KERRVILLE-JUNCTION JOINT BASKET PICNIC TO BE BIG EVENT OF ENTIRE SEASON

Moss and Rembold Pastures To Be
Scene of Joint Jollification Next
Tuesday—Plenty of Entertain-
ment Provided.

Kerrville will be a dull place next Tuesday, August 28th, for this city is going visiting, as that is the date that Kerrville and Junction will shake hands over the completion of the Highway between the two cities. The festivities of the day have been arranged in the nature of a joint basket picnic between the two places, at the Moss and Rembold Pastures, 14 miles this side of Junction.

Every business house in Kerrville will be closed for the day and the merchants and citizens of this city will all participate in the celebration of the most important thing that has occurred in the Hill Country for many a day—the completion of the Highway. Good roads are not a luxury any more—they are a necessity, and the people of the Hill Country are justly proud of the road that links them with their neighboring city to the north, and will be at the celebration en masse to rejoice with the people of Junction and all surrounding towns.

Plenty of entertainment has been provided to amuse the large crowd that will be present. There will be good speaking, all kinds of free athletic contests, for which suitable prizes are offered, a big ball game and a big free dance at night. Refreshment and concession stands will supply drinks and sandwiches at a nominal charge. Plenty of ice water has been arranged for by the committees, as well as everything else that could be arranged for the comfort and convenience of the guests of the two cities.

The ball game between Kerrville and Fredericksburg is attracting quite a bit of attention, as these two teams have always displayed the keenest sort of rivalry, and so far this year have been breaking even. Four games have been played between the two cities, each one winning two. Another game is scheduled for tomorrow at Fredericksburg, and which ever team loses will be at the picnic Tuesday with blood in their eyes and determined to avenge their late defeat.

The Kelly Field Band, which is to spend a ten-day vacation as the guests of Kerrville, will accompany the delegation from this city to the picnic, and give concerts during the day and play for the dance at night. From the personnel of the band is taken ten players to be used for dance purposes, and reports say that these ten men put up the best kind of jazz music for dancing.

Take a day off from your labors and bring the entire family to this picnic and join in celebrating the best asset this entire country can have—good roads.

KERR COUNTY EGG CIRCLES WERE ORGANIZED BY FARMERS TUESDAY

Two Officers Elected and Committee
Appointed to Report at Meeting
Friday Afternoon.

A number of the progressive farmers of Kerr County met Tuesday afternoon and with the assistance of County Agent T. F. White organized the Kerr County Egg Circles.

Only two of the officers were elected at the Tuesday meeting. They were J. F. Rogers, president, and D. S. Griffin, secretary. The remaining procedure to complete the organization will be taken up at a meeting to be held Friday afternoon at 2:30 at the County Agent's office in the Court House. All members and others interested in the movement are requested to attend, as a number of important matters will be taken up for discussion.

It was decided at Tuesday's meeting that the president and secretary should work with the County Agent and formulate the constitution and by-laws for the new organization. This

committee will meet at the County Agent's office this morning to take up their work. They will make a report at the Friday afternoon meeting.

The egg circle plan should receive the co-operation and support of every farmer and poultry raiser in this section, as it is one of the greatest mediums through which they can market their products. Circle eggs bring prices ranging from two to three and more cents higher than the ordinary prices.

The only requirement for membership is that the producer furnish infertile eggs and market twice a week. The only cost to them is the rubber stamp and ink pad, which amounts to 55 cents.

LOCAL OFFICERS CAPTURE THREE STILLS IN RAIDS

Only One Man Caught in Wednesday
Morning Operations—Expect
Arrests in Other.

Three stills, a quantity of mash and liquor and one man, were the net results of two raids conducted by Sheriff Jack Moore and his deputies last Friday night and early Wednesday morning.

Sheriff Moore and Deputy Henry Staudt conducted operations last Friday night in the hills west of the city and their labors were rewarded by the capture of two good sized stills and three large barrels of mash. The raid was made on a tip furnished by Dr. S. E. Thompson, who accompanied the raiding party. The stills were of about three and six gallons capacity and were evidently ready to be placed on the fires when the officers swooped down upon them and frightened the operators away. No arrests have as yet been made, but the sheriff's office hopes to apprehend the guilty persons shortly.

The raid Wednesday morning was more successful in that the operator of the apparatus was caught with his outfit, although it was not in operation at the time. The scene of the raid was near the highway two miles west of the city. A still of eight or ten gallons capacity was taken, with three bottles of so-called beer and two small barrels of mash. Deputy Vernon Merritt accompanied Sheriff Moore on the raid.

The still were all of copper construction and are thought to have been in use for some time past.

SCHREINER INSTITUTE OPENING ENROLLMENT EXCEEDS CAPACITY

Frame Building to Be Erected to Care
For Students Until Another Dormi-
tory Unit Is Added.

A satisfactory opening enrollment for Schreiner Institute is assured, according to President J. J. Delaney. More than 80 boys have already made application for entrance and more are coming in every day.

This enrollment is more than double the present dormitory capacity and a temporary frame barracks is to be erected beginning about Sept. 1st. The Board of Trustees, in a meeting held Wednesday of last week, authorized the construction of the building, which is to be rushed to completion.

The new barracks will be built near the Westminster Encampment so that it can be used during the summer by that institution. No definite announcement was made as to when another permanent dormitory unit will be added to the plant, but it is thought that plans for same will be made some time this winter or next spring.

President Delaney was also authorized by the Board to secure an additional instructor for the English and History department. Prof. Delaney has already taken steps to obtain a competent teacher and hopes to be able to make announcement of the new faculty member within a short time. This step has been made necessary because of the opening enrollment being so far in excess of expectations and present capacity.

The Schreiner Institute will open its doors for the first time Tuesday morning, Sept. 18th, and overflow students will be quartered in cottages on the Encampment grounds until temporary frame barracks are completed.

SUMMER TERM DISTRICT COURT CHARACTERIZED BY DISPATCH OF CASES

Unusually Heavy Docket Cleared in
Quick Time Through Efforts of
Judge Burney—C. W. Stone
Acquitted of Murder.

The summer term of District Court, which closes Saturday, has been marked by the dispatch with which the cases on the docket have been moved. Of more than forty cases on the docket, nearly all of them have been disposed of.

This rapid disposal of cases is thought by some to be a record for the local court. Judge R. H. Burney is to be complimented upon the quick time he has made in moving the business, as are the attorneys who were ready with their cases.

The case of State vs. C. W. Stone came up for trial last Thursday morning and the jury had rendered a decision early Friday evening, acquitting Stone of the charge of murder. The case attracted considerable attention locally and over the 38th Judicial District and the court room was crowded during the two days the trial was in progress. Judge Lee Wallace, Judge Noonan and Judge Lackey of Hondo were the attorneys for the defense.

The verdict, delivered after less than thirty minutes' deliberation, read as follows:

"We, the jury, find the defendant not guilty as charged in the indictment. J. W. Burney, foreman."

The following composed the jury, which was chosen from a special venire of 64 men summoned for the case: J. W. Burney, foreman; Virgil Storms, E. H. Keating, G. E. Miller, T. L. Cox, W. B. Leigh, Ed. C. Henke, A. M. Lamb, C. S. Childs, Alfred Kott, A. E. Oehler and C. W. Moore.

The case of State vs. O. J. Bean, charged with theft of a goat, was being tried as The Sun closed its forms Wednesday evening.

The following cases had been disposed of by the court up until The Sun went to press:

State vs. Harvey Stone, verdict of not guilty; State vs. Granville Jackson, continued on second application of State account of the absence of witness Aaron Stone, said witness being fined \$100 and writ of attachment ordered to any county in Texas, with bond fixed at \$250; State vs. Florencio Sanchez, charged with unlawfully selling liquor, verdict of not guilty; State vs. Dennis Williams, dismissed on motion of District Attorney; State vs. Odie Williams, plead guilty to unlawfully carrying a pistol, fined \$100 and returned to custody of sheriff until paid; State vs. Encarnacion Villaseor, same as preceding case; State vs. Chas. H. Pierce, same as preceding case; State vs. Leon Prevost, plead guilty to unlawfully manufacturing intoxicating liquor and sentenced to one year in penitentiary; State vs. John Taylor, aggravated assault, plead guilty, fined \$25 and remanded to custody of sheriff; State vs. Earnest Taylor, same as preceding case; State vs. Chas. Mexia, verdict of not guilty of unlawfully selling intoxicating liquor and State vs. Louis Blanks, charged with murder, instructed verdict of not guilty.

FISH HATCHERY FOR KERRVILLE TO BE BUILT THIS COMING FALL

Site on Old Spanish Trail Suitable for
Purpose, Reports Mark Riley of
San Marcos Hatchery.

Wednesday morning of last week, C. E. Salter and M. E. Bogle met Mark Riley, superintendent of the Federal Hatchery at San Marcos, at Clas. Eddins' place as he was returning from Junction, and with him went over the site as a possible hatchery for Kerrville. Following is Mr. Riley's report on the matter:

"Complying with request of C. E. Salter and others of Kerrville, Texas, the following is submitted as a result of inspection of a site for ponds suitable for raising pond fishes to stock the Guadalupe and waters adjacent to that town.

"The place visited on August 15th lies near the public road leading from Kerrville to Junction, the exact distance from either town being unknown to the writer. At the present time there is a pond of nearly a half acre, with a depth of four feet of water when filled. The pond is used as a reservoir for irrigating a field nearby and at the present time is filled with water and there is no sign of leakage.

"It is recommended that this pond be enlarged to more than double its present capacity by excavating on the upper side, gradually sloping the bottom from present bottom of old pond to approximately six inches below present surface on upper side. This should give a pond of nearly one acre in area, with a depth varying from four feet to six inches of water when filled. If still used for irrigating, care should be taken to have the outlet carefully screened and the water kept in pond of sufficient depth to

cover the bottom at all points. Usually irrigating is required after the spawning season is over, so that probably water from this pond would not be required at such a time as would interfere with the spawning. It would be necessary to build an approved outlet so that the pond could be drained and the fish gathered in a 'kettle' in front of the outlet. The cost of excavating this addition should not exceed \$400, as there is no rock to blast and the work can be done with plow and Fresno.

There is also a small pond adjoining the one above named that at the present time is dry. This can be slightly enlarged, care being taken not to disturb the limestone formation on upper side, which would be expensive and probably cause the pond to leak.

"Another pond can be constructed between the first mentioned and the public road on ground that is neither used for cultivation or any other purpose at the present time. It should be as large as the space will permit and have a depth at outlet of at least four feet of water when filled. The

ACUTE APOPLEXY CAUSES SUDDEN DEATH OF JIM REES

Suffers Stroke Wednesday Afternoon
While at Work at Power House at
Legion Sanatorium.

Jim C. Rees, well known over this section, dropped dead suddenly about 2 o'clock Wednesday afternoon at the power house at the U. S. Veterans' Hospital No. 93 as a result of a stroke of acute apoplexy.

Mr. Rees was employed as one of the engineers at the hospital and was engaged in his work at that time. He had apparently been in good health and his sudden death came as a shock to his family and to the community at large.

He had stepped out to the oil tank, it seems, to measure the quantity of fuel in storage, remarking to his son, Casper, who also employed in the power house, that he felt sick. He had hardly made the statement when he dropped over.

Casper rushed to him, but he died within a minute or two and before any other aid could be summoned. The body was brought to the city and will be held pending the making of definite funeral arrangements.

Further particulars will be given in next week's issue, as no definite information could be obtained up until The Sun went to press at a late hour Wednesday.

FARMERS HAVE STEADY MARKET AT HOME FOR THEIR PRODUCTS

Legion Hospital Creates Demand for
Commodities That Can Be Grown
in This Section.

Bright indeed is the outlook for farmers, truck gardeners and poultrymen of Kerr County. With crop conditions good and money circulating more freely than during the trying days immediately following the World War, they are now in position to realize on their investments in their lines of endeavor.

Market conditions here were never so good as at the present time and with the good prices prevailing that are being paid for country produce. It seems that the demand is keeping ahead of the supply.

One of the reasons for the better conditions in markets is the opening of the Legion Hospital under Federal control. The greatest demand for produce ever known here is caused by this institution, which proposes to buy as much of its supplies as possible from local markets.

Below are given the requirements at the Sanatorium last week, before the last contingent of patients arrived. As the additional quotas of patients are added to the institution, the produce required for their consumption will increase in proportion, so that by the time the institution is running at full capacity, the amount of produce needed will be several times that listed below.

C. R. Clancy, chief dietician at the hospital, furnished E. H. Prescott, president of the Chamber of Commerce, with the following list of commodities required at the institution for one week's consumption, according to last week's budget:

Eggs, strictly fresh, infertile, 360 doz.; eggs, strictly fresh, candled, 630 doz.; butter, 1-lb. prints, salted, 250 lbs.; onions 300 lbs.; sweet potatoes, yellow yams preferred, 600 lbs.; Irish potatoes, 1,400 lbs.; beets, 500 lbs.; turnips, 500 lbs.; carrots, 500 lbs.; rutabagas, 350 lbs.; kohlrabi, 350 lbs.; celery, 4 doz. bunches; tomatoes, 7 bu.; lettuce, 50 doz. heads; parsnips, 350 lbs.; okra, 2 bu.; watermelons, 75; cantaloupes, 20 bu.; peaches, 7 bu.; cabbage 300 lbs.; hens, from 4 to 5 lbs. in weight, dressed but not drawn, 300 lbs.; fryers, 1½ to 2½ lbs., dressed but not drawn, 20 each; turkeys, 10-lb., dressed but not drawn, 2; pork (loin and hind quarter), 300 lbs.; beef, hind, 135-155 lb., 3 each; beef, loins, 45-60 lbs., 3 each; veal, half carcass, 225 lbs.; beef, forequarter, 150-160

KERRVILLE, TEXAS

AMERICAN LEGION TO PUT ON

BIG DANCE AT LAKE SIDE PARK

Kelly Field Band to Furnish Music at
Benefit Ball Next Monday Night,
August 27th.

At Lake Side Park next Monday night, Garrett-Baker Post of the American Legion will stage a benefit dance. The Kelly Field Military Band will furnish the music for the occasion.

The above was the principal action taken at the Legion meeting held at the park last Thursday evening. Besides this matter, the Legionnaires discussed various matters for the good of the ex-service men's organization, and while they did not instruct their delegate to the State Convention at Galveston the latter part of this month, a general discussion was participated in by all present, so that the delegate was informed of the local sentiment regarding various propositions scheduled to come up for consideration at that time. A musical program was rendered for the benefit of the Legion and the ladies of the Auxiliary, who held a short business session at the park at the same time.

The Kelly Field Band is to be in Kerrville for a 10-day vacation beginning the latter part of this week, and the American Legion were fortunate enough to secure their services to furnish the music for this dance. All who are familiar with the subject know that band music, if properly played, cannot be excelled to dance by, and the Kelly Field players have an exceptional reputation along this line.

Manager McClellan of Lake Side Park, has just completed remodeling the dancing pavilion at the park, and the place is a thing of rare beauty, with its decorations of festoons of moss, imported from the lower country, and its beautiful illuminating system. Several unique features have been arranged for the dance Tuesday night, and the public is cordially invited to come out and participate.

COMMISSIONERS' COURT DOES LARGE VOLUME OF BUSINESS

Regular August Term Required Two
Days—To Get Money Due From
Highway Department.

Kerr County Commissioners' Court convened at the Court House Monday morning, Aug. 13th, and after disposing of several matters, recessed until last Saturday morning because of District Court. The docket was completed Saturday afternoon.

Among the matters on which action was taken were the following: Monthly estimate No. 6 on Section D of Highway 27, for \$3,309.28, was approved and ordered paid to Gordon Alvis. Other miscellaneous claims against the County and highway were also allowed.

Quarterly reports of A. B. Williamson, Treasurer, E. H. Turner, Justice of the Peace, and Jno. R. Leavell, County and District Clerk, were examined and approved.

Allowances were made for paupers for the next quarter, four at \$4 per month and two at \$6.

The petition of L. R. Fessenden et al. for discontinuance of the old Kerrville-Junction road was passed be-

cause said petition had not been filed the required length of time and legal notice thereof given.

After the above matters had been disposed of the Court recessed until Saturday morning, when the following were acted upon:

The tax rolls for 1922, compiled by W. G. Peterson, Assessor, were examined and approved and balance of Assessor's commissions ordered paid.

County paid Sherwin-Williams Co. \$650, covering balance of 1922 dip ac-

PRESBYTERIAN ENCAMPMENT

CLOSED PROGRAM WEDNESDAY

Last Year's Attendance Record Exceeded by 74 Persons Tuesday at
Noon—1,902 Registered.

The Conference on the Work of the Synod, final division of the program, closed the Westminster Presbyterian Encampment Wednesday morning and the 1923 season went down into the history of the Encampment as the record breaker of its seventeen years of existence.

It was a record breaker in more than one sense of the word. Not only was the new high mark set in attendance, but the programs were better than ever before and leaders of the project declare that its influence for good has been more pronounced than at any other period in its history.

Wednesday morning's program ended the Encampment and was a fitting climax. Dr. J. W. Skinner delivered the principal address and those in attendance report it one of the best of the year. The grounds will remain open until Sept. 15th, for people who wish to come out for short camping trips and rests.

The registration at the office was 1,902 Tuesday at noon, 74 greater than last year's record setter of 1,828. Camp authorities are confident that the number will go well above 2,000 before the grounds are closed next month.

The following persons registered at the Encampment up to Tuesday noon of this week:

Mrs. L. J. Dickey, Miss Mary Dickey and Dr. Homer McMillan, Atlanta, Ga.; Mrs. K. P. Dimmitt, Miss Anna Marcia Brown, Miss Julia Vance, Miss LeNoir Dimmitt, Miss Mary Downie, Mr. and Mrs. L. Wharton, C. T. Wharton, Elizabeth Wharton, Allon Cunningham, Mr. and Mrs. P. L. Richardson, Dr. Arthur G. Jones, R. D. Campbell, Ralph G. Campbell, Miss Janet Downie, Mrs. Arthur G. Jones and D. A. THE WEEK IN SOCIETY

Swimming Party

Mrs. Albert Enderle entertained last Friday with a swimming party in honor of her granddaughter, little Miss Mildred Claire Enderle of Fredericksburg. Dainty refreshments were served to the little girls after all had enjoyed the bathing.

Those present were: Mildred Claire Enderle, the honoree; Elsie Beise Henke, Edith Schulze, Aimee Louise Scherbeck, Annie Laura Garrett, Elizabeth Eastland, Laura Marie Boudware, Mrs. Walter Meyer, Mrs. H. Schulze, Mrs. E. Gold and the hosts.

Midnight Owls

Mr. and Mrs. R. T. Seif entertained the Midnight Owls with a charming lawn party. Forty-two was played early in the evening after which refreshments were served, consisting of cream and cake.

The guests, on leaving, expressed themselves as having had a most enjoyable evening.

The following club members were present: Mr. and Mrs. W. B. Powell, Mr. and Mrs. Fred Everson, Mr. and Mrs. E. N. Boeckmann, Mr. and Mrs. Tom Hagen, Mr. and Mrs. L. Williams, Mr. and Mrs. Ernest Meeker, and Mrs. F. A. Marx.

REPORTER.

Durham-Draper

Edwards County Leader, Aug. 17: Victor Durham of Kerrville and Miss Lillie Draper of Rocksprings were joined in the holy bonds of matrimony at the home of Mr. and Mrs. J. G. Bourland Sunday afternoon at 6:30. Judge A. P. Allison officiating. Mrs. Bourland is a sister of the bride. They left later that evening for Kerrville, where they will make their home.

The groom is not very well known locally, but he is highly spoken of. He is a taxidermist. The bride has lived practically all of her young life in the Rocksprings community, and the number of her friends may be measured by the number of those who know her. She met the young man who became her husband while attending Scofield School in Kerrville.

Birthday Party

Little Miss Elsie Rawson entertained a number of her friends last Thursday afternoon at the home of her grandparents, Mr. and Mrs. W. H. Rawson, the occasion being her tenth birthday anniversary.

After enjoying a number of games the little folks were invited to the dining room, where refreshments, consisting of ice cream and cake, were served. The birthday cake with its ten lighted candles occupied the center of the table. There was much merriment as each guest made her wish.

The invited guests were: Misses Elizabeth and Frances Eastland, Ruth and Elizabeth Richards, Dorothy and Cecil Rawson and Master Leonard Rawson Jr. Misses Georgine Rawson and Elizabeth Clapp were also present.

Tucker-Baldwin

Wednesday morning at 11:30 Rev. White read the beautiful ceremony which united in marriage Miss Hattie Baldwin and John N. Tucker, at the home of the bride's parents on North Street. The ceremony was witnessed by the immediate relatives and intimate friends of the contracting parties.

After the ceremony a wedding dinner was served to the bridal couple and the guests by the mother of the bride.

Mrs. Tucker is the charming daughter of Mr. and Mrs. H. M. Baldwin, and has grown to womanhood in this community. The groom is a young man of sterling worth, who also grew to manhood in this country.

FISH HATCHERY FOR KERRVILLE TO BE BUILT THIS COMING FALL

(Continued From First Page)

shallow part of the pond varying in depth to a foot or so to insure feeding grounds for the young fish.

"It is my understanding that an abundance of good water can be supplied without expense from the present ditch that supplies the pond now being used for irrigation. This water is brought from a spring at some distance, which was not visited owing to lack of time. It is my opinion that it is suitable in every way for fish cultural work, particularly the raising of bass and perch. The ditch has aquatic growth along its length and would be an advantage to the new ponds by conveying feed to the impounded fish.

"While the excavating can be done by any builder of tanks or one having experience with such work, it is recommended that the ponds be constructed under the supervision of some one having a knowledge of pond-cultural work, particularly the inlets and outlets. When completed the ponds should be stocked with bass from the streams near by and after the first year it will be an advantage to add some fish from other parts of the State. If properly stocked there should be obtained from these ponds from 100,000 to 125,000 young fish. These should be planted in the ponds and streams near Kerrville and if protection is given, certainly in a very few years your city should be noted for good fishing. If the lovers of the sport are going to permit bass of a few inches in length to be taken from the public waters it is useless for you to go to the expense of raising fish.

"It is not my privilege to state just what aid, if any, would be given by the Federal Government. It is a local proposition and it is not feasible to raise fish at Kerrville and ship them to other parts of the State as is being done at San Marcos. Personally, the present superintendent of the San Marcos Station will be glad to aid in any way that has the approval of the Chief of the Division of Fish Culture and the U. S. Commissioner of Fisheries. These Government officials have done much to restock the waters of our State, and the San Marcos Hatchery has been in operation for many years under its present supervision.

"Only a few days ago I had an opportunity to see a very little of the good work that is being done by the U. S. Commissioner of Fisheries. I did not know until then that such an interest was being taken in the restocking of the streams by any individuals. My work has been mainly on the station trying to raise as many fish as possible and get them to the applicant, and I did not know that dams were being built across the streams by individuals for the purpose of making ponds in which fish are raised and carried to the larger streams they supply. Certainly your section is to be envied for having such men. Some day I want to go over their reservation and see if I can not learn from their work something that will enable me to better perform my duties here on the hatchery.

"The construction of the three ponds should not cost more than \$1,200 and it would be an advantage to have a

small camp house and garage adjoining that could be occupied by whoever has charge of the work. Probably \$1,500 would cover the entire cost of construction aside from the small expenses of operation.

"Respectfully,
"MARK RILEY, Supt."
A copy of the above letter was sent by Mr. Riley to the Chief of Division Fish Culture.

The proposition will be taken up at the next meeting of the Chamber of Commerce and a committee appointed with authority to act on same, and complete the necessary arrangements with Mr. Eddins so that work can be commenced and the ponds finished for stocking this fall.

Local pond hatcheries for the propagation of bass and perch have proved successful the past few years and have been the means of adding thousands of fish to the public streams at a very small expense.

Old Kerr County Citizen Dead

At Paris, Texas, August 12th occurred the death of Mrs. Maude L. Howard, after many months of patient suffering. Deceased has relatives both in Kerrville and Center Point, besides numerous friends all over the Hill Country, who regret to learn of her death.

She was born in La Grange, Ala., in 1878. When quite young she moved with her parents to Mississippi, and later to Center Point, where her girlhood days were spent. She was married to R. J. Howard of Mississippi in 1914 and after his death the following year she moved to Paris, Texas, where she resided until her death.

Mrs. Howard was a devout member of the Methodist Church. She daily put to practice the principles of Christianity, living a life of unselfish devotion and service to others. During her long illness her faith never faltered nor did her courage fail and the cheerfulness of her disposition, which characterized her life, was maintained until the end.

Deceased is survived by her father, D. G. Horne, and the following sisters: Mrs. J. B. Webb of Cooper, Mrs. W. F. Cox of Center Point, and Mrs. H. L. Combs of Paris, and one brother, J. E. Horne, of San Antonio, all of whom, except her brother, were present at her bedside when the end came.

Funeral services were held at her residence in Paris, after which the remains were taken to Center Point for interment. The funeral party arrived at Center Point Tuesday morning of last week, and the body was taken to the home of Mrs. Fred Cox, sister of the deceased, where funeral services were held at 4 o'clock in the afternoon, Rev. J. O. Coppage officiating. A large number of friends gathered at the home for the funeral, many bringing with them beautiful floral offerings. A large concourse of sorrowing friends and relatives followed the remains to the cemetery.

In compliance of a request of Mrs. Howard, made during her last days, Alfred Lord Tennyson's poem, "Crossing the Bar," was read at the funeral.

Mrs. J. J. Kirkpatrick and two sons arrived Sunday from their home at Normanna, Texas, for a ten days' visit with Mrs. Kirkpatrick's brother, J. C. Dugat, and family.

After visiting with her parents, Mr. and Mrs. Chas. J. Reifel, the past three weeks, Mrs. Sam B. Farrell, accompanied by her young son and daughter, left Wednesday for her home in Galveston.

Miss Dollie E. Spible arrived from Victoria Monday and is visiting at the home of Mrs. R. C. Love. Miss Spible is an artist, a pupil of J. F. McCann, and will spend several months in the Hill Country sketching and painting the wonderful scenery to be found along the Guadalupe.

A letter was received last week from C. O. Peterson renewing his subscription to The Sun and stating that he found he could not do without the paper. Mr. Peterson installed the electrical equipment at the Legion Sanatorium, spending two years as a resident here. He is now located at Port Arthur.

L. W. McCoy and family returned home Wednesday night of last week from a six weeks' visit with relatives in Ecru, Miss., and Honey Grove. Mr. McCoy had come on ahead of his family, but was called back to Honey Grove during the illness of his son, Laurens, who, the many friends of the family will be glad to learn, is about recovered.

Mr. and Mrs. Chas. Griffin of Orange are guests of Mrs. Griffin's brother, Ed Wells, and family. In company with Mr. Wells, Mr. Griffin paid The Sun office a pleasant call Tuesday. Mr. Griffin is an old salt water fisherman and is rarin' to match his skill against the bass of the Guadalupe, even going so far as to bring his surf rod along for the purpose.

A new auto line was established this week when C. A. Vaughan started a line between Kerrville and Austin, commencing Tuesday morning. A daily schedule will be maintained, leaving Kerrville at 7 o'clock in the morning and on the return trip leaving Austin at 1 p. m. Mr. Vaughan is a civil engineer and was employed for some time here during the construction of the Legion Sanatorium. He likes Kerrville and the Hill Country so well that he decided to create a job that would permit him to remain here permanently, hence the new bus line.

Mrs. Sam Drake of Los Angeles, Calif., arrived last Saturday for a visit with Mrs. C. W. Moore.

Miss Lucile Taylor returned home Wednesday of last week from a two months' visit with relatives and friends in Yorktown, Sinton and Corpus Christi.

Mrs. W. D. Reed is expected home Sunday from Anderson, S. C., where she has been for the past two months on account of the illness and death of her mother.

Alfred P. C. Petsch, prominent attorney of Fredericksburg, was here the first of the week transacting business in connection with the present term of court.

Mr. and Mrs. P. D. Mathis and son, Bill, and Misses Lottie and Eula Saunders, all of San Antonio, spent the past week end with Mr. and Mrs. Chas. Wesch and family.

H. W. Draper of Houston paid The Sun a fraternal call Wednesday. Mr. Draper is a linotype operator and is enjoying a camping trip with his family on the Medina River near Bluff.

H. R. Welch, a reporter of the Houston Post, was a pleasant caller at The Sun office Wednesday. In company with his father, H. S. Welch, the young man is motoring over the country for the benefit of his health, having suffered a nervous breakdown.

Robert Kennedy, a young newspaper man from Coleman, was a pleasant visitor at The Sun office last Saturday evening. In company with his father, Rev. B. D. Kennedy, and Mr. and Mrs. J. N. Medlock of Coleman, Mr. Kennedy was registered at the Presbyterian Encampment.

Mrs. T. C. Johnston returned Tuesday morning from Spearfish, S. D., where she had been in attendance on her daughter, Mrs. T. R. Matthews, who has been seriously ill. Mrs. Johnston reports that Mrs. Matthews, whom her friends here knew as Dora Johnston, is on the fair road to recovery.

A party of campers on the Guadalupe above Kerrville that have been getting real enjoyment out of their three weeks' sojourn in the Hill Country, is H. G. Camp and family of Austin. Mr. Camp was a visitor at The Sun office Wednesday and stated that he and his family had spent vacations in California and Colorado, but this was their first trip to this part of the country—but not their last by any means, as they are already planning on spending the vacation period next year on the Guadalupe.

Mrs. A. P. Robb, daughter, Vera, and son, Egerton, arrived Wednesday from Houston for a several days' visit and are registered at the St. Charles Hotel. They formerly made this city their home and their many friends will be glad to meet them while here.

A neat addition to the St. Charles Hotel that has been attracting quite a bit of favorable attention is the new electric sign installed in front of the hotel the first of the week. A concrete pillar with a seat around the lower section supports the shield shaped sign.

Mrs. G. A. Chaney of San Antonio arrived Sunday for an extended visit in Kerrville and is registered at the St. Charles Hotel. Mrs. Chaney was formerly a resident of this city. She was accompanied by her son, who returned to the Alamo City Sunday afternoon.

Mrs. Bob Bennett paid The Sun office a short visit Wednesday afternoon. Mrs. Bennett, who will be remembered as Miss Lena Gibbens, has been under treatment of a specialist at San Antonio for the past year, and her many friends in this section will be glad to learn that she has almost entirely recovered.

KERRVILLE DRAWS THOUSANDS OF TOURISTS EVERY SUMMER

Nearly 500 Persons Registered at Park
First Half of August—Hundreds of Campers on Guadalupe.

Center Point News, Aug. 16th: Junction is a town that knows the advantage of advertising and has told the world of the splendid roads leading to the town and of the Llano River as a fishing stream, with its beautiful camping places. As a result, Comfort, Center Point and Kerrville have had very few campers this year.

In these columns recently have appeared stories giving the volume of tourist traffic that is registered at the Tourist Park, and telling of the number who do not leave their names on the cards provided for that purpose, but little has been said relative to the campers along the river near Kerrville this summer.

No system has as yet been devised or put into operation whereby the exact number of people who are spending their vacations and the summer months in camps within the trade territory tributary to Kerrville, consequently only an approximate number can be given.

The Guadalupe River, from Kerrville on up to Hunt and above, is literally alive with campers. Their tents and shanties are to be seen from the highway leading west, and every available camp site is crowded all the time, and the number seems to be increasing daily. Usually a camp site is not vacated over two or three hours until another bunch of pleasure seekers come along and pitch their tents.

From the first warm days of early April until late in November, hundreds and even thousands of campers come to this section to spend their vacations or in search of pleasure. They come from all parts of the State of Texas and from points without.

They enjoy themselves here during the camping season and return to their homes refreshed, and with a new vigor such as only life in the open can give. And they dream of and plan on returning here the following summer, besides boosting this section to their friends and through this means advertising, it would be a conservative estimate to say that the campers and tourists increase in number each year by nearly 100 per cent.

Three or four years ago when one started up the Guadalupe, he saw summer camps probably two or three every mile. Today they can be seen in a number of places less than a hundred yards apart for some distance. All the most favorable camp sites, and many that are not so good, are taken up by campers. The most desirable spots are on the banks of the river, and the Guadalupe is lined with them.

Kerrville's advantages as a summer resort, a fine place to camp and as one of the prettiest little cities in the State of Texas, has been advertised to the State and Nation through the tourists, travelers and campers who come here and, after enjoying their vacations to the fullest, leave contented. The daily press has also contributed a great deal of advertising for the Hill Country and as a result of these agencies the fame of "The Gem of the Guadalupe" and the country in which it is situated has spread far and wide.

Truly Kerrville and its trade territory is a much talked of place for its advantages, and it continues to grow steadily and substantially. The time is near when it will be considered as one of the best vacation resorts in the country, if that distinction has not already been bestowed upon her.

During the first half of August 448 people registered at the Kerrville Tourist Park. This number exceeds the total of any period of equal length during the preceding part of the season, as well as the corresponding periods of last year and years before. This number includes only those who stop at the Tourist Camp, whether for a day, over night or for several days or a week.

One hundred and eighteen cars brought the 448 people here, comprising 115 parties. Following are given the comment of a few of those who stayed at the camp during the early part of the month:

S. P. Waltrip of Houston, with four in his party, said: "Nice camp, all conveniences, market near. Cleanest place we have seen so far. Coming back next year."

Paul G. Villaret and party of six from San Antonio said: "Kerrville has best camping grounds—no comparison."

Rev. L. E. Dycal of Brenham remarked: "Very nice, clean place.

Heard of Kerrville all along." Howdy Bagler of Shreveport, La., commented: "Camped all along. Best grounds we were in."

Only one of the 115 parties made any objection or any remarks not directly praising the camp. J. C. Patton and party of four were the ones who did. They remarked: "Don't like it—too many conveniences." They remained at the Park from Aug 1st to 20th.

San Antonio Express, Aug. 20th: To celebrate completion of the Old Spanish Trail road work between those two towns, Kerrville and Junction will unite in an old-fashioned picnic August 28. That's what good roads mean—union of towns and communities and interests. Building of a better highway is worthy of a picnic for those most concerned. The site of the jollification is to be Rembold Crossing on the Johnson Fork of the Llano and, even in Southwest Texas, there is no finer place. To furnish the melody and add to the enjoyment of the event, the Kelly Field band is going from San Antonio. It is an occasion that should attract many San Antonio business men. In fact, all Southwest Texas is interested. This particular piece of roadway is a link of consequence in a very essential chain of better highways being developed throughout this section of Texas.

There is more or less complaint about traffic regulation in Kerrville. Time was when this was not necessary, but with the large amount of auto traffic over the city streets and the manner in which same is increasing, something must be done to curb the activities of the reckless drivers. The city started out to rectify this condition some time past, when M. E. Bogle was hired as traffic officer. The first of this month, however, Mr. Bogle was relieved from duties as such, with the understanding that the city and county were going to jointly secure the services of a motor cop. This motor cop has so far failed to materialize, but not so with the reckless driving. Jazz artists may be all right when their activities are confined to a dance floor, but they have no place at the steering wheel of an auto and the city should take immediate steps to protect the lives of the citizens by putting a bounty on the reckless drivers.

Speaking along the line of the importance of the "Cow, the Sow and the Hen" movement towards making for prosperity on the farm, the following illustration from away up in the Panhandle is of interest. The Clarendon News tell the tale of results obtained by one of its subscribers, Mrs. A. M. Peabody, in the use of a cream separator. The News says: "The record shows that with four ordinary cows and the separator, she made a profit of more than \$300 in 47 weeks time, all of this being with the same four cows and the same care being given them as in the preceding year. In addition to the extra profit obtained by the use of the separator in the production of butter, Mr. Peabody fed the skim milk to his hogs and realized a good profit on his end of the venture. With a bunch of chickens, four cows and some good hogs, this family made an ordinary year into one that was above the ordinary. The same results may be ob-

NOTRE DAME TEACHERS BACK

Part of the faculty of Notre Dame Institute was sent back to us last Thursday. The entire teaching staff of Our Lady of Guadalupe School was returned. A few changes in instructors will be made at the American parochial school. The high school principal, Sr. Hilda, has already begun arrangements for the approaching scholastic year. During the course of this week we expect the Mother Superior of Notre Dame Institute. On our patronal feast, the Assumption of the Blessed Virgin, Aug. 15th, the ceremony of the renewal of vows took place in the Convent Chapel. Last Thursday the following nuns went to the mother-house for their annual retreat: Sisters Rose Teresa, Mary Majella, Justine and Amalibis. Improvements and repairs valued at nearly \$1,000 were made at Notre Dame during this summer. The most notable were the beautiful beveled plate glass doors added to the library shelves, so that the librarian can keep all volumes in proper order and safely locked. There are over 3,000 bound books in both sections of the Notre Dame library. Nearly 200, mostly on High School subjects, were added last month. Classes will resume at both schools the day after Labor Day, namely, Tuesday, Sept. 4th. Fifty-six applications have already been registered at Notre Dame. Of these, 25 are new Catholic pupils to take the places of those who graduated or moved away from Kerrville. Young lady boarders will come from San Antonio, Beaumont, Menard, Hunt and Sinton. Applicants south of the Rio Grande were directed to other academies. We will do our utmost to accommodate as many Kerrville pupils as possible regardless of money or creed, but we will not overcrowd any classroom. At the Guadalupe School we also anticipate an increased attendance because during vacation we had 105 pupils in our Sunday Bible Class, which was conducted in Spanish after church services. Lake Side Picnic In compliment to her guests, Miss Angeline Kemper arranged a basket picnic at Lake Side Thursday of last week. About 30 pupils and adult parishioners attended the merry gathering. Miss Kemper motored with her guests to San Antonio Monday, accompanied by Miss Lillie Newton. On our titular feast, Wednesday, August 15th, Mrs. Wm. Farish observed her birthday anniversary at the care-taker's residence, which was crowded with well-wishers for the happy event. St. Mary's Auxiliary conducted its usual Friday Social in Washington Hall for members and the Legion personnel. The last dance of the summer season will be given Friday, Aug. 31st. John Drodgy and Miss Mary Amery were sponsors at the baptism of Kess Marie Fritz. Mrs. R. H. Campbell, chief cook of the officers' quarters at Fort Sam Houston, is again spending her summer at the convent with her daughter, Margherite. Miss Agnes Conroy, who boarded at the convent last summer, was chosen president of the junior division of the Catholic Women's Association which was organized recently in back of the Alamo, where her mother was born. Vice president is Miss Elizabeth Seng, who also camped here last summer. Her brother, Robert Seng, of the San Antonio Public Service Co., spent the past week in Kerrville with his family. Other members of the junior division who boarded at the convent are Julia and Alicia Conroy, Cecelia Rice, Kathleen Burns, Gloria and Emma Urrutia. Mrs. Ida Dunbar, who spent one encampment with us, is rooming with

her relative, Miss Marianna Umscheid, at the home of Mrs. Chas. Mosel. Herbert Tondre, who summered there, left last Saturday for Castroville after visiting his uncle, Jos. Couprand, in San Antonio.

Visitors Mrs. Frank Krueger had for Sunday guest her sister, Mrs. Joseph A. Rosenthal, of Tarpley.

Chas. Keifel is enjoying a visit from his daughter, Mrs. Sam B. Farrell, and her family from Houston.

Frederic Nye Jr. has with him his college chum, Julius Wurfkard.

At Legion, Miss Isabelle Pierdolla has her sister, Eugenia, from Seguin. Miss Mary Kelly, one of the nurses, returned from her vacation in Oregon. Peter Hebert re-entered the Legion Hospital.

Edward J. Garvey came from Houston to await his admission. His brother, William, who is married, intends to room in town until his own health is restored.

Miss Violet Fuller came in from Center Point to attend mass.

From San Antonio we had John Bowen of Bowen's Island, Mr. and Mrs. Rainer Peters, R. J. Moore, W. K. Alston and J. B. Danysh Jr.

From Austin we had Mrs. M. M. Porter, Mrs. M. J. Butler and Mrs. E. Hillebrand.

Clarence Schoenberg and E. C. Raska came from Yoakum.

Paul H. Speaker Jr. of Dallas is again camping here this vacation.

With all these visitors we had an attendance at both Sunday Masses of about 450 people.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed, Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs."

Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take.

Ons Calotab at bedtime with a swallow of water,—that's all. No taste, no gripping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

NEW PASTOR OF BAPTIST CHURCH BEGAN MINISTRY LAST SUNDAY

Rev. W. T. C. Briggs and Family Came Here from Weir—Are Very Highly Recommended.

Rev. W. T. C. Briggs opened his ministry last Sunday morning as the pastor of the First Baptist Church. Rev. Briggs delivered two excellent sermons to good sized congregations and gave interesting talks during the Sunday School exercises.

The new pastor arrived last Friday afternoon with his wife and two little children. They came here from Weir, Texas, where Rev. Briggs had filled the pastorate for nearly two years, primarily in the nature of a student pastorate.

Rev. Briggs is a native of North Carolina, as is Mrs. Briggs. He is the son of a Baptist minister and grandson of two ministers of the same faith. He has been in the ministry for about 15 years, most of which time he has spent in the North, having resided in Texas for the past three or four years.

He has studied at the Furman Fitting School of Furman University in South Carolina, Colgate Baptist Seminary, New York, Gordon Bible College, Boston, Southwestern Baptist Seminary, Fort Worth, and at Baylor University. Before coming to Texas, Rev. Briggs filled pastorates at Inanda, N. C., Columbus Quarter, N. Y., Stafford, Conn., and Loris, S. C.

Mrs. Briggs studied at Chowan College and also took work in the Women's Training School at the Southwestern Baptist Seminary, and has been an active worker among the women where they have held pastorates.

Rev. Briggs, in addition to having won honors at school in public speaking and debating, has studied chorister work and is a talented singer.

The new pastor and his family come very highly recommended and no doubt will be a valuable addition to the religious circles of Kerrville.

NATURE TELLS YOU As Many a Kerrville Reader Knows Too Well.

When the kidneys are weak, Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills. Doan's Kidney Pills are for disordered kidneys.

Kerrville people testify to their worth. Ask your neighbor. Tom Eaton, farmer, Kerrville, says: "My kidneys were in a bad fix. I had such severe backaches and soreness across my kidneys I could not do much stooping or lifting. Mornings I was stiff and lame and at times I had sharp catches in my kidneys and the secretions passed irregularly. I heard of Doan's Kidney Pills and used them. It was not long before the pains and aches left my back and my kidneys were in good shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Eaton had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

FIRST BAPTIST CHURCH

W. T. C. Briggs, Pastor

Calendar for the week: Wednesday, 7:45 p. m.—Prayer meeting.

Friday, 8 p. m.—Choir practice and notation. At this hour it is the pastor's purpose to teach the members of the choir, and any other members of the congregation who are interested in gospel songs, how to better sing such songs. Both the old and young members of the congregation are cordially invited to take advantage of this hour.

Sunday, 9:45 a. m.: Sunday School. 11 a. m.: Preaching, subject, "Catching Men." 7 p. m.: Baptist Young Peoples Unions—two very interesting unions. 7:45 p. m.: Song service. Come and mingle your voice with ours.

8 p. m.: Preaching service, subject, "The Prodigal Son and the Prodigal Daughter." This service will be followed by a baptismal service.

All visitors are invited to attend these services and to make themselves acquainted and at home. We want our church to be known as the strangers' church.

Any patients, known or unknown to the pastor, wishing a call by him are urged to let their wishes be known over phone or by letter or card. Study phone No. 256. Residence phone No. 134.

MEXICAN BAPTIST CHURCH

(By Member)

The pastor and his wife went to San Antonio last Tuesday to attend the Mexican Baptist Association. Accompanying them were Rev. M. C. Garcia and wife of Del Rio, who came to spend a two-weeks' vacation with the local minister. Brother Garcia is doing a great work at Del Rio, where there are thousands of Mexican people hungry for the gospel of the Lord. The Association was a great success in every way. The next meeting will be at Laredo, where they are now building a new \$10,000 brick church.

Sunday was a red letter day with us. Sunday School was well attended. We had the pleasure to have with us Rev. Campbell Cabagos and Trevino to worship with us from the Westminster Presbyterian Encampment. We regretted very much that none of these men of God could preach for us at the evening service, on account of having to attend the service at the encampment.

Our evening service was well attended. The pastor preached to a full house on the subject of the Holy Spirit, the third person of the Divine Trinity. At the close of the service there were four to unite with our church for baptism. God is greatly blessing our work.

Mrs. Nation Smith is visiting at Harlingen.

We are so glad to know our American brethren have a pastor. We welcome him and his family among us, and hope we will soon have the pleasure to meet them.

PRESBYTERIAN CHURCH

By Member

As has been the custom for several years, the members of the local Presbyterian Church have held their weekly church services, both Sunday morning and evening, in conjunction with the worshippers at the Westminster Presbyterian Encampment. This next Sunday is the last of these joint services for this year, and beginning with the following, the first Sunday in September, preaching services will be held in the Dixie Theater, the temporary church home while the new church building is being completed.

Sunday School has been continued at the Dixie Theater all through the hot months, and attendance has been good despite the weather and other drawbacks. With the consolidation of the Sunday School and church work after this week, renewed interest is expected, especially so as the Schreiner Institute will bring many new members to both branches of the church's activities.

Southwest Teachers' Institute will be held at the Brackenridge High School, San Antonio, during the week of September 3rd to 7th, inclusive. LEE WALLACE, Co. Supt. (Advertisement, 36)

DIVIDE BREEZES

Mrs. Jack Merritt visited the first of the week with her daughter, Mrs. Enoch Hatch.

Sunday of last week Mr. and Mrs. J. M. Hatch and children visited Mr. and Mrs. Nelson Hatch.

Mrs. I. J. Wachter and son, Chas. Craig, were dinner guests of Mrs. J. H. Vanham's Wednesday.

Miss Myrtle Rose Dietert of Kerrville was the guest the past week of Misses Enola Klein and Alta Welborn.

Miss Ada Corn left Saturday for her home in Carrasozzo, New Mex., after a two months' visit with relatives here.

Mr. and Mrs. Hays Wharton and daughters, Misses Edyth and Willa, were guests of Mrs. J. P. Freeman Wednesday.

Mrs. Charles Leinweber has as her house guest Mrs. Jean Taylor and Misses Effie and Unora Taylor and Earnest Taylor and John Anderson.

Mr. and Mrs. John Gillon of Fort Arthur were dinner guests Sunday of last week at the home of Mrs. Gillon's brother, Dan Franks, and family.

Mrs. Hughie Franks and son, Gay, and Miss Watt Franks of Rocksprings were guests from Tuesday to Thursday of last week at the home of Mr. and Mrs. Dan Franks.

Joe Vanham visited from Monday until Thursday of last week with Eric Burney at Rocksprings and was accompanied home by Eric, who will spend several days visiting relatives here.

Mr. and Mrs. Hy. Priour of Eura, Misses Enola Klein, Ada Corn and Alta Welborn and Felix, Warren and Barney Klein were guests Sunday of last week at the home of Mr. and Mrs. I. Priour.

Mr. and Mrs. I. Priour and Mrs. Fred Klein and daughter, Bonnie Lee, were guests Thursday of Mr. and Mrs. Tom Prior, to see the new granddaughter and niece at the home of Mr. and Mrs. Jess Sublett at Hunt.

Mr. and Mrs. Ed Garven and children, Miss Myrtle Tolbert and Clarence Tolbert attended the family reunion at the Garvin home at Kendall. A large crowd of relatives enjoyed a barbecue dinner Friday of last week.

Mr. and Mrs. J. H. Vanham had as their guests Tuesday Mr. and Mrs. Guy Moses, Junior Paul, Mrs. McCreary and Mrs. Lou Wharton, all of Kerrville. Aunt Lou is an old time resident of our community and it is always a great pleasure to have her with us.

Mrs. E. H. Leinweber and son, Roy, and Miss Ruby motored to Kerrville last Thursday to bring Miss Inez home. Miss Inez has been visiting relatives in Hondo for the past two months. She was accompanied home by Miss Edna Graff, who will remain for a visit of ten days.

Last Friday night a large crowd of youngsters, chaperoned by the married ladies, gathered at the school house to dance and have a good time in general. Claud and Robert Haby of Vanderpool furnished the music.

Among those out of the community to enjoy this event were Misses Marjery McClellan, Frances McClamish and Gray Guilette; T. C. and Mc. Johnson of Hunt; Miss Myrtle Rose Dietert, Kerrville; Miss Edna Graff, Hondo; Roy and Ralph Leinweber, Dietert Ranch.

One of the most delightful events of the season was that on Monday night, when Mrs. Charles Leinweber

entertained with a dance in her usual hospitable manner, honoring her house guests, Mrs. Jean Taylor, Misses Effie and Eleanor Taylor and Earnest Taylor and Jim Anderson of Eden. The home was beautifully decorated in cut flowers and house plants. Mesdames D. Hughes and Hays Wharton presided at the punch bowl. Mrs. Estel Young had charge of the cake. At 12:30 o'clock the guests were ushered into the lovely dining room, where a delightful supper of barbecued goat, bread and beet pickles was served to about 50 guests. Everyone left with a smile on their faces, hoping Mrs. Leinweber will entertain again soon.

FARMERS HAVE STEADY MARKET AT HOME FOR ALL THEIR PRODUCTS

(Continued From First Page)

lb., 1 each; liver, beef, 75 lbs.; no lamb except racks; lard, compound, 100 lbs., and lard, 50 lbs.

Miss Clancy states that the hospital can use turkeys, preferably hens, but will consider mixed if young and in good shape, for Thanksgiving and Christmas. From 300 to 500 pounds will be required, depending on the increase of patients.

Miss Clancy suggests that farmers having products to dispose of should call her by phone at the Sanatorium or see her in person before taking the goods there, so that a time for delivery can be arranged that will be mutually convenient.

In addition to the above requirements for produce, the Legion Sanatorium is advertising for bids from local merchants for all kinds of groceries and canned goods. Detailed information regarding the requirements along this line can be obtained from notices on the bulletin board in the Kerrville Post Office.

This market alone will require practically the entire output at present of products that are grown in Kerr County and farmers will be making no mistake to increase or improve their facilities for greater production. The demand will steadily increase and unless it is supplied by local producers, the remainder will have to be imported.

Produce the goods and cash in on them at home, should be the slogan of farmers, truck growers and poultry men in this section.

CIVIL SERVICE EXAMS TO BE HELD HERE SEPT. 8TH

Announcement was received several days ago by Eugene T. Butt, secretary of civil service for Kerrville and vicinity, of examinations to be held at the Court House Saturday, September 8, to fill two vacancies existing at U. S. Veterans' Hospital No. 93.

The positions are junior telephone operator and messenger boy. The former pays \$576 per year, with quarters, subsistence and laundry, while

the latter carries a salary of \$48 per month.

The examinations will be required in the following subjects: Spelling, penmanship, copying from plain copy, letter writing and arithmetic. About two hours will be allowed for the examinations, which are to begin at 9 a. m.

Further information and application blanks can be secured at the local Post Office from Mr. Butt.

count. The Court ordered that owners of quarantine vats, numbering 20, and inspectors are the only ones entitled to free dip.

Transferred \$1,000 from Treasurer's excess commission account to Highway 27 fund; \$475 from State Highway fund to Highway 27 fund and \$1,932 from ad valorem fund to tick eradication available fund.

H. Renschel's July highway account, amounting to \$175, was funded by scrip on Road and Bridge fund.

County borrowed \$4,300 from the Schreiner Bank to continue work on Highway 41, making total of \$13,300 borrowed for this purpose for the reason that the State and Federal governments are behind \$27,000 with their payments.

Judge Lee Wallace made a special trip to Austin Monday to investigate the delay in the payment of this amount and was assured that at least \$16,000 would be forthcoming on or before Sept. 1st.

The Court revoked the order passed at July term closing old Kerrville-Junction road across Miss Sue Robinson's land.

Court House Janitor Alvord DeMasters resigned and Ervin Parks was employed in his place at the same salary, etc.

County issued \$4,000 of Road and Bridge Funding Warrants of its \$7,500 series to fund scrip held by Schreiner Bank for road work already done.

Returns of an election in South Fork School District No. 21 were canvassed, result declared 5 to 0 in favor, and Court levied the tax of 50 cents on each \$100 taxable property in said district.

The annual report of J. T. Moore as Tax Collector for 1922 was examined and approved and settlement made accordingly.

ATHLETICS GET REVENGE ON COMFORT GREEN SOX SUNDAY

Barry Gives Up But Three Blows To Win Deciding Game 4 to 2—Pape's Jinx Failed to Work.

Bill Pape and the Comfort Green Sox tasted of defeat last Sunday when the Athletics journeyed down to the city two doors south and avenged the loss of the July 8th game by copying the fray on the Green Sox's home park 4 to 2.

Bob Barry was going like a house afire and only three times were the Comforters able to connect safely. Two of the bingles were one-baggers and Walter Stahmann, the boy who formerly roamed around in the center garden for the locals, got friendly with one that netted him a pair of sacks.

Bill Pape started off with his old jinx working in top shape, but he must have worked it a little too hard in the early frames, as it laid down on him in the third when the domestics laced his slants for three singles and a double that scored a trio of markers.

Jim Forgason came out of his batting slump and connected for a single and a double in four trips to the pan. Louie Wilson was back in the lineup Sunday by force of circumstances. Something happened to the transportation department and Dugat and Bob Lee failed to arrive, Wilson and Forgason being drafted to fill their boots.

"Sally" Graves led off in the second for Comfort and got hit by the ball. Cox got on first on Barry's error; Graves going to third. Cox stole second and Graves took a notion he'd score when Cox threw to Brown. The latter whipped the ball to the plate ahead of Graves and the score was nipped before it burst into bloom. Then Stahmann came through with his double and Cox counted. Nowlin skied to Wilson for the third out.

Forgason led off for the locals in the third with a clean single and Wilson ditted. Holchak hit for two bases and scored Jim. Vielock laid down a bunt that scored Wilson and put Holchak on third. Henke fouled out to first and Brown brought Herbert home with a sizzling single. Cox forced "Nig" at the keystone with a roller to Rees for the third out.

Another tally crossed in the fifth on a couple of bobbles and a safety. Comfort scored their final tally in the seventh on a hit, a sacrifice and an error.

It was a good game with plenty of thrills and interesting moments. The Green Sox threatened every chance they got and played an all-around good game, but bunched hits usually go hard with the fielding team if they can't do likewise. Manager Doebler has expressed a desire to play two more games in September, but it is not probable that the locals will book them as they intend to close the season Sept. 3rd.

The Athletics will go to Fredericksburg Friday afternoon for the fifth game of the year with the Giants at the Gillespie County Fair. The count stands at two-all for the four contests played and the Giants are expected to put forth their mightiest effort to cop the deciding fray.

Latest reports from officials of the local club state that the Athletics will go to San Antonio Saturday and Sunday for a three-game series with the fast Aztecs at Van Daele Stadium.

One game will be played Saturday afternoon, one Sunday morning and one Sunday afternoon, the reports say. The box score:

KERRVILLE AND VICINITY VISITED BY LIGHT RAINS

Light showers fell over Kerrville and vicinity last Saturday and Monday afternoons, causing a considerable drop in the temperature and benefiting plant life considerably.

Saturday's rain amounted to .27 inch and the downfall Monday reached .42 inch, making the total .69. While this is but a light fall, it has done much to relieve the heat and to refresh vegetation.

The ranges are now looking fairly good, according to reports from stockmen over this section, but a good soaking rain would do much to improve conditions.

HOME DEVELOPED SEED PROVED TO BE BEST BY DEMONSTRATION

Importance of Using Seed Corn and Cotton Adapted to This Section Is Stressed in Campaign.

C. H. Alvord, County Agent of Bexar County, and former professor of Agronomy at Texas A. & M. College, conducted a field inspection tour of corn and grain sorghums in Kendall and Kerr Counties last week. Field inspection tours were conducted in Cypress and Cherry Creek communities. Owing to the scarcity of seed corn this spring the tests were not as complete as desired. Wind and drought had damaged the corn and the tests did not show the difference hoped for.

The native corn or corn obtained in or near this locality proved to be the best. The other varieties were later and not as well adapted to this locality and did not stand the drought as well. Mr. Alvord stressed the importance of getting seed corn adapted to this locality and not to send away to seed houses.

The best corn in Kendall County was from seed that had been grown there for a number of years. This corn had been field selected as to stalk and acre yield. There is a good opportunity in this field for club boys and any farmer who desires to increase the quality and yield of corn. Seed corn is always in demand during planting season and farmers and seed houses are always glad to buy good seed.

J. H. Ward offered a prize of \$5.00 to the club boy or girl who scored his Red Poll bull nearest the score of the County Agent or some one selected by the County Agent. The latter, after talking with Mr. Ward and some of the club boys, divided the money into two premiums, \$3.00 for the first and \$2.00 for second place. The following club boys took part in the contest: Walter Albrecht, Herbert Boerner, Adelbert Oehler, Charlie Oehler and Sebird Henderson. Charlie Oehler and Herbert Boerner tied for first place and the money was divided between them. Adelbert Oehler won second place.

San Antonio Light, Aug. 19th: County Agents in Kerr County and Kendall County have been conducting a campaign in co-operation with A. & M. College for the purpose of inducing farmers to standardize seed corn and cotton seed for planting next season.

C. H. Alvord, County Agent of Bexar County and manager of the agricultural department of the San Antonio Chamber of Commerce, spent two days last week in aiding this movement.

"I find there is considerable variation in the adaptability of various varieties of cotton and corn to the soil and climatic conditions of the farms in these two counties," said Mr. Alvord, who returned to San Antonio Friday evening.

"Their soil is very rich and the rainfall slightly more than in the San Antonio territory.

"They have developed certain varieties of corn that have produced crops much better than those secured from seed shipped in from other parts of the State and from the North.

"By careful selection and grading, they will be able to improve these varieties which are producing in many places as much as 35 bushels per acre.

"Cotton growing has been discontinued for a number of years on account of the boll weevil, but this year there is considerable acreage scattered throughout these counties. The crop has been reasonably free of weevil infestation.

"A yield of one-third to two-fifths bale to the acre is indicated, but the acreage is small."

"HELPING TO LOWER THE COST OF LIVING"

With This in Mind We Selected the New Fall and Winter Merchandise for Your Choosing

Price means little or nothing unless accompanied by quality. One does not "lower the cost of living" by buying a "cheap" commodity only to be replaced before full value is received. To successfully "lower the cost of living," as we see it, is to buy STANDARD, DEPENDABLE QUALITY MERCHANDISE AT THE LOWEST PRICE LEVELS.

This store is prepared with ample stocks of Fall and Winter Merchandise of qualities which are thoroughly dependable—and prepared to sell this merchandise at the lowest levels possible. We believe that quality-for-quality and value-for-value this store offers the utmost.

WHAT ABOUT "UNSEEN" PLUMBING?

It's unseen, but it's there—between walls, under floors, buried in the ground. One-third of the cost of any good plumbing job is for that unseen work.

We believe that no part of a plumbing job is more important than the "unseen" plumbing. We know that unless the "unseen" work is done right the first time, using the proper material and workmanship, there is sure to be costly trouble later.

Our "unseen" plumbing stands the test of time and constant use. Our customers will tell you so. It will be to your advantage to consult us about any new installation or remodeling job.
