The CASTRO COUNTY NEWS

THIRTY NINTH YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, MARCH 3, 1966 14 PAGES — NUMBER 20

THREE SENIOR MEMBERS of Dimmitt's 1966 Bobcat Basketball team, Bob Bradford, Robert Lindsey and Jacky Dunn display the Region 1 Runner-up, Class AA Trophy that they won at the regional tournament in Lubbock Saturday.

Bobcats Named Region 1 Runners-Up In Class AA

Dimmitt Bobcats were named Regional 1 runner-up of Class AA when they were defeated by Crane 76-73 in regional tournament Saturday at the Lubbock Municipal Coliseum.

The Bobcats defeated Fredericksburg 69-57 earlier in the tournament, giving them a chance to take on the Golden Cranes who defeated Phillips 61-56 in the semifinals.

It was Dimmitt's game all the way when they met Fredericksburg at 11:00 a.m. Saturday on the portable hardwood floor of Lubbock's Coliseum.

The first quarter ended with Dimmitt leading by three points. By the end of the first half, Dimmitt had doubled their first quarter lead over Fredericksburg with a 40-34 score.

By the end of the third quarter, Dimmitt had a comfortable 56-41 lead. In the final period of the game, Fredericksburg popped in 14 points and Dimmitt scored 13 points. Dimmitt's big lead, however gave them an easy victory over Fredericksburg, winning the semi-finals, and giving them the right to take on Crane in the Finals which was to be staged at 9:00 Saturday night.

Following Dimmitt's morning game, the Bobcats watched Crane and Phillips battle it out and got a preview of the action they would see on the hardwood with Crane.

Dimmitt opened the game against Crane when Bob Bradford dropped in the first point of the game from the free throw line.

It was Dimmitt's game during the first half. Bobcat fans cheered the team off the court at the end of the first half with Dimmitt leading 45-38 over Crane.

From the looks of the first half, Dimmitt fans were confident that the Bobcats would have an easy game with Crane, but the Golden Cranes came back to the hard-

Castro County Junior Fat Stock Show Scheduled March 10, 11, 12

The Castro County Annual Junior Fat Stock and Project Show, sponsored by the Castro County Chamber of Commerce will be held in Dimmitt, March 10, 11, 12, according to Charles Hottel, County Agent.

The officials of the show said that all entry cards must be in the County Agent's Office by 10:00 a.m. March 8, 1966. They further stressed that no animal will be accepted in the show unless cards and fees are received prior to the above date.

The fee will be used for bedding the animal and for show expense. The entry fee will be \$3.50 for calves and \$2.25 for barrows and lambs.

The officials also said that all livestock must be in place by 5:30 p.m. Thursday, March 10. Weighing will begin at 1:00 p.m.

County Agent Hottel stated that all animals will be sifted for condition, grooming and training, Friday morning.

The judging schedule will be as follows:

- Lambs, 1:00 p.m. Friday, March 11.
- Barrows, 2:00 p.m., Friday, March 11.
- Calves, 9:00 a.m., Saturday, March 12.

Winners of the first five places in lamb, barrow, and calf divisions will receive ribbons. Winners of grand champion and reserve grand champion in the three divisions will be awarded banners.

Trophies will be awarded to the champion animal by Community Grain in Dimmitt and Showmanship trophies will be presented by Dimmitt Wheat Growers. A cash award will also be presented to the champion animal by the Castro County Farm Bureau.

Exhibitors sale will be held at 1:00 p.m. Saturday, March 12. The officials said that exhibitors selling livestock must have their animals ready to be brought into the auction ring when their number is called.

Grand and reserve champion calves, barrows, and lambs will be sold first at the sale. Following the sale of grand and reserve champion exhibits, calves, barrows, and lambs will be sold in their respective order.

Officials of the Castro County Junior Fat Stock and Project Show are Wes Anthony, Chamber of Commerce President; Ben Holcomb, General Superintendent; Edd McLeroy, Assistant Superintendent; and Charles Hottel, Secretary.

Beef calf division co-superintendents are Joe Nelson and David Acker.

Lamb division co-superintendents are Joe Hart and John Bridges.

Swine division co-superintendents are Don Robb, Dale Reeves, David Cole and Glen Odum.

Judges for the show will be Chiles Smith, Melvin Gregg and E. G. Gaston.

Auctioneers will be Dean Sanders, Jack Howell and Joe Neuman. See program on page 13.

JACK MILLER, Dimmitt Lawyer, and a former Eagle Scout, was guest speaker at the Annual Cub Scout Blue and Gold Banquet that was held at the South Grade School Cafeteria last Friday night.

Dimmitt Cub Scouts Observe Annual Blue & Gold Banquet

Cub Scout Pack 267 had their Annual Blue and Gold Banquet at the South Elementary School Cafeteria last Friday night. Den Eight presented the flag ceremony at the opening of the banquet.

Table decorations at the banquet were made from rope by the Cub Scouts. Most of the tables had three varieties of animals, lions, bears, and wolves made from rope. The napkin holders were also made from rope.

The head table centerpiece was made from rope rosettes and different candles representing famous men born in the month of February. One large candle was also on the centerpiece representing the birth of scouting.

Jack Miller, a Dimmitt lawyer, and a former Eagle Scout was the guest speaker at the banquet. Miller was introduced to the group by Bruce Taylor.

Following the principal address by Miller, Cubmaster, Bill Thompson presented awards to Dimmitt Cub Scouts, and recognized Dimmitt Scout leaders.

Den Three Cub Scout Troop received the honor flag for having the largest number of Scouts present at the banquet. Fifty-six persons representing Den Three were at the Blue and Gold Banquet. Cub Scouts from Den Nine closed the banquet with a skit.

Nazareth P-TA School Carnival Stated Sunday

The Nazareth P-TA will sponsor a school carnival, Sunday, March 6, in the Nazareth School Cafeteria from 11:30 a.m. until 2:00 p.m. The carnival will begin with a sausage dinner at 11:30 a.m.

Games and concession stands will be located in the High School Gymnasium from 1:00 until 5:00 p.m.

The Nazareth P-TA said that everyone is invited to come to the school carnival.

North Grade School Students Chosen To Show Projects At Amarillo Fair

Six North Grade School students are sprucing up their homemade science projects that they made for the local science fair in hopes that they will have as good luck with them in the Amarillo Science Fair.

First place winners with their projects at the North Grade School Science Fair that was held Monday were Fred Bennett, Teresa Underwood, Max Hastings, and Lonnie Strickland. Students chosen as alternates were Norman Hays and Wayne Schumacher.

Fred Bennett made a project showing the effect of light on plants. Teresa Underwood's project showed how to make an electromagnet. Max Hastings demonstrated the modern way of irrigation with his project.

Lonnie Strickland made an electric question box. Norman Hays displayed the inside structure of an active volcano with his project, and Wayne Schumacher made a ferris wheel.

The North Grade School officials explained that the entries in the science fair were voluntary. About 20 students entered the science fair.

Judges for the North Grade School Science Fair were Clyde Darron and Tommy Keener, teachers in Dimmitt Junior High School.

The Amarillo Science Fair will be held April 1, 2, 3.

American Legion Aux. Conducts Area Workshop

Mrs. Grant Hanna of Hereford, Eighteenth District resident, conducted an area workshop for members of American Legion Auxiliary at the Colonial Inn Restaurant in Dimmitt, last Friday.

Units attending the workshop were Friona, Happy, Tulia, Nazareth, Hereford, and Dimmitt.

Various service projects were discussed by Auxiliary members at the workshop.

Mrs. Ira Ott, representative from the Amarillo Veterans Hospital stressed how Auxiliary members could help the patients while they are in the hospital and how they can be helped after discharged from the hospital.

Friday's World Day of Prayer was observed by Mrs. Hanna at the Auxiliary meeting. She opened the program with a meditation to God and Country.

Mrs. Hanna also reviewed the Auxiliary Handbook, and led in a discussion of the members.

Operation "Hometown Newspaper" was discussed at the meeting also. This operation provides a subscription to the hometown newspaper for any soldier in Viet Nam who requests getting a newspaper.

Operation, "Show Your Colors" was emphasized. Men of the American Legion and women of the Auxiliary were urged to wear their flags to show that they stand in support of the military.

Texas Voter Registration Starts Today

Kent Birdwell, Tax Assessor-Collector, announced this week that a special two-week voter registration period would begin in the tax assessor-collector's office today, Thursday.

Lion's Follies Stage Production Slated April 15, 16

The annual stage production of the 1966 Lion's Club Follies has been scheduled this year to be held on the nights of April 15 and 16, at the Dimmitt High School Auditorium.

The Dimmitt Lions said that everything points to a show that will be a smashing hit featuring all of the latest in Broadway songs and dances.

Direction of the show, again this year, will be in the hands of Mrs. Kathleen Robinson Burrus. She and the cast will bring Broadway to Dimmitt, according to the Dimmitt Lions.

The Lion's Club Follies have begun casting and they need anyone who likes to sing or dance. All voices are needed; men, women, high voices, low voices, old and young. A person does not have to be a member of the Lion's Club to be in the stage production of the Lion's Follies.

Mrs. Burrus said that rehearsals will begin Thursday, March 10, at 7:30 p.m. in the First Methodist Church Fellowship Hall. She invited all interested persons to join the group.

Bible Thoughts
"THERE IS NO ESCAPE"
By Ronnie Parker

It is so sad and regrettable that many people will engage in things in view of the consequences from which there is no escape. When a person robs a bank or commits murder, he knows he is on the way to death or the penitentiary. Millions of men and women will go on living in disobedience to God, when they know they cannot escape death and the judgment.

The writer of Hebrews says, "How shall we escape if we neglect so great salvation, which at first began to be spoken by the Lord, and was confirmed unto us by them that heard him?" (Heb. 2:3)

It is a law that man must eat to live. How can one escape starving to death, if he will not eat? Looking at food or believing in food does not keep one from starving. A person must eat or die. A man is drowning. The rope is thrown to him. He must take hold of it or he cannot be saved.

The gospel of Christ is God's power to save, but it will not save people who turn away and refuse to obey it.

Students Interests In Hobbies Varies

A recent survey among D. H. S. students revealed an astonishing number of interests. These are only a few.

Terry — Riding horses.
 Donny — Hot rods.
 Gary Singer — Watching drag races.
 David Morrison — Dragging Main.
 Benny — Going to see Maria.
 Sammy King — Road racing.
 Sue Lust — Riding around and getting into trouble.
 Carla Ward — Listening to records.
 Genita — Dragging Main.
 Mary Lynn — Dragging Main and watching TV.
 Pam Buchanan — Riding horses.
 Victor — Reading and sewing.
 Barbara — Swimming.
 Eva — Cooking and participating in all kinds of sports.
 Russell — Racing.
 Chris James — Ronnie.
 Paula — Sitting at home waiting for Jay.
 Miss York — Chasing boys, bowling, swimming, sewing, going to ballgames.
 Nancy Axe — Making pretty pretty clothes.
 Peggy Ott — Reading, particularly stories by the Russian writers.
 Mrs. Avis Smith — Reading and fishing with the family.
 We admit some of these do sound a little bit frivolous, but then kids will be kids and we are only young once.

Homemaking Pupils Planning To Become Future Homemakers

If one should wander into D. H. S. not knowing anything about the school, he could find the Homemaking Department by the wonderful aroma drifting into the hall.

The Homemaking IV groups are cooking a holiday dinner. This will include turkey and dressing with cranberry sauce and giblet gravy, several vegetables, fruit salad, yeast bread, cake, pie, and candy. This meal will not only take two days to prepare, but it will take two days to eat! Several have been kind enough to bring some hungry teachers samples.

Homemaking III girls are learning to manage their money and be economical. These girls will be making money - management budgets. They will make budgets for families in low, medium and high income brackets.

Homemaking II girls will have a new Spring outfit because they are making beautiful new dresses. These dresses must have a collar, a waistline and sleeves.

Homemaking I girls will also be dressed for spring in their new outfits. They will have either A line or pleated skirts, and collarless blouses with kimono or raglan sleeves. Some are sleeveless. These girls have recently completed making very clever beach bags.

Each homemaking class is making great plans as future homemakers.

Students Corner

This week's contribution of student creativity was again submitted by Mr. Newman. This paper was written by a girl in his second period English IV Class.

"I LIKE FARM LIFE"

by Peggy Ott

Having once been asked, "Isn't farm life horrible?" I replied, "No, I like it." This reply may sound strange for a seventeen-year old girl, but it is the truth. Had I been asked this question about four years ago, my reply might have been different since my love for farm life has only developed in the last few years.

When I was in Junior High School, I hated living on a farm, because my mother or daddy had to take me everywhere. And it seemed that they were always late when they came to pick me up. I would call about fifteen minutes before I was ready to go home, and they would come about fifteen minutes after everyone had gone. Also, it seemed that that quarter of a mile of dirt road was never dry; then I always had to stay at home until it dried again. Even during my first year in high school I disliked farm life. I thought that no one would drive five miles out in the country just to see me.

Since that immature stage in my life, I have come to like farm life a great deal. It is wonderful to be able to leave the windows open with no fear of peeping neighbors. A farm is a versatile place; it can be a place of solitary confinement when one wants to be alone, or it can be a place of wild fun and mass confusion when the occasion calls for such.

Farm life has so many advantages that I can hardly see the disadvantages now. Sometimes when I need to be alone for some serious thought, I just walk down the road, poking at the ground with a stick. Then when I get back home, I feel so good I almost burst.

I have never yet met a person who disliked freedom, and that is what farm life offers — real freedom. The things like this have made me like farm life. It will be very difficult for me to live in a tiny dormitory room next year.

If love for farm life is a contagious disease, then I have caught it.

Last week's contribution was written by Eva Giles. Due to a typographical error it was not accredited to her. Please forgive us, Eva.

New Grab For Federal Power: Unemployment Benefits

If it passes, the unemployment compensation bill now before Congress, will cost additional billions, and encroach on the states' traditional rights and bring us a step nearer to the complete welfare state.

Many labor leaders are now trying to push through the great raid ever at this nation's unemployment - compensation system. This is a grab for federal power; and if House Bill Number 8282 is adopted it would be an open invitation to excessive cheating.

The United States has always allowed each individual state to decide its own taxation laws; the proposed bill would shift all power to the federal government, with which would become the accepted policy in each state. However, the bill does not specify that each state must adopt it, but there would be regulations placed on

The Shadow

"Hey, watch it!"
 "I never see you that you don't have a basketball in your hand!"
 "Buddy, if you don't watch it, someone is going to shadow you!"
 Say, that sounds like a good idea. I'll do it. I'll start Friday 18, 1966, and end on Thursday 24, 1966.

On Friday I followed my friend to school and on to a pep rally. That night he was in Plainview playing, of all things, basketball against Abernathy. In this game he scored twenty-two points to help the Bobcats win the game to go on to Bi-District. After being carried off the court on the shoulders of rooters, as were his other team mates, the "chosen" one went home and to bed to enjoy a well deserved rest.

Saturday my friend got a haircut and then had a date to go to a movie with Karen Birdwell.

Sunday my friend was as usual, in his place at the Baptist Church.

Monday it was back to school and basketball practice for our hero. Later that evening he went to Mike Bruegel's for a steak dinner.

Tuesday it was back to school as usual and to a pep rally that afternoon. That evening the team went to Whiteface for the Bi-District game with Denver City. My friend again scored twenty-two points to help win the game by 72-71. Then it was home and to bed by 1:30 a.m.

Wednesday our Star went to school and then after school drove downtown with Mike Bruegel. While there Mike and his friend chatted with Allan and Karen. He went to Mike's to spend the evening, eating, studying and getting history notebooks. While following this junior I had to sit and watch him eat a pie that Doricel and Reba made especially for him. Wonder if it really was so good that he ate it all after the double rations at lunch.

Thursday my friend was completely out of spy sights. This day he was not followed at any time. He probably got by with just about anything.

One can tell who my "chosen one" is because he always wears such a funny looking hat. I am sure everyone knows whom I followed this week. He is everyone's friend and buddy, John Howell. He will do anything possible for anyone.

We would like to thank John for allowing us to shadow him. Remember! If we can shadow John Howell without his knowing it, we can shadow you! So BEWARE!

the employers who did not meet the set standards; this almost forces each state to go along with the bill.

Unemployment Compensation was originally for those who lost their jobs and could not help it; and this is certainly necessary today in this nation's economic boom.

No state can meet all the qualifications of 8282; and furthermore the bill tears down other state laws to stop a growing racket of jobless benefits. If this bill is passed some of the following abuses could occur: Workers could quit their jobs for no reason and receive the benefits. The workers who are discharged due to misconduct could also receive benefits. Jobless people, lazy people, who are offered jobs could turn them down and still receive benefits. In some instances, older workers could quit their jobs and draw more compensation than their jobs paid.

It is believed that some of 8282 will be adopted; the big problem is: Can the bill be modified?

One thing is true; if the bill is passed we will be one step closer to domination of the states by the government, and closer to a complete welfare state.

In our opinion it would encourage laziness and could later lead to a state of depression.

Bobcats Win Bi-District

The Dimmitt Bobcats won the right to represent District 3-AA in Bi-District play Friday night when they defeated Abernathy 60-59 in the Plainview gym.

John Howell got the winning point with a jump shot from under the basket with 20 seconds left.

Dimmitt began to fall behind at the close of the 1st period and they stayed behind until about half of the fourth quarter remained.

Dimmitt opened the game with a 2 point lead and played a close 1st quarter. Abernathy ended the 1st period on top by 2 points. Abernathy strengthened its lead over Dimmitt at the close of the first half by a 24-32 score.

In the third quarter Abernathy got the first shot. They held a 12 point lead over Dimmitt with 5 minutes remaining in the game. With 1:37 left Dimmitt regained possession and stalled until Howell got off his shot with 20 seconds left. The shot came after a brilliant rally by the Bobcats. Abernathy threw it in with 17 seconds left but thanks to a fine defense by the 'Cats they were unable to get off a good shot. John Howell led the 'Cats with 22 points.

The Bobcats beat the Denver City Mustangs 72-71 Tuesday night to win the bi-district title. The game was played at Whiteface.

The first quarter was close, as Dimmitt took a 17-15 lead. During the second quarter Dimmitt dominated play as they went to the dressing room with a 7 point lead. Denver City came out in the 3rd period to take a 53-52 advantage.

The fourth quarter was a pitched battle as both teams tried to grab the lead. At one point Dimmitt had built up an 8 point lead.

Kent Lindsey saved the game with a free throw with 13 seconds left to give Dimmitt a 3 point lead. Denver City got the 2 points and Dimmitt held a 1 point lead.

John Howell once again scored

Both F. H. A. Chapters met Thursday to elect Miss F. H. A. and to discuss coming events of the chapter. Miss F. H. A. from each chapter will be revealed at the Installation of Officers in March. Miss F. H. A. is the girl who has contributed most to the organization, is the most dependable, and is an asset to the organization. Announcements were made concerning the Area F. H. A. meeting in Amarillo, March 19. Each girl going Friday night will pay \$2.50 for her room and meals. They will stay at the Colorado Inn. National F. H. A. Week will be the first week in April. The date of the all-school party will be set when basketball season is over.

We are very proud of the signs in the hall. These signs have played a big part in helping us become Bi-District Champs.

Beth Sheffy was honored Monday night with a surprise birthday party in her home. Fifteen girls and five boys enjoyed hot dogs, cake, ice cream, and cokes as well as a lot of fun. The boys had a wonderful time. Could being definitely in the minority caused this?

Attila Galamb and his father entertained us with a musical assembly Thursday. I'm sure everyone enjoyed it very much.

The Journalism class voted for annual queen this week; the winner will not be announced until the annual comes out.

The English III and World history classes are writing those horrible research themes again. We wish you luck.

It is now twelve weeks until graduation. The seniors can hardly wait.

We extend our very deepest sympathy to Ginger Kemp on the loss of her father.

22 points for the 'Cats. Bradford had 15, Kent Lindsey, 13, Robert Lindsey and Tommy Stafford each had 8, and Ronnie Kenmore had 6.

This was the fourth out of the last five games the 'Cats have won by 1 point. The win brought the 'Cats season record to 24-11.

The 'Cats will play in the regional tournament at Lubbock Saturday and we wish them the best of luck.

Nance And McRee Seniors Of Week

Our senior girl this week is Ida Mae Nance. She and her sister, Helen, are well-known members of the senior class this year. She is one of a big family of nine.

Ida was born in Clovis and has attended school in El Paso and in Dimmitt. Her favorite subject is Spanish.

Miss Nance says she likes people. It is really a privilege to be the recipient of one of her pretty smiles.

During school Ida works in the library. She is a great help to Mrs. Leeth and to the students whom she serves.

It seems that our girl never has time to rest, for even in her spare time, she is on the go. Her interests include volleyball, dancing, singing, listening to music, reading, and last but not least in her opinion — cooking.

After graduation Ida plans to go to beauty school in Lubbock, after which she hopes to become a W.A.C.

May all your plans be fulfilled, Ida.

Mr. and Mrs. M. F. McRee are the parents of this week's honored senior boy, Brice. He has one brother and three sisters.

Nearly any week day, Brice can be seen at school or in town making flashbulbs explode like mad. This year he is the photographer for the Journalism class. This is a difficult job which takes quite a guy to handle, but Brice is doing a fine job.

Brice says his favorite subject is English. I wonder if the reason this subject appeals to him is because of the romances we have been reading about.

All extra time is filled if it belongs to Brice. He enjoys listening to records, chasing around raising cane, hunting, fishing, and flying.

Next year, Levelland is to be Brice's stomping ground because he is going to attend South Plains College and major in photography. Good luck, Brice.

Thank You Note From Bobcats

We would like to express our deepest appreciation to the supporters of the Dimmitt Bobcats. The spirit and loyalty of the student body as well as the town is earnestly appreciated and deeply felt. We would especially like to thank those who showed such an active interest in us and those who just started watching basketball this year. We hope that we can see everyone back next year with a renewed hope for state.

Band Directors Attend Convention

On February 10, 11, and 12th, our band directors, "Smith" and Mr. Meyer, joined band directors from all over the state at the Texas Music Educators Association Convention in Dallas.

Between business meetings, they looked at the exhibits of uniform catalogs, literature, and money manufacturers, instrument companies, music companies, educational projects. These money raising projects included exhibits of several candy companies, three fruitcake companies, and other products band students might sell.

"Smith" and Mr. Meyer also enjoyed the concerts presented by the Honor Bands and the All State Band.

Dimmitt Student Views Our American Heritage

George Washington, the first president of the United States, spent 40.2 million dollars during the years he led the nation. During this time the three branches of the Government — the legislative, the Executive, and Federal Judiciary — were established. Five cabinet posts were created — and an organized army, a navy, and a postal system were brought into existence.

The debts which this country owed the French government and many private citizens, both in France and the United States, was paid off; and the financial system was placed on such a sound footing that United States Bonds were worth 120 per cent on the dollar.

In the first sixty years under the Constitution, during which time eleven presidents served, this country spent one billion dollars. In this period the United States extended its territory to the Pacific on the West, to the 42nd parallel on the North, and to the Gulf of Mexico. All but fourteen of the fifty states entered the Union, and of these fourteen, five did not attain statehood until after 1900.

In these years, the United States became the greatest maritime nation in the world, even out trading Great Britain. Fast American clipper ships, their white sails billowing in the trade winds, sailed the seven seas and were seen in the ports of every country. Great fortunes in the slave trade, and through the manufacturing of fine furniture and ships were made by shrewd New England financiers; and by hard bitter Yankee sea captains who exchanged cargoes of lumber, rum, tobacco, cotton, rice, and idigo for slaves from North Africa and the exotic silks, jade, perfumes, tapestries, tea and spices of the Pacific Islands, and the countries of the Far East.

What a heritage this is! How can we feel free to destroy the results of all this hard work and the lives given for a nation? This is just what we are doing every day through our indifference and lack of concern over the problems which face our nation. This heritage should be a reason to support our country with all the strength of our minds and hearts. Let us make America's great past our pattern for these perilous days in which we live.

DHS Entertained By Southern Assembly

Thursday, February 24, Dimmitt High School was entertained by a Southern Assembly program by a young musician, Attila Galamb, and his father, Joseph Galamb. Attila is a twelve year old master of the saxophone, clarinet, drum, piano, and other musical instruments. In addition, Attila has completed high school and scored 86 percent on his college entrance exam, much higher than the average high school senior's score.

The Galamb family lived in Hungary until the Hungarian Revolution when they fled to Austria, London, and finally to Canada. During this time, Attila was fast becoming a great musician. When he was two years old, he began playing on a small set of drums, and at the age of four he was playing a small guitar and a soprano saxophone. From then on he began making appearances on professional programs in the United States and Canada. Attila has also been composing music since he was five years old.

The young musician played various selections on the alto, tenor, and soprano saxophones, on the piano and on the melodica; he was accompanied by his father on the accordion. Numbers included were "Merchant of Venice," "The Laughing Saxophone," "Stranger on the Shore," "Down Town," and a medley of popular music. An interesting number was Attila's one person duet on the piano and saxophone.

This program was brought to Dimmitt High School by the Southern Assembly Organization.

The "Cotton Kingdom," based on a system of large plantations worked by slave labor, developed in the South. Out of the plantation system, there emerged a society of aristocrats which equalled the English upper class in magnificent homes, exquisite furnishings, beautiful clothes, fine foods and wines, and gay parties.

The people pushing westward into the frontier developed the true spirit of democracy. Out in the wilderness a man was judged by his honesty, his bravery, and his ability to swing an ax or fight Indians, whether his grandfather had a title or was hanged as a horse thief.

The United States earned its "spurs" among the family of nations as a young, lusty, hardworking country of people who believed in God and taught their children how fortunate they were to be able to live in a land where they were free to practice their religion, enjoy the privilege of education, even though it was not very adequate, and gain the best in life by their own ability and hard work.

Jay Nelson Bobcat Of Week

Who is it that works very hard at each game, during each workout, and during his off time? It is Mr. Jay Nelson. This very outstanding, hard working senior has been manager for the Bobcats ever since they began in the seventh grade.

Mr. Bobcat's ambition is to go to college; his hobby is snow and water skiing. Jay says his favorite food is steak. "Exodus" is his favorite movie, and he would certainly love to be seen driving a blue Caprice.

This fine capable senior is a very friendly fellow classmate and fellow student to all in D.H.S. His many friends will agree with me because he was elected Mr. D.H.S. this year. During his years in high school he has been chosen class favorite four times. He is also Mrs. Buchanan's right hand man in the snack bar during lunch.

Thank you, Jay, Bobcat of the Week, for all the contributions you have made to our school in your high school years; may you have the best of luck in all your activities.

Dimmitt FTA Meeting Held

Monday, February 21, the Future Teachers of America of D. H. S. met during activity period to discuss plans for attending the State Convention for F.T.A. members. It was decided, after quite a bit of discussion, they would not attend.

Plans for a breakfast or a supper sponsored by F.T.A. were discussed but nothing was decided upon at this time.

The meeting was adjourned.

Dimmitt Chamber Of Commerce Report

(Delayed)

Guests of the Olton Chamber of Commerce banquet Friday night were Mr. and Mrs. Don Newman, Mr. and Mrs. Cecil Dennis and Mr. and Mrs. Wes Anthony, all of Dimmitt.

It was reported that the Olton Chamber of Commerce is very active, and even though Olton is not a large town, approximately 200 persons were present for the banquet.

Mr. Ray Poole is representing the Dimmitt Chamber of Commerce in a highway meeting that will be in South Texas. Poole reported to the Chamber of Commerce that he thinks we will receive funds to help improve the park system. He is also going to look into the possibility of having a highway through Dimmitt widened, and is also planning to encourage the possibility of establishing a North and South bus line.

Cecil Dennis and Representative Bill Clayton are planning to go to Austin to see about establishing a Junior College in the Dimmitt area.

completed basic training at Lackland AFB, Texas.

Airman Flores attended Oklahoma Christian College, Oklahoma City, and West Texas State University, Canyon.

US Saving Bonds Increase Interest

United States Savings Bonds are now a more attractive investment than ever before. Raymond E. Wilson, Chairman of the Castro Savings Bonds Committee, said today, in commenting on the increase in interest on Series E and H Bonds to 4.15 per cent.

Mr. Wilson pointed out that the new rate applies from December 1, 1965 to all Savings Bonds, old and new.

"That means," he said, "that between 30 and 40 million Americans who now hold more than 49 billion dollars worth of Series E and H Bonds will automatically increase their earnings."

"Now, more than ever, it is both practical and patriotic to buy and hold U. S. Savings Bonds."

Under the new rate, announced by President Johnson, Series E Bonds will return \$100 for each \$75 invested after a maturity period of seven years. The rate increase in the case of H Bonds, which are bought at face value, will be reflected by larger semi-annual interest payments.

"Considering the indestructibility feature of Savings Bonds and the absolute guarantee of principal and interest, this is the finest Savings Bonds package ever offered," Mr. Wilson concluded.

Dimmitt Outsiders Tangle With World Famous Harlem Stars

The Dimmitt Outsiders Basketball team, sponsored by Vardell Fuels in Dimmitt, challenged the World Famous Harlem Stars to a hilarious and spine-tickling basketball game Thursday night in the North Grade School Gymnasium.

Taylor "Loudmouth" Billingslea a six foot, one inch star of the Harlem team, called "The Prince of Basketball" by the Harlem Stars, led his teammates through jesters and shenanigans that kept the fans laughing through the Harlem's comedy routine with the round horsehide. Referees for the game who received most of the brunt of the Harlem's comedy routines were Jimmy Presley and Roy Wauson. The score was kept by Pete Wright, but the score was used for nothing more than to show

which team was ahead. The score at the close of the game stood 94-82 in favor of the Harlem Stars.

Members of the Outsiders who tried to play a basketball game with the Harlem Clowns were Bill Reisdorph, Dean Irlbeck, Roy Hunter, Dwight Cathye, Kenneth

Cleveland, Gene Bradley, Bob Myers and Bill Narrell.

The Harlem Stars were originated seven years ago. During the past six years, the Stars have compiled a record of 1002 wins and six defeats.

Proceeds from the game went to the Dimmitt Jaycees.

Hart Marine Writes Letter From Da Nang

Hello Everybody:
I suppose everyone is doing O. K. at least I bet you're cooler than we are here.
I have been in Da Nang a little over 24 hours and it can get pretty warm. Of course it is not the hot season here yet, right now I guess it is about like July at home.
We flew in on a C-130 from Okinawa yesterday morning. We arrived at about 12:30 and I was at my outfit that night. I was a little surprised at where they put me. I am a Tele-Type operator and they don't even have one. I have not met anyone here who likes this Battalion. It's an Eng-

near BN. It seems they do most or a lot of the work done by Engineers like building.

Viet Nam is just what they say it is, at least where I am. There are rice paddies all around us and its really very pretty. If I had a camera I'd send you some pictures.

Yesterday afternoon late while we were driving out to the BN, area the driver took us on a tour of the country. It was like the films you see when the Americans were moving into France. People and little kids waving hello but really I was scared to death. Here we were driving along in an open truck, with no weapons waiting for the V. C. which we found out later were probably all over. The village was 50 percent V. C. We were sure that one of those little people would toss a grenade or some stupid thing like that.

Where I am now is supposedly pretty peaceful. They say nothing ever happens here of which I am glad. But they do go on patrols and ride shot gun for units who have no one else to do it. I'll probably get in on a little of this.

We are about 9 miles from the main base of Da Nang and it seems way out in the boonies. I guess it's pretty safe here you can house from here. A funny thing about the General's house it is a million dollar bunker and it leaks.

While I was in Da Nang Air-base we did see the Viet Cong close up and they had three prisoners, and they wear black pajama type clothes, and are very small people. I was surprised how small they were. Van Burren would give one a pretty good fight. They are small, but still pull triggers and I think pretty smart. But I'll never trust one of them.

By the way tell all the girls in Texas to forget what I said about wanting to meet these Oriental Women. I've decided I like American girls better. These in Okinawa and Viet Nam don't interest me.

This place is pretty much in a way what I expected it to be. I guess it's just that I'm in Engineers, but we do have a movie, laundry and PX and that is very nice. But it's going to be hard sleeping on a cot and using the cuthouse again.

Today we filled and stacked some sand bags for our Community Center and Radio Shack. I used to play in the sand piles, but again this was something different. The sand here is almost like salt it is so white.

In case I don't write for awhile, tell everyone hello, and I will probably write more when I get settled.

Love,

An investment in Your Future

ATTEND CHURCH

Time to Pray...

Life can be so full and active... There are the school hours, time for study, and for a growing child there must be recreation. Also a time for eating is necessary, and a time to be with the family. One of the most needed times is to be with God in prayer. There are times that we should give thanks to God for our food, and times to seek his guidance and watch-care, and there are times to pray with others. This we can do by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Dear Blabby:

DOWN ROVER

By Oma Siler

Dear Blabby: We had a going away party for my boss. After a few drinks, all the girl started kissing him. Just as my turn came, my husband walked in to drop off our car keys. I am in the doghouse. How can I get out?
—EMBARRASSED

DEAR AMBARRASSED: Bark for forgiveness. Even though innocent, it was a risky prank! Save your affectionate gestures for your husband. It's never risky dealing with ALLENS HOME FURNISHINGS. Women c'd over this area love Hotpoint refrigerators, washers and dryers almost as much as they love their husbands. You can't beat ALLENS' prices either on Hotpoint appliances.—BLABBY

LETTER TO THE EDITOR:
Mr. Nelson:

In studying many reports of the American exchange students it is quite interesting the report from Russia. His chief gripe is that he had to queue up so many things. That is the same problem we have here so why should we gripe about that. Here we queue up at the filling station, the beauty shop, the doctors office, the insurance office, the list has no end. The super market and what have you.

No more difficult to understand than the National campaign in 1952 when we had a national campaign. "It so happened" that when President Eisenhower was campaigning in Texas that the State Baptist Convention was in session. The candidate was invited to address the convention. The Republicans carried Texas for the first time in history.

This you must remember that Baptist don't play politics. Some of these days I would like to give you my version of the greatest "SIN" in the world, especially America and Castro County. Now don't start belly-aching about it being too long.

R. A. F.
REV. DR. J. E. SHEWBERT
The Reverend Dr. J. E. Shewbert, District Superintendent of the Methodist Plainview District, preached in the evening service of the First Methodist Church, Hart, February 27. His subject was "The Bible According to You."

"This may be the last time I will get to preach for you here," he said. He will finish his sixth year May 31, as the leading pastor in this District. The constitution of the Methodist Church provides that a District Superintendent may not serve more than six years in

succession, then he must take another work for at least three years before he is eligible again. He was accompanied by Mrs. Shewbert, his wife who has served as Director of Childrens Work.

Dr. Shewbert will return to Hart on March 9th, to preside at the Methodist's Quarterly Conference. Methodist Churches usually have now a first and last Quarterly Conference. These usually are held in the First and the Fourth Quarters of the Church year. The Quarterly Conference is the Governing Conference of the local Church. It is composed of all members of the Official Board, and the District Superintendent. The Official Board is the Administrative Body of the Local Church. Mr. Theron Morrison is the present chairman of the Official Board.

The Quarterly Conference elects the officers of the Church for the new year beginning after the Northwest Texas Conference of Churches meets. It will meet in Dallas this year June 6-11, where all the eight Conferences in Texas will meet together for parts of their program.

The General Conference will also meet in Dallas later this year to consider uniting The Methodist and the United Brethren Churches. It is the legislating body for the world wide Methodist Church.

LIONS CLUB LADIES NIGHT
The Hart Lions Club had their Ladies Night Buffet style supper February 28, 7:30 p.m., in the school cafeteria. The president Lions Boss DeWayne Brown presided and served as Master of Ceremonies.

Besides the wives of the members of the local Lions Club, several out-of-town guests were present. They were the Reverend Carl Hudson, pastor, the Kress Methodist Church, and also a District officer was present.

The Reverend Leon Hill, a Baptist pastor from Amarillo was the after dinner speaker.

Mr. Hudson was called on by Lion Boss Brown to install a new member, Mr. Richard Franks. He said that in joining a club, he always tried to find out what it did for people. On that basis he commended Mr. Franks on joining the Lions Club, and requested Mrs. Franks to pin on his Lions button.

Mr. Brown, presented the Reverend Douglas Gossett, pastor of the local Methodist Church, who made the "1965 Man of the Year" award, on behalf of the Man of the Year Committee. The award went to Mr. Lanny Tucker, the Hart Public School Vocational Agriculture Teacher, who was in Houston, Texas where some of his students had entered the Livestock Show there. Mrs. Tucker received the award for her husband.

Then, the Lion Boss presented

the Reverend Denzil Leonard, pastor of the local Baptist Church to present the speaker for the evening, the Reverend Leon Hill. His subject was "Laughter." He entertained the audience with fun jokes poked at nearly everyone and everything, as well as himself. He said that those who couldn't laugh in these times were headed for serious trouble. He closed with a serious note. "Don't let anyone take it away from you" he said, referring to the American way.

PUBLIC SCHOOL WEEK
Hart Independent School would like to invite parents, friends, and patrons to visit our school during the week of March 7-10. School will be dismissed Friday, March 11, for the Texas State Teachers Association meeting in Amarillo. Parents, friends and patrons are asked to register in the principals office in each of our buildings upon arrival at school.

The Homemaking Department will serve refreshments throughout the week. There will be available receptionists to guide our visitors wherever they desire to visit.

March 8, at 1 p.m. our Elementary Choir will present a special program for students and visitors in the High School Gym.

On March 9, the Elementary Choir will sing for the Hale Center Junior High at 1 p.m., at the Hale Center Junior High Building.

Also on March 9, at 8:30 a.m. there will be a short program given by Mrs. Vestal our District Scout Leader. She will talk to the group on citizenship. Our Girl Scouts will present the flag at the beginning of this program. The High School Speech class will present a special program in the Grade School Gym, March 10, at 1 p.m.

Our school cafeteria will be available to all visitors from 11:00 to 12:30 p.m. each day. We invite each of you to eat with us during Public School Week.

Even though there will be special programs throughout the week, we will carry on as near as possible regular classes.

Again we take this opportunity to invite each of you to visit with us during this special week.

Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's "free!"

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So reads the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Gov. John Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch. Atty. Gen. Waggoner Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from fifty thousand to one million.

Any figure approaching the latter would make a substantial difference in the outcome of many local and some statewide elections.

Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31 will be entitled to vote as usual, without re-registering.

ECOS SULPHUR BOOM — and Commissioner Jerry Sadler

compares reaction to the recent Pecos County sulphur discovery with California's Gold Rush days of 1849.

He said "operators are moving in both day and night attempting to locate and file claims on state-owned land — to mine sulphur."

Sadler declined to accept 50 cents an acre per year for sulphur leases when, he stated, leading sulphur operators paid up to two thousand dollars an acre bonus for five year leases in a recent federal sale off the coast of Texas.

State School Land Board rejected a rash of filings under an 1895 claim law. Board set a sulphur lease sale, along with oil and gas bidding, for May 3.

APPOINTMENTS ANNOUNCED Governor Connally appointed Hill County Attorney Steve Latham of Hillsboro to succeed Sam Johnson, resigned, as judge of the 66th District Court of Hill County.

Latham formerly practiced law in Wichita Falls.

Governor chose former District Attorney Dan Walton of Houston as judge of Harris County's Criminal District Court No. 4, succeeding the late Judge A. H. Krichamer.

Connally's appointees to the new Texas Air Control Board are Clinton Howard of Irving, Henry J. LeBlanc Sr. of Port Arthur, Herbert Whitney of Corpus Christi and Dr. Wendell Hamrick, John Files and Dr. Herbert McKee, all of Houston.

Bob Cheatham of Texarkana and Clifford Hensley of El Campo were named by the Governor to the Texas Real Estate Com-

mission. WATER DEBATE RE-HEARD — Supreme Court of Texas has taken under advisement a longstanding dispute between city of San Antonio and cities in the Guadalupe River basin.

San Antonio is appealing a 1957 Texas Water Commission decision. Ruling denied the Alamo City's application for one hundred thousand-acre feet of water a year from Canyon Dam near New Braunfels and awarded fifty thousand-acre feet from the reservoir to Guadalupe - Blanco River authority for municipal use downstream.

Attorneys for San Antonio claimed the city must import one hundred thirty eight thousand-acre feet for its needs by 1980. Meanwhile, Guadalupe basin will have a surplus over necessities of one hundred eighty thousand-acre ft.

GBRA attorney denied any surplus is in sight. He said some cities, including Seguin, and Port Lavaca, already have suffered from serious shortages.

Major legal point involved is whether the Commission can delegate to GBRA rights to release water to unspecified municipal users, while denying San Antonio's application to pipeline water from another basin for high priority city and domestic needs.

AG RULES — Attorney General has ruled that Texas Highway Department may grant the owner and operator of overweight mobile equipment, which transports frac oil in oil well servicing, a permit for the movement of the equipment.

In other actions he ruled that: A county attorney isn't authorized to bring ouster proceedings against a city attorney of a city incorporated under the general laws of Texas.

A chain referral selling plan to promote sales, containing a prize awarded under the element of chance is lottery in Texas.

A County Clerk may use one or more volumes, properly labeled and indexed, to constitute "a well-bound book" to constitute "a requirements of recording deeds,

leases and declarations. Vehicles owned by an individual must be registered by law in the county where he lives.

Fraternal or Veterans Clubs may legally sell alcoholic beverages to members on the premises without a special license.

New act calling for deposit of justice of peace court fines and fees in officers' salary funds of counties is constitutional.

Funds appropriated to National Guard Armory Board can be legally spent for addition to the building at Camp Mabry in Austin subject to necessary agency approval.

Harrison County juvenile board or commissioners court has no authority to hire a secretary for the county juvenile officer, but can hire a child service worker with added duty of secretary.

State Board of Control still has supervision of the Battleship Texas Commission.

11 TEST FOR BRUCELLOSIS — Eleven counties — Atascosa, Brooks, Coryell, Falls, Hamilton, Hood, Jack, Limestone, McLennan, Milam and Roberts — are testing for initial brucellosis eradication certification.

Borden County has qualified for recertification.

During January, 16331 backtagged cattle originating in Texas were tested at slaughter. A total of 18,202 cattle were tested at Texas livestock markets for return to the county, and 284 reactors were disclosed.

According to a U. S. Department of Agriculture report, the screwworm eradication program in Texas has been successful. Only 75 cases were confirmed in January as compared to 237 cases for the same period last year.

VISITORS INCREASE — Attendance at 22 Texas vacationland attractions increased 13 per cent last year, with total admissions of 30,403,000.

Six Flags over Texas rated as top tourist stop with 1,713,000 visitors, outdrawing by 446,000 San Antonio's Alamo, according to Tourist Development Agency. Biggest percentage gain was marked by

Bishop's Palace on Galveston Island. Big Ben National Park reported another big increase, as did the Aquarena at San Marcos, Old Stone Fort of Nacogdoches, Fort Davis National Historic Site and Padre Island.

BUILDING SALES DROP — Texas building and retail sales dropped during January. However, both December and January still were above the first month of 1965.

UT's Bureau of Business Research reported total retail sales in January off 28 per cent from a record December — due largely to the "greater than seasonal rise" during the Christmas month. Nevertheless, retail stores generally posted gains of two per cent over January a year ago.

Building permits for the first month of 1966 dropped a whopping 22 per cent below December and four per cent below the 1965 average. But the \$133,200,000 total was 16 per cent over January, 1965.

SHORT SNORTS — State Railroad Commission set hearing for March 21 on proposal to extend discovery allowable period for onshore oil wells to 24 months (from present 18).

Governor approved \$116,048 Project Head Start Program in Hidalgo County (for Mission, McAllen and Monte Alto public schools) and \$86,525 program for Abilene public schools.

All phases of the poverty program will be discussed at a briefing for the press to be held by the Southwest Regional Office of OEO at the Driskill Hotel in Austin on March 10-11.

A conference on Historic Structures and their preservation will be held in Austin on March 11-12.

Caprock Girl Scout Council Celebrates Girl Scout Week

More than five thousand girls of the Caprock Girl Scout Council will join more than three million Girl Scouts throughout the country in celebrating Girl Scout week from Sunday, March 6, through Saturday, March 12.

"A Promise In Action" is the theme of Girl Scout Week and of the Girl Scouts 54th birthday March 12. This date marks the anniversary of the first meeting of the first troop organized in Savannah, Ga., by Juliette Gordon Low, founder of the movement in the U. S. A.

Since that first troop of a few girls, more than 20 million members have made the Girl Scout Promise to do their duty to God and Country, to help other people at all times, and to obey the Girl Scout Laws of loyalty, honesty, courtesy, cheerfulness, usefulness, kindness and thrift.

This year Girl Scouts are focusing their attention on the Promise and Laws. Troops across the country are selecting one or more of the Girl Scout Promise or some part of the Girl Scout Laws. Some of these projects involve service to other groups in the community and some concern personal attitudes or troop self-improvement.

In observance of Girl Scout Sunday, March 6, thousands of Girl Scouts are expected to attend religious services in uniforms. Jewish girls will celebrate Girl Scout Sabbath on Friday evening,

March 4. Many schools throughout the West Texas area, will join in the celebration of Girl Scout Week.

Shelley's Chatter

Dimmitt has been on the "Go-Go" this past week from all reports: Ball games, parties, Flu. The young fry had a most enjoyable time out at the Bob McLeans house Friday evening when Charles was host at a 13th birthday party. 30 boys and girls in the 6th grade came. They played games such as "Spin the Bottle" and tried some of the "go-go" dances to records. (You see them on Dick Clark's show) — Pizzas, sandwiches, Cokes were enjoyed—Many happy returns to you Charles.

Mrs. Irvin Ott, Alma to us, told me about her trip south. Her sister Christine Howard of Muleshoe and she visited another sister, Lavita Rogers in Houston. The three decided to go to New Orleans to the Mardi Gras; and did! They saw the big parade, caught beads, touched the fine horses and were terribly impressed with it all. They saw several shows and Clubs. Went to the French Quarter with a tour group. They went on to Biloxi, Mississippi, then came back by New Orleans and visited friends and then home! Such fun, reminds me of the Garden Club trip a few years ago.

A group of young married couples had a costume party at the Legion Hut Saturday night. About 40 folks went. The two I saw looked like a "Hula Girl and Granny Clampet" and all were dressed up I hear. I know the Charles Hedrick's, Richard Bills, and Myer Ogletrees were there, but I don't know the others.

We saw our long time friends, Slim (J. C.) and Clinkie Fulfer at the skating rink Friday eve. They are here from Worland, Wyoming to visit Bob and Jane Kilough and the Fulfers. Jane said that Bob and Abe Winkle are fishing down at Mathias Lake near Corpus Christi — Those boys do like to catch and fry fish.

Guests this week in the home of W. E. and Eunice Thornton and girls, Irene and Susan were their uncle and aunt Mr. and Mrs. Cleve Austin of Minneapolis, Minn. They also visited another niece Mrs. Raymond Ross.

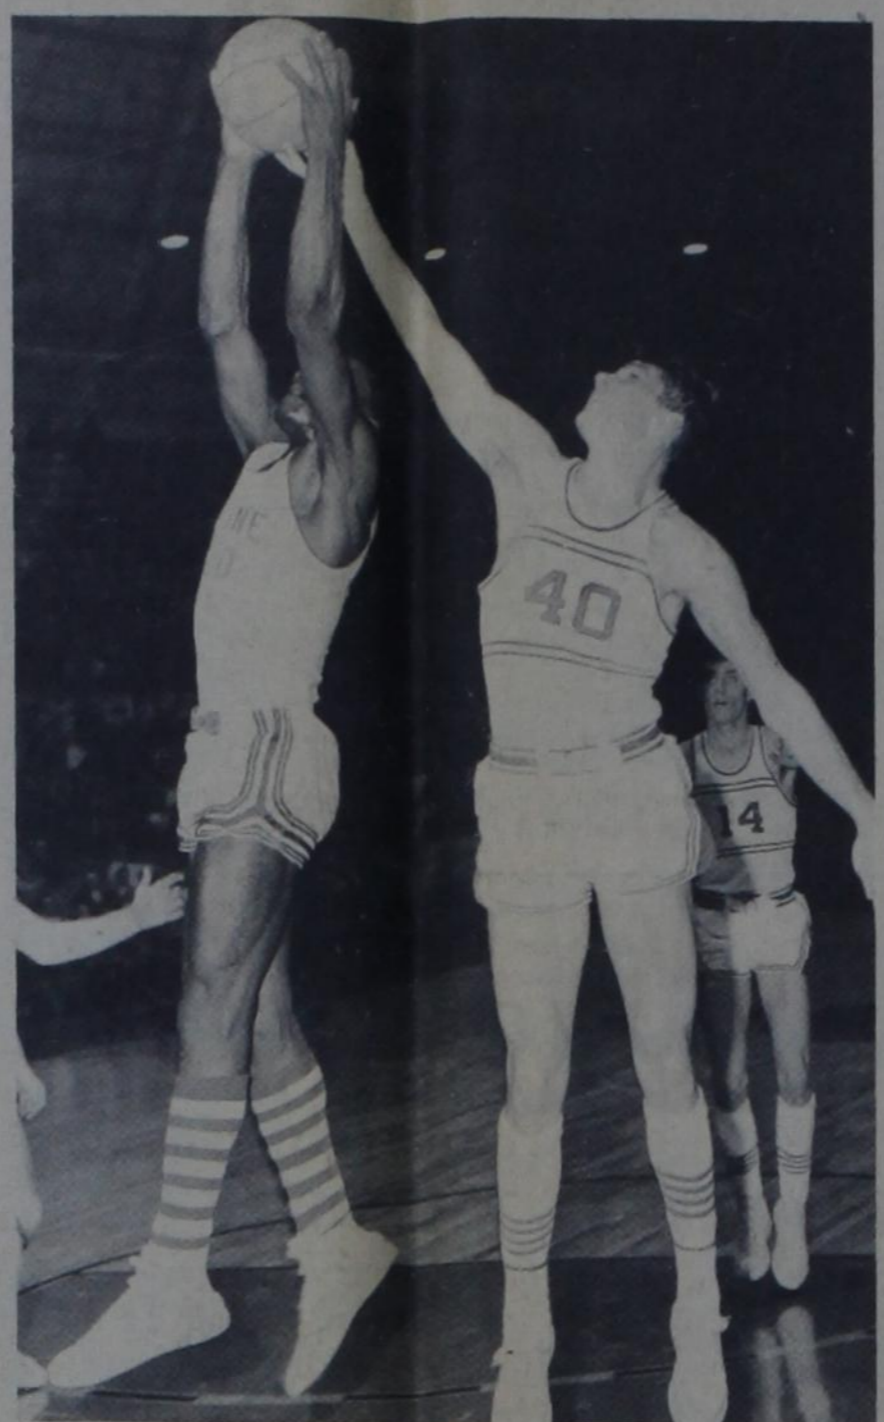

Mr. and Mrs. Doyle Davis of Sweetwater, were visitors in her sister's home, Mrs. Horace Carlile and Horace this week.

Mr. and Mrs. Elmer Youts and Irene Thornton have returned from a trip to the Valley where they went to see about their farming interests.

Shirley Wise let me know about the folks attending the Wheat Growers Bank of Co-Op Grain meeting in Corpus Christi, the

last week end. Mrs. Phillip Haberer made all of the Dimmitt ladies corsages of grain glued to look like roses. The meeting is to help find more uses for our sorghum grain. Attending from here were Messrs and Mesdames Frank Wise, Calvin Petty, Phillip Haberer, Houston Lust, Dale Winders, Aaron Isaacs, Leo Witkowski. Some flew down Saturday and the rest of them went Sunday.

Several people attended the World Day of Prayer at the Christian Church. A good program was presented, but the solo by Chuck Braafladt was beautiful; well sung, and his mother, Helen Braafladt wrote the lyrics. Such a talented family!!!

Bro. Bedford Smith told me about the most enjoyable dinner at the Chinese place in Clovis, Sunday that George and Doris Gable hosted. Other guests were Tony and Beth Gabel and George's mother, Mrs. Sid Taylor.

Dimmitt Book Club Scheduled Book Review Wednesday

The Dimmitt Book Club will meet Wednesday, March 9, at 4:00 p.m. in the Community Room of the First State Bank in Dimmitt.

Mrs. Noel Gollehen will present Mrs. Virginia Stanley, who will review "Walnut Grove" by Jane Gilmore Rushing of Lubbock.

"Walnut Grove" is the story of John Carlile who came to a place in West Texas as a little boy and stayed to grow up with the pioneer town. In her first novel, Mrs. Rushing has made the setting, the time, and the people of "Walnut Grove" come to life. The public is invited to attend the book review.

says that George and Carlanne have a boy named George Cavin, born Wednesday, February 23, "Grandmother Young" is with them in Lubbock this week.

Frank C. Graham of Indianapolis, Indiana, was here this week for a visit with his sister Mrs. Jimmie Pinner — The first visit in a long time.

Mr. and Mrs. Norman Cleavinger were hosts at dinner at the Inn and '42 later in their home Friday evening. Their guests were Messrs. and Mesdames Edgar Ramey, Horace Carlile, Sid Sheffy, George Bradford, George Webb, Ray Axtell, Lee Stanford, and Posey Cunningham, Mmes. Pearl Sheffy, Maurine Bice and Ann Singer.

High score was won by Pose and Cill Carlile. Mr. and Mrs. Charles Moberley of Hobbs, Mr. and Mrs. Bubbie Wesson of Yuma, Arizona have been here for a few days visit with Mr. and Mrs. J. M. Wright and other friends, the Winkles and Trimbles.

Mrs. Hugh Evans was hostess at a party for Grace Wright to celebrate her 7th birthday. She received gifts and comic cards sympathizing and other glad she is still having birthdays. Enjoying the food and games were Messrs and Mesdames Shorty Trimble, Ray Robertson, Chet Braafladt, Bob McLean, Bud Giles, J. M. Wright, Charles Moberley, Bubbie Wesson, Joe Butler and Peggy Webb.

Dugan told me about her son, Jimmy Jack and Jeri Butler with their friends, Mr. and Mrs. Jim Williamson, enjoying a few days vacation at Las Vegas. The baby is with Dugan and Joe.

Mrs. C. W. Morris was hostess at a Bridge Party Thursday afternoon. Her guests were Maxine Tidwell, Dugan Butler, Gladys Benson, Johnny Boothe, Aural Davis, Ouida Willis, Edna Riley and Nancy Upton.

Mr. and Mrs. Charlie Hays were hosts Wednesday evening with a dinner and bridge party. Their guests were Messrs. and Mesdames Joe Benson, Steve Taylor, Charles Vandiver, Edd McLeary, Harold Stephens, Russell Moran, John Merritt, J. C. Davis, Ted Sheffy, Goldman Dyer.

Sgt. and Mrs. A. R. Thorndarow and two boys, who have been stationed at Biloxi, Miss. are here for a few days visit with her parents, Mr. and Mrs. R. D. Rogers, before leaving this month for a three year tour of duty in Japan.

Mrs. Claude Johnson told me about the death of Charlie Lovelace of Bandera, Texas. Charlie was the brother of Mrs. Tom Tate and a resident of Dimmitt long ago. Mr. and Mrs. Tate were unable to go. Mrs. Claude Johnson and Mrs. Mattie Turner visited Mrs. Ruby Stone at Easter and Mrs. Tom Tate, Monday.

Frio Jolly Workers 4-H Meeting Held

Reporter — Sue Smith
The Frio Jolly Workers held their monthly meeting at the Easter Schoolhouse, February 25 at 7 p.m. The meeting was called to order by Marvin Smith. The song was led by Raymond Warrick. Kenneth Adams then led the Ritual. The roll call was then answered by: Marvin Smith, Diana Adams, Sammie Ogan, Kenneth Adams, Sue Smith, Raymond Warrick, Ronald Hall, David Hutchins, Gerald Robbins, and Fredy Anderson. Next David Hutchins read the Devotional.

The minutes of the past meeting were read and approved, followed by the old and new business.

Sue Smith then reported on the girls who attended the Favorite Food Show in Dimmitt on February 19. Diana Adams and Gerie Robbins won blue ribbons in the Junior Division. Sue Smith won a red ribbon in the Junior Division.

Marvin then asked Kenneth to take charge of the program. He introduced Mr. Herman Paezold, area dealer for the Spencer Chemical Co. of Hereford, Mrs. Frank Jackquair, area sales representative for the Spencer Chemical Co. of Amarillo, and Mr. Neil Quierim, Spencer Agronomist, of Kansas City, Missouri. Mr. Quierim then showed a film on "George Tackles the Land." After the film, he then gave a short talk on farming and fertilizers.

Marvin then announced the next meeting is to be held in the David Hutchins home on March 18, at 8 p.m. He also reminded them to work on their demonstrations to be held in March at Dimmitt. The meeting was adjourned for

Walter Rogers' NEWSLETTER WASHINGTON

CUT OFF AID TO COMMUNISM
Two weeks ago I introduced legislation in the House of Representatives to cut off U. S. foreign aid to countries maintaining diplomatic or trade relations with the Communist regime in North Viet Nam. Since then I have been engaged in support not only from citizens of the Texas Panhandle but also from Members of Congress and Americans from other sections of the country. I am continuing to press for early adoption of this measure.

My resolution states "that it is the sense of Congress that all United States Military and economic assistance should be suspended to every country which maintains diplomatic relations with North Viet Nam or is itself directly engaged in trade or commerce with North Viet Nam or permit ships or aircraft under its registry to engage in trade or commerce with North Viet Nam."

We are battling in South Viet Nam as elsewhere in the world to contain Communism. Any assistance given Communism or Communist dominated countries is a direct blow at the United States — which is in too many instances providing help to countries which in turn help Communist countries. By law, the United States prohibits virtually all trade shipping, and financial transactions with Communist China, North Korea, North Viet Nam, and Cuba. Yet these Communist countries, as others, are the recipients of assistance through commercial relations with countries who are themselves receiving direct U. S. foreign aid.

During 1965, the U. S. Government made eloquent approaches to Free World countries with ships in the North Vietnamese trade asking their cooperation in stopping this trade. Free World shipping did decline. For example, Japanese flag vessels were withdrawn as of April 1, 1965. There is still progress to be made. I am advised that Free World imports to North Viet Nam consist mainly of chemicals (primarily fertilizers), machines, and industrial raw materials — and these, indeed, may be considered strategic, although any and all articles helping Communism to survive are strategic.

Standing behind the North Vietnamese regime is the world's leading outlaw nation, Communist China. It is discouraging to note that trade by Free World countries with Communist China increased during 1964, when the Viet Nam war was growing hotter, rather than decreased. Latest reports show that imports to Communist China from the Free World rose by 22 percent to \$977 million — while the exports of the Chinese Reds for the first

time exceeded one billion dollars. In 1964, seven countries, which sold \$50 million or more each to mainland China, provided nearly three-quarters of that country's imports. Australia and Japan led the list following in order of goods supplied by Canada, Argentina, Cuba, the United Kingdom, and France.

The strongest Communist power, and our principal opponent in the Cold War, remains the Soviet Union from the Free World total of \$2.5 billion in 1964 — a gain of 20 percent over 1963. Soviet exports, at \$2.4 billion, remained at about the 1963 level. Soviet purchases of wheat and wheat flour rose to more than \$480 million in 1964, and as a result of a

sharp increase in Soviet purchases of wheat, Canada became in 1964 the principal Free World supplier to the U. S. S. R. I have always opposed wheat sales to the Soviet Union and to other Communist countries and will continue to do so. Again, most items shipped to Communist lands to make up deficits in their production may certainly be regarded as strategic; without Free World help in supplying wheat, the failures of Soviet agriculture would have forced a severe slackening in the entire U. S. S. R. economy.

In the world wide struggle with Communism we are only hurting ourselves when we help other countries which are helping our enemies.

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST.

For 3 plow tractors. OUTSTANDING FEATURES—Length 32' 4". Width 12". Blade capacity 1 1/2 cubic yards. Blade vertical travel 12". Weight 2010 pounds. Front V smoother blade for dead bulling and use on heavy dry soil. Front Daily Assembly for use in loose, wet and trucky soil conditions. Screw adjustment on front blade provides simple, fast regulation for load in cutting blade. Rear Smoother blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

— THANKS —

The most wonderful people have been our customers and friends, and we have appreciated your business so very much. We want to thank each of you for all of your business.

We have leased the retail station (51) to the Kirby Bros., sons of Wade Kirby. We would like to ask everyone for your future business in behalf of the Kirby Bros.

We're still in the wholesale business, and the office will still be at the 51 Station.

Thanks Again,

R. O. and Allena Nelson and Family
