

City Bond Election Coming September 3

Saturday, September 3 is an important calendar date for Dimmitt residents to remember as qualified voters of the city will go to the polls that day to ballot on a \$241,000 city bond improvement issue and a \$109,000 refund bond measure. Polls will be open at the city office from 8 a. m. to 7 p. m.

The resolution calling for the election was put before city commissioners at their last meeting by Commissioner Harold Stephens and was unanimously endorsed by the body.

Five propositions appear on the sample ballot or notice as published in the election announcement elsewhere in this week's edition of the News. The first proposition calls for the issuance of \$109,000 of revenue bonds for the purpose of paying off,

refunding and cancelling an equal amount of the outstanding indebtedness of the city's combined waterworks and sanitary sewer system. This part of the overall bond issue, city officials emphasize, is to pay of current city indebtedness and will not increase the city's bonded indebtedness.

Proposition number two calls for the issuance of \$141,000 of revenue bonds to finance improvements and extensions to the city's waterworks system. These improvements and extensions include six and eight inch water mains where needed as well as a new overhead water tower with a storage capacity of 250,000 gallons and a new well and chlorination system.

\$50,000 of revenue bonds would be issued to construct improvements and extensions to the city's sanitary sewer system. Approximately 8,000 feet of sewer lines are needed in east and Southwest Dimmitt.

General obligation tax bonds totaling \$35,000 for street improvements accounts for proposition number four. This money would be used to re-top worn out pavement and pave an estimated 35 city blocks of streets. Officials

stress that this is a rough estimate contingent upon petitions for right-of-way, property rights, etc.

The last proposition listed on the sample ballot or number five deals with \$15,000 in general obligation tax bonds for the purpose of purchasing and improving lands for a public park in Dimmitt. This amount would be used both for the development and maintenance of a park. It is necessary for proposition

number one to carry in order for propositions two and three to be valid. Propositions four and five are not contingent on number one, however. Officials also point out that only the first three propositions are revenue bond issues and that the first four will not raise taxes.

Any person who owns and renders property in the corporate limits of the city for taxation is eligible to vote in the coming

election. Officers for the September 3 election are: G. P. Dyer, presiding judge; Mrs. E. L. Ivey, judge; Mrs. Elvis Burch, clerk; and Mrs. T. S. Buckmaster, clerk.

Qualified voters are urged to read the election notice published in this issue of the News for interest rate on bonds, maturity date and any other pertinent information not brought out in the above story.

Dimmitt Schools To Open Sept. 5

Segregation To Be Continued

Dimmitt Public Schools will be opened for fall registration Monday, September 5, according to an announcement this week by Superintendent R. S. Vestal.

An influx of new residents and transfer students is expected to swell the fall enrollment to 1,150 or over 200 more students than were enrolled last September. Present facilities will be taxed to capacity but will be greatly alleviated when the new elementary school is completed next year.

The News was notified this week by High School Principal S. T. Newman that due to increased enrollment and in order to expedite registration, the first grade and seniors will be enrolled Friday, September 2, starting at 9 a. m. Juniors will be enrolled Friday afternoon at 1 o'clock. The other nine grades will be enrolled Monday, Sept. 5 beginning at 9 a. m. as scheduled. No first grade pupils will be enrolled Monday.

The fifth grade band talent test will be given Tuesday, September 6, at 8:45 a. m.

Vestal said no decision had been reached by the school board but indicated that Negroes would not integrate in the white schools this fall. The present system of separate facilities, which were provided last fall when about 20 Negroes applied for enrollment in the schools here, will likely be continued.

Regular school bus runs will be made the first day of school and the cafeteria will be open.

Reunion Slated At Summerfield

The 5th annual Summerfield Homecoming will be held this year at the Summerfield Baptist Church Sunday, September 4.

Registration will be held immediately after church service, which begins at 11 a. m. Visitors and former residents are also invited to attend Sunday School starting at 10 a. m.

Lunch will be spread at 12:30 p. m. in the church Educational building. Those attending are asked to bring a basket lunch along with plates, forks and cups.

Old timers of the area are especially invited to attend the homecoming.

Dimmitt Youth Enters Amarillo Hospital

Edwin Cartwright, son of Mr. and Mrs. Jack Cartwright, was accompanied to St. Anthony's Hospital in Amarillo by his parents Monday.

The duration of his stay is not known at this time. However, if his confinement is long, the Dimmitt youth's address will be published in the News for the convenience of friends and well-wishers. Friends and neighbors are invited to visit with young Cartwright when they are in Amarillo.

Fall Band Practice To Begin August 25

Fall band rehearsals will begin Thursday night, August 25, Band Director Ralph Smith announced this week. The first of the fall practice sessions will start at 8:15 p. m. in the high school band hall.

All members of the band are urged to be present, Smith emphasized.

Average Loan Rate For Cotton Crop In Castro County Set at 33.32 for 1955

The average loan rate for 1955-crop cotton grown in Castro county will be 33.32 cents per pound, according to local ASC Manager Doyle Thomas. This is 29 of a cent above the 1954 average loan rate which was 33.03 cents per pound.

The new rate is based on middling 15/16 inch cotton and a support rate of 90 percent of parity. Loans on different grades of cotton are about the same as last year.

Thomas points out that the loan rate for 1955 will be available only to those farmers who are in compliance with their cotton allotment. The 1955 cotton allotment for the county is 55,020 acres. A total of 50,000 acres have made a stand, the balance

... and the tall corn grows

A stalk of corn the height of a baby giraffe was exhibited before the unbelieving eyes of the News staff Wednesday afternoon. And to "top it all" the giant-size stalk was grown in Castro county on the Carl Kemp farm, southwest of Dimmitt.

Edd McLeRoy, local businessman, and Kenneth Russel, salesman for Phillips Petroleum Company, brought the huge stalk by the News office following a tour and inspection of certain farms in the area. McLeRoy, struggling to get the big stalk in the front door, exclaimed, "It must be the tallest stalk on record in the history of the county."

The average height of Kemp's corn, which consists of 30 acres of Mexican June variety, is estimated at 13 feet and should make 20 tons of ensilage per acre, according to McLeRoy. Average is considered about ten tons to an acre. Kemp used six to eight tons of barnyard manure per acre and 65 pounds of anhydrous ammonia to an acre.

Malone Named To Bureau Top Post

Jack Malone, cashier at the local bank, was named chairman of the Dimmitt Retail Credit Bureau at a recent meeting and will head that organization during the next fiscal year. Dan Boothe was elected secretary and Mrs. Rubye Jones was given a vote of confidence in her present position as bureau office manager.

New directors named at the meeting and who will serve two year terms are John Nichols and M. E. Cleavinger. Holdover directors are Ward Golden, R. E. Hendrix and Bruce Woodell.

Malone succeeds outgoing chairman Charlie Hays. In a statement to the News, the new chairman said "a better bureau and the complete cooperation of all merchants and other bureau members will be our goal in 1956."

Services Held For Dixie Lynn Alley

Graveside rites for Dixie Lynn Alley, infant daughter of Mr. and Mrs. Hafford Alley of Dimmitt, who died at the local hospital Wednesday morning, were to be conducted Thursday at 3 p. m. in Castro Memorial Gardens. The Rev. George Ray, pastor of the Baptist Church here, officiated. Arrangements were under the direction of Dennis Funeral Home of Dimmitt.

The 18-day-old infant was born July 29 in Jones, Oklahoma. Besides her parents, the deceased leaves Mr. and Mrs. J. B. Alley of Dimmitt, paternal grandparents, and Bill Jones of Comanche, Oklahoma, grandfather.

Grid Practice Starts Monday, 40 Expected at Fall Try-Outs

Some 40 candidates, many new and a few seasoned veterans, will report for grid practice here Monday morning, August 22 to prepare for a rugged football schedule which includes such foes as Littlefield, Olton, Tulia, Muleshoe, Abernathy and Hale Center.

Coach Leo Fields, embarking on his fourth season as head football coach at Dimmitt High, is not exactly pleased with the way things are shaping up and will be quick to admit that "we'll be lucky to finish in the upper bracket." However, the coach, known for his "weeping and wailing," is probably more disturbed about a neighbor to the south (the unmentionable Littlefield Wildcats) than any other team. The Wildcats, with plenty of returning lettermen, look big and vicious but can be tamed—

SEVEN YOUNG DIMMITT HIGH School musicians attended the West Texas College Music Camp which concluded Friday. They received intensive training in band, choral and twirling work from some of the nation's top college bandmasters. The Dimmitt group was among 300 Panhandle area musicians presented in a "grand finale" concert in Buffalo Stadium Friday night. They were accompanied by Ralph Smith, Dimmitt High Band Director. Pictured in the front row, from left to right, are Jonyaln Allredge, Melba Chism, Joy Walker and Charlotte McLeRoy; back row, Smith, Ann Gollehon, Sharon Goodwin and Leon Crum.

FHA Expanded Emergency Loan Program To Be Available To Castro Farmers

Details of a new credit program tailored to the needs of farmers and ranchers in the Great Plains area, combining established real estate and production loan programs of the Farmers Home Administration with a greatly expanded emergency loan program, was announced today by Ralph W. Dent, County Supervisor.

The loans will be available in Castro county and applications can be filed at the Farmers Home Administration office at Dimmitt, Texas. The program is an outgrowth of recommendations made at the Great Plains Agricultural Conference called by Secretary Benson and held last May 30-June 2 in Denver.

Loans will be made for reseeded grasslands and other approved conservation and land use practices including soil and water (See FHA, Back Page)

MYSTERY FARM No. 30 as viewed through the aerial photographer's lens, is pictured above. If you know the identity of this Castro county farm notify the News not later than Monday noon, the deadline on all mystery farm identifications. The farm owner will be presented with a nice size mounted enlargement

of the original picture when he contacts the News office and gives proper identification and information about the farm. Sponsor for the mystery farm series, published this year for the first time in the News, is Blanton Butane, Inc.

Just ask the Phillips Black hawks. Next on the coach's list of unmentionables are the Olton Mustangs, who, too, show promise of being tough to handle. Even though there are several teams likely to create a fever in District 2-AA, Fields is not backing down and will carry on in the same tradition that has earned him 19 victories against 12 losses during the past three years as well as the ardent respect of other coaches in the High Plains area. Fields and his capable assistant, Alvis Fuquay, won their first district championship last fall after coming in second the year before and tying for second place in 1952. But this season presents a problem—the Bobcats enter double A competition for the first time and will be playing some high schools with a larger enrollment. Despite this fact, Fields believes inspiration and eagerness to play will make his comparatively young team a tough foe on any given night.

July Well Permits Show Large Gain

Records at the local Farm Bureau office show that July was a substantially better month than June in as far as applications for irrigation well permits are concerned. The July total is listed at 20 or eight permits above the June total.

The total for the first seven months of this year through July 31 has been recorded at 294 or about twice the number issued by the local office for the first seven months of 1954.

Applications should be completely filled out and returned to the Farm Bureau office within ten days after a well is drilled, FB Service Agent Gene Ivey points out.

Green Valley Boys To Appear Here

The Green Valley Boys and Uncle Jay, popular radio and television entertainers, will stage a Western Musical Jamboree at the local high school auditorium Saturday night, August 20 under the auspices of the Flagg Rural Neighborhood Progress Club. Time of the performance is 8:15 p. m.

The Green Valley Boys, known in Dimmitt as the Mayfield Brothers as they have lived and worked here for many years, will provide popular western songs and music for the occasion while Uncle Jay (Johnny Lynn) will tell jokes and encee the program. Tickets have gone on sale at \$1 for adults and 50 cents for students. Members of the Flagg Progress Club will handle ticket sales, the proceeds of which will go into the club treasury for club projects.

In the line, End Joe Ben Mitchell should see lots of action. He lettered last year in the backfield but has been moved to an end position. Other notables who will play in the line are Van Conard (last year letterman), James Speer (reserve letterman), O. C. Renfro (reserve letterman), Jimmy Manning (reserve letterman who has been moved to end), Wayne Collins, reserve letterman, Gary Cleaver (up from the B), Jimmy Cole (lettered at tackle), Don Cheek (reserve tackle), Jimmy Johnson (reserve tackle), Dale Russell (up from the B), Byron Tate (up from the B), and Howard Smithson, who didn't play last year.

Guards that will see service include Junior DiCuffa (reserve letterman), Carrol Herring (letterman), Jimmy Butler (reserve letterman), Donald Curry (up from the B), Gene Goodwin (up from the B), Edward DeLozier (up from the B), and Tommy Robertson (transfer student).

Billy Gafford, who lettered last year, and Jimmy Tate, who played with the B team last year, will alternate at center.

The Bobcats will again operate from the spit T formation and conventional T formations this fall. Their opening opponent is Silverton who will play on the local field the night of September 9th.

Two Hart Girls Win County 4-H Prizes

ROYCE LYNN PYEATT

MARY LOUISE TAACK

Miss Royce Lynn Pyeatt, Hart 4-H girl, and Miss Mary Louise Taack, also a Hart 4-H Club member, won top honors in the Castro County 4-H Dress Review and Bake Show here Thursday and Friday. The events, held in the local high school auditorium, attracted some 100 persons.

As county Dress Review winner, Miss Pyeatt will represent Castro county in the District Dress Review at Amarillo, August 22-23 while Miss Taack will compete for honors in the District Bake Show to be held during the Tri-State Fair in September.

Alternate winner in the Dress Review was Miss Mary Ann Huseman of Nazareth and alternate winner in the Bake Show was Miss Tommie Allen of Dimmitt.

The 1955 Dress Review winner was closely contested for the honor by Miss Huseman as scores on the winner and alternate's dresses and records were very close.

A 4-H Club member for eight years, this year marks the third year Miss Pyeatt has been a county winner and will be the third time she has entered the District Dress Review. The talented Hart girl has won district twice to enter the State Dress Review. In addition, she has identified herself in baking competition by winning the county Bake Show last year and entering the District Bake Show. In 1954 she won the Talent Club award and was District winner in the achievement contest. This year she has already won the State Fair Award of Honor and has been a delegate to District Camp and 4-H Roundup as well as a member of the District Camp planning committee. She has also been very active and has held offices in the County 4-H Council.

A 4-H Club member for only two years, Miss Taack has been outstanding in food preparation and this year was a delegate to 4-H Roundup at College Station, Texas.

The alternate Dress Review winner has been a 4-H Club member for eight years and has been outstanding in clothing and food preparation. Miss Huseman also attended 4-H Roundup in June as a county delegate.

Miss Corinne Stinson, Farmer County Home Demonstration Agent of Farwell and Mrs. Edd McLeRoy of Dimmitt were judges for all clothing entered in the Dress Review on Thursday while Mrs. Loyce Sullivan, assistant Deaf Smith HDA, and Mrs. Jim Cleavinger of Dimmitt were judges for the bake show. A committee of leaders elected by the 4-H Adult Leaders Council scored records.

Other winners in the Dress Review follow:

Class I—Aprons (nirre and ten year olds)—1st, Madelyr Smith, 2nd, Kay Bradley; 3rd, Ariene Pohlmeier; blue ribbon winners: Madelyr Smith, Connie Popejoy and Gaynelle Tate; red ribbon winners: Esther Hyatt, Estelle Pesina, Kay Bradley and Ariene Pohlmeier.

Class II—Aprons (11 year olds)—1st, Jo Ann Lacy; and blue ribbon winner, Jo Ann Lacy.

Class III—(blouse)—1st, Freddie Sue Popejoy; 2nd, Janice Nelson; blue ribbon winner: Freddie Popejoy; and red ribbon winner: Janice Nelson.

Class IV (skirt)—1st, Tommie Allen; blue ribbon winner: Tommie Allen.

Class V (blouse and skirt in ten and 11 year old class)—1st, Virginia Huseman; 2nd, Glen Ann Maples; and 3rd, Mary Helen Maples; blue ribbon winner: Virginia Huseman; and red ribbon winners: Willa Mae Bird, Glen Ann Maples and Mary Helen Maples.

Class VI (blouse and skirt for 12 and 14 year old class)—1st, Irvaleen Ott; 2nd, Gwen Dunn; blue winner: Irvaleen Ott; and red winner: Gwen Dunn.

Class VII (dresses)—1st, Mary Behrends; 2nd, Rosanetta Hyatt; 3rd, Judith Dobmeier; blue winners: Judith Dobmeier and Mary Behrends; red winners: Kay Carpenter, Rosanetta Hyatt and Carolyn Pohlmeier.

Class VIII (dresses)—1st, Mary Taack; 2nd, Kay Nell Popejoy; 3rd, Verdina Curtis; blue winners: Mary Taack, Wynona Myrick, Verdina Curtis and Kay Nell Popejoy.

Class IX (dresses)—1st, Royce Lynn Pyeatt; 2nd, Mary Ann Huseman; blue winners: Mary Huseman and Royce Pyeatt. (See HART, Back Page)

Fire Damages Truck Thursday

Fire partially damaged the motor of a one and one-half ton truck driven by "Shorty" Trimble when the vehicle caught fire in the first block of West Bedford Avenue here early Thursday morning.

According to Fire Chief J. B. Moore, faulty wiring under the hood of the truck caused the engine to burst into flames. However, the blaze was quickly extinguished and only \$50 damage resulted.

Local firemen answered a false alarm in the vicinity of Sunnyside Wednesday night. Moore said his crew was delayed due to excessive traffic. Because of this the Fire Chief was prompted to state that "It is unlawful for motorists to follow a fire truck in case of emergency. Too many persons following the fire truck Wednesday night together with those motorists driving out of side streets, caused us needless delay and also endangered the lives of persons. We will greatly appreciate it if motorists will pull over to the curb and remain there until the fire truck is out of town. This will eliminate hazards and enable the fire crew to reach the fire scene sooner."

Polo Team Fights For District Tie

The Dimmitt Palmetto Polo team's chances for gaining a tie in their district hinge on an important tilt to be played Sunday against Dalhart. The club, with a record of six conference wins against two losses, must defeat Dalhart in order to gain a possible three-way tie for first place.

The locals will journey to Dalhart for their Sunday encounter. Gametime is 2:30 p. m.

Last Sunday the Dimmitt team gained a victory through a forfeited contest. The previous Sunday they took the measure of the Amarillo team, 4-2.

The palmetto polo season ends September 1 and the local outfit will play its last game Sunday, August 28 against Fritch. A playoff will be called in the event of a tie at the conclusion of the season.

conventional T formations this fall. Their opening opponent is Silverton who will play on the local field the night of September 9th.

Guards that will see service include Junior DiCuffa (reserve letterman), Carrol Herring (letterman), Jimmy Butler (reserve letterman), Donald Curry (up from the B), Gene Goodwin (up from the B), Edward DeLozier (up from the B), and Tommy Robertson (transfer student).

Billy Gafford, who lettered last year, and Jimmy Tate, who played with the B team last year, will alternate at center.

The Bobcats will again operate from the spit T formation and

conventional T formations this fall. Their opening opponent is Silverton who will play on the local field the night of September 9th.

Cotton Insect Infestation Becomes Critical In August

The crucial point, or the time when insects cause the most destruction in cotton fields, has arrived, and Castro county farmers are urged to take retaliatory measures now to safeguard their crops against these pests and prevent needless damage.

County Agent Marvin Simms, fresh from an inspection of county cotton crops, stated this week that fleahoppers and bollworms are doing the most damage. Fleahopper infestations were as high as 50 percent in fields examined. Bollworms are few but will become much more prevalent unless control measures are taken immediately, the county agent indicated.

Simms points out that experiment station entomologists recommend that cotton growers spray whenever they have infestations of 15 to 20 percent. The proper way to check fields for infestations is to check the terminal growth (the top three or four inches of the plant) of 100 plants 20 to 25 feet apart on a diagonal across the field.

The fleahopper is a small, delicate, light green to whitish insect, the adults of which are about 3/16 of an inch long. They move rapidly and the hind legs are like those of the grasshopper. They do their damage from the time they are hatched throughout their lifetime, puncturing and killing very small squares the size of a match. These squares remain on the cotton plant and are easily found even when the examiner can't

see the fleahopper himself.

Simms emphasizes that cotton has only about three to four weeks to produce squares that will mature bolls and it is very important that cotton growers examine their fields thoroughly every three or four days and spray when they find 15 to 20 fleahoppers to every 100 plants.

The farmer, according to Simms, has only a short time to control the bollworm as this insect will soon bore into bolls where you can't reach them with insecticides. The same type examination made for fleahoppers should be made for bollworms. The grower should look for bollworm eggs which are about 1/4 as high as a pinhead; pearly white color when first laid, turning to a light brownish color just before hatching. These eggs are usually located on the top tender growth of cotton, either on the young leaves or squares.

Experiment station entomologists recommend that the farmer spray for bollworms whenever he finds four to five eggs or small worms on 100 cotton plants. An insecticide recommended for fleahopper extermination is one pint of toxaphene per acre in a spray every seven days until the infestation is checked. For bollworms, DDT at the rate of two to three quarts an acre of the two pound per gallon solution is recom-

mended. If the farmer finds both fleahoppers and bollworms in his field, a combination of toxaphene and DDT is recommended.

DDT is very deadly to beneficial insects and should not be used unless four to five bollworm eggs are found when 100 terminals are examined, Simms concluded.

Sesame Outlook Reported Good

A recent survey of sesame fields in Castro county shows that 750 acres of this "queen of the oil bearing crops" are in good stand and will likely return favorable yields barring bad weather.

Clyde Bloch, representative of the Texas Sesame Seed Growers from Paris, Texas, and Edd McLeroy, local businessman, have visited each of the sesame fields in the county and find that most of the crops are "in good shape." Bloch indicated that it would be around October 1 before any of the crop is ready to harvest and the current market price "looks good." He feels that sesame will bring from 9.6 cents to ten cents per pound. If it averages 800 to 1,000 pounds per acre, the crop, entirely new to Castro county, may find a place in the area.

McLeroy surmised, "After visiting each of the fields in the county it is evident that we still have plenty to learn about this crop under High Plains conditions."

County farmers growing sesame include Bobby and Leland Bouldin, John Spencer, J. L. Shive, Walter Schilling, A. L. Wilhelm, C. G. Howell, Calvin Wood, Raymond Smithson and John Bridges.

Most married couples patch up their old quarrels until they are as good as new ones.

The Castro County News FARM PAGE

COTTON PROBLEM goes to White House. President Eisenhower and Secretary of Agriculture Benson (right) hear Senator George, D-Ga., explain the need for a program to step up export sales of cotton and at the same time defend U. S. textile mills from unfair foreign competition. Dean of the U. S. Senate, the Georgia legislator led more than 100 ranking members of Congress to the White House to seek prompt action.

Presidential Action Sought for Cotton

WASHINGTON—Spurred by a dramatic mass visit of more than 100 senators and representatives to President Eisenhower, top officials of the Executive Branch of the government are seeking a solution to the nation's cotton surplus problem.

Senator George, D-Ga., focused the attention of the President on the need for a single, "integrated" program to dispose of excess raw cotton stocks and at the same time to prevent U. S. textile mills from suffering hardship in the event American cotton is sold overseas at lower prices than at

home. The dean of the Senate was accompanied to the White House by ranking members of Congress of both parties and all cotton producing and textile manufacturing regions, from New England, the Southeast through the Cotton Belt to California. The group pointed out that American cotton, priced above the world market, is fast losing its competitive position, that cotton exports are dwindling and excess supplies are piling up despite severe acreage cuts.

They emphasized the need for an export sales program whereby American cotton can be sold competitively in world markets, urging also that such a program be combined with controls on imports of textile goods. Otherwise the cotton would only come back to the United States in the form of cloth, hurting farmers' home markets and disrupting the home textile industry. Many of the senators and representatives had previously expressed concern over what will happen to American textile mills and the domestic market for cotton when the new textile tariff cuts go into effect next month. A bill now before Congress, signed by 64 members including several who made the White House visit, asks the Secretary of Agriculture to develop an equitable raw cotton export program with textile import quotas.

A&M Expert Says to Plant Winter Pasture

COLLEGE STATION, August 11—Generally, moisture conditions are on the upgrade in most sections of the state and prospects for fall and winter pasture crops are good. This, says E. M. Trew, extension pasture specialist, should be all of the encouragement farmers and livestock producers need to get in a record acreage of winter crops.

Winter pastures, he says will help relieve the price-cost squeeze which continues to get tighter. Too, they provide minerals, vitamins and needed protein; make possible a rest period for permanent pastures; supply the green grazing needed when summer pastures are dormant and probably most important, cut the cost of wintering livestock.

From the standpoint of soil protection and improvement, winter pastures are a paying proposition, he said. The cover protects the soil from wind and water erosion and the roots and residue adds organic matter to the soil.

When planting time rolls around, Trew says, plant. Earlier planting means earlier grazing even in the case of dry planting. The specialist recommends that soil samples be submitted to the soils testing lab from the fields to be planted and that the fertilizer use recommendations from the laboratory be followed.

Trew likes to use a combination of grasses and a legume. The total production is often increased, the forage is higher in protein and minerals and the grazing season is frequently extended when a combination is used.

The small grains, oats, rye, barley and in some areas wheat, are the best bets for winter grazing. Italian ryegrass does well in East Texas, the Gulf Coast region and in the Blackland and Grand Prairie areas. Vetch, crimson clover, Hubam and Madrid sweetclover are among the legumes which can be grown successfully in combination with the grasses. Trew suggests contacting the local county agent for information on the best combination for a particular area. The legume seed should be inoculated before planting. The cost is small compared with the returns and benefits from good inoculation.

LOCALS DELAYED FROM LAST WEEK Mrs. Sadie Heslop of Jal. N. M. is visiting her sister, Mrs. A. A. Dood, and Mr. Dodd. Mrs. H. H. Carlile is visiting

her sister, Mrs. Davis, in Sweetwater. Mr. and Mrs. G. L. Blanton have been visiting relatives at Fort Worth, College Station and Kosse

for the past week. They also visited Dr. and Mrs. Mayes Miller at Temple where Mrs. Miller has been receiving medical treatment at the Temple Sanitarium and Clinic.

The local Junior baseball team defeated Abernathy in a game August 8 to be declared the champions in the League.

Mr. and Mrs. Alfred Pohlmeier have been in Encino, Calif. attending the wedding of their daughter, Emely Ann, to Fortunato Angelo Parrino. The service took place in Our Lady of Grace Church on August 13.

Visiting with friends and relatives here are Mr. Joe Schacher from Albion, Nebraska and Wayne Albrecht from Lindsey, Nebraska. Wayne is the son of Mr. and Mrs. Alphonse Albrecht.

Mr. and Mrs. Florence Ball and family are visiting relatives in Nebraska and Kansas.

Mr. and Mrs. Vic Brockman and children have returned to their home in Wichita Falls after visiting with Mr. Brockman's mother, Mrs. Frank Brockman, and other relatives, recently.

Visiting in the Joe Albrecht home is Mr. Frank Albrecht from Humphrey, Nebraska.

Father Morsch performed three baptisms this week. The first was Kelvin Walter Klemman, the son of Mr. and Mrs. Walter Klemman. Kelvin's sponsors were Mr. Florence Schacher and Mrs. Gertrude Klemman.

The other two were Spanish Americans. Lucis Escarzegua, the daughter of Mr. and Mrs. Francisco had as her sponsor Mrs. Irene De Leon.

The son of Mr. and Mrs. Jose Lerma Sr., Jose Lerma, Jr., had as his sponsors Rafael Lopez and Andrea Garcia.

On August 16 a party was held in the Andy Schumacher home to celebrate the eightieth birthday of Mr. John Heiman. Here for the celebration were Mr. and Mrs. Herman Heiman from Lindsey, Nebraska, Father Harold from Subiaco, Arkansas, Sister Jean Marie from Fort Smith, Arkansas and Mr. and Mrs. George Harter and family from Memphis, Tenn. Friends and relatives from Nazareth, Hereford and Happy also attended the celebration.

Visiting with the Harry Klemmans is Miss Nora Klemman from Lubbock, Texas.

Mr. and Mrs. Joe Warren, Mrs. Josephine Ball and Mr. and Mrs. Leonard Conrad went to Dallas over the week-end to visit the Conrad's daughter, Mildred.

Mrs. Eva Dickinsor from Hutchinson, Kansas has been visiting with the Gary Weiers.

Mrs. Marcella Kugler and daughters, Diane and Myra Jan visited with friends and relatives here recently. The Kuglers are from Pittsburgh, Pa.

Mr. and Mrs. Al Dedrick and

LEGAL NOTICE

THE STATE OF TEXAS TO ANY SHERIFF OR ANY CONSTABLE WITHIN THE STATE OF TEXAS—GREETING:

Maragret S. Axtell, administratrix of the Estate of Dwight G. Axtell, deceased, with Will Annexed having filed in our County Court his Final Account of the condition of the Estate of said Dwight G. Axtell numbered 728 on the Probate Docket of Castro County, together with an application to be discharged from said administration.

YOU ARE HEREBY COMMANDED, That by publication of this Writ one time and said publication shall be not less than ten days before the return thereof, in a Newspaper printed in the County of Castro you give due notice to all persons interested in the Account for Final Settlement of said Estate, that they ARE CITED TO APPEAR on Monday the 29th day of August A. D., 1955, (the time fixed by the Clerk in accordance with the provisions of the law relating to Return of Citation and Notices in probate matters), before the said County Court, at the Court House in Dimmitt, Texas; to contest said account if they see proper to do so, by filing their written objections thereto at or before 10 o'clock A. M. of said day.

HEREIN FAIL NOT, but have you before said Court at the time aforesaid, this writ with your return thereon, showing how you have executed the same.

WITNESS my hand and official seal, at Dimmitt, Texas this 11th day of August, 1955.
Neva Hastings, Clerk,
County Court, Castro County, Texas.
By Gertrude Bishop, Deputy.
(SEAL)

Visiting in the J. O. Ayers home last week were their daughter, Mr. and Mrs. Clayton E. Barton and daughter, Yvonne, and Miss Rita Bappe of Ames, Iowa.

children, Ronnie and Sharon, visited over the week-end with Mr. and Mrs. Clarence Birkenfeld. The Birkenfelds' daughters, Evelyn and Delores, returned to Shiprock, N. M. with the Dedricks.

BETHEL NEWS

Mrs. O. L. Wise of Lubbock spent the first part of the week here with her son, Frank, and Mrs. Wise.

Mrs. Frank Crawford from Santa Anna, Calif. is spending a few days here visiting Mr. and Mrs. J. C. Williams and other friends of the community and Dimmitt.

Kay Roberts was a business visitor in Clovis Wednesday.
Mr. and Mrs. Leland Smith are vacationing in Colorado this week and also visited their son, Wesley, at Colorado Springs.

Mr. and Mrs. John Lust of La Hospe, Kansas, are visiting their cousins, the Earl and Vern Lusts and Glenn Stiles of Big Square.

Mr. and Mrs. Earl Lust entertained with a hamburger fry Friday evening. Those present were Mr. and Mrs. Glenn Stiles of Big Square, Mr. and Mrs. Vern Lust, Mr. and Mrs. James Bradford and sons, Lloyd Lust of Littlefield and Mr. and Mrs. John Lust from La Hospe, Kansas.

Mrs. Hary Rothwell was a Monday afternoon caller of Mrs. Emmitt Vaughn of Dimmitt. Mrs. Vaughn is recovering from recent major surgery.

Mrs. Bobby Warren and son called on Mrs. Don Hargrove Monday afternoon.

Mr. and Mrs. Cecil McSpadden and children spent Sunday in Amarillo attending the Berry reunion which is held annually there. Attending from Dimmitt were Mr. and Mrs. T. J. Willingham, Owen McSpadden and Mrs. John McSpadden. Mrs. John McSpadden is the youngest daughter of the Green Berry family who get together the second Sunday of August each year.

Mr. and Mrs. Oscar Coston and daughter, Eula, left Saturday for a week's visit in Oklahoma. They will visit relatives in Oklahoma City and Miss Coston will attend the wedding of a college friend in Frederick, Okla. Miss Coston is an employee of the First State Bank.

Mr. and Mrs. H. E. Wall and Robert left Sunday for a vacation trip to Seattle, Wash., and other scenic sections of the Pacific Northwest.

Clarks Entertain With Salad Supper

Mr. and Mrs. Conrad Clark were hosts Sunday night to a salad supper. Many delicious salads were served. Those enjoying the event were Mr. and Mrs. Chris Clark and Jerry, Mr. and Mrs. Alvin White, Carol, Elyne and Mike, Mr. and Mrs. John Goodwin, Connie and Dewayne, Mr. and Mrs. C. C. Williams and Kay, Mr. and Mrs. Leon Blundell, Pamela Clark and the host and hostess.

Mrs. Gler Mathis and son, Conrad, of Fort Worth are here for a visit in the home of her aunt, Mrs. Bob Estes, and family.

Mr. and Mrs. Hobart Strahan and daughter, Mrs. Annie Dorn, and son, Chips, of Wichita, Kansas, were here last week for a visit with her sister, Mrs. Bob Estes, and family.

Mrs. C. C. Williams and Mr. and Mrs. W. T. Cain of Plainview were here Sunday for a visit with their daughter and sister, Mrs. W. M. Kunkle, and family.

Mr. and Mrs. Kerry Wayne Horne and sons of Roswell, N. M. were here for a last week-end visit with her parents, Mr. and Mrs. W. M. Kunkle, and other relatives and friends.

Softball Program Folds; Remaining Games Cancelled

Lack of attendance and players has caused the softball program here to fold and made it necessary to cancel all remaining games on the 1955 schedule, according to Leo Fields, who has been supervising the summer program.

Fields said Monday that numerous games had to be postponed as not enough players showed up for games. Attendance, too, has been so low "that we have not been paying for our lights," he added.

As to the future of softball in Dimmitt, Fields said "It will be left up to the directors of the Dimmitt Recreation Association as to whether we will have softball next summer. As things now stand, though, no more games will be played this season." The standings of the second half of the softball season cannot be determined due to postponements. However, the high school and Lions Club teams were tied for first place as the first half of the season ended. The team on top at the close of the first half was to play the team in first place at the end of the second half for the league championship, according to rules set up by the league.

Raising Pullets In Confinement Has Advantages

COLLEGE STATION, Aug. 18.—Raising the pullet flock in confinement has several distinct advantages over the more common practice of growing them on range. According to Ben Wormeli, extension poultry husbandman, the greatest benefit from raising pullets under a roof should come during the summer months when they need protection from the sun and severe local storms . . . wind, rain and sometimes hail

which often cause trouble in pullet flocks on range. Other advantages cited by Wormeli include the great saving of space. About three acres of land are needed to range raise 1,000 pullets while the same number can be handled in a 20 by 100 feet shelter house. Feed losses on the range due to wind, rain and that eaten by other animals and birds is often heavy. Poultrymen who raise their pullets in confinement say this loss is practically eliminated. Reduced losses from diseases and predatory animals can be expected, says the specialist when the growing birds are confined. But the top saving comes in labor. The feed room is part of the

building and makes the feeding job much easier than range feeding where feed troughs are scattered over a wide area. Even greater savings of time and labor can be made by using mechanical feeders. Too, mechanical waterers can be used in the house to provide a continuous supply of clean water which is a must for economical production of all poultry. In summary, Wormeli points out that about the only disadvantages to the confinement method are the higher initial cost for housing as compared with costs for range shelters and the increased trouble from cannibalism. This trouble can be largely controlled, he adds, by debeaking. Whether or not the advantages offset the additional housing cost required for confinement rearing should be considered by the poultryman when he makes his decision on the method to be followed in growing his pullet flock.

Texas Tech Football Schedule Announced

1955 Texas Tech Schedule

Sept. 17—University of Texas . . . at Austin (N)
Sept. 24—Texas Christian at Lubbock
Oct. 1—Oklahoma A&M at Stillwater
Oct. 8—Texas Western at El Paso (N)
Oct. 22—Univ. of Houston at Houston (N)
Oct. 29—West Texas State at Lubbock (N)
Nov. 5—U. of Arizona at Lubbock (H)
Nov. 12—University of Tulsa at Tulsa
Nov. 19—College of the Pacific at Lubbock
Nov. 26—Hardin-Simmons U. at Lubbock

TEXAS TECH COACHES—Coach DeWitt Weaver (left), seeking a fourth Border Conference title in five tries, confers with his assistants, (from the left) Bud Sherrod, Wyatt Posey, Dee Andros, Beattie Featherers, and Buzz Warren.

Never trust a woman who tells her true age. That woman would tell anything.

A married man lives on less than a single man—cause he has to.

Don't smoke in bed! The next ashes that fall on the floor could be your own.

Splinters on the ladder of life are unnoticed until one begins to slide down.

Nazareth Juniors Win Olton Tourney

The Nazareth Junior Leaguers, competing for tourney laurels in the recent Little League Tournament at Olton, took both ends of a doubleheader from the Abernathy Juniors to clinch first place and lay claim to the tournament championship. The Nazareth lads won the first game 7-4 and the second game, 3-1.

Denis Hoelting went the distance in both of the seven-inning tilts and was credited with the victories. He received good support and advice from his catcher, Edwin Huesman, as well as his teammates in the field who collected a number of hits off Abernathy pitchers.

The Nazareth team won the tournament title over four other teams—Tulia, Dimmitt, Olton and the runnerup team, Abernathy. On the Nazareth team roster besides Denis Hoelting and Edwin Huesman are Donnie Hoelting, Howard Schulte, Fred Acker, Tommy Brockman, George Huesman, Joe Venhaus and Ralph Albracht.

Local Lads Divide Tourney Laurels

Dimmitt teams in the Little League Tournament at Petersburg settled for a compromise as the local Smallfry won the tourney championship in their class by downing Hale Center 3-1 and the Junior Leaguers were edged by Olton 9-8 for runnerup honors. In the Smallfry finals, Hal Ratcliff was the winning pitcher. The five-inning contest was tight all the way as no errors were committed and both teams played "heads-up ball."

Fred Bradley took the loss for the Dimmitt Junior Leaguers but pitched superb ball in losing. The winning run was scored in the last of the seventh. Dimmitt was ahead 8-2 in the fifth but errors and lack of reserves told the story.

The local lads will play in their own tourney starting the night of August 16. Three games will be played with the first one coming August 16, the second on August 19 and the third, August 23. Local fans are urged to give the tourney their support by turning out for all tournament games.

500 Expected For Wayland Workshop

Five hundred and twenty Baptist pastors, educational directors and Training Union workers from the north part of Texas are expected to gather on the campus of Wayland College at Plainview Aug. 12 and 13 for a workshop sponsored by the Baptist General Convention of Texas.

Dr. T. C. Gardner, director of the convention's Training Union Department, said the purpose of the two-day sessions will be to instruct the workers and officers in the latest techniques of presenting an unusual and a dramatic program.

The manner in which a church can maintain good public relations and get good publicity will also be outlined during the sessions by Leonard Holloway, director of the convention's Department of Public Relations.

The pastors and workers will meet in the college's regular school chapel, stay in its dormitories, eat in its cafeteria and worship in the chapel. Dr. Gardner will direct the workshop.

America's gone Ford!

HERE ARE A FEW DOWN-TO-EARTH REASONS WHY FORD SALES HAVE SKYROCKETED 25% IN JUST ONE YEAR!

Last year, Ford won 284,173 new friends . . . more new friends than all other cars combined! When one maker sells a whopping 284,173 more cars . . . in a year when competitive makes barely held their own or sold fewer cars . . . that make must be worth more. And Ford's 1955 model, introduced last November, stepped up the sales pace to an even higher tempo!

Only Ford drew its styling from the years-ahead Thunderbird. Unlike other 1955 cars, Ford turned to the totally new, years-ahead Thunderbird for its styling inspiration. The 1955 Ford is styled to stay in style.

Only Ford in its field has an advanced Y-block V-8! Ford's V-8 has an extra-deep block for smoother going and longer engine life. You can be sure of its Trigger-Torque power . . . of its gas savings . . . of its extra worth!

Only Ford in its field keeps its value so well! For several years, no other low-priced car has returned so much of its original cost at resale as Ford.

Take your Test Drive now! Prove Ford's extra worth to yourself. Try Trigger-Torque power. Check Ford's Thunderbird styling close up. Feel Ford's Angle-Poised Ride cushion out the bumps.

Come in and see how easily you can own a beautiful new FORD

WAR DECLARED ON JOHNSON GRASS AND BINDWEEDS

August and September are the months to fight bindweed and Johnson grass and many farmers have declared war on these two noxious weeds that are slowly but surely taking our country. Drum after drum of Sodium Chlorate is being applied to these two invaders and it is priced to do the job cheaper than any other soil sterilant on the market. Drop by and talk to us about your weed problems.

STILL HAVING FLY AND RED ANT TROUBLE?

We have done a little experimenting with Purina fly bait on red ants and find that it really gets the job done. We sprinkled fly bait around and in the red ant beds. Immediately the red ants began picking up the poison granules and started carrying them away from their holes. Before the ants had traveled far or moved many granules, it was all over. This may be a cruel way to talk but if you have red ant trouble drop by and pick up a package of Purina fly bait that will control your flies as well as your red ants.

DON'T FEED WORMS

Even though you may have wormed your pullets at 10-12 weeks of age, it's still good business to worm them before they go into the laying house at 20 weeks of age.

Check-R-Ton removes large round worms, also stimulates appetites and peps up birds. Check-R-Ton is easy to use and easy on the birds, so come in and let us help worm your pullets. If you need help with any of your poultry problems, do not hesitate to call on us.

CULLING SERVICE

Assisted Mrs. Edd Brockman of Nazareth Tuesday morning in culling her 200 hen laying flock. Didn't find but 15 or 20 culls, but she was glad to get these out because they were only taking profit that she should be making. Call us if you need help in culling your flock.

Dr. and Mrs. R. E. Cogswell and Mary Ann Davis returned home Wednesday from Rochester, Minn., where they had accompanied Mr. and Mrs. J. W. Davis and Eulys Davis. Mrs. Davis is receiving medical treatment at the Mayo Clinic in Rochester.

This is the life!
LIVE
to enjoy it!

A picnic is one of the nicest things.
As you drive—
BE CAREFUL - going and coming - the life you save may be your own!

Joe Cowen Agency

FEEDER AND WATER SPACE

Have visited several poultry folks the last few days and am finding that in most flocks over 10, the feeder and water space is not sufficient for the number of birds on hand. When feeder space is limited, the more aggressive pullets do the feeding and growing while the remainder only maintain body weight and are naturally slow developers. Be sure you have four inches of hopper space per bird and at best two three-to-five gallon founts or their equivalent to each 100 hens.

ANHYDROUS FOR WHEAT

Wheat planting time is drawing near and if you plan to graze your wheat an application of anhydrous ammonia before planting can make you more grazing this fall and winter and more wheat next July.

Irvin Ott of the Big Square community applied 65 pounds of Anhydrous per acre last September to wheat land and received excellent grazing plus 10 bushels extra wheat per acre at harvest time. This was a return of \$3 per every \$1 invested in fertilizer. We have Anhydrous applicators for sale or to loan. If you are planning to sow wheat in the near future, come by and let us help you with any fertilizer needs you might have.

POULTRY MEETING AUGUST 30

Tuesday night, August 30 in the Castro County Grain office an educational meeting will be held on producing and keeping quality eggs.

All persons on the Purina program and selling eggs in the Purina cartons, are especially encouraged to be present. However, anyone interested in producing higher quality eggs are invited to attend this meeting.

The time has come when we must produce a quality product and spend some time marketing it if we expect to receive profitable prices. Plan now to attend this meeting and we will assure you that your time will be profitably spent.

LEGAL NOTICE

THE STATE OF TEXAS
TO: Ida L. Henning, and Henning, her husband, whose given name and/or initials are unknown, and the heirs of Ida L. Henning and her husband, whose names and residences are not known,

GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 12th day of September A. D. 1955, at or before 10 o'clock A. M. before the Honorable 64th District Court of Castro County, at the Court House in Dimmitt, Texas.

Said plaintiff's petition was filed on the 20th day of July, 1955. The file number of said suit being No. 2231.

The names of the parties in said suit are:
L. A. Purcell and Bryan & Hoffman, as Plaintiff, and Ida L. Henning, ———— Henning, her husband whose given name and/or initials are to the Plaintiffs unknown, and the heirs of Ida L. Henning and her husband, whose names and residences are to plaintiffs unknown, as Defendants.

The nature of said suit being substantially as follows, to-wit: Suit for debt and foreclosure of paving lien against Lot No. 11, Block No. 127, Original town of Dimmitt, Castro County, Texas.

Issued this the 25th day of July, 1955.

Given under my hand and seal of said Court, at office in Dimmitt, Texas, this the 25th day of July A. D. 1955.

Neva Hastings, Clerk District Court Castro County, Texas.

Central Plains Playoff Tilt Set For Local Park

The Dimmitt team of the Central Plains Baseball League will fight for survival in a crucial tilt here Sunday against Umberger. Gametime is 2:30 p.m.

The local club faces possible elimination in a best two-out-of-three series with Umberger as they lost a close decision to the opposition last Sunday. Playing at Umberger, the two teams went ten innings before Umberger squeezed out a 10-9 victory. The win gives Umberger a definite advantage as they now need only one more victory to clinch the series and earn the right to play Friona for the league championship. On the other hand, Dimmitt could even the series at 1-1 by beating Umberger, and by taking the "rubber" game or third tilt they could go into the final playoffs with Friona. A doubleheader will be played here Sunday, should Dimmitt win the first game, in order that the crucial series can be settled.

Last Sunday Friona downed Bovina 16-8 to win the second game of that series and clinch a place in the playoff finals. The first of the playoff finals will be played at Friona and the second game at Dimmitt or Umberger, depending upon which of these clubs win Sunday.

Glover Frazier and son, Alvin, are visiting relatives in Cleburne this week.

FLAGG NEWS

Mr. and Mrs. Elzie Tigg visited the Clyde Damrons Sr. Sunday. Mr. and Mrs. Joe Stevens visited the Clyde Damrons Sr. Monday.

Mr. and Mrs. Tom Lewis are in Ft. Smith, Ark. Mr. and Mrs. Hutchison of Dimmitt visited with Mr. and Mrs. Jes Hutchison this week.

Mr. and Mrs. Pete Coke are home from a week's vacation in Carlton and Mineral Wells.

Last week's visitors in the home of Mr. and Mrs. Cecil Ginn were Mr. and Mrs. Lon Moore of Memphis, Mr. and Mrs. Tho. Perry of Dalhart and S/Sgt. and Mrs. Robert Demis of San Angelo.

Mr. and Mrs. Jess Wooten visited with Mr. and Mrs. Cecil Ginn Sunday afternoon.

Mr. and Mrs. Jess Wooten had lunch with Mr. and Mrs. Rex Wooten Sunday.

Tri-County Reunion

A tri-county reunion of former Bosque, Coryell and Hamilton county residents, is slated for Sunday, August 21, in MacKenzie State Park in Lubbock, according to an announcement this week by Joe Cowen and Bill Palmer. Basket lunches, to be brought by each in attendance, will be spread at noon.

CARD OF THANKS

I wish to thank all who were so thoughtful of me and my family during my recent illness. Your cards, flowers and kindness will never be forgotten. May God's richest blessings be with you.
Houston Lust.

Old-Fashioned, Crusty, Golden Brown

BREAD

½ cup warm water (not hot—110° to 115°)
2 pkg. active dry yeast
1½ cups lukewarm milk

3 tbsp. sugar
1 tsp. salt
2 tbsp. soft shortening
7 to 7½ cups sifted GOLD MEDAL Flour

In mixing bowl, dissolve yeast in water. Stir in milk, sugar and salt. Add shortening and half the flour; mix with spoon. Add rest of flour and mix with hand. (Spread fingers and squeeze to work in flour.) Turn onto lightly floured board. Knead until smooth and blistered . . . about 5 minutes. Round up in greased bowl; bring greased side up. Cover with damp cloth. Let rise in warm place (85°) until double in bulk . . . 1½ hours. Press 2 fingers into dough . . . it will leave an indentation when dough is doubled. Punch down. Let rise again until almost double in bulk . . . 30 to 45 minutes.

Divide into two parts. Round up and shape into loaves as follows: Flatten dough into oblong shape . . . the width about an inch longer than the length of the pan . . . the length about 12". Press out all air. Fold dough in half lengthwise. Flatten again to press out air. Bring the two ends to the center, overlap them, and seal well by pressing down firmly with knuckles. Take further edge of long side and fold over toward you, ½ of the way at a time, sealing well with heel of hand. Roll back and forth to tighten. Seal each end by pressing with edge of hand. Put into 2 greased loaf pans 8½x4½x2½", or 9x5x2½", sealed edge down (pan ¾ full). Cover with damp cloth; let rise until light . . . 30 to 60 minutes. Heat oven to 425° (bat). Test gently with finger. A slight indentation shows loaves are ready to bake. Bake 25 to 30 minutes. To test loaf, tip gently out of pan, tap bottom. It should sound hollow. Immediately remove from pans. Place on wire cooling racks or across top edges of the bread pans. Do not place in direct draft, or crust will crack.

LEGAL NOTICE

THE STATE OF TEXAS
TO ANY SHERIFF OR CONSTABLE WITHIN THE STATE OF TEXAS - GREETING:

You are commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Castro County, Texas, the accompanying citation, of which the hereinbelow following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Panhandle Lumber Company, a corporation, and if such

corporation be dissolved, to the last Board of Directors of Panhandle Lumber Company, a corporation; to Harriet Frances Wayland, and if she be deceased, to the heirs and legal representatives of Harriet Frances Wayland; to W. H. Murphy, and if he be deceased, to the heirs and legal representatives of W. H. Murphy; to Vallie V. Murphy, and if she be deceased, to the heirs and legal representatives of Vallie V. Murphy; to J. C. Anderson, and if he be deceased, to the heirs and legal representatives of J. C. Anderson; and to Florence H. Anderson, and if she be deceased, to the heirs and legal representatives of Florence H. Anderson; Defendants,

Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas at the Courthouse thereof, in Dimmitt, Texas, by filing a written answer at or before ten o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of September, A. D. 1955, to Plaintiff's First Amended Original Petition filed in said court on the 22nd day of July, 1955, in this cause, numbered 2229 on the docket of said court and styled E. I. McLain, Plaintiff, vs. Panhandle Lumber Company, et al, defendants, in which E. I. McLain is plaintiff

and the parties to whom this writ is directed are defendants. A brief statement of the nature of this suit is as follows, to-wit: Trespass to Try Title for title and possession of the following described real estate, to-wit: All of Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 23 and 24 in Block 1; All of Lots 11 and 12 in Block 2; and all of Lots 1, 2, 3, 4, 5, 6, 31 and 32 in Block 3; all of said lots and blocks being located in Hart, Castro County, Texas, a plat of which townsite appears of record in Vol. 34 pp. 577 and 578, of the Deed Records of Castro County, Texas;

by virtue of the twenty-five year Statute of Limitations, as is more fully shown by Plaintiff's First Amended Original Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law and the mandates, thereof, and make due return as the law directs.

Issued and given under my hand and the seal of office, at Dimmitt, Texas, this the 22nd day of July, 1955.

(SEAL)
Attest:
Neva Hastings
Clerk of the District Court of Castro County, Texas

Herd Test Completed
Kenwood Betty 176299, 8-year-old registered Brown Swiss cow owned by Vincent Braddock, Nazareth, has recently completed a 245-day lactation record on Herd Test of 8,757.0 pounds milk, 4.68 percent, 409.95 pounds fat on three times a day milking, according to Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wis.

If you are looking for a helping hand, you'll find none better than the one at the end of your arm.

It is true that women make a dollar go farther. They will drive clear across town to spend it.

CRAFT CLASS—Under the supervision of Mrs. Edd McLeroy, these youngsters participated in the Wesleyan Guild sponsored craft class conducted recently at the local Methodist Church. A total of 20 boys and girls (13 of whom are not pictured) took courses in copper tooling and reed work. The purpose of the class was to offer the youth valuable training and occupy them during their summer vacation. Pictured above are: front row, left to right, Ester Hyatt and Suzie Davis; back row, left to right, are Tommie Allen, Keitha Davis, LaNelle Blanton, Mrs. McLeroy, Rosanetta Hyatt and Shirley Pingleton. Not shown, but who also attended the five-week class are Georgene Blanton, Willa Mae Bird, Linda Gladman, Gail Gladman, Carol Cowser, Verna Brown, Jan Brown, Kay Estes, Ralph Shaw, Aundrea Boothe, Patsy Wooddell and Arthur Shaw.

Area Drug Store Shortage Revealed

A University of Texas survey reveals the State's Rio Grande Valley has the most drug stores in proportion to population and the Panhandle has the fewest. More than 50 per cent of Texas drug stores employ one pharmacist, a third of the stores employ two and only 4 per cent of the establishments employ more than three, the survey shows. Almost half of Texas pharmacists own no part of the store in which they work, the investigation also indicates.

The University's College of Pharmacy and Pharmaceutical Foundation made the survey as part of a continuing study of Texas pharmaceutical manpower.

NEWS FROM THE RUNNING WATER SOIL CONSERVATION DISTRICT

Occasionally a farmer has need for a piece of equipment which isn't used in the regular operation of a farm. The district has some equipment that may be rented that is too expensive to buy in ordinary farming operations. The following equipment is available:
No. Kind Rental
6—Landplanes \$10.00 a day
1—8' grader or ditcher, \$3 a day.

- 1—Whirlwind Terracer, \$6 a day.
- 1—2-yd. carry-all, \$6.50 a day.
- 3—Grass Drills, 50 cents an acre.
- 2—Legume Seeders, 35c an acre.

One International Tractor and Handcock Terracer elevating grader is available with operator. To lease or rent any of this equipment see John Aldredge 2 miles west of Dimmitt who is custodian of the district equipment.

Now is the time for the legume seeders to be put in operation. They take three regular rows and seed two rows of legumes in each water furrow. They are adjustable to any width rows and will seed uniformly anything from the smallest clover seed to the largest peas. Don't forget the inoculation of the legumes.

All money made from the rental of district equipment goes to pay maintenance and purchase additional equipment.

Orrin Howe Receives 1st Lt. Commission

Second Lieutenant Orrin K. Howe, son of Mr. and Mrs. O. K. Howe, Dimmitt, has received his first lieutenant commission, according to his parents.

Young Howe, a graduate of Texas Tech College, has been serving in the Pacific theater since May 31, 1954 and is currently stationed on Okinawa. His wife, the former Jeri Hudson of Earth, joined him overseas in December of last year.

West Texans...

Keep West Texas money working in WEST TEXAS! If we can create and develop our own financial institutions, everyone prospers and profits.

Estate Life Insurance Company was founded in March 1953 and is now owned by some 600 Panhandle-Plains citizens. Its home offices are located in Amarillo, with district offices in Plainview and Lubbock.

The company has more than \$8,000,000 of insurance in force or in process. It has an agency force that is writing at the rate of more than a million each month.

The company's assets now total more than \$1,403,000. All of its money is invested in West Texas and will continue to be invested here.

Estate Life is a fast growing, proven life insurance company.

To provide for expansion of its home office properties and sales forces, the public is being offered 15,000 of the company's 300,000 shares of common stock, no par nominal value, at \$30.00 per share.

You undoubtedly are interested in helping to Keep West Texas Money in West Texas. This is your opportunity to help your area while you help yourself.

This advertisement is not an offer for the sale of this stock. It may be purchased only by bonafide residents of Texas by prospectus. Send for yours by the coupon below.

SYMBOL OF QUALITY

AN ELECTRIC FREEZER IS A Flavor Saver!

ICE CREAM
Frozen PEAS
Orange Juice

Two Styles... There's room in the smallest kitchen for a food freezer—so take your choice—upright or chest type.

Time Saving... Go to the store when you want to—that makes shopping a pleasure—and keeps you in command of your time and budget.

Economical... Spur-of-the-moment meals, without a freezer, have a way of being expensive. You're ready, though, with a freezer, for economical last-minute meal planning.

Freezing "locks in" the goodness that Nature gave the fruits and vegetables you enjoy so much. Keeps all the vitamins and nutrition in the foods, too.

A home freezer will pay for itself in economical purchases when quality is high and price low.

You can bank on a food freezer for money and flavor dividends—all year long.

The Rowland family reunion was held this year at the home of Mr. and Mrs. Roy Taack. They began to arrive from Houston, San Antonio and Longview on Thursday and the last guest left on Tuesday. 38 persons enjoyed the barbecue dinner on Sunday. Rev. Leslie Huebner, pastor of the Lutheran Church in Littlefield was a special guest on Thursday evening.

A Fellowship meeting was held to honor the Bill Wood family on Sunday night just after the close of the revival meeting at the Baptist Church. Cookies and punch were served to a large crowd of friends and fellow church members.

Mr. and Mrs. Percy Hart spent the week-end with her mother, Grandmother Livesay, in Lockney.

Mr. and Mrs. Roy Taack and daughter, Mary, will be in San Antonio the last of the week for a Soil Aid meeting. They will show motion pictures of crops in this area which have been treated with Soil Aid along with pictures of those which have not been so treated. Mr. Taack is the local agent for this fertilizer.

Mrs. Connie Mack English was the honoree at a pink and blue shower in the home of Mrs. W. D. Bell on Thursday afternoon. Assisting Mrs. Bell were Mesdames Dave Bostick, Loyd Farris, Jimmie Davis and Jimmie Bostick.

Supt. Paul Robertson returned on Sunday from Commerce, Longview and Arthur City where he interviewed teachers to fill the two vacancies in the Hart Schools. He reports a successful trip, lots of hot weather and good crops over that area.

Beef Drumsticks, fashioned of ground beef and veal and fried until golden brown, make good hot or cold picnic eating. Skewer handles are fun for the kids, according to the Texas Beef Council, who recommends the sticks for outings from now through September.

WALTER ROGERS

Washington Newsletter

Quieter Washington

As the Rogers family pulls out of Washington for the Panhandle, the City is as quiet and calm as I have ever seen it. The fanfare and trumpet blowing that always accompanies a session of Congress has all leveled off and peace seems to prevail. The highly combustible and controversial issues that faced the first session of the 84th Congress no doubt accounted for the general talk on both sides of the aisle that this was one of history's toughest sessions. The tremendous pressure from both the extreme left and the extreme right was constant during the session, both in committee meetings and in House sessions. This builds up a tension and a strain on an individual that is not noticeable until it is relieved. It is probably the reason that so many members were on their way out of Washington within 24 hours after adjournment. The Rogers family would have been gone in the same amount of time, but it takes us about a week to gather the children up from around the neighborhood.

The respite from the controversial issues will be short, because many of them are not settled and must be faced during the early days of the next session. Some that are left pending are the natural gas bill (it passed the House but not the Senate), the highway bill, the school construction bill, additional legislation concerning the polio vaccine and several others. In addition there will be new ones. One of these will be the surface transportation issue. Much pressure is being built up in this particular segment of the economy and a tough conflict will probably ensue. In any event the respite is most welcome, because it will give all the members a chance to re-evaluate the problems and to obtain the grass roots advice on their proper solution. They will be refreshed both mentally and physically for the renewed attack on these problems in January.

Operation Deep Freeze
In association with several other Members of Congress, I had a very pleasant visit with Admiral Richard E. Byrd, of both North and South Pole fame, and a group of those who have worked closely with him in his explorations. The Admiral expects to return to the South Pole in connection with the Antarctic Expedition announced by the President on March 28th. The expedition is to be in conjunction with the International Geophysical Year, a cooperative world-wide effort. A thorough briefing on the subject clearly points up the tremendous importance or Antarctica. The great mysteries that have been locked in this icebound continent may prove to be the greatest boons to mankind in future generations. As Dr. Siple, one of the leaders in these expeditions, puts it of specific interest in Antarctica:
"The intensity of the electromagnetic phenomena, such as those related to geomagnetism, aurora and airglow, cosmic rays, ionospheric physics, and solar activity, are directly or indirectly influenced by the earth's magnetic and geomagnetic poles. Evidence is inconclusive that the observed responses are similar at both poles, and it is scientifically desirable to make simultaneous observations for comparative and analytic reasons and to check theories based on unipolar evidence."
You can see from this clear and concise treatment of the matter that all is not yet known. Incidentally, such portions of Antarctica as would be claimed by the USA, would be under the jurisdiction of the Department of Interior as public lands. This, of course, would come under the jurisdiction of one of my committees, to-wit, the Committee on Interior and Insular Affairs. After viewing some of the pictures of continent and hearing of the hardships encountered by the men, I advised Admiral Byrd that I did not think he need expect any Congressional visitors in that area until things warm up a bit. He told me that the discoveries proved that this area was at one time

tropical, and that present indications point toward a warming up cycle. However, this will require quite a few years, say several thousand.

A Friend of Man
The nation came off the loser when Bob Anderson, Deputy Secretary of Defense, terminated his government service. I have known Bob for many years. He is an outstanding fellow who has been blessed with a brilliant mind and many qualities and abilities that the average man did not get. His crowning glory lies in the fact that he has always employed these characteristics and fine qualities for the betterment and benefit of his fellow man and not his own personal purposes. We were sorry to see Bob leave and wish him the great success in his personal life that we know he is

old." This sounds like a good old Panhandle saying to me.

Visitors

Oliver Wendell Holmes once said, "To be seventy years young is sometimes more cheerful and hopeful than to be forty years

Visiting in the office with us this week was Charles Hastings, Jr., of Dumas, Texas.

Does This Constitute Waste?

The above picture was made of a milo field with rows 9/10ths of a mile long and with no steps taken to keep irrigation water from emptying into county road bar-ditch.

This picture of water produced for irrigation uses was made after following the water for 2 1/2 miles from point where it left the land upon which it was pumped.

IMPORTANT NOTICE!

Waste of underground water as defined in Texas Law was amended in the 1955 session of the Legislature by adding the following section:

"(c) WILLFULLY CAUSING, SUFFERING, OR PERMITTING UNDERGROUND WATER PRODUCED FOR IRRIGATION OR AGRICULTURAL PURPOSES TO ESCAPE INTO ANY RIVER, CREEK, OR OTHER NATURAL WATER COURSE, DEPRESSION, OR LAKE, RESERVOIR, DRAIN, OR INTO ANY SEWER, STREET, HIGHWAY, ROAD, ROAD DITCH, OR UPON THE LAND OF ANY OTHER PERSON THAN THE OWNER OF SUCH WELL, OR UPON PUBLIC LAND."

New Science Head Named At Wayland

Eugene Wise Jones becomes chairman of the Division of Social Science at Wayland College on Sept. 1, according to President A. Hope Owen. The doctorate will be conferred on him at the summer commencement exercises at the University of North Carolina. Dr. Jones comes to Wayland College from Wingate Junior College in North Carolina, where he has taught history and social science since 1947. For his Ph. D. degree, Dr. Jones has written a dissertation on "The Employment Security Commission

of North Carolina." He holds both the B. A. and M. A. Degrees from the University of Akron. Dr. Jones served two and a half years in the European Theatre during World War II. He is a member of the American Legion and the Lions Club and has been active in the Parent Teachers Association in North Carolina.

Reunion Of Lamar Exes

Former residents of Lamar county and their friends are invited to a picnic and reunion at MacKenzie State Park in Lubbock, Sunday, August 21. Those attending should bring a basket lunch which will be served at noon.

Farm Exports In U. S. Up Seven Percent Over '54

Exports of United States agricultural products for the year ending June 30 totaled \$3,130,000,000, an increase of 7 percent over the previous year and 11 percent above the 1952-53 total. Extension Economist Pat Wooten says the U. S. Department of Agriculture has reported that all major commodity classes showed some improvement but it took a grain buying upswing in June to bring that commodity up to the level of the year before.

Exports registered gains in 1954-55 mainly for vegetable fats and oils and livestock products, but increases were also listed for cotton, tobacco, and fruits and vegetables. Cited by the economist as contributing factors to the increase were improvements in economic conditions abroad and Europe's poor grain harvests in 1954. Satisfactory levels of gold and dollar accumulations attained during the year also made it possible for some countries to expand their dollar purchases of American farm products, said Wooten. On the other hand, some European countries continue to maintain restrictions against imports from the United States. Exports

would probably have increased further had foreign demand been able to fully assert itself, he said. The large supplies and Government programs aided the flow of farm products abroad. The most important of these programs were sales for export at competitive prices, sales for foreign currencies, barter agreements, grants to foreign countries for emergency relief and welfare donations in foreign countries.

laws of the State of Texas and the complementary thereto, and to all various acts mandatory and sup-

laws, ordinances, and legal requirements applicable thereto. 40-41-42tc

There is a bright side to everything. But in politics it is the inside.

LEGAL NOTICE

NOTICE TO BIDDERS

Sealed proposals for construction of an addition to the High School Building for Nazareth Independent School District, Nazareth, Texas, will be received at Nazareth High School, Nazareth, Texas until:

2:00 P. M. (CST)
Wednesday
August 24, 1955

at which time and place, bids will be publicly opened and read. Proposals will be received to include all work in one contract.

"OLD RELIABLE" INTO A FLASH OF FIRE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models.

We wager that the first thing you'll say when you drive the new Chevrolet is: "Who changed 'Old Reliable' into a flash of fire?"

For years and years, Chevrolet has given you those qualities of materials and workmanship that make it the best investment in its field... and now added to all that is sizzling performance!

Proof? You bet. In official NASCAR* Trials Chevrolet out-accelerated all low and medium-priced cars and every high-priced car but one!

Yes, sir! Flash of fire! That's why we ask you to try Chevrolet before you buy any car.

*National Association for Stock Car Auto Racing

Drive with care... EVERYWHERE!

America's hottest performer because it's got America's most modern V8!

Take a drive in the new Chevrolet... and see how new the new Chevrolet really is. We can almost guarantee that when you try it, you'll think you're driving a car costing twice as much. "Old Reliable" is red hot.

SMALL GRAINS GROW BETTER WITH PHILLIPS 66 AGRICULTURAL AMMONIA

Applied in the Fall

Apply Phillips 66 Agricultural Ammonia ahead of your small grains for earlier, faster growth that makes possible more fall and winter grazing with higher grain yields next year, too.

Phillips 66 Agricultural Ammonia is easy to use. It's 82% nitrogen—more nitrogen per dollar than you can get in any other type of nitrogen fertilizer.

Agricultural ammonia stores well in loamy to heavy soils. It stays in the moist root zone... resists leaching... until growing crops need it.

Notice of Dimmitt City Bond Election Sept. 3

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS CITY OF DIMMITT COUNTY OF CASTRO TO ALL QUALIFIED VOTERS OF THE CITY OF DIMMITT, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Dimmitt, Texas, on the 3rd day of September, 1955, in obedience to a resolution and order duly entered by the Board of Commissioners on the 15th day of August, 1955, which is as follows:

RESOLUTION AND ORDER FOR CITY BOND ELECTION THE STATE OF TEXAS CITY OF DIMMITT COUNTY OF CASTRO

ON THIS, the 15th day of August, 1955, the Board of Commissioners of the City of Dimmitt, Texas, convened in special session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:

E. B. Wright, Mayor
A. C. Hays, Jr., Commissioner
Harold Stephens, Commissioner
and with the following absent: None, constituting a quorum; and, among other proceedings had, were the following:

Commissioner Stephens introduced a resolution and order and moved its adoption. The motion was seconded by Commissioner Hays. The motion, carrying with it the adoption of the resolution and order, prevailed by the following vote:

AYES: Mayor Wright and Commissioners Hays and Stephens.
NOES: None.

The RESOLUTION and ORDER is as follows:

WHEREAS, the Board of Commissioners of the City of Dimmitt, Texas, deems it advisable to issue the bonds of said City for the

BE IT RESOLVED AND ORDERED BY THE BOARD OF COMMISSIONERS OF THE CITY OF DIMMITT, TEXAS:

SECTION 1: That an election be held on the 3rd day of September, 1955, which date is not less than fifteen (15) nor more than thirty (30) from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the qualified electors of said City, who own taxable property therein and who have duly rendered the same for taxation:

PROPOSITION NUMBER 1
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue ONE HUNDRED NINE THOUSAND DOLLARS (\$19,000) of revenue bonds of said City for the purpose of paying off, refunding and cancelling an equal amount of the outstanding indebtedness of the City's combined Waterworks and Sanitary Sewer System, as evidenced by 'City of Dimmitt, Texas, Waterworks and Sewer System Revenue Bonds,' dated March 1, 1953, in the principal sum of \$109,000, maturing serially on March 1st in each of the years as follows: \$3,000 1956 to 1961, \$4,000 1962 to 1966, \$5,000 1967 to 1970, \$6,000 1971 to 1975, and \$7,000 1976 to

1978, all inclusive; all bonds maturing 1956 to 1963, inclusive, bear interest at the rate of 3% per annum, and all bonds maturing 1964 to 1978, inclusive, bear interest at the rate of 4% per annum, which bonds were authorized and issued pursuant to and ordinance adopted by the Board of Commissioners of said City on the 30th day of March, 1953, and to which ordinance reference is hereby made for further description of said bonded indebtedness; said \$109,000 new revenue bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 2
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue ONE THOUSAND FORTY ONE THOUSAND (\$141,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed Thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as said expenses are defined by statute?"

PROPOSITION NUMBER 3
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) of revenue bonds of said City for the purpose of constructing improvement and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period of years not to exceed Thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as said expenses are defined by statute?"

PROPOSITION NUMBER 4
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue THIRTY-FIVE THOUSAND DOLLARS (\$35,000) general obligation tax bonds of said City for the purpose of constructing street improvements in and for said

City; said bonds to mature serially over a period of years not to exceed Thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

PROPOSITION NUMBER 5
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue FIFTEEN THOUSAND DOLLARS (\$15,000) general obligation tax bonds of said City for the purpose of purchasing and/or improving lands for public parks in and for said City; said bonds to mature serially over a period of years not to exceed Thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

SECTION 2: In the event the said revenue bonds are authorized to be issued by a majority of the qualified electors of said City, voting at said election, and the same are issued and sold, the holder or holders of such bonds shall never have the right to demand payment thereof out of any funds raised or to be raised by taxation, and each bond issued or executed in pursuance of such election, shall contain the following clause: "The holder hereof shall never have the right to demand payment of this obligation out of any funds raised, or to be raised, by taxation."

SECTION 3: That said election shall be held at the City Hall in the City of Dimmitt, Texas, and the entire City shall constitute one election precinct.

SECTION 4: That the following named persons are hereby appointed officers of the election, to-wit:

G. P. Dyer, Presiding Judge
Mrs. E. L. Ivey, Judge
Mrs. Elvis Burch, Clerk
Mrs. T. S. Buckmaster, Clerk.

SECTION 5: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 6: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V. A. T. S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

TEM TO THE PAYMENT THEREOF"
"AGAINST THE ISSUANCE OF \$109,000 WATERWORKS AND SEWER SYSTEM REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 2
"FOR THE ISSUANCE OF \$141,000 WATERWORKS REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 3
"FOR THE ISSUANCE OF \$50,000 SEWER SYSTEM REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$50,000 SEWER SYSTEM REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 4
"FOR THE ISSUANCE OF \$35,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$35,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

PROPOSITION NUMBER 5
"FOR THE ISSUANCE OF \$15,000 GENERAL OBLIGATION PARK BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

AS TO EACH of the foregoing five propositions, each voter may

mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his or her vote on the five propositions respectively, or in the alternative, each voter may vote on the propositions by placing an "X" in the square appearing on the ballot beside the expression of his choice.

SECTION 7: That a copy of this resolution and order signed by the Mayor of said City and attested by the City Clerk shall serve as proper notice of said election.

SECTION 8: That notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said notice shall be posted at three public places in said City, one of which shall be at the City Hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation, published in the City of Dimmitt, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

SECTION 9: That all revenue bonds presented in Propositions 1, 2 and 3 hereinabove mentioned, are to be ratably secured in such manner that no one bond shall have priority of lien over any other bond, it being the intent hereof to provide for the creation of an indebtedness against the City's combined Waterworks and Sanitary Sewer System for the purposes hereinabove stated, and such bonds as are approved by the qualified voters, voting at the election herein and hereby ordered, are to be issued in one or more installments, but as a single combined authorization.

PASSED AND APPROVED, this 15th day of August, 1955.

E. B. Wright, Mayor
City of Dimmitt, Texas

Local Scouts Earn Camp Merit Badges

Four local Boy Scouts, all members of Dimmitt Troop 67, attended camp at Tulla Lake over the weekend to receive valuable Scouting instruction and qualify for new ranks.

The quartet, Jerry Adams, Marion Oakley, Jerry Blackwell and Joe Burkett, were tutored in such activities as boating and canoeing, basket weaving, nature study, ceramics and other types of hard work. They were in camp from Thursday evening to Sunday morning. Assistant Scoutmaster John Hardy Wood was with the lads Thursday night and Scout Committeeman H. E. Hershey was present from Friday evening until the youth closed camp Sunday morning.

The purpose of the three-day camp, according to Hershey, is to pass off Scout work in order to earn merit badges, which in turn will qualify the boys for higher rank.

When a fellow is single he runs around and gets into a lot of trouble. After he is married he doesn't have to run around.

Town and Country Flower Meet Held

Don Henderson, a florist from Lubbock, gave an interesting demonstration of flower arranging at Fellowship Hall in the Methodist Church Tuesday of last week. The Town and Country Garden Club had Mr. Henderson's demonstration as its monthly meeting and invited the public to come. There were approximately 40 ladies present with guests from Tulla and Big Square and the Dimmitt Garden Club.

Mrs. George Bradford, and Nona Umberson furnished the flowers

for Mr. Henderson. Making six arrangements, Mr. Henderson used several basic containers: two brassy sniffers, one in a large ash tray, one in a large basket, the type used for weddings, etc., and one in a low flower container using driftwood. Mr. Henderson also showed how corsages can be made from gladiolas. Two very attractive corsages were made by dismantling a gladiolus bloom and wiring the petals back together.

Hostesses for the meeting were Mary Lu Smithson, Esta Vandiver and Jure Smith.

The next meeting of the Town and Country Garden Club will be in the home of Joyce Autry, Tuesday, September 13.

RADIATOR REPAIR WORK

We are now completely equipped to give prompt and efficient service to your radiator.

Mr. A. T. Winkle will be in charge of our Radiator Repair Shop in the rear of our body shop building.

All Work Guaranteed

DIMMITT MOTOR COMPANY

Here's why we say New Chevrolet *Task-Force* Trucks are the most **Modern** trucks for any job today.

WORK-STYLED LIGHT- AND MEDIUM-DUTY MODELS have their own fresh, functional appearance.

WORK-STYLED HEAVY-DUTY MODELS look every bit as husky, efficient and modern as they are.

MOST MODERN V8's in the industry. Standard in Low Cab Forward models, an extra-cost option in all others except Forward Control models.

PANORAMIC WINDSHIELD sweeps around the corners to give you a wider, safer view of the road ahead.

REVOLUTIONARY NEW L.C.F. (Low Cab Forward) is much lower than former C.O.E. models yet it offers C.O.E. maneuverability.

OVERSQUARE DESIGN means less piston travel... longer V8 engine life.

HIGH-LEVEL VENTILATION provides a more constant supply of outside air.

Plus... Five new high-compression valve-in-head sixes—the most advanced sixes in the industry! New, roomy Flite-Ride De Luxe cab—the truck driver's "dream cab!" Huge new Full View rear window (optional at extra cost).

NEW CONCEALED SAFETY STEP stays clear of snow, ice and mud for greater safety regardless of the weather.

NEW 12-VOLT SYSTEM delivers double the punch for quicker starting and finer performance.

NEW CAMEO CARRIER is the flagship of the Chevrolet truck fleet! It's the first truly beautiful truck ever built!

These are just a few of the reasons why new Chevrolet trucks are the most modern trucks for any job today. Come on in and see why these great new trucks will save hours and dollars on the job! Come see why anything less is an old-fashioned truck!

Year after year... America's best-selling truck

Pohlmeier-Parrino Nuptials Read In California Double Ring Ceremony

Emely Ann Pohlmeier of Reseda, Calif., daughter of Mr. and Mrs. Alfred Pohlmeier of Nazareth, became the bride of Fortunato Angelo Parrino of Tarzana, Calif., son of Mr. and Mrs. Angelo Parrino, in a recent double ring ceremony in Our Lady of Grace Parish, Encino, Calif.

The bride wore a gown of ballerina length with imported Chantilly lace over taffeta with a seed pearl Chinese necklace. Her fingertip veil of net and Spanish lace was attached to a crown of pastel pink and blue sequins imported from France.

The attendants were Mrs. Andy Albracht, aunt of the bride. She

was matron of honor. Anna Gambina was bridesmaid. The attendants were attired in coral and turquoise ballerina length gowns of crystalene with matching head-dresses and carried yellow and lavender orchids.

The ushers were Tommy Parrino, Wenzel Hackman, Charles Hanzel and Joe T. Parrino. Joseph Parrino, brother of the groom, was best man.

The reception was served to 250 guests following the ceremony in the garden of the groom's parents' home.

Following their honeymoon in Palm Springs, they will reside at 1872 Martha St. Tarzana, Calif.

Jack Malone Elected To Bank Assn. Office

Members of the Panhandle Conference of the National Association of Bank Auditors and Comptrollers elected Local Banker Jack Malone as their new secretary and treasurer at a recent meeting in Amarillo. New conference president is Bob Latta, Amarillo banker, and new vice-president is Jim Odum, also of Amarillo.

The conference meets once a month to discuss mutual problems and ways of solving these problems.

Girl Scout, Brownie Troops To Be Formed

Girls interested in joining Brownie or Girl Scout troops are invited to attend a special troop organizational meeting to be held in the home of Mrs. John Nichols Thursday, August 25, at 10 a.m. Troops for both Brownies and Girl Scouts will be organized at the meeting. Girls from eight to 12 are eligible for membership in the proposed Brownie Troop and girls 13 and over may join the Girl Scout troop.

HART GIRLS . . .

(Continued from Page 1)
Other Baking Show winners are as follows:

(Continued from Page 1)
erosion control measures; development and improvement of domestic and irrigation water supplies, repair and improvement of existing farm buildings, and the purchase of additional land needed to enlarge a farm to a family-type size.

Loans also may be made to purchase livestock, farm equipment, farm equipment repairs, seed, fertilizer, feed, insecticides, farm supplies, and for payment of interest and taxes.

A carefully developed Farm and Home Plan will be a part of the processing of each loan. It is not intended that loans shall be made prior to proper classification of the land involved, and the Farm and Home Plans will take into consideration such things as the type of farming best suited to the land, and borrowers will be required to follow farm management practices recognized locally as best for their particular type of land.

The regular production loans will bear 5 percent interest, which is fixed by law; real estate loans on family-sized farms are 4 1/2 percent, and the special emergency loans will be at 3 percent. Terms in all instances will be geared to the expected repayment ability of the applicant.

Previously, emergency loans were limited to credit needed annually by farmers or ranchers to carry out normal operations. The expanded emergency loans, which will continue to supplement credit supplied by regular lending programs, are expected to help farmers and ranchers finance major reorganizations when that is necessary to stabilize their operations.

In addition to the expanded credit program, assistance will be available through the Farmers Home Administration to both creditors and debtors in effecting voluntary adjustments of existing debts, when necessary, in order that the debt load on the farmer or rancher be held to a point within his ability to repay.

In cases where it is necessary in order to enable the farmer or rancher to continue his operations the Farmers Home Administration may include funds in the loan to refinance his indebtedness.

A loan may be made to a farm owner, farm operator, or stockman, including a partnership or corporation, if the applicant:

1. Is an established operator and is primarily engaged in farming or livestock operations.
2. Is unable to obtain the necessary credit elsewhere.
3. Can be expected to carry on farming operations that are consistent with proper land use for the area and will have reasonable prospects of success with the assistance of the loan.

County committees of the Farmers Home Administration will determine the eligibility of applicants.

Mr. and Mrs. M. L. Simpson and Louise, and Jimmie Hyatt and Mary Nelson returned home Friday from a two weeks' vacation at San Diego, Calif.

Lyndell Thompson, Ivan Sinclair Wed In Colorful Church Ceremony Here

The marriage of Miss Lyndell Mae Thompson and Ivan Earl Sinclair was solemnized at 7:30 p.m. Saturday in the First Baptist Church of Dimmitt.

The Rev. George Ray performed a double ring ceremony before an altar banked with greenery and flanked by baskets of white gladiolus and asters. French blue tapers burned in cathedral candelabra.

The bride is the daughter of Mr. and Mrs. W. E. Thompson and the bridegroom's parents are Mr. and Mrs. B. E. Sinclair.

Bryce Dowell sang the wedding solos, "You'll Never Walk Alone" and "The Lord's Prayer" accompanied by organist O. C. Renfro.

The bride, given in marriage by her father, wore Chantilly-type lace and white net over satin designed with fitted bodice with decollete neckline and tapered sleeves. The full skirt had graduated tiers of net, appliqued with lace rosettes. Her veil of sheer illusion was attached to a fitted cap set with pearls. She wore a double-strand of pearls, gift of the bridegroom. The bride carried a white Bible topped with fuchsia white carnations and a white orchid, showered with white satin streamers and maline puffs.

Mrs. S. M. Bailey Jr. of Friona, aunt of the bride, was matron of honor. Miss Martha Garrett of Whiteface was maid of honor and Miss Sandra Thompson, sister of the bride, was bridesmaid. They wore identical dresses of blue crystalene over blue taffeta with matching mitts and head-dresses and carried nosegays of fuchsia white carnations with blue satin streamers and maline puffs.

Edgar Dennis was best man. Lynn Thompson, brother of the bride, and George Ray Jr. were groomsmen, and George Lyons of Whiteface and Joe Nelson were ushers.

The candle lighters were Mack and Jack Thompson, twin brothers of the bride.

Mrs. Thompson, mother of the bride, wore an aqua dress with black and aqua accessories.

Mrs. Sinclair, mother of the bridegroom, wore a pink lace dress with pink and black accessories. Both wore corsages of white carnations.

At a reception given in the home of Mr. and Mrs. Billie B. Sinclair, the bridal table was laid with white organdy over blue and fea-

tured the bride's attendants' bouquets, crystal candelabra holding white tapers and a three-tiered cake topped by a miniature bride and bridegroom. Crystal appointments were used.

Misses Rita Garrett and La Wanda Cooksey, both of Whiteface, and Mrs. Dorothy Shannon and Mrs. Lois Sinclair served cake and punch. Miss Wilma Noble registered guests.

For a wedding trip to Ruidoso, N. M., the bride was attired in a tan linen suit with pink accessories and a white orchid corsage. She will attend Harding Simmons University. The bridegroom is entering as a ministerial student.

The color and grandeur of truly fine horsemen was reflected in the cheering voices of hundreds of spectators as they greeted the grand entry heralding the opening rodeo performance in the Dimmitt Rodeo Arena Thursday night.

Crowds jammed the stands each night of the rodeo and old timers did their share of shouting and cheering each time the chutes were opened and another animal bucked into the arena.

An estimated 4,000 people attended the rodeo parade Thursday and the three rodeo performances at the arena before one of the most successful celebrations ever held in Dimmitt came to a close.

The traditional get-together of Castro county pioneers, both former and present residents, drew their share of attention and interest. Some 116 of the old timers gathered on the south lawn of the courthouse Thursday afternoon to reminisce and "tell tales." L. B. Kamenzind, Dimmitt old timer, was the oldest person attending the old settler's reunion. He is 85 years old. The persons coming the farthest distance to the annual celebration were Mrs. Vira Harrell and Mrs. Boone Killgore, both of Corpus Christi. The group heard talks by Rev. D. W. Brashear, Swain Burkett and Mrs. Cleve Tate, the first child born in Castro county.

Following the election of officers for the next year, the old timers enjoyed tasty plates of chuck roast barbecue, a courtesy of the Dimmitt Rodeo Association. The group chose Edwin (Goose) Ramsey as their new president and Mrs. Hazel Merritt, local teacher who has identified herself with the old settlers by keeping them posted on Castro county history, as vice-president. Mrs. C. J. Mapes, who herself has taken an active interest in the annual reunions, was named secretary-treasurer and Mrs. Percy Estes, historian.

Sheriff's posses from Plainview, Hereford, Earth, Silverton and Littlefield rode in the gala parade witnessed by some 1,000 persons. The Castro County Sheriff's posse

Grade A Barn Is Built Near Here

Another Grade A dairy barn, located on the Harry Rothwell farm 12 miles west of Dimmitt, has been completed and is operating according to Grade A standards.

In order to make the Grade A barn possible, Rothwell rebuilt and remodeled his old milk barn to meet Grade A specifications. The building is supported by eight stanchions and is equipped with Surge Milkers. It is sufficient to care for Rothwell's dairy herd of 35 Milking Shorthorns.

The Rothwell dairy has been in production for 20 years. This, however, is the first time they have had a Grade A dairy barn. A Lubbock milk company makes milk pickups at their farm.

FAST, UNIFORM, ACCURATE DRILLING

No matter what crops you decide to sow, you will find a Moline-Monitor will handle the job fast and accurately, without danger of injuring the most delicate seeds. The rugged construction of hoppers, frames, axles and wheels add up to dependable, efficient operation.

POPULAR MM DOUBLE-RUN FEED
Popular MM Double-Run Feed features internal ribs spaced to deliver seed uniformly regardless of the quantity being sown per acre. A cut-off lid permits use of either side and as each side is provided with an adjustable gate easily set by a small lever, eight different quantities can be sown per acre without the use of reducers or without changing gears.

Come in and get the facts about MM Drills with a choice of single or double discs, press wheels, deep furrow or lister openers, and other specialized equipment.

Large Attendance Marks Successful '55 Dimmitt Rodeo

The color and grandeur of truly fine horsemen was reflected in the cheering voices of hundreds of spectators as they greeted the grand entry heralding the opening rodeo performance in the Dimmitt Rodeo Arena Thursday night.

Crowds jammed the stands each night of the rodeo and old timers did their share of shouting and cheering each time the chutes were opened and another animal bucked into the arena.

An estimated 4,000 people attended the rodeo parade Thursday and the three rodeo performances at the arena before one of the most successful celebrations ever held in Dimmitt came to a close.

The traditional get-together of Castro county pioneers, both former and present residents, drew their share of attention and interest. Some 116 of the old timers gathered on the south lawn of the courthouse Thursday afternoon to reminisce and "tell tales." L. B. Kamenzind, Dimmitt old timer, was the oldest person attending the old settler's reunion. He is 85 years old. The persons coming the farthest distance to the annual celebration were Mrs. Vira Harrell and Mrs. Boone Killgore, both of Corpus Christi. The group heard talks by Rev. D. W. Brashear, Swain Burkett and Mrs. Cleve Tate, the first child born in Castro county.

Following the election of officers for the next year, the old timers enjoyed tasty plates of chuck roast barbecue, a courtesy of the Dimmitt Rodeo Association. The group chose Edwin (Goose) Ramsey as their new president and Mrs. Hazel Merritt, local teacher who has identified herself with the old settlers by keeping them posted on Castro county history, as vice-president. Mrs. C. J. Mapes, who herself has taken an active interest in the annual reunions, was named secretary-treasurer and Mrs. Percy Estes, historian.

Sheriff's posses from Plainview, Hereford, Earth, Silverton and Littlefield rode in the gala parade witnessed by some 1,000 persons. The Castro County Sheriff's posse

dekked out in new purple and white chaps rode in the parade as host riding unit. Other contingents, such as the Rainbow Assembly float, chuck wagon (representative of all old settlers), Reese Air Force Band, bicycle calvacade and several tractors, combines and other farm machinery drew applause from the vast audience crowding the square.

Hale county (Plainview) posse was judged first among riding entries; Hereford second; and Portales, third.

Winners in the various rodeo events at the local arena follow:
First go-round saddle bronc riding: 1st, Ed Workman, Olton, 290 points; 2nd, Ed Harland, Texhoma, 281 points; and 3rd, Louie Erramouse, Corona, N. M., 278 points.

Second go-round saddle bronc riding: 1st, Junior Green, Amarillo, 288 points; 2nd, Bud Coffee, Morse, Texas, 287; and 3rd, Charlie Barton, Amarillo, 285.

Bareback bronc riding: 1st, Junior Greer, 294; 2nd, Ed Workman, Olton, 292; 3rd, John Lowery, Beverly Hills, Calif., 287; 4th, Bud Coffee, Morse, 282; 5th, Louie Erramouse, Corona, 277; and 6th, Bernie Palvadore, Amarillo, 276. (There were 35 competitors in the bareback riding event and 18 in saddle bronc competition.) Ed Workman won the saddle for the best average in bareback and saddle bronc riding.

Bull riding: 1st, Jimmy Lee, Olton, 296; 2nd, Don Workman, Olton, 281; 3rd, Don Rhoades, McLean, 278; 4th, Louie Erramouse, 272; 5th, Leonard Bagwell, Canyon, 266. (Only five rides qualified out of 24 attempts. Twenty-four contestants were entered in this event.)

Tie down calf roping: 1st, O. C. Burton, Levelland, 15.5 seconds; 2nd, Wayne Pinnell, Clovis, 16.6 seconds; Don Pinnell of Clovis and Chuck Woodruff of Shallowater tied for 4th place, each turning in a time of 18.9 seconds. (O. C. Burton won the saddle for the fastest tie down with an average of 35.3 seconds.)

Second go-round tie down calf roping: 1st, Clifton Smith, Tell, Texas, 15.1 seconds; 2nd, Bill

Murray, Abilene, 15.3; 3rd, Ralph Guest, Amarillo, 17.2; 4th, Bob Knight, Earth, 19.3. (About 30 ropers participated in the contest.)

Double mugging calf roping: 1st, Jimmy Byrd, Post, 15.3 seconds; 2nd, Bill Murray, Abilene, 18.5; 3rd, Darrell Renfro, Borger, 19.3; and 4th, Val King, Levelland, 23.4. (King won saddle in double mugging with an average time of 47.6 seconds.)

Second go-round double mugging calf roping: 1st, Wesley Sharp, Tulla, 18.5; 2nd, Clifton Smith, Tell, Texas, 19.6; 3rd, Herb Williams, Hollywood, Calif., 21.3; and 4th, Val King, 24.2.

Ladies barrel race: 1st, Daphne Vineyard, Kress, 19.8 seconds; 2nd, Jackie Kirk, Kress, 19.9; and Louise Barnes, Tulla, 3rd with a time of 23.7 seconds.

Second go-round ladies barrel race: 1st, Daphne Vineyard, 20.1; 2nd, Jackie Kirk, 20.7; and 3rd, Louise Barnes, 19.5.

Third go-round ladies barrel race: 1st, Daphne Vineyard, 18.6; 2nd, Carrol Roberts, 18.8; and 3rd, Louise Barnes, 19.5.

Sharon Goodwin, 15-year-old daughter of Mr. and Mrs. P. O. Goodwin of Dimmitt was the recipient of a ticket entitling her to a free plane ride from Borger to Amarillo, via Central Air Lines, as the result of a recent contest.

Miss Goodwin was visiting her uncle and aunt, Mr. and Mrs. Frank Jones, in Pampa when she received the prize. The ticket was awarded the Dimmitt girl by Interstate Theatres of Pampa.

Mrs. P. O. Goodwin and daughters attended a family reunion of her sisters and families and father, Mr. B. D. Brown, at Pampa last week-end. Six sisters were present for the reunion.

Mr. and Mrs. Franklin Latimer and children left Wednesday for Ruidoso for a few days vacation.

Mrs. Carl Breugel and baby visited her parents at Childress Sunday. They were accompanied by Miss Shirley Moore.

Mr. and Mrs. J. W. Davis and son, Ulys, returned home Sunday from Mayo Clinic at Rochester, Minn. where Mrs. Davis received medical treatment. Mrs. Davis is reported to be doing satisfactorily.

Mr. and Mrs. P. M. Nelson and family are vacationing at Corpus Christi and Victoria this week.

Mr. and Mrs. B. E. Sinclair attended the Bell County reunion at MacKenzie Park in Lubbock, Sunday.

Mr. and Mrs. Harold Stephens and Mrs. L. A. Womack have returned home from a vacation at Grand Lakes, Colo.

Mr. and Mrs. John Broadstreet attended a reunion of kirkfolds at MacKenzie State Park in Lubbock Sunday.

Mr. and Mrs. M. E. Cleavinger and children vacationed at Ruidoso, N. M., and visited friends and relatives at Stratford last week. While at Stratford they attended a meeting of the Stratford Alumni Association. Mr. Cleavinger was formerly a member of the Stratford school faculty.
