NUMBER 48

THE A. K. AULD RANCH IS DIVIDED BETWEEN SONS

The A. K. Auld Ranch is divided between the four sons as follows in a petition deed filed in this county. The ranch consisted of 12,473 acres in Kerr and Real Counties.

The division was as follows: Wm. Auld, 3,006 acres; Archie Auld, 4,347; A. D. Auld, 2,219; J. M. Auld, 2,901.

Real Estate Transfers

A. C. Diert and Herman Diert and wife to John Trushel, 134 3-4 acres off Survey 124, F. Martinez, 3 1/2 miles northwest of Kerrville; \$9,675.

Henry James and wife to J. E. Byrd, lots 249-50-51, block 46, Chas. Schreiner Addition to Kerrville; \$1,600.00.

Wm. A. Dysart et al to W. A. Fawcett, part of block 21, on Washington Street, Kerrville; \$850.00. Fawcett deeds same property to R. C. Love for like amount.

J. W. Russell and wife to R. B. Fawcett and wife, lots 25 and 26, block 4, Kerrville; \$1,750.00.

R. C. Love and wife to W. H. King, lots 11 and 12, block 51, Tivy Addition to Kerrville; \$800.00.

Geo. McElroy and wife to Mary E. Beaver, 20 acres off Survey 137, T. Erhardt, lying west of Indian Creek; \$1,000.00.

I. W. Vanhooser to E. H. Nichols and wife, 200x200 feet, block 74, on Gilmer Street, Kerrville; \$900.00.

LYCEUM NUMBERS PROMISE EXCELLENT ENTERTAINMENT

The Lyceum Course for Kerrville includes some highly entertaining numbers. There are four of them and the first will be the Toots Paka Hawaiian Musicians, who appear at Pampell's Opera House, Friday evening, Dec. 3.

The second number will be Lincoln McConnell, "The Guy That Delivers the Goods." He has been on the lecture platform for a quarter of a century, which is ample evidence that he is worth hearing. His date is Jan. 5.

On Jan. 14th, we will be favored with the Berkley Sextette, six beautiful and highly accomplished lady musicians.

The Musical Arts Quartette will be here Feb. 11th, who are young men with varied musical talents, and that they will please the audience goes without saying. They sing and play every conceivable musical instrument.

The season tickets for this series of entertainments cost you only \$3.50 while the admission for each performance separately is \$1.00. You can secure season tickets at Pampell's or from E. H. Prescott at the Chas. Schreiner Bank.

Subscription Honor Roll

The following have either subscribed or renewed the past week to The Kerrville Mountain Sun:

Max Grona, L. Reif, Thos. Frayne, Yancy Baker, D. H. Comparette, S. Friedman and Miss Minnie L. Hudspeth of Kerrville; E. Rauch and Richard Holdsworth, Route 1; Lee Burney, Center Point; Wm. Green, Harper; Thos. Leyendecker, San Antonio.

KIMBLE COUNTY'S ROAD BUILDING IS PROGRESSING

San Antonio Express: Road building in West Texas on the Old Spanish Trail is already well started. Contractors are extensively at work on the Divide in Kimble County from the Kerr County line to Junction. Forty miles have been let for \$220,000. This is a rock and hill country—a charming country with a good road, but the autoist has had little chance to view scenery. The difficulty of this work may be judged by the fact that engineers worked nearly a year preparing plans and now it is estimated the builders will require one year to complete their part. They began last June.

Work Up Standards

Kimble County is the honor county westward on the trail—the first to begin actual construction according to Federal standards, where all grades, curves, drainage structures, maintenance, etc., are brought to standards fixed by the engineering board at Washington. This contract carries the improvement five miles beyond Junction and inasmuch as all the highway from San Antonio to Junction is financed or building a modern road into the heart of these hills is now assured.

Kerr County has half this rock divide to build—there are 59 miles between Kerrville and Junction. Kerr County has her engineer at work and she, too, will come to Federal standards. Kerr County will also eliminate the numerous crossings over the rivers, carrying the new highway on the higher levels. Scenically a highway is always prettier running over the highlands.

Kerr County May Be Second

Kerr County may be the second westward to begin construction, although Jeff Davis County, further west, has already run her surveys through the Davis Mountains and canyons and may run ahead of Kerr in construction.

East of Kerr all the way to San Antonio the highway improvement is well advanced. Both Comfort and Boerne may claim honors. Boerne admits the great success of her fair this year was largely due to the road improvements. The highway will soon be finished with asphalt from the present surfaced road at Leon Springs, in Bexar County, and on through Boerne.

Boerne and Comfort have gotten together and the "No Man's Land" over the Joshua Creeks, always heart-breakers to autoists, is now smoothly graded. The grades and curves at "No Man's Land" are not yet wholly according to Federal standards. Both Boerne and Comfort had road money in the bank and good road building leaders and they built their roads without Federal aid as soon as they realized that the Old Spanish Trail was routed that way.

Kimble County, the honor county, is one of the smallest in West Texas. Assessed values are about \$1,500,000 and the road work is among the most extensive in West Texas, yet when the test came the citizens met their requirements with promptness. Among the leaders in the Old Spanish Trail work are Oren C. Reid, Chris Schraub, Coke R. Stevenson, Will P. Riley, J. D. Motley, W. R. Mayfield, E. A. Loeffler, Conrad T. Holkamp, Philip

North, Matt B. Bailey, Weaver H. Baker, F. E. Duderstadt, H. W. Bier-schwale, J. L. Wright, R. R. King, I. O. Weldon, John W. Cowser, B. L. Smith, John M. Hankins, I. W. McDonald, J. N. Hodges and J. A. Heyman.

When this improvement from San Antonio to the hills of Boerne, Comfort, Kerrville and Junction is all complete the people of all East Texas will have but a short easy drive from the heart of the lowlands to the tonic air of these highlands.

Junction is in a country of sheep and goat herds, woodland hills and clear water rivers. Already her people are planning a riverside camp ground for travelers and accommodation for tourists.

A Northern traveler who is familiar with that hill country in winter has said, "There is more tonic in the atmosphere of the West Texas hills than any spot South visited by the people of the North, and Northern tourists will enjoy that Hill Country."

PRESIDENT WILSON PRO- CLAIMS THANKSGIVING DAY

Washington, D. C., Nov. 13.—President Wilson issued his Thanksgiving proclamation last night, saying that "in plenty, security and peace, our virtuous and self-reliant people face the future," and setting aside Thursday, November 25, for the usual observance. The text follows:

"The season approaches when it behooves us to turn from the distractions and preoccupations of our daily life, that we may contemplate the mercies which have been vouchsafed to us, and render heartfelt and unfeigned thanks unto God for his manifold goodness.

"This is an old observance of the American people, deeply imbedded in our thoughts and habits. The burdens and the stresses of life have their own intensities.

"We have abundant cause for thanksgiving. The lessons of the war are rapidly healing. The great arms of free men, which America sent to the defense of liberty, returning to the grateful embrace of the Nation has resumed the useful pursuits of peace, as simply and as promptly as it rushed to arms in obedience to the country's call. The equal justice of our laws has received steady vindication in the support of a law-abiding people against various and sinister attacks, which have reflected only the baser agitations of war, now happily passing.

"In plenty, security and peace, our virtuous and self-reliant people face the future, its duties and its opportunities. May we have vision to discern our duties; the strength, both of hand and resolve, to discharge them; and the soundness of heart to realize that the truest opportunities are those of service.

"In spirit, then, of devotion and stewardship we would give thanks in our hearts, and dedicate ourselves to the service of God's merciful and loving purposes to his children.

"Wherefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the 25th day of November, next, as a day of thanksgiving and prayer, and I call upon my countrymen to cease from their ordinary tasks and avocations on that day, giving it up to the remembrance of God and His blessings, and their dutiful and grateful acknowledgment."

WAR PROFITEERS ARE NOW TO BE PROSECUTED

Washington, D. C.—War profiteers will soon have a hard time, according to plans now under way by the Department of Justice to prosecute the profiteers, particularly during the war. It is reported here that about ten of the largest corporations in the country will be prosecuted for the rank and file of profiteering. During and since the war more than 2,000 cases have been brought against individuals and corporations for robbing the public by unlawful combinations in restraint of trade, all being principally violations of the Sherman anti-trust law. About 200 of these cases have been tried in the various Federal courts and many convictions have resulted. There are still about 1,800 cases awaiting trial. Some of

the cases were brought under the Lever act.

Sugar companies, woolen corporations, leather concerns and many other concerns and many other lines of activities are included in the organizations which are charged with preying on the public through unlawful selling prices and all kinds of combinations which robbed the consumer at every turn. Coal dealers, too, have been among the most flagrant offenders.

It has been noticed that every time the Department of Justice prosecutes a profiteer, the commodities in which the profiteer deals immediately fall in price. This has been particularly so in the case of sugar, rice and woolens. Many other commodities have fallen under the ban of the department.

It is not denied that during the war there was an orgy of profiteering that would have shamed the Roman Empire in its palmist days of graft. Billions were taken out of the public pocket by gouging prices and unlawful schemes of various manufacturers and wholesale dealers. One of the strangest things about the profiteering was the fact that all of it was in the ordinary necessities of life, and so far as could be discovered, not a single concern dealing in so-called luxuries was investigated for profiteering practices.

One of the biggest gouges perpetrated on the public was in shoes. The profiteering in this line originated with the leather manufacturers and shoe manufacturers and was passed on to the retail shoe dealers, who could not help themselves as to the big rise in the prices of shoes.

Commissioners' Meeting

At the recent meeting of the Kerr County Commissioners, A. J. Gibbons was sworn in as commissioner from the Center Point district.

There were \$4,200 worth of bonds reported sold by District No. 3 for road building, the bonds being from 14 to 20.

Reports of county officers were approved.

W. E. Simpson, engineer having in charge the surveying of roads in District No. 1, was allowed \$4,200.00 on salary.

Armistice Day

The weather was very disagreeable Armistice Day at Kerrville, but despite this handicap there was a fair attendance at the rendering of the program arranged for that day at the Baptist Church. Those participating acquitted themselves most creditably. It was also a very impressive service.

The stores closed during the day in honor of the occasion.

WRANGLE FLEES FROM RED HOSTS OF RUSSIA

General Wrangle has had to flee from Sebastopol and was accompanied by 30,000 of his soldiers, the others either being killed or captured. Allied warships rescued them.

The Red forces went across the river on ice and attacked Wrangle's army in the rear and so flight was all left. This about cleans up the opposition to Lenin and Trotsky in Russia. Hunger and cold are now their principal antagonists.

The Ukrainians are still fighting the Reds, but without much chance to do more than make a local defensive warfare.

This leaves the Russian situation still a solution for the allies before any permanent peace can be had in Europe.

Death of Aged Women

Monday morning at 3 o'clock, Mrs. W. F. Fessenden died at San Antonio after an illness of seven months.

The deceased had lived in Kerr County for fifty years and raised a fine family. There are six of the twelve children still living, four sons and two daughters, the latter living at San Antonio, three boys in this county and one in Oklahoma. The remains were brought to Kerr County and buried in the Sunset Cemetery Wednesday.

Thus passes away a noble woman who has lived a useful life. The bereaved relatives have the sympathy of The Sun.

BIG HAUL MADE FROM A LOCKED MAIL COACH

Last Saturday night a mail car was robbed between Omaha, Neb. and Council Bluffs, Iowa, in which it is estimated pouches containing about \$3,500,000 were pitched from the train to automobiles waiting along the track, as the schedule is slow between the two points.

Merle Phillips, 20 years old, a baggage employe, was arrested for complicity in the crime. He is reported to have confessed and implicated two others, who are being sought.

It was first reported that millions in gold bullion belonging to the Government was included in the swag, but this is denied.

Had Jolly Time

Last Thursday night, Nov. 11th, the Junior Class of the Tivy High School enjoyed a "Winnie Roast" on the school campus. A large fire was built and an "under-the-sky" feast was prepared and eaten. After the feast, it was suggested that they play some jolly old-fashioned games. About an hour and a half were given to this fun.

About 10 o'clock, the party decided to serenade some of the teachers, so visits were made to the homes of Mrs. Tacquard and Mr. Franklin. After much singing and yelling the happy crowd dispersed.

Those who enjoyed the roast were: Misses Dinter and Parker, the chaperones; Eya Mae Staudt, Annie Claire Enderle, Ruby Christian, Enola Klein, Inez Leinweber, Lois Burrows, Myrtle Rose Diert, Mary Claire Williams; Scott Fawcett, Olaf Olinger, Marshall Leazer, John Saucier, Raymond Fisk, members of the Junior Class, and Felix Klein, William Saenger and Karl Peterson, who were invited to be present. REPORTER.

A Delightful Event

One of the most delightful events of the season was the party last Saturday afternoon, given by Mrs. Carl Allen and Miss Kate Renschel, assisted by their mother, Mrs. H. Renschel, in compliment to Mrs. S. F. Hart of Los Angeles, Calif.

The hospitable Renschel home was lovely in its decorations of chrysanthemums and many-colored autumn leaves. A large number of the guests played Five Hundred, the prize, a dainty boudoir cap, being won by Mrs. R. N. Miller. The guest prize was a beautiful piece of hand-made lingerie. Those not playing cards enjoyed the afternoon in chatting before the glowing fire in the reception hall. The chill, damp weather without served to accentuate the cheer within. At a late hour a two-course luncheon was served, by the hostesses, assisted by Mrs. Robert Renschel and Miss Hilda

Hamilton. The personnel of invited guests included:

Misses Laura Henke, Hamilton, Williams, Henke, Galbraith, Johnston, Williamson, Heinen, Davey, Herzog and Myers; Mesdames Hart, Adkins, Auld, Burney, Doyle, Carpenter, Eastland, Dicke, Harwood, Jackson, Knox, Watson, Miller, Mason, Chas. Mason, Geo. Morris, Prescott, Jennett, Fred Real, Chas. Rawson, Scott Schreiner, G. F. Schreiner, A. C. Schreiner Jr., Scherbeck, Secor, Thompson, Pampell, Franklin, Garrett, Johnston, Gardner, Matthews, Renschel, Wallace, Wheelis, Palmer and Geddie.

TIVY HIGH DEFEATED BY ST. MARY'S OF SAN ANTONIO

On Armistice Day, Nov. 11th, the Tivy High School football team was defeated by the fast St. Mary's team of San Antonio on the local gridiron by the score of 25 to 13. On account of the heavy field, caused by the rain and disagreeable weather, the game was somewhat slowed up. However, both teams being in fine fighting spirit the game was a fast, clean and exciting one, both teams being supported by good team work. Tivy could make but few gains on line backs, most of their gains being made on forward passes and on Renschel's famous on-side kick which proved to be a puzzle to the San Antonio aggregation. Also the San Antonio boys could not get on to the passed used by the Tivy boys.

St. Mary's team has a string of victories to their credit, having won nearly every game they have played this season. Tivy has played four games, winning two.

St. Mary's has as clean and manly a bunch of boys as have ever played against the local gridders.

Renschel, Palmer, Flach and Wilson playing in the back field with a strong lineup of men, and each man on the San Antonio team playing as a star player, made as good a game as the local fans could want to see.

DOUGHNUTS!
There is nothing more wholesome and delightful than doughnuts or crullers rightly made.

Doughnuts
3 tablespoons shortening
1/2 cup sugar
1 egg
1/2 cup milk
1 teaspoon nutmeg
1 teaspoon salt
3 cups flour
4 teaspoons Royal Baking Powder

Cream shortening; add sugar and well-beaten egg; stir in milk; add nutmeg, salt, flour and baking powder which have been sifted together and enough additional flour to make dough stiff enough to roll. Roll out on floured board to about 1/4 inch thick; cut out. Fry in deep fat hot enough to brown a piece of bread in 60 seconds. Drain on unglazed paper and sprinkle with powdered sugar.

Crullers
4 tablespoons shortening
1 cup sugar
2 eggs
3 cups flour
1 teaspoon cinnamon
1/2 teaspoon salt
3 teaspoons Royal Baking Powder
1/2 cup milk

Cream shortening; add sugar gradually and beat in eggs; sift together flour, cinnamon, salt and baking powder; add one-half and mix well; add milk and remainder of dry ingredients to make soft dough. Roll out on floured board to about 1/4 inch thick and cut into strips about 4 inches long and 1/2 inch wide; roll in hands and twist each strip and bring ends together. Fry in deep hot fat. Drain and roll in powdered sugar.

**ESTIMATE SAYS 1,500,000
ARE NOW IDLE IN EUROPE**

London.— Strikes and slackened business in Europe have left 1,500,000 workers idle.

Exact figures were not available, but the British Labor Ministry put the number of unemployed at 1,500,000, as a conservative estimate.

In Great Britain there are 200,000 men drawing unemployment pay from the government, but there are tens of thousands more who have not benefited by the payments.

Thus far there has been no suffering. The weather has been mild. At the same time there is worry over prospects for the winter. The government has urged unions to admit unskilled labor to their ranks, especially in the building trades, which the government plans to use this winter in the construction of buildings.

Later estimates of unemployment in Great Britain were placed at 403,000.

Germany's idle army is estimated at 400,000. Of these many are receiving government rations. Strikes have been frequent in Germany but much of the unemployment has been involuntary. France has about 200,000 unemployed.

There were no statistics from Italy, Austria or Central Europe, but conditions were known to be bad there.

The Scandinavian countries have less unemployment than any other part of Europe. The average there was believed only 2 per cent of the labor population.

**BREEDING OF SKUNKS
PROFITABLE ON FARM**

Washington, D. C.—Breeding of skunks as a means of stabilizing the "depressed fur market" is the latest suggestion of the Department of Agriculture.

Despite all the harsh things that have been said about this lowly animal, the department describes him as "the best wild animal friend the farmer has." The skunk, the announcement says, can be used for de-

stroying mice, grasshoppers, crickets and white grubs, at the same time furnishing the farmer from \$50 to \$100 worth of fur a year.

All that is required of the farmer, the circular says, is that he "respect the animal's den, keep his poultry in skunk-proof yards, kill an old horse for them every fall and be tactful when he meets them in the evening."

BIG PRICE REDUCTIONS

A lot of merchandise has seen a drop in price. In our line we find that some things have only experienced a small decline in price, while others dropped very noticeably, and on other things, like hats for instance, prices remain firm.

We would like to see prices on clothes, shoes, etc., correspond with the cotton and wool market, and will do our bit to bring them to that level. For these two reasons we are offering our stock of up-to-date Men's Wear and Work Clothes at a big discount.

We List Some New Prices and Reductions

Suits and Overcoats reduced from	\$5.00 to \$15.00

Bandera Budget

New Era, Nov. 11: License was issued in San Antonio last week for the marriage of Miss Lora Mickle of Lima to W. L. Council of Kerrville.

The two tests near Bandera, which have been temporarily shut down, are expected to begin operations right away. The Britsch well is now 220 feet. The Adamietz test is 40 feet. Both are considered very promising locations.

The well of the Wood-Texas Company is now drilling at 1,300 feet. The formations are very encouraging and this test is being anxiously watched for some interesting developments very soon. Judge O'Bryant, the

field representative of the company, is the busiest man in Bandera County. He believes in going after the oil and then telling about it afterwards.

CATHOLIC CHURCH NOTES

By Father Kemper S. A. Players Entertained

The oldest educational institution in the Texas metropolis, namely St. Mary's College, played its first out-of-town game on Armistice Day and honored Kerrville with this distinction. The same recognition was accorded our city four years ago when the sister institution, St. Louis College, made her initial trip and with the help of our own Francis Domingues defeated Tivy 37 to 0.

With Brother Ryan came two alumni of St. Mary's and members of the S. A. Knights of Columbus, viz., C. Marty, assistant coach, and M. Miller, the referee. Besides this trio there were twenty of St. Mary's students, who came in four carloads from San Antonio, despite the very inclement weather and the drain on their athletic treasury.

Richard Senz had broken his collar bones and could not participate otherwise than as an enthusiastic rooster for his school-mates. Richard, whose brother is Deputy Grand Knight, learned in Kerrville that he is a distant relative of Father Kemper. Among the other guests were Julius Teng's son, Charley; Judge Davis' boy, William, and the son of County Assessor Albert Huth, S. Rothman, distinguished himself by his fleet-footed long runs. The rest of the players and substitutes were: P. Kinny, C. Buckley, T. J. Buckley, W. Fecci, F. Russi, G. Fable, R. Garza, M. Damm, D. J. Small, S. Heye, C. Strain, J. Hughes, J. Greenhalgh, Laird and Loessberg.

Supper at Rectory After the players had donned their civilian suits, their manager took them to Gold's Coffee Room. Brother Ryan, Mr. Marty and Mr. Miller then came to the Rectory, where they were joined by Professors Franklin and Jordan of Tivy, and by Messrs. Johnston and Ward of the School Board. Owing to the hurried and uncertain arrangements of the game, only eleventh hour preparations could be made. All efforts to reach other members of the School Board proved too late, in most instances for their hunting program.

Miss Angeline Kemper set a beautiful table with a very palatable supper for her guests, who also enjoyed discussing the afternoon's game. Hardly was the meal over when the S. A. boys assembled in front of Notre Dame and gave three lusty cheers for Kerrville and a parting "rah, rah, rah!" for Nostra Domina.

Brother Ryan promised his victorious boys a trip to Austin on Thanksgiving Day for the season's climax when Texas U. clashes with A. & M. St. Edward's College of Austin is scheduled this month for a game with the K. C. eleven to which our Clarence Mosel contributes his valuable support.

Conroy Scoggins, son of Thos. Scoggins, has made the Freshman team of the big Notre Dame University, whose own undefeated team is one of the strongest in the North. Mrs. Thos. Scoggins will move to Kerrville from Houston next week with most of her family, and occupy part of Mr. Gold's residence.

Drives by Doves The good example set last year by Notre Dame Institute in observing Armistice Day, was imitated on the second anniversary by all the schools, banks and stores. This year it was not merely a patriotic day, but a whole week of campaigning for various good causes.

First came the Soldiers' Memorial Hospital, for which the Notre Dame children collected 6 per cent of the Kerr County total. Miss Wilhelmina Mosel lead all the taggers when results were counted. Next came the Red Cross Drive, to which all Catholics were strongly urged to give most generously. The Junior Red Cross branch was reorganized at both of our schools, under the direction of the Sisters of Charity. St. Camillus de Lellis was the originator of the Red Cross badge and idea long before the Geneva Convention.

For church purposes there was a synchronous canvass for the diocesan

seminary, which is being completed at the First Mission, near San Antonio, and will be solemnly blessed on Thanksgiving Day. The management of this drive last year was entrusted to Father Kemper, who with his confreres raised over \$100,000 during the week designated for this purpose. The present drive is for furnishing the building and embellishing the grounds. Like last year, Kerrville was again the FIRST to "go over the top" by sending a check for more than her presumptive quota by return mail.

Besides these three major appeals during the week, there were half a dozen lesser calls for local charitable causes, principally to provide wood, blankets and clothing for suffering invalids and penniless strangers. Although our Catholic people were called upon often, they responded as if they found real enjoyment in doing so.

Notre Dame Notes On the vigil of Armistice Day, Miss Annie Malone, one of our boarders, was operated on at Santa Rosa Hospital, San Antonio. She is convalescing rapidly according to Sisters Hilda and Hermingild, who went down on Saturday to see her.

August Mosel, while on a visit to his brother, Arthur Mosel, last Tuesday, became very ill and had to be taken to Secor's Hospital. His sons, Walter and Edgar, came on Saturday and removed him to his Fredericksburg home.

Willie Farrish, son of the Notre Dame care-taker, spent the week-end on a hunting trip, in which he "saw tracks" in lieu of anything more tangible.

With the approach of cold weather the Notre Dame jitney plying daily to the Mexican School has been converted into a "limousinette," a novelty in Kerrville. Local Ford agents are responsible for this comfortable and attractive transformation.

On the occasion of Father Kemper's trip to Comfort last Sunday, Mr. Sailer was badly gashed on his nose and forehead when he tried to crank the priest's Buick after services. The gears had locked, making the starter useless.

At Comfort, notwithstanding the cold and slushy weather, Father Kemper had a nice self-sacrificing attendance. He presented the parish with a beautiful ciborium as a token of appreciation. The daughter of Mrs. Annie Valdez was baptized and received the name of Mary Gertrude—Mary because she was born on the natal day of the Blessed Virgin, and Gertrude because of the baptismal feast. Curiously enough on nearly every anniversary some girl has received baptism and was christened with that name, a name dear to Father Kemper on account of his favorite deceased sister.

A recent adult convert made his First Holy Communion in St. Mary's Church last Sunday. Next Sunday a High Mass will be sung at 10:15 a. m., during which a biblical instruction will be given.

ROMAN BATHS ARE TO BE EQUIPPED FOR NEW SENATE

Washington, D. C.—The Greco-Roman baths of the United States Senate, installed nearly eight years ago, but never put into service, are now being cleared of the cobwebs and stains of time and will be in shape to offer their luxuries of steam, plunges, shower and electricity to the members of the new Senate when it assembles. Charges of extravagance were aimed at the baths in Congressional debate when the power of Administration last swung from Republican to Democratic and as a result, the baths, installed in the then new Senate office building, were shorn of their attendants and left in gloom. The marble slabs, Turkish rugs and steam tables and chairs were turned over to the Government hospitals and only the marble shells and nickel fittings left in place.

Now, however, the baths are coming back, but under a new plan. Members of the Senate themselves will pay a large part of the operating expenses and a special official committee has taken charge of the assessments which will be levied against each user in proportion to the service he exacts. The baths will be somewhat less gorgeous than the original plan, but the luxury and completeness will still have claim to comparison with private club installation.

The Republicans will have such a large majority in Congress that it will be unwieldy. All will not be easy sailing for our friends in power. However, if they must have the presidency, we are glad that they have it all, so the people will then know who to hold responsible for any failure to meet the many serious problems of government confronting the American people.

CENTER POINT COMMENTS

Center Point contributed \$31.35 to the Soldiers' Sanatorium during tag day last week.

Mr. and Mrs. Leo Burney returned to Rockspings Monday after an extended visit here and at San Marcos.

Miss Bessie Lee Maxwell of Westmoreland College, San Antonio, visited home folk here Saturday and Sunday.

Mrs. J. E. Faircloth and her daughter, Miss Annie, of Orange, Tex., arrived in Center Point this week and will spend the winter here.

Rev. C. S. Wright, Presiding Elder for this district, held conference here Sunday, and preached Sunday night at the Methodist Church.

F. M. Adams of London, Kimble County, spent several days in Center Point this week. He gave instruction in some work to the members of the Masonic Lodge here.

John Davenport, from his ranch on Mason Creek, was in Center Point Monday. He reports many wolves preying upon the flocks of sheep and goats in his neighborhood.

Fire destroyed the farm residence of Sid McElroy, one mile south of town, Tuesday morning at 10 o'clock. The place was occupied by a colored family, who were away from home at the time, hence the origin of the fire is unknown. Loss about \$1,500. No insurance.

(Too Late for Last Week)

W. R. Campbell of Seguin came up Tuesday for a short visit to his son, Roy Campbell.

Edwill Burke of San Antonio came up to see his mother, Mrs. J. W. Nelson, last Sunday.

Frank E. White of Crosbyton, Tex., is here prospecting with a view of buying a small farm.

R. F. Gant of Corinth, Miss., has located in Center Point for the winter. He comes for rest and recuperation.

Mr. and Mrs. Rex Jones of San Antonio are up for a few days, visiting Mrs. Jones' mother, Mrs. M. V. Stanley.

Misses Olga and Golda Burney, students at the Seefield School, visited their grandparents, Mr. and Mrs. W. D. C. Burney, last Sunday. Mrs. W. D. Burney returned Tuesday from San Marcos, where she had been visiting her daughter, Lois, who is attending the Southwest Texas Normal.

Levi Surber, C. E. Sikes and Robert and Earl Davenport went for a few days' hunting trip to the head of the Medina last week. They bagged three deer and four turkeys.

Mrs. H. W. Reese, who is domiciled at the Huff House, has as her guest her sister, Miss Mary Carlson, of Beaumont. Miss Carlson may prolong her visit through the winter.

B. L. Ray of Kress, Tex., arrived here Tuesday with his family. He thinks he has found what he is looking for, a climate in which a man can live, water a man can drink and an American town with a good school.

A letter from J. C. McElroy at Ponca City, Okla., contains the news of his promotion from the head of the accounting department to the secretaryship of the Marland Refining Co. His friends here are pleased to learn of his advancement.

Vernon Caldwell was distributing venison to his friends here on Tuesday morning. He brought down his first buck of the season that morning. When Vernon has something good he always wishes to share it with his friends.

J. L. Keith is wearing a smile that won't rub off this week. He received a wire from Breckenridge, announcing the bringing in of an 800-barrel well on his property there. Several of our citizens own royalties which entitle them to part of the production from Mr. Keith's land. This well is only one of several to be put down by the Texas Co. on this property.

"Hen Party" was thoroughly enjoyed by several of Miss Tina Belle Watters' choicest friends at her home, Wednesday evening, November 10th. As the guests arrived they were received into the living room, which was beautifully decorated with ferns and chrysanthemums. The guests were royally entertained with Bunco, Flinch and Rook, with prizes awarded to the winners, after which delicious refreshments of hot chocolate and cake were served to Misses Julia Burney, honoree; Ruth Burney, Marie Cox, Zula Mayfield and Inez and Tina Belle Watters, the hostess. At 10 o'clock the guests departed, declaring that they had spent a most enjoyable evening.

GOT SOMETHING YOU WANT TO SELL? Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want. These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year. Why Not Sell Them? Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in The Mountain Sun?

SOUR STOMACH INDIGESTION Theford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver. East Nashville, Tenn.—The efficiency of Theford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion; and all other troubles that are the result of a torpid liver. "I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

PILING UP HAPPINESS

DOES each year find you wishing and hoping for better things in the future—and regretting lack of accomplishment in the past?

There is one sure way to fill your horn of plenty to the brim with all the good things of life. It entails no sacrifice now. It merely means the forming of a good habit.

Save! That good old formula for success is as true now as when it helped build the fortunes of our pioneer railroad builders, manufacturers and promoters.

Applying it on a small scale in your own way will bring you results in proportion.

HELPING HIS TOWN

New Orleans Times: The housing problem is not local. It is acute everywhere. But every community must find its own solution.

Many different plans in different parts of the country have been evolved to encourage home-building. The Times has referred to a number. Another of interest is that of George C. Gill, president of a bank at Holyoke, Mass.

Recently Mr. Gill wrote his depositors saying \$500,000 had been put aside in his bank to help those who wish to own their own homes. He outlined the conditions. Any man who has had \$1,000 in the Gill bank for six months may build a \$5,000 home. The bank will advance the other \$4,000, carried as a loan to the builder until the house is finished.

When a house is ready for occupancy a regular first mortgage loan for \$2,500 is arranged with a saving bank, while the Gill bank carries the balance of \$1,500 as a loan to the builder, to be paid off by the owner in weekly or monthly payments like rent.

Some restrictions are laid down by President Gill. The lot is to be paid for out of the \$5,000. It must measure at least 50 by 120, so there will be room for a garden. The location must be approved. It must have sewer connections. Only American citizens or foreigners with their first papers will be accommodated.

On the other hand, it is guaranteed that there will be no overhead charges, no costs, no fees, no strings to the proposition. No commissions will be allowed to brokers. Every owner or builder will be protected against excessive discounts on second mortgages.

The Holyoke proposition, of course is only of interest to those who have saved or are willing to save something for a start on a home. But it shows a commendable spirit of co-operation on the part of this banking institution with the movement to solve the housing problem and encourage home ownership. If there is a selfish interest involved it springs from a knowledge that a community of home-owners is, on the average, worth more to a bank than one of renters.

Kerrville had a little ice and quite snappy breezes during the cold wave, but just think what the fellows further north had to put up with.

J. R. Burnett received about 500 turkeys on foot from Medina Wednesday afternoon. That is placing Kerrville in competition with Cuero as a turkey center.

Most of the leading Democrats have decided to abandon any attempt toward reorganization or to hold any post mortems. This is as The Sun suggested. Plenty of time for reorganization, after it is seen how much there is left to reorganize.

Since the end of the war we have quite regularly seen articles referring to the Department of Justice or some other department supposed to look after law enforcement, getting ready to prosecute the "profiteers," but it usually stops there. We haven't heard of any of these varmints being caught in any trap.

It is proper that there should be some kind of program on Armistice Day, as was held at Kerrville last Thursday. The only regret is, that there was not more time for preparation and longer notice to our neighbors and citizens, so that the gathering could have been larger. It is well to keep in remembrance what the boys did "over there" to perpetuate Democratic form of government and the protection of the weak and oppressed.

The norther that visited Southwest Texas the past week interfered with the Harding party's fishing, and also caused them some inconvenience by failure of the little narrow gauge railroad to operate. The dirt road, were also impassable for autos. This predicament of the distinguished party, including several newspaper correspondents, will not help that section of Texas' reputation for a salubrious climate in winter season. However, these visitors ought to be old and experienced enough to know that it is sure to happen when you least desire it—disagreeable things. Texas even thinks that at the recent election was an inappropriate time for such a result. Let's all forgive and forget—the Harding party the beastly weather and the Texas Democrats the result of the election—so we start again on most friendly terms.

President-Elect Harding is making some conservative and courteous talks to the people of the South, which they ought to meet half way. Our exclusive sectionalism is not doing us any particular good in the way of securing the capital necessary to develop our great natural resources. The "Solid South" might be better off without such a cognomen. It would possibly break the "Solid North and West" which resented the supposed favoritism shown the South by the Wilson Administration, if the South should further break in its regularly voting the Democratic ticket. We are facing new conditions and must meet them in a different way than has been the practice for so long. True Democracy embodies the correct form of government, but we do not get the pure article, all of the time, even in the Solid South.

Gifts for Baby

Christmas brings to the baby many dainty gifts. A pillow of wash silk and a little jacket of pink flannel are shown in the picture above, both of them glorified by trimming of narrow satin ribbon. A small oblong pillow of down is provided with a silk cover, having loops of ribbon set about the edge. A quilling of satin ribbon finishes the edges of the jacket.

Furbelows for Maids

Many a fair maid will rejoice in such new and smart furbelows of ribbon as are pictured here, when Christmas brings her remembrances. Here is a collar, vestee and girdle with a bag to match that are irresistible. This garment for the waist is made of striped ribbon—showing the glowing colors in Roman stripes. The girdle is knotted at the left side and hangs in two pointed ends. The bag is drawn up and suspended by narrow satin ribbon, has a silk ornament, like those on the collar, at the bottom.

Gifts Suited to Everyone

A handkerchief or a tie case, or a pair of ribbon-covered shoe-trees make gifts suited to either men or women. The tie case pictured is a length of ribbon folded envelope fashion and bound with gold braid. The handkerchief case employs narrow satin ribbon joined by fancy braid. Satin ribbon is shirred over the shoe-trees.

Sachets As Gifts

Among little gifts, that always please dainty women, are sachets. A series of gayly colored satin bags, tied with narrow ribbons and pinned to a wider band with tiny safety pins, make a gift worth while, each bag ready to be transferred to the clothing. Another sachet is heart-shaped, edged with narrow ribbon frills and three little bags are surmounted by a tiny doll.

The Women's Society of the Presbyterian Church met with Mrs. Lee Wallace last Thursday afternoon. Owing to the inclemency of the weather the attendance was not large, but those present thoroughly enjoyed the program on "Brazil," prepared by Mrs. Reichert. She was assisted by Mesdames Leslie Adkins, Leisering and Simmons. A delicious salad course was served.

You'll find, that by reading the advertisements in The Mountain Sun consistently this week and every week, you can increase the value—to yourself—of every dollar you have to spend. The things you see advertised are almost invariably as represented. The advertisers' statements are usually safer to trust than your own judgment. Advertised misrepresentation is business suicide.

The office fixtures of the Chas. Schreiner Company are placed and show up fine. They are of quarter-sawn oak with high wrought iron grill and wooden top surrounding the desk part, the latter having numerous convenient drawers, while at different places are windows to wait on customers. These handsome office fixtures are in the back part of the grocery department. Adjoining the office in the rear is a private office for A. C. Schreiner. There is a substantial and roomy fire-proof vault to keep the books and important papers in. This completed store would do credit to any city.

WEAK, WEARY WOMEN

Learn the Cause of Daily Woes and End Them.

When the back aches and throbs, When housework is torture, When night brings no rest nor sleep, When urinary disorders set in, Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys.

Have proved their worth in Kerrville. Ask your neighbor. This is one Kerrville woman's testimony.

Mrs. A. E. Materne says: "Doan's Kidney Pills have been a great friend to me. I suffered with kidney trouble for a long time. My back ached awfully and I could hardly do my housework and felt run down and languid. I had no energy, and my kidneys acted irregularly. I read of Doan's Kidney Pills and used them. They just suited my case and relieved the backaches and all the symptoms of kidney trouble."

**PLEASED WITH MANNER
THAT THE WOMEN VOTED**

New York.—What becomes of the denunciations of the prospective woman voter, the prophecies that she wouldn't know how to vote; that she wouldn't take the trouble to stand in line to cast her ballot; that she didn't care for candidate or principle or party sufficiently to stand back of them?

One of the most important decisions of our age was made in the recent vote. Lesser decisions in State and county were made, too, and in all of them woman had her "say."

That she wants to vote; that she will stand hours for the privilege in stuffy shop or on crowded sidewalk in a stiff gale; that she knows just for whom she wishes to vote, and that she is able to give good reasons for her decisions.

That she can fight for a principle and against a candidate, and also that she can give up a fight against a man to serve a principle; that she may rebel openly against election results and predict as fearlessly as any man of long voting experience.

Of that number who believe that a protest, though at first overwhelmed, has its ultimate effect is Miss Mary Garret Hay, chairman of the New York City League of Women Voters, who has been in opposition to the reelection of Senator J. W. Wadsworth Jr. from New York State.

Are Certain Work Will Have Results
Seen at her office she expressed satisfaction over the election returns, and said:

"All women who have worked for years to gain the ballot for their sex are delighted over the fact that women in this election have voted in such large numbers and have taken such an intense interest in the campaign issues. The old contention that, when enfranchised, they would do neither is now seen to be a fallacy. "As a Republican I am pleased with Mr. Harding's great victory, and, with Republican gains all along the line, I hope that the Republican party will do a great reconstruction work for the country, and that the voters will never regret the confidence they have expressed in the ability of the members of the party to bring us back to better conditions."

"As to the fight against Senator Wadsworth, in which I participated because I considered him a candidate unworthy the Republican party, I feel satisfied with many of its results. To be sure, the Senator was not defeated, but the women and the men who opposed him have issued a voters' declaration of independence that will in years to come bring needed reform. For they have shown that large numbers of the voters rebel against having candidates forced upon them by bosses and political machines, that they demand men in office who will represent their interests and believe independence of thought and action should be expected and respected at the ballot box."

"This movement will not die out, for the people who started it have found many adherents who will continue to preach its doctrines. Mr. Wadsworth had to work hard for his election, and would have been defeated, I believe, if the success of his whole ticket had not helped him. No good fight was ever fought in vain, so that the anti-Wadsworth forces are not discouraged with their first battle in the interest of more representative candidates and a ticket that is the expression of the voters' desires and not that of a machine. Victory for them is merely postponed to a future date."

Here Are Views of Other Leaders
Mrs. James Leeds Laidlaw agrees with Miss Hays' statement that Senator Wadsworth was helped by the success of his ticket. Mrs. Laidlaw is a prominent suffragist and a member of the International Women Voters' Association.

"Senator Wadsworth ran behind his ticket," says Mrs. Laidlaw, "and this undoubtedly was caused by the women's protest. The Republican landslide brought abnormal election results which will mean an enormous reaction to come, and not very far distant, either."

"Woman's vote is more or less disorganized now, but in another four years it will be a greater force. No one can predict how great or how far-reaching it will become."

From Miss Helen Varick Boswell, a well-known suffragist who voted for Senator Wadsworth, comes another statement, intended to refute and confuse the jibing men who have said women cannot bury a prejudice.

"I don't believe in holding a private grudge against the Senator for something that happened two years ago," laughed Miss Boswell. "I don't agree with him on some of his views, but he is an honorable man of the sort we need in public office. For the

**ELECTION OF HARDING
COST G. O. P. \$3,416,000**

French Lick Springs, Ind.—The election of Harding and Coolidge cost the Republican National Committee exactly \$3,416,000. All the bills have been paid but there is a "deficit" of \$1,250,000 that remains to be raised.

Fred W. Upham, treasurer of the National committee, gave out these figures. He has just compiled his final report of the campaign receipts and expenses that he will file with the clerk of the House of Representatives.

"We find that we are just exactly within the budget that was made in July," Mr. Upham said. "We have settled every indebtedness, the campaign headquarters closed, and the 1920 activities have ceased, and the presidential campaign required an expenditure of \$3,416,000."

Mr. Upham said that the notes of the National committee are in existence with scattered financial institutions from Boston to San Francisco, for \$1,350,000. "That represents what might be called a deficit. One of the purposes of the New York meeting is to make the necessary arrangements for clearing up this balance. There will be no difficulty on this score. The Nation is so satisfied over the result of the election that I do not apprehend the slightest trouble in having the deficit subscribed."

"Naturally we look to the Eastern States to do the most of this for the very good reason that the West has more than outdone itself. The States of the West raised fully 50 per cent of the actual cash that was raised and expended. Illinois alone subscribed more than \$400,000."

Mr. Upham said that the Republican campaign fund had come from more than 50,000 individual subscribers, of whom there were but 29 who had subscribed over \$1,000 each. 11 of this latter classification having contributed since the June nominations.

Children's Party

Mrs. H. C. Geddie gave a lovely Children's Party at her home last Friday afternoon, honoring little Misses Mildred and Elaine and Master John Robert Williams.

A delightful afternoon was spent playing games of all kinds.

It being Master John's sixth birthday, a birthday cake with its burning candles furnished great fun for the children as they cut for the prizes. Miss Amiee Louise Schmerbeck captured the button, Master Julius Leisner drew the thimble and John Robert Williams secured the dime. Refreshments of ice cream and cake were served to about thirty little folk.

Mrs. Knox and Mrs. S. J. Williams assisted Mrs. Geddie in entertaining her young guests.

public good many thousands of women voted for him.

"We needed Wadsworth to back Harding in Congress. Why expect Mr. Harding to function as a Republican President if we do not place supporters at his back in the Senate and the House?"

"Women do not vote as a group. They have gone into various parties with the greatest interest and understanding of affairs. As chairman of an organization including thousands of women in New York County, I know positively that women are not only going to be organized but are organized right now."

Is Huge Triumph Over Prejudice
"The fact that Wadsworth is elected shows that women can subdue their prejudices to a greater cause."

"As for women breaking up friendships over political convictions, that is ridiculous. Women are human beings like men. Some will let these things matter and some won't. I have a number of friends directly opposed to me on political questions, but I can say that those are the only points on which we differ at all."

With the coming of a new era in politics and with the enfranchised woman in her hard-won place, former accusations against her sex must go their way along with the fast-disappearing enemies of suffrage. Women have proved they can take defeat philosophically, and their leaders content that they are equally competent to keep their heads, despite the intoxicating influences of victory.

Piling It On

"A flirt, am I?" exclaimed Mary Ann, under notice to go. "Well, I know them as flirts more than I do, and with less hexcuse." She shot a spiteful look at her mistress, and added: "I'm better looking than you. More 'andsome. 'Ow do I know? Your 'usband told me so."

"That will do," said her mistress, frigidly.

"But I ain't finished yet!" retorted Mary Ann. "I can give a better kiss than you! Want to know 'oo told me that, ma'am?"

"If you mean to suggest that my husband—"
"No, it wasn't your husband this time," said Mary Ann. "It was your chauffeur."

**COTTON MILL TO BEGIN
OPERATION IN "SANTONE"**

San Antonio Light: San Antonio's first cotton mill is ready to begin operation, it is announced by its owners, Chapman and DuBose. All machinery has been installed, and in a few days, for the first time, the city will witness the manufacture of cloth here.

The story of how San Antonio secured the valuable addition to her manufactures is told by G. M. Knebel, secretary of the Manufacturers' Association, who inspected the new factory last week at the invitation of E. A. DuBose.

"After going over the entire State in search of a suitable location for an up-to-date cotton mill, three capitalists, two from Wichita Falls and one from Oklahoma City, decided that San Antonio offered the most satisfactory site for such an industry as they proposed to establish. They took into consideration the city's large supply of good water, excellent climate, which is especially adapted to the manufacture of cotton cloth, and its transportation and labor facilities."

"Coming quietly into the city and revealing their intentions only to a few, these men, E. A. DuBose, J. O. Chapman and H. H. Rogers, purchased a tract of 550 acres at Southton, a few miles below the city, and began to erect their mill."

"They commissioned F. D. Milsted, a textile mill expert and engineer, to draw plans for the factory."

"The mill is modern throughout and includes the latest designed machinery. All buildings are of brick and concrete fireproof construction. The main structure is 54 by 420 feet and the adjoining warehouse 100 by 120 feet. Nearby is a large concrete reservoir and a steel tower on top of which is a huge water tank."

"The millowners have looked after the comforts of their employees. There have been built ten concrete and brick bungalows, absolutely fireproof, costing approximately \$6,000 each. Each of these dwellings will be rented to employees at \$20 a month."

"The present facilities at the mill will permit the making into cloth of 3,000 bales of cotton a year."

"The total investment in the new factory, not including the land on which it stands, will run over one-half million dollars, it is said."

THE STATE OF TEXAS

To the Sheriff or any Constable of
Kerr County—Greeting:

You are Hereby Commanded to
summon Addie Ransom and husband,
Frank Ransom; Janie Carriger and
husband, Wesley Carriger; Abbie
Decherd and husband, D. G. Decherd,
by making publication of this Citation
once in each week for four successive
weeks previous to the return day
hereof, in some newspaper published
in your County, if there be a news-
paper published therein, but if not,
then in any newspaper published in
the 38th Judicial District; but if there
be no newspaper published in said
Judicial District, then in a newspaper
published in the nearest District to
said 38th Judicial District, to appear
at the next regular term of the Dis-
trict Court of Kerr County, to be
held at the Court House thereof, in
Kerrville, Texas, on the 3rd Monday
in December, A. D. 1920, the same be-
ing the 20th day of December, A. D.
1920, then and there to answer a pe-
tition filed in said Court on the 26th
day of December, A. D. 1919, in a
suit, numbered on the docket of said
Court, No. 1067, wherein Ella Bell,
joined pro forma by her husband
Langtry Bell, is Plaintiff, and Ellen
Rees, J. B. Rees, Louis Rees and
Charles J. Rees, Addie Ransom, wife
of Frank Ransom; Brownie Coker
wife of W. A. Coker; Etta West, wife
of W. A. West; Janie Carriger, wife
of Wesley Carriger; Abbie Decherd,
wife of D. G. Decherd, are Defendants,
and said petition alleging:

FIRST: That plaintiff and the de-
fendants own jointly and in common
a tract of about 1,370 acres of land in
one body near the town of Center
Point, Kerr County, Texas, and a lot
in the town of Center Point and also
two lots in the City of San Antonio,
Bexar County, Texas. That said
acreage property has a value of about
\$25,000.00, the lot in the town of Center
Point, a value of about \$200.00,
and the lots in the City of San Anto-
nio, a value of about \$500.00.

SECOND: Plaintiff further avers
that she and said defendants own
jointly and in common bank stock of
the par value of \$2,500.00 in the
Guadalupe Valley Bank of Center
Point, Texas, stock of the par value
of \$3,000.00 in a flouring mill at Cen-
ter Point, Texas, and stock of the par
value of \$2,100 in the Center Point
Mercantile Company. Also there is
on deposit in the Schreiner Bank at
Kerrville, about \$700 and in the
Guadalupe Valley Bank aforesaid
about \$400. Also the plaintiff and
defendants own jointly and in common
a note of about \$1,200, given by W. A.
Coker to Alonzo Rees; now deceased,
and under whom all parties hereto in-
herited same. Also a note given said
Alonzo Rees by said Louie Rees for
\$1,200.00 and also a note given to said
Alonzo Rees by Charlie Rees for \$1-
400.00 and a note given said Alonzo
Rees by Wiley Stinson for \$100.00 be-
sides other notes of comparatively
small sums, but the amounts thereof
and by whom given petitioner does
not and can not allege.

THIRD: Plaintiff further avers
that she is entitled to at least 1-18th
in all of said property and the said
Ellen Rees is entitled to approximat-
ely one-half thereof and each of the
other defendants are entitled to ap-
proximately one-eighth, subject
however to deductions for advance-
ments made to any of them by the said
Alonzo Rees, during his life.

FOURTH: Plaintiff further avers
that she and all of the defendants
save the said Ellen Rees inherited said
property from their father, the said
Alonzo Rees, and the said Ellen Rees
is the owner of a one-half interest in
said property because same was ac-
quired during the marriage and by the
joint efforts of herself and husband,
the said Alonzo Rees. But petitioner
alleges that the said Ellen Rees, J. B.
Rees, Louie and Charlie Rees, have
received and used funds, property or
benefits by way of advancements or
otherwise with which they are prop-
erly chargeable and should be required
to account for in a final settlement
and distribution of the property of
said estate but the nature, value and
amount of such advancements and
funds used is not known to the
pleader herein and at this time can
not be more specifically alleged and
shown.

FIFTH: Plaintiff further avers
that all property sought to be divided
and partitioned by this suit belongs to
the community estate of the defendant
Ellen Rees and the said Alonzo Rees,
deceased, but plaintiff avers that the
said Alonzo Rees died intestate and
debt free and that there exists no
necessity for a probate proceeding on
or for the appointment of an ad-
ministrator to supervise and wind up
the affairs of said estate.

WHEREFORE, plaintiff prays that
after all parties are before the court,
either by service of process or
waivers, that the court hear the evi-
dence and determine what property
and all the property that belongs

OUR POLICY IS NOT TO SIDE STEP

Did you ever notice how peculiar most of us humans are in the matter of sidestepping? The man who can't play golf dubs it "an old man's game"; the chap who can't dance will side step a two-step and ask his partner to "sit it out" with him; the man who never had the pluck or price to go to Europe shouts "See America First!" One of the firmest policies of this firm is not to side step. We tell you what we have and we tell you the whole truth, not half truths. We don't claim to be infallible—all we can do is to try to have everything you want just when you want it and at prices that are reasonable. You may be sure that anything and everything you purchase from us is just as represented. If for any reason you think you have not received value for your money, bring back the goods. If you don't want them we don't want you to have them. We spend a lot of time studying your needs and means, and when we put anything in our stock you may be sure it is worth all we ask, most times a little more. We step straight ahead successfully, because our policy is never to side step.

jointly to the plaintiff and defendants
as inheritors from and under the said
Alonzo Rees and make proper and
equitable partition and division of all
of same, both real and personal prop-
erty and for this purpose if found
necessary by the court appoint com-
missioners of partition and designate
a surveyor to assist in the partition
of the realty, and this plaintiff prays
for all relief, legal and equitable, gen-
eral and special to which the court
may find her entitled.

Herein Fail Not, but have you be-

"WHY I CAN'T GET WELL?"

COUNTLESS thousands are asking themselves this very question every day, yet if they would
but stop long enough to seek a true and trusted method, this terrible question would eventually
be numbered by the hundreds instead of thousands.

CHIROPRACTIC

CAN AND WILL bring you the result you are seeking, but cannot help you unless you will take a
sufficient number of adjustments to bring about a condition that is noticeable. You could not ex-
pect to come to my office two or three times, then quit for a while. Constant work on my part alone
will do what you want. The cases, of course, vary according to your condition.

I reiterate, that if you really want to get well, Chiropractic is the sure and safe road to re-
