TWISTER BENDS ANTENNA OVER ROOF  
... At T. G. McKinney Farm near Flagg Sunday night

THESE COMBINES WERE PARKED SIDE BY SIDE  
... Until the twister hit

TWISTER "FITS" COTTON TRAILER OVER BACK OF TRUCK  
... It tossed 17 trailers around farmyard

Heavy storm clouds Sunday night spawned drenching rains and crop-pounding hail across the southern third of the county and whipped up a twister near Flagg to climax a wild weekend of weather.

HEAVIEST hit this time were the Flagg, Sunnyside and Hart areas, where the storm dropped heavy hail and up to four inches of rain within an hour.

In Dimmitt, many streets in the southern part of the city were running curb-to-curb and part of Broadway was under water as the storm dropped an official .67 of an inch onto already-wet ground. A horse staken out near City Lake at the south city limits found himself standing almost knee-deep in water before the runoff ended.

The southwestern quarter of the county apparently got the worst of it.

AT THE T. G. McKinney farm, four miles west and one north of the Flagg crossroads, a twister scattered 17 cotton trailers, furnished a combine around, wrapped a 30-ft. TV antenna over the roof of the house and uprooted two trees.

But the twister apparently leaptfrogged over the house, and the McKinneys weren't hurt. The only damage to the McKinneys' home was a ripped-out vent pipe on the roof, although the twister tore up machinery and trees on three sides of the house.

ACCOMPANIED by two inches of rain in less than an hour, the twister struck at 6:30 p.m., throwing most of its fury into a row of 17 parked cotton trailers west of the McKinney home. The

trailers, parked and butted together three wide and five deep, were scattered like sailboats in a storm. One was slammed into a combine 50 feet away, another came to rest upside down on a stack of gated irrigation pipe, and a third was overturned and "tucked" over the end of a grain truck. McKinney said the trucks and combines parked between the cotton trailers and the house probably kept the trailers from being slammed against the west side of their home.

EITHER THE same twister or severe accompanying winds also caused lighter damage to neighboring farms. At Buster Morgan's farm west of McKinney's, a storage tank was knocked over and damaged the water system. A trailer was overturned at Andy Behrends' farm south of the McKinneys, and irrigation pipe was scattered across a field on the Wayne Jackson farm east.

In the surrounding area near Flagg, James Welch reported three inches of rain and hard hail. He said the storm ruined his young soybeans and caused an 80 percent loss on his cotton and 30 percent on his wheat.

BOB ANTHONY, three miles west of the Flagg crossroads, reported heavy rain and high winds that blew limbs off his trees. He said he received four inches of rain altogether Saturday and Sunday nights.

Clyde H. Damron reported 3 1/2 inches of rain Sunday night and hail damage to his cotton "but not enough damage to replant." At Flagg Grain Co., George Blanton said his gauge registered 1.6 inches Sunday night, and 2.2 inches Sunday night, and reported heavy wheat damage six to seven miles west of Flagg, with some cotton ruined also.

Irvin Ott, four miles southwest of Flagg, said he received two inches Sunday night but had no damage. He reported a two-week total of five inches on his farm.

SUNNYSIDE was hard hit again too. Starting at 7 p.m. Sunday, the heavy, rolling thunderstorm dropped three separate attacks of hail on Sunnyside, wiping out a two-mile-wide strip of cotton and soybeans.

Halilstones as large as golf balls fell first as accompanying rain flooded Highway 385 in places. A second hailstorm yielded marble-size iceballs after the wind subsided, and later the Sunnyside

## Center Should Provide Work For 100 People

Construction of the new Castro County Recreation Center in West Dimmitt will provide 4,000 man-days of labor and employment for 100 people, according to Donald R. Jennings, county supervisor for Farmers Home Administration.

CONTRACTS for the project may be awarded within two weeks. Bids will be opened June 19.

Ed Biggs of Wichita Falls, engineer for the project has estimated 75 working days on the project, including 30 or more days of dirt moving alone.

The FHA loan approved for the project includes \$100,000 for land purchase and \$167,220 for construction. The 100-acre center will include a 40-acre, nine-hole golf course, Olympic-size swimming pool, trap shooting range, children's fishing lake, picnic areas and club house, plus two junior baseball parks to be built by civic clubs.

## State Pianist Will Perform For Rotarians

Janice Mooney, state pianist for the Future Homemakers of America, will present a musical program Friday when the Dimmitt Rotary Club holds its weekly luncheon meeting.

MISS MOONEY IS ALSO the club's pianist.

At next week's meeting, K. Bert Watson of Amarillo, administrative vice-president and general counsel of Pioneer Natural Gas Co., will speak on plans for importing water into West Texas.

## Applications For LVN School Now Being Taken

Mary Baldrige, R.N., director of Plains Memorial Hospital's Vocational Nursing School, announced that applications for a new class are now being taken.

The one-year course will begin Aug. 28. After a year of classroom and hospital floor training, students who graduate will be eligible to take their state board examinations to become licensed vocational nurses.

The accredited school graduated its first class of four vocational nurses in April.

## Industrial Corporation Idea Under Study Here

The Chamber of Commerce and Jaycees are studying the feasibility of a private corporation to develop and promote new industry for Dimmitt.

THE PROPOSED corporation presumably would serve as a one-stop "contact" for new industries. It would buy industrial sites, enter into contract agreements with new industries for the land, and/or develop and operate an industrial park, depending on the provisions in its constitution and bylaws.

The Chamber of Commerce already has an industrial development committee, headed by James Horton, which has scored some significant gains in its efforts to bring new industry here.

In a joint meeting Wednesday morning, a Jaycee study group told Horton and Chamber Vice-President Don Newman that they felt a "hard money" corporation for industrial development would further enhance Dimmitt's chances for gaining new industry.

THE JAYCEES have been contacting other cities' industrial development corporations and the

## Castro County Receives Federal Grant for Area Development Plan

A \$5,550 grant to a planning commission in Castro County to develop an area-wide comprehensive plan for water and sewer systems has been approved by the Farmers Home Administration, reports, Donald R. Jennings, County Supervisor, Plainview.

The grant will enable the Castro County Planning Commission to have an official comprehensive plan prepared for municipal or public-type domestic water and sewer systems which would be developed in addition to present systems to adequately serve the present and probable future needs of the area involved. The plan will be prepared by Biggs & Mathews, Engineers, Wichita Falls, Texas, Mr. Jennings, reported.

## Private Club To Open Here Within a Week

Gene Latham, owner of the Colonial Inn Restaurant, is planning to open Dimmitt's first "private club" in a public facility.

Opening is tentatively scheduled for the middle of next week.

THE SUPPER club will be located in the east end of the restaurant's dining room, where the buffeteteria was previously located. All types of mixed drinks will be served, both from a bar and regular table service, Latham said.

Cost of membership is \$25 per year. Also, members may bring guests, and patrons of the Colonial Inn Motel will be guests of the club, Latham said.

LIMITS will be set on the number of times a member may bring the same guests, according to Latham.

Club hours will be 4 p.m. to 12 midnight, Monday through Saturday.

No one has registered any complaints about the club as yet, Latham said.

## Farmers Replant Damaged Acreage

By Monday afternoon, Castro County farmers had applied for authorization to replant 1,262 acres of storm-damaged cotton land to soybeans, vegetables or cover crops, according to the Agricultural Stabilization and Conservation Service office in Dimmitt.

THIS represents 3.6 percent of the 34,651 permitted acres planted by farmers participating in the ASC cotton program.

The ASC office also said more wheat farmers than usual are replanting ruined acres, although it has no way of knowing how much wheat acreage has been plowed under.

## McLean Meets With Bankers In Washington

Bob McLean, president of the First State Bank of Dimmitt, is to return today (Thursday) from a meeting Wednesday of the nationwide Bankers Committee for Tax Equality in Washington, D.C.

MCLEAN is one of eight American bankers on the select committee, which was established by the American Bankers Association to find means of equalizing tax ratios between banks and other types of financial institutions, especially cooperatives.

Wednesday's meeting of the committee was McLean's first since his appointment. Other committee members are L. Shirley Tark of Chicago, H. Vernon Scott of Washington, D.C., Arthur T. Roth of Franklin Square, N.Y., F. L. Martin of Compton, Calif., Francis R. Steyer of Jersey City, N.J., Irvin Reid of Newport News, Va., and H. L. Underwood of Greenville, Ohio.

McLean flew to Washington from Dallas, where he attended the state bankers' association convention over the weekend.

Approximately 50 more Castro County residents signed copies of the letter Friday at the banks in Dimmitt and Hart, joining thousands of others across Texas in supporting President Johnson's stand in Vietnam. The letter and signers' names will appear in a special multi-page display in the Austin American-Statesman later this month, and the original signed copies will be presented to President Johnson.

### Education Overtakes Housing As Biggest Family Investment

The home may be taking second place to college education for the children as the biggest family investment, according to the Department of Health, Education and Welfare. THE NATIONAL Association of Home Builders has reported that the average new home last year cost in the neighborhood of \$20,000, not counting interest on the mortgage. But consider the investment facing the average family with three teenagers to educate, suggests Wanda Meyer, Extension home management specialist at Texas A&M University. Just the basic fees alone can rival a family's housing investment. Basic fees and charges at a publicly supported four-year col-

lege or university average a little more than \$1,000 a year in 1967, according to HEW. Those same basic fees and charges at a private institution averaged about \$2,100. Thus, four years at a public or private university or college will cost a family \$4,000 to \$8,000 for one youngster alone. But that's not the end of it. Education costs are rising. Furthermore, there are other expenses besides the basic charges. Books and supplies cost the average family \$160 a year for each student. Transportation costs range from \$150 to \$250 a year. Per-sonnes average \$400. Including all these expenses, it now might cost a family up to \$3,200 a year to keep a youngster in a private school, and up to \$1,800 in a public one. This means that the total investment for a family with three children would range up to \$38,400 if they chose a private school, and up to \$21,600 if they chose a publicly supported college.

## The Ultimate in Satisfaction

When we were children, the ultimate in satisfaction was an ice cream cone, a nickel's worth of candy, a handful of homemade cookies. But now that we are grown-up, God's spirit has shown us there are more important things in life than satisfying our appetites. There is a higher plane of living — that of loving and serving God and one's neighbor. God wants us to respond to His love by showing this same kind of love to others. The church is the place to center your mature living. Attend church this Sunday.

"When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things." I Cor. 13:11.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### New Mag Features Palo Duro Canyon

The second issue of the new magazine published by the West Texas Chamber of Commerce went to all members this week. "This Is West Texas" for June-July covers some of the most colorful of West Texas attractions.

FEATURES in the current issue include a cover picture in four colors of the beautiful Highland Lakes country with a picture of the Lake LBJ shoreline. The accompanying story tells of the challenges to fishermen in all the Highland Lakes.

Scenic Palo Duro Canyon and its Panhandle Heritage Theatre are also given a full treatment in this issue. Also included are stories on the Albany Fandangle, the Littlefield "Operation Sparkle," Amos G. Carter Museum of Western Art and other features of interest to West Texans.

Industry is spotlighted with a story on the Mooney Aircraft Company of Kerrville. This manufacturing plant produces and sells more aircraft of its type than any other manufacturer in the world, according to figures released recently.

Also in the June-July issue is a visit in story and pictures to the beautiful Caverns of Sonora. Though not rated as large as Carlsbad Caverns of New Mexico, no quarter is given to the beauty of the formation in the Sonora underground fantasyland.

### Jerry Walker Earns Promotion

Jerry D. Walker, 19, son of Mrs. Alene Nixon, 806 W. Bedford, Dimmitt, has been promoted to Army Specialist 4 near Augsburg, Germany, where he is assigned as an artillery survey computer operator in Headquarters Battery, 2d Battalion, 7th Artillery.

WALKER entered the Army in March 1966 and was stationed at Ft. Sill, Okla., prior to arriving overseas the following August.

He is a 1965 graduate of Dimmitt High School and was employed by Wayne Manufacturing, Pomona, Calif., before entering the Army.

Sp-4 Walker is the son of Herman E. Walker, 1554 S. Gary, Pomona, Calif.

### Cheryl Walker Is Graduate of TWU

Cheryl Walker of Dimmitt received a bachelor of science degree in health, physical education and recreation from Texas Woman's University in commencement exercises held June 4 in Denton.

Dr. John A. Guinn, TWU president, delivered the commencement address.

Hail, Rain Wipe Out Two-Mile Crop Stripe

By TEENY BOWDEN
Seventy-two attended Sunday there were no night services because of the bad weather. The children at choir practice were taken to Bradley's basement when alerted about the tornado which was sighted by several in the southwest part of the community. The gas plant sounded its tornado alarm, and several went to the cellar, but no damage was done so far as is known.

In the north part of the community a hail storm with high winds and up to 3/4 inches of rain wiped out a narrow strip of crops. It seemed to move from west to east.

Some of the hail was golf ball size, and fell with terrific force. Highway 385 was flooded in several places, but it was never blocked.

Fields were a solid sheet of water for two hours after the storm. Cotton and soybeans in this two-mile wide strip were a complete loss, most of the wheat was from 60 to 100 percent lost, and maize and corn were considerably damaged.

The hail came in three different shifts, the heaviest and largest hail first with most of the damage, later smaller hail with no winds. It was about marble size and fell straight down. The third hail was pea size and also fell with no winds. All took place within an hour.

MRS. FRED HELM and Freddy of the gas camp were visitors in the Sunday morning church services.

Mr. and Mrs. Irving King visited in Amarillo Sunday with her mother, Mrs. F. M. Sweeney and Bill.

MR. AND MRS. Eldon Lilley were in El Paso last Thursday through Saturday.

Rev. and Mrs. Eddie Howard and Rev. and Mrs. M. D. Durham were guests last Sunday of Mr. and Mrs. A. L. Wilson.

Alford Crisp recently received a diploma in electronics communication from the DeVry Institute of Technology in Chicago. He completed the one year home training course in April. He started the course after his car wreck and plans to take some advance training.

Rev. and Mrs. M. D. Durham visited with Marvalynne Durham at Fort Defiance, Ariz., Monday through Wednesday.

Lori Westmoreland of Littlefield stayed last Sunday night to visit this week with her grandparents, Mr. and Mrs. Alton Loudder. They visited with the Lowell Westmoreland family. Gena came home with them.

Five From Here Leave For State 4-H Roundup

By IRENE KEATING
Charles Hottel, Mr. and Mrs. Bill Simpson, and Micky and Patty Simpson left Monday for the 1967 State 4-H Roundup at College Station. The group will return Thursday. Mickey and Patty will give a dairy demonstration at the state contest.

JUNE IS Dairy Month and National Barbecue Month. So let's be sure and make use of dairy products.

This is a good time of year for barbecuing also. Here are some helps. Cheese is a concentrated food containing most of the food material's found in milk, from which it was made. The exact nutritive value depends on the variety, manufacturing procedure and moisture and butterfat content. To make one pound of cheddar cheese requires about nine pounds of milk.

Either well-aged or process cheddar cheese blends easily with the other ingredients of sauces or casserole dishes. When you cook cheese, remember that it is a protein-rich food and subject to the general rules for protein cooking. Go easy with the heat. High heat or cooking too long makes cheese tough, stringy or leathery and may cause mixtures of cheese, eggs and milk to curdle. To speed the melting and blending of cheese with other ingredients, grate or chop it into small pieces.

CHEESE IS one of our most nutritious and versatile foods. Because it is an excellent source of many important nutrients in the diet and because it is a well-liked food, cheese is used freely in planning meals and making many good dishes.

With a smooth cheese sauce as a starter, you can build many kinds of dishes. You'll need 4 tablespoons fat, 4 tablespoons flour, 2 cups milk, 1/2 teaspoon salt, and 1/2 pound thinly shaved cheese. Melt the fat, and blend in the flour. Add cold milk and salt. Heat and stir until thickened. Add the cheese, and stir until it melts. Serve on bread or toast slices, boiled rice, hominy grits, macaroni or spaghetti, boiled potatoes, cabbage, asparagus, onions, cauliflower or broccoli.

For an unusual taste treat, try Chicken. Make the sauce with 1/2 cup honey, one-third cup prepared mustard, 2 tablespoons lemon juice and a dash of salt. Marinate the chicken pieces in half the sauce 1 to 2 hours in the refrigerator. Save the rest of the sauce to serve at the table, either heated or chilled. Put the chicken, skin side down, on the broiler pan 7 to 9 inches below the heat. Brush with melted butter and broil about 20 minutes, brush with the drippings and broil 10 minutes more. Turn the chicken, skin side up, brush with butter, and broil until almost done, about 20 minutes. Brush

with the rest of the marinade sauce, and broil about 10 minutes longer.

HERE ARE some interesting facts that you'll want to remember. They may even save you money!

Home furnishings are expected to be somewhat higher this year. Prices will rise at the manufacturing and wholesale levels and will be passed on to the consumer.

Use an elegant upholstery cotton to make a bedspread and matching window shades. The heavy upholstery fabric is ideal for shades. All you need to do is cut it to size, hem the edges, and tuck it to a window shade roller. If you like, you can line shades on the reverse side with an iron-on cotton interfacing.

Bright cotton will go to your head this spring. New looks in hat fashions include op art fashions, used for close fitting helmet styles. Another hat design keeps pace with the jungle look in cotton sports wear. It's a derby, or "Safari" hat, with a snood attached. Other hats of printed cotton come with matching tote bags.

## Bethel News Rains Here Are Friendly-Type

**By MRS. J. T. STEHR**

We have been enjoying wonderful rains in our community, and are thankful we never had the severe weather some places report.

★

**MR. ND MRS. Earl Lust** have the honor of having the most graduates in one family this year. They attended graduation exercises at Littlefield High School for Barbara Lust, daughter of the Lloyd Lusts, and also Jeff Lust, the young son of the Lloyd Lusts, who graduated from Kindergarten at Littlefield.

The J. T. Stehrs learned of the death of their pastor at Dumas, who was their pastor at Granite, Okla., when they lived there. He

was Rev. Hugo Leimer, who was retired and had lived at Dumas several years. He would preach in another place now and then, and was on his way to such a mission when he was stricken and stopped his car. No help came; one woman did stop but she was unable to help him at the time. When she returned later, and saw the car still there, she stopped, but he was dead. She then reported it to the authorities.

Experienced people are not able to tell a critically ill person from one who might be doped, so we cannot say we would have done differently. It is a shock when such happens to someone you know and love.

Bethel Community has several Head Starters who will start to school at Dimmitt this week.

The Jack Howells and Jimmy Howells went to Clovis Thursday night and saw lots of water on the road between Texico and Clovis.

Mr. and Mrs. George Bagwell visited the Fate Shannons Sunday in Easter Community.

Mr. and Mrs. J. T. Stehr visited in Dimmitt with Mrs. Martin Hobratschk, also present were Mr. and Mrs. Glen Hobratschk and son, Marty of Lubbock and Mr. and Mrs. Lee Jones, Larry

Hobratschk and Miss Marilyn Waythe of Chillicothe. Miss Waythe graduated a few days earlier than Larry and so came up to visit her aunt and cousins and attend Dimmitt's graduation. She has not returned to her home at Chillicothe, and she will go to South Texas this week along with her mother, Mrs. Albert Waythe and Mrs. Hobratschk to visit relatives. Mr. Waythe is a brother to Mrs. Hobratschk.

Mr. and Mrs. Earl Lust visited Mr. and Mrs. Glen Stiles at Big Square Sunday.

**GAINES NEILL** is still in the hospital. He is improving.

Mrs. Lillian Cag'e, whose home is in Big Square Community, is very ill in a hospital at Hale Center. She is the sister of Oliver Hail. Mr. and Mrs. Hail have been visiting her frequently.

Visitors in the Marvin Tisdale home Sunday were Mr. and Mrs. Edgar Lemons, Beverly and Gary of Hereford. Miss Beverly Lemons and Larry Tisdale, son of the Marvin Tisdales, are engaged. Larry is in Fort Ord, Calif.

Bethel has a mystery, but until it can be properly identified and taken care of, it cannot be reported. It may be pretty exciting when cleared up!

Mr. and Mrs. J. T. Stehr visited Mr. and Mrs. Herbert Schueler Sunday. The Schuelers live in the northwest part of Parmer County, they had two and a half inches of rain last week and another good rain Sunday. On the way home the Stehrs drove through water on the road several places north of Bovina and east of Bovina it was more water on the road. We were so busy watching the water on the road, we didn't notice the damage done to crops.

Mrs. Crane of Lazbuddie was a visitor in the Mike Langford home Friday night. She is Mrs. Langford's mother.

Bill Myers, mortician at Price Funeral Home in Levelland was supper guest in the Mike Langford home recently. Mike and Bill are cousins.

Mr. and Mrs. Jack Ingram visited her father, Mr. R. M. Morris at Plainview Sunday. The Ingrams report two and one half inches of rain Sunday.

Mr. and Mrs. Mike Langford and family had dinner Sunday with Mrs. Dean Myers at Dimmitt, other guests were Bill Myers, Levelland, Mr. and Mrs. Will Graef of Clovis, Mrs. Myers' father and wife, and Mrs. Paul Langford and daughter, Linda, of Dimmitt.

Mr. and Mrs. Buster Morgan have gone to take their daughter, Deanna, to Hardin-Simmons for six weeks term.

Mr. and Mrs. Jack Howell and sons attended a family reunion of Mrs. Howell's family at Hereford Sunday. It included mostly the

Clarks, including the Chris Clarks, formerly of our community. Jerry Clark, who is in Vietnam, was ready to go into combat recently when he was bitten by an animal infected with rabies, so had to go to the hospital and begin the shots for protection.

★

**MRS. CHARLES RICKERD** reports she was able to go to church the first time Sunday in four months. She has been able to be up some, but now is back to just three hours a day out of bed. We hope she will soon be recovered.

**NK 125 SUPERSTAR HYBRID SORGHUM**

Large, heavy heads  
boost yield from late planting

The head is the only part of the grain sorghum plant you sell. So why settle for ordinary varieties when NK 125 makes such a big crop so fast. This smut resistant sorghum is so early you can follow wheat or oats for two grain crops in a single year. NK 125 carries its large, heavy heads on a short, strong plant. Maturity is uniform, exertion excellent. NK 125 is ideal for late planting or double cropping.

# 'Uncle Jay' Signs Off Here

Johnnie "Uncle Jay" Linn, manager and co-owner of Dimmitt's Radio Station KDHN since its first broadcast in 1963, will officially "sign off" here Monday.

HE HAS sold his 20 percent interest in the High Plains Broadcasting Co. to Bedford Forrest, Plainview business man and former school teacher. The sale becomes effective Monday.

The station is now in a phase-in, phase-out period as Forrest prepares to take over management. The new manager has already received his license from the Federal Communications Commission.

Also missing from "1470" after Monday will be Linn's wife, "Aunt Thelma," who has been KDHN's traffic manager, and Gus, the Linn's gray Schnauzer

## Lumber Trade School Opens

Retail lumber dealers of Texas have long wanted a place where young people could be trained in building materials technology and marketing without having to go to college for it. Such a school is now in operation, and lumbermen have had a hand in designing the courses.

IT IS THE James Connally Technical Institute of Texas A&M University, located at Waco.

The school does not offer a college degree, and not all courses are transferrable to a four-year college. Persons enrolling do not have to have high school diplomas, but they must show a desire to improve themselves and they must discuss with school officials prior to enrollment.

The school offers complete living facilities on the campus. The complete course of study takes two years. The school operates on a "tri-semester basis — three terms per year of 15 weeks each.

THE COURSE is listed as "Building Materials Technology and marketing." It gives a mixture of technical information on construction and materials, along with training in merchandising, accounting and marketing. It is designed for both men and women who plan to enter the retail lumber business in some capacity. Scholarships are available. The Lumbermen's Association of Texas has available five of these scholarships for deserving young people who want to take this course but cannot afford to pay their own way. For information regarding these scholarships or for information regarding the school and courses offered, write to the Lumbermen's Association of Texas, P.O. Box 5222, Austin, Texas 78703.

dog whose voice is familiar to KDHN listeners.

"OUR PLANS are indefinite now," Linn said. "We're going to make a combination vacation and job-choice tour. It'll be our first vacation in four years."

He said the tour will include Phoenix, San Francisco, Houston and Austin, where he has received offers from radio and TV stations.

A native of Amarillo, Linn has become one of the best-known radio-TV personalities in the Panhandle.

HE STARTED his radio career in 1938 as an announcer in Amarillo, and has since built a reputation both here and on the West Coast in television, radio, independent productions and public speaking.

His nickname, "Uncle Jay," resulted from a misunderstanding

## Kountz Enrolled In TCU Institute

Van H. Kountz of Dimmitt is among 100 secondary teachers of physics, chemistry, earth science, mathematics and biology participating in a Summer Institute of Science and Mathematics at Texas Christian University.

The institute started Monday and will continue to July 14.

MADE POSSIBLE by a grant from the National Science Foundation, the six-week session is directed by Miss Ina Mae Brantlett, associate professor of mathematics, and has drawn teachers from 10 states.

Kountz will earn six semester hours of college credit after successfully fulfilling institute requirements.

## HemisFair Sets Ticket Kickoff

Public sale of reduced-price general admission tickets to the 1968 Texas World's Fair in San Antonio will start July 1.

JAMES M. GAINES, chief executive officer of HemisFair 1968, said that early purchasers will benefit from substantial discounts from the gate price of \$2 for adults and \$1 for children.

HemisFair will run from April 6 to Oct. 6, 1968. Seventeen governments have already indicated that they will participate, and the industrial exhibitors include such corporations as General Motors, Ford, Humble Oil, I.B.M., General Electric, Bell Telephone, Coca-Cola and Pepsi Co. Thirty foreign governments and 35 industrial exhibitors are expected.

Bulk distribution of tickets to wholesale purchasers started May 31.

Single admission tickets will be priced at \$1.60 during the first discount period. Also going on public sale July 1 will be a 20-admission pass, which will retail at \$1.30 per admission. This highly flexible ticket can be used by the holder 20 times, by a group of 20 adults, by one adult and 38 children, or any combination thereof. This ticket is also transferable.

HemisFair, Gaines Explained, does not have the necessary facilities to handle the enormous job of selling advance tickets to the general public. Selected distributors will make the tickets widely available to the public and to their employees.

Wholesale distributors and the public are encouraged to purchase tickets early, when the greatest discounts will be available. Prices will increase on Oct. 1 and again on Jan. 1.

Full information, price and time schedules are available from the Advance Ticket Department, HemisFair 1968, Box 1968, San Antonio.

among his listeners in the early 1940s.

During his boyhood on a ranch, he had been called "Jabe" — a contraction of his initials, J.E. When he originated an early-morning farm and ranch program for KGNC in 1941, he used "Uncle" in front of it "because the way I sounded at that time of the morning, no one would believe I was just a kid — I sounded like an old man."

BUT HIS listeners mistook the nickname and started addressing their mail to "Uncle Jay." The unintentional nickname stuck, and became a household word throughout the Panhandle.

Although he became best known for the farm and ranch programs he operated for 19 years, he also branched into virtually every type of program in radio and television.

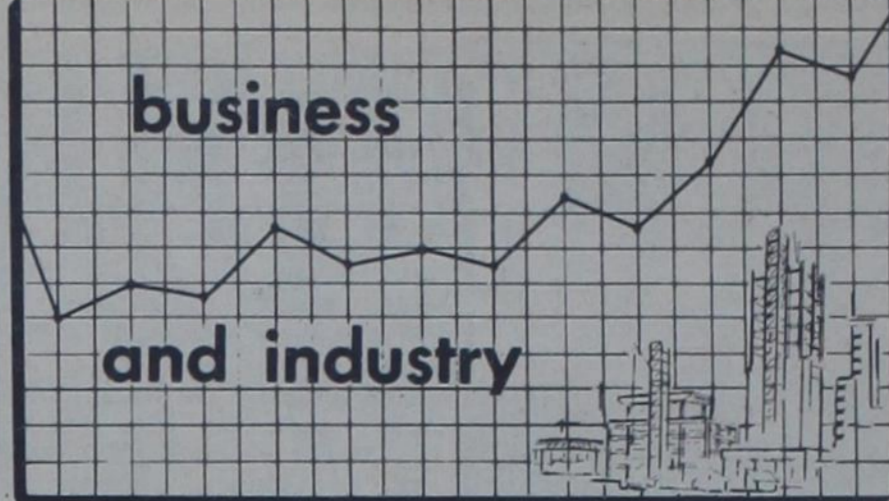

Before buying an interest in the Dimmitt station, he ran a show with his own production company in Medford, Ore., and made free-lance public speaking appearances up and down the West Coast to such organizations as the Hughes Aircraft Co., Beverly Hills Kiwanis Club, Van Nuys Masonic Lodge in its 75th anniversary celebration, and the Boulder Dam Council of Boy Scout leaders, convening in Las Vegas.

HIS CAREER has been half "on the air" and half "in the air" — he's a major in the US Air

Force Reserve and has served three tours of active duty. At 47, he is still subject to recall.

He was a pilot and flight instructor in World War II, and was recalled in 1952-54 during the Korean War to instruct jet fighter pilots. He was a civilian only two years when he was recalled again, during the Mid-East crisis of 1956. This time he served as one of the Air Force's few jet ferry pilots, delivering fighter planes all over the world. At that time he was "current" in six different types of single-engine jet airplanes.

The Linn's, who were married in Lubbock in 1939, have three children — Tommy, 21, who is in the US Navy; Johnnie III, 19, a sophomore at Massachusetts Institute of Technology; and Mrs. Debbie Ray, a senior in Austin High School.

## WTCC Offers Campers' Guide

Vacation season's opening has created the annual demand for the Campers' Guide published each year by the West Texas Chamber of Commerce Tourist Development Department.

THE GUIDE lists almost 100 towns in West Texas with camping facilities. It describes the facilities and gives locations. Each listing is keyed to indicate the availability of such items as water, electricity, rest rooms, shower, picnic tables, swimming, fishing, hunting and wood.

Thousands of tourists have taken to the camper sites as a more economical method of stretching their vacation dollar, according to surveys made by National Park and State Park authorities. It has been determined

ed by these experts that the vacation budget can last from half to two-thirds longer if the family utilizes the free camping facilities available to them.

Copies of the 1967 Campers' Guide are available at no cost at each of the Chamber of Commerce offices listed in the guide and at the WTCC office, P. O. Box 1561, Abilene.

## Pollard Joins Family Mart

Jon Pollard, advertising manager of the News since last July, has resigned to become sales manager of the Dimmitt and Hereford Family Mart stores.

POLLARD, 26, said he and his family will continue to make their home in Dimmitt. His wife, Carolyn, is bookkeeper for Southwestern Public Service Co. here.

David Harpole, owner of Family Mart, said Pollard's new duty will be to train and supervise the sales staffs of Family Mart's stores in Dimmitt and Hereford.

**BOBWHITE** quail that survive winter rigors gain nesting season strength by foraging on minute green plants emerging after early spring rains.

The department noted in areas lacking moisture that bobwhite hens search for food instead of nesting. Recent rainfall in some areas is expected to enable the dogged little game birds to launch into reproduction activity.

Meanwhile, mourning doves have been nesting on schedule many miles daily to feed grounds where rainfall has occurred and rations are more abundant.

### Cotton Growers Eye Research Aid

The Research committee of Plains Cotton Growers, Inc., is recommending that the 23-county cotton producer organization in 1967 provide grants-in-aid totaling \$32,200 to help carry out 12 research projects on High Plains Cotton production, according to Don Jones, committee chairman.

The committee's recommendations already have been approved by PCG's Finance Committee and will be considered later this month by the organization's full 48-man board.

**THE RESEARCH** Committee will recommend that a major portion of the funds, \$23,800, be spent on the development and evaluation of improved varieties and strains of cotton adapted to High Plains conditions and on cotton disease and weed control research.

Other studies the committee felt should get financial help include conservation and utilization of rainfall and irrigation water, various methods of modifying the cotton plant for adaptation to the low temperatures sometimes prevailing on the Plains, soil fertility and the influence of planting designs and climatic conditions on cotton fiber development.

Established research institutions sharing in the grants will be the South Plains Research and Extension Center at Lubbock, the Texas Agricultural Experiment Station at Bushland, the High Plains Research Foundation at Halfway and Texas Technological College.

**ON TOUR** in Castro County Saturday were these 30 Indiana State University students, their professors and local hosts, who studied the farming operations and related agribusinesses for a day. Here, the students look over the Western Ammonia plant shortly before going to the Colonial Inn for lunch. The young men, all juniors, are members of ISU's unique "traveling ag course" which this summer is touring much of the US and parts of Canada for a first-hand look at the nation's agricultural methods and diversities.

### Pvt. Pohlmeier Fights With Viet Operation

Army Pfc. Gregory J. Pohlmeier, son of Mr. and Mrs. Philip Pohlmeier of Nazareth, is participating in "Operation Francis Marion" in Vietnam with his unit from the Fourth Infantry Division.

**HIS UNIT** is conducting search and destroy operations in the Viet Cong-infested Central Highlands.

The operation, which began early in April, is named for the famed "Swamp Fox" of the American Revolution.

Pfc. Pohlmeier is a mortarman assigned to Company B, First Battalion in the division's 12th Infantry.

### Research Foundation Suggests Double-Cropping Wheat Acreage

The wheat picture 'does not look too good for the High Plains of Texas this year. In addition to the damage already done, most observers feel that the wheat crop will probably be harvested earlier this year than most years in the past.

**MANY farmers** have never considered a double-crop system, but for those who have been hurt by the freeze and drought this year might be an ideal year to consider planting soybeans following wheat, according to the High Plains Research Foundation.

Rev. Harlan Harris

Fred Allen

### Harris and Allen Will Lead Baptist Revival June 11-18

Evangelist Harlan Harris and singer Fred Allen will conduct summer revival services June 11 through 18 at the First Baptist Church.

WEEKDAY services will be held at 12 noon and lunch will be served. Evening services are at 8:30. Sunday services will be at their regular times, 11 a.m. and

7 p.m. Rev. Harris, a native of Salem, Ore., is a graduate of Wheaton College, where he was a classmate of Billy Graham. He is also a graduate of Eastern Baptist Theological Seminary and received his doctor of divinity degree from Wayland Baptist College in 1956. He has served 13 years as a pastor and eight years as an evangelist.

ALLEN, revival singer, is a graduate of Paris Junior College, East Texas State University and Southwestern Seminary. He has had experience in church music in five churches since 1954 and is presently with Trinity Baptist Church in Lubbock.

Allen will rehearse with the revival choir each night in preparation for the services.

A special feature of the revival will be a "Junior Jamboree" for fourth through seventh graders at 8 o'clock each night, Monday through Friday, conducted by Rev. Frank Pollard, pastor. The jamboree will include songs, games, and dramatic Bible stories.

### LEGAL NOTICES

#### ADVERTISEMENT FOR BIDS RECREATION FACILITIES, GOLF COURSE AND CLUB HOUSE

#### CASTRO COUNTY RECREATION ASSOCIATION

Separate sealed bids for recreation facilities, golf course, and club house will be received by Dr. James E. Wohlgenuth, President of the Castro County Recreation Association until 2:00 P.M., June 19, 1967, and then opened and read aloud in the Community Room of the First State Bank, Dimmitt, Texas.

The project consists of a club house, golf course and recreation facilities. The club house will include construction of the building, electrical, mechanical, plumbing and site improvements. The golf course will include the greens, fairway, sprinkling system and appurtenances. The recreation facilities will include a swimming pool, picnic shelter, trap shoot etc.

The information for bidders, contract documents, plans and specifications may be examined in the office of Biggs and Matthews, Consulting Engineers, located at 4017 Faith Road, Wichita Falls, Texas. Copies may be obtained upon the payment of a deposit of \$25.00 which will be refunded upon receipt of the plans and specifications in good condition within three days after the bids are opened. Additional sets of plans may be obtained for the purchase price of \$15.00 per set.

A cashier's check or an acceptable Bidder's Bond payable to the Owner in an amount of not less than five (5 percent) percent of the largest possible total for bids submitted must accompany each bid. No bid may be withdrawn after the scheduled closing time for receipt of bids for at least 30 days. The Owner reserves the right to reject any or all bids and to waive any informailities in the bidding.

The successful Bidder will be required to furnish a performance and payment bond in the amount of 100 percent of his total contract, written by a responsible surety satisfactory to the Farmers Home Administration.

## FFA Boys Camp In Garner Park

Eighteen members of the Dimmitt FFA chapter took a five-day camping trip to Garner State Park May 31 through June 4. The boys were accompanied by advisor John Quinby.

MRS. DAVID VAUGHAN ... the former Sue Hendrix

## Hendrix-Vaughan Vows Read June 3

Sue Hendrix and David Vaughan recited wedding vows June 3 in an evening candlelight ceremony in the First Baptist Church in Dimmitt. Rev. Frank Pollard officiated.

**PARENTS** of the couple are Mrs. R. E. Hendrix and Mr. and Mrs. Charles Vaughan, all of Dimmitt.

Mrs. Bill Lankford of Hereford attended her sister as matron of honor. Bridesmaids were Ann Hendrix of Post, the bride's cousin; Decimae Dennis of Dallas; and Vicki Vaughan, sister of the groom. Debbie and Connie Dennis, daughters of Mr. and Mrs. Edgar Dennis, were flower girls and the bride's nephew, Kevin Lankford, served as ring bearer.

Larry Scoggin of Lubbock served as best man and groomsmen were H. A. Tilson of Lubbock, cousin of the groom; Kelley Cloer of Tulia, cousin of the bride, and Jay Nelson of Dimmitt. The groomsmen and Lynn Vaughan of Lamesa, cousin of the groom, served as ushers.

**GIVEN** in marriage by her brother-in-law, Bill Lankford of Hereford, the bride wore a formal length princess A-line gown of white candlelight linen with a bateau neckline and elbow length sleeves edged in bands of Venice lace. Three tiered panels also edged in Venice lace fell from two bows attached to the deep, square back neckline. She carried a cascade of Eucharis lilies and English ivy.

The bride's attendants wore formal length gowns of maize crepe and white lace. Venice lace edged the elbow length sleeves and necklines. The gowns featured wattleau panels caught at the back necklines with bows. The attendants carried cascades of yellow glamelias and green foliage.

Kathy Rankin of Amarillo sang "Whither Thou Goest" and "The Wedding Prayer." Jeanine Wimberley of Dimmitt sang "I'll Walk With God." They were accompanied by Janice Mooney on the organ.

**A LARGE** sunburst of yellow gladioli, white mums and woodwardia fern decorated the altar, above the white wrought iron kneeling bench. Spical candelabra with sunbursts of greenery stood on each side of the altar. Three tiered French topiary trees of boxwood foliage and Emerald greenery sunbursts decorated the base of the platform.

Aisle candelabra holding milk glass votive cups were accented with French nosegays of yellow glamelias. Double tiered French topiary trees and a large bouquet of yellow gladioli and mums were in the foyer.

After the ceremony a reception was held at the First State Bank. Lynnda Logan, Mrs. Gary Heller, Pat Moran and Linda Davis served cake and punch from two small round tables covered with yellow organdy. A bouquet of yellow gladioli stood in a ceramic pedestal between the tables.

**FOR TRAVEL** the bride wore a yellow silk suit with matching accessories and a corsage of green cymbidium orchids.

The newlyweds are both 1965 graduates of Dimmitt High School. The bride has been employed for the past two years at the First State Bank of Dimmitt. The groom is a pre-dental major at West Texas State University in Canyon.

After a wedding trip to Corpus Christi, the couple will be at home in Canyon.

# Students Off to Europe, Hawaii

**BY MYRTLE SHEFFY**  
La Dawn Kemp, daughter of Mrs. Louise Kemp, left Monday for a seven-week tour of Europe. She met 13 other Baylor students Tuesday in Dallas, where they left by plane to New York City. They plan to see a good play and some of the city sights before boarding the Queen Elizabeth. They will tour nine countries.

La Dawn and two friends plan to stay two weeks longer and visit Michelle B. in Loudon, France — you remember, Michelle was the AFS exchange student here in the home of the Morans.

She should have a lot of things to tell us, when she returns.

**★ BOB AND Beth Jones** and children, are visiting her mother, Mrs. Bridgers, in Arkansas this week. Mrs. Nolan Froehner and son, Bob, are home from a visit with her sister, Mrs. Harry Straceher, at Longview. They were at Caddo Lake also. Eva says they ran into a lot of chiggers and wood ticks which she "no like."

Attending summer session in special reading at WTSU are Eva Froehner, Ruth Skinner, Frances Duke and Alice Cowen, all teachers here.

Dorothy (Mrs. Ted) Sheffy went to Amarillo for minor surgery this week, instead of to school. She teaches first grade.

Geneva Schaeffer and daughter Jackie are in school in Greeley, Colo., for the summer.

**★ I HEAR that Bill and Millcent**

Bennett and children are moving soon to Midland. He will go a step up in the Western Ammonia Corp. Sorry for them to go.

The Jim Cleavingers are visiting this week with her mother, Mrs. Lewis, near Sweetwater. The boys, Tommie and Jimmy, will stay for a two-week visit.

**★ MRS. GLEN GODFREY**, Mrs. Bill Snider and Mrs. Ray Robertson are taking 17 FHA girls to Ruidoso this week. They left Monday. They plan to see the Indian Village, ride horses (not in the races), and just have fun.

Shirley and Harold Stephens visited Eleanor and Ray Koehler in Fort Collins, Colo., over the Memorial Day weekend. They also visited Jim Cowsert, who is a senior at Colorado State University in Fort Collins.

Harold Stephens attended the funeral of Harold Aikens of Plainview in Lone Oak, near Greenville, Saturday afternoon. Mr. Aikens was the office manager of the Plainview Federal Land Bank Association. He died of a heart attack last Thursday.

Ruby Dell Littlefield (Dude) of Jal, N.M., is here for a visit with her mother, Mrs. Charlie Byrnes, and brother, Bud. She was visiting Poppy, Stanley and Jean also.

**★ POPPY BYRNES** told met the high school has some new cheer leaders lined up. They are Kita Struve, Poppy, Anita Cameron, Rochelle Johnston, Doricell Old-

ham and Jill Braafladt. That group should make a swinging, yelling encouragement for the Bobcats.

Mr. and Mrs. George Gabel and son Kent and his wife, Mary, attended the graduation exercises at Lamar Colo., for Clay Gabel. Clay received his degree in agronomy.

James Bradford and son Jack flew over to Columbia, Mo., to pick up Bob, who is in school at University of Missouri. Mrs. Russell Nelson went with them as far as Wichita, Kan., to visit her sister. It was Rosalind's first plane trip. Russ says she was excited.

**★ MR. AND MRS. George Bradford** were hosts at a turkey dinner and "42" party at the Country Club Thursday night. "That was the night the rains came." But all was fun and cozy at the party. High score was won by Ceil Carlile and Tom Davis. Other guests were Johnny Davis and Horace Carlile, the N. F. Cleavingers, the Jay Lee Touchstones, Edgar Rameys, Clarence Beardens, P. L. Cunninghams and Ann Singer.

Guests in the home of the George Bradfords were friends, Mr. and Mrs. Elbert Coursey and Mrs. Pete Maddus of Lordsburg, N.M. They were en route to Paris, Texas, for the Lamar County reunion. The Bradfords and Tom Davis plan to go next week.

Cletha George is in Norfolk, Va., visiting her son, Jack, and family. Jack is with the Navy.

Ruth Wilson is visiting her son, Pete, and daughter, Mrs. Mary Jo Reynolds, and families in Midland and Odessa this week.

**★ ANN SINGER** was hostess at a dinner and bridge recently. Her guests were Faun Welker, Grace Loyd, Bernice Littlepage, Dorothy Boston, Maurine Bice and Helen Richardson.

Faun Welker has been in California for a week visiting a cousin and seeing the sights. Just heard that Zandra Singer, granddaughter of Ann Singer, has received her degree from Texas Tech. She had a double major of psychology and English, and finished with honors. Her home is Tulsa, but she finished school here.

Mr. and Mrs. Earnest Dyke and sons of Pep spent the week visiting in the home of his aunt, Mrs. John Shannon and family. Dyke is a teacher of math. I tried to talk him into coming here to teach, but he likes Pep too well.

**★ TOM AND JOHNYE Davis** took the boat and went up to Conchas Lake fishing Saturday.

Nettie Graham and Maggie visited Maggie's sister in Amarillo this week. They also visited their friend, Bess Jones.

Mrs. Charles Armstrong and children have been visiting her

mother in San Angelo. Charles and son, Clay, are working near Dalhart.

Dr. and Mrs. Ed Whiteside and children, Scott Kirk and Susan of Fayetteville, Ark., stopped in Dimmitt for a few days' visit with his aunt and uncle, Rev. and Mrs. We'don McCormick. The Whitesides are enroute to Idaho. Fannie and George Blanton attended the graduation exercises at Texas Tech Saturday night to see their daughter, Georgene, receive her degree in English and Art. Georgene will teach in the Lubbock School system next fall.

**★ IT IS GOOD to have the hundreds of college students home.** The Davis girls are here — Suzie from Tech, who visited her friends, the Coopers, near Houston this week; and Janis of Denton, who plans to leave next week for Arizona State University for the summer session. Irene Thornton is visiting friends at Snyder. I see the Skinner boy is home from school; also the Ross's son; Robert Lindsey; Jack Flynn; the Sheffy girl's, Connie and Beth; the Kemp girls, La Dawn and Ginger; and Pat Moran of Baylor; also, Joelyn Slate of Corsicana, who is a house guest of Ginger Kemp; Kathy Graham from WTSU; Mike Wohlgenuth; Ken Campbell of Las Cruces; Sandy Bruegel from Tech; and many others.

The wedding of Sue Hendrix and David Vaughan at the Baptist Church Saturday evening was very beautiful. Quite a few relatives were here from out of town. The social page will tell you all about it.

Leola Haberer is home from a visit and a stay with the children of Rev. George and Betty Worrell at Lamesa. The Worrells were attending a big Baptist Church convention.

**★ KATHY GODFREY** helped move her sister, Peggy to Plainview this week where she will be employed by Bell Telephone Co. Peggy will have two week's training then she will be a

"Hello" girl. Juanita Bruegel tells me that she and Fred are taking their son, Mike and daughter, Sandy, and John Howell to San Francisco Saturday. The kids are going to the summer session at the University of Hawaii, lucky kids.

The Bruegels are visiting her mother, Mrs. Cox, and brothers and cousins in California. Guests of the Bruegels this week were Lannie and Elouise Lewis and Glenna and Walt Walker of Dodge City, Kan., Walt is with Killingsworth Construction up there.

Mr. and Mrs. R. E. Catoe were hosts at a barbecue supper Sunday. Their guests were the Fred Bruegels, Mike and Sandy; Orlene Williams, Jerry and Janis Cox, Glen Hobrantsch, Richard and Margaret Catoe of Lubbock; E'ain Lewis and Kathy Matukas, both teachers at WTSU; Patti Catoe and her friend from Big Sandy College, near Tyler.

**★ SHERI BETH Ratcliff**, daughter of Hal and Char'lotte Ratcliff and Gay Lynn Ratcliff, Jim's and Gayle's daughter, have been visiting their grandparents, Koma and Glen Ratcliff. Jim and Gayle flew to Fort Worth Sunday for a business trip. Actually, he was attending a two-day school. He is with Schaeffer and Harden.

Mr. and Mrs. Howard Graham of Pampa visited a few days with sisters, Mrs. W. E. Thornton and Mrs. Ray Ross.

Bill and Nickey Cu'pepper and children of Floresville, south of San Antonio, were here for a visit with friends, the Kenneth Cleavelands, Frank Wises and the Catoes and Jean Byrnes.

Nola Woods and son Richard were down from Colorado this week checking on farm business and visiting with Nola's twin brother, Noel Gollehon.

**★ MR. AND MRS. Jack R. Miller** were hosts at their cabin in the mountains near Santa Fe last week for a few days. Their guests were Bro. and Mrs. Ronnie Parker, Dr. and Mrs. Bill Murphy, Mr. and Mrs. Frank

Coleman, Mr. and Mrs. Ike Moore, and Mr. and Mrs. Kenneth Shropshire of Shallowater. I think they got in a few games of bridge.

Mrs. Jack Gregory and Mrs. Bill Gregory and sons, Bill, David and Bryan, visited Jo's aunt, Sid Heard and cousins Mr. and Mrs. Temple Dixon at Sweetwater. Mr. Dixon is State Representative to Austin. Dalia and boys went on to Abilene for a visit with her mother, Mrs. J. M. Ver-non.

Mrs. G. L. Willis Sr., Allie Mae Willis and niece Carolyn Copeland were visiting in and around Hobart, Okla. They are working on a family record. That is fun finding about your kin.

Mr. and Mrs. R. E. Jameson of Seminole are guests of their daughter Mrs. James Wohlgenuth.

We saw many people and many fine quarter horses at the show Sunday afternoon.

Jane Cleavinger is now at Camp Waldemar as counselor. The camp has 300 11-year-old girls and is located up the Guadalupe River from Kerrville. She is called "Campong Mamma" and will be pianist for all affairs. This is one of the most beautiful spots in Texas. M. E. and Marge took Jane down to the Hill Country last weekend.

The Jack Cowserts had the family in for ice cream and cake Sunday evening. Jim is home from college at Fort Collins, Colo. Others there were the Har'rd Stephens, the Ronnie Farris, the John Womacks, Pie and Monette Montgomery and Ethel Womack.

Jerry Morris received his B.A. degree in government at Texas Tech Saturday night. Going down to Lubbock for the service and dinner from here were Messrs. and Mmes. C. L. Morris, Leland Lee, G. L. Willis Jr., and

HART NEWS

New Pastor Assigned To Methodist Church

By MYRT LOMAN

Rev. W. H. (Fred) Brown and family moved to Hart last Thursday to serve as pastor of the First Methodist Church.

Rev. Brown is not a newcomer to this area. He moved to the Hastings farm between Hart and Dimmitt in 1929 from Cookeville, Tenn., where he was born. After living here a year, his family moved to Tulsa where his parents still live.

He served the Methodist Church at Turkey for the past four years and has been in the ministry for 11 years. He received his college education at McMurry and SMU.

He and wife have four children, David, 17, and a senior in high school, DeRhonda, 14, a freshman, Steven, 13, an eighth grader, and Paul, 5.

MRS. W. C. Crick had charge of the program "The Mission School," at the Women's Society of Christian Service meeting last Thursday at the First Methodist Church.

Mrs. H. H. Parker gave the devotional on "The Call to Discipleship."

Assisting Mrs. Crick were Mmes. H. H. Parker, W. A. Hawkins Sr., L. L. Swindie, E. E. Foster, Ed Bennett and Mrs. H. E. Loman.

Mrs. Bill Yeager was able to attend again, having been absent for some time due to illness.

MEMBERS of the First Methodist Church met Wednesday night for a fish fry and farewell party for Rev. Douglas Gossett and family.

Mrs. and Mrs. W. A. Hawkins Sr. furnished the fish and other members brought French fries, salads, punch and coffee. The men fried the fish. After the meal an hour of fellowship was enjoyed by the group.

Rev. Gossett and family were presented a love gift as a token of appreciation for having served in our community for the past two years. They moved to Amherst last Thursday, where he will serve there as pastor of the Methodist Church.

DAVID HARRIS, son of Mr. and Mrs. Duard Harris and Danny Rice son of Mr. and Mrs. L. J. Rice of Hart, are among the many boys who will attend Boys State June 10 through 17 at the University of Texas in Austin.

The boys' trip is sponsored by the American Legion Post 311 of Hart and the Hart Lions Club. The American Legion will sponsor 51 of these boys in US and territories this summer. Two outstanding youths from each will go to American Legion Boys Nation in July in Washington, D.C., where they will study federal government organizations in much the same manner as the state and local government.

During David's and Danny's stay in Austin, they will take part in the organizations of political parties, campaigns, elections and the enactment of their own laws within a mythical state.

An archway entwined with greenery was centered between two baskets of pink and white feathered mums with windows decorated with sprigs of greenery in the sanctuary of First Methodist Church of Hart on Saturday at 2 p.m. for the wedding of Miss Patricia Joyce Richburg and David Smith, both of Hart.

Rev. Deniz Leonard of Dalhart performed the double ring ceremony.

Mr. and Mrs. Lester Richburg are parents of the bride and Mr. and Mrs. Harold Smith are parents of the groom.

Maid of honor was Miss Mandy Rogers; best man was Kenneth Sharp. Serving as ushers were Gene Richburg of Lubbock, brother of the bride; Danny Smith of Hart, brother of the groom.

Escorted by her father the bride wore a two-piece white silk dress, with white pill-box hat and short white veil. Her flowers were white feathered mums centered with a single orchid. She wore a string of pearls and carried a white Bible.

Maid of honor wore a pink silk shift dress with pink headband. Her flowers were pink and white feathered mums.

Bride's going-away dress was a pink cotton shift with bell sleeves covered with pink cotton lace. Her accessories were white with the white orchid from her bouquet.

Mrs. David W'll provided the traditional wedding music and Robert Hawkins sang "More." The bride is a senior at Hart High and the groom is a 1966 Hart graduate and has attended Texas Tech, but at present is engaged in farming.

Rev. Brown

by Mrs. Ed Bennett and punch was served by Becky King assisted by Mrs. Theron Morrison.

Guests were registered by Cheryl Newman.

The pulpit committee of the First Baptist Church attended worship services on Sunday in Plainview and Lubbock.

Bro. Burt Dornay of Plainview resigned as of May 28 as interim pastor, after having served in that capacity for several months. He has entered college to further his education.

Bro. Van Earl Hughes, pastor of the Hart Mexican Baptist Mission served as pastor during the Vacation Bible School. The average attendance was 110 with Mrs. Howard Mitchell as superintendent.

The members of the Willing Workers Sunday School class have presented a net and 'yellow-bell' to the youth of the church.

The members of the Ruth Sunday School Class recently presented a new rocking chair to the nursery.

The coffee urn of the First Baptist Church is missing from the kitchen, if someone has borrowed the urn please return it to the church, as it is property of the church.

STOCKHOLDERS of the Hart Producers Co-op Gin held their 10th annual meeting Friday night at the Hart School cafeteria. Mrs. Carl Rambo of Hart played the piano while dinner was served to about 200 members and guests.

President Preston Upshaw recognized special guests Van Earl Hughes, pastor of the Hart Baptist Church and the Hart Volunteer Fire Department.

The report of audit presented by Don Nickels, CPA of Lubbock, reflected an average per-bale earnings of \$7.79.

The stockholders elected E. L. Hochstein and E. W. Foster for three year terms on the board of directors.

Other directors are W. W. Lenons, David Nelson, Vernon Mapp, C. B. Martin, Jr., and Preston Upshaw.

Mrs. Paul Brooks and Mrs. E. E. Foster were co-hostesses in the Brooks home Tuesday for Good Neighbor Club, with a covered lunch.

Guests were Mmes. Percy Hart, Fred Hamm, H. E. Newman, G. R. Bennett, W. C. Crick, W. A. Hawkins Sr., Mabel Aven, T. R. Davis, Kenneth Lambert, Wade Mills, D. L. McLain, J. D. Murray and one visitor, Mrs. Brooks' mother, Mrs. J. W. Welby.

WE HAVE A Mother's Day, Father's Day, Columbus Day and many others. What day do think is most widely observed in America? Double Trading Stamp Day.

TWO LITTLE boys of Hart who lead very active lives have been put to bed for some time this summer so they might be able to enroll in the fall term of school.

Allan Shive, 12-year-old son of Mr. and Mrs. Eldon Shive, and a student in the seventh grade, is convalescing at home due to a kidney ailment.

Lynn Myers, 10-year-old son of Mr. and Mrs. Aubrey Myers and a student in the fifth grade, is home for some time in bed with rheumatic fever, which requires a lot of bed rest.

Both boys enjoy games, reading, puzzles and number painting along with putting together model planes and cars.

MR. AND MRS. H. E. Newman and Mr. and Mrs. Miles Cox left Hart early on Saturday morning to attend homecoming at Lipan on Saturday night and Sunday.

Mrs. Earl Hacker left Amarillo on Monday by plane for a two-week visit with her parents and other relatives in Oregon.

MRS. JIM REED, homemaking teacher, reports the summer homemaking class held its first session in the homemaking room of Hart High School, with eight girls participating in the summer program.

ques, then furniture. Girls attending Monday class were Paula Sue Harris, Thelma Joyce Martin, Debbie Roberts, Debbie Newson, Linda Bailey, Margaret Swindle, Donna Filppo and Alene Van Vliet.

Guests this past week and weekend in the home of Mr. and Mrs. Oliver Jackson were their children and grandchildren and Mrs. Bob Jackson and Mr. and Mrs. Roy Stone of Odessa, Mrs. Arno Cox of Hobbs, N.M., Mr. and Mrs. C. D. Adams of Hereford, Mr. Jean Jackson of Oakland, Calif., Mr. and Mrs. Bob Bowden of Hart, and Mr. and Mrs. Arnold Alexander of Dimmitt, brother of Mrs. Jackson.

Due to bad weather and death of a relative of some of the members of the "Grandma and Grandpa 42 Club" the party was postponed Thursday night of last week.

Mrs. Jo Ann Riddle and children of Wichita Falls are spending the summer with her parents, Mr. and Mrs. W. C. Lacy, Mrs. Riddle and Mrs. Bob Lacy are enrolled at West Texas University in Canyon to work on degrees.

THE CONNARD reunion was held in Plainview Park on Saturday and Sunday, June 3 and 4, with approximately 50 relatives enjoying the occasion, despite some bad weather. Attending from Hart were Mrs. Frank Connard and daughters and families, Mr. and Mrs. E. E. Burrows and Mr. and Mrs. Carl Godfrey and son Danny, other relatives were from Amarillo, Lubbock, Olton, Dimmitt and Sunnyside.

J. D. RODGERS was painfully injured recently, when he jumped from pickup and hung the ring on his left hand in an obstacle, almost severing the finger. The ring was so imbedded in the finger it severed the nerve and tendons. Doctors are trying to save the finger.

E. E. Burrows has been hired by the City Council to serve in Hart as city policeman or city marshal, and assumed his duties June 1.

Burrows had approximately 11 years of service in Olton as night watchman and on the police force in that city.

He and Mrs. Burrows are the parents of five married children and have 17 grandchildren. He said "a shame we could not have had grandchildren first." Also made the statement, "People of Hart most friendly and gave the wife and I such a warm welcome."

They and Mrs. Burrows' mother, Mrs. Frank Connard are living on Avenue E in former home of Mrs. Adella Davis. His telephone number is 938-2527.

QUEST last week in the home of Mr. and Mrs. Edgar Varner were her mother, Mrs. O. M. Gilcrease from Corsicana and Mr. and Mrs. R. L. Tate and Mrs. Ronnie Criston of Hobbs, N. M., and guests for Sunday dinner were the Varner children and grand-Jerry Varner and Gene Varner and families.

Since June 1 Hart has received almost 3 1/2 inches of rain in the city, according to the government rain gauge, although in the surrounding area different amounts have been reported with each shower. Some damage to crops from hail, high wind and washing of land has been reported. The new Hart High School gym roof has been badly damaged on the southwest corner.

The north, northeast and northwest areas near Hart have not received nearly as much moisture as other areas.

IF YOUR ARE a newcomer to Hart and the storm warnings are out, do not wait for a personal invitation to a cellar. You are to go to the nearest one you can find. There is a large cellar back of the old Baptist parsonage; make yourself at home in it.

The Hart volunteer firemen, Mr. Martin and Mr. Burrows, will give us warnings of storm alerts — one blast from city hall means a tornado and three blasts mean tornado alert. Thanks to our men for the warnings.

ED HARRIS Lumber Co has won the contract on remodeling the Newsom Grocery and Market. An extension of 50 feet is being built on west of the present building. The present building will be completely rearranged with new fixtures added.

Lions Will Host Ladies Night

The Dimmitt Lions Club will host its annual Ladies' Night tonight (Thursday) at 8 at the Colonial Inn.

THE PROGRAM includes installation of officers by J. W. Robinson of Hereford, past district governor. Rev. Frank Polard of the First Baptist Church will be guest speaker and the Lions Club Quartet will entertain.

area was pelted again by pea-size hail.

Wheat damage in the Sunnyside area was estimated as high as 60 to 100 percent.

THE HARDEST downpour located by the News was on the J. C. Holbrooks farm in the northwestern part of the Sunnyside community, 10 miles south and two west of Dimmitt.

Holbrooks reported that four inches of rain in 35 minutes drenched his farm Sunday night. Heavy hail got all of his cotton and soybeans and some of his wheat, he said.

R. E. DUKE of Sunnyside reported a little over three inches of rain with hail, and said he came out of the storm with flooded fields but not much damage.

We'don Bradley also reported three inches, with little or no crop damage.

Southeast of Dimmitt, near Five Point, C. C. Waide registered more than three inches of rain also and said high winds blew over his wheat.

IN HART, the US Weather Bureau rain gauge has registered 3 1/2 inches since last Thursday morning in three main storms.

The southwest corner of the Hart High School gymnasium roof was badly damaged by wind. An official 1.60 inches fell inside the city Sunday night.

However, C. B. Martin, five miles east of Hart, reported three inches of rain Sunday night with hail damage that spotted 300 acres of cotton. The Martins have received between five and six inches of rain during the past week.

Warren Lemons, two miles south of Hart, reported hail pelted against the house Sunday night — a common complaint in the heavy hail belt over the weekend — and said all his cotton was ruined.

GENERALLY, Sunday night's rain was light in the northern half of the county, heavy in a small east-west strip through the center of the county, and reached deluge proportions in the southern third.

The Summerfield, Easter and Jumbo areas received light rain Sunday night that ranged from a sprinkle to an inch.

Jim Elder, five miles north of Dimmitt, said he received 20 of an inch Sunday night and has had only an inch of rain in the last two weeks.

TOMMY KELLAR, six miles north and three east of Dimmitt, reported a moderate rain Sunday night and said his two-week total has been between two and three inches.

Marshall Young, three miles north and one west, reported 75 of an inch Sunday night.

To the west of Young's farm, Robert Benton reported an inch of rain Sunday night and 1 1/2 inches in all from the recent storms. His farm is six miles west and three north of Dimmitt.

G. T. DOWNING, six miles north and 3 1/2 west of Easter, reported no measurable rainfall Sunday night.

The rain was heavier south of Easter, between Dimmitt and Bethel. Fred Bruegel, Sr. reported 1 1/2 inch Sunday night at his farm five miles west, with two inches of rain in the last two weeks.

Moss Howell of Bethel reported an even inch Sunday night with no damage. He said he has received 1.40 in the last two weeks.

AROUND NAZARETH, Sunday night's rainfall ranged from light to moderate. Don Carpenter reported 1.05 of an inch on his farm seven miles northeast of Dimmitt.

But nearby, on Ed Drenup's farm 10 miles northeast of Dimmitt, .75 of an inch fell Sunday night.

Government Loans Available For Students

High school junior and seniors were reminded this week that they may be able to obtain financial help to go to college under one of four Federally supported programs.

Dr. C. V. Galbreath, director of higher education for Region VII of the US Department of Health, Education, and Welfare, urged that seniors who are planning to attend college this fall and who need financial assistance to meet educational costs get in touch immediately with the financial aid officer at the college of their choice and apply for a job, loan, grant or other assistance for which they may be eligible.

THE FOUR major federal programs of financial aid to students, available to eligible students in any field of study, are: The National Defense Student Loan Program, the College Work-Study Program, the Educational Opportunity Grants Program, and the Guaranteed Loan Program.

During the 1967-68 academic year it is expected that these four programs will assist about 1,175,000 undergraduate students throughout the Nation to attend institutions of higher education, at a total cost of over \$1.1 billion.

NATIONAL DEFENSE STUDENT LOAN PROGRAM "Most colleges and universities in the United States take part in the National Defense Student Loan Program, the oldest major program of Federally supported student assistance," Dr. Galbreath said.

UNDER THIS program students borrow directly from their colleges. Repayment and interest do not begin until after the student has ended his studies, and may be extended over a 10-year period. An undergraduate student may borrow up to \$1,000 each academic year to a total of \$5,000. Graduate students may borrow as much as \$2,500 per year to a maximum of \$10,000. There is a special cancellation provision for student borrowers who become teachers.

For the academic year beginning this fall, an estimated 16,550 students in Texas, in attendance at 84 institutions of higher education, will borrow an estimated \$11,600,000.

COLLEGE WORK-STUDY PROGRAM The College Work-Study Program provides jobs on campus or off campus for students who need employment to help pay for college expenses. During the present school year it is estimated graduate students are employed in this program, earning an average salary of about \$700 a year.

During the present school year an estimated 9,980 students attending 77 colleges in Texas were employed in College Work-Study programs, at an approximate Federal cost of \$6,550,000.

EDUCATIONAL OPPORTUNITY GRANTS "Educational Opportunity Grants," Dr. Galbreath said, "is a new program that began operation in the fall of 1966. It is intended for undergraduate students in such extreme financial need that without the grants they could not attend college."

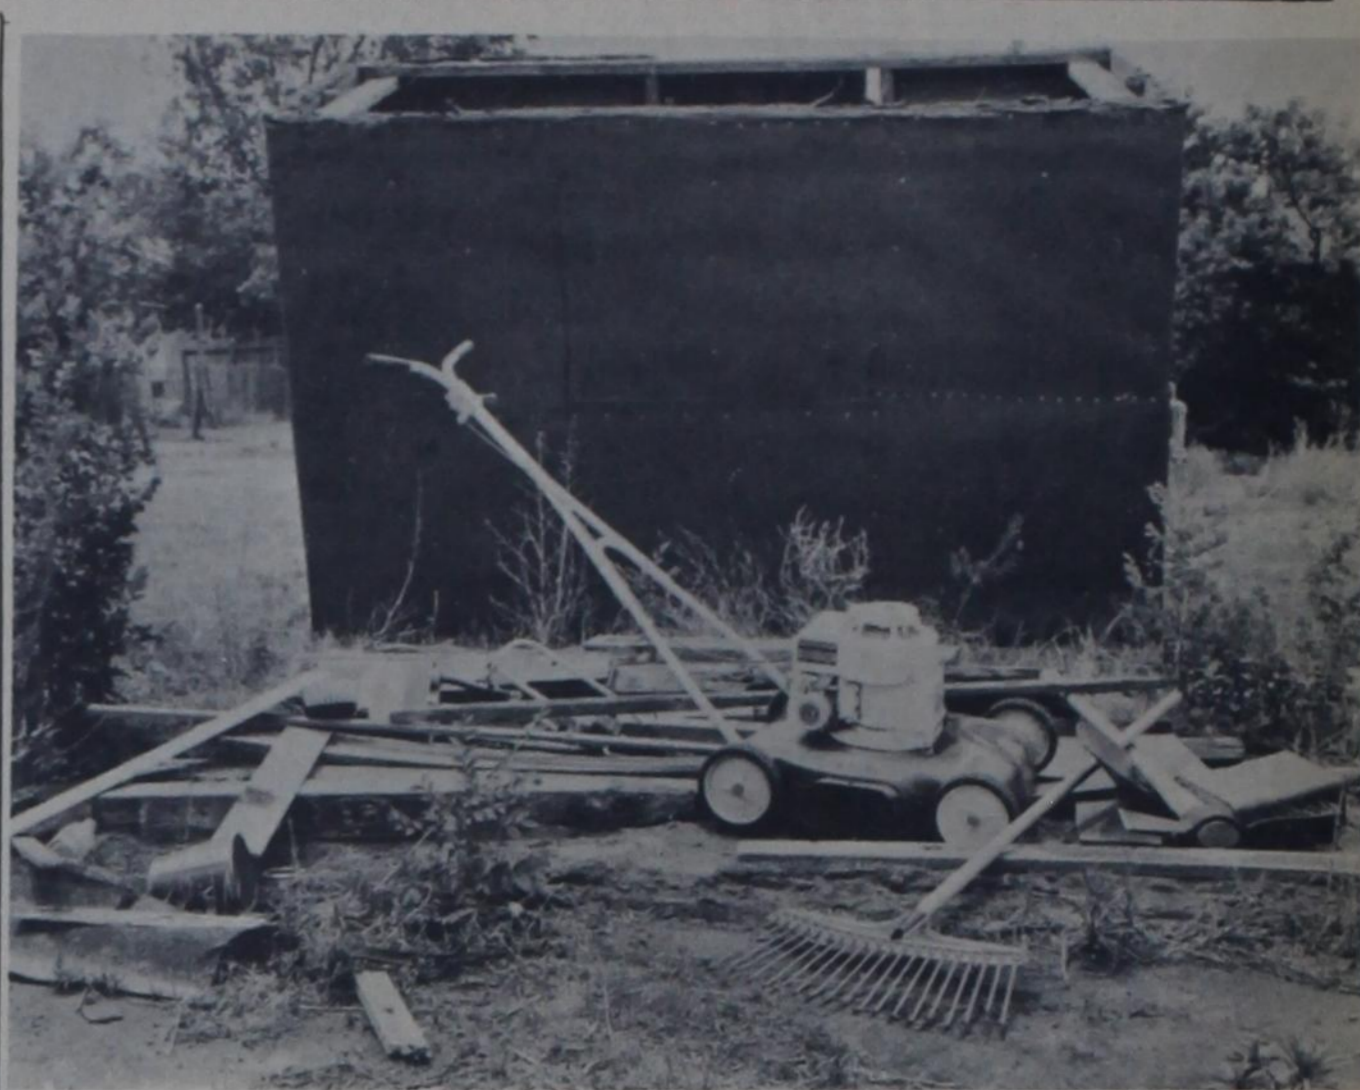

IN ITS first year of operation, \$8 million in Federal grants enabled 134,000 students to attend college. These students, so long as they remain in good standing, are eligible to apply for grants for each year of undergraduate study. The grants range from \$200 to \$800 a year.

GUARANTEED LOAN PROGRAM The Guaranteed Loan Program, which began operation in the summer of 1966, provides a means for students to borrow directly from their bank, credit union, savings and loan association or other eligible lender. While any student may borrow, the program is intended primarily to ease the heavy burden of educational costs for middle-income families. For students whose adjusted family income is less than \$15,000 a year the Federal government pays the entire interest (6 percent) during the school years, and half the interest (3 percent) during the repayment period, which begins when studies are terminated. The loans are "guaranteed" by a State Agency, or a private nonprofit agency designated by the State.

IN SPITE of the "tight money market" which existed as the program got underway, and still exists," Dr. Galbreath said, "between July 1, 1966 and February 28, 1967, throughout the Nation more than 260,000 students borrowed a total of more than \$206 million in loans. During this time, 7,725 students in Texas borrowed \$5,167,290 for their college expenses."

"A few years ago a college education was a luxury reserved for the child of affluent parents or youngsters with outstanding scholastic ability or athletic skills," Dr. Galbreath said, "but fortunately for our young people and for our country's future this situation has changed."

Dr. Galbreath urged citizens throughout Texas to look for talented young people who might not know of these opportunities for higher education and to encourage them to finish high school and go on to college.

BACK-FLIP — The contents are still in place, but the storage shed behind the home of Harold Perkins, 407 N.W. Seventh St., is upside down after last Thursday night's high winds that accompanied a

heavy rain. The slope-roofed shed yielded to winds that ranged up to 60 mph during the thunderstorm, and required the efforts of two men to upright it again.

Industrial

(Continued from Page 1)

Horton explained that the First State Bank "puts a man on the road anytime there's a prospect for Dimmitt, no matter how remote."

Horton's opinion was, "The only advantage I see to an industrial corporation is to gather the money and have it available. . . . I think a corporation would be a good deal, strictly for the purpose of getting the money to work with."

"IF YOU go into this thing," Newman said, "you need a dues system so you can bring in \$10,000 or so a year, then in several years you'll have enough money to do something toward industrial development."

These at Wednesday's meeting agreed that Dimmitt will be in an ideal position for going after new industry when the new airport, labor housing project and recreation center are completed this fall.

Money has been a problem for many small cities in their efforts to get new industries. This problem is what prompted the Texas Legislature this year to adopt a proposed constitutional amendment that would enable cities to call bond elections to finance new industries. The amendment will be voted on in next November's general election.

According to Larry McIner, industrial development specialist with Southwestern Public Service Co., the main factors in industrial development are community betterment programs, research for manufacturers, site selection, financing, and prospecting for new industries.

Paving Planned On FM Road 2943

The Texas Highway Commission has approved development of eight tenths of a mile on farm road 2943 in Castro County from the Deaf Smith County Line to US 385.

DISTRICT Engineer Oscar L. Crain of the Texas Highway Department District Five Office in Lubbock said the work will consist of grading and paving and will cost an estimated \$20,000.

The work is part of 949.3 miles of Texas Farm and Ranch to Market Roads earmarked for development in the new program.

The program will provide 623 miles of new road in 165 counties at an estimated cost of \$24.6 million. Other mileage was previously designated or is being constructed in stages.

Giant Motor

The largest mine-hoist motor in North America is being built for International Nickel's Creighton Mine in the Sudbury District of Ontario. The motor will weigh 72 tons and will generate 6,500 horsepower.

Lightpoles In Sections

Newly developed street lightpoles are made from nickel stainless steel sections, each six feet long. Exceptionally lightweight, the poles can be assembled and erected at an installation site by two men in less than 15 minutes.

Tornadic Winds Rip Signs, Trees; Tear Down Wires

Steady winds of 70 m.p.h. with gusts up to 85 m.p.h. lashed into the Dimmitt area Tuesday night, tearing down signs and high wires and ripping branches off trees.

THE MOST damage reported was 10 miles east of Hub, where high winds blew down several highline poles, according to Earl Brock, manager of Southwestern Public Service Co. Repair crews were dispatched and power was restored by early Wednesday morning, Brock said.

The fierce sandstorm covered an area from Morton and Muleshoe north to Dimmitt as it passed over. Barometric pressure dropped to below 30 inches, but no tornadoes were reported.

Dimmitt has two privately operated kindergartens at present — the Lucky U Kindergarten operated by Mrs. Joyce Hunter and Mrs. Rogers' Kindergarten, operated by Mrs. Jack Rogers.

Lollipop School Opening Planned

A third privately operated school for pre-schoolers will open in Dimmitt this fall.

Preliminary plans are now being made for the September opening of the Lollipop School, a combined nursery school and kindergarten under the direction of Mrs. Bobby Jones and Mrs. Joe Carver.

THE SCHOOL WILL provide organized play and social experience for 3 and 4-year-olds. The creative and individualized pre-school program for 5-year-olds will consist of arts and crafts, reading readiness. Both directors are certified public school teachers.

School hours will be 9 to 11:30 a.m. Monday through Friday, and enrollment fee is \$20 per month, Mrs. Carver said.
