LOVE, DRAMA AND COM-EDY BLEND IN FEATURE

Most everyone loves to read and see and hear of the mysteries of the South Seas, and in D. W. Griffith's latest and greatest masterpiece, "The Idol Dancer," that genius unfolds the wonders of a South Sea Island and the mystical fascination of the Orient. The heroine is the idol of the natives of the island. To the island come two men-the one a worthless derelict; the other a health-seeking, anemic young man, who remains as the guest of his uncle, the island missionary. In each of them this strange woman of the South Seas finds great interest, and, in turn, she inspires in each of the two a desire to prove themselves worthy of her love. This, then, is the foundation for the story of "The Idol Dancer," a beautiful, dancing young woman of the South Seas, who finally abandons her idols for the sake of the man she loves, and who arouses of the man she loves, and who arouses me, thinking to force me into the Pol- sheviks took this town and I am sure FOR SALE- Place known as ruin the cotton crop. been leading selfish and worthless lives.

Catarrhai Deafness Cannol Be Cured by local applications, as they cannot reach be diseased portion of the ear. There is only one way to cure catarrhai deafness, and that is by a constitutional remedy. Catarrhai Deafness is caused by an in-famed condition of the muccos lining of the Eustachian Tube. When this tube is infamed you have a rumbling sound or imperfect heating, and when it is entirely closed, Deafness is the result. Unless the infamilion can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an infiamed condition of the muccus su-faces. Hall's Catarrh Cure sets thru the blood on the muccus surfaces of the sys-tem.
