## REPUBLICAN LANDSLIDE—HARDING WINS

United States Senate and House of Representatives Are Safely Republican—Cox Sure of Only 127 Electoral Votes—75 Still Doubtful.

New York, Nov. 3.—One of the most sweeping Republican victories in party history today stood recorded for Senator Warren G. Harding for President and a Republican Congress.

Tremendous and unparalleled Republican pluralities, beginning with the first count of ballots in yesterday's election continued mounting today.

Defeat in their fight for the Presidency and Congress was conceded early today by Democratic National leaders, on the basis of the crushing Republican vote and despite the absence, even early today, of final and official figures.

With the Presidency and Congress elect, pledging support, "as a citizen went loss to the Democrats of Gov- to the executive authority in what- ernors, State Legislatures and other ever emergency might arise." State and local candidates. The break even threatened to extend into the border States hitherto "Solid South" with Republican gains in some Southern States larger than any since the Civil War.

Senator Harding's victory in what Governor Cox of Ohio and other Democratic leaders and many prominent Republicans hailed as the "solemn referendum" upon the League of Nations, was impressive. In the absence of final figures, the swelling tide of huge pluralities, early today gave him assurance of 329 votes in the electoral college as against 127 for Governor Cox, with 75 doubtful inclusive of States where the Republican tide was running strong.

### COX SENDS CONGRATULATIONS

Dayton, Ohio, Nov. 3.—Governor Cox, the defeated Presidential candidate, today wired his congratulations to Senator Harding, the President.

elect, pledging support, "as a citizen went loss to the Democrats of Gov- to the executive authority in what- ever emergency might arise."

His message, the first act of the defeated candidate today, read:

"In the spirit of America, I accept the decision of the majority, tender as the defeated candidate my congratulations and pledge as a citizen my support to the executive authority in whatever emergency might arise."

### NOT VICTORY BUT A CALL, SENATOR HARDING SAYS

Marion, Ohio, Nov. 2.—Senator Harding tonight made the following statement:

"Assuming that the early returns are wholly dependable, I do not hesitate to say that I am pleased, of course; I am happy to utter my gratitude. But I am not exultant. It is not a personal victory. It is a renewed expression of confident Americanism and a National call to the Republican party."

"It is all so serious, the obligations are so solemn that instead of

exulting I am more given to prayer to God to make me capable of playing my part and that all these calls to responsibility may meet the aspirations and expectations of America and the world.

"I am sure the people who have voted the Republican ticket will understand my feeling that I should make no unstudied statement of politics at this time beyond the expression made throughout the campaign."

### HARDING'S 55TH BIRTHDAY

Marion, Ohio, Nov. 2.—Warren G. Harding tonight had the greatest birthday party of his life.

Surrounded by members of his family and a circle of neighbors and personal friends, he received quietly at his home here the tribute of the millions who voted to present him on his fifty-fifth anniversary with the presidency of the United States.

While the Senator was at dinner a committee of employes of the Marion Star, his newspaper, called to present him with a gold printer's makeup rule and he came out on the front porch and with his voice choking with emotion thanked them for their devotion.

"I don't know of any call," he said haltingly, as tears rolled down his cheeks, "that has aroused my emotions more than this. I have worked with you and I have tried to be honest with you, and God knows if I am called to responsibility I am going to be honest with everybody in the world. I don't know if I can meet these responsibilities fully but I know that I can meet them with the same honesty that I have treated you."

"I am just a plain, ordinary fellow, but I can be on the square, and that's all there is to it."

### WILL VISIT TEXAS

Marion, Ohio, Nov. 2.—Receiving the election returns at his home here, Mr. Harding declined during the early evening to make any comment, and issued his statement only after the figures had piled up majorities for him which his advisers declared made his election certain.

At the same time it became known that the Senator and Mrs. Harding had made plans for a vacation trip, to be carried out regardless of the result of the election, taking them for a rest next week in Texas and after that for an ocean voyage to the Panama Canal Zone. They will return to Marion during early December.

### WORSE BEATEN THAN PARKER

New York, Nov. 3.—Incomplete but conclusive returns from all sections of the country show that Senator Warren G. Harding has been elected President by the greatest popular plurality in American history.

The indications are that the Republican National ticket has been swept into office by a landslide which will shatter the record established by Theodore Roosevelt in 1904, when Alton B. Parker was beaten by more than 2,500,000 votes.

### UNITED STATES SENATE

New York, Nov. 3.—The Republicans will have an easy working majority in the next Senate, practically complete returns from yesterday's elections assured today.

With Senatorial races in two States—Nevada and Arizona—still in doubt, Republican successes in 20 contests yesterday increased their seats to 54, while 12 Democratic victories gave them a total of 40 seats, with two remaining in doubt.

	Rep.	Dem.	Doubtful
Holdovers	34	28	
Elected	20	12	2
Totals	54	40	2

### OKLAHOMA

Oklahoma City, Okla., Nov. 3.—The race is running close in Oklahoma. One thousand precincts out of 2,685 give for President: Cox, 86,444; Harding, 83,451.  
For Senator: Ferris, Democrat, 92,840; Harrel, Republican, 90,218.

### TEXAS

San Antonio, Tex., Nov. 3.—Democratic majorities of more than five to one over the Republican candidates are indicated in returns received on the general election. Running true to form, the Democrats made a clean

sweep of all State offices and probably all congressional places, with one possible exception of District 14.

Two of the three proposed constitutional amendments have carried, being the city tax rate and the educational tax limit amendments. The compensation amendment, designated to give the Legislature power to abolish the fee system, and also to fix the salaries or compensation of all State, district, county and precinct offices, has probably been defeated.

### SOUTHWEST TEXAS

Maintaining only a slight Democratic lead, Southwest Texas polled a heavy Republican vote in the general election. Reports from 40 towns in this section of the State and from 19 out of 49 Bexar County precincts give Cox a total of 7,561 votes, with Harding second with 5,698. The American party presidential electors received 1,124 votes, while only 89 votes were cast for the Black and Tans. The Socialist electors were given 68 votes.

### FREDERICKSBURG

The report from Fredericksburg gives Harding 317 votes and Cox 31, while McGregor for Governor received 197.

### CONGRESSMAN BEE BEATEN

San Antonio, Nov. 3.—On the face of returns compiled this morning, Judge Harry M. Wurzbach of Seguin, Republican candidate for Congress from the Fourteenth District, is rapidly pulling away from his Democratic opponent, Carlos Bee, present incumbent, and is the new Congressman from this district.

Early returns last night showed that the race between Wurzbach and Bee was nip and tuck, but as later reports arrived Wurzbach began to pile up a good majority.

On the returns reported up to 11 o'clock Wednesday morning, Harding had a small majority in the county over Cox, but supporters of Cox assert that the large boxes which will give Bee a heavy vote will also wipe out Harding's majority and will save the county for the Democrats.

The county probably has given Neff a good majority for Governor, although a large vote was cast for Culbertson on the Republican ticket and McGregor on the American party ticket.

**Chas. Schreiner Bank**  
WOOL AND MOHAIR COMMISSION MERCHANT

## TODAY AND TOMORROW

To a great extent, the usefulness of the Chas. Schreiner Bank is due to the fact that it is a permanent institution—an established business managed to serve patrons day after day, year in and year out.

Thus, as a customer of the Chas. Schreiner Bank you are served today with a full measure of bank service, which is important to your larger success. Then, as you advance from one success to another, you have this institution with you, step by step, this year and during the years that follow, taking an interest in your advancement and lending encouragement at every turn. Become associated with an institution that will serve you tomorrow as well as today.

ESTABLISHED 1869

(Unincorporated)

### KERR COUNTY VOTE

The Democrats have carried Kerr County by a good majority, with a very fair turnout. The vote for presidential electors and Congressman are not given, but run about even with the vote for Neff for Governor.

The vote recorded is for Neff and Culbertson for Governor; Peterson and Leinweber for County Assessor; Harding and Peril for County Commissioner in the 4th District.

Peterson is elected County Assessor by an estimated majority of at least 350, and Peril, the independent candidate or County Commissioner in the 4th District is elected by a majority said to be 42.

The following are the precinct returns heard from up to the time of going to press:  
Live Oak: Neff 28, Culbertson 1; Peterson 20, Leinweber 7; Peril 27; Hardin 1.  
Sunset: Neff 23, Culbertson 14; Peterson 22, Leinweber 21; Peril 31; Hardin 13.  
Divide: Neff 6, Culbertson 16; Peterson 7, Leinweber 17; Peril 13; Hardin 7.  
Ingram: Neff 62, Culbertson 43; Peterson 25, Leinweber 82; Hardin 60; Peril 42.

Reservation: Neff 11, Culbertson 7; Peterson 9, Leinweber 23; Hardin 4, Peril 29.

South Fork: Neff 4, Culbertson 4; Peterson 3, Leinweber 14; Hardin 11, Peril 6.

Lane Valley: Neff 2, Culbertson 68; Peterson 27, Leinweber 32.

Cypress Creek: No National or State Democratic vote, Culbertson 37; Peterson 23, Leinweber 32; Wiedenfeld had no opposition for County Commissioner.

Kerrville: Neff 325, Culbertson 126; Peterson 400, Leinweber 79; Chas. Real had no opposition for County Commissioner.

Center Point: Neff 145, Culbertson 25; Peterson 148, Leinweber 22; J. A. Gibbens was elected County Commissioner.

### FOR SCHOOL AMENDMENT

The School Amendment has carried in this county, but not by as large a majority as it should. Of the thirteen precincts, eleven gave a vote of 479 for the amendment, 323 of these being in Kerrville precinct, while 251 were against it, most of them being furnished by county precincts that would be most benefited by the adoption of the amendment.

## HEATON'S STOCK REMEDIES

**HEATON'S SCREW WORM MIXTURE** is guaranteed to kill screw worms with one application. 35c per bottle.

**HEATON'S HEALING SALVE** will heat any wound and keep the flies off. One application lasts from three days to a week. Guaranteed. 25c and 50c a jar.

**HEATON'S CONDITION POWDER** keeps your horses and live stock in fine condition. Makes them sleek and glossy. 25c a box. Guaranteed.

Send your orders to  
**HEATON MANUFACTURING COMPANY**  
 Cuero, Texas

### CONTEMPLATE PROGRAM FOR LIVE CONSTRUCTIVE CAMPAIGN

In an effort to stimulate the development of the natural resources of Southwest Texas, and to the end that each county embraced within this area, giving each an opportunity to be a party to such a constructive campaign, the Southwest Texas Oil Men's Association has called a convention to meet in the ball room of the Gunter Hotel in San Antonio on November 8th.

The association has outlined a complete program which provides information to be published in bulletin form and mailed to every oil operator and financier throughout the United States, depicting the opportunities this section offers for legitimate development.

In order that the convention may be entirely representative, and that all counties possessing petroleum or other natural resources will be represented, the call for the convention was drafted to embrace all persons interested in these resources.

County Judge Lee Wallace, as well as the editor of The Sun, have been authorized to name delegates who will carry to the convention information regarding Kerr County. The data thus assembled will be put in bulletin form and given Nation-wide publicity under conditions calculated to attract capital for the development of these resources.

The San Antonio Chamber of Commerce, which is entirely familiar with the purpose of the movement, has given its hearty approval thereto, and is co-operating with the Southwest Texas Oil Men's Association to the end that the data so assembled will be lifted out of the atmosphere of irresponsible oil promotion and presented in a manner calculated to inspire legitimate development on the part of the bonafide investor.

Under the circumstances the officers of the Southwest Texas Oil Men's Association are urging upon every county to which an invitation is issued, the advisability of making it a point to be represented at this convention.

#### Gillespie County Crops

West Texas Star, Oct. 29: That crops were very much earlier and that farmers are gathering their cotton much faster this year than they did last is shown by a statement issued by August M. Jung, statistician for Gillespie County, which says that there were 1,530 bales of cotton ginned in Gillespie County from the crop of 1920 prior to September 25, 1920, as compared with 102 bales ginned to September 25, 1919.

#### TUBERCULAR FUND STILL \$350,000 SHORT OF GOAL

Fort Worth, Tex., Nov. 2.—That every man and woman in the State who has the interest and welfare of our people at heart and who appreciate the great record made by the service men and women of Texas during the great war should support to the utmost the campaign of the American Legion for the completion of the Kerrville hospital for tuberculous ex-service men, is the declaration made by Dr. Guy O. Shirey of Fort Worth, State commander of the Department of Texas, American Legion. Dr. Shirey's statement is as follows:

"At our first State convention at Dallas, October 10, 11, 1919, a resolution was passed pledging our assistance and co-operation to the work of the Benevolent War Risk Society of Texas in its endeavor to erect a memorial hospital for the care and treatment of Texas tubercular ex-service men. Acting on this authority the State executive committee last year endeavored to awake all local posts to this most signal and important duty that is so assuredly ours. A very few posts nobly responded; a great majority have not yet acted. The need is urgent. The hospital is now being erected at Kerrville, but funds for its completion are woefully lacking. Three hundred and fifty thousand dollars is yet needed to complete this laudable enterprise."

#### NEGRO CROESUS PREFERS BOX CAR TO SOFT CUSHIONS

New York, Oct. 30.—A negro Croesus came out of the West today riding a freight car. His legs were surrounded by \$100,000 in stocks bound to him by cloth and his pockets held \$250 in cash and an impressive bankbook.

When removed from his crude traveling berth and taken to court on a disorderly conduct charge, he described himself as Gurley Green of Chicago and said he expected to be a millionaire soon, telling the judge his stock holdings totaled \$900,000.

Asked why he did not travel in better style, as befitted a person of wealth, he explained "there's more fun in riding freights."

#### Edwards County Echoes

Leader, Oct. 29: Eugene Mayes, who lives near the location of the Empire Oil & Fuel Co. well on the Boggs & Rust Ranch, was in town Wednesday. Mr. Mayes says they are going right on with the well and making good progress. He says the last time he was over there they were down 1,250 feet, and still drilling in rock formation.

Edwards County women to the number of 286 had paid the poll tax up to October 22. This does not include a considerable number who paid before the 1st of February. There were also a number of lady exemptions, bringing the number of women who are qualified to vote to more than 300. Five men availed themselves of the opportunity to pay the poll tax. There are now about 800 qualified voters in Edwards County.

#### Fredericksburg Flashes

Standard, Oct. 30: Amid her children and grandchildren, Mrs. Marguerite Baag near Luckenbach celebrated her 82nd anniversary last Sunday. Grandmother Baag enjoys robust health and happiness considering the many milestones she has passed.

On October 19th, Mrs. H. Kuennemann celebrated her 78th birthday among her children and grandchildren. Mrs. Kuennemann enjoyed the day and her children hope that they may celebrate many another birthday with their mother enjoying as good health as she does now.

On Wednesday morning, Miss Helena Koch and Arthur Schaeffer were united in marriage at the Catholic Church, Father Gerlach officiating. The attendants were Misses Lottie Stehling, Emmie Blum and Meta Juenke, and Messrs. Edwin Schaeffer, Emil Blanchard and Richard Roeder. The bride is a daughter of Mrs. Elizabeth Koch, the groom a son of Mr. and Mrs. Jos. Schaeffer.

E. E. Hahn of Stonewall returned recently from a trip to Atascosa County. Mr. Hahn owns a large tract of land in that county. Mr. Hahn told us of the big artesian well they brought in recently when drilling for oil. The Edna Oil and Development Co. struck this well at a depth of 4,500 feet and the flow is so great that it is impossible to continue drilling. They expect to drill in another place and use this artesian water for a big irrigation project.

#### Comfort Chat

News, Oct. 28: The 4-year-old son of Mr. and Mrs. Aug. Rusch broke one of his arms last Saturday while playing on some sacks of oats.

G. R. Edwards was called to San Antonio Sunday on account of the death of his brother, B. H. Edwards. The funeral took place at Nixon on Monday.

Otto Brinkmann returned from California last Saturday and will remain here with homefolk until after Christmas. He has received his Victory Medal, a beautiful decoration, which in Otto's case has four bars, which bear respectively the inscriptions: "Aisne," "Aisne-Marne," "Meuse-Argonne" and "Defensive Sector."

The poll tax records of Collector Bierschwale show a total of 1,116 poll tax payments and exemption certificates for Kendall County. The overage exemptions will add quite a num-

ber to these 1,116 citizens and "citizenses" who are eligible to vote in the general election next Tuesday. In January of this year only 35 women in Kendall County paid poll tax, but 221 took advantage of the recent opportunity which was afforded them to pay between October 6 and 21.

On Sunday evening the concrete bridge across the Big Joshua Creek at the crossing of the San Antonio road was the scene of an automobile collision. A large Hupmobile on its way to San Antonio had failed to make the steep rise at the far end of this bridge, had backed down on the bridge, and was standing cross ways of the bridge when a Ford car, on its way from San Antonio, came around the sharp curve, down the hill and onto the bridge with such speed that it could not be stopped in time, and it struck the large car in the side. The collision was so violent that the entire front of the Ford car was wrecked, and it was rendered useless. Of the four men in the Ford only one was injured, and he but slightly.

The new re-inforced concrete bridge across the Guadalupe River at the Bergmann crossing, eight miles below Bergheim, which was described in this paper several weeks ago, was completed last week by Contractor Otto Meyer. This bridge is 150 feet by 15 feet and 4 feet high, and was finished in three weeks. Joe Neugebauer and Peter Acker composed the committee which organized the neighboring farmers to contribute money and labor to the project. The bridge cost \$1,700 in addition to the free labor of the farmers.

#### Arkansas Giant Dies

Texarkana, Tex., Nov. 1.—J. W. Patterson, 73, native of Miller County, Arkansas, reputed to be one of the tallest men in the United States, died of Bright's disease Sunday at his home in Bloomberg. He was seven feet, five inches in height.

CIGARETTES

YOU don't use as much of Calumet as you do of most other Baking Powders. It has more than ordinary leavening strength. You save about half.

You don't pay a big price for Calumet. It's sold at a moderate price—that represents another saving.

You don't feel uncertain as to results. Baking never fails—because Calumet never falls below the proven standard of "Best by Test."

It possesses the highest quality ever put into a Baking Powder. Contains only such ingredients as have been officially endorsed by United States Food Authorities.

For weeks, for months, it keeps as fresh and full of strength as the day it left the Calumet Factories, the World's Largest, Most Sanitary and Modern Baking Powder Plants.

Found can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Gold Cake Recipe Yolks of 8 eggs, 1 1/4 cups of granulated sugar, 2/3 cup of water, 1/2 cup of butter, 2 1/2 cups pastry flour, 3 level teaspoons Calumet Baking Powder, 1 tablespoon of vanilla. Then mix in the regular way.

CATHOLIC CHURCH NOTES By Father Kemper Hallow'en Dance

The young folks of St. Mary's Parish anticipated the vigil of All Saint's Day by holding their jollification on Friday. First they indulged in dancing and indoor games in Washington Hall at Notre Dame Institute.

Too much illumination and too much vigilance in St. Mary's Park foiled the efforts of strolling lads bent on mischief and destruction.

No classes were conducted on All Hallow's or All Saint's Day at Notre Dame Institute or Our Lady of Guadalupe School.

The Hallow'en Dance of the Knights of Columbus was held on Thursday evening in the Fraternity Hall on Monaca Street, San Antonio.

The birthday anniversary of President Roosevelt of undying fame was commemorated at Notre Dame Institute in compliance with the wishes of the Governor of Texas.

The janitor's residence, known as "Portuncula," will soon be a misnomer under that title chosen by the greatest constructive reformer of the Fourteenth Century.

Large framed photos of the panoramic views taken by Earnest Raba during the other day and were judiciously distributed at both congregations.

On the eve of election day, Miss Angeline Kemper returned to Kerrville in order to exercise her full rights of citizenship.

Work of All Classes Handled on Any Basis. Box 417, Kerrville, Texas.

Rates: \$1.00 a Day, \$5.00 a Week THE WALTHER Good Service, Clean and Comfortable GEO. W. WALTHER, Proprietor Kerrville, Texas

Islands. In San Antonio she was the guest of the Bishop's niece, and participated in the Hallow'en entertainment given at St. Louis College.

Mrs. Wm. S. Farrish, wife of the Notre Dame caretaker, motored to San Antonio on last Friday with Miss Kirby of Houston and Mr. Finney of Willis Point.

Mrs. Jos. Bader of Galveston is nursing her sister, Mrs. Wm. Kuesel, who has been transferred from the local hospital to her home.

Miss Gene Goodloe spent the weekend with homefolk at Boerne.

Joe Alexander of Dallas visited his uncle, S. G. McElroy, for several days recently.

The election passed off quietly here. About 80 per cent of the total vote was polled.

H. D. McElwain, after several weeks' sojourn here, returned to San Antonio Tuesday.

Mrs. Nick Saigh of San Antonio visited her parents, Mr. and Mrs. Jack Rees, this week.

Judge R. H. Burney, returning from his court in Hondo, stopped off for awhile here Sunday.

Mrs. J. M. Bruff returned Monday from Dallas, where she had been visiting for the past three weeks.

Mr. and Mrs. Jim Moore from their ranch near Junction were guests of Mrs. Sim Moore last Saturday and Sunday.

Edwin White of Wichita Falls visited his sister, Mrs. Chas. Rees, last Sunday. He is in the oil business and reports everything rushing in his section.

Claude Wellbourne had the good fortune to kill a fine eight-point buck on Tuesday morning.

Rev. J. H. C. Maxwell, the new Methodist minister, arrived last Saturday and with his wife and daughter are occupying the Methodist parsonage.

E. E. Bauerline stopped off for awhile here last Saturday on his way to his home at Medina.

The program at the School House last Friday night was well attended and highly enjoyed by all.

The Woman's Missionary Society of the Methodist Church were responsible for a very enjoyable entertainment at the church on last Friday night.

Rev. Dr. Maedougl gave the address of welcome, which was exceptionally fine; the Doctor established himself as a "natural-born humorist," as well as an able speaker.

The musical program was greatly enjoyed, the numbers being as follows: Vocal solo, Mrs. Ben Ellis; vocal solo, Miss Della Mae Lee; quartette, Messrs. Ward, Geddie, Scoble and Nichols; duet, Mr. and Mrs. Scoble.

Following this, Rev. Smith responded to the welcome in a brief and timely speech, expressing the appreciation of Mrs. Smith and himself.

Refreshments were served during the social hour. REPORTER

Services every First and Third Sunday of month at 10:30 a. m., and Sunday School at 9:30 a. m. Evening services at Comfort at 8 o'clock. L. NIKOLAI, Pastor.

FIRST BAPTIST CHURCH J. B. HOLT, Pastor

The Andrews-Thomas Revival closed last Thursday night. It was in every way a good meeting. There were thirteen professions and nine additions to the church.

The Fifth Sunday Meeting of the Medina River Association met with the church at Tarpley last Thursday night and continued through Sunday.

Our association will join hands with other neighboring associations in making a great Baptist Encampment at Alto Frio, which is between Rio Frio and Leakey, and around 75 miles from Kerrville.

We will baptize those who joined our church for baptism Sunday morning just after the morning sermon.

The pastor and his wife will attend the State Baptist Convention at El Paso next week through the courtesy of the church.

Now that the fall revival is over let us set our hearts on having the greatest spirit of earnest, Christ-like longing for the salvation of the lost we have ever known in our church.

The public cordially invited to all our services.

Baptist W. M. U.

The Baptist W. M. U. met at the church Tuesday afternoon, devotional being led by Mrs. Garrett.

A splendid report of the Fifth Sunday meeting was made by Mrs. J. E. Byrd, recently elected associational president of the W. M. U.

Mrs. Holt, local president, presiding, called for the regular monthly report, which was a good one, showing the Baptist women are doing active church work.

Mrs. Holt was elected delegate to represent the local W. M. U. at the Baptist Convention, which meets next week in El Paso.

Junior B. Y. P. U. Program

Subject, "Dark Africa." Scripture Reading, Acts 8:27-39. Leader, Ruth McCoy.

"Dark Africa," Ella Mai Burkhalter.

"Torch Bearers," Harrel Osborne. "Servants of the King," Roy Leazer.

"Life of David Livingstone," Martha Holt.

Open Discussion, "What Else Do We Know About Africa?" Leader's Ten Minutes.

Song, "I Love to Tell the Story." "The Story of the Bamboo," Mary Christine Dickerson.

Song, "Go Tell It." Methodist S. S. Class Organizes

Last Sunday morning the Junior Philathea Class organized under the leadership of Mrs. Ellis. The name selected was "Loyal Daughters."

At a previous meeting Ruby Christian was elected secretary and Willie Holdsworth, press reporter. The members are: Mrs. Ellis, teacher; Viga Chaison, Calista Stapp, Mable Sublett, Ada Nance, Anna Bell Councill, Thelma Steetzner, Artiz Steetzner, Maggie Whitworth, Marion Meredith, Olga Burney, Lois Ragland, Amy Arno, Ruby Christian, Bernice Henry, Eula Grantham, Valna Spence, Zula Foster, Ruth Mosty and Willie Holdsworth.

It is being strongly suggested that our County Commissioners have published once each quarter an itemized report of all receipts and disbursements of the county funds so that the tax payers can see just how the money is being expended.

On last Friday, Miss Mary Mosel entertained some of her friends at a Hallow'en dance. Those invited were: Lucy Brandon, Helen and Etta Dietert, Marjorie Farrish, Elizabeth Newton, Wilhelmina Mosel, Gussie and Courtney Kaiser, Udele Kirkpatrick, Myrtle Brashear, Dorris Ribonson and the hostess; Messrs. Kuhlmann, Davis, Mosel, Farrish, Drodsky, Siebeck, Flye and Brandon.

Mrs. Miller Harwood complimented Mrs. Warren Colvert of San Antonio at an informal bridge party last Friday afternoon. A prize of Swiss handkerchiefs was awarded to Mrs. John Dee Jackson for the highest score. The guest prize was a pot of yellow hyacinths. The Hallow'en colors were used in the refreshments of fruit salad served in orange cups, stuffed date, wafers and coffee.

MORE MILEAGE

Will be added to your tires if you have them repaired by us at a small outlay. Many a tire is thrown into the junk pile that would double its mileage if you would spend a small sum with us to have it vulcanized or half-soled.

We also handle the famous Miller and Gates Tires and tubes; that "Good Gulf Gasoline," and Supreme Auto Oil and Grease. Give us a trial—Satisfaction Guaranteed.

KERRVILLE VULCANIZING PLANT RUD. STEHLING, Prop.

GOT SOMETHING YOU WANT TO SELL?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want.

These things are put in the attic, or stored away in the barn, or left lying about, getting less and less value each year.

Why Not Sell Them? Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in The Mountain Sun?

The Kerrville Sun, \$1.50 Per Year.

Mrs. J. F. Leisering has as her guest this week her brother, T. H. Heard, of Tivoli.

Miss Sunshine Hill of Harlingen, who has been the house guest of Miss Linette Jeter, has returned to her home.

Mrs. George Fordtran from the Divide is expected the latter part of this week. She will visit Mrs. L. D. Garrett and other relatives.

On last Friday, Miss Mary Mosel entertained some of her friends at a Hallow'en dance. Those invited were: Lucy Brandon, Helen and Etta Dietert, Marjorie Farrish, Elizabeth Newton, Wilhelmina Mosel, Gussie and Courtney Kaiser, Udele Kirkpatrick, Myrtle Brashear, Dorris Ribonson and the hostess; Messrs. Kuhlmann, Davis, Mosel, Farrish, Drodsky, Siebeck, Flye and Brandon.

Mrs. Warren Colvert of San Antonio at an informal bridge party last Friday afternoon. A prize of Swiss handkerchiefs was awarded to Mrs. John Dee Jackson for the highest score. The guest prize was a pot of yellow hyacinths. The Hallow'en colors were used in the refreshments of fruit salad served in orange cups, stuffed date, wafers and coffee.

THE ST. CHARLES HOTEL GEO. MORRIS, PROP. Positively no regular boarders taken without a certificate from a doctor stating that they have no Tuberculosis. Come to the mountains and spend a pleasant month, summer or winter. RATES: \$3.00 Per Day and Up Water Street KERRVILLE, TEXAS

FOR HEADACHE, LIVER TROUBLE

Black-Draught Is The Best Medicine This Lady Ever Used. Says It Is Only Medicine She Gives Her Children.

Cherry Village, Ark.—In telling of her experience with Theodor's Black-Draught, Mrs. Lettie Ellis, R. F. D. No. 1, this place, said: "I used Black-Draught as a laxative, also for headache, torpid liver and indigestion. It is the best liver medicine I have ever used and is the only medicine I give my children."

"I feel like it has saved me a lot in doctors' bills, for when the children complain of feeling bad or have a cold, I just give them a good dose of Black-Draught and they soon get all right. It certainly cleans the liver and clears up the skin and they are soon out, well again. I wouldn't be without it for anything."

Seventy years of successful use has made Theodor's Black-Draught a standard, household remedy. Every member of every family needs it. It cleans the bowels, cleans the system and to prevent or relieve the troubles that come from constipation, indigestion, and a bad liver.

## PILING UP HAPPINESS

DOES each year find you wishing and hoping for better things in the future—and regretting lack of accomplishment in the past?

There is one sure way to fill your horn of plenty to the brim with all the good things of life. It entails no sacrifice now. It merely means the forming of a good habit.

Save! That good old formula for success is as true now as when it helped build the fortunes of our pioneer railroad builders, manufacturers and promoters.

Applying it on a small scale in your own way will bring you results in proportion.

Smile and take your medicine!

Walter Peterson shows that he is a  
campaigner, as well as a dandy  
County Assessor.

There was about two million dollars  
more spent by the Republicans than  
the Democrats had to put out. That  
had some weight.

Judge Turner did some excellent  
campaign work on election day for  
the whole Democratic ticket, and es-  
pecially for Walter Peterson.

Texas has a school fund of \$71,  
892,599, which is the second largest  
in the country. Why then, should  
Texas be thirty-ninth in educational  
advancement? The fault is with the  
people and the politicians—mostly the  
latter.

Governor Cox made a magnificent  
race under heavy handicap. A ma-  
jority of the Democrats had given up  
the fight before it began, but Mr.  
Cox put some enthusiasm in the con-  
test, though could not do it all com-  
paratively alone.

Shrewd political forecasters predict  
that by the next presidential election  
there will be a party composed of  
those in other organizations and out  
of harmony with them, who will com-  
bine and represent the majority of  
the total vote of the country and win  
the next presidential election. Might  
be better for the country if such  
should transpire.

Twenty-five cent hair cuts and fif-  
teen cent shaves have returned to Los  
Angeles, according to a press dispatch  
the other day. When it comes to  
bidding for the tourist business, Los  
Angeles has San Antonio backed off  
the map.—San Antonio Light.

Yes, and New York is likely to lose  
some of its overcrowded population, as  
hair cuts are going to be \$1.00 and  
shaves 35 cents it is reported. The  
barbers are riding for a fall. Long  
hair will again become popular and  
safety razors come more into vogue.  
Some labor organizations seem to be  
unable to properly judge popular  
opinion, with the result that all unions  
are condemned for the acts of a few.

### BACK TO A REPUBLIC

Occasionally, among the rainbow  
idealists on the one hand and the poli-  
ticians who play tiddledywinks and  
jackstraws with the narrow problems  
of the selfish hour, there arises a  
prophet and a man. If one desires  
amusement and instruction in the ac-  
curacy of human foresight, and par-  
ticularly statesmen's foresight, the  
old dusty numbers of the Con-  
gressional Record furnish a happy  
crop of examples—both ways.

Nearly two years have gone since  
a Congressman about to retire, vol-  
untarily, from office delivered him-  
self of some notions of common  
sense. These are pieces of a speech  
by Martin Dies of Texas, who seems  
to believe in a stitch in time:

"The great mistake we are making  
here now," said he to the House of  
Representatives in January, 1919, "is  
that we are practicing hypocrisy  
upon the people. We lead them to be-  
lieve that the Government can sup-  
port them and lift them by their boot  
straps out of financial difficulty. As  
honest men, we should say to them  
that all the government can do is to  
protect their life and liberty.

You took the American people when  
they believed they could support  
themselves and their Government, and  
you are teaching them, hour by hour  
and day by day, to expect that the  
Government shall by some devices  
support them. . . . My beloved  
country! I do not know. Are we  
losing the greatest republic the world  
has ever seen?"

Mr. Dies is from Texas and a Demo-  
crat. We assume that he belongs to  
that old-fashioned American order  
whose secret password is NOT "Some-  
thing for Nothing."—Colliers Weekly,  
October 16th.

Kerrville now has the honor of be-  
ing the home of ex-Congressman  
Martin Dies.

Since his remarks in Congress, to  
which Colliers complimentary refers,  
Mr. Dies has been leading a quiet  
life, voluntarily withdrawing from ac-  
tive political affairs. He still takes  
deep interest in the material welfare  
of this Republic and lets no chance  
pass to eulogize its Constitution,  
which he considers the greatest docu-  
ment of political principles and  
policies ever enunciated, or that could  
be framed by human agencies.

Time has justified the opinions ex-  
pressed by Mr. Dies while he was a  
member of Congress, and it is to be  
regretted that the country has been  
deprived of his unswerving allegi-  
ance to true Democracy and sane  
governmental policies.

Some political prognosticators have  
lost their reputation in prophesying  
how the election would turn out.

The advocates of the League of Na-  
tions certainly misjudged the temper  
of the American people. Most of the  
great Republican majority can be at-  
tributed to this issue, in the opinion  
of The Sun.

President Wilson ought to be con-  
vinced that the people do not want  
the League of Nations, nor do they  
like to have a man become too auto-  
cratic as their chief executive. There  
are several things in the result of  
this election that ought to be seri-  
ously pondered by Mr. Wilson. He has  
four months in which to put himself  
in a better light.

### EFFECTIVE WORK DONE BY BETTER SCHOOLS FORCES

The Better Schools Committee, aid-  
ed by the School Board, Public  
Schools and teachers performed some  
effective work in behalf of the adop-  
tion of the School Amendment dur-  
ing the past few weeks.

Monday afternoon the school chil-  
dren marched from the Tivy High  
School building through several of the  
streets of the city and carried ban-  
ners with appropriate mottoes. The  
parade made quite an impressive  
appearance.

Monday evening in the auditorium  
of the Public Schools, there was a  
most interesting program carried out.  
There were many more present than  
could be seated, so the aisles and all  
available spaces were filled with  
people. The following was the pro-  
gram rendered:

Orchestra.  
High School Chorus.  
Speech, Judge Wheelers.  
Solo, Mrs. Ben Ellis.  
Short Talk, Dr. S. E. Thompson.  
The Texas Star-Kindergarten.  
Speech, Rev. W. A. Smith.  
Solo, Mrs. L. B. Dickerson.  
Speech, Senator Julius Real.  
Motion Song, First Grade.  
Speech, Judge W. C. Baker.  
High School Chorus, "Then Men  
Come Down."

The Country Child's View, Second  
Grade.

Soldier Boys, Third Grade.  
Playlet, "The Funny Paper," Fourth  
and Fifth Grades.

Speech, Sixth Grade Girl.  
Address, High School Girl.  
Speech, Hon. Martin Dies.  
Speech, Judge Lee Wallace.

The short addresses by the dis-  
tinguished gentlemen on the program  
were limited to four minutes and few  
of them exceeded that. In that short  
time, however, each said several  
things worth remembering and per-  
tinent to the subject matter—better  
schools.

The songs sang by Mrs. Ellis and  
Mrs. Dickerson were evidences of high  
musical training and exceptional  
talent as vocalists.

The children, who were so numerous  
that individual reference is impos-  
sible, acquitted themselves most creditably.  
They did honor to themselves and  
their respective teachers.

All of the speakers occupied the  
platform, and also President A. E.  
Seif of the School Board, making an  
array of citizens that any community  
might feel proud. And of them all  
only one native, Senator Julius Real,  
who is the best looking man of the  
number, as Judge Baker said, though  
the others are much above the average  
in good looks.

### CELEBRATION IN SAN ANTONIO IN MEMORY OF ARMISTICE DAY

San Antonio, Tex., Nov. 2.—To pre-  
serve the memories and incidents of  
our association in the great war; to  
keep alive the memory of those of our  
comrades who will not be with us to  
celebrate the cessation of hostilities,  
and to set a worthy precedent for the  
proper observance of future anniver-  
saries of Armistice Day, Alamo Post  
No. 2 of the American Legion is pro-  
jecting a series of entertainments and  
features on a scale that will perhaps  
make this event the one big feature  
of the year in Texas. Reports from  
the outlying posts adjacent to San  
Antonio indicate that there will be at  
least 100,000 visitors in San Antonio  
during the week of November 8th to  
13th.

Legionnaires and all other ex-  
servicemen will parade under the  
banner of their old outfit. The Reg-  
istration Committee is bringing these  
men together all over the 14th Dis-  
trict and getting them classified and  
establishing liaison. The parade will  
include, in addition to the Legion-  
naires, a representative group of fire-  
men, police and other city employes  
and officials. The famous Second Di-  
vision will form a big part of the  
parade, as they have made entries for  
a regiment of artillery, a regiment of  
infantry and other miscellaneous  
units, together with their entire col-  
lection of war souvenirs and trophies.

Maj. Gen. Joseph T. Dickman, in  
promising the full support of the 8th  
Army Corps to the Legion's program  
for this week, issued the following  
statement: "On the approach of No-  
vember 11, I consider it very fitting  
and proper that the American Legion  
and all other organizations and citi-  
zens of this country should consider  
the significance of this day and the  
special importance which it signifies.  
It being only two short years since  
our troops were locked in a death  
battle, many of them not being here  
to join us in celebrating the cessation  
of this World's War, I consider it  
every man's duty, who cherishes the  
memory and the sacrifice of these  
boys, to properly commemorate this  
day with fitting ceremony."

Kerrville, Texas

**KERRVILLE STORES TO CLOSE IN HONOR OF ARMISTICE DAY**

Thursday, November 11th, is the second anniversary of the Armistice which ended the great European war. In honor of that day, and also because of its being selected as the day for soliciting in behalf of the Kerrville Sanatorium, the stores of this city will close during the entire day.

Governor Hobby has issued a proclamation designating Armistice Day as a holiday and also for the united efforts of the citizens of Texas to complete the \$500,000 fund for paying for the buildings being constructed at Kerrville for the benefit of the ex-soldiers and sailors who are afflicted with tuberculosis.

Airplanes will visit many towns and cities in the State and distribute literature in behalf of the Sanatorium, as well as make a landing and the air pilots will assist in securing contributions. Citizens in all of the towns and cities are also urged to make a special effort on that day to raise the balance needed, which is estimated at \$350,000.

American Legion Posts throughout the State will also actively aid in raising the necessary funds. With these combined forces at work, the \$350,000 ought to be secured.

As Kerrville has already liberally contributed to the Sanatorium, it is not likely any further effort will be made here Armistice Day to raise additional funds, but the citizens of the town can at least show their appreciation of the cause and the efforts being made by others by recognizing it as a holiday. And, within itself, Armistice Day is worthy of being honored as a holiday.

**Announcement**

Dr. Wm. Lee Secor will be at the hospital only to perform important operations during November and December. Appointments for examination or operation should be made through Dr. J. D. Jackson at the hospital. 44-3tc

Time-a-year for Chile—order a can from C. C. Butt Grocery. 45-tfc

George Beitel of San Antonio was a Kerrville visitor the latter part of last week.

Reduced prices on bed blankets that will get your business. H. Noll Stock Company. 46-1tc

A. M. Morris was in town the first of the week from the Morris Ranch on the Divide.

Reduced prices on Winter Underwear for every one in your family. H. Noll Stock Co. 46-1tc

40c quality bleached domestic, now 32c yard; 40c quality white mull for underwear now 32c yard; 35c quality percale, now 28c yard. H. Noll Stock Company. 46-1tc

Mrs. Dick Eastland and children will be the house guests of Mrs. A. C. Schreiner Jr., while Mr. Eastland and Mr. Schreiner are absent on their annual hunt.

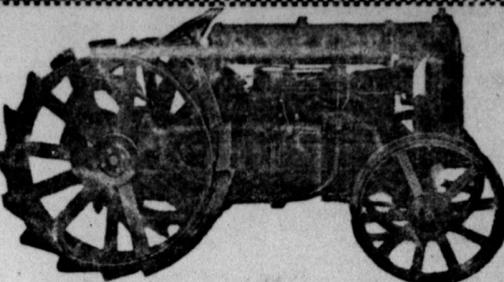

LOST—On October 19th between Kerrville and Ingram, one sack containing some inner tubes, spark plugs and a few other articles. Finder will please leave at Sun office and receive reward. T. F. W. Dieterz. 46-2tp

The Presbyterian Women's Society met last Thursday with Mrs. W. A. Simmons, with twenty ladies present. An interesting Bible study of Second Samuel was led by Mrs. Lee Wallace. Sandwiches and cakes were served during the social hour.

Mrs. Warren Colvert of San Antonio, who has been visiting her sister, Mrs. Scott Schreiner, has returned to her home. She was accompanied by Mrs. Schreiner and little daughter, who will be her guests for some time.

Wanted—100 ladies, young or old, with pimples, headaches, sour stomachs, bad breath, constipation, cross, mean disposition to take HOLLISTER'S ROCKY MOUNTAIN TEA. Thousands and thousands of women recommend it. Results guaranteed. Rock Drug Store. 46-4tc

Chairman Carpenter of the Kerr County Chapter, American Red Cross, received a telegram from headquarters Wednesday stating that the stereopticon slides and lecture, "The Gospel of Service," would be sent here for use on Monday night, November 8th. This wonderful series of color slides, showing Red Cross activities all over the world, will be shown FREE on that night at the Dixie Theater, when everybody is invited.

**THE FORDSON**

The price of the FORDSON has been reduced to \$790.00 f. o. b. Dearborn, Mich. Every farmer in West Texas is invited to attend the Official FORDSON Demonstration to be held by us October 13th and 14th. We want to SHOW you exactly why you can't afford to be without a FORDSON on your farm.

**LEE MASON & SON**

**What Good Is a Dollar?**

IT'S LARGELY UP TO YOU. It depends on how you spend it—on the value to you of what you get for it—on your ability to find where that value is to be had.

Of course, it's all right to shop around a bit if you like, but why not let the other fellow make it easier for you by doing a little shopping after your dollar—by showing you what you want and where you can get most of it for your money?

It's a great idea, once you get the hang of it, and here's how!

Right in The Mountain Sun you'll find various advertisements offering you merchandise. Some things you'll need today; some tomorrow; some next week or next year—but the point is that these merchants are coming to you, looking for your dollar and offering the best they have to get it.

You'll find, that by reading the advertisements in The Mountain Sun consistently this week and every week, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

**Read the Advertisements and Increase the Value of Your Dollar**

**TEXAS STATE DEPARTMENT OF EDUCATION WILL AID U. S. SAVINGS CAMPAIGN**

Austin, Texas.—Cooperation between the State Department of Education of Texas and the Savings Division of the United States Treasury Department for the Eleventh Federal Reserve District for the coming year has been placed on a definite basis, Miss Annie Webb Blanton, State Superintendent, approved the program proposed for the school by the Savings Division, assigning a Supervisor to prepare material the Savings Division will furnish teachers.

Representatives of the State Department of Education have presented the Division's school plans to institutes in which teachers of about one hundred counties were assembled during the first week of September. S. M. N. Marrs, Chief Supervisor of High Schools, read the program to teachers of fourteen counties in joint institutes at Canyon; Assistant Superintendent E. L. Dohoney, explained the plan at Victoria, Huntsville and Beaumont and other institutes visited. L. D. Borden, Chief Supervisor of Rural Schools, included it in his speeches at Beeville, Woodville, Orange and other institutes. W. E. James, Rural School Supervisor presented the matter to institutes at Waxahachie, Hillsboro, Marshall and other cities.

"Earn, save and invest," said Peyton Irving, Jr., Director's assistant for Education for the Division, "is the slogan. Pupils are taught how to care for their business affairs as well as their language, their morals and their physical welfare. They must know it is a privilege, a blessing as well as a duty, to work. They must come to feel intuitively, that they must live on less than they earn, and put away savings for future needs; otherwise they face dependency or crime. It is the duty of teachers to see these teachings fruit into action. Savings Securities, Thrift Stamps, War Savings Stamps of the government, and savings banks are to be recommended for pupils to use in preserving and increasing their savings."

**WISE YOUNG MEN AND WOMEN MAKE SAVINGS A PART OF ENGAGEMENT**

Every young man should be very careful in choosing the young woman he wishes to marry, and no less caution should be exercised by a young woman in accepting seriously the attentions of a young man.

The girl who permits and encourages her escort to spend money unnecessarily and extravagantly upon her will seldom make a good wife. Good wives are economical, careful of expenditure and capable of making the dollar go a long way. Girls who do not have this trait before marriage seldom develop it after marriage. Marriage is a partnership, and a badly managed partnership is seldom a happy one. The young man who does not save, who is not building up a reserve fund, but who is "throwing his money at the birds," will seldom do any better after marriage.

Some young couples in this state, instead of spending all they earn on meaningless pleasures, are wisely building their savings funds together with War Savings Stamps. More than likely, theirs will be a happy marriage.

**COUNTY SUPT. McDONALD QUOTES JAS. J. HILL**

Dallas, Texas.—"It is a brutal bed rock truth, that James J. Hill uttered when he said, 'If you want to know if you are going to be a success or a failure in life, the test is simple and infallible: are you able to save money? If not, drop out. You will fail as sure as you live. You may not think so, but the seed of success is not in you,'" said A. F. McDonald, County Superintendent of Dallas County, when a representative of the Savings Division had advocated children saving and investing in War Savings Stamps and other government Savings Securities.

"That saying of Hill is plastered all over my boy's room. It is on the head of his bed; it is stuck on his mirror, it is glued into his bank book, he sees it on his check book. I try to have him form the habit of asking himself whenever he spends, 'am I buying something worth, to me, what it costs?' He is now headed on that path. If he reads it continually, there is nothing to fear for his future. He will own his share of Treasury Certificates and Liberty Bonds."

We bought in the United States this year \$379,570,172 worth of chewing gum, cameras and sporting goods, essentials. Were the amount spent for Fourth Liberty Loan Bonds at \$53.33 it would have bought \$444,000,000 in 4 1/2% bonds and would have brought in annual interest \$18,870,000. Shall it be chewing gum or Liberty Notes?

For the timid investors, who have been frightened by the fluctuations of Liberty Bonds, the government provides War Savings Stamps and Registered Treasury Savings Certificates. They are redeemable by the government at any time and are always worth more than they cost.

Cream doesn't collect at the bottom of the pan; savings don't accumulate at the bottom of the pocket book. Skim the cream of your pay with a War Savings Stamp every payday.

**SPECIALISTS PREPARING OUTLINES FOR SCHOOLS FOR SAVINGS DIVISION**

Dallas, Texas.—Valuable suggestions, in the form of outlines, will be furnished to teachers of the Eleventh Federal Reserve District to aid them in conducting the "earn, save and invest" campaign of the government in the schools this year, according to Dinmore W. Hume, Federal District Director.

Material for primary grades will be prepared for the Division by Mrs. Ella F. Little, Primary Supervisor of Rural Schools, of the State Department of Education of Texas," said Mr. Hume. "A specialist in elementary school work will prepare suggestions to be sent teachers of fourth, fifth, sixth and seventh grades, to be used in connection with either language or history recitations, or both. Mr. L. H. Hubbard, Superintendent of City Schools, Belton, Texas, will prepare matter for use by high school pupils in their English classes. Negotiations are under way for a specialist in history to furnish the Division outlines for use of high school classes and teachers of history.

These suggestions will be usable in high school classes already organized; additional classes or periods will not be necessary. They will relate to matters discussed in text books, offer interesting side lights on topics here presented and show how they naturally develop into approval of the principles promulgated by the Savings Division. They are simple: earn something, live on something less, save; invest, put your savings where they are safe and earn something. When school children do this they will find Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates most convenient in denomination, and safe, savings accounts in banks also meet with approval of this campaign."

**LABOR ORGANIZATIONS URGE FUNDS BE PLACED IN U. S. SECURITIES**

Montreal, Canada.—The Fortieth Convention of the American Federation of Labor, by unanimous vote, declared regular and systematic investment in Government securities a part of its permanent policy for the benefit of its members and the welfare of the country. The resolution bearing on this subject reads in part: "The American Federation of Labor reiterates its former endorsement and approval of the plan of the Savings Division of the United States Treasury Department now being operated in each of the Federal Reserve Districts.

"All International Unions and Federal Unions are urged to advocate Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates as the best and safest method for saving and investment their members can adopt, against the schemes of those who are now undertaking to take advantage of the Government's savings program and the savings habit formed during the war by introducing thrift systems in industry, through which they will make a profit from the savings of workers."

The convention also recommended local unions place their funds in government securities, buy Liberty and Victory Notes and hold them to maturity. The convention's final resolution asked that the government continue and extend the savings work through each of the Federal Reserve Districts.

**HOLD YOUR LIBERTY BOND FOR SAME REASON YOU BOUGHT IT**

"Whatever your motive for buying Liberty Bonds," says Scribner's Magazine, "the same motives should impel you to manage your investment thoughtfully. Usually selling bonds is unwise as well as unpatriotic. If money is needed for an emergency, money can be borrowed at the bank with the bond as security. If selling a Liberty Bond can not be avoided, sell it through a banker or broker of known integrity, who has facilities for handling it at very small cost."

"He who spends more than he earns treads the path thieves have trod since the invention of jails; only luck can keep him from reaching its end. Live within your income; give your dollars a chance to work for you. Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates are within the reach of every one not on the thief's road."

The laborer works for his money; the capitalist's money works for him. Put \$4.20 in a War Savings Stamp and be a capitalist.

The American people spend more money annually for tobacco and chewing gum than the entire issue of Liberty Bonds.

**Stop Buying Gas and Start Buying Mileage**

Buying a car that thirsts more than it travels is like hiring a cook who eats more than she earns.

And there are far too many cooks and cars that answer to that description.

What you want is a car that doesn't have to stop at every gasoline tank for refreshment.

And that is the achievement of the Overland with its Suspension Triplex Spring and light alloy steels.

It has solved one of the most perplexing riddles of automobile design.

It has lengthened the mileage of a gallon of gas by burning up distance instead of burning up money.

It has reconciled light alloy steels with unalloyed comfort and set luxury and economy on the road together.

And yet, great as it is, the Suspension Triplex Spring is only one of many Overland advantages.

The world regards it as a new epoch in automobile construction, and it is.

But enthusiasm for this marvelous mechanism should not obscure the solid claims of Overland quality.

Light alloy steels and the Suspension Triplex Spring are the mainspring of Overland economy.

But quality still plays the role of Hamlet in the drama of Overland production.

Quality in the steels, selected at the source, checked in the rolling, and inspected at the plant.

Quality in the various parts, built by Overland themselves, and not billed to Overland by others!

Quality in every process of manufacture and assembling, done by Overland and not by proxy.

Quality animating the labors of the entire Overland organization and producing—

**A LIGHT-WEIGHT, LOW-PRICED, EASY-RIDING, SLOW-BURNING, MILE-EATING PIECE OF MECHANISM, COSTING LITTLE TO BUY, AND MIGHTY LITTLE TO RUN!**

In winning the Los Angeles-Yosemite Valley Test, the Overland Touring Car gave 35 miles per gallon—The Overland Sedan gave 27 miles per gallon.

*EATS UP MILEAGE BUT HAS A POOR APPETITE FOR GAS!*

**Kerrville Motor Sales KERRVILLE, TEXAS**

**RECOVERY FROM WAR INFLATIONS MOVING RAPIDLY**

Washington, D. C., Nov. 1.—Recovery from war and pre-war conditions is "proceeding apace in the United States" and the "natural force in evidence, which make the stabilization carry assurance for the future," the Federal Reserve Board declared Sunday in its monthly review of business conditions.

Although the readjustment process has been marked by uncertainty and some suspension of activity, the board described the economic and business situation as a whole as one showing "much inert strength and an ability to attain a position of relative stability through an orderly transaction." It argued that the necessary changes in the direction of normal conditions would be accomplished without great disturbance unless unforeseen factors entered in the process.

"Price revisions in textile lines and in other branches of wearing apparel, as well as in numerous staple commodities," said the board, "have been the outstanding elements in the situation just as during the preceding month."

Buyers More Cautious "Caution in buying, due to a belief that price readjustment is not yet complete has been a noteworthy factor and in some quarters has tended to slow down the activity of retail trade although more apparent in the wholesale trade. Crop yields have on the whole, justified the expectation expressed in the opening of the month. Banking reserves have held their own during the month and there has been a steady improvement in the liquidity of paper.

Labor is less fully employed, notwithstanding some sporadic cuts in wages here and there, the general position is about as good as it has been so far as actual payments or rates of wages are concerned.

While the retail trade reported a "moderate increase" in net sales as compared with last fall, the usual fall activity and buying was said not to

be in evidence. The board attributed some of this condition to unseasonable weather.

Retailer Awaits Developments Reports from almost all sections indicate that the retailer had determined to await further developments before renewing his stocks heavily. The outstanding orders were reported to be small and the general purchasing activity of the retail merchant was described as "very conservative."

The manufacturer has felt the withholding of orders by the retailers, and, according to reports, has not been able to operate on full time in many lines of trade because of lack of orders. Cotton mills were mentioned specifically as having been hit hard by the slackening of retail orders, while new business in the iron and steel industry has actually decreased.

**HENRY FORD SETS UP MODEL FARM AT MICHIGAN FAIR**

San Antonio Express: Henry Ford is setting up a model farm for the inspection of visitors at the Michigan State Fair. He will endeavor to show how practically all of the work of a farm can be done by machinery. His Fordson tractors will supply the power according to George B. Cole, vice president of the Clifton George Motor Company, local Ford and Fordson dealers, who, Mr. Cole says, have distributed more than 1,400 Fordson tractors in Southwest Texas.

The "farm" will be set up on a section of the fair grounds, where crops grown during the summer will be ready for harvesting. Model farm buildings, all lighted and heated by electricity developed by Fordson power, will be erected as a part of the complete farm equipment.

Fordson tractors will show farmers visiting the fair how ground can be prepared for planting with the least amount of human effort, time and money. Planting equipment will be shown in actual operation. A field of wheat will be harvested and threshed. The grain will be hauled to the mill on the farm and turned into flour, which, in turn, will be made into bread in a model bakery. Slices of fresh, warm bread will be passed out to visitors. In the meantime, on another section

**AIRPLANES TO FLY OVER ENTIRE STATE SATURDAY**

San Antonio, Tex., Nov. 2.—Heralding Tag Day to be held according to Governor Hobby's proclamation on Saturday, November 6, for the American Legion Memorial Hospital at Kerrville, 21 airplanes will fly over 46 cities of Texas on Friday, November 5, and will distribute literature advertising the hospital drive and also the Air Service recruiting campaign.

Tag Day has been set by Governor W. P. Hobby for Saturday, November 6, and Maj. Gen. Joseph T. Dickman, commander of the 8th Corps Area, embracing the States of Texas, Oklahoma, Colorado, New Mexico and Arizona, has arranged for the Air Service in his command to distribute copies of the Governor's proclamation throughout the State on the preceding day.

This novel method of bringing home the vital necessity for the completion of the tubercular sanatorium at Kerrville for ex-service men of Texas was effected as a result of a conference of officers of the Department of Texas, American Legion, with General Dickman, his chief of staff, Col. Thomas H. Slavens, and the chief of the Area Air Service, Maj. Henry C. Pratt, at Fort Sam Houston. Major Dickman immediately offered the service of his airmen in order to insure the success of the big drive for Texas ex-service men. As a result thousands of copies of the Governor's proclamation, setting Saturday, November 6, as Tag Day and urging the people of Texas to support this worthy cause, will be dropped from planes in all sections of the State.

**Rain Insurance**

Waco, Tex., Nov. 1.—Jupiter Pluvius abated enthusiasm of Texas Cotton Palace officials here Sunday, but his reign was short-lived. After two hours' downpour, an insurance agent appeared on the exposition grounds and handed over \$10,000.

It is claimed this is the first instance in which a Texas fair has carried or collected rain insurance.

### Kerrville-Llano Football Game

The Tivy High School Football Team won their second gridiron victory last Saturday, when they defeated the strong Llano High team on the latter's home field by a score of 7 to 0.

The game was slowed up on account of the heavy field caused by the rain that was falling during the time of play. The Llano boys put up a stiff resistance, but they were outclassed in every phase of the game by the locals. At no time during the game was the Kerrville goal in danger, as the Llano team failed to ever reach their twenty-yard line. Time after time the Tivy back field reached within striking distance of the opponent's goal, but it seemed that Lady Luck with the aid of an impartial referee caused them to lose the ball, and only once did they succeed in carrying the pig skin across the goal line of the opposition. The entire game was played in the shadows of the Llano goal posts.

Twice Llano gained nice end runs by a fake criss-cross; they were also able to make a few gains with their mass formation. Usually they found the Tivy line a veritable brick wall. The losers completed only two forward passes, and the Kerrville boys were successful with seven or eight. Little open play was resorted to on account of the mud.

The score came in the second quarter after two successful end runs by Flach and Wilson of about fifteen yards each, then a pass from Renschel to Horn netted another fifteen yards, after which Renschel in his usual stellar manner bucked across. G. Rees kicked goal.

Flach starred at will in the offense with beautiful end runs, aided by the irresistible interference that the other members of the back field offered. G. Rees and Renschel starred with their wonderful defensive work, tackling behind the lines on several occasions for costly losses to the Llano aggregation. Wilson piloted his team in his usual clear-headed way, adding his amount of pep with some long end runs and sharing his portion of the passes. Tivy had to resort to punting only a few times, but when she did, G. Rees or Renschel easily kicked out of danger, Renschel's punts averaging about 40 yards. Every man in the line played a star game.

A hard tackle in the second quarter left G. Rees with a sprained shoulder which eliminated him from the remainder of the game. Casper Rees took his place at left half and held it down with the same creditable manner that he held down his position at tackle. Casper is always a giant of strength at tackling, performing it often behind the lines.

During the first of the third quarter, when Kerrville was in Llano's 15-yard line, a pass from Renschel to Wilson failed. It was broken up by a Llano man inside the field. Wilson was over the goal line. The referee called it incomplete. An enthusiastic Llano supporter was allowed to come on the field, argue with the referee and convince him that the pass was broken beyond the goal line. The referee then changed his decision and gave the ball to Llano, killing Kerrville's almost certain chance to score. Time was called over the Tivy captain's protest and the game proceeded.

During the same quarter a pass from Renschel to C. Rees was made, the ball caught and a step taken by Rees which completed the pass; the pass was then fumbled and rolled out of bounds, a Llano man recovering. The referee called the pass incomplete which gave the ball back to Kerrville. The Llano captain made a protest, and our captain went to the referee and told him that his decision was wrong and that the ball should go to Llano.

In the last quarter with two minutes to play Tivy was forced to punt. Renschel punted about 45 yards and the ball rolled ten yards out of bounds, a good gain of 55 yards. Wilson was on side and eligible to recover the ball, which he did, and with any referee that knows football Kerrville would have been given the ball. The referee not knowing what an on-side kick was and fearing with this gain that Kerrville would score again stubbornly refused to change his adverse decision. Llano offered to change the referee, but it was too late for a new referee to do any good. Kerrville again gave in, the ball went to Llano and our boys held them for downs, but too late to score.

Our boys were entertained royally Friday and Saturday by the Llano boys and we regret that they blurred this fine spirit by giving us prejudiced and poorly informed officials.

Next Saturday the Tivy team will journey to Junction and lock horns with their highly rated High School team. Both teams have victories to their credit and a good game is expected. Kerrville feels certain of victory.

Mr. Jordan has arranged a game with the San Antonio Academy for the following Thursday—"Armistice Day"—to be played here. The Acad-

## OUR POLICY IS NOT TO SIDE STEP

Did you ever notice how peculiar most of us humans are in the matter of sidestepping? The man who can't play golf dubs it "an old man's game"; the chap who can't dance will side step a two-step and ask his partner to "sit it out" with him; the man who never had the pluck or price to go to Europe shouts "See America First!" One of the firmest policies of this firm is not to side step. We tell you what we have and we tell you the whole truth, not half truths. We don't claim to be infallible—all we can do is to try to have everything you want just when you want it and at prices that are reasonable. You may be sure that anything and everything you purchase from us is just as represented. If for any reason you think you have not received value for your money, bring back the goods. If you don't want them we don't want you to have them. We spend a lot of time studying your needs and means, and when we put anything in our stock you may be sure it is worth all we ask, most times a little more. We step straight ahead successfully, because our policy is never to side step.

## THE CHARLES SCHREINER COMPANY

emy has not been defeated this season and has one of the strongest squads in San Antonio. This game will be one of the best that local fans will have a chance to witness in Kerrville this year. The whole town is cordially invited to come out and show the boys that they are backing them to a man.

### High School Hallowe'en Party

The Tivy High School Auditorium was the scene of the annual High School Hallowe'en Party last Saturday night. The large hall was decorated in festive black and orange witches, cats, goblins, owls and other symbols appropriate of the Hallowe'en season.

The far left end of the auditorium was arranged to represent an October forest scene. On the edge of the forest stood a witches tent, from which later in the evening a ghostly figure made its appearance. The right end of the room was autumnal-

like in its harvest attire, and a huge skeleton awed the guests by its uncanny presence in the field.

The stage was bordered with natural cane stalks. Here sat the three witches of Haydees to judge the delinquent school boys. From the center of the ceiling was suspended a tremendous lighter pumpkin, seventy-four inches in circumference.

As the students arrived, arrayed in varied masquerade costumes, they were greeted at the door by a ghost with icy hands. After the unmasking, the gruesome witches' supper took place. This produced much laughter and amusement.

The grand march, led by Marguerite Henke and Sidney Wheelless was one of the most attractive features of the evening. Bobbing for apples and other old fashioned Hallowe'en games were also enjoyed.

After refreshments were served a few old folk-lore songs of the South were sung, accompanied by little Miss Dickerson. At the weird hour of 12,

one of the witches presiding over a cauldron distributed miniature diplomas, which predicted the future of each student. These diplomas were arranged in the black and orange motif.

At a late hour the guests departed for their homes, having spent a most enjoyable evening, and one to be long remembered in the history of good old Tivy High.

### Appreciated Publicity

The Fort Worth Star-Telegram, the widest circulated paper in Texas, kindly gave a page in its photographic section of Kerrville river scenes and the location of the Sanatorium for the soldier boys as it showed in the beginning of construction. It is a valuable kind of advertising for Kerrville, which is very much appreciated.

The photographs for this page were furnished by J. E. Grinstead, which accounts for the most excellent pictures secured.

## What Is Your Health Worth?

YOUR body is likened to a great building occupied by a number of perfectly constructed machines (organs), each having a specific work to do; back of this is the Cerebro Spinal nervous system, which furnishes the power to enable them to do their work. If these machines are not doing their work properly, better look after the power.

If the nerves are right the man is right. If the nerves are wrong so is the man.

The Chiropractic Adjustment, by restoring normal action to these nerves, supplies new life force to the weakened organs of the body.

A true Chiropractor can readily locate the point of pressure and relieve same by adjusting the vertebrae into normal position. If, when diseased conditions exist, the Chiropractor removes the pressure, the interrupted currents are set in motion again and health will follow. The Chiropractor removes the obstructions, thereby allowing NATURE'S restorative powers to reach the diseased parts. Chiropractors do not treat effects. They remove the cause and NATURE cures the disease.

Chiropractic is the practice or a system of adjusting the joints in the human skeletal frame, especially of the spine, by hand alone, for the purpose of removing pressure on nerves.

Chiropractic is not medicine, surgery or osteopathy, or anything else—it's Chiropractic. It is a Science of positive location of the cause of disease and the Art of removing the same by hands alone.

It Does  
the  
WORK
