KERRY AND VICKI GARTMAN
1977 Coke County Gold Star Winners

Vicki, Kerry Gartman 4-H Gold Star Winners

Vicki and Kerry Gartman of Robert Lee are the 1977 Coke County Gold Star 4-H Girl and Boy. They are the daughter and son of Mr. and Mrs. Douglas Gartman. Vicki has been an active 4-H member for eight years, while Kerry has been active

in 4-H work for six years.

Vicki has had projects in Foods, Clothing and Swine since she enrolled in 4-H in 1969.

Some of her outstanding accomplishments have been Champion of the County Swine Show in 1971; member of the Livestock Judging Team for two years as a Junior; her team placed first in district one of these years. She was a member of the Soil Judging Team two years and was high individual in the district one year.

County Awards she has won include: Swine, Clothing, Veterinary Science, Conservation of Natural Resources, Achievement and Leadership.

She has served four years as a club officer, being president of her club the past two years. She has

given leadership to many 4-H activities during her eight years as a 4-Her. She has also been active in many school and church programs.

"I would say she has truly applied her health, heart, hands and head to make a good record for herself and to earn the title, Coke County Gold Star Girl of 1977," said Mrs. Fay C. Roe, County Extension Agent, in presenting the award.

Kerry Gartman also has been active in all phases of 4-H work and displayed the desired qualities of leadership and personal development, said his leaders. Previously, he has won five County Awards during his six years of work in the club.

Kerry participated in Livestock Judging three years and was the high individual in the district one year. He has had swine projects for six years, showing two county champion animals and reserve breed champion in the Houston Stock Show.

County Extension Agent Sterling Lindsey said, in presenting the Gold Star Award, "Kerry well meets the county Gold Star Award standards."

Steers to Hit Road Tonight For Game with Mason Team

The Robert Lee Steers will hit the road for Mason County tonight when they will take on the Mason Punchers in their second district outing of the season.

Both the Steers and the Punchers lost the district openers last Friday night. The Steers went down to a 27-0 defeat at the

hands of the Junctions Eagles and the Mason lads who fell to Menard by a narrow 8-7 margin.

The Steers are ahead of the Punchers so far as season records go, having a 3-1-1 record, while Mason now has a 1-4 season.

The other District 9-A game last Friday gave Eldorado a 13-7 win over Reagan County. The Wall Hawks were idle last week. In other games tonight Menard will play at Eldorado and Wall will be at Junction.

Funeral Thursday For Mrs. Wallace

Services for Mrs. Calvin Wallace, 80, were held at 10 a.m. Thursday in Northside Church of Christ with James Beard of Junction officiating, assisted by Clyde Dukes of Robert Lee. Burial was in Robert Lee Cemetery under the direction of Shaffer Funeral Home.

Mrs. Wallace died suddenly at her home about 10:30 Tuesday morning of an apparent heart attack.

She was born Leona Mae Roberts, daughter of Mr. and Mrs. Green (Emma) Roberts, March 29, 1897, at Sweet Home, Lavaca County. She moved with her family to Coke County in 1903. She and Calvin Wallace were married Nov. 10, 1924, in Robert Lee and except for one year spent at Portales, N.M., (1935-36) had lived in or near Robert Lee since their marriage.

She was a housewife and a member of the Church of Christ.

Survivors include her husband; two sons, J. C. Wallace Jr. and Royce Wallace of Robert Lee; three daughters,

Services Friday For J. H. Ruth

Funeral services for John Huey (Johnnie) Ruth 83, longtime Coke County rancher, are to be held today (Friday) at 2 p.m. in the First Methodist Church, with the Rev. Lyle Pierce, pastor, officiating. Burial will be in Divide Cemetery under direction of Shaffer Funeral Home.

Mr. Ruth died about 9 a.m. Wednesday on his ranch on the Divide about 14 miles southwest of Robert Lee. Information received Wednesday afternoon by the Observer said he went out early Wednesday morning to do some work at the ranch and was later found dead by his wife. Justice of the Peace Opal Jacoby investigated the death.

Mr. Ruth was born Feb. 21, 1894, in Van Zandt County and had lived in West Texas most of his life. He worked in the ranching business in several coun-

Harry Palmer Is New Constable

Harry Palmer was appointed Constable of Precinct 1 by the Coke County Commissioners Court in a meeting held Monday. Palmer and his family have moved here from Cherokee County, where he was serving as a deputy sheriff.

The new constable succeeds the late Ollie Roe, who died a few weeks ago.

Judge W.W. Thetford said Commissioners Court members felt extremely fortunate to be able to secure the services of a law enforcement officer with Palmer's qualifications. He has also worked as an officer in Bishop and Kleburg County.

Palmer is a retired Navy Aviation Electronics Technician and served 10 years as combat air crewman. He also served several years as an instructor in various phases of

Bond Vote on New Clinic Building Held Thursday

Qualified voters who reside in the West Coke County Hospital District were scheduled to go to the polls yesterday (Thursday) to decide the issue of building a new clinic building to be operated in conjunction with the district's hospital and nursing home.

The proposition called on voters to decide if the district should issue \$155,000 in bonds to finance the construction of the clinic. The proposed building will contain offices

for a doctor and dentist and space for a drug store. Dimensions of the structure will be 60 by 108 feet.

If the building is approved by voters, the space will be rented and revenue will partially retire the bonds. Present revenue sources are expected to be sufficient any difference between the bond payments and rent revenue.

The Observer was being printed while the election was in progress and results will be run next week.

Scott Bull Goes For High Price

Horace Scott, Beefmaster breeder of Robert Lee, had the third highest selling bull at the Southeastern Beefmaster Breeders Association Sale held Sept. 24 in Jackson, Miss.

The big, growthy, strong-boned bull went for \$8,200. Highest price paid for a bull at the sale was \$27,333, while the average price was \$2,332.

Scott said he was well pleased with the price brought by his Beefmaster. He and Mrs. Scott attended the three day convention and sale in Jackson.

Election Called On Courthouse Annex Question

Coke County Commissioners Court has called an election to determine the will of voters on the matter of building Court-house annex on the county square in Robert Lee. Balloting has been set for Nov. 8, and the election will be held in conjunction with the constitutional amendment election set for that day.

The election was called after petitions were presented calling for a referendum to determine if Coke County citizens favor construction of the building. The commissioners previously had announced their intention of building the structure and paying for it with revenue sharing funds and issuing time warrants.

The commissioners earlier had okayed the structure to provide space for federal offices now housed in the courthouse, in order to alleviate crowded conditions in the main building. It was also decided to add some space onto the annex to provide a home for the Coke County Library.

County Judge W.W. Thetford said the Commissioners Court determined that rent payments for the federal offices will make payments on the time warrants proposed. "The county has always provided offices for the ASCS and SCS free of charge, but an agreement already has been reached for them to pay for space used in the new building," the judge said. Also to be housed in the annex will be offices of the two county Extension Agents.

Judge Thetford said cost of the additional space in the proposed building for housing the library will be minimal. The Coke County Library Association already has a substantial amount of money on hand which will be available for construction costs, and other substantial donations have been promised, if a suitable home for the library is provided.

To separate cake and cakepan, rotate the pan so that weight is balanced on each side. The cake will loosen by its own weight.

MANAGEMENT OF FINANCES STUDIED

Everyone is reminded that a Financial Management Short Course is in progress, with sessions slated for Oct. 11 and 18 at 7:30 p.m. First session of the course was held

Tuesday night, but persons who are interested are invited to attend the two remaining sessions, which will be held in the old Rec Hall at Robert Lee. Some seven subjects will be covered during the course.

Congressman Bob Krueger Reports

Krueger Opposes Panama Treaty

U.S. Cong. Bob Krueger of Texas today announced his formal opposition to ratification of the Panama Canal Treaty recently agreed to by the Carter administration.

Voicing a position independent of that taken by many public figures, Krueger indicated he would consider support of the treaty should certain provisions be altered, provisions which, Krueger says, "are not in the best interests of the U.S. and of U.S. citizens living in the Canal Zone.

"I cannot, in clear conscience, support an agreement that relinquishes military sovereignty of the canal," Krueger said in a statement released by his Washington D.C. office.

"Yielding military control of the canal potentially leaves unprotected not only the canal but leaves unprotected the many Americans who reside in the Canal Zone.

"Terms that dictate

those concessions are unacceptable to me," he said.

FB Convention Planned Monday

The annual Coke-Sterling County Farm Bureau Convention will be held Monday night at the Bronte School Lunchroom. A barbecue supper will be served at 7 p.m. and a business meeting will follow.

Karla Pope of Bronte and Fred Thompson of Sterling City will give a report on the Citizenship Seminar they attended last summer under the sponsorship of the Farm Bureau. Volunteer Fireman Lee Craig of Sterling City, who attended the Texas Fireman's School sponsored by Texas Farm Bureau Insurance Co-operatives, will give a report on the meeting.

All Farm Bureau members are invited to attend the convention.

Reddy Tips To Help You...

Your ENERGY Dollar\$

Use your ELECTRIC RANGE Wisely...

- When possible, cook several things in the oven at one time. That's a heat saver . . . time saver, too.
- Warm bread, rolls, or desserts in the oven by using the retained oven heat after the main course is cooked.
- Stagger cooking utensils in the oven. Heat can circulate better which increases cooking efficiency.
- Keep the oven door closed as much as possible. Depend on cooking time-charts for oven baking.

'64 STUDY CLUB HAS MEETING AT CENTER

On Tuesday night of last week the '64 Study Club, TFWC, met in the Chapel at San Angelo Center, Carlsbad, Texas, to hear the Good News Singers, a choir composed of around 90 residents of The Center. The choir, composed of The Chapel Choir and The All Faith Choir, seldom appears in its entirety, because of the difficulty of transporting so many singers by bus. Smaller groups accept invitations out of town. The large group produced a thrilling program for local members and guests.

Chaplain Richard Mahler and Choir Director Keith Butler do a superb job of directing such activities. They expressed appreciation for the local club's coming there to give opportunity for the full choir to perform. They also thanked members for bringing the refreshments, cookies and punch, with extra cookies packaged for residents to carry back to their dormitories.

Special guests attending were Heart of Texas District President Marie Ward and Second Vice-President Alice Bankston, both of San Angelo.

The club's next meeting will be held Oct. 11, at the home of Mrs. Roy Epperson. Mrs. Frank Coalson will give a program concerning her experiences teaching school in Alaska.

Felix Puett of San Bernardino, Calif. is reportedly doing well after recently undergoing open-heart surgery. Mr. Puett, former editor of the Robert Lee Observer, lived in Robert Lee for several years before moving to Calif. He is a brother-in-law of Fred Smith of Robert Lee. Mr. and Mrs. Puett reside at 223 East 27th St., San Bernardino, Calif. 92404.

Wilson Bryans Back from Trip

Mr. and Mrs. Wilson Bryan returned last week from a 24-day vacation trip which took them into 17 states and one Canadian Province.

The Bryans drove north from Coke County through Oklahoma, Kansas, and Nebraska (the Corn Belt), turning east through Michigan into Ontario, Canada.

Returning to the North Peninsula of Michigan, the couple turned west through Wisconsin and Minnesota, into North Dakota to Fargo, then southwest through South Dakota and across Wyoming to Grand Teton National Park where they met Frank Dean and Doris Bryan, former Robert Lee residents, now of Fortuna, Calif.

The Bryan brothers and their wives toured Grand Teton, Yellowstone, and Mammoth Hot Springs together before separating at Anaconda, Montana. The Texans returned home by way of Idaho, Utah, Colorado and New Mexico, spending the last night of their trip with Della (Kitten) Lemons in Alpine, Texas.

"It was a wonderful trip," Mrs. Bryan concluded, "but Robert Lee is home."

BRYAN A WINNER

Frank Bryan of San Angelo and formerly of Robert Lee, won first place in the nine-year-olds division of the Punt, Pass and Kick competition held last Saturday. The Contest was sponsored by Jim Bass Ford of San Angelo.

Frank is the son of Mr. and Mrs. Terry Bryan who moved from Robert Lee a few months ago. He is the grandson of Mr. and Mrs. T.M. Wylie Jr. and Mr. and Mrs. Wilson Bryan, all of Robert Lee.

Mr. and Mrs. Add Davis returned last Thursday from M.D. Anderson Hospital in Houston where he underwent seven weeks of cobalt radiation treatments. He will return to Houston Nov. 22 for a checkup and examination.

DENMAN-ALLEN WEDDING HELD AT CORPUS CHRISTI

Miss Sheri Lyn Allen and Dennis Lydick Denman of Corpus Christi were married Saturday at Skylight Chapel, Christian School.

The bride is the daughter of Mr. and Mrs. Fred G. Allen of Corpus Christi and the groom is the son of Mr. and Mrs. M.L. Denman of Papalote.

Miss Glori Allen of Abilene was maid of

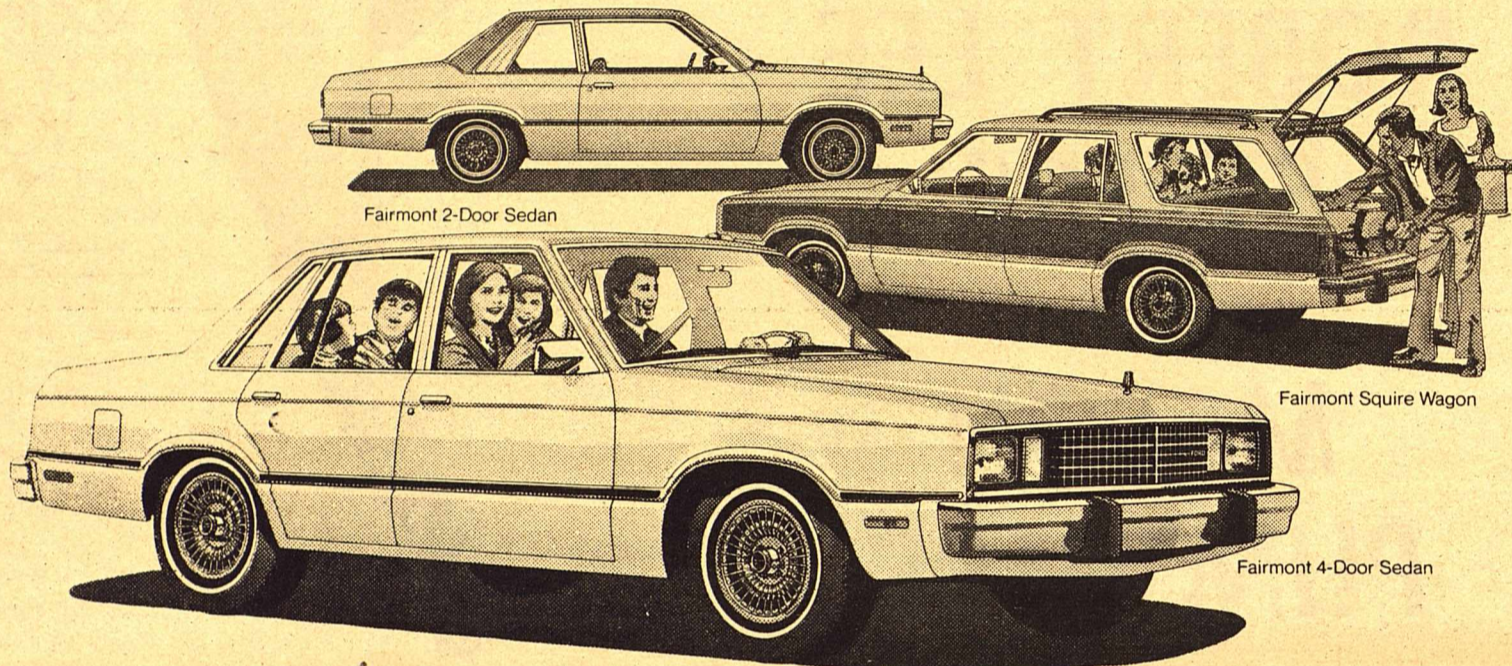

honor and Mrs. Ginger Garcia of Corpus Christi was matron of honor. Both are sisters of the bride. Dick Leonard of Corpus Christi was best man. The couple will live in Corpus Christi. The bride is a grad-

uate of King High School and Abilene Christian University. The groom is a graduate of Calallen High School and Texas A&M University, College Station.

Mr. and Mrs. Buster Pierce of Robert Lee

and Mr. and Mrs. Aubrey Denman of Bronte attended the wedding. They also visited Mrs. Pierce's sister, Mrs. Edra Olson, at Robstown and, on their return trip, toured the LBJ State Park near Johnson City.

Introducing
FORD'S BETTER IDEAS FOR '78
featuring the new Fairmont...the Ford in your future.

Fairmont 2-Door Sedan

Fairmont Squire Wagon

Fairmont 4-Door Sedan

The Fairmont idea.

Fairmont... a new car built for today, but designed for the years ahead. Fairmont combines fuel efficiency, space efficiency and cost efficiency. It's trim outside, and easy on gas, yet it's roomy inside. Stylish, but it doesn't cost a lot. With impressive ride and handling. That's Fairmont—a whole new line of better ideas.

Fuel efficient.

Fairmont sedans offer the best mileage ratings in their class.

4-Speed Manual	Automatic Transmission
33 MPG (Hwy)*	33 MPG (Hwy)*
23 MPG (City)*	22 MPG (City)*

*EPA estimates with 2.3 litre engine. Your mileage may vary depending on your car's condition, optional equipment, and how and where you drive. California and Wagon ratings are lower.

Space efficient.

More than 90% of the head room, leg room, shoulder room of most large cars.

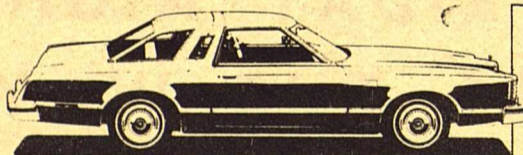

Fairmont is not a little car. It's engineered to be space efficient with 90% of the room in key areas of most large cars. And Fairmont's roomy trunk holds ten assorted pieces of luggage.

Cost efficient.

Fairmont sticker prices will be competitive. And Fairmont is designed to keep scheduled maintenance costs down.

Compare Fairmont's excellent combination of high mileage ratings, roominess, and low sticker price with any other car sold in America. You'll see why we call it the Ford in your future.

More new 1978 ideas to brighten your future driving.

1978 THUNDERBIRD. The new Thunderbird is ready for takeoff. With all the styling, luxury and fine engineering that you expect in a Thunderbird. Most surprising is its down-to-earth price—even with V-8 power, automatic transmission, power steering, power front disc brakes, AM radio, standard.

NEW GRANADA ESS. Can you tell its looks from a \$20,000 Mercedes-Benz 280SE? Our new ESS is styled in the tradition of expensive sports sedans. With special luxury inside and exquisite touches throughout. And five-passenger comfort. It's the flagship of our popular Granada line.

Junction Puts Hex On Steers, 27-0

By Ronnie Baker

Usually Halloween is the last of October, but for the Steers it was the last of September as nothing went right. So whoever turned their black cat loose and their hexes Friday night they can have them back and keep them, thank you. A ball game is 48 minutes of playing time and of that 48 minutes it seemed like the Steers played 40 of it on defense and it won't miss it far. Sixty-two plays for Junction and 33 for the Steers, pretty well tells the story of the ball game. Costly fumbles at the start and costly penalties at critical times was the jinx of the Steers and that also tells the story.

FIRST QUARTER

The Steers received the opening kickoff at the Steer 25 with a return to the 37. Then it starts as the Steers fumble on the first play after a gain to the Steer 46. Then

on the first play for Junction they pass to the Steer 5 yard line for a 1st and goal. The Steer defense shows what they are made of as they hold on downs at the 1 yard line. The Steers then make a 1st at the 12 yard line, but they fumble again and Junction recovers at the 18. Junction makes a 1st down at the Steer 1 this time and punch it in for a T.D. The extra kick is good and it is 7 to 0. The Steers receive the kickoff at the 20 and return to the Steer 35. Junction holds at that point and the Steers punt to the Junction 22. Junction makes a 1st at the 34 and the Steers then halt the Eagles and they punt to the Steer 10 with a one yard return. The Steers run one play to the Steer 11 as the Quarter ends.

SECOND QUARTER

Junction then intercepts a pass at the Steer 35, but then Micky Baker intercepts

one of theirs at the Steer 5 yard line. The Steers then make a big 1st to the Steer 39. The Eagles then hold and Gartman punts to the Junction 9. The Steers then recover a fumble at the 4 yard line with Buddy Wallace falling on it. The Steers make 3 yards then loose 2 and on the 3rd down, Richard Long sweeps the end for a T.D. but it's called back on a penalty to the 23. The Steers then try a field goal that falls short and they return it to the Steer 22 and a penalty against the Steers puts it at the Junction 37. Richard Long then intercepts a pass and returns it to the Junction 40. But again the Steers fumble and Junction recovers at the Junction 36. The Steers intercept a pass again as Gartman picks it off at the Steer 23 and the Steers are penalized to the 11 yard line as the 2nd Quarter ends.

THIRD QUARTER

Junction receives the kickoff at the 5 and returns to their 33. They then fumble on 2nd down and Clay Allen recovers at the Junction 18. The Steers make a 1st down at the 7 but then the Eagles hold on downs at the Junction 16 after losses. The Steers then hold the Eagles and they punt to the Steer 17 and the Steer fumble it again and Junction recovers. They make a first at the Steer 4 and they then score from the 1. The extras fail and it is 13 to 0.

The Steers take the kickoff at the 5 and return it to the 32.

The Steers then proceed to fumble again and Junction recovers at the 32. Junction then make a 1st at the Steer 19. Then as the buzzer is sounding they skirt the end for another T.D. The extras fail and it is now 19 to 0.

FOURTH QUARTER

The Steers receive at the 10 and returns it to the Steer 21. Clark then gets a long run to the Junction 45, but a penalty brings it back to the Steer 16. Junction then intercepts a pass and gets to the Steer 10. Junction then moves to the 4 yard line where they score again. They pass for the extra points and it is now 27 to 0. The Steers then received the kickoff at the goal line and return it to the Steer 24. Junction holds and Long punts to the Eagle 15 with no return. Junction moves to their 49 where they fumble and Clark recovers for the

Steers. The Steers make a 1st at the 24, but then Junction holds on downs at the 17. Junction then fumbles with Lynn Gulley recovering for the Steers with little time remaining. But the Steers then fumble it back to them and Junction runs out the clock.

Vaughan Chevrolet Co. Now Has New 1978 Model Cars on Display

The new 1978 model Chevrolets are now on display at Vaughan Chevrolet Co. in Robert Lee, and the public is invited to come by any time and inspect them.

Robert Vaughan and Ben Bessent, owners of the agency, said they are well pleased with appearance and performance of the new cars

and feel sure that everybody in the area will want to see them.

The new cars went on display Thursday and the owners of the Robert Lee dealership said they have a good selection of the new models on hand, even though they already have sold a number of the new cars.

Bessent said, "The new

Chevrolets are just great and we certainly are proud to be the dealers handling these fine new cars." The firm has an ad in this newspaper inviting everyone to come by and see the new Chevys.

Paving Set for Oak Creek Road

A project in Coke County is among those in a \$33-million statewide program to improve Farm to Market Roads and other Texas local roads.

District Engineer D. R. Watson of San Angelo said the State Highway and Public Transportation Commission recently approved the 1977 Texas Farm to Market Road and Safer Off-Systems Road program.

Work in this area includes a Farm to Market Road from State Highway 70, northeast a distance of approximately 2.5 miles along the route of an existing county road south of Oak Creek Lake.

Statewide, the program calls for 297.7 miles of Farm to Market Roads and work on 80.4 miles of roads on local systems.
