

"MY TURN"

By
Carol Ellis

AS WE BEGIN the last year of this decade, we might take a moment to ponder the question, "For what will the years of the 80s be remembered in future times?"

We remember the 1940s as the War Years, the 1950s as The Age of Innocence, the 1960s as the Protest Years, and the 1970s as the Computer Age.

Perhaps the Age of Sensationalism would best describe the 1980s. We seem to have done everything to excess in the past few years. Crime, violence and drugs have hit an all-time high. We have seen abuse of laws, abuse of nature, abuse of fellow human beings. Even the weather has gone to excess with droughts, earthquakes, forest fires, etc.

I believe, however, that the trends are changing toward a better outlook in the near future. For instance, recent public opinion against smoking has resulted in a ban on smoking in public buildings and airplanes.

This may seem like a very small step toward curing the ills of our country. But remember, smoking was once considered the "in" thing to do. It was glamorized by the movies and by respected public personalities. Today, it is no longer looked upon as either macho or glamorous.

The tide is also slowly turning against the drinking of alcohol. There is a loud public outcry against those who drink and drive, and especially against drunken drivers who are involved in accidents resulting in deaths.

When a group plans to "party" all evening, a designated driver is appointed among the group...someone who will abstain from drinking so he or she will be sober to drive the rest of the people home after the party. Many bars offer free soft drinks to designated drivers. Such a thing was unheard of just a few years ago.

Everyone realizes the seriousness of our nation's drug problem. At one time, drugs were also being glamorized by the entertainment industry, luring young people through rock-song lyrics and innuendos made by popular stand-up comedians. We are seeing less and less of this as we go along. However, there is an underworld drug sub-culture of supply and demand that must be dealt with on an official level. No punishment is too harsh for drug dealers who would destroy the future of our nation.

Getting ahead in the 80s has come to mean "taking it away from someone else." Corporate take-overs, white-collar crimes, law suits for personal gain...such things are common occurrences today.

We must see a rebirth of individual responsibility and accountability in human actions in order to pull ourselves out of this uncivilized mire. Politeness, kindness, honesty, pride of accomplishment, respect for the property of others, respect for the feelings of others...these are the things which lift mankind above the animals. These are not learned instinctively, but must be taught and practiced from an early age. Some schools are beginning to teach classes in these social values, since it has become evident that values are no longer being taught in the average modern home today.

Teachers in the lower grades automatically work toward establishing acceptable behavior among their small pupils. Classes in social values need to be required at the middle school or junior high level, plus at least one refresher course during high school. Perhaps it could be possible to change the instant-gratification "gimmie now!" generation into responsible future citizens who have compassion and regard for their fellow beings.

Sixty million Americans over the age of 40 are waiting anxiously for the coming of that "kinder, gentler nation" which our new president wants us to have.

OPEN HOUSE...Postmaster Laura Bartlett, right, and postal employee Cathy Shields, left, are shown with customer Virgie Cary when the local post office held a Christmas Open House on December 23.

TEAM WINS 15th

Mustangs Open Dist. Play With 63-48 Win

The BHS Mustangs started their district schedule on the right foot, with a 63-48 win over the Happy Cowboys in a game here last Friday.

The win gave the Mustangs a 16-3 season record and made them 1-0 in district play.

Scott Scaff hit four field goals and Shaun Pinkston had a pair as the Mustangs opened up a 15-12 first quarter lead over the Cowboys.

Denver Riddle hit a pair of shots, one from beyond the three-point circle, and Scaff came back with two more, as the Ponies went to intermission with a 32-20 lead.

Riddle continued his long-range bombing in the third quarter, with

two regular baskets and two more from three-point range, and Manuel Porras also connected from long distance, as Bovina upped its lead to 15 points, 53-38 after three quarters.

Both teams' scoring trailed off in the final quarter, and Bovina coasted to the win.

Scaff led all scorers with 22 points, and Riddle was a nice backup with 16.

Last Tuesday, the Mustangs won their 14th game of the season in an 88-76 win over the Anton Bulldogs.

Scaff again had a great start, with five baskets and three of four from the line, and Riddle had four baskets and one free throw, as the Mustangs sizzled to a 28-17 first quarter lead.

Scaff scored ten more points, hitting four from the field and two of two from the line, and Riddle had a seven-point quarter as Bovina took a 49-39 lead at intermission.

Scaff and Scott Sudderth each

scored a trio of baskets in the third quarter as the Mustangs maintained their ten-point lead at 66-56 in the third quarter.

Sudderth scored eight points, four each from the field and free throw line, and Bud Venable came on for a seven-point final quarter as the Mustangs claimed the win.

Scaff sizzled with 31 points, Riddle scored 21 and Sudderth 20 in the Bovina win.

MUSTANGS 88, ANTON 76
Scott Sudderth 7-6-20; Manuel Porras 0-0-0; Pete Quiroga 0-0-0; Denver Riddle 9-3-21; Scott Scaff 13-5-31; Kenny McLaughlin 1-0-2; Shaun Pinkston 2-3-7; Bud Venable 3-1-7.

MUSTANGS 63, HAPPY 48
Sudderth 3-2-8; Porras 2-1-0-7; Riddle 3-3-1-16; Scaff 11-0-22; McLaughlin 1-0-2; Pinkston 4-0-8.

Mammogram Unit To Visit Bovina

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year, over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's & Children's Hospital in Odessa, Texas, "the death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists."

By using modern state of the art x-ray equipment, breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90-97% survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50% survival rate in five years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women on Saturday, January 14 from 9 a.m.-7 p.m. The mobile unit will be parked at Bovina City Hall at 205 North Street.

Appointments may be made by calling 806-238-1116.

For more information, you may call the Regional Breast Care Center at Women's & Children's Hospital at (915) 334-8888/561-9999.

Clinics Are Scheduled

Immunization clinics offering vaccines that give protection against several childhood diseases are scheduled for January. Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella, and mumps. Influenza vaccine will be available at area clinics.

The Texas Department of Health is charging money to help with the cost of keeping the clinic open. The amount of money charged will be based on family income and size, and the ability to pay.

The clinic located nearest to Parmer County is at Hereford, at 914 East Park Avenue. Clinics there are scheduled for January 12 and 26, from 9-11:30 a.m. and 1-4 p.m. each day.

Fillies Drop Pair In Week

The Bovina High School Fillies had a little tough luck in their two outings during the past week. The Fillies dropped games to Anton and then to Happy in their district opener.

Jennifer Beauchamp hit a three-pointer, and Donna Griggs had a four-point first quarter, but the Fillies trailed in their game with Anton, 19-9 at the end of the first quarter.

Miss Beauchamp and Marci Dale were the only ones able to score from the field for Bovina in the second quarter, and they found themselves trailing, 36-19 at the half.

Tonya Chisom got Bovina's only points in the third quarter, as Anton pulled out to a 51-21 lead.

Bovina was able to get some points on the board in the final quarter, but dropped the game, 63-34.

Miss Griggs scored 12 points, and Misses Chisom and Beauchamp six each for the Fillies.

ANTON GAME

Marci Dale 1-0-2; Jennifer Beauchamp 1-1-1-6; Tonya Chisom 2-2-6; Donna Griggs 5-2-12; Joanna Clayton 1-2-4; Keri Mitchell 0-2-2; Dalton 0-1-1; Penny Johnston 0-1-1.

HAPPY GAME

M. Dale 0-1-0-3; Chisom 2-1-5; Griggs 3-0-6; Clayton 1-0-2; Mitchell 0-1-1; Dalton 1-0-2; B. Dale 0-0-0; Johnson 0-0-0.

P.O. Fetes Customers

A Christmas Open House and Customer Appreciation Day was held at the Bovina Post Office on Friday, December 23, 1988.

The event was hosted by Laura Bartlett, Sandy Ware, Cathy Shields and Vi Hutto.

Refreshments of Christmas cookies, hot spiced cranberry/apple cider and coffee were served by Laurie Bartlett, granddaughter of Postmaster

The Happy Cowgirls pretty well roped and branded the Fillies in their district game on Friday. The Cowgirls romped to quarterly scores of 24-3, 35-8 and 58-17 enroute to the 72-19 win.

Donna Griggs scored six points and Tonya Chisom five to pace the Fillies' scoring.

Temperature Drops To Nine Degrees

The temperature dropped to its lowest point of the season in the local area on Monday morning.

An official low of nine degrees (actually 8.7 degrees) was the official low registered at Friona's National Weather Service reporting station.

The cold spell brought no relief from the dry conditions, however, as no moisture has been received yet in 1989.

Aside from the one cold snap, the temperatures remain above average for the month.

TEMPERATURES

Date	Hi-Low
Wednesday, January 4	59-36
Thursday, January 5	69-38
Friday, January 6	64-34
Saturday, January 7	64-32
Sunday, January 8	42-13
Monday, January 9	39-09
Tuesday, January 10	54-29

Laura Bartlett, on Friday morning.

In the afternoon, Cathy, Laura and Sandra served the customers and gave tours of the post office.

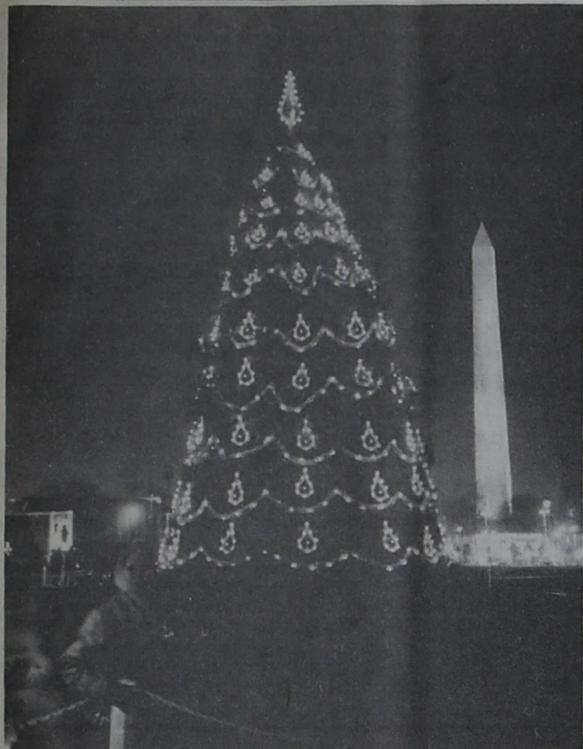

"It seemed like the customers enjoyed stopping by for refreshments, and we received many compliments. We enjoy seeing our customers—they are very important to us at the Bovina Post Office. A big 'thank you' to each one," Mrs. Bartlett said.

EMPLOYEE OF THE MONTH...Tony Cruz was picked as "Employee of the Month" and is being presented a \$50 U.S. Savings Bond by Denise Anderson of the Chamber of Commerce. Tony works for T-Bone's Equipment.

BASKETS OF FRUIT...Members of the 4-H Club delivered 25 baskets of fruit, at their expense, to special people in the community at Christmas time. The fruit is ordered from the FFA. This is the second year for this project and shown are members of the group who were responsible. They are Andy, Wayne, Darla, John and Tammy Stormes, Glen and Shane Branson, Jason, Tyson, and Josh Kerby and Randy Stone.

NATIONAL CHRISTMAS TREE....Sid Lloyd is pictured as she stood by the National Christmas Tree in Washington, D.C. where she spent the holidays with her son, Don Lloyd and family. Pictured in back of the Christmas tree is Washington Monument.

Sid Lloyd Gives Report On Trip

Sid Lloyd has returned from spending the Christmas holidays in Washington, D.C. with her son, Don Lloyd and his family. She flew to Washington, D.C. on December 21 and stayed until December 28.

Don works for the Agriculture Department in Washington and he and his wife, Merna, live in Alexandria, Virginia.

They did a lot of sightseeing, but one of the main attractions was when they traveled on the Chesapeake Bay Bridge-Tunnel. This Bridge-Tunnel was completed in 1964 and connects Chesapeake Bay and Virginia's eastern shore with the mainland of Virginia.

The cost of the Bridge-Tunnel was \$200,000,000. The project was

completed in three years and six months and measures 5,738 feet long and the tunnel descends 90 feet below sea level. There have been four man-made islands thirty feet above the water. The sandfill amounted to 6,000,000 tons to build the islands. 825,000 tons of concrete were used and 55,000 tons of steel.

Other sights on the trip were stores in the area that were like the stores of years ago, and not only same type of items sold, but the employees dressed in attire of long ago.

Sid said she really enjoyed her trip. "The weather was nice and it never snowed--only rained two days," she said.

From The Chief's Desk

In the next few weeks, I would like to bring up some of the traffic laws that pertain to the citizens of Bovina and the folks that visit our city. This week's topic is drivers without drivers licenses.

I don't know if you realize it or not, but to permit an unlicensed driver, be it a minor or adult, to drive your automobile is a violation of the law in itself. So not only can the driver receive a citation, but the owner of the vehicle can receive a citation, also.

This is a reminder that both of these laws will be strictly enforced in the future. Your help and cooperation pertaining to these laws will be appreciated. The following are the laws taken from the Texas Motor Vehicle Laws:

Vernons Civil Statutes Article 6687b Sections 35 and 36:

35--Permitting unlicensed minor to drive: no person shall

cause or knowingly permit his child or ward under the age of eighteen (18) to drive a motor vehicle upon any highway when such minor is not authorized hereunder or in violation of any of the provisions of this act.

36--Permitting unauthorized person to drive: no person shall authorize or knowingly permit a motor vehicle owned by him or under his control to be driven upon any highway by any person who is not authorized hereunder or in violation of any of the provisions of this act.

Every person convicted of a misdemeanor for the violation of any provision of this act shall be punished by fine of not more than two hundred dollars (\$200).

Remember your insurance will not cover an unlicensed driver.

Chief Gary Coleman
Bovina Police Department

Scooter's Scoops

By Scooter Russell

Our coldest "spell" of the year came when temperatures hit nine degrees on Sunday night and the chill factor was below zero. No moisture, only cold...If you know of a new baby since the first of the year...Please let us know.

Robert and Kay Fowler of Farwell are parents of a new baby girl, Hayley Michelle, born Friday, January 6. The couple has two other daughters, Shelley, 14, and Jamie, 12. Congratulations to them and Bovina grandparents, Joe and Sue Fowler.

Laverne Thatcher suffered an apparent heart attack at her home on Tuesday morning of last week. She was taken by ambulance to the Clovis High Plains Hospital where she was in intensive care for three days. She is now in a private room. Jim and I visited with her Sunday morning and she will be going to another hospital for further tests and the family said it would probably be in Albuquerque. She looked great!

We express our sympathies to Martha Koelzer in the death of her brother, Jerome Hanson of Dimmitt. Services were held on Tuesday.

Rose and Leslie McCain had a good time on Sunday with Rose's brother and sisters visiting in their home. They were Ray Sanders of Abernathy, James and Ruth Sheek of Pettit, and Eldon and Tiny Morris of Levelland. They enjoyed a nice visit with dinner and supper together.

June Patton was released from Parmer County Community Hospital in Friona on Tuesday of last week. Her husband, Owen, said she had been in the hospital twice recently.

Colts Split With Naz.

The Bovina Junior High girls' teams saw basketball action Thursday night at Nazareth. The seventh graders improved their district record to 4-0 as they downed their opponents by a score of 30-8.

The eighth graders fell to an extremely tough Nazareth team, 8-3. The eighth graders are now 3-2 in district play.

"The seventh graders played a good game coming off the Christmas holidays. The girls played excellent defense and executed the offense really well," Kathy Rundell, coach, said.

High scorer for the Colts was Kimberly Kirkpatrick with 14 points. Others scoring were: Josie Pena, eight; Sophia Espinoza, six; and Ione Molinar, two.

"The eighth graders faced a very tall and physical team in Nazareth. They posted up two 5'10" girls that were outstanding shooters. Nazareth also had an excellent pressure defense that gave us a lot of trouble. Basically, we got outplayed this game, but we will be working hard to improve and be prepared for the next chance we get at Nazareth," the coach commented.

Scoring for the Colts were: Cindy Quintana, six points and Debbie Rodriguez, two.

The "Max Hustle Award" went to Teresa Stone. "Teresa played smart, good defense for us. She was matched up against a girl that drove to the basket real well and Teresa got down and played good 'feet' defense and cut her off. I was really pleased with Teresa's defensive effort," Coach Kathy Rundell stated.

School Lunch Menu

WEEK OF JANUARY 16-20
MONDAY--Pizza pockets, tossed salad, corn, blueberry muffins and milk.

TUESDAY--Taco salad, hot sauce, lettuce, tomatoes, cheese, red beans, banana cake and milk.
WEDNESDAY--Brisket with gravy, creamed potatoes, green beans, hot rolls, fruit and milk.

THURSDAY--Sub sandwich, lettuce, tomato, sliced cheese, Jello poke cake and milk.

FRIDAY--Hot dogs with chili and cheese, French fries, pickles, cherry cobbler and milk.

Marty Spicer, his wife Amy and their daughter, Tamara, flew from Irving, Texas and spent the holidays with Marty's parents, Henry and Nellie Spicer. On Christmas Day, the family enjoyed dinner with Marty's sister and her family, Nena and Mike Veazey and daughter, Kilee. While here, the family visited in Farwell with Marty's sister, Kay and Joe Stanton, and daughter Kristi.

Nola Read is home from the hospital and her condition is improving. Nola was hospitalized in the Friona hospital one week and one day and was released on Friday of last week.

Gladys Spring's dad, Dutch Dean, underwent kidney surgery and is a patient at the Clovis High Plains Hospital.

Johnny Martinez was released from the hospital and is now back at work. It was first thought that he had a heart attack, but he said he didn't have one, but did have some other problems. Said he is feeling much better.

Brother Ralph Aday from Granby, Missouri, his son Phillip and Phillip's wife, Cindy, are visiting with Jack and Ona Patterson in the Rhea community. The men will be quail hunting and Cindy will be visiting with family in the area.

Susie Pruitt became ill about a month ago and was taken to the Friona hospital and later moved to an Amarillo hospital where she suffered a stroke. She was released and is at the rest home in Hereford.

Friends say she will be moved to Prairie Acres in Friona when there is an opening.

There were seven boys in Jim Owen's family, but only five are still living. Recently, all of the five brothers were together and this is the first time in twenty-five years. The brothers were in Bovina and they are Floyd from Twin Falls, Idaho, Raymond from Tucson, Arizona, Charlie from Hereford, Dale from Clovis and Jim from Bovina.

On Friday night, they all had dinner at the Jim Owens' home in Bovina and family members were Charlie and Helen Owens of Hereford, Dale and Shirley Owens of Clovis, J.D. and Bertha Kelley of Texico, Randy and Elaine Cain and children, Kyle and Kelsey of Texico, Robert and Beth Horton and children, Shilo and Toby of Texico, Raymond Floyd, and Jim and Idella Owens. Idella said they had such a good time together talking about the good old days.

Virgie Adams went to Chicago over the holidays and visited with her son, Terry and his family, also Tim from Phoenix, Greg from Atlanta and Tim's daughter, Amber, from Atlanta. Virgie then came back to Ft. Worth and visited with her sister, Jewell Henderson, for eight days.

Members of Printis Pruitt's family have been here. His sister and her husband, Margie and Donald Robinett of Kerrville will be here for a week or two to see about their mother, Suezzy Pruitt, who is in Golden Plains rest home in Hereford. Printis' brother and

sister, Billy Pruitt and Millie McGrill are here from Roseburg, Oregon.

Suezzy Smith was telling me about members of their family visiting. Her brother Kenneth and Ophelia Estes were here from Lubbock with their ten year old twins, Krysta and Aaron and another son, Chris.

Also with the family were Kenneth's son, Kenny, who is a psychologist at Longview, Texas. The Smiths' son, Kevin, who is section boss at the Lubbock Feed Yards, was visiting in Bovina. They all enjoyed a good time during the holidays.

THINK ABOUT IT...Before we give someone a piece of our mind, be sure we have enough to share!

Have a great week and thanks for helping with the news and Scoops...Scooter.

Couple Adds Girl

Robert and Kay Fowler are parents of a baby girl, Hayley Michelle, born at 10:28 p.m. Friday, January 6 at the Lubbock Methodist Hospital.

The infant weighed seven pounds, five ounces and was twenty inches long.

The couple has two other daughters, Shelley and Jamie.

Grandparents are Joe and Jo Fowler of Bovina and Prof and Jo Patrick of Quitaque, Texas. Great-grandmother is Eula Gross of Floydada.

LEGAL NOTICE

NOTICE OF APPLICATION FOR WASTE DISPOSAL PERMIT

LAZBUDDIE FEEDERS, A DIVISION OF BOVINA FEEDERS, INC., P.O. Box 38, Lazbuddie, Texas 79053 has applied to the Texas Water Commission for a permit (Proposed Permit No. 03046) to authorize disposal of wastes and wastewater from a 70-acre cattle feedlot. The feedlot will contain an average of 8,500 head of cattle. Stormwater runoff across the feedlot will be routed to a 37 acre-foot holding pond for storage and subsequent disposal by evaporation. No discharge of pollutants into the waters of the State is authorized by this permit.

person who has received notice of the application has requested a public hearing. Any such request for a public hearing shall be in writing and contain (1) the name, mailing address and phone number of the person making the request, and (2) a brief description of how the requester, or persons represented by the requester, would be adversely affected by the granting of the application. If the Commission determines that the request sets out an issue which is relevant to the permit decision, or that a public hearing, would serve the public interest, the Commission shall conduct a public hearing, after the issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 30 days of the date of publication of the notice concerning the application, the permit will be submitted to the Commission for final decision on the application.

The feedlot is approximately 2 miles south of the intersection of Farm to Market Roads 1172 and 145 in Parmer County, Texas. The feedlot is in the closed drainage area of a playa lake in Segment No. 1200 of the Brazos River Basin.

Requests for a public hearing and/or requests for further information concerning any aspect of the application should be submitted in writing to Claire P. Arenson, Assistant Chief Hearings Examiner, Texas Water Commission, P.O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone (512) 463-7905.

The Executive Director of the Texas Water Commission has prepared a draft permit based on the application submitted by the applicant and other information presently available.

Issued this 20th day of December, 1988.

Legal Authority: Section 26.028 of the Texas Water Code, as amended, and 31 TAC Chapter 305 of the Rules of the Texas Water Commission.

Brenda W. Foster,
 Chief Clerk
 Texas Water Commission

BREAST CANCER DETECTION UNIT available to area women!

SATURDAY, JANUARY 14, 1989
 CITY OF BOVINA
 BOVINA, TEXAS
 Call 806-238-1116 for appointment

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer. Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. (The cost is only \$50.00.) A mammogram can detect a cancer this small, even before it can be felt.
