winners of their county food shows. Senior division winners in each category will advance to the State 4-H Food Show next June in College Station. Special beef awards will be given by the Wichita Area Cattlewomen.

Contestants will report to the shopping center in Wichita Falls at 9:30 a.m. Dishes will be on display in the mall during the afternoon and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony beginning at 2 p.m.

Cookbooks containing all the recipes prepared in the district show will be on sale at the completion for \$4.

First place won by Bill Trammell

Five contestants picked 18 winners of the 20 games listed in last week's football contest, but first place and the \$20 prize went to Bill Trammell.

Trammell was chosen first-place winner based on his prediction of the tie-breaker score.

Second place and \$10 went to John E. Hicks of Rochester and third place and \$5 to Pam McDonald. They won out over Jackie Escobedo and Todd Harris, who also picked 18 winners.

All three of the winners missed the

same two games: Boston College over Tennessee and Michigan State over Ohio State.

Ten contestants picked 17 winners: Larry King of Rochester, Jerry Harris, Robert Dumas, Max Calk, R. E. Colbert, Missy Davis, G. L. Kennedy, Tom Long, D. Markey and Santos Baiza of Rule.

Sixteen had 16 right answers and another 16 had 15. Twenty-two contestants had 14 winners.

Dinner theater is Saturday

Haskell Chamber of Commerce presents its seventh annual Country Dinner Theater at the Civic Center Saturday night.

It begins at 7:30 with a dinner of roast beef, natural gravy, pinto beans, cole slaw with poppyseed dressing, hot rolls, butter, ice tea and homemade peach cobbler.

Following a welcome from the Chamber president Dickie Greenwood, invocation by Victor Andersen of the Trinity Lutheran Church and a sing-along with

Carolyn Everett and Mary Martin, Chamber board members will present "Sagebrush Saturday Night," written and directed by Chamber manager Wanda Dulaney. Cast members are Chamber board members.

Tickets are \$6 for adults over 18, \$3 for youth and children. They may be purchased from members of the board of directors or Welcome Committee and also are available at Modern Way, Haskell Commercial Printing, Olney Savings, The Drug Store, First National Bank, Jones

Indians meet Anson in do-or-die battle

The Haskell Indians can claim a spot in the state playoffs with a victory in Anson Friday night. The final game of the regular season begins at 7:30.

Haskell takes a 3-1 district 7-2A record into the contest. Anson, which also entertains playoff ideas, stands at 2-2 in district play.

A victory by the Indians will sew up second place in the district behind Hamlin. An Anson victory would give the Tigers a tie with the Indians if Hamlin beats Albany, and would give the playoff spot to Anson as the second-place representative.

Haskell, which now stands 6-3 for the season, will be going after its fourth consecutive victory. After losing a heartbreaker to Hamlin in the district opener, the Indians have rebounded to claim victories over Albany, Stamford and Hawley. Last week they crushed Hawley 42-6.

Defending district champion Anson has had a so-so season. The Tigers are 3-5-1 for the year, but have beaten Stamford and Hawley in district play. Last week, the Tigers lost to Albany 37-15.

Haskell's offense was just short of spectacular at Hawley last week as the Indians compiled 463 yards rushing and passing against the Bearcats. Fred Shaw rushed for 170 yards on 18 carries, Mark Young had 96 yards in 14 totes and Derrick Billington had runs of 24 and 75 yards on his only two carries. Chan Guess completed four of five passes for 73 yards and booted six consecutive extra points.

But Coach Nelson Coulter points out that this was against the weakest team on the Indian schedule, and things will be different this week

against the Tigers.

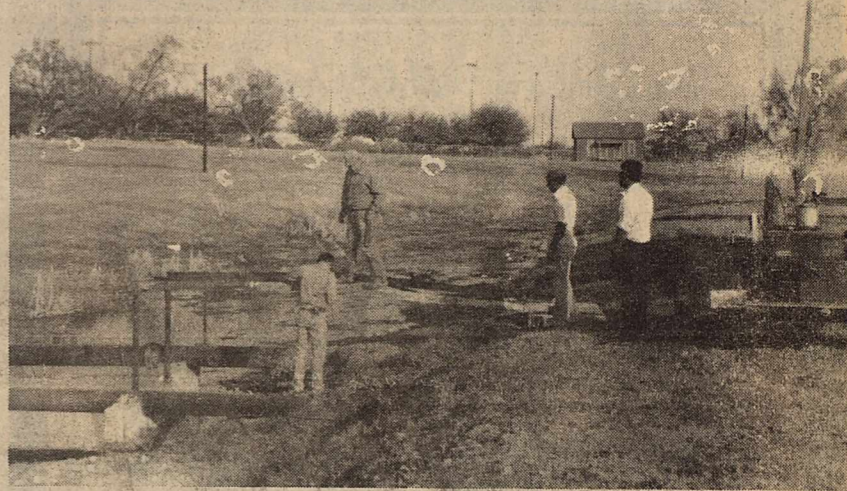

While the coach had praise for Robert Swann, Paul Harvey, Rodney Johnson, Matt Lane, Eric McMillin, Shaw and other defenders who held Hawley scoreless until the final minutes, he expects a much stiffer test from an Anson team which not only is much stronger, but has the playoff incentive working in its favor.

Leading the Anson team are three very capable backs, quarterback Monty Hall, tailback Billy Scott and

fullback Frank Beauchamp, who Coulter says all carry the ball about the same.

Coulter says the Tigers are a better team than their record indicates. "They block real well and have a good offensive line," the coach said.

Should the Indians win, they will meet the champion of district 8-2A in the first playoff game next week. San Saba leads that district, but must get by Coleman this week to claim the championship.

Bridge work

Haskell Rotarians are working on Saturdays erecting a foot bridge between the City Park and the swimming pool. The old bridge was taken out when the creek was re-channeled. The club has spent \$1,400 for materials. The City of Haskell has assisted with equipment and manpower.

Haskell hose teams take 4 first places

Hose teams from Haskell captured four first places, two seconds and a third during competition Saturday at the 98th semiannual meeting of the Mid-West Texas Fireman and Fire Marshall's Association in Colorado City.

First places were won in the ladies' three-person race, men's three-man race, men's six-man hose lay and men's pumper race.

The convention began at 10 a.m. with registration at the new facilities of the Colorado City fire station.

At 11 a.m., the Ladies Auxiliary luncheon was held in Our House Tea Room. Paula King of Merkel, president, presided at the business meeting.

The general business meeting began at 1 p.m. in the Civic Center with Melvin Thomson, president, presiding.

Hose races began at 4 p.m. at Colorado City High School.

Twenty representatives of the Haskell Volunteer Fire Department and the VFD Auxiliary attended.

6th ANNUAL COUNTRY DINNER THEATER

Sponsored by Haskell Chamber of Commerce
 Nov. 7, 1987
 7:30 p.m.
 Civic Center

-PROGRAM-

Supper _____ prepared & served by Chamber Board of Directors, spouses & Welcome Committee

Susan Diane Griggs

Susan Blankenship weds Wayne Griggs

Susan Diane Blankenship and Wayne Griggs were united in marriage Oct. 24 at the First United Methodist Church in Rule.

Mr. and Mrs. Bill R. Blankenship of Haskell are parents of the bride. The bridegroom is the son of Mr. and Mrs. Raymond Smith of Rule.

Dee Dee Smith, sister of the groom, was maid of honor and Kimla Strickland of Haskell was bridesmaid.

Roger Smith, brother of the groom, of Rule was best man and Mark Wells of Fort Worth was groomsman. Usher was Tommy Robertson of Rule.

Stephanie Xedis, niece of the bride, was flower girl and Clint Wells, nephew of the groom, was ring bearer.

The Rev. Kenneth Kirk of Haskell officiated.

OES meeting

An important stated meeting of Rule Chapter 989 OES is planned for 7:30 p.m. today (Thursday). The Grand Chapter report will be given.

Marriage licenses issued by clerk

Marriage licenses were issued in October by the office of County Clerk Woodrow Frazier to:

Denver Bob Byrd and Petra Acuna Silba, both of Rochester; Johnnie Wayne Griggs of Fort Worth and Susan Diane Blankenship of Haskell; Randy Allen Hibbits of Abilene and Geneva Kathryn Modesti of Rochester; Ricky Wayne Dunnam of Haskell and Sharie Ann Cavaness of Water Valley; and Isaias Alvarez of Anson and Betty Sue Menchaca of Rule.

The bride graduated from Haskell High School and Abilene Beauty College. The groom graduated from Midland High School and De Vries Institute. He is employed by Trinity Steel of Fort Worth.

The couple live in White Settlement in Fort Worth.

Mrs. Solomon 80th birthday to be observed

Mrs. Essie M. Solomon will be honored Saturday with a party on her 80th birthday. It will be from 2 to 4 p.m. in the Haskell National Bank Community Building.

Hosting the event will be her children and their spouses, Travis Jr. and Alma Solomon of Haskell, J. C. and Jo Ann Solomon of Abilene, Zella and Ernest Moeller of Haskell; and her seven grandchildren and their families.

Mrs. Solomon was born in Young County Nov. 9, 1907, to Grace (Massie) and Johnny A. Littlepage. As a small girl she moved with her parents to Haskell County, living in and around Weinert most of her early years.

She married Travis Lee Solomon Sr. Sept. 5, 1928. They lived three miles southwest of town before moving into town in 1957 where she has continued to live since the passing of her husband in August 1986.

Friends and relatives are invited to come and help her celebrate her birthday.

You are reading The Haskell Free Press and we thank you.

The spooks and goblins were out in grand fashion at our home last Friday. All our residents donned hats, ties and masks. Our thanks go to Doris Williams, Ruth Howard, Teresa Torres, Gayla Nanny, Becky Douglas, Bruce Laird, Debbie Alridge for their great costumes. We enjoyed Ann and James Sinclair's entertainment. The children of staff members came for trick or treats.

Vivian Shaw did our manicures for the week. Eleanor Blohm and Katie Hopper brought our music appreciation time. Rev. Hodge came

for Wednesday Bible study. Sandy was here for beauty day. All of these volunteers make our week such an enjoyable time.

Visitors in our home were Joy Spalding, Melanie and Steve Michaels, Grady and Ophelia Newsome with Pauline Williams and Loyd Wade. Rev. Donald Taylor Sherrill, daughter and son-in-law of Pennsylvania and Mr. and Mrs. Richard E. Sherrill of Houston, Doyle Langford of Page with C. V. Langford; Reba Wheatley, Claudia Mae Bland, Sax Whitaker with Laura and Irman Whitaker.

County food show winners announced

Junior fruits and vegetables: Jonathan Lammert, first; Jodi Penman, second.

Junior breads and cereals: Heather Stewart, first; Jana Saffel, second; Angela Adkins, third.

Junior snacks and desserts: Heather Guess, first; Karmen Adkins, second; Julie Saffel, third.

Intermediate main dish: Emily SoRelle, first; Shanna Murphy, second.

Intermediate fruit and vegetables: Joni Penman, first.

Intermediate breads and cereals: Jennifer Swoyer, first.

Intermediate snacks and desserts: Kim Gilly, first.

Senior main dish: Dalyn Gilly, first.

Senior snacks and desserts: Darla Draper, first.

Immunization clinic Nov. 19

An immunization clinic will be conducted Nov. 19 at the American Legion Hall in Haskell.

Immunizations will be from 10 to 11:30 a.m. and from 1 to 3 p.m. Children must be accompanied by a parent or legal guardian.

There will be no adult health risk assessments.

The clinic is sponsored by the Texas Department of Health.

Having problems with those office Supply or bookkeeping needs? Come by the Haskell Free Press, we can help you find a solution.

Modesti, Hibbits marry Oct. 17

Geneva Kathryn Modesti and Randy Allen Hibbits were united in marriage in a double ring ceremony at 3:30 p.m. Saturday, Oct. 17, at the Faith Chapel Church in Rochester.

Gena is the daughter of Mr. and

Mrs. Dan Bass of Rochester, and Sil Modesti of Phoenix, Arizona. Randy is the son of Mr. and Mrs. Weldon Hutchinson of Knox City and the late Nick Hibbits of Abilene.

Officiating at the ceremony was Mrs. Kathryn Byrd, pastor of Faith Chapel.

Maid of honor was Beth Clevenger of Stamford. Matron of honor was Cindy Cyranoski of Michigan, sister of the bride. The bridesmaid was Marva Bird of Haskell and junior bridesmaid was Danielle Bass of Rochester, sister of the bride.

Best man was Ronald Campbell of Haskell. Groomsmen were Ruben Gonzales of Paint Creek and Darrin Wright of Haskell. Ring bearer was James Bass of Rochester, brother of the bride. Ushers were Ronnie Hutchinson of Knox City, brother of the groom, and Darrin Wright of Haskell.

Music was provided by Donna Byrd of Rochester. Pianist was Mary Wyatt of Rochester and photographer was Philip Martin of Haskell.

Given in marriage by her stepfather, the bride wore an evening length gown with a sweetheart neckline and a fitted bodice with a full skirt. The full length puffy sleeves

Mrs. Randy Allen Hibbits

were fitted at the wrists.

The headpiece had long strings of pearls along with silk flowers all around, and the full length veil was trimmed with lace edging all around. She carried a bouquet of silk pink roses mixed with other white and mauve colored flowers, greenery, and pink and mauve ribbons with lace trim.

The reception was held in the church fellowship hall. Servers were Jeanie Hollingsworth of Rochester and Dorothy Hollingsworth of O'Brien.

The bride is a graduate of Rochester High School and the groom is a graduate of Haskell High School. He is employed by Western Auto of Abilene where the couple will live.

Extension club meets in Haskell

The Weinert Home Extension Club met in the home of Mrs. Cordie Cunningham in Haskell for its regular meeting Tuesday, Nov. 3, with Faye Jetton, president, in charge of the meeting.

Roll call of "What is one way to reduce fat consumption" was answered by all members with various ways being mentioned.

The quilt committee reported that the quilt being made for the Rehab telethon auction is all finished and will be taken to Abilene soon.

The club voted to thank the Day Care Center for allowing the quilt to be put up there.

Information day will be Nov. 18 and all county club members will be in attendance to welcome the Outstanding Club Woman of 1987.

The next meeting of the club will be the Christmas party, with the place to be announced later.

Mrs. Cunningham gave the devotional, and served a refreshment plate to the members.

Committee makes plans

The Home Economics Committee of the Haskell County Extension office met Oct. 21 for a quarterly planning meeting.

Committee members attending were Phylecia Bailey, Mabel Overton, Hazel Thomas, Ophelia Newsom, Judy Patton, Frances Fischer, Mildred Robertson, Alice Yates and Anita Payne.

The committee planned an educational program on medicine interactions to be held Nov. 19 at noon in the Haskell National Bank Community Room.

The group also began making plans for a Health Fair to be held in the spring.

Artist to give demonstration here

Hamlin artist Ann Boles will demonstrate opaque wash and watercolor at the Nov. 9 meeting of the Brazos West Art Association.

Club members say this is a "must see" program for anyone interested in watercolor.

The meeting will be at 7 p.m. in the Haskell National Bank Community Room.

developed better public awareness of the Texas Department on Aging and the statewide services we make available to older Texans.

O. P. Bobbitt
Executive Director
Texas Department on Aging

Taxes

Editor: The Haskell Tax PAC needs everyone to attend the next Commissioners Court meeting, Monday the 9th or Tuesday the 10th. We aren't sure which day they will have their meeting. It is posted at the courthouse on Friday afternoon. You can call the courthouse and find out the exact date later in the week. Every time I announce the time and date, it is changed after my letters to the editor.

At this meeting, the court will give us the final answer on the rollback election issue. If the court denies us the right to have a rollback election we will file a writ of mandamus against Haskell County and possibly the Attorney General. We have 95 counties backing us in this matter (TACT). Haskell Tax

PAC needs your help also.

After we get our answer, if we have to file suit, there will be an all-out campaign drive to collect money for the lawsuit. At this time, TACT's lawyer, Eric Samuelson of Fort Worth, will be our attorney. It will be a test case. The Legislature passed the law enabling us to have a rollback election if the rate went over 8 percent of the calculated rate. It does not exempt the county from this obligation. Mr. Mattox gave his opinion that it is illegal. If the Legislature passes a law and it is questioned, then why even pass any laws? What purpose do they serve?

We need everyone that is for rolling the taxes back to put a red ribbon on their door, mailbox or somewhere that it can be seen. If you do not have any ribbon, come by the shop and I will give you some ribbon to put on the door.

We really appreciate the 892 voters that signed the petitions and we want to thank Woody Frazier for certifying 716 of these. The people out of town that signed are owners of property at the lake. They didn't understand that they had to be voters of Haskell County.

According to our voters registration list that we paid \$25 for,

there are a lot of deceased people, some voters that have moved and a few that are in mental hospitals and in our penitentiaries. One woman from O'Brien is listed twice, maiden name and married name. My son Terry Strickland is listed and has voted in DeSoto and in Houston since moving from Haskell. He could have voted here absentee, according to the Tax Collector.

We need someone to update the voters list. They even send jury notices to people that are deceased. We were told the only way they could be removed from the list was if they were notified. Some of our dearly departed haven't any family left to notify them of their death and they certainly can't do so from their graves.

We really didn't need 440 votes for these petitions due to these errors. We have heard the old saying that we have a lot of coffin voters voting for the higher offices. I feel this is a very serious mistake in our system. As soon as we finish our rollback issue, I think, as others do, that we need to push for a revision of the voters registration list. Also, we need to redistrict our precincts. Precinct #1 has over half the voters in that precinct and many miles of our roads to maintain.

Please attend this meeting and give us your support.

There is a City Council meeting Tuesday night at 7 p.m. They are discussing the new paving project on the South part of town. This concerns everyone and it is one of a few public hearings that we can say how we feel about the city spending our tax and revenue money. Be there please.

Sue Patterson
Treasurer
Haskell Tax PAC

Rule honor students listed

Here is the Rule honor roll for the first six weeks of the 1987-88 school term:

12th grade A&B: Ray Don Campbell, Stephanie Cannon, Debra Coker, Vicky Franklin, Gloria Navarrette, Robert Saffel, Cathy Sanders.

11th grade A: Shanna Langford, Wes Pierce, Kevin Saffel; A&B: Cheryl Butler, Kim Diers, Kathleen Kutch, Angela Tibbets, Connie Sanders.

10th grade A: Larressa LeFevre, Jason Tranner; A&B: Mary Hatley, Mandy Mathis, Angel Sanders.

9th grade A: Paul Leonard, Rusty White, Kody Wilson; A&B: Jason Halliburton, Tori Jenkins.

Rochester Lions sponsor blood drive

Rochester Lions Club will sponsor the Red Cross bloodmobile at the Rochester fire station from 2:30 to 6 p.m. Monday (Nov. 9).

Lions are encouraging each person in the community and surrounding area between 18 and 60 to give a pint of blood. Seventeen-year-olds will need the consent of parents or guardians.

To give blood, a donor must weigh at least 110 pounds, be in good health and must not have donated blood in the past 56 days (eight weeks). Donors receive specialized attention which makes the experience as pleasant, safe and brief as possible.

The prospective donor registers and is asked some simple questions about current health and medical history. A mini physical examination is conducted to check temperature, blood pressure, pulse and blood iron level. The actual donation takes about five to 10 minutes, and afterward the

donor rests a few minutes, has a light snack and beverage and then returns to normal activities.

Lions point out that since the body has 10 to 12 pints of blood, giving one pint does not hurt. The simple process represents a priceless gift to a local hospital patient.

Those desiring to donate blood should call one of the following numbers so that they may be scheduled: 743-3230, 743-3520, 743-3204.

Gets doctorate

William Grant Ratliff of Haskell has received a doctor of philosophy in history from Texas Tech University.

He was one of more than 734 students receiving degrees from Tech in August.

 Haskell, Texas

601 N. 1st 864-2631

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

\$50.00
 This charge includes radiologist reading fee.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease). Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Appointments scheduled from 9 a.m. to 7 p.m. by calling 817/864-2621.

The Haskell Free Press

Remember:
These locations for
entries will change each
week!

Haskell Free Press Official Rules

To enter, check the boxes appearing below. A game appears in each advertisers box. Circle the team you have selected to win. If you predict a tie in a game, circle both teams.

Be sure to predict the SCORE of the tie-breaker game! Fill in your predicted score for each team in the blanks provided. The tie-breaker will be used only in the event of ties between contestants.

The entire page is your entry blank. Submit your entry (entire page) to a specially marked deposit box located in one of the sponsor's businesses. Locations of the boxes will change each week.

Entries must be submitted by 4:45 p.m. each Friday following publication of the Haskell Free Press that week. There is no entry fee, and everyone is eligible to enter except employees of the Haskell Free Press and their immediate households. No late entries will be accepted.

The First Place Winner will Receive \$20; Second Place \$10; and Third Place \$5. In the event of ties, contestants will share the prize money.

Winners will be announced in the following week's issue of The Haskell Free Press. Prize money may be picked up at The Free Press office on Thursday of that week. (Prizes not picked up will be mailed to the winners at the address listed on the entry form.)

Contest entries will be judged by the staff of The Haskell Free Press and the decision shall be final.

Rotary governor visits

Hugh Ross, governor of Rotary International district 579, paid an official visit to the Haskell Rotary Club last Thursday.

Ross has been a member of the Arlington Rotary Club for 26 years. He served as club president in 1967-68.

His Rotary service also includes a 16-year membership and past presidency of the Greater Dallas Rotary Chorus and district 579 Youth Exchange officer for nine years. He and his wife Joanne were team leaders on a Rotary Youth Exchange team to Japan in 1978.

In addition to his Rotary life, his interests include agriculture (he holds the FFA Lone Star Farmer Degree) and aviation (he is a multi-engine rated pilot). Community activities include past service on the board of the Chamber of Commerce, and he is currently a member of the board of the Fort Worth Council of World Affairs.

Retiring employees

Long-time WTU employees Sue Pate, left, and Pat Sammons who are retiring, were honored by fellow employees and townspeople Friday at the company's open house.

Rule students to present play Saturday

Members of the Rule High School annual staff will present the popular program, "Puttin' on the Hits", at 6:30 p.m. Saturday.

The program will be the same as the one given Oct. 12-13 except for one added number and some personnel changes.

The show includes pantomime and dance numbers done by members of the RHS theatre arts class and by adults, junior high students and elementary youngsters.

City ups share for ambulance

The City of Haskell has increased its contribution to the ambulance service by \$500 a month to help pay the salary of an additional employee which the state requires the service to have.

This brings to \$1,250 per month the city pays as its share for the ambulance service. The county and hospital pay a like amount.

TAX PLANNING

Written By James E. Rodgers, CPA

MAGNETIC MEDIA REPORTING

Certain taxpayers are required to file information returns with the Internal Revenue Service (IRS) on magnetic tape or floppy disks.

If you are required to file more than 50 information returns for the payment of dividends or interest, you must file the returns with the IRS on magnetic media. For example, if you have 31 Forms 1099-DIV (dividends) and 20 Forms 1099-INT (interest), your total information returns exceed 50 and you must use magnetic media.

If you are a broker or barter exchange, your information is reported on Form 1099-B and magnetic media filing is required regardless of the number of returns to be filed. The real estate 1099-B has the same requirements, however, it appears that waivers will be liberally granted for 1987 if the total of forms being filed is less than 250.

Other Forms 1099 and various miscellaneous information returns must be filed on magnetic media if you'll be filing 250 or more of such information slips. The requirement for 250 or more is for each individual type of information slip.

If an employer expects to file 250 or more W-2s in 1987, the employer must submit the W-2 information to the Social Security Administration on magnetic media filing. The 250 is a new requirement; in 1986 the level was 500 returns.

If you are required to or if you want to file on magnetic media, you must first receive approval from the IRS. An application for magnetic media reporting must be filed on Form 4419 at least 90 days before the filing of the returns.

If meeting these requirements will pose an undue hardship on your business, you may request a waiver from this filing requirement. Your request must be submitted at least 90 days before the due date of the returns.

If you're required to file on magnetic media and fail to do so, you will be subject to a penalty of \$50 for each information return up to a maximum of \$100,000.

SUPER THOROSEAL® THE CELLAR WATERPROOFING SOLUTION

Now you can completely waterproof and protect all masonry and concrete against moisture and seepage, above or below grade, indoors or out with Super Thoroseal — the heavy-duty, cement-base waterproof coating.

Harder and more durable than concrete alone, Super Thoroseal becomes part of the original surface after it's brushed on to completely seal pores and voids permanently. And, because Super Thoroseal permits surfaces to "breathe," it won't peel, crack or separate. Economical and easy to use, Super Thoroseal does the job right, once and for all.

Former mayor honored

Former Weinert Mayor Ted Jetton was recently honored for his long service to the community. Councilmen at Weinert presented him with a plaque in recognition of his 22 years as mayor and councilman. (Photo by Mary Murphy)

Rule C-C makes plans for events

The Rule Chamber of Commerce met Oct. 28 at the Bluebonnet Cafe for its monthly meeting with Derrill Sorrells, president, presiding.

Reports were given on the Jubilee and suggestions made for the 1988 Jubilee.

Motions were made to repair sidewalks on Main street and to send "Welcome" letters to newcomers, and to continue with the "National Night Out" program.

Dec. 12 was approved as the date for the annual Christmas parade and drawing. Committees appointed were: Parade: Ann Wilson.

Donations from Businesses: Donna Saffel, June Biffle, Faye Dunnam, Bernice Rhoads and Katherine Carter.

Program: Harold Woods. Speaker System: Harold Woods. Advertisement: Faye Dunnam.

Christmas Poster Contest: June Biffle (prizes: \$5, \$3 and \$2 in three divisions, K-3, 4-6, 7-8).

Home and Yard Lighting Contest: Prizes \$50, \$35 and \$25. Judging to be Thursday night, Dec. 10.

Sacks and Candy: Donna Saffel and Harold Woods.

Santa Claus: Donna Saffel. Tickets to Stores: June Biffle.

Merchants will give a ticket for each \$5 sale. The drawing will follow the pet parade which starts at 2 p.m.

Prizes for the pet parade will be in three divisions, preschool and kindergarten, first and third grades, and fourth and fifth grades.

Conservation Viewpoints

USDA Soil Conservation Service
Assisting
Haskell Soil and Water
Conservation District

Texas pioneers used to brag that "other states were carved or born, but Texas grew from hide and horn." The saying is fairly accurate, because in the minds and hearts of many, Texas is Cattle Country.

But what's been happening to Cattle Country lately? In fact, the entire picture of Texas agriculture has undergone some drastic changes over the past few years, and just where producers to from here is anybody's guess.

To help bring this picture into focus, the Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1987 acreage, yield and production totals and end-of-year livestock and poultry inventories.

The confidential interviews conducted by mail, telephone or in person by field enumerators provide information used by producers to make their plans for the coming year.

"A sound marketing plan requires good, reliable information and some advanced planning. Information from our reports provides producers with solid facts and figures they can incorporate into their marketing plans for the coming year," state statistician Dennis Findley reported.

The Texas service will be trying to keep survey costs at a minimum this year because of budget cuts made by the Texas Legislature, so Findley is urging producers to return their mailed questionnaires as soon as possible.

"Despite these cuts, we still plan to do our best to provide Texas farmers and ranchers with accurate, unbiased information they can use in making their day-to-day production

and marketing plans," Finley said. "Texas producers need all the information they can get just to help them survive these severe economic times."

Lutherterians annual sale to be Sat.

The 7-12 grade youth of the First Presbyterian and Trinity Lutheran churches in Haskell, known as the "Lutherterians," will have their annual sidewalk and bake sale between 8:30 a.m. and 5:30 p.m. Saturday in front of the First Presbyterian Church, 306 N. Ave. E.

In addition to many baked goods, used items such as clothes, toys and kitchen appliances, furniture and other household items will be on sale at low prices.

Proceeds from the sale will go for a possible ski trip/retreat later this spring, church camp and other activities for this school year.

Donations of items for the sale are welcome and may be made by calling 864-2410 or 864-8923 before Friday.

Lutherterians expressed their appreciation to the community for the support given in the past.

Girl Scout calendars being sold

The 1988 Girl Scout calendars are here.

They are being sold between now and Nov. 30 by Brownie, Junior, Cadette and Senior Girl Scouts of the West Texas Girl Scout Council, including the Girl Scouts in Haskell.

The calendar sale is a nationally sponsored Girl Scout fund raiser. Money made from the sale is used by Girl Scouts to assist with purchasing supplies for their own troop.

Girl Scout calendars illustrate activities that help Girl Scouts develop and practice decision-making skills. Holidays are noted on the calendar, along with time zones, area codes and a quick glance of the 1989 year.

Wall calendars and pocket planners are available at \$1.60 each. To get your calendar, contact a member of the Haskell Girl Scouts.

We have Scotch's new combination dispenser kit. Holds one roll of Scotch tape, one pad of 3x5 Post-it-notes and has a place to put your pen. Ideal for use where desk space is at a minimum. Haskell Free Press.

--Market Report--

Feeder heifer yearlings: choice 66-75; good 60-66; medium 50-60; common 40-50.

Cindy Menchaca completes basic

Airman First Class Cindy Menchaca has graduated from Air Force basic training at Lackland Air Force Base.

She is the daughter of Mr. and Mrs. Leonard Menchaca of Rule.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

A/IC Menchaca is a 1982 graduate of Rule High School.

The Savings Really Add Up

with
WTU's Energy Saving Plan!

Energy Savings

Your energy savings will really add up when you qualify your home for WTU's Energy Saving Plan. You'll save money in energy bills for years to come when your home meets the energy-efficiency standards of the Energy Saving Plan.

Cash Allowances

WTU's Energy Saving Plan will now pay you larger cash allowances for installing energy-efficient equipment in your home. Consider a central system electric heat pump.

WTU WILL PAY YOU:

\$500⁰⁰ per home

With a Seasonal Energy Efficiency Ratio (SEER) of 8.0 and above.

To qualify for the cash allowances, your home must meet the E.S.P. requirements and be served electricity by WTU.

Resale Value

An E.S.P. Home will have a better resale value than other homes on the market, because it offers home owners lower energy bills. Energy bills are an important consideration for most families, so your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-E.S.P. Home.

E.S.P. Book

The new E.S.P. Book clearly outlines all of the programs, cash allowances and requirements of the New and Improved Energy Saving Plan. The E.S.P. Book also has specific information on insulation, air infiltration control, energy-efficient equipment and much more!

Pick up your FREE copy of the new E.S.P. Book at any WTU office, and start adding up your savings today!

--Weinert--

By Myrtle Phemister

The Weinert Church of Christ had the privilege and the pleasure of conducting the Sunday devotional at the Munday Nursing Center this week. Ted Jetton directed the singing and Roy Phemister brought a lesson on 'Living by the Rules.'

He noted the Iron rule was governed by the 'Might Makes Right', and the weak is ruled by the stronger force. The Bronze rule was instituted in China by Confucius, who taught that we must never do unto other what we disliked having done to us. Jesus instituted the Golden rule, and taught "In everything, do to others what you would have them do to you." (Matt. 7:12 NIV). Jesus taught a positive law of doing, and following it makes one more loving, more kind, more easier to liver with and therefore a "better world will begin with me."

Our birthday people this week includes David Earle and his son, Marty. Also, Faye Jetton, Ruth Jimenez, Mark Stewart, Jeremy Harlan and Clyde Mayfield.

Happy Birthday to each of you!

The descendants of Romulus and Mary Sanders will gather at Moran on Saturday, for a family reunion at the

Community Center there, with Mr. and Mrs. Oman Travis Sanders as hosts.

The Weinert High School gym was the scene for a Harvest Festival on October 31 and was attended by a good crowd and many little goblins.

The Senior Class operated a hamburger stand, and an auction sale, as a money-raising effort to help finance their senior trip and the annual senior gift to the school.

The Weinert Home Extension Club hosted a brunch in the Baptist Fellowship hall on Wednesday, October 28th, with the Josselet Club as special guests.

Mrs. Faye Jetton president welcomed the group, and Mrs. Eloise Perrin of Haskell led the invocation.

Melanie Wood home shows demonstrator for Your Seasons' Accessories, a Dallas based company, gave an intriguing show of scarves, shawls and jewelry.

She demonstrated how to dress up or dress down an outfit, and used several of the ladies as models. She modeled an outfit she had made in "just a couple of hours" the night before, which would have passed as a Lane-Felkers original.

Mrs. Wood said it is fashionable

now to combine the metal colors of silver, bronze and gold, and several pieces of her jewelry were such combinations.

She is available for home shows, class parties and personal consultations.

The brunch menu consisted of sausage balls, taco swirls, blueberry muffins, zucchini bread, fruit compote, juice and coffee.

The hall was decorated with pumpkins, fall foliage and corn husk wreaths, with huge pots of yellow chrysanthemums grown by Betty Sanders.

Besides the Weinert Club, and Mrs. Wood, those enjoying the program were Hazel Thomas, Reatha Mullins, Margaret Wall, Heien Owens, Ermal Bevel, Martha Toliver, Mildred Robertson, Dorothy Trussel, Margaret Jones, Eloise Perrin and Lou Gilly, all of Haskell.

Len Haman was in town for a brief visit with his family before moving to Mineral Wells where he has a new job awaiting his arrival.

Jimmy Young of Holiday spent Sunday with her parents, Faye and Ted Jetton and attended worship services at the Church of Christ.

Helen Boykin attended the homecoming activities at Abilene Christian University, where she met her son, Doyle and Rita Boykin of Texas City on Saturday and Sunday. Doyle's son, Michael is a student at ACU. Doyle and Rita are both ACU graduates.

The Baptist WMU hosted a day of prayer with a good attendance on Monday, Nov. 2.

Betty and R. S. Sanders were in Abilene Thursday where Betty's mother, Mrs. Raz Gideon of Winters, was undergoing tests, and will undergo surgery this week.

Faye and Ted Jetton were also in Abilene, where Faye underwent tests, and received a good report from them. They were met by Bill and Dorothy Jetton of Brownwood.

Rotary Club joins in polio campaign

Mrs. Lenore Griffis will be hospitalized in Abilene Tuesday, and undergo gall bladder surgery at Hendricks this week. We pray a speedy and complete recovery for her.

Roy Herricks underwent a triple by-pass heart surgery in Lubbock Methodist last week, and is recovering quickly. We are grateful for that, and pray he will be home soon.

Veta Alexander's mother also received good reports from her tests in Abilene last week.

We welcome a newcomer to Weinert! Tim Earle has moved into the Budge McGuire's house. (Welcome, Tim) Tim is the son of David, brother of Marty, and grandson of Irene and the late Toots Earl.

Alton and Mildred Sanders were in Abilene on Thursday for a birthday dinner for Mrs. Jerry Sanders of Merkel, hosted by Terry and Beth Sanders, David and Kerri. Others present were Jerry, with Amanda and Jeremy, Joyce's own family.

The Alton Sanders were in Lubbock for the weekend, guests of Bob and Virginia Melvin. The Melvins are team-mates for the Lay-renewal revivals that the Sanders' conduct for the Baptist churches.

Commodities schedule given for next week

Here is the schedule for the surplus food distribution next week:

Wednesday, Nov. 11: Faith Lutheran Church in Sagerton, 10 to 11 a.m.

Thursday, Nov. 12: Experienced Citizens Center in Haskell, 8 to 9 a.m. (60 and over); 9 to 10 a.m. (59 and under).

Thursday, Nov. 12: Church of Christ in Rule, 9 to 10 a.m.

There will be no distribution in December or January, said George Abernathy, program director with the Aspermont Small Business Development Center.

Smooth and sleek Lepen by Marvy. We have them in lots of stationery colors! Haskell Free Press.

working to raise \$120 million to buy the vaccine. The AID grant pushes the amount actually raised to more than \$50 million.

Sen. Dole said he was pleased that AID is supporting the Rotary PolioPlus program. He noted that while the disease has been controlled in the United States, it still kills many children in developing countries.

Heart donations announced

Memorial donations made to the Haskell division of the American Heart Association in September and October included:

Garvin Foote; Vernay and Betty Burson.

Clarence Scroggins; T. N. Anders. Mrs. Alma Allen; Rule Garden Club.

To make donations to the American Heart Association, please contact Norma Richardson at Olney Savings or Janet Thane at the First National Bank.

Booster Club Juniors selling shirts

Indian Coach Nelson Coulter gave the Haskell Booster Club a scouting report on the Anson Tigers at Monday night's meeting.

He said they like to run the football and that Mike Beauchamp is their best running back. Monty Hall, the Tigers' quarterback, is a good ball carrier. Coulter said Anson doesn't pass too much but they do a good job when they do.

The coach said they have as good overall an offensive line as the Indians have seen this year. They block well.

Defensively, Beauchamp is a good linebacker, and Jeff Thomas is a good defensive end, having been named all-district last year. Joe Munoz is big and plays well on both sides of the ball. Kyle McIntyre, only a freshman, is their kicker. Jonathan Douglas is a good free safety. He is big and can run.

On Monday there were not injuries which would keep any of the Indians from playing.

A tie or win at Anson cinches a playoff spot for Haskell.

Juniors selling shirts

Members of the junior class are selling shirts displaying the school name and school colors of area towns.

Shirts are a blend of polyester and cotton. Because of the high quality and workmanship, prices are \$23.95 for T-shirts, \$17.95 for polo/golf shirts and \$19.95 for sweatshirts.

No deposit is required, and shirts will be delivered in three or four weeks.

Orders may be placed by contacting any junior class member or sponsors Christie Stapleton, Jill Druessedow, Lynda Burris, Duane Gilly and James Bevel.

Deadline for ordering is Monday, Nov. 9.

Junior high

By Mat Lane & Marty Decker

Tonight the junior high football team will face the final opponent in '87. The Anson Cubs will play the Warriors here at 5:30 p.m.

After losing many players to House Bill 72 and still going through a winless season, the Warriors finally have something to cheer about.

With the combined team of eighth and seventh graders, the Warriors were able to hold the Hawley Bearkittens to a 6-6 tie.

The only score in the heartbreaker was by Mark Jones on a quarterback keeper. However, the 2-point conversion failed, leaving the score tied.

The Warriors had an opportunity to break the tie late in the fourth quarter, but the Bearkittens' defense held the Warriors on the 3-yard line with only seconds left to play.

"We're doing better every week. I hope we can get a win before it's over," said Sherwin Everton, seventh grader.

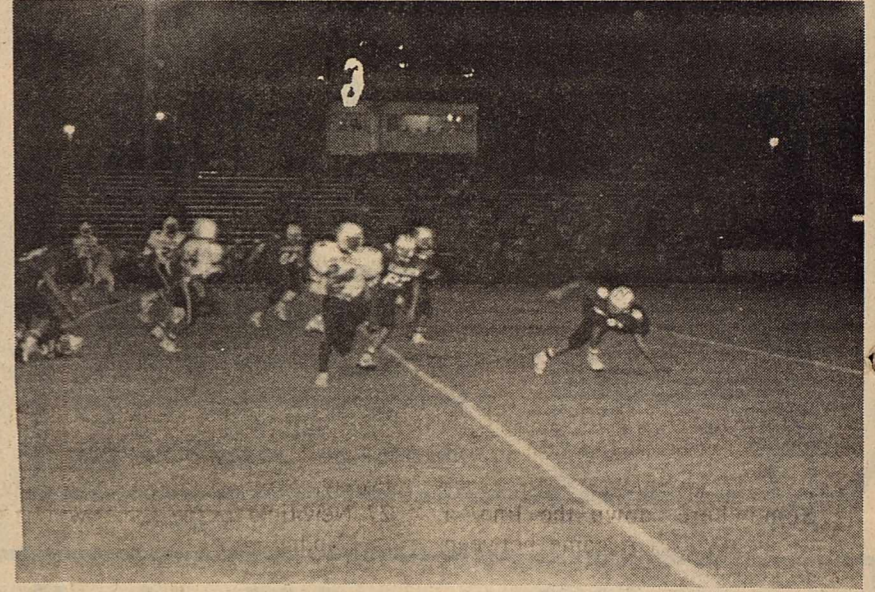

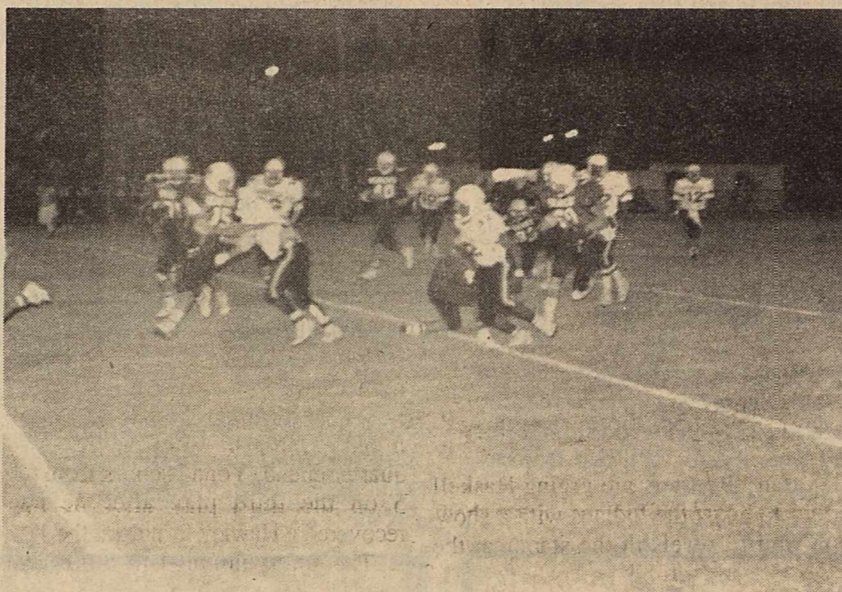

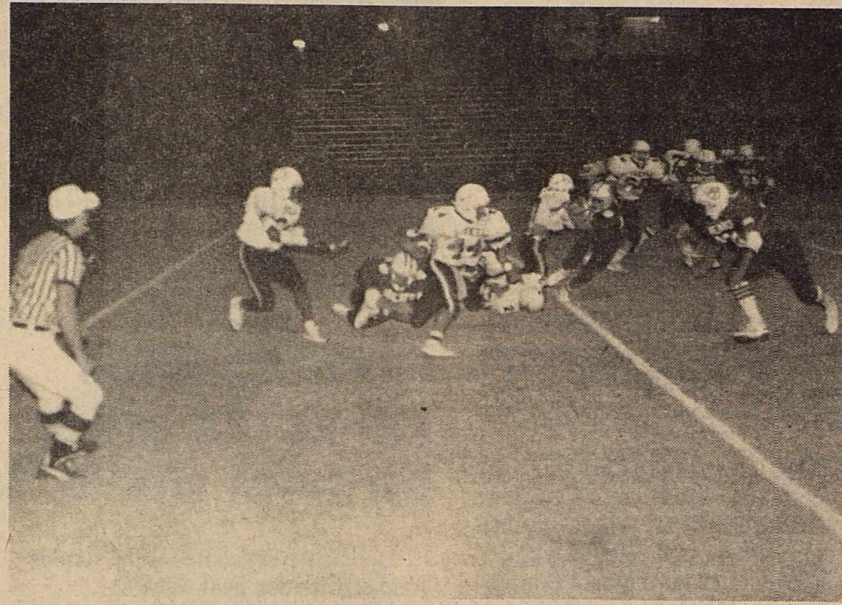

City OKs letter for bus company

The City Council last week okayed a request to issue a letter of introduction for the Oklahoma Transportation Co. which is expanding its service to include charter and tour business.

Rod Steele of Oklahoma City, representing the bus company which serves Haskell, requested the letter. It will be used by the company to help introduce itself to prospective charter and tour customers.

Wild and zany student dividers. Fits 2 and 3 ring notebooks. Reinforced. Available at the Haskell Free Press.

Haskell vs. Hawley

Junior varsity

By Michael Mendoza

The Haskell junior varsity will host the Anson Tigers tonight at Indian Field in their final district game.

The JV shut out the Hawley Bearcats 22-0 in their first district win.

The Indians drove up and down the field all night with quarterback sneaks, passes and quick pitches.

Jonathon Dever, Jeremy Fuentes and Johnnie Billington all scored touchdowns for the Indians while Chad Gibson and Billington added 2-point conversions.

The Indians are 1-3 in district and 2-6 in regular season play. They will try to improve their record tonight against the Anson Tigers.

We have pens that write pink, light blue, purple and burgundy to match your favorite stationery. Pick a color at the Haskell Free Press.

Sidelines

Haskell faced fourth down only three times all night. Twice the Indians kicked and a third time they surrendered the ball on downs at the Hawley 27.

Altogether, the Indians had 12 possessions. They scored six touchdowns, punted twice, gave up the ball on downs once, had a field goal blocked, lost a fumble and had possession at the end of the game.

Haskell averaged nearly 9 yards per offensive play. Fourteen times, the Indians had gains of 11 yards or more. Derrick Billington carried just twice and had runs of 75 and 24 yards. Fred Shaw peeled off runs of 36, 31, 24, 13 and 12 yards (twice). Mark Young had gainers of 28, 17 and 15 yards. Chan Guess and Patrick Perez each had a run of 11 yards. And Guess hit Stephon Brockington with passes of 32 and 26 yards.

Trailing 21-0, Hawley went for a fake kick on fourth down on each of its first two possessions in the third quarter, and neither succeeded. The Bearcats gave up the ball on their own 37 and their own 36, but the Indians didn't capitalize either time.

And the next time the Bearcats got the ball in the third period, they lost a yard on a fourth-and-one at their 35. This time, the Indians drove in for a touchdown in five plays.

The Haskell defense held the Bearcats to 24 yards rushing in the second half, the biggest Hawley gain on the ground being 4 yards.

Five of Hawley's nine pass completions and 67 of its 89 yards passing came during the Bearcats' 73-yard touchdown drive during their last possession. Six of their 12 first downs came in this drive. Those were the only first downs they had during the second half.

Haskell abandoned its short kickoff formation and brought on Niels Nielsen, the Danish exchange student, to handle the kickoff chores.

He got plenty of action, kicking off seven times, once after each of the six Indians touchdowns, as well as at the start of the second half.

He responded in good style. His first kickoff went into the end zone for a touchback. After that, he kicked off to the 10, 9, 10, 10, 7 and 28 yard lines.

Somewhere down the line, a tremendous Class A game between

Munday and Paducah should be in the works.

Munday, the state's top rated team is 8-0 and has outscored its opposition 240-89. Paducah is 9-0 and has scored 352 points to its opponents' 14. The Dragons gave up the 14 points in their first game; since then they've shut out eight straight opponents.

8-2A champ to meet 7-2A runnerup

If the San Saba Armadillos defeat the Coleman Bluecats Friday night, the Armadillos will be champions of their district and will meet the runnerup team of district 7-2A in a first-round playoff game. (That will be Haskell if the Indians can get by Anson Friday night.)

The Armadillos took over first place in district 8-2A last week by beating Goldthwaite, 21-14.

If Coleman defeats San Saba, the 8-2A race will wind up in a three-way tie between Coleman, San Saba and Goldthwaite, provided Goldthwaite can defeat Cross Plains Friday.

Girls' basketball teams scrimmage

Haskell High School girls' basketball teams will scrimmage Mineral Wells here Saturday afternoon.

Freshman, junior varsity and varsity teams will play in the triple header which begins at 3 o'clock.

Lodge schedules holiday dinner

The annual Thanksgiving dinner of the Sons of Hermann Lodge will be during the regular meeting Sunday, beginning at 3 p.m.

Turkey, dressing, giblet gravy and cranberry sauce will be furnished. Members are requested to bring the other trimmings.

The next Irby dances will be Friday, Nov. 13, and Friday, Nov. 27. New time for the dances will be 8 to 12 p.m.

Three have hopes for a 2nd place In 42-6 romp Indians bury Hawley

With the regular season coming down to its final week, only one thing is certain about how district 7-2A will wind up: the Hamlin Pied Pipers will represent the district as champions in the state playoffs.

Since the Pipers defeated Haskell, the only team with a chance to catch them, they are assured of the championship mantle regardless of how they come out this week against Albany.

But after that, there are a lot of "ifs".

If Haskell defeats Anson, the Indians will nail down the runnerup spot and advance to the playoffs.

If Hamlin beats Albany and Anson defeats Haskell, Anson and Haskell will tie for second place and Anson will go to the playoffs by virtue of its victory over Haskell.

If Albany defeats Hamlin, and Anson beats Haskell, then Albany will be the runnerup team.

Of the three teams vying for second place, only Haskell controls its own destiny. An Indian win will eliminate all the other "ifs".

In the league's other game this week, Stamford and Hawley will attempt to escape last place, a position which will go to the loser. Stamford can wind up fifth in the six-team district with either a win or a tie. Hawley will have to defeat Stamford to stay out of last place.

	OVERALL				
	W	L	T	PF	PA
Hamlin	7	2	0	178	123

Spirit towels

Band Boosters are urging Haskell fans to boost the Indians with a show of Spirit Towels in the stands at the Anson game Friday night.

Game Stats

Haskell		Hawley
17	First Downs	11
44-390	Yards Rushing	36-100
73	Yards Passing	89
4-8-0	Passes Completed	9-21-0
1	Fumbles Lost	1
6-45	Penalties	6-41
2-20	Punts	6-28

quarter when Shaw scored his third touchdown from the 5 to put the Indians comfortably out front 42-0.

Hawley, which up to that point had 16 offensive yards and no first downs in the second half, then began its only scoring drive. Connecting on five of six passes, the Bearcats moved to the 2 from where Todd Lovelady scored. Benny Epperson, attempting to run for a 2-point conversion, was stopped.

The Indians came close to scoring again. With Shaw picking up 31 and

9 yards and Guess scampering for 11, the Indians had a first down at the Hawley 17. But Perez, and then Guess, grounded the ball on the game's two final plays.

INDIVIDUAL STATISTICS

Rushing: Shaw 18-170; Billington 2-99; Young 14-96; Guess 3-11; Perez 3-10; Martinez 4-4.

Passing: Guess 4-5-0 73 yards; Perez 0-3-0-0.

Receiving: Brockington 2-58; Torres 1-8; Billington 1-7.

Unbeaten Rochester continues to roll

Rochester kept its unbeaten string going Friday night by defeating Benjamin, 42-20, in an important district 5 6-man game. Rochester is 8-0 for the year and 6-0 in district. Benjamin suffered its first district loss.

The Steers had little trouble with Benjamin, bolting to a 42-6 lead before Benjamin scored a couple of fourth-quarter touchdowns.

Anthony Brown scored three first-period touchdowns to get the Steers going. The scores came on runs of 33, 6 and 6 yards.

In the third quarter, James Wyatt made it 34-0 with touchdown runs of 46 and 65 yards. Benjamin finally got on the scoreboard in the second period when Jeff Pierce knifed over from a yard out.

A 7-yard pass from King to

Morgan Walker made it 42-6 Rochester in the third quarter. Benjamin's Buster Redwine had touchdown runs of 29 and 5 yards in the fourth period.

Wyatt finished the game with 150 yards rushing on 11 carries. Brown had 134 yards in 14 tries.

This week, Rochester travels to Benjamin for its final regular season game. Goree has lost only to Benjamin in district play. A Rochester victory would guarantee a first-place finish for the Steers, while a loss would present the possibility of a three-way tie between Rochester, Benjamin and Goree. Rochester will not have a game next week, while Benjamin and Goree each has a game remaining after this week.

Six-man playoffs will begin Nov. 20.

Handicap ramps installed

One handicapped ramp in the downtown area has been installed by the City of Haskell, a second is under construction and three more are due to be completed soon.

City workmen last week completed the first ramp in front of the Potpourri on the north side of the square. Being finished this week is a ramp near The Free Press on the south side. Another is scheduled near Sue's Flowers, Gifts and Photography on the east side and near Jones Cox and Co. on the west side. The fifth ramp will be in front of the old theater building.

Local civic organizations are being asked to assist in the project, and city administrator Robert Baker said Tuesday that two clubs already have agreed to participate.

Another project underway by the city is one adding steps to the curb on the west side of the 100 block of North Avenue E.

Ella Mosley

Ella Mosley, 105, died Oct. 21 in the Knox County Hospital.

Funeral services were Oct. 22 at the Knox City Church of Christ and burial was in the Rochester Cemetery.

Mrs. Mosley was born Oct. 17, 1882, near Quitman and moved to Jud as a young bride. She lived in that community until her husband Ebb died in 1946. She moved to Rochester in 1947 and lived there until 1984 when she moved to the Brazos Valley Care Home in Knox City.

She is survived by two sons, Dow Mosley of Andrews and Gale Mosley of Odessa; a daughter, Estelle Red of Huntsville; and two grandchildren.

-BIRTHS-

Mr. and Mrs. Victor Garcia of Munday announce the birth of a daughter, Maria Elena Garcia, born October 30, 1987 at Haskell Memorial Hospital weighing 6 lbs. 13 1/4 oz.

Cary Dean and Deborah Hannsz are happy to announce the arrival of their son, Justin Dean, on Oct. 20 at Stamford Memorial Hospital.

Justin weighed 7 pounds, 15 ounces and was 19 3/4 inches long.

Proud grandparents are Mr. and Mrs. John Kieke of Breckenridge and Mr. and Mrs. Jerry Dean Hannsz of Haskell.

Maternal great-grandparents are Mr. and Mrs. Eugene Ahlhorne of Breckenridge and Mr. and Mrs. Leonard Kieke of Stamford.

Paternal great-grandparents are Mr. and Mrs. William B. Cochran of Ruidosa, N.M., and Mr. and Mrs. Albert Hannsz of Haskell.

Maternal great-great-grandmother is Mrs. Harry Wagner of Brenham.

Uncles are Rodney Kieke of Breckenridge and Casey Hannsz of Haskell.

Steven and Gina Foster are proud to announce the arrival of their son, Kory Wayne, who was born Oct. 28 in Stamford Memorial Hospital.

He weighed 7 pounds, 6 1/2 ounces and was 19 1/2 inches long.

He was welcomed home by his grandparents, Bill and Charlene Dumas, and Dolores Foster, all of Haskell.

Mr. and Mrs. Ed Murray of Rule proudly announce the birth of a daughter, Jennifer Lynn, born at 5:57 p.m. Oct. 24 at Stamford Memorial Hospital. She weighed 7 pounds, 13 ounces and was 20 inches long.

She was welcomed home by brothers Michael and Jeffrey.

Grandparents are Mr. and Mrs. Rex

Murray of Rule, Mr. and Mrs. Alton Clem of Hamlin and Mr. and Mrs. Leon Hargrove of Stamford.

Great-grandmother is Mrs. C. E. Hargrove of Anson.

Band Boosters

The Haskell Band Boosters met Monday in the Band Hall with Sue Miller presiding.

The minutes were given by Kathryn Medford and the treasurer's report was made by Kenneth Jarred.

Mr. Wilke told the group of equipment needs of the band. Needs brought to the attention of the club were that of a tuning machine, a video tape system and new drums. The group decided that the tuning machine was of first priority. A motion was made by Jeri Ann Harris and seconded by Charley Henry to make this purchase.

There was discussion of the probability of playoff games to be played here in the near future. Workers will be needed for the concession stand operation.

All bands will be in the Christmas concert on Sunday, Dec. 13, at 3 p.m. in the Civic Center.

Next meeting will be at 6:30 on Monday, Jan. 11, in the Band Hall.

-School Menu-

Nov. 9-13

(Menus subject to change)

Cheerleaders

Haskell High School cheerleaders Teresa Unger and Joy McKeever make a Halloween visit to the early childhood classroom last Friday. They, along with other cheerleaders, also visited children at Discovery World and the elementary school.

FFA News

The Haskell FFA chapter had a meeting Oct. 20. Officers gave small leadership clinics. Dalyn Gilly was elected as the chapter sweetheart. Hamburgers were served to all members and their guests.

Many of the FFA members went to Guthrie Oct. 24 to exhibit their animals at the King County Fair. Jason Hall won the champion finewool award. The champion Southdown rosette was won by Dalyn Gilly, who also had the grand champion ewe. Kirk High showed the champion and reserve champion finewool crossbred lambs. He also won the reserve champion market

wether honors. Johnny Billington placed first with his finewool cross. Kristen Campbell placed fifth with her lamb while Niels Nielsen placed seventh.

Only two Haskell FFA members showed steers. Chad Gibson's steers placed third and seventh, and Patrick Burson's placed third.

If YOU don't care for them, who will?!
