CHAMBER OF COMMERCE TO MEET NEXT TUESDAY NIGHT

Homer D. Wade to Be Speaker of Evening at Membership Meeting at Country Club.

Next Tuesday night the monthly membership meeting of the Kerrville Chamber of Commerce will be held at the Country Club House, with Homer D. Wade of Fort Worth, as the honor guest and principal speaker of the evening.

Mr. Wade, who is assistant manager of the West Texas Chamber of Commerce, is a man of broad vision and vast experience in constructive chamber of commerce work and those who meet and hear him will be afforded a rare treat.

Coming as it does just after the district meeting of the West Texas Chamber of Commerce at Fredericksburg next Monday, the meeting Tuesday night should be full of pep and new ideas, as a large delegation of local members are planning on attending the district meet.

Two of the most important matters of local interest to come before the meeting are the street paving projects and the report of the committee appointed at the last meeting to investigate the telephone proposition and report their findings at this time.

FATAL GUN ACCIDENT NEAR CITY LAST SUNDAY MORNING

Wm. A. Rodey Accidentally Kills Self When Shotgun Discharges as He Was Getting Into Car.

About 10:30 last Sunday morning Wm. A. Rodey, 31, lost his life as the result of the accidental discharge of a shotgun on the Bandera Road about three miles below this city.

Mr. Rodey and W. A. Neyland were out hunting doves when the accident occurred. Noticing a large flock of doves in the trees along the river, they had just gotten out of the Ford and went down into the brush a few yards from the car to see if they could get a shot at them. The birds flew over into a field on their approach and Mr. Rodey remarked to Neyland that he would go back and move the car out of the road and they would wait until the doves came back.

Rodey returned to the car and Neyland soon heard a shot from that direction. Thinking Rodey had taken a shot at a dove he paid no attention to it, not even turning around, although he was within 50 feet of the car, with a screen of brush between. Neyland even took a shot at a dove himself, one flying out of the trees as a result of the first gunshot. After listening in vain for a few moments for any noise from his companion, Neyland stepped from behind the brush and called to him. Rodey was sitting in the car beneath the steering wheel, as if ready to drive the machine. As he did not answer the call, Neyland started toward the machine. Getting closer he saw the gun, a 12-gauge Winchester, lying partly through the open door of the car, and hurrying forward he found his companion dead, shot through the head.

Apparently from the way the gun was lying and the position of the body, Rodey had gotten into the car and attempted to pull the gun in, muzzle first. The body of the dead man was sitting upright with the right hand outstretched toward the muzzle of the gun, which had apparently dropped when discharged by the hammer coming in contact with the edge of the car body. The entire load of bird shot had entered Rodey's right cheek.

Mr. Neyland went to a nearby farm house and summoned help. Dr. J. E. McDonald answered the call, as did Sheriff Moore and Deputy West. However, they could do nothing as Mr. Rodey apparently had died instantly.

Mr. Rodey, who had been working in the laundry at Legion, accompanied by his wife and 5-year-old son, had stopped at the Neyland camp on the Bandera Road early that morning and leaving his family at the camp, Mr. Rodey and Mrs. Neyland started out to hunt birds. It was only about a mile from the Neyland camp where the accident occurred.

Mr. Rodey's mother, who lives at Lincoln, Neb., was notified of the death of her son, and immediately left for this place, arriving Wednesday morning.

Funeral services for the deceased, who was a former service man, will be held this morning at 10 o'clock, services and interment both being at the Veterans' Cemetery near Legion. Full military honors will be conferred upon the deceased by his former comrades at Legion and in this city.

Mr. Rodey had only been at Legion about three months, coming here from Kansas City, after doctors there had pronounced him cured of tuberculosis of the bone. As a result of this disease he was left a cripple, but in spite of this handicap he secured work at the Legion laundry in an effort to support himself and family. His wife's father, Alex Moore, is also employed at Legion.

In spite of his infirmities the deceased was a man of cheerful disposition and well liked by all his ac-

quaintances. In fact he was especially cheerful the morning of the accident, according to Mr. Neyland.

The Sun joins in expressions of sympathy to the relatives and friends of the dead man, and wishes also to take this opportunity to warn its readers about the danger of firearms when improperly or carelessly handled.

ANOTHER OLD TIME HILL COUNTRY PIONEER PASSES TO GREAT BEYOND

Mrs. Margaret L. Vann Died at Home of Daughter in Yoakum at Close of Thanksgiving Reunion.

At the home of her daughter in Yoakum, surrounded by all her sons and daughters and only living sister, Mrs. Margaret L. Vann died at 4 o'clock last Thursday afternoon, heart trouble being the immediate cause of death.

The aged lady had been in poor health for a long time and realizing that the end was near, she had insisted on a family reunion. As a climax to the reunion Grandma herself went home, passing away peacefully and quietly, just as she had lived throughout her 85 years on earth.

Thus closed the earthly chapter of the life of one who was an early pioneer of the Hill Country, and one who was known and loved by all the old time citizens of this section of the State.

Mrs. Amy Wallace of this city had visited the old lady several days the previous week and found her cheerful and happy, despite the fact that she realized that her days were numbered. Mrs. Wallace had planned on visiting her grandmother after the Thanksgiving football game at Austin, but the old lady had insisted on the visit before. She must have had a premonition that the end was near.

Margaret L. Bishop was born in Missouri December 22, 1839, and came to Texas with her parents when she was only nine years old. The family settled near La Grange, in Fayette County, where she grew to womanhood and was married April 21, 1858, to W. W. Vann.

At the close of the Civil War the young couple moved to Kerr County, settling on Turtle Creek, and resided here until 1904, when they retired from active farm life and moved to Austin.

Both Mr. and Mrs. Vann were well known to all the early pioneer citizens of the Hill Country, being both of them active in church and religious work of all kinds.

After Mr. Vann's death in 1906, Mrs. Vann made her home with her daughter, Mrs. Ernest McElroy, in

(Continued on Last Page)

FIRST RAIN OF TWO MONTHS IN HILL COUNTRY MONDAY NIGHT

Precipitation of 51 Points Recorded; General Conditions in County Are Good in Spite of Drought.

Beginning early Monday night and continuing until Tuesday morning the first general rain of the last two months fell in this section of the State. While rain gauges only recorded 51 points, the precipitation came down so slowly that the moisture all soaked into the ground.

Indications are that the rain will shortly be followed by more, as the weather has been cloudy ever since, and a fine mist was falling Wednesday morning.

This is the first general rain of any consequence in this section since September. Records kept at the Chas. Schreiner Bank show precipitations as follows: Sept. 3, .90; 12, .78; 13, 2.12; 15, .51; 17, .11; Oct. 16, .14; 21, .29; Nov. 7, .08.

Winter pasturage is mighty short this fall, owing to the scarcity of rainfall. Usually the ranges are in good condition this time of the year, with sufficient vegetation to carry the sheep and goats through the winter, but this winter it will be necessary for many stockmen to feed their flocks to carry them through.

In spite of the prospects of being compelled to carry the stock through the winter on dry feed, conditions generally over the country are bright. All crops brought good prices the past season, wool and mohair being the largest money maker.

The truck growers, poultry raisers and dairymen have all had prosperous seasons and are facing the winter with confidence. The poultry and dairy men are compelled to feed their poultry and dairy stock each winter anyway, so they will not be as hard hit by the shortage of pasturage as the regular ranchers.

Business conditions over the Hill Country have been better this fall than for many years. Several Kerrville firms report their fall business the largest they have ever enjoyed. One firm makes the assertion that their business during October was three times as large as it was during the same month last year.

Some sections of the State report rains as large as two inches Monday night and Tuesday. San Antonio received 1.74 up to noon Tuesday. Rainfall was more or less general in all parts of the State except in the extreme north and east sections.

Ballinger received two inches and other stations reporting were: Marble

Falls, .10; Abilene, 1.10; Taylor, none; Brownsville, .86; Corpus Christi, .01; Sabinal, 1.90.

This is the first rain of consequence in two months and the cattle ranges were exceedingly dry. Water holes had dried up and small grain was being delayed in planting, as farmers in many cases were unable to plow. Grass on the ranges was drying and stockmen were facing prospects of feeding and hauling water.

The beginning of the rain in San Antonio was featured by an electrical storm to the west and southwest, coming rather late for this season of the year.

Cotton picking is well out of the way and little damage was done in this respect. Truck farmers were greatly benefited.

YOUNG MAN LOSTS LIFE IN AUTO WRECK SUNDAY

Loren Copple Killed When Car in Which He Was Riding Turns Over West of City.

Loren Oscar Copple was killed and Miss Ruby Lee Yett injured when the car in which they were riding turned over on the Highway near the Methodist Encampment grounds about 2 o'clock Sunday afternoon.

The entire top of the young man's head was crushed, presumably by the body of the car. He was immediately rushed to the hospital in this city, but life had left the body before he could be taken into the building.

The young lady, who was reported to have been driving the car, was not seriously hurt, and was able to return home with her parents Monday evening.

The young couple were driving toward this city, when their car struck some loose gravel near the culvert just west of the Encampment grounds. Tracks made by the car showed that when their car struck this gravel on the right side of the road, the car had been swerved by the driver to the left, where it had encountered the loose gravel again, and that it then fell over toward the right, falling practically in the center of the roadway. Mr. Copple apparently had fallen clear of the car, which when it turned over, in turn fell on him, the edge of the front seat hitting him on the head.

The young lady was not even thrown from the car, presumably because of the fact that she was holding to the steering wheel, and after the car was righted, she was lifted unconscious therefrom.

Spectators of the accident differ in opinion as to the speed at which the car was traveling when the accident occurred.

Owing to the heavy traffic on the Highway it was only a matter of a few seconds until enough people were present to lift the car from the fallen man, and he was placed in a truck belonging to Terrell Hill and rushed to the hospital in this city in the hope that surgical skill might save his life. The young lady was also placed in a car and rushed to the hospital, but revived on the way in and after a brief medical examination by the doctors refused to remain there longer and was taken to the home of Mrs. M. E. Floyd in this city.

Mr. Copple was the son of Mr. and Mrs. V. O. Copple of Eldorado, and has three brothers who reside on a ranch above Hunt. He had been visiting these brothers and had planned on returning to his home at Eldorado the first of the week. The young lady is the daughter of Mr. and Mrs. Will Yett, who also live above Hunt.

The young man was only 20 years and eight months of age, was a student for the ministry, the Baptist Church. In fact he delivered the fourth sermon of his ministerial career at the Grape Creek School House Sunday morning.

It seems that the young couple left the Yett home to come to Ingram after some kodak films. Not finding the desired films at Ingram they started on to Kerrville to procure them here. Their kodak was in the car with them and did not even fall out when the car turned over.

The parents of the dead boy were immediately notified and arrived in this city early Monday morning, and the body was taken to Harper, where funeral services were held that afternoon, interment being made in the cemetery at that place.

The car that turned over, a 1925 model Ford, was not damaged a particle outside of the windshield and top. It was brought to this city under its own power and the next way was used in hauling the casket of the dead boy to Harper.

The young man has a host of friends in the Hill Country who mourn over his untimely death.

THANKSGIVING SERVICES WELL ATTENDED THURSDAY EVENING

Five Ministers of City Occupy Rostrom—Rev. Wheat Delivered Sermon—Offering for Charities.

At the Presbyterian Church last Thursday evening the Protestant Churches of the city united in a Thanksgiving service, every Protestant church in the city being represented in the large congregation and

every minister in the city participating in the service.

Following a song by the choir, Rev. C. E. Wheat of the Methodist Church read the scripture lesson. Rev. P. E. Hawkins of the Christian Church led in prayer.

After another selection by the choir, Reverend Wheat delivered the Thanksgiving sermon. Benediction was pronounced by Rev. F. W. Jones of the Episcopal Church.

An offering was taken, which was turned over to the Associated Charities.

AGRICULTURAL CLUB AT SUNSET LAST FRIDAY

Last Friday the Sunset Community Agricultural Club held their regular meeting at the Sunset School House, under the direction of J. C. Yeary and Miss Zetha McInnis, County Farm Agent and County Home Demonstration Agent. Seventeen boys and girls were present.

W. H. Darrow of College Station, District Agent, and C. L. Chambers of Washington, D. C., were guests of the club. Mr. Chambers, who is National Club Agent, favored the meeting with an address on "Possibilities of Club Work." His talk was very much appreciated by the boys and girls in attendance.

THE SUN WILL HAVE TWO LARGE CHRISTMAS ISSUES THIS YEAR

Holiday Magazine Section for Next Week, Followed by Annual Christmas Issue December 18th.

The Kerrville Mountain Sun this year will give its readers two Christmas issues, the first appearing next week, when a special Holiday number of the Magazine Section will be published. The following week, December 18th, the regular annual Christmas issue of thirty-two or more pages will be offered. Work on this last number is now in progress and from all indications it will be the largest and best Holiday issue The Sun has ever attempted.

Some of the best writers in Texas have contributed to the columns of the Special Christmas Magazine Section, and The Sun's readers will find much to interest and entertain them in its pages next week.

Austin Callan tells of an early day antelope hunt in West Texas, in which he took part.

Another writer tells how the good folks of East Texas celebrated Christmas back in 1876.

David J. Morris, who lives in South Texas, has a good story on how the foreigners in his part of the State celebrate Christmas.

Many other interesting stories will be in the Magazine Section—stories by the women folks, the men folks, the boys and the girls.

Following are the contents of the Christmas Magazine Issue:

"Christmas in the Open."—An old-time antelope hunt in West Texas a week before Christmas. By Austin Callan.

"Christmas in the Piney Woods."—Peach Tree Village (East Texas) and its first Christmas Tree.

"Christmas Reflections."—By J. H. Lowry. (Mr. Lowry writes tenderly of Mary, the Mother of Christ, and her long and painful journey to Bethlehem, where the Savior was born).

"Getting the Christmas Spirit."—When the Yuletide of Christmas joy sweeps into your heart.

"A Review of the Passing Year."—A review of the progress of Texas during 1924. By W. N. Beard.

"The Ready-Made Christmas."—A dear old grandmother has her own way, and shows the beauty of a "Home-Made Christmas" over that of a "Ready-Made Christmas."

"And As Ye Give."—The angels gave the gift of peace and good-will almost two thousand years ago. Cannot we do the same thing in 1924?

"Christmas Tree Decoration."—Pretty ways to decorate a Christmas Tree at the last minute.

"Housewifely Christmas Gifts."—For the woman who is swift and skillful with the needle there are many ways she can surprise friends with pretty gifts that can be made at home.

"Boys and Girls' Page."—Aunt Mary wishes all her Boy and Girl friends a Merry Christmas and says to tell them that she has written a good story that they must read.

"Woman's Page."—Mrs. Margaret Stute has worked faithfully to get up an interesting Christmas page for the women folks. It will be profitable for the women readers to turn to this page and study it carefully.

Special attention is also called to the Christmas advertisements in this and next week's issues. Christmas shoppers will find them extremely interesting and profitable.

Rev. H. I. Davis writes from Kim, Colorado, urging that The Sun be continued to his address, stating that receiving the paper is like getting a letter from home. He says that they have raised no crops in that country for two years and that most of the citizens are away picking cotton for a living. The wind blows out there all the time according to Mr. Davis, and they have already had one snow storm. Wood costs them 25 cents a hundred and coal \$18 a ton. He is a brother of Nelson Davis of this city and spent several months here early in the year, and, judging from the tone of his letter, would be glad to be back in the Hill Country now.

WOOL AND MOHAIR COMMISSION MERCHANT

Four Ages In Business

Copyright 1922 by W. C. S.

[THE FOURTH]
LAST OF THE FOUR ages in business comes when the business man retires.

His problem now is to keep his money invested in such a manner that it will be perfectly safe as well as profitable. He talks with his banker about his investments and depends more than ever upon his banker's helpful service.

At this time in life the successful man has his plans for the future all arranged and he has little to worry him as the end draws near.

All through the four ages in the business life of the successful man you will find the bank playing an important part—first in building up the "nest egg" in the savings department and later in helping to make his business efforts as successful as possible.

And the man who does not talk frankly with his banker about his own affairs cannot hope to get the banker's most helpful service.

KERRVILLE, TEXAS

ST. MARY'S WINS OVER TIVY HIGH THANKSGIVING

Although Outweighing Locals, Visitors Were Compelled to Use Eight Academy Players to Win.

The Tivy High School team lost to St. Mary's of San Antonio last Thursday afternoon in the annual Thanksgiving game by a score of 3 to 0.

St. Mary's reported they were bringing up a team that would weigh about the same as the light Tivy men, but when the two teams were lined up on the field, the Tivy men looked like babies compared to the visitors. The opinion of spectators as to the weight handicap varied all the way from 10 to 25 pounds.

In spite of the weight handicap the home boys had to combat, they also went up against the St. Mary's team, augmented by eight men of the Academy of San Antonio. So apparent was this deception on the part of the visitors that everyone on the sidelines knew that St. Mary's was putting in a bunch of ringers.

When The Sun reporter asked the St. Mary's coach for his line-up before the game, that worthy had to resort to a written list in his pocket instead of telling offhand the men on his team. Certainly a coach who has been handling a team the entire season could remember the names of the men on his squad.

The local boys were handicapped by having two of their regular players out on account of sickness and several others who played that should have been in bed. One of the boys played the entire game with a temperature of 102.

Playing on grit and determination alone, the Tivy boys held their heavier opponents scoreless with the exception of the one field goal the visitors made in the last part of the first half.

Time after time St. Mary's sent in fresh substitutes in an effort to break down the defense of their lighter opponents, but without avail. In fact the ball was in St. Mary's territory practically the entire time with the exception of the one time the visitors put over their three points.

During the third period Tivy attempted a field goal from the 30-yard line, but the ball went wide.

Tivy's principal gains were made around the end of the line, although several passes for substantial gains were also completed.

St. Mary's made most of their gains through the Tivy line, their weight giving them a big advantage in this class of playing.

Lloyd displayed marked ability in handling his team, also in individual work in carrying the ball. Garrett and Osborne also showed up well. Inscore starred on the defensive, breaking up many a play for the visitors.

One player on the Tivy team who has played a steady, consistent game all season has been Morris at center. This boy is not a sensational player but game after game his work has been of a character that entitles him to commendation. The writer has witnessed every game Tivy has played at home this year, and has yet to see a fumble or bad pass made by this player.

Tivy has had a hard schedule all season. The boys have not played a single team this season that did not have a great weight advantage. Yet the boys have won five games this year, lost three and tied one. This is

FORMER KERRVILLE CITIZEN NOW APPEARING IN MOVIES

Rev. G. A. Macdougall Plays Part in Late Screen Release Entitled "The Only Woman."

Kerrville people attending shows in San Antonio the first part of this week were afforded the treat of seeing a former citizen of this city in the movies.

Rev. G. A. Macdougall, formerly rector of the local Episcopal Church, but now assistant rector of a church at Hollywood, is seen as a minister in a wedding scene in "The Only Woman," featuring Norma Talmadge.

A member of the Episcopal parish of this city was in San Antonio the fore part of the week and happened to attend the Palace Theatre. She was surprised to see the familiar face of her former pastor on the screen as the play developed. So plain and distinct were the view of Reverend Macdougall that the lady easily recognized the vestments he wore as the ones presented him by the choir of the local church last Christmas.

Reverend Macdougall left here early in the spring for Hollywood, severing connections with the local church under protest of the members of his congregation and after he had devoted several years to the ministry in this city. He numbers his friends in this community by his acquaintances and should "The Only Woman" appear at the local theatre a packed house is assured.

GAME WARDENS ARE BEING BLAMED UNJUSTLY BY SOME

Quite a bit of unjust criticism has been handed the State Game Commission and its deputies lately by parties who are arrested by deputy sheriffs in different localities for trespassing.

Deputy game wardens are only concerned with violations of the game and fish laws and have nothing to do with trespass cases, and, as they point out, are accused sufficiently for performing their sworn duty by some of the men they arrest without being blamed for the acts of other officers.

DATE BARS

(Contributed by Mrs. Lloyd Leslie)

This recipe makes about two dozen bars.

- 1 cup sugar
- 3 eggs
- 1 pound dates
- 1 cup English walnut meats
- 1 cup flour
- 1 teaspoonful baking powder
- Pinch of salt

METHOD—Beat the egg yolks and combine with sugar, beat until creamy. Mix together the flour, baking powder and salt, and add to this the chopped nuts and dates, which have been stoned and quartered. Beat egg whites stiff and add alternately with the flour mixture to the egg yolks. Bake in a sheet in a dripping pan in a moderate oven for thirty minutes. Remove from pan and cut in bars and roll in powdered sugar.

THE WEEK IN SOCIETY

Bunco Party

Miss Elizabeth Eastland entertained with a "Bunco" Party and buffet supper Wednesday night of last week at the home of her parents, Mr. and Mrs. S. Eastland.

After partaking of a delicious turkey supper the guests played several games of "Bunco". Miss Thelma Taylor won high score for girls and was given a Parisian buffer. Rolfe Richards won high score for boys and was given a linen handkerchief. Five tables of players enjoyed the occasion.

Football Team Honored

Misses Mattie Turley and Thelma Taylor entertained in honor of the Tivy Football Team last Thursday night in the home of Miss Taylor's parents, Mr. and Mrs. D. C. Taylor. The members of the team received unique invitations for themselves and the lady of their choice. After the guests had arrived it was found that some of the boys had invited a fellow player for his "lady."

After a series of games the team captained by Miss Gertrude Beitel was declared winner and Miss Beitel was given a "loving cup" in the form of a tiny wash tub. Miss Winnie Bell Yarbrough was given a prize for winning the most points for her team. Fritz Radcliffe was given the consolation. Mr. Moses was decided upon as being the champion fiction artist.

A delicious salad course was served to the guests by the mothers of the hostesses.

Those present were Misses Elsie Bea Henke, Elizabeth Karger, Gertrude Beitel, Elizabeth Eastland, Martha Johnson, Bennette Platte, Lucille Taylor, Winnie Bell Yarbrough, Anita Varndo and Bess Nance; Baxter Harwood, Bobby Scherbeck, Fordtran Johnston, King Canfield, Rudolph Weiss, Wade Beard, Chester Parsons, Jack Ewing, Morris, Pedro Lloyd, Arthur Inscore, Weldon Beasley, Creighton Secor and Wilby Garrett and Mr. and Mrs. W. A. Salter and Mr. and Mrs. Guy Moses.

A Delightful Tea

Mrs. Emma Scherbeck of San Antonio and Mrs. W. C. Hamphil of Nixon were the guests of honor at a delightful tea given last Saturday at the home of Judge and Mrs. W. G. Garrett, with Miss Harriet Garrett and Mrs. R. L. Scherbeck as hostesses.

Yellow, pink, orchid and white formed the motif of the decorations of the handsome new home. Stately chrysanthemums lent their delicate fragrance, and the soft glow of mellow lights on their pastel shades made a beautiful setting for the lovely gowns of the house party, while the blazing wood fires in the hearths added a cheerful note of hospitality.

Orchid and white flowers were arranged in the living room. On the piano was a yellow Venetian bowl filled with these blossoms and flanked on either side by brass candelabra holding yellow tapers. These same flowers were effectively placed on the mantel at the far end of the room.

Mrs. L. D. Garrett and Mrs. Scott Schreiner welcomed the guests and presented them to Mrs. W. G. Garrett, mother of the hostesses, who introduced the honorees. Others in the formal receiving line were Mrs. A. C. Schreiner, Mrs. W. F. Dickey, Mrs. E. E. Palmer, Miss Kate Johnston, Mrs. T. C. Johnston, Mrs. H. H. Henschel and Mrs. R. L. Scherbeck.

Mrs. Thorne Allen and Mrs. E. C. Fisk ushered the guests into the library where Mrs. J. S. Wheelless, Mrs. E. H. Prescott and Mrs. J. J. Delaney received. Tall yellow chrysanthemums in silver vases were the decorations used in keeping with the dignity of this room.

The breakfast room was a gay spot with its white furniture and pink flowers. Serving a delightful salad course in here were Misses Mable Thorburn, Marguerite Henke and Ruth Garrett and Mrs. Thomas Matthews.

Orchid and silver were featured in the dining room. The tea table was overlaid with a beautiful cloth of fillet lace and centered with a silver vase of orchid flowers. Silver compotes and bonbon dishes and silver candle sticks holding yellow tapers added

very much to the decorative effect. At the end of the table were handsome silver tea services. Mrs. Ally Beitel and Mrs. S. Eastland poured tea during the first hour and Mrs. A. C. Schreiner Jr., and Mrs. J. D. Jackson during the second hour. Mrs. J. E. McDonald and Miss Harriet Garrett also assisted in here.

After being served many of the guests wandered over the spacious new home and expressions of delight over its beauty were heard on all sides.

Others who assisted the hostesses were Mesdames Henry Henke, Raymond Barnes, Fred Real, W. G. Garrett Jr., G. M. Doyle and E. W. Speckels and Miss Nellie Smith.

Mrs. Emma Scherbeck wore a dress of soft black crepe. Mrs. Hamphil was in a beautiful dress of green velvet with a canary corsage and scarf. The same color effect was given with green comb in her exquisite golden hair.

Mrs. L. D. Garrett was lovely in a straight line dress of rose and blue velvet broche, trimmed with ostrich. Mrs. W. G. Garrett wore an afternoon dress of black crepe. Mrs. R. L. Scherbeck wore a gown of apricot georgette trimmed with beads, with this was worn a Spanish scarf. Miss Harriet Garrett was in a handsome dress of blue cut velvet, combined with black satin, a blue comb to match the dress was worn.

Miss Ruth Garrett wore a dainty dress of orchid georgette, trimmed with silver lace.

Pearson-Wood

Thanksgiving afternoon at the home of Charles Butt in this city occurred the marriage of Mrs. Butt's sister, Miss Margaret Pearson to Leonard Wood. Only the immediate relatives of the contracting parties were in attendance.

Mrs. Wood is a former Kerrville girl, residing with her parents on a farm across the river from the city for many years. After the family left here several years ago, she has made her home in San Antonio.

Mr. Wood is also a San Antonian, being secretary of the Masonic Employment Bureau in that city.

Both the young people have many friends in Kerrville and surrounding territory, who offer their congratulations and best wishes.

"B Natural" Club Meets

The three divisions of the "B Natural" Club met this week at the home of their teacher, Mrs. J. B. Young.

The Kindergarten Class met Monday afternoon and a musical program was given, those playing piano solos or duets with Mrs. Young were Josephine Schreiner, Jerry Beitel, Seawillow Fitzsimmons, Nelle Schreiner and George Johnson.

In a musical contest Nelle Schreiner and Seawillow Fitzsimmons were given prizes.

The Intermediate Class met Tuesday afternoon and studied the life of Bach. The book of Musical Essentials was also discussed. Piano numbers were given by Willie Mae Braden, Mildred Williams and Aimee Louise Scherbeck. In the musical contest that followed Anna Laura Garrett made high score.

The High School Class met Wednesday afternoon and studied the life of Gounod. Some of his minor sacred works were played in class, but the main topic was the score of his opera, "Romeo and Juliet."

The number of silver dollars in use dropped from \$84,000,000, in 1919, to \$54,000,000, on July 1, 1924.

A GOOD SLOGAN—SHOP EARLY AND MAIL EARLY

Kerrville stores have an unusually large assortment of goods to select Christmas presents from this year, but why wait until this assortment is all picked over before buying the gifts you want to send. By buying now you not only get better selections of goods, but are also doing a favor to the sales clerks by eliminating the last minute rush for Christmas goods.

Another good shop early suggestion is to mail your packages early. Since the advent of the parcel post system the postal clerks have become one of the most overworked bunch of men in the country along about the holiday season. Hundreds upon hundreds of packages will be mailed out each day at the local Post Office just before Christmas, with an equally large amount coming in.

Since no provision is made by the Government for additional help in the smaller offices to handle this Holiday rush, the local force will be compelled to put in extra time to take care of the business.

Just enough clerks are employed to handle the business during the usual months and when the business handled by this force is increased by about 300 per cent, as is the usual case during the rush before the Holidays, it can be easily seen what a hardship it works upon them.

You will be assured better service, both at this end and also at the destination by mailing your Christmas packages early, besides doing a great favor to the Post Office force.

Bandera New Era, November 27th: District Attorney L. J. Brucks retires from that position when the present circuit of the 38th District Court comes to an end this term. For several terms Louis J. Brucks has served efficiently as our District Attorney. He surrendered the office to enter the race for District Judge against our beloved and efficient Judge, Hon. R. H. Burney, but could not poll enough votes to defeat that popular and scholarly gentleman. Friends all over the district regret the retirement to private life of Judge Brucks. His place as District Attorney will be taken and ably filled by Hon. W. C. Baker of Kerrville, who will assume office the first of the year.

TRESPASS NOTICES

TRESPASS NOTICE—My entire ranch on Turtle Creek is posted. Henry Barton. 47-3pd

POSTED—No trespassing allowed on the Capt. Coldwell ranch near Center Point. A. J. Gibbens, manager. 48tfc

TRESPASS NOTICE—No hunting or trespassing in pastures on the Divide owned by Mrs. W. A. and W. R. Peril. 47-3pd

TRESPASS NOTICE—All property owned by me is posted. Any trespassing will be prosecuted. F. C. Walsh, M. D. 42-16 pd

POSTED—I have leased the hunting rights on the Rattlesnake Ranch and all trespassers will be prosecuted. Gordon Deaver. 49-1f

POSTED—All trespassers on the Cottonwood Pastures north of Kerrville will be prosecuted. Henry and Felix Ahrens, owners. 49-2

LEASED: All James Spicer's pastures. Hunters warned; game warden employed; will prosecute. W. H. Rawson, Al Manny. 41tfc

Junction Eagle, November 28: Lee Hardin, wife and son returned from Hunt, Texas, Tuesday, after a few days visit with his father, W. C. Hardin. While there he met a brother he had not seen for twelve years.

The Rev. Dr. I. E. Gates, Pastor of the First Baptist Church of San Antonio will deliver an Inspirational Address for a Men's Banquet, at the Baptist Church, this city, next Tuesday night, the 9th inst. All men of the church are urged to be present. Besides, there will be not a few invited guests. The ladies of the church will serve adequate refreshments.

Bandera New Era, November 27th: Game Warden Durst rounded up several violators of the game laws the past week, and they were made to pay fines for catching fish that were not up to the legal length or killing female deer. Lieutenant William Day of Fort Sam Houston contributed \$43.40 for catching bass under eleven inches long, and R. Hines and party of Wichita Falls plead guilty to killing three does and were assessed fines in each case. Possession of the game was evidence to convict in each case.

A marriage license was issued by the County Clerk November 29th to Jim Pollard and Henrietta Blanks.

Miss Ida Moore of Wichita Falls spent last Saturday and Sunday visiting her sister, Miss Jessie Moore, in this city.

Miss Margaret Doring spent the Thanksgiving week end with her mother and sister in this city, returning to San Antonio Sunday.

Mr. and Mrs. L. D. Garrett and their house guests, Mr. and Mrs. C. W. Hamphill of Nixon, left today for a visit at the Vanham and Hughs ranches on the Divide.

Roquey Jobs and Dutch Flory returned Sunday night from Austin, where they had attended the football game. The boys had previously visited Mr. Flory's parents at Smithville.

Mrs. Louie Real took the lead of the lady hunters the past week end by killing a fine 8-point buck, her second for the season. Mrs. Milton Pampell is another successful hunter with a 4-pointer to her credit.

Cards have been received announcing the birth of a daughter to Mr. and Mrs. William C. Guild of Wiggins, Miss., November 27. Mrs. Guild will be remembered as Miss Mary Louise Barnes, sister of Mrs. J. D. Jackson and Miss Nelle Barnes.

The ladies of the Methodist Church will have their annual sale on Friday, December 5th, in the store room next to Wheelus Studio, on Earl Garrett Street. They will serve a turkey lunch at 12 o'clock, also refreshments in the afternoon. (Advertisement, 51)

Mr. and Mrs. J. J. Broussard and little grandson, who have been living several months in Kerrville, returned to Beaumont Monday. Their son, Bruce, preceded them several days, having been called to Beaumont by urgent business. The Broussards have a large circle of friends in the city and their early return for permanent residence is looked forward to with pleasure.

Bandera New Era, November 27th: Judge R. H. Burney delivered his charge to the grand jury last Monday in his usual pleasing and dignified manner. The charge was not lengthy, but was right to the point and left no doubt in the minds of that jury as to what is the duty of each individual juror. Judge Burney's charges are always different from the charges delivered by other District Judges we have heard in that he always delivers his charge extemporaneously and in a quiet, dignified way, just as if he were talking to each juror individually in quiet conversation. He follows no written or prepared style and reads no long stereotyped form of charge to his grand juries, couched in legal verbiage to confuse the minds of those who are to receive his instructions, but rather he uses plain language that each juror understands. It is a real treat to hear Judge Burney deliver his charge to a grand jury.

TEXAS UNIVERSITY NOT GETTING RICH FROM OIL

Austin, Tex., Dec. 1.—That there is a widespread misunderstanding concerning the amounts of revenue the University of Texas is receiving from oil lands in Reagan County is the opinion of President W. M. W. Splawn. "Some apparently have the impression that oil will make the University immensely rich, and permanently relieve the taxpayers of the State of any burden in maintaining the institution," said Dr. Splawn. "In the first place, the University receives under State statute, ten cents an acre for the lease of mineral rights. From that source, the institution received during the fiscal year ending August 31, 1924, the sum of \$52,478.48. This amount goes into what is called the available fund, and is used exclusively in the construction of buildings. "Secondly, the University receives the owner's royalty of one-eighth of any oil that may be taken from the University lands and received during the fiscal year ending August 31, 1924, the sum of \$16,611.75. All income from mineral royalties goes into the permanent endowment of the University. It may not be used for maintenance of the University; it may not be used in the erection of buildings; but it must be invested in gilt-edged securities, such as Government bonds, and the interest therefrom may be used in the erection of buildings. "It is estimated by those who are in a position to know that the University may receive anywhere from \$500,000 to approximately \$2,000,000 in royalties from the oil fields now being developed on the University lands. However, \$500,000 or even \$2,000,000 would not make the University of Texas the wealthiest school in America. We must remember that it takes about \$2,000,000 a year now to maintain the University. While this seems a sizable sum, yet other universities in smaller and poorer States receive greater sums, some of them, not including the agricultural colleges as much as \$4,000,000 and \$5,000,000 per annum. These figures demonstrate that oil will have very little effect on the development of the University within the next few years."

THE PASSING DAY
Will H. Mayes, Department of Journalism, Texas University

The Texas State Board of Control has issued a statement that its recommendations for legislative appropriations for educational institutions in Texas will almost equal the combined cost of all the departments and other institutions. This is as it should be. It is generally conceded that in every country the cost of running courts, caring for prisoners, operating asylums, and providing for the helpless, decreases in proportion to the increase in the literacy of the people. The more Texas spends for education, the less it will be required to spend for those things that indicate a low intellectual and moral standard. Education, therefore, whatever it costs, is the cheapest investment a State can make.

Miss Ruth Cross, the Texas girl who has suddenly attained National fame as the author of "The Golden Cocoon," and who was an obscure girl struggling for a living until her book stamped her as a success, in an address at the University of Texas, stated that it is easier to live a failure than the successful life. She meant thereby that one who succeeds has so much more demands on his time and on his talents than one who is content to remain a failure. It is very true that one has to pay for success both before and after it is attained. Any success that is not followed by continued effort is not success after all. Success carries with it a suggestion of increased usefulness, and the person who becomes useless relapses at once into failure.

The cross-word puzzles in the newspapers have all at once become as popular as the colored "comic" pages have been for so long. It is hoped that they may entirely supplant those abominations. There is little that is funny, and nothing that is artistic, elevating, or instructive in the hideous color daubs that the papers are sending out. It is seldom that one of them provokes even a smile from the most simple-minded, and every parent I have ever heard express an opinion every other branch of study, as unfit for children and grown people as well. The papers that use them know that this is true, and they use them only because other papers do and they are afraid that some circulation might be lost by dropping them. Parent-Teachers' Associations of the country should inaugurate a movement to have the papers discontinue these hideous and demoralizing supplements.

The cross-word puzzle has something to commend it to all classes. It may be a time-killer, but there is something to be learned thereby. It increases the vocabulary and acquaints the puzzle worker with definitions. In fact the best of these puzzles teach something of history, geography, anthropology, grammar and opinion every other branch of study. They have a fascinating hold upon nearly all members of the family that causes the paper to be kept until such times as the puzzles may be worked, and the paper's value as an advertising medium is enhanced thereby. Let's start a movement to rid the newspapers of the so-called "funny papers," even though we do not substitute therefor the enticing word puzzle.

Thanksgiving seems to be getting away from the purpose for which it was originally intended. When instituted as a holiday and for many years thereafter, it was a day of worship and thanksgiving for God's infinite goodness. Everyone went to church to spend at least a part of the day in His service. This was followed by family gatherings and feasts, where there was still a spirit of thankfulness prevalent. The day has been converted into a time for sporting contests and noisy demonstrations over athletic victories; for dancing and frolics and dress parades. The people are too busy for home-coming Thanksgivings dinners in the cherished associations of home, and so they dine out hurriedly at restaurants and cafes in the rush from one event of the day to another, retiring in the wee small hours of the next morning exhausted and thankful that the day is at last over.

San Antonio Express: Four carloads of apples grown in Kendall, Kerr and Gillespie Counties were shipped out last season as a result of stimulating the orchard industry by the Sap Railway. Bandera County also raised many excellent apples this year, but none were shipped out. With Southwest Texas buying hundreds of carloads of apples raised in other

Charter Oak Parlor FURNACE

MOST HEAT--LESS FUEL

The large mica door exposes to view the cheerfulness of the fire. The Charter Oak Parlor Furnace is made in two sizes and four finishes--plain black, gray and blue enamel and mahogany wood finish. They will do the work of several ordinary stoves and have many patented features, yet the price is no higher than any other.

We also carry in stock a complete line of Cole's Original Air-Tight Wood Heaters.

States every year it looks like apple-raising at our own door has been neglected. There never were enough apples raised in Texas and the fallacy that they do not thrive in this State should be exploded. The Hill Country is well adapted to raising four or five hundred carloads of apples every year instead of four.

MUST REFORM THEMSELVES

New Bedford Standard: That some young men and young women who go away to college go to the bad is no doubt true, but our own belief is that they would be likely to go to the bad wherever they were. This may involve an underestimate of the efficacy of parental control as a means of checking wayward tendencies until such time as maturity brings greater wisdom and self-restraint, but there are so many cases of youths who go wrong at home that we question whether going away to college is as dangerous as a good many people fear. If the Boston Intercollegiate committee can bring members of the student community in closer contact with wholesome influences it will be a fine thing, but in the main each individual must work out his or her salvation.

San Antonio Express: Considerable poevishness is developing in many Southwest Texas towns this fall over the difficulty in finding places to hunt. Posting has become so general that many sportsmen have not even taken guns out of cases. On the other hand many ranchmen are equally riled over reckless hunting on their premises, wounding and killing of live stock, gates left open, fires not extinguished and the general carelessness of game slaughterers who are not and who never will be sportsmen. Possibly the solution will come when each community has its own association of sportsmen, morally and financially responsible, an association that can meet large land holders across the table and agree upon mutual conditions that will permit hunting and, at the same time, safeguard the land-owners' interests.

LICENSE PLATES FOR 1925 RECEIVED BY SHERIFF MOORE

Sheriff Jack Moore received a shipment of auto license plates the latter part of last week to be used during 1925. The new number plates are red background with white lettering. Lettering is the same style as that used this year, the only change being in the color of the background. Mr. Moore says that anyone who desires can now pay their auto license and be fitted out with the new number plates by calling at his office. Money received from automobile licenses is divided between the county and State, practically one-third remaining at home to be used on road work, the remainder going to the upkeep of the Highway Department and in different State aid projects in various sections of the country. The Sheriff also states that he is now ready to receive State and County taxes at his office. These taxes are due on or before January 31st of next year, after which a 10 per cent penalty is attached.

The most powerful machine gun ever perfected is the new .50-caliber Browning machine gun. It fires a bullet weighing a quarter of a pound, firing 500 shots a minute and has a maximum range of 9,000 yards. It is said to be the most formidable enemy of the airplane, because its caliber is such that it will destroy one two miles away.

CATHOLIC CHURCH NOTES

By Father Kemper

TURKEY PLAY

We are tempted to say that turkeys ran loose on the stage of Washington Hall at Notre Dame Institute on the eve of Thanksgiving Day, for the minims, disguised as gobbiers, impersonated their role in such a captivating manner that they won universal applause. This realistic "turkey trot" by the youngsters was only one of the many amusing numbers on the diversified program.

Little Patty Farrish made her debut as a soloist, and was both graceful and melodious. Her youthful accompanist on the piano, Nellie Nyc, deservedly shared the honors. Other musicians who filled delightful interludes were Misses Louise Colbath, Ernestine Meyer, Ruth Nyc and Madeline Peterson.

Several elocution selections, appropriate to the Thanksgiving season, were well received by the attentive audience. Besides the comical turkey playlet in which the busy housewife sees march before her all the necessary concomitants for a reasonable menu, there was another short drama of a sterner and more practical type. This second operetta depicted the downfall of a flapper in an every-day business man's office. In this visual lesson, Irene Kolodzey, as the lipstick and rouged typist, enacted the stellar role with unaffected naturalness. She was well supported by her sedate companion and the boys who completed the office force.

A Thousand for Cripples
Saturday's Tag Day for the Crippled Children's Hospital of Southern Texas resulted in a total contribution from Kerrville and Legion of about \$1,000. Mrs. August W. Wallister, whose husband is managing editor of the San Antonio Evening News, and who was one of the first and most ardent promoters of this charitable undertaking, came personally to give her assistance in the Kerrville drive. Her youthful poetical daughter, Mary Louise, accompanied her. This child's book of verses brought over two thousand dollars to the worthy cause.

Santa Rosa Infirmary, whose Sisters are making the greatest offer for the welfare of the crippled youngsters, sent us three nurses with plenty of cards to tag every citizen so that a few residents who appeared downtown were overlooked. The trio of young ladies who worked so energetically were: Miss Zita Pfeil, a daughter of the San Antonio K. of C. secretary; Miss Agnes McCloskey, a cousin of the Bexar County Judge, and Miss Margaret Brown of Beeville.

Registered nurses at Legion and at Dr. Thompson's Sanatorium very generously co-operated with the visitors, and with the faculty and students of Notre Dame Institute. By united enthusiasm, the solicitors were able to report that Kerrville went far over the top with her habitual generosity. The grand total to our credit will be about one thousand dollars, if we include donations that had already been sent directly to headquarters. Geo. E. Dryden leads them all by personally contributing over one-fourth.

Kerrville may well feel proud of her subscription to this worthy cause, the more so because a Y. M. C. A. drive was in progress on the same day, and other appeals had just barely been completed. Heartiest thanks are given to all who did not run but played tag, that generations of deformed youngsters may walk.

Legion Bride Is Hostess
Mrs. Eugene King, recently married to an invalid veteran, found a very agreeable way of becoming rapidly acquainted with her new home and associates. In company with Mrs. John Flanagan, whose husband is also a soldier patient, the newly-wed prepared a splendid banquet in her bungalow and dared a regular K. of C. crowd to find a superior cook.

At this appetizing repast, the hostess used the beautiful china set that had been presented to her husband by his Catholic buddies at Legion.

Aime Real, a nephew of the re-elected Senator Julius Real, did not forget the Notre Dame boarders and faculty with juicy venison fresh from a deer hunt at his ranch on Turtle Creek. His daughter, Tillie, was one of the disguised gobbiers at the school play on Turkey Eve.

GET AT THE CAUSE!

We had a very happy service Thanksgiving morning, and a fine, optimistic sermon from our new rector, telling us we should be thankful for the rising generation, and for the interest they are taking in all the Young People's Christian Societies. Sunday there was a good congregation present at the services. Dr. Jones took for his subject St. Andrew. How he was always trying to help others and lead them to Christ. He pointed out that we should do our best and use whatever powers we have, even if they are very small, to accomplish Christian things; remembering what our Lord accomplished with the five loaves and two fishes the lad gave Him.

Next Sunday there will be a celebration of the Holy Communion and sermon at 11 a. m.

The rector, since his arrival a week ago Monday, has been devoting most of his time to getting acquainted with his parishioners and the city of Kerrville. On the day of his arrival Dr. and Mrs. E. E. Palmer entertained Mrs. Jones, the rector and children at lunch. Later in the afternoon, Mrs. Palmer showed them over the church, parish house and rectory. Because of the fact that their furniture is somewhere on the road from Raymond, Miss., to Kerrville, the rector's family have not been able to occupy the rectory. They are, however, pleasantly located at the Williams Boarding House only a few doors away.

On Saturday Mrs. Scott Schreiner entertained the new rector and his family at lunch. Much to his delight, Mrs. Schreiner loaned him her golf clubs and an abundance of balls to introduce him fittingly to the Kerrville Country Club.

For the first time in many months he teed his ball and faced a long stretch of fairway. And never before in his life has he looked upon so lovely a scene or the making of so picturesque a course. Much to his surprise, his first drive shot up into the air and carried a good distance (for him) and landed in the fairway. But the rector's game soon developed into old-time faults which only the advice of the "pro", Mr. Dobkins, can correct. Mr. Dobkins, by the way, informed his ministerial visitor that he was an Episcopalian. The rector was shown about the club house. It is, he soon saw, admirably adapted to the comfort and pleasure of golfers.

On the course the rector met one of his flock, Mrs. Matz. Her husband, Dr. Matz, of Legion, was playing and judging by his game, he could easily take the measure of the rector.

The Thanksgiving service held in St. Peter's Church was largely attended. The union service at the Presbyterian Church brought out a delegation from his congregation, together with the rector. The Reverend Wheat's learned exposition of the origin and purpose of the day was notably fine. The spirit of harmony and co-operation there expressed was a delight. And the great beauty of the church, heightened by the sweet tones of the pipe organ, struck a joyous note. Kerrville, with all its Protestant ministers and congregations united in one service of Thanksgiving to God, must be a community worth living in and worth working for.

On Friday night Mr. Eosel of the Vestry gathered an earnest little

group together at the church for choir practice. Under the direction of Mrs. Will Baker, the organist, some excellent practice resulted. Consequently there was some good singing at the Sunday morning service.

Judge and Mrs. Baker entertained the rector's family at dinner last Sunday. The Judge lived for several years in Raymond, Miss., the home of Mrs. Jones.

On Monday the rector visited Mrs. Dimling, Mr. Patterson and the Episcopal boys at the Schreiner Institute. There he joined the student body at supper. In the evening he was entertained at the residence of President and Mrs. Delaney. There he enjoyed a social hour with them, Dr. and Mrs. Dickey and Instructors Anderson and Posie.

On Tuesday the rector addressed the student body of Tivy High School. He attempted to show the value of sport in creating friendship at home and abroad and in removing at least some of the ever-present menace of war, which, he contended, was almost always the result of misunderstanding.

On Tuesday afternoon at 3:30 the Guild met at the residence of Mrs. W. D. C. Jones, 408 Main Street, where business of importance was transacted. A social hour with refreshments followed.

Sunday services at St. Peter's Church will be limited to the morning service. The rector goes to Junction every Sunday for evening services.

The Sunday School is attended by a body of pupils, young and old, that show a deep interest in their lessons. An earnest effort to increase the attendance is needed that the most may be made of the opportunity here offered for training in Christian living.

Many Kerrville Folks Are Showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Kerrville people. Profit by this Kerrville resident's experience.

Frank Michon, City Marshal, Broadway, says: "My kidneys were out of order and every time I got wet or took cold it settled on my kidneys. I had a soreness and a dull ache in the small of my back that worried me, and my kidneys didn't act right. I used Doan's Pills bought at the Rock Pharmacy and they soon fixed me up in good shape."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Michon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

Intelligent Pruning of Trees

Farm and Ranch: It will soon be time for those who have orchards, or even a few fruit trees in the backyard, to prepare for pruning. Intelligent pruning adds to the quality of the fruit produced, and at the same time shapes the tree for large production as it grows older.

Unless one knows just what branches to cut away, pruning should not be attempted without instructions from one who has had experience. A tree may be ruined by hacking off the branches in a haphazard manner. Unless you know how, consult your county agent or a neighbor who has received instructions.

CHRISTIAN CHURCH NOTES

By Member

The Reverend Hawkins filled his appointment Sunday, both morning and evening. The subject for the morning service was "The Miracles of the Master." Brother Hawkins very plainly explained to us what is a miracle, when is a miracle and why is a miracle, and he has promised us more sermons on this subject. He will preach next Sunday morning on "The First Miracle."

Sunday evening's sermon subject was "Stars"—a small word with a large meaning—and to try to comment upon this sermon would only do Reverend Hawkins an injustice, as it was the most wonderful we have heard in many days, and it would be hard to explain it in such a small space.

Preaching again next Sunday, both morning and evening.

Bible School
Our Bible School, we are very glad to announce, has a new superintendent, the former one having to leave Kerrville, which created a vacancy hard to fill; but Dr. H. R. Wall has kindly consented to serve and has been elected for our superintendent for the next year and we hope every one will show him their appreciation and willingness to help him, by being present next Sunday. We all feel that great things will be accomplished in our Bible School with such a leader, if every one will only do his and her best.

Our attendance is rapidly growing and we hope to see it continue to increase. Fathers and mothers, bring the little ones to Bible School, and bring them up in the way they should go. Bible School each Sunday at 10 a. m. Preaching services at 11 a. m. and 7:30 p. m. Prayer meetings Wednesday evenings, at 7:30.

FOOT AND MOUTH BAN LIFTED BY U. S. OFFICERS

Houston, Tex., Dec. 1.—Federal officials Monday morning lifted the restrictions of the foot and mouth disease quarantine except for a 600-square mile zone surrounding Ellington Field, which was laid down in Harris, Galveston and parts of Fort Bend and Brazoria Counties east of the Brazos River on September 27. The area which is still under the ban of the quarantine includes parts of Harris, Galveston and Brazoria Counties. It has been known as the "infected area."

FIRST BAPTIST CHURCH

Rev. R. W. Merrill, Pastor

Last Saturday the pastor attended the 5th Sunday meeting at Riverside, in Bandera County, a good meeting was reported. The Pastor spoke here Sunday morning, reading for a scripture lesson the 11th chapter of Hebrews, taking for a text the 23rd verse. The congregation Sunday morning and night were smaller than usual. We need more of the spirit of loyalty. Loyalty to one-another, loyalty to our boards and missionaries, loyalty to the lost, the sick and the needy, loyalty to the church of which we are a part, and loyalty to the Savior who does so much for us. What right have we to say, Lord, Lord, and do not the things He has said? There is no place for ease-loving church members. The war with sin and Satan is on in terrible earnest, and he who is not loyal is disloyal. All church members are urged to be present at prayer meeting next Wednesday night. Don't let the pastor and the faithful few carry on the prayer meeting services, come out and see what is being done, and also get a blessing. God needs you at the prayer meeting. After prayer meeting we spend a short time in singing, let's have at least 50 young people who will sing. God has given you your voice, and wants you to use it for His glory. Come to prayer meeting and let's have a real good singing.

The Baptist Sunday School meets at 9:45 Sunday mornings. Come and bring somebody with you.

The Sunbeams meet at 2 p. m. Sunday afternoon. All children are invited to meet with us, for we are having delightful stories at that hour.

The Senior B. Y. P. U. will meet at 6 p. m. in the church basement. The topic for discussion is "Putting First Things First." All Baptist young people are invited to attend and help make our union a REAL LIVE one.

The private secretary of the Chief Executive of the United States is paid \$7,500 a year.

Practical Nurse Tells

Mrs. N. E. Snow, of Route 1, near Paris, Tenn., tells the story of her experience as follows:
"I am 62 years old and I have been a practical nurse for more than 20 years, taking mostly maternity cases. One of my daughters suffered from cramping at . . . She would just bend double and have to go to bed.

CARDUI

The Woman's Tonic

was recommended to her and she only had to take about two bottles, when she hardly knew that it was . . . she suffered so little pain.
"My youngest daughter was run-down, weak and nervous, and looked like she didn't have a bit of blood left—just a walking skeleton, no appetite and tired all the time. I gave her two bottles of Cardui. It built her up and she began eating and soon gained in weight and has been so well since."
Cardui, the Woman's Tonic, has helped suffering women for over forty years. Try it. At all druggists. E-100

Why Don't You Use Goodyear Tires?
Maybe because they're recognized as the standard of quality you think they are high priced.

Making GOOD COFFEE starts with Buying GOOD COFFEE

Coffee excellence is coffee flavor. Coffee flavor is in the blend and the roasting. Cost is no criterion of quality. The real test is the flavor—the flavor in the cup.

That is where Sunset has made its thousands of friends. Sunset flavor is complete coffee satisfaction to most folks.

Unlike most things that are completely satisfying, Sunset costs no more than ordinary high grade coffees that are less pleasing to the taste.

Use care in measuring and making, but be sure you use good coffee. Sunset is the favorite of thousands of housewives who are convinced it is the most satisfying coffee they can buy at any price.

Its Flavor Tells the Whole Story

The Economy of the Best

The economy of using the best possible materials is made apparent in the upkeep problem. A house or business building may be "thrown together" with cheap material and it may "look all right," but after it's stood the shock of weather, the real test comes.

Long ago we learned that it is false economy to use poor materials and we so advise everyone who buys of us. Our success is due to honesty in materials and prices.

PHOTOGRAPHS OF WORLD WAR IN GREAT DEMAND

Washington, D. C., Nov. 29.—Although six years have elapsed since the termination of the World War, innumerable former service men, their relatives and friends, make frequent requests on the War Department for graphic records of the struggle. These are contained in the files of the photographic section of the Signal Corps of the Army.

Often a mother, with but a slender clue to where her son was killed in combat, beseeches the Signal Corps section for a photograph of the scene of the engagement or incidents surrounding his life "over there". The chances for granting her request are of the best, for the army has stored away 100,000 photographs of the war. They are cross-indexed and readily accessible, and the pictures are sold at cost to those that desire them.

The original negatives of photographs and of motion picture films are retained in fireproof vaults at Washington barracks here. Only duplicates from these are utilized. The films are sent out and shown in different corps areas.

The work of preserving outstanding events in the life of the army by means of the camera is still going forward. Photographic laboratories are maintained in many army corps areas and in Hawaii. Twenty-four enlisted men of the Signal Corps are assigned to photographic duties throughout the service.

This phase of army activity had its inception in the work of a photographer, Brady, who made and collected photographs during the Civil War. This collection, totaling more than 6,000 plates, was later acquired by the War Department, and is now preserved by the Signal Corps.

SHEEP RAISERS SHOWN IN STRONG POSITION

Washington, D. C., Dec. 1.—The sheep industry is in good financial condition and there is a better outlook for hogs, but the cattle and dairy industries are depressed, a department of agricultural review said Monday. "The hog situation continues to head toward shorter supplies and ultimately high price levels," the review said. "If corn should turn out well in 1925 there may be a possibility of unusual profits for hog producers next winter."

Sheep raisers were reported in strong position with the wool price outlook still apparently good.

The review found much discouragement among dairymen, but added that some improvement was expected next year.

Short supplies and higher prices were forecast in the cattle industry.

AN ORDINANCE

Amending and correcting a certain part of the "Plumbing and Sewer Ordinances" passed at the meeting of the Board of Commissioners of the City of Kerrville, Texas, held by the said Board of Commissioners of the City of Kerrville, Texas, on the 14th day of November, 1924, and being section 8, in part two thereof, and coming under the head of "Specifications to Govern the Plumbing and House Connections with the Public Sewers of Kerrville, Texas."

Be it ordained by the Board of Commissioners of the City of Kerrville, Texas:

Section 1. That Section 8, part two, of the "Plumbing and Sewer Ordinances" of the City of Kerrville, Texas, passed at a meeting of the Board of Commissioners of the City of Kerrville, Texas, held by the said Board of Commissioners of the said City of Kerrville, Texas, on the 14th day of November, 1924, and being Section 8 thereof, in part two, coming under the head of "Specifications to Govern the Plumbing and House Connections with the Public Sewers of Kerrville, Texas," be and the same is hereby amended to read as follows:

Whoever shall violate or fail to comply with any of the provisions of the next preceding sections 1 to 7, both inclusive, of this ordinance, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than Five (\$5.00) Dollars, nor more than Two Hundred (\$200.00) Dollars.

Passed and approved, this the 25th day of November, 1924.

A. T. ADKINS, Mayor,
E. H. TURNER, City Clerk.
(Advertisement, 50)

Life Insurance a Service

The life insurance agent does not "sell" a commodity. He persuades men to enter into contracts with their fellowmen, through a responsible corporation, in order to protect their families in case of their own premature death and to save money for themselves if they live long.

Persuading a man to provide for his family and his own old age is not "selling" him anything. It is doing him a service. If he accepts the service he becomes a better husband and father, a better citizen and a happier man.

If you are willing to talk to me about it, without in any way obligating yourself, cut this advertisement out, write your name, age and address, and mail to me at Box 488, Kerrville, Texas.

FOUNT RAY,
District Agent,
Southland Life Insurance Co.,
of Dallas.

THE VIOLIN RAPIDLY COMING INTO ITS OWN

The violin is becoming a favorite among the younger generation as well as among the old, and as a consequence many old and discarded violins are being brought out from their year's of repose, and are being overhauled.

One shop in San Antonio specializing in making over Violins, repairing them and supplying all their needs is the Collier's Violin Store, located at 100 1/2 East Commerce Street. This firm has had twenty years experience in repairing and manufacturing violins. No instrument is too old for them to restore to a tone as sweet or sweeter than in former years; no bow too badly bent but that it can be properly repaired by them.

The Collier's Store also boasts a large assortment of Imported Violins, bows cases, strings and all accessories. Out of town patrons are especially invited to communicate with the Collier's Violin Store, and due to the fact that the instrument is so small, the cost of sending one by parcel post is especially attractive, and with the assurance that Collier's will give their personal attention and guarantee to every order, the public should feel safe in sending in their orders by mail. However, a personal visit is appreciated at all times and patrons are always welcome to test out their instrument in the store.

San Antonio Dentist Has Spanish and World War Records

With an enviable record as a veteran of two wars, Dr. Geo. R. Dashiell now enjoys the distinction of being Commander of the Rug. J. Hernandez Camp, United Spanish War Veterans.

In both wars Dr. Dashiell won a reputation as a fighter. Since his return to his native land, he has resumed his dental practice and his office is located at 515 1/2 East Houston Street.

Dr. Dashiell is a graduate of the Baltimore Dental College. He was born and reared in San Antonio, being a member of one of the oldest Texas families. Specializing in Artificial Teeth, Crown and Bridge Work, Dr. Dashiell has won an enviable reputation in his profession.

Ford Prices Cut

According to announcement made by the Houston branch of the Ford Motor Company, and received by the local dealers in Kerrville Tuesday morning, a price reduction ranging from \$5 to \$25 has been made in all models of Ford cars, effective immediately.

A reduction of \$25 has been made on the four-door sedan, \$10 on all other Ford models.

The announcement was made that there will be no price reduction whatever on Fordson tractors or on the Lincoln car, but that it will be confined entirely to Ford cars.

In commenting on the reduction, Charles Mason of Lee Mason & Son, local dealers, said the reduction was made possible by the high state of efficiency that has been reached by the entire Ford organization, as well as the volume production that has been reached by the Ford factory and various assembly plants. He also expected the reduction would act as a sales stimulant.

We want to thank each and every one of their many kindnesses, help and sympathy during the sickness and death of our beloved husband and father. MRS. DOUGLAS KNOX AND FAMILY.

MOUNTAIN HOME ECHOES

Miss Norma Thornton has been seriously sick.

Will Page is moving from the Oehler property, near here, to Ingram.

Roger McCoy attended the football game in Austin Thanksgiving Day.

Gus Kaiser is on the sick list, but is getting along nicely at this writing.

Mrs. Ragland and daughter, Miss Didia, made a trip to San Antonio this week.

Mr. and Mrs. T. A. Duderstadt made a trip to Yancey Thursday, returning Saturday evening.

Ruth Duderstadt and her cousin, Lois Duderstadt, judged poultry at Reservation last Saturday.

Roy Kemp has a very painful hand, caused from local infection. He had it lanced by a surgeon Monday.

Mr. and Mrs. Francis of Kerrville drove to Mountain Home Monday night in their new Ford touring car.

Mrs. Delight Tassin attended the Parent-Teachers' meeting in San Antonio Friday and Saturday of last week.

Mr. and Mrs. J. C. Bratton and son, Pat, drove to Mountain Home Monday, where the men were successful in killing a few squirrels.

Marvin Hatch returned to the ranch Tuesday, having spent several days in Kerrville with his family. His son, Gerald, is very sick with the "flu."

Florence and Eula Smith are staying at Mack Henderson's place, while Mr. and Mrs. Henderson are in Kerrville with Bailey, who is in the Secor Hospital.

Mr. and Mrs. Ivy R. Heffernan gave a party Thanksgiving night for the young folks of this community. Sandwiches, coffee and cake were served to about 35 guests.

Dr. Stone of Junction passed through here with Charles Montgomery of Noxville, who was suffering with acute appendicitis, en route to the Secor Hospital at Kerrville.

F. H. Nelson was called to the bedside of his brother, W. H. Nelson, on the Divide, who was suffering from heart trouble Wednesday night. The sufferer was much better at the last reports from him.

Incidentally quite a crowd gathered at Gus Kaiser's home last Sunday. They were Mr. and Mrs. Gus Sprout and family, Fred Nye of Kerrville, Mr. and Mrs. J. A. Peril and family, Mr. and Mrs. Estes and family, J. S. Andrews of Brownwood, and Mr. and Mrs. Leslie Cobb and family.

Thursday morning, November 27, Douglas Knox died at his home at Mountain Home. He was seriously ill only a few days before the end came, but was conscious until the very last and talked to his family and friends, who waited upon him. His family was all around him in his last illness and all that loving hands could do was done to relieve his suffering. He was buried at Noxville Friday at 2 o'clock. The sympathy of this entire community goes out to his wife and family in this, their sorrow, in the loss of a father.

Card of Thanks

We want to thank each and every one of their many kindnesses, help and sympathy during the sickness and death of our beloved husband and father. MRS. DOUGLAS KNOX AND FAMILY.

ANOTHER OLD TIME HILL COUNTRY PIONEER PASSES TO GREAT BEYOND

(Continued From First Page)

Austin. She was visiting another daughter, Mrs. W. R. Caldwell, at Yoakum, when death came.

Surviving her are her sister, Mrs. J. A. Parsons, of Houston; and nine living children, as follows: John W. Vann, San Antonio; Mrs. Mary Burney, Lytton Springs; Mrs. W. R. Caldwell, Yoakum; Thomas Vann, San Antonio; Mrs. W. S. Brown, Runge; Mrs. John R. Wright, Kenedy; Mrs. Ernest McElroy, Austin; Mrs. W. R. Spruiell, El Paso, and B. L. Vann, Gregg. One son, Murry Vann, is deceased. Besides these there are 20 grandchildren, among whom are Charles Vann and Mrs. Amy Wallace of this city, and five great-grandchildren.

Brief private funeral services were held at Yoakum last Friday and again in Austin Saturday, the body being laid to rest beside that of her husband, her grandsons acting as pallbearers.

The Sun joins with friends of the family in paying respects to her memory.

SHEEP SHOW SALE DATE SET AT UVALDE

Uvalde, Tex., Dec. 1.—The quarterly meeting of the Board of Directors of the United Goat and Sheep Raisers' Association was held in this city last week, at which time it was voted that the next annual show and sale be held at Camp Wood on the first Thursday, Friday and Saturday of August, 1925. Nine of the fifteen members of the board were present at the meeting.

A motion was unanimously carried requesting the secretary to send an invitation to South African Stud Breeders' Association to meet and sell their bucks at the next annual show at Camp Wood.

The meeting also went on record as opposing the selling of wool and mohair on the backs of animals or individually, and favoring collective marketing, it being held that individual marketing is detrimental to the industry.

A motion also carried that the organization go on record as opposing any imported sheep being allowed taken out or shown without first being dipped, also that no imported sheep would be allowed to be exhibited at the annual show without being dipped.

Plans were made for the annual show next fall and it is planned at this time to devote the mornings of each day to be turned over to amusements only and the evenings to be given over to the purpose of show and auction sales.

By motion this city was again selected as the next meeting place, the meeting to be held during the month of February, 1925, the exact date to

be announced later by the president of the organization.

J. L. Gulley, president, presided at the meeting Friday, and in the absence of the secretary, Tom Reid, M. R. Thalman of Bandera acted as secretary pro tem.

The members of the board who were present at Friday's meeting were J. L. Gulley, M. R. Thalman, W. B. Patterson, W. H. Rawlings, Fred Whisenhunt, Sam Cooper, C. C. Risinger, R. N. Padgett and Ed Mansfield.

TWO MEXICANS SHOT IN GILLESPIE COUNTY

Fredericksburg, Tex., Dec. 2.—Ignacio Castillo, a Mexican living in Gillespie County, was shot through the lower part of the abdomen and through the arm, Sunday morning about 4 o'clock, by a young Mexican named Vega, following a Mexican dance at Stonewall, about 16 miles from Fredericksburg. Castillo stepped from the hall out into the road and was met by Vega who said, "You are the man I am looking for," and fired two shots from a .32-caliber pistol. No trouble had occurred between the two men before this time.

However, it was learned that Castillo and Vega's father had had some difficulty previously.

A Mexican standing near the scene of the tragedy was accidentally shot through the shoulder. Castillo was immediately removed to Johnson City for an operation. Sheriff Alfred Petmecky and his deputies arrested Vega at his home, two miles from Stonewall, soon after the shooting. After an examining trial before Justice of the Peace A. W. Petmecky Monday Vega was placed under a \$3,000 bond to await the action of the Grand Jury.

STATE TEACHERS' MEETING ENDS AT SAN ANTONIO

San Antonio, Nov. 30.—Bringing to a close one of the most successful conventions ever held, the Texas State Teachers' Association adjourned Saturday after a full three-day program which was attended by approximately 6,000 teachers, an attendance which broke all records for the association. A series of resolutions attacking the giving of school teaching positions to unqualified persons was adopted. A motion which would have given teachers an additional four years in which to comply with the certificate law was defeated.

The association attacked the present system of appointment of county superintendents. An outstanding feature of the convention was the adoption of a resolution favoring establishment of a State Board of Education of nine members. The members of this board would be non-political and non-official.

Fear that dissension would be started in the association by the introduction of a resolution attacking

the Texas free textbook law and recommending its abolition was dispelled when M. A. Connon, Lancaster, author of the resolution failed to present it to the executive committee. Cannon Friday declared that because of the "gross waste and the exorbitant prices paid for textbooks" he would present to the teachers a resolution calling for the abolition of the free textbook law, except for those financially unable to buy their own books.

BIG CROWD TO ATTEND HEART OF TEXAS MEET

Fredericksburg, Tex., Dec. 2.—The Heart of Texas District convention of the West Texas Chamber of Commerce to be held at Fredericksburg next Monday, December 8, promises to be a big success. R. A. Highsmith, convention manager of the West Texas Chamber, has just completed his tour of the towns in the districts and reports large delegations coming from all sections. Some 400 or 500 business men are expected at the meeting, 14 cars had been signed up from Coleman last week and both the Brady and Coleman bands have promised to be at the convention.

Llano, Coleman and Ballinger have already expressed their intention of trying for the 1925 convention and it is very probable that other towns will enter the contest. The proceedings of the convention will be broadcast over the radio by the Southern Equipment Company of San Antonio.

MANY APPLICATIONS ARE RETURNED FOR CORRECTIONS

From the records of the War Department, according to the Adjutant General of the Army, more than 300,000 applications have had to be returned to the veterans for correction.

Of the causes that made it necessary for the applications to be returned "Forgot to sign the application" probably heads the list, with more than half the total number.

Other principal causes of return of the applications are the following: Signatures not identical.

More than one beneficiary named. Death certificate does not accompany application when veteran dies out of service.

Evidence of appointment of guardianship missing in cases where it is necessary for the guardian to make the application.

Failure of the dependent to make the affidavit.

Finger prints omitted.

Finger prints not legible. A veteran should not forget to submit his application as delay may mean less value to his final compensation, as the date of application determines the date from which his age for insurance is determined. The older the insurance age the less insurance the adjusted compensation will buy.

It is important for the Government that all applications that are to be submitted, be submitted without delay in order to cut down the clerical force as soon as possible and reduce the final cost of the compensation to the taxpayer.

The veteran who fails to sign an application before his death does not leave his widow or other dependent the full value of the advantages offered by the Adjusted Compensation Act, for instance:

Should a veteran who is entitled to the maximum adjusted service credit of \$925.00 die without filing his application, his widow or other dependent within the restricted class, will receive that amount only in ten quarterly installments, while if he filed his application prior to his death his beneficiary will receive approximately \$1,580.00 in one cash payment.

An old Lettish proverb reads: "He who cares for the land will be fed by the land."

Ingram High School Echoes

On the initiative of the Ingram High School faculty, acting on the suggestion of the principal, R. M. Stovall, a box supper was given at the school house building Friday night, November 28, for the express purpose of raising funds with which to buy books needed for the library. The supper netted \$68.60, a large part of this amount being raised by the school boys by reason of the sportsman-like spirit in which they bid on the boxes. Another contributing factor to the success of the affair was the contests over the "prettiest girl" and the "ugliest man". In the former the prize cake was carried off by Miss Ida Archer, and in the latter the prize cake went to the jolly auctioneer and general spokesman of the occasion, Charley Henderson, who generously shared his winnings with Roy Littlefield, one of the trustees; R. M. and F. L. Stovall and several others.

MOTOR BUS SEAT TAX FOR TWO YEARS DUE

San Antonio Express, December 3: The tax of \$4 a seat on motor buses and livery automobiles for both 1924 and 1925 must be paid, according to information received Tuesday by County Tax Collector John A. Bitter from the State Highway Department. Payments must be made by January 1.

The tax is in addition to the regular license fee and was attacked last year by operators of the vehicles involved and injunctions obtained restraining collection of the tax. Since that time the seat tax has been upheld by the Supreme Court, the letter from the Highway Department said. County attorneys in counties where injunctions have been granted should file motions to dissolve the injunctions, the letter said.
