LONGTIME RESIDENTS cannot recall a time when the weather was more agreeable for this time of the year.

By this time a year ago, the area had experienced a couple of good-sized snowfalls, accompanied by cold spells, which caused you to have to bundle up when you went outside, and fairly curtailed outside activity for a time.

The cotton farmers are glad that the weather this time around is unseasonably warm, because they needed the late-season break in order to get their cotton harvested.

Maturing of the cotton crop was delayed earlier in the fall by rains which caused prolonged growth. This caused the harvest of the cotton crop to be later than usual.

Having "Indian Summer" run into December is nice for shoppers, who are well into the Christmas shopping procedure. But for some of us, who are prone to put off Christmas shopping anyway, the summerlike weather just makes it worse. It's hard to think of jingle bells when the temperature outside is 75 degrees.

We may have to pay for this warm weather later when winter arrives, but for the present, we will just enjoy it as long as we can.

THE USE OF MODULE builders during the cotton harvest has made for quite a change in the harvest of this crop. It is quite a sight to drive around the countryside and see the cotton modules in the field. They look like "cotton boxcars," all parked neatly in rows.

The modules have a number of advantages, foremost of which is allowing the farmer to get his cotton harvested and out of the field. At one time, the farmer was at the mercy of the gins, and had to wait on trailers during their busy season.

Especially this year, with the late crop, it would be a maddening situation to be waiting for trailers, with all of the sunny weather, with the realization that the pretty weather can't go on forever, and our first big snow cannot be too far away.

Other advantages of building the cotton modules include the fact that the cotton is tightly packed, and is not as susceptible to rain or snow as, for example, a harvested trailer load of cotton.

Ginning the modules cuts down on work at the gin, since each module contains eight to ten bales of cotton. This also reduces trips to and from the gin.

One ginner told us the other day that with all of the advancements being made, he would not be surprised if someday there might be a machine which would go into the cotton fields, strip and gin the cotton, and kick out the completed bales, much like bales of hay are produced today.

This type of machinery is not a threat to cotton gins within the next generation or so, and considering what such a machine would cost, may not ever come about.

But it's an intriguing idea.

A FRIEND OF OURS (by the way, with English blood, lest you think we're being unduly cruel to the royalty) tells us that there has already been a name selected for the royal baby, being expected by Prince Charles and Lady Diana.

"Since the baby's father is named Prince, and its mother is named Lady, they are thinking about naming the baby "Rover," is the revelation by our source, who prefers to be unnamed. (And with a joke like that we're glad to grant her wish).

• There is nothing either good or bad but thinking makes it so.

Pheasant Season Set December 12-27

The 1981 Pheasant season will kick off next Saturday morning, December 12.

Once again, the season will be two weeks in duration, spanning three weekends. Final day of the season will be Sunday, December 27.

The bag limit will remain the same as in years past: two cocks per day and four in possession. Only the cock pheasants are legal game.

A good hunting season is anticipated. Jack Patterson, spokesman for the pheasant season, said that although he had not seen quite as many pheasants in his home area of the Rhea Community, that he had heard other county residents say that they had seen at least as many as usual for this time of the year.

A large influx of hunters is expected for the opening weekend of the season next weekend.

A contest for the hunter turning in the longest tailfeather will be held, sponsored by the Parmer County Game Management Association. Details on where to turn in the feather entries will be announced next week.

Texas followed the lead of its neighboring state, New Mexico, with the passage of House Bill 1421, which authorized the formation of Operation Game Thief. Concerned citizens may call a 24-hour toll-free number, 1-800-792-GAME, to report flagrant violations of Texas' wildlife and fish laws.

Since implementing its game thief program in 1976, New Mexico has collected over \$79,000 in fines and paid almost \$40,000 in rewards.

Trespassing laws have been stiffened with HB 717 upping criminal trespassing from a Class C to a Class B misdemeanor. In addition, if the offender carries a deadly weapon, he can be charged with a Class A misdemeanor.

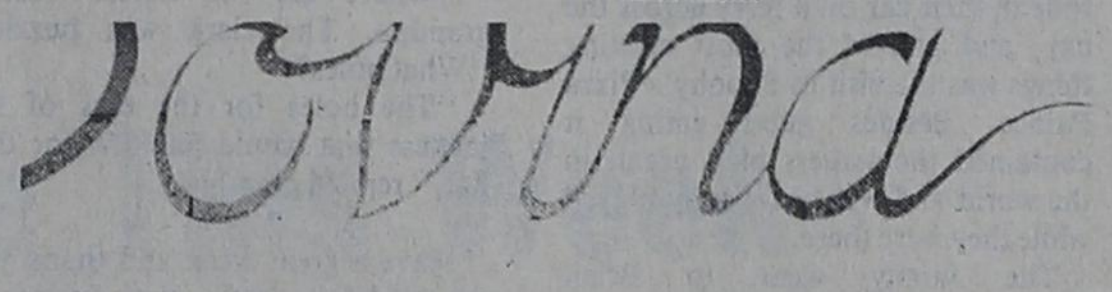

Notice has to be present before a person can commit criminal trespassing. Notice is given in three ways: (1) oral or written

communication by owner of property; (2) presence of fencing to exclude intruders or contain livestock, or (3) sign posted on property indicating entry is forbidden.

Under the Texas penal code, a Class C misdemeanor carries a maximum \$200 fine. However, trespassers convicted under the new law, under a Class B misdemeanor, will face a possible \$1,000 fine and/or 180 days in jail.

If the offender carries a deadly weapon, and most hunters do, the Class A misdemeanor can cost up to \$2,000 in fines and up to a year in jail.

No public funds will be used in the Operation Game Thief program. More than \$20,000 in donations from individuals and organizations have been received to get the program started, according to Harry Tennon of Fort Worth, the operation's first chairman.

SUPER PLAYERS.... These three Mustangs were named to the all-district team, first team. Senior Ricky Shepherd was a unanimous selection on both offense and defense. The players are, left to right, Mark Teague, tackle; Ricky Shepherd, wide receiver and defensive back; and Richard Shepherd, runningback.

C-C Directors Discuss Seasonal Projects

Six members of the Bovina Chamber of Commerce and

Agriculture met in regular monthly session Wednesday, December 2 at noon in the Bovina Restaurant.

Present at the meeting were Billy J. Charles, Steve Sherrill, Bubby Marshall, Suez Smith, Scooter Russell, Norma Whitten and Blade editor, Janet Wilke.

Acting as president in the absence of Kenneth Gaunt, Bubby Marshall conducted the meeting and among items discussed were the Christmas Home Decoration Contest in Bovina and also in Friona, where Bovina Chamber of Commerce members will serve as judges. Also discussed was the possibility of having a pheasant hunters' breakfast, sponsored by the Chamber and who would be selected and asked to serve as Santa Claus to hand out the Christmas goodies at the Elementary School prior to Christmas break.

Members at the meeting were favorable to the idea of perhaps trying to have a pheasant hunters' breakfast this year, if the arrangements could be made in time and if it met with approval with the Chamber president.

There will be an additional story if the Chamber decides to take on this project.

It was stated at the meeting that the Bovina Lions Club would be sponsoring the Home Christmas Decorations Contest here and the Chamber would not be the sponsoring unit for this. There had been some question in the past meeting about whose responsibility this event was.

Christmas Card Project Underway

Project Christmas Card is underway in Bovina and the Bovina Women's Study Club will be acting as sponsors of the project.

All proceeds from the project this year will go to the land fund for the Bovina Clinic.

It was reported that the amount of \$1784.00 had already been secured for the land fund, but an additional \$3,000 more is still needed to meet the financial obligations.

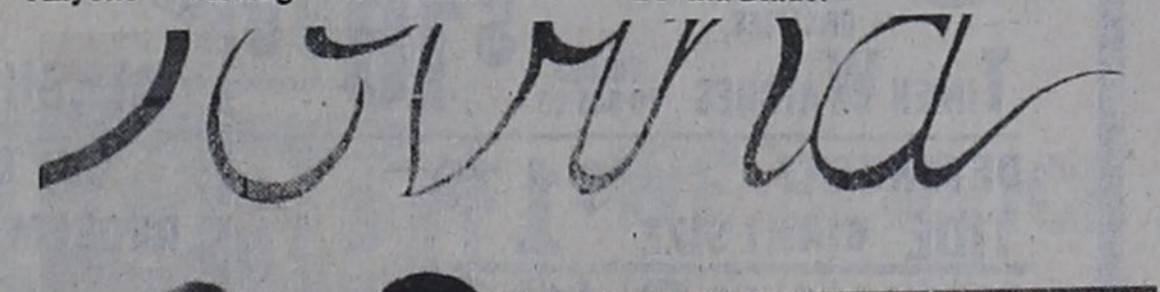

A deadline of December 18, the Friday one week before Christmas will be set for all contributions. Anyone wishing to make a

contribution must get their donation in by that date.

All residents are asked to donate the amount of money they would ordinarily spend on mailing Christmas cards to friends and neighbors and contribute this amount to the project.

Donations are being taken at the First State Bank in Bovina, and all contributors are asked to sign the way they want their name to appear in the newspaper when they make their donations.

Names of all contributors will appear in the Christmas edition of the Bovina Blade.

SECOND TEAM.... These three Bovina players were named to the second team in all-district selecting for the past football season. They are, left to right, Charlie Trimble,

guard; Edward Chisom, right end; Joe Black, wide receiver; Marty McCowan, defensive lineman and Richard Shepherd, defensive back.

SENIOR FOOD SHOW WINNERS.... Shown are the senior food show winners from the County 4-H Food Show held at Lazbuddie Saturday. These 4-H members are: Devera Rhodes, Traci Zoth, Melanie Gallman, all of Friona and Maureen Jesko of Lazbuddie. They will advance to the district contest in Lubbock Saturday.

IN FOOTBALL

Seven Mustangs Are All-District

Seven members of the 1981 Bovina Mustangs made All-District honors, it was reported Monday.

Making the first team were Mark Teague, tackle, Ricky Shepherd, wide receiver and defensive back and Richard Shepherd, runningback.

Named to the second team were Charlie Trimble, guard, Edward Chisom, tight end, Joe Black, wide receiver, Marty McCowan, defensive lineman and Richard Shepherd, defensive back.

Bovina's own Ricky Shepherd was named Player of the Year in the district, and this recognition was well deserved by the Bovina senior who re-wrote nearly all the record books at Bovina High School this year.

Ricky Shepherd, who was a unanimous choice on both offense and defense, made 139 receptions in his career, for 2431 yards and 27 touchdowns and three two-point conversions. He averaged 17.50 yards per catch.

He was the fourth all time Texas receiver and fifth in both season total receptions and receiving yardage. In 1981 alone, Shepherd was third best in yardage gained (1355 yards) and has caught at least one touchdown pass in the past 14 games.

Mark Teague, senior tackle, was recognized for his sixty-one tackles for the year, and also for averaging 6.1 tackles per game, as well as for his extra effort.

Sophomore Richard Shepherd was cited for his 150 carries for the year which totaled 1193 yards and nine touchdowns. He threw for one touchdown. Richard also was recognized for his efforts in the reception department, as he was cited for 17 receptions for the year for 226 yards, which averages 13.3 yards per catch.

Kress placed eight on the first team all district list, followed by Bovina's four, Vega's six, Farwell's three, Hart's two and Springlake's one.

Lions To Sponsor Decoration Contest

The Bovina Lion's Club will be hosting a Home Decoration Contest from now until December 18.

Cash prizes will be awarded to the winning entries, and these will range from \$35 for first place to \$25 for second place and \$15 for third place.

Entries can be brought by the Blade and placed in an available envelope if the office is not open.

Lions officials will come by each day and retrieve the entries.

Judges will make their selections by December 21 and all homes which are

to be considered in the judging should leave their lights on outside their homes until at least 10 p.m. so the judges can see the display.

The winning home will be announced in the Christmas edition of the Blade, and those needing additional information on this project can contact either Rouel Barron or Gaylon Rhodes.

Entry blanks can be found in this edition of the paper and they will also be available in the next edition as well.

Scooter's Scoops

Jim and I enjoyed a good week with my sister and brother-in-law, Jane and Jeff McBeth of Colorado Springs and also my mother Mrs. West of Hereford. Coming by for a short visit were my brother Fred and my sister-in-law, Dixie West of Moriarty, New Mexico. We all had a good visit and had Christmas a little early.

We want to congratulate the Floyd Englant's on the birth of their thirteenth grandchild. He was born December 5 in the Parmer County Community Hospital and his parents are Randy and Renee James. He has been named Mathew Craig. He has a big brother and sister, Marsha and Tommy. His great-grandmother in Bovina is Bessie Webb.

Jerry Ware spent Thanksgiving with son Jimmy and family in San Antonio, Texas. She and Ruby Wilson went to East Texas Sunday before Thanksgiving and spent a few days there with their families.

The Wares traveled to Dallas and picked up Linda (Jim's daughter) who is a student at Texas Tech and traveled on to San Antonio where they spent Thanksgiving with Jim's daughter Jeri. She is enrolled in Physical Therapy School at U.T. in San Antonio.

Ruby and Jerry returned home last Tuesday, December 1.

Longtime friends of the Floyd Damrons visited recently in their home, Bart and Marge Straite of San Bernardino, California.

The Straites attended with the Damrons their daughter Tami's wedding which was held November 28 in Lubbock.

Visiting this week in their home was Floyd's cousin, Ann of Las Cruces, New Mexico.

The Tom Caldwell's had lots of company over Thanksgiving: daughter Cindy and Jim Duntley of Denver, Colorado; son John of Liberal, Kansas; Skeet's mother, Mrs. Brown of Clovis, and her aunts and uncle, Perlie White and Louis and Lorraine Brocharo, all of Clovis.

Several of our people and their guests enjoyed games of volleyball Friday following Thanksgiving. The games were played in the High School and those who were there were: Alan and Thomas Rhodes, Skeet and Tom Caldwell, Jim and Cindy Duntley, John Caldwell, Bill and Bruce Caldwell, Ronnie Cary, David Brown, Virginia and Robin Rhodes, and Alton McCormick.

Stuart McMeans has been on leave from the Marines and visited recently with his grandparents in Bovina, Reagan and Joe Looney. Stuart is a Captain in the U.S. Marine Corps and is stationed in Hawaii. He is the son of June and Bob McMeans of Amarillo and spent his 'growing up' years in Bovina.

Joe Harris treated his two grandsons, Michael Shepherd and Roger Harris to a trip to Clovis last Saturday to watch the Clovis Wildcats play Hobbs, New Mexico. It was an exciting game, I'm told, with Clovis winning 27-7.

Bobby Cumpton flew to Dallas to watch the Hereford Whitefaces play Fort Worth Eastern Hills in the Texas Stadium in Irving.

Bobby's son, Don, is the coach at Hereford High School and it was all very exciting as Hereford won with a score of 28-16. Other members of Bobby's family who were with her were: Bobby's daughter-in-law and grandsons of Hereford, Linda, Brent and David; her daughter and family,

Nancy, Erick Perkins and their children, Sharon, Russell, and Jeffrey; daughter Patsy and Bill Bain and children, Laura Beth and B.J.; and Bobby's son Rex of Amarillo.

Bobby told me Hereford would be playing Richardson Lake Highland in Jones Stadium at Lubbock this Saturday evening at 7:30 p.m. and this will be the Semi Finals.

She said she saw several Bovinians at the Texas Stadium and some were former Bovinians. They were Rocky Hance, Mac Glasscock, Dickie Clayton, Roger Ezell, Roy Stone, Gene Pruitt and son, Tally and Brenda Kelso.

Anyway she said it was a very exciting evening for all of them.

Sid and Elbert Lloyd, Julia Moody and poodle Buffy, and Jerry and Elyse Ward recently made a fun trip to Brian, Texas where they visited with Sid's son and family, Don and Myrna Lloyd. While there they did alot of sightseeing. They went to Houston during this time and watched the ships come and go, also rode in their car on a ferry across the bay, and one of the most exciting things was the visit to Skooby's Pizza Palace. Besides good eating it contained the largest pipe organ in the world and was beautifully played while they were there.

The family went to Brian Wednesday before Thanksgiving and came home the following Sunday.

Barbarete Sikes attended funeral services in Hamilton for her brother, Morton Jameson, a week ago last Sunday. Barbarete's daughter Kathy said her uncle suffered a heart attack on a Monday and died the following Friday.

Edna Minyen's brother Lloyd Sufferfield is hospitalized in San Diego, California. Edna said he had a blood vessel burst in his stomach on a Sunday morning and underwent eight hours of surgery to correct the problems it had caused then the following Saturday had to undergo surgery again to correct blockages to his legs. She said they were keeping in touch and very anxious.

A. Smith Honored

Tammy Dameron, Terry Reed Exchange Vows In Lubbock

Miss Tammy Diane Dameron of Bovina became the bride of Terry Gordon Reed of Lubbock in a double ring ceremony held November 28 in St. Luke's United Methodist Church of Lubbock.

Dr. Lloyd Hamilton of Wilson officiated at the ceremony. Tammy is the daughter of Mr. and Mrs. Floyd Dameron of Bovina. Reed is the son of Mr. and Mrs. E.W. Reed of Lubbock.

Given in marriage by her father, the bride wore a white formal length dress with long sleeves and a Queen Anne neckline, with the top of the dress and the sleeves made in venice lace and pearls. She wore a cathedral length train and veil trimmed in venice lace on the edges.

She carried a cascade of white cymbidium orchids and stephanotis accented with English ivy.

For the traditional "something old, something new," the bride wore her grandmother's ring for something old

and her wedding gown was new. She borrowed pearls from her aunt and wore the traditional blue garter.

Given in marriage by her father, she was attended by Donna Ruzicka of Lubbock.

Bridesmaids were Debbie Hanson of Lubbock, Carol Loe of Spur, niece of the bride, and Mrs. Brenda Kirkpatrick of Bovina.

E.W. Reed served as his son's best man and groomsmen were Bert Rose, Tim Benham and David Gallagher, all of Lubbock.

Ushers were Jay Pickering of Lubbock and Todd Loe of Spur, nephew of the bride.

Kelli Sabbe of Crowell, a niece, and David Lee of Spur, a nephew, lighted the candles.

Heath Sabbe of Crowell, nephew of the bride, was the ring bearer. Flower girl was Nicole Meason of Amarillo.

Rhonda London of Bovina registered the guests.

The church was decorated with a pair of brass heart-shaped candelabras, which were paired with a pair of white mums and carnations in bouquets.

At each end of the altar were a pair of seven-branched brass candelabras. A pair of palms in front of the podiums stood in front of the altar. Along the aisles in the front three pews were marked by single candelabras of brass trimmed with English ivy and white bows.

The maid of honor wore a dress of persimmon, which was floor length and made with satin featuring a scooped neckline and sheer split sleeves. Shoes matched the color of the dress. Bridesmaids wore floor length dresses that matched the maid of honor's dress in design, but were apricot in color. They carried nosegays of peach and persimmon silk flowers outlined with white lace backgrounds and featured streamers of satin peach ribbon.

Headpieces were silk roses trimmed with baby's breath.

Mrs. Floyd Dameron wore a formal length dress of mauve crepe with a pleated skirt and featured a chiffon jacket.

Her corsage of maroon and white silk flowers was accented with baby's breath trimmed in mauve satin leaves.

Mrs. E.W. Reed wore a powder blue formal length dress of crepe which was accented by long sleeves of chiffon. Her corsage was made of

light and dark blue flowers of silk with baby's breath and blue satin trim as accents.

The male attendants were attired in gray tuxedos with pin striped pants and white pleated shirts with wing tipped collars. They also wore black velvet vests and black bow ties.

Each wore a boutonniere of silk rose buds each trimmed with baby's breath.

The groom wore a white tuxedo with a pleated shirt, white tie and white satin vest. His boutonniere was a stephanotis trimmed with greenery.

Music was provided by Mrs. Don Smith and Mrs. Kelley Eubanks of Lubbock, organists. They sang "The Wedding Song," "The Lord's Prayer" and "With This Ring."

The registry table was covered with a white satin cloth which had a bud vase of apricot silk roses and the bride's book on it. Rhonda London,

of Bovina presided at the guest registry.

The ring bearer wore a white tuxedo with a white shirt, tie and satin vest. He carried a white satin pillow trimmed with venice lace and apricot and persimmon flowers in one corner. His boutonniere was silk roses trimmed with baby's breath.

The flower girl wore a white formal length dress of chiffon with a wide ruffle on the bottom, featuring a low, round neckline and a cummerbund belt with sashed waistline hanging to the floor. The dress featured long sleeves. She carried the same flowers as did the bridesmaids, except the bouquet was smaller.

After the vows were exchanged the soloist sang "The Lord's Prayer," prior to the exchanging of the rings.

A reception in the Fellowship Hall of the church followed the ceremony.

A table covered with white lace featured a three-tiered wedding cake of white with peach and persimmon flowers. On the other end of the table was apricot flavored punch.

Centering the table was a silk arrangement of white and peach flowers in a brass container.

Mrs. Carolyn Sabbe of Crowell, sister of the bride, Mrs. Pat Loe, of Spur, sister of the bride, and Sherrie Counts of Abilene were the servers.

A wedding trip will be taken in February by the couple, who will reside at 6109 38th Street, Lubbock, after November 29.

For her travel outfit, Mrs. Reed chose a rust wool pantsuit and matching sweater.

Phone someone this Christmas.

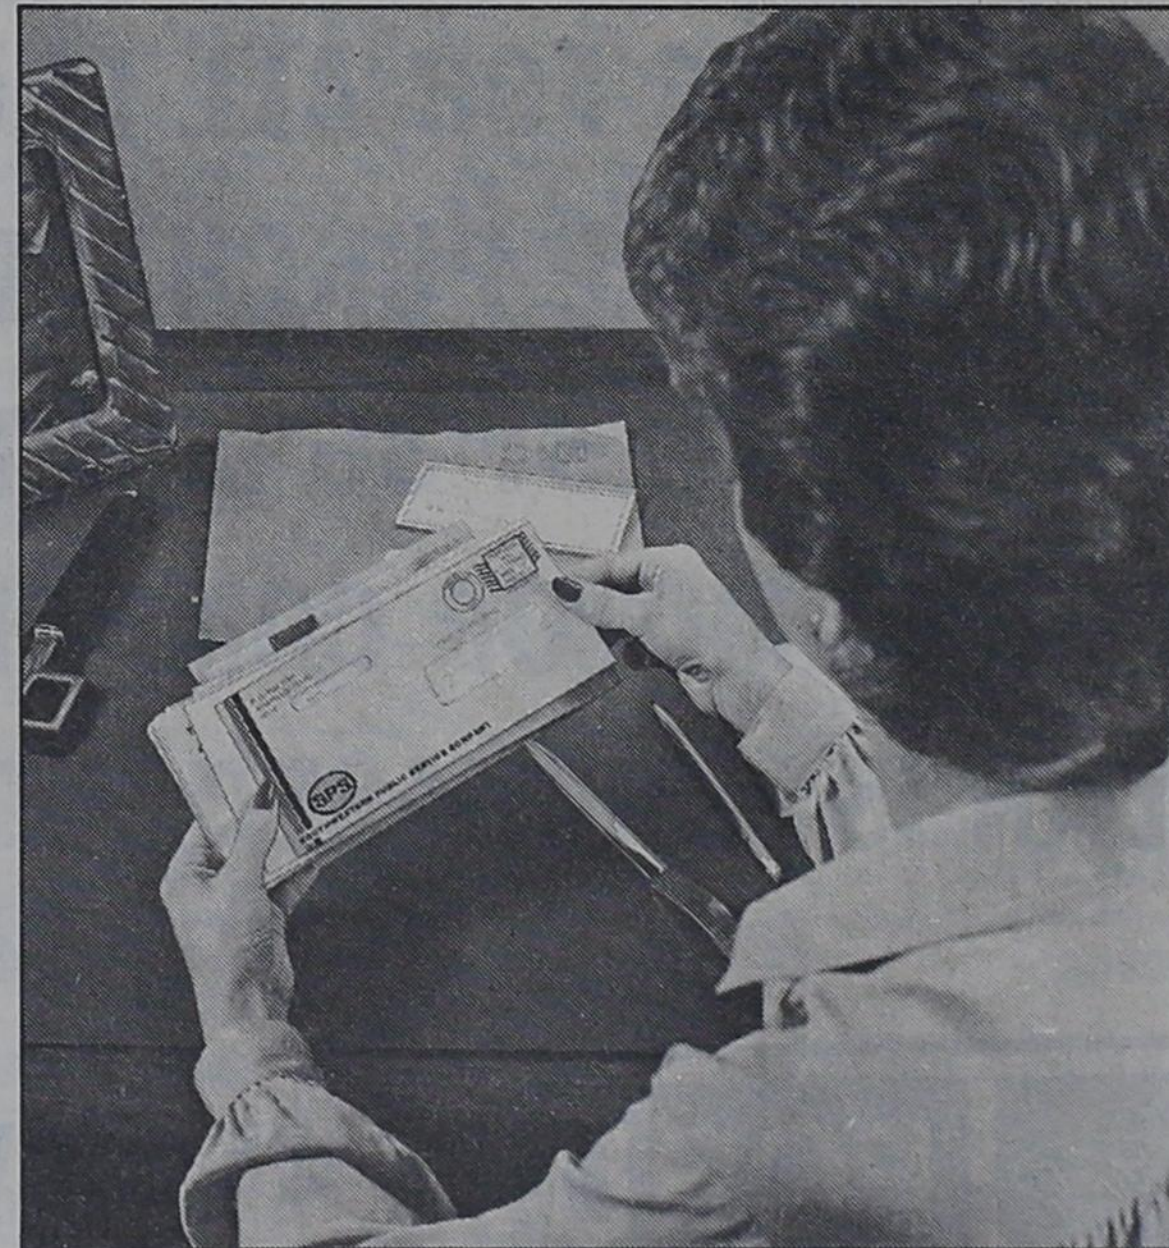

This year, say Merry Christmas with a phone from GTE. We've got phones that say it the old-fashioned way, phones that take the modern approach, and phones that stand on their own two feet (and come with their own two ears). What's more, you can actually take these phones home, wrap them up and put them under the tree. So call your local General Telephone business office. For a gift that really communicates.

General Telephone

What's an average day worth?

On an average day you probably get out of bed, adjust the thermostat, make a pot of coffee, cook breakfast . . . perhaps use the dishwasher.

Later, maybe you do a load of laundry and listen to the radio. Then you cook dinner and put the leftovers in the refrigerator. You may turn on the television or settle down in your favorite chair next to a lamp to read.

For all of you, all of this and more adds up to one day . . . just 1/30th of your average monthly electric bill.

Knowing what electricity is worth is worth knowing.

TOYA HUTTO and KENNETH WILSON...Mr. and Mrs. Gene Hutto of Bovina announce the engagement and approaching marriage of their daughter, Toya, to Kenneth Wilson, son of Mr. and Mrs. Doyle Wilson of Glen Rose. The wedding will be held in the home of her grandparents, Mr. and Mrs. Amos Steelman on February 6.

Sr. Citizens Host Bazaar, Bake Sale

The Bovina Senior Citizens went out of their way to make Christmas a delicious and delightful time of the year for Bovinians as they hosted a Christmas Bazaar and Bake Sale Friday, December 4 in the Community Room of First State Bank.

Homemade baked and canned goods of every description and gifts unimaginable were displayed by the Senior Citizens.

All the gift items were handmade and one could tell by looking that alot of thoughtful and careful work had gone into every gift.

Plenty of purchasers were on hand to carry out the gifts and goodies prepared by the group. Many carried out large paper sacks filled with the precious cargo.

Several customers were there to buy Christmas presents and everyone got a good buy on the lovely things which were offered.

There were others, however, who came just to see what wonderful things the Senior Citizens made for the bazaar. No one left empty-

handed. The proceeds from the bazaar and bake sale went to pay off the Senior Citizens Building in Bovina. Much of the money which had been made to make these payments was earned by the Senior Citizens themselves as they received little money from other sources.

Bovina Mustangs Win First; Fillies Second

Bovina's basketball team dominated the Sudan Invitational basketball tournament last weekend as the Mustangs won their division of the tourney and the Fillies took second place.

In the boys play, the Mustangs met Morton JV boys in the first game and triumphed, 50-46 in a close game.

Edward Chisom scored 19 points for Bovina, with Ricky Shepherd getting 11, and Richard Shepherd and Joe Black scoring eight points each.

Bovina came out in the first period and scored 17 points, which more than stacked up against Morton's eight; then by the half the Mustangs had a 30-23 lead.

In the third period of play, Morton seemed to be getting untracked as they were able to score 14 points, but Bovina had the momentum and had them down 46-37.

The Bovina bunch just kept the lead and did not allow Morton to take it from them.

In the second game of the series, which pitted the Mustangs against Sundown, Bovina slapped the Roughnecks 53-44.

Richard Shepherd, the sophomore sensation, came on and led the scoring with 18 points, and Ricky Shepherd had 11, with Bull Chisom getting 14 points.

The Mustangs came to play against Sundown as they took an early 17-7 lead in the first period and never relinquished it.

At the half, Bovina had the 'Necks down 26-16 and Sundown had plenty of catching up to do.

In the third period, Bovina widened still its lead over the Sundown team by a score of 35-29, but the Roughnecks could not find the key to win and the Mustangs looked as if they would sweep the tourney with another 53-44 win.

In the championship game, against Three Way, Bovina won with 17 points to spare, 67-50.

Richard Shepherd again dominated the game's scoring with 17 points, as

Ricky Shepherd had 16 and Bull Chisom, Joe Black and Greg McClaran each had 10 points.

In the first period, Bovina had a one point edge over the Eagles, 12-11, but were able to widen the margin by 15 at the half, 35-20.

In the third period Bovina found a little more room, 45-34 in which to take advantage of the Three Way team and the Eagles could never make up for the lost time, with the Mustangs victorious, 67-50.

GIRLS PLACE THIRD

Carrying on the winning tradition, the Bovina Fillies saw their first action in the Sudan Tourney with a game against Morton's ladies.

Bovina won easily 54-37.

Connie Shelby put 30 points in the bucket for the Fillies to lead in the scoring, and she was followed by Lisa Shepherd with 13.

Bovina took a two point lead at the end of the first period and turned it into a 15 point lead going into the fourth period, 43-28.

In the second game of the tourney, Bovina faced stiff competition against the Sundown gals, as Bovina barely won, 53-49.

Connie Shelby again decided that her purpose in life was to burn the net off baskets as she fired in 25 points to lead in the scoring. Lisa Schilling added 16 points to the Fillies' cause.

At the end of the first period, Bovina was behind by one point, 6-5 but came back and took a four point lead at the half, 26-22.

But, Sundown decided that they were not ready to lie down and roll over and took the lead back 34-33, and then there was overtime and the girls team each vied for the advantage, but the Fillies kept their composure long enough to win 53-49.

In the finals, Bovina could not handle a much tougher Sudan Hornette team, and fell 51-25.

Lisa Schilling and Lisa Shepherd had nine points each for Bovina and Randee Cupit scored six.

In the first period, Sudan had a six-point lead, which increased to a 12 point lead at the half.

In the third period, Sudan continued to increase their dominance over the Fillies by 39-21, and finally won it 51-25.

Connie Shelby led in rebounding with 12 offensive and two defensive rebounds.

Coach Paul Topliff said he had been pleased with the girls' play in the Sudan tourney and they were able to keep their composure in the Sundown win, which was a "plus."

The varsity teams played Dora, N.M. at Dora Tuesday, December 8.

Bovina Jr. High Boys Win Third

The Bovina Colts took third place in the Muleshoe Junior High Tournament last weekend.

In the first game of the tourney, Bovina boys met Muleshoe's second team and won the game 34-21.

Blake Scaff scored 18 points for Bovina and Amador Elias scored six for the Colts.

Pena of Muleshoe scored 11 for the losers.

Bovina took an early lead and was ahead of the Mules 8-4 at the end of the first period. Then Muleshoe pulled within three of the Colts, 16-13. Then after the half, Bovina went on the rampage and bumped the score up to 24-17 and went on to win, 34-21.

In the second game of the series, Bovina fell to a much

ATTENTION FARMERS:

Dear Fellow Farmers:

The American Agriculture Movement started in the fall of 1977 as a protest against low prices for agriculture commodities. Our trademarks of blockades and tractorcades served well the purpose of gaining attention, not only of the public consumers, but of our legislators in Washington D.C. too.

Although we haven't resorted to those measures lately, that doesn't mean we won't do so again. However, more efforts must be made in addition to what we have accomplished in the past. People who contend that we haven't done very much, should compare the prices paid to producers before the tractorcades to prices paid after them. Farm Income during the last six years was the highest in the two years A.A.M. was actively tractorcading. I think this was not by accident but is evidence that the pressure we exerted on legislators in Washington D.C. was very effective.

A.A.M. is definitely the voice of the farmer in Washington, D.C. and we now have a very strong office there that has developed a tremendous amount of credibility. For what we say in the halls of Congress, is what the farmers tell Representatives and Senators when they attend meetings in home districts.

Many of you may have gone out of the farming business, or may have started working in other organizations or commodity groups. I commend you for your involvement. Farmers Union, for example, is now doing a tremendous job in Texas, and has made some improvement in Washington, D.C. on the national level.

However, if they are the only organization promoting higher loan rates, it isn't nearly as effective as two organizations advocating the farmer needs higher support prices. The American Agriculture Movement needs your participation and your money because we don't sell anything except our promise to try to help get the loan rates as high as possible to protect ourselves against the "so called" free market that doesn't exist.

The National Delegate Body of A.A.M. Voted unanimously to form a Political Action Committee beginning in January, 1982. Guidance will be given to us by the number one lobbying firm in Washington, D.C., The Martin Haley Company. The president of the company is Joe Johnson, who with a few other people in the early 1970's organized the political action committee that achieved a parity bill for the milk producers of this country. Joe contacted me several months ago and said that their company would like to try to obtain the same parity bill for all agriculture producers. He stated that with enough money this could still be accomplished. Since Joe helped compose the bill that achieved parity for dairymen, he definitely knows how to get the job done. But he nor anyone else can do it without you!

You can help and find out more about A.A.M. and the political action committee in the following three ways:

(1) Come to the TEXAS A.A.M. State meeting in Abilene, December 4, 5 at the Sheraton Abilene. For reservations call 915-677-2821. (Call Key Crawford at the state office for details 806-364-7820.)

(2) Come to the National Grass Roots Convention in St. Louis, Missouri, January 8, 9, 10 at the Chase Park Hotel, (Call Key for details.)

(3) Join the A.A.M. of Texas by sending \$150 check (payable to Texas A.A.M.) to American Agriculture Movement, Inc., 3109 Olton Road, Winchester Plaza, P.O. Box 5023, Plainview, Texas 79072.

The third way is best because you will be informed of all our activities and plans as they develop instead of after they have happened. This \$150 will help me continue to travel throughout the nation in order to help you, the producers of the U.S. It will also enable us to send you our weekly newspaper and any other correspondence that is necessary to keep you informed. Communication is a must!

Don't depend on me or anyone else to do your part to help yourself. Join Texas A.A.M. today for it appears the Reagan Administration is going to be as big a failure as the Carter Administration was for agriculture. I worked hard to defeat Jimmy Carter and unless Reagan's Administration improves quickly, I will work ten times harder to dump the free traders in this administration.

I am simply trying, the best way I know how, to help us, the nations producers, achieve a price for what we grow. Won't you help? Join A.A.M. now! Thank you.

Yours Till Parity,
Marvin Meek

P.S. See you in Abilene.

Terry Glasscock played a good game as did Chet Hawkins. Ray Duran also did a good job and Matt Howell came off the bench to make some key rebounds in the game, according to Roy Phelps, boys coach.

We were unable to get the scores from the girls junior high games, as Coach Arthur was sick. We hope to make up for these next week.
