CHAMBER OF COMMERCE MEETING FRIDAY NIGHT

A meeting of all committees, as well as the membership in general, of the Brady Chamber of Commerce has been called by President Wilson Jordan for tonight (Friday) at which the matter of perfecting a permanent organization for the carrying on of the McCulloch County Exhibit as a permanent institution, will be brought up for discussion and decision. Everyone interested in the progress of McCulloch county is invited to attend the meeting which will be called promptly at 8:00 o'clock in the district court room.

The Brady Chamber of Commerce is actively backing and endorsing the Exhibit proposition, and has already demonstrated its attitude by voting \$200 towards paying the expenses of the agricultural club boys to the Dallas Fair.

Death of Aged Citizen.
John Albert Parrish, one of Brady's oldest and most highly respected citizens, passed away Monday evening at 7:30 o'clock, following an illness, in which paralysis, together with old age, hastened the end. At the time of death, Mr. Parrish was 74 years, 11 months and 8 days old. He had made his home in Brady the past nine years, and for some time past had held the position of sexton at the high school building.

Funeral services were held Tuesday, the Rev. J. H. Taylor conducting, and interment was made in Brady cemetery. Surviving are the widow and one son, Robert Parrish, together with a host of sorrowing friends.

EXHIBIT ENTERTAINMENT PROGRAM GIVEN COMMENDATION OF VISITORS

GOAT ROPING LEADING FEATURE OF BOTH DAYS—RABBIT RACES CONSTITUTE NOVELTY SIGHT—PROGRAMS AT AUDITORIUM WELL ATTENDED.

Not a visitor here but speaks in terms of highest commendation of the entertainment program for the two days of the McCulloch County Exhibit. There was not one dull moment, and the attention and attendance of the great crowds was held from start to finish. With a total attendance of about 10,000, the various attractions kept the crowd well-divided and avoided congestion at any one spot. Only during the parade, which opened the two days' event, was the size of the crowd to be accurately measured, and no circus ever drew a larger crowd to Brady. The rabbit race on Wednesday morning attracted a huge crowd, and the baby show, held at the same time, likewise drew a big attendance. Something like 5,000 people witnessed the goat roping on both Tuesday and Wednesday, the while several thousand others were divided between the exhibit hall and the stock and poultry exhibits.

The night programs drew large crowds which practically filled the immense auditorium, with the crowd overflowing into the exhibit hall.

Goat Roping Contests.
The goat-roping contests were one of the most popular features, and held the attention of the immense crowds attending throughout. The Tuesday contest saw nine entries amongst the experienced ropers. The following won prize money:
1st—Lester Cox, 14 Sec. \$24.20
2nd—Geo. Spiller, 18 Sec. 11.20
3rd—Bud Sipper, 19 Sec. 5.00

There were eleven entries among the amateurs, with the following winners:
1st—Geo. Liverman, 16 Sec. \$10.80
2nd—W. F. Dutton, 25 Sec. 6.30
3rd—Chas. Capps, 42 Sec. 2.50

The second day's roping saw 21 amateur entries, with winners as follows:
1st—J. E. White, 19 Sec. \$40.20
2nd—W. F. Crothers, 20 Sec. 19.10
3rd—C. C. Leebetter, 21½ Sec. 6.70

Eight ropers contested among the experts, each man roping three goats. Jerry Wright took down first money, \$39.00; I. O. Kothman took second, \$19.50, and Bud Spiller took third, \$6.50. Time of the winners as follows:

Wright33	13½	14	60½
Kothman30	21	19	70
Spiller21½	26	23	70½

The cigar races also created much interest, Jerry Wright winning first, with a score of 22½ Sec. Geo. Spiller second with 23 4-5 Sec. and Ed Spiller third with 24 Sec.

A feature not on the program, and which was all the more enjoyed was the stunt riding by Jerry Wright, who rode a wild mule mounted backwards, and also successfully rode some wild and pitching horses without bridle or reins, and even bareback. One of the animals made a wild break thru a barb-wire fence. Wright quit the steed just before it hit the fence and alighted safely, but with clothing torn to shreds, in a clump of bushes.

For the success of the goat-roping events, too much cannot be said in praise of W. F. Dutton, director in charge. His was one of the biggest features of the exhibit, and one of the best carried out. Mr. Dutton expresses his full appreciation of all the assistance tendered him, and states that

to the Spiller boys of Voca and to Tom Owens is due much credit for the success.

Rabbit Races.
The rabbit races on the public square attracted a crowd conservatively estimated at around 5,000 people, and constituted one of the most novel feats ever attempted at a fair. The rabbits gave the dogs a run for their money, and with the crowd almost circling the square, the affair took on the appearance somewhat of a race track, with the dogs invariably prying the faster. Most of the dogs were muzzled, and after knocking their prey down, the rabbits were recaptured without injury.

Baby Show.
To Mrs. F. M. Richards goes credit for having staged the biggest kind of a success in the baby show and contest. There were something like 125 entries from all over the county, and a finer set of babies has never been seen. Drs. Lockhart and Craddock of Brady, and O. C. Jackson of Voca, acted as a committee to select ten of the babies for examination, but were unable to confine their selections to this number and instead named fifteen babies—two from the Brady district on account of its great size, and one from each of the remaining districts. Drs. J. S. Anderson, J. G. McCall and J. B. Granville made the physical examinations, and after careful comparison of the points, awarded prize over all to the little son of Mr. and Mrs. Clyde Hall, who scored 98, in Class 1, made up of babies from 18 months to 3 years old. In Class 2, 3 months to 18 months, the babies of Mr. and Mrs. Fowler B. McShan and Mr. and Mrs. Kid Jeffers tied for first place with scores of 98%. As a matter of fact, all the babies graded with almost perfect scores, showing that McCulloch County Babies are indeed Better Babies. The following are the names of the mothers whose babies were selected by the judges for examination from each of the communities:

Voca—Mrs. Geo. Spiller, Jr.
Waldrip—Mrs. Byron Holland.
Calf Creek—Mrs. A. J. Young.
Brady—Mrs. O. F. Woodward; Mrs. F. B. McShan.
Dodge—Mrs. Roy Simpson.
Claxton—Mrs. Kidd Jeffers.
East Sweden—Mrs. Tol Roberts.

Harkrider—Mrs. M. E. Abernathy.
Camp San Saba—Mrs. L. C. Bratton.
Rochelle—Mrs. Marion Williamson.
Leebeter—Mrs. Clyde Hall.
Lost Creek—Mrs. Steve Jennings.
Fair View—Mrs. Sam Baird.

Boxing Bouts.
The closing feature of the fair, and one of the best, was the 10-round bout between Tommy White, ex-sailor of Richland Springs, aged 19 years, and Alvin Hall of Melvin, aged 32 years. The bout was staged on a platform built on the south-east corner of the square and was witnessed by an immense crowd.
Prior to the bout, a goat, donated to the Brady schools by Edd Bryson was auctioned off, Duke Mann being highest bidder at \$30. The receipts will go towards the school library. Announcement was also made of a home talent production to be staged (Continued on page 10)

B.D. BLACK TAKES PRIZE EXHIBITS TO STATE FAIR

B. D. Black, county demonstration agent, and secretary of the McCulloch County Exhibit, left last night for Dallas carrying with him all the blue ribbon winners in the exhibit for exhibition in the McCulloch county booth at the State Fair, which opens next Saturday, October 9th. The time being so short, Mr. Black was greatly rushed to get all his exhibits packed and in readiness for shipment, and will also be rushed for time in arranging the display. However, he has the knack of being able to put over big things in a short time, and hopes to give McCulloch county some very creditable publicity and advertising.

Your Teeth May be the Cause of That Ailment You Have

It has been proven that bad teeth and gums have caused rheumatism, kidney and heart trouble, and many other ailments, also death.

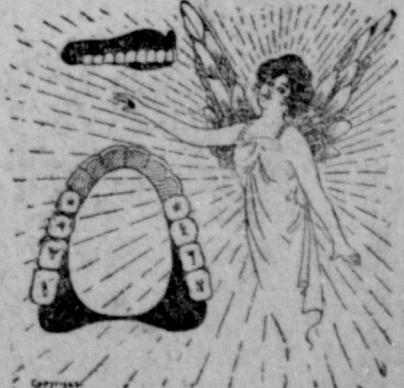

READ THE FOLLOWING NEWS REPORT ON THE FAMOUS MAYO BROS.' SANITARIUM AT ROCHESTER, MINN.:

The Mayo Brothers in Rochester, Minn., now make a complete radio-graphic examination of the teeth of all patients and have a large dental department fully equipped. Their idea is to clean up any bad dental conditions before proceeding to operate upon the patient. This, of course, does not apply to emergency cases, where haste is a matter of life or death.

I have just finished a post graduate course at the Columbia University in New York City on Diagnosis, Radiograph, Oral Surgery, Pyorrhea, etc. This is one of the highest courses in dentistry, and I am thereby enabled to make scientific diagnosis and treatment of your teeth and gums. CO-OPERATION Is The Key Word

CO-OPERATION is the key word that opens the volume of success this day and time. Co-operation won the World War for the allies after all other plans had failed. Co-operation between the farmers and the business men of the town and cities is the only way to win the present financial war that is now upon us.

POSITIVELY at this time solvency of the cotton growing states is bound up in the word CO-OPERATION. The impotency of the individual to cope successfully with present conditions is so self-evident that a man whose brain capacity is 50 per cent below normal can see it with only one eye open.

The business man who thinks he can cut his way through to success without cooperating with the other business interests of his town and the farming interests of his county, had as well close his door and invite the sheriff to take charge of the key, because his relation to the big game that is being played, is the same as that of a tad pole dropped by a crane in a lake filled with speckled trout.

The lone farmer that would attempt to shoot the rapids with his big cotton crop without the cooperation of his business friends in the towns and his farmer associates in the country will find before he arrives at the end of his journey his little boat is taking water in a thousand places and every drop that goes in will weigh a hundred pounds when he attempts to bail it out, and eventually the Sharks that float around near the shoals will give him the "JONAH" degree, but his history will not be told either in song or story.

Farmers of McCulloch county, the business men of Brady who manage and control the various business establishments listed on this page, pledge themselves to CO-OPERATE with you in every way possible for the mutual welfare of the entire county. The importance of the proper saving and successful marketing of the present crop is well recognized by them. They realize and know that their financial success is so closely associated with your financial success, and that your financial success is so closely interwoven with their financial success, that to separate them entirely would be an utter impossibility.

Under these conditions and knowing that some one must take an active lead in the matter they freely and unitedly extend to you their combined assistance and stand ready individually and collectively to do all they can to aid you in saving and selling this great crop successfully.

The firms registered on this page want to be known as the friends and co-laborers of the farmers of the county. While you toil in your fields, they are working at their desks, in their shops and behind their counters, honestly striving to have ready at your call the things you must have to make farm life the happy prosperous life it should be.

Someone has said, "Destroy the farms, and the towns and cities would grow up in weeds." We can safely add to that, "Destroy the towns and cities with their great schools, churches, shops, manufacturing plants, mills and elevators, doctors and hospitals and the jungles of Africa and South America would be reproduced right here in McCulloch county within five generations.

Farmers of McCulloch county! Don't risk your financial future on an off-hand shot at the swiftly circling wolf pack. Join hands with your friends, the business men of Brady, who have openly registered their firm names on this page and drive straight through the howling mob of uncertainty to the \$10,000,000 reward that CO-OPERATION ALONE CAN GIVE YOU.

birthday anniversaries on last Monday afternoon at the Jones' residence on the north side, by entertaining a number of friends in royal fashion. Two birthday cakes, gaily adorned with candles—six to mark the milestones in little Miss Christine's life, and five to denote those passed by little Master Bill, were the chief attractions to both guests and honorees. The members of the party spent the time enjoyably in games on the spacious lawn, and enjoyed ice cream and cake and candy.

Many gifts were received by the host and hostess with tokens of love and esteem upon the part of the guests, included among whom were little Misses Phoebe Graham, Imogene Hendersdorf, Charlotte Stowe, Maxine Ledbetter, Drusilla Davidson; Masters Fred Wulff, Paul Mann, James Wyckoff, Jack Tait, Malcolm Jones.

Person-Woody.
Mrs. M. E. Abernathy has just received word of the marriage of her brother, Capt. George A. Woody, to Miss Frances May Person, which was celebrated at Williamsburg, Va., on the 20th of September. This announcement will be learned with interest by the many friends of Capt. Woody, who will be remembered as having attended the Brady schools and having visited here upon several occasions. Capt. Woody and his bride will make their home at Aberdeen Proving ground, where he is attending the military school.

Capt. Woody has been in service over three years, and in this time has made a splendid record. Following attending the Brady schools, he graduated at A. & M. college. He entered the first officers training camp at Leon Springs, where he received his commission. He spent a year in France, and by reason of sheer ability some two years ago won the rank of captain. He met his bride last fall while at Camp Storey, Va., and their marriage is the happy culmination of a romance which had its beginning there.

The best wishes of all Brady and McCulloch county friends are extended Capt. Woody and his bride.

Mason-Townsend.
The marriage of Mr. L. B. Townsend and Miss Corinne Mason took place at 7:30 o'clock on last Friday evening at the Methodist parsonage, the Rev. J. W. Cowan officiating at the ceremony. Attending the bridal couple were J. W. Townsend, brother of the bridegroom, and his family.

Mr. and Mrs. Townsend are both Lometa products, and their romance dates back to their youthful days in that city. Since coming to McCulloch county, Mr. Townsend was employed with the firm of Noyes & Co. at Melvin for some time, and since moving to Brady has been employed in the hardware department of O. D. Mann & Sons, where his cheerful disposition, excellent character and splendid business ability have made him popular with all. His bride is the charming daughter of Mr. and Mrs. J. N. Mason, formerly cashier of the Melvin State bank, and prominent business man of that community. She is a most adorable young woman, and in the three years that she has made her residence there has surrounded herself with a large circle of admiring friends.

Mr. and Mrs. Townsend are at home to their friends for the present at the residence of his brother. The best of wishes is extended the newly-weds for a safe and happy voyage o'er the marital seas.

The KITCHEN CABINET

Nothing so needs reforming as other people's habits.

SEASONABLE GOOD THINGS.

A novel iced-tea combination which we will like to try some of these warm summer days is this: Prepare tea in the ordinary fashion, sweeten it and let it cool. When ready to serve put a spoonful or two of lemon sherbet in a glass and cover with the iced tea.

Cherry Betty.—Butter a deep dish and cover the bottom with pitted cherries. Sprinkle the fruit with sugar, nutmeg and cinnamon with sufficient cherry juice to moisten. On top of this spread a layer of fluffy bread crumbs; repeat until the dish is full. Finish the top with the crumbs. Cover and stand in the oven one hour, then uncover and brown quickly. Serve hot with sweetened cream as a sauce.

Currant Catsup.—Take five pounds of currants, three pounds of sugar, one tablespoonful of cinnamon, one tablespoonful of allspice, one teaspoonful of black pepper, one teaspoonful of salt and half a pint of vinegar. Mash the currants and rub them through a sieve; then add the other ingredients and boil for twenty minutes. Bottle as you do any catsup. This catsup has an especially delicate flavor and is quite worth the trouble of making.

Macaroon Cream.—Soak one-fourth of a box of gelatine in one-fourth of a cupful of cold water. Make a boiled custard of a pint of milk and the yolks of three eggs, one-half cupful of sugar, salt and vanilla to taste. Pour this custard over the softened gelatine, then add one cupful of macaroon crumbs and set away to cool. When this begins to thicken, add the whites of the eggs beaten stiff. Mix well, pour into a mold and set in a cool place for three hours. Serve with small cakes.

Frozen Macedone.—Drain the juice from a cupful of canned or preserved cherries. Add a cupful each of canned pears, plums and pineapple, put through the meat chopper; add the cherry juice, sweeten to taste. Add one-fourth of a cupful of water and two teaspoonfuls of lemon juice. Freeze the mixture except the cherries which are stirred in when ready to pack. Let stand several hours to ripen.

Nellie Maxwell The KITCHEN CABINET

Children are the lifeblood of the state. They are better producers of energy than coal or wood; they are better than steam or electricity. So, surely, they are much more worth the study and consideration of the most eminent scientists and engineers than the wings of moths or some improvement in a differential.—Judge Ben Lindsey.

SEASONABLE GOOD THINGS.

Eggs are such nourishing food and at this season quite plentiful, so the housewife who wishes to avoid monotony will be looking for new ways of serving them.

Curried Eggs.—Cut three hard-cooked eggs in eighths, lengthwise. Melt two and one-half tablespoonfuls of butter. Add two tablespoonfuls of flour and stir until well blended, then pour on gradually, while stirring constantly, one cupful of milk. Bring to the boiling point and add one-third of a teaspoonful of salt, one-eighth of a teaspoonful of pepper, one-half teaspoonful of curry powder and the eggs. Turn into a shallow buttered dish, sprinkle with one-fourth of a cupful of grated cheese, cover with three-fourths of a cupful of buttered crumbs and bake.

Savory Eggs.—Cook hard as many eggs as there are people to serve. Make the same number of pieces of toast; butter and place on a serving dish. Cut the eggs in halves lengthwise and take out the yolks. Put the two halves on each piece of toast. Have ready some bits of tongue which have been minced and with it cream the yolks of the eggs, adding softened butter, salt, pepper and cayenne to taste. Pile the stuffing high in each egg white, making a little mound, sprinkle with fine buttered bread crumbs and set in a quick oven to warm through and brown the crumbs. Have prepared a cupful of white sauce, or thickened canned tomatoes. When the eggs are hot turn the sauce over the eggs and serve at once.

Scotch Eggs.—Remove the shells from perfectly cooked eggs, roll in egg white then in crumbs and fry in deep fat until a golden brown. Serve on a platter of crisp green watercress.

Breakfast Eggs.—Put an egg for each person in small buttered egg shirers. Add a tablespoonful of cream, sprinkle with salt and white pepper and bake in a moderate oven until the eggs are set.

EXHIBIT ENTERTAINMENT PROGRAM GIVEN COMMENDATION OF VISITORS

(Continued from page 1)

at the auditorium on next Thursday and Friday nights for the benefit of the Brady school.

A preliminary 5-round bout between Young Jack Dalton of Dallas, and Pete Moseley of Fort Worth, both colored, failed to last out the second round. Moseley, after having somewhat the best of first round, permitted "Bill" Bryson to so ably second Dalton that the latter succeeded in walloping his opponent on the jaw. After thinking the matter over a few seconds, Moseley sank gracefully to the floor. He refused to be counted out, however, but after getting to his feet threw up the sponge. Jack Creas acted as referee.

The Hall-White bout was one of the fastest and cleanest ever staged in Brady. C. J. Wilkerson of Brownwood, representative of the Indiana Silo and Tractor Co., was called upon to referee the match, and officiated to the satisfaction of all. The two men were well-matched, and in the first round exchanged a number of stiff punches, after which they settled down to a good scientific match. In the first round, Hall sent his opponent to the ropes, and in succeeding rounds landed some heavy blows, but White recovered quickly and came back strongly taking the advantage over Hall for several rounds. The fight went the full 10 rounds, and White was given the decision on points, 5 of the rounds being awarded him and 4 to Hall. The 4th round was declared a draw by the referee. After the fight it developed that Hall had broken his right hand in the fourth round. Despite the injury, Hall gamely stuck the match out, and was going stronger than ever when the final gong sounded. Hall was a general favorite with the crowd and his able performance was roundly applauded. The crowd made up a purse of \$200 for the fighters.

Foot Ball Games.
Other features of the program were two good foot ball games, with the city team matched against the high school eleven Tuesday afternoon, the game resulting 0 to 0. Wednesday afternoon Mason High met the Brady High and won the game by a score of 20 to 6. While the Mason team outclassed the Brady team, it was only because of their having played more, the Brady bunch having had little or no practice. Jack Freshour, quarterback, made Brady's lone tally just before the whistle blew on the last quarter.

Auditorium Programs.
The night programs at the auditorium attracted large crowds and were excellent in every particular. As always, the Brownwood band was one of the most appreciated parts of the program and their concerts were accorded general approval and much commendation. The Daniel Baker college entertainers gave a very artistic program on Tuesday night, their program including vocal and instrumental solos, readings and an address by Dr. French W. Thompson, president of Daniel Baker college, all of which were of the highest order, and greatly appreciated by all lovers of the artistic and ennobling.

On Wednesday night, B. D. Black essayed to introduce Miss Annie Webb Blanton, state superintendent of schools. It developed that there were very, very few people in the audience who knew Miss Blanton, and her appearance upon the stage occasioned both astonishment and merriment, as Miss Blanton chose to be represented upon this occasion by proxy, in the person of Jas. T. Mann. Despite his charming costume, Mr. Mann could not conceal the "bass-ness" of his voice, and was compelled to discard his feminine regalia before he could make the address of the evening. In the meantime, other impromptu numbers very successfully filled the gap left by Miss Blanton's non-appearance, one of which was a quintette by Messrs. Duke Mann, Herbert Hark-

NEW CITY STEAM LAUNDRY TO OPEN MONDAY MORNING

Messrs. Selvidge & Lawson announce the opening of the new City Steam Laundry on next Monday, and their readiness to serve the public. These gentlemen have been at work installing their machinery for the past six weeks or more, but have experienced some disappointing delays due to machinery getting broken up in transit. They now have all the repairs at hand, and anticipate putting the finishing touches on their preparations by the end of the week.

The new laundry plant is quartered in the building formerly occupied by Bumgardner's flour mill and located to the rear of the bottling works. Both Messrs. Selvidge and Lawson are experienced laundrymen, and expect to run a first-class establishment, making deliveries and calling for laundry. Their coming here fills a great public need, since Brady has been dependent upon outside laundries ever since the destruction of the Stobaugh laundry nearly a year ago.

Benham's Style Show.
An event eagerly anticipated by the large audience was the Benham style show, and which proved one of the classiest and most interesting showings of the new fall styles to be seen anywhere. Living models were used to effectively display the various costumes for both children, young folks and grown-ups, the models promenading across the stage and down the aisles so as to effectively display the various dresses, gowns and hats. The showing was received with every evidence of pleasure by the audience, the appearance of each model in new costume being the signal for hearty applause. The elaborate display of beautiful gowns and hats was the subject of much favorable comment from parties here from a distance, as well as from McCulloch county citizens.

Miss Queen Willison added to the pleasure of the occasion with her piano accompaniment, and also played the accompaniment when Miss Lucille Benham sang in her pleasing manner, "The Sunshine of Your Smiles," which was enthusiastically received. Models in the style show were Mesdames S. A. McCollum, B. L. Malone, J. A. Holton, J. C. Benson; Misses Lucille Benham, Mae Stobaugh, Sarah Johanson, Flora Schaege, Willa Mae Dilliard, Irma Davenport, Edith Weldon; and Little Misses Mary Louise Davis, Dorothy Broad and Lillian Galloway.

Mayor Shropshire and Jas. T. Mann concluded the auditorium program with splendid addresses, during which it was unanimously voted to make the exhibit a permanent annual feature, the same officers as at present being retained to direct next year's event. Mr. Mann expressed his appreciation of the assistance accorded him, and made a strong appeal to all who have not heretofore taken part, to join in and make the next year's exhibit the greatest ever had in this part of Texas.

Dances.
One feature not on the regular program, was the dances given at Jordan hall on both Tuesday and Wednesday nights, both of which were largely attended and greatly enjoyed by all.

LOCAL BRIEFS.

Congratulations are being extended Mr. and Mrs. Fred Spiller upon the arrival of a fine son Sunday night at the home of the lady's mother, Mrs. C. W. L. Schaege. Mother and son reported doing splendidly, and Father Spiller said to be as proud as a peacock.

Mr. and Mrs. Young McCollum visited Young's parents, Mr. and Mrs. Sam McCollum at Mason last week. Mr. McCollum has sold his home place there and Young wanted to visit his parents and the old home before they gave possession and moved away. Mr. McCollum sold him home place consisting of 300 acres for a consideration of \$18,000. This has been their home for 25 years and they had planned and remodeled during that time until it is now one of the nicest and most convenient places in Mason county. They were loathe to part with the old home, but on account of Mr. McCollum's health being bad and not being situated convenient to a railroad they decided they would locate elsewhere. He still owns a several hundred acre ranch in Mason and Menard counties. Mr. and Mrs. McCollum accompanied Young and his wife back to Eden and visited here several days. They are now visiting their son, Sam, Jr., at Brady. They will visit their children at Plainview, Ranger and other points before locating possibly at Brady.—Eden Echo.

Mr. and Mrs. E. W. Harris were in Brady Tuesday from the Broadmoor community. They returned just a week ago from a sojourn of some four or five months in the north, during which time they visited their five children, two of whom live in St. Louis, two in Indianapolis and one in Columbus, O. Among other places they visited also at Wilderness, Mo., where Mr. Harris' son, Will, has an extensive and prosperous ranch. Will, however, has leased out the ranch for a period of three years, and with his family is making his home in Indianapolis, in order to give their daughter the advantage of the schools there. The younger Mr. Harris has engaged in the grain business at that place. While in Indianapolis, Mr. and Mrs. Harris attended the national meeting of the G. A. R., of which he is a member, and he reports the grandest of times with wonderful hospitality accorded the Union veterans on every band. Mr. and Mrs. Harris have again taken up their residence at the old ranch home at Broadmoor, where Mr. Harris retains possession of some thousand acres of pasture land, as well as a thousand acres or more of farm land, besides stock and other interests.

"These Rats Wouldn't Eat My Best Grain," Says Fred Lamb.
It's hard to keep rats out of a feed store. Tried for years. A neighboring store sold me some RAT-SNAP. It worked wonders. Gathered up dead rats every morning. Bought more RAT-SNAP. Haven't a rat now. They wouldn't eat my best grain when I threw RAT-SNAP around." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by O. D. Mann & Sons, and Trigg Drug Co.

Miss Annette Delano Coming.
Gentry Brothers Shows and Wild Animal Arena, which will be seen here on Tuesday, October 12th, have many new features, principal among which is Miss Annette Delano, who, gracefully mounted on a blooded high school horse, sings with the voice of the operatic star, while the intelligent animal, which she rides, rounds the hippodrome track under the big arena tent performing its splendid repertoire of unusual accomplishments. Miss Delano is known as "The Australian Prima Donna Equestrienne," and she more than lives up to her title. The climax of her performance is reached when four score of white carrier pigeons, released from all sides of the great tent, circle above her head and then flutter down to perch on her head, shoulders and arms and on her reins and horse's neck and back.
