Everyone Invited To Pep Rallies

Everyone is invited to attend the pep rallies which are held in the High School gym prior to High School and Junior High football games each week.

Pep rallies for the Steers are scheduled for 3 p.m. on Fridays and the Dogie pep rallies are on Thursday mornings at 9:30.

Along with the cheerleaders leading yells, there are skits, the Steer Band plays, the twirlers perform and speeches are given by members of the teams, the coaches and/or guest speakers.

This all takes place in a gala decorated gym of crepe paper streamers, booster signs and other decorations.

The cheerleaders urge everyone to come out and back the football boys!

The story tells of the conversion of Richard Stoddert Ewell, hero of the Confederacy, who believes through the testimony of Thomas "Stonewall" Jackson.

The public is invited to attend the presentation.

Dogies Take 1978 Opener Over Sterling City Team

The Robert Lee Dogies won their season opener Thursday night of last week when they went to Sterling City. They made 14 points while holding their opponents scoreless.

Kyle Gibbs was the big gun in the Dogies offense, scoring both touchdowns. He scored the first TD on an intercepted pass which he ran back 43 yards for six points. Everett Wilson added two extras on an end run.

Gibbs got loose in the third quarter for his second touchdown, going around the end for 52 yards before crossing the double stripe. Try for extras failed, and the score remained 14-0.

Coach Max Anthony had some praise for his junior high team, stating, "For the first ball game the team did a good job." He said the defense played "a very fine ball game, but the offense still has a few problems to iron out."

The Dogies were scheduled to go to Mertzon last night (Thursday) for their second game of the season. They will have their first home game Sept. 28 when the Bronte Shorthorns come to Robert Lee.

TO THE VOTERS OF COKE COUNTY

Because of the urging of many Coke County citizens I have decided to announce my intention to become a write-in candidate for the office of Coke County Judge. Many factors have entered into this decision, but some of the more important considerations have been:

1. Several registered voters have informed me that they were not allowed to vote for me in the primary election because they did not have their voter registration card with them. **IF YOU ARE A REGISTERED VOTER, YOU ARE ENTITLED TO VOTE EVEN IF YOU DO NOT HAVE YOUR VOTER REGISTRATION CARD WITH YOU.**
2. The low voter turnout at the primary election. Numerous voters have told me they did not vote in the primary election because they were sure I would win the nomination and they did not realize I would need their vote. **PLEASE VOTE IN THE GENERAL ELECTION.**
3. Many Coke County citizens have discussed with me the very favorable tax situation we enjoy in Coke County as compared to other area counties, and both they and I want to **KEEP COKE COUNTY TAXES LOW.** I have done this in the past and I **AM COMMITTED TO KEEPING COKE COUNTY TAXES LOW IN THE FUTURE.**
4. I intend to base my campaign on my **OPEN AND HONEST RECORD.** In my nearly twenty years of service as Coke County Judge, all actions of the Coke County Commissioners' have been open to the public. There have been **NO SHORTAGES OF MONEY** due to the dishonesty of any Coke County Official during my years in office as Coke County Judge.
5. During the primary election there were several misrepresentations and distortions made concerning my record as Coke County Judge. **BEFORE YOU VOTE, GET THE FACTS FOR YOURSELF AND KNOW WHAT I HAVE DONE AS YOUR COUNTY JUDGE.**

YOUR HELP IS NEEDED if I am to continue in office as your county judge. I intend to engage in a vigorous campaign to retain this position. Each of you will hear from me before the election, but I need the help of all of my supporters now. Your thoughts will be appreciated and with your help we will win in November.

Sincerely,

W. W. THETFORD
Coke County Judge

Stretch your energy dollars- Install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local **FACTORY CERTIFIED** heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump - your most energy-efficient heating and cooling system buy.

Remember **REDDY** Supplies the energy- but only **YOU** can use it wisely!

Steers Look Good in 19-2 Win Over Roscoe Plowboys

The Robert Lee Steers maintained their perfect record last Friday night when they downed the Class A Roscoe Plowboys 19-2. It was the first home game of the 1978 season and a large crowd was on hand for the action.

The Plowboys drew first blood after only three plays by downing a Steer running back in the end zone for a safety and two points. But that was it for the visitors, as the Robert Lee defense kept a tight rein on the Plowboy offense on plays that really counted, throughout the game. The Steers didn't allow the visitors a single penetration.

In spite of the lopsided score, the Roscoe lads racked up one more first down than the Steers did. However, the Steers outdistanced them 40 yards on rushing and held the Plowboys to only 12 yards passing. Four interceptions helped in keeping the passing game under control.

Brett Clark was the big gun for the Steers' offense, as he carried 11 times for 202 yards and two touchdowns.

Clark carried the ball down the sideline for 75 yards to get Robert

Lee on the scoreboard. This occurred in the second quarter on a keeper play and left two minutes on the clock. EP try failed and the teams took a halftime break with the scoreboard reading 6-2.

The third quarter was uneventful so far as scoring went and the Steers were unable to make a counter until the fourth stanza.

The second touchdown of the night came on a 49 yard pass play from Kerry Gartman to Edwin Wilson. The third counter was a power sweep by Clark and carried the ball 66 yards to the double stripe.

Wesley Sawyer kicked one PAT, to round out the 19 points for the Steers.

The Plowboy defense was rough on the records of all the Steers backs except Clark. He was able to rack up 202 yards, but the other three backs had their problems. Terry Ross carried 11 times for 16 yards; Gartman, eight times for 10 yards; and Wilson, three times for minus 9 yards.

Outstanding defense work was done by Wallace with a fumble recovery and by Clay Allen, Ross and Kevin Roe who intercepted passes.

Utility Sales Tax To Be Dropped

The state's four per cent sales tax on utility bills for residential customers will be dropped after Oct. 1, but an overlap for billing periods beginning during the month of September will cause the tax to appear on all bills received during October and on some received in November.

Fred Foy, supervisor of statistics and state taxes for West Texas Utilities Co., said that instructions issued by the State Comptroller are specific on how the recently approved tax exemptions are to be applied.

"A lot of people apparently think that October billings will not include the tax," Foy said, "but this is not the case."

"The law states that the exemptions shall apply to each regular monthly billing period beginning on or after Oct. 1. This means that if we bill a customer for services from any time prior to Oct. 1, the four per cent sales tax will be applied to the total bill."

Citing an example, Foy said that if a meter is read on Sept. 29, that particular customer will be taxed on the bill he received in October and also on the bill he receives in November, since his November bill is for service from Sept. 30-Oct. 29.

The tax exemption was enacted during the special session of the Legislature this summer and applies to residential use of electricity and natural gas. Residential use is defined as "a family dwelling, a multi-family apartment, a housing complex, or building or portions of a building occupied as home or residence."

The Legislature provided a local option on the one per cent city sales tax on utilities, but most of the towns in the West Texas Utilities service area have indicated they will continue the tax. Foy said that so far, Junction is the only WTU town which has announced it would abolish the tax. Both Robert Lee and Bronte will continue to collect the one per cent tax.

"Our company will continue to collect the tax for the cities that wish to keep it," Foy said.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment"

(H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE

(S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO

(S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction

with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX

(S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER SEVEN

(S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or otherwise lend their credit for fire-fighting purposes."

Patti Ivey Back on Demo Committee

Mrs. Cumbie (Patti) Ivey Jr. of Robert Lee was reelected as a member of the State Democratic Executive Committee at the State Democratic Convention held last weekend at Fort Worth. Mrs. Ivey will

Mrs. Ivey said the convention was a real pleasure for her, as she got to visit with her daughter, Patty Lynn, who is an attorney in Dallas and also attended the convention.

AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitución de Texas permitiendo a la legislatura que exente propiedad personal intangible; requiriendo que la legislatura exente ciertos artículos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposición de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposición de impuestos sobre tierras agrícolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposición de impuestos a bosques de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exención actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exención de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas públicas sobre propiedad. Autoriza a la legislatura que conceda una exención adicional de los impuestos para escuelas públicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exención la cantidad total de los impuestos para escuelas públicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso público y lleve a cabo una audiencia pública. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluación de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia.

La enmienda prohíbe la valuación de propiedad inmueble a través del estado para los fines de impuestos sobre propiedad. Se requiere que la ejecución de

normas y procedimientos uniformes para la valuación de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agrícolas; extensiones de bienes muebles; la verdad en procedimientos tocante a la imposición de impuestos, incluyendo participación de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administración de impuestos sobre propiedad."

NO. 1 (S.J.R. 50)

S.J.R. 50 propone una enmienda a la constitución de Texas para eliminar la referencia arcaica al "Instituto de Sordos y Mudos." La enmienda permitiría al estado de Texas que compre productos y servicios de individuos incapacitados en facilidades de rehabilitación no lucrativas sin cumplir con los requisitos de oferta que se aplican a otros contratos estatales. La enmienda también eliminaría la formalidad de la aprobación de ciertos contratos estatales por el Gobernador, el Secretario de Estado, y el Contralor de Cuentas Públicas.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional eliminando la referencia arcaica al "Instituto de Sordos y Mudos," permitiendo que ciertos productos y servicios de personas incapacitadas sean usados por agencias y departamentos del gobierno del estado, requiriendo que otros productos y servicios requeridos en la operación del gobierno del estado sean obtenidos por ofertas concedidas al postor responsable que ofrezca el precio más bajo, haciendo que todos los procesos de procuración sean sujetos a las leyes establecidas por la legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Públicas de Texas participen personalmente en tales negociaciones."

NO. 2 (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitución de Texas para permitir que gobiernos locales emi-

tan bonos para la reconstrucción o adquisición de facilidades (terrenos, equipos y mejoras) con la intención de desarrollar oportunidades de empleo. Estos bonos se pagarán solamente de los ingresos de la venta o arriendo de éstas facilidades. Gobierno local debe determinar que la construcción o adquisición de tales facilidades es necesaria para desarrollar oportunidades de empleo.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones políticas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos."

NO. 3 (S.J.R. 44)

S.J.R. 44 propone una enmienda a la constitución de Texas que permitiría que la legislatura autorice a ciudades y pueblos la emisión de bonos de impuestos incrementados para financiar el desarrollo de áreas deterioradas. Solamente se pagarán los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios públicos u otros servicios.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de áreas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero o prestar su crédito para tales fines."

NO. 4 (S.J.R. 53)

S.J.R. 53 propone una enmienda a la constitución de Texas para permitir que la legislatura exente de la imposición de impuestos, aparatos para energía o de viento.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando a la legislatura para exentar de impuestos aparatos de energía solar o de viento."

NO. 5 (H.J.R. 37)

H.J.R. 37 propone una enmienda a la constitución de Texas para conceder competencia exclusiva a jueces de paz en causas civiles cuando la cantidad en controversia no excede \$200, a menos que la legislatura conceda competencia exclusiva a otra corte. La enmienda concede a jueces de paz competencia concurrente con cortes de condado cuando la cantidad en controversia sea entre \$200 y \$500, a menos que la legislatura conceda a la corte de condado competencia exclusiva.

La enmienda también concede a jueces de paz

competencia concurrente con ambas cortes, cortes de condado, y cortes de distrito, cuando la cantidad en controversia sea entre \$500 y \$1,000, a menos que la legislatura conceda a la corte de condado o distrito competencia exclusiva.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para extender la competencia de los jueces de paz en causas civiles."

NO. 6 (S.J.R. 45)

S.J.R. 45 propone una enmienda a la constitución de Texas para permitir que la legislatura aumente el número de jueces en cualquier corte de apelaciones civiles. Al presente, cortes de apelaciones civiles están limitadas a un juez presidente y dos jueces asociados. La enmienda también permitiría a las cortes que sesionen por secciones, con la concurrencia de una mayoría de los jueces en la sección siendo necesaria para decidir una causa.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional permitiendo que la legislatura aumente el número de jueces en cualquier Corte de Apelaciones Civiles, permitiendo que Cortes de Apelaciones Civiles sesionen por secciones, y requiriendo la concurrencia de una mayoría de jueces para decidir una causa."

NO. 7 (S.J.R. 48)

S.J.R. 48 propone una enmienda a la constitución de Texas eliminando la Comisión de Edificios del Estado y el Fondo de Edificios del Estado. La autoridad de la Comisión de Edificios del Estado ha sido trasladada por ley a la Junta de Control del Estado.

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para abrogar la autoridad constitucional de la Comisión de Edificios del Estado y el Fondo de Edificios del Estado."

NO. 8 (H.J.R. 42)

La terminología de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando que ciertos distritos participen en actividades contra incendios y emitan bonos o de otra manera presten crédito para tales propósitos."

MRS. RICHARD GUERRANT

Janet White and Richard Guerrant Are Wed in Austin Church Rites

Janet Carol White and Richard Fambro Guerrant, both of Austin, were married at 6:00 p.m. Saturday, Sept. 16, in the St. John's Methodist Church at Austin.

Dr. Darrell Gray, minister, officiated during the double ring ceremony.

The bride's parents are Mr. and Mrs. H.G. White of Austin and Dr. and Mrs. A.K. Munson of Lubbock. The bridegroom is the son of Mrs. J.R. Guerrant of Robert Lee. Church decorations included two altar arrangements of yellow and peach colored roses.

Escorted by her father, the bride wore an elegant gown of candlelight chiffon and Venice lace. The fitted empire bodice of Venice lace was enhanced with a high neckline and capped sleeves. The A-line skirt of sheer chiffon, gathered at the back with dainty covered buttons, flowed into a chapel length train.

Miss Cheryl Wagner of Austin was maid of honor. Bridesmaids were the bride's sister, Mrs. Jill Scott of Midland and Mrs. Gary Boydston of Austin.

They wore solid color gowns of the bride's chosen colors, one in yellow, one of peach and the other burnt orange, with print jackets. Each carried a single rose matching the color of her dress.

Jim Feeley of Atlanta,

Ga. served as best man. Groomsmen were Jeff White of Austin, brother of the bride, and Rick Mashburn of El Paso.

Ushers were cousins of the groom, Charlie Guerrant of Galveston, Paul Fambro of Austin, Alex Fambro of Stephenville, and Sammy Fambro, Gary Fambro and Joey Fambro, all of Breckenridge.

The mother of the bride chose a gown in cinnamon color and the groom's mother was dressed in a gown of pearl gray.

Following the ceremony, a reception was held at the Marriott Hotel.

As the newly-weds left for a wedding trip to Cancun, Mexico, the bride was wearing a silk skirt and blouse of beige and eggshell stripes.

Mrs. Guerrant is a graduate of L.C. Anderson High School in Austin and attended the University of Texas at Austin. She is employed as an administrative technician in the office of the Comptroller of Public Accounts.

Her husband is a 1972 graduate of Robert Lee High School and is attending the University of Texas at Austin. He is employed as business manager of KOKE, Inc., an Austin broadcasting firm.

A rehearsal dinner was hosted by the groom's mother Friday, Sept. 15, at the Marriott Hotel.

School Tax Office In New Quarters

The tax office of Robert Lee Independent School District has been moved from its longtime site downtown to the school campus. The office is located in the front of the building and the entrance is directly behind the mounted school bell. The move was made Thursday of last week.

Tax assessor-collector Mrs. Reba Roberts said she likes her new base of operations and feels her work can be better coordinated with the school program by being in the school building.

Mrs. Roberts is busily preparing 1978 tax notices which will be mailed to all taxpayers of the district on Oct. 1. She said the tax rate for 1978 will be \$1.40 per \$100 valuation. This is 10 cents decrease below the 1977 rate of \$1.50.

Supt. Jimmy Bickley said the decrease was made possible mostly by an increase of approximately \$5 million in tax valuations in the district. New property accounted for approximately \$200,000 while the remainder came from oil properties. There was also some increase in state funding which helped to lower taxes.

The 1978 tax notices will show figures indicating the amount of the decrease.

The tax rate decrease was possible even though the school will require more money for operation during the coming year.

Bickley said, "Our school district is extremely fortunate to be able to afford the extra money needed because of inflation and other factors and, at the same time, be able to present a lower tax bill to property owners."

"GOD WANTS YOU TO WIN"

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

. . . because he knows our taxpayers need relief from inflation.
