Robert Lee Steers to Play In Class B District in 1978

Most Robert Lee football fans will be happy with the new alignment for district football games which was announced this week by University Interscholastic League officials. assigned to the west The big item in the announcement so far as

Holiday Monday At Robert Lee PO

Apparently employees of the Robert Lee Post Office will be the only persons in town who will have a holiday Monday, Oct. 24, which is Veterans Day.

Ordinarily, Robert Lee State Bank and county and city offices observe the same holidays as the post office. However, they will take a holiday this year on Nov. 11, which is the traditional Veterans Day and was observed each year before federal regulations lengthened certain weekends from two days to three.

Other business firms in Robert Lee also will be open for business as usual on Monday.

Dogies Thump Garden City 32-6

The Robert Lee Dogies overwhelmed the junior high team from Garden City, 32-6, in a game played here Thursday night of last week. The Dogies did an outstanding job both on offense and defense, according to coaches.

Darren Williams made two touchdowns. He returned a punt for a 65 yard counter and ran

Robert Lee is concerned is that the Steers will go back to playing in Class B sports competition, beginning with the 1978 season.

The Steers have been half of District 6-B and will compete with Bronte, Miles, Eden, Santa Anna and Irion County in regular season play.

Richland Springs will start playing six-man football next year and will no longer be in the district. Tolar was added and will play in the east half. Other east members of 6-B are Blanket, Lometa, Rising Star, Evant and Gorman.

The Steers have had some tough sledding the last few years playing in tough District 9-A competition with schools that have a much larger enrollment from which to draw football and other athletic teams.

Burton Services At Levelland

Funeral services for Sonny Burton, 53, of Levelland were held Thursday at 10 a.m. in the George Price Funeral Chapel in Levelland. Burial followed at 3:30 p.m. Thursday in the Paint Creek Cemetery west of Robert Lee.

Mr. Burton died suddenly Monday night while at work, apparently of a heart attack. He worked in the oil fields as a roughneck.

Rites Tuesday for C. Benningfield

Funeral services for Clarence Benningfield, 80, of Clairemont, were held at 2 p.m. Tuesday in the Weathersbee Funeral Home Chapel in Rotan with the Rev. Allan Cartrite, pastor of the First Baptist Church in Roby, officiating. Burial was in the Clairemont Cemetery. Mr. Benningfield, who formerly lived on the Spires Ranch near Silver, died at 10:35 p.m. Sunday at his daughter's home of an apparent heart attack.

Born Jan. 25, 1897 in Mills County, he was a retired rancher. He married Zelma Smith July 28, 1919 in Rocky Ford, Colo. He was a Baptist.

Mrs. Benningfield died June 17, 1974. Survivors include four daughters, Mrs. Leo (Lois) Huff of Wichita Falls, Mrs. Manuel (Rosa Lee) Davis of Clairemont, Mrs. W.D. (Jo Ann) Cate of Everton, Ark. and Mrs. Maynard (Madell) Willis of Sweetwater; two sons, S.C. Benningfield Jr. of Albuquerque, N.M. and Don Benningfield of Clairemont; a brother, Nile Benningfield of Fairplay, Colo.; 14 grandchildren and three great-granddaughters. He was a brother-in-law of Anna Mae Benningfield of Robert Lee.

A guest last week in the home of Mr. and Mrs. James Craig was his father, J.M. Craig, of Forsan.

The Robert Lee Steers will have to take a ride to Big Lake Friday night when they will take on the Reagan County Owls in a District 9-A contest.

HOSPITAL NEWS

The following admissions and dismissals were reported by the West Coke County Hospital:

Oct. 11: Mabel Austin, Sylvia Tinkler and Bertha Nava admitted. Oct. 12: Phebe Howard, Melinda Hickman, Eliseo Sanchez and Gene Quisenberry admitted. George McCaleb dismissed.

Oct. 13: Nannie Brooks and Nell King admitted. Bertha Nava, Lena Russell and Bertie Clift dismissed.

Oct. 14: O.T. Sawyer and Lorene Millican admitted. Sylvia Tinkler dismissed. Oct. 15: Aubrey Bagwell admitted. Nell King dismissed. Oct. 16: Myrle Young admitted. Lorene Millican dismissed. Oct. 17: Bill Wrinkle, Francis Dreyer, Mark Murtishaw and Jessie Castilla Sr. admitted. Mabel Austin, Melinda Hickman, Eliseo Sanchez, and Nannie Brooks dismissed.

Oct. 18: No admissions. Gene Quisenberry dismissed.

The Steers will be looking for their first district win of the season, since they missed an opportunity last week to take a victory over the E1dorado Eagles. The Steers were able to hold the Eagles to a close 25-20 score, but were a little short on the scoreboard when the final gun sounded. Wall and Menard remains the big guns in District 9-A.

All Steer fans are urged to go to Big Lake tonight and back the team.

Firemen Assist With Big Blaze

The Robert Lee Volunteer Department was busy Monday afternoon helping fight a grass fire between Sterling City and Water Valley. One Robert Lee truck was out about five hours with firemen battling the blaze. Other fire fighting units from San Angelo, Water Valley, Grape Creek and Sterling City were on hand to fight the big blaze.

Fire Marshal R.C. Sawyer said the Robert Lee firemen received a call for help on three different occasions during the course of the afternoon.

The fire started on the Alvie Cole Ranch and spread to the J. Q. Foster Ranch before it was brought under control. An estimated three to four sections were burned off. On Oct. 11 the firemen helped fight a grass fire on the Spade Ranch northwest of Silver. They also were called out to fight a fire coming from ,a ruptured oil line north of Silver. Sawyer said the firemen were called out to extinguish numerous small grass and trash fires during August and September, but none of them proved to be serious. "We've been lucky around here," he said, "when you consider how dry it is."

30 yards for another. To add frosting to his cake, Williams ran the three yards for a PAT. Also striking for two touchdowns was Buck Duncan who dashed 50 yards and 40 yards to add 12 points for the Dogies.

The other touchdown was made by Everett Wilson on a 30 yard stroll through the Garden City defenders. Bronte was scheduled to come here Thursday night for a game, and the Dogies will wind up their season Oct. 27 when they host Coahoma 7th Grade.

He is survived by two sons, Wayne Burton and Darrell Burton, both of Levelland; his parents, Mr. and Mrs. Bert (Lilly Page) Burton of Levelland; and a sister, County voters joined Mrs. Bill Cowart.

Airline Deregulation Is Complex

late the airline industry is the current subject before the Aviation ing of new routes. Subcommittee of the House Public Works and Transportation Committee, and it is likely that such legislation will be coming before members of the whole House in the not too distant future.

The issue, like most we must confront today, is a complex one.

Regulation of the airline industry, like most lower fares, enabling regulation by federal codes, originated when the industry began to grow, when there was need for an unbiased body to oversee, negotiate and administer the sudden emergence of new carriers, extended routes, legal complications and financial details of a new industry. air traffic. Since then, the airline

Legislation to deregu- charges persons who fly, in approval of new carriers and in the open-Legislation before the Senate, in fact, would give individual carriers the power to lower or raise their rates considerably without approval by the Civil

> Aeronautics Board. Proponents of this legislation say that allowing supply and demand to establish rates will result in more Americans the opportunity to fly.

But there is another side to this question, and it could particularly concern the 21st District of Texas, a district encompassing several small cities that currently depend heavily on commercial

Some opponents of de-

There may be merit to this opposition, despite PERMITS AVAILABLE the fact that the proposal stipulates that no carrier routes may be curtailed until at least a decade after deregulation is enacted. But lawmakers of substance must look beyond even the next 10 years, and we have seen how the face of the 21st District has changed in less than 10 years, how small towns have developed into thriving small cities, that the well-being of small cities can be every bit as important as the well-being of large cities.

For that reason I will approach specific legislation on deregulation with caution, making certain more economical air fares for the individual do not come at the expense of the economic welfare of Texas' smaller cities. Perhaps the proposed bill may not result in damage to the economic and future well-being of smaller cities, but some proof of this fact must be offered me before final House action on this matter occurs.

STEERS FALL TO EAGLES BY CLOSE 25-20 SCORE

By Ronnie Baker

A quick start by the Steers semmed like it was going to go their way, but the usual bad breaks went the other way and the Eldorado Eagles won 25-20. The Steers defense again had to play two-thirds of the ball game and it just won't work percentage wise, because if you don't have the ball you don't score.

1st Quarter Eldorado received the opening kickoff and returned it to their 20. The Steers then hold for as the Quarter ends. little gain and Eldorado punts to the Steer 40 with a return to the Steer 45. The Steers make a first at the Eagles 44. Then the bomb, as Micky Baker hits David Lackey at the Eagle 10 yard line and he trots in for a Steer TD. Wes Sawyer toes the extra points and it is 7 to 0. Sawyer a interception by Gartkicks off to the Eagle 11 with a return to the Eagle 28. Then Eldorado is being held again and Clay Allen picks off a pass and races down the side lines to score, but they mark it at the 5 as he steps out of

bounds. One play to the 3, and Baker steps back and hits Edwin Wilson in the end zone for another TD. Sawyer again kicks the extras and it is 14 to 0. The Steers kickoff again with a return to the Eagle 18. The Steers hold rado kicks off and the again and Eldorado punts to the Steer 42. The Steers makes a first half ends. at the Eagle 43. But they then fumble and Eldorado The Steers receive at takes over. But the Steers hold again and they punt to the Steer 23. The Steers fumble again at the Steer 20

2nd Quarter The Steers hold the Eagles again and the Eagles decide to try a field goal. It failed and the Steers get the ball at the 20 yard line. But again the Steers fumble and Eldorado recovers. The Eagles go to the air and the Steers get it back with man at the Steer 5. The Steers can't move and Long punts to the Eagle 40 and they return it to the Steer 5 yard line. Then they fumble and Dallas Johnson recovers at the 5. But again the Steers

fumble at the 12 yard line but they hold on downs and take over at the 17. The Steers can't Texas State Fair move the ball and they punt to the Eagle 45 with a return to the Steer 41. They make a 1st down at the Steer 30, then they break one up the middle for a TD. Long blocks the extra point try and the score is 14 to 6. Eldo-Steers make a first at the Steer 28 as the first morning they visited

3rd Quarter

the Steer 14 and return to the Steer 31 Eldorado then intercepts a pass at the Steer 29. The Steers hold and Eldorado punts to the Steer 8. Eldorado then holds and the Steers punt to the Steer 45 with a return to the Steer 19. Eldorado makes a first at the 1 yard line and they then score. The extra fail again and it is 14 to 12.

The Steers receive at the Steer 20 and return to the Steer 34 Eldorado holds again and the Steers punt to the Eagle 45. The Steers halt them and they punt to the Steer 19, and the Steers fumble the punt. But the Steers hold again and they try another field goal which fails. The Steers get the ball at the 20 as the 3rd Quarter ends.

4th Quarter Eagles hold and the Steers punt to the Eagle 48. Then Eldorado puts on a drive which carries to the Steer 31 where they complete a long pass for a TD. The extras fail again and it is now 18 to 14, Eldorado. The Steers take the kickoff at the 10 and return to the Steer 20. They can't move again and they punt to the Steer 40. The Eagles make a big first at the Steer 14. Then another at the 2 yard line. They then score and kick their extra point which makes it 25 to 14. The Steers then take the kickoff from their own 39 and moves to the Eagle 28 where Richard Long breaks off tackle and goes all the way for a Steer TD. The extras fail and it is 25 to 20. The Steers kickoff to the Eagles and they start at their 19 and run out the clock to the Steer 22.

Buy only those foods stored below the "safe load line" at your grocer's freezer, advises Mrs. Fay C. Roe, County Extension Agent. The marker is easy to spot in open chest freezers. Food stored above this line begins to defrost, and loses some of its quality, flavor and nutritive value, the agent says.

Farm Bureau Has Annual Meeting At Bronte School

The Coke-Sterling County Farm Bureau annual meeting was held Oct. 10 at Bronte School. There were 160 persons fed at the barbecue supper. After some entertainment by the Long Family, a business session was held.

New by-laws were adopted and annual dues were raised to \$23 with \$11.50 as the state's part and leaving \$11.50 to operate county FB business. Eight resolutions were adopted and sent to State Resolutions Committee to be considered in making state policies for next year.

New directors elected were: Donnie Thompson and Jack Cervenka, Bronte; L.W. Duncan, Blackwell; Crowley Harmon and Bobby Roberts, Robert Lee; Mike Arrott, Juniper-Tennyson; Melvin Mc-Cabe, Valley View-Divide; and Bobby Bynum and David Foster, Sterling City.

On Monday night, Oct. 17, a business meeting was held in the Farm Bureau office at Robert Lee and the directors elected the following officers for a two-year term: president, L.W. Duncan of Bronte; vice president, James Bird Pentecost of Sanco; secretary and treasurer, Mrs. C. E. Arrott of Bronte. Delegates elected to attend the annual State Farm Bureau Convention Nov. 27-30 in Houston are: Finis Harmon, Edith; James Bird Pentecost, Sanco; Bobby Roberts, Robert Lee; Crowley Harmon is an alternate delegate.

DIRECTORS ATTEND STATE MEETING

Finnell Smith and from the Coke County Soil and Water Conservation District were in Lubbock Oct. 11-13 to attend the Thirtyseventh Annual State Meeting of Texas Soil and Water Conservation District Directors. Eph Cummins, District Conservationist with the Soil Conservation in Robert Lee accompanied the directors to the meeting.

The theme of this year's meeting was "Changing Challenges." Approximately 780 registered at the meeting. The association elected cated in the System three state directors and alternates during area discussion sessions is operated under the on Oct. 12.

Following the adjournment of the meeting, a tour was conducted on the Frank Gray farm near Lubbock. Gray's farming operation is unique because it is considered to be the largest individually operated and probably the oldest effluent irrigated farm in the country.

Gray and the City of Lubbock have a contract whereby he receives all the city's treated sewage water

WTU to Control Royce Fancher, directors Generating Units With Computer Computer equipment

known as Economic Dispatch Control has been installed by West Texas Utilities Co. and is now being used to automatically manage the company's electric energy production.

Generation units at the company's power plants are connected with the computer, and the desired output from each unit under various conditions is obtained in the most efficient

manner. The equipment is lo-Operations Office at North 4th and Plum, and direction of Carl Yancy, manager of system operations, and Jim Hoffman, dispatch supervisor.

The computer performs a variety of functions which previously were done manually.

One of the most important functions from the customer's standpoint is operating the system's generation units at the most economic level. WTU has eight major power plants and a total of 19 generation units. The Eco-

nomic Dispatch Control constantly calls on the best combination of production from these units to provide the most economical results. Variables considered by the computer include fuel costs, individual boiler limitations and capabilities, speed of generator response, and the amount of energy demand being placed on the system by the customers.

Yancy said the new program is especially beneficial now when the cost of boiler fuel is so high. The computer automatically adjusts generation to minimize total fuel consumption. The computer also aids in the interchange of power between WTU and other companies by allowing the dispatcher to evaluate the advisability of purchasing or selling power at any given time under any given set of circumstances.

The computer is a Westinghouse Prodac 50, which was purchased from Public Service Co. of Oklahoma, one of WTU's sister companies in the Central and South West Corp. It was installed by WTU personnel.

AUSTIN, Texas (Spl.) - A University of Texas scientist who does research on heart disease says the trouble with coronary arteries is that they are so small a wooden match stick would fit snugly inside one.

Dr. Walter K. Long says an obstruction does not have to be very large to block an artery. A common block is the formation of plaque, a complex growth of smooth muscle tissue and other constituents.

"Like scale in a pipe, the plaque slows down the flow of blood through the artery, and slowly flowing blood tends to clot," says the UT Austin scientist whose research involves the study of genetic factors in coronary artery disease.
