SGT. M. A. GAINER SURE GERMANY TO ACCEPT TREATY

Germany can do nothing else but sign the Allies' terms of peace—that is the confident belief of Sgt. Milton A. Gainer, of Rochelle, based upon his study of the German people and the economic situation in Germany during about four months' stay in that country with the American Army of Occupation.

Gainer was a member of Company C, 117th Supply Train, of the famous Rainbow division, and returned only last Saturday from Camp Travis, where he had received his discharge. He reached Newport News on the return home on April 29th, and says the entire homeward trip through the good old U. S. A. was one series of flowers, cheers and ovations. Girls and young ladies crowded every station platform along the route just to get a glimpse of the boys of the famous Rainbow division, pelting them with flowers and good wishes.

Gainer resigned his position as salesman with Walker-Smith Co. at Houston in July, 1917. Throughout the period of his service he was truckmaster in the 117th Supply train. Following a brief stay at Camp Bowie, he received training at Camp Mills, Long Island, until Hallowe'en night, October 31st, 1917, when the Rainbow division sailed overseas. Gainer wears three service stripes, showing eighteen months' overseas service, and during this period he was in the thick of the fighting at Lorraine, Champagne, Chateau-Thierry, St. Mihiel, Argonne forest—and, in fact, all the big battles in which the Americans took part. Throughout it all he received not so much as a scratch, although, like all other members of his division, he had a thousand and one narrow escapes. The nearest Gainer says he came to "going west" was when a "dud" (a shell which failed to explode) fell near him. Had it exploded, both he and his companions would have been blown to atoms.

Gainer has a number of records of which he is very proud. He was one of the troops of the 42nd (Rainbow) division, at Baccarratt, the first sector held by American troops alone, and he was one of the troops who were

in the trenches for 110 days continuously—from February to June, 1918—the longest any American division stayed in line.

Milton was at Arlon, Belgium, when the armistice was signed, and he says the scenes of rejoicing are indescribable, old women and girls shouting, crying, laughing and dancing alongside the American troopers. In fact, the Belgians could not do enough for the soldiers. The return of the civilians and prisoners from the German prisons and occupied areas, ragged, hungry and emaciated, was a most touching scene.

With the Army of Occupation in Germany, he was stationed at Bad Neuenahr (New Ahr baths) at Ahrweiler, Germany. This is famous the world over for its sulphur water baths, and is one of the most beautiful parts of Germany. Before the war, J. Pierpont Morgan and other millionaires and notables, visited the baths yearly. Here, Milton says, they fought their last battle—the battle of the cooties—and the cooties were forever defeated by the sulphur water baths.

Milton says his experiences have been worth a million dollars to him—but he would not give a cent to do it all over again.

His travels were a bit equal to trip around the world. He has been all over Paris, New York, Coblenz and other famous cities. Following their arrival at Brest, France, they were loaded into French box cars marked "8 Chevaux, 40 Hommes" (8 horses, 40 men) and transported to Paris. When they crawled out of the cars they could hear the cannons booming. On their trip to the front they spent four days and three nights in American box cars.

Following the signing of the armistice, the Rainbow division marched through Luxembourg, and on December 3rd entered Germany, taking charge of the Rhine. It was a wonderful sight to see the German artillery and airplanes all parked on this side of the Rhine.

The German people treated the American kindly, both because there was nothing else for them to do, and also because they were glad the Americans were there instead of the French. The boys slept in big feather beds in the magnificent hotels at Neuenahr, and lived like kings.

With their artillery, airplanes, locomotives and rolling stock in the hands of the Allies; with the allied troops ready at a moment's notice to resume their march into Germany and

COMMISSIONERS COURT AS EQUALIZATION BOARD RAISES RENDITIONS

MINIMUM VALUATION ON GRASS LAND, \$4.00 PER ACRE
—CATTLE RAISED \$2.00 PER HEAD—1918 TAXABLE VALUATIONS LOW.

Commissioners court adjourned yesterday after meeting Monday as a Board of Equalization. The meeting was of more than ordinary importance, since the court made and followed new rules as to the minimum figures to be placed upon grass land, stock and other property valuations in the county. Broadly speaking, the increase in minimum valuations was made as follows: Grass land, heretofore rendered at a minimum of \$3.50 was raised to \$4.00 per acre; cattle, with the exception of registered stock, were raised \$2.00 per head.

The following is the basis of the minimum valuations followed by the court: Grass land, \$4.00 per acre; stock cattle, \$20 per head; two's \$25 per head; three's \$30 per head; registered, \$40 per head; sheep, \$5 per head.

That the commissioners were fully justified in their action no one, informed on the subject, can for a moment doubt. Last year the taxable valuations of McCulloch county fell off \$192,000 and some odd. This was the result of the drouth decreasing valuations; the shipping out of cattle and other live stock; the large number of citizens removing from the county, and the further fact that large sums of money were invested in Liberty bonds and War-Savings stamps, and which were, therefore, exempt from taxation.

Added to this is the burden placed upon the county by the tick eradication now being done. The county must bear the expense of building numbers of vats, supplying the dip, paying inspectors, etc., all of which amounts to no small sum.

In view of the foregoing, and the further fact that conditions in McCulloch county have so improved that everyone must admit the increased value of his land or live stock, the commissioners feel they are acting only in accord with the best interests of the citizens in increasing the renditions as before mentioned.

Consequently, little or no complaint is anticipated as a result of their action, and should any fault be found, the commissioners have, each of them, avowed their intentions of hiding out in the harvest fields.

By the appointment of Commissioner J. M. Carroll as highway engineer for McCulloch county, the court has opened the way for the use of this county's pro rata of the highway funds secured from the state automobile tax. This is the second year that the auto tax has been paid, and the funds now in hand will go a long way towards improving the public highways in the county.

Mother Dead.
That O. Day of this city has the sympathy of all in the death of his mother, Mrs. J. S. Day, who passed away early Thursday morning, May 15th, at Cherryville, Kansas, aged 74 years. Mr. Day left Thursday night to attend the funeral, returning here the first of the week. The body was shipped to Pierce City, Mo., where it was laid to rest Sunday in the family burial ground.

Mrs. Day has been quite ill the early part of the year, but later was some improved, and after spending several weeks with her, Mr. Day was enabled to return here. News of her death, while not entirely unexpected, was nevertheless a great shock to him.

LANCASTER AND STAR OIL COMP'Y START DRILLING

The rainy weather of the past couple weeks, which threatened to interrupt, or at least hinder, progress in the McCulloch county oil field, has given way to another spell of beautiful weather, and operations are getting back to "pre-rain" activity.

The O. E. Lancaster well was spudded in on the southeast corner of Survey 51 Wednesday. This well is being drilled with a Parkersburg rig, and is starting with a hole of sufficient size to enable drilling a deep test, should the shallow sands not bring in a well.

The Star Oil Co. of Corsicana, whose operations have been delayed while waiting on a sub, also spudded in Wednesday. Their well is located on the Southeast quarter of Survey 49.

The Douglas Oil Co., who have been waiting on a sub, resumed operations on Survey 1134 Wednesday night. They are underreaming the 10-inch casing at 1550 feet.

Smith & Jergins expect to get their tools on the ground and everything in readiness to spud in on Survey 42 by the 30th of the month. Paul Smith, head of the company, spent Monday here with Field Superintendent Dave Kinsey, completing arrangements for the start.

The Texas Oil & Refining Co. on the Dutton ranch, J. H. Gibson Survey No. 1, is having an unusual run of hard luck, and now has three strings of tools in the hole, which means a period of fishing for them.

The Cooper-Shields well on Survey 1066 expects to resume drilling at about 550 feet within the next few days, being shut down temporarily waiting on repairs.

The Prairie Oil & Gas Co. on Survey 89 are drilling at above 2300 feet. The shallow rig is being moved from Survey 90 to a location south of the deep test and on the same survey, where it will be supplied in and a test put down for the 380 ft. sand.

C. S. Thomas well No. 1 at Salt Gap, Survey 1351, has been setting 10-inch casing in red bed at 1865 feet, and according to Supt. Jack Tait, expected to have the job completed yesterday. At Whitland, Survey 1237, the Thomas well is waiting a spear to recover the bottom joint which has lost off the casing at 1770 feet.

Reports from the Shultz well in Concho county are that the well has been cleaned out to within 20 feet from the bottom of the hole. The crew was expecting to receive a swedge yesterday morning to enable them to open up the casing and clean out to the bottom of the hole.

J. C. Wickham returned Wednesday from a two weeks' business trip to Pryor, Okla. The Turner-Wickham, et al, well on Survey 85 is reported making good progress.

PALEONTOLOGIST HERE EXAMINING BEND SERIES FOR EMPIRE G. & F. CO.

Interest has been aroused by the visit here this week of D. K. Greger of Bartlesville, Okla., formerly president of the geological department of the University of Missouri, and a paleontologist of note, accompanied by W. C. Bean of Mineral Wells. Both Mr. Greger and Bean are in the employ of the Empire Gas & Fuel Co., and accompanied by Geo. F. King of this city, made a thorough examination of the Bend series, collecting fossils and making data to enable them to ascertain and recognize the Bend formations and what horizon they might be in when the Bend formations were reached in their drilling.

A Correction.

In mentioning the purchase of an interest in the J. E. Morgan well by Harvey Hon and associates of Phoenix, Ariz., in our Tuesday issue, we were in error in stating that Mr. Hon and associates were interested in the Gulf Russell well in Rannels county. The paragraph should have read: "Mr. Hon and associates are interested extensively in various oil territory, they having acreage near the Gulf Russell well in Rannels county; also owning leases in Coke county and acreage in Arizona."

SOLDIERS, HERE'S YOUR PRIVILEGE —GO TO POLLS AND CAST YOUR VOTE

YOUR HONORABLE DISCHARGE FROM THE ARMY WILL
BE HONORED AS A POLL TAX RECEIPT;
LOST IT? READ FURTHER

An honorable discharge from the United States Army is equal to a poll tax receipt and will be regarded as such at the constitution amendment election on Saturday, May 24.

Here's how soldiers will go about voting:

Present your discharge to the election judge and he will record your vote. If you have lost your discharge or have sent it to Washington in order to secure your bonus money, you'll simply make an affidavit to this effect and the election judge will per-

mit you to vote. All election judges will be supplied with affidavit forms.

Here's the information as to where you're eligible:

You will be permitted to vote in the county where you resided for the six months prior to receiving your discharge. If you have been in a Texas county for six months after receiving your final papers, you'll vote in that county. If you haven't been back from overseas for six months, you'll vote in the county where you resided for the 6 months prior to embarkation for France.

IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood.

Kidney disease is usually indicated by weakness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately.

The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your drugist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

Barley Promises 40 Bu. to Acre.—Don't Forget Election Saturday.—Fife, Texas, May 29.
Editor Brady Standard:
It is still raining around here, and General Green has most of our farmers in a bad fix. There are more weeds and more small grain than we have ever had, and unless we get some good weather right away, many acres of cotton will be abandoned. Grain cutting commenced today, R. K. Finlay commencing on a field of barley that he thinks will make at least 40 bushels per acre.

Misses Ethel Doyle and Bertha Horn who took the teachers examination at Brady last month have just received their certificates from the State Board at Austin. We congratulate the young ladies on their success. The community is proud of them and they are certainly proud of their certificates and we predict that they will both make A1 teachers if they care to enter the work.

Dr. W. M. Land of Lohn attended the Masonic lodge here Saturday night.

C. K. Reed and G. B. Awalt were here Tuesday from Brady looking after the harvesting of Mr. Reed's oat crop.

Mr. and Mrs. A. M. Finlay visited relatives at Mason over Sunday. They report crops better around here than any place between here and there.

Next Saturday is election day, and so far not much interest is being manifested in the outcome of any of the proposed amendments, except the last—if there is a voter in this precinct in favor of No. 4, we have failed to find him. Be sure to turn out Saturday for just long enough to vote. The weeds won't grow much and you can do some good with your vote. Don't forget it.

Soldier Boys Returning.—School Trustees Elect Teachers.
Brady, Texas, May 19.
Editor Brady Standard:

Well, here I come to report another rain. You have heard it said, "More rain more rest, more negroes in the West," but I say more farmers in the weeds, when he is doing his best.

Thanks "Evelyn," glad you reported Rube Huffman on his way home, as I had not been informed, but am glad to say he landed at New York the 13th, and is expected home Saturday and it is needless to say we are all glad for Rube is a first-class, straight boy.

Mr. and Mrs. Jack Crew of Rochelle spent Sunday at the W. R. Peppé home.

Jack Ranne and sister, Miss Alta, made an out-of-the-rain call at the O. D. Pence home Sunday evening en route home. The young lady has been visiting her sister, Mrs. Kirby Huffman since resigning as "Hello" girl at Richland Springs, but will spend the summer with her parents at Lohn.

Mr. and Mrs. H. J. Huffman, Mr. and Mrs. Lela Boyles motored out to Pear Valley Sunday and spent the day with Mr. and Mrs. Charlie Lattimore and little Miss Marie accompanied them home for a brief visit.

Mr. and Mrs. D. C. Pence and Mr. and Mrs. Roy Burk visited Mr. and Mrs. Chester Pennington at Fife Sunday.

Mrs. Rube Huffman and Miss Mayme Holmes spent Saturday night and Sunday with O. D. Pence.

Miss Annie Cottle of Rochelle and our assistant teacher last year has accepted the school again for the term '19-20 spent Saturday night and Sunday with Miss Lyndia Smallwood.

Mr. and Mrs. H. J. Huffman and families, Mr. and Mrs. Leslie Boyles and children, C. G. Johanson and family, Mr. and Mrs. M. Roberson and daughter, Maude Lee, and Miss Beatrice Dial, Mr. and Mrs. Roy Burk, Mrs. Rube Huffman and Miss Mayme Holmes all surprised Mr. and Mrs. O. D. Pence with ice cream and cake Saturday night.

Miss Annie Cottle and Miss Lyndia Smallwood visited Mrs. Belle Taylor and ate mulberries Saturday evening.

Mr. and Mrs. Bert Pence visited the lady's parents at Lohn Sunday, and had a rather slick time coming back through the rain, but got home all o. k.

Miss Mae Benson spent Wednesday and Thursday with her brother and wife at Brady.

Mr. and Mrs. J. J. Larrimore had a letter from their son, Walter, in France, and he was to sail for home the 17th of April. No later news, but feel certain he has landed.

The Fairview trustees have employed Miss Lizzie Dinnie of Pontotoc as principal, Miss Annie Cottle as assistant. We are hoping for a successful term another, with not so much partiality shown.

Thanks for the paper, Mr. Editor. Here's hoping the sun shines two weeks with no more rain, so the farmers can kill the weeds and sow the oat crop which is ready now and if we don't get a bountiful yield it will deceive us. It looks fine.

Well, no more for this time, and I will thank my friends who are so good to inform me of the happenings and will always try to write it as given to me.

CALF CREEK NEWS.

Hail Cleans Up Crops in Places.—Base Ball Season On.—Calf Creek, Texas, May 19.
Editor Brady Standard:
As I was absent again last week, I will try and write just a few lines this week.
We surely have been having the rain and hail for the last few weeks. Nearly everybody has to plant their cotton over on account of the hail that fell here last Thursday.
Frank Wilhelm and Harvey Lee just have their ground left—the hail beat their crops to pieces. All their small grain is gone but it didn't hurt the grain so bad around in their part of the country. What cotton the hail missed, the big sand storm that came last Sunday afternoon took the cotton where the rows are going north and south. Looks like we are having our share of the hard luck.
Mrs. Wright spent the day with Mrs. Will Ewing Sunday.
Mrs. Bridge and Claude and Mary returned Friday. She has been visiting her brother for several weeks at Carbon. She reports that crops

look fine there.
Brother Neal filled his regular appointment here Sunday and his wife and baby accompanied him.
Bernice Bridge spent the night at the Kolb home Saturday night.
Mrs. J. V. Ewing was on the sick list for a few days last week.
The Calf Creek baseball team has made up twenty dollars to buy balls, bats and quite a few other things they need to use in playing ball; so come all of you good ball players and match them a game.
Mrs. Gladys Wood and husband spent Friday and Saturday night with her mother, Mrs. Bridge.
As nearly all the news was hailed out I will close. I sure hope the storm period is over with.
"TOMMIE."

We have just received a new lot of Majestic ranges. The Majestic is made only in one quality—The Best—but there are many styles and sizes. Let us show you the new styles. O. D. Mann & Sons.

NINE NOTES.

D. Harkrider Steps on Nail Which Penetrated Shoe and Foot.
Brady, Texas, May 19.
Editor Brady Standard:
It looks like the three years he decided to make up for lost time. Several of our neighbors were damaged by the severe hail which fell Thursday evening, their crops being entirely destroyed, as well as gardens, etc.
D. Harkrider is getting along very well. He happened to a very painful accident one day last week, having stepped on a nail and it went thru his shoe sole, and almost thru his foot.
Mrs. Jim Harkrider has moved back home, having lived at Brady during the school term.
Rose Mae Murphy and Vivian Smith visited Margaret Harkrider Sunday.
Bro. Taylor will preach for us next Sunday at 3 o'clock. Everybody come.
J. A. Butler and family called on A. F. McCoy and wife Sunday evening.
Mrs. Ed McCoy is visiting at the A. F. McCoy home.
Oat harvesting will be in full swing soon and those whose fields missed the hail, are certainly proud of their fine oats.
Grandma Harkrider is visiting relatives and friends at Nine.
"Little Willie" has to see about the turkeys so much, she don't have time to gather any news, so will quit for this time.
"LITTLE WILLIE."

Oat Harvest Time Coming About Next Week—To Dip Friday.
Brady, Texas, May 20.
Editor Brady Standard:
Like our editor, we will quit trying to tell about the good rains. Any way they come so often it isn't news any more, but the pretty sunshiny days, like today, is more welcomed news than rain. That sounds strange for McCulloch county, doesn't it? I guess we are getting some of "Sunny France" rains?
Mesdames Dillard and Ohlhausen are on the sick list this week.
Little Miss Ethel Newton has the mumps.
N. C. McShan and family visited at Pat McShan's Sunday.
Mrs. J. Newton and Miss Maud, spent the day with Mrs. Chas. Hilliard Sunday.
Mr. and Mrs. John Weldon from Pear Valley visited at H. L. Winstead's Sunday.
The oats are beginning to get ripe and in another week harvesting time will be here.
Friday is dipping day again. Seems as if the time comes around awfully quick these busy times.

STACY HAPPENINGS.

Some Corn—Now Shoulder High to Six-Foot Man.
Stacy, Texas, May 18.
Editor Brady Standard:
Owing to the recent rains which has caused poor mail service, I have been absent the past three weeks.
Good rains have fallen in our community and never before have small grain crops been finer, which have begun to ripen. A large yield is assured the farmers of this district.
Miss Willie McMorris of the Doole community is a guest of Miss Ola Dulaney this week.
Fred G. Hammons and Mrs. M. Hammons visited in Brownwood Wednesday and Thursday.
Noel Williams arrived home this week from overseas.
Quite an enjoyable dance was given by Mr. and Mrs. Pink Hinds Friday night.
Work on both oil wells is progressing nicely under the management of H. T. Sparks and R. Jones as drillers.
Fred G. Hammons left Saturday for Eldorado, Kansas, where he is employed as manager of a gent's furnishing store.
A splendid rain has fallen this afternoon over this community.
Some farms are hardly dry enough to work from the rains last week.
"O.L.C.U.R.Right," if rains keep coming as nicely as they have been, you shall have on exhibition some of the largest ears of corn that McCulloch county has ever raised and far exceeding yours and Mr. Dial's you spoke of. Corn is now shoulder high to a six-foot man. So unless some of ye correspondents beat me "Sunflower" feels confident of winning the paper dollar.
Mr. and Mrs. Bird Kirk of Brownwood visited relatives here Saturday and Sunday.
Lloyd Burrow is home after several months service overseas. He was one of the Rainbow division boys.
"SUNFLOWER."

Habitual Constipation Cured in 14 to 21 Days
"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It stimulates and regulates. Very Pleasant to Take. 60c per bottle.

PEAR VALLEY WHISPERS.
Party at G. R. Thacker's Enjoyed by All Present.
(Too Late for Last Week.)
Pear Valley, Texas, May 13.
Editor Brady Standard:
The singing at George Vineyard's Saturday night was enjoyed by all present.
Mrs. M. A. Faulkner returned home Tuesday after a week's visit with her daughter, Mrs. C. P. Taylor.
Mrs. I. C. Elliott and little daughter, Opal, from Claxton, visited relatives here from Friday until Monday.
Mrs. Richard Brown and daughter, Altha, son, Jim Lee, Mrs. Ivan Elliott, Lizzie Faulkner and Ora Bullock all went to Waldrip Friday night to attend the entertainment of the Waldrip school. They reported a good entertainment and a fine time.
No church or Sunday school here Sunday on account of the rain.
Pear Valley sure has been receiving some good rains.
Mrs. M. C. Ludwick, daughter Canie, son, Arlos, Mrs. Ward Ludwick and three children, returned last Friday from Llano.
Miss Lillie Marshall returned home Friday from a two week's visit at Claxton.
Clyde Cravey of Fort Worth is visiting his mother, Mrs. Cravey this week.
S. J. Howard of Brady spent several days here this week watching the weeds grow.
The party at G. R. Thacker's Monday night was enjoyed by all present.

(Too Late for Last Week.)
Voca, Texas, May 15.
Editor Brady Standard:
It has rained every day for a week. Farmers are anxious to get in the fields to plant their cotton over. Lots of cotton was washed away by the heavy rains and overflows.
Mrs. Jim Stiles and daughter, Eunice are visiting Mrs. Stiles' sister, Mrs. Churchill of Brownwood.
Mrs. J. Worsham returned Saturday after a few weeks visit with Mrs. Jim Powell at Eden.
Miss Zeade Beavers, whose home is in Arizona is paying an extended visit to her sister, Mrs. Bud Spiller of this place.
Mr. and Mrs. Gus Liverman spent a few days of last week at the home of their daughter, Mrs. Will Adams, near Brady.
Miss Minnie Mayo came over from Pontotoc Saturday to visit her parents. Miss Emma Leddy entertained in her honor Saturday night. Quite a large crowd was present and enjoyed themselves very much.
The school board met and elected the following teachers for the coming term: Prof. Leonard Passmore, 6th school; Miss Mayme Lee Miller, 6th and 7th grades; Miss Ada Hill, 4th and 5th grades; Miss Velma Corbell, 2nd and 3rd grades; Miss Dora Passmore, Primary. The music teacher has not been selected yet.
The young people enjoyed a ball at Chas. Burns' hall Friday night and another at John Lemons' Saturday night.
Dr. Jackson went to San Antonio Tuesday to see his wife, who is ill in a sanitarium at that place. He was accompanied by Misses Ella Willis and Hulda Behrens and Mrs. Geo. Spiller Jr. Mrs. Spiller stopped at Loyal Valley to visit her grandmother for a few days. Miss Ella Willis visited her brother, William, who is stationed at Leon Springs and Miss Hulda Behrens took her sister's place in attending Mrs. Jackson. We have not yet heard but hope Dr. Jackson found his wife much improved.
The stork brought a boy to Mr. and Mrs. Ed McLerran.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Quit Laxatives, Purges; Try NR

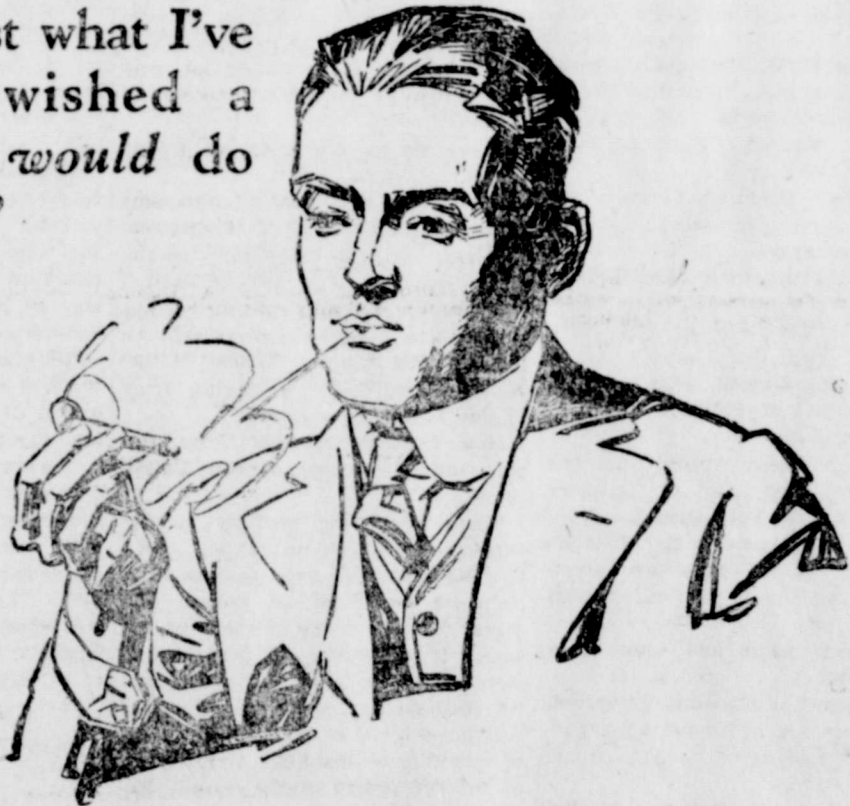

NR Tonight — Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, calomel, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.
Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so.
NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.
*Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

"That's just what I've always wished a cigarette would do — satisfy"

The feature of Chesterfields is that they begin where other cigarettes leave off.

In other words, besides pleasing the taste, Chesterfields go 'em all one better—they satisfy! Just like a long drink of cold water satisfies when you're downright thirsty.

No other cigarette can give you this new thing in cigarette enjoyment because none can copy Chesterfield's blend.

It's a blend of the finest TURKISH tobaccos from Xanthi, Cavalla, Smyrna and Samsoun and several varieties of the choicest DOMESTIC. And the blend itself—the skill with which these tobaccos have been proportioned — is a real discovery in cigarette making.

BACK US UP NOW

IS APPEAL OF THIRTY-TWO TEXAS METHODIST MISSIONARIES IN MESSAGE TO 400,000 TEXAS METHODISTS

GREET TEXAS FROM ABROAD

"Back us up" is the soul-stirring appeal of thirty-two Texas missionaries now in seven foreign lands to the 400,000 Methodists of Texas on the eve of their great campaign in connection with the Texas drive for more than \$5,000,000 as a thank-offering for the centennial of Methodist Missions.

Texas is called upon to raise one-seventh of the total amount, \$35,000,000, which will be collected in eight days, beginning May 18, and Texas Methodists have a special reason for doing their part, because so many heroic Texans have manned the outposts of Methodist missions as doctors, nurses, teachers and evangelists.

Go where you will in Africa, China, Japan, Korea, Cuba, Brazil, and Mexico, not to mention the hundreds of stations among the foreigners now in America, and there you will find the Texas missionary rebuilding the world's civilization for the Christ of America.

Here is a partial list of these. Look them over.

Miss Kathron Wilson, Dallas, Tex., trained nurse, Wembo, Niama, Africa.
Miss Charlie Holland, Moscow, Tex., teacher in Lambuth Memorial Training School for Bible Women, Kobe, Japan.

Miss Mary La Mar, Houston, Tex., teacher in Collegio Americano, Petropolis, Brazil.

Miss Rachel Jarrett, Red Water, Tex., teacher in Collegio Americano, Brazil.

Miss Lydia Ferguson, Belton, Tex., teacher, Collegio Americano, Brazil.

Miss Maud Mathis, Arp, Tex., teacher in Collegio Isabella Hendrix, Brazil.

Miss Mary Sue Brown, Gatesville, Tex., teacher in Collegio Piracicaba, Brazil.

Miss Lela M. Putnam, Albany, Tex., teacher, Bello Horizonte, Brazil.
Miss Lelia Roberts, Bonham, Tex., principal of Methodist Normal School, Saltillo, Mexico.

Miss Lizzie Stradley, Central Texas Conference, principal of Collegio Piracicaba, Brazil.

Carey E. Touchstone, Merkel, Tex., evangelist in Soochow, China.

Sid R. Anderson, Rising Star, Tex., presiding elder, Sungkiang, China.

James S. Oxford, Turnersville, Tex., principal of Palmore Institute, Kobe, Japan.

Charles A. Long, Anson, Cherokee County, Tex., president of Granbery College, Juiz de Fora, Brazil.

Perhaps you know some of them. They send you in Texas their greetings and ask you to remember them in prayer and alms. Their names, native Texas home and where they are, follows:

Miss Mary A. Tarrant, Galveston, Tex., supervisor of woman's evangelistic work and day schools at Huchow, China.

Miss Maggie J. Rogers, Marlin, Tex., head resident of Maria L. Gibson Settlement, Soochow, China.

Miss Mittie Shelton, Stamford, Tex., teacher in Virginia High School at Huchow, China.

Miss Sue Stanford, Waco, Tex., school teacher at Huchow, China.

Miss Laura V. Edwards, Hereford, Tex., supervisor of evangelistic work in Songdo, Korea.

Miss Agnes Elise Graham, Comanche, Tex., supervisor of evangelism among women, Wonsan, Korea.
Miss Edith Park, Galveston, Tex., normal school teacher, Saltillo, Mex.
Miss Virginia Booth, San Marcos, Tex., teacher in Collegio Palmore, Chihuahua, Mexico.

Miss Ethel McCaughan, Corpus Christi, domestic science teacher in Collegio Palmore, Mexico.

Miss Norwood Wynn, Dallas, Tex., evangelist and social service worker, in Chihuahua, Mexico.

Miss Annie Churchill, Uvalde, Tex., teacher, Collegio, Eliza Newman, Cuba.

Miss Rebecca Toland, Beeville, Tex., principal of Irene Toland School, Matanzas, Cuba.

Miss Etta Lee Woolsey, Bay City, Tex., teacher in Girls' School, Wembo Niama, Africa.

J. W. Daniel, Cotilla, Tex., supported as an evangelist in Passo Fundo, Brazil, by students of University of Texas.

PROMINENT TEXANS SUPPORT METHODIST CENTENARY DRIVE

ON EVE OF GREAT CAMPAIGN FOR \$35,000,000 THEY MAKE SNAPPY STATEMENTS TO TEXAS METHODISTS

CAMPAIGN IS ON MAY 18-25

More than 400,000 Texas Methodists are to be asked to contribute more than \$5,000,000 towards the \$35,000,000 thank-offering of the Southern Methodist Church, which is now celebrating the centennial of its missionary activities.

Texas Methodism has been organized down to the last man, and Texas will probably give more like \$8,000,000 before the eight-day drive concludes on May 25.

On the eve of the great drive, the greatest ever undertaken by any church since the days of Christ, prominent business men of Texas, widely known as leading Methodist laymen also have given out snappy interviews forecasting state-wide victory.

R. M. Kelly, successful manufacturer of Longview, president of the Kelly Plow Company, said:

"The Centenary idea is influencing our whole people and slowly, but surely transforming the Methodism of Texas. No such spirit ever gripped this section, and no such results ever followed any church activities.

"Our business men are impressed with the fact of a preliminary world survey, and a detailed and rational estimate of just what the world needs, and exactly what the work will cost. They join the church authorities in the belief that this work is now imperative."

Judge G. W. Barcus of Waco said: "The Centenary Movement appeals to all classes and the program is one that commands the attention of the business world. The entire Methodist Church in Texas, as elsewhere, is lining up as one man. Texas Methodists never fail to do their duty either by their country or their church."

Judge C. M. Smithdeal of Dallas said:

"The mere statement of our aims arouses the old-time Methodist enthusiasm which I had vainly imagined we had lost. Our own generation will profit greatly by this drive, but generations remote from us will be blessed. Of course, Texas Methodists will rally like a moving army to one objective, victory."

Hon. Cone Johnson of Tyler, former solicitor-general of the United States, said:

"Considering the pitifully meager support of money and service which the Methodist Church has received from its members, its growth and career has been the miracle of the ages. If we endow its present projects with the sum requested, and we shall do that without a doubt, it will have its first real opportunities to manifest to mankind what it can do for the spread of the Gospel. Every Methodist with a spark of loyalty to the history and blessed traditions of our church will be in at the drive."

Ira J. Ayers, a government official on the border, at El Paso, said:

"The tide is rising. We're going over! The idea of celebrating the Centenary of established missions by American Methodists in such a fitting manner strongly appealed to me from the first. For West Texas and New Mexico I can speak with certainty. They will go over in gallant style when the returns are all in."

Judge John W. Woods of Abilene, said:

"As was recently said, \$35,000,000 or more for Christianity, but not one cent for Bolshevism. Better five hundred young men and young women in mission fields, than twenty million in the trenches. The laymen who have long been asking for something to do, recognize in this a real opportunity for service commensurate with their ability to do things."

STILL PURCHASE WIVES.

Miss Kathron Wilson, of Dallas, Texas, a missionary of the M. E. Church, South, to Africa, has written recently to her friends that the missionaries are having a hard time getting enough little African girls together to form a school. Miss Wilson walked a long distance to another village in an effort to get a few girl children to come to school. The chief told them very politely, but firmly, that all the little girls of his village had been purchased as wives and their fathers had no further jurisdiction over them. One of the results of the Centenary Movement of the M. E. Church, South, will be the establishment of schools in Africa in the hope of uplifting degraded womanhood on the Dark Continent.

TEXAS PARSONS BEING POORLY PAID

SAYS SENATOR SHEPPARD IN INTERVIEW ON METHODIST CENTENARY DRIVE MAY 18-25

APPEALS ON THEIR BEHALF

Is a preacher worth as much to society as a Ford?

Many in Texas do not think so, apparently, because at least 200 out of 850 Methodist preachers in Texas are drawing less every year than the price of a Ford.

The Southern Methodist Church recently made a survey of salaries paid to 6,150 preachers and discovered the fact that \$19 of them received less than \$400; 1,268, or more than one-fifth, received less than \$500; and 1,585, or more than one-fourth, received less than \$600 a year.

It was these figures that United States Senator Morris Sheppard had in mind when in a recent interview on the Methodist Centenary, which will make a drive for \$35,000,000 in eight days, May 18-25, he said:

"The small remuneration allowed so many American preachers of the Gospel, who are also teachers in the highest and holiest sense, is one of the handicaps on the spread of knowledge and progress, which the Methodist Centenary campaign will help to remove."

The Senator also said:

"The Centenary Campaign of the Methodist Episcopal Church, South, should have the earnest, practical and prayerful co-operation and support not only of every Methodist, but of all other citizens as well. The funds raised by this campaign will do more for humanity, civilization and democracy than can be measured in words."

"If the world is to reap the benefits of the war that has been fought and won for its emancipation; if the cause for which so many million gave their lives and blood and treasure is to be made of concrete value to mankind, men, women and children must be given a spiritual and educational basis on which the structure of liberty and progress may be permanently based. The inhabitants of the stricken regions will be unable to catch the spirit of the new time, if they remain strangers to Christianity. Neither will the inhabitants of those parts of our own country be in position to receive or to understand the meaning and the message of true democracy, with such low standards of knowledge and education as too frequently prevail. The Methodist Centenary is a movement born in heaven, and dedicated to the noblest, purest interests of the human race."

CHURCH IS BUILT BY CANNIBALS

The only Christian church in the world to be erected by cannibals has just been completed in Africa. The king of the community, having come in touch with some missionaries of the M. E. Church, South, decided a school would be a good thing to have in his village. The king wasn't a cannibal himself and had announced that he would punish any of his own people found guilty of cannibalism. Soon after he issued his proclamation forty men were found guilty of the act, and, as punishment, the king put them to work on the school house for the children in his village. When the school was finished, the king, deciding the men had not been sufficiently punished, made them build a church which the missionaries said they could use to advantage.

LABOR PROVIDED BY ERECTION OF CHURCHES

Nearly a million dollars will be spent by the Methodist Episcopal Church, South, in the erection of churches, schools, and settlement houses in the South during the next few months. This announcement was made at the office of the Board of Missions of that denomination today.

Dr. O. E. Goddard, Secretary of the Department of Home Missions, stated the money would be spent as follows: For foreigners in this country, \$70,000; mountain work, \$600,000; textile workers, \$150,000; foreign population in New Orleans, \$116,000. The spending of this money on buildings in the South means work for laborers in many places. It will be the direct result of the Centenary Campaign of the M. E. Church, South, the financial drive for which will be held May 18-25.

PUBLIC FORUM

The Amendments.

"The Governor, etc. shall appraise said land according to its agricultural value." This is the way Amendment No. 4 reads in the Governor's proclamation. It reads different on the ticket and you might think it was "an act to assist returned soldiers to obtain homes." If you haven't read the proclamation, read it, and see for yourself. This amendment writes into the constitution the right of the state, with the Governor as appraiser, to go into the real estate business. Which of our governors or other officers for the past 10 years have been competent to appraise land according to its agricultural value. If our memory is not off, they have all been lawyers, who would not know agricultural land from any other. Of course they could ask the man who owned the land about it or some of their political friends and put the deal over all right, but who would pay for the land?—the people, of course, and would we always get value received? We leave it to you.

Why not let the returned soldier, if he wants to farm, select him a place where he can live, among his people, and amid surroundings of his own choice, pay part of his farm out himself and have the state loan him the money to pay the balance? Of course this would do away with a lot of the chances of graft and that maybe the reason why this proposition, or some other one better was not put up to us.

We want to warn every reader of this article that there is only one day to kill this amendment along with any other you may want to vote on and that is next Saturday, May 24th. No matter how busy you are, take an hour off and do your duty by killing this proposed amendment. No matter how you vote on the other 3—swat No. 4.

A READER.

An Open Letter.

"Mercury, Texas, May 21.

"Mr. L. Ballou,

"Brady, Texas.

"Friend Ballou:

ified elector." "On our entrance into the present war and when the Government required all within the draft age to register, it developed that there were thousands of 'male persons' of foreign birth who claimed exemption from service because of foreign citizenship, and who had been voting in our elections. Many, in fact a greater part, were legal voters under our laws and constitution. The fact was they had declared their intention to become citizens but in truth had not done so and as a result owed allegiance to a foreign country and were subject to military duty in that country.

"When our government applied the acid test to its citizenship, one member of our state legislature found it necessary to resign his position because he was a citizen and owed allegiance, to the German Empire.

"Adopt this amendment and this class of 'male persons' will never again cast a legal vote in Texas. 'Put none but Americans on guard.'

"Your first charge is that Equal suffrage was first agitated about fifty years ago by those interested in the adoption of the 15th amendment which gave the ballot to the negroes. For the sake of argument grant this is true. Does the adoption or rejection of this amendment at this time affect the 15th. in the least? Most assuredly it will not. Negro men will still vote and white women will not if it is defeated.

"Your second charge is that Suffragists 'Defamed the character of Gen. Robert E. Lee.' Grant that true isn't it a fact that many 'male persons' made charges against that great man that would make those made by the women pale into insignificance when compared; yet you would not advocate the withdrawal of male suffrage.

"You, I am sure, do not believe that the women of Texas would endorse any criticism made against the good

name of Robt. E. Lee?

"Your third charge is that statistics show that Equal suffrage would give negro control of many counties in Virginia, Georgia and Mississippi. In answer to this charge permit me to remind you that the amendment we are to vote on the 24th affects the constitution of Texas alone and does not in the remotest apply to the states named. Let us not worry about the good old Southern states. They took care of themselves in construction days and doubtless they are able to do so now.

"In answer to the charge that is sometimes made that Equal suffrage in Texas means Negro domination, will say that there are in this state something less than two hundred thousand negro women and about six hundred thousand white women. Is it at all probable that this one to three ignorant negro vote will control the 3 to 1 intelligent white women vote? Well, to use a common phrase, 'I should worry!'

"Fourth charge: '80 per cent of the women do not want to vote.' I am at a loss to know how you arrive at this estimate, when if my recollection serves me right, about eleven hundred voted in this county last year, the very first opportunity given them. Three hundred thousand in the state and with only 16 days in which to register. However, that is not our concern if it is their right to vote it is our duty to give them the opportunity.

"Your fifth charge is: 'Carrie Chapman Catt, denies the Divinity of Christ.' Also favors 'easy divorce.' Not being familiar with Mrs. C. C. Catt's religious views, I am going to admit that to be true. Then what have you proven? In your opinion does that reflect the religious and social beliefs of the women of Brady, McCulloch county, or the state of Texas? Of course you do not. Then why apply it, or use it as argument

in this case?

"With just as good reason you could argue against male suffrage because Robert Ingersoll did not believe in the Divinity of Christ.

"Your last charge is: 'I am of the opinion this is a Republican and Socialist move.' It is true that both these parties endorse Equal suffrage but permit me to remind you that the good old Democratic party in National convention St. Louis, 1916, wrote it into their platform and elected the greatest President that ever presided over the destinies of this republic.

"Also the Democrats of Texas wrote it into their platform at the Waco State convention 1918. So a Democrat can be consistent and support the suffrage amendment next Saturday.

"On next Saturday the men of Texas have the opportunity of taking the ballot from the contemptible Hun and other aliens, and placing it in the hands of the mothers and wives of this great state. What are you going to do about it? You can't serve them both.

"Sincerely,
"T. J. BEASLEY."

Complimentary Party.

Mrs. Leslie M. Smith of Marlin and Miss Ruth Wood, a bride of this week, were honorees at a very enjoyable party Saturday afternoon, when Mrs. Herbert L. Wood entertained for a few friends. A series of "500" was enjoyed by the guests. The hostess served an ice course.

Bridge Club.

Members and guests of the Bridge club had a very enjoyable meeting Tuesday afternoon as guests of Mrs. Bailey Jones. Present were members as follows: Mesdames G. V. Gansel, S. S. Graham, R. W. Turner, W. E. Campbell, C. T. White, G. R. White, H. B. Ogden, Herbert L. Wood, W. L. Hugnes, W. D. Crothers, and guests: Mesdames Geo. F. King, Dick Winters, Rufus Adams of Dublin, Warren Walker of Eagle Lake; Misses Sarah Johanson, Lucille Benham.

Mrs. Wood won high score and club prize and Mrs. Adams received guest prize.

The hostess served an ice course.

Miscellaneous Shower.

One of the prettiest and most enjoyable of the pre-nuptial affairs arranged for Miss Ruth Wood, a bride of this week, was the Miscellaneous Shower given for her on Friday, May 9th, by Mrs. H. P. Roddie. The Roddie home was prettily decorated with roses, carnations and ferns, and music on the Edison added to the pleasure of the thirty or more guests assembled.

Seven tables were arranged, and the guests found diversion in series of "42" and "500."

The hostess served refreshments of angel food cake and brick ice cream. Following this little Misses Bessie Roddie and Mildred Jones, clad in white, brought the gifts down stairs in a large basket and presented them to the delighted guest of honor.

Entertains Five-Forty Club.

Members and guests of the Five-Forty club were delightfully entertained on Thursday afternoon of last week by Mrs. C. P. Gray and Miss Nettie Bellamy at the home of the latter east of Brady.

The usual club routine was varied, and in place of "5-40" various other games and contests afforded amusement and entertainment for those present.

An ice course was served by the hostess to guests present as follows: Mesdames H. L. Knight of Dublin, H. R. Hodges, Ben Anderson, S. H. Mayo, L. P. Cooke of Brownwood, O.

E. Jackson, S. J. Striegler, John F. Schaege, N. G. Lyle, Jr., Chas. P. Gray, T. Gray, Roy Wilkerson, J. E. Shropshire, Wilson Jordan, S. J. Howard, Edd Broad; Miss Cora Hill of Hallettsville.

Five Hundred Club.

Mrs. W. E. Campbell entertained very prettily on last Friday night for the Five Hundred club. The gentlemen were invited guests and the evening proved most enjoyable with "500" at four tables. Club prizes fell to Dr. McCall for the gentlemen, and Mrs. Walker for the ladies; guest prizes were received by Mr. and Mrs. Jones.

The hostess served ice cream and cake to members present as follows: Drs. and Mesdames J. G. McCall, J. S. Anderson; Messrs. and Mesdames G. C. Kirk, B. Simpson, Wiley W. Walker, G. R. White, Dick Winters, John Wall, C. D. Allen; Mrs. C. T. White; Miss Lucille Benham; and guests: Messrs. and Mesdames H. B. Ogden, Bailey Jones.

Mrs. Anderson has the club with her this afternoon.

Lewis-Wood.

In the presence of a large number of admiring relatives and friends, Miss Ruth Wood of this city, Monday evening at 7:00 o'clock became the bride of Mr. David Wallas Lewis of Dallas. The wedding took place at the Christian church and was beautiful in its simplicity. Rev. Moore of Brownwood spoke the words that united this splendid young couple for better or for worse, the ring service being used.

The church was prettily decorated for the occasion with ferns and pot plants. The pre-nuptial song, "Because," was beautifully rendered by Miss Lucille Benham, Miss Ruth Culbreath playing the accompaniment. The bride entered upon the arm of the groom, to the magnificent strains of Mendelssohn's Wedding March, played by Miss Culbreath, and the bridal pair took their place before Rev. Moore, who with simple but impressive words performed the sacred rites of matrimony. The bride was most charming in a toupe colored traveling suit with hat and shoes to match.

Following the ceremony congratulations and good wishes were showered upon Mr. and Mrs. Lewis by their friends present. The bridal couple left on the night train for Dallas, where they will make their home.

The bride is one of Brady's accomplished and adorable young ladies, the daughter of Mr. and Mrs. T. J. Wood, and Mr. Lewis is to be congratulated upon having won her for his life's companion. The groom is one of the popular and highly-esteemed young men of Dallas, holding the responsible position of teller with the City National bank of that city, and being most highly spoken of.

In their journey through life, The Standard wishes Mr. and Mrs. Lewis the greatest possible share of happiness and success.

"The Great Centenary Movement and its Lessons" will be the subject for the morning hour. At the evening hour a Thanksgiving service will be held.
Every member is urgently requested and all the people are cordially invited to attend.
J. W. COWAN, Pastor.

At the Methodist Church.
There was a large crowd at the Methodist church Sunday morning, when we heard this year's Baccalaureate sermon delivered by Brother Jones, of the Presbyterian church. To say that it was a good one would be putting it entirely too mild. It was an excellent sermon from start to finish, very appropriate for the occasion, and the very close attention given the speaker showed that the large audience appreciated it as such.
Sunday evening our Pastor, Brother Cowan, together with a number of our laymen had intended going out and speaking at the different school houses over the county on the great Centenary question and also urging the people to vote this coming Saturday, but on account of the rain not many of the meetings were held.

"Having suffered from nervous indigestion for several years, I find after using Dr. Caldwell's Syrup Pepsin that I am as well as I ever was and can now eat anything without fear of consequences." (From a letter to Dr. Caldwell written by Mrs. John K. Moore, 516 No. 27th St., Richmond, Va.)

Indigestion and constipation are conditions closely related and the cause of much suffering. Dr. Caldwell's Syrup Pepsin is a mild, pleasantly effective laxative; it quickly relieves the intestinal congestion that retards digestion and has been the standard household remedy in countless homes for many years.

THE FINAL APPEAL FOR THE ADOPTION OF PROHIBITION AMENDMENT

To the men of McCulloch county: Citizens of the great State of Texas; Honored sons of America, entrusted with the right of franchise: This is a word to you, concerning the election next Saturday, May 24th. You are charged with the important responsibility of going to the polls and casting your ballot on that day. The most important question ever submitted to the voters of our state is to be decided by you at that election. You are urgently warned against the danger of sleeping over your rights and failing to cast your vote, and using your influence for the adoption of the amendment to the constitution of the state prohibiting the liquor evil. Think not, that our opponents, the representatives of the liquor evil, will sleep. They are ever watchful of their interests. They are now working over time to defeat us and unless our people wake up to the importance of the measure they will defeat us.

The situation is critical in the extreme. The liquor advocates are getting in their work under cover. They are trying, in their desperation to work our soldier boys. They are slandering them and our civilization by representing that they are on the immoral side of this question. Of course we know that the noble boys who fought the treacherous and murderous Huns will make the same valiant fight against the German liquor evil, a far worse evil to our Christian civilization than their armies on the battle field. The soldiers will vote right. They will, practically all of them, vote for the adoption of the amendment. Let the good people who supported them with their means and with their prayers while they were at the front help them now in their battle against the liquor evil.

We are not now trying to make sentiment against this infamous business. Sentiment is already against it. It only remains now for us to go to the polls and cast our votes for the amendment. Our people will vote for it if they go to the polls. Urge the importance of their going. Don't rest in the thought that national prohibition will destroy this evil. There will be a fight against the national amendment. The operation of that amendment may be stayed off indefinitely. Our only hope for immediate and permanent prohibition is in the adoption of the state amendment.

The same effort being made against the prohibition amendment is being made also against the amendment for woman suffrage. Let men who love God and home and native land, vote for the adoption of both these amendments and a new era of peace and good will shall soon dawn upon our state.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant, even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Ex-Soldiers Meeting.

Saturday night, May 24th at 8:30 at court house.

In accordance with previous announcements, Saturday night, May 24th, has been decided on for a meeting of all ex-soldiers of McCulloch county for the purpose of completing their Post organization.

Every ex-soldier who is or ever expects to be interested in this organization of American Legion of the World War should be present, because temporary officers are to be selected, and committees appointed to name the Post, decide on credentials, form constitution and by-laws, resolution, etc.

MEN OF ENERGY ARE IN DEMAND

Energy comes of health—of good appetite and good digestion; of restful sleep and nerves that are all in order. Nervousness, sleeplessness, poor digestion—that generally run-down feeling takes all the energy out of you and renders you unfit to do your part in the world's work. RICH-TONE, the ideal tonic, builds you up. It rests the tired nerves, restores appetite, induces healthful sleep—it gives you all those things which mean energy and well-being; it fits you to meet the demand for energetic men. Take RICH-TONE now and occupy your place among the workers and doers, feeling all the joy of living. RICH-TONE is only \$1.00 per bottle and is sold locally by

GEO. VIERLING WRITES AT GIBRALTER IS LEAVING FOR STATES—MISSES SUBMARINES

Writing from Gibraltar on a picture postcard, showing a view of the market square at Gibraltar, G. W. Vierling, Jr., says:

"Please change my address to Junction, Texas. Am on the S. S. 'Columbia.' We received shore leave here last night and again this a. m. Leaving today at 1:00 p. m. We are having a very slow, but interesting trip, due to the fact that there are no subs to dodge. Best regards."

George's card was dated April 23d, and unless his ship is exceptionally slow, we would not be surprised if he beat his postcard "over here."

SGT. HOLLIS SMITH BACK FROM OVERSEAS SERVICE OF SIX MONTHS

Sgt. Hollis Smith returned the past week, having received an honorable discharge at Camp Bowie, and is again employed with the Brady Steam Laundry. Hollis saw six months service overseas with the 309th Motor Transport corps. He was stationed at Dijon, France, and did not see any of the actual trench warfare, but nevertheless has experienced all the war thrills he cares to in one lifetime, and is glad to be back home again.

LOCAL BRIEFS

"I know not what the truth may be, I tell it as 'twas told to me."

C. A. Engdahl reports a 2-inch rain at his place, 9 miles Northeast of Brady, last Sunday. The rain came from a heavy cloud which hung directly overhead, while the sky around was clear, and covered only a limited territory.

J. C. McCormack and R. D. Dyer returned Wednesday morning from Fort Worth, where they had been spending a week or so on oil business. Both gave good reports and said that McCulloch county continued to be the most-talked of oil field in Texas, with everybody a booster for us and our prospects.

Carroll Gray was in from the Calf Creek community Wednesday and reported the hail of a week ago as having beat his cotton into the ground, and then a sand storm came last Sunday and killed what was left. However, Carroll refused to be downhearted, and expects to be in on the roll call when the bumper harvest is made.

A peculiar circumstance has been reported to The Standard editor, viz: the suckering out of the oats. Never before has anyone recalled such an occurrence in McCulloch county, and the phenomenon must evidently be due to the great rains. While the new oats will hardly make yet it will provide some good feed and grazing, should it continue to grow.

C. A. Engdahl and C. J. Nelin, two good citizens of the Brady-Rochelle community, were visitors at The Standard office last Saturday. They report their oats and wheat looking fine, but every time a cloud comes up it scares them 'most to death for fear a hail storm may ruin their bright prospects. Here's hoping prosperity continues to shine on them, as well as upon the rest of our citizens.

Mrs. John I. Jones knows just exactly what will please her children—she sends them The Standard, so they'll know all the McCulloch county news, for even though they have strayed away, they still have lively interest in the happenings back in their old home county. Mrs. Jones has ordered The Standard to the address of Mrs. Bert Page, Tom K. and Sam E. Jones, all at Eldorado, and to C. T. Jones at Sonora, and for good measure, she orders the San Antonio Express sent to Cleve in addition to The Standard.

Kill the Army Worms.
Below I am giving some suggestions made by Mr. W. B. Lanham, State Agent, regarding the army worm and its control.

"During occasional seasons dull, striped worms, related to the common cut worm, becomes unusually abundant and march from field to field, devouring corn, wheat, oats and other plants.

Individual specimens of this insect are in the fields every year, but only occasionally do they appear in sufficient numbers to become a menace. When they become abundant to travel openly as an army, from one field to another, the invasion may be stopped by plowing three or four furrows, maintaining as thick a dust mulch as possible. As the worms collect in the furrows, they may be killed with a drag or sprinkled with pure kerosene.

After they have gotten into the field the best remedy is a poisoned bran mash, made as follows:

Thoroughly mix 50 pounds of bran, 2 pounds of Paris Green and three finely chopped lemons. Stir to a damp mash with four to seven gallons of water sweetened with 1-2 gallon of low grade molasses. Sow sparingly around bases of plants and broadcast over the field where infestation is general.

Wool and Mohair Sale Notice.
On June 16th the Marketing committee of the Sheep and Goat Growers' association will offer for sale its 1919 clip of wool. Every member is urged to store his wool in the Farmers' Union warehouse several days in advance of the sale. The wool should be classified before the buyers get here so we can know what we have for sale. This cannot be done unless it is there. The mohair may be sold on that date or it may be sold before. It is for sale now and may be taken soon. The committee cannot sell yours unless it is in storage, and accessible to same.

If You Want Employment.
Every man and boy who wants a job on the farm can get it now and if you will leave your name with me, stating the age and kind of work you can do, I will help you get a place to work. Farmers are asking for hands to harvest the grain crop and work the other crops. Don't be idle now when your country needs you. Get your overalls on and play a man's part.

B. D. BLACK,
County Agent.

For a Weak Stomach.
As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.
