Coke County Library Moves Into Newly Remodeled Downtown Home

Coke County Library has been moved from the old county jail building to its new home at 706 Austin in Robert Lee. The building, which formerly housed the Robert Lee Observer, has been extensively renovated, remodeled and redecorated.

Additional work is planned on the exterior of the building but it was decided this work could be done later. Everyone is invited to come by and see the new home of the library.

The old jail building will continue to be the home of the Coke County Museum.

Coke County Library would like to acknowledge recent donations and memorials to the library: Mrs. Lois Calvert, Mr. and Mrs. Gary Shaffer, Mrs. Conrad Millican, Mrs. C.G. Walker, Mr. and Mrs. L.

CHEERLEADERS ARE NAMED FOR 1978-79

Cheerleaders for 1978-79 have been selected by the student body of Robert Lee High School. Renea Flanagan was named head cheerleader and other members of the group are Jana Hodod, Cindy Walker, Kellie Percifull and Lisa Devoll.

The girls will lead the cheering section at football games, basketball games, other sporting events and pep rallies beginning at the opening of school next fall.

Golf Team 4th In Regional Tilt

The Robert Lee High School golf team took fourth place honors in the regional golf tournament held April 26 and 27 at Lake Proctor near Stephenville. The Robert Lee team wound up the two day event with a score of 412.

Individual scores were: Clay Allen 160; Micky Baker 176; Billy Matlock 176; Brett Clark 184; Kevin Roe 191.

Allen tied for third place medalist in the tournament.

E. Higgins, Mr. and Mrs. Sydney Davis, Mr. and Mrs. R.C. Lasswell, Mr. and Mrs. Elmer I. Clegg, Mr. and Mrs. Floyd Harmon, Mrs. Edna Havins, Mrs. Beth Prather, Mrs. Irene D. Newell, Mr. and Mrs. Clayton Bloodworth, Mr. and Mrs. John D. Mumford, Mr. and Mrs. Earl Lindsey, Mr. and Mrs. Art Runnion, Mrs. Amanda Runnion, Mr. and Mrs. Zeddie Beal, Mr. and Mrs. Jack Brewer, Mr. and Mrs. Roy Walker, Mr. and Mrs. T.M. Wylie, and Mr. and Mrs. Robert Reese.

Library officials also expressed thanks to all who made our annual fish fry a success.

Board Hires New School Teachers

Two former teachers have been employed by Robert Lee Independent School District.

Suzie Wilson has been employed to teach sixth grade and Clifford Wilson has been hired as high school basketball coach and as a teacher in an area yet to be determined.

Also employed was Linda Jacoby Link, who will be teacher of first grade.

The Wilsons are former members of the RL School faculty and Ms. Link is a former Robert Lee resident, the daughter of Mr. and Mrs. W.E. Jacoby.

Both Democrats and Republicans will hold primary elections Saturday in Coke County. A few very interesting contested elections probably will cause a reasonably large turnout.

Probably the most interesting election in Coke County will be in the race for county judge. Present Judge W. W. Thetford, who has held the position since 1959, is being challenged by D.W. (Dub) Sims of Bronte, who is employed at West Coke County Hospital in Robert Lee.

Judge Thetford is basing his campaign on the premise that the experience and knowledge gained in nearly 20 years of presiding over the office and the commissioners court make him qualified to serve the county for another four years.

Sims, on the other hand, is campaigning on the premise that Coke County government needs a change with some new blood and a head of the county government who has some fresh ideas for promoting a regulated growth while maintaining qualities of the "good old days."

Both men offer impressive educational qualifications which should enable them to carry out the duties of the office.

Judge Thetford holds a bachelor and master's degree from Texas Tech and was a school teach-

er for some nine years before his election to his present office.

Sims, who is a specialist in the medical technology field, holds a bachelor's degree from Angelo State University and is completing work on his master's degree which will make him a registered medical technologist in biology and chemistry.

Only one other race is contested in Coke County. Present Commissioner Jerry Parker has been challenged by N.P. (Dick) Cooper for that position.

Coke Countians are es-

County Receives Rain Tuesday

Rain clouds hovered over Coke County Wednesday and most of the county received some relief from the long dry spell which has hampered growing things since the weather warmed up several weeks ago. Average amount of rainfall received amounted to one inch in most areas of the county.

Most residents in the west part of the county received about an inch, while the measurement varied somewhat in the east part of Coke. L. W. Duncan, whose place is northwest of Bronte, received only .7 inch, while Hamp Thomas recorded 2.9 inches at Tenyson.

Wednesday afternoon skies remained cloudy and prospects for more rain were good.

pecially interested in the race for U.S. Congressman. Five Democrats and four Republicans want the job presently held by Bob Krueger, who is looking toward higher goals as a U.S. senator.

Coffee talk indicates that Nelson Wolff is the leading contender on the Democratic ballot. Other contenders are Woodie Glasscock, Joe Sullivan, Paul Dahlgren and Steve Clark. Wolff, who was a close second to Krueger four years ago when O.C. Fisher retired, appears to have the upper hand among Coke County voters.

GOVERNOR'S RACE

Another race in which Coke County voters have a great deal of interest is that of governor of the state. Dolph Briscoe is finishing up his sixth year as governor and is running on the platform that he has prevented new taxes from being imposed on the citizens of the state.

Briscoe is being strongly challenged by Attorney General John Hill, who claims that Briscoe has basked far too long in a do-nothing administration and it is time for a change. Hill points out that if Briscoe is reelected he will have had control of the governor's office for 10 years, a new record.

Other candidates for governor are former Gov. Preston Smith, Ray Allen Mayo and Donald R. Beagle. Some polls recognize that Smith could play the part of spoiler and force the two top candidates into a runoff.

U.S. SENATE

Voters of Coke County and the rest of the 21st Congressional District have an extraordinary interest in the Democratic race for U.S. Senate nominee since the district's own present representative is seeking the nomination. Bob Krueger apparently will have no difficulty in carrying Coke County and the entire sprawling 21st Dis-

Voters to Express Opinion on Propositions

Election of officials to various positions all the way from local level to house and senate of the United States is not the only questions to be voted on in Saturday's primary elections.

Both Democratic and Republican ballots have propositions on which voters may express their opinions. Two propositions appear on the Democratic ballot and three on the Republican ballot.

The proposition which has generated the most

interest appears on both the ballots. It asks voters to express their opinions as to whether or not horse racing and pari-mutuel betting should be allowed on a local option basis.

Horse breeders across the state have come out strongly in favor of the idea of making horse racing and betting on the outcomes legal in Texas on a local option basis. It would require an act of the legislature which would allow counties to vote on the matter.

Democrats also have a chance to express their opinions on increasing the interest rates loan companies are allowed to charge.

In addition, the Republican has two more referendum questions: asking the legislature to pass a law for delegates to a national political convention be elected in party primaries and placing a limit on the amount of taxes which can be levied by state and local governments.

I APPRECIATE THE MANY KINDNESSES OF ALL OF YOU

I appreciate the kindness the people of Coke County have shown me by allowing me to run unopposed again for the office of County and District Clerk.

TO THE Independent VOTERS OF COKE COUNTY

**From Lynn Phillips, Temporary Chairman
Coke County Republican Party**

Many of you have told me that you vote for the man and NOT the party

This indicates that you are more concerned with the issues that face our government than you are with the political process itself. These are my sentiments, too; however, the fact remains that the party system exists in this country, and all political decisions are made through this system. There are many persons in office at this time whose actions are not in your best interests, yet these people were elected by votes cast strictly on the basis of party label.

Many have also said that you feel the socialistic trends of this nation are irreversible, and that your vote does not count: This is true only so long as you go to the polls and rubber stamp political philosophy which you have no part in creating.

As shown by the 1976 Political Platforms listed below, many of you voted Democrat in the last election, unaware of the national goals of that party.

I feel the Republican Party has much to offer the independent or conservative voter, and offers you the opportunity to participate in the "Grass Roots" of this party by voting in the Republican Primary, and participating in the precinct and county conventions.

I am not asking you to accept a Republican Party label, but simply to study the issues and decide which party most closely reflects your views, then become INVOLVED and VOTE.

The Republican Primary

WILL BE HELD IN ROBERT LEE AT THE HIGH SCHOOL ON MAY 6th

If you need information or transportation to to the polls, please call Lynn Phillips at 473-5391 in Bronte, or Mrs. Keith Lloyd at 453-2875 in Robert Lee.

Coke Party Heads Urge Big Vote

Coke County chairmen of the Democratic and Republican parties agreed on one thing this week--they both want every qualified voter in Coke County to get out Saturday and vote.

Mrs. Cumble Ivey Jr., county Democratic chairman, said Wednesday that everyone has a deep obligation to cast his ballot on every one of the candidates and propositions listed on the ballot.

Mrs. Ivey said, "All the politicians listed on the ballot are part saint and part sinner, even as you and I. Since all the offices belong to the people, due to our form of government, it is the Christian responsibility of every voter to select a good steward to fill each office listed on the ballot".

Mrs. Ivey reflected the general opinion of Coke County voters when she said, "It is impossible for us to know

each of the candidates personally, but we can make a pretty good judgment if we will study the track record of each of those who are running".

Lynn Phillips, county Republican chairman, also wants every member of his party to get out and vote. Phillips also is making a bid for votes of independents to vote in the Republican Primary. He emphasized that many persons who don't have strong party ties may find Republican platforms and policies more to their liking than those offered by the Democrats. He invited everyone whose political philosophy does not go along with Democratic policy to vote in the Republican Primary.

Both county chairmen pointed out that voters may not participate in both elections. A voter may not cast his ballot for part of the Democratic candidates and

for part of those running on the Republican ticket. "It has to be one or the other," Phillips said. "You can't vote both ways."

BRING REGISTRATION CARDS
Voters are requested to bring their registration cards with th-

em to the polls. However, if the registration card has been lost, citizens are still urged to vote, as they can sign a statement to the effect that registration papers have been lost.

Public Invited to View Amphitheatre

Coke County Pageant Association officers and friends urge citizens to see Mountain Creek Amphitheatre east of (behind) Gladney Baseball Field in Robert Lee. All cross ties are laid, the acting area is being filled in and smoothed, concrete steps have been added, and time is ripe for the building and installation of benches for permanent seating. A concrete slab will form the front part of the acting area between viewers and the mesquite tree, which is near center stage.

Wilson Bryan, construction chairman, urges volunteers who will help complete work on benches to contact him by phoning 453-2692 or by writing to Box 61, Robert Lee, 76945. A work-day is planned at which time the benches can be built by one group and installed by another. The labor can be accomplished with ease if enough welders and carpenters will appear. All help will be appreciated.

The pageant depicting the history of Coke County, will be performed in the new amphitheatre

July 28 and 29.

MEMBERSHIP DRIVE

Membership drive for Coke County Pageant Association is progressing with several plans available, as published in last week's Enterprise and Observer. Membership Chairman Dee McKleskey has provided copies of the schedule for all friends and officers who will assist in the drive, and these, plus membership cards are available at City Halls in both Bronte and Robert Lee from Pat Martindale and Edna Havins, respectively.

A State Income Tax. A Hangman's Noose For Texas.

If you think taxes are choking you now, consider the possibility of a State income tax. It would be a noose around your neck. Around the neck of every Texan. And around the future of Texas.

A vote for John Hill is a vote for:

- bigger government.
- more government spending.
- more inflation.

AND FOR A STATE INCOME TAX.

A vote for Dolph Briscoe is a vote for:

- fiscal responsibility
- less — not more — government.
- continued economic growth.

AND FOR NO NEW TAXES.

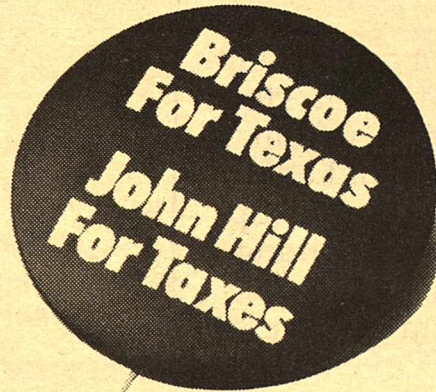

- We don't need New York-style government in Texas.
- We don't need Washington-style bureaucracy in Texas.
- And we don't need a big spending liberal activist as Governor of Texas.

LET'S KEEP DOLPH BRISCOE
AS OUR GOVERNOR.

"We are already footing the bill for run-away government in Washington. As Texans we should not have to foot the bill for run-away government in Austin.

"I don't think Texas should spend itself into a state income tax. That is exactly what will happen if Mr. Hill fulfills only *some* of his political promises."

72 Voters Cast Absentee Ballots

Absentee voting for the Saturday primary elections ended Tuesday afternoon at 5 o'clock. Absentee balloting for both Democrats and Republicans was conducted by County Clerk Mrs. Winnie Waldrop.

Mrs. Waldrop reported Wednesday morning that 69 Democrats and three Republicans had cast absentee ballots. This number was somewhat higher than ordinary, possibly indicating a good turnout in the Saturday elections.

This Saturday, vote in the Republican Primary so you can vote for Tom Loeffler for Congress!

This Saturday, we have a special opportunity to help elect a pure Texas product, Tom Loeffler, to the United States Congress.

Tom Loeffler is a fourth-generation Texan who was born and raised here, then went to Washington where he gained the confidence and respect of many decision-makers in our government.

Tom Loeffler has been a credit to this part of Texas, and he's the only man in the Primary from outside of San Antonio. Let's show our appreciation and support for this exceptional young Texan by voting in the Republican Primary for Tom Loeffler for Congress!

This Saturday Your Vote Will Make The Difference.

Friends,

For the past four years you have given me the most meaningful opportunity of my life—the opportunity to serve the people of the 21st Congressional District in the U.S. House of Representatives. I hope that I have lived up to your trust.

Now I'm seeking to represent all the people of Texas in the U.S. Senate. But, I need your help and your vote this Saturday in the Democratic primary.

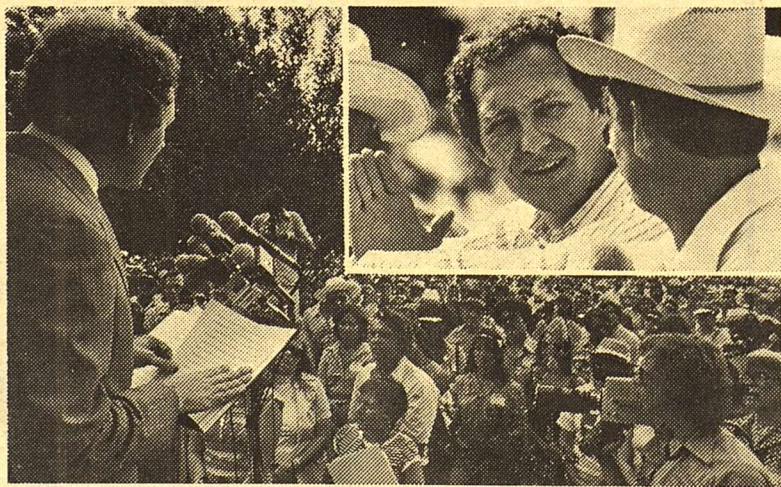

My Democratic opponent, the former Insurance Board Chairman, has received the statewide endorsement of the AFL-CIO and in order for us to be insured of a victory we need the votes of my home area.

I hope that you and your family will talk to your neighbors and get them to the polls. We need every vote. I would also like to invite you to our "victory celebration" in New Braunfels Saturday night at the Faust Hotel.

Thank you for your support.

Warmest personal regards,

CREATING BETTER LAND--Brush infested rangeland, on the LeDrew Arrott Ranch, being controlled by rootplowing. Later, to be seeded with a mixture of range grasses adopted to this area.

Conservation Program Important

The Great Plains Conservation Program was designed by Congress in 1956 as an additional tool for conservation districts in stabilizing the agriculture and economy of the vast Great Plains area. This program deals with a complete conservation program through a contract of not less than three years and not more than ten. During the contract, the Soil Conservation Service will assist in the cost of applying practices such as fencing, brush management, range seeding, wells, etc.

In Coke County, 117 land owners and over 150,000 acres have been or are in the Great Plains Conservation Program. During this time ranchers have improved and increased production of their ranches by rootplowing mesquite and mixed brush, range seeding, drilling water wells, constructing water storage facilities and fencing.

The Great Plains Con-

omy in the county through the use of contractors, thus establishing jobs for the local citizens. It has brought in more money in the county through the buying of supplies such as fuel, seed, fence building material and etc.

The Great Plains Conservation Program has been and is a big help to all people in this county, but it should not be forgotten that the main objective of the program is to reduce wind and water erosion, and keep the soil proeuctive for future generations.

For more information on the Great Plains Conservation Program contact the Soil Conservation Service, P.O. Box 85, Robert Lee, Texas, Ph. (915) 453-2623.

Decisive Choice Of Fellow Lawyers Across Texas

Incumbent Justice T. C. Chadick is the overwhelming choice of fellow lawyers throughout Texas; has been endorsed by the Houston Chronicle, Waco Tribune Herald, San Antonio Light, Fort Worth Star-Telegram, Dallas Morning News, Dallas Times Herald and many other newspapers throughout the state; by the Dean of the Texas Senate, A. M. Aikin; by Baylor University President Abner McCall; by 10 former Supreme Court Justices; and literally hundreds of informed people throughout the State.

In Texas, we've learned the bitter lesson of voting for a well known name, rather than a well respected and qualified candidate for this highest court position. Let's don't make the same mistake twice.

On Saturday, May 6th,
let's return Justice T. C. Chadick to
the Texas Supreme Court, Place Four.

Why should Nelson Wolff be the next Congressman for the 21st district?

Because Nelson Wolff is a businessman, a former state senator and a community leader.

Because Nelson Wolff's voting record in the Texas Senate demonstrates independent judgment and common sense.

- Co-sponsored and voted for a proposal to include "right-to-work" in the Texas Constitution.
- Consistently opposed state and federal land use planning.
- Led the fight against a personal state income tax.
- Fought compulsory unionization of both public and private employees.

Because Nelson Wolff understands the needs and concerns of the 21st district. He has travelled the district for more than a year visiting with people about their problems.

Nelson Wolff — because the 21st district needs a Congressman with character, experience, and most of all — common sense.

John Hill Opposes State Income Tax

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill. He has repeated that pledge many times since. Anyone who says that Hill would support a state income tax is just trying to mislead the public.

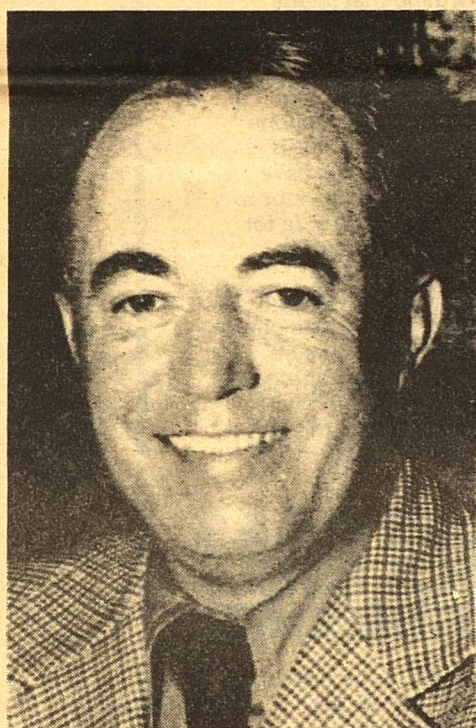

As Attorney General, John Hill cleaned up political corruption in Duval County, sued the phone company to stop an increase in rates and worked for a national energy policy that would be fair to Texas.

As Governor, John Hill will use the state's budget surplus to reduce property taxes and to help pay more of the cost of our public schools. There will be no state income tax and no other new taxes if Hill is elected Governor.

Please Vote in Saturday Elections

(An Editorial)

Saturday is election day and it is important that you and you and everyone of you qualified voters cast your ballot. I should like to be presumptuous enough even to tell you how to vote and I believe you'll agree that I am right.

VOTE PRECISELY AS YOU WISH TO!

Ideally, all of us have studied the candidates who are offering themselves for consideration in the primaries. Realistically, most of us know far too little about many of the candidates, and that is a regrettable thing. However, history seems to prove in most situations the great Texan electorate has acted wisely.

There are exceptions. For example, two years ago we elected a person to the Supreme Court of this state purely on the familiarity of his name. He has since been forced to resign and face a variety of unsavory charges. On the Democratic Primary ballot of 1978, there are a few well known names and voters would be wise to consider carefully before marking their ballots purely on the basis of name recognition.

Happily, again this year both Democrats and Republicans are holding primaries. This is a healthy situation and should be nurtured even in Democratic strongholds such as Coke County. Democratic nomination should not be a guarantee of election in a two-party system. As an avowed Democrat who has never voted for a Republican in any election ever, even I can see the importance of promoting the two-party system in Texas; yes, in Coke County, too. A challenge, some competition, somebody who will stand up for what he believes—all of these things are good and admirable. They make the candidates try harder. Not trying hard enough has far too long softened our wills to run this country as we want it run.

Saturday, May 6, everyone of us who is a qualified voter will have the opportunity to take part in the decision as to who will serve us in public offices. Your vote and my vote will be counted in the selection of officials from the four precincts of Coke County all the way through many state offices and into the house and senate of the United States.

There must be very few claims on our time more important than taking part in the decisions which will be made Saturday.

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

SI PERCIBE OLOR A GAS NATURAL OBEDEZCA ESTAS 3 NORMAS DE SEGURIDAD.

La industria del gas natural tiene un récord de seguridad excelente.

El hecho de que Usted pueda percibir el olor a gas natural se debe a que se la ha añadido un producto químico extra, que no es nocivo. De lo contrario, el gas no olería. Si detecta ciertas ráfagas de olor que cree son producidas por escape de gas, investigue. Es posible que se pueda corregir fácilmente y sin peligro, por tratarse de que una llama-piloto se ha apagado, o que una válvula de algún aparato está parcialmente abierta.

Cuando suceda que a pesar de que su equipo aparentemente funciona bien, pero el olor a gas se intensifica y se siente en todas partes, entonces siga estas precauciones:

1. No conecte ni desconecte ningún aparato eléctrico. No use el teléfono de su casa. No prenda fósforos. No haga nada que pueda producir chispas.
2. Haga que todos salgan de la casa inmediatamente, dejando las puertas abiertas para que se ventile.
3. Vaya a un teléfono cercano y llame informando a la Compañía Lone Star Gas Co., y espere hasta que los encargados de la Compañía investiguen las causas y determinen si se puede o no retornar a casa.

Es muy posible que Usted nunca tenga que enfrentarse con escapes de gas, pero queremos informarle por si acaso le sucede alguna vez. Asegúrese que toda su familia conozca estas normas de seguridad. Le aconsejamos también que guarde este aviso como referencia para el futuro. Gracias.

WT Utilities Names Don Revell To Head San Angelo District Office

New district managers at Abilene and San Angelo have been named by West Texas Utilities Co. pending the approaching retirement of the district manager at San Angelo.

Named to succeed W.K. (Bill) Ramsey at San Angelo was Don Revell, who has been district manager at Abilene for the past two years. Replacing Revell will be Bob Utley, who has been assistant district manager at Abilene.

The changes were announced by W.P. (Bill) Sayles, a WTU vice president and director of customer services.

Sayles said Revell will spend most of May in San Angelo acquainting himself with the city and other towns in the district. He will assume the manager's responsibilities on June 1, when Ramsey begins a month's vacation prior to his retirement July 1 under the company's regular retirement program.

"These are the two largest districts in our system," Sayles said. "We are fortunate to have someone with Don Revell's experience ready to take over from Bill Ramsey, who we feel has represented West Texas Utilities well for many years in Abilene. Bob Utley's experience as assistant district manager will provide continuity for the operations at Abilene."

The San Angelo District includes local offices in San Angelo, Ballinger, Bronte, Eden, Eldorado, Junction, Menard, Miles, Ozona, Robert Lee, Sonora, and Sterling City.

Ramsey has been manager of the San Angelo District since 1967, and prior to that was district manager at Abilene and McCamey. He served four years in the Air Force during World War II.

He is a native of Robert Lee and a graduate of Abilene High School. He joined WTU as a cashier-bookkeeper at Ballinger after receiving a business administration degree from Hardin-Simmons University in 1936. He went to McCamey as a clerk in 1937, was promoted to district auditor there in 1946, and was district manager from 1955 until being transferred to Abilene in 1965.

Revell, a native of

DON REVELL

Abilene, joined WTU in 1948, two years after graduating from Abilene High School. His early career with WTU was interrupted by service with the Seabees in North Africa. He first worked in plant construction at Abilene, and later worked as a meterman in Abilene and Stamford, serving as district meterman in Stamford from 1959-68.

While in Stamford, he was a member of the City Council and a member of the Rotary Club, and was local president and state vice president of the Jaycees.

Revell was transferred to the Rate Department in Abilene in 1968, and was named customer contact representative in 1972. He was promoted to local manager at Abilene in 1974, and to district manager in 1976.

Revell and his wife Patsy, a native of Talpa, have two daughters, Lori Ann, 16, and Sheri Lyn, 12. They live at 2918 Arrowhead and attend Aldersgate United Methodist Church, where he is a member of the official board.

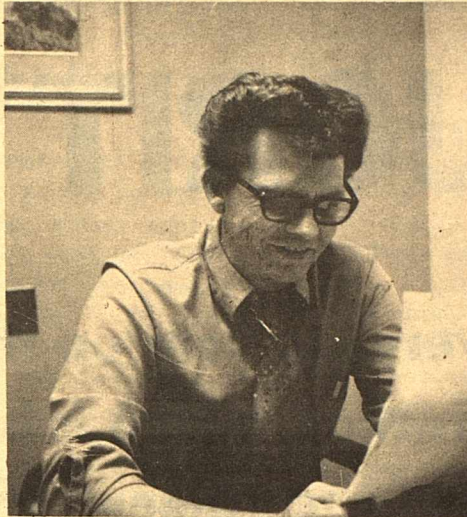

NEW TECHNOLOGY TO BOOST BEEF REPRODUCTION---Investments in new knowledge and production practices will pay dividends in beef operations by increasing the profit potential, contends a livestock specialist. The success of a cow-calf operation depends on the reproductive ability of the cow herd, so a cattleman needs to give particular attention to short calving seasons, proper replacement heifer development, selection for reproductive efficiency, and bull breeding soundness

Horse Racing

The Real Issue Here Is —

MAJORITY RULE

We ask that everyone vote on the non-binding referendum Saturday, which is being voted on merely to show the views of the citizens of this state to allow communities that want it to have legalized racing and betting. If this election carries, the Texas Legislature will have to pass laws making it possible for the areas who want horse racing to vote it in on a local option basis -- along the same way that we allow the sale of alcoholic beverages in Texas. This election is not binding on anybody . . . it is meant only to permit Texas voters to say whether or not they think people who want horse racing should be allowed to have it.

Texas is the largest breeder of fine horses in the nation . . . yet owners of these fine animals have to haul them out of the state to race them.

In addition to being a moral right, horse racing in Texas is a big economic issue. This great "sport of kings" can make a real contribution to our tax structure as well as to thousands of business firms located near the race tracks.

The Sponsors of This Ad Are FOR
A Regulated Racing Industry —

Breeding of fine horses is a respected and profitable business and we are interested in the promotion of our business. We DO NOT WANT and will not tolerate the intrusion of a criminal element into the horse racing business. We back a well regulated business under stringent supervision of the state. Unsavory elements are not welcome by us.

 trict in his statewide
 race. His chief oppon-
 ent is Joe Christie,
 former head of the state
 insurance commission.
 The winner of this con-
 test will go up against
 Sen. John Tower in Nov-
 ember, which will be a
 tough race for both sides.

In the race for lieutenant
 governor, the incu-
 bent Bill Hobby is
 being challenged by a
 trio of comparatively
 unknowns.

The race for attorney
 general is interesting.
 Price Daniel Jr., who
 has a name well known
 to Texas voters and who
 has been serving as speaker
 of the house, is
 running against Mark
 White, former secretary
 of state. The outcome
 appears questionable.

In the state treasurer's
 race the question
 of name familiarity
 pops up once again. Pr-

esent Treasurer Warren
 G. Harding, who was ap-
 pointed to fill out the
 term of the deceased
 Jesse James (another
 familiar name) is oppo-
 sed by Harry Ledbetter
 and C.R. "Charlie" San-
 derson.

For commissioner of
 agriculture, present
 appointee Reagan V. Br-
 own (who was named to
 succeed John White when
 he went into President
 Carter's government) is
 opposed by Joe A. Hube-
 nak and Don G. Sewell.
 Mack Wallace, present
 railroad commissioner
 is opposed by John Tho-
 mas Henderson.

In the race for rail-
 road commissioner (un-
 expired term) the high-
 ly capable John Poerner
 has received opposition
 from Jake Johnson, Ray
 Lemmons and Jerry Sad-
 ler (another old time
 politician with a fami-
 liar name).

The remainder of the
 ballot consists of

justices of various
 courts in Texas. Impor-
 tant as these positions
 are to all citizens of
 the state, their iden-
 tification is difficult.
 In one instance, it is
 possible that name iden-
 tification is being
 used in the race of Jim
 Vollers against Sam Ho-
 uston Clinton for Judge,
 Court of Criminal
 Appeals, Place 3.

REPUBLICAN TICKET

Heading the ballot in
 the Republican Primary
 is Sen. John Tower, who
 will be a shoo-in nomi-
 nee, since he is unop-
 posed.

The next race on the
 ballot is different,
 however, where four can-
 didates are seeking
 the Republican nomina-
 tion for U.S. Congress-
 man from the 21st Dis-
 trict. Tom Loeffler of
 Kerrville is listed first
 on the Coke County
 ballot and all indica-
 tions show that he is
 favored to lead the tick-
 et in this area. How-
 ever, he is opposed by
 Wallace R. Larson, Bob-
 by Locke and Neil Cal-
 nan.

The Republicans also
 are putting up a strong
 fight for governor. Three
 candidates are see-
 king the party nomina-
 tion for the office.
 They are Bill Clements,
 Clarence G. Thompson
 and Ray Hutchinson.

Running unopposed on
 the Republican ticket
 are Gaylord Marshall
 for lieutenant governor;
 Jim Baker for attorney
 general; and James W.
 Lacey for railroad com-
 missioner.

Only one polling place
 will be open in the county
 for those who want
 to vote in the Republi-
 can Primary. A voting
 box will be set up at
 the Robert Lee School
 for everyone in the county,
 with the county
 chairman, Lynn Phillips,
 serving as election judge.

MRS. ARTHUR GENE MORTON

Miss Donna Wallace, Arthur Morton Are Married in Church Ceremony

Northside Church of Christ in Robert Lee was the scene for the wedding Saturday evening, April 29, uniting in marriage Miss Donna Marie Wallace and Arthur Gene Morton; both of San Angelo.

The double ring ceremony was performed by candlelight at 7:30 o'clock in the evening with Doug Wilks, Church of Christ minister of Robstown, officiating as the couple exchanged vows.

The bride is a daughter of Mr. and Mrs. J.C. Wallace Jr. of Robert Lee and a granddaughter of Mr. and Mrs. H.L. Bloodworth of Silver and Calvin Wallace of Robert Lee.

The bridegroom is the son of Mrs. Elton Sel-

lers of San Angelo and Bill Morton of Fort Worth and the grandson of Mrs. Alpha Ann Leigh of Del Rio.

The church was decorated with large white baskets of all white daisies with baby's breath and emerald and leather leaves accented with large white bows. Two candelabra adorned with white candles, greenery and large white bows also were part of the decor. Pew candles in hurricane lamps, trimmed with greenery and white bows, lighted the aisle of the church as the bride was escorted to the altar by her father.

The bride chose a white cotton and polyester blend floor-length dress with high waist,

stand up collar and leg of mutton sleeves. Bands of crocheted lace and satin ribbon accented the yoke inset, wide cuffs and the ruffled flounce around the bottom of the gored skirt. Her chapel length veil, outlined with matching lace and ribbon, was held by a headpiece of lace and daisies.

She carried a large nosegay of white daisies accented with scattered orange daisies, baby's breath and long streamers of white ribbon. Attached to the bouquet was a lace handkerchief which belonged to the bride's late paternal grandmother, Mrs. Calvin Wallace. For something old, the bride wore a gold locket-watch that her maternal grandmother, Mrs. H.L. Bloodworth, wore at her wedding Dec. 15, 1912. Her something blue was the traditional blue garter.

Mrs. Troy Millican of Robert Lee, the bride's sister, served as matron of honor. Bridesmaids were Mrs. Jackie Smith of Stephenville, sister of the bride; Mrs. Jacky Wallace of Abilene, the bride's sister-in-law; Miss Jana Jeffries and Mrs. Ross Adkins, both of San Angelo. They wore dresses of calico gingham fashioned in the same pattern as the bride's dress and carried bouquets of long stemmed yellow, white and orange daisies with white bows and long white streamers.

David Milhauser of San Angelo was best man. Groomsmen were Robert Morton of San Angelo, the groom's brother; Billy Bolton of San Angelo, the groom's brother-in-law; Jacky Wallace of Abilene, brother of the bride; and Buddy Wallace of Robert Lee, brother of the bride.

Jackie Smith of Stephenville and Troy Millican of Robert Lee, the bride's brothers-in-law, lit the candles and served as ushers. Clay Bloodworth of Silver, cousin of the bride, and Richard Milhauser of San Angelo were also ushers.

The groom wore a white tuxedo with an orange ruffled shirt and a boutonniere of orange daisies. The groomsmen and ushers wore black tuxedos with orange ruffled shirts and orange daisies.

Mrs. Leslie Copeland, organist, provided traditional wedding music. Mills Caraway and Dean McInterff of San Angelo, with guitar accompaniment, sang "My Sweet

Lady", "I Have to Say I Love You in a Song" and "For Baby", singing the last selection as the bride and groom lit the unity candle at the end of the ceremony.

Before leaving the church, the bride presented a long stemmed white daisy to her mother and one to the groom's mother.

Guests were registered at the church by Mrs. Billy Bolton of San Angelo, the groom's sister. Chuck Askins of Sulphur Springs presented miniature scrolls to the guests as they registered. A centerpiece of yellow and white daisies was on the register table.

A reception was held at the Recreation Center following the ceremony. An arrangement of

orange, yellow and white daisies with baby's breath, placed on a silver stand atop a mirror, centered the serving table. Houseparty members were Mrs. Brent McCAda of San Angelo, the groom's sister; Mrs. Charlie Askins of Sulphur Springs and Janice Bloodworth of San Angelo, cousins of the bride; Mrs. Randy Lewis of Midland; Mrs. David Milhauser and Mrs. Marcus McClellen, both of San Angelo.

Rice bags were passed to the guests by Lori Bloodworth and Amy Bloodworth of Levelland, Miki Askins of Sulphur Springs and Patty Bloodworth of Silver.

Following a wedding trip to Cloudcroft, N. M., Mr. and Mrs. Morton will live in San Angelo.

DURING A CRISIS, A FRIEND IS,

Someone who is there before you need them and stays,

Says a prayer for you and helps God answer it,

Brings you gifts, flowers and food to help brighten your day,

Stays with you at night when you can't sleep and all you do is sit,

Sends cards when there is nothing they can personally say;

Then asks:

HOW CAN WE HELP YOU?

Thanks to our many friends for all kindness shown too us after Vic's accident.
