By  
Bill Ellis

ONCE AGAIN, THE community's Bull Town Days celebration was a huge success. As far as we can tell, virtually every event was a success from the standpoint of attendance and participation.

The newest event, the Tug-o-War, proved to be a very popular one from a spectator's point of view. The only trouble was, it was hard for the spectators to see what was going on, after the tug-o-war "pit" became surrounded by a mass of people.

Perhaps next time some provision needs to be made for seating, or possibly having the event at the football stadium. Otherwise, the tug-o-war was a great addition to the celebration.

As usual, the barbecue was the highlight of the annual celebration, and also as usual, the meal lived up to its reputation. The pit-cooked beef is always worth waiting in line for, and this year was no exception.

The other events, such as the rodeo, the chuckwagon breakfast, Quarterhorse Show, Old-Timers' luncheon, parade, softball tournament and the dances were well-attended and provided fun and entertainment.

Hats off to the LTD co-chairmen, Twila Lusk and Joe Jones, as well as their LTD committees, for their work, which paid off with a good celebration.

THE LONG BATTLE over the federal budget ended on Thursday this week with yet another victory by President Reagan, who won his biggest political battle since taking office.

Opinions on the proposed budget, which contains \$100 billion in additional revenues over the next three years, have been sharply divided.

Even some members of President Reagan's own Republican party deserted him on the recent issue, claiming that the tax increases went against the cutbacks which the President had promised to make.

However, in the final analysis, the president was able to convince a majority in both houses of congress that the additional revenue is necessary in order to help cure the nation's ills. The budget as passed still contains massive cuts in some welfare programs.

So, at least President Reagan has been able to make a start toward a balanced budget, even though he had to "strike a compromise" on the new budget.

Like most taxpayers, we did not agree on every portion of the budget which the congress approved this week. Though personally I'm not a smoker, I feel sure that those who do are thoroughly opposed to the doubling of the federal tax on cigarettes.

As a businessman, we were against the cutbacks to tax advantages which some small businesses have needed in order to keep operating.

You have to admire the president for the fact that he realized that his all-out "supply side" economics platform was just not getting the economy turned around.

And, as bad as you hate to admit it, the fact remains that without a certain amount of federal money being pumped back into the local economy through certain programs, these local areas were facing hard times ahead.

President Reagan, in orchestrating the passage of the federal budget, has proven to be one of the most popular leaders our nation has had, from among our recent presidents. Reagan is basically an honest man, and it is apparent that the nation's citizens trust his judgement on the vital issues, enough even to "bite the bullet" and accept some tax increases for the next few years, at a time when the economy has been floundering to some extent.

CHOW LINE...Lula White is being served her plate in the barbecue line. The barbecue meal, as usual, was one of the highlights of Bull Town Days.

TUG-O-WAR...One of the highlights of the 1982 Bull Town Days events was the tug-o-war, held for the first time this year. Event chairman Dennis Willard is shown about to give the "Go!" signal to a pair of the teams competing.

OLD TIMERS...W.H. (Sally) McDonald, ex-Bovina resident now living in Lubbock, and his wife and daughter-in-law, Mrs. Bill McDonald of Clovis were among the early-settlers who gathered here for the old-timers luncheon last Saturday. McDonald first came to this country in 1907.

## Lions To Sponsor Charity Grid Game

The Bovina Lions Club, in association with the other 66 Lions Clubs of District 2-T1 have announced the sponsorship of the First Annual Lions Charity Game. Set for Sunday, September 26, at 2 p.m., at Kimbrough Memorial Stadium in Canyon, the game features the West Texas State University Junior Varsity playing the Panhandle State University Junior Varsity.

All proceeds will benefit Girlstown U.S.A., the Hi-Plains Eye Bank, Texas Lions Crippled Children's Camp in Kerrville, as well as local club projects.

According to Durward Bell, chairman of the project, members are currently seeking advertisers for the game program and selling tickets for the game. Ticket price is \$2.00 per person, and is tax deductible.

The Hi-Plains Eye Bank is an organization formed to collect human eyes and distribute them to hospitals and doctors for grafting, transplant or research. The Eye Bank does free glaucoma screenings, conducts enucleation courses, maintains donor card files, and gives educational programs to area clubs and organizations on eye conservation.

The Crippled Children's Camp in Kerrville provides educational rehabilitative services to handicapped children and blind adults. During calendar year 1982, a total of 3,350 people have been helped through the camp.

For further information concerning Lions Club work or Charity game ticket or advertising information, see any local Lions Club member, or call H.J. Charles or Jay Sherrill.

The Oasis Shrine Club brought its motorcade and limousine for the parade once again this year. They are

## DPS Reminds Of Laws On School Buses

The summer vacation from school is now over, and thousands of youngsters are starting back to school, many of those for the first time. Last year in Texas, the pedestrian death accounted for approximately 16 per cent of our total traffic fatalities, several of these were school age children.

So, once again we will be seeing those big yellow school buses back on the streets and highways. The Texas Department of Public Safety wants to remind you that Texas law prohibits the passing of a stopped school bus that is loading or unloading passengers when the lights are flashing. If you are in doubt--stop--those few moments you lose may mean a lifetime to some youngster. None of us wants to be responsible for the death or injury of a young child, so remember to slow down in the school zones in the mornings and again in the afternoons.

"And, just because most of the children will be in school, we must not forget the preschooler who will still be playing in the residential areas. Remember, slow down as you are driving through school zones, around buses, and in and around school areas. Drive as if you had a child there because someone has," stated a spokesman for the DPS.

always a popular addition to the parade.

Terry Stull served as parade marshal.

Winners in the Tug-o-War event at Bull Town Days included the following: Richard Carpenter's team beat Bovina Pump's team in the finals. Team members were Carpenter, Ricky Jamerson, Tad Mayfield, Ricky Mayfield, Byron Mayfield, Robert Morgan, Jody Watts and Michael Wiseman.

Winners in the younger divisions included: 10 and under, Agri-Sprayers (Randy Stone, Charles Stone, Libby Marshall, Jennifer Beauchamp, Jimmy Don Gilbreath, Shonda Trim and Eric Hilton).

Eleven to 14 division: Bovina Pump (Chad Clayton, Todd Schilling, Todd Glasscock, Steve Gauntt, Johnathan Gauntt, Clay Dutton and Paul Hill).

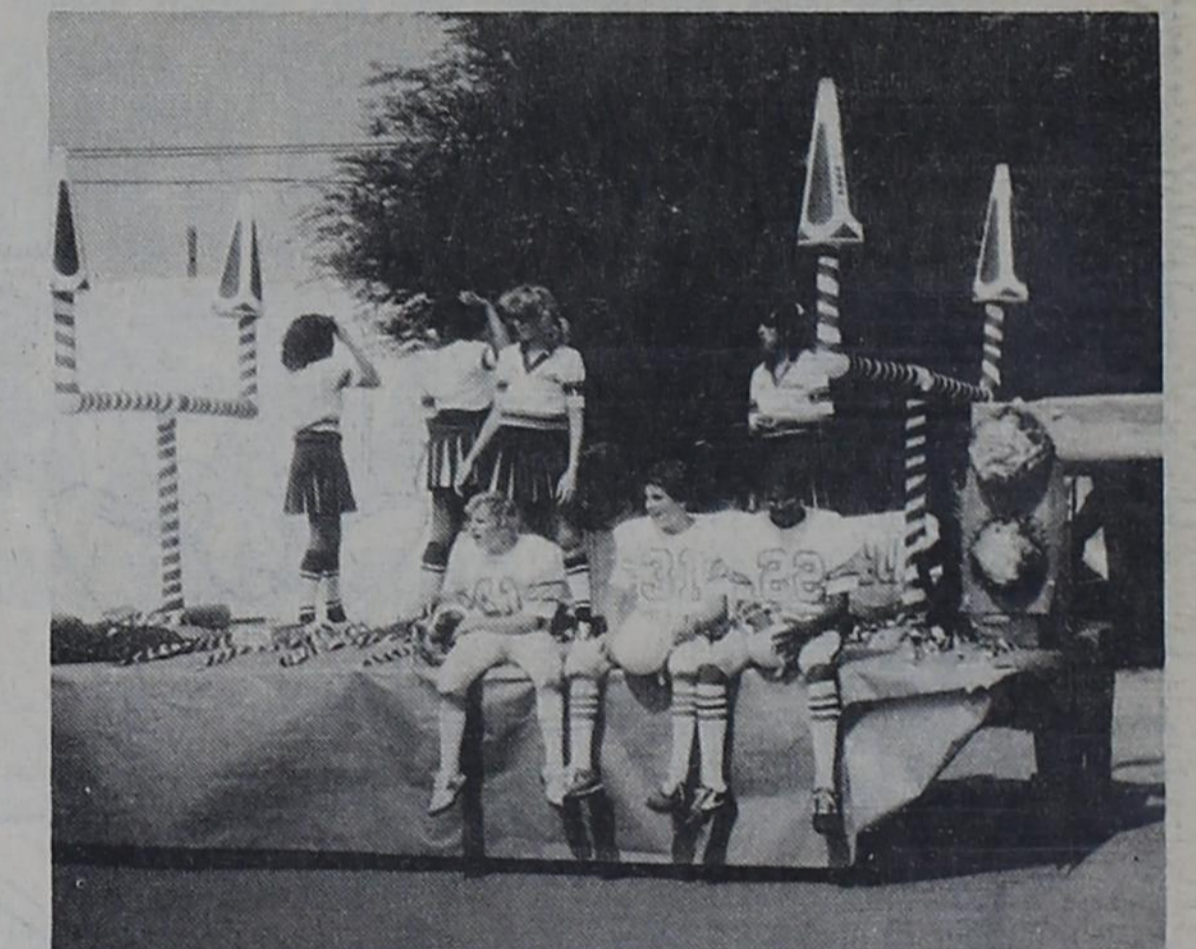

Fifteen to 18 division: Jose Gomez'

## WT Carpool Service Is Available

With assistance from the West Texas State University Student Activities Council, commuter students in the Panhandle area may save money.

SAC will provide a carpooling service to match commuters from area communities to WTSU. Applications will be available at the carpool-Children's Center table during registration for the fall semester on Wednesday, August 25, at the Activities Center or at the Activities Center information desk.

To be grouped in a carpool for fall classes, the students must return the applications to the Activities Center by Wednesday, September 1.

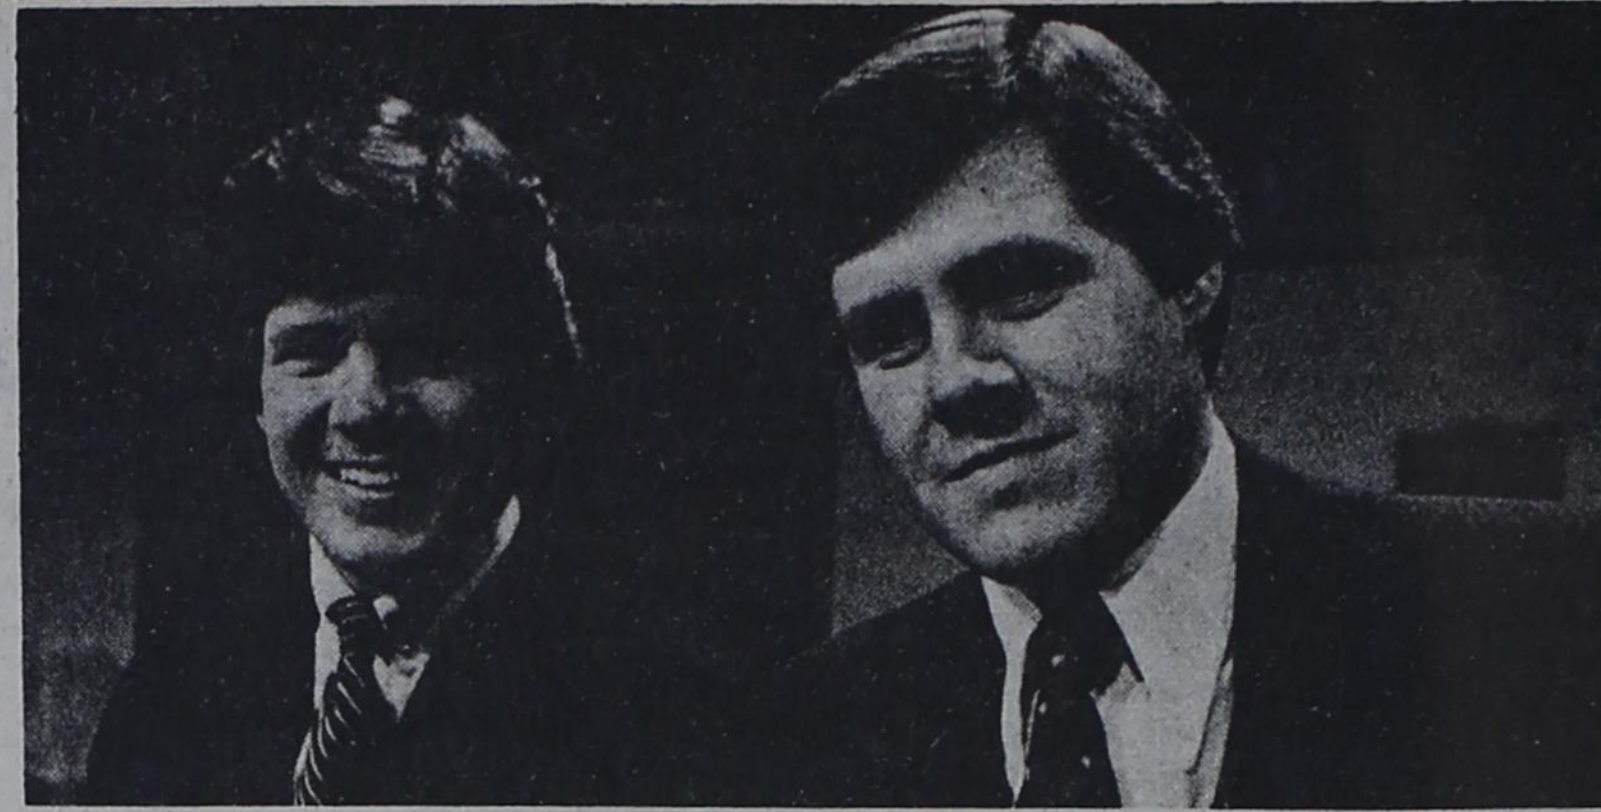

Forms will be processed and commuters will receive information about other commuters to WTSU from their area.

The service last year provided carpool information to students from Amarillo, Dumas, Borger and Dimmitt, in addition to other communities, said Teresa Brockman, a SAC student coordinator.

Information concerning the service may be obtained from the Activities Center.

BEN AND BUTCH MCCAIN

## McCains May Host National Show

The most famous "brother team" on Oklahoma television news--in fact, the only brother team--may soon be syndicated nationally.

Ben and Butch McCain, who host the early-morning program, "Action 4 a.m.," may have parlayed their unique musical talents into a nationally syndicated hour of song, dance and talk.

"There is talk of syndicating us in a variety-type setting," disclosed Ben, the elder brother, "but it's just in the talking stages now."

If the syndicated show does materialize, it will be the culmination of a dream for the two brothers.

"We are writing songs constantly," said Ben. "We write, share ideas and use a lot of original songs in our act. We play all over the state."

It all started while Ben was working as a television reporter in Amarillo about five years ago. He had written a song, "Memphis Lady From Texas," which was released locally over 15 radio stations.

"It was really nothing big," Ben said. "It was something I wanted to do. I think our later songs are much better."

Last March, the brothers had the unique opportunity to see just how good they were, musically. A representative of the Don Williams musical group approached the brothers to see if they would be interested in opening the Williams concert at Lloyd Noble Center.

"We certainly were interested,"

said Ben. "And, we were more than a little scared. There were about 7,000 people in the audience. As far as we were concerned, it was a long, long way from Bovina, Texas, where we were raised. And we were pleased with the response we got."

That brought a smile to Butch's face. "Yeah. They didn't throw anything at us. And, that's one reason we move around when we sing--so they won't throw anything at us."

About the only thing the audiences throw at the McCain brothers when they perform is praise. They move through the state, working beauty pageants, giving concerts at colleges and emceeing the "Oklahoma Opry" in Oklahoma City.

"The response has been good, very good," said Ben. "Some of the most enjoyable dates are the beauty pageants. We emceed the Miss Altus pageant, and got a chance to work with the 1982 Miss America, Elizabeth Ward. As a matter of fact, I sang her song."

Their musical talents also give the brothers a chance to represent their television station in a new way, through song rather than speeches.

"We do a lot of public relations work for the station," Ben agreed. "Rather than just speaking to a group, we entertain. I think that has helped our early morning show, too. We're number one in the Nielsen and Arbitron books, and have been for about a year."

The unique format for their news-weather show has also brought

welcome attention to them on the network level. An NBC newsletter not only announced their consistently high ratings, but also put in a word of critical praise about the show. "It's not happy talk," said Butch. "It's news and weather, sports, and we have interesting guests--like Vice President Walter Mondale."

The show also focuses on agriculture, which is Ben's forte. In addition to once working on the family farm in Parmer County, he is also a past chapter president of the Future Farmers of America, and currently has a small cattle ranch in the state.

Butch, the younger brother, began his broadcasting career as a weatherman on an Amarillo television station, finally joining Ben in 1981 at KTVY.

"We're a weird breed, I guess," Ben said. "We're half-newsman, half-musicians. We're really happy with our show, and with where we are now musically."

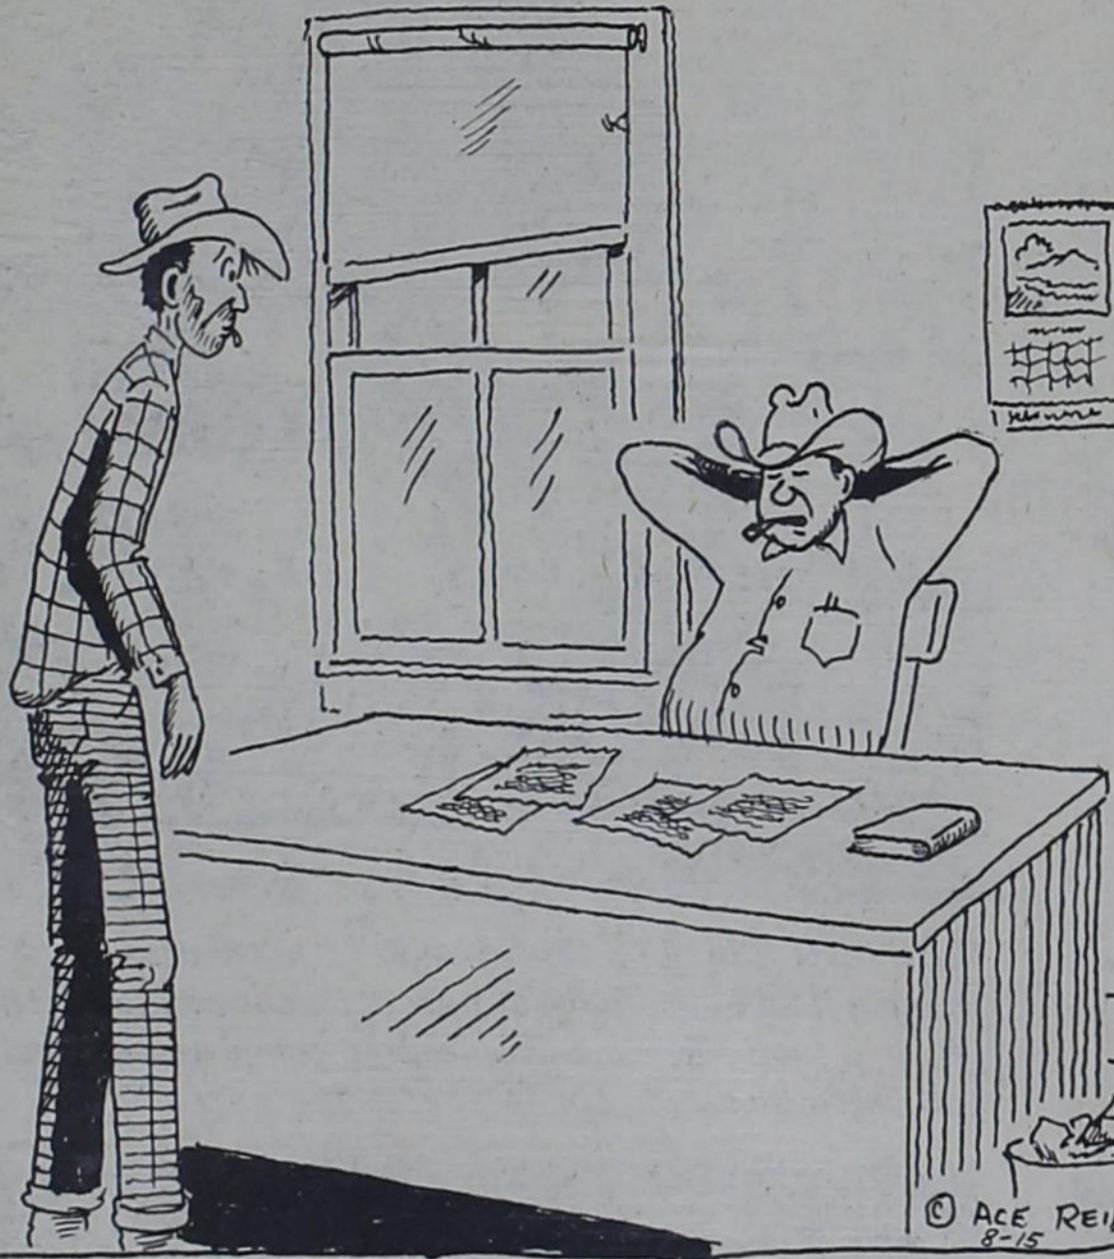

"That's right," said brother Butch. "We're the only brother news and weather team in the whole universe--the whole galaxy--I think. If you hear of any other brother teams in the news business, let us know."

"We have people here who will shoot them," He continued, "That's a joke. I really think Ben and I can go a long way with our musical abilities. Maybe all the way back to Bovina, Texas."

Or, maybe--just maybe--to a nationally syndicated variety hour?

**HOW TO REDUCE THE COST OF EYEWEAR-WISELY**

There are several ways in which you, the patient, can economize when selecting your new eyewear. Here are a few practical suggestions on how you can reduce the cost of your new eyeglasses without sacrificing quality:

1. Inexpensive frames of good quality can be selected for as little as \$10.00 to \$15.00. Ask to see our "economy" line of frames.
2. Designer frames are more expensive because the world famous designer is paid a royalty for each of his frames that are sold. If you wish to economize, avoid designer frames.
3. Most foreign made frames are more expensive than American made frames because of import duties and higher shipping costs. American made frames are of equal or better quality at less cost.
4. The larger styled frames require more expensive "oversize" lenses. While, at the moment, larger size frames are stylish and popular, this fashionable feature costs more.
5. Gradient tints and photochromic (Change-O-Lite) tints are practical and beautiful, but they cost more than white or standard tinted lenses.

A word of caution...don't try to economize on lenses or your doctor's services. You want the finest best quality lenses and the most competent Optometrist available for your precious eyes.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

# Scooter's Scoops

By Scooter Russell

We're happy to report that our editor Janet and her husband Carl Wilke are parents of a pretty little girl, Kathryn Niccole. Congratulations to Janet and Carl.

As you probably know, Carl is band director at Lazbuddie schools. The Wilkes came up with quite a novel birth announcement for their first arrival. It was printed up in the form of a concert program, reading as follows:

"Special Premiere Performance of 'An Original Wilke Composition. Name of Composition: Kathryn Niccole Wilke. Composers: Carl and Janet Wilke.

"Length of Composition: 19". Weight of Composition: 7 pounds, 13 ounces. Date and Time of Premiere Performance: August 21, 1982, 6:13 p.m. Place of Premiere: West Plains Medical Center, Muleshoe, Texas.

"Conducted by Dr. Bruce Purdy. Composition can be evaluated at: Home, Box 224, Lazbuddie, Texas." In small print at the bottom of the "program," was the usual disclaimer, which read "Reproduction of this composition in any form, without the consent of the composers, constitutes a violation of copyright laws."

Juanean, daughter of Imogene Cox of Lazbuddie and Joe Cox of California, underwent major surgery for the sixth time in the Houston Children's Hospital last Wednesday. I talked Monday with Juanean and her mother and they said the doctors are sure that problems with her kidneys have been corrected and hopefully she will be released during the latter part of the week. Juanean underwent major surgery for the problem first when she was only three years old. Juanean went to school for several years in Bovina and is now living in Lazbuddie.

We wrote a note last week about the Vernon Estes being on vacation and having their grandchildren with them in Ruidoso and Sun Valley, Colorado. In listing the kiddos we made one mistake...Nikki is a granddaughter, not a grandson. Sorry, Nikki...The Estes are home now after spending about three weeks in Ruidoso.

Tessie Jones was hospitalized in Muleshoe a week ago last Saturday and was released the following Wednesday. She was in the office

Monday morning of this week and said she will be entering the hospital for more tests in a few days.

Butch McCain of Oklahoma City was in Bovina visiting with his family and friends. He is the son of Les and Rose McCain. He came a week ago Monday and stayed until Thursday. Also visiting in the McCain's home in recent days were Leslie's sister and brother-in-law, Eldon and Claudia Morris of Littlefield.

Cindy and Jim Duntley of Denver, Colorado were in Bovina last week visiting with friends and family. Cindy's parents are Skeet and Tom Caldwell. The Duntleys came Tuesday and left Thursday.

Sid Lloyd returned home recently from spending several days with her son and daughter-in-law, Don and Myrna Lloyd of College Station. Don underwent surgery a day or so before Sid arrived and she said he was getting along fine. She went to College Station a week ago Friday and returned home last Friday.

C.K. Cooper, 60, of Gallup, New Mexico, died last Wednesday with a heart attack. He was Jimmie Clements' uncle. Jimmie and Gwen attended the funeral services. They went to Gallup Friday and returned home Sunday. Cooper was survived by his wife, one son and one daughter. Accompanying the Clementses were their daughter Denise Jones and her daughters D'Anne and Jimmi Dawn.

Our deepest sympathies to Mardee Grissom whose brother, Royce Laceywell, passed away last week after a lengthy illness. Services were held in Albuquerque, New Mexico last Thursday.

John Paul Jones of Olton came Friday for the Bull Town Days celebration. He stayed at the home of friends, Monte and George Turner. Saturday visiting in their home was John Paul's friend Jean Summers of Lubbock.

Jackie Adams of Houston came to Lubbock last Wednesday. His parents Virtie and Pierceson met him in Lubbock and the family spent the night with the Adam's daughter Martha Jackson and family. The Adamses and Jackie came to Bovina

Thursday and stayed until Friday. Jackie went back to Houston Saturday. Jackie is attending law school in Houston.

Arnold and Amy Hromas attended the Ribbon Cutting Ceremony conducted by the Hereford Chamber of Commerce for the opening of the "Joy Unlimited" Christian bookstore last Saturday which is owned and operated by the Hromases children, Charlotte Wilburn of Hereford and Brad Hromas of Bovina. The grand opening will be held August 25-28 at the store's location, 517 E. Park Avenue. The store will feature books, gifts, jewelry and music. You are invited to come and register for free gifts to be given away. We're happy for Brad and Charlotte and wish them lots of good luck!

The Bovina Booster Club will be **It's A Girl For Wilkes**

Mr. and Mrs. Carl Wilke of Lazbuddie became parents of a baby girl, Kathryn Niccole, born August 21 at West Plains Medical Center in Muleshoe. She is the first child for the couple.

The new arrival weighed seven pounds, thirteen ounces and measured nineteen inches long.

Grandparents include Mr. and Mrs. M.W. Moore of Abernathy and Mr. and Mrs. Curtis Wilke of Wilson. Great-grandparents are Mr. and Mrs. B.O. Wilke of Wilson and Mrs. Lucille German of Slaton.

**Clovis Church Sets Special Service Sat.**

Saturday, August 28, in Clovis, N.M., Christian believers from throughout West Texas and Eastern New Mexico will join together for Kenneth Copeland Ministries' first World Communion Service, to be shown live via satellite on a life-sized video screen.

The service will be held at Faith Christian Fellowship at 7th and Main in Clovis, beginning at 6:30 p.m. (MDT).

meeting next Monday, August 30, at the High School Cafeteria.

Bill and Irma Bradshaw have enjoyed lots of company in recent weeks. Visiting for the Bull Town celebration were their fishing buddies, Donnie and Vi Brunson of Quitaque. Also visiting during August were their daughter Ella Bishop of Houston, her son Larry and his friend Diane and Ella's daughter Leigh Ann of Houston. Dirk DeFever of Amarillo also visited with his grandparents in Bovina.

Other friends visiting the Bradshaws were J.W. and Dorothy Allen of Springtown. Twice during the month of August the Bradshaws entertained guests at Palo Duro's production "Texas."

We understand Corky, nephew of Raymond Rocha, is in good condition in the Muleshoe Hospital following an incident on Third Street last Saturday night. Corky suffered several stab wounds and was taken to the Muleshoe Hospital in the Bovina Ambulance.

Friends, J.C. and Dora Bonds of Tullia, visited in the home of H.H. and Minnie Kelso over the Bull Town Days celebration and Dora played in the Tullia's Senior Citizen's band.

Also guests during the weekend were the Kelso's son and family, Ferman and Maxine of White Rock, New Mexico and their children, Kelley and Nicky. We understand Ferman and Kelley won two first place trophies with their horse.

Recent visitors have been the Kelso's granddaughter, Jacquelyn and her husband Hank Black of College Station. Mrs. Kelso said the young people married August 15 and they attended the wedding and also Jacquelyn's graduation from A&M which was August 13. She received her veterinarian's degree after three years at A&M and three years at San Angelo State University.

During the time the Kelsos were in

the area they visited with their son Tally, his wife Brenda, and their children, Tony, Troy and Kevin. Kelso also said Jacquelyn and Hank will be moving to Brownfield.

Visiting in the home of Joe and Reagan Looney last Friday and Saturday were their niece and her husband, Mr. and Mrs. Luke Pallent of Odell. Saturday morning the family attended the Chuck Wagon

breakfast. The Looney's daughter and granddaughter were in Bovina for the Bull Town events, June and Joe McMeans of Amarillo.

Friends visiting from Hereford Tuesday of this week were Mr. and Mrs. Obe Durham.

Thank you for helping with the Scoops....Have a good one.... Scooter.

**SHRINERS....**Members of the Oasis Shrine Club's motorcycle team are shown going through their paces during the Bull Town Days parade here last Saturday.

## Ponies Set Scrimmage

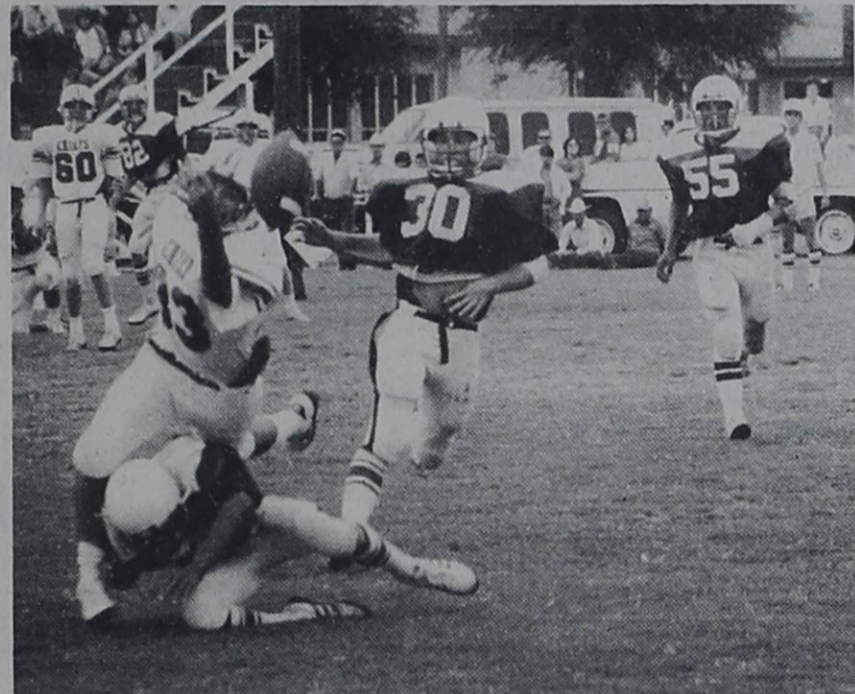

The Mustangs will scrimmage the Clovis Wildcat junior varsity Saturday morning at 10 a.m. at Mustang Field.

The Mustangs scrimmaged the Friona Chieftains last Friday, with Friona outscoring the locals, four to none.

"We were disappointed in the score, but not in the kids. They are having to learn a new offense and defense, and are making day by day improvement," said Larry Helton, Mustang coach.

"We need to improve all phases of our game. We have some excellent talent, and they are the most eager bunch I've ever been around," Helton said.

The Mustang coach said that outside of the regular bumps and bruises, no injuries resulted from the first scrimmage, and he felt good about that.

**NO GO....**Bovina's Joe Pat Wright (30) and Jose Gomez (55), along with an unidentified teammate stack up this play by the Friona Chieftains in last Friday's scrimmage. The Mustangs will scrimmage the Clovis Wildcat JV here Saturday morning.

## Strake Talk

CHANGING ATTITUDES ABOUT DWI

Few things in this country have changed as much during the past few years as public attitudes on drunk drivers. It is a change we can all be thankful for.

Most of that change, in my opinion, can be attributed to the organization of Mothers Against Drunk Drivers (MADD), and the attendant publicity and editorial support they have received from our newspapers. They have succeeded, where others have failed, in drawing attention to the tragedy that has claimed the lives of thousands of Texans.

It was not long ago, for instance, when some public officials who ought to lead by example were openly contemptuous of our laws against driving while drunk. Much of this problem started nine years ago when my opponent became Lt. Governor and helped pass the law reducing the legal drinking age from twenty-one to eighteen years of age. Now Mr.

Hobby, feeling the heat of irate parents and loved ones, and perhaps personal remorse, has said he favors tougher drunk driving laws—another switch from a previous position.

Political promises, however, are easily made. If a politician can't get excited about an issue of this magnitude in nine years, it seems unlikely that he would get excited and pursue corrective legislation in another four years.

So I hope the Mothers Against Drunk Drivers will stick to their guns, and I hope they continue getting support from the people of our state. Their efforts to put an end to this carnage on our highways has my support, and I hope it has yours.

Of one thing we can be reasonably sure: Starting next year we will have a new Lt. Governor, and that will make it easier. If you have thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.
