**New Engineers at Light Plant.**

Messrs. R. A. Brown and L. W. Henderson, who have held the positions of engineer at the city water and light plant for the past fourteen months, have resigned their positions and Mr. Henderson left Wednesday afternoon with his family for Brownsville, where he has accepted a position as engineer with an ice factory. Mr. Brown will continue to make his home in Brady, and will again engage in carpenter work and contracting.

Messrs. S. A. Wooten and Ed Willingham have accepted the positions made vacant by the resignations of Messrs. Brown and Henderson.

We carry everything in the harness line; collars, bridles, back bands, etc., etc., at prices ranging from the cheapest to the best. O. D. Mann & Sons.

Our fourth car of buggies for the season is now en route. Our sales this season on buggies have been enormous which is due to the low price and high quality of the buggy manufactured for us. O. D. Mann & Sons.

**Crisp Weather.**

The coldest weather of the winter was had in Brady Friday night and as a result the plumbers of the city were working overtime Saturday in repairing bursted water pipes and other minor damage. A norther struck here Friday morning and the mercury took a downward start, registering about 12 degrees above zero during the night. The cold spell was of short duration however, and Sunday was considerably warmer.

The weather continued cloudy Monday, with good indications of rain, which would do the small grain crop considerable good at this time.

**AT LYRIC OPERA HOUSE**

Emery Musical Comedy Co. Closes Engagement.

The Emery Musical Comedy Co. closed a three night's engagement at the Lyric opera house Saturday night, presenting one of the most laughable comedies yet witnessed by Brady theatre-goers in "The County Judge." The work of Percy Barbat as "Judge Annanias Lovetody" was above the average and he kept the audience in an uproar of laughter throughout the show. The company has several excellent singers and the singing of a trio composed of Messrs. Barbat, Schuman and Lewis was vociferously applauded.

Several incidents not on the program occurred during the performance which added to the enjoyment of both audience and players. At the beginning of the second act Mr. Barbat unexpectedly fell sprawling on the stage and from that time on several accidents occurred which kept both actors and audience in an uproar. The piano player got tickled at a new joke and turned his chair over backwards, and drew a fine of 80c from "The Judge," while one of the actors was severely reprimanded for smashing a box being used in the court room for a seat. "The Judge" was also fined for damaging the furniture of the court room when he bursted in the head of the barrel which served as his desk when rapping vociferously for "order in the court." Altogether it was a "fine" show.

For Thursday and Saturday nights the management announces an engagement of Harlan & McVeigh in a high-class singing, novelty dancing and musical act. This is a guaranteed act and one of the best on the road. Friday night the attraction will be a home talent play by the young ladies of the Presbyterian Christian Endeavor, a laughable comedy entitled "Breezy Point." The members of the cast have been earnestly engaged in rehearsals for the past several weeks, and as the different parts are in the hands of capable performers, an excellent performance is assured.

**LADY BURNED TO DEATH**

MRS HARRY HART VICTIM OF ACCIDENT.

Loses Life Trying to Save Her Sister—Mrs. T. O. Reardon Also Painfully Burned.

The many friends of the family in Brady were shocked Saturday afternoon by the news of the fatal burning of Mrs. Harry Hart at her home in Fort Worth, as a result of an explosion of gasoline. Her sister, Mrs. T. O. Reardon, was also painfully burned on the arms, but her condition is not considered serious, as she is reported as resting easy. Mrs. Hart died at 1:45 o'clock Sunday morning, death coming as a welcome relief from horrible suffering.

Mrs. Hart was, before her marriage on December 22, last, Miss Eva Broad, daughter of Mr. and Mrs. E. J. Broad former residents of this city and was well known here. Mrs. Reardon was formerly Miss Ella Broad, also well known here, where she had resided up to a few years ago. Both have visited here several times since the family removed to Fort Worth, the occasion of Mrs. Hart's last visit being last December, when she was present for the wedding of her cousin, Miss Nellie Jackson to L. P. Cooke.

Brady and Mason relatives of the family left on Saturday night's train for Fort Worth, the party including Misses Carrie and Francis Schuessler and Mrs. Glen Smith of Mason and Mr. and Mrs. Ed Jackson, Howard Broad and Mrs. Ed Broad of this city.

The full details of the accident are reprinted below from Monday's issue of the Fort Worth Record as follows:

"Mrs. T. O. Reardon, who was badly burned Saturday afternoon at 2 o'clock at the residence of her sister, Mrs. Harry Hart, 1124 Seventh street, when a can of gasoline exploded, is resting easy at All Saints' hospital. Physicians say she will recover. Mrs. Hart, who was fatally burned trying to save the life of Mrs. Reardon, when the latter's arms and hands became ignited as a result of the explosion, died at her residence at 1:45 o'clock Sunday morning.

"Rev. C. V. Edwards, pastor of the College Avenue Baptist church, was riding by the Hart home in an automobile, dedicated to the church by his congregation about two weeks ago, when his attention was attracted by screams coming from the house. He alighted from the machine and ran in, but arrived too late to be of any service save that of conveying Mrs. Reardon to the All Saints' hospital. Mrs. Hart was too badly burned to be removed and remained at her home until death relieved her of her sufferings Sunday morning.

"The two women were in the kitchen of the Hart home cleaning clothes with gasoline at the time of the accident. Gasoline had been poured from a five-gallon can into a large granite bucket into which Mrs. Reardon had immersed a garment. Mrs. Hart was baking at the time and opened the oven door of the gas stove to look at a cake when the heat from the oven ignited the arms of Mrs. Reardon.

"Mrs. Hart in her haste to rescue her half-sister, overturned the granite bucket of gaso-

line upon herself and in grabbing for a rug overturned the five-gallon can which caught fire and quickly ignited her dress, enveloping her in flames.

"Mrs. Reardon, seeing the other's plight was worse than her own, forgot her burns and endeavored to rescue her sister. She seized a garden hose which was attached to a hydrant in the back yard and turned a stream of water on her body.

"Mrs. Adams, a neighbor living next door, heard the screams and hurried to the scene. Seeing Mrs. Hart's condition she grabbed a comfort and threw it about the woman's form, smothering the flames.

"Mrs. Reardon was rushed to All Saints' hospital in Rev. Edwards' automobile, and Drs. W. A. Durringer and L. A. Suggs were summoned to attend Mrs. Hart.

"Mrs. Hart was 21, and was a twin daughter of E. J. Broad, 1515 Pulaski street and her husband, Harry Hart, is connected with the Ft. Worth Belt railway.

"Mrs. T. O. Reardon's husband is a traveling salesman out of Dallas, and arrived at his home shortly after the accident occurred.

"The two were twin sisters and were the brides in a double wedding on Dec. 22, 1913.

"The funeral of Mrs. Harry Hart will be held from her father's residence, 1515 Pulaski street, on this afternoon at 3:30 o'clock, and interment will be made in Greenwood cemetery. "Rev. C. R. Wright, pastor of the Central Methodist church and Rev. H. F. Brooks, pastor of the Mulkey Memorial Methodist church will conduct the funeral services.

"The pallbearers are E. R. Henry, E. C. Walsh, Dick Nix, Marvin Brown, E. A. Cuendet.

"Mrs. Hart is survived by her husband, mother and father, Mr. and Mrs. E. J. Broad; and five sisters. Her sisters are Lela Eva, twin to Mrs. Hart, Ada, Louise and Mrs. T. O. Reardon.

"The following relations are in Ft. Worth for the funeral: Harry Broad and wife of Brownwood; Will Broad, Coleman; O. E. Jackson and wife, Brady; Howard Broad, Brady; Miss Carrie Schuessler, Mason; Mrs. Glen Smith, Mason; Miss Francis Schuessler, Mason."

**ACCIDENTLY KILLED.**

Russell Bennett Dies From Peculiar Accident at Brownwood.

A fatal accident which has plunged the entire faculty and student body of Howard Payne College into deepest grief and caused great sorrow throughout the city, occurred Wednesday afternoon at the baseball practice of the Howard Payne college squad at the college park. Enthusiastic in his support of the athletic teams of his college, Russell Bennett went to the park happy and carefree to witness the practice of the players; cold and lifeless, with his soul departed to the Great Beyond, his body was carried back to the college an hour later.

The accident which cost Russell Bennett his life was one of the peculiar tricks of Fate which can not be explained. He is a victim of baseball, though himself not a player. While the college players were practicing, he attempted to assist them by catching balls that were thrown to the batters from the men in the field. Running in to catch a ball, he was struck in the head by a ball coming from the batter behind him. The ball came with terrific force, and after hitting the unfortunate boy rolled several feet away. The stricken youth staggered to a bench a few feet away, and remarked:

"That nearly killed me." Seeing that Bennett was apparently not hurt, the players continued their practice until a cry from the bench again directed their attention to the youth. With an effort to rise, Bennett had fallen to the ground and, after several terrible convulsions, was dead. The force of the impact on his skull had affected the delicate organisms of the brain in such a way that life was snuffed out and only the lifeless clay remained.

Tenderly lifting him, the players carried Bennett back to his room at the residence of L. N. Neel on Fisk avenue, and the news was spread over the city that one of the most promising students and most agreeable classmates of the school had been enrolled among the hosts above.

Impressive funeral services were conducted this morning at the residence of Mr. Neel. Such manifestation of fellowship among students has never before been evidenced in Brownwood.

The grief-stricken boys and girls followed the body to the Frisco station, where they watched the casket, buried beneath masses of floral offerings, as it was tenderly placed aboard the train for its last journey. The burial will take place this afternoon in the Lack cemetery near Sidney.

Willard Wooden, from whose bat the fatal ball was driven, was prostrated last night as a result of the accident. While knowing that no blame could possibly attach to him in the unfortunate matter, Wooden felt the weight of sorrow which can come only to one who has unintentionally been the agent of death for another. Friends of the young man spent the night with him last night endeavoring to relieve him of the weight of sorrow which is breaking his heart, and it is hoped that Wooden may realize that it was only one of those unfortunate accidents, which could not be foreseen. Wooden deserves and has the sympathy of his fellow-players, since any other

one of them might have been of him.—Brownwood Bulletin, Thursday.

**FEATURE AT THE GEM.**

Extra Good Attraction Billed For Friday Night.

Manager Levy of the Gem Theatre announces as a Friday night feature, "The Sign of the Secret Nine." This is a beautiful story illustrating the undying devotion of a man to his dead mother's last request through a series of sensational situations leading up to a climax that will compel the admiration and attention of the most critical motion picture audience.

In addition to the above feature three reels of high-class pictures will be shown, making 6000 feet in all, and the prices of admission have been placed at 15c and 25c. Only one show will be given, and the performance starts promptly at 8:00 o'clock.

## KIND WORDS FROM THE TEXAS PRESS

The following kindly comment  
by editors of the state anent the  
change in editorial management of  
The Standard is duly appre-  
ciated. We have labored with  
many of them in the past, learned  
to love and appreciate them,  
and their expressions of confi-  
dence in our ability and integrity  
give us a still greater incentive  
to make good in the new role of  
editor.

With the current issue the  
management of The Brady  
Standard passes to S. M. Rich-  
ardson, Editor Schwenger hav-  
ing accepted a position as travel-  
ing salesman with the West-Cul-  
lum Paper Company, with head-  
quarters at Waco.

Mr. Schwenger came to Brady  
about five years ago and bought  
The Brady Enterprise, later he  
acquired the subscription list of  
The McCulloch County Star,  
afterward consolidating with  
The Brady Standard since which  
time he has built up a splendid  
business besides winning a high  
place in the esteem of all our  
citizens.

In selecting Mr. Richardson  
for the management of The  
Standard Mr. Schwenger makes  
a wise choice for we are sure  
a better man would be hard to find.  
Before coming to Brady with  
John E. Cooke to accept the  
foremanship of The Standard  
Mr. Richardson was for several  
years employed on The Denton  
Record-Chronicle where he  
made good in every particular.  
As Mr. Richardson mounts the  
editorial tripod we extend fraternal  
greetings and wish him well  
in his new role.—Brady Sentinel.

The active business and edi-  
torial management of The Brady  
Standard has passed into the  
hands of S. M. Richardson, the  
owner of the Standard, H. F.  
Schwenger, having embarked in  
another line of business which  
requires his absence from Brady  
a greater part of the time. In  
entrusting the care of The  
Standard to Mr. Richardson  
Editor Schwenger has shown  
again that rare good judgment  
which has made his newspaper  
career a success in the past and  
which bespeaks for him con-  
tinued success for the future.  
Young men like Richardson are  
uncommon. Combining with  
natural ability a rare faithful-  
ness to trust and duty he is of  
that class of men whose services  
are always sought out and whose  
places in the hearts of employers  
are cemented strongly with a  
personal regard that endures  
and grows stronger. The writer  
knows Mac Richardson, and  
knows that he will keep The  
Standard well up to the high  
plane which it has ever main-  
tained.—Rockdale Reporter.

Harry Schwenger, editor of  
The Brady Standard, has filled  
his pockets full of filthy lucre  
in the newspaper business and  
announces that he will hereafter  
be associated with the West-Cul-  
lum Paper Co., with headquar-  
ters in Waco. Editor Schwenger  
is a "cracker-jack" newspaper  
man and here's hoping that  
great gobs of money may reward  
his labors in his new field.—San  
Saba News.

Our old friend Mac Richard-  
son has assumed charge of The  
Brady Standard, Editor Schwenger  
taking up another line of  
business necessitating his ab-  
sence for much of the time from  
Brady. Mr. Richardson has been  
in charge of The Standard  
mechanical department ever  
since it was established and we  
believe the people of Brady ap-  
preciate his sterling worth and  
integrity just as much as his

older friends in Denton do.—  
Denton Record and Chronicle.

The Brady Standard changed  
management this week, H. F.  
Schwenger turning the paper  
over to S. M. Richardson, who  
has been in charge of the office  
and mechanical department. Mr.  
Schwenger says that other in-  
terests demand his entire atten-  
tion. Success to you Mr. Rich-  
ardson.—Tolar Standard.

S. M. Richardson is now head  
man at The Brady Standard of-  
fice. He has been connected  
with the office for some time  
and the readers of The Standard  
will continue to get a first-class  
paper.—Eden Echo.

## MOTHER! THE CHILD IS COSTIVE, BILIOUS.

### If Tongue is Coated, Breath Bad, Stomach Sour, Don't Hesitate.

Give "California Syrup of Figs" at once—a teaspoonful to-  
day often saves a sick child to-  
morrow.

If your little one is out of  
sorts, half-sick, isn't resting,  
eating and acting naturally—  
look, Mother! see if tongue is  
coated. This is a sure sign that  
it's little stomach, liver and  
bowels are clogged with waste.  
When cross, irritable, feverish,  
stomach sour, breath bad or has  
stomach-ache, diarrhoea, sore  
throat, full of cold, give a tea-  
spoonful of "California Syrup of  
Figs," and in a few hours all the  
constipated poison, undigested  
food and sour bile gently moves  
out of its little bowels without  
gripping, and you have a well,  
playful child again.

Mothers can rest easy after  
giving this harmless "fruit laxa-  
tive," because it never fails to  
cleanses the little one's liver and  
bowels and sweetens the stom-  
ach and they dearly love its  
pleasant taste. Full directions  
for babies, children of all ages  
and for grown-ups printed on  
each bottle.

Beware of counterfeit fig  
syrups. Ask your druggist for  
a 50-cent bottle of "California  
Syrup of Figs;" then see that it  
is made by the "California Fig  
Syrup Company." Don't be fool-  
ed.

**Beneficial Stimulant.**  
The coca leaf is highly prized by  
the native of Bolivia as a stimulant.  
He chews it like tobacco, but with a  
better excuse, since by its use he can  
perform great feats of endurance and  
go many hours without food. With a  
pouch of cocoa leaves and a small bag  
of parched corn he can run fifty miles  
a day. Fleet-footed Indians consti-  
tute the telegraph service of the coun-

It's always a pity when a man  
doesn't get married. He can't help

dislike as a person you have injured.—

## AMUSEMENTS ARE EXTRA ATTRACTIVE

**For Sixth National Corn Exposition at Dallas**

**TO BE UNUSUALLY GOOD**

Aiber's Eight Polar Bears to Be Seen in the Circus Royal—Greatest Amusement Ever Shown on the Southwest Will Thrill and Entertain.

Program already arranged gives promise of unusual attractions. The special feature, different from those ever given before in Dallas is the Circus Royal, comprising the biggest and grandest circus acts secured from all of the large circuses. A partial list of the features are as follows: Aiber's Eight Polar Bears, which prove to be the biggest and most talked of sensational novelty ever seen in the South. Aiber's eight full grown Polar bears are monsters that will be seen in astounding performances. These wonderful animals, while they may seem to the public ungainly and awkward, and while it is generally conceived that polar bears are, as he is, ferocious and dangerous, nevertheless, they perform with a dexterity in skill the most difficult tricks, forming pyramids, throwing and balancing barrels and balls of fire, doing acrobatic stunts, roller skating and comedy tricks that are almost human. Under the direction of Professor Aiber they are, without doubt, the most remarkable trained animals in the world. Coming direct to Dallas from the great Hagenbeck & Wallace Animal Show. The Riding Crandalls, America's premier equestrians, perform somersaults on galloping horses, vaulting from the ground to the backs of their beautiful thoroughbreds. The men riders performing marvelous acts. They are aided by Marsells, who introduce his high-class circus clowning as ring master.

The famous Aerial Lameys are stars of the circus arena, performing incredulous feats of athletic and aerial achievement, filling the air with flying forms and flashing like meteors through space they present a bewildering spectacle. Similetta Brothers and Mora, the famous triple comedy bar experts, present a wonderful panoramic exposition of madcap fun and frolic intermingled with comedy and wonderful dexterity of flying from bar to bar, making this feature startling as well as extremely funny. Burns & Kohl, dog, pony and monkey circus is in a class all by itself. These wonderful animals do everything that talk. Numerous tricks performed by these intelligent creatures are almost human and will prove to be a real treat to both old and young.

The Four Lamys are acrobatic marvels, and execute difficult and hict lofty sensational tumbling, with trisite and double backward and forward somersaults to and from the ground to shoulders. They are a startling acrobatic novelty, unusually attractive as a circus stunt.

Murray, Ward and Marsell, the three famous circus clowns, will be seen every day during the entire circus burlesque each and every act, and will show the people of the Southwest brand new frolic and comedy that will be one of the very entertaining features of the Circus Royal. Mademoiselle Crandall, known as one of the youngest and prettiest bareback riders, will appear daily as one of the features of the Circus Royal. Mademoiselle Crandall is known and recognized for her fearlessness as a bareback performer, as no other woman has heretofore attempted the feats performed by her.

## COMMERCIAL CLUB.

Regular Weekly Meeting of Directors Yesterday Afternoon.

The directors of the Brady Commercial club are receiving congratulations of the membership and the citizens generally on their selection of Rev. T. P. Grant as secretary of the club succeeding Rev. D. R. Hardison, whose resignation was made necessary by his removal from the city. Mr. Grant has accepted the place temporarily, and, if other duties will permit, will continue to act in this capacity. He is peculiarly fitted for this position, and his selection by the board of directors is looked upon with favor by all.

At the regular weekly meeting of the directors yesterday afternoon a committee was appointed to investigate the matter of securing better fire protection in the residence district of the city. Several disastrous fires have occurred in the past few weeks and the citizens are waking up to the need of more and better protection from fire, and it is hoped that this committee may be able to solve the problem.

## CLAUDE CALLAN'S COLUMN "CRACKS AT THE CROWD"

From Fort Worth Star-Telegram.

The report that counterfeit \$50 bills are in circulation caused us another long and tedious search through bale after bale of greenbacks to see that all were genuine.

The Comanche Chief says that "a desire to ape the rich has shipwrecked many a young couple on the shoals of the matrimonial sea." It wouldn't be so bad if they were shipwrecked on the shoals, because they could wade to land, and profit by experience, but too often the disaster comes on the high seas and they must sink. Living within one's means is an evidence of true wisdom, but of course, it can't be done.

## HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 43 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.
