VOLUME 41 NUMBER 31

GOVERNOR NEFF GUEST OF CITY MONDAY AFTERNOON

Accepts Deed to Local Tourist Park on Behalf of State—Left for Junction Later in Day.

On behalf of the State of Texas Governor Pat M. Neff, in an appropriate speech Monday afternoon, accepted the gift of 42 acres of land for use of the State as a park site.

The deed turned over to the Governor was signed by A. C. and L. A. Schreiner, who donated the land in the name of the citizens of Kerrville.

The Governor and party, originally scheduled to arrive at 12:30, did not arrive until nearly 2 o'clock, and after luncheon at the St. Charles Hotel, the Governor addressed the large crowd of citizens from the front steps of the hotel at 3 o'clock.

Accompanying the Governor and party were the State Park Board and the State Highway Commissioners. The party is on a tour of Southwest Texas, inspecting the State Highways and sites suitable for State Parks.

Members of the Board of Directors of the local Chamber of Commerce, with their ladies, had arranged a banquet for the Governor and party at the St. Charles Hotel for 12:30, but when the visitors did not arrive by 1:30, the luncheon was served. A party composed of J. E. Bell, R. L. Kott, John Ostrow and H. H. Sagebiel of Fredericksburg were guests of the Chamber of Commerce at the dinner.

Governor Neff was introduced by Dr. S. E. Thompson, after he and his party had refreshed themselves at a belated luncheon. Previously the deed to the park site had been presented to the Governor by Mr. Thompson and the Directors of the Chamber of Commerce.

Governor Neff paid a glowing tribute to Kerrville and the Hill Country. He said that this was his second visit to this city, the previous one being last November, when he and his party were up here on a deer hunt and were water bound here for a couple of days.

During the course of his tribute to this section of the State he said: "You live in the center of the playground of Texas."

According to Governor Neff the world is just now beginning to recognize the necessity of parks. During the last two years the United States Government has established 19 National Parks in 14 States. In addition, 26 States have established systems of State Parks during the same time.

As Texas did not get one of the National Parks and had no lands available for a system of State Parks, the Governor and party are touring the State asking the different communities to donate land necessary for the establishment of the system.

The site donated by the Schreiners consists of the present Tourist Park and the land adjoining on the north, in all about 42 acres. This site is admirably situated for park purposes, having on one side the main highway and one the other the Guadalupe River and being dotted with live oak trees throughout.

After closing his address here the Governor and party were taken out to inspect the site of the new State Park, after which they left for Junction, where they were scheduled to remain over night.

HOME CANNING DEMONSTRATION AT LANE VALLEY SCHOOL HOUSE

District and County Demonstration Agents Instruct in Home Canning Tuesday.

At the Lane Valley School House Tuesday Miss Bennie Campbell, District Home Demonstration Agent, and Miss Zetha McInnis, County Home Demonstration Agent, conducted an all-day class in home canning.

A baby beef had been butchered by farmers interested in home canning. The meat was prepared and canned under the supervision of the demonstration experts, as was also a large quantity of field corn.

About a dozen families in the Lane Valley community were represented in witnessing and assisting in the work, and all expressed themselves as delighted with the demonstration.

W. H. BLANTON ASSAILS KLUKERS SATURDAY NIGHT

Fiery Cross Burns on Hill Near City While Address Is Going On—Big Audience Heard Speech.

Defending and upholding the Constitution of the United States and in a stirring manner attacking the Ku Klux Klan, Hon. W. H. Blanton of San Antonio addressed a large crowd of Hill Country citizens at Lake Side Park last Saturday night.

While the meeting was going on, a fiery cross was illuminated in the Ola B. Gammon pastures southwest of the city.

The speaker was introduced in a fitting manner, by Judge Julius Real, who, during the course of his remarks stated that he himself had many warm friends belonging to the Klan and deplored that they had been misled into joining and expressed the belief and hope that they would soon see where membership in this organization was leading them.

Mr. Blanton is a native Texan, living for many years at Gonzales before moving to San Antonio. He is an eloquent speaker and was well informed on the subject on which he was speaking and repeatedly challenged anyone in the audience to contradict or correct any statements he might make. He held his audience spellbound throughout the evening and during the whole discourse was never interrupted.

Declaring that the Constitution was the greatest document of freedom ever written and that it had been sufficient for our forefathers; had been in the past sufficient for us to live under and rear our families, the speaker urged his hearers to refrain from religious intolerance and hatred and devote more time to upholding the laws of the country. He outlined the Bill of Rights, which entitle anyone accused of crime to a hearing before a jury of his peers and condemned practices of members of the Klan in taking upon themselves punishment of individuals without trial and without due process of law.

Mr. Blanton quoted several cases of this character in the State as well as elsewhere in support of his contentions. Commenting on the recent Democratic Convention in New York City, the speaker likened it to the convention of the same party in 1860 and warned his hearers that a continuance of the present day religious hatred would inevitably lead to serious conditions as it did in those days unless the American people came to their senses.

After declaring that he was not a Catholic and denouncing practices of the Catholic Church in olden times and foreign countries, the speaker stated in an emphatic manner that the history of our country had revealed numbers of those of the Catholic faith who had demonstrated patriotism unexcelled by none and cited instances where Catholics had died rather than betray their country and their fellow man.

On the other hand, he cited several instances of members of the Klan, some of them ministers of the gospel, who had been convicted in the courts of perjury in connection with Klan activities.

The speaker closed his address by quoting extracts of the Klan oath, as same was alleged to have been given by Grand Dragon Simmons in the Ku Klux Klan hearings before the Committee on Rules, House of Representatives, 67th Congress, and by calling particular attention to words and phrases thereof. The sections of the oath as quoted by Mr. Blanton are as follows:

"Section 1. You will say 'I' pronounce your full name, and repeat after me—in the presence of God and man, most solemnly pledge, promise and swear, unconditionally, that I will faithfully obey the constitution and laws, and will willingly conform to all regulations, usages and requirements of the Ku Klux Klan which do now exist or which may be hereafter enacted, and will render at all times loyal respect and steadfast support to the imperial authority of same, and will heartily heed all official mandates, decrees, edicts, rulings and instructions of the Imperial Wizard thereof. I will yield prompt response to all summonses, I having knowledge of same, Providence alone preventing."

"Section 4. 'I swear I will keep secure to myself a secret of a klanman when same is committed to me in the sacred bond of klanmanship, the crime of violating this solemn oath, treason against the United States of America, rape and malicious murder alone excepted.'"

OLD TIME CAMP MEETING BEGINS AT METHODIST ASSEMBLY FRIDAY

Dr. A. J. Moore to Have Charge of Meeting—School of Missions Now Going On.

Under the directions of Dr. A. J. Moore, pastor of the Travis Park Methodist Church of San Antonio, the Camp Meeting will begin at the Kerrville Methodist Assembly and continue for at least two weeks. Dr. Moore will be assisted by Rev. E. B.

STREETS RECEIVING COAT OF OIL THIS WEEK TO ELIMINATE THE DUST

Car Load of Heavy Asphalt Oil Received by City Being Applied to Business Streets.

A crew of workmen are busy each night applying a coat of heavy oil to the business streets of the city. A coat was applied to Earl Garrett Street Tuesday night and was to be followed Wednesday and succeeding nights by application to other side streets between Water and Main Streets in the business section.

In addition, Main will be treated, as will also Water Street from the Lee Mason & Son Garage to Town Creek Bridge.

The large sprinkling tank of Colglazier & Hoff is being used to apply the oil. As the tank is used by the contractors on the paving work below the city during the daytime, it is necessary to apply the oil on the streets at night.

Tuesday night the work was commenced, and it was found that the oil was too heavy to be applied successfully even with pressure applied in the tank of the sprayer. Wednesday a steam engine was attached to the large oil car on the Schreiner siding for the purpose of warming up the oil with steam, and it was expected that better progress would be made Wednesday night.

FARMERS' SHORT COURSE AT A. & M. TO BE HELD JULY 28 TO AUGUST 2

Instructive Programs Arranged for Occasion—Many Kerr County Farmers Expected to Attend.

Farmers and ranchmen of the Hill Country and club members of this district who accompany County Agent Yeary and Home Demonstration Agent, Miss Zetha McInnis, to College Station the latter part of this month to take in the Farmers' Short Course will indeed receive a royal welcome and learn many things of a practical value, according to information recently sent out from A. & M.

It is planned to leave Kerrville early Sunday morning, July 27, in order to catch the L. & G. N. train out of San Antonio at 9 o'clock that morning. Special cars will be provided on direct to College Station without stopover or transfer. Returning, special cars will also be provided. A fare of one and one-fifth for the round trip has been granted by the railroads.

The Short Course begins Monday, July 28th, and ends Saturday, August 2nd. A whole week of instructive and interesting study has been provided for those attending, under two general heads: Agriculture—Work will be offered in the following departments: Animal Husbandry, Dairy Husbandry, Poultry Husbandry, Agronomy, Horticulture, Entomology, Plant Disease, Rural Sociology, Agricultural Economics, and Agricultural Engineering.

There will be an exhibit of the most improved and most modern farm machinery and home equipment on the grounds. Home Demonstration Work—Several courses in Home Demonstration Work especially adapted to the needs of girls and women from rural communities will be given. The work will consist of lectures and demonstrations in health work, in meal planning and table service, clothing, home improvement, and poultry.

A special feature of the course will be a poultry judging contest, a grain judging contest for the Cameron Lumber Company Loving Cup, and a live stock judging contest for the Progressive Farmer Loving Cup. All State Contests for Home Demonstration Club girls and women will be held at this time.

The evening programs will be devoted almost entirely to instructive lectures and entertainment. In addition some time during the day will be devoted to special forms of entertainment. Insofar as possible the entertainment will be of educational value.

The principal feature of the evening entertainments will be a series of three lectures by Dr. W. B. Bizzell, President of A. & M., who has just returned from a tour of several European countries and who will discuss agricultural conditions as he found them in those countries. The addresses will be delivered the first three evenings of the meet. The subjects selected by Dr. Bizzell for these talks are as follows:

First address: "A Survey of Agricultural Conditions in Western Europe."

Second address: "Farm Lands and Their Utilization in Western Europe."

Third address: "The Cotton Problem of Landcashire and Its Influence on American Cotton Production."

All persons attending the Short Course will be charged only the actual cost of meals and lodging. Lodging, 25 cents per day; 3 meals, \$1.25 by purchase of tickets.

FOREIGN MISSION CONFERENCE OF PRESBYTERIANS BEGINS SUNDAY

Sunday School Conference Ends Friday—Last Saturday Stunt Night at Encampment.

Beginning next Sunday and continuing until the 25th the Presbyterian Encampment will be interested in the Foreign Mission Conference. Rev. J. C. Reavis is the conference leader. In addition to leading the conference, Dr. Reavis will preach at the encampment next Sunday morning and each evening throughout the week.

Bible studies will be under the direction of Rev. L. H. Wharton and missionary addresses and a foreign mission study class for young people will be conducted by returned missionaries attending the conference. During the course of the conference Dr. Reavis will deliver an address on "Men and Missions," and Miss Van Deventer will speak on "Missionary Program and Organization of the Local Church."

The Sunday School Conference that is occupying the attention of the encampment at present ends Friday night. Dr. W. R. Hall of McKinney is preaching each evening and Rev. E. H. Munroe of Taylor is conducting the Bible study each morning.

Last Saturday night was "Stunt Night" at the encampment and several clever "stunts" were arranged and put on by the Social Club of the camp. This was followed by a watermelon feast.

COUNTY COMMISSIONERS MET WITH STATE HIGHWAY COMMISSION

State Board Assured Local Commissioners of Co-Operation in Hard Surfacing County Roads.

Monday being the day of the regular Commissioners' Court for Kerr County, Judge Lee Wallace, chairman of the Board, and the individual Commissioners availed themselves of the opportunity of meeting with the members of the State Highway Commission, who were members of the Governor's party in the city at that time. In addition to the County Commissioners, County Engineer W. E. Simpson and Major Hudson, division engineer of the State Highway Department, also sat in on the conference.

The local Commissioners were assured by the State Board of their hearty co-operation in all matters pertaining to bettering the good road system of the county. A proposition had previously been rejected by the State Board for the hard surfacing of the highway from Town Creek Bridge to Ingram, and this matter was brought up and discussed at length. Judge Wallace made a tentative proposition to the Board that Kerr County would raise one-fourth of the money necessary for this purpose if the State and Federal Governments would finance the rest. He was assured that the Board would give the matter serious consideration and intimation was given that the proposition would probably be acted on favorably. If this proposition goes through, Kerr County's share of the cost will be approximately \$18,000.

At their regular monthly meeting held at the Court House, the County Commissioners allowed the regular bills and claims against the County. Estimate of work on Highway 41, of Colglazier & Hoff, of \$3,624.28, was allowed and ordered paid out of the highway fund. Also a contingent claim of \$24.25 against same fund in favor of the contractors was allowed. A claim of \$542.50 for expenses of the County Engineer was ordered paid.

Returns of special school election in Ingram School District No. 2 were canvassed and tax levied in accordance therewith to supplement the school funds of that district. County Clerk John R. Leavell was instructed to purchase necessary supplies for holding the regular election in November.

Commissioner Ally Beitel was instructed to confer with city officials and the sewer contractors in order that the streets adjoining the Court House would be in good shape when District Court convenes August 4.

Commissioner J. A. Peril was instructed to take up with the County Engineer the proposition of constructing a culvert across Highway 27 on the land of Geo. Dowdy above Ingram. For some reason this culvert was overlooked when the highway was constructed through Mr. Dowdy's land.

ESTABLISHED 1869 KERRVILLE, TEXAS

ADDITIONAL AFFILIATION CREDITS RECEIVED BY TIVY HIGH SCHOOL

Work of Kerrville School Entitles It to a Further Credit of 3 1/2 Units, Making Total of 20 1/2.

Tivy High School has just been notified by the State Board of Education of the granting of the following units on the past term's work: English, 1; Spanish, 1; Bookkeeping, 1; Civics, 1/2. The additional credits make a total of 22 for the school, which places Tivy in a class higher than many of the larger schools of the State.

The affiliation of the 4th year in English is an honor credit to the school, pupils and instructors, and is a credit that all citizens of Kerrville should feel proud of, as it speaks volumes in itself for the class of work the school has been doing.

Very few schools in cities the size of Kerrville and not all of the larger ones have had the honor of receiving the 4th credit in English.

CAMP RIO VISTA TO BE HOST TO C. OF C. FRIDAY NIGHT

Various Athletic Games, Barbecue, Business Meeting and Camp Fire to Fill Out Busy Evening.

Camp Rio Vista will be host to the Kerrville Chamber of Commerce next Friday evening, July 18. All members of the organization who possibly can are urged to be there by 5 o'clock. Those men who find it impossible to be there this early are asked to be there by 6.

The program for the evening will be a full one. It will begin with a big league indoor baseball game—soft ball, so tender hands won't let a man off—between the old folks and the young ones. A volley ball game will also be staged with a similar lineup. After this there will be a swim in one of the prettiest holes anywhere along the Guadalupe.

After appetites have been sufficiently whetted there will be a big barbecue down under the big pecan trees along the banks of the river. The proverbial fatted calf will be slaughtered for the occasion and the meat prepared by the camp chef over their own barbecue pits.

The regular business of the organization will be transacted around the camp fire, after which the regular camp fire program will be given. An excellent program has been prepared for this occasion, consisting of songs by the camp, reading of the camp fire paper, known as "The Nightly Howls," selections by the Rio Vista quartette, demonstrations by a most amazing sleight of hand performer, and so on down through the list.

All members of the Chamber of Commerce are urged to attend this meeting, as it promises to be most interesting and worth while and besides, will give the visitors and excellent opportunity to see Mr. Crate's camp in action. If there are members who desire to attend but have no way of transportation, ring up Mrs. Wallace at the Chamber of Commerce office and the committee on ways will see that you get there.

CREAMERY BEGINS CONSTRUCTION OF NEW HOME ON WATER STREET

Building to Be of Fireproof Construction and Will Be Finished in Sixty Days.

Ground was broken and construction work begun on a new building for the American Creamery Company on lots just south of Lee Mason & Son's on Water Street.

The new building is made necessary owing to the rapidly increasing business the Creamery Company is enjoying and in keeping with the policy of the company to keep ahead of their field in the way of quarters and equipment.

The structure is to be 40x60 feet in size, of concrete fire-proof construction throughout and of the latest approved styles of architecture for this particular business. The front 18 feet of the building will be divided into two office rooms and the rear part of the factory end will be double decked. On this double deck will be located the pasteurizing machines, and from here on through the various processes through which the milk and cream must pass it will be conveyed by gravity, doing away with the necessity of transferring by hand.

The entire front of the building as well as the rear will be glass. All floors and the upper deck will be of concrete construction. Driveways and loading platforms will be along the side. When the building is completed, it is planned to install therein the latest type of machinery, which will make the plant of the American Creamery Company one that will compare favorably with any in the Southwest.

McCreary & Schott have the contract for construction and the building will be completed and ready for occupancy in about 60 days.

WORK BEGUN ON MASONIC CLUB HOUSE AT VETERANS' HOSPITAL

Contract Awarded to Miller Construction Company of This City—To Be Finished in Two Months.

For a bunch of sick men the members of the Gavel Club, the Masonic welfare organization composed of personnel and patients at U. S. Veterans' Hospital No. 93, are wondrous. Purchase of a site for their club house was completed and finally approved last week and plans accepted for the building itself.

Contract for construction was let last Saturday to the Miller Construction Company of this city, and work on the building was begun Wednesday. The contract specifies that the building is to be completed and ready for occupancy within 50 working days.

It is planned by the Gavel Club to have the corner stone laying of the new edifice August 15, and plans are already formulated to make this day one long remembered among Master Masons of the State. While nothing is definite about the ceremonies as yet, it is believed that the Worshipful Master of the Masonic Lodge of the State will be present and have charge of the corner stone laying. Cordial invitations are being issued by the boys at Legion to all Master Masons to attend.

### PRINCE OF WALES CAKE

(Contributed by Mrs. Richard Holdsworth)

This cake may be made in light and dark layers and put together with plain white icing or made in loaf style. The only difference in the two styles is that one heaping teaspoonful of baking powder is used in the loaf cake instead of the two level ones in the layers.

Ingredients (use level measurements):

- | DARK PART                 | LIGHT PART                     |
|---------------------------|--------------------------------|
| 1 cup Brown Sugar.        | 1 cup Granulated Sugar.        |
| 1/2 cup Butter.           | 1/2 cup Butter.                |
| 1/2 cup Sweet Milk.       | 1/2 cup Sweet Milk.            |
| 2 cups Flour.             | 2 cups Flour.                  |
| 1 tablespoonful Molasses. | 3 Egg Whites.                  |
| 8 Egg Yolks.              | 2 cups Flour.                  |
| 1 tablespoonful Cinnamon. | 3 Egg Whites.                  |
| 1 tablespoonful Nutmeg.   | 1 tablespoonful Baking Powder. |
| 1/2 tablespoonful Cloves. |                                |
- Cream the sugar and butter, add flour alternately. For light part beaten egg yolks, the milk and add the beaten egg whites last.

### THE WEEK IN SOCIETY

The Auxiliary to the American Legion will meet Friday, July 18, at Lake Side Park. The meeting will be called at 4 p. m. and every member is urged to be present. Mrs. Addison Rothrock will be hostess.

### Farewell Luncheon

Miss H. Mae, one of the nurses at the U. S. Government Hospital, complimented her friend, Miss Edna Ward, with a tastily appointed farewell luncheon at the Williams Boarding House Tuesday evening. Miss Ward has resigned her position as dietitian with the Veterans' Bureau and after an extended rest will leave for her home in Maine.

### Benefit Bridge

The Auxiliary to the American Legion will have a bridge party at the pavillion at Lake Side Park, Monday, August 4th, at 3 p. m.

The proceeds of the party will be used to keep the soldier cemetery, which belongs to the Auxiliary, in good condition and to help send a delegate to the State Convention. A cover charge of 50 cents will be made, this will include light refreshments. Tables will be reserved for private parties if desired and table prizes will be given.

Those wishing reservation or single tickets will please call Miss Kate Renschel or Mrs. S. K. Mason.

### A Delightful Bridge Party

Wednesday afternoon of last week Miss Cleone Deaver and Mrs. Frank Richards entertained with twelve tables of bridge in the home of Mrs. Richards, honoring Misses Alice Domingues and Helen Hall of Eden.

The sun porch was decorated with wisteria and shasta daisies; the living room was in white in green, using ferns and daisies; the dining room was very attractive in shades of rose and white, the flowers were daisies and sweet peas, and the guest room was in orange and white, brozen dahlias and daisies were the chosen flowers.

Prize for matron's high score, an imported teapot, was awarded to Mrs. J. B. Young. Misses' high score was made by Miss Maybelle Roberts, she being given a dainty hand-made night gown. Consolation, Mah Jongg salt and pepper shakers, was cut by Mrs. Gerald Walther. Prize for low score, a unique amber fan, was given Mrs. Dan Auld.

Delicious refreshments were served to about 65 guests.

Those invited to play were: Misses Alice Domingues and Helen Hall, the honorees; Mesdames J. S. Wheelless, H. Weiss, W. C. Fawcett, G. M. Doyle, Alois Renschel, L. L. Rawson, W. L. Secor, A. C. also carried a shower bouquet of white. The spacious living, dining and gift rooms were decorated with a profusion of Shasta daisies and ferns, yellow and white being the chosen color scheme.

After the ceremony a wedding supper was served to the guests, who were limited to the immediate relatives and close friends of the couple. The bride's cake was a beautiful confection in the shape of a heart, and was in white, decorated with tiny yellow wedding rings. This was cut and served by the bride.

The bride's mother wore an afternoon dress of black georgette. Mrs. Arthur Real, the groom's mother, wore a handsome dress of bronze canton.

The young couple left in their car for San Antonio, Galveston and other points of interest. The bride's going-away costume was a striking navy tulle.

The bride is the daughter of Mr. and Mrs. E. Reilly of Fredericksburg, and is a graduate of the High School of that place. She is a very charming and accomplished young woman and has a host of friends here who will welcome her coming to make her home in this section.

The groom is the son of Mr. and Mrs. Arthur Real and is one of the most promising young ranchmen in this country. He is a graduate of San Antonio Academy and of A. & M. College of Texas.

They will be at home after August 1st on their ranch near Kerrville. The Sun joins with their countless friends in wishing them happiness and prosperity.

Mr. and Mrs. Milton Gold and Mrs. Lee Mason of Kerrville, were among the out of town guests at the wedding.

### LOCAL AND PERSONAL

Miss Grace Ebbetts of San Antonio is visiting at the home of her uncle and aunt, Mr. and Mrs. J. R. Leavell. She expects to remain here for several weeks.

J. L. Tally and family and J. D. Felder and family of Goliad arrived Sunday for a vacation at the Presbyterian Encampment. Mr. Tally is editor of the Goliad Advance-Guard and made this office a pleasant fraternal call.

John I. Liles left last Thursday for his home in Collins, Ohio, after disposing of a carload of Delaine rams and ewes in this city. Mr. Liles is one of the foremost breeders in the State of Ohio and has made several trips to this section with sheep.

W. C. Fawcett left last Saturday for San Antonio and in company with Ralph Fawcett left there Sunday for a tour of various furniture factories. They expect to be gone about a week and will visit Memphis, New Orleans and other points on the trip.

Mr. and Mrs. H. F. Scholl and two children of San Antonio came up Saturday to visit at the home of Mr. and Mrs. Harold Chaney and other relatives for several weeks. Mr. Scholl returned to San Antonio Monday, but will spend the week ends in Kerrville while his family is here.

John H. Ward, local chairman of the Red Cross, is in receipt of a communication from Wm. M. Baxter Jr., manager of the Southwestern Division of the Red Cross, telling of the relief the Red Cross was able to render the suffers after the recent tornado in Northern Ohio. ### Riley-Real

A wedding of unusual interest to the residents of the Hill Country, and which represented the union of two of the pioneer families of this section of the State, was that of Miss Meta Riley, of Fredericksburg, and Casper Real of Kerrville, which occurred Wednesday night at the home of the bride's parents.

To the strains of Mendelssohn's Wedding March, played by Mrs. Nanette Striegler at the piano and Herman Toepferwein on the violin, the bridal party entered. The groom came on with his best man, Charles Kuesel, of Galveston, then Miss Louise Toepferwein of Menard, the maid of honor. The bride entered with her father, who gave her in marriage. They were met at an improvised altar by Rev. Gammthaler, of the Methodist Church, who read the beautiful ring ceremony.

The bride wore a gown of beige georgette, with garden hat, shoes and hose to match and carried a shower bouquet of white flowers and maiden hair fern. The maid of honor wore an afternoon dress of orchid georgette, and accessories to match; she

Mr. and Mrs. Bratton have moved into their cottage at the rear of the hotel and will spend some time in enjoying a well-earned rest before making any further arrangements.

### BOARD ACCEPTS FOUR PARK SITES

San Angelo, Tex., July 16.—Texas is nearing her goal of 50 State-owned tourist parks by the first of January. The Texas State Parks Board, on its inspection trip of West Texas has, in two days, been given four camp sites, bringing the Texas total to 27.

The goal of 50 parks was set by D. E. Colp, chairman of the Texas State Park Board. At the present time Texas is second among the States in the number of State-owned parks. Michigan has 30 State-owned camps, and Connecticut has 25. Before the caravan started on the journey, Texas was third with 23, but the four additions put Texas in second place with 27, needing only three more to tie Michigan for first.

## No Car Like It!

42 horsepower! 50 miles and more an hour—hour after hour—without over-heating—without loss of power—without carbon cleaning!

And at the end of a long sustained high speed, your motor will be cooler, will need less water than any similar sized poppet-valve engine.

This engine's power curve keeps climbing up while the power of a poppet-valve car is dropping off. Furthermore, the Willys-Knight is entirely free from those engine repairs which make up 50% of the upkeep cost of practically all poppet-valve cars. It has no cams—no springs—to get out of order. A car you can keep season after season. Take a ride today.

# THINK This Over

Before this harvest is over, we will have bought something like ten thousand bushels of wheat in this vicinity and would like to buy more. At all times we have paid two or three cents per bushel above the adjoining markets. If this wheat had not been bought by us, it would undoubtedly have been shipped to some outside mill, made into flour and shipped back in with the freight both ways added on the cost to the consumer. We employ home labor, pay our taxes here and in other ways contribute to the advancement of this community.

For these reasons we feel that we are entitled to the flour and feed trade of this section. All those who attended the baking demonstration held at our mill recently will testify to the high quality of our flour. BLUE BONNET, "The Flour of Texas" is a soft wheat flour and cannot be excelled for biscuits and pastry. Our O. S. T. brand is a blended flour superb for baking light bread as well as biscuits. Bear these facts in mind when ordering flour and be sure to demand BLUE BONNET, "The Flour of Texas" of O. S. T. from your grocer.

Automobile travel is getting decidedly dangerous. The danger is due to reckless driving and as the roads improve the driving becomes more reckless. At least half the people on the roads seem to have the speed mania and a large proportion of these have little regard for the rights of others. Some method is going to have to be devised for better regulating road and street traffic and more severe punishment will have to be given those whose carelessness results in accidents. In the towns and cities much of the trouble comes from over-crowding the front seat of cars, thus interfering with the free action of the driver. When a car is crowded with young people they seem to forget that there is any one else on the road and they act as though they were out by themselves on a picnic.

Many Texas counties and communities will hold fairs next fall featuring county and community products. While it is good to get together the best things grown and to award premiums of sufficient size to justify competitors in gathering and making the exhibits, the competition for prizes is not the best thing coming from such fairs. Local fairs are valuable in almost exact proportion to the good feeling they create among the people. They afford the people opportunity to get together, talk thing over, know each other, and profit by the exchange of experiences. Every local fair should have a hospitality committee working overtime.

The best compliment yet paid Dr. W. M. W. Splawn, the newly elected president of the University of Texas, is that he likes people and is interested in them. That being true, he is going to make a great success of his administration of University affairs, for he has the background of a broad education and is a masterly business executive. Although his is perhaps the most responsible position in the gift of the people of Texas, there is no reason why a University president should act as though he were conferring a favor on the people in serving them.

A newspaper man whom I met at Amarillo, in speaking of the business men of a certain town, said that they are dead from their shoulders up. Since then a physician told me that most persons begin to die in their heads and that if the head can be kept active the body will respond in most cases. If your business is not what it should be, if you are just marking time in whatever you are doing, if you find that you haven't the energy or the will to hustle like the younger people about you or like the people of other places, then it might be well to have your head examined to see if it is either dead or dying. I have heard of people that are still walking around, but that, so far as any progress is concerned, are really dead.

This column is published by about 85 Texas newspapers with a combined circulation of more than a quarter of a million copies and is seen, if not read, by more than a half million persons every week. Its purpose is to get people to thinking in a way to do them good, and through them to start others to thinking. That kind of an undertaking involves much responsibility and is certain to be a failure unless the writer thinks right. He tries to keep his brain in good working order, but often thinks that it misses fire. It is altogether probable that many readers think so, too. If you are one of that many and have any suggestions to offer, write them out in care of this paper and they will be forwarded to me. I can't promise to follow every suggestion offered, but I do want to be of greater service to a greater number of people. If you have any criticisms to make of "The Passing Day," or any suggestions for improving the column, let me have them.

While politics is tabooed in this column, it is not amiss to say that a good Governor is likely to be a failure unless he has the support of a good Senate and Legislature. A County Commissioner has a limited field of operation, but in that field he may be worth more to you than the President of the United States. In voting be careful from top to bottom of the ticket.

### CATHOLIC CHURCH NOTES

By Father Kemper

#### KNIGHTS AND DAUGHTERS PICNIC

A combination picnic was staged last Sunday at Herff Park in Boerne by the Knights of Columbus and the Catholic Daughters of America, which is a sort of auxiliary to the fraternity. Barbecue, bread, pickles and coffee were supplied in generous portions to all who attended the outdoor reunion. Several of our local Knights of Columbus and Catholic Daughters as well as convalescent veterans, motored to the Boerne gathering.

Wm. Ruark of the Dallas Council was admitted at the Legion Hospital last Sunday. On the subsequent day George Fritz, a veteran seafarer, made his enrollment.

William Cooney was transferred to El Paso a few days ago.

**Aged Nun Revisits Hill Country**  
Last Friday Mother Coleete came here with Mother Veronica. The former had been stationed at the Bandiera school more than 40 years ago. She enjoyed the Boerne outing on Sunday with another one of our Sisters.

Sunday was also the name's day of our local superiors, Mother Analetus. The feast of St. Henry, patron of the pastor, occurred on Tuesday of this week.

Rev. A. Heuchemer passed through Kerrville last Thursday on his way to Harper.

Mrs. Wm. Farrish left Wednesday for Galveston with the remainder of her children. They will enjoy themselves on the Gulf until shortly before school reopens.

John Warden is hardening his muscles at the Legion, staying with his cousin, Mrs. H. Ben Mosel, while Benny is away with the threshing machine.

Mr. and Mrs. Wm. Cody of Corpus Christi joined our parish for the summer months.

Last week the contract was awarded for the coal supply of the Notre Dame boiler house for the coming winter.

#### Proposed Amendment to Constitution

##### RELATING TO GRANTING OF CONFEDERATE PENSIONS

Senate Joint Resolution No. 10

Proposing an amendment to Section 51 of Article 3 of the Constitution of the State of Texas to provide that the Legislature may grant pensions to Confederate soldiers, sailors and their widows, who have been citizens of Texas since prior to January 1, 1910, providing that all soldiers, sailors and their widows eligible under the provisions hereof shall be entitled to be placed upon the rolls and participate in the pension fund created hereunder; levying a tax of seven (\$ .07) cents on the one hundred (\$100.00) dollars valuation of property in this State for the payment of such pension, providing that the Legislature may reduce the rate of pension for such purposes, fixing a time for the election to be held on such amendment and making an appropriation to pay the expenses thereof.

Be it resolved by the Legislature of the State of Texas:

Section 1. Section 51 of Article 3 of the Constitution of the State of Texas shall be amended so as to hereafter read as follows:

Section 51. The Legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations whatsoever, provided, however, the Legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows, in indigent circumstances, and who have been bona fide residents of this State since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers who under the special laws of the State of Texas during the war between the States served in organizations for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the State of Texas who were in active service during the war between the States and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this Section shall not apply to women born since the year 1861, and all soldiers and sailors and widows of soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this State under any existing law or laws hereafter passed by the Legislature, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy under such regulations and limitations as may be provided by law, provided the Legislature may provide for husband and wife to remain together, in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas as a State ad valorem tax on property of seven (\$ .07) cents on the one hundred (\$100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further that the provision of this Section shall not be construed so as to prevent the grant of aid in cases of public calamity.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1924, at which all voters shall have printed or written on their ballots: "For amendment of Section 51 of Article 3 of the Constitution authorizing the Legislature to grant aid to Confederate soldiers and their widows."

Sec. 3. The Governor is hereby directed to issue the proclamation for said election and have the same published as required by the Constitution and laws of this State, and the sum of five thousand (\$5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this State not otherwise appropriated for expenses of publications and elections thereunder.

Approved, March 20, 1923.

S. L. STAPLES,  
Secretary of State.

### PRESBYTERIAN CHURCH

By Member

The members and visitors of the First Presbyterian Church were very fortunate last Sunday in having Dr. French Thompson of Milford, to preach for them.

Dr. Thompson's scripture lesson was taken from Paul's letter to the Ephesians, the fourth chapter. Telling of Paul's instructions to the members of the Church at Ephesus. The special verses being the 7th, 12th, 13th and 15th.

The idea that the essentials of the church are not material but personal and spiritual. That the responsibilities of the church are the perfecting of the saints, or developing the members; the building up of the body of Christ; and the plan of Christian service.

The ideals of life and the influence of the ideal on our lives is now as it was in Paul's time. First, we must be Christians, we must have the unity of faith. Second, Christian education, we must have a knowledge of the Son of God. Third, Christian attainment, we must live unto the measure of the stature of the fullness of Christ.

By various comparisons of ideals, and of the defects of the great leaders in the world at all times, the speaker was able to show very plainly that Christ is the true ideal.

### FIRST BAPTIST CHURCH

The pastor and his family, at the Baptist Church, Tuesday evening of last week, were highly pleased and greatly blessed by the hearty reception given them by the congregation and their many friends of Kerrville.

The ladies of the church were most happy in the program which they provided, in the way of music and kindly speeches which were made by representatives of the other congregations of the city, and also in the bountiful supply of delicious refreshments which proved enough for all. The general attendance of friends was highly gratifying. The entire affair was pronounced on all sides a complete success. A. B. Williamson makes a fine master of ceremonies.

Six new members were welcomed into the fellowship of the church on July 6th.

Prof. J. Wesley Loftis, A. B., of the Extension Department of Howard Payne College, Brownwood, was in Kerrville on the 8th inst., looking after the interests of this splendid school. He was greatly impressed with the rapid growth of Kerrville, and promised to return visit soon.

The pastor has an invitation to do the preaching in a revival meeting at Medina in the near future. He hopes, in this way, to begin an acquaintanceship with the good people of this mountain section, comprising the "Medina River Association."

The number of visitors each Sunday in the congregation is most gratifying. San Antonio, together with Mercedes, San Angelo, Dewitt County and far off Arizona. A cordial Christian welcome is extended to all visitors.

Every department in the organization shows evidences of growth. Now is the time for every one to be faithful. Wednesday evening the question of Sunday School betterment was fully discussed.

"Let all bitterness and wrath and clamor and anger, with all evil-speaking, be put away from you, with all malice; and be ye kind, one to another, tenderhearted, forgiving each other, even as God also in Christ forgave you."

Next Sunday's subjects will be: "The Second Coming of Christ" and "The Cheapness of a Godless Life."

### EPISCOPAL CHURCH NOTES

By Member

Considering that we only had a Lay Service last Sunday, we had a very good congregation and a nice service.

Next Sunday we expect the Rev. Chas. E. Cook of Laredo, to preach for us and hope all who can will attend the 11 o'clock service.

Mrs. Arthur Huston and family of San Antonio have moved into the Rectory and expect to stay until the end of August.

### NATURE TELLS YOU

As Many a Kerrville Reader Knows Too Well.

When the kidneys are weak, Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills. Doan's Pills are for disordered kidneys.

Kerrville people testify to their worth. Ask your neighbor.

Tom Eaton, farmer, Kerrville, says: "My kidneys were in a bad fix. I had such severe backaches and soreness across my kidneys I could not do much stooping or lifting. Mornings I was stiff and lame and at times I had sharp catches in my kidneys and the secretions passed irregularly. I heard of Doan's Pills and used them, getting my supply at the Rock Pharmacy. It was not long before the pains and aches left my back and my kidneys were in good shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Eaton had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

### CHRISTIAN CHURCH NOTES

By Member

Day by day in every way our Sunday School is growing better and better. We had a fine crowd out last Sunday and every one seemed to have entered into the Sunday School spirit full-hearted. We had a fine lesson on "The Boyhood of Jesus." The main thought presented to us was the fact that in so many respects Jesus was a natural boy with the ambitions and desires, to a certain extent, of any bright boy; while on the other hand, He was able to ask and answer questions that surprised and puzzled the wisest men of that time.

The Bible Class still holds the attendance banner. Better look out young folks, some one is going to have to furnish refreshments for the school some day, and we are in hopes it won't be you for we are very anxious to see the young people's class grow. However, we are glad to say the attendance has not decreased, and we feel great praise is due to the few faithful ones who do attend from time to time and we feel quite sure there are others in this town who could attend, and should. Now boys and girls, we earnestly invite and urge you to come. We will give you a warm and hearty welcome.

We are also glad to see so many of the little fellows out, for the Sunday School is the best place they can go to improve their little hearts and minds.

Our Prayer Meeting last week was a great success, it being the first meeting. We are sure that great interest is going to be shown in these meetings. Everyone is welcome each Wednesday at 8:15 p. m.

Remember Sunday School opens at 9:45 a. m. Let us have a large attendance next Sunday and everyone try to be on time.

We also wish to announce that Bro. J. W. Smith of San Antonio, will be here to preach for us next Sunday at 11 a. m. and we hope to see a large crowd out to hear him. Brother Smith is, or should be, well known in Kerrville.

### EDITOR FARM AND RANCH AND WIFE IN KERRVILLE

Frank A. Briggs, editor of Farm and Ranch of Dallas, was a pleasant caller at The Sun office Tuesday morning. Accompanied by Mrs. Briggs, he drove down from their camp near Junction to meet their niece, Miss Ruth Briggs, who arrived from Dallas by train Tuesday noon.

Mr. Briggs is gathering material at Junction and at this place for a series of articles descriptive of the Hill Country and while in Kerrville secured from J. E. Grinstead a number of pictures of river and road scenes to be used in his magazine.

They will return to Kerrville in the next week or so for additional data regarding this section, and the Hill Country is assured of some good publicity through the medium of Farm and Ranch as a result of their visit.

## SECOND VERSE OF "WE LOSE AGAIN" SUNG BY FREDERICKSBURG SUNDAY

### Athletics Defeat Giants 10-3—Third Stanza May Be Sung in Next Sunday's Contest.

The Kerrville Athletics defeated the Fredericksburg Giants on their home grounds last Sunday by a 10-3 score in a game that was remarkably well played and free from squabbling from the grandstand.

Mueller, on the mound for the Athletics, was in rare form and kept the six hits allowed well scattered. Holmig, pitching for the Giants also went well for several innings and it looked like a tight game until the eighth, when Kerrville got to him for six scores and he was jerked in favor of Collins, who finished the game. The Athletics had scored one man in the fourth inning.

Fredericksburg came back in their half of the eighth and scored one, and followed that by annexing two more in the ninth. They were assisted in the last inning by the umpire, who overlooked the fact that it was a forced play when Gene Barry scooped up a grounder and touched the ball on second base ahead of the runner coming from first. However, umpires are human (or almost so), and a little thing like that could not disturb the serenity of the Kerrville fans when they looked at the scoreboard.

Ed. Karger knocked a home run for the Athletics in the eighth with one man on ahead of him, and Emmett Henke and Choc Saenger each turen in a three-bagger. Emmett also knocked one for two bases, as also did Flory, while McCarty turned in two of the same variety.

In spite of two decisive defeats at the hands of the Athletics this season the hopes of the Fredericksburg fans die hard and negotiations are under way for a return game between the two teams at the park in this city next Sunday. The score:

## KERR COUNTY RANKS AT TOP IN TICK ERADICATION

That Kerr County is ranked at the top of the list in the matter of tick eradication and has done the necessary work so far with a minimum expenditure of money, is attested by the following letter from Jesse Robards, of the United States Department of Agriculture, with offices in San Antonio, who recently was on a tour of inspection of the counties in this district. The letter, addressed to Lee Wallace, County Judge and Chairman of the Board of County Commissioners, reads as follows:

"The work in your county is now nearing completion and I see no reason why all infection should not be located by December 1 of this year. Your county is already above the Federal quarantine line.

"Kerr County is at a disadvantage in so far as exposure from adjoining counties is concerned and I can hardly see how you have made such splendid progress and only spend \$2,000 in the work. In this connection I wish to state that there are few if any counties in Texas that has done the work that Kerr has done with the small amount of money expended. If you have any particular system by which you get these results from such small capital, kindly inform me what it is, for I know of many counties that should adopt it. Tick eradication in a number of counties has cost more than it should but never more than it is worth to the county.

"In conclusion I wish to state that our Department has appreciated your Court's attitude and co-operation and thoroughly endorse your views with reference to finishing the work and stopping expense. I have recently had six counties, Kerr included, added to my district and I can say without fear of contradiction that in none of them have the Courts and people in general responded more heartily than they have in your county. If this co-operation continues there is no reason why Kerr should not be the first county in the district to get the 'last tick' and at the least expenditure of public funds.

"Thanking you for your splendid co-operation in our work, I am, very respectfully,  
"JESSE ROBARDS,  
"Veterinary Inspector."

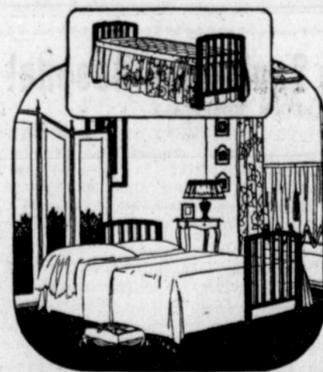

Miss Halle Stribling, who has been the house guest of Miss Mable Thorburn, left Friday for her home in Abilene.

Everybody will want sewer connections at once when the system is completed. Do it now and avoid the rush. (Advertisement, 29tc)

Among those who are spending a delightful vacation at Slim's Camp are Mr. and Mrs. Glenn Brooks, Mr. and Mrs. Otto A. Koehler of San Antonio, Mrs. Daisy Kent and her guest, Mrs. Hahn, of Kingsville.

Mr. and Mrs. John Vanberg left last Friday for Minneapolis, Minn., in response to a telegram stating that the former's father was seriously ill and not expected to live. Mr. Vanberg has been holding down one of the front chairs at the Sanitary Barber Shop for the past year and has a host of friends who join in the hope that his father's illness may not prove fatal.

## NOTICE TO THE PUBLIC SEWER CONNECTIONS

We are in a position to quote a low price on sewer connections if we can continue to put them in wholesale. To do this it is necessary that the people co-operate by signing up at once so that groups of properties may be served at one time.

If we have to come back later to put in special jobs it will cost more and we will be forced to charge more.

## ELDER CONSTRUCTION COMPANY

## Real Economy in Building

Real economy in building lies in the selection of the best materials at the best prices. Buying of second grade materials at a price which appears low is deceptive and accomplishes only a temporary saving. The best materials are best both in appearance and wearing qualities—and long wear is what counts in the end.

Our materials are guaranteed to be the best in every respect, and at prices you can afford. Come to us for advice on materials when you plan your new home.

More Small Bass to Swim Medina

San Antonio Light, July 16: A new supply of small bass will be placed in Medina Lake within the next few days, coming from an unexpected source, announced Bill Furlong of the Highway Department of the Chamber of Commerce. A letter from O. H. Miller told of hundreds of them, one to three inches long, in Verde Creek. The creek is drying up, and the fish will perish if not rescued in the next few days. Mr. Furlong communicated by long distance with W. W. Boyd, Fish, Oyster and Game Commissioner for Texas and secured his permission to have the fish transferred to Medina. A truck with cans of ice to keep the water cool and carrying George L. Root, Medina Lake warden; Stanley Ohaver, assistant, and V. D. Dorrance, government man, will go for the fish, probably Wednesday.

time for the meeting, being delayed below here by auto trouble. However, they passed through later in the evening and expected to catch the main party at Junction.

The party was composed of the following: Gov. Pat. M. Neff and daughter, Miss Hallie Maude; R. M. Hubbard, chairman of the State Highway Commission; D. K. Martin, member of the commission; George D. Armistead, member of the commission; Gibb Gilchrist, State Highway Engineer; A. H. Losh, Federal District Engineer; M. V. Prather, Fort Thomas, Ky.; L. W. Kemp, San Antonio; H. W. Lewis, San Antonio; Dr. Willis H. Lee, National Park Service; D. E. Colp, chairman of the State Park Board; W. F. Hutson, division engineer, Highway Department; W. R. Sinclair, San Antonio. Besides Miss Neff, the ladies of the party were: Mrs. Martin, Mrs. Hubbard, Mrs. Colp, Mrs. Phoebe K. Warner and Miss Janet Files.

### PROMINENT HOUSTONITES AGAIN CAMPING ON RIVER

Mr. and Mrs. Walter R. Jones of Houston, who spent a month in the Hill Country last summer, camping at the Schumacher Crossing below Hunt, arrived in Kerrville last Friday for a more extended stay this season at the same place. Their camp equipment was hauled out Saturday and the Jones' are now holding open camp to their many friends. Miss Courtney Hollins of Nashville, Tenn., niece of Mrs. Jones, will join them next month.

Dr. and Mrs. C. A. Lee of Houston, who enjoyed their vacation at the Schumacher Crossing last year, are also in camp for a longer stay this summer, having arrived last week.

### INGRAM COMMUNITY AGRICULTURAL CLUB

Tuesday afternoon of last week the Community Agricultural Club of Ingram held its regular monthly meeting at the school house and a short program was rendered, after which the girls started their work in sewing, under the direction of Miss McInnis, Home Demonstration Agent.

Next Tuesday, July 22nd, was decided upon as the next meeting date for the Girls' Sewing Club. All girls are invited to bring materials and meet with the Home Demonstration Agent at the school house at 2:30 p. m., also all women interested in organizing a Woman's Club are invited to be present at this meeting.

### FLOUR DEMONSTRATION DREW LARGE CROWD HERE SATURDAY

The Kerrville Milling Company held open house to the citizens of Kerrville and the Hill Country Saturday, the occasion being a demonstration of the flour made by this company.

The demonstration was held in the large wareroom of the mill on South Water Street and each guest was invited to partake of a lunch of hot biscuits and coffee. The biscuits were made from Blue Bonnet Flour, one of the new brands manufactured by this company. Coffee served was Maxwell House; shortening used in the biscuits was Cot-o-Nut, manufactured by the International Refining Company of San Antonio, while the butter served with the biscuits and the cream for the coffee was furnished by the American Creamery of this city.

A steady stream of visitors were entertained throughout the day by those conducting the demonstration. An idea of the number of visitors may be gained from the fact that over 400 biscuits were baked and served during the day.

Mrs. T. V. Lawson, wife of the owner of the mill, was in charge of the biscuit making. She was assisted by Mrs. W. C. Cox of this city, Mr. and Mrs. P. P. Hinderland, representing the International Refining Co. of San Antonio, and Mrs. J. Cable and Mrs. N. H. Pearce of New Orleans.

While only one brand of flour was used in the demonstration, the Kerrville Milling Co. manufacture three brands: Blue Bonnet, the one used in the demonstration, is a pure soft wheat flour; O. S. T. is a blended variety, and Guadalupe Flour is made from hard wheat.

Mr. Lawson received many compliments during the day both on the excellence of the flour and the ability of the cook.

### Notice by Publication in Probate

#### THE STATE OF TEXAS

To the Sheriff or any Constable of Kerr County, Greeting:

You are hereby commanded to cause to be published (in a newspaper of general circulation, which has been published continuously and regularly for a period of not less than one year in your County) at least once a week for ten days previous to the return day hereof, copies of the following notice:

#### THE STATE OF TEXAS

To all Persons Interested in the estate of Narcissa C. Jones, Werner A. Lochte has filed an application in the County Court of Kerr County on the 14th day of JULY, 1924, for the probate of the last Will and Testament of Narcissa C. Jones, deceased.

consisting of her original Will and one Codicil thereto, which said application will be heard by said Court on the 4th day of August, 1924, at the Court House of said County, in Kerrville, Texas, at which time all persons who are interested in said estate are required to appear and answer said application, should they desire to do so.

Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Kerrville, Texas, this 14th day of July, 1924.

(SEAL) JNO. R. LEAVELL, Clerk County Court, Kerr County, Texas. By A. A. HARTMANN, Deputy. (Advertisement, 31-33.)

Mrs. E. Scherbeck of Philadelphia, Penn., arrived Tuesday for an extended visit with her son and daughter, Mr. and Mrs. R. L. Scherbeck, and family. She will later be joined by her son, Victor, after which they will probably locate in this city permanently.
