## MORE LIGHT ON THE OIL STOVE AND GROCERY BUSINESS

By the Author of "THE STORY OF THE HAM," "THE TRUTH ABOUT THE PERFECTION OIL STOVE" and Other Tales Yet to be Published.

Along about the time the Price of the Perfection Oil Stove dropped from about \$23.00, complete, to the "Unheard of Price of \$13.30" for a Four Burner and Oven, or \$18.30 complete, there very mysteriously appeared on the counter in front of the grocery store of a competitor of mine a Four-Burner, Oven and Cabinet Perfection Oil Stove upon which hung a large placard bearing the magic, but not unheard-of words, "Take me for \$18.30."

Now, he either proposed or accepted a proposition to place one of these stoves almost next door to me, offering to sell it at a price they thought I could not meet, and, thereby aiding the fellows who would try to run me out of the Oil Stove business.

But he, whose counter is adorned with the stove, is not being-encouraged in his worthy (?) efforts, as almost everybody is going East (one door east of the Postoffice) to buy their Oil Stoves.

I make my appeal to you for your patronage on the ground of my being the ORIGINAL PROFIT REDUCER, who not only placed the price of the Oil Stove within the reach of all, but who is doing the same thing in the GROCERY BUSINESS.

But the prices I am now making, and the further reductions I am contemplating, cannot be maintained unless I get a great volume of business. On entering the Cash Grocery business, I at once reduced the profit on many things and as my business grew, other reductions came, and a week or so ago I published a few prices which everyone is bound to admit were the best ever offered in Brady.

After my making sweeping reductions on many things of from 10 per cent almost to 25 per cent, along comes a fellow shouting, "Take me for 1 cent less," thereby trying to rob me of my well-earned victory. He takes my published list in hand and some things he copies exactly; some he says: "Take me for 1 cent less," and some he lists higher than we have been asking.

Now, I am not making war on any man or set of men, but I am fighting Big Profits, and my being the first of about one dozen Grocerymen in Brady to think about selling Groceries Cheap, I believe I am entitled to a liberal share of your business.

IF YOU THINK SO, COME TO SEE ME.

### SUSPECT HELD.

Kid Blackburn of Comanche in Brown County Jail.

Sheriff Hugh Davis and Deputy Otis Brack Friday afternoon arrested and placed in the Brown county jail Kid Blackburn of Comanche upon his arrival in Brownwood on the afternoon Frisco train. Blackburn was arrested on complaint of Sheriff Puett of Concho county, and is being held on suspicion of connection with the murder of John H. Bryson near Millersview a week ago.

The officers attempted to keep the facts of Blackburn's arrest secret for a time in order that further investigations of his alleged connection with the case might be made, but bit by bit the information leaked out that a man was held here in connection with the Bryson case and by noon Saturday everybody knew of the arrest.

District Attorney Early and Sheriff Puett of Concho county went to Millersview Saturday and spent the entire day there and at other points in the vicinity investigating the case. Friday night it is understood the district attorney and other officials attempted to examine Blackburn, but whatever facts were brought out, if any, are jealously guarded by the officers, and nothing will be divulged until after Mr. Early returns from the west. In the meantime Blackburn refuses to discuss the case.

Sheriff Puett of Concho county, Sheriff J. S. Wall of McCulloch county and Sheriff Jack Cunningham of Comanche county were here Saturday morning assisting in the conference over the case. Despite the consuming curiosity of the people of the city, none of the grounds upon which Blackburn is held can be learned.

Judge T. C. Wilkinson, who has been engaged by the Bryson family to assist in the prosecution of the murderer of Mr. Bryson, stated Saturday that it is known that Blackburn was in Concho county at about the time of the killing. Blackburn had lived in that section of the state for a number of years, and is well known in that section. So far no motive has been discovered for the killing, says Judge Wilkinson. "If Blackburn did kill Mr. Bryson he killed the best friend he ever had," was Mr. Wilkinson's comment.

It is emphatically denied that an enormous reward has been offered by the Bryson family for the apprehension of the guilty man; and it is further and still more emphatically denied that Bryson's son, brother-in-law or other relative has been arrested in connection with the killing, or that such an arrest is contemplated. — Brownwood Bulletin.

### STAGE A BOLD HOLD-UP

TWO MASKED MEN ROBBED PEAR VALLEY STORE.

Rout Merchant Out of Bed to Go to Store and Then Force Him to Open Safe.

A robbery that reminds one of the old days when the road agent was in his glory and bands of marauding desperadoes plied their vocation was enacted Saturday night at Pear Valley, located 23 miles northwest of this city, when two masked men held up and robbed S. J. Howard, postmaster and general merchant. The robbers secured a little more than \$100 in currency and silver and succeeded in making their getaway.

According to Deputy Sheriff D. A. Webb of Lohn, who was immediately notified and who made an investigation of the robbery, Howard was awakened shortly after 10:00 o'clock Saturday night by two men, who stated that they were on their way to Santa Anna and were hungry and requested him to go to the store and sell them something to eat. Mr. Howard told them to wait until he could dress, and then walked with them to the store, a short distance from his residence.

The men followed Howard into the store and after lighting a lamp he turned to ask what was wanted and found himself looking down the muzzle of two murderous looking revolvers in the hands of the men, who had drawn black masks down over their faces.

Howard was instructed to go to the rear of the building where his safe was located and the two men stood over him with drawn revolvers while he opened the safe, after which they rifled its contents. One drawer of the safe was used by Mr. Howard for the funds of the post-office. This he pointed out to the robbers and told them the money belonged to the government and that they had better not take that. They replied that this was what they were after and that they "wanted some of Uncle Sam's money." The drawer contained a few cents more than \$50. In another drawer of the safe was \$50 in currency and silver which belonged to Mr. Howard, and this was taken also.

After committing the robbery the men forced their victim to accompany them a short distance down the road and told him to stand there until they were out of earshot.

Being an extremely dark night Mr. Howard was unable to tell whether they came on horseback, in a buggy or on foot. He was able, however, to give a good description of the men and all officers in this section of the state have been asked to be on the lookout.

One of the men is described as being about 30 years of age, light complexion, heavy built, stoop shouldered and wore a large white hat, blue bib overalls and check coat. His companion is described as being about 20 years of age, light complexion, slender build and also blue bib overalls.

R. K. Finlay of Fife reported to officers Sunday that two men, suiting the descriptions of those committing the robbery had passed through that place at a late hour Saturday.

### WOUND PROVES FATAL.

G. C. Tidwell Dies as Result of Wound Received Saturday.

In a three-cornered fight at the Union restaurant, one of the smaller concerns near the Santa Fe passenger station, at about 2 o'clock Saturday morning, G. C. Tidwell was fatally stabbed, dying two hours later in a room above the restaurant. W. R. Hooper and H. Carpenter were arrested by City Marshal John Champion, and are held in jail pending a further examination by the district attorney.

Tidwell was cut slightly on the cheek, and a stab wound was inflicted in the right shoulder, the large vein leading to the neck being severed. The wounded man staggered from the restaurant to another building nearby, then crossed to the Harvey House and back to his place of business. He was then taken up-stairs and died within two hours. His body was embalmed Saturday and is being held for instructions from relatives.

Hooper, one of the men held in jail, tells the following story, in substance: He and Carpenter and Tidwell had been drinking. Carpenter and Tidwell engaged in a fight, Carpenter striking Tidwell with a bottle. Tidwell had a big knife in his hand, and Hooper took the knife away from him, and tried to separate the men. In doing so he thrust backward

with the hand holding the knife and the sharp blade pierced Tidwell's shoulder. Carpenter and Hooper are brothers-in-law.

All three of the men have been in Brownwood but a short while. Carpenter is employed by the Santa Fe here as a car-knocker and had also held a lease of the restaurant until Friday morning, when by common consent the lease was transferred to Hooper and Tidwell. Whether or not this transaction had anything to do with the difficulty which ended in a tragedy is not known.

Owing to the absence of District Attorney Walter Early from the city, no examination was given the men Saturday, and county officers refused to give out any of the meagre details at their command until such an examination could be held. Hooper and Carpenter were both slightly wounded in the fight, each being cut on the head. — Brownwood Bulletin.

### CHARGED WITH FORGERY

#### Will Gotcher Arrested Friday at Tucker by Deputy Martin

Will Gotcher, a farmer living on the Davis ranch in the Tucker community, was arrested Friday afternoon by Deputy Sheriff John Martin and brought here and placed in the county jail on a charge of forgery.

The offense with which Gotcher stands charged is alleged to have been committed here last Thursday afternoon. He made purchases amounting to \$5.60 at the Anderson & Moffatt grocery and in payment for the goods tendered a check for \$40, signed by T. H. Alexander of Tucker. He was given the difference between the amount of his purchases and the check in cash and left the store, saying that he would call for the goods the following morning. With the cash several purchases were made at the Elite store, and \$10 was paid on account to E. J. Broad.

The forgery was discovered early Friday morning when Mr. Anderson presented the check for payment at the Brady National bank, Assistant Cashier Clarence Snider detecting the dissimilarity between the writing on the check and Mr. Alexander's genuine signature, although the difference was very slight. Mr. Alexander was immediately called over the phone by the bank officials, and he stated that he had given no such check.

The check together with a full description of Gotcher, was given Sheriff Wall and Deputy Martin was assigned to the case. Little trouble was experienced in locating Gotcher and the arrest followed at his home about noon Friday.

Gotcher denies the charge against him, and in conversation with Deputy Martin stated that the man wanted was named Charley Pledger, to whom the check was made payable, and to whom he bore a striking likeness. Pledger, he stated, lived in East Texas, but was here last week and that he had seen and talked to him.

An examining trial was held yesterday morning before Justice of the Peace T. J. King and Gotcher was held under \$850 bond to await the action of the grand jury. In default of bond he was remanded to jail.

The Cemetery Committee further requests that parties living in Brady who know of those living out of the city, and who might not be represented at the appointed time, to notify such parties by letter to furnish the required names and dates of parties interred, and to have a friend represent them at the cemetery, turning over such data to the Cemetery Committee to be recorded.

They have a host of friends in Brady who regret their departure, but will wish them all happiness and success in their new home.  
Messrs. H. Dillashaw, Earl Stone, M. W. Murry and A. B. Chatham of Gatesville were in the city Saturday enroute to their homes from a fishing and camping trip of a week spent in the Menard country. The party suffered a breakdown of one of their cars 13 miles south of Brady and were delayed here over Sunday while repairs were being made.  
H. F. Fullen of Terrell, Okla., arrived in the city Saturday morning enroute to Eden on a business trip. Mr. Fullen is a former McCulloch county citizen, having lived for several years in the Lohn community and later near Eden, where he still owns a nice farm. He moved to Oklahoma two years ago, but still feels that there is no country that will compare with this section of the state.  
J. F. Egan was in the city Sunday and Monday greeting his many friends while enroute with D. F. Savage to the oil well at Millersview. The drillers there are just about to wind up a long and tedious job of fishing, and Mr. Egan was very favorably impressed with the indications. He returned to Tulsa, Okla., last night, but his friends here are hopeful of his early return to again take active interest in the local field.

A party of fishermen composed of Messrs. Ed, Howard and Charlie Broad, Firman Jackson, J. E. Whiteman and Judge J. E. Shropshire went to the San Saba river Saturday night, where they spent Sunday and Sunday night trying to get the "little suckers" to bite. They report an abundance of fish, but unlike most fishermen, they do not claim to have caught any big ones. They returned home yesterday morning.

**Cure Old Sores, Other Remedies won't Cure** The worst cases, no matter how long-standing, are cured by the wonderful, old reliable Dr. Frazier's Antiseptic Healing Ointment. It relieves Pain and Heals at the same time. 25c, 50c, \$1.00.

**CALOMEL DYNAMITES A  
SLUGGISH LIVER.**

**Crashes Into Sour Bile, Making  
You Sick and You Lose  
a Day's Work.**

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50-cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of play. It's harmless, pleasant and safe to give to children; they like it.

Now is the time to get your garden tools. O. D. Mang & Sons.
