Letter To The Editor

November 17, 1962
 Dear Dolph,
 Enclosed is my check for the October account.
 It was a pleasure to get in so many nice visits with you and to meet Sue during this campaign. I enjoyed these past ten months and though it consumed time and money that could have well been put into Arrowhead Mills and Ford Farms, it was worth it to meet so many fine folks. Judge Chapman, a staunch Democratic friend of mine in Amarillo, has told me that it is "character building" to run for office once and teach school a year. So be it.
 If our little effort caused a few people to consider the

issues more closely, take a more active interest in their government, do a little THINKING instead of relying on blind prejudice, then that would be an added bonus. We must not be afraid to think because the social problems facing us in the future are going to be tremendous and we must be willing to meet these problems locally, in my opinion. It is easy to turn your conscience over to far away Washington and let it go at that.
 Dolph, I'll look forward to seeing you often in the coming years. You all drop by and see us if you are over this way.
 Yours,
 Frank Ford

Location of a telephone serviceman here would, we think, improve Bovina's telephone service and be extremely valuable to the phone company from a public relations standpoint.  In other action by the commissioners, the county's election returns were canvassed, and routine business was taken care of.

ALTOONA, PA., MIRROR: "In some sections of our nation the shackles that bind the minds of men have not as yet been entirely opened. Nor is the attempt to create new slave conditions abandoned in this year of our Lord 1962. There are those among us who would enslave vast portions of our population by taking away from them the very last vestiges of self-reliance. Under the guise of liberalism they seek to make millions of people subservient to their wishes through programs that at first glance appear to be for the welfare of those whom they would enslave. They want to feed them, clothe them, provide housing and medical care for them, but they expect in return obedience at the polls, so that their masters can even further enslave those who do work through taxes, dues and regulations."

Farm Facts

The European Common Market is already the biggest foreign cash buyer of U. S. farm products, according to Raymond A. Ioanes, administrator of the Foreign Agricultural Service.
 It includes France, West Germany, Italy, Belgium, The Netherlands, and Luxembourg. Eventually, as in the U. S., there will be no restrictions on movement of goods, capital, services, and workers within the area.
 "The population of the Common Market as now constituted is close to that of the United States. Another 55 million persons are added by the overseas countries and territories. However, the addition of countries seeking membership or association could well bring the population to over 300 million," Mr. Ioanes notes.
 "A strong demand exists in the Common Market for a long list of the farm products we want to sell. The quality of our food and fiber is high, and our prices are competi-

The European Common Market is a big farm customer.
 These factors, despite restrictions which have hampered access of our farm products to the Common Market, have generally worked in our favor—at least up to now."

**Highlights and Sidelights
From Your State Capital**

AUSTIN, Tex. -- Capital city folks already are getting "inauguration fever."

"Inaugural plans for Governor-elect John B. Connally will be far more elaborate than any held in the past decade," So reports Frank Erwin, secretary of the State Democratic Executive Committee, who is in charge of arrangements.

Festivities will begin the evening of January 14 when 5,000 Democrats are expected to pay \$25 a plate for a Victory Dinner in Austin's Municipal Auditorium.

On the morning of the 15th, there will be an interfaith Prayer Breakfast in the Driskill Hotel.

At noon Governor-elect Connally and Lieutenant Governor-elect Preston Smith will be "sworn in" in a ceremony supervised by the State Senate and House of Representatives.

Inaugural parade, following the ceremony, is expected to be one of the largest ever held in Austin. High school bands from all over the state are accepting Connally's invitation to participate. Many out-of-town floats also will participate. Also taking part will be the U.S. Navy, with a salute to its former secretary, John Connally.

The Capitol and all state buildings on its grounds will be illuminated that evening. All Texans will be invited to greet their new chief executive and other elected state officials and enjoy refreshments and entertainment in the Capitol.

This gala evening event is a brand new innovation.

TEXTBOOKS SELECTED -- State Board of Education voted to accept the State Textbook Committee's recommendations for new texts in 13 public school courses, and approved its recommendation not to select new economics texts at this time.

In compiling a list of some 65 textbooks for selection by local boards, the 15-member committee studied 188 books submitted by 33 publishers, with the assistance of 517 professional advisors and 400 laymen.

Texas Education Agency experts in 10 fields then reviewed their selections and submitted some 400 suggested corrections, which the publishers agreed to make.

Most of the corrections refer to typographical mistakes and minor factual errors.

State Library agreed to keep a copy of each recommended text so that they will be available to individuals who may want to protest acceptance by local school boards.

Board of Education also will send samples to local boards, according to enrollment; one set for 500 pupils; 16 sets for 10,001 to 50,000 pupils; etc. Local boards must appoint their selection committees by December 15.

REPORT POSTPONED -- House Textbook Investigation Committee postponed completion of its final report to the next Legislature for the second time.

Committee, headed by Rep. W. T. Dungan of McKinney, will meet on December 27. Then each of its five members will submit individual reports on hearings held in Austin, Amarillo and San Antonio.

Decision to make separate reports from each committee member underscored the squabbling which has beset the committee since it began public hearings last January.

Committee voted to exclude mention of a Dallas hearing, where former Maj. Gen. Edwin A. Walker testified, since Representative Dungan was the only member present.

RABIES DOWN -- State Department of Public Health reports that the incidence of rabies is decreasing.

For example, the number of rabies cases reported between January 1 and September 30 of 1953 was 1,336. Reports for the same period in 1962, nine years later, totaled 448.

No cases of rabies in bats were listed from 1953 to 1956. But they numbered 26 this year.

Dogs were the animals most frequently infected with rabies. Foxes followed second.

Only 15 cases of rabies in humans have been reported over the past 10 years.

EIGHT DAYS AGAIN -- Texas Railroad Commission has set an eight-day oil allowable for the 11th month in a row.

January was the last month that oil producers were allowed to operate prorated wells on a nine-day allowable.

Texas Independent Producers and Royalty Owners proposed fractional-day orders.

A spokesman for the Texas Landowners and Independent Producers Association said his group will ask the Legislature to change the market demand law so the Railroad Commission can set allowables on a basis of Texas' share of national oil reserves.

But Chairman William J. Murray Jr. stated that the commission believes it now has the authority needed "to set allowables as high as the market will take." He added that the commission would go to fractional days, or to a percentage, if such a step is needed.

Murray also said that a plan for tougher new test requirements in the East Texas field is being devised by the commission.

HOUSE CEREMONY -- Speakers of the House James A. Turman invited newly-elected members of the House of Representatives to take their oath of office in a mass ceremony on November 23.

That's the day votes officially will be canvassed and all non-returning representatives will be removed from the House payroll.

Turman's invitation was issued immediately after Attorney General Will Wilson ruled that Turman will continue to serve until his successor, Rep. James Dea Cole of Greenville, qualifies for his new term.

Opinion was requested to clear up a situation muddled by redistricting of legislative districts. Cole was elected to represent a new district which includes his old one as well as Turman's. Members whose districts were abolished by redistricting can hold office until newly-elected members qualify.

ENROLLMENT UP -- Number of students attending local state-supported junior colleges increased 15.3 per cent over the past year to reach a total of 42,991 on October 15.

Thirty-six of the 37 colleges showed an increase in enrollment.

But Lee College at Baytown showed a decrease of 7.6 per cent. It's estimated that some former Lee students now are attending San Jacinto College in nearby Pasadena, where enrollment boomed by 59.5 per cent.

State Board of Education voted to appoint a commission to study criteria for the establishment of new junior college districts.

BUS TRUCK SPEEDERS -- Texas truck and bus drivers are worse speeders than passenger car drivers. So reports the Texas Highway Department. Speed recording tests made by the Department shows truckers are the worst offenders with an average speed violation record of 78.3 per cent exceeding the legal speed limit.

Department's annual speed survey shows busses came next to truckers in speed limit disregard. Their average was 63.7 miles per hour.

Average speed of passenger cars was 55.4 mph -- within the limits of 60 mph during the daytime and 55 mph at night.

PRE-CHRISTMAS SURPRISE -- A quarter of a million Texans have received a pre-Christmas surprise.

The aged, the blind and the disabled got a raise in their public assistance checks from state welfare agencies.

Increase amounted to \$9 per month for the 75,000 old folks

Homemakers Given Tips For Current "Gobbler Season"

The gobbler season of the year is here. More turkeys are bought during this time than any other season of the year, says F. Z. Beanblossom, poultry marketing specialist, Texas A&M College.

He says that homemakers who buy their turkeys through retail stores should consider a number of things when making their purchase. First of these is the size of the bird and will depend on the number of people to be served and how well the family will eat the leftovers. Generally, 3/4-pound of ready-to-cook turkey per person should be allowed for generous portions.

The next factor to consider is the quality of the turkey, according to Beanblossom. The best quality birds are Grade A and will have an even covering of fat over the entire body. Grade A turkeys are broad breasted and have bulging thighs and large drumstick and give the best meat to bone ratio for your turkey dollar. The homemaker should select a bird without blemishes, such as torn

skin or bruises, the specialist says.

The grade and inspection identification is important and should be noted when buying, Beanblossom says. These are metal or cardboard tags and are on the bird for the buyer's benefit. A tag saying "Inspected for wholesomeness by U. S. Department of Agriculture" shows that it was processed in a plant under the supervision of the USDA inspection program. The tag reading "U. S. Department of Agriculture Grade A" means that the turkey has been given an official grade of A by the USDA grader in the plant.

Beanblossom also recommends that the homemaker cook the turkey according to its weight. Allow 15 to 20 minutes per pound of ready-to-cook turkey and cook in a 325 to 350 degree F. oven.

David Lawrence writes: "The road to socialism is plain to see. The administration, however, can shift its course and start in earnest to travel the road of sound capitalism and free enterprise. It cannot assume the function of omniscient supervisor with a club in his hand. It must let the laws of supply and demand and of competitive influences operate. Then labor will find itself compelled to become realistic, too, and there will be a pause in excessive wage demands and a chance for American business to get on its feet again."

HERMAN GERIES, center, consults with W. W. Grisham, left, District Extension Agent, and County Agent Deryl Coker, after being elected as chairman of the Parmer County Program Building Committee last week at Farwell.

County Program Committee Re-organizes, Elects Slate

The County Program Building Committee elected new officers at a re-organizational meeting last Thursday morning at the District Courtroom in Farwell.

Herman Geries, who farms in the northwestern part of Parmer County, was elected president of the committee, succeeding Jack Patterson of Bovina, who headed the old Program Building Committee.

Also elected were Leon Grisham, vice chairman, and Mrs. Davis Gulley, secretary-treasurer.

Bill Grisham, District Extension Agent from Amarillo, explained the Extension Service's role as applied to the Rural Area Development program (RAD), and what affect it had on the local committee.

"Let me emphasize that your committee will be no different than it has been in the past, although it will be expanded somewhat," Grisham said.

"You are the ones who will make the decisions as to what needs to be done, and how it is

to be done," he told the gathering. "We're just to assist in setting up the committee," he said of the Extension Service's role.

Grisham explained that the broadened committee will have the services of a county Technical Actions Panel (TAP) on which it may call for assistance.

Making up the TAP committee in Parmer County are representatives of the Agricultural Stabilization and Conservation Service (ASCS), Soil Conservation Service (SCS) and Farmers Home Administration (FHA).

Jimmy Smith, work unit conservationist for Parmer County, has been elected chairman of the TAP committee.

"This phase of the program is not something you have to do, but something we have to do for you," emphasized Grisham on behalf of the USDA organizations.

It was emphasized that the purpose of the Parmer County Program Building Committee, as it has been in the past, would be to determine the present

county situation, identify county problems, and plan and carry out an educational program designed to aid the people in the solution of the problems.

Also elected last Thursday were four members to the county's executive committee. In addition to the three officers, Jack Patterson was selected, as past chairman of the organization.

Others selected to the executive board were Bob Wilson, Harry Hamilton and Mrs. J. D. Sanders.

Standing rules for the committee were discussed, with members given mimeographed copies to take home for further study.

Representation on the committee was the main topic of discussion. Preliminary plans call for at least 10 members on the committee.

The tentative list of organizations to be represented on the committee in its expanded form are: Chambers of Commerce, banks, Farm Bureau, Farmers Union, Commissioners' Court, Home Demonstration

Council, Production Credit Association, Grain Sorghum Producers Association, Cotton Producers, and Soil Conservation District board of directors.

It was decided that the executive committee shall have the authority to approve other members to serve on the Program Building Committee as it deems necessary.

Banquet Honors Gold Star Champs

Parmer County 4-H Gold Star winners, Katie Blackstone and Bruce Billingsley, were honored Saturday evening with a banquet served at the YWCA in Amarillo, Katie and Bruce were among 39 honorees from 20 counties of District 1.

A banquet dinner was served at 6 p.m. followed with presentation of Gold Star Certificates to each Gold Star Boy and Girl. These certificates were presented by Miss Edith L. Wilson and W. W. Grisham, Jr., District Agents with the Texas Agricultural Extension Service in Amarillo.

Guest speaker, Mrs. Melton McGehee, president of Texas Home Demonstration Association spoke on "Unfinished Work". She stressed the unfinished work youth have to educate themselves for better

growth. She stated, "It's better to have a headache today than to have headache later as we mend men and women."

Panic!
This is what the majority of us will be doing Friday after Thursday's Thanksgiving Turkey. If we haven't put on 10 pounds extra weight, then the fact that all news media will begin proclaiming that only 27 more shopping days remain until Christmas, will be the proverbial straw. This is such a jolt when all the time you are aware it is just a short time away. If you can put the idea into weeks instead of days it certainly eases the pain.
Anyway, am sure December 24 will find us rubbing noses with several last minute shoppers.

Think it is ironical that at about the same time Bovina let contracts for more new paving the street sweeper was also put up for sale. Guess the theory behind this is that with paving we won't need the street sweeper since there will be only a few dirt streets left.
Speaking of the new paving, it certainly makes us feel elite when we zoom down Eight Street and almost forget to turn in at our drive because we are so impressed with the progress, it would almost give one an inclination to have a pretty yard next summer instead of letting the weeds run rampant. But we'll see.

We haven't heard any more comment from C. R. Brandon about which sex has been winning the weekly football contest. Am sure we will take our share of ribbing when all of it is over.

Since basketball season will be officially opened in a few days we venture to say it won't be three weeks until we hear speculation on attending state basketball tourney at Austin. The fact that Bovina has had crackerjack teams in the past has enabled several local citizens, in fact almost all local citizens, to have a mid-winter vacation to Austin. Am sure most who attended the tournament were avid sports fans, but also am equally sure of the fact that many of them were just anxious to have a fairly legitimate excuse to take off work for a few days and have fun fest at Austin. One can never tell about the chances for attending this tournament from a team standpoint but it is interesting to think about, and, of course, hope that we can go again this year.
(EDITOR'S NOTE—Now, that is a pleasant thought!)

Bovina Woman's Club is helping start the Christmas spirit by sponsoring a film, "Prince of Peace," Saturday, December 1, at 7 p.m. and again on Sunday, December 2, at 2 p.m. in school auditorium.
Price for adults is \$1. and 50¢ for children.
This movie was filmed at Lawton, Okla. and, according to Mrs. Warren Morton, club president, it is well worth your time to see it.

Courtesy Fetes Judy Meachum

Miss Judy Meachum was honored with a farewell party Monday afternoon at the home of Mrs. Jessie Williams.
Hosting the occasion were Mrs. Carroll Burnam and Mrs. Terry Carpenter.
The refreshment table was laid with a white cloth and centered with an arrangement of artificial gardenias and Indian paint brush. Sandwiches, chips, soft drinks and nuts were served to guests.
Hostesses presented the honoree with a blouse.
Attending were Letecia Lehenbauer, Bonnie Morris, Linda Johnston, Mrs. Jessie Williams and the honoree.
Many who were unable to attend sent gifts.

Shower Honors Mrs. Killough

Mrs. Sid Killough was honored with a pink and blue shower Wednesday afternoon at fellowship hall of Church of Christ.

Centering the refreshments table was an arrangement of pink and white asters and pom pom mums in a milk glass container. The table was laid with a white lace cloth over pink. Refreshments of blue cake decorated with pink booties, coffee and punch were served to guests.
The honoree, her mother, Mrs. Ernest Sell of Littlefield and her mother-in-law, Mrs. Lloyd Killough were presented with corsages of white carnations.
Attending were Mrs. Norman Killough of Clovis, Mrs. Tom Griffith, Mrs. Charles Jefferson, Mrs. Kent Glasscock, Mrs. J. R. Caldwell and Mrs. E. E. Woelfel.

Congratulations

Congratulations to Mr. and Mrs. Owen Burnett on the birth of baby boy last Wednesday at Memorial Hospital in Clovis. The new arrival weighed 6 pounds 7 1/2 ounces and is named Ronnie Gene.
Grandparents are Mr. and Mrs. F. R. Burnett.

Ceremony Fetes Paula Kay Kerby

Miss Paula Kay Kerby was honored with a White Bible Ceremony Sunday evening at First Baptist Church by members of Young Women's Auxiliary.

Highlighting the program was the presentation of a white Bible to Miss Kerby. Bride-elects are given the Bible for the purpose of establishing their home on God's word, according to Mrs. John Ferguson.
Taking part in the ceremony was Mary Joyce Webb, Y.W.A. president, Mrs. John Ferguson, director, and Rev. John Ferguson.
Miss Tonia Vee Ivy sang "Bless This House." Others participating were Jeanie Ivy, Bettie Mae Stevens, Patsy Lloyd, and June Webb.

Wilson's Host Buffet Dinner

Mr. and Mrs. R. E. Wilson entertained several couples with a buffet dinner Thursday evening at their home.
Decorating the buffet table was an arrangement of chrysanthemums. Traditional Turkey and dressing, vegetables, salads and dessert made up the menu.
Following dinner the group spent the evening playing bridge.
Attending were Mr. and Mrs.

G. D. Anderson Jr., Mr. and Mrs. Tom Caldwell, Mr. and Mrs. A. M. Wilson, Mr. and Mrs. Leon Grissom and Mr. and Mrs. J. E. Sherrill.

SOURING THE FLAME: Lemons and seaweed are latest weapons against forest fires. When lemon peel pectate and by-product of kelp are added to other chemicals dropped from planes or sprayed by tanks, mixture thickens to cling to forest foliage like cake frosting. CLUES IN VOODOO: Psychosomatic impact all the way is studied by South African Dr. R. J. W. Burrell who saw a Bantu death spell materialize in few hours. He asks: "I wonder how many of our patients die because they think they should?" FOR SHIMERS: Pineapple enzyme sold on prescription is designed to treat black eyes. Has also been used for treating fractures, bruises, pulled muscles and joint dislocations of boxers, ice skaters and basketball players. Product is joint development of pharmaceutical firm researchers and pineapple company scientists.

LAND INVENTORY -- State school land and mineral ownership is being inventoried.
Land Commissioner Jerry Sadler reveals that close examination of over 153,000 separate files is half completed. He reports that during 1874-1951, school lands were sold under dozens of different statutes.
Sadler estimates that "a mineral estate of 4,000,000 acres was reserved in these transactions."
This, with riverbeds, submerged lands, the University domain and the almost 900,000 acres held outright by the state, create the 22,000,000-acre total endowment for public education.

MAJOR REPORTS READIED

-- The House General investigating Committee is readying three major reports.
Rep. Charles Ballman of Borger, committee chairman, says the report concern Hurricane Carla insurance payments, alleged point-fixing in Southwest Conference basketball games and slant hole drilling.

FREE BUS RIDE -- State Board of Education has approved a proposal to make more students eligible for free bus transportation.
Under this change any students living two miles from school and two miles from a franchised public transportation route may become eligible

TAX ILLS CURED? -- Texas' new sales tax may have cured the state's financial ills. Similar views on this subject have been expressed by James W. McGrew, director for the Texas Research League, and Sen. George Parkhouse of Dallas, chairman of the State and Local Tax Policy Committee.
The Parkhouse committee will recommend to the Legislature in January some changes, mainly corrective, in the 1961 sales tax act.
He predicted the committee will recommend more new tax exemptions than it will seek to abolish.
Parkhouse says the net result would be a small increase in revenue under the tax now raising \$170,000,000 a year.

TECHNICALLY ILLEGAL

-- When the Texas Senate convenes in January it will take action which at the moment is technically illegal or unauthorized. Senators will find themselves in a situation for which no written rule has been cited, in the initial business of getting organized.
There will be no lieutenant governor to call the body to order, name temporary officers or swear in new members.
There will be no holdovers, as a matter of fact, since all were elected this year.
Term of Sen. Culp Kureger as president pro-tem will have expired. He, like the others, will start a new term.
There won't be a lieutenant governor until one week after the session starts.
Probably the selected president pro-tem, or at least some member who has previously taken his oath in private ceremonies, will be designated by the caucus to take the stand, appoint a temporary secretary and sergeant-at-arms and get the show going.
He can administer the oath, etc., and then the Senate can go through the exercises prescribed by proper procedure.

Lazbuddie Gives Cage Schedule For '62-'63

Lazbuddie was to open its 1962-63 basketball season Tuesday at Adrain, with both the boys and girls teams hoping to improve on last year's record.
Coach Carol Step had only two lettermen back for the Longhorn quintet, Johnny Mabry and Gerald Foster. Last year the Longhorns played some close games, but came out with a 4-16.
For the girls team, Lazbuddie has 12 players back, eight of them sophomores who lettered as freshmen. Last year they posed a 2-16 record.
"We should improve our record quite a bit this year," Step predicted.
Lazbuddie plays in tournaments at Farwell, Springlake and Amherst. District play begins January 8 at Bovina. They will close their season February 8 with Bovina at Lazbuddie.

Cotton Samples Increasing, Harvest Picks Up Slowly

Mr. W. K. Palmer, Officer-in-Charge of the Lubbock Cotton Classing Office, reported sample receipts were still increasing but at a very low rate. Daily receipts are running about 8,000 samples per day. Mr. Palmer also reported that the quality of the grades and staple lengths declined over the past week.

The Lubbock office classed 55,200 samples for the week ending November 9. The Lamesa office classed 13,900 samples and the Brownfield office classed 15,800 samples.

For the year the Lubbock office has classed 138,450 samples and has a carry-over of 6,200 samples. The Lamesa office has classed 42,700 samples and has a carry-over of 2,000 samples. The Brownfield office has classed 46,300 samples and has a carry-over of 3,500 samples.

A year ago all three offices

had classed 566,000 samples and had a total carry-over of 12,200 samples.

The amount of Low Middling and Strict Low Middling Light Spotted cotton classed increased this week with 8 percent Low Middling and 12 percent Strict Low Middling Light

Spotted. A week ago percentages were 3 and 6 percent, respectively. Strict Low Middling and Middling Light Spotted continued to account for the majority of the cotton classed, with percentages of 26 and 37 percent. Only 8 percent of the cotton classed was Middling.

Staple length decreased this week with an average staple length of 30.2 thirty-seconds of an inch. Last week it was 30.4 thirty-seconds of an inch. Fifteen-sixteens of an inch accounted for 58 percent of the cotton classed. Twenty-nine thirty-seconds of an inch was 12 percent and 31/32 was 22

percent. Micronaire readings showed some decline, but are still running very good. Three percent of the cotton classed mixed 2.9 or below. Nine percent was in the range of 3.0 - 3.4. Eighty-eight percent of the cotton classed had a micronaire of 3.5-5.4. There was a trace of 5.5

or better cotton found in the cotton classed.

The Lubbock Cotton Exchange reported 22,400 bales purchased for the week ending November 9. This was 5,600 bales more than the previous week and compares with 58,000 bales reported for the same week a year ago.

Cotton prices remained steady over the past week. Middling 1 inch is quoted at 32.30, which compares with 33.00 a year ago. Some of the Lubbock quotations are: Middling 15/16

31.30, Middling 31/32 31.80, Strict Low Middling 15/16 30.20, Strict Low Middling 31/32 30.90, Middling Light Spotted 15/16 30.30, Middling Light Spotted 31/32 31.00, Strict Low Middling Light Spotted 15/16 29.50, and Strict Low Middling Light Spotted 31/32 29.75.

Counties Honored At TFB Convention

County Farm Bureaus were honored at the state organization's annual convention for outstanding accomplishments in membership acquisition, public relations and citizenship.

In recognition ceremonies at the Villita Assembly Hall, Ellis County received the top membership award, Williamson County won the public relations award, and Gaines County was named citizenship winner.

Ellis County received the coveted John Gorham Award for having the largest membership in the state--1,617. This makes the third year in a row for Ellis to win this trophy. McLennan County FB, with 1,503 members, was runner-up. Williamson County Farm Bureau was named recipient of the Texas Farm Bureau Information and Public Relations

Award. The trophy is presented annually to the county judged to have done the best job of keeping its members informed and in building better public relations for agriculture.

The third annual citizenship award loving cup was presented to Gaines County Farm Bureau for outstanding citizenship activities and programs.

In other membership awards, the Silver Loving Cup for the biggest percentage gain went to Starr County which increased its membership by 71 percent, from 42 to 72 members.

Kleberg County received the High Plains Plaque which is given annually to the county with the largest percentage of eligible farmers enrolled in Farm Bureau. Hartley County was runner-up.

HD Agent's Notes

BY MISS ETTIE MUSIL

Don't overlook the use of pumpkins, now that Halloween is past. This fall vegetable can be used in many ways for delicious dishes for your family.

First, select a pumpkin which is heavy for its size. The rind should be hard and free from blemishes. Extra-large pumpkins may have stringy coarse flesh and be less flavorful than small or medium-sized ones.

Pumpkins, with their yellow to orange color, belong to the group of vegetables famous for Vitamin A. We remember Vitamin A is needed for growth, normal vision, and for healthy condition of our skin.

Pumpkin pie at this time of the year or around Thanksgiving is the most popular. Besides using it in pie, have you ever tried pumpkin in custards, cookies, and nut bread? Or maybe you would like to serve it mashed, seasoned with butter, salt and pepper. I've heard that you can also use pumpkin added to waffle batter.

Those of you who have our bulletin "Vegetables, Vegetables" may have tried the recipe, Pumpkin Souffle. If you would like a copy, do let me know so that I can send you a copy. Here's the recipe for the Pumpkin Souffle:

- 2 1/2 cups mashed pumpkin, canned or cooked
- 1/4 cup melted butter or margarine
- 1/2 teaspoon salt
- 3 tablespoons brown sugar
- 1/2 cup hot milk
- 3 eggs, beaten separately
- 1 teaspoon grated lemon rind
- 1/2 cup raisins or coconut
- Add butter, salt, sugar, milk and beaten egg yolks to mashed pumpkin. Beat until fluffy. Beat egg whites until stiff; fold in stiffly beaten whites, lemon rind, raisins or coconut to pumpkin mixture. Put into ungreased casserole and bake at 350 degrees F. 1 hour or until lightly brown. Serves six to eight.

Freezing pumpkin now for

use later is very easy. Simply wash, and cut the pumpkin into small pieces. Remove the seeds and peel. Then cook in a small amount of boiling water, or in a pressure cooker or sauce pan, or in an oven.

After the pumpkin is tender mash the pulp or put it through a sieve. Cool by placing pan containing the pumpkin over chopped ice, and stir the pumpkin occasionally for cooling. Then package in freezer jars, or plastic freezer containers. Freeze immediately, and store at zero degrees or lower.

Last week seven 4-H adult leaders were trained in the Unit 2 of the Favorite Foods leader and member guides. These leaders will work with 4-H club girls in small groups of three to six. In this way the leaders can show the girls how to prepare certain foods in the lessons, and then the girls can practice preparing and serving the same food dish after the demonstration. The girls learn by doing immediately.

Attending the leader training last Wednesday, in the Hub Community Center were Mrs. U. L. Lesly, Mrs. Johnnie Rundell, and Mrs. Leon Billingsley of the Farwell 4-H Club, and Mrs. Charles Howell of the Frona 4-H Club, and Mrs. Freeman Davis, Mrs. Harvey Blackstone, and Mrs. Ralph Broyles of the Lazbuddle 4-H Club.

Through these leader and member guides that were organized by our Extension Service Foods and Nutrition Specialists, the 4-H boys and girls will learn how to plan, prepare, and serve different foods. Also they shall learn the importance of good nutrition in eating well-balanced foods daily for good health now and in the future. We are most grateful for the adult leader who are giving their time for the boys and girls. The youth will long remember the help these and all adult leaders for their interest and training.
