

BY BILL ELLIS

THE ATTEMPTED assassination of President Ford last Friday is disturbing, in that we had hoped that the spectre of assassination had passed from the American scene for awhile.

However, it apparently is still a threat. With more than a year of presidential campaigns to go before the 1976 elections, we fear that this threat upon the lives of those in the limelight will once again hinder what should be an exciting time in our nation's history.

What really is disturbing, however, is the supposed origin and reason for the assassination attempt. According to a friend of the would-be assassin, Mr. Ford was being singled out because he was "polluting the air."

A wire story carried in the nation's press this past weekend quoted Sandra Good as saying that there would be a number of assassination attempts against the lives of the heads of some of the nation's leading industries, who are "killing our air."

There are a lot of sick people in our country, and the tragedy is that some of them decide to play God. They have become so "hopped up" on their fanatic beliefs that they can no longer distinguish between right and wrong, to the point that our national leaders' lives are threatened.

WE MENTIONED earlier that this year marks the tenth anniversary of Houston's Astrodome, which was the world's first large domed stadium.

We read this week that four other such structures are opening or will open within the next few years.

New Orleans' Superdome is the biggest, and has been much in the news of late. Apparently, the New Orleans structure had had its share of problems, as one could easily imagine, due to the size of such a project. However, it is now virtually completed, and will be used by among others, the New Orleans Saints of the National Football League.

Also opened this year is a domed stadium in Pontiac, Michigan. Others are under construction at Seattle, Washington and Montreal, Canada. The Montreal stadium is being pushed to completion to seat 70,000 fans for Olympic Game events in 1976.

WITH OUR RECESSION supposedly over and a period of "recovery" underway, we saw some interesting figures this week dealing with the economy today as compared to late 1973, when the recession's start was pegged.

Employment dropped only 1.4 per cent. People's incomes actually grew by 10.4 per cent, although spending was down 7.4 per cent in mid-1975, compared to late 1973.

Farmers' incomes were down 39 per cent. Retail sales were down 4.3 per cent. Auto sales dropped 23.8 per cent. Home building dropped by 34.3 per cent. The cost of living increased 15.8 per cent.

According to all of the experts, the nation's economy is supposed to be starting an upswing.

SURE SIGNS that it's fall: The Blade's football contest is underway, and Emmett Tabor is in the lead.

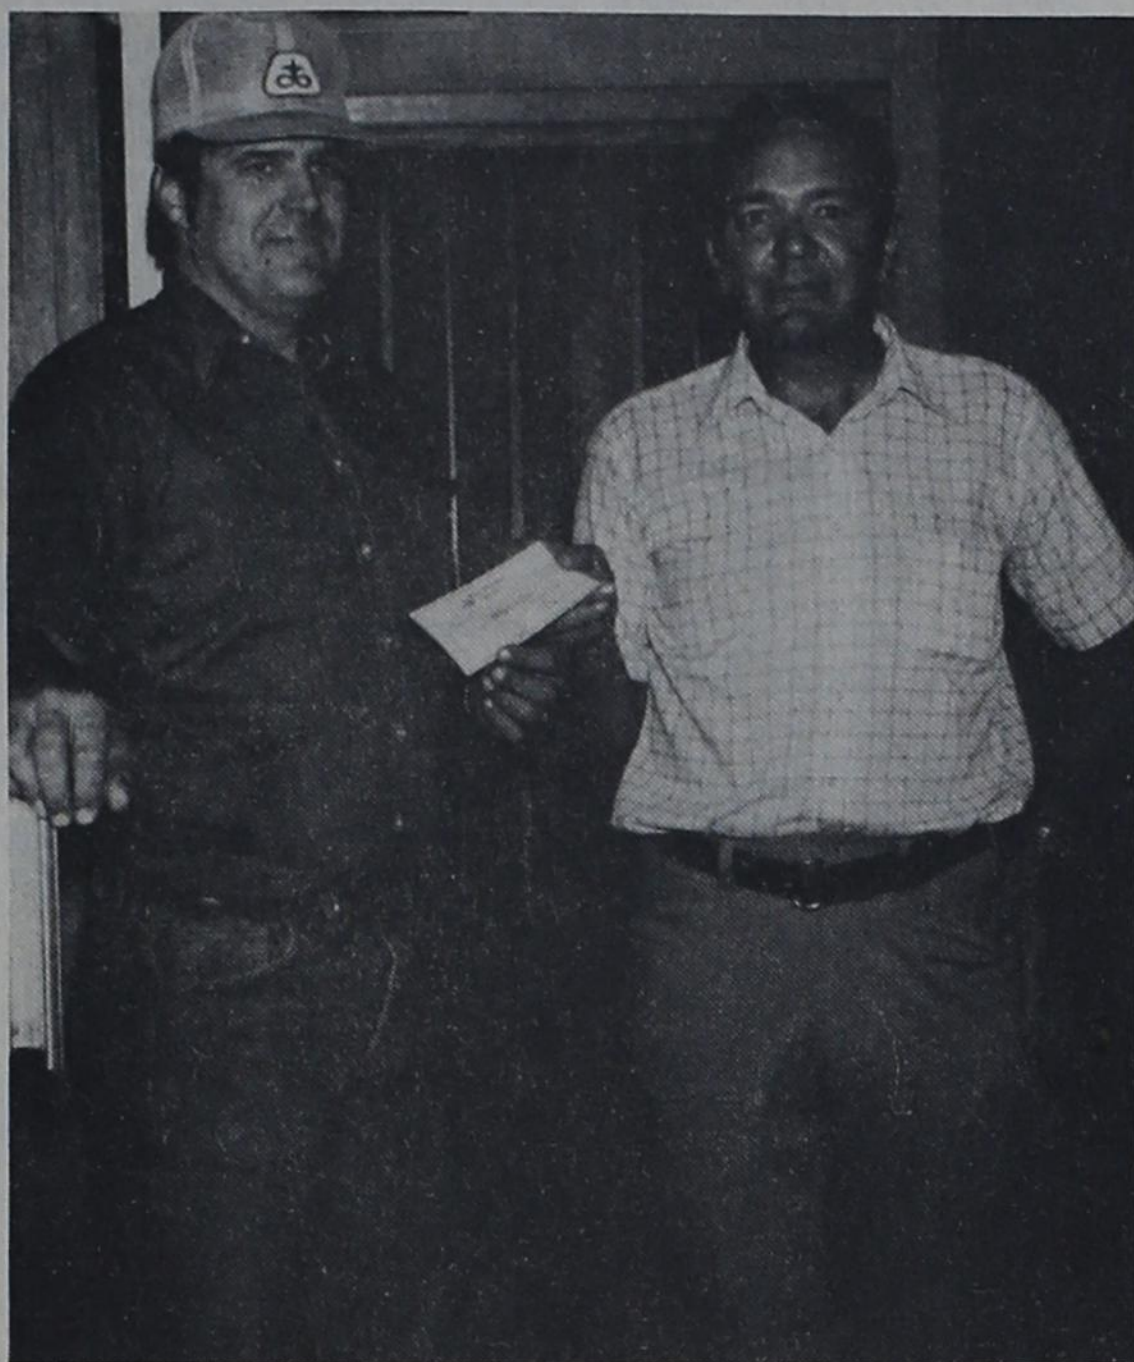

Last year's champion picked up right where he left off by winning the first week's contest this year with a score of 12. He capped it off by hitting the Bovina-Boys Ranch score right on the head.

Emmett must subscribe to the theory that if you are in the lead, you don't have to take as many chances!

WE ARE PUBLISHING in this issue the text of seven proposed constitutional amendments which voters will be asked to approve or disapprove on November 4.

It would be well for readers to take the time to familiarize themselves with these proposed amendments, so that they won't be hit so cold come November.

FIRST LOAD OF CORN...Tom Ware, left, accepts a \$25 premium check from Harry Johnson of Sherley Grain Company for delivering the first load of 1975 corn to the elevator. Ware delivered the corn Wednesday afternoon of last week.

Thomas Rhodes, also of Bovina, combined the corn from Ware's home place west of Bovina. Harvested from a field which had been hit by a recent hail storm, the corn was dried before bringing it into the elevator.

'Old Pro' Tabor Wins First Week's Contest

Emmett Tabor proved last week that he hasn't lost his touch in predicting the outcome of football games by taking first place in the first week of the 1975 Bovina Businesses Cotton Bowl Football Contest.

Tabor, who won the grand prize in 1962 and again last year, was one of three contestants with 12 correct predictions out of the 14 games listed in the contest. However, he won on the tiebreaker prediction by picking Boys Ranch to defeat Bovina's Mustangs, 26-0, which turned out to be the exact score of the gridiron opener.

Tabor is the only contestant to win the grand prize twice in the 15-year history of the Bovina Businesses Cotton Bowl Football Contest.

Tabor was awarded \$7.50 for winning first place. Don Spring took second place money of \$5. Spring predicted a Boys Ranch victory, 14-6, 18 points off the actual 26-0 score. Mrs. Ruth Newell of Muleshoe took third place prize money of \$3.

She predicted a 21-14 Bovina win, 32 points off the actual score.

Tabor missed the outcome of the Vega and Groom game and the tie between Plains and Morton, as did all contestants. Spring missed the same two games. Mrs. Newell missed the West Texas State and Wichita tilt and the tie game.

Some 180 contestants entered the first week of the '75 contest, as compared to 161 in '74. Of the remaining contestants, seven predicted the outcome of 11 out of 15 games, 39 had 10 correct, 46 had nine correct, 43 had eight correct, 26 had seven, 14 had six, one had five and one contestant had four correct predictions.

The majority of the contestants missed the win by Class B powerhouse Groom over District 3-A Vega, the Claude win over Happy

(Bovina's next opponent) and the Muleshoe win over Dimmitt. A large number of contestants failed to predict the Wichita State win over West Texas State and a surprisingly large number of contestants missed the Baylor win over Mississippi.

Contestants with 11 correct predictions included Richey Brantley of Canyon, Johnie Horn, Twyla Lusk, Linda Marcom, Charleton Newell of Muleshoe, Billy Smith and Dennis Willard.

Contestants with 10 correct predictions were Joe Blatchford, Cecil Bunch, John Caldwell, Dixie Carson, Ronnie Cary, Wesley Cockerham, Tommy DeLeon, Wilson DiCuffa, Kenny Estes, Susan Garner, Mike Grissom, Carla Harris, Lavoida Hawkins, Ola Lee Jones, Jeanne Kerby, Jacque

SET SATURDAY

Entries Due Friday For Buckaroo Rodeo

Deadline for turning in entries for the CowBelle-sponsored Little Buckaroo Rodeo is 5 p.m. Friday, announces Mrs. Tony Neal, general chairman of the second annual rodeo.

The rodeo will begin at 4 p.m. Saturday in the Bovina Roping Arena.

Four horseback and 16 foot events for youngsters 12 and under are scheduled. Entry fee is 50 cents for each event.

Entry blanks may be picked up and deposited at Bovina Supermarket and Don's Medicine Chest or turned into Mrs. Sonny Jones.

All-around trophies, based on points, will be given contestants in four age groups. Ribbons will be awarded through sixth place in all events with the exception of the scrambles.

Six money ribbons will be awarded in each calf scramble with the winner in the greased pig scrambles keeping the pig.

The CowBelles will operate a concession stand at the roping arena and will sell fresh, homemade barbecue sandwiches, Frito pies, hot dogs with homemade chili, brownies, cookies, soft drinks and coffee.

A baby animal auction will be held following the final event with a pony, lamb, bunnies and Banties to be auctioned by Tiny Walling of Bovina and Ted Walling of Hereford.

Admission to the Little Buckaroo Rodeo will be \$1 per car.

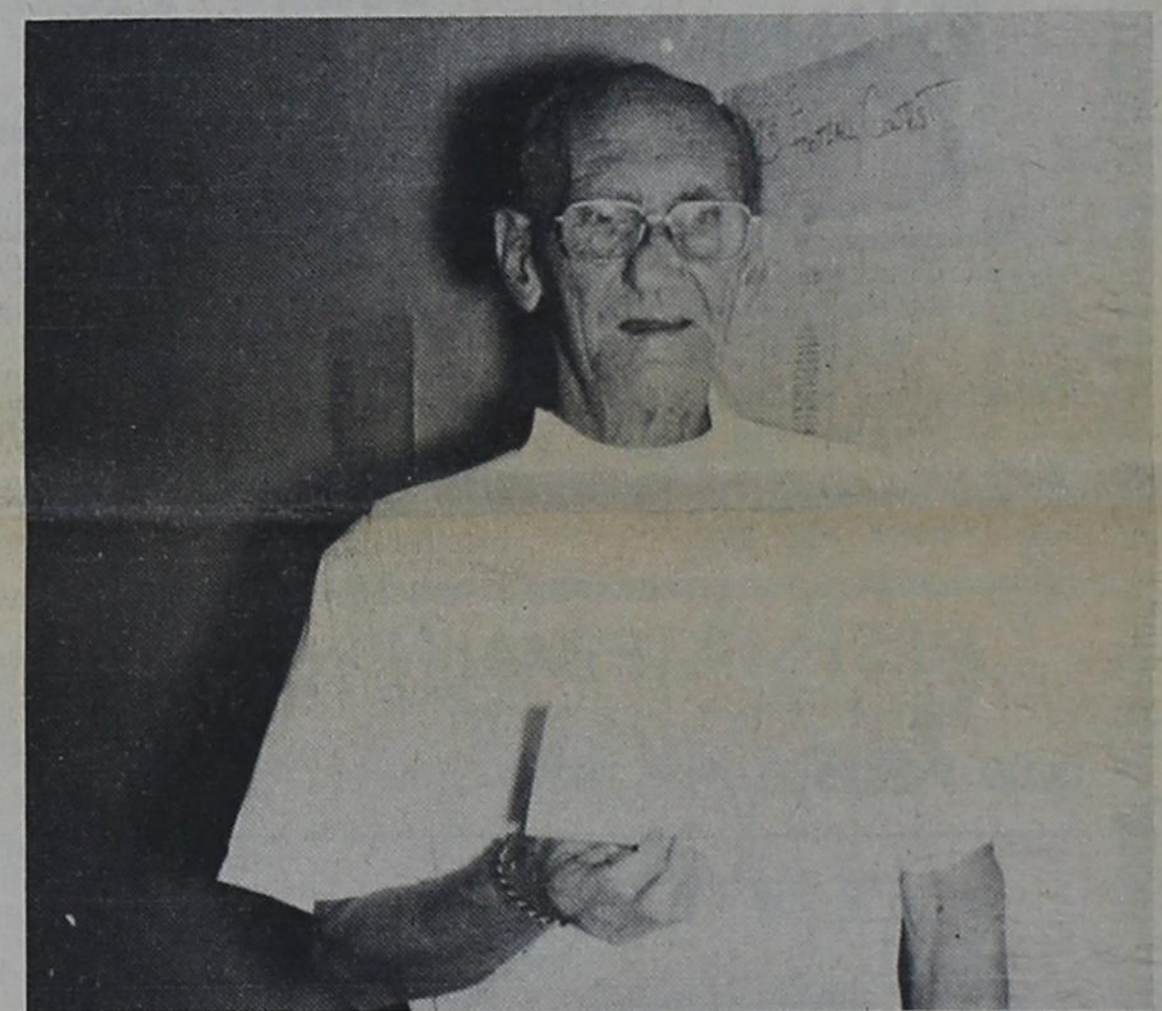

Events on the Little Buckaroo Rodeo slate include goat ribbon races, 7-9 and 10-12 age groups; stick horse races, three and under and 4-6

(bring your own stick horse); father-son three-legged races, 4-6, 7-9 and 10-12 (for this event, youngsters may "adopt" a father); mother-daughter three-legged races, 4-6, 7-9 and 10-12 (for this event, girls may "adopt" a mother); potato races, 4-6, 7-9 (horseback event);

Also, goat ribbon races, three and under, 4-6, 7-9; water bucket obstacle course, 4-6, 7-9, 10-12; calf scramble, seven and under, 8-12; greased pig scramble, 4-6, 7-9, 10-12; and team calf ribbon tying, 10-12.

Don Gartin of Muleshoe will be at the arena taking action photographs during the rodeo. Photos may be purchased from him at a later date. "Rugged little buckaroos are urged to sign up for the rodeo."

THE OLD PRO...Emmett Tabor, to hardly anyone's surprise, copped the \$7.50 first place money in the first week of the 1975 Bovina Businesses Cotton Bowl Football Contest last week. Tabor, Don Spring and Mrs. Ruth Newell of Muleshoe picked 12 of the 14 games

on the contest slate, however, Tabor's tiebreaker prediction of 26-0, the exact score of the Bovina-Boys Ranch game, was good for the first place money. Tabor, who won the first contest in '74, is the only two-time winner in the 15-year history of the contest.

'Mr. Yuk' Campaign Set; Jaycee-Ettes Sell Photos

Bovina Jaycee-Ettes, in cooperation with Billy Whitecotton and Billy Smith at the Bovina Supermarket, will be distributing "Mr. Yuk" stickers this week, according to Mrs. Winston Allison, chairman of the "Mr. Yuk" campaign.

The stickers are designed to discourage small children from playing with, and possibly consuming, harmful substances. "If parents

will point out the stickers to their children and explain that the product within the container tastes bad and will harm them, we feel it will make an impression on the child," Mrs. Allison commented.

Members of the Jaycee-Ettes will place "Mr. Yuk" stickers on containers of bleach, insect poisons and other dangerous materials at the Bovina Supermarket, Mrs. Allison noted.

Allison noted.

Mrs. Allison, chairman of the MD Carnival, reported that the organization raised \$100 at the Bovina carnival recently. The money was sent to the Jerry Lewis Muscular Dystrophy Telethon. "We wish to express our thanks to the people of Bovina for helping make the carnival a success again this year," Mrs. Allison said.

The Jaycee-Ettes have individual and group photographs of the Little Miss and Miss Baby Doll contestants which were made during the Bull Town Days Pageant.

Prints may be viewed and ordered at Horn Insurance Agency, according to Mrs. Ken Horn. The photographs must be paid for when ordered, she said. The five-by-seven color prints are being sold for \$3 each. Deadline for ordering is Saturday, Sept. 20, at noon.

The Jaycee-Ettes pastry wagon will be making its rounds in Bovina beginning at 10 a.m. Friday, Sept. 19.

Members of the organizations will be calling on businesses that day with cakes, pies, cookies and other baked goods for sale.

Band Sets Bulb Sale, Car Wash

Members of the Bovina High School Mustang Band will be taking orders for light bulbs Tuesday and Wednesday of next week, according to Susan Hefflin, reporter for the band. The group will deliver the bulbs within a week.

Proceeds from the sale will be placed in the band's trip fund.

The Mustang Band has accepted an invitation to march in the parade at Lubbock Monday, Sept. 22. The parade will open the 1975 South Plains Fair.

Miss Hefflin reported that each band member planning to go on the band trip next spring must raise \$40 through band projects. A number of projects will be planned this year with different band members assigned to work on the money-

making projects. The first such project will be a car wash Saturday at the fire station on North Main Street.

Eleven-thousand dollars for a bale of cotton? According to studies made at the University of Texas, that's the value of a bale by the time it reaches the retail trade in the form of all cotton shirts. The same study indicates the value of the cotton increases more than five times after being processed into fabric. Obviously catching the ear of cotton producers, this economic message has succeeded in making them more aware of the importance of milling and fabric production. Feather Fabrics, Inc. is a joint venture between Lubbock area producers and a Dutch textile plant with the operation all ready underway. Farmers in the Littlefield area are planning to open their own 30 million dollar textile plant within the next two years. At least four other groups in the prime cotton producing country are looking toward similar operations and even more could be announced before the end of the year.

Rosalind Hay, Dr. Randy Jones Wed In Ft. Lauderdale Church

Miss Rosalind Elizabeth Hay of Ft. Lauderdale, Fla., and Dr. Randy Paul Jones of Plainview exchanged double ring wedding vows at 7:30 p.m. Saturday, August 9, in the Melrose Park United Methodist Church in Ft. Lauderdale.

Parents of the couple are Mr. and Mrs. William Turner Hay of Ft. Lauderdale and Mr. and Mrs. Paul Taylor Jones of Bovina.

Rev. Julius Byers read the wedding vows before the altar and pulpit which were decorated with arrangements of purple and orange asters, white daisies, yellow miniature carnations and asparagus fern. Palm trees backed the floral arrangements.

Dr. Volkail, organist, presented traditional wedding selections and accompanied Mrs. Carolyn Coolege as she sang "Follow Me" and "The Wedding Song."

Escorted to the altar and presented in marriage by her father, the bride selected a Priscilla of Boston ivory formal gown. The gown was designed with brief sleeves and its bodice was applied in lace. Matching lace trimmed the veil which trailed past the train of the gown. The bride carried white orchids trailed with yellow and white roses and greenery.

Carrying out tradition, the bride's bracelet was something old, something new was her necklace, something borrowed was a ring from her bridesmaid and something blue was the garter.

Miss Martha Jane Hay of Ft. Lauderdale, sister of the bride, was maid of honor. Bridesmaids were Miss Kay Hamilton of Kingsport, Tenn., Miss Cordelia Flowers of Dothan, Ala., and Miss Connie Gill of Marietta, Ga. Bridesmatron was Mrs. Judy Contner Pagnard of Bellvue, Ohio.

The attendants wore formal mint green gowns with empire waistlines, V-necklines and jackets which tied under the bodice and were designed with caped sleeves. They carried bouquets of summer flowers with accents of yellow.

Jones served as his son's best man. Groomsman were Gary Justice of Longview, Dr. Francis Williams Jr. of Ft. Valley, Ga., Lane Gober of Bovina and Curtis Carter of Austin.

Dr. Williams and Carter lighted the candles. Miss Karrie Klimas of Ft. Lauderdale was flower girl.

For her daughter's wedding, Mrs. Hay selected a long-sleeved organdy shirtwaist in light brown with a floral patterned stripe in green, pink, yellow and blue. She wore matching accessories and a corsage of pink roses.

Mrs. Jones selected a mint green formal gown designed along princess lines with long, fitted sleeves and a draped cowl neckline. She wore matching accessories and a white orchid with yellow accent.

The couple greeted guests at a reception at the Lauderdale Isles

MRS. RANDY PAUL JONES

Yacht Club. Summer flowers and palm trees decorated the dining area. A buffet dinner was served.

For a wedding trip to Abaco Island in the Bahamas, the bride selected a tan pantsuit with brown top stitching, matching accessories and a purple orchid lei.

The bride is a 1974 graduate of Emory University in Atlanta, Ga. Dr. Jones, a 1967 graduate of Bovina High School, is a graduate of Texas Tech University at Lubbock and Emory School of Dentistry in Atlanta. He is currently practicing with Dr. Irvin Gaynor in Plainview.

The couple will be at home after Sept. 15 at 2816 B Edgemere Drive in Plainview.

A rehearsal dinner and party, hosted by Mr. and Mrs. Jones, was held in the home of the bride's parents prior to the wedding ceremony.

A buffet dinner of boiled shrimp, roast beef, potato salad and all the

trimmings were served on the patio to 55 guests.

The dinner tables were covered with brown and white plaid cloths and centered with summer flowers in brass buckets and candles.

In addition to members of the wedding party, guests attending the dinner were Gabe David Anderson III, Mr. and Mrs. Gregg Wilson and Mr. and Mrs. Daryl Kirkpatrick, all of Bovina; Dr. Frank Collura, Ms. Kay Colson, Mr. and Mrs. James Gibson and Tommy Norris, all of Houston; Dr. M. Drennan Dobbs Jr., Dr. and Mrs. James Allen Goettl and Mr. and Mrs. Myrick Shinall, all of Atlanta, Ga.; Dr. George L. Richards and Mr. and Mrs. Glenn Mee of Miami, Fla.; Mrs. Michael Baur of Tulsa, Okla.; Mrs. Ray Coleman and Angie of Adel, Ga.; Tom Garrett of Palm Beach, Fla.; Mrs. Gary L. with the National Livestock and Meat Board, will be the speakers for the event.

Miss Hager will demonstrate meat preparation including the proper preparation of each cut and, especially, economical cuts of beef.

HOSPITAL NOTES

Word has been received in Bovina that Mrs. M.D. Durham is in University Hospital in Lubbock, Room 110. She has been a patient there about five weeks, suffering with complications from a serious illness.

Mrs. Durham is a former resident of Bovina. Rev. Durham was pastor of First Baptist Church of Bovina.

Mrs. Houston Hoover of Bovina is a patient at Methodist Hospital in Lubbock. She is expected to undergo surgery.

Mrs. Mac Glasscock was dismissed last week from a Lubbock hospital after undergoing major surgery. She is recuperating at her home here.

Read this new version of The Little Red Hen in a recent edition of The Farm Journal. The author is unknown, but he or she should step forward and claim the distinction.

"Once upon a time, there was a little red hen who scratched about near the grain bins and uncovered some grains of wheat. She called her neighbors and said, 'If I plant this wheat, we will have bread to eat. Who will help me plant it?'"

"Not I," said the cow. "Not I," said

the duck. "Not I," said the goose. "Then I will," said the little red hen. And she did.

"The wheat grew tall and ripened into golden grain. 'Who will help me reap my wheat?' asked the little red hen. 'Not I,' said the duck. 'Out of my classification,' said the pig. 'I'd lose my seniority,' said the cow. 'I'd lose my unemployment insurance,' said the goose.

"Then it came time to bake the bread. 'That's overtime for me,' said the cow. 'I'm a dropout and never learned how,' said the duck. 'I'd lose my welfare benefits,' said the pig. 'If I'm the only helper, that's discrimination,' said the goose.

"Then I will," said the little red hen. She baked five loaves and held them up for her neighbors to see. They all wanted some, even demanded a share. But the red hen said, 'No, I can rest for a while and eat the five loaves myself.'

"'Excess profits,' cried the cow. 'Capitalistic leech,' screamed the duck. 'Company flunk,' grunted the pig. 'Equal rights,' yelled the goose. And they hurriedly painted 'Unfair' picket signs and marched around the little red hen, shouting obscenities.

"When the government agent

came, he said, 'You must not be greedy, little red hen.'

"'But...but,' said the little red hen, 'I earned the bread.'

"'Exactly,' said the agent. 'That is the wonderful free enterprise system; anybody in the barnyard can earn as much as he wants.'

"And they lived happily ever after, including the little red hen, who smiled and clucked, 'I am grateful. I am grateful.' But her neighbors wondered why she never baked any more bread."

We have learned over the years to respect, even though we may not like, people in positions of authority who strive diligently to treat everyone with the same degree of fairness. On the other hand, we have come, especially since we began working with the public, to hold in utmost contempt "small" people (who have somehow managed to obtain some degree of authority) who use that authority to "get at" other people, especially those who are unable, for one reason or another, to adequately defend themselves.

Am beginning to understand why and how ulcers develop. Must continually remind ourselves to just

relax and repeat...and, this too, shall pass.

Been intending to mention how much we liked the air show during Bull Town Days.

We were thoroughly impressed by Ted Stallings' performance and then doubly thrilled by the aerial stunts of World Champion Marlon Cole. However, that could be because we've always been fascinated by airplanes and one of our most serious ambitions as a kid was to learn to fly. Alas, that turned out to be one of those ambitions that age, and lousy eyesight, made impossible, from a practical standpoint.

We overheard some of the younger kids talking at the air show and was sorely disillusioned, though. Heck, they had seen better things on television!

That darned boob tube has destroyed many a thrill for today's kids. They don't appreciate watching real life, dangerous stunts—either in the air or on the ground. What they don't realize is that most of what they see on TV is fake, fake, fake! A good part of what they see is really impossible, but television has convinced them otherwise, and that's a shame.

PARALYSIS OF LIBERALISM

In an age when preachers are trying to be sensational, instead of spiritual; shocking, instead of scriptural; cute, rather than correct; clever, instead of clear; different, rather than doctrinal; unusual, in the place of unerring; we truly need to return to the basics of fundamental soundness of the Gospel! A double portion of Joshua 1:7 and II Timothy 2:15, would cause us to hold a straight course in the Truth, which alone can make us free from the paralysis of liberalism.

When we will speak only as the oracles of God (I Peter 4:11), and contend

earnestly for the faith (Jude 3), and cease seeking the vain glory of men (John 2:15-17) the creeping paralysis of liberalism can be halted. We do not need to relax the laws of God (Matt. 5:19 RSV); but do need to redouble our efforts to obey the commands and to present them clearly without apology, to the world. It would be a blessing to the world if preachers everywhere would tell it as it is! We need more truly GOSPEL preachers and fewer forked tongues!

Clayton Sets Visit To Parmer County

Bill Clayton, Speaker of the Texas House of Representatives, will be in Castro and Parmer Counties on Wednesday and Thursday, Sept. 24 and 25, to discuss the proposed new Texas Constitution with area residents. On Wednesday, the 24th, the Speaker will have a meeting in the Community Room of the Security State Bank of Farwell from 5 until 5:45 p.m. He will meet in the Friona High School Cafeteria from 6:15 to 7 p.m. on the same day. Another meeting will be held in Dimmitt on Thursday, the 25th, from 8:30 to 9:30 p.m. in the Castro County Exposition Building.

Speaker Clayton, who is from Springlake, will comment on the proposed constitutional revisions and will answer any questions people might have on the new charter.

"I'm looking forward to talking with the people in my district about the effect the new constitution will have on us West Texans," said Speaker Clayton.

After a revised constitution failed to win majority approval by the 1974 Constitutional Convention.

Citizens will be able to read and study the proposed constitution in full because every registered voter in the state will receive an information booklet on the constitutional revision. The booklet will contain the full text of the proposed constitution, background information, and an outline comparing the present and the proposed documents. It is being mailed the second week in September by the Secretary of State's office.

What is an annuity? How does it apply to insurance?
 Literally, an annuity means an amount payable at regular intervals. Annuities and life insurance have functions which are directly opposite. Life insurance protects the beneficiaries while the annuity provides income to the insured. An annuity is a guarantee between a life insurance company and an individual, using assigned rates and mortality tables, whereby the company agrees to pay a specified income to the annuitant. Effectively, there is an annuity built into every life insurance policy... with settlement options in which you may take the cash value of the policy at time of retirement as an annuity, receiving a monthly income for life.

MR. AND MRS. JAMES MITCHELL FRANSE

Smycox - Franse Vows Read In Oklahoma Lane

Miss Susan Elizabeth Symcox and James Mitchell Franse exchanged wedding vows Saturday, July 26, in the Oklahoma Lane Baptist Church.

Parents of the couple are Mr. and Mrs. Vernon Smycox of Oklahoma Lane and Mr. and Mrs. Ralph Franse of Farwell.

Carl Coffey of Sayre, Okla., read the double ring vows. White bridal cloth between rows of apricot flocked daisy sheer bows led to the satin covered kneeling bench which was underneath an ivy-covered wedding arch. The arch was accented by a large bouquet of apricot Killian daisies with scattered daisies and satin bows on the sides of the arch. The arch was flanked by twin seven-branch candelabra holding apricot tapers entwined with English ivy and satin bows. A mixed arrangement in apricot and white atop the organ completed the setting.

Escorted to the altar and presented in marriage by her father, the bride selected a formal gown designed with a fitted bodice accented by a lace-edged V-neckline, high-fitted lace trimmed midriff and long sleeves gathered at the wrist. Matching lace accented the hemline of the gown which swept into a chapel length train. The bride wore a two tiered mantilla with chapel length veil of tulle with eyeliner trim featuring a fingertip veil of tulle edged in lace. She carried a bouquet of lily of the valley and white stephanotis accented by apricot regar florettes creating the cascade and surrounding the phalaenopsis orchid interlaced with ivory satin streamers with love knots and four wedding bands.

The four wedding bands on the bouquet, belonging to the bride's grandmothers and great-grandmothers, served as something old. Something new was her wedding ensemble; something borrowed was a diamond necklace belonging to Mrs. Avis Carpenter and diamond earrings belonging to Leslie Lunsford. Carrying out tradition, the bride wore a blue garter.

Mrs. Lunsford was matron of honor. Bridesmaids were Miss Beverly Foster of Oklahoma Lane and Miss Joyce White of Farwell. Miss Katrina Cain of Farwell, niece of the bride, was flower girl.

The attendants wore formal gowns of apricot chiffon featuring squared necklines and gathered midriff waistlines trimmed in lace. They wore Southern Belle hats accented with apricot streamers and baby's breath and carried silk apricot roses, baby's breath and satin

apricot streamers.

Miss Cain wore a formal gown of white with fully gathered skirt covered by a mint green flocked organza pinafore. She wore a mint green satin bow enhanced with baby's breath in her hair and carried a white basket filled with flower petals.

David Garner of Lubbock was best man. Groomsmen were Johnny Franse, brother of the bridegroom, and Thad Phillips. Ushers were Roland Hillock of Clovis, brother of the bride, and Steve Franse, brother of the bridegroom. Ring bearer was Chad Smycox of Childress, nephew of the bride. Barry Goldsmith and Mike Deel lighted the candles.

For her daughter's wedding, Mrs. Symcox selected a pink formal gown. She wore matching accessories and a phalaenopsis orchid corsage accented with pink tubing leaves.

Mrs. Franse selected a seafoam green formal gown with ruffled chiffon jacket. She wore a lime satin trimmed phalaenopsis orchid corsage.

Music was provided by Peggy Sudderth, organist, and soloists Gail Dale of Muleshoe and James Symcox of Childress, brother of the bride. Ms. Dale sang "The Wedding Song" and joined Symcox in a duet of "More." Symcox sang "Color My World" as the bride and groom lighted the unity candle.

The couple greeted guests at a reception in the home of the bride's parents.

The serving table was centered with an arrangement of assorted flowers in apricot and mint with apricot tapers in crystal holders. The three-tiered cake was decorated with apricot roses and cherubs and served with mint punch. Presiding at the table were Ms. Sandra Watkins and Ms. Debra Redwine of Oklahoma Lane, Mrs. Kim Rundell of Bovina and Ms. Roxanne McDonald of Lubbock.

Members of the houseparty included Ms. Judy Murray of Hereford, Ms. Janice Cain and Ms. Gloria Hutchins, sisters of the bride, Ms. Marcy Hillock of Clovis and Mrs. Della Symcox of Childress, sisters-in-law of the bride. Guests were registered by Laura Lancia of Lubbock, cousin of the bridegroom.

For a wedding trip to Ruidoso, N.M., the bride selected a three piece yellow pantsuit.

The bride is a 1974 graduate of Farwell High School. Franse, a 1973 graduate of Farwell High School, is employed by an irrigation supply firm. The couple will reside in Farwell.

IN GRIDIRON OPENER

Roughriders Romp Over Ponies

The Boys Ranch Roughriders lived up to their nickname Friday night, riding roughshod over Bovina's Mustangs, 26-0, in a fumble-marred opening game for both squads.

The Roughriders received the opening kickoff but could only pick up six yards in the opening series of downs before punting to the Mustangs.

The elusive pigskin changed hands eight times, five of those on fumbles, before Boys Ranch put the first points on the scoreboard with two minutes remaining in the first quarter.

The Roughriders drove the ball from the Bovina 38, after recovering a Mustang fumble, to the three yard line before losing the ball on downs. On the Mustangs' third play from scrimmage, with the ball on the five yard line, the slippery football escaped once again and an alert Roughridger pounced on the pigskin in the end zone for the touchdown. Boyd Garrett ran over the extra points to put Boys Ranch in the lead, 8-0.

Garrett got the Roughriders on the scoreboard once again before the first half ended when he scored from 17 yards out on a double reverse with 3:52 remaining in the second quarter. On the extra point attempt, the snap from center was fumbled and Boys Ranch went to the dressing room at halftime with a 14-0 lead.

The Ponies came out at halftime and started with a bang with Gerald Shelby running the kickoff back to the 23 yard line. From there Halfback Clint Cox picked up two, Fullback Ray Martinez 10, Halfback Tommy DeLeon five and six yards, Shelby seven and Martinez 25 yards to the Boys Ranch 18. An alert Boys Ranch defender broke through the line on the next play, batted down a pitchout and the Maroon drive was killed.

Putting the ball into play on their own 28, the Roughriders took 13 plays to score with Garrett going over from one yard out. The P.A.T. attempt failed and Boys Ranch owned a 20-0 lead with 1:56 remaining in the third quarter.

A costly, seldom-called clipping penalty against Bovina on a Boys Ranch punt early in the final period gave the Roughriders the ball on the Maroon 35. From there, the visitors scored in five plays with Richie Farrell taking a pitchout and heading down the left side of the line for a nine yard scoring jaunt. The extra point attempt again failed and Boys Ranch led, 26-0, with 8:17 left to play.

The Mustangs, although obviously downhearted in the final stages, still refused to die, driving to the BR four-yard-line before losing the ball on downs with a fourth and goal from that point.

The Ponies picked up 79 yards rushing in the first half to 134 yards for the visitors. In the second half, Bovina picked up 71 on the ground and 50 yards on a pass from Quarterback Dennis Willard to DeLeon while the Roughriders picked up 108 on the ground and 26 through the air.

Martinez was the workhorse for the Ponies with 76 yards in 12 carries. Cox toted the ball eight times for 48 yards. DeLeon ran with the ball 10 times for 38 yards and picked up 50 on the pass play for 88 yards total. Shelby picked up seven yards on one carry and Tommy Serna picked up nine yards in two carries.

For the Roughriders, Butch Bawcom carried the ball for 70 yards and Daniel Rains picked up 85 yards to lead his team.

"We were down, but not out at halftime," said Coach Joe Christian this week. "We thought we could still win at that point."

"Defensively, our boys played a pretty good game the first half except for a couple of plays—that double reverse did catch us by surprise," he commented.

"If we could have scored early in the second half when we had the ball on their 18, we would have been in good shape," Christian mused. He noted the team did let down mentally after that, but emphasized that he wasn't discouraged and thought the team would be back and ready to play this week.

The Mustangs did suffer a costly injury in the game. Senior Tackle

Joe Olvera, a stalwart on offense and defense, suffered a broken finger and will be out of action from three to five weeks. Christian said he hoped it would only be three weeks.

Christian noted that some good performances were turned in by his squad and emphasized that most of the mistakes on the field were mental, "certainly not from lack of hustle."

Center Duane Mitchell and Martinez were cited for their offensive efforts. Mitchell, according to Christian, handled his blocking assignments well and "...he did a good job on the Boys Ranch noseguard all night."

Defensively, Christian cited John

Caldwell, defensive end, and Tommy Serna, the Mustangs' monster-man.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11)

SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary, is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, nonprofit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the FINANCE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

effective January 1, 1979.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Ponies Bucking For Win Friday

Bovina's Mustangs will travel to Happy Friday night for their first of three games on the road before returning to Mustang Field Friday, Oct. 10.

The Cowboys from the town without a frown and the Ponies will each be licking their wounds after suffering losses in the season openers. Happy was upset by Claude, 20-6, while the Mustangs were losing to AA Boys Ranch, 26-0. Happy, able to muster only one victory against nine defeats last year, should be improved on quickness and attitude, but still reportedly lack the depth, size and speed necessary for a championship in District 2-B North Zone.

The Vega Longhorns, however, only defeated Happy 2-1 in a pre-season scrimmage according to Mustang Head Coach Joe Christian. "We might have a slight edge in experience and depth, but Happy has a slight advantage in size and we are looking for a tough football game Friday night," Christian commented.

Returning to the Cowboys from last year's team are Mike Todd (5-8, 160), senior guard; Donnie Oler (5-5, 160), senior guard; Dennis Bell (6-1, 165), senior end; and J. T. Henry (5-10, 145) junior end. Three

sophomore linemen saw enough action last year to letter, including Ronnie McDonald (5-8, 140), Jim Bob Sims (6-2, 220) and Sammy Moore (5-8, 140).

Backfield men returning are Terry McDonald (5-10, 165), senior quarterback; Keith Dietz (5-10, 140) senior halfback; and Eddie Joe Pearson (5-11, 137) junior fullback. The four top head hunters in Coach Cleve Vessels' split-6 defense are McDonald and Bell, defensive ends; Todd, a guard; and Dietz, a half-back.

Christian said the Mustangs would key offensively and defensively on Pearson, deemed as the best running back and best defensive man on the Cowboy squad.

Friday night's game, set to begin at 8, will be the second of five non-conference games on the Mustangs' schedule. The Ponies will meet Lazbuddie, Plains and O'Donnell before opening District 3-A action with Farwell at Mustang Field on Friday, Oct. 17.

The Ponies suffered a costly injury in the Friday night game against Boys Ranch, losing Tackle Joe Olvera, who suffered a broken finger, Christian said Olvera would be out from three to five weeks with the injury.
