Large Attendance and Enthusiasm Marks Membership Meeting

The August membership meeting of the Chamber of Commerce was held at Lake Side Park Tuesday evening, with a large attendance and the business of the session was carried on with interest and enthusiasm.

Following the reading and approval of the minutes of the previous meeting, a motion was made and seconded that the Old Spanish Trail headquarters be notified that Kerrville at this time was not in a position to contribute any further funds for that organization. After a thorough discussion, the motion carried unanimously.

The committee in charge of securing a band for the Kerrville-Junction Joint Basket Picnic reported that the Kelly Field Military Band expect to take a 10-day vacation, commencing August 25th, and would be glad to come to Kerrville if arrangements are made for their expenses. The matter was discussed at length and while the expense will be quite heavy, it was the consensus of opinion of the members present that it would be money well spent, and the committee was instructed to complete arrangements for bringing this fine musical organization here. Besides furnishing music for the Highway Celebration, concerts and dances will be given here at Kerrville during the band's stay and for the closing of the baseball season.

Cecil Robinson stated a proposition from Wayne Davis, past State Commander of the American Legion, in regard to holding a barbecue some time next month celebrating the opening of the Legion Sanatorium. After a short discussion President Prescott was instructed by motion to appoint a committee to take the matter up with Mr. Davis and complete arrangements.

Judge Julius Real, chairman of the Agriculture Committee, delivered a

MEMORIAL SERVICES HELD AT ENCAMPMENT FRIDAY EVENING

Ceremonies in Memory of Late President Also Held at Episcopal Church Friday Morning.

Last Friday evening, beginning at 8:30 o'clock, an hour and a half was devoted by people at the Westminster Encampment and citizens of Kerrville to a service in memory of Warren G. Harding, late Chief Executive of the United States.

The program was simple, though impressive. Dr. W. P. Dickey, pastor of the Presbyterian Church, presided during the ceremonies and introduced the speakers. Appropriate music was rendered and the congregation sang "My Country 'Tis of Thee," "Abide With Me" and "Nearer, My God, To Thee."

Judge Julius Real spoke of Mr. Harding with reference to his public life, and emphasized that during his political progress to the highest office in the land, not once had his name been connected with any questionable act or transaction.

Major E. M. Stinson, of the Veterans' Hospital, told of the late President's efforts in behalf of the war veterans.

Dr. Brooks I. Dickey of Dallas voiced Mr. Harding's outstanding Christian belief and adherence. He quoted from one of the late President's recent public addresses a brief but earnest statement that the Nation should not further forsake the religion of Christ.

The program closed with a beautiful prayer by Dr. C. T. Caldwell of Waco.

A beautiful memorial service was also held last Friday morning at the

Episcopal Church. Favorite hymns of the late President were sung and Rev. F. A. White read the same scripture lesson that was read at the funeral in Marion, Ohio. Judge J. S. Wheeler made an eloquent and appropriate address emphasizing Mr. Harding's loyalty to church and country, his simple humanitarianism, and paid a touching tribute to his wife, who has proven such a fine example of womanly courage.

Rev. G. M. Macdonald concluded the services with prayer and benediction.

ENCAMPMENT PROGRAM SWUNG INTO CLOSING DIVISION SUNDAY

Conference on Work of Synod Concludes Excellent Session to End August 22nd.

The Westminster Presbyterian Encampment program swung into its final division last Sunday, when the Conference on the Work of the Synod began under the direction of Rev. Brooks I. Dickey, conference leader.

This meeting is a combination of three conferences in one, unifying the program of the Synod and showing the inter-relation of its various parts. The daily programs have been intensely interesting and the attendance good.

Among the speakers during the past week and who are to deliver addresses before the close of the conference are: Dr. D. Clay Lilly, chairman of the Assembly's Stewardship Committee, who has been delivering a series of helpful lectures on "Stewardship"; Dr. W. H. Burrell, who is in charge of the Bible study; Dr. W. P. Dickey, W. M. Fairley, Rev. C. H. Storey, J. Stewart Pierce, Dr. A. F. Cunningham, Dr. L. E. Selfridge, Dr. J. W. Skinner, R. D. Campbell and W. S. Scott.

Popular evening addresses are being delivered by Dr. W. B. Bizzell, president of the Texas A. & M. College; Dr. A. G. Jones and Dr. Homer McMillan.

The minstrel show put on last Saturday night by the boys from Camp Rio Vista attracted one of the largest audiences of the year. The program was arranged in five parts and gave a wide variety of entertainment.

Pyramid building and various other formations drew loud applause. Songs in many keys were rendered throughout the program, Rudolph Cleos distinguishing himself in this line. The black face features of the program were especially enjoyed, both for their originality and excellent presentation. Up until Monday noon, 1,719 persons had registered, 110 under the

RETAIL CREDIT MEN HELD BUSINESS MEETING FRIDAY

The Kerrville Retail Merchants' Association held its first meeting for August in the Chamber of Commerce building last Friday afternoon, which was attended by a representative gathering of the members.

The meeting was purely business in nature, no program having been arranged as at the previous session. Several matters of interest were taken up and thoroughly discussed and action taken where necessary.

Among these matters was the working out of a plan for the collection of bad accounts. It was decided that the Executive Committee work out a plan and it will probably be taken up at the next meeting, August 24th. During the discussion, it developed that local merchants, members of the Association, were working together better than ever to protect themselves against bad accounts and a general spirit of harmony and good will prevails among them.

Various other matters relating to ratings, etc., were discussed during the meeting, but no definite announcement was made for the press.

Criminal Cases On Trial Second Week of District Court

Kerr County District Court swung into the second week of its summer session Monday morning with cases on the criminal docket coming up for trial. The Petit Jury had been recessed a part of last week, but got down to work in earnest Monday morning, and cases were being disposed of as rapidly as possible as The Sun went to press.

The case of State vs. C. W. Stone, charged with murder, was set for hearing at 9 o'clock this morning and a special venire of 64 men had been summoned to appear at that time. It is thought that trial of this case will get under way today.

Judge Burney delivered his charge to the Petit Jury Monday morning with forcefulness and explained the duties of jurors in such way that there could be no misunderstanding of them. He stated that a man is entitled to a fair and legal trial under the laws, whether the accused pleads guilty or not, and that the fact that a defendant does not testify in his trial should not be taken as evidence of his guilt, nor should it cause any opinion in his favor.

The Judge clearly showed that a person accused of a law violation is entitled to an open trial under the law and must be confronted in open court by witness. Any other kind of trial is illegal, he stated.

Judge Burney gave the qualifications of jurors and explained each one briefly and clearly. He told them that they were to consider the evidence only and not to express their opinion on the case to any one, and showed them that trials should be by fair and impartial men according to law and the evidence.

Eight cases were continued for service and action has been taken on the

METHODISTS LOOKING FOR SUMMER CONFERENCE CAMP

Committee From West Texas Conference District Visit Kerrville Last Week.

Dr. E. R. Stanford, president of Westmoreland College; Rev. E. H. Hunter, Beville, and Rev. H. M. Ratcliff, secretary of the West Texas Sunday School Conference, San Antonio, were Kerrville visitors Wednesday afternoon of last week as a committee from the West Texas Methodist Conference District. The purpose of their visit was to confer upon the location of a summer conference camp site.

A local committee, Walter Saenger, chairman, W. A. Fawcett, Howard Butt, D. H. Compartment, A. L. Starkey and A. E. Self, were appointed by the Kerrville Chamber of Commerce to confer with the visitors. They were shown a site of about 100 acres, including the West Texas Fair Grounds and a part of the old Rees homestead. As the visiting committee were only making a preliminary scouting trip, no definite action was taken.

CIVIC LEAGUE HELD MONTHLY MEETING FRIDAY IN CITY PARK

Hear Reports and Discuss New Plans During Session—Next Meeting to Be Held September 7th.

The new City Park was the scene last Friday afternoon of the monthly business meeting of the Kerr County Civic League, the organization that has done more than any other influence in Kerrville to make possible the play grounds.

The session was held in the park to enable all those members who had not been through the grounds to see what has been done in the way of improvements and to enable them to discuss more practically any suggestion for further beautification and betterment.

Along these lines the League decided to install garbage cans as soon as possible for the reception of refuse and bits of paper so as to help keep the park clean. Signs requesting that such garbage be deposited in the receptacles are also to be placed in the park in such manner that they will not mar its beauty, but will at the same time serve as reminders to help keep the grounds free of trash and paper.

The reports of the committees in charge of the Fourth of July barbecue at Lake Side Park were read and approved. During the period for round table discussion plans for work of the League in the future were taken up and deliberated upon.

The next meeting will be held in the City Park again, September 7th, at 4 o'clock. All members are requested to be present as a number of interesting matters are to come before the League.

An agreeable surprise awaits visitors to the new park, for since the banks of the river have been cleaned out and the trees trimmed, the full beauty of the location is brought out with more force than ever.

Quaint entrances in the form of winding and zig-zagging paths lead the visitor into the park at each end.

Placed throughout the grounds are comfortable benches and seats that invite one to pause awhile and rest. There are also tables for the use of patrons that add immeasurably to their comfort when on picnic and lunch parties.

The main attraction is the sparkling Guadalupe, an incomparable view of which is obtainable from any place in the park. Its cool, glittering waters invite one to a delightful plunge and a spring board has been provided for bathers.

Strings of electric lights are placed in the grounds from end to end and make a setting of indescribable beauty at night, illuminating the entire park and casting fantastic shadows of the trees on terraced bank and rippling water.

Kerrville has a most beautiful park and playground and heartiest thanks are due Mrs. A. C. Schreiner, who has given a large part of her time to superintending and helping with the work, and to the Kerr County Civic League, through whose efforts the park has come into being.

ATHLETICS MAKE PRESENT OF GAME TO GIANTS SUNDAY, 7-6

Locals Outfit Giants But Were Outplayed—Go to Comfort Next Sunday for Game.

Luck is the principal thing that wins or loses ball games, according to some of the remarks made at the Fair Grounds last Sunday. Good playing, hitting and heady baseball have nothing to do with the outcome of a game—that part is injected into the National pastime merely to afford the fans something for their money—so say a number of fans.

The Giants can attribute their win to Lady Luck, but the score book says they copped because they outplayed the locals, although they were outlived, 10 to 8. Bunched hits, coupled with clusters of errors, have been known to win many ball games.

Bunger got away to a good start, only nine men facing him in the first three innings, retiring in order. Brown didn't do so well in his opening frame, three hits and a bobble netting the Giants three runs. After the first session, however, he pitched steady ball, giving up but one safety until the eighth.

Bunger was touched for four blows in a row in the fourth and Hollmig added an error to help the locals tie the count at three-all. The home gang took the lead in the sixth when Brown tripled and Barry cracked out a clean single to score him. A couple of errors filled the sacks, but Riechenau scooped up Dugat's hot grounder and threw him out at first.

Four hits in succession in the eighth with not a man out sent Brown from the mound and Bob Barry went in to stop the Giant's fun. Errors figured prominently in the scoring of the seventh run for the visitors and they were finally retired after batting around, five men facing Barry and three of them going out. Bob whiffed two in the last of the ninth to end the Giants' batting for the day.

Saenger led off with a single in the last of the ninth and made second on Holchak's foul out. Forgason waved and Brown came up. Chances looked good for tying the score as "Nigger" had hit safely three times out of four. Lane dropped the ball and Saenger tried to make third without any lead on the error. Lane recovered and pegged the ball to Langerhans, and Saenger was boxed up midway between the sacks. Saenger was run down in quick time and the chances for tying the count were destroyed.

"Nigger" Brown led the home bunch with the stick, getting three out of four. He struck out in the second frame for the first time this year. Bob Barry hit a pair out of

OVERLAND AUTO SALES CO. CHANGED HANDS THIS WEEK

A business deal was consummated this week, whereby Urbane Edwards becomes proprietor of the Overland Auto Sales Company, purchasing same from C. A. Hill & Son. Mr. Edwards will conduct the business at the same location.

C. A. Hill & Son have made many friends during the year they have been in business in Kerrville, who regret to see them leave. They are to move their families to San Marcos, where they will have the agency for the same cars handled at this place.

Mr. Edwards is not a stranger to the automobile business, being engaged in this line of work previously. He is a young man of sterling integrity and unusual ability, full of pep and ambition, and, if industry and strictly business principles mean anything, the Overland Auto Sales Company will continue to grow and prosper under his management.

Mr. Edwards announces that he will continue to handle the Overland and Studebaker cars, in addition to a full line of tires, oils, gas and accessories. Mr. Sharp, who has been with the Overland Auto Sales Company for a long time in charge of the repair department, will continue with Mr. Edwards in the same capacity.

While the Sun regrets to see Mr. Hill and his son leave Kerrville, yet this paper joins in wishing them success in their new location, and in extending a welcome to Mr. Edwards and heartily recommending him to the public.

Business Houses of Kerrville to Close for Highway Celebration

All the business houses of Kerrville have agreed to close for the day Tuesday, August 28th, which means that the Gem of the Guadalupe will be well represented at the Joint Basket Picnic to be held at the Moos Ranch on the Johnston Fork of the Llano, celebrating the completion of the highway between Kerrville and Junction.

At the membership meeting of the Chamber of Commerce Tuesday evening a motion carried instructing the music committee to make arrangements for securing the Kelly Field Military Band of thirty pieces to play for the celebration and for the big free dance that night. Full particulars will be given next week.

FARMERS OF HILL COUNTRY ARE LOSING VAST SUMS ANNUALLY

Several Hundred Dollars Being Sent Out of Kerr County Weekly for Butter and Eggs.

There is a rapidly growing demand in Kerrville for butter and eggs, and failure of farmers and ranchmen to supply this demand is costing the Hill Country thousands of dollars annually.

A conservative estimate of money that goes out of Kerrville alone to points outside the county for eggs is over \$300 a week, with the outlay for butter totaling nearly as much. One Kerrville firm paid \$180 last week for eggs produced outside Kerr County.

The large number of tourists at this time of the year, together with the Presbyterian Encampment and the Legion Hospital, creates a demand for produce that local farmers and ranchmen are not at the present time able to supply.

One important source of revenue Kerr County farmers and ranchmen are overlooking is the dairy business. This section of the country is admirably suited to this branch of work, and the climate is ideal.

The American Creamery Company of Kerrville are paying 25 cents per gallon for sweet milk and 38 cents

LEGION HOSPITAL WAS OPENED FOR ADDITIONAL PATIENTS WEDNESDAY

Ex-Service Men Already in Kerrville and Vicinity Have Preference for Entrance.

The doors of U. S. Veterans' Hospital No. 93 were thrown open Wednesday morning to all tubercular ex-service men in Kerrville and vicinity who wish to enter for treatment and whose applications have been approved by the Veterans' Bureau.

Up until noon Wednesday a half dozen or more men had entered the institution, and others were expected all the time.

Dr. Cook, Medical Officer in charge of the hospital, stated that the sanatorium is open for at least 100 pa-

tients, and gives the following directions for those who wish to enter:

The first thing, Dr. Cook said, is to make application to the sub-district office of the Veterans' Bureau at San Antonio, or to the district headquarters at Dallas. When the application is approved the applicant will be sent what is called the "red card." Dr. Cook stated that ex-service men could not be received at the hospital without this card from the Veterans' Bureau.

After the "red card" has been issued the applicant will be received into the sanatorium and if in Kerrville, will be sent for upon notifying the hospital, providing they have also received their transportation. Dr. Cook said that plans were arranged to send for the patients in the afternoon and preferred that several be at one place. However, one patient will be sent for as soon as possible after the institution is notified.

An ambulance will meet all trains from now on, according to Dr. Cook. Men coming by rail should get off at the station Legion, even though their ticket reads to Kerrville. They will be cared for by hospital attendants upon their arrival there.

Work on the rearrangement of the building and installation of equipment is progressing very satisfactorily. Dr. Cook stated, and he hopes to be ready Sept. 1st to care for patients as fast as they come in. It is thought that the institution will be under full headway before the latter part of next month.

CORNERSTONE OF SCHREINER INSTITUTE LAID WEDNESDAY

Impressive Ceremonies Witnessed by Hundreds—Marks New Era in Local Education.

Schreiner Institute, preparatory school for boys, was formally dedicated with the laying of the cornerstone Wednesday afternoon at 4 o'clock. The impressive ceremonies were witnessed by hundreds of people from Kerrville and the Hill Country and from points outside.

The Board of Trustees met at the Schreiner Bank at 2 o'clock to make the final arrangements and the program opened in the auditorium of the Presbyterian Encampment.

Bishop J. S. Johnston pronounced the invocation. This was followed by a selection by a male quartet. The historical statement by the Board of Trustees was then read and Rev. Arthur G. Jones, D. D., of Austin, delivered an eloquent and appropriate address on Christian Education. Dr. Jones is an able speaker and his points on preparatory school work were sound and interesting. Dr. Jones' address was followed by a vocal solo.

The meeting then adjourned to the main building at the Schreiner Institute, where Dr. Jones superintended the laying of the cornerstone. Deposited in the compartment in the stone were copies of the deed of gift from Capt. Chas. Schreiner and the acceptance of the trust by the Synod of Texas, a historical statement of the progress under way and the names of the officers and faculty.

Dr. Brooks I. Dickey of Dallas gave the dedicatory prayer. After the exercises the buildings were thrown open for inspection by the public. The building of the Institute marks a new era in local educational circles and brings Kerrville to

Warren Gamaliel Harding's Last Message

Texas Commercial News: One of the last acts of President Harding, directed by him after he had been driven by pain and illness to the bed where he died, bespoke much of the man he was. It was typical and characteristic and followed the thought he had emphasized in his addresses not only on the trip to Alaska, but reiterated from time to time since he first became President.

In this instance the act was to command his secretary, George Christian Jr., to go to Los Angeles, Calif., and deliver the address his illness made impossible for him to speak personally. The address was delivered by Mr. Christian, but the words were those of the deceased Chief Executive of the United States. They reflect much of the man as he lived, believed and publicly professed before the world and read, in part, as follows:

"We should glorify the Holy name, not by words, not by praise, not by displays of arms, but by deeds and service in behalf of human brotherhood. Christ, the great exemplar, of our (Knights Templar) order, repeatedly urged this truth upon His hearers.

"There was nothing mythical or mystical in the code of living preached by Jesus Christ."

Members of the party who traveled with Mr. Harding on his last trip across the country he loved recalled that he spoke from the rear platform of his railroad car the Sunday morning when he arrived at Colorado Springs, Colo., in the same evangelistic vein that illustrated his character. On this occasion the then Chief Executive said:

"I tell you my countrymen, the world needs more of the Christ; the world needs the spirit of the Man of Nazareth, and if we could bring into the relationships of humanity among ourselves and among the nations of the world the brotherhood that was taught by the Christ, we would have a restored world; we would have little or none of war, and we would have a new hope for humanity throughout the earth. There never was a greater lesson taught than that of the golden rule. I would be willing to wipe out the other commandments."

THE WEEK IN SOCIETY

Enjoyable Picnic

Mr. and Mrs. Harry Gordon entertained several of their friends Tuesday afternoon with a picnic party on the Guadalupe six miles above the city. An appetizing picnic lunch was served and they report a most enjoyable time.

Those enjoying the party were Mr. and Mrs. J. C. Reifel and family, Mrs. Sam B. Farrell and family and Mr. and Mrs. Harry Gordon and little daughter.

Q. V. Bridge Party

Wednesday of last week Mrs. Jesse E. McCreary and her daughter, Mrs. Pearl Granes, entertained the members of the Q. V. Bridge Club in her home. Miss Maude Short of the Red Cross Society and Mrs. J. C. Robinson were among the invited guests.

First prize was won by Mrs. W. G. Carpenter and the consolation went to Mrs. Walter Meyer. After a palatable luncheon was served, the semi-annual election of officers took place. Mrs. John Drodzy was chosen president for the remainder of the year, with Mrs. A. G. Platte as vice president.

The next meeting of the club will be held Wednesday, August 22nd, with Mrs. Walter Meyer as hostess.

Mrs. Pampell Hostess at Bridge

One of the most delightful social affairs of the past week occurred last Thursday afternoon in the form of a charmingly appointed Bridge Party, with Mrs. Milton Pampell as hostess. Mrs. Richard Alois Renschel was the honoree of the occasion.

The rooms were attractively decorated, banks and clusters of zinnias, marigolds and scarlet verbena being tastefully arranged to form the principal embellishments.

Miss Dorothy Doyle won first prize, an Egyptian cordialer, and the consolation, a powder and puff box, went to Miss Mary Louise Barnes. Mrs. Renschel received two dainty guest towels as the guest's prize.

A delectable salad course was served by the hostess.

The guest list included: Mrs. Alois Renschel, the honoree; Mesdames J. O. Eastland; Carl Allen, Robt. Renschel, L. W. Moore, Guy Moses Milton Gold, Raymond Franklin, Dick Eastland, L. D. Garrett, Frank Hart, Scott Schreiner, Warren Colver of San Antonio, W. L. Jordan, L. Sandel, Edward Marsden, Payne L. Williamson, W. M. Wheelless, J. E. McDonald, L. L. Leslie, Bernard Kuhlmann, J. V. Kuhlmann; Misses Kate Renschel, Ruth Garrett, Mae Carpenter, Maybelle Roberts, Dorothy Doyle, Alice Dominguez, Bess Booth, Margaret Thorburn, Mabel Thorburn, Ellen Mason, Helena Brown, Ethelra Fraley, Yolande Robinson and Mary Louise Barnes.

Reception for Mrs. Alois Renschel

Mrs. H. Renschel was hostess at a delightful reception at her home last Saturday afternoon from 4 to 7, complimenting Mrs. Alois Renschel. About 170 invitations were sent and the guests thronged the Renschel home during the hours of the entertainment, which was in the nature of a tea. The rooms were beautifully decorated for the occasion.

Receiving at the door were Mrs. G. M. Doyle and Mrs. Amy Wallace; in the living room were Mrs. H. Renschel and Mrs. Alois Renschel, the hostess and honoree; Miss Laura Mussey, Mesdames J. J. Delaney, A. C. Schreiner, Gus F. Schreiner, W. P. Dickey and J. S. Wheelless; in the hall were Mrs. J. O. Eastland, Miss Mabel Bates, Mrs. Dick Eastland, Miss Bessie Hart Bates and Mrs. Geo. Morris.

Mrs. John Burney was in charge of the guest book. At the living room door were Mrs. W. G. Carpenter and Mrs. Wm. Lee Secor. Presiding at the punch bowls were Mrs. Oia B. Gammon, Mrs. Raymond Franklin, Mrs. Edward Marsden and Mrs. Harriet Garrett.

Assisting in the dining room were Mesdames Robt. Renschel, Milton Pampell, J. D. Jackson, L. D. Garrett, and Misses Graves Dewees and Kate

of delicate blossoms. Presiding here were Mesdames Dubose and J. W. Ewell. In another corner of the garden the punch bowl was placed, resting in a bed of fern and queen's crown. Those serving here were Mesdames J. S. Strickland, Emil Schultz and Joel Wilbern. In the house, where the beautiful collection of wedding gifts was displayed, there were many beautiful baskets of summertime flowers. Mr. and Mrs. Wise and Mr. and Mrs. Renschel left during the evening for Galveston and other points of interest in the State. Mrs. Renschel's going away suit was a sport model of baize Raschana silk, with accessories to match. Mrs. Wise wore a suit of embroidered poreit twill, with small fall model hat to match.

short address, calling attention to the increasing demand for poultry, truck and dairy products, and asking that some way be devised to awaken the farmers and ranchmen of this section to the many opportunities they are passing up. Mr. Real also complimented the business men of Kerrville for the work that has been done this summer and the interest and enthusiasm shown in all matters for the advancement of Kerrville and community.

T. F. White, County Agent, also made a short talk, outlining the work he is doing to assist the farmers and ranchmen solve their problems.

O. W. Hinds, chief clerk and purchasing officer of the U. S. Veterans' Hospital No. 93, was called upon and responded with a brief explanation of how the supplies for the institution are purchased. Mr. Hinds especially stressed the fact that as far as possible all supplies were bought locally and urged that all possible efforts be made to supply same.

Following adjournment, sandwiches and lemonade were served to more than fifty members and visitors.

Comfort Chat

News, Aug. 9th: "Tubby" Rees and Hubert Dunn of Kerrville were visitors here Saturday.

Sisterdale Item: Misses Edna and Sophie Werner and Alex. Werner returned Tuesday from a visit of several days at Kerrville.

Comfort once more has the distinction of being chosen as the site for a summer camp which will be permanent if the managers are well pleased at the end of this season. The Girls' Friendly Society of St. Mark's Episcopal Church of San Antonio opened a summer camp for working girls Thursday at the residence of Deaconess Bickford. The camp will be called Holiday House. Mrs. Ewing Gillis is in charge of the establishment and is very pleased with Comfort and the prospects for the success of the plan. Should the institution become permanent a suitable building will be purchased or erected.

100° in the Shade or 10° below Zero!

One hundred degrees in the shade or ten below zero, meat deliveries to your retailer go steadily on, so that you may be assured of just the kind and quality of meat that you desire.

No city is so far removed from live stock production that it cannot receive its regular supply of fresh meats.

Compare this with the meat supply of thirty or forty years ago. Summer weather then meant salt or pickled meats in the country, and a limited variety of fresh meats in most cities.

Refrigeration, developed by scientists, has made it possible for Swift & Company, and other packers, to prepare fresh meats and ship them long distances in refrigerator cars, so that today, without regard to heat or cold, meat reaches your dealer fresh, clean, and wholesome.

In addition to the fresh meats thus available, Swift & Company prepares a variety of tempting meats for hot weather:

Swift's Premium Cooked Ham, mild and sweet, smoked over hard wood fires, is always delicious.

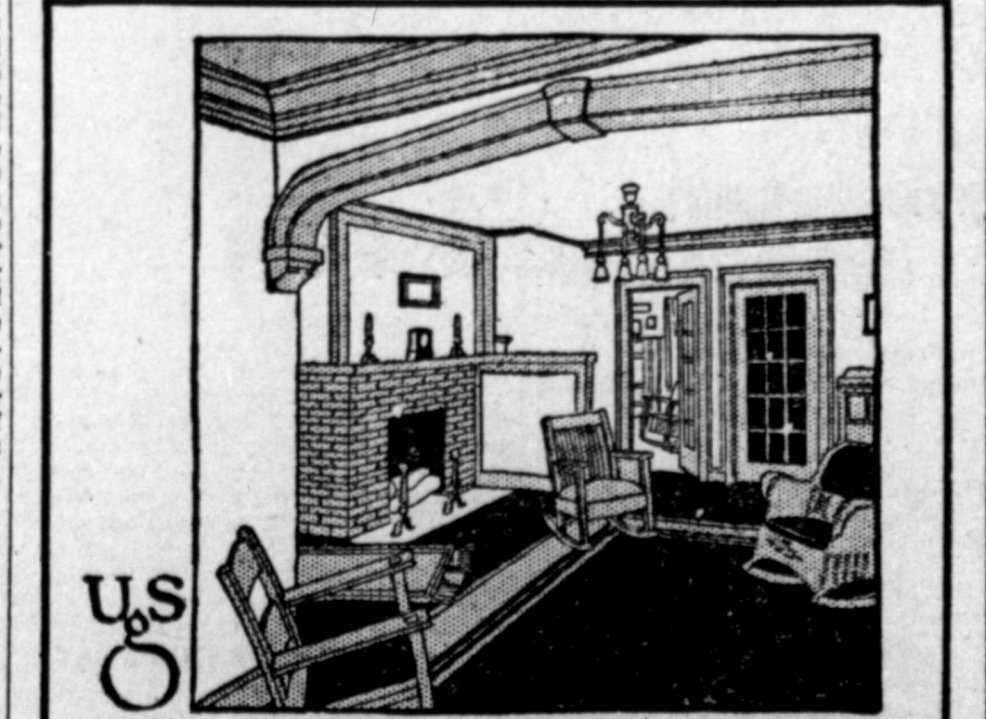

Swift's Premium Frankfurts, from our modern sanitary kitchens, offer a choice blending of meats and spices.

Swift's Sausage Specialties and Swift's Dry Sausage, ready to serve, help lighten the housewife's summer task.

In addition to these, a score of other Summer Specialties are made available by Swift & Company's research and development work.

Our profit from all sources averages only a fraction of a cent a pound.

Swift & Company, U. S. A.

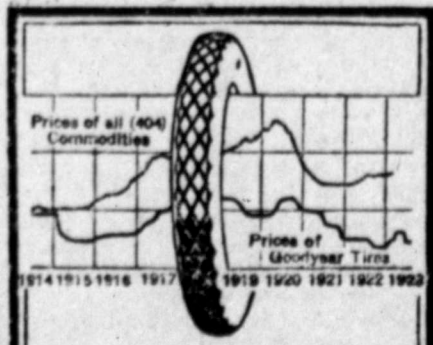

SHEETROCK The FIREPROOF WALLBOARD

Why Not Get the Best?

Sheetrock has these advantages over ordinary wallboard: It is non-burning, non-warping and permanent. It gives smooth, tight joints, resists heat and cold. Sheetrock walls and ceilings do not require panel strips. You can use any decoration. Sheetrock saws and nails like lumber; can be erected at low cost. Ask us to show you Sheetrock.

WINNING NEW CUSTOMERS DAY BY DAY

When every day new faces appear in our store and voices call over the phone whom we have not heard before, we can pretty well say and be right in our assertion that—

Customers Are Getting What They Want

That's the uppermost thing in our minds. Stock that the customers want, in the way that they want it and at the time they want it.

Business with the H. Noll Stock Co. continues to grow each day. At all times the very best of groceries, fruits, cereals, vegetables, canned goods, etc., are obtainable at our store. LEGGIONNAIRES TO HOLD MEETING AT LAKE SIDE PARK THIS EVENING

Good Eats and Fine Musical Program Arranged—Auxiliary To Meet at Same Time.

All former service men, together with their wives or sweethearts, are invited to attend the meeting at Lake Side Park tonight of the American Legion and the Auxiliary. Both organizations are meeting at the park as the guests of Mr. and Mrs. McClellan, and an enjoyable time is promised all who attend.

Several matters of business are to come before the Legion tonight, chief among which is arrangements for the celebration of the opening of the Legion Hospital, which will occur some time next month. Several notable personages, both State and National, are scheduled to attend the formal opening and dedication of the hospital, and the Legion men are to discuss plans for their entertainment, as well as the great crowd expected to be on hand at that time. Tentative plans of the opening call for a barbecue, and this matter will be settled at the meeting tonight.

This is the last meeting of the Legion before the local delegate leaves to attend the State convention at Galveston, and the local post will discuss impending legislation to come before that convention, and instruct their delegate accordingly.

The ladies are planning a busy and interesting session during their business meeting. Among the many matters to come before that body will be the annual reports prepared for submission to the State convention, as well as a discussion of impending legislation in their branch of the work, with the opportunity of instructing their delegates also. Besides this, the ladies will perfect plans for the card party they are giving next Tuesday night at Lake Side, for the benefit of the Auxiliary.

HEREFORD HEIFER GIVES BIRTH TO TRIPLET CALVES

San Angelo, Tex., Aug. 14.—San Angelo, long famous as the breeding ground of the beef cattle of the Nation, proved its reputation again last week when a coming three-year-old heifer, in the herd of W. T. Mayes, gave birth to three white face calves on his ranch in the Grape Creek community.

The heifer was running in a 1,000-acre pasture with 50 to 60 other cows and calves. She is a high grade Hereford. The triplets are well formed

and while not as large as some calves, Mr. Mayes says that he has seen plenty of calves no bigger than these. All are doing fine, he says, and will good grass in his part of the country he feels sure that he will raise all three.

G. M. Doyle and son, Merrill, went to Leakey Tuesday on a business trip, returning Wednesday evening.

Mrs. Frank R. Giraud of San Antonio arrived last Sunday for a week's visit with her father, Judge R. H. Burney.

Two new Buicks were put into use by the Ayala Passenger Line during the past week. The new cars are on the San Antonio run.

Bob Barry recently bought two lots on Jefferson Street, across from Herman Mosel, and will begin the erection of a home on them shortly.

J. F. Wilson and Mr. Barkdale, Western Union officials from the Dallas office, paid the local office a short call of inspection Wednesday.

Mr. and Mrs. L. W. Moore leave today for their home in Galveston after a two weeks' visit here with the former's parents, Mr. and Mrs. J. T. Moore.

Mr. and Mrs. Walter Schreiner came down from their ranch to attend the cornerstone exercises at the Schreiner Institute Wednesday afternoon.

Dr. and Mrs. C. J. Koerth left last Friday for Sanatorium, where Dr. Koerth will enter the sanatorium. He was connected with the Legion Hospital here while operated by the State.

W. T. Mackey and family left the latter part of last week for Hunt, where they will reside during the coming school term, Mr. Mackey having been employed as a teacher in the school.

Mrs. E. G. Norton and daughter, Mrs. R. T. Devant, of Beaumont, arrived Tuesday and have rooms at Ralph Solomon's. They spent a part of last summer here and have many friends who will be glad to learn of their return.

NEW BAPTIST PASTOR TO TAKE CHARGE NEXT SUNDAY

Rev. W. T. C. Briggs, recently called to the pastorate of the First Baptist Church, will begin his ministry next Sunday, announcement was made by the pulpit committee.

Rev. Briggs delivered two sermons here less than a month ago, but no action was taken by the church at that time. He was called by the church in conference Sunday before last and a letter of acceptance was received from him last Thursday.

The new pastor and his family are expected to arrive here Friday noon, and they will take up their work in the church immediately.

COOLIDGE SELECTS VIRGINIA MAN AS PRIVATE SECRETARY

Washington, D. C., Aug. 14.—Former Representative C. Bascom Slemph of Virginia has been tendered and has accepted the position of Secretary to President Coolidge.

Announcement of Slemph's appointment was made today at the White House shortly after he concluded an hour and a half conference with Coolidge. Slemph will not take permanent charge of his office until after Labor Day, and in the meantime George B. Christian Jr., secretary to the late President Harding, will remain as secretary.

Mrs. J. L. Vining was the guest of Mr. and Mrs. Jim Rees Tuesday, leaving Wednesday for Mercedes. Mrs. Vining has been visiting her mother, Mrs. Jim Moore, and her sister in Junction, and was en route home.

While most of the campers and visitors to the Hill Country are good people and respect the rights of others, there are a few that seem to think that they can do as they please regardless of law or decency, and as a result of the lawless and degrading acts of these few many of the citizens living along the river have been compelled to close their premises to the public in order to protect their property and families. There has been very little complaint on this score in the past and the good people of this section, who are noted for their hospitality, have gladly welcomed the increasing crowds of summer visitors, and have done all in their power to make their stay one of enjoyment. However, this summer the good nature and rights of many residents along the river have been imposed upon shamefully and, as stated above, they have closed their places for protection. The Hill Country is not alone in this matter, as protests are being made in other sections of the country on the same grounds. No doubt the camping craze, which has been sweeping over the country the past few years, is in large part responsible for this undesirable class of visitors. They are not sportsmen or lovers of outdoor life and for that reason will probably never again visit this section, yet others of the same stripe will from time to time, and some concerted action should be taken to see that they deport themselves in the proper manner, even if a few arrests have to be made and the guilty parties turned over to the law.

COURTESY OF THE ROAD

Coleman Democrat-Voice: The road hog is not a new creation—for in the beginning God created man—but the road hog has been magnified since the advent of the automobile.

The road hog lives in the city and in the country; he is found in the city streets and on the country roads, and is of both the male and female species.

The city road hog, running in high, apparently secures a great deal of satisfaction in holding the center of the road and forcing an oncoming driver to take to the ditch in order to pass him.

The country road hog, driving a team, tenaciously sticks to the middle of the road and ignores the sounding horn of the motorist who desires to pass.

Such persons are met on every road and the fact of it is exasperating and sometimes causes a killing. Both kinds of road hogs should be in jail.

But happily, all persons are not road hogs; the road hog is perhaps the exception. Most motorists and others using the public highways observe the common law of courtesy—they divide the road with others, and sometimes give up a greater share of it when passing conditions are bad on the other side. There is a reward in Heaven for those who observe the law of courtesy of the road.

WHY I BUY AT HOME

Rockdale Reporter: I buy at home: Because my interests are here.

Because the community that is good enough for me to live in, is good enough for me to buy in.

Because I believe in transacting business with my friends.

Because I want to get what I pay for.

Because every dollar I spend at home stays at home and helps work for the welfare of the city.

Because the man I buy from stands back of the goods.

Because I sell what products I produce here at home.

Because the man I buy from pays his part of the city and county taxes.

Because the man I buy from helps support my school and church, my lodge, and my home.

Here is where I live, and here I buy.

HUMMING BIRD VS. BUZZARD

Texas Commercial News: Among the feathered tribes of this mundane sphere, there are two antipodal creatures: the humming bird and the buzzard.

One flits about your window and delicately poises his graceful body over the redolent flower, and as he hums his melody of cheer he sips the nectar from its chalice fountain; the other snoops about the world, sitting morosely on some bleak, dead tree trunk, or thievishly hovers about the dead carcass, the carion of the fields.

So, in human tribes, there are two antipodal characters. One moves joyously near you with a smile and a frank open countenance and gathers from the lives of his fellows beautiful deeds and out of these he builds his own sweet, wholesome character, and in his wake, but he opens up to others the beauty element in life, and turns to others the side of the cloud which has the silver lining; the other snoops morosely about you and feasts upon the evil that men do, and wherever you find him scowls and snarling faces on every side.

"Two men looked through prison bars; One saw mud, the other stars!"

Twelve elders led a girl before the lowly Nazarene and sought his approval to stone her, for they had caught her in the act of adultery. The Master stooped and wrote in the sand, while their contrasted lives wove their consciences into a whip of cords which drove them from Him. Then He arose and said, "Neither do I condemn thee: go sin no more!"

Which are you? The humming bird or the buzzard in human affairs.

CATHOLIC CHURCH NOTES

By Father Kemper

HARDING MEMORIAL SERVICE

On the Nation's mourning day, last Friday, August 10th, special services were held for the repose of the soul of Warren G. Harding. By order of the diocesan bishop, the American flag was kept at half-mast during the sorrowful week, the church bell was tolled and a Requiem Mass was read. His Lordship also requested the reading of President Coolidge's proclamation, and the recitation of the psalm "De Profundis." To this were added the American Creed and the creed "which Harding made and which made him."

The morning that the sad news of the sudden death of our twenty-ninth chieftain was broadcasted throughout the world, over seventy parishioners assembled in the Convent Chapel to make a prayerful memento for their valiant leader and his courageous spouse.

Wednesday of this week was the titular feast of our parish, the Assumption of the Blessed Virgin, a holy day of obligation. Mass was read in St. Mary's at 7 o'clock, and in the evening our people joined in the general celebration at the Schreiner Institute, which we welcome and wish unbounded success.

Last Sunday Father Kemper kept his monthly Sabbath engagement at Comfort. He could not stay for the town barbecue on account of previous arrangement to attend the Boerne festival for the benefit of their beautiful new Catholic Church.

Notre Dame Newcomers
Sister Justin of the Immaculate Heart Academy at Ysleta came here on Monday with Sr. Stanislaus of Amarillo. On the same day the Convent boarders motored to the Boerne Academy with Miss Angeline Kemper, Miss Mary Amery, Mrs. Bruno Schott and Mrs. Arthur Bartzan.

Miss Madeline Sinn of Dallas writes that she will not be able to return to our High School on account of her employment with the Egan Company of that city. Her class mate, Miss Wilhelmina Mosel, was operated on for tonsillitis at the Secor Hospital last Friday.

Harry Karger has moved back to Kerrville with his family of six children. Frank Sultenfuss, employed at the Morris Dairy, also has six children to help swell our school enrollment. Mrs. Paschal White has enrolled her daughter, Doris, Mr. and Mrs. Charles Dolezal came from Houston with their daughter, Mildred Mary.

The youngest aspirant to Notre Dame for future matriculation, is the 11½-pound baby that gladdened the heart of Mrs. Jerome Fritz Wednesday of last week.

Mary Seviere bade farewell to her school mates and returned to Mariana with her brother, Elbridge, and her cousin, Mrs. Helen O'Riley.

The family of Morris Brouillette has transferred their residence to Smithville.

Friday Social
The young folk of St. Mary's Auxiliary will give a dance tomorrow night (Friday, 17th) in Washington Hall. Admission to non-members presupposes an invitation.

The parish ladies belonging to the Qui Vive Club held a Bridge Party Wednesday of last week as the guests of Mesdames McCreary and Granes.

The children of Tom Clark, former care-taker of Notre Dame, are spending a vacation this week at the Rectory. With them came the family of Dennis Eugene O'Brien, who superintended the drilling for oil at the Diamond Ranch several years ago.

Miss Ruth Thornton, who resided here during one of our summer encampments, was our Sunday guest. Another old encampment visitor was Margaret Kremer, now known as Mrs. R. M. Willis. Margaret's sister, Catherine, who had also been with us, is studying nursing at Santa Rosa

Infirmary with Alberta Power. The latter's mother, Mrs. John L. Power, spent the week end with Mrs. L. W. Laughman.

Mrs. Patrick E. O'Brien, also of San Antonio, is rooming at Mrs. Charles Mosel's. She is accompanied by her grandson, Emmet Kelly, a student of St. Mary's College.

Mary Mildred Mosel went to San Antonio Monday with Louis Tondre and his son, Herbert.

Al Oldham, K. C. auditor, made his official trip here last Friday, accompanied by Ben Newman and the pro-temporary secretary, Joe Martin.

John Kolodzey enjoyed a visit from his sisters, Mrs. Frank Matejek and Eleanor, and his brother, Ben, and wife, all from Yorktown.

Valeska Kuhlmann came up from Houston with his wife to visit his parents. He returned with Mr. and Mrs. Bernard Kuhlmann.

Other Houstonians are Miss Catherine M. Roeller and Miss Mary L. Tucker.

From Angleton we had Miss Merle M. Coombs, and from San Antonio Miss Annie Frerich, Miss Clara Hummel and Richard Ohnheiser.

Hugh Gill of North Pleasanton is again on the highway construction work as one of the foremen.

Mrs. Fred W. Volz of Eldorado, Ark., has moved to our healthful climate, accompanied by her husband and son.

Peter Loran of Rhineland, who is promoting a new colony near Lubbock, came here to invite parishioners to a free Buffalo Barbecue.

Last Saturday Prof. Dubray of St. Anthony's Business College, Martin Carle, assistant cashier of the City National Bank of San Antonio, and Felix Stehling, with their families, inspected Notre Dame on their return trip from Seven Hundred Springs on the South Llano above Junction.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

PRESBYTERIAN MOVEMENT FOR CHRISTIAN EDUCATION

S. P. Hollinrake and A. H. Seats of Dallas Visit Kerrville in Interest of Movement.

Among the visitors to the Westminster Presbyterian Encampment Wednesday were S. P. Hollinrake and A. H. Seats of Dallas, representing the Presbyterian movement for Christian education. Mr. Hollinrake is the State director and Mr. Seats has charge of the publicity. Mr. Hollinrake came to Kerrville to speak on the movement and its objects.

The movement, he said, is under the direction of the assembly's committee on Christian education, of which Dr. Henry H. Sweets of Louisville is executive secretary. Dr. Sweets has put on similar successful campaigns in twelve synods and over \$9,000,000 has been pledged by Southern Presbyterians for schools and colleges. The money goes for endowment and equipment to meet the demand for the church for trained Christian leaders.

Texas, he said, is the thirteenth Synod in which this movement has been launched. No active work will be done by the Presbyterians until after the meeting of the Synod, which will be held in Dallas September 11th. At that time the amount to be secured and the distribution of the fund will be determined.

In the meantime a preliminary survey of the State is being made by a force of men who are securing church rolls and interesting the church leaders in the work to be done.

The pledges usually extend over a period of three or four years without interest. Mr. Hollinrake and Mr. Seats and their associates have just finished a similar campaign in Arkansas, where the Presbyterians pledged over \$485,000 on a quota of \$406,000. Of this amount \$60,000 was given for the endowment of an Arkansas chair at Austin Presbyterian Seminary, which institution is controlled by the Synods of Texas, Arkansas and Oklahoma.

The field forces, some of whom will visit Kerrville shortly, consists at present of Rev. J. S. Baird, D. D., of Sherman, F. A. McElroy of Birmingham, H. S. Caldwell of Union Springs, Ala., A. T. Hollinrake of Gainesville, Fla., and Joseph Baird of Sherman.

MEXICAN BAPTIST CHURCH
(By Member)

The Sunday School was reorganized, forming new classes and electing two new teachers, Mrs. Cora Arreola for the adult Bible class and Mrs. Lee Rodriguez for the cardie roll and beginners' class.

The pastor gave a fine message Sunday night from John 8. Rev. Garcia and wife and Gilbert Rodriguez are resting and visiting their daughter, Mrs. Emmett Rodriguez. They have been attending the convention at San Marcos and afterwards taught the Sunday School Manual at the Mexican Baptist Encampment at Bastrop. Last Sunday more than 300 were in the class.

The Circles met in their different places with about 20 in attendance. The Sunbeams sang cordy on the church lawn Saturday afternoon, the proceeds to go toward a folding organ for their Sunday School room.

HELP WANTED IN KERRVILLE
And Furnished by the Help of Kerrville People.

Those who suffer with kidney backache, urinary ills or any little kidney or bladder disorder, ward kidney help. Who can better advise than some Kerrville resident, who has also suffered, but has had relief. Kerrville people recommend Doan's Kidney Pills. Here's one case and there are many others:

D. F. McNeese, retired farmer, says: "I can recommend Doan's Kidney Pills for I know they are a good remedy. My kidneys were weak and out of order and I felt dull and tired and had a soreness and dull ache over my kidneys. My kidneys acted irregularly, too. Others in my family had been benefitted by Doan's Kidney Pills so I used them. They corrected the trouble and put my kidneys in good condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McNeese had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

Wednesday, Aug. 22nd, 2:30 p. m.: Junior Harp Study: Creation. 3 p. m.: Praise, prayer and testimony meeting: "The Fruit of the Spirit is Meekness and Temperance." Gal. 5: 22. Berean Study, Ezek. 23:1-21.

Pilgram Brother Bohuet of Brooklyn, N. Y., will deliver a public lecture at the Kerrville Union Church Monday, Aug. 27th, at 8 p. m. His subject will be: "The World's End—Millions Now Living Will Never Die." Since the majority of people have the erroneous idea that the termination of this world will be accomplished by literal fire and brimstone, it would prove interesting and instructive to all such to hear Brother Bohuet give the Bible interpretation on this timely subject, Union Church. All welcome.

VINSON'S SUCCESSOR NOT TO BE SELECTED YET

Austin, Tex., Aug. 13.—Emphatic statement that the Board of Regents of the University of Texas, which began a business session here Monday morning, and which probably will continue through Tuesday, will not at this time elect a president to fill the vacancy caused by the resignation of

Dr. R. E. Vinson, was made by Luther Stark, chairman of the board. Impression prevails that the president will not be named until the close of the 1923-24 term, Dr. W. S. Sutton to serve as acting president during that time. In the event the board reaches that decision, it will be necessary that an acting dean of the education department be appointed to serve in place of Dr. Sutton.

Theo. L. Bellmont, for the past 15 years director of physical training, will be appointed director of the College of Physical Training, ordered established at the last meeting of the regents.

When a Cow Needs a Friend

"Flies, Flies, Flies! These pesky beasts are driving me crazy! I'm all jumpy and hot and nervous. It's harder for me to make milk now than it was in winter and I don't get nearly as good feed."

WOULD your cows say this if they could speak? Or do you give them a properly balanced ration that lets them make milk without robbing their bodies?

Purina Cow Chow

supplies the elements that are lacking in pasture. It furnishes the digestible protein and mineral matter that is absolutely necessary for continued milk production. Your own records will prove that it pays to feed Cow Chow on pasture.

PAMPELL'S

The name has a real meaning during these warm days, for you find here all the necessary ingredients to allay the atmospheric conditions. Here you find the best and purest ice cream, candies and soft drinks, as well as all kinds of bottled soda waters—all made in our own factory, under the most sanitary conditions and guaranteed to be pure and healthful.

Radio is all right at the proper season of the year, provided you can tune in with outside points. Then you can hear the best of musical programs obtainable at the place the broadcasting station you manage to tune in with is located. But with a Columbia, a Victrola or an Edison you not only have the best artists of the entire world at your command, but you have them any time of the day or night, the year round—all you have to do is push the lever and you are tuned in with the best musical talent the world has ever known. Besides you can attach your phonograph to the radio and use it for a loud speaker. The machines are carried in stock in all styles and prices, and a small payment down delivers one to your home.

Move the Victrola, Columbia or Edison out on the front porch, lay in a case of Pampell's soda water or a gallon of cream and a box of candy—and then you can laugh at hot weather.

Bandera Budget

New Era, Aug. 9th: Mr. and Mrs. Dock Evans made a trip to Kerrville last Thursday.

G. G. Hinds and son, Clifford, made a business trip to Kerrville Monday.

The crowds at the Bandera County Fair last week were greater than at any previous fair held in this county. The exhibits were all good, particularly the sheep and goat show held in conjunction with the fair by the United Sheep and Goat Raisers' Association. The community displays were excellent, and managed in such a way as to bring forth favorable comment by all who attended the fair.

The annual show and sale of the United Goat and Sheep Raisers' Association, held in connection with the Bandera County Fair last week, was attended by goat and sheep men from all over the district, and many sales were made. Some fine stuff was on display, which demonstrated that this part of Texas is coming right to the front with high grade animals, and it is pleasing to note that Bandera County goat and sheep raisers were among the leading breeders. Bob Davis of Rio Frio, president of the Association, was on hand early as

well as other officers and directors. A meeting of the Association was held Wednesday night, at which general business of the Association was transacted.

In April, 1916, Congress granted a 30-day vacation, with pay, to every employe, both shop and office, of the arsenals of the United States Government, who had served twelve consecutive months, and this has become the standard vacation for all Government employes.

Along Little Sulphur Creek, near Healdsburg, Calif., north of San Francisco, the ground is pot-marked for 10 miles with geyser holes. A company has dug two wells each 220 feet deep. Deeper than this their drills refused to go. An 8-inch casing was sunk in each hole to bring up the steam generated, and this was forced through 3/4-inch pipe into a steam turbine. The pressure of the steam on the 3/4-inch pipe aggregates 70 pounds to the square inch. With a five-inch vent, the pressure aggregates 30 pounds. The turbine through which the steam from the two wells is forced generates 1,500 kilowatts. An extensive power development project is being planned.

AZTECS CANCEL 3-GAME SERIES WITH ATHLETICS

The Aztecs, fast semi-pro baseball team of San Antonio, cancelled the series of three games that were to have been played with the Athletics at Van Daele Stadium in San Antonio next Saturday and Sunday.

No reason was given beyond the fact that the Aztecs wished to play the Apaches, a rival team, on those dates and the Athletics' schedule would not permit of a postponement, hence the series was called off.

From present indications, it seems unlikely that the locals will make a trip to San Antonio this season to play any of the Alamo City's strong teams on their home diamonds, as their schedule is filled.

FARMERS OF HILL COUNTRY LOSING VAST SUMS ANNUALLY

(Continued From First Page)

per pound for butter fat, while the average price paid for these commodities on the San Antonio market is 18 cents for sweet milk and from 30 to 33 cents for the butter fat.

The company cannot secure enough cream to make butter to supply the local demand, in spite of the price they are offering, and as a result several hundred dollars are leaving Kerrville monthly to purchase butter from outside creameries.

All this could be kept at home if farmers and ranchmen would devote a little time and effort to this important, though sadly neglected, part of the farming industry.

Moves are under way to organize egg circles in Kerr County to enable the producers to raise and market the products of their poultry yards to the best advantage. This is indeed a move in the right direction and should receive the hearty support and co-operation of all.

One of the greatest drawbacks to the production of eggs at a profit is the great percentage of bad eggs the average farmer and ranchman will bring to market at this season of the year. This spoilage in many instances runs as high as 50 per cent.

Authorities in the poultry business say that this waste is wholly unnecessary and can be easily avoided by separating the hens and cockerels. Get rid of the roosters after you have raised all the little chicks you want, and let your hens lay infertile eggs—for which you can find a ready market and which you know will be classed as

good eggs when you bring them to market.

Another proposition that can and should be worked out in this connection is caponizing young cockerels. This is most successfully done when the fowls are from six to eight weeks old, and will enable the grower to market the birds in the fall at a big profit, for the caponized fowl not only will weigh nearly twice as much as the ordinary cockerel, but will command from three to five cents more per pound on the market.

One Kerrville poultry dealer has the tentative plans arranged to furnish an expert in this line of work to caponize chickens for farmers and ranchmen next spring, and plans not only to do the caponizing at his expense, but will enter into contract with the grower to buy the fowls in the fall at a price from three to five cents per pound in excess of what they receive for their other poultry.

Get a few good milk cows and a bunch of hens, feed them properly, and results will inevitably follow.

Keep Hill Country money at home.

TWO GAME ZONES NOW ESTABLISHED IN TEXAS

San Antonio Express, August 12th: The new regulations concerning open game season and the division of the State into zones for 1923-1924 have been announced by local sporting goods dealers in response to many inquiries from hunters. The new zone division has been ordered by the United States Department of Agriculture, and will be enforced by State game officers.

North and south zones have been established. The north zone is north and west of the I.-G. N. and T. & P. Railroads running from Laredo to San Antonio, to Austin, to Longview, to Texarkana. In this zone doves may be hunted from September 1 to December 15, except in Grayson County which is closed. The open season for ducks, geese, brant, Wilson or jack snipe is from October 1 to January 15.

The south zone is south and east of the I.-G. N. and T. & P. tracks. The open season for doves in this zone is from November 1 to December 15; for ducks, geese, brant, Wilson or jack snipe from November 1 to January 31.

The deer season is from November 1 to December 31, except in Bosque County, which is closed. Quail and chachalaca may be hunted from December 1 to January 31, except that the season is closed on quail in Grayson County and on blue quail in Lampasas County. The open season on quail and dove in Fayette County is the month of December. The plover season is October 16 to December 15.

Other regulations are:

Wild Turkey: November 1 to December 31. Exceptions, March 1 to April 30, only, in Gillespie and Kendall Counties in Central Texas; Dallas and Rockwell Counties in North Texas, and Cherokee, Nacogdoches, Angelina, Tyler, Jasper, Newton, Orange, Jefferson, Hardin and Liberty Counties in East Texas. Closed in McMullen, Jim Hogg, Brooks, Kennedy, Willacy, Starr, Hidalgo and Cameron Counties in Lower Rio Grande Valley.

Prairie Chicken: Only in Gray, Wheeler, Hemphill and Lipscomb Counties, September 1 to 10.

ORIENT RAILROAD LOSES \$296,452.43 IN SIX MONTHS

Sweetwater, Tex., Aug. 14.—Operating losses of \$296,452.43 were shown on the balance sheet of the Orient Railroad for the first six months of 1923, which has just been received from Acting Manager E. H. Shauffer from Wichita, Kan., headquarters of the road.

The total income for the period was \$1,008,508.38, with operating expenses \$1,904,960.81.

January and February proved to be the most expensive months of the half year, when deficits of \$72,217.77

and \$70,248.98 were shown. This was reduced to \$32,000.68 in May, with a slightly higher figure in June. June proved to be the best month for the Texas portion of the system, when a deficit of \$15,064.17 was shown, as compared with \$55,540.86 in the red side of the ledger for April.

LET'S PASS AROUND PROSPERITY

My Name Is Old Man Dollar

The grocery man paid me to a farmer for two pounds of butter.

The farmer gave me to a restaurant man for two meals he bought for his wife and himself.

The restaurant man owed for a neck-tie in a clothing store, for which he made me pay.

The clothing merchant bought four quarts of oil for his automobile and gave me to the garage man.

The garage man paid me to the furniture store where his wife had bought a floor lamp on the installment plan.

The furniture man gave me to the barber for a haircut, shampoo and shave.

The barber was in the country and paid me to the farmer for eggs.

HERE IS THE QUESTION:

How many dollars worth of merchandise have I bought, and how many dollars worth of debts have I paid?

Moral: If you pay out more than you take in, you will be hard up. If you continue to do so, you will go bankrupt. So it is with a community, your town, your county, of which you are a part—all will prosper if you put punch and aim into your lazy dollar and spend your money in the community which provides you with your livelihood.

WHAT ABOUT "UNSEEN" PLUMBING?

It's unseen, but it's there—between walls, under floors, buried in the ground. One-third of the cost of any good plumbing job is for that unseen work.

We believe that no part of a plumbing job is more important than the "unseen" plumbing. We know that unless the "unseen" work is done right the first time, using the proper material and workmanship, there is sure to be costly trouble later.

Our "unseen" plumbing stands the test of time and constant use. Our customers will tell you so. It will be to your advantage to consult us about any new installation or remodeling job.
