A Powerful Long-Stroke Motor. Nothing that we can say here will give you an adequate idea of the power possibilities of this car—or of the things of which it is actually capable. The motor presents the latest approved engineering practice—cylinders cast en bloc valves enclosed, exhaust and intake manifolds integral. The intake is very short and direct, placing the carburetor in a most advantageous position. In fuel, both oil and gasoline, it will give long mileage. Thirteen Timken bearings reduce friction and wear to the minimum at every point in the transmission and rear axle and in front wheel hubs.

## MARRIED IN FORT WORTH.

Silas H. Mayo and Miss Pearl Graham Suprise Friends.

As a complete surprise to many friends in Brady came the announcement yesterday of the marriage of Silas H. Mayo and Miss Icie Pearl Graham, the wedding occuring in Fort Worth Wednesday of last week.

The bride is a former member of the faculty of the Brady public schools, having taught here for the past three years, and has been popular with both patrons and pupils of the schools. By her many admirable traits of character, she has endeared herself to a wide circle of friends during her residence here.

The groom is the popular tax collector of McCulloch county, a position which he has held for the past four years, and for which he received the nomination for the third term in the recent primary. He is a young man of high ideals and noble purpose, and numbers his friends by his acquaintances.

Mr. and Mrs. Mayo will return to Brady after a short wedding trip to various points in the state and will be at home to

A. clean sweep in prizes for fine cattle was made by the entries of Messrs. F. M. Richards and Clyde Hall at the San Saba fair August 4th to 7th, and the showing made is a source of considerable satisfaction, not only to the owners, but to many Mc-Culloch citizens as well.

Messrs. Richards and Hall had a total of fourteen entries, and they captured nine blue ribbons. winning in every class in which they were entered. First prizes on best bull, any age, best cow, best cow and calf, best 2-yearold heifer, best herd of five and best cow 2 years and under was won by them in competition against some of the best herds in the state.

The best individual animal exhibited by Messrs. Richards and Hall was an 8-months-old Hereford bull, which won in the any-age class against an animal which has been shown in five state fairs, and which sold last spring off the big Taft ranch in South Texas for \$1000. This bull was raised by Mr. Richards, and is one of the best specimens of the breed to be found in the

In the past few years Mr. Richards has turned his attention to the raising of thoroughbred cattle, and now has his big ranch nortseast of the city well stocked with the purest strain of the Hereford breed. He has no difficulty in disposing of all the animals he raises for breeding purposes at fancy prices, in fact the demand far exceeds the supply.

Judges of cattle at the San Saba fair this year were: J. F. Yearwood, president, and John Lee, secretary of the Texas Hereford association, and John L. Latham of Fredonia, and their awards are proof of the superior merit of the animals entered by Messrs. Richards and

# OUR BUYER IS IN THE EASTERN MARKETS THIS

UR MR. STRIEGLER left Sunday for the Northern and Eastern markets where he will make extensive purchases in Millinery and Dress Goods. Qur millinery parlors during the past season have proven to be one of the most popular departments of our store, and this season we expect to make it even more attractive to the ladies of this trade territory than in the past. Mr. Striegler is devoting much of his time while in the wholesale centers to the selection of the most approved styles, and our showings the coming season will be the most extensive and stylish ever seen in Brady. He has also secured one of the best trimmers to be had, and patrons of our millinery department are assured of service second to none, as well as the most approved styles.

Purchases in the Dress Goods Department are also extensive, and the new goods will begin to arrive in a few days. If you want the very latest things in this line, don't fail to pay our store a visit.

Bale Classed Strict Middling, but Failed to Sell-Liberal Premium by Merchants.

The first bale of the 1914 cotton crop was brought in Tuesday by D. B. Mays, living five miles east of the city.

The bale ginned out 400 pounds of lint from a little more than 1200 pounds of seed cotton, and graded strict middling.

A premium list was circulated among the business men by Duke Mann and \$56.25 was subscribed and turned over to Mr.

Mays. The first bale this year is just five days later than that of last 1913 crop, the first bales last year being brought in by Messrs. L. N. Herrington and J. R. Coursey of Walrdip on August 13th. after an exciting race of twentyfive miles. The time of arrival Tom Ball here by the two was so nearly the same that the premium, which amounted to \$46.00, was

# NEW GOODS

UR PURCHASES in the Eastern markets last week were the most extensive in years. We are anticipating the biggest business this fall in the history of Brady and have prepared for taking care of the wants of our customers and friends better than ever before.

Our goods have already begun to arrive---almost a car load having been received yesterday --- and we are busy arranging and displaying the many new articles for your inspection.

In our Millinery Department will be found one of the most up to date selections of Ladies', Misses' and Children's Hats ever seen in Brady, and we are going to give special attention to this branch of our business this season. A pleasing display of the new styles for fall and winter may now be seen in our show window, and we would be pleased to have you call and inspect the line. Make OUR Bank YOUR Bank ++++++++++++++++

## IT IS JUST AS EASY

For you to place a share of your earnings in the bank and allow them to accumulate as it is to spend them. Common sense tells you that you ought to save a part of your income; the experience of men farther along the road shows you that some day you will have a place for every dollar you can accumulate. NOW if you are to have the comforts you will need and enjoy when old age checks your capacity to earn.

It is a Well known economic fact that lack of plenty is usually the natural sequence of our own management or rather mismanagement. You can make yourself a prosperous man or a poor one. It depends on whether you save or spend. For conserving the odds and ends of your income, combining them into one lump sum and protecting them for future use no other way equals our Bank Account Plan. Come in and let us explain.
