## COL. WILLIAM JOSEPH SIMMONS SPOKE AT DURANT'S CROSSING

### Present Emperor and Founder of the Ku Klux Klan Honored Kerr County and Made Patriotic Address.

Col. William Joseph Simmons, present emperor and founder of the Ku Klux Klan, who was advertised to speak at the picnic and barbecue held at Durant's Crossing Wednesday, arrived at the picnic grounds about 12:30.

The speaker was introduced by Judge H. C. Geddie and made a patriotic address to the large crowd assembled to hear him, although quite a number had left after the announcement was made at noon that the speaker evidently was not coming.

The Sun had a representative on the grounds from 11 a. m. until 12:15 p. m., who remained there some five or ten minutes after the above announcement was made. Due to the rush of going to press and the necessity of covering several other stories, he returned to the city, and The Sun is therefore unable to give a detailed report of the address.

## FOURTH OF JULY CELEBRATION AT LAKE SIDE PARK HUGE SUCCESS

### Hundreds of People Enjoy Barbecue, Swimming, Dancing, Baseball and Other Entertainments.

The Grand and Glorious Fourth was a gala day in Kerrville. The huge celebration and barbecue held at Lake Side Park by the Kerr County Civic League was a great success and will long be remembered as one of the red letter days in the history of the Hill Country.

Hundreds of people for miles around began arriving in the city early Wednesday morning and the park was thronged with visitors to the barbecue long before the appetizing dinner was ready.

Swimming events, dancing, foot races and a number of other entertaining contests filled the program and kept a lively interest kindled in the festivities.

Ample parking space had been provided and this was well filled by the large number of cars in which the people came to the celebration. Admission to the grounds was free, as was the delicious barbecue, coffee, bread and pickles served to the crowds.

During the afternoon the Kerrville Athletics took the Pittsburg Water Heaters of San Antonio around for a hard fight and furnished some good baseball entertainment.

The dancing began on the big pavilion at 6 o'clock and continued until after midnight. The floor was filled to capacity for almost every dance. Charlie's Lake Side Melody Makers furnished the music for the dancing.

## MONTHLY MEETING OF RETAILERS' ASSOCIATION HELD LAST FRIDAY

### Important Matters Come Before Organization—Rating Committee Is Selected.

The Kerrville Retailers Association held a very enthusiastic and interesting meeting at the office of the Association last Friday afternoon. The secretary-treasurer's report was read and approved, this report showing that the Association is being conducted in a business-like manner.

A discussion entered into by the members present resulted in the selection of the Board of Directors as a rating committee, to pass upon all

matters coming under their jurisdiction. Also it was voted that the Association advertise in the local paper, telling customers of the Retailers the objects of the organization and the benefits to be derived from a good credit rating.

In order to get a line on new customers in the city and to enable the merchants to become acquainted with them, it was decided that each member of the Association should keep a register on his counters, wherein each new customer would be requested to enroll his name.

The Retailers Association has only been in existence in Kerrville about six weeks, but the results obtained from the co-operation of the business men have been of untold value to the individual members. A feeling of unity and harmony marks the work of the Association, and a great future is in store for the organization.

## ATHLETICS TAKE LONG END OF THRILLER WITH JOSKE'S, 7-6

### Brown Singled With Bases Loaded in Ninth to Win Own Game—Bob Barry Poled Out Homer.

The Athletics are proving to be a regular bunch for vengeance on ambitious ball-tossers who come here with hopes of packing away a series of wins from them. The domestics romped on the Joske Bros. Bargain Basement Boys on the home lot last Sunday in a hair-raising nine-inning thriller with the big kick in the last ten feet of the film. The Department Store workers were handed the little end of a 7 to 6 score.

According to the bill boards an entirely new program will be offered at the Kerrville Baseball Stadium next Sunday with Comfort playing the role opposite the Athletics. The home gang has stepped on the Green Sox's corns for a shutout, but advance notices say the entertainers' bill has been going over big lately and they are turning out a better brand of ball than during the early part of the season. If you haven't seen the wrecking crew in action lately, come out Sunday and watch 'em go.

Joske Bros. took a pair of close games from the Athletics here last season and had their minds fully made up to cop Sunday's contest, but they failed to work Mr. Cone's formula hard enough and with the proper degree of confidence in same. Had Sunday's entertainment been a debate, the argumentative visitors from the Alamo City might have had a different tale to tell friends in their home town. Even with most of the breaks going their way they holed several about several technicalities. Possibly this was because a number of fans wore white shirts instead of green, as recommended by a big league ump the other day.

The domestics should have won the game in quick style and with a little larger score, but a win is a win, re-

## LEGION HOSPITAL RECEIVED FIRST CONTINGENT SUNDAY

### Many Kerrville People Present To Welcome Special Train With Eighty Patients.

A special train consisting of four Pullmans and one baggage car arrived at U. S. Veterans' Hospital No. 93 Sunday afternoon, bringing to the Sanatorium 80 tubercular ex-service men and about 15 attendants. This contingent is the first to enter the hospital since being taken over by the Veterans' Bureau June 1st.

The patients who arrived here last Sunday were from the U. S. Veterans' Hospital No. 25 at Houston, which was closed June 30th on account of the expiration of the lease on same. While there are already a large number of ex-service men in or near Kerrville who are waiting to re-enter the institution, the closing of the Houston hospital made it necessary that the patients there be taken care of at once, hence the sanatorium here was made ready to care for those patients who were in the Houston institution.

A large number of people from Kerrville were present at the Legion grounds to welcome the patients who came in on the special train. The crowd assembled there before the local passenger train arrived, the patients being expected on that train. However, it seems that the train from Houston was late and the cars carrying the ex-service men were made into a special train and arrived at Legion about 1:40 p. m.

Most of the men were able to care for themselves and get to the buildings without assistance, although there were some eight or ten bed patients who were taken to the wards in ambulances. Dr. R. L. Cook, Medical Officer in charge of the hospital, had his staff well organized and the work of detaining was speedily completed.

It was expected that 83 patients would arrive in the contingent, but it appears that some, probably changed their minds at the last minute or else decided that they would come by some other means of transportation.

Patients will be received at the hospital as fast as the accommodations are completed, according to Dr. Cook. Work along this line is being rushed so as to be able to take them in as soon as possible.

According to Dr. Cook, the people of Kerrville and this community are co-operating in every way with the officers of the hospital.

"Please extend to the community at large my sincere thanks for the co-

## FIRST CONFERENCE OF NORTHERN PRESBYTERIANS OPENED TUESDAY

### Seventy Delegates Had Registered Before First Meeting—Expect More Than One Hundred.

The first annual summer training conference of the Presbyterian Church, U. S. A., opened at the grounds of the Westminster Encampment Tuesday evening with a set up meeting for the purpose of organizing the faculty and to arrange final details for the work.

The delegates began arriving shortly before noon and numbered 70 when the first registration was counted. This number is expected to reach 125 or more before the conference gets into full swing. These delegates come from the Austin Presbytery.

The daily program opens at 8 a. m. with the morning prayers. This is followed by periods for study and class work on Stewardship, Bible Study, Young People's Work, Home and Foreign Missions and Sunday School.

Rev. George C. Butterfield, Ph. D., of Los Angeles, Calif., is the dean in charge of the conference. Dr. Butterfield is superintendent of religious educational work and Sabbath School missions of the Presbyterian Church, U. S. A., Synod of California, and is a representative of the Board of Religious Education.

Rev. A. H. Brand, pastor of the Madison Square Presbyterian Church of San Antonio, is chairman of the general committee.

Rev. J. S. Hodges of Denison, chairman of the Foreign Missions Committee of the Synod of Texas, is representing the Board of Foreign Missions.

Other Members of the faculty for the conference are: Rev. Geo. S. Walton, Talequah, Okla., representing the Foreign Mission Board; O. M. Fitzhugh, San Antonio, who conducts the course on Stewardship, and Rev. Luther Dimmitt, Austin, who conducts the Bible Study.

Charles Stone, soloist and director of music of the Madison Square Church, is in charge of the music. The popular Madison Square Quartette will sing each evening. Mrs. T. A. Cowan, superintendent of the recreational department of the Texas Christian Endeavor Union, has charge of the athletic and recreational features of the conference.

Dr. and Mrs. R. L. Rhea of the Madison Square Church, have the supervision of the boys' and girls, dormitories, respectively. Vesper services

each evening at 7 o'clock are given by Rev. Matthew Arnold of Smithville, Rev. L. H. Morey and Rev. Edgar Hubbard of San Antonio, and Rev. L. D. Grafton of Austin.

This conference will end next Monday noon. The regular program of the Westminster Encampment begins July 17th and a larger attendance than ever is expected.

The Conference on Sunday School Work will open August 5th and continue through the 10th. Van Carter, general superintendent of the Louisiana State Sunday School Association, will be in charge of the conference, and his thorough training makes him unusually valuable for this work.

A forward step this year is the offering of five credit courses in "Trained Workers," the new standard training course. Two hours daily for five days will secure full credit and a certificate in any course desired.

In addition to Mr. Carter's lectures the following will complete this very interesting program: Miss Adele P. Hoon, Beginners; Mrs. W. L. Hickman, Primary; Miss Reba Winston, Juniors; Mrs. L. C. Majors, Secondary Division. The mornings will be for work, the afternoons will be given over to recreation and study and the evenings for inspiration.

The following have registered at the Encampment office since the last report until Monday afternoon:

Mr. and Mrs. J. T. McCants and three children, Mrs. Ida Moss and daughter, Ida; Mr. and Mrs. M. V. Thomas and children, Frank and Gertrude Thomas, of Houston; Mr. and Mrs. Y. B. Coleman, Mr. and Mrs. L. C. Hall and four children, Mr. and Mrs. W. A. Baity and daughter, M. N. Johnson, Mr. and Mrs. J. F.

## CAMP RIO VISTA BOYS CELEBRATE FOURTH OF JULY IN KERRVILLE

### Participate in Athletic Events at Lake Side—Hold Fireworks Display at Own Camp in Evening.

Herbert L. Crate and his boys from Camp Rio Vista invaded Kerrville Tuesday evening to show folk how the Fourth of July should be celebrated. The party included Mr. Crate, his assistants in the camp management and 35 boys—45 people all told.

The party were the guests of the management of the Dixie Theater Tuesday evening, seeing the production of the picture, "The Town That Forgot God," which, dealing as it does with the life story of a boy as the principal theme, was very appropriate and in line with the work Mr. Crate and his assistants are conducting at Camp Rio Vista.

The entire party had come prepared to celebrate in their own way and spent the night on the lawn at the Presbyterian Encampment, having brought blankets for that purpose, also bringing their own provisions for breakfast the next morning.

During the afternoon of the Fourth the boys participated in the various contests at Lake Side Park, and Camp Rio Vista figured prominently in the award of winners in the various events. Later in the afternoon part of the bunch attended the matinee performance at the Dixie, while another contingent took in the ball game.

They returned to their home camp late in the evening, but in time to participate in a real old-fashioned fireworks display after dark, which was furnished by the Rio Vista management.

During the opening season of this camp last year but 13 boys were paying guests. At the present time Mr. Crate has 32 boys regularly enrolled at the camp, and prospects for next season are bright indeed. Mr. Crate has a fine corps of assistants with him this season and it is a safe prediction that Camp Rio Vista has passed the experimental stage and is a regularly established institution.

## FINISHING TOUCHES BEING ADDED THIS WEEK TO NEW CITY PARK

### Electric Lights Installed, Walks Are Being Constructed and Sides of Banks Terraced.

Kerrville's new City Park, sponsored and promoted by the Civic League, is undergoing the finishing touches and in a short time the city will have a play ground that will be the pride of all.

The walks leading to the park are being constructed this week, and when the final touches are added, easy access to the park may be had at two points—at Pampell's corner and on Earl Garrett Street, in the rear of the Schreiner Bank. The sides of the bank along the park site are being terraced to overcome the tendency of washouts during heavy rains, and the park proper is to be sodded to Bermuda grass.

Electric lights have been installed in the park, with numerous lights scattered through the trees, making the playground available at night as well as day.

One of the amusement features of the park has already been installed, in the shape of a motor boat, operated by E. F. Mohn. The boat has a seating capacity of 16 persons, and boat rides

two miles in length can be had for the nominal price of 10 cents, children 5 cents, a percentage of the proceeds going to the Civic League to be used for park maintenance.

Mr. Mohn plans at a later date on installing row boats and possibly picnic and dancing barges, but at present is devoting his entire time to getting the motor boat business firmly established and assisting in getting the park finished.

## CONCRETE BLOCK BUILDING BEING ERECTED ON SIDNEY BAKER STREET

### W. G. Leazar to Have New Modern Home for His Gun and Bicycle Repair Shop.

A modern concrete block building, 18x36 feet, is being erected for W. G. Leazar on Sidney Baker Street. Roy Glenn had made and is laying the blocks and E. L. Spence is doing the carpenter work.

The new building, which is being erected on the lot recently purchased by Mr. Leazar from M. F. Weston, will be the home of his Gun and Bicycle Repair Shop. His welding plant will also be moved and placed in the rear. The new structure was designed especially for Mr. Leazar's business and will be well ventilated and lighted with seven windows, including an extra large one over the lathe and work bench, and a skylight.

While the building is not large it will give ample space for Mr. Leazar's work, and will add to the substantial growth of that business section of the city.

## ASSOCIATED CHARITIES PLAN WORK FOR YEAR IN MEETING LAST FRIDAY

### W. A. Fawcett Elected Chairman of Board of Directors—Secretary Makes Annual Report.

W. A. Fawcett was elected chairman of the Board of Directors of the Associated Charities Association at the first meeting of the organization held during the present fiscal year, at the Chamber of Commerce rooms last Friday afternoon.

Mrs. Amy Wallace made her annual report as secretary at this time, giving a detailed statement of the activities of the Association the past year. In addition to large quantities of food and clothing donated, \$1,046.37 in cash was collected, \$820.75 of which was received from monthly pledges and \$125.62 from cash donations. The total cash expenditures for the year amounted to \$1,021.88, leaving a balance on hand May 31st of \$24.49. The expenses of the Secretary's office, including her salary, office rent and stationery, was \$374.20 for the year.

The Board of Directors for the present year are: W. A. Fawcett, chairman; Dr. J. E. McDonald, August Henke, Rev. F. A. White, Mrs. J. S. Wheelers, Mrs. L. W. McCoy and Mrs. J. W. Burney. The Finance Committee is composed of Mrs. Alice Schreiner, Mrs. Richard Holdsworth and A. T. Adkins, to work with the Secretary. The Investigating and Buying

Committee is composed of Mrs. E. E. Palmer and Dr. J. E. McDonald.

The Associated Charities has done a great work the past year relieving the distress of the needy, each case being carefully investigated by the Secretary and Board of Directors. In some instances the relief given was not as much as the officials would have liked, but those applying for aid were many and the funds of the Association were limited, so the Directors of necessity had to use discretion in expenditures.

Prospects are that the Associated Charities will have more demands for relief this year than last, and Chairman Fawcett and the Directors are asking not only the business people but residents and visitors to contribute whatever they can to this worthy cause. Cash is important, but used clothing, old furniture, fuel and any kind of food can be used to good advantage.

Mr. Fawcett emphasizes the importance of co-operative giving and asks the citizens of our city to assist in reporting needy cases to the Secretary and also in contributing as much as possible in this most worthy cause.

## HILL COUNTRY HIT BY WIND AND RAIN STORM SATURDAY NIGHT

### Wires Blown Down and Trees Uprooted, Otherwise Damage Slight. .93-Inch Rain Here.

Kerrville and the Hill Country in general, according to the reports available, was struck by a wind and rain storm early last Saturday night. Outside of blowing down telephone and electric light wires and uprooting a number of trees, the high wind did little damage.

The wind storm was preceded by a short downpour with some hail about 5:30 o'clock Saturday afternoon. Hail stones a half inch in diameter are reported to have fallen in some sections of the city. The hail lasted only two or three minutes and no damage was reported from it.

The skies cleared up after this downpour, but the wind storm struck about 9 o'clock. It was accompanied by a steady downfall of rain, the precipitation of the two rains amounting to .93 inch. The wind, which continued for about 40 minutes, was the highest which has visited this section in a number of years. Lightning flashes were vivid and almost continuous, but a peculiarity of the storm was that little thunder was heard.

Telephone lines in the outskirts of the city and in the rural sections were tangled up considerably and several light wires were broken by the wind. Two or three fires were reported as a result of the breaking of high voltage wires, but they were controlled before any material damage was done.

A number of beautiful shade trees, of sizes ranging from small to large, were uprooted by the wind. A number of others were broken or had limbs split from them. A large part of the corn was blown down, but as the crop was made in most cases, the damage will be light.

The hail in the late afternoon and the high wind with the main storm caused a sudden and appreciable drop in the temperature and Sunday morning was cooler than for some days past. The storm came in from the northwest and shifted to the northeast.

### THE WEEK IN SOCIETY

#### Birthday Party

Inez Butt was hostess to twenty-five of her friends Tuesday afternoon at the home of her parents, Mr. and Mrs. Kearney Butt, the occasion being in celebration of her 8th birthday.

Lunch and cold drinks were served, and the playing of many games caused the time to pass all too quickly.

#### Silver Tea

Mrs. W. D. C. Jones was hostess at the Episcopal Silver Tea on Tuesday, June 26th.

About twenty-five guests enjoyed the delicious orange ice and angel-food cake served on her beautiful lawn, which was decorated for the occasion with Shasta daisies and queen's crown.

#### Auxiliary Met With Mrs. Henke

The Woman's Auxiliary to the Presbyterian Church met last Thursday with Mrs. Henry Henke.

Mrs. J. V. McCall led a very interesting lesson on the 9th Chapter of Acts, with Soul's conversion as the principal theme. The leader had prepared a questionnaire on the lesson and had mailed one to each member, so the lesson could be more easily prepared. Miss Ellen Murphy and Mrs. W. A. Simmons assisted Mrs. McCall with the program.

During the social hour a short musical program consisting of piano solos by Misses Minnie Dieter and Marguerite Henke and two songs by Miss Henke was rendered.

A delicious ice course was served to about thirty members and guests. This will be the last meeting of the Auxiliary until September.

#### An Enjoyable Barn Dance

One of the most unique and altogether charming affairs ever given in Kerrville was the barn dance last Friday night at Lake Side Park, given by Miss Virginia Coombs to 150 of her Kerrville friends. The guests were invited to come in costumes apropos of the "back-woods," and it would have taken an expert to differentiate between them and the real thing.

The dancing pavilion had the appearance of a big country barn. The floor was strewn with hay, and saddles, harness and schapps were hanging on nails and cross beams. Also hanging to the beams were hams and bacon, and in conspicuous places were colorful advertisements, cans of grease, paint, nails and such other commodities which are usually found in a typical barn.

Some of the lasses wore gingham aprons and others were attired in bright hued cotton frocks, much bedecked with ribbons and laces. Some of the lads wore overalls with blue shirts and bandana handkerchiefs, and others were dressed as cow boys. All entered into the spirit of the occasion and more "pep" was in evidence than has been seen in a long while.

Time kindly turned backward for the evening, making the fathers and mothers as jellybeanish and flapperish as the youngest present. They smacked their lips over the all-day suckers and ate ginger cake and stick

candy and drank soda pop from the bottles with as much relish and enjoyment as the youngsters.

The only thing that marred the perfect success of this party was the regret that was felt over the failure of Miss Ethelra Fraley, the honoree, to arrive in time for it.

At 12 o'clock the orchestra played "Home, Sweet Home," and as the guests bade good night to Mrs. Coombs and Miss Virginia they were enthusiastic in their expressions of the good time they had enjoyed and the wonderful success of her efforts.

#### The Human Boll Weevil

By G. Y. CLEMENT, in Texas Commercial News: The Mexican boll weevil is an insignificant little cuss. He is about one-quarter of an inch long, but he has an appetite like a hippopotamus.

Ever since he came across the Rio Grande, he has been costing us good United States money. Last year he cost us two hundred million dollars. One hundred and fifty million of this was damage to cotton crop and fifty million we laid out trying to kill him off.

This year, Mr. Mexican Boll Weevil will again tax us about two dollars a head, or two hundred million dollars. There is another kind of boll weevil which also infests our country.

Sometimes it comes across the Mexican border. Sometimes it comes across the Atlantic. It looks like a man, talks like a man, and walks like a man—but isn't. It carries a red flag in one hand and a torch in the other. Its pockets are full of bombs, its brains are full of dynamite, and its very breath is poison.

Besides this human boll weevil, the Mexican boll weevil is nothing! Where the Mexican boll weevil costs us two hundred million dollars a year, the human boll weevil, most conservatively estimated, costs American industry a billion dollars a year.

The Mexican boll weevil bores into the tender cotton plant and lays an egg that hatches a grub that kills the plant. The human boll weevil bores into men's minds and inserts grubs that destroy honesty, faith, loyalty, patriotism and industry.

It gnaws at the vitals of those institutions that have helped you and me and every other worker in America to our place in the sun. Some men think they are so big and powerful and strongly entrenched that they can afford to ignore the boring in of the human boll weevil. Such men are merely emulating the ostrich.

History has recorded that a supposedly great Roman fiddled while a city of the first magnitude was reduced to ashes.

What will history record of true Americans during the present period?

Mr. and Mrs. Miller Harwood and children left last Friday for an indefinite visit to their farm near Sinton. They went through in their car.

Mrs. M. S. Osborne and three children arrived from Dallas Wednesday to make their home in Kerrville.

### CONCRETE BLOCK BUILDING BEING ERECTED AT INGRAM

Orris Garland, Postmaster and Merchant, to Have New Modern, Fire-Proof Structure.

Orris Garland, postmaster and merchant at Ingram, is having erected a concrete block building on the corner adjoining his present location. The new structure will be 32x70 feet, of fireproof construction and modern throughout. The foundation has been poured, the concrete blocks manufactured and Mr. Garland states that just as soon as workmen can be secured the construction work will be rushed to completion.

Mr. Garland has built up a good business and is showing his faith in the future of the Hill Country by the erection of this substantial improvement, which will also add greatly to the upbuilding of Ingram.

### GIANT LINER LEVIATHAN HAS 1,700 PASSENGERS

New York, July 3.—The super-ship of the seas, the United States shipping board's re-conditioned Leviathan, will sail Wednesday on her maiden voyage as a passenger craft under the Stars and Stripes, carrying more than 1,700 passengers to Cherbourg and Southampton. As the giant liner moves from her North River pier after a reception aboard and heads for the open sea an air escort of a half dozen planes and a flotilla of harbor craft and tugs will hover about her. At her side, in striking contrast, will float a reproduction of Robert Fulton's Clermont, America's first steamboat.

In the first cabin, more than 800 persons will be quartered for the maiden voyage. The second and third class passenger lists each number 450. The Leviathan has room for nearly 4,000 passengers in her three cabins, but the first voyagers, desiring superlative accommodations, purchased extra space.

Among the notable persons on the first cabin list are Vincent Astor, Mrs. J. Borden Harriman, Senator and Mrs. Reed Smoot, General Coleman DuPont, Howard Chandler Christy, Congressman Martin B. Madden of Illinois, J. M. Thompson, New Orleans, publisher and Mrs. Thompson, Charles H. Morse and family, and a number of operatic stars and stage-folk.

The following have either subscribed or renewed the past week to the Kerrville Mountain Sun:  
Walter Baker, W. H. Fleming, Robt. M. Hagens, Abbie Moore, Virgil J. New, Bruno Schott, Mrs. G. G. Simmons, Ed. Schmidt, E. L. Turner and E. C. Meeker of Kerrville; McKenzie Construction Company, Legion, and Pink Lee, Ingram.

L. A. (Tige) Halpin and E. Copple, patients at the Legion Hospital, were pleasant callers at The Sun office Tuesday evening. Last summer Mr. Halpin was employed at Legion and helped construct the building he is now occupying as a patient. He also umpired several ball games last season and has a host of friends here who hope that the healing climate of the Hill Country will soon restore him to sound health again.

You just can't keep a good man down. This is being demonstrated at the Legion Hospital, where a new bunch of ex-service men were received this week. They arrived last Sunday, but already two of them, C. J. Shattuck and Tom Williams, have begun the erection of a tailor shop at that place and expect to have same in operation in a short time. The boys plan on doing a general cleaning, pressing, altering and tailoring business, principally among the other fellows at the hospital, but could be prevailed on to accept work from outside sources.

One of the prominent parties enjoying an outing at the Presbyterian Encampment this week is from the Texas Presbyterian College at Milford. The party is composed of French W. Thompson, president of the institution, his wife and daughter; Miss Sallie Cooper, dietician of the college; Miss Margaret Monroe, teacher of history in the academy connected with the college, and Misses Marina Hoon and Elizabeth Fite, members of the Junior college class. Mr. Thompson expects 15 additional members to his party to arrive next week, and their outing will extend over the month of July.

### W. O. W. DEDICATION IS ATTENDED BY 10,000

San Antonio Light: National officers, delegates and visitors from the ranks of the Woodmen of the World from every State in the Union east of the Rockies, Wednesday morning surged through the streets of the city and through the grounds of the \$1,000,000 Woodman Memorial Hospital north of the city, the dedication of which started at 2 p. m.

The hospital, although not yet quite complete and ready for full operation, was near enough so to enable National Commander W. A. Fraser to throw wide the doors Wednesday morning for the inspection of the thousands who came to see its dedication.

The dedication was made by Commander Fraser, assisted by his sovereign officers and supreme officers of the Woodmen Circle, the ladies auxiliary of the order. The music for the dedication was furnished by the Woodman band of 33 pieces from Baird, Texas. No definite program for the evening, other than to have a good time, has been scheduled.

### "Flapperitis" Defined

Atlantic City, N. J., July 4.—"Flapperitis" is not a condition that calls for the attention of "meddling women's clubs or would-be uplifters," but is a disease that demands medical treatment, Dr. A. W. LaForge, Chicago diagnostician, declared today in addressing the convention of the American Institute of Homeopathy. "Flapperitis is a disease," said Dr. LaForge. "Of course, it is an expression of modern social conditions, but essentially it is an organic disease of the nervous system due to the strain of living in a jazz age. The causes of the disease do not lie entirely within the flapper herself. The approbation of old men and the emulation of old women and the meddlesome interference of women's clubs and would-be social uplifters all tend to perpetuate rather than eliminate this condition."

Mrs. Laura B. Hart, mother of Mrs. H. C. Geddie, suffered severe injuries in an accident last week while attending the closing sessions of a large convention of the Women's Benefit Association in the city of Victoria, British Columbia. Mrs. Hart is Southern Supervisor of the W. B. A. and known in the Eastern Star as Past Most Worthy Grand Matron. She is now on the way to recovery, but will not return to Texas for three or four weeks.

## "And It Is a Country Worth Living For, Fighting and Dying For!"

By COL. P. E. HOLF, Chicago Lecturer: Eight times America has gone to war under the Star-Spangled Banner, and not once have we taken an acre of ground or a dollar of money as a result of winning—that is the "American way." At the end of the World War nearly all the nations of Europe had to make new maps of their countries to take in the new territory they had acquired. After winning the war this country did not add a single acre to its area.

When we wanted territory we purchased it. We didn't declare war on the country owning the property and take it as the spoils of conquest, Alaska, Florida, California, the Virgin Islands, the entire Middle West, were all purchased and paid for by the United States. In Cuba's hour of need we sent troops and our navy to her assistance, and then we withdrew and let Cuba remain an independent republic. In spite of this, however, the foreign nations look upon us as an imperialistic nation, and we have been called the "Shylock of nations" by those who cannot understand our principles, our "American way." This country is not perfect, but it is the nearest perfect of all the nations on the face of the earth, and it is a country worth living for, fighting for and dying for.

## CHAMBER OF COMMERCE TO MEET AT LAKE SIDE PARK

July Membership Meeting to Be Held Tuesday Evening, July 10th—Light Lunch Will Be Served.

The Board of Directors of the Kerrville Chamber of Commerce have selected Tuesday evening, July 10th, as the date for the regular monthly meeting of the organization, and it will be held at Lake Side Park in acceptance of the invitation extended by Manager McClellan at the last meeting.

The invitation of Manager Delaney that a meeting be held the latter part of June at the Presbyterian Encampment had to be cancelled owing to the unexpected crowd of early campers. It is possible, however, that a meeting will be held there later in the fall after the rush is over.

Major Stinson of the United States Veterans' Hospital, who has had experience in Chamber of Commerce work in Florida and elsewhere, will deliver an address, outlining what has and can be accomplished by a live organization of business men.

The following circular letter, signed by the Board of Directors, was mailed to every member, and it is hoped that all will attend and take an active part in the meeting:

"Kerrville, Tex., June 30th, 1923.—Dear Sir: The regular July meeting of the Chamber of Commerce will be held at Lake Side Park Tuesday evening, July 10th, at 8 o'clock. A light lunch will be served after the meeting, paid for out of the funds of the Chamber of Commerce.

"Your officers and directors urgently request you to attend this meeting, and come prepared to give your ideas and suggestions on questions involving the best interests of Kerrville. If you have any constructive criticisms to offer with reference to the activities of the Chamber of Commerce they will be given every consideration.

"The meeting will be entertaining and it is your duty as a public spirited citizen to attend."

Twelve-year-old Watt Holland produced this spring, by careful breeding and feeding, Barred Rock fryers weighing 3½ pounds at three months old, or more than one pound per month. Nothing remarkable about this, however, as the large breeds of chickens should weigh three pounds at that age. The remarkable thing is that the poultry breeders and farmers of Kerr County, having the finest natural conditions in the world for raising poultry, do not take better advantage of the fact and make this the banner poultry section of the State.

### Citation by Publication

THE STATE OF TEXAS,  
To the Sheriff or any Constable of Kerr County—Greeting:

You are hereby commanded to summon John Lynk, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 38th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 38th Judicial District, to appear at the next regular term of the District Court of Kerr County, to be holden at the Court House thereof, in Kerrville, Texas, on the first Monday in August, A. D. 1923, the same being the sixth day of August, A. D. 1923, then and there to answer a petition filed in said Court on the third day of July, A. D. 1923, in a suit, numbered on the docket of said Court No. 1167, wherein Nancy Lynk is Plaintiff, and John Lynk is Defendant, and said petition alleging Suit for Divorce on the grounds of cruel treatment, prayer is made for decree dissolving the bonds of matrimony between plaintiff and defendant, for restoration of plaintiff's former name, Nancy Norwood, for costs of suit and for general and special relief.

Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Kerrville, Texas, on this 3 day of July, A. D. 1923.

## KERR COUNTY TEAMS RANKED HIGH AT THE DISTRICT MEET

Won Fifth Place in Grain Judging at Encampment Last Week—Many Kerr County Folks There.

A number of Kerr County Club boys and people attended the District Encampment and Short Course at the Montgomery-Magee Ranch near San Antonio June 24th to 27th. The Kerr County teams made a fine showing in the contests and all report an excellent time and a profitable session at the Encampment. The total attendance was estimated to be between 300 and 400. It is reported that the first Encampment was a complete success and it will be made an annual affair.

The Kerr County judging team was composed of Otis Hatch, Gerald Hatch and Frederick Vaughn. In stock judging the boys won eighth place. The grain judging team was composed of Otis Hatch, Gerald Hatch and Ernest Duderstadt. This team won fifth place, and Otis Hatch won eighth place among the boys.

A poultry judging contest was given for the first time and preference was given the girls in this contest. Mildred Eddins and Anna Duderstadt composed the team from Kerr County and won eighth place. Mildred Eddins tied for third place.

The following people from Kerr County attended the District Encampment and Short Course at San Antonio last week: Messrs. Ward, Parks, Oehler, Griffin, Mrs. Eddins and Miss Griffin. The Club boys were Ernest Duderstadt, Otis Hatch, Gerald Hatch of Sunset School, and Frederick Vaughn of Union Valley School. The Club girls were Mildred Eddins, Ruth Duderstadt, Anna Duderstadt, Bernice Parks and Vida Parks, all of Sunset School.

San Marcos Record: The Record has been boosting the patronage of local business and industrial concerns for years and we believe in it as strong as ever. Our city can only live and thrive by local co-operation. It is not fair to take the money earned in San Marcos and send it off to the mail order houses or cities where we never get a dollar of it back. But the Record believes this rule ought to apply as much with the printing business as any other. We believe it is no more than fair that San Marcos money be spent in San Marcos for printing as well as for other necessities. Still we find some firms who are profiting by having a good and constant booster in the local paper, disregarding the local print shop when printing is needed. Or, at least requiring the local printer to compete with outside concerns from Denver to Indianapolis. Much printing that could be done in San Marcos goes to Austin and San Antonio, but we never yet have seen any of these printing houses contributing one cent in taxes or contributions to the welfare of our city. They take the money out but do not bring one cent back. The local printer boosts every good interest of the city every week in the year, pays taxes, contributes liberally to every public cause, and with his family makes up a part of the citizenship of the town, but often he is forgotten when he would be glad to be remembered.

Quannah Tribune-Chief: Not often do we see towns outgrow their newspapers, usually it is the other way, and the newspaper makes it appear that its town is far larger and better than it really is. A few enterprising and patriotic business men are always responsible for this good impression going forth. Therefore the advertisers in a newspaper may be looked upon as their town's most desirable and useful citizens.

PROPOSED HIGHWAY AMENDMENT VOTE MAY NOT BE LEGAL  
Austin, Tex., July 3.—The whole highway amendment to be voted on July 28 may be void and a nullity. This fact became known here Tuesday as a result of a careful reading of Section 1, Article 17, of the State Constitution, which provides the method of submitting constitutional

amendments. It provides, among other things, that the "proposed amendments shall be duly published once a week for four weeks commencing at least three months before an election." The question of the amendment did not begin "at least three months before the election" call of July 28. To have complied with that specific language, publication should have started not later than April 28. The joint resolution was approved March 25.

C. W. Payne, Acting Secretary of State, in the absence of State Secretary Staples, who is critically ill, said Tuesday in reply to questions that he had no record showing when publication began and that personally he did not know when it commenced. He said two papers only had sent in their accounts and they had to be returned, therefore, he had no record of the dates.

First Assistant and Acting Attorney General Wall said the department had not been asked for an opinion in the matter; that it could give one only in response to an official request. He admitted that the language of the Constitution was plain, but said he had no information as to whether or not the publication had started prior to April 28.

San Antonio Express: They have learned at Austin that there is a conflict between State and Federal game and fish laws, as they affect portions of Southwest Texas. The discovery is interesting, but far from new. They don't do many things at Austin that fail to conflict with something. Congress has a special bill writer who looks up such things as this before taking his typewriter in hand. He should be borrowed by the Texas Legislature. Sixty days on the job at Austin would reconcile him to the vicissitudes of the Washington climate. Possibly, he could draft a gasoline tax bill that could be construed in terms of addition instead of multiplication. Revenue aggregating \$250,000 is being withheld from the State Treasury because the Comptroller wants to know in advance whether he will have to stand good for all such amounts and return same to the taxpayers. The Attorney General is supposed to have written the bills. He ought to know how far they will stand up in court.

**FRIDAY SOCIAL**

Tomorrow the First Friday devotions in honor of the Sacred Heart of Jesus will be conducted in the Convent Chapel. At 8:30 p. m. in Washington Hall a get-acquainted social will be held, especially for the benefit of the nurses and teachers assigned to the reopened sanatorium, now known as U. S. Veterans' Hospital 93. On this staff are 12 who have transferred their membership to our congregation. Many of them served not only in the battle trenches of the Western Front but also in the Russian starvation lines. Their patriotic contribution to our country is a record that any citizen can well be proud of.

St. Mary's Auxiliary will hold its monthly business meeting tonight. During the first six months of the current year this guild has distributed 4,124 pieces of clothing among the deserving poor regardless of creed or color. Non-Catholics should feel no hesitancy to call upon this source of charity, but for the sake of co-operation, such applicants ought right to get the endorsement of Mrs. Amy Wallace, Secretary of the Associated Charities.

The parish census of the first half of 1923 shows that we had an enrollment in St. Mary's congregation of 460 American Catholics, exclusive of Sisters, visitors, transients and Mexicans. After deducting all departures in this interval we had 383 on July 1st. This explains the over-crowded condition at all our Sunday services. The family of Mrs. Henry Menger, publishers of the official diocesan weekly, was with us over Sunday.

Next Sunday there will be only one service in Kerrville and that will be the 7 o'clock Mass in St. Mary's Church, on account of the engagement at Comfort.

Former Pastor Robbed  
Rev. Peter Schnitzer, who used to be stationed in Kerrville, and who built the Comfort Church, was badly beaten up Sunday of last week in St. Joseph's Church, San Antonio, by a drug addict who attempted to rob the alms box. The thief was fined the maximum penalty on the subsequent Tuesday. Miss Cecilia Mewer, who was with us last Sunday, was the first to notice the thief's strange demeanor in church, and to notify the pastor.

Harry Karger, who lived in Comfort for many years, plans to move back to his ranch on the Federicksburg Road before the opening of the next school term.

The electric storm and wind of Saturday night did considerable damage to the trees and fences at Notre Dame and at the Mexican School. Moreover, at the latter place, the heavy rain came just in time to ruin the success of a lawn social which the parishioners were giving for the benefit of some invalids in their colony.

Quite a few applicants have already asked for reservations at Notre Dame. A definite answer can not be given till we are advised of the new faculty. In all likelihood accommodations can be made especially in the upper grades. Such vacancies as there may be will gladly be offered without regard to payment or religious discrimination.

Wednesday of last week an old Notre Dame student, Miss Nora Bargas, R. N., was united in marriage to Dr. Geo. C. Battalora of New Orleans.

Miss Nellie Salter, recent valedictorian of the Santa Rosa Training School, is spending a vacation with Mrs. H. Perry.

Miss Mary Battersby, another San Antonio nurse, is taking care of a private patient at Secor's Hospital. Her brother was a collegiate friend of Father Kemper over 25 years ago.

At Legion the following Catholic nurses or teachers have arrived from Camp Logan: Miss Harriet Mae, assistant superintendent; Misses Grace A. Cashman, Isabelle A. Maizers, Frances C. Blum, Elizabeth F. Kohlen, Edna McKinney, Elizabeth Riese, Mary Nash, Mary Hayes, Mary Kelly, Miss Podova and Mrs. Glickly. The resident K. C. secretary will be Mr.

Martin, with his family from Houston.

**Personals**  
Mrs. Chas. Conlan, who was music teacher at St. Agnes Academy, Ardmore, Okla., is recuperating her health in our climate. Her husband came up from Houston to spend the week end with her.

Frank Hons, a teacher at Moulton, paid a short visit to his relatives, and returned to his quarters at Mrs. Geo. Shumaker's.

Martin J. Schott, expert electrician for Martin Wright, has his entire family in a cottage on the river banks. With them is the family of his brother-in-law, Eric Laughlin of Dallas.

Mrs. Walter Meyer and her son, Raymond, went to Fort Arthur where Mr. Meyer is superintending some plumbing job. Walter Jr. motored with Mr. Carrico to the latter's ranch near Junction.

Lawrence Kuhlmann made a short business trip to the metropolis last Saturday.

Adalbert Mohn has moved from Ingram to attend to his motor boat business at the new City Park.

Magdalene Farrish went to the Alamo City for an indefinite vacation at her sister's, Mrs. James Balmos. Her little brother, Tommy, soon tired of city life and the second day came back to Kerrville by himself. Several San Antonio friends of Mrs. Farrish stopped at the janitor's residence last Wednesday on their auto trip to California. Mrs. Farrish is spending the present week in the Mission City.

**ROBS CALOMEL OF NAUSEA AND DANGER**

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed, Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

**Weak Back**

Mrs. Mildred Pipkin, of R. F. D. 3, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago... I got down with weak back. I was run-down and so weak and nervous I had to stay in bed. I read of

**CARDUI**

The Woman's Tonic and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that... when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me. If you are weak and suffering from womanly ailments, Cardui may be just what you need. Take Cardui. It has helped thousands, and ought to help you. At all druggists' and dealers'.

**STROKE OF PARALYSIS CAUSES DEATH OF MRS. OLLIE KELLEY**

Was Automobile Riding Last Saturday Evening When Struck—Died Short Time Later.

Saturday evening while out driving in a car, Mrs. Ollie Kelley of Buda, sister of Mrs. W. J. McDoniel of this city, suffered a stroke of paralysis and died shortly after being taken to Mrs. McDoniel's home.

Mrs. Kelley had been here some three weeks or more visiting with her sister. She had been spending the summer with Mrs. McDoniel for the past four years and had a large number of friends here who learn with sorrow of her untimely death.

Deceased was born in Blanco County and was 66 years of age at the time of her death. She had been a resident of Buda for a number of years. The body was shipped to Buda Sunday and burial took place there Tuesday.

Mrs. Kelley is survived by her two daughters, Mrs. Tom Howe and Mrs. Jim Chitwood of Buda; one sister, Mrs. W. J. McDoniel of this city, and three brothers, Joe Nichols of Throckmorton, Dan Nichols of San Antonio and S. J. Nichols of Llano.

The Sun joins a host of friends in extending heartfelt sympathy to the bereaved ones in their dark hour of grief.

**IT IS SERIOUS**

Some Kerrville People Fail to Realize the Seriousness of a Bad Back.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills May result seriously if neglected. Dangerous urinary troubles often follow.

A Kerrville citizen shows you what to do. T. J. Cumber, farmer, says: "Doan's Kidney Pills have helped a lot; I recommend them to anyone in need of a kidney remedy. My kidneys were out of order and I suffered with backache and pains over my kidneys. I felt dull and run down and the action of my kidneys was irregular. I heard of Doan's Kidney Pills and used them. They gave me prompt relief, the backaches left and my kidneys did not trouble me."

**BIBLE STUDENTS**

By Reporter

Our Bible Class has just completed the study, "The Kingdom of God." Any who have not carefully examined this subject with concordance and Bible in hand will be surprised on doing so to find its prominence in the Scripture. The Old Testament abounds with promises and prophecies in which the Kingdom of God, and its King, Messiah, figure at the very center.

It was the hope of every Israelite (Luke 3:15) that as a people God would exalt their nation under Messiah, thereby establishing the long promised Kingdom of God on earth.

True, the disciples at first, in common with the entire Jewish Nation, had an imperfect conception of the Kingdom of God in supposing it to be exclusively an earthly kingdom, where as many today err in an opposite direction in supposing it to be exclusively a Heavenly Kingdom.

Their misconception, however, by no means disannuls the promise that ultimately Christ's Kingdom shall be from "sea to sea." (Rev. 7:2-8; Isa. 35; Isa. 11.)

A careful study of this subject reveals the fact that God's Kingdom consists of two parts, a Heavenly and an earthly phase. Truly then, in whatever phase of the Kingdom our interest centers, it is "the desire of all nations," for under it all will be blessed. Hence, all may earnestly long for that time, and all may well say: "Thy Kingdom come, Thy will be done on earth as it is in Heaven." This Kingdom will crush out evil and bless and heal all nations.

We extend a cordial welcome to all who desire to meet and study with us. Sunday, July 8th, 3 P. M.: Berean study, "The Day of Jehovah" (Dan. 12:1; Matt. 24:21-22).

**DEMOCRATIC COMMITTEEMAN BOOSTS FOR HENRY FORD**

New York, July 2.—Henry Ford, heading an independent party, would bring about a Republican victory in the next Presidential campaign, Norman E. Mack of Buffalo, Democratic National Committeeman from New York, declared here last night.

From indications, he said, both Democrats and Republicans will choose their Presidential candidates from their own ranks.

"Mr. Ford is a wonderful man and has a tremendous following," Mr. Mack said, "and is more in line with the Democrats than with the Republicans when it comes to the tariff. I look upon Mr. Ford as a progressive man who stands for many of the things the Democratic party has favored for many years."

Oldfield Cord Tires are race tested—holding all of the track records made in the past three years.

Oldfield Cord Tires are road tested—in the Wichita, Kansas, Economy Road Test, in the winter of 1922, the official record showed a set of Oldfield Cords had traveled 34,525 miles before the first tire gave way. And this is only one of many instances of unusual highway performance.

Oldfield Cords are built by one of the largest tire manufacturers, who must maintain the established reputation of these remarkable cords.

Here are the biggest tire and tube values ever offered by anyone. Come in today. Buy your tires now before our stock is exhausted. Purchase from a regular tire dealer, located near you. We stand behind these tires and are ready at all times to give you prompt service.

### LATE FALL Feed for Winter Eggs Now.

WINTER egg slumps usually start in mid-summer when hens improperly fed, begin to moult too soon. They draw on their bodies for feathers. The moult drags into winter with the hens in run down condition, unable to lay.

### Late Moulters Pay Best

You can't neglect your hens in summer and expect a heavy egg yield next winter. Make your hens moult quickly and naturally by feeding Purina Poultry Chows. Get eggs when other hens stop laying.

### HOUSE JOINT RESOLUTION NO. 16

Proposing an amendment to Article 8, of the Constitution of the State of Texas, which relates to taxation and revenues, by adding thereto a new section to be known as Section 9a, directing the Legislature to provide for the construction, operation and maintenance, under State control, of a State system of public highways; providing for an election for the ratification or rejection of amendment herein proposed, and making an appropriation to defray the expenses of said election.

Be it resolved by the Legislature of the State of Texas:

Section 1. That there be submitted to the people of Texas, for ratification or rejection at a special election provided for herein an amendment to Article 8, of the Constitution of the State of Texas, amending said Article 8, of the Constitution of the State of Texas by adding thereto a new section to be known as Section 9a, which shall read as follows:

Section 9a. The Legislature is authorized and directed to provide for the creation, establishment, construction, maintenance and repair of a system of improved highways throughout the State to be under the control of the State; and in order that the State may provide the means, revenues and instrumentalities for the establishment and maintenance of such system of highways, the Legislature is empowered to levy and cause to be collected specific excise and ad valorem taxes, in addition of those permitted for other purposes in the Constitution, but such an ad valorem tax shall be imposed only for the purpose of retiring the bonds authorized by vote of the people of this State as provided for hereinafter in this Section.

When said system shall have been designated and taken over for the State as provided in Section A hereof, the Legislature is authorized to make provision for the equitable compensation to such counties for the value of such improvements as have been theretofore constructed by the Counties in the State.

Provided, also that save for the State highway system, in all other respects, Counties shall have the right to build, construct and maintain roads, turnpikes, and bridges within their respective boundaries and the Constitutional provisions relating thereto are not qualified or repealed by reason hereof.

The Legislature, at any Regular or Special Session, is authorized and directed to pass and enact all appropriate legislation necessary to carry out and effectuate the purpose and intent of these Articles.

Sec. 2. The Governor of the State is hereby directed to cause to be issued his necessary proclamation for an election to be held on the fourth Saturday in July, 1923, at which election this amendment shall be submitted to the qualified electors of this State for adoption or rejection and shall make the publication required by the Constitution and Laws of the State. Said election shall be held under and in accordance with the General Election Laws of the State, and the ballots for said election shall have printed or written thereon in plain letters the following words:

"OFFICIAL BALLOT": "For the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways."

"Against the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways."

Those voters who favor such amendment shall erase by marking a line through the words "Against the Amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." Those who oppose such amendment shall erase by marking a line through them, the words, "For the amendment to Article 8 of the Constitution of the State of Texas, providing for a State system of highways." And the result of the election shall be published and declared according to the majority of the votes cast in such election.

Sec. 3. The sum of Five Thousand Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the treasury not otherwise appropriated for the purpose of paying the necessary expenses of the proclamation and publication of this amendment and the election to be held hereunder.

S. L. STAPLES, Secretary of State.

### ATHLETICS TAKE LONG END OF THRILLER WITH JOSKES, 7-6

(Continued From First Page)

regardless of how bad the losers are beaten. Brown's support was a little erratic a time or two, but he played a part in the near loss of the game and then made it up with a sizzling grass cutter in the ninth with the bases loaded and two gone, driving in the winning run and winding up an exciting afternoon's entertainment.

Swartzkopf didn't seem to dazzle the local stick wielders with his fancy and artistic windup and the dainty manner in which he shook his shank just prior to pushing the ball up to the batter, and it didn't look much like his stuff dismayed the batters, either, judging by the way they connected with the ball almost at will. He has his support to thank that he wasn't defeated worse than it was. Even at that he went to the showers in the ninth with the veteran Bart Cahill replacing him for the home bunch's last bat.

Old Bob Barry led the crowd know he was still in the lineup last Sunday with another pretty one-handed catch of a long one to the right field wall. And he led the domestics with the stick with a single and a home run out of three times up. His four base hit over the left field wall in the sixth with Baker on ahead of him tied the score in that frame.

Baker has appeared here several times this season in opposing teams' lineups, usually with Kelly Field. He held down the keystone sack in good style Sunday, accepting six chances without an error.

"Cho-Cho" Saenger led off in the first by slamming Swartzkopf's first offering into the centerfield corner first for three bases, but was called out when he failed to touch first. Saenger and Cox pulled off another one of these fast double plays, nailing a man trying to steal second and then cutting down the man trying to score from third on the play. That play works pretty nice and most of the teams it has been tried on fell for it nice and hard. Even Joske Bros. swallowed hook, line and sinker.

Cameron was the jinx that upset things for Brown, getting three singles and a homer out of four tries. He scored three of the visitors' runs. Postal at shortstop accepted twelve chances with but one error.

Holchak, Brown and Cox each got a pair of safeties out of four trips to the pan. Brown won his own game in the ninth after two were out and the bases full by driving a hot ground-er between shortstop and third, scoring Flory. Cahill had relieved Swartzkopf in the ninth and whiffed Dugat, first up. Flory walked, Saen-

ger fanned and Holchak drew a pass. Henke hit a fielder's choice that was handled too slow to get anybody and the bases were thickly populated. Then Brown busted one and ended one of the tightest games of the season.

The score: R. H. E. Joske Bros. ....010 202 001—6 11 2 Athletics .....100 022 011—7 10 8 Batteries—Swartzkopf, Cahill and Burke; Brown and Cox. Umpires, Steves and Fawcett.

### Podger's Paragraphs

You all see what you done. The boys didn't feel like disappointin' you all and had to come from behind three times. Joske's just had to admit that they bumped into a better team. But if you all hadn't been there, well—

Well, anyways, I'm all even with the guy that sold me the umbrella an' they had it stop rainin' when I was in San A. a couple a months ago. He was here Sunday.

Now what do you think Joske's has got into their heads? They want the Athletics to come to San Antonio an' play three games, one on a Saturday an' two on Sunday, the 21st an' 22nd. 'Ju reckon yer folks'll let you all have the auto to go down there?

Next Sunday Comfort is goin' to bring a ball team up here. Don't know what they expect to do, but you better come out an' see. PODGER.

Dark Horses Down Rio Vista, 3 to 0 Bill Saenger took a miscellaneous aggregation of players to Camp Rio Vista Saturday and wiped out the defeat they gave the Kerrville second team several weeks ago.

The Rio Vista diamond and field is in fine shape and there was plenty of opportunity for fast play. Spence, who served the shoots for the Campers, was not easily hit and the Kerrville boys only put over three runs in six innings.

However, Bill had on his pitching clothes and allowed but one hit, besides striking out 14 of the 18 men put out during the game. Jess Holoman was behind the plate and had a serious time holding Bill's speed. Rain stopped the game in the first of the seventh frame and every one hustled for shelter. PODGER.

### ATHLETICS WON DECIDING GAME FROM HEATERS, 11-3

The Athletics took the third and deciding game of the series with the Pittsburg Water Heaters here Wednesday, 11 to 3, making it two straight, and Bob Barry got even with Dewey Reno's bunch for the defeat handed the locals in the first game.

Butler opened for the visitors and was greeted with a single and two doubles. He hiked for the showers and Willis Layne took up the task.

### LEGION HOSPITAL RECEIVED FIRST CONTINGENT SUNDAY

(Continued From First Page)

operation they have accorded me," said Dr. Cook, "and express to them my appreciation of their presence at the station when the patients arrived. I want them to know how much I appreciate what they all did, and especially those ladies who so kindly cared for the wives and children of some of the patients."

A great responsibility rests upon the shoulders of Dr. Cook as the commandant of Veterans' Hospital No. 93, but he is a live wire and, judging from the things he has already done at the institution in the short time he has been there, he will be successful in making the hospital one of the best in the country.

Dr. C. L. Moore of the Public Health Service is Chief of Tubercular Service at the sanatorium, and in him Dr. Cook has an able assistant.

Among the ones who welcomed the ex-service men last Sunday were Capt. S. C. Kile, manager of District 14 of the United States Veterans' Bureau with headquarters at Dallas, and Mr. Gordon, sub-district manager with headquarters at San Antonio. These gentlemen expressed themselves as being highly pleased with the arrangements being made at the institution and at the co-operation being accorded its officers.

It is not known definitely at this time when another contingent of patients will be received at the sanatorium, but it is hoped to be able to take in another detachment of them within a short time.

Following are the names of the patients who were received at the hospital last Sunday:

Charles O. Howard, Oscar M. Brown, Elijah O. Thacker, John F. Henderson, Fred Schultz, Daniel R. Outler, Murphy Walker, Oliver Jetty, William McCann, R. W. Miller, J. H. Dozier, A. T. Long, C. F. ### Miss Wilson Enters Business

New York, July 3.—Miss Margaret Woodrow Wilson, daughter of former President Wilson, entered upon a business career. She associated herself with the Biow Company, a National advertising agency.

Miss Wilson, who prepared herself for the advertising business by twelve months of study, will be engaged in a selling and consultation capacity.

Only half the number of babies today die after the first month, compared with infant mortality 15 or 20 years ago. During the first month four per cent of all infants die, just as they did in years past. Life insurance statistics show that it is easier to survive a year at the age of 65 than for a newborn infant to reach the age of one month.

Two new tunnels are to be driven through Mont Blanc for about nine miles. Four tunnels will be run under the Vosges, connecting the Alsatian and French railways.

# LADIES' READY-TO-WEAR AT HALF PRICE

Preparing for next season, we want to rid our shelves and racks of summer stocks to enable us to receive Fall Goods early. Hence the object of these clean-up prices.

Every woman likes to have several silk dresses. Sometimes prices forbid, but not so with these extraordinary reductions. All of our Spring and Summer Dresses are priced at exactly one-half their original price. Here are real bargains—don't take our word for it, but come and prove it to yourself.

### A RARE OFFERING

of fashionable Summer Millinery, including newest shapes, smartest trimming effects, the most favored straws and fabrics—each and every one are going at half their original price.
