Dr. J. E. McDonald, W. M.; R. A. Franklin, S. W.: Cecil Robinson, J. W.; A. E. Self, Secretary; L. Schreiner, Treasurer, and W. А. В. Childs, Tiler.

The newly elected Master announces the following to fill the appointive of-fices: Jno. R. Leavell, S. D.; L. M. Comparette, J. D., with S. S. and J. S. to be filled later.

The retiring Master, Chas. L. Mason, made a very impressive and interesting talk, thanking the members for their co-operation during the past year, reviewing the work accomplished, citing instances of good the order has done in the past and predicting a most successful year in the future.

The newly elected officers will be installed at the next regular meeting FEED AND SEED STORE OPENED of the lodge, Saturday evening, June

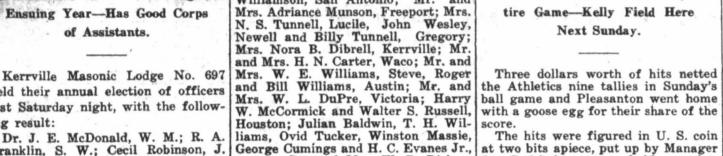

This is indeed a fine bunch of officials the lodge has selected to carry on their work, and Kerrville should be proud of having such a live organization as this.

Chas. C. Butt in Charge of New Store

Formally Opened in Lowry Building Last Saturday.

Last Saturday was the formal opening day of the new branch of the C. C. Butt store. The new branch is to be conducted as a seed and feed store, with a line of groceries in connection.

Chas. Butt is managing the new store and his assistants have been taken from the force at the old stand, which is to be conducted as usual.

Flory played good ball at second in the first apeparance at that position Capt. Hurley E. Fuller of Center Point in which he had had a chance to do anything. Saenger played steady ball dies, feeds, incubators, brooders and at short and Captain Henke made a spectacular catch of A. Brite's terrific drive to the deep left field wall in the fourth, robbing him of what looked like a sure hit. Dugat covered the initial sack in great style and picked a foul off the fence in the sixth for a pretty catch.

Holchak, Henke and Brown each got six bits worth of hits out of five trips to the pan. Two of Holchak's blows were for two sacks and one of Brown's went for a double. Henke also made one of his swats count for an extra base. Remschel, Saenger and Flory were the others who made a quarter by their stick work.

About 50 people were present, consisting of the ladies and their husbands, besides several invited guests, and all participated in the excellent repast spread by the ladies, which was done full justice by all the men present. One man was heard to remark: "Why do the ladies torture us with so many good things to eat?"

Plans were discussed concerning further improvement of the park and several speeches were made on the subject. It seemed to be the consensus of opinion that the park as it now stands needs little done to it, except the sodding of grass along the water edge and the construction of a retaining wall or terrace along the edge of the hill to prevent washing of the turf during heavy rains. Also it is ing room. The table was laid in hand planned to improve the entrances to the park.

Manufactured under the most sanitary conditions possible, our goods are as free from impurities as modern methods and up-to-date equipment can make them. This is attested by the fact that our plant is rated very high in the inspections by the State Pure Food Department.

In addition, at least six times yearly our plant undergoes the most rigid inspection by Inspectors from the Coca-Cola Bottling Company, whose bottling franchise we hold dependent upon our compliance with their standard. The requirements in this standard of sanitation and cleanliness are even more stringent than those of the State Food Department. Here's what they say about our plant:

THE COCA-COLA BOTTLING COMPANY, Atlanta, Ga., June 3rd, 1923. Coca-Cola Bottling Co., Kerrville, Texas. Gentlemen This will acknowledge receipt of Inspection Report No. 3,043 covering an inspection of your plant on May 28th. This is a very fine report and you will score high on same. We wish to thank you for your efforts and we congratulate you upon the same. Yours very truly, THE COCA-COLA BOTTLING COMPANY, By A. C. JOHNSTON, Manager Service Department.

Our plant is under our direct supervision and inspection daily, and our standards of perfection in sanitary conditions and cleanliness are even higher and more rigid than the State Department and the Coca-Cola Bottling Company. We demand of all our employes strict observance of these standards in the handling of our products, not only in the factory but in our sales rooms and delivery department as well.

Our ice cream meets the most rigid requirements for quality, deliciousness, purity and flavor, and have made the name

That's the way it is with the ball team up to so far.

You see it's like this, folks. It's a costin' about \$60 instead of \$40 to get teams to come here this year. And now it ain't a bit of use to get any but the best teams and they cost us jest a leetle more. In other words to the same effect, we got to pay to get teams to come here and be beat and that's worth beatin'. Now next Sunday Kelly Field will be up here again. They ain't nothin' been done further than that. The boys want to play all the games they can at home, but they've got some good chances to play away from home and break even. It's your team, folks, and so come out next Sunday and say they got to play at home all the Sundays they can, and especially on the Fourth. HOUSE JOINT RESOLUTION NO. 16

Proposing an amendment to Article 8, of the Constitution of the State of Texas, which relates to taxation and revenues, by adding thereto a new section to be known as Section 9a, directing the Legislature to provide for the construction, operation and maintenance, under State control, of a State system of public highways; providing for an election for the rati-fication or rejection of amendment herein proposed, and making an ap-propriation to defray the expenses of said election.

Be it resolved by the Legislature of the State of Texas:

Section 1. That there be submitted to the people of Texas, for ratification or rejection at a special election provided for herein an amendment to Article 8, of the Constitution of the State of Texas, amending said Article 8, of the Constitution of the State of Texas by adding thereto a new section to

be known as Section 9a, which shall read as follows: Section 9a. The Legislature is authorized and directed to provide for the creation, establishment, construction, maintenance and repair of a system of improved highways throughout the State to be under the control of the State; and in order that the State may provide the means, revenues and in-strumentalities for the establishment and maintenance of such system of highways, the Legislature is empowered to levy and cause to be collected specific excise and ad valorem taxes, in addition of those permitted for other purposes in the Constitution, but such an ad valorem tax shall be imposed only for the purpose of retiring the bonds authorized by vote of the people of this State as provided for hereinafter in this Section.

When said system shall have been designated and taken over for the State as provided in Section A hereof, the Legislature is authorized to make pro-vision for the equitable compensation to such counties for the value of such improvements as have been theretofore constructed by the Counties in the State. Provided, also that save for the State highway system, in all other respects, Counties shall have the right to build, construct and maintain roads, turnpikes,

and bridges within their respective boundaries and the Constitutional pro-visions relating thereto are not qualified or repealed by reason hereof. The Legislature, at any Regular or Special Session, is authorized and directed to pass and enact all appropriate legislation necessary to carry out and effectuate the purpose and intent of these Articles.

Sec. 2. The Governor of the State is hereby directed to cause to be issued is necessary proclamation for an election to be held on the fourth Saturday his necessary proclamation for an election to be held on the fourth Saturday in July, 1923, at which election this amendment shall be submitted to the gualified electors of this State for adoption or rejection and shall make the publication required by the Constitution and Laws of the State. Said elec-tion shall be held under and in accordance with the General Election Laws of the State, and the ballots for said election shall have printed or written thereon in plain letters the following words: "OFFICIAL BALLOT": "For the amendment to Article 8, of the Con-stitution of the State of Texas, providing for a State system of highways."
