CHAMBER OF COMMERCE MEETING IS POSTPONED

Membership Meeting to Be Held at
Country Club Monday—Refreshments to Be Served.

The monthly membership meeting of the Chamber of Commerce, scheduled for Friday night at the club house of the Kerrville Country Club, has been postponed by the Board of Directors until next Monday evening, when it will be held at the same place.

The change in dates was felt necessary by the Board owing to the fact that the formal dedication ceremonies of the Gavel Club are to be held Friday afternoon and night, and since the business men and citizens of Kerrville wish to co-operate in every way possible with the hospital and the patients and personnel thereof, it was thought advisable to postpone the meeting of the Chamber of Commerce to some other date to enable all citizens of the city who care to do so to attend the ceremonies at the hospital Friday night.

The meeting Monday night promises to be one of exceptional interest to the membership, for reports of committees covering the work and activity of the Chamber of Commerce for the past summer will be brought up for discussion, as well as a general discussion and outline of contemplated activity of the body for the future.

A large measure of credit is due the officers and members of the Chamber of Commerce for the rapid progress the city has made in the past two years, and it is the intention of these men to get together Monday evening, not to gloat over what has been accomplished in the past, but to report to the parent body the activities of the various committees during the past summer and to make plans for the future.

With the large membership the organization has in Kerrville and the surrounding territory a large crowd should be present Monday night.

DEDICATION OF GAVEL CLUB AT U. S. VETERANS' HOSPITAL

Appropriate Services to Open Home of
Masonic Service Organization at
Legion, at 3:30 in Afternoon.

Tomorrow afternoon at 3:30 o'clock the hopes and dreams of a bunch of patients and personnel at the U. S. Veterans' Hospital at Legion will be realized, for at that time will commence the formal dedication service of the new building of the Gavel Club.

The building, located on a tract adjoining the hospital grounds, is constructed of natural stone taken from the property itself, and is finished in a pleasing and harmonious manner. Furnishings for the building were received the first of the week and everything was in readiness for the opening day.

Nat Washer of San Antonio has been appointed by the Grand Master of the Masonic Order of the State of Texas to conduct the dedication ceremonies. Horace Kelton, Lonnie Irvin and Judge W. S. Fly, all prominent Masons of San Antonio, will assist in the services, as will also Wilbur Keith of Dallas, in charge of Masonic Service work in the State, and who is responsible in a large measure for the erection and furnishing of the building. Through his efforts that lodges and individuals over the State have become interested in financing the project.

Formal part of the dedication ceremonies will begin at 3:30 Friday afternoon and last until 5:30. In addition to addresses by prominent speakers a splendid musical program is being arranged. Moving pictures of the ceremonies will be taken.

At 7 o'clock that night the special part of the ceremonies will be held. In addition to music, speaking and refreshments, a general good time is promised all who attend. Masons and members of the Order of Eastern Star from Kerrville will take prominent parts, both during the afternoon and evening.

According to Masonic law it is impossible for the Gavel Club to become a regular Masonic Lodge and the building is not planned for that purpose. Rather, it is a welfare home and place where members of the order and their families can gather for recreation and pleasure.

It is planned by the ones in charge to beautify the grounds around the club house by planting flowers, constructing rustic seats and swings and playground equipment for the benefit of the ladies and children who come out to visit patients at the hospital and who at present have no place to go. Here the children can play while the mothers visit the fathers in the hospital wards and here the daddy can come for a romp with his boy without danger of the child catching disease.

Besides furnishing a place for entertainments of all sorts the main room of the building will also be used for a reading and general club room by members and in addition the building contains office rooms for the Club and a ladies' rest room.

While the members of the club at Legion have borne the greater part of the work of financing the building

and furnishings of the club house, Masons from all over the State have contributed liberally to same, as well as individuals and firms in Kerrville. Members of the Masonic fraternity at Legion have worked hard for the past nine months on the financing and construction of this building, far harder than any sick men had a right to work, but they were imbued with the idea of brotherly love and it is in this spirit that the new home is being offered and dedicated to the work that lies before it at the hospital.

SCHOOL CHILDREN RECEIVING EXAMINATION BY SPECIALISTS

Ladies of Parent-Teachers' Association Sponsoring Health Survey of
Children in This District.

The health survey now being conducted by doctors from Kerrville, Legion and the Thompson Sanatorium among the children in the Kerrville Schools is one of the most laudable and worth-while undertakings for the general good health of the community that has ever been done.

For the past two weeks medical men have been examining the children in the schools, sometimes working in the daytime and sometimes at night. Included especially in the latter course have been the specialists and doctors from the U. S. Veterans' Hospital at Legion, who, since they could not get away from their regular duties in the daytime, have been coming in and conducting the examinations after night.

A chart is being prepared of each child, with notations thereon of any bodily ailments. The card bears the following information: Name, age, height, weight, family history, personal history (especially history of infectious diseases), general appearance, digestive system (teeth, tongue, mouth, etc.), cardio-vascular system, respiratory system, skin, eyes, ears and throat, genito-urinary system. Each child is being examined by specialists and notations made on the card in each case and, after the entire school has been examined, a second examination of any child found defective in any manner will be had, at which time a more thorough examination of each individual case will be made.

With a population such as Kerrville has, where many families move here for the benefit of the health of some member of the same, there is bound to be some children in the schools that are at least subject to disease, and it is estimated by the doctors that several children have been found who show symptoms of various diseases, none of them, however, to be of a dangerous or infectious degree and all of

HILL COUNTRY TURKEYS USED FOR PROPAGATING

Deputy Game Wardens Shipping Wild
Turkeys Caught on Live Oak
and Y-O Ranches.

Tuesday the first of a number of shipments of wild turkeys went out of Kerrville by express as a part of the game propagating program of State Game Commissioner Boyd. There were 11 young turkeys in the first shipment and they were consigned to C. B. Oliver, Caldwell, Texas.

Between 500 and 1,000 turkeys will be shipped from this section in the next few weeks, according to J. D. Breedlove, Superintendent of State Game Distribution, who has charge of the work. He is assisted by C. M. Workman and J. D. Boyd, Deputy Game Wardens, who travel with him, and J. J. Dent, local Deputy Game Warden.

The first shipment was caught at the Live Oak Ranch, and it is planned by the game wardens to catch the balance needed to fill their orders here and at the Y-O Ranch. Turkeys are unusually plentiful at both places the wardens say.

The shipments are made through the game department. It is understood that any section of the State that is interested in propagating game will be supplied providing application is made in the proper manner and sufficient guarantee of protection is made.

The trappers say that catching the birds is sometimes easy and sometimes just the opposite. A run, where the turkeys usually go every day is fitted up with a long funnel-shaped net and baited with some kind of grain. A wing is extended from the main run and as the turkeys go into the net they fail to turn around and keep going until they are in the wing from which it is impossible for them to escape. At times it is only a few hours until a catch is made while at others it is two or three days. The men state that sometimes the turkeys can be driven several hundred yards toward the nets without mishap, and then sometimes, when they are about to enter the traps, some old turkey will let out a warning cry and the whole flock will take wing.

Mr. Breedlove and party arrived last Friday from Wheller, where they had been engaged in trapping prairie chickens for distribution over the State in the same manner that turkeys are to be distributed.

DELINQUENT C. OF C. MEMBERS ARE TO BE DROPPED FROM LIST

At a meeting of the Board of Directors of the Chamber of Commerce, held last week, a resolution was adopted that the names of all those who joined the organization but had not paid their dues to date would be dropped from the list. The secretary was instructed to send statement of dues to all delinquents with a notation that unless paid by October 5th their membership would be cancelled. Following this action the list of paying members will be published.

FIRST GAME OF SEASON WON BY SCHREINERITES

Local Team Defeats Main Avenue
High of San Antonio Last Saturday by 18-0 Score.

The first football game of the season was won by Schreiner Institute last Saturday, when the local team locked horns with the fast aggregation from Main Avenue High School of San Antonio on Schreiner Field and came out with the long end of the 18-0 score.

While Coach Neely and assistants have only had charge of the squad of players a little less than two weeks, they have accomplished wonders in that short space of time and the game Saturday demonstrated that the Institute team will be one to be reckoned with before the season is over.

Neely apparently was not trying to pile up a big score against Main High, for as soon as the first touchdown was made by Schreiner, he began shifting his men about in order to get a line on all the players under him. At one time he sent in practically an entire new team to take up the burden, although the men in the game were gaining ground with each down at the time.

Owing to the fact that each team had only had a limited amount of practice and also to the heat of the day, ten minute quarters were agreed on before the game commenced. Both teams were about as evenly matched as they could be in weight and individual stars among the players, but Schreiner demonstrated superior team work, a stronger line and got away successfully with several fake plays and a few forward passes that netted good gains.

The entire play in the first quarter was in Main's territory, with Schreiner carrying the ball the greater part of the time. Schreiner made a good gain around end when within 20 yards of a touchdown, but were called back and penalized for offside play. A drop kick failed for Schreiner and the ball went to Main on its 20-yard line. After attempting to advance but losing one yard in three downs, Main kicked to protect its goal.

The ball passed back and forth in the second quarter, until Schreiner made a 15-yard gain on a fake triple pass, following with a line plunge for 19 yards, which placed the ball on Main's 3-yard line. Laughlin carried the ball over for the first touchdown of the game.

The third quarter was even as far as scoring went, but Main was on the defensive constantly and the session ended with the ball on their 27-yard line.

The last quarter was the most exciting of the game, for after Schreiner had lost the ball on a mix-up in signals, Main started out like a whirlwind. With the ball on Main's 19-yard line, Peacock made a beautiful end run for a gain of 21 yards, only to be called back because some of his teammates had been off-side. He attempted again, but was thrown for a 4-yard loss, after which Main punted.

Schreiner fumbled on their 46-yard line, losing the ball. Main made a gain of 21 yards on a forward pass, but lost this advantage when Andrews intercepted the next one and made a 46-yard run for the second touchdown for Schreiner.

The last touchdown was made by McGee after Main had repeatedly lost ground and finally lost the ball on her own 2-yard line.

The entire Schreiner line-up made a good showing but especially was this so in the case of Flory and Laughlin. These two were easily the stars of the game, but there are other men in the Schreiner squad that will push them hard for the season's honors, judging them from the performances Saturday.

One thing that caused wonder in the minds of the spectators was that Gyp Henderson, the husky tackle who was such a consistent and formidable figure on offense and defense last year, was not in the game but wore his blanket throughout the full four quarters. Explanation of this augurs well for discipline for Schreiner, for Gyp was benched by Neely for breaking training just before the game. Coach Neely is to be commended on the stand he took in this matter and a continuance of the practice cannot but improve the standard of sportsmanship of the boys at Schreiner, as well as their actions when they have finished their school days and

have engaged in that bigger game—the game of life.

The Schreiner squad leaves this morning in automobiles for Brownwood, where tomorrow afternoon they tackle the Daniel Baker College team, returning home Saturday. Daniel Baker is reputed to have a strong team this year and the boys are going to have to go some to defeat them.

Line-ups in Saturday's game were:
SCHREINER (18) MAIN (0)
Position
Dibrel Hunt
Tenney Left End W. Holleran
Schulze Left Tackle Cordova
Babb Left Guard Shiner
Greenaway Center Cull
Andrews Right Guard White
Dietert Right Tackle S. Dwyer
Windrow Right End Mayer
McGee Quarterback Merriman
J. Moore Left Half Surtees
Flory (C) Right Half Peacock (C)

Substitutes—Schreiner: Laughlin, Key, Ivey, Wolmueller, Stafford, Jobs, Vaughan, Sheubert, Boyhing, Claude Moore, Edwards, McGee, Chas. Moore, Meadors, Carmichael, Merriman, Whitehead and Schulze. Main Avenue: Holleran, White, Loessburg, Brotze, Marsh, G. Dwyer, Veith, Will and Riley.

Referee: Moses (Southwestern); umpire Remschel (Tivy High); head linesman, McMillan (Austin College).

FALL TERM OF SCOFIELD SCHOOL OPENED WEDNESDAY MORNING

Large Attendance on Opening Day;
Many Improvements Made to
Buildings and Grounds.

The Scofield School opened Wednesday with a large enrollment of both boarding and day pupils, and with prospects of a most successful year for the students from an educational standpoint.

The faculty of the school has been enlarged for this year. Especial attention will be given to Physical Education under the guidance of Miss Margaret Abel, graduate of C. I. A. at Denton, who has devoted much time and study to this subject. Classes will be held during a recess from school hours so that day pupils may have the advantage of this work. Miss Lipscomb of Lockhart will have charge of English and Latin. During the summer vacation the grounds of the school were greatly improved by the clearing away of much low growth, and many improvements have been made in buildings and grounds for the increasing comfort and pleasure of the pupils.

A household of happy girls has entered upon the work of a new year with determination to accomplish much, and the teachers feel as if the coming term will be most successful.

Wilbur Wright of Dallas, in charge of Masonic Service Association for the State of Texas, and W. C. Hatfield of Sherman, member of the committee on Work, Grand Lodge of the State of Texas, arrived in the city Wednesday to be here at the formal dedication of the Gavel Club building at Legion Friday.

FALL CLIP WOOL AND MOHAIR COMING IN TO LOCAL MARKET

Indications Point to Large Crop;
Many Ranchmen Letting Wool
Go Over Until Spring.

One of the busiest places in the city these days is the wool and mohair house of the Schreiner Company, where a large crew of men are busy daily receiving the shipments of wool and mohair coming in by trucks and wagons. Part of the shipments are on consignments and some for sale.

Mohair has been coming heavy for the past week and wool is beginning to move, with indications that the receipts of same will be heavy within a few days. Last fall's clip of the two staples required 55 cars for shipment to market, and this fall it should be equally as heavy or heavier in spite of the fact that many ranchmen are letting the sheep go over to spring, owing to the scarcity of shearers.

The fleece coming in is of a very fine quality and should bring top prices even for Kerrville wool and mohair, which always commands better prices on the Boston market than that grown elsewhere.

MEDINA RANCHMAN DIES FROM BLOOD POISONING

H. L. Carpenter, prominent ranchman residing near Medina, died at the Secor Hospital in this city last Thursday from blood poisoning, after attending physicians had amputated his limb in a vain effort to check the spread of the poison through his system.

The body was taken to Medina and interment made in a cemetery near that place last Thursday afternoon.

THE BANK---

an institution of friendship

There is a bond of friendship which exists between this bank and its depositors, and an earnest desire on our part to do everything within our power to aid every worth-while man and industry, to the end that our community may prosper and our State increase in permanent wealth.

Chas. Schreiner Bank

WOOL AND MOHAIR COMMISSION MERCHANT

Read our message in this week's
Farm and Ranch.

TWO TRAIN LOADS CATTLE WERE SHIPPED THIS WEEK

W. C. Lawhon Shipped 17 Cars Sunday
and Walter Schreiner Sends
Out 11 Today.

Since sheep and goats have come into their own in the Hill Country, and at one time the most profitable industry of the Southwest—that of cattle raising.

However, this industry still is carried on to a large extent in this section of the State, as was attested by the shipping of two special train loads from Kerrville this week.

Sunday a train of 13 cars was loaded at the Kerrville yards for shipment to Hebberville. There were 530 head in the shipment, according to John Massey, County Cattle Inspector. The cattle were from the Brown Ranch out toward Rocksprings and were shipped by the owner, W. C. Lawhon, to Henry Edds at Hebberville. They were mostly cows, with a few calves in the lot.

During the dry weather of the past season the range on which the cattle were pastured was exhausted and they were being shipped to better grazing. This morning another train of cattle is being loaded at the local yards, this time with a better grade of stuff. The train today comprises 11 cars, in which are loaded 285 choice dehorned white face steers, three and four years old.

The cattle were raised by Walter Schreiner on the Y-O Ranch and were sold to McGill Bros. of Alice, to which place they are being shipped for winter pasturage before being placed on the market next spring.

This is about the finest bunch of steers ever shipped from this city, in the opinion of several stock men, who have looked the herd over.

ANGORA GOAT MEN VOTE TO MERGE TWO ASSOCIATIONS

Consolidation Will Mean Much to
Breeding Industry—Headquarters
Will Be Moved to Texas.

Junction, Tex., Sept. 22.—The results of the recent vote by the National Angora Record Association membership on the question of consolidation with the American Angora Goat Breeders Association have just been announced by Jack Turner, secretary of the N. A. R. A., whose headquarters are at this place.

A large majority of the membership of the N. A. R. A. were in favor of consolidation under conditions previously agreed upon by committees appointed by the two record associations. This insures the consolidation of the two associations as the membership of the A. G. B. A. voted favorably on the question several weeks ago.

These are the only two angora record associations in the United States and the consolidation will prove beneficial to the industry as heretofore many breeders have had to keep their goats registered in both associations in order to meet the demands of the public. It will prove beneficial to Texas breeders of registered goats, as

FLORESVILLE HI TO PLAY TIVY ON LOCAL GROUNDS

Coach Moses Has Strong Line-Up for
Game at 3:30—First Clash of
Season for Tivy.

Lovers of football will get a chance to see another local team in action tomorrow afternoon, when Tivy High School takes on the fast aggregation from Floresville High School at 3:30 on the Tivy Field.

Floresville is reputed to be coming with a strong team, having defeated the Beeville team last week. Beeville last year cleaned up on everything in their class.

Coach Moses has been putting his men through grueling practice work in preparation for this game, which he considers one of the strongest games ahead of his warriors of the entire schedule.

With the foundation of letter men from last year's team and the development of the new material available, Tivy will have a team that will be a credit to the school, according to critics who have watched the boys in their workouts. Eight letter men from last year gives Moses an exceptional advantage in building this year's team and the way the new men are showing up it looks like some of last year's men will have to hustle to qualify as first string men this season.

Line-up for Friday's game is not certain, but Moses states that in all probability every man on the squad will get a chance to show his wares.

STAR MAIL SERVICE TO SAN ANTONIO OCTOBER 1

Postmaster Authorized to Employ
Carrier for First Class Mail and
Newspapers Week Days.

Postmaster E. Gold has been authorized to employ temporary carrier for daily mail service between this city and San Antonio in addition to the mail this city is now receiving by train. Authorization is given him to start the new star route October 1st, providing he can secure carrier for same.

Under the order sent Mr. Gold, the route would carry pouch mail, consisting of first class matter and newspapers, leaving Kerrville week days at 9:30 each morning and arriving at San Antonio at 12:30. The return trip will also carry mail to and from Center Point, Comfort and Boerne.

(Continued on Last Page)

POST TOASTIES MACAROONS

(Contributed by Mrs. Leonard Rawson)

- Beaten whites of 3 eggs.
- 1 cup Sugar.
- 1 box Dry Cocoanut.
- 4 cups Post Toasties.
- 4 drops Flavoring.
- 1 cup Nut Meats.

METHOD—Add the sugar to the egg whites, then mix in Post Toasties and cocoanut, add flavor and then the chopped nut meats.

Bake on a greased sheet pan in a hot oven until light brown.

THE WEEK IN SOCIETY

Missionary Society Entertained

Tuesday afternoon Mrs. A. Schofner and Mrs. W. G. Ward entertained the Methodist Missionary Society at the former's lovely home. Mrs. H. C. Geddie was in charge of the program, which was along the line of social service work. The topics were on the conditions of the women and children in the mill districts. The situations at our State Universities in regard to our girls and the Methodist dormitories. Law enforcement, especially of the Eighteenth Amendment, and women's opportunity to assist in making better conditions by learning to use their franchise. Sketches from our study book, "Save America."

Music was interspersed throughout the program. Mrs. Rex Holt delighted her hearers with "Sonnet" and "O Sole Mio," also playing the accompaniment for the hymns. Miss Marion Starkey and Miss Ann Warrell also favored us with charming selections.

A contest was then engaged in, Miss Sissy Grider winning the prize, a lovely bud vase, and Mrs. F. A. White the booby, a bottle of cologne. Delicious refreshments were served to about 35 guests. REPORTER.

Mrs. Pampell Entertains

Chief among the social activities of last week were the three parties given by Mrs. Milton Pampell in her lovely home at 416 Main Street.

Tuesday afternoon she entertained with seven tables of Bridge for the younger set. Giant zinnias in rose and gold and regina corona were used advantageously in the decorative motif.

Mrs. Wm. M. Wheelson won first prize; Miss Lila Godwin second, and Miss Kate Conger cut consolation.

A delightful two-course luncheon was served at the close of the games.

Wednesday afternoon Mrs. Pampell entertained at Bridge for the matrons, eight tables responding to the invitations. Decorations for this party were the same as on the preceding day.

Mrs. Wm. Green received first prize; Mrs. A. C. Schreiner Jr., second and Mrs. E. Yarbrough consolation.

A luncheon of two courses was served.

Friday afternoon Mrs. Pampell entertained at tea, about 30 guests being present.

The living room was beautifully decorated with yellow zinnias and white crepe myrtle. The dining room was beautiful with its pink zinnias and roses, with green and lavender candles on the table.

Miss Reba Burnett presided at the punch bowl. A salad course was served.

PISTOL IS STOLEN FROM AUTO POCKET

San Antonio Light, September 24: Not wise to the ways of city thieves, Bailey Henderson of Kerrville, parked his automobile in the 200 Block of Soledad Street Tuesday night and left his pistol in a side pocket.

When he returned a few minutes later the pistol was gone. The theft was reported to police.

Mountain Sun Ads Get Results

Courts Cited Against "Ma"

Austin, Tex., Sept. 23.—Plaintiffs in the injunction suit to keep the name of Mrs. Miriam A. Ferguson off the November ballot might just as well plead that R. B. Creager, Texas National Republican Committeeman, or Charles A. Boynton of Waco would be the Governor, if Dr. George Butte were elected as to plead that James E. Ferguson would be Governor if Mrs. Ferguson were elected, Judge Ocie Speer of Fort Worth argued Wednesday morning in the ouster suit brought by Charles M. Dickson of San Antonio.

The plea of lack of experience in statesmanship would be just as applicable to Dr. Butte as to Mrs. Ferguson, he said. Attorneys on both sides argued all during the morning and they will not be through before night, if then.

The morning session in Judge Calhoun's court was spent in citing authorities and opinions applicable to the present suit to keep a woman from holding office. Mrs. Ferguson sat in the court room and listened to the arguments with keen interest. With her was Mrs. George Nalle of Austin, her daughter.

Mr. Dickson argued in his own behalf Wednesday morning, citing an appeal from a St. Louis district court. A woman had sued the registering officer to compel him to register her as a voter. The officer had refused because of sex. The high court held that the right to vote was not an inalienable or natural right, but one given by law, and that the law had excluded women from voting, solely on the ground of sex. This was before the passage of the woman suffrage amendment, but it was cited to show that sex had been a bar to voting and that the disqualification had been relinquished only to the extent of permitting women to vote.

L. C. Sutton, defense attorney, contended that the Federal amendment giving negroes the right to vote also gave them the right to hold office, as the courts have decided, and that a similar privilege followed for women, for the language is the same in both amendments, he said.

Attorneys for the plaintiff argued that the Senate proceedings of impeachment barred Mrs. Ferguson from holding office. If she were elected, it was argued, her husband, by virtue of his community rights with his wife would be entitled to half of her salary and the right to live in the mansion, and that he had been disbarred from receiving remuneration from the State.

W. G. Love of Houston, Beman Strong of Houston, John H. Bickett of San Antonio and J. C. Wall of the Attorney General's Department also argued for the defendant.

Judge I. W. Stevens of Fort Worth is expected to close for the plaintiff.

The Kerrville Greenhouses

KUHLMANN'S

Cut Flowers, Plants and Funeral Designs.

KIMBLE COUNTY FAIR PLANS ARE COMPLETE

Junction, Tex., Sept. 22.—Final arrangements were made here today by the local Kimble County Fair Executive Committee for the two-day agricultural and live stock exhibit to be held at Junction September 23 and 24.

This is the third annual fair for this county and the farmers and ranchmen are taking much interest in its success. In fact the ranchmen and farmers are putting it on, and practically all members of committees live in the country.

The Chamber of Commerce has just had built a large camp house in the tourist park that will be used for farm exhibits and afterwards will be used for the benefit of the tourists stopping here. This is the second building provided in this park by the local Chamber of Commerce. The park is located on the banks of the Llano River, many accommodations are provided for the tourists and during the summer just passed several thousand visitors have availed themselves of the camping place.

This country is in the center of the sheep and goat raising section of Texas and many breeders make a specialty of raising registered sheep and goats. At the conclusion of the fair there will be a sale of registered cattle, sheep and goats.

Real Estate Transfers

J. W. Burney and wife to E. Galbraith, lot 395, block 53, Schreiner Addition to Kerrville; \$1,850.

MY PASTURES Camp Meigs Creek are posted. Trespassers will be prosecuted and no questions asked. Mrs. Ola B. Gammon. 36-1fc

TRESPASS NOTICE—I will prosecute any one hunting with dogs or gun in the Reservoir Pasture north of town. CHARLES SCHREINER.

TURTLE CREEK CHIT-CHAT

Joe Boudreaux has returned from a week's visit to Beaumont.

Bruce Broussard was visiting in our neighborhood Sunday night.

Mrs. Ras Landry has gone for a visit to home folks at Beaumont.

Mr. and Mrs. Arthur Real have returned from a month's tour of the East.

Mrs. Felix Real has her mother, Mrs. Oscar Rosenthal, from Houston, visiting her.

Our school is progressing nicely, under the management of Miss Dorothy Stubblefield.

Mrs. A. K. McDowell, who has been sick with influenza, is better at the present writing.

Mr. and Mrs. B. F. Denton were pleasant callers at the Lamb Ranch Sunday afternoon.

Mr. and Mrs. Stubblefield were pleasant callers at the Henry Barton ranch last Tuesday.

Mr. and Mrs. Billie Skinner were out at W. H. Fleming's place, dove shooting last Sunday.

Mr. and Mrs. William Brice were Sunday afternoon visitors at the Harry Williams ranch.

Mrs. Frank Acree and Mrs. Fuller of the Acree Ranch were shopping in Kerrville last Wednesday.

Mrs. Henry Barton and children, Clara Belle and Jack, were shopping in the County Seat last Saturday.

Mrs. James Spicer and children, Jimmie Jr. and Robert, and Miss Dorothy McDowell visited Mr. and Mrs. J. A. Spicer Sr. Tuesday evening.

Mrs. Vic Stevens and children of Camp Verde are spending a few days here with her parents, and also placing her little son, Denton, in our school.

Mrs. Allan Adair and children, Percy and Jack, of Paris, Kentucky, after visiting her sisters, Mrs. Hy. Barton and Mrs. Will Ridgway, for ten days, have gone back to Center Point to spend a few weeks with her mother, Mrs. A. J. Gibbens.

This morning weather makes us get out our old sweaters and shake out the dust and moth balls, and they feel mighty comfy until near noon. Jack frost will be here early if it keeps this up, but we are glad to see him, after the hot summer days.

Miss Nellie Strohacker has returned from a six weeks' tour of California, Washington, Oregon, and the National Parks. She went with her uncle and family from Comfort and the trip was made by auto. Nellie says she saw lots of beautiful scenery, but Texas is the best place to live.

Mr. and Mrs. Henry Barton and children; Mr. and Mrs. William McBryde and children of Center Point; and Mrs. Allan Adair and children visited the Kerr County Bass Hatchery last Sunday and ate lunch out there. On arriving they found C. E. Salter, Gordon Deaver and Chester Henke working like real men, enlarging the upper pool. This is indeed a beautiful place, and every public-spirited person should look on it with pride, as well as do all in their power to protect and beautify it.

365 Days Out of the Kitchen

The woman who uses a Perfection oil range enjoys all the freedom of a woman who cooks with gas.

She has found in the Perfection, as quick, as clean, as powerful cooking heat as the gas stove gives.

She endures no needless drudgery over blackened pots and pans, for there is no soot in Perfection's intense heat.

She works in a clean and comfortable kitchen, for this modern oil range does not smoke or smell.

There are more than four and a half million of these women today—each one happy that Perfection's year 'round dependability has shown her the way to banish the old fashioned coal or wood stove.

Mrs. J. S. Colley has returned from a trip to Denton with her little niece, and has taken up her duties as primary teacher in the Scofield School.

Children enjoy cookies when they return from school. We bake them fresh every day. All varieties. Kerrville Bakery. (Advertisement, 41)

Miss Helen Hoskins of Gonzales returned to the Scofield School Tuesday, accompanied by her father, L. W. Hoskins, who went back the same day.

Miss Mary Davis returned to the Scofield School from her home in Mexico. Miss Davis was very active last year in Junior Red Cross work here.

Orders taken for cakes, pies, candy, fried chicken, etc. Gifts of all kinds at the Tea Room and Gift Shop, 936 Main Street, Phone 440. (Advertisement, 41pd)

Misses Thelma and Hazel Randle of Arizona, entered the Scofield School, after a visit of some weeks with their grandparents, Mr. and Mrs. Randle, on Water Street.

Mrs. E. H. Leinweber and two children were in from the Divide Tuesday for the purpose of entering one of the young ladies in Scofield School for the present term.

E. E. West, County and City Traffic Officer, returned Saturday from San Antonio, where he had been the previous week on account of illness. Mr. West announces that he has purchased a new Indian motorcycle, which he will put in service as soon as it arrives, in place of the machine now in use.

R. J. Archer, Federal Supervising Sheep Inspector of the Kerrville District, returned Wednesday from a month's trip in South Texas. In the course of his rounds Mr. Archer visited Sabin, Uvalde, Stockdale, Victoria, Inez, Port Lavaca, Port O'Connor, Matagorda Island, Seadrift, Fannin, Gold and Beeville. He reports two good rains in that section of the State recently and everything looking fine.

L. L. Patterson of Dallas is visiting in Kerrville for a few days.

Dr. and Mrs. L. C. Gatz and Mrs. Wheelus were San Antonio visitors Tuesday.

A marriage license was issued September 20th to L. J. Gregory and Neva Williams.

Miss Lucille McCoy left Monday for Denton to enter C. I. A. for the coming term.

Frank Coleman Jr. of San Antonio, spent the week end with Mr. and Mrs. W. C. Coleman.

Earl Stafford left Sunday for Austin, where he will take a special course in a business college.

Only the best materials used in the making of all products of the Kerrville Bakery. (Advertisement, 41)

Miss Fern Dietert of El Paso, who has been visiting her aunt, Mrs. H. Weiss, has entered the Scofield School.

Pictures on the wall makes a house a home. Have them framed at THE WHEELUS COMPANY. (Advertisement, 21-tfc)

Randolph Wheelus left Sunday for Austin, where he resumes his studies at the State University. He was up there last week taking in rush week.

Rubber Roads

Fort Worth Star-Telegram: A contributor to the India Rubber world, published in New York, suggests that the time is at hand or soon to come when scrapped automobile tires will find a ready market and be converted into material for the construction of rubber roads. The idea is interesting if for no other reason because it raises the hope that the American landscape of the future will not be so cluttered as that of today with discarded tires, more or less frayed and ugly. However, there is real substance in the idea.

Rubber roads are not a novelty in England. We are told that in the courtyard of the St. Pancras station in London there is a rubber pavement that was laid in 1870 and is still serving its mission. In the half-century

it has been worn away to a depth of less than a quarter of an inch.

Rubber roads are expensive as to first cost, but it is said they wear much longer than wood block—so much longer that they are less expensive in the long run. For all kinds of travel, they are virtually noiseless, and are not slippery for either horses or motor vehicles. An experiment with rubber pavement in Boston is being observed with great interest. Rubber squares, so placed as to be severely taxed with traffic, form a part of the roadway of the draw of one of the principal bridges of that city. The traffic averages 1,000 vehicles an hour each way. The present Boston municipal budget includes an item of \$100,000 for rubber streets.

The perfect road has not been found in respect of either smoothgoing or endurance. If rubber roads prove to be ideal roads and within economic reach they will not lack the opportunity to prove themselves here. In this prospect there is especial point to the efforts of Americans to establish a new source of rubber supply in our tropical possessions.

CATHOLIC CHURCH NOTES

By Father Kemper

CONSTITUTION DAY

One of the greatest political documents in history is the Constitution of our glorious democracy. The 137th anniversary of the framing of this American Magna Charta was commemorated last Friday at Notre Dame Institute. Happily it was also the feast-day of the senior Sister, and therefore an event of double significance at the convent.

Three days previously the Guadalupe School was closed to permit the Mexicans to have a big "Dies y Seis" party. For them it was the 11th anniversary of their National Independence. The major part of the patriotic festivities took place at Stonewall under direction of our helpful Mrs. Delfina Torres and her talented daughters.

Enrique Castillo, graduate of the Guadalupe School, was stricken with acute appendicitis on Mexico's "Fourth of July," and had to undergo an operation immediately at Secor's Hospital.

Miss Gladys Rinke, who has been in training at Secor's Hospital for a couple of years, left for Shreveport, La., to nurse her invalid father. Her place is substituted by Miss Violet Harding, a student of Santa Rosa Infirmary.

Birthday Parties

There was a double birthday party in the early part of last week. One of the lucky persons was Miss Minnie Sontag at the home of Mrs. Ida Kirkpatrick. The other fortunate celebrant was Walter C. Minton, whose reception was in charge of Dr. L. C. Gatz. Mr. Minton and many of his intimate friends began the day by approaching the Eucharistic Table.

At Bluebell Farm, another gathering was making merry in honor of Henry Ahr and his relative, Miss Martha Ahr.

Mrs. Walter Grona presented her first born at the baptismal font last Sunday. The youngster was christened Thomas James Max.

Tomorrow a requiem mass will be read in the Convent Chapel for the deceased father of one of the Sisters.

The "Dollar Day" held in St. Mary's Church last Sabbath met with a splendid initial response. In fact the outcome was so satisfactory that this method of financing extraordinary bills will probably be employed instead of the troublesome preparations of parish bazaars, or Hallowe'en Carnivals, where the labors among the doers and talkers are not always properly divided.

Personals

Anthony Rahe, organist at the Galveston Cathedral, spent a short vacation with his family in Comfort.

Alfred E. Blakeslee, son of Judge Blakeslee of Austin, was admitted into the U. S. Veterans' Hospital.

Tony Bessan was elected Commander of the D. A. V. Post at Legion.

Miss Isabelle Pierdolla, of Legion, had for her guest Miss Rose Winkler of Carpenter, Texas.

Mr. and Mrs. Rudolph Staudt enjoyed a week end visit from their daughters, Mrs. Henry Brandes of Youkum, and Mrs. Max Vogt of Boerne.

The following Houstonians were with us last week: Mrs. Catherine Davidson and daughter, Jessie; E. A. Farrell and R. J. Fitzgerald.

This Man Was Not a Failure

Marshal News: We heard a man say the other day that life had been a hard struggle for him and that now in his old age—he is about 65—he recognized he was a failure. And yet he and his wife have raised a family of nine and these five boys and four girls are out in life fighting its battles and every one of them good citizens. All of them have married and are raising other boys and girls who will do the same thing their parents and grand parents have done before them—live decent, Godly lives, never, possibly, rising to fame or wealth, but all the

EPISCOPAL CHURCH NOTES

By Member

The Ladies of the Episcopal Church always take a leading part in every good work for the betterment of our town and citizenship. Mrs. Rothrock, Mrs. McClellan and Mrs. Platte were the committee of the Mothers Club, who took full charge of the arrangements necessary for the physical examination of the school children. They surely have been most efficient and faithful in completing their work, and they and the many ladies who helped them, as well as the physicians who made the examinations, deserve the thanks of the whole community.

Sunday last at 11 a. m. Rev. Henry Remsen held service and preached a most excellent sermon on the text "Jacob Have I Loved, But Esau Have I Hated." Esau, the favorite of his father, frank, open-hearted and impetuous would, with most of us, be the more popular of the two. Jacob, the favorite of his mother, suspicious, close-handed and deceitful is certainly not an attractive character at first sight. What was the difference? Esau did not value the gifts that were his, did not look to the future, lived for the present moment, sold his birthright for a meal; while Jacob looked on to the future and when he obtained the birthright stayed with it tenaciously, had a supreme faith in God's promises and after many trials and tribulations, which helped to purify his character, obtained the reward of God's blessing and Israel.

Let us remember that the Christian has a birthright of untold value to be passed on to their children, which we should guard and protect, and do all in our power to make and keep our Nation Christian not only in name, but in deed and in truth.

George D. HAY WORLD'S GREATEST ANNOUNCER

New York, Sept. 22.—George D. Hay, former Memphis newspaper man, was awarded the title of "the world's greatest radio announcer" here, after winning the world-wide radio announcer's popularity contest, staged by the Radio Digest. He will be awarded a gold loving cup next Saturday evening at Madison Square Garden.

Hay was formerly of Station WMC of Memphis. He is at present an announcer for the Chicago Herald-Examiner-Sears Roebuck broadcasting station at Chicago.

same they are the foundations of the government.

The man who said his life was a failure should take an invoice of his accomplishments, and when he does he will find that the sending out of nine men and women into the world, with the right viewpoint of life, will make the credit side of the ledger pretty hard to overcome.

WILSON'S BODY TO REMAIN IN CATHEDRAL AT ST. ALBANS

Washington, D. C., Sept. 22.—Indications that the National Episcopal Cathedral at St. Albans here will remain the permanent resting place for Woodrow Wilson's body are seen in plans of the Cathedral foundation, which call for a more magnificent shrine than the crypt under Bethlehem Chapel, where the body now lies.

Although the Cathedral is not expected to be completed for about five years, it is understood that plans have been drawn to place the proposed shrine in the main part of the building. Mrs. Wilson recently had measurements taken in the Chapel for a more appropriate memorial tablet than the plain stone block, which simply bears the name of Woodrow Wilson and the dates of birth and death.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous For Kerrville People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Pills, which are so strongly recommended right here in Kerrville.

Miss Adele Michon, Tivy Street, Kerrville, says: "I keep Doan's Pills on hand whenever I have any signs of kidney complaint they are sure to give me relief. My kidneys were weak and I had attacks of backache when I felt so tired and worn I could scarcely do my work. Headaches annoyed me and my kidneys acted irregularly. Doan's Pills from the Rock Pharmacy quickly stopped the backaches and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Miss Michon had. Foster-Milburn Co., Mfrs. Buffalo, N. Y. (Advertisement.)

VALLEY FARMER RAISES

130 BALES ON 125 ACRES

Brownsville, Tex., Sept. 22.—Fred Ruesteberg will probably be awarded the distinction this year of being the most successful cotton grower in Texas. Mr. Ruesteberg has picked 130 full bales from 125 acres and expects to add at least four bales to the total. The acreage upon which he raised this large crop was planted to potatoes last January, and after giving the "spuds" their last cultivation he planted cotton between the rows. The potato crop averaged 1500 bushels to the acre.

It is estimated that the tract has already netted Mr. Ruesteberg over \$300 per acre this season, and as soon as the cotton stalks are cleared off it will be plowed up for a fall or winter crop.

Blinding Headaches

"For about twenty years," says Mr. P. A. Walker, a well-known citizen of Newburg, Ky., "one of our family remedies has been Black-Draught, the old reliable. . . I use it for colds, biliousness, sour stomach and indigestion. I was subject to headaches when my liver would get out of order. I would have blinding headaches and couldn't stoop about my work, just couldn't go. I used

Theford's

BLACK-DRAUGHT

and it relieved me. About eight years ago my wife got down with liver and stomach trouble. . . We tried all week to help her, . . . but she didn't get any better. One day I said to the doctor, 'I believe I will try Black-Draught, it helps my liver.' He said that I might try it and to follow directions. She was nauseated and couldn't eat or rest. . . She began taking Black-Draught and in two days she was greatly improved and in a week she was up. . . Try Black-Draught. It costs only one cent a dose. Sold everywhere. E-99

CHRISTIAN CHURCH NOTES

By Member

Our Sunday School is still growing in numbers, as well as interest.

Our regular superintendent was with us last Sunday, after an absence of two weeks and we were very glad to have him back again. Mrs. Walker taught the Bible Class last Sunday and created intense interest, for she is a very capable lady and we hope she will consent to help us again.

The young people have more than doubled their attendance in the past two months, and we are very proud of our bright boys and girls. The little fellows, too, are still showing a great interest, which we hope will continue.

Our prayer meeting was a real success last week, even if it was raining. The topic discussed was "Why I Wear the Name Christian" and many were the good talks made. Also our Ladies Aid meetings are growing in interest. We welcome each and every lady to co-operate with us.

Remember preaching the third Sunday in October. Sunday School every Sunday at 10 a. m.; prayer meeting, Wednesday at 8 p. m.; Ladies Aid meeting Tuesday, 3:30 p. m. Welcome one and all.

FIRST BAPTIST CHURCH

Sunbeams

The Sunbeams had a large attendance last Sunday, and every one is interested in the work. We have a sand table for the very smallest Sunbeams and with our equipment, which we expect to have by Sunday we hope to make it very interesting for the little folks. We have a fine teacher for them, Mrs. L. A. Bond.

The Sunbeams last Sunday brought a shower of face towels to be sent to the Baptist Hospital at Houston, and which will be used in the children's ward.

After our class work was over, the children were served with ice cold lemonade and cakes. We had a number of new Sunbeams last Sunday and we gave them a hearty welcome. We

hope to welcome other new Sunbeams each Sunday. We meet each Sunday afternoon at 2 o'clock.

Fakes Are Defeated

Temple, Tex., Sept. 23.—Temple business saved \$75,000 last year by heeding warnings issued by the Retail Merchants' Association against fake and questionable advertising schemes. This claim is made in a bulletin just issued to the membership. The association has an advertising committee that must first approve the general run of advertising propositions before its members will consider them. All of the \$75,000 except a small amount paid for printing would have been taken out of Temple, it is said.

The bulletin advises the membership to stick to newspaper advertising as the only kind worth while.

TRAFFIC ORDINANCE

Be it ordained by the City Council of the City of Kerrville:

Section 1.

Rule 1. That fire engines and fire apparatus, in all cases while being operated as such, shall have the right of way on all public streets.

Rule 2. On the approach of any fire apparatus, pedestrians shall immediately betake themselves to the sidewalk and all drivers of vehicles shall immediately draw up such vehicles as near as possible to the right hand curb and bring them to a stop, and remain standing until such apparatus has passed.

Rule 3. No driver of any automobile or other vehicle shall race with, pass or attempt to pass, or cross the street within one block in front of any fire apparatus while it is being operated as such upon any public street.

Rule 4. It shall be unlawful to park any vehicle in front of or within ten feet of a fire plug or fire station.

Section 2—Definitions

In construing this ordinance the following terms shall be used in the

WRIGLEYS
after every meal

Cleanses mouth and teeth and aids digestion. Relieves that over-eaten feeling and acid mouth. Its 1-a-s-t-i-n-g flavor satisfies the craving for sweets. Wrigley's is double value in the benefit and pleasure it provides.

Sealed in its Parity Package.

The Real Balloon Tire Discovery—Supertwist

You're probably thinking about buying Balloon tires.

As you know, Balloon tires are much larger than ordinary tires and run at lower air pressure. They smooth out bumps, save your car and its occupants. But to be practical, a Balloon tire must stand up and give good mileage under the constant flexing and bending to which it is subjected.

The durability of Goodyear Balloon Tires is assured by a new invention—Supertwist Cord. Supertwist is an extra durable cord fabric developed by Goodyear especially for Balloon tires. Its superiority lies in its greater elasticity. Supertwist will stretch farther than ordinary cord before it breaks. Hence it protects Goodyear Balloon Tires against stone bruise and rupture.

We have Goodyear Supertwist Cord Balloons for the new small diameter wheels or to fit the wheels now on your car, without change.

1869 "THE HOUSE OF QUALITY" 1924

"Adding Machine to Cow Pony" or "The Romance of Joe Boudreaux's Ranch"

Beaumont Daily Journal, September 24: Charles Ledwidge, of Charles Ledwidge & Company, Mrs. Ledwidge their daughter, Helen Dorothy, returned to Beaumont from West Texas, where they were guests for two weeks of J. O. Boudreaux Jr., former business associate of Mr. Ledwidge, on his 3,000-acre ranch near Kerrville.

Mr. Boudreaux was associated with Mr. Ledwidge while he was agent here for the Borroughs Adding Machine Company.

Mr. Ledwidge was a realtor when he left Beaumont and a tenderfoot when he arrived at the ranch. Now, he says, he is a combination of Tom Mix and Will Rogers, being able to ride a cow pony in Mix fashion, and best Will several strokes an hour when it comes to gum chewing.

His one regret was that a movie director or Mr. Ziegfeld, or both, weren't on hand one bright afternoon when his horse, "Dynamite," blew up, so to speak, and did a Brodie from the banks of one of the three grand canyons on the Boudreaux estate.

Does a "Tom Mix"

Mr. Ledwidge and Dynamite parted company on the second somersault. Mix couldn't have done the trick more gracefully, according to Mr. Ledwidge. One minute he was on the horse, the next on the ground. It was while traveling through the air, waiting to land, that Mr. Ledwidge says he believes he made his best gum chewing record, although, strangely enough there was no gum in his mouth and a peculiar lump in his throat when he got up to dust West Texas terra firma from that part of him which had greeted the ground.

The country in which Joe Boudreaux's 3,000 acres are located is in the heart of a veritable paradise, according to Mr. Ledwidge. This one ranch has seven mountains on it.

"And there are many Beaumonters out in that country," said Mr. Ledwidge. "Ras Landry Jr., formerly of Beaumont, has the ranch next door to Boudreaux. Mrs. John Leckie's ranch is about 10 miles away. There are a lot of Beaumonters visiting our there either for pleasure or health and the country is great for both."

The picture of Mr. Ledwidge painted of the daily life of the dude rancher intrigued the imagination.

"Our day began about daylight," he said. "We got up with the sun. Taking our guns we would step out on the back porch and shoot a couple of dozen doves for breakfast. Those that didn't like doves would journey down to the spring and kill themselves a few squirrel. Breakfast consisted of squirrel and doves and bacon and eggs and potatoes and biscuits.

"After eating about 25 biscuits with just butter, I would take the last ten with syrup. Everything is on a big scale out there, including appetites.

"Then, having prepared ourselves for the day's work we would go out into the truck patch and shoe the deer out of the place. Really, it was hard to keep them from underfoot."

Couldn't City Slick Bass

The rest of the day was occupied with shearing the 500 goats on the place, plucking tomatoes for market, hunting or fishing for beautiful black bass in the clear cool mountain streams. Those bass, although born in the country, certainly weren't to be taken in by any city slickers, according to Mr. Ledwidge, although now and then he managed to sell them a fly on the end of a line.

In the evening ranchers from miles around would gather at one of the ranch houses, bringing with them their "hired hands," and make merry. Far into the night the ranchers would sing, furnishing the coyotes out in the prairie some stiff competition.

"Oh, it was a great country and a great life," asserted Mr. Ledwidge. "Joe had five horses named Dixie, Dynamite, Sparkplug, Airplane and Gunpowder. Playful things and appropriately named, every one of them.

Mr. Ledwidge drove out via the southern route, passing through San Antonio. His first big adventure came when he neared the ranch. Wild turkeys blocked the road and he got out and caught a couple bare-handed, the flock having got into traffic jam, trying to get through the closely strung barbed wire fence at the roadside.

Wears Cowboy Garb

Arriving at the ranch he discarded his "city clothes" for boots, chaps and sombrero. His host being some several inches taller than he, Mr. Ledwidge had several inches of chaps to spare. He discovered why cowboys wear the heavy clothes they do when he went out into the dense underbrush to assist in rounding up goats on "Circle M" ranch, as Mr. Boudreaux's domain is known.

Each night, according to Mr. Ledwidge, the ranchers would, as before

intimated, gather at one or another of the ranches. Six nights in the week there was no particular choice. They didn't care at whose house the party was held. But the seventh night, which was Saturday night, always found them at the Boudreaux place. It boasted the only bathtub in the neighborhood, having that priceless furnishing in addition to running water and the like.

Mr. Ledwidge returned by the northern route, passing through Austin and other Central Texas towns.

NOTICE OF SALE OF REAL ESTATE UNDER ORDER OF SALE, AS UNDER EXECUTION.

State of Texas, County of Kerr. In the District Court of Kerr County, Texas.

L. A. Schreiner, Plaintiff, vs. James W. Hedenberg, and J. S. Wynn, Defendants.

Notice is hereby given that by virtue of a certain order of sale issued out of the District Court of Kerr County, Texas, on a judgment rendered in said Court on the 8th day of August, 1924, in favor of the said L. A. Schreiner, and against the said James W. Hedenberg and J. S. Wynn in cause No. 1183, on the docket of said Court, and to me directed, I, J. T. Moore, as Sheriff of Kerr County, Texas, did on the 8th day of September, 1924, at 3:10 o'clock p. m. levy upon the following described real estate, situated in the County of Kerr, State of Texas, and belonging to the said James W. Hedenberg, to-wit:

1st: 320 acres of land known as Survey No. 1223 1/2, Scrip 491, original grantee, H. E. & W. T. Ry. Co., patented to Charles Schreiner by Patent No. 58, Vol. — of date August 4, 1880.

2nd: 160 acres of land known as Survey No. 5, patented to Fred Klein by Patent No. 612, Vol. 1, of date February 1, 1882, recorded in Book J, page 74, Deed Records of Kerr County, Texas.

3rd: 320 acres of school land known as the S. 1/2 of Survey No. 1232, Certificate No. 511, original grantee, T. T. Ry. Co.

4th: 320 acres of school land known as the E. 1/2 of Survey No. 1220, Certificate No. 0-532, original grantee, T. W. N. G. Ry. Co.

5th: 320 acres of school land known as the N. 1/2 of Survey No. 2, Certificate No. 232, original grantee, H. E. & O. B. Ry. Co.

An undivided twenty-nine thirtieths (29-30) fee simple interest in and to the following described eight tracts of land:

6th: Sur. 1217; Certificate 35-166; original grantee, Heirs of F. Schneider; 606 acres.

7th: Sur. 1219; Certificate 0-532; original grantee, T. W. N. G. Ry. Co.; 640 acres.

8th: Sur. 1231; Certificate 511; original grantee, T. T. Ry. Co.; 640 acres.

9th: Sur. 1229; Certificate 531; original grantee, T. T. Ry. Co.; 640 acres.

10th: Sur. 1223; Certificate 41; original grantee, Pedro Gano; 640 acres.

11th: 577 3-10 acres out of Survey No. 1221, Certificate No. 0-535, original grantee, T. W. N. G. Ry. Co., being all of said Survey, which originally contained 640 acres, less 62 7-10 acres thereof conveyed by M. M. Crider to Arthur Real, September 7, 1900, as shown by deed recorded in book U, page 165, of Kerr County Deed Records.

12th: 405 acres out of Survey No. 1225, Certificate No. 494, original grantee, H. E. & W. T. Ry. Co., bounded as follows: Beginning at a stone md., the S. W. corner of Survey No. 1223, Pedro Gano, for S. E. cor. of this survey; Thence North 1900 vrs. to a stone md., the N. W. cor. of said Survey No. 1223, and the N. E. cor. of this Survey; Thence West 1200 vrs. to a stone md. the N. E. cor.

of sub-division of this survey owned by C. P. Secrest; Thence South 1900 vrs. to a stone md. the N. E. cor. of Survey No. 1, H. E. & O. B. Ry. Co.; Thence E. 1200 vrs. to the place of beginning.

13th: 10 acres out of Survey No. 1227, Certificate No. 509, original grantee, T. T. Ry. Co., bounded as follows: Beginning at the N. E. cor. of Survey No. 1227; Thence S. 626 vrs. to cor. in N. line of Survey 1225, H. E. & W. T. Ry. Co.; Thence West 56 vrs. a corner of sub-division owned by C. P. Secrest; Thence North 626 vrs. to corner in the N. line of this survey; Thence E. 56 vrs. to the place of beginning.

Said parcels or tracts numbered 1, 2, 6, 7, 8, 9, 10, 11, 12 and 13 above being identically the same lands conveyed by M. M. Crider and wife, and D. D. Crider and wife to S. H. Huntington by deed of date April 26, 1907, and recorded in Book 28, pages 138-142, of the Deed Records of Kerr County and said parcels or tracts of school lands numbered 3, 4, and 5 above being identically the same lands conveyed by said S. H. Huntington to Mrs. Agnes E. Shelley by deed of date June 12, 1918, recorded in Book 34, page 571, of the Deed Records of Kerr County, and all of said lands aggregating 5,460 acres, being known as the old S. H. Huntington Ranch, situated about 12 miles S. W. of Kerrville. And on the 7th day of October, 1924, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M., on said day, at the Court House door of said County of Kerr, I will offer for sale and sell at public auction for cash to the highest bidder all the right, title and interest of the said James W. Hedenberg, in and to said property.

Dated at Kerrville, Texas, this 8th day of September, A. D. 1924.

J. T. MOORE, Sheriff of Kerr County, Texas.

(Advertisement, 39-42)

Notice to Banks and Bankers

To any bank, banker or banking corporation in and for the city of Kerrville, Kerr County, Texas:

Notice is hereby given that the City Commissioners will meet to receive bids for the depositary of the city funds for the ensuing year on the 25th day of September, 1924.

E. H. TURNER, City Clerk.

(Advertisement, 40-41)

BIG PANTHER KILLED NEAR DINERO ON NEUCES

Beeville Bee, September 18: What is said to be one of the largest panthers seen in this vicinity was killed on the Neuces, about eight miles northwest of Dinero Tuesday morning about 2 o'clock. The cat measured about seven feet from the tip of his tail, over his back, to the tip of his nose, and weighed 110 pounds, after having been bled.

The panther was killed by Joe Lee, who in company with Clifton Shipp and Guy Barclay, had gone cat hunting along the river. The dogs picked up a trail not more than about six hundred yards from where the men were standing, and from the way they started baying at once, the men are of the opinion that they not only picked up a trail, but sighted their quarry. The hunters thought the dogs had jumped a cat and stayed hot on the trail of the dogs. After a chase of about twenty minutes, the dogs treed the cat. Arriving at the tree the dogs were watching, Guy Barclay started up to shake the cat out, and got within about two feet of the panther before discovering what it was. At this point the hunters are undecided as to the methods used by Mr. Barclay in getting out of the tree, but all are agreed that he got out in quite a hurry.

As soon as Barclay was out of the way Lee shot the panther in the head with a load of buck shot. He was brought to town and was on display at the Commercial National Bank corner Tuesday morning.

During the Nineteenth Century the population of the world grew from 640,000,000 to 1,600,000,000. It is increasing at the rate of 20,000,000 a year during this century.

ADVOCATES MORE EFFICIENT AND ECONOMICAL PUBLIC SERVICE

George B. Terrell Thanks Voters and Urges Consolidation of Agricultural Work.

I am deeply grateful to the Democrats of Texas for the splendid vote given me in the recent primary election. I have waited this long to express my appreciation of the confidence imposed in me, in order to get the official vote. This vote given out by the Democratic Executive Committee shows my majority to be 82,990, which is a splendid endorsement of my official record.

My campaign was placed upon a high plane at the start, and kept that way. I made but one issue, and that was the CONSOLIDATION OF THE AGRICULTURAL WORK now being done by appointive boards and commissions, with the elective Department of Agriculture. Every consideration of justice, economy and common sense demands that this should be done. It is sound in theory and practical and economical in operation.

My opponent opposed these consolidations in the Legislature and did not advocate them in his platform or before the people, while I advocated them in my announcement and in every public declaration I made, so the issue was clearly drawn.

If the State is to maintain a Department of Agriculture, it is absolutely necessary, in the interest of economy and efficiency, to place this work with the Department of Agriculture, where it naturally and logically belongs and where it is being administered in all the leading agricultural States. A great deal of my time and the time of my assistants is taken up in answering letters and telegrams about different phases of agricultural work that we do not handle, and we have to send the inquiries to the proper persons. The people really expect this work to be done by the Agricultural Department, and write there for the information.

No man of educational standing or administrative ability dares to defend the present method of having this work administered by a half dozen independent boards and commissions, with the resultant overlapping and duplication of service, producing inefficiency and preventing economy.

No private business could succeed with half dozen heads all trying to run the business in opposite directions, and the State will lose money as long as she follows the present wasteful system.

The National Association of Commissioners of Agriculture and the Association of Land Grant Colleges in

their National meetings agreed that all agricultural work, requiring the administration of laws and carrying police powers, should be done by the State Departments of Agriculture, and the work designated by them to be done by the Commissioners of Agriculture is as follows:

- (1) Live stock sanitation, quarantines and control of outbreaks of diseases.
- (2) Plant disease regulation, Orchard and Nursery Inspection.
- (3) Dairy and Food Control.
- (4) Seed Inspection.
- (5) Feed and Fertilizer Inspection.
- (6) Conservation of Natural Resources.
- (7) Agricultural Statistics.
- (8) Markets.

The State Investigating Committee of 1917 spent three months investigating every department and institution in the State, and that committee recommended that the agricultural work now being done by appointive boards and commissions be transferred to the Department of Agriculture.

Practically all the candidates for Governor in the recent campaign, and in previous campaigns have declared in favor of these consolidations and many candidates for Senator and Representative in the Legislature have declared in favor of consolidating the work, but when they get to Austin some of them change their minds because of the persistent lobbying by persons, on the payroll of the State, who are afraid that they will lose their jobs if these consolidations are made. These lobbyists well know that if this work were under one directing head, that it would not require so many administrative officers, or so many traveling advisers.

My experience in making appropriations for the various departments and in administering the Department of Agriculture convinces me that a great saving can be made by combining this work, and placing it under a man who uses common sense and practices economy in every official act.

The Department of Agriculture has been administered the past two years for \$66,000.00 a year less than it cost the two years before my administration began and the efficiency of the service has not been impaired.

I can administer the live stock work at a saving of \$100,000.00 a year as compared with what it is now costing, and I can administer the Warehouse and Marketing Department for \$30,000.00 a year less than it is now costing, and a similar saving could be made by the transfer of the other agricultural work to the Department of Agriculture. I will ask the Legislature to cut these amounts from the next appropriation bill, if the consolidations are made. I will also guarantee to protect the live stock interests as well as they are now being protected.

The Commissioner of Markets and Warehouses in his last annual report advocates consolidating this work by

placing the following divisions under one head:

- "The Markets and Warehouse Department."
- "The Department of Agriculture."
- "The Live Stock Sanitary Commission."
- "The Feed and Fertilizer Control Work."
- "The Administration of the Foul Brood Control."

The only difference between his plan and my plan is that he wants to put this work all under another appointive board (of which we now have a surplus) and take away from the people the right to elect and control their Commissioner of Agriculture, while I want to place the work under the elective Commissioner of Agriculture and preserve the control of this important office to the people, and abolish as many appointive boards as possible. Let the people answer which is the sounder policy.

Is there any sound reason why the Commissioner of Agriculture could not appoint as capable men to do this work as any board can appoint? The only reason for keeping this work under separate heads is to keep more people on the payroll.

In my announcement for re-election to the office of Commissioner of Agriculture this year I closed with the following statement:

"I want a mandate from the people instructing the next Governor and the

Legislature to consolidate this work with the Department of Agriculture and stop this overlapping, duplication and waste of money, and I am staking my candidacy upon that issue and am willing to abide by the verdict of the people at the polls."

The verdict has been rendered by the people, giving me an overwhelming majority, and I know that they favor these consolidations and I appeal to the press and the people to see that what they have advocated and approved at the ballot box is carried out.

It will not increase my salary one cent, but will put more executive duties upon me I am willing to bear them, when I am convinced that the cost of the service can be reduced, and the efficiency not impaired.

It is time to stop listening to lobbyists and stop voting to keep personal or political friends on the payroll. Let us abolish these surplus appointive boards and commissions and place the agricultural work with the elective Department of Agriculture and cut out all unnecessary duplication and overhead expenses and give the people what they have voted for—more efficient and economical public service.

Respectfully,
GEO. B. TERRELL.

The Economy of the Best

The economy of using the best possible materials is made apparent in the upkeep problem. A house or business building may be "thrown together" with cheap material and it may "look all right," but after it's stood the shock of weather, the real test comes.

Long ago we learned that it is false economy to use poor materials and we so advise everyone who buys of us. Our success is due to honesty in materials and prices.

INGRAM ITEMS

Miss Novela Schumacher of Hunt, was the week end guest of Miss Eula Zumwalt.

Mr. and Mrs. Emil Crider and babies were business visitors to Kerrville Tuesday.

Miss Elsa May Smith returned Sunday from a week's visit at Morris Ranch, on the Divide.

B. C. Wachter of the Divide was a business visitor to Kerrville Tuesday, stopping here en route.

Mr. and Mrs. Jim Crider and children of Hunt were dinner guests last Sunday of Mrs. Mary Beaver, on Indian Creek.

Mr. and Mrs. John Colbath were dinner guests Sunday of Mr. and Mrs. Webb, on Johnson Creek.

Charles Crider of Live Oak motored to Kerrville Monday on business, stopping here on his return trip.

Mrs. J. K. Elkins of Houston, who has been at Camp Guadalupe for the past two weeks, left Wednesday for her home.

Miss Mildred Saucier, our school m'am, was the week end guest of her parents, Mr. and Mrs. Francis, at Kerrville.

Mrs. Shesfield is the guest of Mrs. Wylie Evans, while her sister, Mrs. Yarbrough, returned to Palestine for a few days.

The Hunt School closed Wednesday, on account of measles, however, we only have one case and are stopping as a precaution.

Mr. and Mrs. Estil Young and daughter, Miss Margery Ruth, of the Divide, and Mrs. Chas. Wesch were Ingram visitors Sunday.

New arrivals at Riverside Inn are: D. A. Bertrand, Sugarland; Mr. and Mrs. David Horrell, Austin; A. Carwell, Ellis; and Mr. and Mrs. C. T. Barron, Dallas.

Mrs. Bud Page of Austin, who was visiting her mother, Mrs. Masters, was called home Friday to the sick bed of her husband. We hope to hear he is well again soon.

Mr. and Mrs. Harvey Bird of the South Fork community were shopping here Monday, en route home from Kerrville, where Mrs. Bird's little brother had undergone an operation.

Mr. and Mrs. Vanham and son, Thomas, of the Divide were visitors here Friday. They were en route home from San Marcos, where they had gone to put William in the San Marcos Academy.

Zumwalt & Sublett are wrecking their old garage building and building foundation for a concrete drive-in filling station. We are glad to see this improvement, and hope other Ingramites will get busy.

Mrs. Peters has as her guests this week Mrs. Tom Ragland and Mr. and Mrs. Sam Ragland of Banquete. Mrs. Peters is a sister of Mrs. Ragland and is here to put her daughter, Lois, in Seafield School.

Mr. and Mrs. Fred Gann, who have been spending their summer vacation at Riverside Inn and in this beautiful Hill Country, are leaving Thursday

for their home in Houston. We hope to have them with us again soon.

Mr. Edwards and daughters of San Antonio are enjoying their vacation at Pleasure Hill.

Mrs. Claud Reagan and children of Waring were week end guests of the former's mother, Mrs. J. J. Denton.

MOUNTAIN HOME ECHOES

Edgar Oehler has been shearing for Tom Duderstadt this week.

Willie Page and family will move to the Oehler property, near here this week.

The first norther of the season is a cool one and has lasted longer than usual.

James and Henry Priour of the Divide stopped at Mountain Home Tuesday, en route to Kerrville with a load of mohair.

There was a good crowd out to Sunday School Sunday. Quite a number had perfect records. Come and help keep up the averages.

Sam Ragland, who has been visiting Mrs. Susan Ragland, went to Kerrville, where he is visiting Mrs. Ragland's daughter, Mrs. Jim Thompson, and family.

Mr. and Mrs. Bratton, Mr. Poole and Mr. Goodwin were pleasant callers at Mountain Home Monday night. They were driving in Mr. Goodwin's new Buick.

Miss Fawcett of Johnson City arrived Sunday for a few weeks' visit with her sisters, Mrs. A. A. Duderstadt and Mrs. Ernest Duderstadt, and families.

Mrs. Susan Ragland and Miss Didia have as their guests Mrs. Ragland's brother, C. C. Wright, and wife, Mrs. Sallie Waller and Mr. McNab, all of Corpus Christi.

There will be a club rally at the Sunset School House Friday night. The girls will give demonstrations in making jelly, canning, etc., and the boys' club will give demonstrations in judging. Miss McInnis, Home Demonstration Agent, invites all who are interested in the work to be present.

Mr. and Mrs. Elmer Sockwell of Angleton, who have been camping on Uncle Fred Duderstadt's place this summer, received a telegram from home that Mr. Sockwell's mother had passed away Monday afternoon at a hospital in Houston. We sympathize with them in their deep sorrow, in the loss of a mother.

Man Defeats Horse in Six-Day Race

London, Sept. 22.—In a six-day race at the Crystal Palace, C. W. Hart, marathon runner, beat a horse named Saucy Lassie by seven miles. The man finished in splendid condition, but the horse appeared very tired.

Hart took it easy on the last day. He had a lead of 19 miles, but allowed the horse to gain 12 miles during the day.

The horse finally abandoned the race two hours before the scheduled end. Hart traveled 345 miles 860 yards in the six days.

RED HOLE ITEMS

M. O. Bierschwale was a Harper visitor last Friday.

P. E. Bernhardt is on the sick list this week and we hope for a speedy recovery.

All Kott motored down to Wolf Creek last Friday afternoon, after seed wheat.

Alfred Kaiser sold his stock farm last week to Mr. Itts; consideration not given out.

Those shopping in Kerrville last Saturday evening were: G. C. Duderstadt and daughter, Elna; Mr. and Mrs. R. G. Bierschwale and Mr. and Mrs. W. A. Fairchild.

Wm. Feller of Fredericksburg was in this community buying fat cattle the past week.

G. C. Duderstadt is having erected two new windmills over the wells recently drilled for him.

Miss Martha Barker of Blanco is spending the week with her niece, Mrs. R. G. Bierschwale.

T. P. Harlen of Harper bought from Jim and Robert Peril 100 fine nanny goats the past week.

Mr. and Mrs. J. M. Page, Mr. and Mrs. W. L. Page and children visited Mr. and Mrs. A. C. Trotter on the Secor ranch on the South Fork from Saturday evening until Monday.

The Reservation Canning and Sewing Club girls met at their regular meeting last with Mrs. G. C. Duderstadt last Wednesday, Miss McInnis acting as leader. They completed the apron and caps and made some jelly and canned some peaches. We understand the entire afternoon was spent in a most profitable way. Those present, who belong to the Club were: Misses Delia and Ella Goff, Elna and Lois Duderstadt. We hope that in the near future all the girls in this community will line up in this interesting

work and help to shoulder the burden and push the good work along.

A. Leyendecker motored to Kerrville last Thursday with a load of mohair for J. A. and R. O. Peril. J. A. and H. M. Green and J. W. Hunt returned from a prospecting trip, down about Utopia last Sunday afternoon.

Mr. and Mrs. R. G. Bierschwale spent a very pleasant day with M. V. Johnson and family on Klein Branch last Sunday.

E. H. Kinsing is improving his pretty ranch home by the addition of a new kitchen and a large gallery to his dwelling.

J. A. and R. O. Peril sold and delivered to Kerrville last Monday, two hundred large mutton goats, where they were shipped out to Mexico.

Henry Scherr of San Antonio, accompanied by his mother and two little nieces from Fredericksburg, spent last Saturday night and Sunday with Mr. and Mrs. E. H. Kinsing and family.

Baby Has 13 Fingers and 12 Toes

Lubbock Avalanche: M. C. Overton, M. D., of Lubbock Sanitarium, stated that on Wednesday of this week an infant, whose parents live near Abernathy, was brought to him for examination. The baby, which is one month old, has six toes on each foot, and on its left hand it has six fingers and on the right, seven.

This very unusual specimen is perhaps not equalled by another in the country, in that all the fingers and toes are normal, and will if continued development along these normal lines, be as efficient and natural as they would be if in the usual form.

This is the first case of this kind to be brought to the hospital where all the unusual features are normal.

No efforts to remove any of the extra fingers or toes will be made as this is deemed unnecessary.

The Perfect Flour

For Biscuits or for Pastry BLUE BONNET Flour will give best results.

For Light Bread use O. S. T.—It is a blended product of the choicest wheat grown, so mixed as to produce the utmost in flavor and utility. Order from your grocer.

KERRVILLE MILLING COMPANY

Notice to Water Consumers

Beginning October 1st the position of collector of water rents for the Kerrville Water Works will be discontinued and all users of city water are requested to pay their water bills, either in person or by mail, at the office of the Water Works.

Temporary headquarters will be located at 818 Water Street, Phone No. 103.

All requests for water service, notices of vacated premises, complaints, etc., should be presented at this office.

Meters will be installed at all connections, taking streets in alphabetical order, and meter rates will become effective on the first of the month following installation. Meter statements will be mailed promptly and all bills will be payable on the 15th of the current month, after which date all unpaid accounts are subject to having water turned off without further notice.

Your co-operation in effecting these changes will be appreciated.

KERRVILLE WATER WORKS

NOTICE TO SHEEPMEN

I am in Kerrville with a carload of the best Ohio Delaine Bucks. These Bucks are from the best flocks in Ohio and include sheep from my own and other's breeding, that a great many men in Texas know. I have with me some Polled Rams from the Masrets flock. Am located at Saenger Camp Yard.

SCHOOL CHILDREN RECEIVING EXAMINATION BY SPECIALISTS

(Continued From First Page)

which can be cured by simple treatments properly administered.

In addition cases have been discovered where the child is badly in need of surgical attention, being afflicted with tonsillitis, adenoids and the like, which, while not necessarily dangerous, are injurious to the general health and will retard the physical and mental development of the child.

When the survey is completed it is planned to make a full report on each child, which will be sent to the parent. In this way parents will be advised of any defect in their children and can then have same attended to by a specialist or by their family physician.

The school board and teachers are co-operating in every way with the ladies and doctors who are conducting the examinations. Also a majority of parents are doing all within their power to help the good work.

Also the ladies are trying to devise means whereby they can secure the services of a public health nurse to work among the children not only of the Kerrville schools, but also of every school in the county.

This is one of the most worthy and laudable works ever undertaken and The Sun wishes to compliment the Parent-Teachers who have promoted same, the doctors and specialists who are giving so much of their valuable time gratis, and the school board and teachers who are co-operating in the work, as well as urging all parents to assist in every way they can.

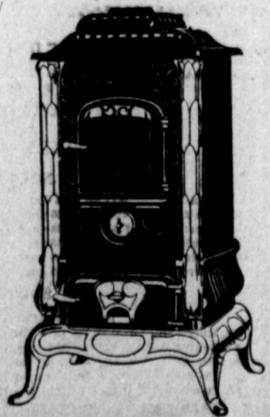

Notice to Republicans

State Republican headquarters has issued a call for campaign funds. Every Republican in this county is requested to contribute to this fund.

Send your check to W. H. Bonnell, County Chairman, as soon as possible. Prospects are good for a Republican victory this fall. One dollar from each Republican will make this quota.

THE PASSING DAY

Will H. Mayes, Department of Journalism, Texas University

The Texas schools are all reporting largely increased attendance, which is an indication that there is a growing interest in education and also that the people of the State as a whole are reasonably prosperous.

Poverty, though, will not keep the determined and ambitious young people from securing an education, although it does greatly increase the difficulties. The records of most Texas schools show that a large per cent of the boys and girls are working to pay their way through college.

The interest being shown in community and county fairs in Texas just now is remarkable. From the newspaper reports it appears that all of them are largely attended and the exhibits of live stock and products are well worth seeing.

Persons of culture and refinement are cultured and refined wherever they may be and are courteous to every one. It is impossible to have one nature among friends and another among strangers.

Got the Result

Mr. Charles Moore, 2415 Eakin St., Dallas, well-known Texas citizen, says Karnak, the sensational new medicine, has freed him of two years of acute suffering from stomach trouble.

strangers. It is because their friends know them and the strangers do not. Many are nice to those upon whom they wish to create a good impression, but apparently indifferent to those who are closest to them.

There have been more automobile tourists in Texas the past summer than ever before. Most of them have been Texans who have been getting acquainted with their State, but many from other States have been seeing Texas very intimately.

The Senior Class of Tivy High School met Friday morning of last week for the purpose of selecting officers. Twenty-eight members were present and the following officers were elected: Otis Hatch, president;

The Freshman Class met Friday afternoon and elected the following officers: Le Roy Brandon, president; Dean Wilson, vice president;

Ceylon is nearly the size of Ireland. It is a separate entity, possessing its own constitution, legislative council, and governor. The total of its merchandise trade for 1923 will be upward of \$20,000,000.

NOTICE!

Apartment Owners - Boarding - Rent House Owners

Because of the needless amount of writing, necessary to direct strangers in becoming located, I will have lists of houses—both furnished and unfurnished—apartments, and boarding houses, printed to give out to strangers and house hunters generally.

AMY WALLACE, Secretary Chamber of Commerce.

HOW ABOUT YOUR WINTER CLOTHES

Better get them out and look them over—send us those that need cleaning and pressing, as no doubt all of them do.

You will be delighted with the results we are able to produce, even on some that you are considering discarding.
