Don't Depend On Memory

The chances are that four or five months after you pay a bill, you forget about it. Suppose the same bill should be presented to you—possibly you could remember paying it; but nine out of every dozen bills you pay, you forget about in six months. Some you could not recall in six weeks. Pay all bills by check—file your checks. Six years afterward you can turn to the checks, if necessary, and produce undisputable evidence of every bill paid. We will be pleased to explain other advantages of the checking system to you. It is a dreadful thing when idleness, sickness or death comes and there is no money ahead. We urge you to avoid any such situation. Open an account with us even if it is only for one dollar. Make the start to save. It means independence to you.

Very truly yours,

JEFF F. MONTGOMERY, Cashier

SPRING MOVEMENT ON MACADAMIZE SQUARE

Shipments of Range Cattle from the Brady Country to Oklahoma Pastures Began Last Sunday.

The annual spring cattle "rush," is on, but it looks as if it will be the poorest excuse for a "rush" the Brady Country has ever furnished the railroads. The recent rains have made fine grass an assured fact all over this section of Texas. In fact, the range conditions are said to be better than for several years, and it would seem that cattle would have to be shipped in to eat up our own grass instead of shipping to foreign pastures.

The season opened last Sunday, the first consignments being loaded at Menard where about fifty cars a day have been accounted for up to the middle of the week. Brady's first train will be loaded next Sunday by G. R., C. T. and J. E. White.

W. M. Hundley, local agent for the Frisco, reports total bookings of 1310 cars for Brady, Callan and Menard, of which 410 are to be loaded at Brady. However, these bookings were all made prior to the cattlemen's convention and before the rains, hence it is almost a certainty that many changes will be made. Last spring the bookings were 1600 cars, of which 1068 were actually shipped. Even with the same ratio this year it will be readily seen that the shipments will be light, comparatively speaking. Then when the top-notch local range conditions are considered it appears that the Frisco's tonnage on cattle this season will be light in the extreme.

Brady was the recipient recently of a neat advertisement in the "Hartford Agent," a trade paper published by the Hartford Fire Insurance Co. This paper has a wide circulation going to every agent of the Hartford Company in the world. The advertisement in question consists of a full page devoted to views of some of Brady's best public buildings and prettiest homes on which insurance is carried in the Hartford lines. Brady was thus brought into worldwide prominence. The feature was due to the enterprise and forethought of Miss Carleta Matthews, of the firm of Crothers & Matthews, representatives of the Hartford people in Brady.

G. Woodress, of Lohn, was in town Monday with four bales of cotton. He was offered 13.50 but refused it and stored the four bales with the F. U. Warehouse Co. Mr. Woodress reports the Lohn country in very fine shape, his corn ready for plowing and maize and kaffir coming up. Some are planting cotton and a large acreage will go in this year.

Baldrige, the speedy Brady ball player, now with the Galveston league team, pitched Sunday in a game with the Muskogee Indians, shutting them out without a score and winning his game 7 to 0.

Bauhof Bros. have rented the old Ballou grocery building on the east side of the square and will move their windmill and plumbing business thereto within the next week or two.

We note that Mr. and Mrs. Roy Walker, formerly of this place, have located in Lampasas, where Mr. Walker will practice law.

City Council Decides to Start Work Immediately Laying Crushed Rock on the Public Square.

The city council in regular session Monday took an important step when it ordered that work be immediately begun on the macadamizing of the public square. While this work will not be started on an extensive scale, yet the plans call for continuous work until it is completed.

The city attorney reported that, including the bunch of negroes arrested Sunday, he had convict labor available for the rock pile sufficient to crush all the rock the city has stored up which it is thought will be sufficient to complete the square. The city marshal was instructed to put every man on the rock pile who had not paid his fine, and a big force was accordingly put to work this morning. Street commissioner Batey will put his force to work hauling and spreading the rock as fast as it accumulates.

The council canvassed the returns of the water bond election finding the vote in accordance with the figures as published in another column of this issue.

Rev. S. M. Hull was up from Rochelle Thursday on business. He reports a serious fire narrowly averted there last Tuesday night about 1:30. In some unaccountable manner a blaze started in the rear of the Martin Hardware Co. store and but for its fortunate discovery would have resulted in considerable loss. As it was only some crude oil stored in the rear of the building was destroyed.

R. W. Magill, of Lohn, was here the first of the week. Mr. Magill is exceedingly well pleased with the results secured from a small ad he has been carrying in The Standard, declaring that he has secured more satisfactory results than from even the Dallas News.

S. H. Gainer and John Burk were Rochelle folks in town last Friday. Mr. Gainer reported even better rains down his way than at Brady and said the ground was too wet to work.

E. B. Kennedy, of Waldrip, was in Brady Sunday afternoon and Monday.

D. W. Bozeman has sold his home to J. F. Biggs, the consideration being \$1375.

J. N. Baxter, a prominent farmer of the Rochelle community, was quite painfully injured in a runaway at his home Wednesday morning. He was hooking up his team to come to town and had gotten astride the tongue of the hack to adjust the harness when the team bolted. Mr. Baxter is not sure whether he was run over or not, but when he came to himself he was considerably the worse for wear. He was brought to town for surgical attention, and it was found that one rib was broken and numerous bruises and contusions abounded.

Uncle Bill Dickinson, of Stacy, was here Monday and reported a fine rain all the way from Brady to Stacy Saturday. Crop conditions look mighty favorable up that way according to Mr. Dickinson. Much corn has been planted and is now coming up, also maize, and much more will be planted.

News Notes of Interest From Our Country Correspondents

LOHN LOGIC.

Lohn, Texas, March 25. Editor Brady Standard:
As I never see any news from this part of the world, will step in and chat with the correspondents a little.
Every one down this way is smiling over the nice rain. In about a week old Lohn will look like a different place.
E. H. Williams made a flying trip to Stacy last Monday, returning Tuesday.

We are sorry to report that R. L. Batchelor is on the sick list this week. We hope he will soon be able to be up again.

Rev. Watson filled his regular appointment here last Sunday. He preached to a large crowd Sunday night.

Tom Gattis and wife are proud parents of a fine boy, born on the 25th.
Robert Cantrell was the guest of Frank Williams last Monday.

Well, if this letter escapes the waste basket, I will come again.

A NATIVE BOY.

Any lady reader of his paper will receive, on request, a clever "No-Drip" Coffee Strainer coupon privilege, from Dr. Shoop, Racine, Wis. It is silver plated, very pretty, and positively prevents all dripping of tea or coffee. The Doctor sends it, with his new free book on "Health Coffee" simply to introduce this clever substitute for real coffee. Dr. Shoop's Health Coffee is gaining its great popularity because of: first, its exquisite taste and flavor; second, its absolute healthfulness; third, its economy—14-lb 25c; its convenience. No tedious 20 to 30 minutes boiling. "Made in a minute" says Dr. Shoop. Try it at your grocer's, for a pleasant surprise. All grocers.

MERCURY MUSINGS.

Mercury, Texas, March 28. Editor Brady Standard:
Mercury was visited by a sand storm today, but the wind did not blow very long.
Crops are looking fine and grass is looking as well as we ever saw at this time of year.
W. P. Burleson, our J. P., has purchased the old Mack Littleton house and moved it up to his residence.
W. B. Beakley made a flying trip to Brownwood today, while Mrs. Beakley is visiting her sons, Willie and Ernest, at Placid.
Mrs. M. C. Cawyer is again out of the hotel, and a Mr. Thompson and a wife, from near Holt, are the new proprietors.
Fount Mayfield made a flying trip to Brady last Sunday.
James Kelly, our respected postmaster, has returned from a trip to Mineral Wells where he went for his health. He seems to be considerably improved.
R. W. Scoggin is confined to his bed with a severe attack of la grippe.
Mr. West of Placid, is buying some cotton seed for Joe Parker to ship to Hamlin. Joe says he is unable to get planting seed in that country, therefore he must call on good old McCulloch county for seed to plant his farm.
Our school is again moving along nicely, with funds to run for some time yet.

BY SURPRISE.

A good treatment for a cold settled in the lungs is a Herrick's Red Pepper Porous Plaster applied to the chest to draw out inflammation, and Ballard's Horehound Syrup to relax tightness. PLACID PARAGRAPHS.

Placid, Texas, March 28. Editor Brady Standard:
After my absence, will write the people the news of this country.

The people here are very much encouraged over the rains that have fallen on the past two weeks.

John Nichols and son, and Troy Smith caught a very large wolf last week with their dogs.

J. S. Seago and wife have moved to San Saba.

Misses Pearl and Effie Harrison have returned to their home in Mills county, after their long visit with their sister, Mrs. S. W. Turnell and family.

Brother F. W. Manney preached for us last Sunday.

The boys have organized a very progressive base ball team and are ready to play with any and all.

There will be a musical at Carl Grady's next Saturday night, and Evert West and Andrew Nichols are invited to go.

WEST SWEDEN SEARCHLIGHTS.

West Sweden, Texa s, March 27. Editor Brady Standard:
Misses Emma and Minnie Hanson have gone from our midst. We deeply regret their departure but hope they will soon return.

The West Sweden Epworth League held their annual meeting at O. G. Dahlberg's. The following officers were elected: President, Emil Fahnstrom; first vice-president, Nora Stoneberg; second vice-president, Mrs. Emma Dahlberg; secretary, Miss Ollie Hanson; treasurer, J. F. Stoneberg; organist, Mrs. Emma Dahlberg.

West Sweden school closed Friday, and our teacher left for a visit with his parents at Roberts, Texas.
Planting feed is the order of the day just now. Corn is up and looking fine.

Whiteland is our nearest city now, in fact West Sweden is greater Whiteland.

Our church is soon to be dedicated. It will then be the finest and best one we ever had.

The West Sweden young men's annual fishing trip will take place some time in July, according to plans now formed.

FREE SAMPLE OF LAXATIVE CURED THEIR CONSTIPATION

When a person has become discouraged through years of failure to find a cure, and finally, perhaps, gives up trying, it is small wonder that he becomes skeptical. And yet, to all who have constipation, we would say, "Try just one thing more."
We wish you would try Dr. Caldwell's Syrup Pepsin, a laxative tonic that has been used for a generation. Thousands are using it; surely some of your friends among the number. You can buy it of any druggist at fifty cents and one dollar a bottle, but better still, send your name and address to Dr. Caldwell for a free sample bottle. He will send you enough to convince you of its merits, and then if you like it you can buy it of your druggist. Mr. J. J. Petty of Unionville, Mo., Mr. George W. Zimmerman of Harrisburg, Pa. and many others of both sexes and in all parts of the country first

used a sample bottle and now have it regularly in the house.
You will learn to do away with salts, waters and cathartics for these are but temporary reliefs while Dr. Caldwell's Syrup Pepsin is guaranteed to cure permanently. It will train your stomach and bowel muscles so that they will do their work again naturally without outside aid. Cast aside your skepticism and try Syrup Pepsin.
Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 101 Caldwell building, Monticello, Ill.

BACK GIVES OUT

Plenty of Brady Readers Have This Experience.

You tax the kidneys—overwork them—

They can't keep up the continual strain

The back gives out—it aches and pains;

Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

Residents of this vicinity endorse them.

Can Brady people doubt the following evidence:

Mrs. O. M. Black, Bradford St., Brownwood, Texas, says: "Over a year ago I was cured of kidney trouble by Doan's Kidney Pills and I have never been bothered since. I was rarely free from a dull, heavy ache across my kidneys and on more than one occasion, I was confined to my bed for several days. The least movements caused sharp twinges to shoot through my joints, often extending into the back of my head. The kidney secretions were unnatural and plainly showed that I had kidney complaint. The use of two boxes of Doan's Kidney Pills was all that was required to effect a complete cure. I always recommend Doan's Kidney Pills to my friends whom I hear complaining of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SAN ANTONIO EXTENSION.

PRESIDENT Yoakum of the Frisco made an inspection of the Brownsville railroad last week and later gave out an interview in which he declared that everything now looked favorable for the railroads in Texas, as the legislature had adjourned without enacting a single hostile railroad bill. This lends some color to the long treasured hope that the Frisco would extend to San Antonio from this place, and the fact that some of the Frisco construction employes are still held at Brady is further evidence that it may be done at an early date.

THE Texas Industrial Congress at Dallas, wants 5,000 men, women, boys, and girls to write to it before April 1, stating that they will enter the corn and cotton contest for the \$10,000 in prizes offered for the best crops of corn and cotton. The men and women must raise ten acres of each crop and the boys and girls cultivate two acres of each. There are no charges of any kind to contestants but they must send in their names to the Congress before the first day of April. Applications mailed April 1st, and bearing postmark of that date will be accepted.

THE same spirit of progress that prevailed Saturday will continue until Brady and McCulloch county will be known as the banner town and banner county of this section. There can be no mistake in such an expression of public opinion. It means progress, development and enhancement. It is a clear expression of the people in favor of a better condition of things generally as well as for good roads and for good and abundant water supply.

THE light teams can draw the heavy wagon loaded to its capacity in road precinct No. 1 after the roads are made good and the farmers will share in the benefits of the good roads as well as the auto owners, and the expenditure of \$75,000 for labor during the dull season will not injure the laborer, the merchant or the banker. It is hard to find one who does not profit by public improvement.

A TOURIST printer over in Oklahoma the other day received the startling news that he had just fallen heir to a fortune of \$30,000 in spot cash. The same printer was in Brady recently and panhandled The Standard force for six-bits. Ain't we glad we submitted! We may meet that fellow some day when we need a square meal.

THE vote on each of the bond propositions in the election Saturday is a vote of confidence in the ability of the county commissioners and city aldermen to expend the money honestly and judiciously for roads and water. Will the voters be disappointed? We think not.

THE Eden Echo man finds considerable satisfaction in the fact that the Santa Fe has arranged for five public road crossings within the city limits of Eden,

whereas only one has been provided for in Brady. As this is the first railroad Eden has ever had the officials probably thought there was more danger of Eden people being run over by the cars than would be the case in Brady, hence allowed them plenty of room for escape.

WITH this issue the News begins its 35th year and we wish to thank its patrons of the past and assure them that we hope to do as well or better by them during the next 35 years. When the News was started it was believed Mason would soon get a railroad, but we are yet without the road, though still hopeful.—Mason News.

"Hope long deferred maketh the heart sick," or words to that effect. But be of good cheer, brother. The railroads can not much longer defer their promised invasion of your wonderfully fertile section. There is even rumor in the air now that Brady and Mason will soon be connected and the magic word, "Frisco," is whispered by the winds.

THE Brady Fair Association is now making arrangements for the next annual fair which will be larger and advertised more extensively than any county fair west of the Colorado river. With the co-operation of the farmers and stock-raisers the management hopes to "show" the visitors that we have a county of resources and a citizenship comprised of progressive people. If the proper interest is taken by the people of the county in getting up exhibits we do not object to people of Missouri coming to the fair because we can "show" them.

PRESS reports announce that Hon. Cato Sells, banker of Cleburne, has quit the field of commercial endeavor and will go to farming. When business men go to farming, it means that the farmers will soon have more good roads, railroads, rural free delivery, rural telephones, educational and church facilities and elevated society. Builders are as much needed on the farm as in the cities and our cities can well afford to send a few of their leaders "Back to the Soil."

A NEWS item in the San Saba Star states that the Santa Fe track will be completed into that town by April. Plans and specifications have been made public for the freight and passenger depots, and the latter will be one of the handsomest on the line. The sum of \$17,000 has been set aside for the two.

FROM the beginning the farmer has been the biggest man in our history—not excepting the man on the throne and the man behind the spear and gun, and it is a hopeful sign that this fact is now recognized by the best thinkers in the world.

THE streets are not packed with the farmers since the recent rain as they are too busy tilling the soil with their plows, harrows and planters to spend time in town, and old Mother Earth will return a smile well worth their efforts.

GOOD water, good roads, good bridges, good town, good county and good people to enjoy them and a warm invitation extended to all other good people to come and share them with us.

WITH water running down the cotton rows at frequent intervals from now until August old McCulloch will demonstrate her productive possibilities.

ALL the roads lead to Brady and some of them will be good roads before another harvest season.

Some Interference Wireless Operators Cannot Overcome.

Few are the steamer passengers who fail to visit the wireless office aboard ship to watch the operation of the instruments and to question the operator. Needless to say, the technical understanding of the well meaning visitors is a variable quantity. The operator must listen to wondering exclamations, original suggestions for the improvement of the service, discourses on the relations between wireless telegraphy and spiritualism and other doubtful topics with uniform courtesy. At times, however, the strain is too great. It was a lady passenger with an eye for details who came to the wireless room and looked wonderingly in.

"Oh, here's the wireless! May I come in? Isn't it wonderful to think of sending those—those waves—you call them waves, don't you? How fascinating to work at this! Are those jars filled with water?"

"Those are condenser jars, madam, quite empty."

"Really? I don't believe I could ever understand it. That coil of wire looks like a birdcage."

"That is the inductance helix."

"What are those things over your ears?"

"The receiving telephones."

"Then you have telephone connection too. One can hardly keep up with the times these days. What does that coil do?"

"That is the receiving tuner and interference preventer."

"Wonderful! Does it keep out all interference?"

"Not all," replied the operator wearily. "Some kinds of interference can't be tuned out; we just have to stand it."—Youth's Companion.

EIGHT CENTS A DAY.

Workers' Pay in England When Board Was a Shilling a Week.

There was a time when a workman in England received 8 cents a day as an ordinary wage, when skilled artisans commanded 12 cents a day and when women worked in the field at such tasks as reaping straw, hoeing, planting beans and washing sheep for 2 cents a day, and a wise student of the subject has expressed the opinion that the British workman of that day was better off than he has ever been since then.

That sounds paradoxical. But the explanation is this: The workman who sold his services for 8 cents a day could buy good beef or mutton for 15 cents a pound. Wheat cost him on the average only 18 cents a bushel. He could get board for 12 to 16 cents a week. The pay he would receive for fifteen weeks' services would suffice to purchase a supply of suitable food-stuffs, according to the standard of his time, consisting of wheat, malt and oatmeal, to maintain his family for an entire year.

Under these circumstances 8 cents a day—increased to 12 cents in harvest time—was a fair wage, and "times were good" for the average workman.—McClure's Magazine.

Opera In Dumb Show.

The late Clara Novello in her reminiscences tells how Malibran once appeared in "Sonnambula" without uttering a note. She had taken cold and was prevented from singing at the last moment, though crowds of early comers already filled the house. "On the manager telling her, in despair, that, besides loss of money, these disappointed people would be dangerous she said, 'I can't speak above my breath; I should have to do it in dumb show.' Bunn at once caught at this outburst as if seriously meant and on his knees begged her to try this, and she, fired by the novelty, did so. The grateful public raved in praise of this surprising tour de force, and the sensation it made filled the papers."

Bathing Machines.

Somebody has inquired why "bathing machines," the comfortable privacy of which for ocean bathing has never attracted bathers in this country, are called machines, remarking that there is nothing of a machine about them except the horse which draws them to the beach. The answer has been found in the new Oxford Dictionary. It appears that a "machine" was originally a "structure of any kind, material or immaterial," and has nothing to do with machinery, a later word. Ships were called machines, and it would have been proper to speak of a pulpit as a machine.—Argonaut.

Laughter and Death.

He can be said to have won the game of life who at the last can laugh. That final speech of O. Henry, the short story writer, was finer than any story he ever wrote. Just as he was dying he turned to the doctor and said: "Pull up the curtain, doc. I'm afraid to go home in the dark." The speech had in it wide courage and a sense of values. One forgives the royal Charles much frivolity for the sake of his dying speech. "Gentlemen, I fear I'm an unconscionable time a-dying."—Harper's.

A Complicated Case.

"Of course, doctor, German measles are seldom serious?"
"I never met but one fatal case."
"Fatal?"
"Yes. It was a Frenchman, and when he discovered it was German measles that he had mortification set in."

Philosophy is nothing but discretion.

If you will personally investigate Whiteland you will see the land in every direction being improved.

"White Ranch" being cut up. Whiteland has two railroads, large Union depot under construction, commodious hotel, houses building, railroad, express and Western Union agent; large trade territory, new roads into town from every direction; most beautiful town location in Texas; our immigration department to settle the surrounding country; 2,500 acres in cotton close to town, large lumber yards, grocery and feed store; gin for next fall cotton crop.

Good water already developed for town use. Excellent business locations. Full information furnished upon request.

The old fashioned way of dosing a weak stomach or stimulating the kidneys or heart is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely fail. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days and see. Improvement will promptly and surely follow. Sold by Jones Drug Co.

CALLAN CONCOCTIONS FOR MAGNIFICENT MENARD

From the Messenger.

Menard county is making extensive improvements in her public roads and in a short time they will be in excellent condition for our farmers to bring in their produce and ship to the market.

It will be a glorious day when the divorce evil is wiped out. Then the rich men who can afford the luxury will be brought to understand what the poor devils suffer.

There are said to be 1,500,000,000 people on the globe and since glorious old Menard County is so small some of the poor devils must live in places like Brady.

Mrs. J. B. McKnight and her daughter, Miss Mary, visited the family of Dr. Fenley the last of the week.

J. R. Stone, representing the Walker-Smith Co., was in town Tuesday. Mr. Stone not only had the good judgment to buy some Menard property, but his Company had the good will to donate coffee for our recent celebration.

The gentlemen who used dynamite in the San Saba for the purpose of bagging fish were jointly fined \$137.60. They secured only ten pounds of fish, making the price \$13.76 per pound, but Menard fish are worth the money.

Dr. Lindley, Max Scharff, Bert Hurlbut, Frank Ogden and Walter Caldwell were among the Brady visitors Tuesday.

Has Millions of Friends.

How would you like to number your friends by millions as Bucklen's Arnica Salve does? Its astounding cures in the past forty years made them. It's the best salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corns, sore-eyes, sprains, swellings, bruises, cold sores. Has no equal for piles. 25c at Jones Drug Co.

IN TWO MINUTES

Easy and Quickest Way to Break up a Cold

If you want instant relief from cold in head or chest, or from acute catarrh, try this:

Into a bowl of boiling hot water pour a teaspoonful of HYOMEI, (pronounce it High-o-me) hold your head over the bowl and cover head and bowl with towel. Then breathe the pleasant, penetrating, antiseptic vapor deep into the lungs, over the sore, raw, tender membrane, and most gratifying relief will come in a few minutes.

Druggists everywhere will sell a bottle of HYOMEI for 50 cents.

Ask for extra bottle Hyomei inhalant.

Don't be stubborn. Don't be prejudiced. There is not a particle of morphine, cocaine, or any injurious or habit forming drug in HYOMEI.

Give it a trial at Central Drug Store's risk, they guarantee it. It is made of eucalyptus and other grand antiseptics. It will chase away the misery of catarrh or any affliction of the nose and throat in a few minutes.

You can get a trial sample free by writing Booth's Hyomei Co., Buffalo, N. Y.

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c per bottle. “RUFUS”
THE GRAND PRIZE

Rufus is a handsome Shetland pony, clean built in every particular, with beautiful full mane and foretop, and a tail that sweeps the ground. He is as playful as a kitten, will eat anything from sugar to scraps from the table, and is, in fact, as much of a pet as a lap dog.

He is perfectly gentle, and can be driven by any child. Also he is as good a saddle pony as can be found, having been broken to ride by a cattleman to ride out on the range.

Rufus is as smart as a circus pony and can perform as many tricks as any educated horse. He shakes hands, counts with his feet, stands and walks on his hind legs, will lie down at command, or stand with his front feet on a pedestal. Turned loose in the lot he will come or go at the word of command.

At present, Rufus' sole occupation is hauling The Brady Standards to the post office twice a week. We are anxious to procure a good home for him, where he will receive the best of care and attention, and believe the contestant who will work the hardest for him will be the one who will give him the best home.

The trap was built on a special order, is constructed of the very best material throughout and will last a lifetime. It can be used for two persons, or by merely turning the back seat over and letting down the foot rest it will accommodate four. The simple removal of a bolt throws both seats into one, the front seat thereby forming a convenient rest for the feet.

Rules of the Contest

Announcement—This contest will be conducted on strictly honest business principles, with justice and fairness to all concerned.

Prizes—The first prize shall be the Pony, Trap and Harness complete. Other prizes may be added at any time, at the publisher's option.

Candidates—Any boy or girl in this or adjoining counties is eligible in this contest. The one who receives the most votes at the final count on Wednesday, May 10th, 1911, at 3 p. m., will be declared the winner, and to him or her will be awarded the pony, trap and harness complete. Contestants may secure help and assistance from anyone whom they desire.

Tie in Votes—In case of a tie, the value of the prize will be equally divided or a like prize granted to those tying, at option of publisher.

Classes of Votes—The votes are issued in coupons of the following denominations: New or Cash-in-Advance Subscriptions, 500 votes for \$1.00; Back Subscriptions, 400 Votes for \$1.00; Job Printing, (Outside of Brady) 250 Votes for \$1.00; Advertising, (Outside of Brady) 250 Votes for \$1.00; 5-Year Subscriptions (in Advance) to One Address, 5,000 Votes for \$5.00. No Votes given for either job work or advertising secured in the City of Brady. No Votes given on subscriptions paid at this office prior to the opening of this Contest, Wednesday, February 1, 1911.

Right is reserved to add additional classes of votes, also to change or modify these rules and regulations as necessity demands.

General Instructions—Names of Contestants will be printed in order according to standing and the amount of their votes published regularly after first count is made.

During first 60 days no candidate will be permitted to cast over 5,000 Subscription Votes during any one week. Advertising, Job Printing or Free Paper Coupons may be voted in any quantity and at any time.

Votes once deposited in ballot box cannot be transferred to another.

No contestant will be allowed to take more than one of the Special Prizes that may be offered from time to time, but any contestant may secure one of the Special Prizes in addition to the Grand Prize.

The publishers are not to tell for whom any-one votes except in case of alleged error or irregularity.

Contestants should keep a list of their votes and see that the Publisher's figures verify it.

All coupons should be placed in envelopes, furnished by us, with Contestant's name written plainly thereon.

An Awarding Committee of three is to be appointed to make final count and distribution.

"MEET ME THERE"

From Supt. Drake of the Frisco.

Ft. Worth, Texas, Mar. 19.
Mr. S. S. Graham, Pres.,
Brady Commercial Club,
Brady, Texas.

Dear Sir:-

I beg to acknowledge receipt of letter signed jointly by Mayor Conley, Secretary Hardison and yourself, expressing your appreciation of the new passenger service we recently installed into Brady. Am more than glad that the prosperity of your city and the development of the country has made it possible for us to further augment the service and give your citizens additional advantages in the way of travel. I am very hopeful for a prosperous season and trust this will prove to be Brady's banner year, not only in a commercial way but in civic advancement.

I shall be glad to entertain suggestions from you gentlemen at any time, looking to the further advancement of our mutual interests.

Very respectfully,

W. B. DRAKE,

Vice-Pres. and General Supt.

Jack McGaughy Here.

Jack McGaughy was in Brady last Friday and Saturday, the guest of S. J. Striegler. While Jack's main object in coming was to talk and sell his fancy eggs, he had time nevertheless to be sociable, and to enjoy the trip as well. He reports wheat and oats as looking as fine as he ever saw between here and Brownwood.

Since placing his egg advertisement in The Standard the first of last week, he had sold up to Saturday night something like \$95.00 worth of eggs in McCulloch county alone. Out of 26 settings sold, 9 were to one man. In addition to this he sold \$50.00 worth in Brownwood with no advertisement at all.

On account of the rainy weather many chicken fanciers were unable to see Mr. McGaughy, and if these people will write to him at Brownwood and enclose a \$1 bill, he promises to send them something nice. \$1.00 a setting is what he asks now for his Rhode Island Reds, Golden and White Wyandottes, and prices slashed to pieces on all other breeds.

Miss Harriett Cook entertained last Thursday evening with a 7:00 o'clock dinner at The Queen Hotel, the occasion being in honor of her birthday. Five couples participated, the dinner being served in five courses. After dinner the guests remained until a late hour, enjoying the interesting game of fan-tan. Those present were Misses Linda Anderson, Bernice Wolf, Vivian Jordan and Virgie Yeager. Messrs. Burl Wiley, Bert Hurlbut, Howard Ogden, Herbert Wood and H. N. Cook.

Mr. and Mrs. S. M. Richardson leave this week for a month's vacation. Mr. Richardson will attend to business matters in New Orleans, and will also attend the Knights of Pythias Grand Lodge at Abilene as delegate from the Brady lodge, while Mrs. Richardson and little daughter will visit relatives in Denton.

Miss Lolete Shuler entertained with a week end house party at her ranch home last week, proving herself a most delightful hostess. Among those who enjoyed her hospitality were: Misses Mozelle Glenn, Carrie Berry, Winnie Smart, Marie Cornells and Lena Burger.

Mr. and Mrs. Jas. T. Mann entertained a number of friends Monday evening with a forty-two party, honoring Mrs. Mann's sister, Mrs. Sloan, of Dallas. A most pleasant evening was spent in games and music. Dainty refreshments of cream and cake were served by the hostess.

Mrs. Gordon Deaver returned home Sunday to Menard after a visit with her parents, Mr. and Mrs. W. K. Gay. Miss Trisxie Gay is now visiting her sister in the city of flowing water.

Mrs. J. B. Granville and sister, Mrs. Chas. E. Cole, of Virginia, left Sunday for London where they will visit their parents, Mr. and Mrs. Joe A. Harris.

A number of Brady young people attended the dance at Rochelle last Friday night. All report a most enjoyable time.

Mrs. L. A. Williams left Monday for Crawford, where she will spend a few weeks with relatives.

The Misses Harris, of Musko-

gee, Ok., arrived Tuesday for a visit with Mrs. Jack Coe.

Mrs. Virgil Jones and Mr. Top Jones have returned from a visit to relatives at Coleman.

Mrs. John E. Cooke returned yesterday from a three-week's visit in Dallas.

Don't forget the Dixie Male Quartette at the Cozy tomorrow (Saturday) night. This is one of the finest male quartettes on the public stage today, and it comes to Brady bearing the highest endorsements. The entertainment will be under the auspices of the Mothers' Club for the benefit of the Public school fire escape fund. Secure your tickets early. You will be more than pleased if there is a spark of music in your soul.

Commercial Corner

Wm. Ganzer, of Denton, District Director for Central West Texas was in McCulloch for a few days last week in the interest of our farmers. He addressed a nice crowd in the southern part of the county Wednesday night and while there was the guest of our friend, G. B. Awalt, of the Bide-A-Wee stock farm. On Thursday night he had a very respectable hearing at West Sweden, and while there he stopped with S. W. Colton. Our demonstrator John T. Love was with Ganzer on this itinerary and says that good old fashioned hospitality is still here.

We now have, including all the prize contestants, boys in the corn clubs, demonstrators and co-operators one hundred and forty-eight farms doing special work this year. As this is the first year we have enjoyed government assistance, we feel gratified over the present prospects. If we are blessed with good seasons this year, McCulloch county will take a long step toward the front with the great producing counties of the state.

Now, with proper, honest and effective expenditure of the water and road bonds funds, everybody busy with good roads, bridges, season and plenty of water, Brady and her trade territory should feel the impetus that good times usually inspire.

We feel that the recent bond elections stamp the progressive spirit upon this section and maintains the reputation that Brady justly deserves.

The proper entertainment and management of the big Summer Normal Institute is the next thing to consider. We wish that when the committee calls to see the people of Brady, that they will give room to a few of the teachers to board.

On April the 14th the membership meeting of the Brady Commercial Club takes place. We ask that as many good people who are interested in the development of the city and the surrounding country attend this open meeting. There will be something in the way of refreshments and some speeches that may prove to be gems of literature; that part is yet to be determined. At any rate come and enjoy the meeting with us.

SECRETARY.

THE ANNUAL MEETING

Brady Commercial Club to Hold Second Annual Banquet Friday Night, April 14, 1911.

Just one year ago the Brady Commercial Club was organized, and on Friday night, April 14, the second annual banquet will be given, at which time comprehensive reports of the Club's work will be submitted and a new directorate elected for the ensuing year.

The directors of the club have been faithful in their work during the past year. They have held frequent called meetings, and have devoted much of their time and considerable of their means to the work entrusted to them by the club proper one year ago. The Standard feels that the club has been equal, all things considered, to that of any other commercial club in the state. When the amount of funds upon which the directors have had to work is considered the results attained have been remarkable. The reports of the president and secretary at the annual meeting will show in detail all that has been done.

The annual meeting should be the most rousing rally that Brady has ever had. Let every club member make up his mind now to be present and to bring with him at least one other good citizen to become a member. A practical luncheon will be served on this occasion, and besides the reports to be read there will be a few short, spicy talks. The directors have decided that no marathon stunts in the way of "wind-jamming" will be pulled off, but every citizen who wants to be heard briefly will be given an opportunity to say a few words for "the good of the order."

The directorate is composed of twelve citizens, and according to the constitution and by-laws five of the old board will hold over and seven new ones will be to elect at this meeting. At a recent meeting of the directors lots were drawn for the hold-over privileges with the result that Messrs. S. A. Conley, C. A. Trigge, J. F. Montgomery, Thos. Bell and D. Doole, Jr., were chosen. The retiring members are S. S. Graham, W. D. Crothers, J. T. Mann, J. E. Cooke, H. F. Schwenker, A. B. Reagan and Joe Matthews.

Now let every good citizen get ready for the annual meeting. Let's make it a veritable "business revival." Let's run up the membership to 500, and let's double the money revenue.

Early Morning Fire.

At 6:00 o'clock this morning a four-room residence in the South part of town, owned by J. F. Schaeg and occupied by J. C. Beasley, was destroyed by fire. Mr. Beasley had just arisen and was carrying a lighted lamp in his hand when he tripped over a rug and dropped the lamp which exploded, the oil causing the flames to spread rapidly. So quick was the fire that the family was enabled to save nothing from their effects, and in a very few minutes both house and contents had gone up in smoke. The fire company responded to the alarm, but the nearest plug was too far away to be of service. Mr. Beasley had just recently moved here from Mercury, and is employed by the Brady Lumber Co. He carried no insurance. Mr. Schaeg had something like \$350 insurance on the building.

BUILDING NEW AIRDOME

Lyric Theater Management Leases Old Jail Property and Will Erect Modern Open Air Theater.

The management of the Lyric Theater last week closed up a lease on the old jail lot property for the summer, and on Monday morning work was begun in tearing down the old jail building to make room for a large and comfortable open air theater to be known as "The Airdome."

The Airdome will occupy a space 55x90 feet. The stage will be 30x55 feet and will have a drop curtain opening of 24 feet. Mr. Levy has contracted with a Dallas firm for a set of scenery to cost \$1,000, the best set ever brought to Brady. The seating capacity will be 700, and a raised floor will be built to accommodate the reserved seat section.

Arrangements are now being made to open The Airdome with a good stock company about the first of May, and during the entire summer good stock companies will be engaged from time to time. The management announces that they will spare no effort and will spend considerable money to give theater patrons of Brady some first-class attractions this season. They also announce that arrangements are now being made for the erection of a good permanent opera house building to be ready for occupancy by the time the open air season is over.

"Quick Meal" Gasoline Stoves

Are the superior kind--absolutely safe, simple to operate and as cool as a cucumber. Don't burn up this summer--the cost of a "Quick Meal" and the low cost of fuel justifies making yourself comfortable. Don't confuse the Quickmeal with the ordinary torch burner gasoline stoves or ill-smelling, dangerous coal-oil stoves. The Quickmeal is different, better, and absolutely safe. Let us demonstrate for you any time at our store. We can show you one in operation in a minute. Think of it! A hot fire in a minute. No Generating, no wicks to trim, nothing but to strike a match. . . . Everything for Spring Cleaning--Mops, Brooms, Scrub-brushes, etc. Garden Tools.

The Standard lost a valued subscriber Saturday for a reason never before given in our experience of nearly ten years' newspaper work. The gentleman stated that he was taking several papers and the time it required him to read them left him no further time for reading the bible. He was accordingly stopping all newspapers and would put in all the time he had for reading in the study of the bible. Needless to say we accepted his estoppel without argument.

From the standpoint of distributing seeds uniformly the John Deere planter leads all makes on the market. This statement is verified by every farmer who has ever used the John Deere.

A Fierce Night Alarm
Is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin, of Manchester, O., R. R. No. 2, for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, hay fever, la grippe, whooping cough, hemorrhages fly before it. 50c and \$1. Trial bottle free. Sold by Jones Drug Co.

J. F. Schaeg returned Saturday from San Antonio where he had been with his prize saddle on exhibition. He also had on display a new stirrup leather of his own design and patent, and took a number of orders for both saddles and leathers. The saddle which Mr. Schaeg was showing is one of the finest and hand-somest ever made in Texas, and attracted much attention. The boys said that Mr. Schaeg could have sold several more saddles had he put in more time on them and less on boosting for Brady. He talked the advantages of Brady and the Brady Country until he could rattle it off in his sleep, and he proved he was a genuine booster by making it a point to get home in time to vote for both the road and water bonds in Saturday's election.

W. D. Crothers, of Brady, was here a few hours yesterday afternoon looking after business affairs. Mr. Crothers could not help expressing his surprise at the wonderful improvement made in the streets of Brownwood. It was raining while he was here and he found that he could get about without getting in the mud. When he lived here some fifteen years ago it was difficult to drive a two horse wagon through the town in the muddy times.—Brownwood Bulletin.

PURE, RICH BLOOD

Central Drug Store Sell A Prescription that means Vigor. Vim. and Vitality

Because MI-O-NA causes the blood to get better and more nourishment it is at all times a valuable tonic. It puts vigor into the muscles, clears up the improperly nourished brain and makes strong nerves that will stand the severest test.

Men who feel that their vitality is slipping away; that the vim and energy that they formerly put into all their work is lacking; that ambitious impulses and clever ideas do not come as they used to—are the kind of men that need MI-O-NA.

These are the kind of men that a month's treatment will put in fine shape.

Besides being a peerless remedy for indigestion MI-O-NA is a most pronounced tonic. It makes the skin clear and clean; it puts color in the cheeks and causes dull eyes to brighten.

If you have that blue, discontented feeling through the day and pass restless nights, trying unsuccessfully to get a refreshing sleep, take a month's treatment of MI-O-NA stomach tablets, and bring the sunshine into your life that health and happiness always bring.

MI-O-NA costs but 50 cents at the Central Drug Store and druggists everywhere. Guaranteed to cure indigestion and immediately relieve all stomach misery, or money back.

Attacks School Principal.
A severe attack on School Principal Chas. B. Allen, of Sylvania, Ga., is thus told by him: "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaint, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at Jones Drug Co.

The Standard is requested to announce that Rev. M. Noyd, Lutheran minister, of Ft. Worth, will preach at the East Sweden Presbyterian church Sunday afternoon at 3:00 o'clock. Everyone extended a cordial invitation.

Transfer Line at Menard.

Menard will have a first-class transfer line as soon as the busses can be gotten in over the railroad. Ride with us when you come to Magnificent Menard. Menard Transfer Line, S. S. Fillmon, Prop. 90-2-8t
