The production of foodstuffs to supply the increasing demand of a market at home was brought to a close with a meeting of farmers and producers at the Court House last Saturday afternoon. A crowd of more than fifty persons heard the excellent addresses delivered by Judge Julius Real, O. W. Hinds, J. S. Wheelless and County Agent J. C. Yeary.

A great deal of interest was manifested in the proposition and a desire for the organization of the producers of Kerr County was expressed by several of those present and met with the approval of the entire audience. Plans are being formulated for the carrying out of this step in order that the actual production may begin as soon as possible. Further meetings will be held in each community for the purpose of helping the people work out their problems.

The purpose of the campaign just closed was to acquaint the people of Kerr County with the situation that confronts them in the shortage of home grown products and the opportunities that await them if they will but use the advantages of the Hill Country and raise these commodities in the necessary quantities.

The indications are that the county-wide drive has been a great success, for the farmers, dairymen, poultry raisers and truck growers have shown a great deal of interest in the proposition and many of them are taking steps to increase their resources while others are giving their serious consideration to doing the same thing.

At all of the meetings the people seemed to realize the golden opportunities and prospects for a most prosperous future. A great many of them have shown their desire to do something and have requested that the work be not dropped at this point, but that further meetings be held at which organizations may be perfected, problems threshed out to a satisfactory solution, and that actual work be commenced. The general attitude seems to be to do something now while the time is ripe and indications are good that this is what will happen.

A Thanksgiving Prayer

OUR Father in Heaven, at the close of another harvest season, we would lift our hearts to Thee in adoration and thanksgiving for all Thy marvelous gifts to the children of men; for Jesus Christ the Great Gift; for all the blessings that follow in the wake of the Christian religion.

We bless Thee for this fair land of ours, this land of freedom and religious liberty; for ancestors who struggled to make it a land of the free and the home of the brave; for the women and men since, who have wrought and fought to keep it a safe land.

We thank Thee, O God, that peace extends throughout the borders of our country, when other nations are disturbed by wars and rumors of wars.

We are grateful, Dear Father, for abundant crops and that we have food enough and to spare.

We praise and bless Thy name for our own community—for its health giving hills, its material resources, its hospitals, its churches. We thank Thee for those who have made these things possible.

And now, Our Father, as we have received so bountifully from Thy hand, may we not squander these resources, but may each citizen of Kerrville esteem it a privilege to minister to others, to give the word of cheer, the cup of cold water in Thy Name to the sick and discouraged about us. May the humblest sick man in this community be able to say, "Here I have found friends."

With the incoming days of another year may our grateful hearts exhibit more steadily our Master's love and interest in the welfare of all the peoples of the earth. Hear us, O God, in the Name of Jesus, Thy Dear Son. Amen.

Following are the probable lineups: Schreiner: Dibrell and A. Dietert, ends; Tinney and Carmack, tackles; Burford and McMains, guards; Henderson, center; Stevens, quarterback; Owens and Ford, halfbacks; and Flory, fullback. Team average, about 170 pounds.

Academy: Kerr and Dinwiddie, ends; Ledbetter and Munson, tackles; Keeran and Holmgren, guards; Palmer (Capt.), center; Plum, quarterback; Phillips and Davis, halfbacks, and Tips, fullback.

The officials will be: Hansey (Michigan), referee; Moses (Southwestern), umpire, and Woods, head linesman.

CHURCHES HELD THANKSGIVING SERVICES WEDNESDAY EVENING

Short Program at Methodist Church Participated in by Other Denominations of the City.

A joint Thanksgiving service was held Wednesday evening in the Methodist Church in which all Protestant denominations in the city took a part. The program had at first been planned for the Methodists, but the other churches requested that it be made a union meeting.

No formal program had been arranged. The meeting consisted mainly of gospel songs and prayer. Ten minute talks were given by each pastor pointing out some of the things for which we should be thankful.

A. E. Self delivered a brief address on "The Silent Nine"; H. C. Geddie spoke on "Why Americans should be thankful"; and C. W. Moore told "Some of the things in personal and church life we should all be thankful for." The general subject of the meeting was "Gratitude for the blessings of the Almighty."

The services were held Wednesday evening because of the several counter attractions which are to take place today and would have interfered somewhat with the attendance. The meeting was considered well attended.

The Kerrville Public Schools will observe Thursday and Friday as the Thanksgiving holiday season while Schreiner Institute will have only Thursday. The Scofield School for Girls will not dismiss for the entire day, although the noon period will be longer, as custom of this school is to give all holidays at Christmas.

CLINICAL SOCIETY AT VETERANS' HOSPITAL HELD REGULAR MEETING

Staff Physicians Discuss Unusual Case Presented by Dr. George H. Garrett at Session.

The Clinical Society of the U. S. Veterans' Hospital No. 93 met in the Officers' Assembly Room of the Administration Building at 1 p. m. Friday, November 23.

A very interesting paper was read by Dr. M. L. McClung, entitled "Some of the Cardiac Complications of Tuberculosis." The discussion was opened by Dr. J. H. Happel, who, in a very lucid manner, discussed some of the phases of the subject. He was followed by Dr. Walker and Dr. Matz.

Dr. George H. Garrett presented a most interesting case of an inflammatory process of the bones and joints of the foot of unknown etiology. The case resulted in a good deal of discussion in which all of the physicians present participated.

The meeting was very well attended by the doctors from Kerrville and vicinity. Those present were: Drs. McDonald, Palmer and Jackson of Kerrville and Dr. C. C. Jones of Comfort. The Medical and Dental Officers of the U. S. Veterans' Hospital No. 93 present were: Drs. Stinson, Moore, Fryar, Adams, McClung, Evans, Matz, Woods, Garrett, Denson, Klein, Walker, Carney and Sweeney.

RED CROSS ANNUAL ROLL CALL DRIVE BIG SUCCESS LOCALLY

Reports Obtainable Show Campaign Went Over Top Greater than in Drives of Former Years.

The Annual Red Cross Roll Call Campaign was put on by Kerr County Chapter last Saturday and is considered a success in every way by those in charge of the drive.

Full reports were not obtainable for this issue, but it is believed the campaign went over the top greater than in former years.

"I understand," said John H. Ward, chairman of the local chapter, "that this year's drive was the most successful ever put on. A full report has not been made, but from the information at hand indications are good the drive just closed will eclipse all others."

Booths were maintained at all of the main gathering places in the city and workers covered systematically all the business houses.

The election of officers of the local chapter for 1924 will be held at the Chamber of Commerce building, Wednesday afternoon, December 5, at 3 o'clock. Every member of the organization is requested to attend.

SANITARY SEWER SYSTEM OFFERS MANY BENEFITS

Reduces Prevalence of Mosquitoes and Flies and Adds Greatly to A City's Healthfulness.

Since the announcement was made of the election to be held December 18 to vote on a bond issue for the proposed sewer system for Kerrville discussion of the move has been and is being heard daily. There seems to be little doubt as to the advantages of sanitary sewage disposal and many property owners are advancing various improvements it would bring to this city.

Probably the greatest benefit of a modern sanitary sewer system is the banishment of all outdoor surface toilets. This results in the practical extinction of the house fly, greatly reduces the prevalence of mosquitoes, through destruction of their breeding places, and prevents the pollution of underground water and consequently of the streams of the vicinity.

As Kerrville is fast being recognized as one of the greatest health resorts in the country and ranks high as a vacation resort, the necessity of the city being kept sanitary in every way possible is obvious. With the many health seekers and vacationists coming here, their interests as well as those of home people must be protected or the possibility of a spread of disease becomes apparent.

Science has shown there is practically no danger of communication of diseases when the proper sanitary precautions are taken. Healthfulness is the greatest asset a human being can possess and steps taken to preserve this resource should be considered an investment in life.

"Cleanliness is next to Godliness" and the home equipped with a modern bath room holds forth a constant invitation to its inmates to partake of the comfort and benefits of the daily bath. The kitchen sink and its accessories make easier the work of the household.

Kerrville, through its Chamber of Commerce and City Officials has decided that this is the opportune time to take the step that will mean a saving of many dollars in future years.

The City Commissioners have entered into an agreement with well known sanitary engineers who have made an exhaustive study of the local situation and have submitted plans and estimates for a complete sewer system. This company is assisting the Commissioners in a campaign of education and literature and correspondence is being mailed to every taxpayer in Kerrville. Careful attention should be given this matter in order that each voter may cast his vote intelligently and with a full understanding of what he is voting on.

It is an unfortunate fact that many public improvements in a number of cities have failed because well meaning citizens were not aroused to the seriousness and importance of the situation confronting them, and once a proposition of the nature of the which is now before Kerrville meets with failure, it often takes years to recover to the point where it can be put over.

Every property owning citizen of Kerrville should give the proposed sewer bond issue most careful thought and consideration in order that Kerrville will take her place in the big city class and enjoy more advantages than ever before.

RETAIL CREDIT MEN GUESTS OF GUADALUPE CAFE LAST FRIDAY

O. M. Salmons Host at Regular Semi-Monthly Meeting—Interesting Talks Given by Members.

O. M. Salmons, owner of the Guadalupe Cafe, was host to the Kerrville Retail Merchants' Association at its regular semi-monthly meeting last Friday afternoon. About 25 members and several guests were present at the session.

Judge J. S. Wheelless gave an interesting address on the "Benefits to a City of a Retail Merchants' Association," bringing out a number of good points favoring such an organization.

Chas. L. Mason, president of the local organization, Walter Saenger, vice-president, Henry Noll and L. W. McCoy also gave short talks on the benefits accruing from membership in the local Association. A roundtable discussion of this subject was also indulged in.

It was decided by a unanimous vote to give the power of attorney to Glenn Brooks, collector of the local organization, for the filing of suits in collecting accounts.

Proposal to reduce the number of meetings to once each month was rejected and a vote decided to continue the bi-monthly sessions. The financial report of the local Association for the past six months was read by Mrs. Amy Wallace, secretary.

Chicken salad, pie and coffee were served to the members and many were the expressions of commendation for Mr. Salmons' hospitality and delicious refreshments.

The next meeting will be held in the Chamber of Commerce Building December 14.

KERR COUNTY BASS HATCHERY FAST NEARING COMPLETION

Continued Bad Weather Has Delayed and Added to Cost of Construction; More Money Is Needed.

The Kerr County Bass Hatchery is nearing completion, regardless of the handicap of continued bad weather, which has not only delayed construction work but has added to the cost.

The lower underground flume across Fessenden Branch has been completed and three-fourths of the 1,500 feet of new ditch from it to the ponds finished. The two ponds are practically constructed and two days will finish them when the weather clears.

Of the \$2,500 fund asked for, only \$2,021 has been paid in. So far \$1,540.86 has been expended, which means that the full \$2,500 will be needed and probably \$500 in addition to complete the work properly.

From reliable sources it is learned that Kerr County is doing twice as much work as is being done at the Medina Lake Hatchery and their contract was let for \$8,300.

As chairman of the Hatchery Committee the editor of The Sun has put in practically full time for the past two months gratis, and feels that the request for additional funds with which to complete this worthy proposition should meet with a ready response.

As stated by The Sun at the start, money put into the Bass Hatchery is not a donation, but an investment which will bring in handsome profit to the entire citizenship of the Hill Country.

Every public-spirited citizen of the County who has not already invested should do so at once. Many of the original investors are putting in additional money, and if all will do their part the amount will be raised. Hand the money to Ben Smith or leave at The Sun office.

Every penny will be accounted for, as a full audit of all funds will be had when the work is completed.

MOUNTAIN SUN TO GET OUT BIG SPECIAL CHRISTMAS EDITION

Annual Holiday Issue to Be Bigger and Better Than Ever Before—To Come From Press December 20.

Following a custom of several years, The Mountain Sun is to issue a special Christmas edition this year, and it is the intention of the editors to make this year's bigger and better than ever before.

The paper will be issued on the 20th of December, in time to give the advertisers good results, and close enough to Christmas to enable people to send copies of the paper to their friends in other parts of the country by Christmas.

Printing a paper of the size of the coming special edition is a huge task and The Sun force are facing a busy time the next few weeks. Owing to the fact that C. E. Salter has devoted his entire time to the Fish Hatchery the past month, nothing has been done on the special edition as yet, and all advertising copy is yet to be solicited, in most instances written, and all the

SUBSCRIPTION NOTICE

There was a time when little or no attention was paid to subscription accounts, but that day is past. Newspapers are now run on a business basis and each department made to share its part of the expense. For that reason the subscription rates of The Sun will be \$2 per year after Jan. 1st, 1924. All Subscriptions paid before the above date will be received at the present rate of \$1.50 per year.

mechanical work handled, which makes the prospect for labor around this shop very alluring.

A solicitor from The Mountain Sun will try and call on each merchant the coming week, and the business men of the city are asked to cooperate with this paper to the extent of having their copy ready when the solicitor arrives. The special edition is one of the best advertising mediums available, coming, as it does, in time for the Christmas holiday trade, and the issue will be a good boost for the Hill Country generally.

BIG PARADE TO OPEN CHRISTY BROTHERS CIRCUS HERE TODAY

To Pass Through Downtown Section at 11 o'Clock—Matinee Opens at 2 P. M. and Night Show at 8.

The special train of 20 cars bearing the Christy Brothers Circus arrived in the S. A. & A. P. Railway yards here this morning and preparations are fast being made for the big parade and two performances to take place today.

The tents are being set up on the Remschel Field, corner Clay and Barnett Streets, just a block north of the passenger depot. The big parade will start from the show grounds a few minutes before 11 o'clock this morning and will pass through the business section before returning to the lot.

The afternoon performance will open at 2 o'clock and the night show begins at 8.

The following article appeared in the Brownsville Daily Herald November 21:

"Christy Brothers' big four ring animal circus, which is showing in Brownsville today, is truly a Texas born and Texas made organization. Beginning seven years ago at Beaumont, and showing in a single tent that seated 200 persons, the organization this year travels in its own special train of 20 cars. And even the cars were made in Texas, as the company builds its own cars, except the wheels. Christy Brothers' show is today classed as one of the biggest organizations on the road.

"This year the organization has toured 29 states from the time it left its home in Beaumont on the first of March until the show ended the season with its South Texas tour. The organization has shown in every important city in the country.

"Beaumont still remains the home of the organization, and after touring the southern part of Texas, a big show will go into winter quarters at that city."

THE WEEK IN SOCIETY

Reception Was Gorgeous Affair

The reception given Tuesday afternoon by Mrs. J. J. Delaney, complimenting the wives of the faculty members of Schreiner Institute, was one of the most brilliant social events of the year.

The living room was decorated with a profusion of giant white and yellow chrysanthemums. These were in tall crystal vases on the piano and mantel.

Mrs. Amy Wallace and Mrs. G. M. Doyle greeted the guests at the door and presented them to Mrs. Delaney. Mrs. Wallace wore black lace over green and a Spanish comb in her coiffure. Mrs. Doyle was in black lace over crimson and carried a crimson feather fan.

In the receiving line were Mesdames J. J. Delaney, C. C. Mason, A. C. Schreiner, J. C. Oehler, H. Renschel, A. McCurdy, W. G. Garrett, Dibrrell, W. P. Dickey, H. Mitchell, Ally Beitel and McMullen. Mrs. Delaney wore white crepe with bands of Oriental trimming. Mrs. Mason wore a handsome afternoon dress of black crepe.

Mrs. A. C. Schreiner was very attractive in a Lenwin model of silver metal cloth brocaded in pastel shades. Mrs. Oehler was in black velvet with white trimmings. Mrs. H. Renschel was charming in a gown of grey lace over grey canton. Mrs. McCurdy wore dark blue canton crepe. Mrs. W. G. Garrett was in a beautiful dress of heavy black crepe. Mrs. Dibrrell was wearing a black chiffon with black beads and embroidery. Mrs. Dickey was lovely in a gown of black Charmeuse with jet trimmings. Mrs. Beitel wore a gorgeous gown of green georgette heavily beaded in crystal. With this was worn a geranium corsage and hair-ornaments. Mrs. McMullen was in a brown afternoon dress.

Mrs. J. D. Jackson directed the guests to the dining room. She wore a dress of embroidered crepe in pastel shades.

The dining room was a thing of beauty in its decorations carrying out the theme of the season of the year. The table was covered with a cloth of Italian cut work; on this was a large basket heaped high with fruits and berries, and surmounted by a trailing bow of yellow ribbon. At the base of the basket were red and green ricinus leaves and berries with red geraniums and green leaves. On either side were silver candlesticks holding yellow candles and crystal bowls of mints. To the yellow shaded lights was fastened a cascade bouquet of yellow flowers and fern fronds.

Greeting the guests in here were Mrs. Miller Harwood, wearing a canary georgette over yellow; Mrs.

Scott Schreiner, who wore a gown of purple chiffon over silver beaded in gold, silver and pearls; Mrs. L. D. Garrett, who was lovely in a dress of green georgette with feather comb of same shade in her hair. A number of young ladies served a delicious salad course to the guests. Among these were Miss Harriet Garrett, in a jade green georgette, Miss Margaret Thorburn, wearing a quaint model in pink and lavender taffeta, Miss Kate Renschel in a dainty dress of pink georgette with pink and silver taffeta bodice, Miss Dorothy Doyle in a draped model of blue and silver brocade trimmed with pearls, Miss Maybelle Roberts, who wore a beautiful gown of cloth of gold and gold lace, and Miss Margaret Delaney was a picture of youth in a frock of gold and coral taffeta.

In the hallway was Mrs. Geo. Morris, a very charming and gracious assistant to her hostess, who directed the guests to the study. She wore a black cloth dress with an American Beauty corsage.

This room was a work of art with its decorations of roses and orchid chrysanthemums. Tall silver baskets and vases filled with these flowers were placed about the room. The table was banked with orchid chrysanthemums, and placed in the center of this was a beautiful silver punch bowl and crystal baskets for cards.

Serving the guests here were Mrs. E. H. Prescott, wearing a dress of brown lace with an orange and yellow corsage; Mrs. R. L. Scherbeck, who wore a beaded cocoa crepe; Mrs. A. C. Schreiner Jr., who was exquisite in a Joseph model of green chiffon, studded with emeralds, and Mrs. S. Eastland, in a beautiful dress of ashes of roses crepe de chine.

About 200 guests called during the hours from three until six.

Mrs. Adkins Entertains

Mrs. A. T. Adkins opened her lovely new home to her friends last Friday afternoon, the occasion being an enjoyable Bridge party. The white chrysanthemums used in decorations blended harmoniously with the white and gray colors of the walls and wood work.

The prize for high score, an exquisite silver bud vase, was won by Miss Yolande Robinson, second prize, a dainty silver vanity case, went to Mrs. Glenn Brooks.

Dainty refreshments consisting of fruit salad, wafers, sandwiches, Angel food cake and coffee were served to the guests, Mesdames Glenn Brooks, P. J. Domingues, Lee Mason, Bernard Kuhlmann, Amy Wallace, L. L. Rawson, H. Kuhlmann, R. Holdsworth, W. G. Garrett Jr., W. A. Salter, G. M. Doyle, J. S. Wheelless, E. H. Prescott, A. C. Schreiner, Guber Gibson, Payne Williams, A. C. Schreiner Jr., S. Eastland, L. D. Garrett, J. D. Jackson, J. P. Young, Alois Renschel, Ally Beitel, Miller Harwood, Scott Schreiner, R. L. Scherbeck, Al Manny, Wm. L. Socor, Chas. Johnston, A. F. McClelland, A. G. Platte, Chas. Rawson and L. Sandel; Misses Kate Renschel, Nellie Smith, Yolande Robinson and Margaret Thorburn.

Mrs. Eastland Gives Dinner-Bridge

Mrs. S. Eastland was hostess at a charmingly appointed hospitality Wednesday evening of last week when she entertained a number of friends with a dinner-bridge.

The home was lovely in its decorations of autumn leaves and chrysanthemums, placed in clusters and

festoons to form tasteful embellishments.

Seven tables of players enjoyed the evening. A turkey dinner was served buffet style just preceding the games. Table prizes were won by Ally Beitel, E. H. Prescott, A. C. Schreiner, J. S. Wheelless, Scott Schreiner, Mrs. J. B. Young and Mrs. Scott Schreiner.

Those present were: Mr. and Mrs. A. C. Schreiner, Mr. and Mrs. J. S. Wheelless, Dr. and Mrs. J. D. Jackson, Dr. and Mrs. J. E. McDonald, Mr. and Mrs. Miller Harwood, Mr. and Mrs. J. B. Young, Mr. and Mrs. Will Garrett, Mr. and Mrs. Chas. Johnston, Mr. and Mrs. A. C. Schreiner Jr., Mr. and Mrs. E. H. Prescott, Mr. and Mrs. R. L. Scherbeck, Mr. and Mrs. L. D. Garrett, Mr. and Mrs. J. J. Delaney, Mr. and Mrs. Ally Beitel, Mr. and Mrs. Chas. Rawson and Miss Hattie Garrett.

B-Natural Club

The B-Natural Club held its regular meeting at the home of Mrs. J. B. Young Wednesday afternoon of last week.

The program consisted of musical numbers, the lesson and a musical contest, of which Annie Laurie Garrett proved to be the winner.

The class made a study of the life of Thurlon Lieurance, the American composer who has preserved Indian music for future generations. The noted composer lived among many tribes of Indians in order to make phonograph records of their music, many of which are kept under seal at Washington. Mr. Lieurance with his gifted wife is to make his home in San Antonio next spring.

Special at St. Charles, Wednesday and Sunday of each week, turkey and chicken dinners, with all the trimmings; served at 12 o'clock. Phone for reservations. (Advertisement, 49-tfc.)

The special Ford display in the show rooms of Lee Mason & Son is attracting quite a bit of attention. One of the latest model sedans is placed in a setting of autumn shrubbery with a mounted wild turkey amid some corn and cane stalks. The display is lighted at night and makes an unusually pretty sight.

To Prospective Buick and Chevrolet Purchasers: This is to advise that I am making up special carload shipments of cars to be delivered around Christmas as presents and will appreciate your placing your order now so that you will be sure of delivery at that time. J. W. GILDART ARRIVES TO TAKE PLACE OF M. E. BOGLE AS WARDEN

Comes Here from Burnett and Is Former State Ranger and Sheriff; Bogle To Leave Sunday.

J. W. Gildart, recently appointed Game Warden for this section, arrived Monday to succeed M. E. Bogle, who has served in that capacity for the past three years.

Mr. Gildart comes highly recommended as an officer, having served with the Texas Rangers and as a sheriff. He has also held other public offices of like nature. The new Warden comes here from Burnett.

He will be joined by his family about January 1. Mr. Gildart will occupy the house vacated by Mr. Bogle and his telephone number will be the same as his predecessor. To get into communication with him, call 322. He will make his home there after Mr. Bogle leaves and will occupy the home alone until his family arrives.

Mr. Bogle and his family will leave here Sunday, going to Austin and from there to Huntsville, to make their home and where Mr. Bogle will assume his duties as auditor for the State Prison Board.

During his three-year residence here Mr. Bogle has made many friends and has unwaveringly carried out his duty in enforcing the game laws of the State, earning a reputation as being impartial to any one who has violated them.

"I regret very much to leave Kerrville and The Hill Country," Mr. Bogle said Wednesday morning. "For my stay here has been more than pleasant. Please thank the people for their generous co-operation in my work and say that I hope my successor will meet with the same. Our best wishes are extended to our friends and the people of this section."

The Sun regrets to see Mr. Bogle and his estimable family leave, although it is glad to see him win the promotion he deserves and wishes him the best of success in his new work. A cordial welcome is extended to Mr. Gildart and the wish expressed that he, too, may meet with success in his work as Game Warden for this section.

Miss Julia Kolodzey of San Antonio is visiting the family of John Kolodzey.

Dan Auld arrived in the city Tuesday from his ranch near Leakey for a visit with relatives and friends.

Miss Jean Teel returned to her home in Devine early last week after a visit with her sister, Mrs. Payne L. Williamson.

The Digest Club of Tivy High School held its regular meeting last Friday afternoon and another Tuesday. Interesting programs were rendered at both sessions.

L. H. Williams, who has been with the American Railway Express Company here, left with his family this morning for Jacksonville, Tex., where he has been transferred.

Mr. and Mrs. J. Guzman arrived Monday from El Paso for a visit with Mr. and Mrs. Harry Gordon. Mr. Guzman being Mrs. Gordon's brother. The Guzmans are on their honeymoon trip and will leave next Monday for Detroit, Mich.

WHEN TO STOP ADVERTISING

Publishers Auxiliary: When a great paper like the Chicago Tribune tells the world that it is the world's greatest newspaper—and not without some good arguments to bolster up its claim—and then adds that it spends more money than anybody else in the game to get more business, it looks as though the time to stop advertising is never going to arrive. That has been our own belief ever since we got our fingers inky for the first time. There never has been a paper that could not add to its circulation or its advertising. Some years ago the Daily News, of Chicago, notified all its big advertisers that they would have to cut down on space they had been allotted. The News, it was explained, had grown to 36 and more pages every day and the price they got from the readers was not enough to permit of such large issues. They would not cut the news columns and therefore the ads would have to be cut. Later they shot the lineage rate up and took off the limit.

Even then, at the tightest time, and we recall those days distinctly, the News did not let up a minute on advertising its features. It kept after circulation just as hard as ever, although it candidly admitted that it was going to lose some ready money by adding circulation. It admitted that it had to keep on its campaign as a paper cannot stand still; it either advances or goes back. And the News does not like to go back.

Reverting to the Tribune, its spokesman, James Cleary, head of its business survey department, asserted that if the paper ever got so it entered every home in its field it would still keep on plugging, trying to get the women to buy two papers and keep one at home while the man of the house carried his off to the office. In essence he said that the Tribune would never stop advertising, no matter how large it became. He had one paragraph we liked particularly. It referred to one-newspaper town and was as follows: "It is not enough to get out a good newspaper. Other men will get out good newspapers, too. If you are to lead you must sell your good newspaper. Even if you have the only newspaper in the community you must sell it—advertise it—if you want to reach the greatest number of people." That line is one that over half of our readers should take to heart. It means the difference between trips to Florida or California and a motor car and luxuries, or just plain living. Advertise your own paper and don't be afraid to use more white space than your best advertiser does. The Tribune's own advertising bills, we venture to say, are heavier than any of the firms represented in its advertising columns, bearing only national advertisers like Wrigley and similar firms. The time to stop advertising, confidentially, is when you are dead.

TESTS FOR CAR DRIVERS

San Antonio Light: Pennsylvania is preparing to deal in a rational way with a problem which has become serious in nearly every state in the union. This is the problem presented by the increasing number of casualties due to motor car "accidents."

How many of this year's deaths and injuries resulted from the operation of automobiles could have been avoided through rigid examination of applicants for drivers' licenses? Of course the question cannot be answered, but it is no less obvious that the limiting of licenses to reasonably careful drivers would prevent many mishaps and save many lives. It is reported that Pennsylvania will attack the problem next year in this way:

Applicants for drivers' licenses will have to show that they are competent to operate an automobile before they will be permitted to drive their cars

on the streets and roads of that state. There are approximately 15,000,000 motor vehicles in the United States. There are more drivers than cars; it would probably not be exaggerating to estimate the number of drivers at 30,000,000—two for each car. How many of these people do not know how to operate an automobile safely? How many are incapable of learning? Should the untrained and the incompetent be given free run of the streets and roads, and taken in only after they have demonstrated their lack of training or their incompetency at the expense of other people's lives and property? The tragic folly of the practice in most states may be emphasized by another question: Is anybody, anywhere, permitted to drive a railway locomotive without first proving that he is competent to do so? Of course not. A locomotive engineer is invariably a man who has undergone a long period of training. When at last the apprentice is permitted to take his place, alone, in the engine cab he does not have a choice between this or that route; he can't turn from one street or road to another, or dart out of an alley, or cross the path of other locomotives, or run through a crowd of pedestrians. His engine is limited to a fixed track. Suppose locomotive engineers could become such merely by applying for a license, and were not required to undergo a long period of training and finally submit to a rigid test; then they would kill and maim, as many people as incompetent motor car drivers do.

In Pennsylvania applicants for automobile drivers' licenses will be examined physically as well as mentally and presumably those who do not satisfy all requirements in these respects will be denied permission to operate cars on the streets and roads of that state. If every state in the union would deal with the motor car problem in this way, there would inevitably be far fewer deaths and injuries than the number now chargeable to the failure of the proper authorities to protect the public against ignorant and incompetent drivers.

CATHOLIC CHURCH NOTES
By Father Kemper

O. L. G. SATURDAY SUPPER
The Mexicans will have their pre-Christmas sale and supper this Saturday (Dec. 1st) beginning 5:30 p. m. in Our Lady of Guadalupe School. The kitchen and refectory, decorated in national colors, will be in the auditorium of the first floor. A big menu of genuine Mexican dishes, cooked by experienced natives, will be served for only fifty cents. Several booths for the sale of Mexican candy, etc., will also be on the lower floor.

On the second floor will be a large assortment of fancy work which the poor children are offering at a low price in order to put a few pennies in their community chest for the yuletide. A duplicate of the Notre Dame country store will be conducted, and likewise an enticing fish pond full of mysterious packages.

All the proceeds go into a general Christmas stocking fund, so that none of the poverty stricken families will be disappointed by Santa Claus. The Sisters of the Guadalupe faculty have already begun to make family packages of about 8,000 pieces of clothing. In addition to this bundle, it is their wish that every child receive a bag of fruit and candies, and some toy or trinket. Your own Christmas will be happier if you will help to fill a stocking of your needy fellow-brother!

Santos Juarez, porter at St. Charles Hotel, was united in holy matrimony to Benita Colozos of Waring last Saturday at the Mexican Church. Juan Rodriguez, who worked all summer on a beet farm in Rockport, Ohio, returned to Kerrville with his family Wednesday of last week.

Vatican Choir
Sr. Eugene, in charge of the Notre Dame musical conservatory, chaperoned some of her students to the majestic Theater Wednesday for the twilight concert given by the Sistine Choir. This is the only papal or Vatican choral organization recognized in Rome. The head of the choir is Monsignor Rella, who taught Gregorian chant at the American College in Father Kemper's seminary days. During their tour throughout the States, the world-famous choirsters are the guests, as far as possible, of the American alumni. Father Kemper was assigned this pleasant task by one of his classmates, Rev. Dr. James Griffin, who this month was raised to the bishopric of Alton, Ill. No school will be held at Notre Dame or at O. L. Guadalupe Thursday, thus making it possible for the music pupils to remain over in San Antonio for Turkey Day.

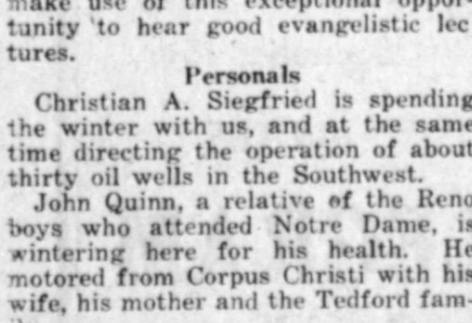

Sr. Hilda, principal of the High School, was our representative at the annual Alamo Heights bazaar.

Next Sunday the spiritual revival under the direction of Rev. Bernard Kalvelage, C. S. S. R., will begin in St. Mary's Church at the 10:15 a. m. Mass. Non-Catholics are urged to make use of this exceptional opportunity to hear good evangelistic lectures.

METHODIST CHURCH
(By Member)

There were splendid crowds at church last Sunday for both services. Our Presiding Elder, A. E. Rector, filled the pulpit Sunday morning.

After presenting the beautiful purple banner won by the Kerrville District for the best record in attendance at quarterly meetings, he preached a very rousing sermon. It was what we needed most at this time. He set us a high standard in our work for this year, and then showed that we were able to reach that standard, and even go beyond it. So let us live up to it; let us not fall short of what we are actually capable of doing.

The Golden Cross campaign is proving a wonderful success under the leadership of C. W. Moore. The memberships taken out last Sunday and since have reached about 50 adult and 30 among the children. Let us keep the good work moving and help the church to found hospitals.

The following members have just been received in the church by transfer: Mrs. M. V. Cade, Mrs. Roberta Barrett, Miss Byrtie Barrett and Guy Rees. To these we extend a sincere welcome.

Services next Sunday at the following hours: Sunday School, 9:45 a. m.; Church at 11:00; evening service, 7:15 p. m. Preaching by Dr. White.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no gripping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

Frequent Headaches
"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. 1, Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of
Theford's BLACK-DRAUGHT
and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."
Theford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught.
Sold everywhere.

ENTHUSIASTIC MEETING OF MEN'S CLUB TUESDAY NIGHT

In spite of inclement weather, a fine attendance greeted President Prescott when he called the meeting of the Presbyterian Men's Club to order at the St. Charles Hotel Tuesday night. After a fine musical program, under the direction of H. C. Robinson and J. J. Charlier, who had charge of the instrumental part, and Prof. Andrew McCurdy, who led the vocal efforts of the members, the minutes of the preceding meeting were read and approved and various business matters transacted.

It was voted by the membership to extend an invitation to the students of Schreiner Institute to be guests of the club at the next regular meeting, the second Tuesday night in December, at the St. Charles, and a committee was appointed to make the necessary arrangements.

Following the business session, the main event of the evening was introduced, a general discussion along the line of clean athletics in our schools and colleges.

Practically the entire membership joined in the discussion and varied and interesting sidelights on the subject were put forth by the speakers. Some even confessed their personal experiences about gambling on football and kindred games while they were attending school, and since. All were of the opinion that gambling on the games was the chief sin against clean athletics and various remedies were discussed, chief among which was the moulding of public opinion regarding the evils attendant upon such practices.

After a pleasant and profitable evening spent in discussing the various angles of this interesting subject, Mrs. Thorburn served delicious refreshments to the 30 men in attendance, after which the club adjourned.

The Baptist W. M. U. will hold their joint missionary and business meeting Tuesday, Dec. 4th, 3 p. m., at the home of Mrs. Lou Wharton.

Junction Jots

Eagle, Nov. 23rd: Mr. and Mrs. Walter Buckner of San Marcos spent the week end at the Beasley ranch, guests of Mrs. Buckner's parents.

Miss Winnie Kenedy of Sherman and Mrs. Walter Coleman of Kerrville, were visitors last week and the first of this with Mrs. L. A. Jetton and family.

Mr. and Mrs. Alex J. Hamer drove to San Antonio the first of the week and left for an extended trip through the North and East. They expect to visit their son, Ernest, who is a student at the University of Pennsylvania, and will attend the Thanksgiving football game between Penn University and Cornell University. Ernest, known throughout the country as "Tex" Hamer, is captain of the Penn. team and recognized as one of the greatest football players this University has ever had. Mr. and Mrs. Hamer will also visit in Reading, Pa.

A good deal of talk about organizing a polo team at Junction is going the rounds now and it is likely that within the next few days a number of the local athletic enthusiasts who are also good horsemen, will have a team organized and will begin practicing. The Watson Divide boys have had a team for more than a year and have played a number of match games, besides having a great deal of amusement out of their community games. Some of the players from there will likely teach the local members the game and then there can be match games between the two arranged for.

At 4:20 last Thursday morning, Mrs. Mary Hodges died at her home some six miles east of Junction, after an illness of several weeks. She was born September 8, 1843, and came to Kimble County about 40 years ago, where she has since resided and where she and her family have been recognized as among the most prominent and worthy citizens. Funeral services were conducted by Elder John S. Durst and Rev. S. F. Marsh. Interment was made at the Junction cemetery.

Alfred P. C. Petsch, prominent attorney of Fredericksburg, was in the city Monday attending to business matters.

Mrs. Bertha Richardson of Long Beach, Calif., and F. D. Richardson of San Antonio arrived Sunday for a visit with Mr. and Mrs. Ernest Meeker.

Motor Car Taxes for 1924

San Antonio Express: Many inquiries have been received from car owners relative to the provisions of the motor fee bill enacted by the last Legislature, which becomes effective on January 1, 1924, and which places a tax on automobiles based on weight and horsepower.

The tax graduates from 40 to 75 cents per 100 pounds and there are four classes, viz: Class 1 comprises cars weighing less than 2,000 pounds, on which the tax is 40 cents per 100.

Class 2 includes cars weighing from 2,001 to 3,500 pounds, on which the tax is 50 cents per 100.

Class 3 includes cars weighing from 3,501 to 4,500 pounds, on which the tax is 60 cents per 100.

Class 4 is for cars weighing from 4,501 pounds and upward, on which the tax is 75 cents.

As regards the horsepower tax, the minimum fee, irrespective of the size of the motor, is \$4 per year.

For instance, take a car in the Ford class, weighing 2,000 pounds or less, on which the weight tax is 40 cents per 100 pounds, the horsepower tax is 17½ cents per horsepower. The latter tax remains the same on any make of car, irrespective of amount of horsepower. The ordinary Ford car is rated at 22 horsepower, with weight of 1,600 pounds.

While the motor fee bill at first glance might appear to be complicated, yet one can readily see how simple it is, for it is only a question of knowing the weight of the car to be licensed and the horsepower—then it becomes a matter of simple multiplication.

ACCEPTING BRIBES

Texas Commercial News: Men have been scorned for accepting a bribe; the walls of penitentiaries have extended their cold resisting strength in between the bribe receiver and his liberty; hundreds of papers have held up to scorn the bribe taker.

We agree that the public or private individual who accepts a bribe deserves all the ignominy his fellows heap upon him; but we are wondering tonight how refined our sense of bribery has become or shall become.

We believe that a groceryman has a right to keep silent on matters affecting public policy, if he fears trade losses, for he has not taken a silent or public oath that he shall speak boldly when the public's interest is involved.

Not so with the editor. Not so with the publisher of a newspaper or a magazine, or any other periodical.

When a man accepts the responsibility of the editorial pen, when a man launches a periodical of any sort, he takes a solemn oath that he will be fair to society; that he will speak the truth in his paper, that he will not paint the fair face of truth for the purpose of deceiving those who seek the truth.

Much is said about the muzzled press. Much is said about the advertisers dominating the papers' policies. As for others, we know not what they do; but as for us, never yet have we hesitated when conviction impelled us to speak.

We believe that that editor or that publisher who will color his story that he may save an advertising account, or will suppress the truth which he knows down in his heart that the public should have that he may retain the good will and favor of those who

patronize his shop, is just as much the receiver of a bribe as the legislator whom his paper held up to scorn for selling his legislative influence and vote.

No man who would shrink from writing what his convictions dictate even in the face of financial loss, is worthy the dignity and honor which should go with editorial work.

We don't believe the advertiser or the business man seeks to dominate the press, nor do we believe that the fair and conscientious statement of editorial opinion ever hurt the business of a paper.

We have found that editorial domination has not come from the ranks of business, but it has sought to come in the fair name of public welfare, from the secretary or organizer of some group which seems to keep its face by pleading the public's cause.

It is the secretary of the "organization devoted to the public welfare" who seeks to have his "editorial" published as the expression of your opinion, or seeks to hold up before you business losses should you follow the course your conscience dictates.

Regardless of the paying end of a newspaper, editorial utterances should be absolutely free, and the paper should be issued solely from the standpoint of the general welfare of the public.

Some would put "the pay end first," but we believe that the pay end of a newspaper should be a secondary consideration. The editorial and news columns should be a paper's only justification of its existence.

We believe that a paper in the hands of a sane, conscientious editor and manager, who let their great goal be truth, and who refuse to paint the fair face of truth under any circumstances for the purpose of deceiving their readers, will always be the most successful paper from a financial standpoint.

As a business proposition no paper should ever be launched. Public need should always give birth to a paper, and this need should hover over that paper as long as it lives.

No paper has a right to expect universal endorsement and approval. It must be as content with the subscriber who orders his subscription canceled or the advertiser who cancels his advertising contract or withholds his advertising patronage, because of the paper's editorial utterances or its news policy, as it is with those who as loyal stand by it.

It is a fact that sane, conscientious editorial utterances and righteous news policies have driven business from the paper's door, but for every dollar driven away a brighter dollar and a cleaner dollar takes its place.

No paper has a right to expect universal business support, and should be content with that business its policy of honesty, integrity and justice will command.

PRESBYTERIANS TO RAISE \$1,350,000 FOR SCHOOLS

"Presbyterians are having a share of the wonderful prosperity in Texas," according to a statement issued from the Dallas office of the Presbyterian Movement for Christian Education. In this campaign for \$1,350,000 for schools and colleges an effort will be made to interest every member of that church. Estimates made by E. A. Peden, of Houston, on the prosperity of the State are interesting not only to Presbyterians, but to every business man in Texas. Mr. Peden is the State Chairman of the Executive Committee in charge of the work. At a dinner given Presbyterian officers in Houston he stated that with the present price of cotton, the cotton crop of Texas this year is worth \$600,000,000. This is \$200,000,000 more than the value of all the gold mines so far in the famous Yukon. The value of the cotton seed from the Texas crop of cotton for three years is far more than the output of the Yukon.

Texas, he said would produce 42 per cent of the entire cotton crop of the South.

Bankers and business men back up this statement and it is predicted that there will be little difficulty in putting the Presbyterian campaign across with proper response from the men of means in that church.

Boy Scouts Meet

Troop No. 1, Boy Scouts of America, held its regular meeting at 5 o'clock last Friday afternoon on the lawn of the Episcopal Church. Four new members joined the troop and were given the Boy Scout Oath.

Scout Master Macdougall gave a short lesson in drilling after Scout Scribe Bobby Scherbeck had called the roll. Scout Ben Grantham was given a try at commanding the troop in drilling and marching. Several games were enjoyed, after which the boys were dismissed.

Scout Master Macdougall plans to visit San Antonio and get badges for the boys this week. REPORTER.

The Lowest INSTALLED Price ever announced for a Farm Electric Light and Power Plant

The DELCO-LIGHT Man is ready NOW to install your DELCO-LIGHT Plant COMPLETE—only \$549.50

for the most popular farm size plant

UNEQUALLED installation facilities, including a nation-wide organization of over 4,000 installation men, make it possible for Delco-Light with their quantity production to set the lowest price ever announced for an electric light plant completely installed.

And— it is highly important, in purchasing any lighting plant that you know the installed price.

The installed price for the most popular size Delco-Light plant includes not only the plant itself—it includes the freight; it includes the actual installation of that plant; it includes the standard Delco-Light Bxide Battery composed of sixteen large capacity cells, built for long life, with extra thick plates and heavy glass jars; the wiring of your house for ten lights to be located anywhere you wish; one power outlet wherever you may want it; a standard set of ten drop lights with sockets and the installation of these lights; and ten standard electric light bulbs—the complete installation ready for you to turn on the lights.

This is the way to buy your electric light and power plant.

Terms So Easy You Cannot Afford To Be Without One

To make it easy for you to get your Delco-Light Plant we have set a very low first payment and made the terms very easy. The local Delco-Light man will explain these terms to you. A liberal discount allowed for cash.

TURKEY RAISERS

Remember, it is not this year's large crop of turkeys that is causing low prices, but the way you marketed last year's crop, when you held too late for THANKSGIVING and CHRISTMAS demands, causing

Fourteen Million Pounds

to go in the freezers of the country as a carry over for this year's market.

Ten Million Pounds

of this carry over would have gone into consumption, had you used judgment in marketing, and the remaining Four Million consumed before this holiday, leaving the market wholly dependent on this year's kill, which would have produced a healthy situation and better market this year.

You Are Doing the Same Again

Listen---If you hold your turkeys until well in December, you have a slim chance of getting over 7 to 10 cents, besides you will have no market next year. About 25 per cent of the crop has been moved. For a healthy situation, 75 per cent should move into consumption during the two holidays.

Our Advice

is to keep selling; sell part your flock, gamble with the other part. Don't act foolish---you can't put the market up by holding the few thousand head in your community. They are raising them everywhere. Sell every day, don't wait until too late. We are dressing now for Christmas. Turkeys to reach New York by freight must reach our plants by

December 5th

For a few days after this date it is possible some will move by express, but in our opinion none will move in this manner, and after this date it will be a proposition of storing the surplus for the 1924 trade. If you use your heads and cut the surplus down, a fair market is assured for the 1923 crop and a good market for the next year.

We Published

about 30 days ago a word of warning throughout the country. Many of our customers believed it and sold, obtaining 4 to 7 cents per pound more for their turkeys than the present market.

What are you going to do this time? Study it over; act as your judgment tells you. When Ready to Sell, see our manager, A. D. Brown.

LEGION LIGHTS

Miss Ula Fletcher, file clerk, has returned from Houston, after a long visit with friends in that city.

Miss Isabelle Pierdola, of the finance section, has returned from her home in Seguin.

Sgt. H. M. Hamilton, recruiting officer in San Antonio, visited his brother, Chester Bailey Hamilton, over Sunday.

Miss Agnes Vinson of the dietetic department in the Infirmary Ward is at present enjoying a vacation with relatives at Laurel, Miss.

Mrs. Beatrice Firebaugh of Natchez, Miss., has reported for duty as a nurse. This is a reassignment to duty in government work for Mrs. Firebaugh.

Miss Jeanette Vincent has recently reported for duty as dietician, and Miss Mildred Dobson reports in a similar capacity. These appointees come respectively from New York and Wisconsin.

Argonne Post No. 20, Woman's Auxiliary of the American Legion, will present the patients of Ward 8 with a Thanksgiving box, it is announced by Mrs. H. H. Kuhlmann of Kerrville.

The Hospital Red Cross is presenting patients and personnel with menu cards for Thanksgiving day. The cards are attractive and unique and are well suited in decorative detail to the time and the occasion.

The name of Miss Laura Carney, R. N., has been added to the roster of nurses at the hospital. Miss Carney was transferred from Hospital No. 55, Fort Bayard, N. M., and has had valuable experience in the treatment and care of tuberculosis.

Mrs. Ola B. Gammon, who resides on the Medina Road, has supplied the hospital with flowers as a gift from the Baptist Church of Kerrville. The patients express their thanks for these lovely reminders of the kindness and generosity of those who have contributed the bouquets.

Mrs. G. D. Parker, 701 Welch Ave., Houston, Texas, writes to friends at Legion stating that she would like to have the names of all former Camp Logan men who are now in the hospital. She says, "We do not want Camp Logan men to think that Houston has forgotten them."

Mrs. H. H. Kuhlmann, chairman of the State Hospital Committee, states that she has received the new radio set from Argonne Post No. 20, Woman's Auxiliary of the American Legion, Galveston, Texas. This will be presented to the hospital as a gift from Argonne Post No. 20, Woman's Auxiliary, and is intended especially for the patients on Ward 8.

The patients at the hospital greatly appreciate the kindness of Mrs. John Burney of Kerrville, who has been thoughtful in bringing flowers to the Infirmary Ward. The flowers of the season consist largely of beautiful chrysanthemums and carnations which are a constant delight to the patients and add a touch of cheer and brightness to the sick rooms.

If possible to complete arrangements, Mrs. John Zimmerman, Director of the Red Cross, will secure band music and circus talent for Thanksgiving day at noon. Mr. Zimmerman is now endeavoring to get in touch with circus officials, and in the event that he cannot induce them to allow their talent to come to Legion, he will arrange for music from a local source.

Miss Maude Short announces that

the Junior Red Cross Organization, Averil School, Beaumont, Texas, has sent a barrel and a large box containing home-made jellies and preserves to the Red Cross Chapter at the hospital for distribution among the patients at Thanksgiving time. Each individual gift has attached a personal note from the school girl who assisted in the packing to the man who receives the package in the hospital. This is an ideal way to remind the men that they are remembered by friends at a distance who cannot be with them on our National Holiday, and to add a touch of home cooking to the menu that our Government will amply provide for its disabled veterans.

Interesting Man Visits His Son
J. C. Adrian of Smith County, Texas, is an occasional visitor at the soldiers hospital. He is the father of Morris Joe Adrian, a patient on the Infirmary Ward. Mr. Adrian is very proud of the fact that he served in the Civil War along with his father and his uncle. He has one son who served in the Spanish-American War, and another, Morris Joe Adrian, who served in the World War and as stated is now hospitalized for a disability that he incurred in line of duty.

A Visiting Official
E. N. Shearer of Washington, D. C., who is a high official in the Mechanical Engineering Department of the Veterans' Bureau spent several days at the Veterans' Hospital as a direct representative of Director Frank T. Hines of the Bureau. Mr. Shearer inspected all mechanical equipment at the Hospital and expressed himself well pleased with the plant and equipment. During the course of his visit, he made many suggestions for the betterment of operation of the plant. Saturday he departed for Hospital No. 55 at Fort Bayard, N. M., and after completing certain work there, he will return to Hospital No. 93 at Legion.

Divide Breezes
Mrs. J. W. Olliff and son, J. E., were guests of I. J. Wachter and family Friday night.

Volney Snodgrass Jr. returned to his home Friday from Rocksprings, where he started to school.

Mr. and Mrs. J. J. Wachter and niece, Mrs. J. W. Olliff and son, J. E., motored to Kerrville Monday.

Brown Freeman of the Legion Hospital is here on his hunt and is the guest of Halp Wharton and family.

Mr. and Mrs. Tom Mathews and son are visiting Mr. and Mrs. Archie Merritt. Mrs. Mathews is a sister of Mrs. Merritt.

Roy Leinweber returned to his ranch Sunday after a three weeks' visit with his parents, Mr. and Mrs. E. H. Leinweber.

Misses Enola Klein and Alta Wilborn and Messrs. Barney, Felix and Warren Klein were guests of Mrs. D. C. Hall Sunday afternoon.

Mr. and Mrs. Tom Spence and children of Junction were week end guests of Mr. and Mrs. Lee Gibson. The former are Mrs. Gibson's parents.

Miss Emma Eames left Saturday for Kerrville where she accepted a position with H. Noll Stock Co. We wish her success in her new home.

Mrs. J. H. Vanham and son, Thomas, were visitors of Mr. and Mrs. L. D. Garrett from Wednesday until Sunday. The former had some dental work done.

Mrs. L. J. Wachter visited Mrs. J. H. Vanham Wednesday afternoon.

SUNSET SPOTLIGHTS

Sam McCaleb came over from Harper Tuesday, returning home the next day.

Mr. and Mrs. W. N. Hatch and son, Arlton N., returned Thursday from a visit of several days to Mr. Hatch's ranch on the Divide.

Mr. and Mrs. J. W. Denton left Friday for a visit of several weeks with relatives at Waco and Tyler.

Dr. Wood and Dr. Sweeney and wife of Kerrville spent Saturday afternoon and Sunday hunting at the Ragland Ranch.

Mr. and Mrs. A. F. Hatch and son, Junior, of the Divide stopped over night with Mr. and Mrs. W. N. Hatch Sunday, going to Kerrville Monday morning.

M. D. Henderson, after an absence of nearly two weeks, returned Thursday from Uvalde to which place he had assisted Jim Freeman in moving a herd of cattle.

P. L. Nelson, who has been living on the old Bunk Nelson place, moved his family to Kerrville the first of this week. John Henderson has taken possession of the place vacated by Mr. Nelson.

Sebird Henderson came up from Austin Sunday to spend the day with his parents, Mr. and Mrs. M. D. Henderson. He was accompanied by his uncle, John Mosely, and his cousin, Miss Nora Smith, and a friend, Marion Badger, all of Austin.

Mrs. N. B. Estes left Friday for a visit of several weeks with relatives in Houston. Mr. Estes accompanied her as far as San Antonio in his Ford, making the round trip of 180 miles in eight hours and forty minutes including the time spent in the city.

The Social Committee entertained the members of the Sunset B. Y. P. U. Friday evening at the home of Mrs. A. E. Oehler. A program consisting of interesting games and contests was carried out, prizes being awarded to the winners of the contests. Refreshments of cake and coffee were served. Everyone present enjoyed a pleasant evening and the Social Committee is to be commended for the success of the program.

The boys and the girls' basketball teams of the Sunset School went down to a double defeat before the teams of the Klein Branch School Friday afternoon on the latter's grounds. The girls' teams played first, Klein Branch winning by a score

of 19 to 3. The Sunset team was outmatched in both size and skill and was forced to defensive play throughout the greater part of the game. The lineup follows: Sunset; Ruth Duderstadt and Vida Parks, forwards; Lilla Zachry (Capt.) and Lois Fessenden, centers; Mildred Eddins and Gladys Smith, guards. Klein Branch: Corinthia Russell and Mattie Johnson, forwards; Mildred Duderstadt and Lillie Bell Hunt, centers; Geneva Duderstadt and Alice Nichols, guards. Referee, Adalbert Oehler; umpire, Miss Dell. The boys' teams were more evenly matched and played a fast, snappy game. Klein Branch displayed better teamwork and carried the ball to their goal more often than Sunset. The end of the first half found the score a tie, but in the second half Klein Branch forged ahead and the final score was 20 to 13. The lineup: Sunset: Ernest Duderstadt, right forward; Ernest Oehler, left forward; J. Y. Henderson, center; Alex Knibbe, right guard; Adalbert Oehler, left guard. Klein Branch: Temple Duderstadt, right forward; Vernon Johnson, left forward; Lawrence Nichols, center; Frank Lange, right guard; Douglas Duderstadt, left forward. Referee, Herbert Oehler; umpire, Prof. Smith. These are the first match games the Sunset teams have played this season and considering the small amount of practice they have had they did quite well. They were defeated but not discouraged and hope to meet the Klein Branch teams again before long.

TIVY HIGH FOOTBALL TEAM MAKES BEST RECORD IN SCHOOL'S HISTORY

Ends 1923 Season With 91-to-0 Defeat of Comfort High Friday—Scored on But Once in Eight Games.

Tivy High School ended her 1923 football season last Friday afternoon by defeating Comfort High at Comfort, 91 to 0. It was the seventh straight game Coach Moses' pets have copied by a shutout score. Only once were opponents able to cross Tivy's goal line during the season. Main Avenue High School turned the trick in the first game of the year and won, 7 to 0. In the remaining seven games Tivy stacked up a total of 281 points.

Starting out with but two or three men who had had any football experience, but with plenty of green material, Guy Moses built up one of the fastest light teams in high school football. They were stacked up against some of the best high school teams in this section and came through with flying colors and the big end of the score.

The name, Tivy High School, has been known all over the State in athletic circles for a number of years past as a school where top notch athletes and athletic teams were produced. The school has enjoyed a high standing among the best schools of the State, in sports as well as in studies, for many years and her athletes have won many battles for her, but this year's grid eleven has been beyond a doubt made the best record of any team in the annals of Tivy High school.

Light but fast—that describes the team as fully as a few words can do. And too much emphasis cannot be placed upon the word "fast." Speed is the asset that the squad possesses in more than their share, and when the team got into action few of the opposing elevens were able to cope with it.

Too much speed caused the downfall of Comfort in Friday's game, although Comfort was not lacking altogether in that trait. Moses' pets uncocked everything they had during the contest and played a flashy brand of football.

Saenger was the individual star of the game with seven of the fourteen touchdowns to his credit. He pulled one sensational play when he intercepted one of Comfort's passes behind his own goal line and ran a little over 100 yards for touchdown. It was the most spectacular play the speedy little quarterback ever got away with.

Tarver came second in the scoring with three counters to his credit and Wall grabbed over a pair for himself. Osborne and Lloyd added one each to help swell the score.

Comfort got within ten yards of Tivy's goal on two occasions, but Moses' men turned the tide in time to prevent a score. Comfort resorted to a passing game exclusively and succeeded in chalking up some big gains.

The lineups:

Inscore	A. Stieler

Miller	Goforth
Left Guard	
Radeliff	Meyer

BE THANKFUL

That You Have Something To Be Thankful For

Over three hundred years ago the Pilgrims landed in New England. They didn't have any flippers, no electric lights, no indoor plumbing, no steam heat, no bathtubs. What they did have they were thankful for.

Today we have everything the Pilgrims had and a thousand things more. So be thankful, be thankful.

W. B. Brown

warrant exporting their surplus products to other counties or states.

There is no doubt about the home market for the dozens of products that can be grown in this section. A conservative estimate of the population of Kerr County today is 8,500. Of this number approximately half are estimated to be residents of Kerrville alone.

These people all have to eat and they expect to pay fair prices for foodstuffs. That demand alone is far greater than can at present be supplied by local producers and a ready market is thus assured.

Then there are various institutions in the county that require produce that can be grown at home. The U. S. Veterans' Hospital at Legion, three miles south of Kerrville, alone spends about \$1,500,000 annually and is anxious to buy its commodities at home.

Schreiner Institute in its first year has an enrollment of nearly 100 students and prospects are good that within the next few years will draw about 500 young men annually. Scofield's School for Girls creates a demand for foodstuffs, Notre Dame Institute, the Kerrville Sanatorium-Hospital, Thompson's Sanatorium and various other institutions do likewise.

Westminster Encampment draws over 2,000 visitors here every summer and prospects are bright that the Methodist Encampment can be brought here, which will add at least 3,000 more people annually. Thousands of tourists pass through this section every year and spend money here for supplies.

Many other enterprises are coming into being that will attract many more people to the Hill Country every year. Each one adds that much more to the requirements for produce and increases by so much the market. There can be no doubt that a golden future lies before the people of the Hill Country.

All of these are points brought out at the meeting last Saturday. Judge Lee Wallace was elected chairman of the gathering and contributed a few well chosen remarks along the lines of the speakers. Judge Real brought out forcefully the situation now before the producers and showed the way to take advantage of it. O. W. Hinds pointed out the results of an increased production, the prosperity it would bring and the improvements the county would enjoy. Judge J. S. Wheelless spoke along the lines of his predecessors as did County Agent J. C. Yeary.

Center Point Comments

News, Nov. 22nd: Mrs. J. R. Wallace and Mrs. W. A. Walker motored over to Kerrville Monday.

H. G. Edens marketed a truck load of fine fat hogs for Geo. Meeks first of the week.

Mrs. Fannie L. Swayze and little son, Francis, of Kerrville were guests

of Mrs. Emma Howland Tuesday and Wednesday of this week.

Frank Mansfield and Glen Meadows of Bandera were here on business Monday. Mr. Meadows is a former Center Point boy and was shaking hands with many old friends.

CITY CAN VOTE SEWER AND STILL PAY LOW

Rate Has Been \$1.34, But Is Lifted—Total Will Be Including Tax on Bonds

Citizens of Kerrville cast \$78,000 sewer bonds December 1st still pay taxes lower than the past year. This fact was by Mayor A. T. Adkins week. The rate during the week was \$1.34 per \$100 valuation the tax of 35 cents on sewer total will be but \$1.19, lower than heretofore.

This seems to be a par very simple when the fact plain. The city school tax will no longer be paid as because of the creating independent school district, thus coming in as county

Relieving the city tax that tax the rate is reduced cents on the \$100 valuation Municipal Engineering (Dallas, who made the survey for sewers and submit estimate on the cost of sewer formed Mayor Adkins the 35 cents on the \$100 will care for the sewer bonds they are voted. This rate on the present property approximately \$1,600,000.

Should the bond issue of city taxes will be but amount is 15 cents lower former rate and at the wonderful improvement of in the city, one that will self many times over through convenience and sanitation it

As the time draws near tion more discussion is heard among the taxpayers seemed to have been some in the minds of a few a rate, but since the announcement made that the city sanitary sewers at a low same valuations they have upon, interest in the bond issue seems to be ever.

Just as an illustration of to be effected for Kerrville sewer system, such voted upon in less than a few figures based on the taxpayer by the Municipal Engineering Company show what to vote the bonds.

The population of Kerrville is estimated at means there are about and 80 business places. less than half of them, lets. At the present changing them, the total for work amounts to \$3,600,000 in 30 years. \$108,000 in 30 years. sewer system will cost and will give service years, as the materials destructible. There is \$30,000, or \$1,000 a year expense alone. If interest paid on this amount, even of but 3 per cent, it would nearly \$100,000 in 30 years would cost approximate do without sewers for while the cost with them than half for the same

All of these figures a population of 4,000 for do not provide for an it would be considerably were taken into account

And at the end of the if there were no sewer time, the same condition, or unsanitation, while with the sewers, conditions would improve bounds and the health community would be ever.

Truly, the voters will to decide a very important their city at the coming
