# LEE MASON & SON

### It Helps!

There can be no doubt as to the merit of Cardui, the woman's tonic, in the treatment of many troubles peculiar to women. The thousands of women who have been helped by Cardui in the past 40 years, is conclusive proof that it is a good medicine for women who suffer. It should help you, too.

Take

# CARDUI

The Woman's Tonic

Mrs. N. E. Varner, of Hixson, Tenn., writes: "I was passing through the... My back and sides were terrible, and my suffering indescribable. I can't tell just how and where I hurt, about all over, I think... I began Cardui, and my pains grew less and less, until I was cured. I am remarkably strong for a woman 64 years of age. I do all my housework." Try Cardui, today. E-76

#### Bandera Budget

New Era, June 17: Leonard P. Scott, oil reporter for The San Antonio Light, was in Bandera the latter part of last week investigating our oil prospects.

Threshers are running full blast this week. The oat crop is only turning out about 25 bushels per acre, but there are some crops doing better than this.

Secretary Blakney of the wool warehouse reports over 80,000 pounds of wool and mohair now in storage here. The markets are still off and no indications of a better condition soon.

Dr. Tinsley, president of the Plum Creek Oil Co. of New Waverly, and Prof. McDonald of Willis, secretary of the company, were here last Saturday in consultation with the trustees of the Rex Oil Co.

Chas. Beasley was called out to the E. Hicks shallow well yesterday to see some new developments, and says the oil showing is increasing and that a considerable showing of gas has been struck. The formation in which they are now drilling indicates strongly another striking of sand, in which case Mr. Beasley predicts a much better showing of oil. The drill is now down about 720 feet.

#### Fredericksburg Notes

Standard, June 19: Miss Ellie Meckel and Felix F. Saenger were united in marriage on Thursday of last week.

On Wednesday morning Miss Mabel May Goodale was married to Eugene W. Zenner at the St. Mary's Church. Rev. H. Gerlach officiating.

Work on the Mason Highway was begun this week. During the early part of the week several wagons passed through town to begin this work. The horses and mules looked fine and the work on the road will progress quickly.

Friends and relatives will be shocked to hear of the death of Miller K. Wiesjahn at 7:10 p. m. on Thursday of this week. Mr. Wiesjahn was married only about seven weeks past to Miss Elsa Gessler, the only daughter of Mr. and Mrs. Fritz, Knust.

The sad news of the death of Louis Icke reaches us. Mr. Icke, who took sick suddenly on Sunday, died Tuesday at his home near Gold. The remains were laid to rest at the Cave

Creek Cemetery on Wednesday. His widow, nee Ellen Gardner, and eleven children survive.

The baby of Mr. and Mrs. Max Kunz, on Tuesday of this week met with a serious accident. The mother had just put hot water into the washing machine when the little child ran up and pulled the stopper from the machine. The stream of hot water fell upon the child and it stumbled and fell, getting the hot water all over its little body. The child was taken to town at once for medical attention and there are hopes for its recovery.

#### Comfort Chat

News, June 18: Prof. and Mrs. A. J. Dippel, recently elected members of the faculty of the Comfort School for the coming year, came over from Gold last Saturday and paid their first visit to Comfort. Both were favorably impressed.

The home of Mr. and Mrs. Hilmar R. Pfeiffer was the scene of a merry gathering on Sunday, the occasion being the birthday of their daughter, Miss Alvin. There was a fine dinner at noon, and in the afternoon ice cream and cake were served.

The proposed plan of the Commissioners' Court of Kendall County to finance the work of tick eradication in this county by issuing county scrip has been disapproved by the Attorney General, and as a result, the county has had to stop payment of the salaries of the dipping inspectors, and they have been released from duty. When the news of the Court's action was made known to the Executive Committee of the Kendall County Live Stock Association, this committee took steps at once to get in touch with the chairman of the Texas Live Stock Sanitary Commission and our District Attorney, for the purpose of finding out if dipping can be legally enforced in this county under a plan of charging 5 cents per head at the vat for each animal that is dipped. If the committee is assured that this arrangement can be made effective, it will be put into operation at once; and the committee has asked the eight inspectors to continue their work for a few days longer until the chairman of the Live Stock Sanitary Committee and the District Attorney can make their opinions known.

The Mountain Sun, \$1.50 Per Year.

#### Harper Happenings

West Texas Star, June 18: Mr. and Mrs. Bellmore Roberts and W. W. Parker went to Kerrville Monday on business and trading.

Mrs. N. J. Delon, who has been residing with her son-in-law, James Montgomery, of Noxville, a well-known stockman of that country left Friday evening of last week for Kerrville, where she took the train for Arkansas to see her sister, who is very sick and unexpected to live. Mrs. Delon had anticipated making the trip this summer to visit her sister, but had not expected to leave so soon. She will probably stay there for some time before her return.

Ralph Solomon, head mechanic of the Citizens Auto Company, suffered a very painful accident Friday evening of last week while attempting to crank a Ford. When the motor started the crank failed to release and flying around hit Ralph in the mouth, knocking out two of his upper teeth and breaking off two of the lower ones, bruising and cutting his face a good bit. The crank handle hit him just at the gums of the upper teeth, causing it to knock them out before breaking them off. Ralph left soon after for Kerrville to receive treatment for the wound.

#### Foster's Weather Bulletin

Washington.—Warm waves will reach Vancouver, B. C., about June 21, 26 and July 2, 7 and temperatures will rise on all the Pacific slope. They will cross crest of Rockies by close of 22, 27 and July 3, 8; plains sections 23, 28 and July 4, 9; meridian 90, Upper Great Lakes, Ohio-Tennessee and Lower Mississippi Valley's 24, 29 and July 5, 10; Lower Great Lakes and Eastern sections 25, 30 and July 6, 11, reaching vicinity of Newfoundland about June 26 and July 1, 7, 12. Storm waves will follow about one day behind warm waves, cool waves about one day behind storm waves.

These disturbances will control crop weather from near June 21 to near July 12. Temperatures are expected to average as much above normal as they have averaged below during the earlier parts of the crop season. Rainfall will average less than for some time past, but it will be more evenly distributed. Sections where too much rain has fallen

will get less and where a deficiency has occurred will get more. Northern part of Pacific slope is expected to get more rain than usual. The only exception to better crop weather may be in the southern parts of the plains sections. That section is in doubt.

Most severe storms and most rain is expected during the week centering on June 24 and that is expected to be a mild storm; not much rain, but well distributed. These indications lead to expectations that, as a general average, crop weather and crop prospects will be favorable up to near July 12.

#### Edwards County Items

Leader, June 18: The trustees have employed a man to head the Rock Springs High School for the next school year. He is Prof. D. E. Sawyers of Batesville, and he and Mrs. Sawyers are now in Rock Springs. Prof. Sawyers comes very highly recommended as a successful educator.

A report reached Rock Springs Saturday to the effect that the wool at Del Rio had sold for 55 cents. And Monday morning the same report came from Brackett, in effect that 1,000 bags of short wool had been sold by one of the Del Rio banks for 55 cents a pound. There was also a report that 65 cents had been offered for the long wool at Del Rio. These reports sound good to the stockmen.

Judge Allison informs us that the bond buyers failed in their efforts to place the balance of \$300,000 of the Edwards County road bonds. And the Judge says we cannot get the \$100,000 of Federal and State aid unless we had the money for all of the \$400,000 issue of bonds. The bond buyers are under \$1,000 bond guaranteeing that they would carry out agreements. Of course the change in the financial affairs is responsible. So it develops that we have somewhat more than \$80,000 of road bond money for the entire county. Just how this money will be expended has not yet been explained.

Subscribers will confer a favor on the management by notifying the office promptly when they fail to receive the paper, or when change of address occurs.

Do your best and you'll go forward. You're not doing your best if you are not buying War Savings Stamps.

#### \$100 Reward, \$100

Catarrah is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the blood on the mucous surfaces of the system. HALL'S CATARRH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and assists nature in doing its work. \$100 for any case of Catarrah that HALL'S CATARRH MEDICINE fails to cure. ### CATHOLIC CHURCH NOTES

By Father Kemper

#### Bishop Drossaert's Visit

On last Friday evening, the Right Reverend A. J. Drossaert, D. D., came up from San Antonio in Father Kemper's Buick with Very Rev. D. Zaldivar, Provincial of the priests of the Immaculate Heart of Mary, and Rev. F. Drees of Loire, Tex., who was formerly pastor at Harper.

After a hurried shower bath and luncheon, the clerical party inspected the many new improvements at Notre Dame Institute and then hastened to Our Lady of Guadalupe School, where most of the Mexicans soon assembled. His Lordship was highly pleased with the one and a half thousand dollars addition that was recently made on these church grounds. After imparting his episcopal blessing to the students and other parishioners, he asked Father Zaldivar to give them a short address. This learned Spaniard delivered a well-illustrated lecture on Biblical truths, bringing out the salient duties of every practical Christian. Members of the Guadalupe Society told of their phenomenal success at a recent supper and made the announcement that another "Mexican Supper" will be held the second evening of the West Texas Fair. They also convinced their beloved Bishop of the progress they are making in the faithful and intelligent study of Sacred Scriptures. As a token of their esteem for the diocesan superior they presented his Lordship with a massive ornamental cake.

#### Episcopal Dinner

Having returned to St. Mary's Rectory Rt. Rev. Drossaert was met by a representative body of non-Catholic citizens, who had come to honor him and to be honored at a festive banquet board. It is difficult to say who enjoyed the jovial gathering more, the Catholic Bishop or his circle of happy, democratic Protestants. Heading the civic delegation was our amiable Mayor, Hon. Judge J. S. Wheelless, accompanied by Judge W. C. Baker, Dr. J. E. McDonald, Messrs. Louis A. Schreiner, J. L. Tullis, Cliff Quintal, Ernest Schwethelm, August Henke and W. B. Brown. At the eleventh hour, Robert Reul, benefactor of the Mexican School, and R. L. Schmerbeck were unexpectedly and reluctantly prevented from attending.

Miss Angeline Kemper supervised the banquet and once more brought into play her innate talent in this line, ripened by long years of experience and rounded out with a University training. It was she who directed the decorations of the room and table, designed the place-cards, provided for the service and personally prepared the following palatable menu, hand-capped by the Friday meatless restriction: Fruit Cocktail, Cream of Tomato Soup, Salmon and Rice Loaf, Creamed Potatoes, Sardines, Olives, XXX Pearl, Poached Eggs on rosettes, Mushrooms in pates, Pea Souffle, Peppers stuffed with Cheese and Pimento, whole Tomato Salad, assorted Cakes and Ice Cream, Cafe Noir, Cheese Straws, Salted Nuts, Candies and After-Dinner Mints.

On Saturday morning, after holding services in Kerrville, the Rt. Rev. Bishop motored with his companions to Harper despite a downpour of rain. He administered Confirmation in Fredericksburg on Sunday and presided at the commencement exercises there on the subsequent day. Tuesday, His Lordship journeyed to Galveston to attend the silver jubilee of Very Rev. Jas. M. Kirwin, president of St. Mary's Seminary, whom General Pershing had selected for Chaplain General of the overseas army.

#### Pre-Nuptial Shower

In compliment to her friend, Miss Wilhelmina Earle Newton, whose marriage to Leo Blanchard of Fredericksburg occurred this week, Miss Angeline Kemper gave a shower and reception in her home on Tuesday. This social event was attended by nearly all of the bride's local relatives and acquaintances among the young ladies. Many of the invited guests who could not attend in person gave evidence of their esteem of the honoree by the costly and serviceable gifts they sent. Quite a few friends clubbed together and purchased uniform silverware. Others directed their fancy to cut glass and necessary linens.

The evening was spent all too rapidly in exciting contests. One of the indoor games was called "Search for Happiness" and consisted in making the participants find secreted packages whose contents symbolized some phase of domestic joy, as for example, a bit of dirt, indicative of real estate proprietorship, a needle to do away with rents, a piece of coal to keep the inmates warm, a chip of

glass to enable the couple to see through things, etc.

Another instructive amusement was a "Kitchen Quiz," in which each player was given an illustrated booklet of culinary utensils that had counterparts in athletic vocabulary, for instance: a pitcher and a member of a base ball team, a gridiron and a football field, etc. Miss Marguerite Henke was awarded the first prize for the highest percentage of correct solutions.

In the dining room a pink and orchid umbrella formed the central ornament, from which baby ribbons of the same hue radiated for the purpose of attaching the many presents. A like color scheme, which is the one selected for the bride's wedding day, was carried out in all the decorations and table favors, e. g., the hand-made baskets filled with mints. A luncheon closed the social event, at which the hostess served pressed chicken, tomato salad in Cupid molds, iced tea, olives, crackers, ice cream in cantaloupes with heart-shaped cakes.

Guests in attendance besides the honoree, Miss Earle Newton, and her sister, Lillie, were Misses Laura, Edna and Marguerite Henke, Mary, Helen and Hulda Mosel, Mamie Sublett, Doris Robinson, Myrtle Brashear, Gussie Kaiser, Mary Treadaway, Mrs. A. Schoner and the hostess, Miss Angeline Kemper.

#### Vacation Seekers

Mrs. Henry Strauch of Refugio is visiting her daughter, Mrs. Arthur H. Bailey, accompanied by her four youngest children.

Mrs. John Riegger came from Dallas last Monday to spend an indefinite period with her invalid daughter, Mrs. Lester F. Eby, of Hillcrest Sanatorium.

Mrs. Wm. J. Edwards came, with her husband, care-taker of St. Edward's College, Austin, to enjoy a few days with her sister, Mrs. Dee D. Crider, near Hunt, and the latter's husband who is her cousin.

T. Mann Scoggins of Houston joined his father here on Sunday for a brief vacation.

The family of Frank Russell, Houston banker, is summering in our cool mountain country.

Miss Dorothy Hirschfield is a weekend guest of Mrs. Wm. Gaines.

W. S. Farrish, Notre Dame janitor, motored with his family to Boerne for a couple of days' relaxation.

Our efficient night-watch, Frank Michon, took his family to San Antonio to enjoy the sights of the Texas metropolis and to renew acquaintances.

Francis Drought entertained his fellow graduates of St. Mary's College at his home last week. Among these classmates, besides our Francis, was our own Joe Menger, now associated with The Southern Messenger.

Last Sunday, at Comfort, Father Kemper administered the sacrament of baptism to Jesusita Jimenez. Notwithstanding the inclement weather, a very large crowd attended the Comfort services and enjoyed, besides the worshipping, the reinforced choir and the beautiful cut-flower decorations.

Rev. John P. Muehsiepen, C. S. S. R., organizer of the Mexican School of Our Lady of Perpetual Help in San Antonio, and an esteemed visitor to our own Guadalupe School, was taken to Dr. Lindlahn's Sanatorium in Chicago to be cured of paralysis.

Next Sunday, first mass will be read in the Mexican Chapel at 8 a. m., and the second mass will be offered in St. Mary's at 10 o'clock.

On Thursday of this week will be celebrated the feast of St. John the Baptist, prophetic forerunner of Christ, the Messiah, Who founded the Christian religion.

Details of the Newton-Blanchard wedding will be found elsewhere.

#### Notice to the Public

On account of ill health I have sold my tailoring business to O. A. McCown, who will continue the business at the same old stand. I wish to thank my friends and the general public for the liberal patronage I have enjoyed for the past six years, and hope they will continue with my successor.

R. S. NEWMAN.

#### His Ups and Downs

A man wearing a long countenance walked into a drug store for advice. "I seem," he said, "to have something queer inside of me."

"What are your symptoms?" asked the druggist.

"About every quarter of an hour something inside of me seems to rise up and then settle back again!"

The druggist scratched his head and meditated awhile. "Look here," he said at last, "you don't remember that you ever swallowed an elevator, do you?"

—Pittsburg Chronicle-Telegraph.

### FIRST BAPTIST CHURCH

J. B. HOLT, Pastor

For three successive Sundays we have had rain and many of our people did not come to the meetings. We glory in those who come, rain or shine. We go to our places of business, no matter what the weather may be. Why not have the same devotion to the church. We will pay the doctor bill for all those who will put on their rubbers, rain coats and use their umbrellas and brave the elements if they get sick. Let us develop the heroic in our work for God. Our people will not be like some who let any kind of an excuse keep them from God's house. Those who love most will sacrifice most of their own feelings. God deliver us from an easy-going Christianity. "Woe unto them who are at ease in Zion," says the Word. We are depending fully on our Bible School teachers and officers to be on the job rain or shine. It is sad for any class of earnest seekers after truth to be deprived of their teacher just because of a little rain. These words are spoken with the earnest hope that our Bible School will be one that will not be defeated by the weather, or indifferent workers. We try to believe that we have no weak or uninterested officers or teachers.

The pastor preached Sunday morning on "The Value of a Man," and at night on "Eternal Life, God's Great Gift."

Next Sunday at the 11 o'clock hour, we will have the deferred Installation Service. Come and pledge your support and prayers to the new faculty of the Bible School. These fine workers want you to help them be a blessing to your family in our teaching service.

The Teachers' Meeting was good last Friday night. We studied the 23d Psalm and discussed some vital Sunday School questions. We will perhaps know some day why all of our new teachers and officers do not attend this meeting which is so indispensable to them and the school.

Let us make next Sunday the very best day we have had at all.

The Junior B. Y. P. U. program for June 27, is as follows:

- Subject, "Use Your Heart."
- Leader, Ada Nance.
- Song.
- Prayer.
- Song.
- Business Session.
- Scripture Reading, "John 15," by the Leader.
- "The Devotional Life of the Junior," Marshall Leazer.
- "Bible Reading," Alice Moore.
- Reading, Elizabeth Holland.
- "Prayer," Flora Wellborn.
- "The Holy Spirit," Roy Sauer.
- "Keeping Our Hearts Clean," Jewel Holland.
- Flute Solo, Raymond Fisk.
- "Do What the Heart Prompts," Ellamai Burkhalter.
- "The Joyful Heart," Eva Mae Staudt.
- Sword Drill.
- Closing Prayer.

#### Methodist Missionary Society

The ladies of the Methodist Missionary Society, with a number of friends, spent a most enjoyable afternoon last Monday at the camp of Mrs. Geo. Morris, five miles below the city.

After devotional exercises conducted by Miss Tuttle, a brief program was rendered as follows:

A number of ladies responded with paragraphs from the press on church and missionary subjects.

"Thanksgiving Ann" by Mrs. Houts was enjoyed by all.

Misses Moon and Vick of Kingsville gave "A Day at Seacrest" in a most instructive and entertaining manner. Miss Moon has just completed her work at Seacrest Bible and Training School, and expects to take work in a foreign field. Miss Vick will soon begin her training for special work. It was an inspiration, indeed, to have these young people with us.

After a bountiful feast of good things, including "Methodist fried chicken," we turned our faces homeward just as the sun was dipping in the west.

#### Mexican Baptist Church

Sunday School 11 a. m.  
B. Y. P. U., 7:30 p. m.  
Evening service, 8:30 p. m.  
Prayer meeting, Wednesday night.

MRS. NATIONS-SMITH.

Junction Eagle, June 18: Miss Clara Becker, who has been visiting her sister at Kerrville, returned home the latter part of last week, after having spent a week or ten days very pleasantly in that little city.

### METHODIST CHURCH NOTES

ROY T. HOUTS, Pastor

Next Sunday morning at 11 o'clock there will be a special "Life Service" service in the church, to which you are cordially invited. Come praying for this service that God may be with us to bless us wonderfully.

Sunday evening at 8:15 o'clock the young people of the Sunday School and Senior League will present to you a religious pageant. This will take the place of the league service and the preaching hour. Do not fail to come to this service. You will be greatly blessed by it. The services the young people hold are always good and a great inspiration to all who come.

Sunday afternoon at 3 o'clock we will hold union service at Ingram. We expect several cars to go from Kerrville. The laymen will take part on the program and you are more than welcome to this service, one and all. It makes no difference whether you are a Methodist or not. This is a union service for everybody, so come and be with us.

Sunday last was a good day for us despite the rain. Don't let your religion be a "dry weather" kind or a "revival meeting" kind. Make it an every day affair.

## PILING UP HAPPINESS

DOES each year find you wishing and hoping for better things in the future—and regretting lack of accomplishment in the past?

There is one sure way to fill your horn of plenty to the brim with all the good things of life. It entails no sacrifice now. It merely means the forming of a good habit.

Save! That good old formula for success is as true now as when it helped build the fortunes of our pioneer railroad builders, manufacturers and promoters.

Applying it on a small scale in your own way will bring you results in proportion.

Eastern Representatives  
AMERICAN PRESS ASSOCIATION  
225 W. 39th, New York City

Governor Hobby has been boosted for Vice President by some overzealous follower, which shows how politics and love will affect some people.

There are inquiries every day for cottages in and near Kerrville. It would be a profitable investment and a good business proposition if the monied men of Kerrville would build quite a number of cottages for rent.

Kerrville and contiguous territory comprises a most healthful section, and in time all of the hills, mountains, plateaus and valleys will be dotted with hospitals, hotels, cottages and camps to accommodate those seeking a health and recreation resort.

Foreign advertisers pay a higher advertising rate than do home people, which is proper, because the outside advertiser does not aid the paper in any way except the amount spent for advertising, while the local concern extends job work patronage and subscriptions.

At the rate the Bolsheviks and Poles are demolishing regiments of each army it ought not to take all summer to wipe out the whole bunch. Even at that it would not be so bad. If nothing else will do those European nations except war, let them keep it up until the job is finished.

The Mountain Sun has one of the largest circulations of almost any paper in a country that is not any more thickly populated than this, while its advertising rates are lower than those of papers that have less than half the number of subscribers. Neither has any advantage been taken of having an exclusive field.

While the failure to find a market for wool and mohair stored at Kerrville, which constitutes the largest single lot in Texas, has caused a financial stringency in this section to some extent, still, it is not so great as would be supposed, and this favorable condition is due to the leniency of the Charles Schreiner Bank and First State Bank of Kerrville. These solid financial institutions are extending aid to the wool and mohair growers that is of great benefit, and is a most commendable act.

### Treasurer's Report

The State of Texas, County of Kerr. In Commissioners' Court, May Term, A. D. 1920.

Before me, the undersigned authority, personally appeared the members of the Commissioners' Court of said County, whose names are below subscribed, who, upon their oaths, do say: That the requirements of Art. 867, Chapter I, Title XXV, of the Revised Statutes of Texas, amended by the regular session of the Twenty-fifth Legislature have in all things been complied with and that the cash and other assets mentioned in the quarterly report and filed in this Court by A. B. Williamson, County Treasurer of said County for the quarter ending the 30th day of April, 1920, and held by him for said County have been fully inspected and counted by us at this term of the Court and that the amount of money and other assets in the hands of said Treasurer are as follows:

Cash in the hands of the County Depository	\$77,947.07
Other Assets, Bonds and War Stamps	4,200.00
Total	\$81,247.07

LEE WALLACE, County Judge.	
CHAS. REAL, Commissioner, Precinct No. 1.	
M. K. HOOD, Commissioner, Precinct No. 2.	
HUGO WIENFELD, Commissioner, Precinct No. 3.	
C. A. RODGERS, Commissioner, Precinct No. 4.	

Sworn to and subscribed before me, this 11th day of May, A. D. 1920.

(Seal) JNO. R. LEAVELL,  
Clerk, County Court, Kerr County, Texas.

It's not what you make, but what you save that counts. Are you getting ahead or slipping behind? War Savings Stamps are pretty good non-skid chains.

Candidate Harding is busy making "medicine" by personal talks with the Progressives and other recalcitrants who will come near enough for him to make them hear. He has persuaded Hoover to come out in print for the nominees and platform. News has another idol been shattered.

A coal shortage is predicted throughout the country, so those who can afford to do so had better lay in a supply during the hot weather. The shortage now is interfering with many manufacturing industries. The trouble is attributed to shortage of cars and strikes in some localities.

Francisco Villa is again in the limelight. He backed out of his promise to lay down his arms and accept the new order of government in Mexico. In his retreat recently he is reported to have had 300 women murdered, whom he captured as camp followers of the regular military forces operating against him. Villa is now said to be in the Big Bend district just across from the American border, where it is almost inaccessible and uninhabited. It will be a benefit to Mexico and this country, as well, when this desperado is captured and put out of the way.

### PROMINENT SAN ANTONIO POLITICIAN KILLED MONDAY

San Antonio, June 21.—Gus A. Mauermann, 65 years old, native San Antonian, who had spent his entire life here and was prominent in local affairs, was almost instantly killed, and Dr. George C. Wurzbach, his son-in-law, was seriously injured at 7:20 o'clock this morning when an automobile in which they were riding was struck by an inbound Katy Flier on South Flores Street near the old San Antonio & Aransas Pass Depot.

Mr. Mauermann was Chief of Police for four years during the late Mayor Bryan Callaghan's administration. He also served as an Alderman under Mr. Callaghan.

San Antonio, June 23.—"Death resulted from a collision between an automobile in which he was riding and a train."

This was the findings of an inquest held by justice of peace Ben S. Fisk over the death of Gustave A. Mauermann, City Market Master and former Chief of Police, who was killed Monday morning when an automobile in which he was riding collided with the Katy Flier on South Flores Street.

The funeral of Mr. Mauermann was held yesterday afternoon from the parlors of the Riebe Undertaking Company.

Though the funeral was announced as private, more than a hundred cars were in the funeral procession. Interment was made in the Confederate Cemetery.

Dr. George C. Wurzbach, Mr. Mauermann's son-in-law, who drove the automobile on its fatal trip and was seriously injured as a result of the accident, was reported as much improved and resting easy at the Lee Surgical Hospital. It was stated today by hospital attendants that he would recover.

### THROWN OUT OF LINE

Give Them Help and Many Kerrville People Will Be Happier.

"Throw Out the Life Line"—Weak kidneys need help. They're often overworked—they don't get the poison filtered out of the blood.

Will you help them? Doan's Kidney Pills have brought benefit to thousands of kidney sufferers.

Kerrville testimony proves their worth.

Joseph Surber, retired farmer, Kerrville, says: "I can recommend Doan's Kidney Pills for they have done me a lot of good. My kidneys were out of order and I had backaches. I felt dull and out of sorts as my kidneys didn't act right. Doan's Kidney Pills soon rid me of the trouble and put my kidneys in good shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Surber had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

K.M.S.—Wool Growers Seek Relief

Washington, D. C., June 21.—Immediate relief for the wool producing industry was urged before the Federal Reserve Board today by representatives of several wool growers' and dealers' associations as well as by manufacturers.

The sudden drop in price of wool on May 20 from 65 cents to about 20 cents a pound, with no buyers even at that figure, has caused a crisis, which threatens heavy losses to producers, the board was told.

Cessation of purchasing by the public in protest against the high cost of clothing was cited as the immediate cause of the drop in wool prices.

Senators King and Smoot of Utah, Kellogg of Minnesota and Representative Mondell of Wyoming were present at the conference and advocated a credit plan which would enable banks to assist wool producers over the present emergency.

### Mail Contract

Sealed bids will be accepted and contract awarded for handling of mail between Post Office and depot, three trains daily. Please send all bids to the undersigned within the next ten days.

H. C. HOLCHAK,  
Agent S. A. & A. P.

"Chevrolet Car Best Ever"

R. L. Schmerbeck is in receipt of a postal card from Dr. Dominguez, dated Tucuman, N. M., on his way to California in his Chevrolet car, in which he says: "Chevrolet car is best ever; can't be beat; makes good time; no trouble."

## Have You a Refrigerator That Is An Ice Saver Or An Ice Waster?

You had just as well be without any as to have the last kind, for an ice waster is also a food waster, and that is why we use refrigerators to get away from the habit of wasting food.

A Refrigerator means much to any family in the way of health—and our advice always is to buy the best Refrigerator you can afford, as it's economy in the end. We have them large and small, plain galvanized, snowy white enamel and Seamless Porcelain Lining. The kind that keeps food fresh.

Why Do I Use Klenzo?  
Because it Makes My  
Breakfast Taste  
Better!

**KLENZO**  
DENTAL  
CREME  
25¢

YOU come to the table with an early-morning freshness. No hot, harsh tongue—no rough, sticky teeth. Instead, a cool, clean, refreshed feeling that lasts long. This Cool, Clean, Klenzo Feeling is more than a "taste." It means that countless little taste nerves have been freed from the stale secretions which make the mouth feel hot and sticky. That's the reason your appetite is better after you use Klenzo. Take home a tube today.

"Rexall Remedies"  
Opposite the St. Charles. Kerrville, Texas.

**FINANCIAL SECRETARY  
CHILDREN'S HOME HERE**

Miss Jennie Furlow, Financial Secretary and District Superintendent of the Texas Children's Home and Aid Society is in Kerrville this week in the interest of the work.

The headquarters of this society is in Fort Worth. Its scope is State-wide. The Southwest Texas headquarters is at the Maverick Hotel, San Antonio. The main work of the society is finding suitable homes for homeless and dependent children, and there are a great many of these little unfortunates. Miss Furlow says she gets in direct touch with the pastors of the churches in every town and in this way learns of needy children, for if there is such in a town, she finds by experience the pastors know of them. Of course, this work requires money and the support of all good citizens. Many have no children of their own and could well take care of and educate some homeless child or else they could help financially. Any one desiring to aid in this work will communicate with Miss Furlow at the Maverick Hotel in San Antonio.

Mrs. Walter Bridges and baby left Sunday for their home in San Antonio. Mrs. Bridges will be remembered as Miss Elizabeth Pfeuffer of this city.

J. Floyd Smith, director of the Y. M. C. A. Boys' Camp, and Albert Taylor left Monday for San Antonio, after a delightful fishing trip on the Guadalupe.

Miss Josephine Combe arrived Wednesday from Virginia to join her parents, Mr. and Mrs. E. H. Combe. Mr. Combe has purchased the Lowther place and expects to make Kerrville their summer headquarters.

Lee Mason & Son delivered the following cars last week: W. T. Kuesel, Ford sedan; Dr. E. Galbraith, Ford touring car; Bruno Schwethelm, Ford touring car, and a Ford truck to Ben Johnson.

Raymond Phelps of Phelps & De-wees, architects, arrived Monday from San Antonio to be connected with the Kerrville Sanatorium, which is being built on the Potter Brown place below the city.

Mrs. A. Z. Mitchell and daughters, Misses Nellie Mae and Florence, of San Antonio motored to Kerrville last Friday to spend the week-end with Mrs. Mitchell's daughter, Miss Julia Bell, at the St. Charles Hotel.

A fishing party, made up of Messrs. Milton Pampell, Bill Secor, Jules Renschel, Bill Dietert, Charlie Kuesel and Hal Peterson, left Tuesday morning for Secor's cottage at Sherman's Mill. They expect to remain the entire week.

The Woman's Auxiliary of the Presbyterian Church met Thursday, June 17th, with the president, Mrs. John Dee Jackson. Foreign Missions was the lesson, led by Mrs. Forrest Ferguson, assisted by Mesdames F. F. Real, Miller Harwood, Prescott and Jackson.

Junction Eagle, June 18: Either way you go, south, east, north or west, on the South or North Llano, you see campers galore. All we have asked about how they like this country, say: "We are perfectly delighted with it, and we intend coming every opportunity we have." Every one report a good time with lots of fish and squirrels.

 New Royal Cook Book containing scores of delightful, economical recipes, many of them the most famous in use today. Address: ROYAL BAKING POWDER CO., 115 Fulton Street, New York City

**"Bake with Royal and be Sure"**

**BREAKFAST** is too often eaten as a duty rather than a joy. The success of the day may depend upon the spirit of breakfast. The Royal Educational Department presents some breakfast dishes that will send the children to school with a hip hip hurrah and his majesty man to his daily duties with the "up and doing" feeling which knows no discouragement.

**Muffins**  
 2 cups flour  
 3 teaspoons Royal Baking Powder  
 1 tablespoon sugar  
 1 teaspoon salt  
 1 cup milk  
 2 eggs  
 1 tablespoon shortening  
 Sift together flour, baking powder, sugar and salt; add milk, well-beaten eggs and melted shortening; mix well. Grease muffin tins and put two tablespoons of batter into each. Bake in hot oven 20 to 25 minutes.

**Eggless Muffins**  
 2 cups flour  
 4 teaspoons Royal Baking Powder  
 2 tablespoons sugar  
 1 teaspoon salt  
 1 cup milk  
 2 tablespoons shortening  
 Mix and sift dry ingredients, add milk and melted shortening and beat until smooth. Bake in greased muffin tins in hot oven 20 to 25 minutes.

**Corn Muffins**  
 1 cup corn meal  
 1 1/2 cups flour  
 4 teaspoons Royal Baking Powder  
 1/2 teaspoon salt  
 2 tablespoons sugar  
 1 cup milk  
 2 tablespoons shortening  
 1 egg  
 Sift together corn meal, flour, baking powder, salt and sugar; add milk, melted shortening and well-beaten egg; mix well. Grease muffin tins and drop two tablespoons of mixture into each. Bake about 35 minutes in hot oven.

**Popovers**  
 2 cups flour  
 1/2 teaspoon salt  
 2 eggs  
 2 cups milk  
 Sift together flour and salt. Make a well in flour, break eggs into well, add milk and stir until smooth. Pour into hot greased gem pans and bake 25 to 35 minutes in a very hot oven. If taken out of oven too soon they will fall.

**What Good Is a Dollar?**

IT'S LARGELY UP TO YOU. It depends on how you spend it—on the value to you of what you get for it—on your ability to find where that value is to be had.

Of course, it's all right to shop around a bit if you like, but why not let the other fellow make it easier for you by doing a little shopping after your dollar—by showing you what you want and where you can get most of it for your money?

It's a great idea, once you get the hang of it, and here's how!

Right in The Mountain Sun you'll find various advertisements offering you merchandise. Some things you'll need today; some tomorrow; some next week or next year—but the point is that these merchants are coming to you, looking for your dollar and offering the best they have to get it.

You'll find, that by reading the advertisements in The Mountain Sun consistently this week and every week, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

**Read the Advertisements and Increase the Value of Your Dollar**

## HOW OTHER FOLKS ARE LAYING AWAY THEIR COIN NOW

It is very interesting to note how many people are saving their money now and making their personal reserve funds grow in spite of higher prices.

**The Newspaper Man's Way.**  
A Dallas newspaper man is buying a \$6,000 home on which he is making payments four times a year. Each month he puts a certain amount of his salary in War Savings Stamps and Thrift Stamps and thus has the money ready for each payment date. He finds it easy to save the W. S. S. way and he finds he won't spend the money if he puts it in Savings Stamps. Three years from now that home will be completely paid for the W. S. S. way.

**Keeping Up The Insurance.**  
A Sulphur Springs, Tex., insurance agent has shown his friends how they can always have their insurance policy premium money ready by putting up a War Savings Stamp or a few Thrift Stamps every pay day. Those who have been trying this way of having their life insurance money ready have not had any trouble in meeting their premiums each year since they have been trying this plan.

**Five Per Cent Saved.**  
In the Boyd Clothing Store at Denison every clerk puts five per cent of his weekly salary in War Savings Stamps. "It's easy," they say. "Some of them are paying for their homes the W. S. S. way, too."

**"Save a Quarter" Way Effective.**  
Every time she spends a quarter for something she does not have to get a Plainview, Tex., woman fines herself a quarter and gets a Thrift Stamp. She is \$60 ahead of the game and she has been playing the savings game only five months. It pays, she says.

**That Boy's Education.**  
A Beaumont couple has a little baby boy who will want to go to college within a few years from now. These people are not "trusting to the future," they are getting ready for the little fellow's education now. Every payday \$2 is taken out of the father's salary check and safely tucked away in Thrift Stamps. W. S. S. will put the little chap through college.

**The Salesman's Half Dollar.**  
Every new half dollar that finds its way into the pocket of a certain traveling salesman who "makes" the country up around Durant, Okla., never gets loose again. It is converted into two green, growing Thrift Stamps. Last month he saved \$33 this way.

**Farmers' Thrift Shoats.**  
Three farmers who live in Upshur county each have a "Thrift shoat." When the pigs are sold, this fall, they will put the money they bring in War Savings Stamps.

## \$100-REGISTERED TREASURY SAVINGS CERTIFICATES

They are the newest and most attractive savings security in the world. They are issued by the U. S. Treasury Department and backed up by the resources of the whole United States.

Among their attractive points are four per cent interest, compounded quarterly; registration against loss by theft, fire or in any way whatsoever; convenience in size; payable only to owner; cashable on demand at purchase price plus earned interest.

They make saving and investing easy. They can be gotten only at banks and United States Postoffices. The price of one of these money-saving Government bonds is only eighty-odd dollars this month. They earn interest at the rate of nearly a quarter every month and on January 1, 1925, the date they mature, they can be cashed for \$100. Of course they can be cashed before that time if the owner needs his money. A dollar saved today will have the buying power of about three dollars in three or four years from now. The postmaster and the banker have these attractive \$100 Registered Treasury Savings Certificates on hand.

## How They're Saving It Away

Last month, the people of Joshua, Texas, invested more than \$2.00 per person in Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates at the postoffice. That's safely saving it away.

Denison has 17,000 people. In May the people there tucked their money away in compound interest-bearing War Savings Stamps and \$100 Registered Treasury Savings Certificates at the rate of more than 37 cents for every man, woman and child.

People at Utey, Texas, a tiny, but fast-growing town in Bascom County are showing the world how to save. Since the first of the year they have invested in W. S. S. at the rate of more than \$25.00 per person.

## WILL POWER MAKES SAVING MONEY EASY

After all, saving is will power and determination to get ahead, expressed in the little things we do each day, according to Dinsmore W. Hume, Federal District Director of Savings.

Despite the high cost of things and with even the most moderate of small salaries, the man or woman who really wants to build up a sum of money, where it will be safely growing for him and ready when needed, can do so if he has the courage to try. It is chiefly a matter of honest trying—"toting" fair with ourselves in spending our nickels and dimes and dollars.

The first thing and the necessary thing for one to do is to say to himself: "I am going to save and I shall honestly try to live up to this promise to myself." That's half the battle. Anyone can save if he makes up his mind to do so.

No matter how small their pay may be, people should make it a rigid rule to take something out of each and every pay envelope or salary check received and salt it away. Five per cent is a good figure. Figure it out for yourself and see. Can you save five per cent of your salary every month? Certainly you can. That's only \$5 for every \$100. What is it in your case? Well, you know you can save that. Where can this saving out of every pay day's pay be safely put to the best advantage? "One of the best and safest places is in War Savings Stamps. They yield compound interest at the rate of 4 per cent and they have the advantage of saying "stop! look! listen! do you have to spend it?" when one's spending fingers commence to itch. Of course the money and the good interest it is earning can be easily had if one needs it. It is only necessary to speak a word to Uncle Sam's postmaster and the money is ready in a jiffy. Regularly and religiously made, this five per cent saving salted away every pay day will be a considerable sum at the end of six months or a year.

New coins help many people to save. They have the habit of putting away every new Lincoln penny, Buffalo nickel or new quarter or dime received in change. A surprisingly large number of War Savings Stamps can be bought in this way.

"Save a quarter when you spend a quarter" is helping other people to save. They live up to the rule of saving a quarter and putting it in a Thrift Stamp every time they spend a quarter for something that is not quite necessary. They "fine" themselves for extravagance.

Household records help the housewife to save. Best of these is the budget which shows just how and where every dollar goes. Budgets are easy and no trouble to keep. Persons wanting money-saving budget forms may get them free of charge by writing the Government Savings Division at Dallas, Texas.

It is better to be ahead of the game, if it is only at the rate of a dollar saved a month, than it is to be a penny behind the game and in the hole. War Savings Stamps fill the bill.

Household records help the housewife to save. Best of these is the budget which shows just how and where every dollar goes. Budgets are easy and no trouble to keep. Persons wanting money-saving budget forms may get them free of charge by writing the Government Savings Division at Dallas, Texas.

It is better to be ahead of the game, if it is only at the rate of a dollar saved a month, than it is to be a penny behind the game and in the hole. War Savings Stamps fill the bill.

## WHAT ARE YOUR DOLLARS WORTH?

What are your dollars worth to you? Are you getting one hundred cents back on every dollar you spend? Unless you are very careful you are not. Most of the dollars being spent today are going for things that could have been bought for about sixty cents before the war and which can be bought for sixty cents again within the next three or four years.

## Saved Dollar vs. Spent Dollar

Dollars that are spent now, if spent for things other than the essentials of life, like groceries, rent, etc., are not doing their full duty. They are only putting forth sixty cents of their strength when they should be hitting the line one hundred cents strong.

But dollars that are saved today will be worth almost two dollars within a few short years—three or four years, perhaps. Ask your banker if that is not so. Every dollar that can be saved should be saved today—safely put away. Within a short time it will buy almost twice or three times as much as it will now.

## A Good Way to Save

One of the very best ways in which to save money and save it so that it will be absolutely safe is to put so much in War Savings Stamps every month. They can be gotten from the postoffice or bank and they yield their owners interest at the rate of four per cent, compounded every ninety days. They make the saved money stay saved, but they can always be cashed at the postoffice at purchase price plus accrued interest. Not only will dollars which have been invested in War Savings Stamps yield good interest but they will have a two-for-one buying power within a few years. Save now for real pleasures later.

## Confidence

More than 13,000 women and 22,000 men make up the list of the owners of Swift & Company.

Every state in the Union is represented.

Of this great enrollment more than 10,000 are employes of Swift & Company who own shares in the business.

An additional 13,000 employes are buying shares on deferred payments.

These men and women have confidence in the company's policies, its integrity and purposes. That is why they invest their savings in shares.

Swift & Company has been paying dividends regularly for 34 years. The present rate is 8 per cent.

Swift & Company shares are bought and sold on the Chicago and Boston stock exchanges.

The company itself has no shares for sale.

The shares represent actual, tangible values. There is no water.

Anybody—livestock man, retailer, or consumer—may buy them and thus become a part owner of Swift & Company.

No one man, no one family, owns as much as half of the stock.

This advertisement is for the purpose of acquainting you with the fact that Swift & Company is not a "close corporation," and that any one may participate in the profits—and share the risks and responsibilities—by becoming a shareholder.

Swift & Company, U. S. A.

## CASH-AND-CARRY GROCERY

Let Your Dealer "Show You"

It is a very prevalent custom, to order goods by the "quarter's worth," or "half dollar's worth," but the custom is not a good one. It is much better to order by the pound or the yard or the gallon. Then, whether you have asked the price or not, your bill will show the price per pound, yard or gallon. In addition thereto, you can very easily verify the measurements or weights thus given whereas if you simply order "two bits' worth" or some other equally indefinite amount, it is very difficult with the means of weighing or measuring available in the ordinary household, to ascertain whether fair measurement or weight has been given, even if you know the price.

Now do not understand us to mean that it is usually necessary to believe that there is a merchant in Kerrville who would intentionally to weigh or measure your purchases. Upon the contrary, we do not think that any merchant is untruthful, but we do think that many of them are not honest. Our plea is made however, for the sake of the customer, but if there is, the system which will show him up, is a good one. Our plea is made however, for the sake of the honest, aboveboard merchant who gives you absolutely honest measure.

In these times of high and higher prices, you very often have the thought, "that is a mighty small dollar's worth," and tucked away somewhere in the back of your mind, is a half formed suspicion that the weight or measure is unfair, but you do not usually take the trouble to verify his measurement and remove that suspicion, and if he has not been fair, you owe it to yourself to prove it and stop dealing with him!

Intelligent buying will bring the death knell of rascality, if it exists, and justice to the public and to the honest merchant alike, demands that it shall be done.

### Newton-Blanchard Wedding

(Continued From Page One)

When all participants had arrived at the foot of the altar, the impressive ceremonies of the holy sacrament of matrimony were conducted by Father Kemper, using a ring for each partner to the hallowed compact. During the Sacrifice of the Altar, all ten members of the hymenal retinue received the Holy Eucharist. After the special blessing was imparted and the organists sounded the strains of Mendelssohn's "Wedding March," and Mr. and Mrs. Leo Blanchard began their recessional out of church where a legion of friends greeted them.

At the home of the bride's mother several pictures were taken by a professional photographer, and the dozens upon dozens of costly gifts were exhibited for unfeigned admiration. This parlor scene was surpassed, however, by the exquisite decorations of the dining room. Lavender bell-ropes emanating from a central wedding-bell were fastened to as many places as the long table as were designated by Kempe flower girls in the middle of the festive board was a sky-little Kempe bride encircled by a massive golden ring. The wedding color scheme, as far as possible, was carried out in the arrangement and assortment of the various delicacies. From the cartouches, creamed potatoes in gaiters, Mayonaise tomato salad, asparagus in rosettes, olives and pressed chicken, down to the pink and orchid cake and cream, everything on the menu was inviting to the eyes and appetizing to the taste.

We did not "give the bride away," and we don't want to expose the lucky or unlucky participants in the cutting of the cake. So many mystic symbols were erected in that mountain of great draw some souvenir of this triumphant day.

Among the out-of-town guests, besides those already named, were the parents of the groom, and his sister Mary, his cousin, Otto Stelling, and Barthazar Blum of Frederickburg. Also Mr. Blumhardt's god-father, Joe Schreiber, with his wife and daughter, Annie and Marguerite, her cousin, Bertha Houston, of San Antonio, and a companion of Dragoon's College, Miss Olive Nichols, of Kentucky.

Most of these distant guests left by the noon train along with the newly-wed couple, who are going to spend a few months in Europe.

The new train along with the newly-wed couple, who are going to spend a few months in Europe.

Washington, D. C., June 21.—Senator J. W. Bailey, candidate for the Democratic nomination for Governor of Texas, will leave Washington Wednesday or Thursday of next week so as to fill the engagement he has to speak at Atlanta, Texas, next Saturday. As he is counsel in the case now on trial before the Supreme Court of the District of Columbia, Mr. Bailey will not be able to remain in Texas and start immediately on the campaign which his friends have mapped out for him. He plans to return directly to Washington from Atlanta, so as to be here for arguments in the case on trial and at the conclusion of this, which probably will be early next week, will depart for Texas, proceeding first to Dallas.

"I am determined to keep that date at Atlanta," said Senator Bailey, "and, as the Court does not meet Saturday and meets Friday only for the consideration of motions, I will be compelled to return to Washington so as to finish the trial, but think it will then be free to go to Texas and will remain, carrying through the campaign program which my friends have outlined for me."

Washington, D. C., June 22.—Plans for financing the wool growers until a market for wool is re-established between the growers and the Federal Reserve Board, it was announced today by F. H. Marshall of Salt Lake City, secretary of the National Wool Growers' Association.

Under the plan as approved by the board, Mr. Marshall said, "a wool grower may ship his wool to one of the usual points of distribution, obtaining from the railroad a bill of lading for the shipment; the grower may then draw a draft against his

## Our Policy for Half a Century

When Thrift perches on the window sill, Extravagance walks out through the door. For it is a well known fact that Thrift and Extravagance cannot breathe the same air; it is impossible for both to exist under one roof at the same time; one must choose 'twixt the two. Which is preferable? Extravagance, that sees no further than the sundown of today—or Thrift, that offers the supreme satisfaction of seeing "rainy-day insurance" accumulated, and the future well provided for? This store has chosen Thrift. Hence its policy of "selling what is best, with price the second consideration." It is this policy of economy that has created the powerful incentives of "greater values" for the money—incentives that are saving many dollars.
