GOES TO BROWNWOOD.

J. C. McShan Associates Himself With McCully Co.

J. C. McShan has resigned his position as stenographer at the Commercial National bank, and together with Mrs. McShan will leave tonight for Brownwood to make his home in that city. Mr. McShan recently disposed of his home here, and is today shipping his household goods to his new location. In removing to Brownwood, Mr. McShan becomes identified with the McCully Co., one of the oldest and most prominent produce firms in Brownwood, having purchased a third interest in the business, while H. P. Roddie of this city and W. F. McCully of Brownwood each have a third interest also. Mr. McCully will continue in charge of the business, while Mr. McShan will have charge of the office and books.

Mr. McShan has been with the Commercial National bank the past nine years as stenographer and private secretary to W. D. Crothers, and has been one of the bank's most valued employees. He is a young man of more than ordinary ability, and in addition to his position with the bank, has for the past two years served as city secretary.

Mr. and Mrs. McShan have been popular members of local social circles, and their many friends regret their departure from Brady, although pleased to know that he is to become a member of so well established a firm.

The Standard commends Mr. and Mrs. McShan to the good graces of Brownwood citizens.

3 NECESSITIES for Perfect Foot Comfort

Your feet need more care and attention than your face and hands. They are encased in tight shoes all day with practically no freedom of movement; that is one reason why they ache and tire easily. It is Nature's way of demanding attention.

Use Dr. Scholl's "3 Necessities for Perfect Foot Comfort" and your feet will become easy and comfortable.

1—With Dr. Scholl's Pedic Foot Soap remove the hard, dead tissue

Dr. Scholl's

The 3 for 75c

and thoroughly cleanse the pores of all impurities.

2—Then massage with Dr. Scholl's Pedic Foot Balm to increase the circulation, tone up the muscles and relieve whatever soreness and irritation there may be.

3—After that, rub a quantity of Dr. Scholl's Antiseptic Foot Powder upon the feet and shake a little into the stockings and shoes. This keeps the feet cool and comfortable and absorbs the perspiration.

Come in and let us explain these preparations more fully.

DANGEROUS CALOMEL IS SELDOM SOLD NOW

Calomel Salivates! It Makes You Sick and You Lose a Day's Work—Dodson's Liver Tone Acts Better Than Calomel and Is Harmless for Men, Women, Children—Read Guarantee!

Every druggist here, yes! your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it while Dodson's Liver Tone is safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large family-sized bottle costs only 50 cents and if you find it doesn't take the place of dangerous, salivating calomel you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine, no sick headache, biliousness, ague,

sour stomach or clogged bowels. Dodson's Liver Tone doesn't gripe or cause inconvenience all next day like calomel.

Take a dose of calomel tonight and tomorrow you will feel sick, weak and nauseated. Don't lose a day's work!

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up with your head clear, your liver active, bowels clean, breath sweet and stomach regulated. You will feel cheerful and full of vigor and ready for a hard day's work.

You can eat anything afterwards without risk of salivating yourself or your children.

Get a bottle of Dodson's Liver Tone and try it on my guarantee. You'll never again put a dose of nasty, dangerous calomel into your stomach.

STACY HAPPENINGS.

A. S. C. Wilson, Highly Respected Citizen, Takes Own Life.

Stacy, Texas, Aug. 28.
Editor Brady Standard:
Monday evening between sunset and dark Mr. A. S. C. Wilson committed suicide at the home of his daughter, Mrs. W. S. Dickerson. Shortly before his death, Mrs. Dickerson had carried his supper to him, but he refused to eat, saying he did not care for anything. After she left him he locked himself in his room, spread a blanket on the floor, laid down and shot himself through the head with a .32 calibre pistol. Mr. Wilson had been in feeble health for some time. He was 78 years old, had been a member of the Christian church for many years. He is survived by nine children, all of whom were at the funeral except two.

Dr. J. D. McCann of Lohn was in our community one day last week.

Doil Hammons left this week for Hammon, Okla., where he will engage in the tailoring business the coming season.

Quite a nice shower of rain fell at Stacy Tuesday night. Although too late to do cotton any good, it will help the late feed.

Miss Althamae DuBois and father were shopping in Brady Monday.

Messrs. Ernest Matlock and V. Thompson and families of Plainview have been the guests of Mr. and Mrs. B. Akers the past week.

Wilburn Hoyt of San Saba is the guest of L. M. Griffin and family for a few days this week.

Ernest Blackburn and Miller Hammons were in Brady Friday on business.

Pink Hinds and B. Akers were in Brady this week on business.

Stacy is very much enthused over the prospects of a new school building. The bonds were approved and Contractor Gray of Brady has the contract for the building. Work will begin soon so as to enable the children to attend part of the school, or maybe all, in the new building.

Mrs. Dr. Mannering is visiting at Burkett this week.

Mr. and Mrs. G. W. Vineyard have returned from a two weeks' visit with relatives in Missouri.

Mrs. Mooney of Temple is visiting her parents, Mr. and Mrs. Charlie Spillers, of Stacy.

Rev. Dr. Smith filled his regular appointment here Sunday. Quite a number from Doole were in attendance.

B. Akers was in San Angelo this week.

Mr. and Mrs. Lester Cox entertained quite a number of the young folks at their home Sunday afternoon. Among those who enjoyed Mr. and Mrs. Cox's hospitality were Misses Lucy Cox, Daisy and Gladys Barton, Dot Davis, Delma Harrell of Gouldbusk, Lucile Glazner, Adle Hammons of Stacy; Messrs. Jno. and Dick Alexander of Millers-

view, Bill Idle, Jake Norwood, Eugene Ford, Clyde Ward, H. Moore of Gouldbusk.

This is a medicine that every family should be provided with. Colic and diarrhoea often come on suddenly, and it is of the greatest importance that they be treated promptly. Fife, Texas, Aug. 30.
Editor Brady Standard:
Water hauling and cotton picking is the order of the day here now. Cotton will make from a third of a bale to nothing to the acre, and will average about six acres to the bale.

Evans Adkins was out from Brady this week on a visit to friends.

Tom Gattis and Frank Ramsey of Lohn were visitors here Tuesday.

G. T. Gattis of Waldrip was here Tuesday on business.

W. W. Butler was down from Marion Tuesday looking for a rain, but we didn't have it.

B. W. Bradley was down from the McKnight ranch Monday on business.

LOCAL BRIEFS.

Mr. and Mrs. Tom Alexander of Calf Creek have a fine boy, whose arrival is announced on Wednesday, the 30th.

Mr. and Mrs. G. W. Vineyard and family returned last Thursday from a visit to their old home in the Ozark regions of Southern Missouri, near the town of Springfield. G. W. says he was a little inclined to be dissatisfied with Texas until he took this trip, but now he is delighted to think that he can call Texas and McCulloch county home. During the spring, Mr. Vineyard says, all that region had a superabundance of rainfall, but since then it has been terribly dry, with the exception of a few local showers. In fact, the drouth there has been the worst since 1901. As a result, the wheat crop is short, and corn has been a failure, and the country looked rougher to him than he had ever imagined it could. Mr. Vineyard and family, naturally, enjoyed meeting relatives and old friends and, on the whole, had a very enjoyable trip, but he says his hankering for a change of location has been entirely set at rest.

Bad Temper From Bad Liver.
You can generally blame your grouch on a lazy liver. Liver ills are back of coated tongue, bad breath, biliousness and muddy, sallow complexion. Insufficient flow of bile leaves impurities in the liver which poison the entire system. Po-Do-Lax is Nature's remedy. It stimulates the activity of the liver, increases the flow of bile, and by its laxative quality carries off the waste matter and clears the complexion. At your druggist, 25c.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together."

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

SPECIAL DEMONSTRATION AND SALE GREAT MAJESTIC RANGES

"The Range With a Reputation"

Many Styles and Sizes--With or Without Legs

FOR ONE WEEK ONLY Commencing September 11th

During this week we will have a special demonstrator from the Majestic factory to explain how the Majestic is made and why it is absolutely the best range; why it lasts longer and cuts down repair expenses; why it bakes bread evenly, top, sides and bottom without turning; why it uses so little fuel and saves food waste. He will explain its labor saving construction and why it heats an abundance of water good and hot—a mighty convenient and useful thing to have a big supply of hot water always on hand, isn't it?

To buy a range by mail is almost certain to end in disappointment and loss of money. It may be "exactly as represented," yet not be what you thought it was nor what you wanted.

Here you can SEE every part of the Majestic—you can KNOW what you are getting BEFORE you buy. Decide NOW that you will discontinue using that old worn-out range. You will save money in fuel, repairs and cooking. Buy a Majestic—the range with 25 years' reputation. The demonstrator will answer any questions relating to stoves.

Tuesday, written answers to the following questions will receive one of these aeroplanes FREE:

2. Give names of any person you know needing a range.
3. Why is the Majestic known as "The Range With a Reputation?"
4. What is your age?
5. When is your birthday?

IT'S PROFITABLE.

L. Brook had some goats to sell and had a prospective buyer, but wanted the best offer possible. He placed a little Want Ad in our Classy Classified Ad column and not only succeeded in making a profitable trade, but received numerous offers and in-

quiries, showing the ad had been read. Mr. Brook says it pays to let the folks know what you have to sell.

Oscar T. von Doerf advertised a house for sale—and numerous inquiries from prospective purchasers rewarded the effort.

The Standard cannot close your trade for you; we cannot make impossible trades, or secure purchasers for unsalable articles. But we can bring buyer and seller together, and we can give widest publicity to your wants or offers. And the cost is trifling—a cent a word. Try a classy Want Ad—it'll pay you, too.

Making Business Change.

E. J. Broad is discontinuing his grocery department, having sold his stock to the Borschow Salvage Co. and taking in turn part of the stock of shelf and heavy hardware of the latter firm. Mr. Broad is discontinuing the grocery business because he desires to engage more extensively in the furniture and hardware lines, and for the further reason that he desires to carry the same lines of goods in all three of his store at Brownwood, Brady and Menard, thereby enabling him to bulk his purchases. The grocery division will be reshelfed and rearranged to accommodate his stock of shelf hardware.

"THE WHITE KITCHEN."

Appropriate Name for New Business Enterprise.

Ernest Sparks will tomorrow open a confectionery and pastry shop in the building adjoining the new Masonic temple. He will cater to the wants of hungry people, serving home-made pies and cakes, sandwiches, coffee and milk, and will also put out a superior article of bread under his own brand of "Butter-Kist" and made from his own recipe. The finest of fruits and confections will also be handled by him.

Mr. Sparks has been making preparations for the past week, having thoroughly renovated the building within and without, and its spotless appearance in its coat of white, makes the name "The White Kitchen," especially appropriate.

Mr. Sparks was engaged in a similar line of business last year, and his superior articles of home baked pies and cakes and "real" coffee won for him a splendid patronage. In his new quarters he is enabled to carry a bigger and better stock, and it is safe to say he will fully maintain his past reputation for excellence in his wares.

How to Give Good Advice.

A Remarkable Cure.

Z. E. Lee called at The Standard office Wednesday and left with us the following article which was published by the editor of the Rising Star Leader, and which Mr. Lee vouches to be correct. Mr. Lee states the cure wrought by the lady mentioned was little short of miraculous. We reprint the article for the benefit of such readers as may be interested:

"Mr. Z. E. Lee of Brady was in the Leader office on Wednesday of this week exhibiting a cancer which had been removed from his wife by Aunt Sallie Clark, the cancer specialist of Rising Star. The hideous and repulsive looking thing was as large as a half quart fruit jar in which Mr. Lee was carrying it preserved in alcohol. Mrs. Lee is, according to the statement of her husband, almost entirely well and will return to her home at Brady the last of the week. They have been here under the treatment of Aunt Sallie Clark about two and a half months. Mrs. Lee is 71 years old. This cure is nothing short of remarkable, and those who are afflicted with the awful malady might not do better than put themselves under the treatment of Mrs. Clark here. We desire to say further that this is in no sense an advertisement, neither have we, either directly or indirectly, any interest in the matter other than that suffering humanity may find relief if any there be."

Catarthal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarthal deafness, and that is by a constitutional remedy. Catarthal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless this inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarth, which is an inflamed condition of the mucous surfaces. Hall's Catarth Cure acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarthal Deafness that cannot be cured by Hall's Catarth Cure. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.

E. B. Kennedy of Waldrip made us a brief call last Friday and reported that he had just returned from a trip to West Texas and the Plains country. E. B. said he was mightily discouraged over his cotton prospects until he made the trip, but that he had returned feeling mighty good, and better pleased than ever with the McCulloch country.

H. Wilensky returned Tuesday from a five weeks' visit to St. Louis, Chicago and New York markets, and reports his purchases for the Wilensky store as having been more extensive than ever. Mr. Wilensky found some splendid offers while at the various markets, and took advantage of these to purchase a large stock at exceptional bargain prices. The new goods are arriving at the Wilensky store and will be placed on display the coming week.

Mike Jennings was in Brady yesterday returning to Fredonia from Fort Worth where he had taken some cattle to market. He reported having found a very good market, although the market subsequently dropped on account of the embargo placed on cattle shipments by a

number of the railroads. However, the Frisco has so far taken no action along this line, and Tom Woods of Fredonia reported that he expected to ship out yesterday over this road.

Mr. and Mrs. G. V. Gansel returned Tuesday from Corpus Christi, and their many friends will be pleased to know that Mrs. Gansel's health is greatly improved. Mrs. R. W. Turner, who has been spending the past several weeks with Mrs. Gansel in Corpus Christi, is making a visit of a week or two with relatives in Comanche, Texas, before returning here. While Mesdames Gansel and Turner were in Corpus Christi during the severe storm recently, they were at no time in danger. The brunt of the storm fell upon the summer houses built out over the waters of the gulf, all of which had been vacated at the storm's approach. The hotels along the beach also were damaged severely, and the blowing down of electric light and telephone poles and wires added to the confusion, and caused alarm to be felt outside of Corpus. The greater part of this damage has already been repaired.

During the week commencing September 11th, \$8.00 worth of cooking utensils will be given away free to every purchaser of a MAJESIC RANGE. This is an out and out gift, and the price of the MAJESIC remains the same as always. See them at this special demonstration. O. D. Mann & Sons.

D. E. COLP HERE.

Secretary of National Highway Assn. Addresses Citizens.

Secretary D. E. Colp of the National Highways association was in the city Wednesday night and addressed quite a number of the citizens on the National highway proposition. In company with Messrs. J. B. Madry, publicity man and photographer for the San Antonio Express, and E. A. Kingsley, civil engineer, Mr. Colp was enroute to Lubbock from which point the National Highway will be logged to Sweetwater, Coleman, Brownwood, San Saba to Austin and thence to Galveston.

While, naturally, San Antonio's interests and those of Brady are mutual, yet, as secretary of the State Highway association, there was no alternative for Mr. Colp but to have the highway logged as per the above mentioned route, the cities along this route having made strong enough representation to entitle them to consideration.

San Antonio is greatly exercised over the possibility of losing the highway route, and is putting forth every effort to have the present route retained. A rousing meeting was held Wednesday in Mason, some 500 citizens being in attendance, and Fredericksburg having sent a delegation of 173 good roads enthusiasts. The Fredericksburgers promised to place their roads in good shape, and the object of Mr. Colp's address was to arouse a like interest and enthusiasm in Brady over the improvement of the Mason road. Mr. Colp commented upon and commended the work now being done by the county upon the road and urged the importance of still greater efforts.

The matter of designating the highway route will come up for final disposition at Austin on September 6th, and Brady citizens have raised a fund of \$350 for the purpose of sending delegates to this meeting. Neighboring towns will also be urged to send representatives and a determined effort will be made to defeat the efforts to have the highway route changed.

The fact, as set forth by Mr. Colp, that only recognized National Highways will be eligible to participation in the \$5,000,000 government fund, has aroused greater interest in the good roads proposition than ever. This fund is provided only for maintenance, and it is necessary for the highway to be improved according to government specifications before this sum becomes available.

New, fresh groceries—anything you want at I. G. Abney's. One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regulets are recommended for this purpose. 25c a box at all drug stores.

Return From Visit.

Mr. and Mrs. Edd Broad returned last night from a trip and visit with relatives in Coleman and Brown counties. Mr. Broad reported a good shower having fallen in Brownwood yesterday, and says he pulled thru mud for a dozen or more miles on the other side of Brownwood. This side of Mercury a good shower was also had, while reports this morning state a heavy rain had fallen in Coleman county.

Mr. Broad states that Coleman county has been very dry and the stockmen are in great need of water. Crop conditions in Coleman and Brown counties are about on a par, and cotton is estimated to average about one bale to every six or seven acres. Business in Coleman and Brownwood, he declares, does not compare with that in Brady, and the streets of the former town appeared almost deserted, while the business men idled. In Brownwood business was also very quiet, and Mr. Broad felt more pleased than ever with Brady upon his return.

However, he is very enthusiastic over the civic appearance of Coleman, which he thinks one of the prettiest towns in this section. The churches especially claimed his attention, Coleman having spent \$90,000 on her places of worship. \$36,000 was spent upon the Methodist church alone, while the Baptist church cost \$25,000. Both of these edifices are remarkably beautiful and a credit to any community. Heading the list of subscriptions to the Methodist church fund was \$10,000, and this same party gave the church the pipe organ installed upon the completion of the building. Two of the leading citizens of Coleman each contributed \$2,000 to the Baptist church fund. Mr. Broad suggests that if the same spirit of free-giving would prevail in Brady, this town also might be able to boast of churches that would be a credit to the community and an inspiration to greater observation of the duties to God and man.

Itching piles provoke profanity, but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. 50c at any drug store.

NEW WHOLESALE HOUSE.

J. M. Radford Grocery Co. to Open Branch Here.

J. M. Radford of Abilene, head of the J. M. Radford Grocery Co., left yesterday noon for Brownwood after having spent several days here completing arrangements for the opening of a branch of this concern in Brady.

A lease was closed for the three large store rooms, comprising the east half of the Syndicate building, which will be occupied by the new grocery concern. F. A. Knox will have charge of the business.

The J. M. Radford Grocery Co. is one of the largest wholesale grocery concerns in this section of the state, and the Brady store will make the eleventh branch of this concern. Other branches are located at Abilene, Stamford, Cisco, Sweetwater, Big Springs, Ballinger, Lubbock, Alpine, Brownwood and Farwell. For the past several months the Radford people have had warerooms in Brady, and the promising nature of the field prompted them to examine the territory more closely with the result that the branch house was decided upon.

For the present the business

will be carried on in a limited way, but immediately after the first of the year a full stock will be placed here and the business will be entered upon in a broad manner.

LOCAL BRIEFS.

Postmaster A. B. Reagan says he never experienced a more delightful trip than the one he has just recently made to the Plains country and to New Mexico. He says not the slightest mishap marred the journey and that his Studebaker performed beautifully, and at times when his companion's car failed, he was even forced to pull as many as eleven people through sand, and in these emergencies his car never faltered. He states that Roswell, N. M., is one of the prettiest places he ever saw. "Lover's Lane," a boulevard some six or eight miles in length, and shaded by the overhanging boughs of cottonwood trees planted on either side of the road and flanked by irrigation ditches, is just one of many such roads leading from Roswell in all directions, and which prove most inviting to tourists.

Mr. and Mrs. J. B. Chambers and family, who have been guests of her parents, Mr. and Mrs. Joe Souther, and other relatives, left this morning for Santa Anna to visit his mother. They will spend a day here upon their return to Corpus Christi the early part of next week. Mr. Chambers is greatly interested in seeing the National highway routed via Brady and San Antonio into Corpus Christi, and says the Corpus citizens are alive to the importance of maintaining the road as now mapped. While the recent storm did great damage to the roads in San Patricio county, he said this damage would be repaired and the road made better than ever. Mr. Chambers said the citizens all along the route should awaken to the realization of what this road would mean to each city, and that it would be more to each place than two trunk line railways. With

upwards of 200 automobilists passing daily along the highway, there would be a steady flow of money coming into the coffers of the garages, hotels and merchandise establishments all along the route. In addition, the fact that within five years the highway would be government-owned and government-maintained should prove a feature that would spur the citizens to extraordinary efforts. Mr. Chambers is engaged in the real estate business in Corpus, and in addition to other benefits he could foresee the enhancement of property values all along the route, and a great stimulation of the real estate business.

SOME BASEBALL STARS OF 1916

THE FARM AND SMALL TOWN FURNISH BEST MATERIAL FOR BIG LEAGUE TIMBER.

Looking over the roster of the big league ball teams you will find names after name of men who only recently were boys on the farm or in the village or small town. On the other hand, surprisingly few hail from the big cities. And yet, this is not so surprising after all. Even laying aside our knowledge of the big part that the so-called country boy has always played in the great affairs of business and the nation, the country is the place to lay the foundation necessary for athletes.

The photographs show a familiar face to all lovers of the great National game. In addition to their being representatives of their type in the baseball world, all of these stalwart athletes are great endorsers of Coca-Cola beverage. You know how like so well Coca-Cola.

Short Histories of the Players.
JONES, Fielder Allison, Manager of St. Louis Browns, Born August 12, 1871, at Shingle House, Pa. Last season he came within one-half game of winning Federal League pennant, finishing runner the top than any team in major leagues since the Browns in 1899.
He says Coca-Cola is his favorite beverage.
ALEXANDER, Grover Cleveland, Pitcher Philadelphia Nationals, Born in St. Paul, Nebraska, February 26, 1897, and lives on a farm there now.
Alexander is one of the greatest pitchers in the game today, being practically responsible for the Philadelphia National League team winning the pennant last year. Drafted by Philadelphia in August, 1916, with whom he has since played. He warmly endorses Coca-Cola as a drink for athletes.
DOYLE, Lawrence, Captain New York National League Club, Born at Caseyville, Ill., July 31, 1886, Second baseman.
He has played with the New York Nationals since 1907, and was appointed Captain in 1912, which position he has since held with them. Leading hitter of the National League for the season of 1915. Like all the best of them he is a staunch believer in Coca-Cola.
"It is the way, a wonderful similarity between the origin of these ball players and that of the beverage which they endorse. Coca-Cola might be called an agricultural drink, both from the materials it is made of and because of its great popularity in the country as well as in the city. For Coca-Cola, if ever there was a natural, wholesome beverage, is such itself a gift from Nature. It is made from Nature's pure water, flavored with the juices of fine fruits and things that grow and sweetened with Nature's purest, finest sugar—and please particularly remember this last—Coca-Cola contains no artificial preservative matter but is the best of pure cane sugar. It is this fine combination that gives Coca-Cola its deliciousness of flavor, its distinctively refreshing and thirst-quenching qualities and great wholesomeness. That's why ball players, athletes, fans—all classes and kinds of men and women drink and endorse Coca-Cola. Drink a glass or a bottle and you will be just as enthusiastic about it."

COTTON ABOVE 15c.

Cotton Seed Brings As High as \$16.00 Per Ton.

Cotton yesterday sold around 15 1-8c middling basis, while \$43.00 was paid for cotton seed. The threatened railroad strike has a tendency to make the market drag by reason of the uncertainty of deliveries. During the week cotton has sold as high as 15 1-2c, while cotton seed brought \$46.00 during the early part of the week. Cotton has been averaging strict middling, and with the high price paid for cotton seed, has paid excellent returns to the producer. One bale of cotton this week brought over \$90.00 for the cotton and the seed ran the total up to \$116.50.

Answers Last Roll Call.

J. S. Sims, a Confederate veteran and an old and highly respected citizen of Brady, answered the final summons Tuesday afternoon about 2:00 o'clock, passing away at the family home in the south part of town.

Funeral services were held at 4:00 o'clock Wednesday afternoon from the residence, Rev. R. M. Bailey conducting, assisted by Rev. I. T. Morris. The body was taken in charge by Ben McCulloch Camp, of which deceased was a member, and interment was made in Brady cemetery.

Mr. Sims was well known to a great majority of the citizens of Brady, but for the past seven or eight years had been bedridden as a result of a stroke of paralysis, suffered some twenty or twenty-five years ago. He was a Confederate veteran, having belonged to Wall's Legion, and having seen considerable service, besides undergoing many hardships. He was among the brave defenders at the siege of Vicksburg, when the Confederate veterans were reduced to the necessity of eating mule meat. For many years he had been a member of the Christian church, but later identified himself with the Methodist denomination. He was about 75 years old, and because of his advanced age and feebleness his death was not entirely unexpected.

Surviving are his widow and seven children, four sons and three daughters.
