

WHITTLIN'

By DOLPH MOTEN

State politicians have brought some more unpopularity on themselves among the agricultural people of Texas with new laws in regard to trailers. The new rulings go into effect January 1, we're informed, and they'll just about put the trailer people out of business, informed sources tell us, or the people who use trailers will be breaking the new laws wholesale.

There are two sides to all issues, we'll guess, and it's hard to argue against a safety ruling. On the other hand, if you figure the trailers you're using are safe and can prove it, it's disgusting and discouraging to spend American money to have needless improvements made just to satisfy a useless state law.

The discontent hasn't really hit yet, because, as we said, the new laws don't go into effect for a couple of months. Enforcement of the new trailer laws will have a lot of people squealing like a pig under a gate, and probably rightfully so.

The Bovina Mustang win over the Farwell Steers, some 10 or so days ago, evidently earned them 1971 Parmer County football championship.

We've pointed out in this space previously that the Mustangs were the only one of the four teams in the county to play each of the others. Thus, we figured, if the Bovina team won all three of these games, it would be entitled to the county crown. Sur-nuf, this season we won over the Lazbuddie Longhorns, got that much-publicized verdict over the Steers and have a perfect slate inside the county's boundaries except for a 6-6 tie with Friona.

We wondered about that and what the ruling should be. But, someone figured out that the title certainly belonged to Bovina because Friona played only Farwell and Bovina and not Lazbuddie and thus didn't play enough of the teams involved to qualify for the county title, anyway.

We don't remember who was helping us figure all this out, but we're sure he wasn't from Friona.

Since there's nobody to present it, we'll hereby accept the 1971 Parmer County Football Championship on behalf of the Bovina Mustangs and offer to express proper gratitude. Football titles have been awarded previously on a heap less logic, we're guessing.

The county championship won't even be up for grabs for next year. The Lazbuddie Longhorns won't be on the Mustangs' schedule. However, it is our understanding that Lazbuddie, along with Happy, is in a 10-team (as that possible) Class B district. This makes dang few non-district games for those teams. Both Happy and Lazbuddie, Bovina foes for as long back as anyone cares to remember, are off the schedule for the next two years, at least.

Least from here as if that big Class B district has too many members to be practical. If it has 10 teams, it should be cut in two and you can use the same reasoning if the number is nine. They could have one loop with five members and another with four. However, they'd probably say that wouldn't fit on down the line in the playoff system.

Anyway, we think it's a bad deal for the Mustangs to lose old, friendly rivals like Happy and Lazbuddie from the schedule. We don't say that because the Mustangs would probably win the games, either.

We don't have anything against people like Sanford-Fritch, Boys Ranch or Plains, but we know Happy and Lazbuddie better, so we like to play them better, that's all.

Ah, one who can not gracefully accept changes is bound to be plagued by unhappiness.

Interest in this year's Bovina Businesses Football Contest continues to amaze us. The number of entries dropped two weeks ago under the 200 mark and we thought then that the interest peak had been reached.

The number last week, however, went right back up there around the 210-215 average. Incidentally, Billy Whitecotton, who's gotten more than his share of publicity in this space for his FB contest efforts this year, came in for a non-divided third place prize for his effort last week. He picked up a whole dollar in prize money. A few

Moisture Nice, But

Rain Has Harvesting At Standstill

Halloween Event --

Carnival Set Here Saturday

The third annual Halloween Carnival, under sponsorship of Bovina Woman's Study Club, will be staged Saturday at the County Barn, near the baseball field.

The carnival will begin at 7 p.m. and will feature about 12 booths, according to Mrs. Earl Whitten, president of the club.

Admission will be 10 cents for children and students and 25 cents for adults. Tickets may be purchased at a central location and redeemed at the various booths.

Cooperating with the Study Club will be various classes in the Bovina Schools and Booster Club.

Net profits will be split between organizations sponsoring booths and the Study Club, 60 per cent to the organizations and 40 per cent to Study Club, Mrs. Whitten said.

Booths operated by the Study Club will include the food booth and a fortune telling booth. Proceeds from the fortune telling will go to the Grace Paul Fund.

Other booths include fishing pond, cake walk, putting green, marriage, coin pitch, bean count, popcorn, haunted house and dart throw.

Back To Normal --

CST Returns Sunday A.M.

Central Standard Time returns Sunday morning. Clocks will be turned back one hour at 2 a.m. Sunday over the United States, ending another six months of Daylight Savings Time.

The time standard will be returned to its normal pace, giving people an extra hour of sleeping time in the mornings and an hour less daylight in the evenings.

In Bovina, it means that people will have an extra hour's sleep before Sunday School and worship services begin in Bovina churches, school children will get to classes an hour later beginning next week and lose an hour of daylight between the end of school and bedtime, and the last two football games on the schedule will be played at 7:30 p.m. instead of 8 p.m. This Friday night will be the last game to start at 8 p.m.

This is the fifth consecutive year Texas has gone along with the nation in observing Daylight Savings Time, which has been in effect the past six months.

The change to DST gave the nation an extra hour of daylight during the spring, summer and fall months.

Ruby Wilson --

Winner Picks 10; Two Tie For Lead

Ruby Wilson became only the third contestant in seven weeks to turn in a perfect football contest entry, earning first prize of \$5 cash for her efforts in last week's Bovina Businesses Cotton Bowl Football Contest.

The tie-breaker score had to be used to determine winners of second and third places as 16 contestants correctly predicted the outcome of nine of the ten games.

Taking second place by virtue of being only two points off on the tie-breaker was Audrey Graham. She missed the outcome of the Happy-Sudan tilt. Billy Whitecotton, three off on the tie-breaker, also missed that game on his entry form. They were awarded \$3 and \$1 for their efforts.

Others predicting nine games last week were Bill Thornton and Paul Jones, each four points off on the tie-breaker; Veda McKay, five points off; Dorothy Stone, six points off; Gary McCormick, seven points off; Kyle Harris and Larry Crump, eight points off; Joyce Hughes, nine points off; Jeff McCormick, 10 points off; Carole Jean Wright, off 12 points; Oakley Stevenson, off 13 points; Edna Baca, off 14 points; Roger Ezell, 16 points off and George Douglas, 19 points off on the tie-breaker.

Six of those contestants missed the outcome of the Tech-SMU game, five missed the Happy-Sudan tilt, and one each missed the outcomes of Farwell-Springlake - Earth, Baylor-A&M and Hart-Vega games.

Competition in the race for the grand prize grew stronger last week as Reba Bonds moved into a tie with Ted Graham at the end of the seventh week.

Mrs. Bonds picked eight winners this week to Graham's seven to bring the contest to a tie in the seventh week.

Of the 214 contestants who turned in entries last week, 45 correctly predicted the outcome of eight games, 57 had seven correct, 45 had six correct, 29 predicted the outcome of five games, 13 had four correct, six had three right, one had two correct guesses and one contestant picked one correct game.

Contestants picking eight games were Jay Sherrill, Twyla Hutto, Judy Fillpot, Rush Looney, Lea Looney, Carl Newell of Muleshoe, Jimmie Clements, Mike Potts, Wesley Harris, Mrs. Bonds, Roberta Mager, Dorothy Harris, Jerry Wright, Bob Fillpot, Jesse Walling, Joyce Read, Al Kerby, Jean Wiseman, Dalton Morris-

son, Bobbie McFarland and Leslee McFarland, Lonnie McFarland, Mrs. Albert Johnson, Albert Johnson, and Deb Wardlaw, all of Farwell, Cecil Bunch, H. W. Roberts, Laura Bartlett, Rocky Bartlett, Barty Bartlett, Mrs. Larry Crump, Betty Whitecotton, Jim Milner of Muleshoe, Paula Whitecotton, Mary Jane Wilson, A. M. Wilson, Kent Stanberry, Don Stone, Rene Fisher, Michael Wiseman, Joan Morrison, Andy Hurst of Friona, Monty Malcom of Tulla, Terry Carpenter of Clovis, N.M., and Glen Hromas.

Still in the running for the grand prize with 49 points are Mrs. Larry Crump, Neal Mager and Billy Whitecotton.

Contestants with 48 points include Vera Cox, Larry Crump, Paul Jones, Veda McKay, Paula Whitecotton and Mary Jane Wilson.

Those with 47 total points include Jimmie Clements, Pat Duffa, Bob Fillpot, L. F. Jacobs, Mrs. Albert Johnson, Dalton Morrison, Sheryl Morrison, Ben McCain, Patricia Read, Bill Thornton and Carole Jean Wright.

Contestants with 46 points include George Baca, Roger Ezell, Roberta Mager, Jeff McCormick, Kent Stanberry, Larry Webb, A. M. Wilson and Gladys Wright.

Having a total of 45 points are Edna Baca, Terry Carpenter, M. H. Carson, Corky Criswell, Judy Fillpot, Jeanne

Weather by Willie

Cooler and dryer last of week. ---Willie

FIRST BALE OF COTTON --- Mrs. Erma Stowers, right, produced the area's first bale of 1971 cotton. The bale was ginned Friday at Lawlis Gin Co. The cotton was handpulled on Mrs. Stowers' place northeast of town. The 450-pound bale was ginned from 1800 pounds of seed cotton. Members of the gin staff shown with Mrs. Stowers and the first '71 bale are, left to right, Lupe Garza, Manuel Morales, Billy Harbison and Ovid Lawlis.

One Day Early --

Celebrate Halloween Saturday

Halloween will be observed in Bovina on Saturday night, rather than Sunday, Oct. 31.

Children are urged to make their "trick or treat" rounds Saturday night.

Also scheduled for Saturday night is the annual Halloween

Carnival, sponsored by Bovina Woman's Study Club.

Several other area towns will also be unofficially observing Halloween Saturday rather than Sunday.

"With Monday being a school day, we feel it would be more

beneficial for school children to have their fun on Saturday night," announces Mayor Chas. W. Flynn.

No Damage To Milo Yet

"This rain is nice and it would be much nicer if we had our crops in," is the way most farmers feel about the current rainy spell.

Moisture last week and this has brought all harvesting operations to a standstill.

Grain sorghum harvesting was stopped before it ever got to its peak. Much of the milo was not mature enough for ideal harvesting back before the rains began.

The immature milo and the rainy spell have delayed cutting of the crop as much as 30 days now and when harvesting can resume it still indefinite and depends on the weather.

Agricultural observers are in agreement that there has been no damage to the grain sorghum as yet. If the weather dries within the next week, there will be no problems other than the delay.

At this time of the year, farmers are afraid the crop will fall, making harvesting difficult. However, since there has been no freeze up to this time, the stalks are still green

(Continued on Page 2)

REV. C. WOODROW WILLIAMS

Former OL Pastor --

Rev. Williams Dies In Mishap

Funeral services for Rev. Charles Woodrow Williams, 58, former pastor of Oklahoma Lane United Methodist Church, were held Friday afternoon in First United Methodist Church at Quitaque.

Rev. Cecil Tune, pastor of Asbury United Methodist Church of Midland, officiated, assisted by Rev. Norman Grigsby of Andrews and Rev. Weldon Butler, superintendent for the Plainview District of the Northwest Texas Methodist Conference.

Graveside services were held at Memorial Park Cemetery at Plainview.

Rev. Williams was killed about 11 a.m. Wednesday in a tractor mishap eight miles northeast of Silvertown.

Investigating officers reported that Rev. Williams fell into a shredder after being knocked off the tractor by a tree limb

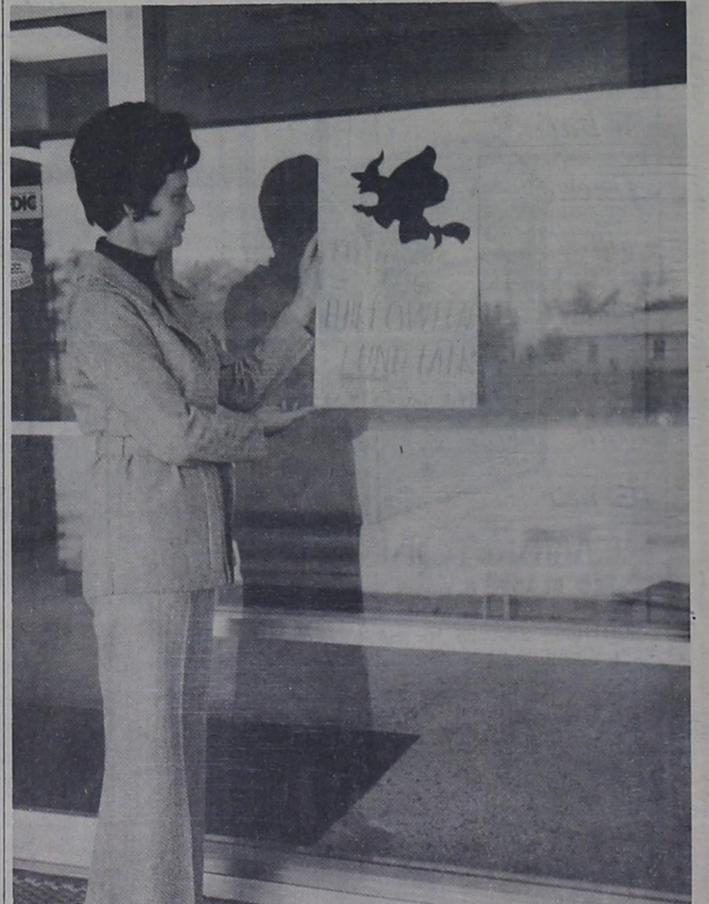

as he was shredding weeds alongside the highway. He was pronounced dead at the scene by Silvertown Justice of the Peace Gary Hunt.

A native of Waco, he moved to Quitaque in June from Oklahoma Lane and was serving as pastor of the Quitaque and Flomot churches.

He attended West Texas State University and was graduated from McMurry College at Abilene. He was ordained in 1938 and later served with the Salvation Army and U. S. Marine Corps in World War II. He joined the Northwest Texas Methodist Conference in 1948.

Rev. Williams had held pastorates in the Lockney and Dimmitt circuits, and at Ovalo, Hart, Vigo Park, Spade, Texline, Darrouzett, Happy, Matador, Miami, Amherst, Plain-

(Continued on Page 2)

HALLOWEEN FUN'D FAIR --- Mrs. Earl Whitten, president of Bovina Woman's Study Club, is placing a poster in First State Bank of Bovina advertising the annual Halloween Carnival, sponsored by the club. The carnival, featuring about 12 booths, will be held at the County Barn Saturday beginning at 7 p.m. The event is a fund raising project of the club and net profits will be divided between groups sponsoring booths and the Study Club.

HAS PERFECT ENTRY --- Mrs. Ruby Wilson displays the check for \$5 which she received in the seventh week of Bovina Businesses Cotton Bowl Football Contest. She earned the \$5 cash prize by correctly picking the outcome of all 10 games, the only to do so out of 214 entries. In the race for the grand prize, Reba Bonds pulled into a tie with Ted Graham at the end of the seventh week. Both have a total of 51 points.

Reflections From The Blade

TEN YEARS AGO
October 25, 1961
Unveiling a sparkling offensive display, Bovina Mustangs racked up their second District 2-B opponent in succession here Friday night as they kicked Happy Cowboys in an impressive 39-6 win.
With impressive, easy wins over two of four district opponents, the Mustangs are solidly entrenched as favorites for the district flag.
Only Lazbuddie and Vega stand in the way of Bovina capturing the title and Mustangs, on paper at least, have a superior team to either of them.
Erith Hawkins, who is now in his sixth consecutive week of leading Bovina Businesses Cotton Bowl Football Contest, saw his lead dwindle in last week's upset-filled state.
Weekly \$5 winner in most recent contest was Dick Horn, student at Wayland Baptist College at Plainview. He named nine winners, as did three others, but was closer to tie-breaker score than they were.
Youth-Unity-Truth is theme for National Catholic Youth Week which will be observed here Oct. 29-Nov. 5, Rev. Declan Gilligan, S.A. pastor of St. Ann's Catholic Church, announces.
Cynthia Patterson, 1961 graduate of Bovina High School, was one of four freshmen students recently added to Student Senate at West Texas State College at Canyon.

SIX YEARS AGO
October 27, 1965
"Upset Week" in Bovina Businesses Cotton Bowl Football Contest found John McFarland on top of the heap. McFarland turned in the most nearly perfect entry with seven of 10 correct answers.
A new office building is being constructed on Main Street in Bovina. The building west of the temporary quarters of First State Bank is being converted into office space. Edward Isaac, owner of Bovina Dry Goods, owns the building.
Bovina High's Mustang Band went to Canyon Saturday to march in the WTSU homecoming parade in the morning.
Bovina High's acapella choir is making plans to tape Christmas songs. The tape is to be sent to Amarillo where the Chamber of Commerce is preparing loud speakers in the downtown area.
Mrs. George Cervantez of Bovina was awarded "Woman of the Year Certificate" at the recent convention of the Diocesan Council of Catholic Women in Slaton.
Bovina's Mustangs continued their winning ways in District 1-B Friday night with a 35-0 verdict over the weak, but scrappy, Hart Longhorns.
Try-outs for a Broadway musical to be put on by Bovina High students are scheduled for Monday. "Bells Are Ringing," scheduled for presentation January 29, is the story of the life of two operators of an answering service. Directors of the musical are Joe Wayne Harper and Mrs. Betty Hawkins.

ONLY THE MALE GYPSY MOTH IS ABLE TO FLY!!!

USDA Sets Program For '72 Feed Grain

The 1972 feed grain program is very similar to the 1971 program with changes as follows, as announced by Prentice Mills, County Executive Director of the Farmer County ASCS office.

The new program raises the minimum set-aside requirement to 25 per cent of the base (this was 20 per cent in 1971), boosts set-aside (price-support) payments, brings barley into the feed grain program, adjusts loan levels upward for grain sorghum and barley (more consistent with the feeding value of corn), and offers farmers two new options to set-aside additional acreage above the minimum qualifying 25 per cent.

Set-aside payments will be 40 cents per bushel for corn (32 cents in 1971), 32 cents per bushel for barley, and 38 cents per bushel for grain sorghum (29 cents in 1971).

These are paid on the established farm yield times one-half the barley, corn or grain sorghum base. The farmer will have three options at sign-up time. The sign-up will start on Jan. 17, 1972.

The options are as follows:
1. He will decide whether to participate and, if so, to what degree. The minimum participation requires a 25 per cent diversion to qualify a farm for loans and payments.
2. At sign-up time, a farmer can agree to set-aside an additional amount of acreage, up to 10 per cent of the farm's corn or grain sorghum base and up to 20 per cent of the barley base. The government will accept this additional voluntary acreage set-aside at sign-up time and will make set-aside payments for grain sorghum at the rate of 49 cents per bushel times the farm yield for the additional acreage set-aside. The corn payment rate is 52 cents per bushel and the barley rate is 42 cents per bushel.
3. Also, at sign-up time, the farmer may offer to set-aside still another five per cent or 10 per cent of his corn or grain sorghum base acreage. It will not be known at sign-up time whether this acreage is accepted. If it is accepted, the payment rate for each additional acre would be the same as that computed in item two. The Secretary of Agriculture will announce by around the middle of March whether any of this additional acreage will be accepted.

As soon as possible after July 1. The 1972 program offers even more flexibility than the 1971 program for the farmer and USDA. The farmer is allowed to plant whatever crops he wishes on that part of his farm not in set-aside or converting base use. Also, soybeans have been added to the list of crops which may be planted to protect the farm's feed grain base or wheat allotment. Of course, feed grains may be planted in lieu of wheat and vice-versa.
Any person desiring further information about the 1972 program, especially as it might pertain to a certain farm, are urged to contact their County ASCS office.

Rain --

(Continued from Page 1)
and sturdy and will tolerate reasonably high winds.
The moisture this late in the year isn't of value to the present milo or cotton crops. They've done all they're going to as far as production is concerned, according to most farmers.
The grain sorghum is expected to yield higher than normal due to rains which fell in August and September. These rains, while increasing production, also had a part in keeping the grain from drying and being ready for cutting as early as normal.
While agreeing that the moisture situation and the harvest delay isn't serious as yet, many are remembering a year in the late '50's when it was necessary to harvest milo when the ground was frozen. Harvesting would begin at night after low temperatures froze the wet ground making it possible for combines to go through the fields.
More than an inch of rain fell Tuesday afternoon and Wednesday over most of the area. Cloudy weather continued through the week and weekend, keeping the grain from drying. Additional rainfall came again Tuesday of this week, postponing harvest still more.

Whittin' --

(Continued from Page 1)
weeks ago, he divided the third place dollar with two other contestants and had 33 cents to his credit.
Overall, he's making a great effort considering he got off to a miserable start the first week, hitting only 50 per cent in the easy opening round. He now has 49 total points and that's only two in back of the leaders, who have 51.
That leading percentage, 51 out of 70, figures out to an extra low .728. Ordinarily, it would take a higher percentage than that to be leading at this state of the 13-week contest.

Weatherman Willie Williams, home from an El Paso trip submits the following:
I like to live in a little town
Where the kids meet in the street,
You wave to every man you meet.
I like to stop for a minute at the grocery store,
And hear the kindly gossip of the folks moving in next door.
For life is interwoven with friends you love to know
And you feel their joys and sorrows as they daily come and go.
So I am glad to live in a little town
And care no more to roam.
For every home in a little town is more than a home at home.
Anon
"I've visited in El Paso --- too big!", adds Willie.

3% Discount Ends Sunday

A three per cent tax discount on state and county taxes will end Sunday, Oct. 31, according to Hugh Moseley, Farmer County Tax Assessor-Collector.
Taxpayers have only two days left in which to take their payments to the tax office. Tax payments mailed to the tax office which are postmarked on or before Oct. 31 will be discounted three per cent.
A two per cent discount will be in effect through the month of November, Moseley said. Persons paying their taxes during the month of December will receive a one per cent discount.
Most of the taxes already paid have been received from out-of-state companies and property owners, and from out-of-county property owners. State and county tax payments are lagging from local residents.
Approximately 30 per cent of the property owners have paid their taxes, says the tax assessor-collector.
Moseley also mentioned that he is now accepting applications for voter registration.

B Team Loses --

Seventh, Eighth Win Over Kress

Bovina's Colts won two and dropped one in games at Kress Thursday night of last week. Bovina's B team dropped a decision to Kress' B team, 12-0, Randy Kirkpatrick and Robert Cardoza were singled out for their defensive work and Bryon Fillpot and Terry Sherrill on offense by coach Roger Ezell.

The loss dropped the Colts record to 2-3 for the season.

Eighth grade team held Kress to zero on the score board while racking up 32 points, keeping their slate in district action unmarred. Their record now stands at 4-0-1, the tie being with Friona.

Ray Martinez got the eighth graders off to a rousing start by running the opening kickoff back 80 yards for Bovina's first score. He ran over two other TDs for an outstanding night on offense.

Ellie Hernandez scored two touchdowns and ran over one extra point attempt to account for the remainder of Bovina's points.

Hernandez was cited for his outstanding work on offense

fense and defense as he intercepted a Kress aerial in the fourth quarter and ran it back 79 yards before being tackled on the one-yard line. From there, the Colts pushed across the winning score.

Serna intercepted a pass late in the fourth quarter to squash Kress' hopes and clinch the victory for Bovina.

Bruce Fillpot put Bovina on the score board in the third quarter and Serna's TD and two extra point conversions for four points accounted for Bovina's scoring.

Three games are scheduled to be played here beginning at 6 p.m. Thursday (tomorrow). Sudan will furnish the opposition for Bovina's Colts, along with the entire offensive line by coach Corky Criswell. Praises for their defensive efforts were Martinez, Ricky Stanberry, Elbert Shelby and Dennis Willard.

Seventh grade halted a late scoring drive by Kress' seventh to preserve a 16-12 score, their first win of the season.

Tommy Serna sparked the of-

Mrs. Minter's Mother Dies

Mrs. Mary Johnson of Farwell, mother of Mrs. Emma Minter and grandmother of Henry Minter, both of Bovina, died Sunday of last week in the home of her daughter, Mrs. Tillie Williams of Clovis. She had been a resident of Farwell the past 50 years.

Funeral services were held Wednesday afternoon of last week in First Baptist Church of Texico with Rev. John Summers, pastor, officiating, assisted by Rev. Melvin Sasse of First Assembly of God Church in Clovis.

Burial was in Bovina Cemetery under the direction of a Clovis funeral home.

Mrs. Johnson, who was born Dec. 25, 1878, in Czechoslovakia, came to the United States when she was six years old. She was a member of First Baptist Church in Texico.

Survivors include a son, John Blake of Plainview; four daughters, Mrs. Minter of Bovina, Mrs. Della Carpenter of Texico, Mrs. Williams of Clovis and Minnie Johnson of Farwell; also 13 grandchildren, 32 great-grandchildren and two great-great-grandchildren.

One Killed --

15 Accidents In September

The Texas Highway Patrol investigated 15 accidents on rural highways in Farmer County during the month of September, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one person killed and nine persons injured.

The rural traffic accident summary for this county during the first nine months of 1971 shows a total of 102 accidents resulting in four persons killed and 64 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September, 1971, shows a total of 499 accidents resulting in 33 persons killed and 268 persons injured. This was 82 less accidents, eight more fatalities, and 132 more injured than during August.

The 33 traffic deaths for the month of September, 1971, occurred in the following counties: Potter, seven; Lubbock, four; Parker and Childress, two each; Archer, Clay, Garza, Kent, Lynn, Montague, Palo Pinto, Wise, Yoakum, Carson,

Dallam, Deaf Smith, Gray, Hansford, Moore, Parmer, Swisher, and Wilbarger, one each.

CONSERVATION PROGRAM --- A technician with Soil Conservation Service and Joe Jones of Farwell, left, inspect grass planted on the cost-share program through the Great Plains Conservation Program. The SCS is now taking applications for participation in the program with appropriations expected to be forthcoming by spring of 1972. Interested persons are urged to apply soon because funds are limited and the program is on a first come, first served basis. The program provides cost-share for pasture planting, range seeding, parallel terraces, waterways, fences, stock ponds, livestock water wells, land leveling and irrigation pipelines, according to the SCS.

Marge Caldwell To Lead Conference At Lazbuddie

"Good News" will be the theme of the Llanos Altos Associational WMU Workshop and Leadership Conference to be held at the Lazbuddie First Baptist Church Tuesday, Nov. 2, at 9:30 a.m.

Leading the conference will be Mrs. Marge Caldwell and Miss Sheryl Churchhill.

Mrs. Caldwell is the wife of a native Bovinian, Charles Caldwell, son of Mrs. J. R. Caldwell of Bovina. She was the guest speaker for the Arizona State Acteens Convention last month and is an active member of First Baptist Church of Houston where she is WMU director and teacher for a college freshman class in Sunday School.

During the past three years, she has spoken at Ridgecrest and Glorieta assemblies and on more than 150 college and high school campuses.

She is the author of a regular feature in Accent magazine. Mrs. Caldwell is tentatively

scheduled to speak at Bovina High School Monday, Nov. 1. She will also be speaking at an areawide Youth Rally to be held at First Baptist Church of Bovina at 7:30 that night.

McKee-Cumpton Do Exchange Vows Saturday

Miss Connie Darlene McKee and Rex Cumpton will exchange wedding vows Saturday at 7 p.m. in Faith Baptist Church in Amarillo.

Parents of the couple are Mr. and Mrs. Grady McKee of 1519 Poplar, Amarillo, and Mr. and Mrs. Allen D. Cumpton of Bovina.

No invitations are being sent locally, however, all friends and relatives of the couple are invited to attend the wedding and reception to follow.

Announce Cast For Junior Play

Junior Class of Bovina High School is currently rehearsing for presentation of their annual play Saturday, Nov. 6, according to sponsors and directors, Mrs. Nancy Mayfield and Dalton Morrison.

The play will be presented at 7:30 p.m. Advance ticket prices will be \$1.25 for adults and 75 cents for children and students. Tickets at the door will be priced at \$1.50 and \$1.

Title of the three-act, mystery-comedy is "The Skeleton Walks," written by Felicia Metcalfe.

Cast of the play includes Ronald Steele as Dr. Harold Fersig, Jan Kassahn as Elaine Blair, Kim Langer as Mrs. Madge Embrey, Ronnie Nuttall as Bobby Embrey, Gail Dixon as Kathleen (Kinks) Embrey, Widdy Gromowsky as Billy Clayton, Debra Sorley as Anne Rowell, Alan Cockerham as Mrs. Eliza Hubbard, Janee Russell as Ollie Hubbard and Honey Mast as Mrs. Lilla Donahue.

Serving as narrator will be Patti Mills and assistant director will be Ruth Anne Hough. Ushers will be Kathy Billington, Brenda Stanberry, Walter Martinez and Kim Rundell.

In charge of ticket sales are Irene Pearson and Tommy Page.

Members of the stage crew will be Ben McCain, Mike Ware, Larry Wiseman, Jeff McCormick, Johnny Wellborn, Weldon Beardon, Pablo Garza, Randy Monk and Jose Bazaldua.

Fresh fruits will flourish in the refrigerator if you transfer them from cardboard box to sealed container. Berries - on the other hand - should be spread out on a shallow dish and left uncovered. They should also be washed just before serving.

Eggs tend to keep longer when stored broad end up... because this position protects the sealed air cell just below the broad end of the shell.

No matter what the song used to say, you can put bananas in the refrigerator when they are fully ripe. But, be sure to store them in sealed containers so odor won't transfer to other foods.

Plot of the play is laid in a lonely, old house situated on a small island connected to the mainland by only one bridge. Strange things occur in the house when Elaine Blair and her party arrive to claim her inheritance. The climax of the play involves a surprise twist that is guaranteed to keep the audience guessing until the final moments.

Mrs. Cervantez To Attend Meet

Mrs. Pearl Cervantez, coordinator of the Bovina Neighborhood Center, will attend the first quarterly membership meeting of the Panhandle Coordinating Child Care Council Saturday, Nov. 6. The meeting will begin at 10 a.m. and continue through 12 at the Texas Panhandle Community Action Corp. office at 1605 West Seventh Street in Amarillo.

The meeting is open to the public, according to Mrs. Cervantez, and an invitation is extended to those who are interested in or involved with Child Care Services for children in the Texas Panhandle.

According to the president of the council, Cal Yokum, chief psychiatric social worker at the Kilgore Children's Psychiatric Center in Amarillo, the agenda for the meeting will include a summarized report of small workshop groups at the last meeting concerning the needs and training of people who care for children.

Anyone in the community who desires to attend the meeting is urged to contact Mrs. Cervantez for more information.

Of Interest To THE WOMEN

Cook's Corner

Mrs. Amos (Leona) Steelman has witnessed many changes in Bovina since she moved here as a child in 1921 with her parents, the late Mr. and Mrs. J. R. Glover.

"There wasn't a fence between Muleshoe and Bovina and the road ran just a short distance toward Bovina and then there was only a trail across the prairie," she remembers. Hard work and terrible dust storms in pre-irrigation days are also among Mrs. Steelman's recollections of early years in Bovina.

Born in Goldthwaite, in Mills County, Mrs. Steelman lived in Brownwood during the oil boom in her teens and later lived in Coleman. Her father was a blacksmith.

Mrs. Steelman was a pupil of Mrs. W. E. Williams and finished school in Bovina.

"I think I clerked in every store in Bovina before I married," Leona says. She recalls working for W. E. Williams, E. T. Caldwell, Herman Dorsey, J. Sam Gaines and Mrs. O. W. Rhinehart.

Amos, whose parents are the late Mr. and Mrs. John Steelman, moved here a few years after Leona, in 1930.

They were married in 1934 and Amos farmed and did carpenter work on the side.

The Steelmans moved to their present home on the farm, two miles west of Bovina, in 1958.

Leona is active in a bridge club and quilting club and she and Amos are members of First Baptist Church of Bovina.

They are parents of four children, Eddie Gayle, Mrs. Art (Evelyn) Vineyard, Dick and Mrs. Gene (Vivaleigh) Hutto. They have eight grandchildren.

When her children were in college, Leona said she put in her share of time on the farm, driving tractors, trucks and helping with other chores. Evelyn, Eddie Gayle and his wife, Phyllis, were graduated the same year from West Texas State College in Canyon, Dick later attended Texas Tech and West Texas.

Although she retired from farming chores several years ago, Leona spends a lot of time and hard work on her number one hobby, her flower garden. Amos bought her a riding mower last year, and it is put to frequent use around their farm home by Leona.

Many shut-ins in Bovina have been recipients of an arrangement from her wide variety of flowers.

Her favorite activities in the fall are the bridge and quilting clubs. Along with piecing quilts in the winter, when she has nothing else to do, she also sews quite a lot. Other favorite things to do include antiquing furniture, upholstery, cooking and listening to music, "especially Herb Alpert records when I'm doing my household chores."

Among the recipes she is sharing with Blade readers this week is her burnt sugar cake, which is difficult to make properly, but delicious and worth the effort, Leona says.

BURN'T SUGAR CAKE
Burn 1/2 c. sugar until dark brown, add 1 c. boiling water, stir well and set aside to cool. Cream 1/2 c. butter and 1 1/2 c. sugar. To this, add 1 c. water and 2 c. flour. Beat 6 min. and add yolk of 3 eggs. Add 2 T. baking powder that is sifted with 1/2 c. flour. Add whites of 3 eggs, well beaten, and burnt sugar mixture. Mix in pinch of salt and 1 t. vanilla.

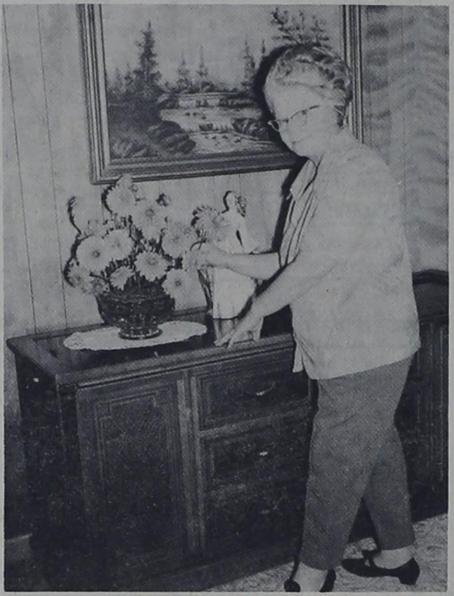

ICING
Boil 3 c. sugar and 1 c. milk together. Brown 1/2 c. sugar in 1/8 lb. oleo. Remove from

fire and mix ingredients together. Cook until mixture forms a soft ball and then beat well.

CARROT SALAD
1 pkg. orange gelatin
1 c. boiling water
1/4 c. cold water
small can crushed pineapple
1 c. grated raw carrot
small container of cottage cheese
1/4 c. pecans, cut in small pieces
Dissolve gelatin in boiling water, add cold water. When cool, add pineapple, carrots, cottage cheese and pecans. Mix

well and place in refrigerator until set.

CHERRY COBBLER
Heat to boiling stage: 1 pint cherries, 1 pint water, red cake coloring and 1 1/2 c. sugar.
Mix: 1 c. sugar, 1/4 c. shortening and cream. Add 1 egg, 2/3 c. milk, 1 1/2 c. flour sifted with 1 t. baking powder.
Pour dough mixture in long baking pan, pour cherry mixture over dough. Cut 1 1/2 sticks oleo in small pieces over mixture. Place in oven and bake until brown. Real good to serve hot with ice cream.

MRS. AMOS STEELMAN

At Home In Parmer County

What to do with 8 billion, 400 million pounds of rice? That's what we've got on hand these days! The U. S. Department of Agriculture's Consumer and Marketing Service reports plentiful supplies of rice for November. Some of that rice will be sent overseas, where people really are rice eaters!

But we're still got a lot of rice to eat up, to get the abundant supplies off the grocer's shelves and onto dinner plates, or soup bowls, or dessert dishes.

There are so many ways you can fix rice:

- *Cook rice in tomato juice and serve topped with cheese sauce.
- *Serve creamed salmon, hard-cooked eggs, peas, and pimento over hot, fluffy rice.
- *Pour hot chili con carne over cooked rice.
- *Pour hot pea soup over rice and add frizzled luncheon meat.

*Mix sweetened, cooked rice with whipped cream and layer in parfait glasses with cling peach slices.
*And don't forget good old rice pudding!

Try this recipe for Old-Fashioned Rice Pudding.

- 4 eggs, beaten
- 1/4 t. salt
- 1/3 c. sugar
- 2 t. vanilla
- 1-1/2 t. grated lemon peel
- 3 c. milk
- 1-1/2 cups cooked rice
- Combine eggs, salt, sugar, vanilla and lemon peel in a buttered 2-quart casserole. Combine milk and rice. Stir into egg mixture. Set casserole in a pan of hot water filled to within 1 inch of top of casserole. Bake uncovered at 300 degrees F. for 1 1/2 to 2 hours. After first 30 minutes insert spoon at edge of pudding and stir from bottom. Near end of baking time insert silver knife; if it comes out clean, pudding is done. Serve hot or cold. Makes 6-8 servings.

Advice to TEENS

From Your Pharmacist

Almost every teenager has suffered at one time or another from skin disorders such as acne. What to do about it? You might keep in mind that starches, fatty foods and sweets should be avoided in favor of a more healthful diet. Proper rest and outdoor exercise also aid in combating this condition.

Mental Health Topic At Study Club Meet

"Mental Health Opens Doors to Happiness" was title of the program presented at a recent meeting of Bovina Woman's Study Club by Mrs. Rouel Barron and Mrs. Henry Ivy.

They presented facts, as opposed to fallacies, on mental health and discussed the role heredity plays in mental health. "The idea of heredity as the cause of mental illness is misleading, confusing and downright wrong," commented Mrs. Barron.

A short review was presented on two books, "Myths of Madness," authored by Dr. Don D. Jackson, and "The Human Mind," authored by Dr. Karl A. Menninger. The cause of mental illness, the cures and the struggle of human beings were also touched upon. "One out of 20 is, or has been, or will be in a mental hospital," commented Mrs. Ivy. She pointed out that mental illness is beginning to be more readily understood in the United States.

Louis McDaniel, president of Bovina Chamber of Commerce and Agriculture, met with the club and spoke on the Community Park Development project. Study Club members voted to undertake the Christmas Card Fund project again this year.

Mrs. O. H. Jones and Mrs. Lowell Boozer, hostesses for the meeting, served fresh apple cake and coffee to 19 attending the meeting.

Next meeting of the Study Club will be Thursday (tomorrow). Mrs. Ike Quicke, Mrs. Bobby England and Mrs. Earl Richards will present a program entitled "Close The Doors To Drug Abuse." Hostesses will be Mrs. Charles Corn and Mrs. Travis Dyer.

Shower Set Nov. 6 For Martha Adams

Miss Martha Adams, bride-elect of George Jackson of Lubbock, will be honored at a bridal shower Saturday, Nov. 6, from 2:30 to 5 p.m. in the home of Mrs. H. H. Kelso.

Hostesses will be Mrs. Ovid Lawlis, Mrs. Leslie McCain, Mrs. Ed Hutto, Mrs. J. R. Caldwell, Mrs. Bob Turner, Mrs. Travis Lloyd, Mrs. Don Murphy, Mrs. Charles Hawkins, Mrs. Bobby England, Mrs. Ronald Minney, Mrs. Bessie Webb and Mrs. Kelso.

Son Born To Piersons

Mr. and Mrs. Steve Pierson of Plainview announce the birth of their first child, a son, at 6:30 p.m. Tuesday, Oct. 19, at Hale Center Hospital.

The new arrival weighed eight pounds and has been named Billy Wayne.

The father is employed at Missouri Beef Packers in Plainview.

Grandparents are Mr. and Mrs. D. W. Pierson of Oklahoma Lane Community and Mr. and Mrs. Doyle Gilbert of Muleshoe.

The dinner will be held in Parish Hall and serving will begin at 11:30 a.m. and continue until 2 p.m. Admission will be \$1.75 per plate.

The Altar Society will have a booth in the hall, featuring baked goods and other handmade items for sale.

Knights of Columbus will be selling raffle tickets prior to and during the dinner. First prize will be \$100, second prize will be \$75 and third prize will be \$50.

The dinner, which is an annual event, draws a large crowd each year.

Marriage Licenses

Marriage licenses issued during this past week by the office of Parmer County clerk went to Thomas L. Pleasant and Doris L. Pleasant on Oct. 14 and Joe Raye Anaya and Mary Ellen Vale on Oct. 15.

Girl Born To Lasters

Mr. and Mrs. Luther Laster of Amarillo announce the birth of a daughter Monday, Oct. 11, at St. Anthony's Hospital.

The new arrival weighed seven pounds, one ounce, and has been named Mistilyn Lee. Grandparents are Mr. and Mrs. Truman Gaines of Bovina and Mr. and Mrs. Gene Shy of Snyder.

Great-grandparents are Mr. and Mrs. A. E. Gaines, also of Bovina.

In consideration of the working mothers on your guest list, try not to give your party on a Sunday when they might well prefer... being home with the kids.

It's a good idea to send out all your invitations at the same time. Otherwise, a "late receiver" might think he was just an "afterthought."

Instead of throwing out bacon because it has dried out or stuck to its cardboard carrier, use a plastic Tupperware no-stick Bacon-Keeper for storage. Though they can store as much as two pounds, these see-through Keepers are slim and flat enough to fit into even the smallest refrigerator space. And, their airtight seals keep bacon fresher longer.

A WIFE'S PRAYER

Almighty God, teach me to love, admire, and accept my husband as I do myself; let me understand the difference in the male character and blend in the ingredients together for a beautiful and rich married life.

Let me hold my tongue, Lord, lest I say in haste or anger what I may immediately regret. Let me make no requests in shouting voice, for truly more is wrought with a calm approach and soft speech. Make me understand that my ideas may not always be the only or best ideas.

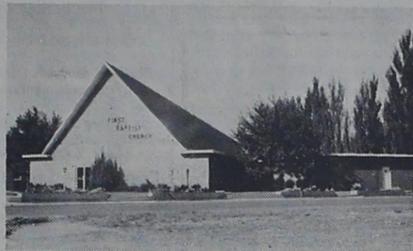

Suffer me to be humble, and beside my husband, not behind or in front of him. Grant me the good sense to lean on him for love and support, also, for you have joined us as one, complimenting each other's needs... Help me to remember we are friends, mates. Teach me to approach him in this manner!

Give me the maturity to realize he suffers frustrations and endures defeats at times, too. If my husband seems short with me, may I understand that he may have problems he hasn't bothered me with yet.

May I earn, not demand, his trust and confidence. Give me a ready ear to listen, a gently heart to sympathize, and soft sweet lips to love or advise as needed. May I look upon my home as a sanctuary, for here live those whom I love most in this life—my family. Let me honor my husband and train my children to honor him also. Lord teach me to be worthy for him and therefore, for You!

In Jesus' Name, Amen.
--Sherry Farley
This prayer was written by a very fine Christian lady who lives in Houston, Texas. I believe that it exemplifies the spirit of a true Christian wife and helpmeet.

Deadline Feb. 29 --

300 Register Cattle Brands

About 300 livestock brands have been registered in Parmer County since a new brand registration law went into effect August 30, according to County Clerk Bonnie Warren. The initial registration period is six months, and for that period anyone has the right to register a brand he has been using. After that time, anyone can register a brand not already on file, even if someone else has been using that brand over a period of years, Mrs. Warren says.

The new law was passed in an effort to update the registration of cattle brands, many of which are no longer in use, their owners having died many years ago or gone out of the cattle business.

The registration law protects brands only within individual counties. The same brand could be used in both Parmer and Deaf Smith counties, for example. This is not altogether good, some cattlemen feel, because in some events, such as this year's big snow storm, cattle stray across county lines and mix with other cattle.

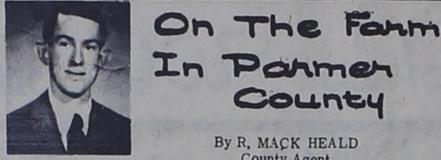

The registration fee is \$2, just as always. The new law also required counties to set up a new brand book every 10 years, with re-registration to get rid of unused brands.

"Some people will, no doubt, forget to register their brands in this six months period," Mrs. Warren comments, "and we need to remind them that the deadline is February 29."

On The Farm In Parmer County

By R. MACK HEALD
County Agent

Dodder, a parasitic weed with a peculiar name, can spell real trouble for alfalfa unless it is carefully controlled.

It shows up as a straw-colored mat of vines wound among alfalfa and certain weeds.

Dodder can literally suck the life out of a valuable alfalfa crop if it is allowed to spread unchecked. It is most often introduced on a farm by contaminated crop seed, although it can also be spread by combines, mud or manure on animals and farm equipment.

Dodder is a parasite, and must live on a host plant to survive. The emerging seedlings are rootless and leafless with a fine yellow-thread-like stem about one to three inches long. The seedlings rotate slowly until they find an object to vine on. If the object is the stem of a suitable host plant, the parasite twines around the host and sends suckers into it.

The seedling in direct contact with the soil then withers and the dodder thrives at the expense of the host plant. If it fails to reach a host plant, the seedling will die.

After becoming attached to the alfalfa or other host, the dodder produces many stems in a tangled mass and grows as much as three inches per day. A single plant may spread ten feet or more in a year. Guard against buying "bargain" alfalfa seed, because it may be contaminated with dodder.

This bargain seed can be extremely costly in terms of yield loss and later control expenses.

Dodder seed that is in any hay can pass through an animal's digestive tract and still germinate later. The seed can remain viable in the soil and produce seedlings over a prolonged period of time, which makes control even more difficult.

Animals fed hay that is contaminated with dodder should be confined to a feedlot or the field where the hay originated. They can also be put on non-host fields where crops such as cotton, corn or grain sorghum will be grown the following year.

Do not spread manure suspected of containing dodder seed on clean fields. Be sure to clean forage equipment thoroughly before moving from a dodder-infested field to a clean field. Use compressed air and water to clean the equipment.

There is very little danger of spreading viable dodder seed if the forage is harvested before the parasite matures, and the alfalfa is made into alfalfa meal, silage or even feed green.

Don't let dodder grow along irrigation ditches, because the water may carry the seed from field to field.

With this parasitic plant, an ounce of prevention is literally worth a pound of cure. Dodder that is allowed to become established can be controlled, but the methods are expensive.

Any equipment that thoroughly stirs the surface soil and exposes it to drying will give good control on small dodder seedlings.

Dodder can also be controlled by mowing or shredding the host plants before the point where it is attached. It is important to control dodder before it has time to produce seed.

Chlorpropham (CIPC) can be applied in a granular form at six pounds of active chemical per acre on moist soils. This will control the parasite for about four weeks. Application should be about five days before irrigation when the alfalfa is at least four inches tall.

This provides shade to keep the soil surface cool and moist, which in turn prolongs the persistence of the CIPC. The shade also retards later emergence of dodder. Other herbicides such as dichlobenil (Casoron) and DCPA (dacthal granules or wettable powder) are registered for use in alfalfa grown for seed only.

Burning is another control method that will prevent dodder seed production, but flaming will not kill dormant seed

GARAGE SALE -- 1102 Ave. K. Starts at 9:30 a.m. Monday through Wednesday. 18-1tp

buried in the soil. Farmers should watch for emergence of the dodder seedlings and then staking the area so these spots may be identified for follow-up control.

If the fields are severely infested with dodder, the most effective and economical control measure may be to rotate to a non-host crop. The parasite will still germinate, but the plants cannot survive in sugar beets, corn, cotton, grain sorghum and most vegetable crops.

Although alfalfa is a primary host for dodder, it is by no means the only susceptible plant. Texas blueweed, a broadleaf perennial, is also an excellent host plant. Blueweed growing around the edges of cropland should be killed or moved frequently.

NEWSPAPERS COVER EVERYBODY

Wandering Willie just "arrived" in town today... (and as soon as the cop finishes reading the funnies Willie is likely to "depart")... but already Willie knows all about what's going on in the city whose hospitality he is momentarily enjoying. You see, Willie read the local newspaper before dropping off to sleep. That's not surprising, really, because "reading the paper" is something that everyone, everywhere, does everyday!

If you want your advertising message to be seen over and over, by more people than any other media... put it in YOUR HOMETOWN NEWSPAPER!

LEROY JOHNSON

Elect Johnson Director Of County SWCD

Leroy Johnson was elected as a Parmer County Soil and Water Conservation District Director at an election recently at Hub Cafe. He will serve a five-year term beginning immediately.

Johnson has been farming in the Hub Community for eight years and was rewarded for his conservation efforts by being named the "Outstanding Conservation Farmer of the Year" in 1970 by the Parmer County SWCD.

Johnson operates about 1700 acres of irrigated land in the Hub Community. He is recognized locally as a water conservationist due to his proper application of water and installation of tail water recovery systems.

Leroy is married and has three children, two in Friona High School. He is a civic leader and is active in the Friona First Baptist Church.

Teams Have Identical Records --

Mustangs To Graze On Sudan Friday Night

District 3-A Game There

Following the heartbreaking loss to Kress Kangaroos Friday night of last week, Bovina's Mustangs will attempt to get back on the winning track Friday night in a District 3-A encounter with Sudan.

The game will be played at Sudan and kickoff time is 8 p.m. This will be the last game to start at that time, the last two conference games scheduled to begin at 7:30 p.m.

"Sudan will have a tough club," says Mustang Mentor Gib Hough, "maybe not as strong or as fast as some clubs we have met this year, but they will be tough."

Roger Bellar, 165-pound senior.

All-South Plains tackle, Eugene Lopez, six foot, 205-pound senior, is the bright spot in the smaller, less experienced front seven this year.

Bovina has never managed a win over the Hornets in the five years the two teams have been in the same Class A loop. The score the past two years has been closer than the previous three years, but Bovina was stung by the Hornets last year, 39-26.

"We should have won that game Friday night," says Hough, "we played a good game, but they've got a good ball club too." The Mustangs elected to go for the two point conversion that would have put them ahead because, as Hough commented, a win on penetrations wouldn't have helped Bovina's stance in district race. "We had some motion penalties in critical situations that hurt and we let down a little defensively in the second quarter, but we don't have to apologize for our overall play," Hough stated.

Hough singled out several players for their work Friday night. On offense, Shannon Davis, Jeff McCormick, Eddie Pesch and Larry Wiseman were praised for their work in the backfield and on the line, Mike Spears, Hugh Rogers and Ken

Jamerson turned in yeoman performances.

Defensively, Hough cited Bobby McMeans, Wiseman and Ben McCain for outstanding play.

"Our team is improving every week," said Hough, "but we've had some bad breaks and beat ourselves in some situations."

In District 3-A action last week, Vega, Springlake-Earth, Sudan and Kress posted wins over Hart, Farwell, Happy and Bovina, respectively.

Vega appears the team in the driver's seat on the way to a district title at this point with a 4-0 record in district competition.

Standings in district play:

TEAM	WON	LOST	TIED
Vega	4	0	
Springlake	3	1	
Kress	3	1	
Happy	1	3	
Bovina	1	3	
Sudan	1	3	
Farwell	1	2	1
Hart	1	2	1

School Menus

Nov. 1-5

MONDAY: Corn dogs, mustard, pork and beans, cabbage and apple salad, cornbread, butter, sweet potato pie, milk.

TUESDAY: Fried chicken, gravy, creamed potatoes, green beans, hot rolls, butter, cherry gelatin with topping, milk.

WEDNESDAY: Sloppy joes, cheese slices, spinach, lettuce and tomato salad, ricepudding, milk.

THURSDAY: Pinto beans and ham, fried potatoes, turnip greens, onion slices, cornbread, butter, chocolate cake, milk.

FRIDAY: Steak fingers, glazed carrots, hominy, chicken sticks, hot rolls, butter, honey, milk.

Bookmobile Here Thurs.

High Plains Bookmobile will be in Bovina Thursday (tomorrow) from 12 until 3:30 p.m., announces Mrs. Lorene Soter, librarian.

The vehicle will be parked in front of Bovina Schools for the convenience of library patrons.

Nance Attends Training Session

Dwain Nance, crop advisor at Custom Farm Services in Bovina, recently returned from a three-day training session on marketing in Plainview, according to Lonnie M. Parker, district manager. Nance was schooled on the concept of a "Plan and Profit" program for farmers in this area.

"In order for farmers to reach high crop yields, we are going to have to look at more than just the N, P and K in the soil," Parker pointed out.

Other plant food elements are a definite factor in crop production. "We must first get a complete soil analysis to determine what plant food elements to apply to reach higher yields," Nance said.

Come-From-Behind Effort Falls Short --

Ponies Drop Heartbreaker To Kress Kangaroos, 13-12

A two-point extra point try which would have given the Bovina Mustangs the win failed by inches Friday night and the Kress Kangaroos came out on the long end of a 13-12 count in a District 3-A football game played here.

The Mustangs had the edge in the game, everything but the score, and they trailed 13-6 when they capped a 42-yard drive with a touchdown with 2:17 remaining to be played in the game. Larry Wiseman, running from the tailback position, got the counter on a two-yard plunge.

Bovina elected to go for the two points, which would have given a one-point lead and probably a win, instead of the more sure one-pointer which would have knotted the count.

Quarterback Billy Shelby attempted to ram the dual extras through the left side of his line, but was halted less than a yard away from paydirt.

The one-point loss dropped the Mustangs' district slate to 1-3. The Kangaroos stayed in the 3-A race with a 3-1 mark, having lost only to league-leading Vega.

The loss was a heart-breaker for the Bovina Maroons as they were fired-up following their win over arch-rival Farwell the previous week. They drew first blood, scoring the first time they had the ball on a long, sustained drive which covered 82 yards.

The opening score came on a five yard pass from Shelby to Fullback Shannon Davis. The scoring play was the fourth successful pass play the Mustangs had turned in during the march which carried from their own 18 yard line and included 15 plays and two penalties against each team.

On the extra point attempt, Kim Russell's kick was wide to the left.

Kress acted as if it had been playing the courteous visitor's role and was just waiting for the host team to score first. After the following kickoff, the Kangaroos roared back for the tying marker in just three plays.

They put the short kickoff in play, without a return, at their own 36.

Weaver McClure, one of a set of speedy halfbacks who hop for the 'Roos, carried for 11 yards and then 16 more for a first down on the Bovina 37. From there Fullback Mike Motherall broke loose on a 37-yard scoring jaunt to knot the count. The Kangaroos' extra point attempt failed, too, as the snap from center was high and the kicker was tackled as he attempted to run the ball.

The Kressaroos got the go-ahead touchdown and the winning extra point late in the second stanza. McClure broke loose from his own 36 yard line with 1:16 remaining in the first half for a 64-yard dash which netted six points for his cause.

Then, Felix Villereal kicked the extra point which turned out to be the difference in the ballgame. At the time, however, Villereal's kick didn't appear to be that important.

The third period failed to produce any points as the teams battled more or less evenly. The Mustangs had a little the better of it, perhaps, as they

managed to gain on the visitors from a statistics standpoint. The Mustangs dominated the fourth period as they constantly threatened to pull the game from the clutches of defeat. Kress didn't make a first down in the final stanza as the Mustangs had them on the ropes in an attempt to pick up a come-from-behind win.

The Ponies put a Kress punt in play at the visitors' 44 early in the fourth period and with Davis and Tailback Eddie Pesch doing the infantry work moved

the ball to the 13 yard line before losing possession on downs. Shelby picked up a first down at the 11 on a seven yard gainer, but a five yard penalty shoved the ball back to the 16. Pesch had a three yard gain sandwiched around a pair of pass incomplections. On fourth down, a pass from Shelby to Jeff McCormick picked up only one yard of the needed 12 and the drive was halted.

The Kangaroos couldn't move the ball offensively after they took over and after three plays

netted four yards, kicked out to their own 42.

From there, the Mustangs plowed in for the tally to close the score gap and bring about the dramatic dual extra point try which failed.

On the opening play of the drive, Shelby got six yards, Pesch picked up three and McCormick got two and a first down at the 31. Then McCormick blasted for six more, Wiseman made two to the 23 and Shelby got the first down

with a six-yard drive to the 17. McCormick made five and Shelby six more to the six.

A half-the-distance penalty against the crowded 'Roos moved the ball to the three and gave Bovina a first down. Wiseman slammed for one and on the next play went over from the two to make the count 13-12.

An onside kickoff by the Mustangs following the score failed to give them possession. With time running out in the game, Kress punted to Shelby, playing safety, who dropped the ball, with the Kangaroos recovering at the Bovina 23. The winners had time for only one play before the final buzzer sounded. Bovina led in total offense, 226 to 183.

Defensively, the Mustangs did a good job, if you take away the two long runs which produced scores for the fast 'Roos. Defensive standouts included Tommy Bonds, Weldon Beardain, Hugh Rogers, Bobby McMeans and Davis in the line and Russell, Shelby, and Ben McCain in the secondary.

Pesch was the leading ball-carrier with 70 yards in 19 attempts. McCormick carried 10 times for 44 yards, Shelby went nine times and earned 33 steps, Davis carried five times for 28 yards and Wiseman made seven as he took four handoffs.

Colder than usual weather cut down on the attendance at the game. This was made worse by a light shower just before game time.

For Next Two Years --

New Football Schedule Omits L'buddie, Happy

The new schedule for the 1972 and 1973 football seasons was released this week by L. F. Jacobs, Bovina Schools superintendent.

The change was brought about by the realignment of members in District 3-A and Mustangs' opponents in Class B.

Bovina will drop Happy and Lazbuddie from their schedule and instead, will play Sanford-Fritch and Plains, both Class A schools.

Happy has been dropped from District 3-A classification to District 3-B. The new alignment in that district, which will have 10 members, has made both Lazbuddie and Happy unable to slate games with Bovina.

Also for the first time in several years, Bovina will have an open date, Sept. 22. The season will begin Sept. 8 with Boys Ranch as the opening opponent and conclude Nov. 17 with Hart. "One disadvantage of our new schedule will be having four home games in a row, but we

feel fortunate to have arranged this schedule," said Jacobs. He added that some other

schools were having difficulty arranging new schedules and many are still trying to fill gaps in their schedules.

New schedule for 1972 will be:

- Sept. 8 -- Boys Ranch -- There
- Sept. 15 -- Friona -- There
- Sept. 22 -- Open
- Sept. 29 -- Sanford-Fritch -- Here
- Oct. 6 -- Plains -- Here

- Oct. 13 -- Vega -- Here
- Oct. 20 -- Sudan -- Here
- Oct. 27 -- Farwell -- There
- Nov. 3 -- Kress -- There
- Nov. 10 -- Springlake-Earth -- Here
- Nov. 17 -- Hart -- There

The home and away games will be reversed in 1973, said Jacobs, with the exception of Friona which will continue to be played there. In the past,

Bovina school officials agreed to play Friona on their home field in view of Bovina's limited stadium capacity.

Scrimmage Set With Dimmitt

Basketball scrimmage games between Bovina Fillies and Dimmitt have been announced by head coach of the Fillies, Dalton Morrison.

Dimmitt will come to Bovina for two games, A and B, Tues-

day night at 7 p.m. No admission will be charged.

The teams will travel to Dimmitt Tuesday, Nov. 9, for a return match with the Bobbies.

All basketball fans are invited to come out for a preview of the 1971-'72 Fillies, said Morrison.
