Steers Fall to Italy In Quarter-Finals, 26-14

By Ronnie Baker

The Steers weren't led to the slaughter by the Italy Gladiators like in the olden days of ancient Rome (Italy), but they were played to a point of submission.

It all happened last Friday night when the two teams met in a quarter-finals Class B football game at Comanche and the Gladiators won by a score of 26-14.

It was a very physical contest which took its toll on the Steers of Robert Lee, Texas. It will be awhile before some people will forget where Robert Lee is and the accomplishments this year of the Steers has been something which has been missing for quite awhile.

To the boys and the

coaching staff, the fans thank you and appreciate it for giving us something to be proud of and brag about in the circle of sports.

FIRST QUARTER

The Steers received the opening kickoff and moved the ball quite well until they reached the 35 yard line of Italy. There Italy held and took over on downs. The Gladiators also moved the ball well until they reached the Steer 20 where they fumbled and Terry Ross recovered. Italy held the Steers for little gain and Duncan punted to the Italy 43 yard line. From there the Gladiators marched in for a score. The extras failed and the score was 6-0. Robert Lee took the kickoff and

moved the ball to their own 40 yard line as the first quarter ended.

SECOND QUARTER

After advancing to the 50 for a 1st down, the Steers were held and had to punt. Again Italy moved on a long drive to score again. They made their 2 point conversion and it was 14-0.

The Steers then got back in the ball game as they took the kickoff at their own 40 yard line and marched for four 1st downs and the touchdown. Brett Clark carried it over from the 2 yard line. The try for extras failed and it was 14-6.

The Steers kicked off and after a couple of exchanges of the ball the first half ended.

THIRD QUARTER

Italy received the second half kickoff and from their 32 they started a long drive that succeeded in another score. The PAT failed and the score was 20-6.

The Steers came right back, taking the kickoff, and driving all the way to the Italy 18 yard line. It was there that the going got tough and Italy held on downs at their 21. The Gladiators controlled the ball long enough to run out the

STEER FOOTBALL-

Continued from Page 1
third quarter.

FOURTH QUARTER

The Italy lads proceeded to drive down the field and early in the last quarter scored another TD. The try for extras failed and the score was 26-6.

The Steers fumbled the kickoff and the Gladiators recovered. They proceeded to drive down the field toward what looked like another touchdown. But at the Steer 4 yard line, the ball was shaken loose and bounced into the end zone where Clark recovered for a touchback, giving the ball to the Steers on their own 20.

The Steers really looked like the Steers as they drove 80 yards, making five 1st downs along the way, with Clark taking the ball over the double stripe from the 7 yard line. Clark tossed a pass to Duncan for the two extra points and the score was 26-14 with little time remaining.

Italy took the Steer kickoff and ran out the clock and that was it. Robert Lee 14, Italy 26.

Yardage gained showed Clark was the leading

ground gainer with 122 yards on 11 carries; Ross carried 10 times for 41 yards; Allen made 26 yards on 7 carries; Wilson gained 2 yards on 1 carry. Roe was responsible for 18 yards on 1 pass reception while Ross picked up 20 yards on 1 reception.

The end of the 1978 football season for the Steers was considered by everyone as the conclusion of an extremely good season. Everyone is proud of the players and coaching staff for all the work and time that has gone into making this year the best for the Steers in a long time.

Legal Notice

LEGAL NOTICE TO FAMILIES WHO LIVED IN PUBLIC HOUSING PROJECTS OPERATED BY THE HOUSING AUTHORITY OF THE CITY OF ROBERT LEE, TEXAS OR LIVED IN PUBLIC HOUSING PROJECTS IN ANY OTHER CITY BETWEEN MARCH 16, 1971, - SEPTEMBER 26, 1975.

If you rented a house or apartment from the Housing Authority of the City of Robert Lee or any other Public Housing Agency (PHA) during the period between March 16, 1971, and September 26, 1975, you may be eligible to file a claim for a refund of part of your rent during that period if:

1. The wife or husband of the head of the household was present and dependent upon the head of the household for support and/or;

2. A dependent member of your family household was employed.

If you believe your family falls within one of the categories described above, you may wish to continue reading this Notice in order to determine how and under what circumstances you may file a claim.

On July 7, 1978, the District Court of the District of Columbia entered a Stipulated Order providing that the definition of family income for purposes of computing maximum rentals for public housing, as contained in a HUD Circular, which excluded spouses from the \$300 deduction for

each dependent and excluded dependents from the \$300 deduction for each secondary wage earner, was invalid and violated the United States Housing Act of 1937, as amended. The effect of this determination is that certain families who lived in public housing during the period from March 16, 1971, to September 26, 1975, may have been charged too much rent. Therefore, the District Court ordered HUD to establish a one million dollar fund for the payment of claims which current or former tenants of public housing may submit for a refund of any overpayments.

The District Court's Stipulated Order provides that, if valid claims exceed one million dollars, HUD has the option of having the Order dissolved in which case NTO and HUD may negotiate a modified settlement or proceed with further litigation. Thus, claimants should realize that the submittal of a claim determined valid by PHA may result in full, partial, or no payment, depending on the total amount of valid claims submitted to HUD, or the final outcome of any further litigation. Any person wishing to receive a copy of the Stipulated Order or a claim form may do so by making their request known to a local PHA.
