ALUMNI ASSOCIATION

MEETING HELD AT PAMPELL'S
OPERA HOUSE MONDAY—OFFICERS
ELECTED AND COMMITTEES
APPOINTED

ENTERTAINMENT IN JUNE

Date Not Definitely Set, But Will
Be About Middle of Month

At a meeting of the Alumni Association of Tivy High School, held at Pampell's hall, Monday afternoon, pursuant to call, the following officers were elected for the ensuing year: Mrs. Chas. Real, president; Mrs. J. L. Vining, Secretary and Treasurer.

The matter of the annual entertainment was discussed, and while the date was not definitely fixed, it was agreed that it should be held about the middle of June, and that instead of restricting cards to seventy-five guests, as last year, the limit be made one hundred. Mrs. Amy Magee, Miss Mabel Davey and Miss Hazel Hamilton were appointed a committee to decide upon the nature of the forthcoming entertainment and report at a meeting to be held as soon as they are ready to report.

The secretary requests all alumni of the Tivy High School, who are not already members of the association to send or hand her twenty-five cents and she will then issue them a membership card.

Skidoo Club Entertained.

The Skidoo Club was entertained by Miss Ruth Mosel, Saturday. The club was called to order at 4:30 p. m. The secretary called the roll and very few were absent. After all was settled, it was decided to have a picnic on the 25th of May. Miss Ruth Mosel had a program which was as follows:

| | |
|---|------------|
| Miss Ethel Williams | Music |
| Miss Victoria Welge | Music |
| Miss Gussie M. Brown | Recitation |
| Miss Edna Henke | Music |
| Misses Edna Hamilton, Nell Lockett, Bessie Renschel and Elsie Johnston | Song. |

Miss Ruth Cardwell Music
Miss Lucile Williamson Music

When the program was completed Miss Edna Hamilton was crowned as May queen, she being declared the prettiest girl in the club. A wreath of white roses composed the crown. Miss Hamilton was also presented with a beautiful May basket of blue and pink with roses, the prize awarded the winner of the May pole.

Delicious refreshments consisting of cake and punch were served. The cake was served in little May baskets.

Every one present had a joyful time, and it was not until a late hour that Miss Mosel was bidden farewell, and the guests departed for their homes.

Card of Thanks

We desire to express our gratitude to those who gave us their generous assistance and kindly sympathy at the death of our little son. Gratefully,
MR. and MRS. AUG. A. BERNHARDT.

WITNESS AFFECTING SCENES AT CARTAGO

THOUSANDS DEAD, 10,000 HOME
LESS. PROPERTY LOSS MAY
AGGREGATE \$25,000,000.

430 DEAD BODIES RECOVERED

Removing Ruins, Whole Families
Found. Appeals for Aid Sent
Out by Consul General.

SAN JOSE, Costa Rica, May 7.—The list of dead at Cartago now number not less than 1,500. The city was destroyed by an earthquake which lasted four seconds. It was a tremendous movement, which followed a few minor shocks during the day. It occurred at 7 o'clock Wednesday evening. No one had time to run out of the houses, which fell crashing to the streets. Had the great shock come during the sleeping hours hardly any one could have escaped. The railroad and telegraph lines were broken and the electric light wires fell, leaving the city in darkness.

Thousands ran panic-stricken in all directions in an effort to save themselves. Every house was totally destroyed, including four churches and the palace of the American Peace Court, the gift of Andrew Carnegie. Some Americans are reported to have been killed, but identification, even by the records, is at present impossible. The foreign colonies set about at once to organize rescue movements, and worked strenuously to save those who were pinned down by the wreckage.

SUFFERED GREATLY.

It was not until the following day that San Jose learned of the disaster, and so aid from this source was not forthcoming for many hours. No medical aid could be obtained, and the survivors suffered greatly from lack of food and water. Many of the wounded died suffering terribly. Entire families have been wiped out. Rafael Angel Troyo, the Costa Rican poet, whose works are known in many countries, is among the dead.

The college of the Silesian priests fell while the priests and children were at prayer. Two priests and ten children were killed.

The earthquake, which brought almost darkness and great clouds of dust from the falling buildings, was followed by a roaring, which came apparently from deep down in the earth, and for six hours the disturbance continued. No more formidable disaster has occurred in the history of Costa Rica, and perhaps all Central America.

President Gonzales Viquez and President-elect Ricardo Jimenez are personally in charge of the rescue work, but there is little hope that those under the ruins can escape. The buildings have been leveled, and doubtless those beneath them have been crushed.

LOSS IMMENSE.

Some days must elapse before the real situation can be determined. The monetary loss will reach into the millions. Help is badly needed and must be prompt if good is to come of it. Thousands are homeless and without food. Fires that broke out immediately after the destruction of the town added to the horror of the situation, and heavy rains that have fallen since have made the conditions most unbearable even for those who escaped injury.

Hundreds of survivors are camped around the ruins of their homes, which they refuse to leave. Some reports place the wounded at several thousand.

Nearly all of Costa Rica is afflicted, as more or less damage has been caused by earthquakes at San Jose and other points.

Judge W. G. Garrett and son, Hal, made a business trip to Bandera Wednesday.

FANS ORGANIZE DIAMOND DECK

And Will Endeavor to Draw a Full
House of Star Players on the
Kerrville Team.

LOCAL TALENT WILL DON THE MIT

And Challenge Teams of Southwest
Texas to Contests in the National
Game.

A meeting was held in the parlor at Ford's Place Tuesday night for the purpose of organizing a baseball team for Kerrville. There was a large attendance of devotees of the national game, and the deliberations of the meeting were enthusiastic.

Permanent organization was effected, with the following officers:
A. T. Adkins, President; Dr. A. F. Thigpen, Secretary and Treasurer; N. B. Smith, Manager; B. M. Ford, Field Captain.

A committee composed of J. M. Hamilton, A. T. Adkins and Dr. A. F. Thigpen was appointed to solicit funds to finance the movement.

N. B. Smith, B. M. Ford and Dr. A. F. Thigpen were appointed as a uniform committee.

The boys are very much in earnest, and hope to organize a team that will, like the ancient "Hill country" Comanches, who once held sway in this section, bring in many scalps to hang up as trophies in the local temple.

They should be, and no doubt will be, greatly encouraged by the entire citizenship of the town and community.

Entertain at Fredericksburg

Fredericksburg Texas, May 9.—Mr. and Mrs. Fred Riley entertained a party of friends at their home yesterday, in honor of Miss Natalie Roeder, of the Morris ranch community.

There were seventeen young ladies in the party. Refreshments of ice cream and cake were served, and the evening was most happily spent.

Chester Johnnie Bernhardt

Chester Johnnie Bernhardt, the seven-months-old son of Mr. and Mrs. Aug. A. Bernhardt, died at the home of his grandparents, Mr. and Mrs. John Heilmann, in Kerrville, Tuesday, May 10. The funeral took place from the residence, Thursday afternoon. The little fellow was an only child and much sympathy is extended by friends to the bereaved young couple.

Kerrville Vs. Comfort.

A game of baseball was played on the local diamond last Sunday between Kerrville and Comfort, resulting in a landslide for the home team. At the end of the seventh inning the score stood Kerrville 15 Comfort 3.

Notice of Proposed Increase Bank Capital.

A petition having been presented to the Directors of the First State Bank of Kerrville Texas, asking for an increase of the capital stock of said Bank, and said petition being signed by owners of a majority of the stock therein; it is hereby ordered that a meeting of the Stock-Holders be, and it is hereby called to be held in the First State Bank at its office in Kerrville on the 25th day of June 1910 at 10 o'clock a. m., for the purpose of voting upon the proposition of increasing said capital stock to \$50,000.00. This the 11th day of April 1910.

COLLIES FOR SALE—I have two thoroughbred, male, Collie pups for sale. S. B. FORD, Kerrville, Texas. t20

Straw hats cheap at H. Noll Stock Co.

Kerrville Girl Honored.

As a courtesy to Miss Alida Scholl, of Texas, who is the house guest of the Misses Thode of 814 Cedar avenue, her hostess, Miss Myrtle Thode, entertained delightfully with an evening of unique details yesterday.

The spacious porch was hung with Japanese lanterns, and screened off with greenery in one corner was a peanut garden festooned with strings of peanuts, and here peanuts were hidden for the peanut hunt.

The interior of the home was a rose garden, and soft ferns shaded lights and outlined doors and windows and etched delicate traceries on hangings and draperies.

A peanut supper was served on the porch, which included ice cream and cake, peanut candy, peanuts, and salt peanuts, which were eaten with Chinese chop sticks. Favors were peanuts in little brassings.

Progressive peanut games were played in which Miss Ethel Deatrick and Mr. Bruce Stormont won first prizes and Miss Charlotte Carlin and Mr. Wall the booby prizes.

Peanut dolls were made, and there were peanut toothpick races, and music added much to the delight of the evening, which was participated in by the honoree, Misses Alida Scholl of Texas, Ida Hatch of Los Angeles, Ethel Deatrick, Charlotte Carlin, Gale Orris, Helen Davis, Majorie Curtis, Ethel Wright, Ella Wallace, Lyda Carson, Myrtle and Helen Thode, Messrs Roy Orris, Bruce Stormont, Phillip McClellan, Russell Stark G. L. Hoodenpyl, Clark Shaw, Max Wallace and L. Wall.

EASTERN STAR HAS MEETING

CENTER POINT CHAPTER, O. E. S. HOLDS INTERESTING MEETING AND ENTERTAINS MEMBERS OF KERRVILLE CHAPTER

BANQUET A FEATURE

Of the Evening, and Visitors Royalty Feted After the Business Meeting

The Center Point Chapter, Order Eastern Star won laurels and covered themselves with glory at a special social meeting of their chapter held on Friday night of last week.

The features of the meeting were exemplification of the floor work of the order, given by the local degree team, and a grand banquet. The guests of honor were twenty or more members of the Kerrville chapter, were chaperoned by Mayor and Mrs. H. Renschel, Worthy Matron and Worthy Patron of the chapter, went to Center Point in a body.

The visitors, upon their return home were unstinting in their praise of the beauty and precision of the floor work given by Center Point Chapter and further stated that the members of that organization carry the banner for hospitality, as social entertainers and banqueters.

When the work was finished tables were spread and loaded with abundance of delicious refreshments, which in themselves were extremely inviting, but presided over as they were by the courteous gentlemen, and the beautiful and attractive women who constitute the membership of Center Point Chapter, the charm was irresistible and the remainder of the evening was given over to feasting, social converse and unalloyed happiness.

Among the visitors from Comfort who attended the ball game Sunday, the following were registered at the St. Charles: Edwin Wiedenfeld, Miss Erna Spenrath, Arnold Puffer, Miss Henrietta Gass.

Transportation

In discussing the cost of transportation the Texas Commercial Secretaries' Association says that, as a rule, the producer pays the freight to the factory or market and the consumer pays the freight from the factory to the point of consumption. Texas has comparatively few factories, and the cost of transportation is, therefore, of paramount importance in fixing the value of our articles of production and consumption. We have four methods of transportation, viz.: Public Highways, Railroads, Waterways and Pipe Lines.

Public Highways.

We have 121,500 miles of public highways in Texas with only 2,000 miles classed as improved public roads. The average cost of hauling freight over the public highways of Texas is 43 cents per ton per mile.

43 Cents Per Ton Per Mile.

The average cost of hauling freight over the public roads of the United States is 23 cents per ton per mile. As a producer the farmer gets the same price for his products whether hauled over good roads or bad roads, and as a consumer the farmer pays the same price for merchandise whether he hauls it over good roads or bad roads. The farmer receives the benefits of good roads, but pays the penalty of bad roads.

The Texas farmer in 1909 raised 8,000,000 tons of products. It cost approximately \$17,000,000 to haul these products to town. By improving our public highways to the government average we can reduce the cost of transportation one-half and save \$8,000,000 per annum.

Mud Road Tax \$8,000,000 Per Annum.

The Texas farmer pays in State and county taxes, all purposes, \$7,000,000 per annum, which is a million dollars less than the bad roads tax. The money paid to support of government continues to circulate; it is not destroyed. But the tax levied by the mud hole is lost as completely as if it were destroyed by fire.

Fire Losses \$4,000,000.

The fires of Texas last year burned \$4,000,000 worth of property while the bad roads loss was \$8,000,000. Bad roads cause an unnecessary and useless waste of time and money, increase illiteracy, destroy society and encourage profanity in the community.

Chamberlain's Stomach and Liver Tablets will clear the sour stomach, sweeten the breath and create a healthy appetite. They promote the flow of gastric juice, thereby inducing good digestion. Sold by all dealers.

From Medina.

We are looking for rain. The grain needs it badly.

Uncle Bud Fisher was the champion fisherman last week, he caught a twenty-four-pound catfish with a pole.

Rev. J. M. Hamby filled his regular appointment here last Sunday.

The Literary Club held its regular meeting last week.

Miss Cassie Gourly returned home last week from Kendall where she had been visiting relatives. We are glad to see her in the drug store again.

Miss Fannie Adams went to take a dose of Epsom Salts Sunday morning and by mistake took poison, but she is all right now.

The Presbyterian Aid Society held its regular meeting Wednesday with Mrs. Whisenhunt, on Laxon Creek. They celebrated the first anniversary of the Society. There are only a few members but they are hard workers.

N. Y. Z.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. — Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all dealers.

Sunshine Library.

A meeting of the officers and directors of the Sunshine Library was held on Wednesday, 11th inst. It was found that the financial condition of the Library was such that in order to carry it on something must be done to increase the funds, and it was decided to make an appeal to the citizens of Kerrville for a small yearly subscription to meet current expenses. The society feels sure our progressive town would not like to see so useful an institution abandoned, upon which its money has been expended and a very nice collection of books donated, the latter having been a source of much pleasure and instruction to many of its citizens and visitors. A representative of the society will shortly go around among you and it is hoped that all who do not wish to see the Sunshine Library closed will, with their usual kindness and generosity, help if ever so little, in this worthy object.

SUNSHINE LIBRARY.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Sold by all dealers.

Deaths Recorded

The infant son of Mr. and Mrs. Frank Rose, died May 2.

Marriage Licenses Issued

Alfred Lochte and Miss Clara Metzger, May 9.
B. F. Hunter and Miss Clara Byas, May 8.

An Ideal Husband

is patient, even with a nagging wife, for he knows she needs help. She may be so nervous and run-down in health that trifles annoy her. If she is melancholy, excitable, troubled with loss of appetite, headache, sleeplessness, constipation or fainting and dizzy spells, she needs Electric Bitters—the most wonderful remedy for ailing women. Thousands of sufferers from female troubles, nervous troubles, backache and weak kidneys have used them and become healthy and happy. Try them. Only 50c. Satisfaction guaranteed by Rock drug store.

Kerrville vs. Center Point.

The Kerrville and Center Point ball teams will cross bats on the local diamond Tuesday afternoon. This is an early challenge for the newly organized Kerrville team and the result will be awaited with interest by local enthusiasts.

Factories

We have discussed methods of reducing the cost of transportation entirely, or at least reduce to a minimum the distance the freight is carried, by building factories. The factory is the farmer's market house, and he must travel at his own expense until he reaches the factory, no matter where it is located. It costs \$5 per head to ship cattle from Texas to the Chicago packing houses.

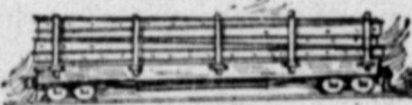

Freight \$5.00.

By bringing the packing house to Texas we will add \$5 per head to all the cattle within the State as well as to future production. We have 8,917,000 head of cattle, and by building packing houses we can add \$40,000,000 to their value. It costs approximately \$10 per bale to ship our cotton to England and return the finished product to Texas, and by building cotton mills in Texas we can add \$10 per bale to our cotton crop.

Mines.

Opening our mines will eliminate the cost of transportation on iron, coal, brick, marble, petroleum and other minerals. It costs \$400 per car to ship iron from Pennsylvania to Texas.

Freight \$400.

We have a sufficient variety of minerals in Texas to supply all of our needs and the development of our mineral resources will save millions of dollars in freight bills annually.

Cities.

The building of cities will eliminate the cost of transportation, as all citizens are consumers, and the Texas producer must pay the freight on shipments to the large cities of the North and East.

To reduce and eliminate our transportation expenses to the minimum we will have to improve 120,000 miles of public highway, build 50,000 miles of railroads and a network of interurbans, improve 10,000 miles of waterways, traverse the State with pipe lines, encourage aerial navigation, open our mines, invest millions of dollars in factories and build a thousand cities, and this is the work the Commercial Secretaries have undertaken to do for Texas.

Never hesitate about giving Chamberlain's Cough Remedy to children. It contains no opium or other narcotics and can be given with implicit confidence. As a quick cure for coughs and colds to which children are susceptible, it is unsurpassed. Sold by all dealers.

The new devil, having read the yellow newspapers and pretty magazine ads to saturation, went into a trance and ground out the appended crime on the office coffee mill:

The light was burning dimly;
A grewsome ghostly gloom
Seeped cannily to hover
About her sleeping room.
With fearsome heart he entered
And cast a glance around,
Small wonder that he started,
For this is what he found:
Her teeth were on the washstand,
Her bust was on the floor
Her hips were hanging grimly
Beside the wardrobe door.
And lying on the dresser,
Her scalp of golden hair
Tranfixed his gaze in wonder
And held him speechless there.
As if to blot the vision
From his dumfounded sight,
He donned his pink pajamas
And then turned out the light.
—By W. Kee Maxwell in Onedina News.

Miss Nona Shelburne left Wednesday for a visit to friends at San Antonio.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by all dealers.

AN ORDINANCE

TO PROVIDE for the issuing of bonds to erect an additional public school building and furnishing same, within the limits of the City of Kerrville, Texas; also for the levy of a tax for the payment of the principal and interest of said bonds:

WHEREAS, the City of Kerrville has heretofore assumed control of the public free schools therein in accordance with the constitution and laws of the State of Texas, and it being necessary to erect and furnish additional public free school building in said city; and whereas, it appears from the tax rolls of the said city for the year, A. D., 1909, that the property within said city, subject to an ad valorem tax amounts to nine hundred thousand dollars, and whereas, at an election held for the purpose on the 6th day of April, 1910, a majority of the qualified voters who are property tax payers of the City of Kerrville, Texas, voting at said election sustained the proposition to issue bonds hereafter described, by a vote of 59 for the issuance of said bonds and a vote of 10 against the issuance of said bonds. Therefore:

SECTION 1. BE IT ORDAINED by the city council of the City of Kerrville, Texas, that there shall be issued by the City of Kerrville, Texas, for the purpose of erecting and furnishing additional public free school building, within the limits of the said City of Kerrville, coupon bonds of said city to the amount of Twelve Thousand Dollars, in

denominations of Five Hundred Dollars each, bearing interest at the rate of four and one-half per cent. per annum, said interest being paid semi-annually, on the first day of July and the first day of January of each and every year, principal and interest payable in Kerrville, Texas, principal of said bonds, payable in thirty years from date, said city reserving the right to redeem said bonds after ten years at her option.

SEC. 2. That said bonds shall be signed by the mayor, under seal of said city, and countersigned by the secretary of said city, and shall be registered in the office of the Comptroller of the State of Texas, and shall bear date the first day of July, 1910.

SEC. 3. That for the purpose of paying the interest on said bonds, and providing an annual sinking fund sufficient to discharge the principal at maturity, an ad valorem tax of ten cents on the hundred dollars on all property within said city limits subject to taxation on the fifteenth day of May, 1910, is hereby levied for the year commencing the fifteenth day of May, 1910, and the assessor and collector shall collect the same as other taxes and each year thereafter there shall be levied and collected by the city council of the City of Kerrville, such a tax as shall be sufficient to pay the interest semi-annually on said bonds and provide a sinking fund sufficient for the payment of said bonds at maturity.

SEC. 4. That all laws and parts of laws in conflict with the provisions of this ordinance be and the same are hereby repealed.

SEC. 5. That this ordinance shall take effect and be in full force from and after legal notice given thereof. Approved May 1910.

Attest: H. REMSCHEL, Mayor.
 W. A. FAWCETT, City Sec'y.

A REVISED ORDINANCE
 (EMPOUNDING ANIMALS)

BE IT RESOLVED by the council of the City of Kerrville, Texas, that Section 6, of Chapter 13, of revised ordinances of Kerrville, Texas, shall hereafter read:

SECTION 6. That the limits hereinbefore mentioned, shall be restricted in its application as follows, to-wit: Beginning at a point on the east bound-

ary line of A street at the Guadalupe river, thence along the east line of said street to North street, thence south on North street to south line of College street, thence along the south line of College street, to the north boundary line of Barnett street, thence north on Barnett street to the east line of Washington street, thence east along the east line of said street, in a direct line to the corporate limits, thence west along the corporate limits to the west line of Quinlan street, thence south with west line of Quinlan street to the north line of Barnett street, thence west with north line of Barnett street to the northwest corner of Hays street, thence along west line of Hays street to the north line of Schreiner street, thence along north line of Schreiner street to the west line of Lytle street, thence along west line of Lytle street to the south line of Water street, thence along the south line of Water street to Houston street, thence south on a direct line with the west line of Houston street to the Guadalupe river, thence along the bank of said river to place of beginning.

Attest: H. REMSCHEL, Mayor.
 W. A. FAWCETT, City Sec'y.

AN ORDINANCE

BE IT ORDAINED by the city council of the City of Kerrville, Texas:

SECTION 1. That the taxes for the year 1910 shall be levied as follows: General fund, 25c on the one hundred dollars valuation; school fund, 50c; sinking fund, 20c; road and bridge fund, 15c.

SEC. 2. That there shall be levied and collected from every person, firm or association of persons pursuing any of the occupations taxed by the laws of the State of Texas, an occupation tax subject to the revisions, limitations and restrictions that may be imposed by the laws of the State.

Attest: H. REMSCHEL, Mayor.
 W. A. FAWCETT, City Sec'y.

Mr. and Mrs. Robert Remschel, of Falls City, arrived in Kerrville Tuesday night on a visit to Mr. Remschel's parents, Mayor and Mrs. H. Remschel. Mr. Remschel returned home Wednesday, Mrs. Remschel and her little daughter will spend some time visiting in Kerrville.

ALL BUSINESS MEN

require a safe bank in which to deposit their money and securities.

A bank from which to borrow money to carry on legitimate business interests.

A bank liberal in its business methods, but conservatively managed to insure safety.

A bank large enough to inspire the confidence of its customers—but not too large to give every consideration to their interests.

The birthday party given in the Sunday school room of the Presbyterian church, Thursday night, was a pronounced success. The sum of \$25 was raised for the church.

Commissioner's Court.

The regular May term of the Kerr county commissioner's court was called to order Monday by county Judge Lee Wallace, with all officers of the court present. There was a light docket for the court this term as to number of items, but considerable time was taken up by that body as a board of equalization.

A petition from school district No. 2, Ingram, asking for an election to increase special school tax from 10c to 25c on the \$100 valuation, was granted, and B. L. Snow was appointed presiding officer of the election, which is ordered to be held on June 4.

The report of county treasurer, A. B. Williamson, was approved, as was also the report of E. H. Turner, J. P. precinct No. 1.

Judge Lee Wallace and Commissioner A. F. Karger were appointed a committee to attend to repairing the jail.

In acting as a board of equalization the court went over the rolls of County Assessor Otto Dietert and affirmed them in toto, it being the opinion of the court that no property was unfairly rendered in this county.

The court completed its labors and adjourned Thursday.

A complete list of claims and accounts allowed by the court will be published next week.

Railroads

We have 12,000 miles of railroad in operation. The average cost of transporting freight over the railroads of Texas last year was less than 1 cent per ton per mile.

1 Cent Per Ton Per Mile.

Railroad transportation saves 42 cents per ton per mile as compared with public highways, and illustrates the economy of improved methods of transportation. As a producer the farmer who hauls a bale of cotton twenty miles to the railroad gets the same price as the farmer who hauls it one mile, and as a consumer the farmer who hauls his goods twenty miles from the railroad to the farm buys them at the same price as the farmer who hauls them one mile.

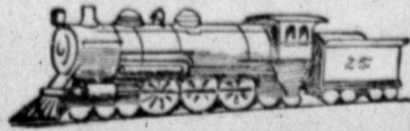

Distance levies a penalty of time and money against the long haul which the farmer must pay.

Bringing the railroad to the farm reduces the cost of transportation and adds perpetual value to future production, says the Texas Commercial Secretaries' Association. A new railroad makes a free and equitable distribution of values to adjoining property estimated at \$64,000 per mile.

Interurbans have practically the same effect on property values as railroads.

Texas has 4.95 miles of railroad per 100 square miles of territory, and Illinois has 21.8 miles per 100 square miles of territory.

The engines shown above represent the relative transportation facilities of the two States on basis of area. To equal Illinois in railroad mileage per square mile we would have to have 22,000 miles, and this increased mileage will provide facilities, cheapen the cost of transportation and develop the resources of the State.

FOR COUNTY TREASURER

We are authorized to announce **A. B. WILLIAMSON** as a candidate for re-election to the office of County Treasurer of Kerr county, at the ensuing November election.

Waterways

We have 400 miles of gulf coast and 2,000 miles of inland waterways susceptible to navigation. The cost of transporting freight over the waterways is 2 mills per ton per mile.

2 Mills Per Ton Per Mile.

This method of transportation is cheaper than either railroad or public highways. The principal cost of public highways is in constructing and maintaining the roadbed, and the same applies to railroads, but nature furnishes a level roadbed for the vessels and the government maintains the waterways. The improvement of our rivers and harbors will greatly lower the cost of transportation.

Pipe Lines.

We have 1,500 miles of pipe line in transportation service leading from the oil fields to our refineries, and

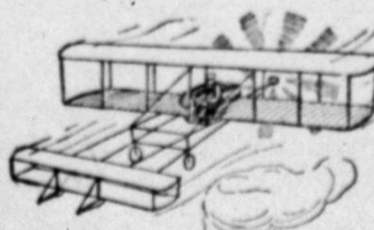

several hundred miles of pipe lines in the refinery yards.

Pipe lines are primarily city builders. The pipe lines bring the oil field to the refinery and the gas well to the city and the factory, and reduce the cost of transportation as well as provide a feasible method of distributing the product of the oil and gas wells throughout the State.

Aerial Navigation.

We have no airships in transportation service in Texas. This character of transportation, while experimental, is nevertheless important, says the Texas Commercial Secretaries' Association.

The perfection of the airship will greatly reduce the cost of transportation. The atmosphere furnishes the roadbed for aerial navigation and affords a free and universal distribution of trackage facilities. All people are vitally interested in inventions. Robert Fulton, in giving us the steam engine, reduced the cost of transportation in Texas from 43 cents per ton mile (public highways) to 1 cent per ton per mile on the waterways. Improved machinery reduces the cost of transportation in all lines of traffic, and consequently increases the value of production.

Items From Mountain Terrace.

With the approach of vacation, a season of endings in school work always causes a feeling of satisfaction to pupils, no matter how happy they may have been through the year. If they have worked faithfully and feel that they earn their vacation there is a double satisfaction in taking it. The gymnasium classes, especially, will feel this, because their work seems somewhat strenuous in warm weather, and although they do not take so much nor so vigorous exercise now they keep at it every day. They hope to give their friends a rare treat on the evening of the twenty-first, weather, moon and comet permitting, by a flower dance, which is especially attractive. Daily practice has made these dainty flowers easy and graceful, and an evening spent out under the moonlit skies watching them in the mazes of the dance will be a real pleasure to their interested friends.

Classes are well along in their work, and the faculty feel satisfaction that pupils have generally shown the studious habit. We have had several interested visitors lately, among them Prof. B. Mackensen, of the San Antonio high school, Mrs. C. E. Wood, of Guadalajara, Mexico, R. W. Stayton, of Corpus Christi, Mr. Josey, of San Antonio and Miss Josey, of Beaumont, all of them enthusiastic about the beauty of Kerrville's surrounding country, and pleased with our school.

Our new booklets are now in the hands of the Mountain Sun printing office force, and will be ready soon for distribution. They will be in the finished style of work for which this office has lately become well known through its publications, and will be soveris worth keeping.

We shall be pleased to see our friends from eight to ten on the evening of the twenty-first, when the gymnasium class will be assisted by the music pupils, who will also have their own recital on the twenty-fourth.

FOR SALE—A car load of fine Ohio rams and ewes that will be at Center Point May 26. The ewes will shear up to 20 lbs. and the rams 30 lbs. GEO. E. HELSER, La Fayette, Ohio. It

W. P. Cowden and his two little sons, of the Turtle Creek community, were in Kerrville Wednesday.
