On This Thanksgiving Day.

By L. D. Stearns

FOR Life, Great God, we bring Thee praise: for the broad world of beauty and love; for gifts of sight and hearing; of family and friends; for health and home; for chance to live our life, not according to the path another might plan, but as it is--the path Thy love hath chosen.

With honest faith we lift our hearts to Thee, and cry--Help me, oh God, to walk erect; to see, on Thy far heights, the goal Thy love hath set for mine own prize. Help me to win, nor falter on the way. To clasp the hand of Joy, in the thankfulness of her bright face; of Pain, in mute acknowledgement of her necessity; and bow, in love and trust, the while I whisper low:

To Thee I bring the dearest gift I may, submission to Thy will, and thanks for all Thou art, all Thou hast given and still may give, on This Thanksgiving Day.

Medina Local Notes.

(Regular Correspondence)

Mr. Thomas Keese died the night of the 19th at the home of his son, Stanley, on the North Prong. Mr. Keese was about 78 years of age and had lived in this community a great many years. The body was interred in the Goodman cemetery.

Wm. Norwood had the misfortune to lose a part of one finger in an accident on the 19th while hauling hay.

Last week a large number of our good women pooled their cookies at the Baptist parsonage and sent a barrel and a box of them to Buckner Orphans' Home.

Dr. and Mrs. Patterson, accompanied by Mr. and Mrs. Geo. Tait, motored to San Antonio and remained several days last week.

Edwin Patton and G. F. Seallorn were on the Lake shooting last Monday. They brought in some birds and report thousands of ducks on the Lake.

L. Caton left Sunday afternoon for Arkansas where he was called to the bedside of a brother who was critically ill.

Mr. and Mrs. Fletcher Layton returned Saturday from a ten days' visit with Mrs. Layton's parents and sister at Kingsville.

Miss Susan Moore of Ingram and members of Mr. Tom Moore's family were at the A. W. Mayfield home Saturday and Sunday.

The household goods of Charles Banta were shipped to Port Arthur Monday. Mrs. Banta and the children will follow in a few days.

Miss Maggie Seallorn returned to her school the 20th.

The little 6-year-old son of Mr. and Mrs. Bert LeStergeon died Monday of diphtheria.

Those who visit the opening exercises of our school always report a pleasant time. At the Monday morning assembly Mrs. F. S. Marsh addressed the students, briefly, giving a sketch of the life and achievements of Bethovan, and rendered the first moment of Bethovan's Sonata op. 2 No. 3. She also sang some juvenile songs for the children.

Miss Hendricks Showered.

The ladies of the Woodmen Circle at their meeting Monday night gave one of their members, Miss Clara Hendricks, a silver shower, in honor of her marriage, which takes place today at 9 a. m., to Mr. J. J. Dasi-olli, proprietor of the Alamo Seed and Grain Store, of San Antonio.

Fletcher Takes Button Cure.

Mr. and Mrs. R. N. Padgett were up from Tarpley this week, guests of Dr. and Mrs. McBeth. Mr. Padgett visited our tabernacle Wednesday, sat down in our mahogany rocker and gave a good report of his hail-wick. He confidentially informed us that our old friend Bob Fletcher had been under the weather this summer, but is now able to be up. It seems that he had bought a box of medicine in tablet form, carried them home and forgot to take them. At midnight he awoke, remembered his medicine, and without striking a light proceeded to take his tablets--several of them. Next a m., to his surprise, he found out that he had gotten into a button box and had swallowed half a dozen vest buttons. Mr. Padgett says since the vest button treatment, Mr. Fletcher is the picture of health, and threatens to practice medicine, and is now trying to get Andy Mansfield to try his famous remedy.--Harper Herald. (Bandera papers please copy.)

Serious Cutting Affray.

Harvey Stone of Goat Creek, is lying at the Sanitarium in a serious condition, with two knife wounds in his back and side, as a result of a fight at Ingram Sunday night in which he and "Son" Kuykendall of Kerrville are said to have been the principals. Young Kuykendall and Duncan Roberts, who was with him when the unfortunate trouble occurred, came to Kerrville Sunday night and gave themselves up to the officers and were placed under bond Monday morning pending the outcome of young Stone's condition.

While the wounded young man is badly cut, his condition is thought now to be improved.

The cause of the trouble is unknown and we have heard only meagre reports of the occurrence.

Buckner Orphans' Home Box.

The Baptist Ladies Aid will pack the annual box for the Buckner Orphans' Home on December 7th.

In this Home there are children from every State in the Union and from across the waters. The children now in the home number nearly 700; so we ask every man, woman and child that feels they want to help in this worthy cause, either with money, clothes or shoes, to look through your wardrobes and see if there isn't some good garment you have out-grown, that will help keep some little parentless boy or girl warm.

If so, phone one of the committee and your package will be called for. Mrs. T. B. Peterson, Mrs. T. A. Buckner, Mrs. D. N. Hodges.

Baptist Notes.

Regular services will be held at the Baptist church next Sunday morning and evening, and we will expect our people to be present, as they have had much time to graze around during the absence for several services.

The recent Convention at the Baptist church was a great success. It was held at the home of Mrs. J. B. Riddick. The report of the Convention is no more than to say that it was a most profitable one. The old school building is being repaired and will be ready for occupancy in a few days. The school will be in session on Monday next.

As Reflected in a M

—you see in your local paper each week all the news of every kind around you—among the people you know and love. You'll find more important happenings of the world chronicled in this paper than in any other. This is your paper in every sense of the word. It leads the way in everything that will make this community a better place in looking after your interests all the time and right now to offer you double value for your money.

Brain Against Brav

Why do some farmers prosper and enjoy many luxuries, just as hard, are always hard up? The answer is simple: one has posted on up-to-date farming methods, while the other has not. He will not even read a first-class farm paper that can possibly tell him how to run his farm. FARM AND RANCH is a paper for farmers, gardeners, live stock and poultry raisers and all who are interested in the home builders. It has been the Southwestern farm paper for a third of a century.

Double Value

This Year Holland's Magazine is just as good as ever before and the publishers are entering all subscribers the same price you formerly would have paid for a one year subscription. The stories and special articles are clean, snappy and timely. The pictures are many and complete; the fashion pages show the latest in dress and good cheer which, in ten years time, has become indelible. Three quarters of a million people in the Southwest.

Send us your order for these three publications—our paper one year, FARM AND RANCH TWO YEARS—right away; also show this BIG picture to your neighbor who is not a subscriber to this paper. New and renewal subscribers get the rate advertised, so bring or mail your order now and get the benefit of it.

Free Until 1915.
 Have you subscribed yet for the Youth's Companion for 1915? Now is the time to do it, if you are not already a subscriber, for you will get all the issues for the remaining weeks of 1915 free from the time your subscription with \$2.00 is received.

The fifty-two issues of 1916 will be crowded with good reading for young and old. Reading that is entertaining, but not "wishy-washy." Reading that leaves you, when you lay the paper down, better informed, with keener aspirations, with a broader outlook on life. The Companion is a good paper to tie to if you have a growing family—and for general reading, as Justice Brewer once said, no other is necessary.

If you wish to know more of the brilliant list of contributors, from our ex-Presidents down, who will write for the new volume in 1916, and if you wish to know something of the new stories for 1916, let us send you free Forecast for 1916. Every new subscriber who sends \$2.00 for 1916 will receive, in addition to this year's free issues, The Companion Home Calendar for 1916 The Youth's Companion, Boston, Mass.

the American never wavered unded, together comrades, the gov-

he will be honored, like hundreds of others in West Texas, as a brave man and public benefactor, when the history of the pioneer days is written. They blazed a 1,000-mile trail from West Texas to the Kansas prairies, and while it is now covered by railroads, it will remain in memory and history a monument to the courage and noble character of the pioneers before it was supplanted by steam and electricity. All honor to the pioneer heroes.

IN THIS Thanksgiving season the Advance returns its sincere thanks to its friends and patrons. We hope to be able to show our appreciation by making in the future, the Advance a still more welcome weekly visitor to the home of the people of Kerr and adjacent counties.

KERRVILLE

Is the county seat of Kerr County, has a population of about 2500, is situated 70 miles northwesterly from San Antonio, and is the terminus of the Kerrville branch of the S. A. & A. P. railroad. It has two daily trains to and from San Antonio, and daily mail route, carrying passengers in hacks, to Ingram, Junction, Rock Springs Harper and other places north and west of Kerrville, and also a daily line to Fredericksburg. From Kerrville to Fredericksburg is 25 miles; to Bandera and Medina City, 25 miles; to Junction 60 miles; Rocksprings 80 miles, Harper 21 miles.

Kerrville has electric lights and a splendid system of water works. The sum of \$20,000 has been spent on the streets and \$40,000 has been voted for road improvements in this precinct.

The elevation at Kerrville is 1750 feet. The Guadalupe river, which heads 30 miles north of Kerrville, runs through the city. On the east side where the city is located, there are high bluffs on the river, and on the west side is a fertile and beautiful valley, and mountains surround the city on the east and west. The Guadalupe valley is occupied by thrifty farmers and ranchmen, and the mountain regions, among which there is considerable valley, creek and arable land, there are large ranches of cattle, horses, sheep and goats, all of which do well in the Kerrville country. The land generally is well wooded, principally with live oak, Spanish oak and cedar, and the range is good, and water excellent.

Our farmers grow wheat, oats and all other small grain, cane and alfalfa, cotton and corn, and fruit and vegetables do well. Kerrville is one of the largest wool markets in the state, and large quantities of wool, mohair, cotton, oats, cattle, etc., are shipped from this point.

The climate of the Kerrville country is unsurpassed. The winters are short and generally mild and invigorating owing to the dryness of the climate and the prevalence of sunshine. The summers are cool and delightful, and the mountain air is pure and bracing. Game abounds in the Kerrville country, and fishing in the Guadalupe, especially north of Kerrville, is good. Kerrville and the adjoining towns are popular resorts for health and recreation.

The Kerrville Commercial Club, any of the different Realty Companies or any of our citizens, will be pleased to give prospective residents or visitors further information.

FOR SALE—One of the prettiest homes in Kerrville. Has 6 rooms, hall, bath, screened sleeping porch and front porch, electric lights, etc. Two good lots. Underground cistern, garden, cow and horse lots, large yard with flowers, berries and fruit trees. House and all improvements almost brand new. Beautiful location and splendid neighborhood. Price \$2750. Small payment down and easy terms on balance. Apply at Advance office.

Robes! Robes!

Winter is here and so are our nice line of Auto and Buggy Robes. Do not freeze but come and get your robe before they are all gone. Now is the time to buy before they are all picked over.

Oh, yes, we still have a splendid line of Buggies, Harness, Saddles and Hardware.
