## Stock sale prices hold up

DISTRICT CHAMPIONS—Dimmitt's Bobbies happily congratulate each other after blitzing Littlefield, 70-40, in the District 2-AAA championship playoff game Friday night in the

Plainview High School gym. It was the seventh year in a row for the Bobbies to capture the district title.

## Swiftettes going again

After a close call in their bid for bi-district, the Nazareth Swiftettes will advance to the Region I-A Tournament in the Texan Dome at Levelland this weekend.

The Swiftettes first round game will be Friday at 8:30 p.m. against New Home. The winner of that game

will play the winner of the Klondike-Roscoe game in a matchup set for Saturday at 11 a.m.

The championship game will be played at 7 p.m. Saturday.

Follett, Midland Greenwood and Valley are some of the teams we could possibly

be facing on that side of the bracket if we advance that far," said Nazareth's Assistant Coach Sandra Oliver.

Concerning their narrow margin of victory over Withnail for the bi-district title, Oliver said, "We just hope it scared us enough to make us play better this

weekend."

This will be the Swiftettes' seventh straight trip to the regional tournament. Nazareth has won the state girls' championship for the past five years — a UIL record and Tuesday night's bi-district win was their 31st consecutive playoff victory.

## Cats, Swifts in playoffs

Dimmitt's Bobcats will go to Amarillo and Nazareth's Swifts to Levelland for their bi-district championship games Tuesday night.

Dimmitt, the 2-AAA champ, will meet Dalhart of District 1-AAA in the second half of a double-header Tuesday night in the Amarillo Civic Center.

Sanford-Fritch and Clarendon will meet in a Class AA bi-district encounter at 6:30 p.m., and the Dimmitt-Dalhart game will follow at approximately 8:15.

School officials were still working out such details as admission price and home-team designations at press

time Wednesday.

The Swifts, District 5-A champions, will meet Whiteface of District 6-A at 6:30 p.m. Tuesday in South Plains College's Texan Dome in Levelland.

As they enter the playoffs for the fourth straight year, the Swifts will have their work cut out for them. Whiteface owns a 27-1 record and are ranked eighth in the state in Class A. The Swifts own a 24-9 season mark.

NHS Coach Randy Johnson said his Swifts will need to overcome Whiteface's excellent 2-3 zone defense and concentrate on rebounding if

they're to win the bi-district contest.

"I think their defense is their strong point," he said. "If we can score effectively against their zone, I believe we can beat them. I feel that whoever plays the best defense will come out on top."

Whiteface, he said, "matches up to us just about in size. We may be a little bigger overall."

For the Bobcats, this will be the fifth straight trip into the playoffs.

If you think the Bobcats are tall, with their three 6-4 players, wait until you see the Dalhart Wolves.

They have three super tall guys — 6-6, 6-5 and 6-5," DHS Coach Ken Cleveland reported. "They're awfully big."

Just as the Bobcats had to play off against Littlefield to get out of district, the Wolves had to do it against Perryton.

"But Perryton is one of the few teams that pushed them during the year," Cleveland said. "They didn't have but two or three other close games."

At press time Wednesday, Cleveland was negotiating with Berger for a practice game Friday night, with Canyon as the hoped-for playing site.

## Hospital plans doctors' offices

The Castro County Commissioners learned at their regular meeting Monday that officials of the local hospital plan to purchase property just west of Plains Memorial Hospital for future offices.

Hospital Administrator Marshall Cook and hospital board members James Welch and Jerome Brockman revealed the hopes of building the office space to attract new doctors to Dimmitt.

Dimmitt has "a doctor-short situation," Cook said, adding that attempts to recruit doctors into the area have failed, partly due to having no office space readily available.

The land between the hospital and the Castro County Museum "would make the most sense" for office location, Cook said.

Part of the property presently belongs to G. L. Willis, and the rest belongs to the county. The portion belonging to the county was deeded in 1929, Cook added.

The hospital would like to get the land "anywhere from a gift to outright cheap," Welch said.

Commissioner Al Maurer said that the land would

benefit the taxpayers if used by the hospital.

The commissioners asked Castro County Clerk Zonell Maples to look for the deed to see if any stipulations were attached and if the land was formerly deeded, donated or dedicated to the county.

The discussion was tabled, pending further information. Cook said that the hospital has an existing policy stating that the local ambulance service will always take accident victims to the local hospital for stabilization before taking them to any other hospital.

"We would like to rethink this policy," he said, adding that in some cases the victim might need to or prefer to go directly to a different hospital. "We've been a little restrictive in the past," he said. The policy needs revision, he added.

The commissioners suggested that the hospital board meet with an attorney to see that the ambulance drivers would not be held liable in case a victim's condition worsens during a longer trip to a different hospital.

Another suggestion was to have a release form available

to be signed by the victim or by another responsible person, other than the ambulance drivers.

The commissioners said that revision of the policy would be all right with them if the ambulance drivers would never be held liable. Sheriff Lonny Rhynes met with the county board to discuss different possibilities for feeding inmates of the county jail. The present system costs the county about \$10 per prisoner, per day, Rhynes said, adding that the county spent \$1,800 last month for the meals.

If the county begins to serve 11-ounce-or-larger size TV dinners plus bread to prisoners, the cost would be about \$3.10 per prisoner, per day.

To serve TV dinners, the sheriff's department would need to purchase a chest-type freezer, Rhynes said.

The county board approved the purchase of a Sears 23.1 cubic foot freezer for storage of TV dinners.

In other business, the commissioners:

—Approved the purchase of an air pack for the county jail for \$942.20. The breathing

apparatus will be placed in the security area and will be used in case of fire. The air pack will be necessary to comply with regulations set by the Texas Commission on Jail Standards.

—Approved Edd Wilson's motion to renew liability insurance from the National Sheriff's Assn. covering 44 people for one year at \$3,130.06. Those covered include the sheriff department, the judge, probation officers and county commissioners.

—Approved a resolution stating the mileage of county-maintained roads in each precinct. The resolution was necessary to qualify Castro County to receive state assistance of \$350 per mile, not to exceed 500 miles. Castro County has over 900 county-maintained roads.

—Discussed attending the Panhandle Association of Judges and Commissioners meeting set for yesterday (Wednesday) at the Quality Inn in Amarillo.

—Encouraged County Treasurer Oleta Raper to attend the Texas Association of Counties' meeting Tuesday [See HOSPITAL, Page 2]

Bidders didn't let a hard-hit farm economy dampen their support of the county's youngsters in the auction sale Saturday that climaxed the 28th annual Castro County Junior Livestock Show.

The sale grossed \$138,621.14 — a total that was understandably below the record set last year but which was, in the words of a Dimmitt Young Farmers representative, "fantastic, considering the economy."

The five-hour auction sale clipped along at a pace of \$27,724 per hour as bidders paid premiums on 125 barrows, 125 lambs and 19 steers that made the sale.

"Fourteen fewer steers than last year went through the sale, which would account for approximately \$16,000," said Vickie Smithson of Schaeffer & Co., CPA, after tallying the sale totals.

Bidders also donated \$2,210 to the Dimmitt Young Farmers, who conduct the annual show; \$1,985 to the John Darryl McLain Fund; and \$129.90 to Girlstown USA.

Also, buyers donated back five barrows, four lambs and two steers to be taken to Girlstown.

Sale of the 269 animals that went through the show ring totaled \$134,296.24, while donations totaled \$4,324.90.

Providing the floor prices for the show animals Saturday were Hill Feedlot of Hart on steers, 64 cents per pound; Estacado Industries of Sunnydale on lambs, 50 cents per pound; and Tamda Corp. of Amarillo on barrows, 49 cents per pound.

Under the Young Farmers' guidance, the show went smoothly as all judging was done in one day, for the first time. Steers were judged Friday evening instead of Saturday morning as in past years, and the new schedule gave the Young Farmers some "breathing time" Saturday to convert the Expo Building from a show barn to a sale ring.

Biggest single winner in the stock show was Lonnie Robb of the Dimmitt FFA, who scored a rare double, showing both the Grand Champion and the Reserve Champion lambs.

Mark Huseman of the Nazareth FFA exhibited the Grand Champion steer, while Rodney Hunter of the Dimmitt FFA showed the Reserve Champion.

## 'M.A.S.H.' set for two shows

"M.A.S.H." will be presented tonight (Thursday) at 8 p.m. and Sunday at 2 p.m. by the senior class of Dimmitt in the Dimmitt High School auditorium.

The two-act comedy is based on the tactics of doctors and nurses in a mobile medical unit stationed in Korea and set during the Korean Conflict.

Admission will be \$1.50 per person.

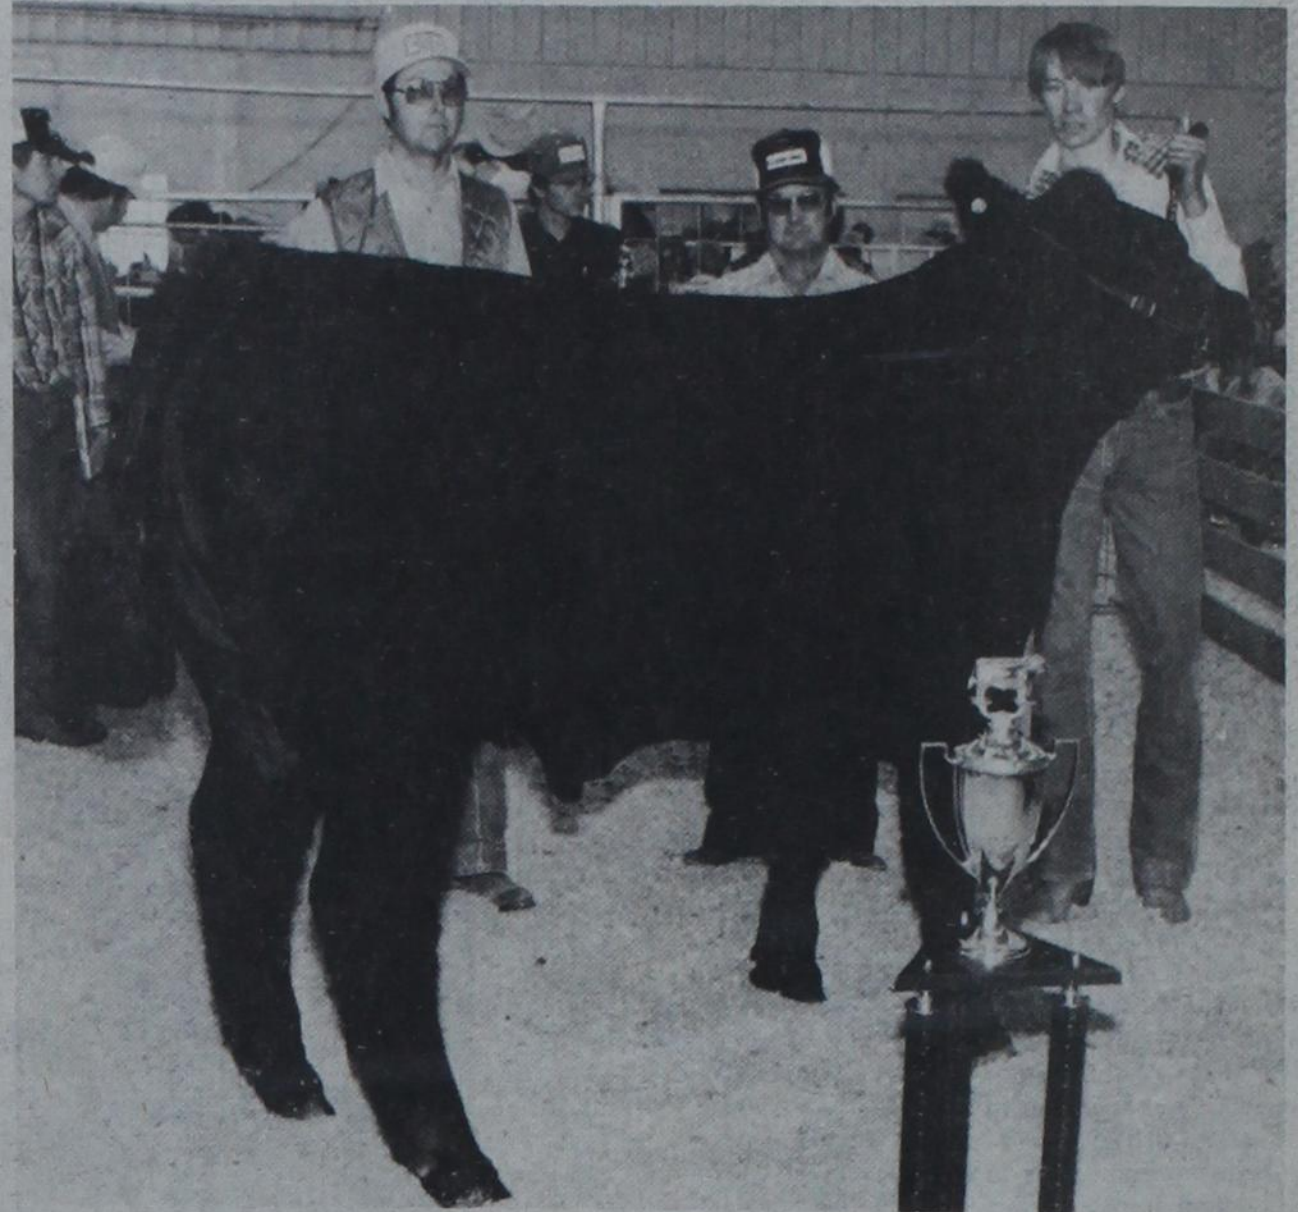

Leads in the play include Kevin Spinhrine as Hawkeye Pierce, Jay Reeve as Trapper John, Lori Sides as Margaret Houlihan, Junior Mendez as Duke Forrest and Robert Watson as Father Mulcahey.

GRAND CHAMPION STEER in this year's Castro County Junior Livestock Show was this 1,230-lb. crossbreed exhibited by Mark Huseman of the Nazareth FFA. At left is Steer Division Supt. Steve Olson of the Dimmitt

Young Farmers, and in center is Hubert Backus, representing the Nazareth Buyers' Club, which won the bidding on the champion steer at \$2 per pound.

GRAND CHAMPION BARROW in this year's Castro County Junior Livestock Show was this big crossbreed shown by Chris Hanes (left) of the Hart FFA. Holding the banner is Walt Hansen of Dimmitt Super Market, who provided Hanes with a guaranteed bid of \$3.50 per pound at Saturday's auction sale.

At right is Swine Division Supt. Larry Robb of the Dimmitt Young Farmers. Hanes's barrow, at 260 lbs., was one of the biggest of the 253 barrows in the show. Hanes will go into the ring with the barrow again next week at the Houston Livestock Show.

GRAND CHAMPION LAMB, the best of 231 entered in this year's Castro County Junior Livestock Show, was this big 128-pounder shown by Lonnie Robb of the Dimmitt FFA. Posing with Robb and his champion lamb are Lamb Division Supt. Greg Sides (left) of the

Dimmitt Young Farmers, and buyer Robert McLean, president of the First State Bank, who paid \$6 per pound for the Grand Champion. Robb posted a rare sweep as his second lamb was named the Reserve Champion.

## No bingo election set soon

A petition for a bingo election in Justice of the Peace Precinct 4 was rejected by the Castro County Commissioners Monday, because the petition was not legal.

The petition was circulated by Florene Leinen.

If legal, the petition would have forced the county to have an election on the option to legalize bingo in Precinct 4.

The county commissioners said that another petition will probably be circulated soon.

In order for any petition to be considered, County Attorney Jimmy Davis said that the signatures must be accompanied with the voter's printed name, voter registration number and residence address with zip code.

A petition from Precinct 4 must have at least 39 names of registered voters, Davis said.

The number of names needed on the petition is

based on 10 percent of the voters in the precinct who voted in the governor's election in 1978.

All signatures must be of voters living east of US 385 and north of State 86 in Castro County.

Four dates were recently designated by the state as bingo election dates. One date has passed; the others are April 3, August 14 and November 2.

# Bobcats win title playoff, 74-73

Dimmitt's Bobcats withstood a last-quarter Littlefield charge Tuesday night to capture the District 2-AAA championship in a white-knuckler of a playoff game, 74-73.

The winner-take-all contest was played before a noisy, packed-in crowd of 1,200 in the Plainview High School gym, and drew onlookers not only from Dimmitt and Littlefield, but from throughout the Panhandle-Plains.

Seven players fouled out during the intense second half — four for Dimmitt and three for Littlefield — as the two top 10 state-ranked teams committed 57 fouls while battling for district supremacy.

It was the second game between the two teams to be settled by a single point.

The pace of the game saw the Bobcats roar ahead in the first and third quarters and the Wildcats fight back in the second and fourth.

Dimmitt gained a 23-14 advantage in the first period but Littlefield tied it at 31 midway in the second before the Bobcats forged a 41-36 halftime lead behind the red-hot shooting of Kevin Cleveland (19 points in the first half).

The Bobcats used balanced scoring in the third period to outdistance the Wildcats 18-10 and gain a 13-point advantage, 59-46.

But it was an expensive quarter for the Bobcats as Jeff Watts, Fermin Gonzales and John Smith collected their fourth fouls in the final two minutes. Meanwhile, Littlefield's Mike Williams got into four-foul trouble, too.

Then Dimmitt's Phil King and Littlefield hotshot James Randel picked up their fourth fouls in the opening minutes of the fourth, and it became a survival contest.

The teams traded baskets until midway in the final quarter, when the Wildcats mounted their final do-or-die charge, with Pat Demel, George Brockington and Jerry Jones pacing a surge that closed Dimmitt's lead to 70-67 with 1:24 to go.

Meanwhile, Littlefield's Randel, Williams and Pylant and Dimmitt's Smith and John King left the game with five fouls each — all within a 1:40 span of the clock.

Keith Gregory sank a pair of free throws with 59 seconds left to give the Bobcats a little breathing room, 72-67, and Cleveland added two charity tosses in the final 30 seconds to offset a follow shot by Demel that had brought Littlefield back to within three at 72-69.

After Cleveland's two clutch free throws, Littlefield's Rocky Bowman sank a basket after a steal to make it 74-71 with six seconds left.

Owning a three-point lead, the Bobcats drew back and let Littlefield score a final basket, which Bowman sank with a

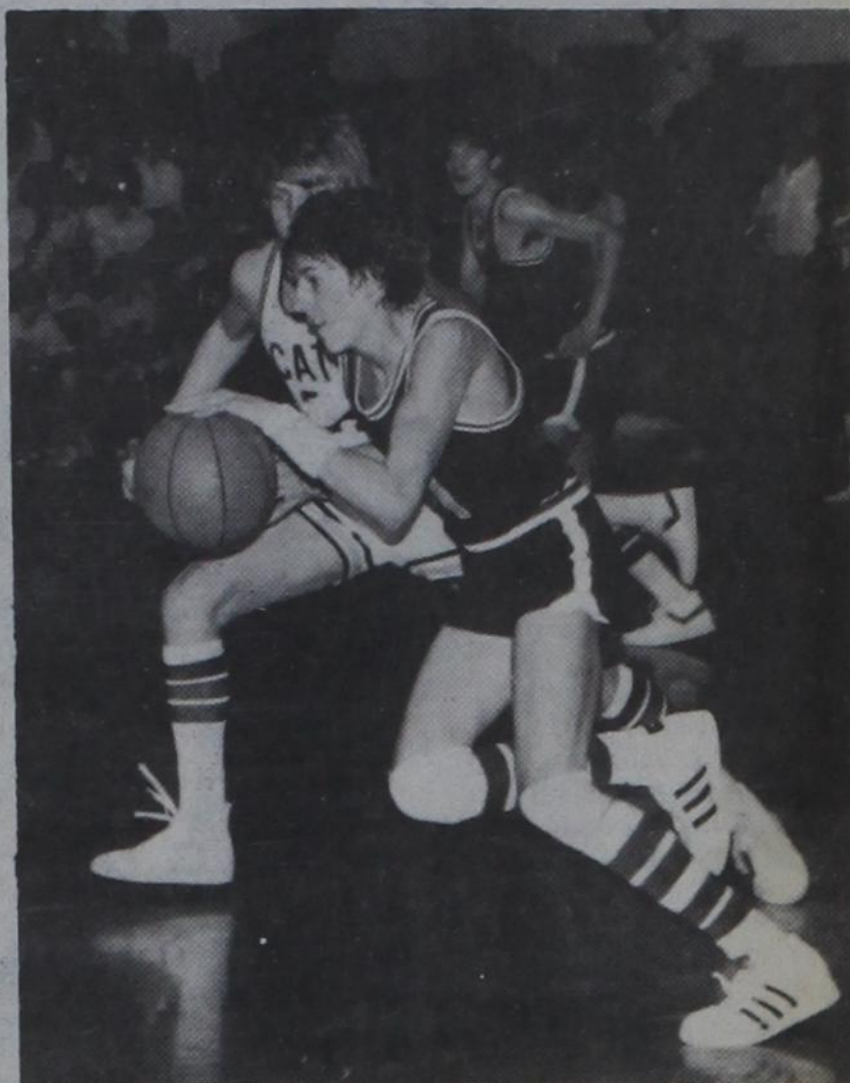

second to go. Littlefield called a time out as Bowman's final basket swished through, but it was one over the Wildcats' limit and it got them a technical foul.

Cleveland took the foul shot and it rimmed out — one of his few misses at the charity line — but by then the game was going into the record books. After the T-foul free throw, the Bobcats inbounded at midcourt to run off the final second as Dimmitt fans rocked the gym with "We're Number One!"

"Our boys showed a lot of heart out there after our big boys all fouled out," a relieved Coach Ken Cleveland said after the game. "I just felt lucky to win it. Littlefield has a fine team; they can really score when they need to. I'm glad I don't have to worry about them any more."

Kevin Cleveland had the hottest hand in the gym in the first half, sinking six field goals and seven of eight free throws for 19 points to pace the Bobcats to leads of as many as 13 points (21-8, 23-10).

Meanwhile, Smith and Cleveland bore the brunt of the work from Dimmitt's 2-3 zone to hold the dangerous Randel in check. The Little-

KEVIN CLEVELAND starts a fast break after a steal during the Bobcats' final regular-season game against Littlefield Thursday night. Littlefield came from behind to win, 73-72, and force a championship playoff Tuesday night in Plainview.

## Anthony goes to Houston

### 'Hide Party'

When Mike Anthony leaves for the Houston Livestock Show with 123 other Castro County youths next week, it will be his second trip to Houston within a month.

As a big winner in last year's show, the 16-year-old Dimmitt youth flew to Houston for the recent "Houston Hide Party," honoring the exhibitors and buyers of the top 28 steers in last year's show.

The Houston Livestock Show is the sponsor of the party, which was televised this year. The banquet hall in the Astro Village Hotel, where the party was held, was decorated with the hides of the winning steers.

Buyers of the animals introduced the exhibitors and presented them with the hide from their animals. Anthony was introduced by Allen and Ethel Carruth. Carruth was president of the Houston Livestock Show last year.

Anthony's steer last year was the Santa Gertrudis breed champion and brought \$38,400 in the sale there. He is returning to Houston next week with another Santa Gertrudis, which, he says, "I think may be just as good."

The party had a large attendance, and was followed by a dance.

field sharpshooter didn't get his first basket until the second quarter, went scoreless in the third and got a single basket in the fourth, finishing with only nine points before fouling out.

Randel's scoring mate,

Williams, also drew blanks until midway in the second period, and finished with 10 points. Bryan Gregory led Littlefield's scorers with 18.

Littlefield's nemesis was the free-throw line. Although the Bobcats were committing

more than their usual number of fouls in the intense contest, the Wildcats converted only 10 of 24 in the first half (42%) and finished with 17 of 32

(53%). Meanwhile, the Bobcats sank 13 of 17 in the first half and finished with 24 of 37 (65%). Littlefield scored 29 field goals to Dimmitt's 25.

Watts, with 16 points, was the only other Bobcat to score in double figures.

The King brothers, Smith and Gonzales contributed six points each for Dimmitt, while Kyle Weatherford scored three and Keith Gregory two.

Not only was Cleveland the game's top scorer — he also was Dimmitt's leading rebounder with 12. Phil King grabbed nine, Watts eight, and Smith and John King collected five each.

Gonzales and Watts led in floor-play credits with nine each, followed by Phil King with six.

Littlefield had forced the playoff game with a come-from-behind 73-72 victory at Littlefield last Thursday night that gave the Wildcats the second-half district championship, offsetting a 69-55 Dimmitt victory in the first half.

## Noon Lions to sponsor youths

Several local youngsters may qualify and be interested in attending the Crippled Children's Camp this summer in Kerrville.

The camp is for hearing impaired, visually impaired, mute or physically handicapped children from 7 to 16 years of age.

The two-week sessions will begin June 20, July 4, July 18 and Aug. 1.

Two camps will also be offered for children with diabetes. They begin June 7 at Kerrville and Aug. 2 in Camp Rio Vista at Hunt.

Applications are available through Dimmitt Schools or from Rev. Billy Strayhorn, intern minister at the First United Methodist Church of Dimmitt.

DISD Supt. Robert Ryan recently estimated that seven or eight local children may be qualified to attend.

The Dimmitt Noon Lions Club has voted to submit applications for all the local, qualified boys and girls who are interested in attending one of the camps.

## Swiftettes win squeaker in bi-district contest

"We'll have to improve or we'll get beat next time," Nazareth Swiftettes Coach Joe Lombard said after his team barely pulled a 47-42 win out

of their Tuesday night game with the Whitharral Panthers girls team for a bi-district championship and the chance to advance to the Regional 1-1A Tournament in Levelland this weekend.

Whitharral took the early lead in the game, 8-2, with Nazareth fighting back to take slim four-point leads at various points in the game. The score was tied at 24-all at halftime.

The game, played before

1,200 fans in the Texan Dome in Levelland, really got going in the last few minutes of the final period. Whitharral's Jenny Joplin sank a 12-footer, giving the Panthers a 38-36 lead, but Roxane Birk-enfeld, who led all scorers with 15, tied it up with a pair of free throws. She then hit a 20-footer from the corner to put Nazareth in the lead for good.

There was at least one other shakey moment, though, when Whitharral closed the gap to 45-42, but Sharon Birkenfeld sank Nazareth's final two points from the charity stripe for the winning edge.

"They (the Panthers) deserved to win, because they outplayed us," Lombard said. "I don't know if we were just meant to win or if we just showed more character and poise at the end."

## Senior Citizens groups to meet

Fifty-eight people participated in an evening of games at the Castro County Senior Citizens Center Tuesday evening. Hostesses were Nell Martin, Silvia Moore and Susie Reeves.

Ruth Crenshaw and Patty Everhart of Lubbock who are with the West Texas Home Health Agency were present and presented a program on health care and took blood pressures.

The Ways and Means Committee will meet at the Center March 8, at noon. The Senior Citizens Advisory Board will meet for a noon luncheon meeting on March 9. Andy Schumacher, vice-president, will preside at the meeting.

## Anniversary to be Sunday

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers, the Nazareth Swift Band, and the Hart Band.]

FEBRUARY 25 — Mr. and Mrs. Arnold Gilcrease.

FEBRUARY 28 — David and Babbette Spinhirne, Bobby and Gloria Steffens.

MARCH 1 — Wayne and Darlene Collins, Bob and Celia Simpson.

MARCH 2 — Dale and Marie Winders.

The First Christian Church of Dimmitt is planning several special activities for its 22nd Anniversary celebration all-day Sunday.

Dean Kelley of Amarillo is scheduled to sing a special message in song for the morning worship service, and he will present an entire concert during the evening services, beginning at 7 p.m.

Also, during the morning services at 10:45, the Children's Choir will present a song.

Following the morning worship, a fellowship luncheon will be held at the church, with everyone bringing pot luck dishes.

Following the evening service, a "left-overs" supper will be shared by all.

"The public is cordially invited to join in this celebration with us at any of the services, as well as the meals," minister Roy E. Barringer said.

Kelley is a former sports-caster for Channel 10 KFDA in Amarillo, and has sung parts in the musical drama presentation of "Texas." He is a member of the Paramount Terrace Christian Church in Amarillo, and formerly served as the church's choir director.

## Price to reveal mail fraud info

Postal Inspector J. R. Price will speak at the next meeting of the Dimmitt Noon Lions Club Tuesday in the Colonial Inn Restaurant, and the public is invited to hear him discuss some of the various fraudulent schemes that have been conducted through the use of the mails.

"False billing schemes, bust-out schemes, business opportunity schemes, medical frauds, mail order frauds and work-at-home schemes are among the things about which our Consumer Protection Program is intended to inform people," Price said.

A postal inspector for 11 years, Price said his talk will last about 25 minutes, adding that he will try to allow a few minutes at the end of his talk for a question and answer period.

## Carl Saxton Simmons

Funeral services were held Tuesday afternoon for Carl Saxton Simmons, 78, of Rt. 5, Dimmitt.

Mr. Simmons died Sunday at 2:45 p.m. in Plains Memorial Hospital after a brief illness.

The services were held in the Parsons Funeral Home Chapel with Rev. John Street, pastor of Dimmitt's First Baptist Church, officiating. Burial followed in Castro Memorial Gardens under the direction of Parsons Funeral Home of Dimmitt.

A resident of Castro County since 1934 and a retired farmer, Mr. Simmons was born July 16, 1903 in Hill County.

He is survived by two sisters, Maurine Henderson and Mildred Kyle, both of Dimmitt; and one brother, W. O. Simmons of Clarendon.

Pallbearers were Walter and Donald Schilling, Oscar Wylie, Jim Elder, Gene Ivey and Kent Birdwell.

## Glenda Haley

Funeral services were held Sunday afternoon for Glenda Haley, 48, of Bandera. She is the sister of Roland Stevens of Dimmitt.

Mrs. Haley died Feb. 14 in Methodist Hospital in San Antonio.

The services were in the Ellis Funeral Chapel of the Chimes in Muleshoe, with Rev. Dick Tarr, minister of the First Christian Church of Muleshoe, officiating.

Born in Earth, Glenda Stevens married Allen Haley on May 12, 1954, in Clovis, N.M. She was a member of the First Christian Church of Muleshoe.

Survivors include her husband; a daughter, Sandra Harclerode of Houston; her mother, Sena Stevens of Muleshoe; a sister, Cheryl Borden of Portales, N.M.; and three brothers, Roland Stevens of Dimmitt, Duane Stevens of Muleshoe and Rick Stevens of Houston.

## Agnes Hollenstein

Agnes Hollenstein, 95, of Umbarger, died at 7:30 p.m. Feb. 16 at the Tulia Care Center.

She was the mother of Bertha Huseman of Nazareth.

Rosary was recited at 7:30 p.m. last Wednesday and Thursday in the Wallace Funeral Chapel in Tulia. Mass was read at 10 a.m. Friday at St. Mary's Catholic Church in Umbarger, with Father James Sonderman, pastor, officiating.

Burial was in St. Mary's Cemetery in Umbarger, under direction of Wallace Funeral Home of Tulia.

Mrs. Hollenstein was born Agnes Friemel Nov. 8, 1886, in High Hill. She moved to Randall County from High Hill in 1902. She married Joseph Meinrad Hollenstein on Jan. 11, 1915, in Nazareth. He died in 1959.

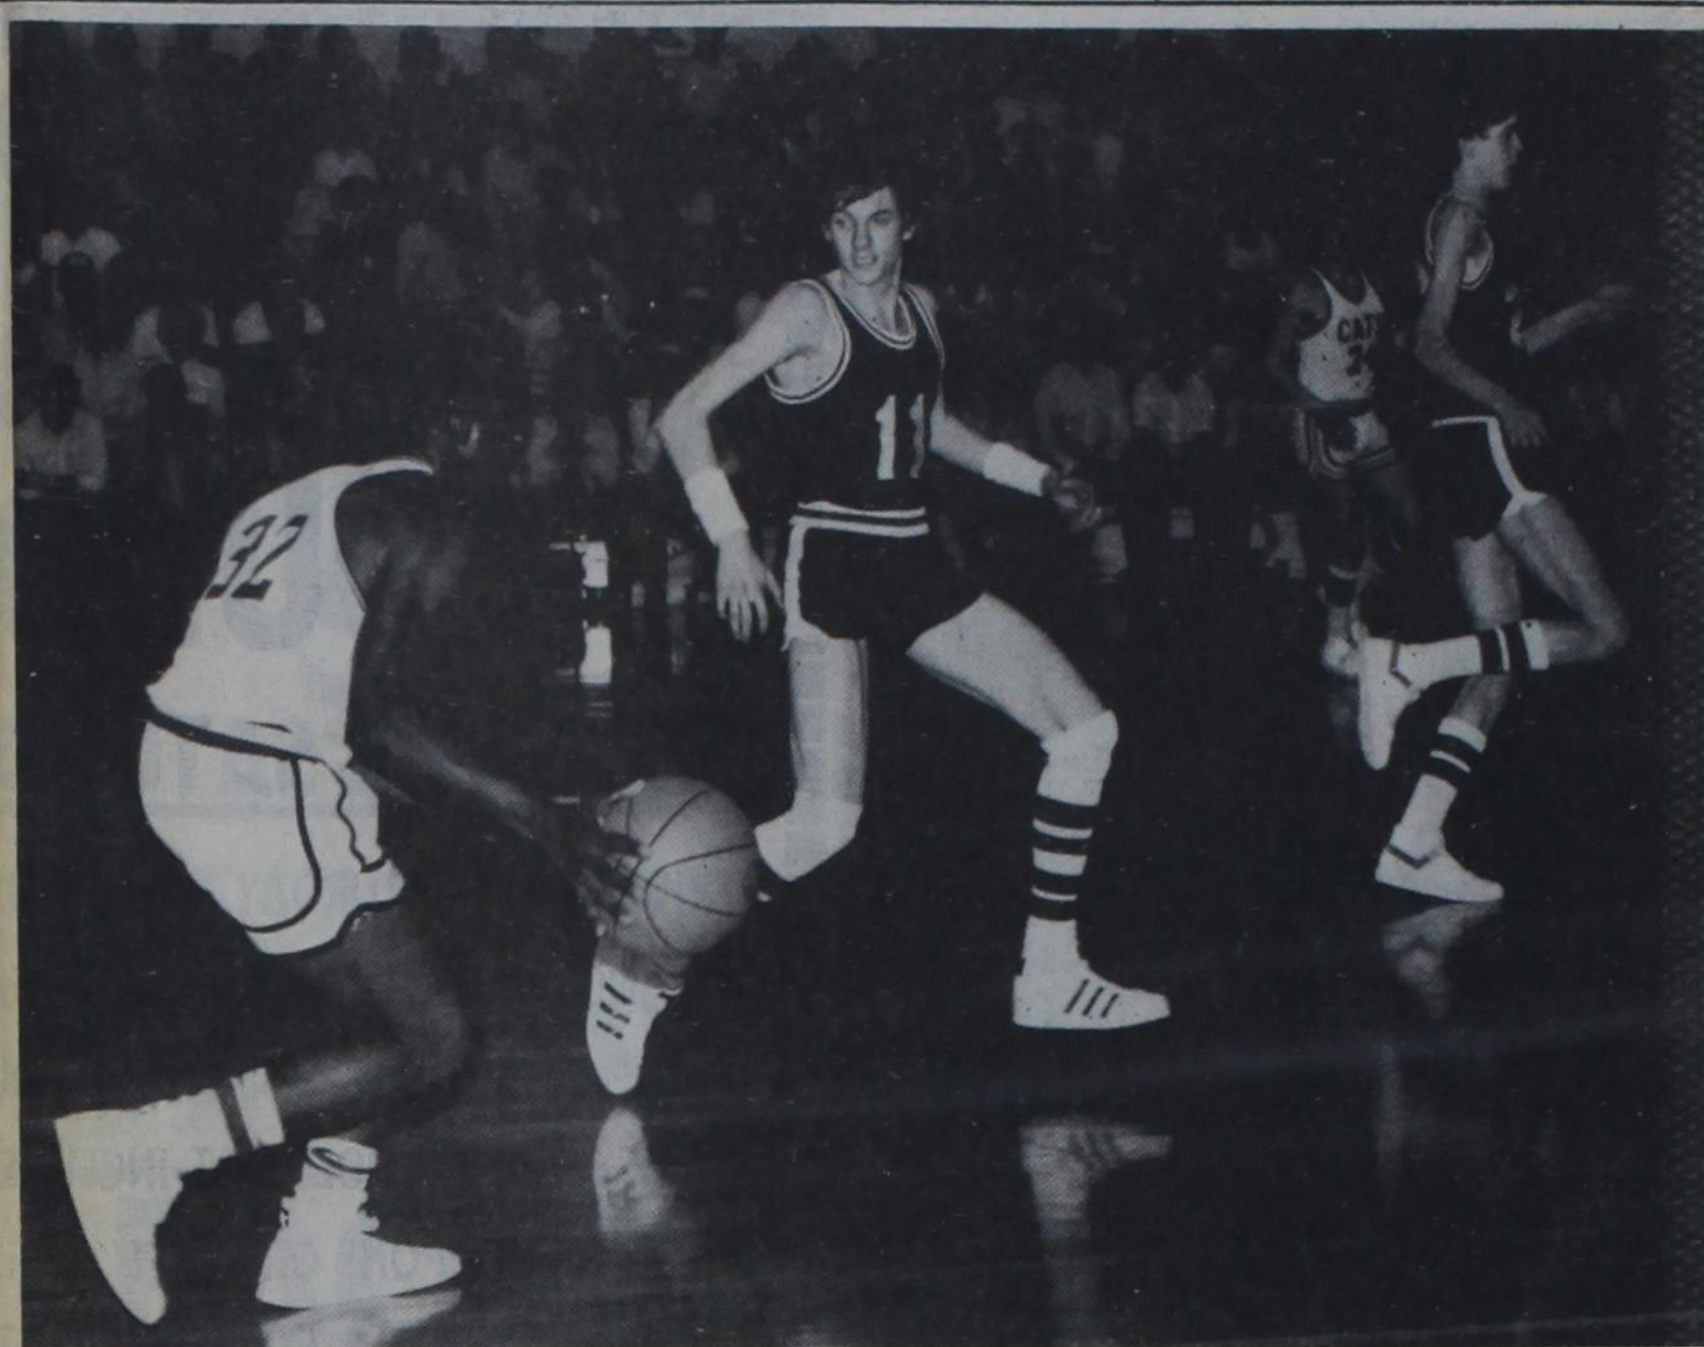

She was a member of the St. Mary's Catholic Church, Christian Mothers Society and St. Mary's Altar Society.

She is survived by five daughters, Marie Venhaus of Happy, Emma Nihill of Anaheim, Calif., Martha Huseman of Tulia, Bertha Huseman of Nazareth, and Anna Klemm of Santa Ana, Calif.; a son, Ernest, of Bullhead City, Ariz.; a sister, Clara Hess of Arkansas; three brothers, E. J. Friemel of Umbarger, Joe Friemel of Tucumcari, N.M., and Rudolph Friemel of Port Aransas; 45 grandchildren, 78 great-grandchildren and three great-great-grandchildren.

Pallbearers were her grandsons.

SHAWN JACKSON sinks a basket at the first-quarter buzzer to give the Bobbies a 20-6 lead over Littlefield in their District 2-AAA championship playoff in Plainview Friday night. The Bobbies went on to win, 70-40, to capture their seventh straight district title.

CUTTING OFF THE BREAK—Dimmitt's Kevin Cleveland [11] and John King race downcourt ahead of Littlefield's James Randal [32] to cut off the Wildcats' fast break in the Cat-fight for the District 2-AAA second-half title Thursday night at

Littlefield. Playing before the largest crowd to pack the Littlefield High School gym in 20 years, the host Wildcats came from behind to win, 73-72, forcing a championship playoff game.

## Tax relief to be based on land productivity

Is the land you own being used for agricultural purposes? If it is, then you may be eligible for tax relief on that property.

According to Jerry Heller, chief appraiser for the Castro County Appraisal District, qualified landowners have the option of applying for agricultural or open-space land valuation on their property.

He said that two constitutional amendments provide for the taxation of land on its agricultural use (or productivity) value. In other words, taxes would be assessed against the productivity value of the land instead of what the property would sell for in the open market.

Heller indicated that the legal basis for this valuation is found first in the Texas Constitution. He added that several criteria must be met in order to qualify under this section.

Some include:  
—The land must be owned by an individual, not corporations, partnerships, agencies or organizations;

—The land must have been devoted exclusively to agricultural use for at least three years prior to the year application is first made;

—Annual application is required of the owner;

—The owner must file a sworn statement each year he applies, attesting to the land's agricultural use;

—The chief appraiser must determine that the landowner qualifies and must approve the application, and,

—The agricultural business conducted on the land must be the owner's primary occupation and source of income.

Heller said another form of alternate valuation available to qualified landowners is that of open-space land valuation. Effective since 1979, it provides for the valuation of agricultural and timberlands and ecological laboratories.

Several conditions must be met in order to qualify under this section, including:

—The land must have been devoted principally to agricultural use for at least five of the last seven years;

—The land must be involved in a qualifying agricultural use;

—The land must be used for agricultural purposes to the degree of intensity generally accepted in the area, and,

—The chief appraiser must approve the application.

In 1982, once an application for open-space valuation is filed with the chief appraiser and approved, a landowner will not be required to submit another application so long as the land qualifies. The chief appraiser, however, may request that a new application

be filed.

Heller said that under either form of valuation, the possibility of a rollback tax exists. He indicated this liability for additional tax is triggered by either the sale or change in the use of the land. A change in the use of the land triggers a rollback tax. The change of use would be to a non-agricultural purpose that would not qualify for productivity valuation.

The additional tax is measured by the difference between the taxes paid under productivity valuation provisions and the taxes which would have been paid at the market value, he added. The re-capture of lost taxes extends back from three to five years.

"Application forms will be mailed to landowners, so if a landowner has not received the forms by Tuesday, please let us know," Heller said.

Included with the ag-use forms will be an exemption application for farm machinery. This exemption must be applied for annually. Machinery eligible for exemption includes tractors, plows, combines and cotton strippers. Pickups and trucks are not included.

The appraisal district office is waiting on an Attorney General opinion to determine the extent of this exemption, Heller added.

All exemption applications should be filled out and returned to the Castro County Appraisal District, 204 Southeast Third (rear), by May 1. The phone number is 647-5131.

## Two students named in book

Two students from Dimmitt High School have been named to America's Outstanding Names and Faces. They are Steve Anderson and Janis Hutcheson.

The group is composed of students who excel in academics, athletics, extracurricular activities or community service.

They will be featured in the 1982 edition of America's Outstanding Names and Faces. Less than one percent of all students nationwide receive this award.

Miss Hutcheson and Anderson have been selected for the honor before. Both have been involved in All-Region Choir, UIL Choir and Solo Contests and Tri-State Music Festival activities.

John L. Spencer

## John L. Spencer

John L. Spencer, 85, of Sunnyside died Monday afternoon and funeral services are set for today (Thursday) at 2:30 p.m. in the Sunnyside Baptist Church.

Ministers officiating at the services will be Rev. Richard Clymer, pastor of Sunnyside Baptist Church, and Rev. Ronnie Travis, pastor of Lee Street Baptist Church of Dimmitt. Burial will follow in West Lawn Memorial Park under the direction of Parsons Funeral Home of Dimmitt.

Mr. Spencer died in Plains Memorial Hospital in Dimmitt after a lengthy illness. He had been a resident of Castro County for 37 years.

Born Oct. 9, 1896, in Colgate, Indian Territory, Okla., he was a farmer and a veteran of World War I, serving in the US Navy.

He married Florene Goodwell in Wewoka, Okla., on Nov. 12, 1921. He was a member of the Sunnyside Baptist Church for 36 years.

Survivors include his wife; two daughters, Mrs. W. D. (Vera) Smith of Houston and Mrs. Clyde (Lucille) Akers of Lubbock; two sons, Noah Spencer of Dimmitt and Howard Spencer of Red River, N.M.; one brother, Bob Spencer of Blanchard, Okla.; five grandchildren; and eight great-grandchildren.

Pallbearers are Kenny Akers, Olvis Spencer, Harold Spencer, Jerry Shive, Donnie Shive, Alan Shive, and Jerry Cox.

## Mrs. Aleman given award

Lisa Aleman of Amarillo recently was presented the Clerical Recognition Award by the District Claim Office management and the outstanding clerical employees. The award is presented only to those who perform outstanding customer service, self initiative and cross training development.

She is the daughter of Mr. and Mrs. Fernando Hernandez of Dimmitt.

The award given by each District Claims Office was accepted by Mrs. Aleman in a ceremony held at Allstate's sales and claim office in Amarillo where she works as a secretary.

Recipients of the Clerical Recognition Award are selected by the District Claim Office management and the outstanding clerical employees. The award is presented only to those who perform outstanding customer service, self initiative and cross training development.

Mrs. Aleman is a graduate of Dimmitt High School and Amarillo College. She and her husband, Frank, have one child, Richard, who is 16.

## Comment request draws response

Some 5,221 people mailed comments on a proposed national soil and water conservation program before the deadline, according to a preliminary count by the U. S. Soil Conservation Service (SCS).

SCS was designated by the Secretary of Agriculture to collect comments in Texas, summarize them, and forward them to Washington.

"We have just started summarizing the comments," George C. Marks, state conservationist, said. "Results

of the state summary should be available by early April and county-by-county summaries by early May."

The comments were in response to the Secretary of Agriculture's preferred national program for conservation requested by Congress in the Soil and Water Resources Conservation Act of 1977 (RCA). The final program will be written after comments from all across the United States have been considered by the Secretary of Agriculture.

JO BEHREND, Dimmitt Cubmaster, shows the District Award of Merit which she received Monday from the Haynes Boy Scout District. In background is District Scout Executive Bob McMasters, who presented the award to Mrs. Behrends in recognition of her many years of service to the Cub Scouts.

## Cubmaster receives Scout Award of Merit

The Haynes Boy Scout District this week honored Jo Behrends of Dimmitt for years of service to scouting by awarding her the District Award of Merit.

Mrs. Behrends, who has been Dimmitt's Cubmaster for the past five years, received her award plaque Monday from District Scout Executive Bob McMasters of Plainview.

The District Award of Merit is presented to adult volunteers who provide exemplary leadership to the scouting program over a period of years. Winners are chosen annually by a select committee. Two persons in the Haynes Scout District were chosen to receive the award this year, McMasters explained.

Mrs. Behrends has worked with the Cub Scout program here 10 years. She started as a den leader, then served two years as a Webelo leader.

"The Webelo leader's job requires a man, but we couldn't get a man to do it, so I just

took it and signed everything 'Joe Behrends' those two years," she commented.)

After her two years as Webelo leader, she became Cubmaster of the Dimmitt Pack five years ago. Since last September, she also has served as the leader for Cub Den 3.

Mrs. Behrends is the second Dimmitt resident in recent years — and also the second in her family — to receive a District Award of Merit. Her husband, Bill, former Dimmitt Troop Committee chairman and Scoutmaster of Troop 266, received the award in 1976.

## Presbyterians plan meetings

"Lenten Trade-Off" will be the subject of Rev. Edward D. Freeman's sermon on the First Sunday of Lent, this Sunday at 11 a.m., in the First Presbyterian Church of Dimmitt.

A Stewardship Cluster meeting will be held from 7 to 8:30 p.m. Tuesday at the First Presbyterian Church of Canyon. Dimmitt delegates include L. C. (Chet) Braafladt, stewardship chairman; Joan Thrasher, treasurer; and Trustees Helen Braafladt, Mark Henslee and Charles McLean.

Marvin A. Pennington will show slides of his missionary journeys next Wednesday at 7 p.m. at the Presbyterian Church of Dimmitt. All interested persons are invited to attend and see the presentation.

**Mrs. Eunice Thornton DAR recognize Mrs. Thornton**

Mrs. Eunice Thornton of Dimmitt, longtime teacher in Dimmitt Middle School, has been named the History Teacher of the Year by Los Ciboleros Chapter of the Daughters of the American Revolution, of Hereford. She was born in Bovina and grew up at Farwell. After graduation from high school as valedictorian, she attended West Texas State University of Canyon and Texas Tech University of Lubbock. Her major was Home Economics. She did graduate work at WTSU, Texas Tech and at the University of Colorado. Mrs. Thornton taught Home Economics for nine years before changing to the fifth grade. She has taught fifth grade for 26 years. "Social Studies classes have always been interesting and challenging, especially in recent years," Mrs. Thornton said. "Teaching was a family tradition" with both my parents, sister, brother, several aunts and uncles in the teaching profession," she added. She and her husband, W. E. Thornton, have two married daughters, Irene, who lives in England, and Susan, who lives in Wichita Falls and is a regional director of the American Heart Association.

**King talks to Rotary Club**

"Agriculture is a very complicated industry," Carl King, president of Texas Corn Growers Association, told Rotarians Friday. He spoke about the agricultural situation in West Texas touching on such subjects as the revision of the Farmers Home Administration credit, crop yields, diverted acres, low market prices and high interest rates. "We're in a vise," he said, adding, "We need breathing room."

Corn Growers are looking into different markets for corn, such as health food cornpuffs and corn chips. King said that he will represent Corn Growers at the International Trade Exposition in New Orleans on March 15.

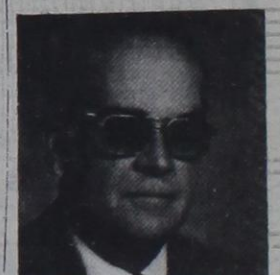

Sixteen members and guests Hiram Mussett; Betty, Kitzel and Elaine Hoover; and club sweetheart Tammy Stanford heard King's talk. The Rotary Board scheduled a meeting for Monday to elect three club members to serve as coordinators of circus planning.

**Earth banquet set March 6**

The 27th Annual Banquet of the Earth Chamber of Commerce is set for March 6 at 7 p.m. The featured speaker of the evening will be Johnny K. Watson of Hereford. Also, winners of the Man of the Year, Woman of the Year, and other special awards will be recognized. The banquet will be held in the Springlake-Earth school cafeteria, and admission will be \$7.50 per person. All are invited to attend.

## Kiwanis gives \$2,500 to 4-H

At its Monday meeting, the Dimmitt Kiwanis Club presented a \$2,500 check to representatives of the Castro County 4-H program in appreciation for the group's help with the club's annual pheasant hunt events.

Scott Simpson, President of the County's 4-H Council and this year's Gold Star Boy, along with Scott Nelson, President of the Flagg 4-H Club, spoke to the Kiwanians about the history and goals of 4-H, and reported on the projects and activities of the local program.

Accepting the check were 4-H sponsor and assistant county agent Neal Tindol and County Extension Agent Charles Hottel.

Hottel said all 4-H leaders would be conferred with before any of the funds were spent.

The Kiwanis board of directors agreed to send a \$25 donation to the De LaSalle Primary Health Care Educational group in honor of one of the group's workers, James Miller, who was killed recently in Guatemala.

It was the club's turn to deliver Meals on Wheels for this week, and club members who volunteered to help out were Randall Craig, Richard Stahl, Cliff Lewis, Robert Benton, Alex Glass, and Elmer Berryhill.

The interclub chairman reported that the chaparral chip

traveling trophy plaque had been speedily passed on to the Kiwanis Club in Tulia.

Club members voted to meet Monday in the east cafeteria of Helen Richardson Elementary school in honor of Public School Week.

Guests at Monday's meeting included Frank Welch and Bill Greenawalt, and Key Clubbers Shayla Coker and Shonda Wright.

Also, the club's pheasant hunt project was featured on the front page of "Ki-notes," the official newsletter of the Kiwanis Texas-Oklahoma District.

## Order soon for windbreak trees

The Running Water Soil and Water Conservation District is taking final orders on the Windbreak Tree seedlings program for this year.

"The Colorado State Forest Service will begin to run out of trees very soon," said Lilly Nicholson, Secretary for the Running Water SWCD.

Mrs. Nicholson advises all those wishing to order trees to have their orders turned in before the first week of March. The orders are being taken at the Soil Conservation Service office at 3rd and Bedford, or orders can be called in at 647-4324.

## Farm meet is tonight

Secretary of Agriculture John Block will meet tonight (Thursday) at 8 in a "Town Hall Meeting" in Lubbock with High Plains farmers.

The meeting will be held in the Municipal Auditorium, instead of at the University Center on the Texas Tech campus, as had been originally planned.

A host committee of High Plains agricultural leaders have made the arrangements for the meeting. Committee members include Vern Highley, Vice-President of Plains Cotton Cooperative Assn.; Donald Johnson, Executive Director of Grain Sorghum Producers Assn.; Dr. Bill Ott, Resident Director of Research, Texas Agricultural Experiment Station; and Dr. Sam Curl, Dean of Agriculture, Texas Tech University.

GSPA Executive Director Elbert Harp said, "Secretary Block told us that he wants an opportunity to visit with farmers. The meeting is being planned to allow time for questions, answers and discussion."

He added that all farmers are encouraged to attend.

### Letter to the editor

## Wind power isn't just 'a thing of the future'

Dear Editor:

The following is a rebuttal to the article your paper ran Feb. 18. ("Wind Energy May Be a Thing of the Future.")

Wind power is here now! Residents of the Texas and Oklahoma Panhandles and eastern New Mexico are in one of the largest geographical areas in this hemisphere where the wind has the best potential for commercial use.

Located in the heart of this region is the USDA Energy Program on Wind Energy at Bushland. Here valuable data are collected about the use of agricultural wind energy. In collaboration with the Alternative Energy Institute at West Texas State University, many uses of wind energy have been investigated.

As a member of this research group since the summer of 1978, I have actively worked with these projects. The results of these experiments are what were used (in the article) by Wayne Keese, an agricultural engineer with the Texas Agricultural Extension Service. The picture he painted was one that appeared pretty bleak for wind energy. He was correct in most of his opinions, shortsighted on other points and wrong on a few others.

Wind-assist irrigation is an efficient system provided that you pump water all year round as city municipalities such as Canyon and Amarillo, or only pump water when the wind blows, which is rather erratic.

But Mr. Keese was extremely shortsighted in not recognizing that wind power can be used for purposes other than irrigation. It has long been known to us that load-management is perhaps the greatest factor involved in the use of wind power. When a farmstead is powered from a centralized power system (essentially one electric meter), proper spacing of power use and a properly sized wind turbine, so that

little or no power is returned to the utility grid; the farmer gets full retail rate from his wind turbine when used to power any of his electrical loads (irrigation, farm house heating, cooling, or electricity, the same for livestock buildings, grain and feed processing, and many others) — in fact, any electrical use a farmer may have.

With proper selection, wind turbines are a hedge against inflation with electric rates going up more and more. I emphasize "proper selection." Some wind turbines are nothing but junk, and will not be useful or economic.

In a wind regime of 16 mph annual average windspeed, this translates into almost 1,000 kilowatt-hours of energy covering every square foot of your farm. For some reason, many critics of wind energy seem to feel that in a blinding flash, wind turbines should be turning out power.

Remember, if you're old enough, the growing pains the automobile industry had. Now it's plagued with recalls and other problems. Wind turbines have essentially come into use over at most the last 10 years. The auto industry has had a 75-year head start; now it's a rare case when anyone can do without his or her trusty wheels. Give wind energy a chance to mature before passing judgment.

A local electric co-op made some pretty scathing remarks about wind energy, namely that wind turbines are ALL unreliable and they take up too much area. This opinion is based, unfortunately, upon a prototype wind turbine used on a very specialized project. Wind turbines now run for many weeks or months with little or no maintenance. As for taking up too much farmland, in one of our projects, we have two wind turbines with about 40 square feet taken out of use. On cultivated land, about a 30 x 40 ft. area is used. I have not

known a farmstead that did not have a non-productive corner that could be used to harvest the wind.

Wind power has a place in agriculture, now! We just have to use it in an intelligent manner. Wind is controlled by only one person, and HE's not likely to shut it off.

Our research group not only conducts tests on wind energy applications but conducts workshops, seminars, or just guest appearances for any organization that requests us. This is our job — to inform the public about the potential of wind power. Please feel free to call upon us or come and visit us at the research center at Bushland. We will try to answer your questions or find the answers if we need to.

### PLAINS MEMORIAL

A girl, Ramona Amy, was born to Guillermo and Bonnie Lopez on Feb. 16 at 6:03 p.m. The baby weighed 8 pounds and 8 ounces and measured 20 1/2 inches in length. Grandparents are George and Ramona Lopez of Dimmitt. Great-grandparents are Mr. and Mrs. Jacinto Ramos of Dimmitt.

Born Feb. 18 at 8:39 a.m. to Joe and Josie Flores was a boy, Roy Salome. He weighed in at 8 pounds 2 1/2 ounces and measured 20 inches in length.

SO FAR, there has not been a U.S. President born in June.

## Police calls

Local officers arrested 21 men this week including 12 arrests for public intoxication, four for driving while intoxicated, three for disorderly conduct, two for resisting arrest and two for simple assault (one of which was assault of a police officer).

Other charges included driving without a license, driving while license was suspended, theft by check, unlawfully carrying a weapon and unauthorized use of a motor vehicle. Several arrests were made with multiple charges.

Last Thursday evening, an officer investigated a harassment case and took a knife away from one man. The policeman released the man into the custody of his wife.

Annie Mae Taylor of 403 Southwest Third called police Friday afternoon about a burglary. Someone broke into her storage shed and took a jar containing an unknown amount of old coins. Damages to the shed totaled about

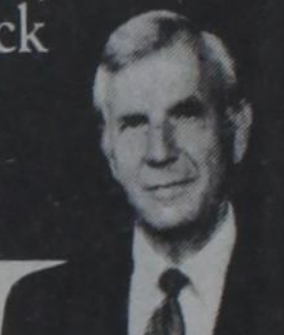

\$22. A neighbor said that she saw several juveniles playing around the shed earlier in the day.

Charles Michael Wilkerson, driving a 1981 Chevrolet pickup, was traveling north in the 300 block of Northwest Fifth when he slowed to turn right into a private drive. John Nino Jr., driving a 1977 Ford Granada, hit Wilkerson's pickup in the right back quarter panel. Nino was issued a citation for following too closely.

Mark Broadstreet, driving a 1976 Buick, was heading south on US 385 Friday afternoon when a 1967 green Chrysler also heading south swerved and hit Broadstreet's car in the right back quarter panel. The green car left the scene and was later found in Hart. It belonged to Larry Henderson who was issued two citations, one for unsafe lane change and one for leaving the scene of an accident.

## Dalhart wins bi-district

# Bobbies finish successful year

Dimmitt's Bobbies went from feast to famine during the week. They blitzed Littlefield 70-40 at Plainview Friday night to clinch their seventh straight district championship. But their hopes of a trip to regional, and perhaps even to state, were shattered Monday night when they lost a 59-49 decision to the Dalhart Wolverines in the bi-district game at Hartley. The Bobbies completed a

successful season with a 19-13 record. So total was the Bobbies' domination over Littlefield in the district playoff game Thursday night that Plainview locals who had come out for the game wondered aloud why the Bobbies were in the playoff situation. Coach Jimmy Hoyle had the answer: "I guess Littlefield has had some problems (4-0 in the first half of district play, 0-4 in the second), but really, our girls just improved that much during the last part of the season. Several of our girls really came on, and they started putting it together."

In order to get their bi-district game on Monday night and avoid a conflict with the Bobcats' Tuesday night district playoff, the Bobbies had to agree to play at Hartley, 102 miles north of Dimmitt and 14 miles south of Dalhart. It was a long trip up, and an even longer one back. The Wolverines controlled the game's pace throughout the first half, leading by as many as eight points in the opening period. Dalhart owned a 16-11 lead after the first quarter and went to the powder room at halftime with a 31-26 advantage. But the Bobbies took away Dalhart's lead early in the third and made a new game of it. Sonya Andrews opened with two quick buckets and Pam Nelson added one, then Teresa Brown gave the Bobbies their first lead, 34-33, with 4:20 remaining in the quarter. It was toe-to-toe during the rest of the third, with Dimmitt owning a 40-39 lead going into the final period.

But then Dalhart staged a rally and Dimmitt's shots started rimming out. The Bobbies scored only two field goals in the fourth and the Wolverines three. But Dalhart put the game away with a rash of free throws as the Bobbies had to start fouling to get the ball back. Although Nelson sank a charity toss on a three-point play midway in the fourth and Kristi Sheffy netted four in a row in the final 2½ minutes, it wasn't enough to offset 13 Dalhart free throws in the fourth. All points scored in the final 3:50 came from the charity stripe. Beth Benton with nine points and Teresa Brown with eight paced Dimmitt's scoring. Andrews and Tobbie Tischler added six each, Dalhart hit 19 of 33 free throws for a 58% accuracy mark, while Dimmitt sank 13 of 19 for 68%. Dalhart scored 20 field goals to Dimmitt's 18. "I'm a little disappointed,

but I feel we played pretty well and I'm proud of the girls — they accomplished a lot this year," Hoyle said after the game. "Our girls worked real hard and showed a lot of pride and gave an excellent effort this season," he added. "If they work as hard in life as they did in basketball this year, they'll make good citizens."

## Easter Opry to perform at DHS

## Volleyball tournament begins tonight in Hart

Many friends and relatives from here and out of town attended the wedding of Rick Kleman and Vicki Venhaus of Happy on Saturday afternoon. The marriage was in Happy at Holy Name Catholic Church and a reception and dance followed at Nazareth.

Schulte of Hereford visited the Vincent Guggemos family and Regina Steffens family on Sunday.

Sister Immaculata is home at the Nazareth Convent after spending several days in Lubbock receiving evaluation tests for her heart.

Tom and Raelene Hoelting

and children spent the weekend in Odessa with the Bill Hoelting family. On Sunday, Marsha Hoelting made her first Communion in Odessa. Olin Schulte of Seguin was also visiting with the Hoelting family. Casey Hoelting came back home with his parents after spending a couple of weeks in Odessa with the Bill

Hoeltings.

Funeral services were held Friday morning in Umbarger's St. Mary's Catholic Church for Mrs. Agnes Hollenstein, 95. Burial was

also in Umbarger Cemetery. Her surviving children are Ernie Hollenstein of Arizona, Annie Kleman of Santa Anna, Marie Venhaus of Happy, Jean Nihill of California, Bert

and Artie Huseman of Nazareth. Meta Stork and Florene Leinen enjoyed Sunday dinner with the LeRoy Pohlmeier families.

The Senior Citizens Game Night was enjoyed Sunday evening by 35 members. During the evening a big birthday cake was enjoyed in honor of those celebrating February birthdays. Those honored were Vincent Pohlmeier, Anne Schulte, Vincent Huseman and Odella Schulte. Congratulations to Ed and Lorene (Brockman) Riley of Kansas City on the birth of a daughter. Lorene's mother, Marie Brockman is in Kansas City with her family. Martha Lueb and Edna

## Public School Week plans are set locally

Dimmitt and Hart Schools will join other public schools throughout the state in observing Texas Public School Week next week.

The Hart Schools invite all persons to visit the schools any time during the week and to eat lunch in the school cafeteria. Adult meals will be \$1.25 each, with children's meals at 60 cents each.

Hart's open house will be next Thursday night from 7:30 to 9:30. The 4th, 5th and 6th grade bands will present a concert at 7:30 p.m. in the elementary gym, and the high school and junior high school bands will perform at 7:30 p.m. in the high school gym.

Following both programs, classrooms will be open for visitation. Dimmitt Schools have also extended invitations to all persons, especially parents, to visit classes between the

hours of 8:30 a.m. and 3:30 p.m.

Richardson Elementary Principal Elmer Berryhill said that some of the teachers have worked up special programs and have sent notes home to parents inviting them to attend their children's programs.

Visitors are encouraged to have lunch in the East Cafeteria of Richardson Elementary. Kiwanis will eat there Monday, and the United Lions will eat there Wednesday.

Each classroom teacher in Dimmitt Middle School will extend an invitation to a business person to visit the classroom and to have lunch with the class.

Fourth period classroom teachers in Dimmitt Junior High will also extend invitations to business persons.

Student Senate members will be present to register and direct visitors to the rooms of their choice.

Dimmitt High School invites parents to attend one or more classes with their son or daughter on Tuesday and Wednesday. Special invitations will be extended from second period teachers to parents of their students.

Organizations asked to visit and eat lunch at high school are the Masonic Lodge next Thursday and the Rotary Club on Friday, March 5.

Faculty members will invite one business person to attend at least one class and eat lunch sometime during the week.

High school students will be stationed at each of the main entrances to assist and register visitors.

## Fire calls

The Dimmitt Volunteer Fire Dept. answered four fire calls during the past week, and all of them were cotton fires.

Last Thursday, three units and 12 men reported to a fire at Easter Gin.

Tuesday around noon five units and 22 men went to fight a fire at Five Point Gin.

While those were busy, a small fire was reported at 2:45 p.m. on FM 3215 just south of Dimmitt. A small pile of cotton was reported on fire. The report stated that equipment used for the fire included "the red truck and a plastic bucket." Five men reported to that fire.

Wednesday morning a cotton fire was reported at Easter Gin.

Seventeen firemen attended practice this week.

# Wilbanks, Johnson wed on St. Valentine's Day

Mr. and Mrs. Monte Lynn Johnson are at home in Dimmitt after a trip to Amarillo following their Feb. 14 wedding in Childress.

The bride, the former Tena LaWan Wilbanks, is the daughter of Mr. and Mrs. Thomas E. Wilbanks of Childress. The groom is the son of Mr. and Mrs. Roy G. Johnson of Dimmitt.

The formal, double-ring ceremony was held in the afternoon in the First Baptist Chapel in Childress with Dr. J. V. Cohorn officiating.

Given in marriage by her father, the bride observed tradition by wearing something old — her shoes, her gown as something new, pearls belonging to her mother as something borrowed, and her garter as something blue.

Her antebellum dress of reembroidered Chantilly lace over bridal taffeta was designed with a Queen Anne neckline and long tapered sleeves with ruffled cuffs. Joined to the bodice at the natural waistline in a V-shape, the bouffant skirt featured tiers of ruffles, en-

hanced with satin ribbon, falling in waterfall fashion down the full back of the gown, which ended in a sweeping chapel-length train.

A veil of imported illusion with a border of matching lace, fell from a coil. Her bouquet featured a Chantilly lace fan, symbolizing love, enhanced by red and white sweetheart roses, baby's breath, and a red and white bow with streamers tied in love knots.

Janice Bridges of Childress served her friend as maid of honor, along with bridesmaids Cristi Cagle of Childress and Beth Miller of Jackson, Miss. Brandi Dawn Holcomb of Dimmitt, niece of the groom, served as flower girl.

The feminine attendants all wore floor-length dresses of red and white dotted Swiss, featuring an off-the-shoulder ruffle decorated with white bows and lace. The full skirts were ruffled at the bottom and tied with a white bow at the waist. The attendants all wore baby's breath with a red and white bow in their hair, and each carried a nosegay of red and white carnations

entwined with baby's breath, placed on a white lace doily, and accented with a red and white bow with long streamers.

Brad Brock of Wichita Falls served as best man, and groomsmen were Gary Don Malone and Matt Gilbreath, both of Dimmitt. Ushers were David Tarver of Sam Norwood and Bobby Crozier of Dimmitt.

Candles were lighted by Todd Wilbanks of Childress, brother of the bride, and Kermit Monzingo of Childress. Sky Lynn Holcomb, of Dimmitt, nephew of the groom, acted as ringbearer.

Susan Hinrichs served as pianist, and the soloist was Mike Andress. Selections included "God Gave You to Me," "Wedding Song," and "Wedding Prayer."

The bride walked down the aisle on a white aisle cloth, and the couple knelt at a prayer bench centered before the altar and flanked by two candle trees decked with red bows. A unity candle with a white bow rested behind the prayer bench, and flower arrangements of red and white carnations stood on either side of the candle trees.

The church parlor was the site of the reception following the ceremony. Judy Burlin of Fort Worth registered guests at a table covered with a long, white, ruffled cloth, and accented with a white candle in a silver candleholder. A silver bud vase with a single red rose and baby's breath added to the decorations.

A hand-embroidered white lace tablecloth of floor length graced the bride's table, which also held a cut-glass crystal punch bowl, crystal compotes for nuts and mints, a four-tiered silver candelabra and arrangements of red and white carnations.

The cake was a three-tiered heart shape, trimmed in red roses. White swan columns divided the tiers and the bride and groom figures atop the cake were encircled in a white lace heart.

Shelly Simmons and Rhonda Ford, both of Hereford, and Rosalie Perkins of Silverton served at the table.

The bride's traveling attire was a red and white linen suit and she wore a corsage of red and white sweetheart roses.

Graduating from Madison Ridgeland Academy in Jackson, Miss., in 1980, the bride spent one year in studies at Clarendon College.

The groom is a 1980 graduate of Dimmitt High School and also studied at Clarendon. He is currently employed at the Higginbotham-Bartlett Lumber Co. in Dimmitt.

The rehearsal dinner was held in Childress, and a steak dinner was prepared. The bride and groom gave gifts to all the wedding party attendants.

The groom gave the bride a 14K gold floating heart, set with a diamond. The bride gave the groom a brass cuspidor engraved with his initials.

Out of town guests at the wedding included Will Burlin of Fort Worth, Bill and Pat Jordan of Belen, N.M., Keith and Mona Pittman and sons of Amarillo, and Carl and Roberta Pittman of Clarendon.

... nee Vicky Venhaus

# Venhaus-Kleman vows are recited

Vicky Venhaus of Happy and Richard Kleman of Nazareth were united in marriage in a double-ring ceremony Saturday afternoon in the Holy Name Catholic Church in Happy, with Father Stortz, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Vincent Venhaus of Happy, and the groom is the son of Mr. and Mrs. Alphonse Kleman of Nazareth.

Among hanging baskets of greenery in the church, the bride was led down the aisle by her father. The side altars were also decked with greenery and two candelabra were placed up front.

The bride's floor-length white satin gown was covered with lace and featured long sleeves of illusion trimmed in lace. The bodice had a V-neck highlighted by a lace ruffle, and an insert of illusion formed a high neckline, topped by a lace stand-up collar. Her white hat was covered with lace that formed a long train in back. She carried multi-colored flowers on a white lace fan.

Attended by matron of honor Leja Butler of Happy, the bride also had four bridesmaids — Kelley Weavers of Happy, Leona Kleman of Nazareth, sister of the groom and Connie and Carry Venhaus of Happy, sisters of the bride.

The attendants all wore floor-length dresses of an off-the-shoulder design. One each wore a green, blue, yellow, peach or orchid color and carried a lace fan with flowers that matched the color of each dress.

Doyle Kleman of Nazareth, cousin of the groom, served as best man, and groomsmen were Floyd Birkenfeld of Nazareth, cousin of the groom, Vince Venhaus of San Antonio, brother of the bride, Glenn Kleman of Littlefield, cousin of the groom, and Mark Kleman of Nazareth, brother of the groom.

Laura Dickerson of Austin served as a candlelighter along with the bride's cousin, Wendy Branch of Dallas. Two more of the bride's cousins participated, Ryan Hoelting of Nazareth as ring bearer and Caron Paulk of San Antonio as the flower girl.

The ushers included Ivan

Schacher of Nazareth, and Jimmy and Ronnie Huseman of Nazareth, cousins of the groom.

Organist for the ceremony was Marcella Crabtree of Canyon.

The reception was a dinner in Nazareth, followed by a dance.

Traveling attire of a pink suit was worn by the bride as the couple left for a wedding trip to Red River, N.M. The couple will be at home in Nazareth this week.

A graduate of Happy High School, the bride attended South West Texas Junior College in Uvalde and was formerly employed by Foxley Cattle Co.

The groom is a graduate of Nazareth High School and is presently engaged in farming at Nazareth.

# Shower fetes Miss Lucy

A bridal shower honoring Lisa Lucy, bride-elect of Rodney Craig, was held Feb. 13 in the home of Mrs. James Bradford.

Greeting guests were Mrs. Bradford; the honoree from Lubbock; her mother, Mrs. Bill Lucy of El Paso; and the prospective groom's mother, Mrs. Genell Craig of Dimmitt.

The serving table was covered with a white linen cloth and was centered with a yellow and blue cut-flower arrangement. Refreshments of nut breads, spiced tea and coffee were served from brass and china appointments by Deidre Craig, sister of the groom-to-be.

Thirty ladies shared hostess duties and presented the bride-elect with a vacuum cleaner and pieces of her chosen china.

Out-of-town guests were the future bride's sisters, Shelley Mullinax and Debbi Tilley, both of Midland; her friend Sandi Anderson of Lubbock; the prospective groom's grandmother, Mrs. Paul Craig of Friona; and his cousin, Charolotte Gilbreath of Gruver.

The couple will be married Saturday, March 6, in Cumberland Presbyterian Church of Lubbock.

# Couple wed in January, honeymooning in Colorado

Mr. and Mrs. Gregory Dean Harmon are taking an extended winter honeymoon in Telluride, Colo., following their January wedding in Lubbock.

The bride is the former Susan Rene Sadler, daughter of Mr. and Mrs. Gale Sadler of Route 1, Dimmitt. The groom is the son of Mr. and Mrs. Bill Harmon of Dimmitt.

With Dr. Strauss Atkinson of Plainview officiating, the couple was joined in a formal, double-ring ceremony held in the First Baptist Church Chapel in Lubbock.

Given marriage by her father, the bride wore a formal-length gown of Clooney lace fashioned with a high Victorian neckline and a sweetheart underbodice. Covered buttons down the back and full bishop sleeves with grosgrain ribbon cuffs mitered to a point added to the dress's decoration. The natural waistline of the dress was softly gathered and accented with a wide, white satin sash. The semi-chapel length train was formed at a peak and edged in grosgrain ribbon.

A modified tiara headpiece adorned with Clooney motifs held the shoulder-length veil, which was also accented with Clooney motifs and scalloped with lace edging. Her bouquet was a free-form cascade of fresh white rose buds mingled with orchids, stephanotis, ming fur and trailing English ivy.

The couple stood in front of a large wooden lattice archway that was entwined with fresh English ivy. At the sides were two 15-point arched candelabra holding rose colored candles. Folding wooden screens with gathered calico print were at the corners of the altar. A wooden unity candleholder and a rose colored silk leaf tree completed the look of an old fashioned altar.

The matron of honor was Cindy Clatt of Lubbock, sister of the bride, and D'Anne Harmon of Lubbock, sister of the groom, served as bridesmaid. They wore identical long dresses of cinnamon rose soft satin, featuring a white lace yoke on the bodice and a round collar edged with gathered lace. The long, gathered sleeves ended in white lace cuffs, and the softly gathered skirts were accented with long, white grosgrain ribbons. They carried colorful silk cascade bouquets.

Todd Cowan of Lubbock served as best man and Richard Porter, also of Lubbock, was groomsmen. They wore basic black tuxedos in contrast to the groom's dark charcoal tuxedo with wing-tip collar.

Candlelighters Amy Sadler of Lubbock and Karla Sadler of Dimmitt wore long, cotton print floats accented with a

MRS. GREGORY DEAN HARMON  
... nee Susan Rene Sadler.

lace yoke and ruffled flounce. Tiffany Wirt of Canyon served as flower girl.

Mike Shaw of Lubbock and Andy Hyllin of Fort Worth acted as ushers.

Classical music selections were played by the Paul Ellsworth String Quartet of Lubbock.

The reception room adjoining the chapel was decorated in an "old-fashioned" theme with many lighted candles, silk flowers, hurricane lamps, lanterns, lace doilies and antiques. The fireplace mantel was adorned with a green silk garland with glowing votive candles.

A separate table held hors d'oeuvres along with an arrangement of candles set among small logs and pine needles. Also, hot wassil was served from a hand-turned

pottery punch set. Gregory Sadler of Lubbock and Melody Sadler of Dimmitt held baskets filled with wild birdseed for those in attendance to throw at the bride and groom as they left the reception in their wedding attire.

The bride graduated from Dimmitt High School in 1979, and is a senior at Texas Tech University. She is majoring in child development and is a Zeta Tau Alpha sorority member.

The groom graduated from Tullia High School in 1977 and recently graduated from Tech with a bachelor of science degree in accounting. He is a member of the Tech Accounting Society and the Sigma Alpha Epsilon fraternity.

In August, the couple plans to continue their studies at Tech in Lubbock.

The instruction a student receives in a Larrymore Dance class is as professional as anywhere in the world. With the opportunity to appear in a Recital that is staged in a professional atmosphere — it would be fully not to take advantage of the opportunity to take lessons from Lewis Larrymore.

Just learning dances is not enough. Larrymore teaches the best technique to give the student coordination, timing, balance, flexibility, control, and poise. Classes are offered for pre-schoolers, grade school children and teenagers. In all types of dancing.

The student will achieve ease in public appearances, confidence in meeting people in new situations as a reward for taking dancing lessons.

The potential is there. It is only a matter of giving your child the opportunity.

Sheffy's Chatter

Livestock show is big success

By BERAL HANCE

The big thing in Dimmitt last weekend was the Castro County Fat Stock Show. There are very few families in this county that don't own at least one pickup, and all parking places were taken up with pickups.

extension agents were very busy, also the extension secretaries. We offer congratulations to the 4-H'ers, FFA'ers, the agents, and the parents. It was a great stock show.

Bertha Mae Thompson of Lubbock has been here visiting her son, Jack and Carolyn Thompson, Chad and Jaclyn and her daughter, Sandra and Norman Nelson, Jay, Jan and Jill, and Jim. She was at the Stock Show with them Friday. Oleta Schumacher was hostess at Senior Citizens Building Thursday to her bridge club. They had a good

lunch at the center. Others playing were Emily Clinging-smith, Mary Alice DiCuffa, Betty Cartwright, Jo Gregory, Opha Burks, Elizabeth Huck-abay, Susie Reeves, Boots Kaderly, Ferne Dickey, Bernice Hill and Johnny Vannoy. Clyde and Betty Renfro have moved to Amarillo. We are sorry for them to leave. They have many friends in both Dimmitt and Hereford as they have lived here many years and their son, O. C., grew up here. O.C. also lives in Amarillo where he owns and operates a business.

The Friday Bridge Club met at Senior Citizens Center with Dorothy Elder as hostess. Present were Betty Cartwright, Josie Bradford, Retta Cluck, Cletha George, Gladia-la Shipley, Opal Bearden and Bernice Hill. Dorothy was high scorer, Betty was second.

The Saturday night Bridge Club met at Garnett and Polly Holland's home. Present were Ray and Joannis Robertson, Kenneth and Ruth Jackson, Herb and Dorothy Mayfield, Cecil Crum, Kate Beecher, Faun Welker, Brenda Andrews, Tina Rawlings, Carolyn Jones, and Nancy Greer. Joannis won high for the ladies, Kenneth won high for the men.

Nancy Upton of Madill, Okla. is visiting her sister, Carolyn Copeland, and other relatives here.

Shirley and Frank Wise had a double birthday party in

their home Sunday for her brother, Garland Coleman and Garland and Susan's son, Benjamin. Garland is recuperating from an accident which happened while several families were on a ski trip recently. Others helping to celebrate the birthdays were Linda and Kevin Welch of Friona, Gary and Ronda Wise, Holly and Heather, Kyle Wise from Texas Tech and Mrs. Ruth Coleman.

The Kenny Paxton family have been on a skiing trip. Ann Morris was their guest.

Mary Edna Hendrix returned home Sunday from Lubbock where she attended funeral services for her sister-in-law. Mis Hendrix was retired after teaching in the Lubbock schools for many years.

Carla King was home Sunday from Amarillo. Her guest was Lynn Keener of Pampa. Lynn is the son of former Dimmitt residents, Tommy and Myrna Keener of Tulia. Carla and Lynn attended church services at First Baptist Church.

Coy and Nora Dunn and Gene and Connie Ivey spent the weekend in Big Spring with their brother, Joe Dunn. All the Dunn brothers and Connie gave a concert at the Senior Citizens Center there Saturday evening. On their return home, they stopped in Lubbock and went to see Myrtle Sheffy, who has had surgery again. She was able to talk with them and said she will be transferred to an

Amarillo hospital next week.

We sympathize with the relatives of Carl Simmons, who died Sunday afternoon at Plains Memorial Hospital. He is survived by two sisters, Mrs. Maurine Henderson and Mrs. Mildred Kyle, and one brother, W. O. Simmons of Clarendon, and several nieces and nephews. He has been a resident of Castro County since 1934.

Mrs. M. L. Simpson, Jr. spent the weekend in Floresville with Judge and Mrs. W. D. Cox. They all had dinner one night in Seguin with Judge and Mrs. Joe B. Fleming. They drove to College Station on Tuesday to the 24th Annual County Judges and Commissioners Conference. They were joined there by Mr. and Mrs. Edd Wilson. On the way home, they stopped in Temple to visit Edd's sister and nephew, Mitzie and Kirk Etheridge. Kirk had undergone surgery at Scott and White. Polly and Joni say "It's a long way home from College Station."

Gala game day to be Saturday

The Castro County Senior Citizens Center is planning a "gala game day" for Saturday from 9:30 a.m. to 4 p.m.

Registration will be \$5 each and will include the noon luncheon. Games played will include

bridge, canasta, forty-two and dominos.

THE tin can was invented in 1812, 50 years before the can opener.

STILL LIFE

This still life is in perfect harmony and balance; there is no motion or confusion to mar its perfect beauty. How peaceful and quiet it looks! This kind of static beauty is never possible for life, however, because life is never static; life means motion, activity, change, confusion. But this dynamic nature of life with its infinite variations doesn't mean that life need be without peace. New experiences of every kind, pleasant or painful, can be met with serenity if one understands that his whole life is a gift from God. The peace of God which passes all understanding is the gift given only with Himself. Worship Him and know peace in your heart!

The Church is God's appointed agency in this world for spreading the love of His love for man and of love by loving his neighbor. Without government or society or way of life which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it sells the truth about man's life, death and destiny: the truth which alone will set him free to live as a child of God.

Letter to the editor There's always another side of the story!

Dear Editor: As cubmaster for Cub Scout Pack #267 of Dimmitt, I think that it is time for the third side of the story to be told concerning the clean-up problem at the expo building.

Arnold and I moved more tables out of the way, because the 15-foot corridor just wasn't enough room for the boys' competition.

We also rolled up table paper with plates, cups and food off of about 50 tables before the Pinewood Derby was to start.

Then we and several fathers set up the race track so that it ran north and south, with one end close to the bleachers, where parents, visitors and boys could sit in the bleachers to watch the races.

I apologized to the 60 or so people there about the condition of the building, explaining that the Corn Growers had just ended their annual meeting but had not cleaned the building. Apparently, they didn't have time.

The children and scouts enjoyed talking from the podium speaker, tasting cornballs and throwing corn at each other.

When we left out of the expo building, we picked up our race track, scout-related trash and did not put away any of the Corn Growers' tables or chairs.

The next Saturday, Leonard (Dollar) called me to apologize for the way everything had been left. That was the first time he had been able to get to a telephone, due to his bad back.

I appreciate having the building on those nights that we meet. We try to cooperate with everyone, and we enjoy the privilege of using the building. The Cub Scouts have never been charged for usage.

# Seismic crews said to aid local economy

Dear Editor:  
Geo-Search Corporation of Midland is a service company specializing in seismic data, and does seismic testing in Texas, Oklahoma, New Mexico, Kansas and other central states.

Indicative of the increase in oil and gas exploration in Castro County, Geo-Search has recently moved its Party 2 out of Lubbock into the area to perform some seismic testing.

But there is more to just moving into a community for a month or a day; the direct beneficiary is the local economy.

You might not have noticed the army-style convoy of trucks moving down Highways State 86 and US 385, but maybe you have noticed the increase in restaurant revenue, motel revenue or maybe even supermarket revenue.

Let's take a 30-man seismic crew and see what, on the average, their expenditures are for the month. Roughly, they spend approximately \$750 per day for motel facilities and about \$450 per day on food. Miscellaneous items, such as hats, gloves, toiletries, etc., run about \$100 per day and fuel about \$600 per day. But this isn't everything.

If you include repairs to vehicles, parts and labor,

permit fees to county land owners and office supplies, you can add \$2800 per day to the above total. This all totals approximately \$4700 per day and overall, for the month, that 30 man crew spends approximately \$141,000 in the local economy.

Now consider; this spurs an increase in leasing activity, which in turn spurs a potential interest in drilling for oil. Then, if oil is found, county and school taxes benefit. And on and on.

So the next time you see a fleet of those strange looking trucks in the area, realize their arrival is only the "tip of the iceberg." The bottom line is future development and increased revenues throughout the community.

## Class to be on microwaves

There will be no charge for a microwave cooking class scheduled for 7 p.m., today (Thursday) in the Hart High School band hall.

Husbands, wives and all other interested persons are urged to attend and bring friends.

Home Economist Marilyn Perrin, of Amarillo, will teach the class and demonstrate methods of cooking on three different models of microwaves. Recipes will be provided.

Henderson T.V. and Appliance of Dimmitt will sponsor the class and will furnish the microwaves used tonight.

For more information, call Nancy Wescott or Cindie Walker at 938-2141.

RESERVE CHAMPION LAMB in the 1982 Castro County Junior Livestock Show was this 118-pounder shown by Lonnie Robb of the Dimmitt FFA. At left is Robb's grandfather, Wade Mills, who provided a guaranteed bid of \$5.50 per pound for the lamb at Saturday's auction sale. Robb will show the lamb in the Houston Livestock Show next week.

## View from the library

By BRICK AUTRY

This is a FLASH! From the new books department.

Book number one: Shel Silverstein is known to the librarians as a fine contemporary children's book author. His lighthearted drawings and stories have been recent favorites for readers and young non-readers alike. His books are simple. The drawings do most of the story telling. Not long ago Silverstein's new book "A Light in the Attic" became a best-seller. The adults like to read his new books better than the children. "A Light in the Attic" is an illustrated book of charming verse. Highly recommended.

Book number two: This is almost an obligatory purchase for patrons here in this county. "The Dallas Cowboys: An Illustrated History" will be a favorite here. The story of the team starting in 1960 is well presented and well illustrated with numerous pages of records, appendices and personal recollections.

Book number three: "A Treasury of Victorian Ghost Stories" looks like a lot of fun. For one thing they are

all little known. The stories, says the editor, Everett Bleiler, were chosen to acquaint the reader with various kinds of ghost stories and with important authors of the genre.

Book number four: "The Nation Comes of Age" is volume number four of Page Smith's history of the United States. It follows his previous volumes and covers the antebellum years of the nation's history.

Book number five: "Legal Writing: Sense and Nonsense" by David Mellinkoff is a book for anyone who ever had to write a will or any other legal document. Legal language need not be cumbersome and hard to understand, and this is the book that tells why and how to write legally and simply.

Book number six: "Of Muppets and Men" by Christopher Finch is a photo documentary about Jim Henson and the Muppets, the well known puppet troupe currently on T.V. For anyone interested in the "Muppet Show" and its creators, the book will be quite entertaining.

## Social Security in Castro County

By JANICE GRANN

The social security disability program is a source of income for millions of disabled individuals and their families throughout the country. Consequently it is also a source of many of the questions we get here in the Plainview office. Today I will discuss some of the aspects of this program.

In order to qualify for disability, a person must have a physical or mental impairment that prevents him or her from working. This requirement is not met if the specific ailment only stops one from doing a particular job but does not preclude other possible work. It must stop what we refer to as substantial gainful activity. Work is usually defined as substantial and gainful if the person earns at least \$300 per month.

The disabling condition must also be medically determinable. That is, it must be subject to verification by medically acceptable clinical or laboratory diagnostic techniques. Also, it must have lasted or be expected to last, at least 12 months.

For example, Joe broke his leg and was forced to quit his usual job as a truck driver.

The doctor advised Joe that he probably wouldn't ever be able to return to driving a truck because of the complicated nature of the break. However, there did not seem to be any reason that Joe couldn't work at some other type of job that didn't require the extensive use of his leg. Even though he might be off for several months the impairment would probably not prevent some type of work for a full year.

In this case, Joe would not be approved for disability because he wouldn't be prevented from working for 12 months. And even though he couldn't go back to his usual job, he could do something else. Of course, Joe would have the right to file a claim for disability, but the chances of approval are slim indeed.

One other thing I would like to emphasize is that if you are displaced from your job because of technological changes in an industry or you are laid off because of adverse economic conditions, it does not make you eligible for disability.

Next week I will cover some of the technical requirements for disability benefits.

## Brockman on dean's list

A native of Nazareth, Kenneth E. Brockman, has been named to the Academic Dean's List at the College of Santa Fe, Santa Fe, N.M. for the fall 1981 semester.

Students named to the Dean's List must achieve a grade point average of 3.2 to 3.79.

Brockman, son of Mr. and Mrs. Jerome Brockman of Nazareth, is a graduate of Nazareth High School. He is currently a senior majoring in social work at CSF.

## Lone Star flag to air Tuesday

Tuesday is Texas Flag Day. Over 10,000 flags are expected to be flying for this official Texas Heritage Day.

Around Texas, organizations and individuals are taking this opportunity to pay tribute to their state and its flag by flying the "Lone Star" on their homes and public buildings.

The Texas flag was adopted in 1839 as the official standard of the Republic. It became the state flag after the Treaty of Annexation was signed in 1845.

There were several designs for a flag prior to 1839, but each of them incorporated a single star. The star signifies that Texas was alone in the Mexican Confederation and that the star of liberty was rising.

This gave Texas its nickname, "The Lone Star State." Texas Flag Day is a Texas Heritage Project of the Texas Historical Foundation.

## Flynt will visit Panama

Presently, American Legion Commander Jack W. Flynt of Dimmitt is in Mexico City for an official visit.

He will bring greetings to Auxiliary and Legionnaires at a cocktail party. Later, Flynt will address community and business leaders as well as Legionnaires at a luncheon.

Saturday, he will depart from Panama City and visit the American Legion Dept. of Panama Canal. He will attend a reception and a department dinner in his honor. He will also make several official visits while there.

## Internship for older Texans planned for May

Senators Lloyd Bentsen and John Tower announced recently that interested Texans who are 65 years of age or older should apply now to work in their offices as part of the Senior Citizen Intern Program May 17-21.

Each senator will select two citizens from the applicants who will spend several days in their Washington offices observing the legislative process, meeting with representatives of departments and agencies, and participating in the operations of Congressional offices.

"This program is a wonderful opportunity for older Texans who are vitally interested in their community and the political issues affecting them to learn about government first hand," Bentsen said.

"I once again look forward to learning firsthand more about our senior citizens' problems, needs and opinions," Tower said.

He added that the applicants should be active in their

own communities, with an interest in legislation, and who would be willing and able to communicate their knowledge to their fellow senior citizens in the state.

Since the Senior Citizens Intern program was initiated in 1973, nearly 800 older Americans from across the country have been sponsored by participating members of Congress.

Any Texans interested in becoming a Bentsen senior citizen intern for 1982 should send a brief summary of their community activities and their reasons for wanting to participate to the Senator at Russell Senate Office Building, Washington, D.C. 20510.

Tower's office has applications. They can be obtained from Tower at 1100 Commerce, Room 7C14, Dallas 75242. The deadline for returning the applications with two letters of recommendation to the Dallas office is March 15.

RESERVE CHAMPION BARROW in the 1982 Castro County Junior Livestock Show was this 248-lb. crossbreed exhibited by Corbin Connell (right) of the Dimmitt FFA and the Bethel 4-H Club. Posing proudly with him are his sister Taryn, his brother Jarin, and Fred Bruegel Jr. of Bruegel & Sons, Inc., who

provided Corbin with a guaranteed bid of \$2 per pound for his barrow in Saturday's auction sale. The Connell brothers qualified a maximum of three animals apiece for the sale [two barrows and one lamb each], and they'll show a barrow apiece, including this one, at the Houston Livestock Show next week.

## Toll-free assistance popular with taxpayers

"People are pleased whenever you can save them time and money. I think that's one reason the toll-free telephone taxpayer assistance operation is so popular among Texas taxpayers," noted John Sloan, Internal Revenue Service director's representative in Lubbock.

Last year more than two million taxpayers received help from IRS through the Dallas telephone operation.

"Taxpayers appreciate the convenience of being able to stay at home and get tax help," he added. "They save gasoline; they avoid waiting in line; and they can sit and have a cup of coffee while

they do their forms." The telephone tax assistance operation is available Monday through Friday from 8 a.m. to 4:30 p.m. In Lubbock, dial 1-800-492-4830. The Lubbock office will provide walk-in assistance

Monday through Friday from 8 a.m. to 4:30 p.m. also. Taxpayer assistance provided includes forms, publications, group self-help assistance in the preparation of some individual tax returns and answers to tax questions.

## Family films begin Sunday

The Senior High United Methodist Youth of Dimmitt are sponsoring a seven-week film series called "Focus on the Family."

The series will begin Sunday at 6:30 p.m. in Lamar Fellowship Hall of the First United Methodist Church of Dimmitt.

The films star James C. Dobson, Ph.D., who is one of the leading Christian authorities on the family.

Put out by Word, Inc., the films are:

- The Strong-Willed Child.
- Shaping the Will without Breaking the Spirit.
- Christian Fathering.
- Preparing for Adolescence: The Origins of Self-Doubt.
- Preparing for Adolescence: Peer Pressure and Sexuality.
- What Wives Wish Their Husbands Knew about Women: The Lonely Housewife.
- What Wives Wish Their Husbands Knew about Women: Money, Sex, and Children.

The meetings are open to the public at no charge.

THE French writer Voltaire drank 70 cups of coffee a day.

## State can take food stamp, ADC programs, Bullock says

State Comptroller Bob Bullock said the Comptroller's office is capable of bringing in the money in 1983 and 1984 to take over costs of the food stamp and dependent children programs without new state taxes.

Bullock noted that Texas voters would first have to raise the present \$80 million welfare spending limitation in

the constitutional amendment election next November.

"We in the Comptroller's Office will meet President Reagan's challenge of 'New Federalism' just as we have met other challenges, by increasing efficiency, dedication and hard work," Bullock said.

For the past four sessions of the legislature the Comptroller's Office has increased

tax collections to pay for new and expanded services authorized by the legislature without deficit spending.

He noted that in 1981, Texas' population increased 1.9% and that inflation was 8.9% but that state tax collections by his office increased 23.2% over 1980.

"This additional 12.4% — or \$900 million — over and above population increases and inflation in 1981 just didn't blow in with a blue norther," Bullock said.

Approximately 1.2 million Texans take part in the food stamp program and 296,000 mothers and children receive help from the aid to families with dependent children program.

### HEART ANSWERS

#### WHAT ARE HEART MURMURS?

Heart murmurs are extra heart sounds produced by the circulation of the blood through the valves and chambers of the heart. There are different kinds of murmurs. A doctor can recognize them and determine whether a murmur is harmless or indicates a heart condition requiring medical care. Innocent, or functional, murmurs are common in children. A large percentage are likely to have had one at some time. Contact your local American Heart Association for more information.

## Medicare to change

Medicare patients, you'll pay more for your Part A "deductible" this year — that's the part you pay for yourself (or which you may have supplemental insurance for), reports Judith L. Warren, a family life education specialist-aging.

As of Jan. 1, 1982, patients are responsible for the first \$260 of each new 90-day benefit period. In 1980, the Part A deductible was \$180. In 1981, it was \$204.

Also, during 1982, Medicare patients in the hospital from 61-90 days will be responsible for paying \$75 a day, rather than the \$51 they had to pay last year.

### Kurlie Q's

Two squares enjoyed the calling of Sid Perkins Sunday night at our regular third-Sunday dance.

Sid taught two new moves — "follow your neighbor," and "load the boat."

The Kurlie Q's will be starting a new set of lessons March 7.

The series of 12 to 16 lessons will teach all the basic square dance movements. Sid Perkins will be the teacher. He has taught square dancing for several years and is up to date on all the new methods. It is easy and fun for the whole family.

The lessons will be taught in the assembly room of the courthouse.

Bill and Ann Henderson served refreshments of chips, dips, cookies, coffee and punch Sunday night.

**Hart sales-tax rebate 19% over last January**

State Comptroller Bob Bullock last Thursday returned \$106.4 million in local sales tax payments to 954 cities who levy the one-percent local tax.

"This is the biggest single payment since city sales tax rebates began in 1968," Bullock said.

The \$106.4 million payment represents a 16 percent jump over last February's checks, which in turn had grown 16 percent over the previous February. Payments so far in 1982 are running 13.2 percent above last year's January-February total.

"This increase is higher than inflation and population growth put together," Bullock said, "and at least part of this rise has to come from our work making sure these cities get every penny of sales tax that's coming to them."

However, Dimmitt's February check is up only 6% over last year's, while Hart's is up a whopping 19% over February 1981. Nazareth's February check is down 23% from last year's.

All three cities also continue to show less for the year to date than what was registered for the same time period the previous year.

Nazareth had shown an increase for January, while both Dimmitt and Hart had been down, but the increases in February for Dimmitt and

Hart have lessened the deficit for the year to date for both of them.

The biggest check in the state for the month of February went to the Houston Metropolitan Transit Authority, which also collects the 1% sales tax. The check was for \$24.9 million. The city of Houston received the second biggest check for \$22.4 million.

The city and MTA sales taxes are collected along with the state sales tax by merchants and businesses and rebated monthly to the cities in which they are collected by the Comptroller.

Dimmitt's net payment for this February is \$20,098.29, while the February 1981 payment was \$18,885.21. The 1982 payments to date total \$27,882.55, while the payments to date for last year were \$28,440.23 — a decrease of 1.96%.

The February payment for Hart was \$3,528.55, and the 1981 February payment was \$2,952.94. The 1982 payments to date are \$3,528.55, compared to the \$3,746.40 to date for 1981 — a decrease of 5.81%.

The \$1,640.58 payment Nazareth received this February was lower than the \$2,122.30 payment that was received for February of 1981. The total to date for 1982 is \$2,904.55, while in 1981 the total to date was \$3,108.31 — a decrease of 6.56%.

Other area town and their February payments, payments to date and percent of change are:

Amarillo — \$1,407,155.69 for February 1982, \$1,898,778.68 for 1982 to date, \$1,693,261.77 for 1981 to date, 12.14% increase; Bovina — \$3,114.04 for February 1982, \$3,756.92 for 1982 to date, \$6,391.99 for 1981 to date, 41.22% de-

crease; Canyon — \$28,149.79 for February 1982, \$39,750.81 for 1982 to date, \$46,287.37 for 1981 to date, 14.12% decrease; Earth — \$4,689.29 for February 1982, \$5,586.38 for 1982 to date, \$5,067.75 for 1981 to date, 10.23% increase; and Friona — \$18,011.65 for February 1982, \$21,444.67 for 1982 to date, \$17,456.55 for 1981 to date, 22.85% increase.

Also, Hereford — \$73,797.93 for February 1982, \$94,439.41 for 1982 to date, \$100,786.46 for 1981 to date, 6.30% decrease; Littlefield — \$40,734.99 for February 1982, \$50,559.06 for 1982 to date, \$52,824.99 for 1981 to date, 4.29% decrease; Muleshoe — \$29,984.16 for February 1982, \$39,195.33 for 1982 to date, \$40,148.09 for 1981 to date, 2.37% decrease; Olton — \$7,280.25 for February 1982, \$8,828.41 for 1982 to date, \$9,772.37 for 1981 to date, 9.66% decrease; and Plainview — \$150,421.49 for February 1982, \$197,314.98 for 1982 to date, \$198,141.29 for 1981 to date, 0.42% decrease.

**Jazz group to be in Dimmitt**

The McMurry College Jazz Ensemble will be performing a concert next Thursday at 1:35 p.m. in the Dimmitt High School auditorium.

The band, a subdivision of McMurry's Concert Band, is made up of 22 members and performs mostly jazz, popular and "big band" styles of music.

During the Dimmitt concert, the group will perform arrangements of old classics like "In the Mood" as well as modern jazz tunes like "Carnival" and "Bittersweet," as recorded by the popular jazz group Spyro Gyra.

Leigh Crane, a vocalist with the group, will sing several selections, including "Embraceable You."

The Dimmitt stop is the second on a four-day tour which will take the group to the Monarch Ski Resort in Colorado. Other stops include Plainview, Dumas and Sunray.

**Western dance to be Saturday**

The Country Bound Band from Plainview will play for a western dance Saturday from 9 p.m. to 1 a.m. in the Castro County Expo Building.

The Dimmitt Volunteer Fire Dept. and Auxiliary will host the dance. Proceeds will go to the fire-stricken family fund.

Tickets as \$12 per couple or \$7 for singles. They are available from firemen or auxiliary members.

Door prizes will be given, and refreshments will be served.
