Johnson-Sneary.

At the East Sweden Presbyterian parsonage last Friday evening Mr. Paul Johnson and Miss Ona Sneary were united in marriage, Rev. G. A. Henderson, pastor of the church, performing the impressive ceremony, which was witnessed by only the members of the families of bride and groom.

The groom is a son of Mr. and Mrs. C. A. Johnson, prominent and highly respected residents of the East Sweden community, and is a young man possessing many admirable traits of character, and a very popular member of the social circles of the community. His bride is the only daughter of Mr. and Mrs. H. S. Sneary of this city, and a beautiful and accomplished young lady. She was practically reared in Brady and has a wide circle of admiring friends. Following a short visit with relatives here, Mr. and Mrs. Johnson left yesterday morning for their ranch near Viejo, Kimble county, where they will make their future home.

You'll find the new things at Vincent's.

We have added the famous Firestone line of casings and tubes to our stock of automobile accessories, and can supply them in any size. Nothing better than the Firestone. W. M. Murphy, King building, North side square.

Art squares, Congolian art squares and linoleum—the largest stock in town. E. J. BROAD.

King-Heyman.

The announcement of the marriage of Mr. Tom King of this city and Miss Alice Heyman of Junction will come as a pleasant surprise to the many Brady friends of the young people, the wedding having occurred at the home of the bride's parents, Mr. and Mrs. J. A. Heyman, in Junction this morning at 7:00 o'clock.

The groom is a son of Judge and Mrs. T. J. King of this city, and is a young man of exemplary habits and high ideals. He is a last year graduate of Howard Payne college at Brownwood and has chosen the profession of teaching as his life work, after having thoroughly qualified himself for this occupation. His bride is a daughter of Mr. and Mrs. J. A. Heyman, numbered among the oldest and most prominent residents of Junction, and a young lady of many charms and accomplishments.

In company with Mrs. T. J. King, Henry King, Miss Knola King and Mrs. Lee King, who went to Junction for the wedding, the happy couple is expected to return to this city today and will visit the groom's parents and other relatives for a few days before going to Rockwood, Coleman county, where Mr. King is principal of the public schools, to make their home.

All kinds automobile accessories at Murphy's. Next to Standard office.

A beautiful lot of new fall ties have just arrived at Vincent's.

Cotton Prices Soaring.

As an evidence of the fact that Brady is the best cotton market in this section of the state, might be cited the fact that yesterday local buyers paid 16.75c, middling basis, for the fleecy staple. Galveston is said to be the best market in the state, but yesterday's quotations

showed that local buyers were several points higher than was paid in the port city.

Cotton seed, too, made an upward jump of \$2.00 per ton, quotations on the local market being given at \$47.00.

A Hearty Welcome, Teachers

Brady and Brady Citizens extend you a hearty welcome, and in this we join most sincerely.

The public schools are the foundation rock upon which is built the progress, prosperity and development of the nation. Through our schools has the United States become the most enlightened and influential nation in the world, and our schools have become great through the efforts of the teachers in charge.

It is the earnest wish of our store that this consolidated Institute may be the most successful ever held in this section, and we also trust the visit of each and every teacher to our city may be the most pleasant, enjoyable and profitable in memory. We want you to feel that yours has been a welcome visit here, and that you will look forward to your next visit to Brady. We appreciate the visits made to our store during former institutes by the teachers, and trust this year to have both old and new friends call.

During Consolidated Institute week every member of this store will put forth special effort to make the visitors feel at home here. You are welcome to spend your idle hours in visits with us; to drop in for a few moments' rest; to avail yourself of our conveniences. It will be a pleasure to have you examine our splendid showing of New Fall Merchandise, and should you desire to make a purchase at our store we will be glad to extend you every courtesy. It is our desire that your shopping be both pleasant and profitable.

We are showing the season's most approved styles in Ladies' Ready-to-Wear, Coats, Coat Suits, Skirts, Waists, etc.

WORLD DENUDED OF COTTON.

During the cotton year July 31, 1915, to July 31, 1916, the world bought from the Southern farmer 13,500,000 bales, 12,000,000 bales of which was the current crop and 1,500,000 bales "carry over" from previous crops. The steadily rising market of July indicated that just about all of the "carry over" cotton had been drawn from the farm and that the world was denuded of marketable cotton.

The cotton market opened this fall with the highest level within the memory of most producers living, and that in spite of a government estimate of more than 14,000,000 bales—considerably more than all the world's takings last year. This accumulated evidence that the world is denuded of cotton.

In our issue of July 1st we called attention to the fact that the world the past year had taken 13,500,000 bales of American cotton, that practically no cotton was left unsold on the farms of the South, that the world would need as much cotton this year as last, and that we would likely have not more than 12,000,000 bales to meet the demand with. And now comes the government's last estimate of an 11,800,000 bale crop—less than was made last year, and no "carry over." Surely the world is denuded of cotton.

And more cotton is being used than ever. Hundreds of thousands of bales are going into the manufacture of powder, tents and shelters, and clothing for soldiers where the wear is trying. Millions of people are economizing by wearing cotton where they used to wear silk, wool and linen, while new uses for cotton are being found almost daily in the industrial world. And this increasing demand at a time when the world is denuded of cotton.

Twelve months must elapse before another crop can be raised and begin to reach the market. If the demand this year and the next equals that of last year, the next year's crop will have to make up a shortage of 1,500,000 bales—which means a demand on the next crop for not less than 15,000,000 bales. If the war ends in the meantime, and the starving markets of Germany, Austria and Russia are thrown open, the demand will be increased a year hence to nearly 17,000,000 bales.

Such are the indications. Of course no man can know what the demand will be twelve months from now, or even earlier. But the fact remains incontestable—the world is denuded of cotton.—Farm and Ranch.

Brady sets the pace.

CONSOLIDATED INSTITUTE.

Already Marked With Approval
on Part of Teachers.

The consolidated institute of the teachers of Mason, Menard, Concho, San Saba and McCulloch counties convened Monday with a total enrollment of something over 250. The general sessions of the institute are held in the morning at the Methodist tabernacle. In the afternoon the intermediate department holds its sessions at the same point, while the primary department uses the Central school building and the high school department is housed in the Presbyterian church.

The consolidated institute is already an acknowledged success. If at any previous institute there was the least murmur of dissatisfaction nothing of this sort has occurred at the present institute. On the contrary, the teachers with one accord proclaim it the best institute and the most beneficial ever held. As one of the visitors from a neighboring county voiced the matter: "The consolidated institute is giving the teachers more than their money's worth."

This morning Mr. J. E. Rodgers, a veteran educator of Dallas, spoke on "Forty-Five Years With Texas Schools." The address was replete with personal experiences told in an entertaining manner and which kept the audience in an uproar of laughter.

While a number of entertainment features had been planned for the visitors, so far the weather has proven a serious handicap. The Parent-Teachers association has this matter in hand and will make announcement of the entertainments.

LOCAL BRIEFS.

This morning C. M. Bell sold a No. 3 bale for 17c per pound, which establishes another world record for Brady.

Mr. and Mrs. Bob Porterfield are receiving congratulations of their many friends on the arrival of a fine son at their home Sunday.

Mr. and Mrs. Henry Davis of the Prairie View community are the proud parents of a new daughter, the little miss having arrived last Wednesday.

Ernest McMurray, son of Mrs. J. M. Lyle, suffered a dislocation of the right elbow yesterday when, in cranking an automobile for Mrs. Jas. Coalson, the engine backfired. The injury was given prompt medical attention, and while causing considerable pain, it is thought that no serious consequences will result.

The dinner given by the Ladies Aid society of the First Christian church Saturday in the Syndicate building was a decided success, both from a financial and gustatorial viewpoint. An abundance of baked turkey, with dressing, cranberry sauce and the usual trimmings, as well as boiled ham, fried and baked chicken, salads, cakes and pies, in fact, everything that could be desired, was in evidence. The ladies report a net return of something more than \$100 as a result of their efforts.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If Tongue is Coated, Breath Bad, Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out of sorts, half sick, isn't resting, eating and acting naturally—look, mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad and has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50 cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

New Meat Market.

The Brady Market, with W. C. Wegner as proprietor, opened for business Monday morning in the Rainbolt Cash Grocery, on the north side of the public square.

Mr. Wegner has a thoroughly modern and attractive market, having installed an entirely new lot of fixtures, and the place presents and most inviting and appetizing appearance.

Mr. Wegner is well known to the trade, having been engaged in the same line of business here for a number of years, retiring from business about three years ago, and the news of his re-engaging in his old line will be gladly received by his many friends and former patrons.

In connection with the market a free delivery service has been inaugurated by Mr. Wegner, and this feature is expected to prove exceedingly popular with the busy housewives.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

CHARGED WITH THEFT.

C. J. Sellman Arrested Sunday at San Saba.

Sheriff Wall returned this morning from San Saba, bringing with him C. J. Sellman, who is charged with theft of eight head of horses and mules from Bob and Tom Sellman of Rochelle. The recovery of the stolen animals resulted through determined efforts of Sheriff Wall and Sheriff Hugh Miller of San Saba, and Perry Nalls, deputy sheriff of San Saba county, is credited with the arrest of Sellman.

The matter was first called to the attention of local officers the early part of last week by R. A. Sellman, who reported five head belonging to him and three head belonging to Tom Sellman missing. He was unable to say whether they had been gone out of his pasture a week or a couple of months. Descriptive cards were at once sent out by Mr. Wall, and resulted in Sheriff Miller obtaining a clue as to the whereabouts of the animals. He and Sheriff Wall spent a couple of days tracing out the animals, and succeeded in locating every one of the bunch. Two of the animals had been sold to professional buyers and shipped out of the country, but will be returned. It was further ascertained that the animals were sold on the 6th and 9th of September by C. J. Sellman and another party, and the arrest of Sellman thereupon followed. The second man has not yet been apprehended.

C. J. Sellman is a cousin of R. A. and Tom Sellman and makes his home in the Rochelle community. Upon failure to make \$1000 bond in each of two cases, Sellman was remanded to jail to await examining trial, which has been set for next Tuesday.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Mrs. T. A. Hill Dead.

Word was received here last Thursday afternoon by Paul Klatt of the death of Mrs. T. A. Hill at Weimar, the death having occurred earlier in the afternoon as a result of a stroke of paralysis sustained several days previous.

Mrs. Hill was about 65 or 70 years of age and had been a resident of Weimar for a long number of years. She was the mother of T. Y. Hill, a former resident of Brady, now living at Hallettsville.

Out of respect to the memory of Mrs. Hill, the plant of the Brady Cotton Oil Co., of which her husband is vice president, was closed from 4:00 to 6:00 o'clock Friday afternoon during the funeral service. Interment was made in the cemetery at Weimar.

HOME TALENT PLAY.

B. H. S. Dramatic Club at Opera House Wednesday Night.

The Brady High School Dramatic club will present the five act drama, "Tony, The Convict" at the Brady opera house Wednesday night. The club has been working on this play for the past several weeks, and each member of the cast has mastered his or her part in such a manner as to assure a pleasing presentation of this intensely interesting drama. Several new embryo actors and actresses will be seen in the cast, while quite a few of those who took part in performances staged by the club last year will also take part in tomorrow night's bill, and a high-class performance is assured.

The funds derived from the play will be used by the students in purchasing books for the high school library, and in their efforts to accomplish this they should—and doubtless will—have the loyal support of the patrons and friends of the schools.

An admission fee of 25c and 35c will be charged, and reserved seats are on sale at Jones Drug Co.

BRADY, TEXAS, Oct. 17, 1916

WORLD DENUDED OF COT- TON.

During the cotton year July 31, 1915, to July 31, 1916, the world bought from the Southern farmer 13,500,000 bales, 12,000,000 bales of which was the current crop and 1,500,000 bales "carry over" from previous crops. The steadily rising market of July indicated that just about all of the "carry over" cotton had been drawn from the farm and that the world was denuded of marketable cotton.

The cotton market opened this fall with the highest level within the memory of most producers living, and that in spite of a government estimate of more than 14,000,000 bales—considerably more than all the world's takings last year. This accumulated evidence that the world is denuded of cotton.

In our issue of July 1st we called attention to the fact that the world the past year had taken 13,500,000 bales of American cotton, that practically no cotton was left unsold on the farms of the South, that the world would need as much cotton this year as last, and that we would likely have not more than 12,000,000 bales to meet the demand with. And now comes the government's last estimate of an 11,800,000 bale crop—less than was made last year, and no "carry over." Surely the world is denuded of cotton.

And more cotton is being used than ever. Hundreds of thousands of bales are going into the manufacture of powder, tents and shelters, and clothing for soldiers where the wear is trying. Millions of people are economizing by wearing cotton where they used to wear silk, wool and linen, while new uses for cotton are being found almost daily in the industrial world. And this increasing demand at a time when the world is denuded of cotton.

Twelve months must elapse before another crop can be raised and begin to reach the market. If the demand this year and the next equals that of last year, the next year's crop will have to make up a shortage of 1,500,000 bales—which means a demand on the next crop for not less than 15,000,000 bales. If the war ends in the meantime, and the starving markets of Germany, Austria and Russia are thrown open, the demand will be increased a year hence to nearly 17,000,000 bales.

Such are the indications. Of course no man can know what the demand will be twelve months from now, or even earlier. But the fact remains incontestable—the world is denuded of cotton.—Farm and Ranch.

Brady sets the pace.

CONSOLIDATED INSTITUTE.

Already Marked With Approval
on Part of Teachers.

The consolidated institute of the teachers of Mason, Menard, Concho, San Saba and McCulloch counties convened Monday with a total enrollment of something over 250. The general sessions of the institute are held in the morning at the Methodist tabernacle. In the afternoon the intermediate department holds its sessions at the same point, while the primary department uses the Central school building and the high school department is housed in the Presbyterian church.

The consolidated institute is already an acknowledged success. If at any previous institute there was the least murmur of dissatisfaction nothing of this sort has occurred at the present institute. On the contrary, the teachers with one accord proclaim it the best institute and the most beneficial ever held. As one of the visitors from a neighboring county voiced the matter: "The consolidated institute is giving the teachers more than their money's worth."

This morning Mr. J. E. Rodgers, a veteran educator of Dallas, spoke on "Forty-Five Years With Texas Schools." The address was replete with personal experiences told in an entertaining manner and which kept the audience in an uproar of laughter.

While a number of entertainment features had been planned for the visitors, so far the weather has proven a serious handicap. The Parent-Teachers association has this matter in hand and will make announcement of the entertainments.

The Magic Washing Stick.
"I received your Magic Washing Sticks and have tried them and think they are just fine. They make the clothes so clear and clean," writes Mrs. Fay Collins, Route 1, Box 20, Ponta, Texas. Washes clothes without rubbing. Guaranteed to please you. Ask the Jones Drug Co., Brady, Texas.

LOCAL BRIEFS.

This morning C. M. Bell sold a No. 3 bale for 17c per pound, which establishes another world record for Brady.

Mr. and Mrs. Bob Porterfield are receiving congratulations of their many friends on the arrival of a fine son at their home Sunday.

Mr. and Mrs. Henry Davis of the Prairie View community are the proud parents of a new daughter, the little miss having arrived last Wednesday.

Ernest McMurray, son of Mrs. J. M. Lyle, suffered a dislocation of the right elbow yesterday when, in cranking an automobile for Mrs. Jas. Coalson, the engine backfired. The injury was given prompt medical attention, and while causing considerable pain, it is thought that no serious consequences will result.

The dinner given by the Ladies Aid society of the First Christian church Saturday in the Syndicate building was a decided success, both from a financial and gustatorial viewpoint. An abundance of baked turkey, with dressing, cranberry sauce and the usual trimmings, as well as boiled ham, fried and baked chicken, salads, cakes and pies, in fact, everything that could be desired, was in evidence. The ladies report a net return of something more than \$100 as a result of their efforts.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If Tongue is Coated, Breath Bad,
Stomach Sour, Clean Liver
and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out of sorts, half sick, isn't resting, eating and acting naturally—look, mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad and has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50 cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

New Meat Market.

The Brady Market, with W. C. Wegner as proprietor, opened for business Monday morning in the Rainbolt Cash Grocery, on the north side of the public square.

Mr. Wegner has a thoroughly modern and attractive market, having installed an entirely new lot of fixtures, and the place presents and most inviting and appetizing appearance.

Mr. Wegner is well known to the trade, having been engaged in the same line of business here for a number of years, retiring from business about three years ago, and the news of his re-engaging in his old line will be gladly received by his many friends and former patrons.

In connection with the market a free delivery service has been inaugurated by Mr. Wegner, and this feature is expected to prove exceedingly popular with the busy housewives.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

CHARGED WITH THEFT.

C. J. Sellman Arrested Sunday
at San Saba.

Sheriff Wall returned this morning from San Saba, bringing with him C. J. Sellman, who is charged with theft of eight head of horses and mules from Bob and Tom Sellman of Rochelle. The recovery of the stolen animals resulted through determined efforts of Sheriff Wall and Sheriff Hugh Miller of San Saba, and Perry Nalls, deputy sheriff of San Saba county, is credited with the arrest of Sellman.

The matter was first called to the attention of local officers the early part of last week by R. A. Sellman, who reported five head belonging to him and three head belonging to Tom Sellman missing. He was unable to say whether they had been gone out of his pasture a week or a couple of months. Descriptive cards were at once sent out by Mr. Wall, and resulted in Sheriff Miller obtaining a clue as to the whereabouts of the animals. He and Sheriff Wall spent a couple of days tracing out the animals, and succeeded in locating every one of the bunch. Two of the animals had been sold to professional buyers and shipped out of the country, but will be returned. It was further ascertained that the animals were sold on the 6th and 9th of September by C. J. Sellman and another party, and the arrest of Sellman thereupon followed. The second man has not yet been apprehended.

C. J. Sellman is a cousin of R. A. and Tom Sellman and makes his home in the Rochelle community. Upon failure to make \$1000 bond in each of two cases, Sellman was remanded to jail to await examining trial, which has been set for next Tuesday.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Three strong reasons urge you to buy the Ford car: First because of its record of satisfactory service to more than fifteen hundred thousand owners; Second, because of the reliability of the Company which makes it; Third, because of its large radiator and enclosed fan, streamline hood, crown fenders front and rear, black finish, nickel trimmings, it is most attractive in appearance. To these must be added its wonderful economy in operation and maintenance—about two cents a mile; likewise the fact that by reason of its simplicity in construction anyone can operate and care for it. Mrs. T. A. Hill Dead.

Word was received here last Thursday afternoon by Paul Klatt of the death of Mrs. T. A. Hill at Weimar, the death having occurred earlier in the afternoon as a result of a stroke of paralysis sustained several days previous.

Mrs. Hill was about 65 or 70 years of age and had been a resident of Weimar for a long number of years. She was the mother of T. Y. Hill, a former resident of Brady, now living at Hallockville.

Out of respect to the memory of Mrs. Hill, the plant of the Brady Cotton Oil Co., of which her husband is vice president, was closed from 4:00 to 6:00 o'clock Friday afternoon during the funeral service. Interment was made in the cemetery at Weimar.

HOME TALENT PLAY.

B. H. S. Dramatic Club at Opera House Wednesday Night.

The Brady High School Dramatic club will present the five act drama, "Tony, The Convict" at the Brady opera house Wednesday night. The club has been working on this play for the past several weeks, and each member of the cast has mastered his or her part in such a manner as to assure a pleasing presentation of this intensely interesting drama. Several new embryo actors and actresses will be seen in the cast, while quite a few of those who took part in performances staged by the club last year will also take part in tomorrow night's bill, and a high-class performance is assured.

The funds derived from the play will be used by the students in purchasing books for the high school library, and in their efforts to accomplish this they should—and doubtless will—have the loyal support of the patrons and friends of the schools.

An admission fee of 25c and 35c will be charged, and reserved seats are on sale at Jones Drug Co.

MELVIN MENTIONS

From Melvin Advocate.

Dr. Miller was out from Brady Wednesday to give the children of Melvin high school a thorough examination for eye, ear, nose and throat defectiveness.

Mrs. W. T. Whalen spent Monday at Brady.

Cal Woodward and Dick Nichols went down to Brady yesterday.

A daughter was born to Mr. and Mrs. B. U. Commander last Saturday, and the new arrival weighed ten pounds. Mrs. Commander is at the home of her parents near Brady, while the professor is gradually recovering here in Melvin.

Just to give the outside public an idea of how Melvin farmers make money, we want to recite that on last Saturday evening D. J. Malmstrom and sons, J. W. Flemming and A. Bloomdahl sold their cotton, about 400 bales, to Chas. K. Woods for 16 cents per pound, the deal totaling in the neighborhood of \$32,000. These same farmers have their cotton seed still on hand, and we venture the prediction that they will receive around \$50 per ton for it, which will mean another big lump sum that will pass into thrifty farmers' hands.

EAT BIG MEALS: NO SOUR, ACID STOMACH, INDIGESTION OR GAS

"Pape's Diapepsin" Is Quickest, Surest Stomach Relief Known—Try It!

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy, out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sure sign of indigestion.

Get from your pharmacist a fifty cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a sure cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

Can You Be Deceived?

Are your ears keener than the ears of the music critics of more than two hundred of America's principal newspapers

?

These music critics cannot tell the human voice from Edison's Recreation of it by his new invention

The NEW EDISON

This is Edison Week. Every day this week we are giving special demonstrations of this marvelous musical instrument. We want you to come to our store and test your ears. Souvenir biographies of Thomas A. Edison will be mailed to those who attend our Edison Musicales this week. Come at any hour.

MENARD MESSAGES.

From The Messenger.

Joe Matthews was in from Peg Leg Monday and sold over \$140 worth of stuff from his wagon and got away with it. He had some feterita, pecans and a bale of cotton, the latter bringing him only the measly sum of a hundred and ten.

Mrs. Will Callan and son, Joe, went over to Brady Friday evening and spent until Monday with her parents, Mr. and Mrs. J. F. Tindel.

Mrs. S. A. Benham of Brady was a guest at the W. W. Rus-

sell home last Wednesday and Mrs. Anderson and children of Brady were over Saturday and Sunday.

Judge Doty of Brady was a business visitor here Monday.

Johnnie White and Fred Wulff were over from Brady Friday. Mr. Wulff has taken over the agency for the Dodge car for McCulloch and Menard counties, and expects to make Menard often in the future selling Dodges.

Dr. Miller was over from Brady last week driving a beautiful Buick roadster. The doctor is enjoying a good practice there, and reports that their new sani-

tarium is doing much better than they had even hoped for.

Just received a good selection of pretty patterns in Damask at Vincent's.

We are going to give you a real live bargain for the next thirty days in that good white top hack you want. See us. E. J. BROAD.

The high price of bottles and caps compels us to adopt the plan of "No bottles, no milk," beginning October 1st. Please put out your bottles every day. Connally's Dairy.
