GREAT BONANZA FOR THE PEOPLE

The Conley Bankrupt Stock gives the people a chance to even up the short crops as this mammoth stock of all high grade goods is put on the market at wholesale cost. This is no advertising scheme, but a bonafide cost sale. Everyone can have the cost mark and go and do their own pricing. Ask hundreds of your friends who have traded here about the goods and prices. Warm blankets, sweaters, hats, caps, quilts, suits, underwear and gloves. Oné hundred pairs warm pants worth \$3.00 go at \$1.10 to \$1.25 per pair, cheap as overalls. This sale will run to the 15th of Jan. So it is up to you to come and get goods at jobbers cost as after Jan. 15th they will dispose of the stock or ship it to Waco. You can afford to pay 20 per cent for money until next fall and buy goods and save money from this stock until Jan. 15th. Do not listen to others, but come and see for yourself. You need this help, it is here for you.

There was a general yell of acceptance and Ashton began to sing, "There Was I Waiting at the Church' Then he led a sort of Indian wardance round the next victim of the matrimonial stake. At the end of the hullaballoo all the men charged their glasses, and drained them with an uproarious "How!"

Poor Dr. Temple had taken luxurious delight in the success of his disguise and in the prospect of watching some other clergyman working while he rested. He joined the dance as gaily, if not as gracefully, as any of the rest, and in a final triumph of recklessness, he tossed off a bumper of straight whisky.

"I did," said Lathrop, "I'm giving a Instantly his "How!" changed to "Sarsaparilla," said Dr. Temple, but "Wow!" and then his throat clamped they howled him down and ordered other things. CHAPTER XXIX.

Jealousy Comes Aboard.

There was an air of domestic peace lory and Marjorie had been left to themselves for some time. But the peace was like the ominous hush that precedes a tempest.

Mallory was so happy with everything coming his way, that he was even making up with Snoozleums, and holding up his newspaper with the other. He did not know all that was coming his way. The blissful si lence was broken first by Marjorie: "How do you spell Utah?-with a

"Utah begins with You," he saidand rather liked his wit, listened for some recognition, and rose to get it, tut she waved him away.

"Don't bother me, honey. Can't you see I'm busy?"

He kissed her bair and sauntered back, dividing his attention between Snoozleums and the ten-inning game. And now there was a small commo tion in the smoking room. Through the glass along the corridor the men caught sight of the girl who had got on at Green River. Ashton saw her first and she saw him.

"There she goes," Ashton hissed to the others, "look quick! There's the

Parcels Unmailable Unless Parcels Post Stamps Are Used. Other Useful Information.

Parcels post stamps, instructions and equipment for putting the system into operation at the Brady office have just been received and, in the rush of the Christmas business, it is not possible to give out the information in a newspaper article that I would like to do, but it is hoped that, with the kind assistance of the publisher of this paper, such information will be given out from time to time, as will enable the public to become thoroughly conversant with the features of the system. In the meantime we respectfully invite you to ask us for such informa the San Angeloans up in style. tion as you may desire and we It is high time Angelo folks trust that you will soon realize mailing.
