Our Mockingbird returned, from wherever he spends the winter, Tuesday and let it be known, by his medley of songs, that spring has arrived. He is a good friend and so far as I could tell there wasn't a sad note in his repertoire.

A million dollar snow, with some rain mixed in, capped off the winter season last week and the spring planting and growing season should be one of the best since our memory started to function.

We have a little Pomeranian dog named Foxy that thinks the world of Viola and I, and I guess that we in turn are a little more than fond of the little nut. There is no telling how many times during the day he will request admittance into the house then almost immediately he demands to be let out again. This goes on all day and into the early part of the evening. He likes to spend the night outside and refuses to come in after dark, in pretty weather that is. The reason he likes to spend his nights outside is because he is very fond of barking, and if the neighbors don't kill him for making so much racket I predict he will live to a ripe old age. A car will never hit him, he is too quick and fast, and for the same reason he will never be injured by another dog. Another good thing about our little dog is that he stays at home unless of course there is something interesting going on about town.

Earl Brock was feted with a nice retirement party at the Recreation Center Sunday afternoon. Many well-wishers shook his hand and sincerely wished him well as he is about to take leave of his employment with the Southwestern Public Service Company. Earl has been with the company many years and has been loyal to his employer and dedicated to the service of his community. Earl understands that just because he will be on a pension instead of a payroll will not relieve him of his civic responsibilities, and that his fellow townsmen will call on his knowledge and experience in the further development of the community. I betcha people won't even notice when I retire, much less give me a party.

Senator Yarborough is being severely criticized in some quarters because he expressed admiration for all three announced Democratic candidates for the presidency. I assume the idea being that he should have denounced Senators McCarthy and Kennedy and pledged one hundred percent endorsement and support of President Johnson in his bid for reelection.

It could just be that Senator Yarborough is not in complete agreement with the president on all of his foreign and domestic policies, and feels that he can't honestly turn his back on other friends just because the president happens to be a fellow Texan.

The Texas delegation in Congress was polled and almost without exception pledged their support of the president in his bid for reelection. A point of basic honesty is involved here. Many of these same congressmen have voted against practically every measure proposed by the administration. If they are so anxious to see him re-elected why didn't they support his legislative program? It would be my guess that Senator Yarborough did vote for, and work for almost a hundred percent of the legislation endorsed by the administration. If these detractors of Yarborough are so strong for the president, then it would appear that they would give him a little credit for his performance. (See ABOUT DIMMITT, Page 14)

BUD STEIERT, WITH PLAQUE
Tireless worker for his fellow man

Steiert Is Hart Man of the Year

L. J. "Bud" Steiert, tireless American Legion worker, founder of Hart's annual Memorial Day service, former Santa Claus to the town's children, and main wheel in the drive for Sanders Field, is Hart's "Man of the Year."

HE WAS announced as the winner Saturday night at the Hart Lions Club's annual Ladies Night Banquet in the school cafeteria. The Lions Club sponsors the "Man of the Year" program.

Steiert, 48, who operates a farm between Hart and Nazareth, was presented a plaque by Willis A. Hawkins Jr., vice-president of the club.

In making the announcement and presentation, Hawkins noted that Steiert is best known for his all-around helpfulness to others.

STEIERT is a past commander of Hart American Legion Post 311, and has served as its adjutant for the past 10 years. It is through the American Legion that

he performs much of his voluntary benefit work, helping veterans, their dependents and others get hospital care, pensions, blood donors and sick-room equipment. For those ineligible for veteran's benefits, he works through the town's churches.

Steiert is responsible also for the annual Memorial Day service at Hart Cemetery, which often is assisted by members of Dimmitt's Henry Berry Post.

"Our Man of the Year has been of priceless value to wayward youths in helping them become good citizens," Hawkins said in his presentation speech.

VOLUNTARY work with youngsters is a Steiert family tradition. Steiert's father, the late L. A. Steiert was Hart's first Santa Claus, driving into town in an old school bus during Christmas season to give children treats which he paid for himself.

When his father's health failed, Steiert took over as the town's Santa, going out every Christmas Eve to visit the homes of all the town's children, senior citizens and shut-ins.

A member of the Hart Lions Club the last 10 years, Steiert spearheaded the club's finance campaign to build Sanders Field, the town's Little League baseball park. Back in the mid-1940s, he also helped organize Hart's semi-pro baseball team, serving as its manager two years.

HART'S Man of the Year was born Oct. 16, 1919, on a farm north of Hart.

While he attended Nazareth School and his father operated the family farm, his mother—a native of Ireland—served as the area's only trained nurse and midwife.

During World War II, Steiert served three years in the Army Air Corps. Most of his duty was in Europe as a mechanic crew chief, and he attained the rank of staff sergeant.

He and his wife, Irene, were married in Fort Smith, Ark., in 1951. His wife also is a nurse and gives her time to those in need. The Steiersts are members of Hart's Catholic Church and have three daughters, Alice, 5, Joan, 4, and Anna, 2.

TWO YEARS ago the Steiersts built a new home near his parents' home, with extra bedrooms for both their mothers.

Although helping others is his main hobby, Hart's Man of the Year also enjoys hunting and swimming.

Junior College Huddle Set

The Chamber of Commerce has called a huddle for 7:30 p.m. Tuesday for those interested in a junior college here.

THE MEETING will be in the Dimmitt High School speech room.

In calling the meeting, Dr. J. D. Blackburn, chamber president, explained that Castro County has been placed in a proposed junior college district with Deaf Smith, Parmer and Oldham Counties by the Texas Junior College Coordinating Board.

Hereford and Dimmitt both are actively jockeying for position in hopes of being selected as the site of a new junior college.

TUESDAY night's meeting here will precede a district-wide meeting in Hereford next Thursday night, at which the requirements for getting a junior college will be spelled out by Dr. Robert Clinton, assistant commissioner of state junior colleges.

Ike Moore, the chamber's education committee chairman, will report his preliminary findings at Tuesday night's meeting.

Before a junior college can be considered in the area, the proposed district must be valued for property assessment purposes, to show whether it can provide an adequate tax base for a new college. Location, student potential and community facilities are expected to come into play also before a junior college is authorized or established.

The meeting here Tuesday night and the one in Hereford Thursday night could be very important to us," Dr. Blackburn said. "The possibility of a junior college certainly deserves our greatest effort. I urge everyone interested in a new junior college to be at Tuesday night's meeting."

JAZZ BABY — Connie Coulter belts out the popular 1920's song, "Jazz Baby," to close the first half of the big Lions Club Follies. The talent show, directed by Dwight Joiner, played to 1,000 or more during its two-night stand Friday and Saturday in Dimmitt High School auditorium.

'IT HAD TO BE YOU,' sings the Lions Club Barbershop Quartet during the Follies. Bedecked in red-striped jackets, bow ties and straw hats are, from left, M. E. Cleavinger, bass; Russel Nelson, baritone; Dr. Charles Vandiver, lead; and James Bradford, tenor. The show had a cast of 130.

New School Needs Driver

Dimmitt's new Human Development School needs someone to provide rides to and from class for its pupils.

The retarded children's school meets from 9 a.m. to noon Monday through Friday in First Methodist Church. It is taught by Mrs. Mary Bingham and is conducted as a "satellite" program of the Amarillo State Center for Human Development.

THE CLASS has grown to eight, with seven enrollees and one pupil on a trial basis. But several of the youngsters have a transportation problem.

Burtis Hollis, education director for the Amarillo center, said the school will pay expenses and a small stipend to a driver. He said the school's directors are asking church and service organizations to contribute to help pay the expenses for the service.

THOSE interested either in providing transportation or helping pay for it should contact Rev. C. Michael Kennedy at 647-3214, Hollis said. Rev. Kennedy, pastor of the Presbyterian Church, is chairman of the school's advisory board.

"The classes are coming along quite well," Hollis added. "Cooperation has been good, Mrs. Bingham is doing an outstanding job, and we have a good staff of volunteer teaching assistants."

Price to Visit Here Saturday

Congressman Bob Price of Panama will hold one of his Town Hall meetings in Dimmitt Saturday.

The Republican lawmaker will meet with local people at 3:30 p.m. in the First State Bank community room. Price is expected to talk on current federal legislation, the nation's most pressing problems and the 1968 political campaign during the informal meeting.

THE MEETING is one of seven which Price will make during a busy weekend. He is scheduled to attend a Farm Bureau chili supper in Childress Friday night, a Farm Bureau breakfast in Fampa, Saturday morning, a luncheon with his Agricultural Advisory Committee in Memphis at 10 a.m. Saturday, a Town Hall meeting in Memphis at 12:30 p.m., the Dimmitt Town Hall meeting at 3:30, and the installation banquet of the Gruver Jaycees Saturday night.

He will return to Washington from Amarillo Sunday, following retirement ceremonies for Maj. Gen. Loren G. McCollom, Amarillo Air Force Base commander.

Congressman Wants Opinions

An opinion poll of 12 questions has been mailed to voters in the 31 Panhandle and South Plains Counties, Congressman Bob Price announced in Washington.

THREE OF the questions are on US policy in Vietnam, one on the President's proposed tax increase and one on crime and civil disorder. Others are mostly on domestic issues—the war on poverty, proposed firearms legislation, federal-state tax sharing and farm policy.

"I would like to have included more questions," Price said, "but I believe the ones I used represent some of the more critical issues with which this session of Congress will be concerned."

Price said results of the IBM punch-card questionnaire would be machine tabulated and announced through news media.

HOWARD COOK
US Weather Observer

Capt. Dan Prather of Dimmitt is the Army's newest "idea man."

HIS company's "Rat Patrol" technique, devised to counter the nighttime terrorist activities of the Viet Cong, is gaining rapid acceptance by other infantry units in South Vietnam. The idea also is being referred to the infantry School at Fort Benning, Ga.

Capt. Prather is the brother of Dale Prather of Dimmitt and the husband of Mrs. Jo Prather, second grade school teacher here. He is the commander of Co. B, 198th Infantry Brigade, stationed near Da Nang.

Capt. Prather invented his "Rat Patrols" when he realized that Viet Cong bands in the Da Nang area were carrying out most of their terrorist activities at night, unchecked.

Retardation Seminar Planned

The Amarillo State Center for Human Development will conduct a Mental Retardation Seminar in Dimmitt next Thursday night.

THE SEMINAR, scheduled to last less than two hours, will be in the Castro County Recreation Center clubhouse and will feature two top area experts on mental retardation.

Dr. Carroll Anderson, West Texas State University professor, will speak on "The Problem of Mental Retardation and What Should Be Done About It."

In the second half of the program, H. Russell White, director of the Amarillo state center, will discuss "The Problem of Mental Retardation and What Is Being Done About It in the Panhandle." A question and answer discussion will follow their talks.

City to Host UIL Hopefuls

Approximately 29 high school bands and more than 100 area students will converge on Dimmitt during the next week for the University Interscholastic League's spring regional contests.

LITERARY events are scheduled Saturday in DHS auditorium, with competition in debate, prose, poetry, persuasive speaking, extemporaneous speaking, ready writing, spelling, typing, number sense and slide rule.

Band competition will be conducted Wednesday as the area's bands and their individual members compete for ratings.

EIGHT schools will compete in one-act play competition April 9 in DHS auditorium, from 1 to 8 p.m.

The band competition, one-act plays and many of the literary events will be open to the public.

CAPT. DAN PRATHER
... Idea pays off

HE DECIDED to try to beat the VC at their own game. So he ordered night reconnaissance patrols of six or seven on foot to seek out the VC and either engage them, call in artillery fire or report back to base camp for reinforcements.

Rites Set Today For Sfc. Adams

Funeral services are to be conducted in San Antonio today (Thursday) for Sfc. Carl Adams, former Dimmitt resident who died of an apparent heart attack March 16 in Vietnam.

LAST RITES are scheduled for 2 p.m. at Akers Funeral Chapel, 515 N. Main, San Antonio, with Church of Christ Minister Sammy Swim officiating.

Military graveside rites and burial will follow in San Antonio.

Sfc. Adams, 46, was the son of P. M. Adams of Dimmitt, and originally enlisted in the Army from here in 1942. A career Army medic, Sfc. Adams maintained his permanent home in San Antonio with his wife, Tina, and two sons, Robert and Tommy.

Mmm! Chicken At Nazareth Sunday

Nazareth High School's FHA girls will hold their annual fried chicken dinner Sunday from 11 a.m. to 2 p.m. in the school cafeteria.

THE GIRLS and their mothers will prepare and serve deep fried chicken, potatoes and gravy, green beans, tossed salad, homemade bread and home made apple pie.

Admission will be \$1.25 for adults, 75 cents for children under 12, and 25 cents for pre-schoolers.

Proceeds will be used to finance the chapter's annual banquet and FHA trip.

He nicknamed his night recon groups "Rat Patrols," and they reportedly have had a dramatic effect in upsetting the VC's night terrorist plans.

IN HIS latest letter to his wife, he said:

"Capt. Dan's Rat Patrols are beginning to get wide interest and publicity.

"The papers back home ... indicate that the VC own the night, but B Company has put a dent in this theory.

"I THINK I mentioned the operations of my Rat Patrols to you before. Anyhow, I cranked them into action again and we have had tremendous success with them.

Coffee Slated For Judge Joy

A public coffee Sunday afternoon will honor District Judge James A. Joy of Plainview, candidate for the Seventh Court of Civil Appeals.

THE COFFEE will be in the First State Bank community room from 3 to 5 p.m.

Since 1961, Judge Joy has served as judge of the 64th District Court, which includes Castro, Hale and Swisher Counties. Previously, he served as Hale County judge.

He is seeking the bench post being vacated by Judge Alton B. Chapman, formerly of Floydada. The three-man Seventh Court of Civil Appeals in Amarillo serves 46 counties.

JUDGE JOY, 50, is a native of Crowell and has practiced law since 1952. He studied law at St. Mary's Law School in San Antonio, and also taught there.

He is married, the father of four children, and is a member of the Church of Christ.

North Co-op Sets Deadline Meeting

The county's new North Gas Cooperative Society has called a "deadline meeting" for Monday night, April 15, to establish its membership and collect assessment dues.

THE MEETING will be in the assembly room of the county courthouse.

April 15 is the deadline for farmers in the northern half of the county to join the cooperative's effort to obtain cheaper irrigation gas.

If successful, the new cooperative will buy gas from El Paso Natural Gas Co. for approximately 22½ cents per thousand cubic feet for its members, and will control its own distribution system. EACH landlord or tenant must sign a letter of intent and accompany it with an assessment of \$15 per unit. The letters of intent may be obtained from either Robert Huseman or Elmer Schulte of Nazareth.

"The brigade commanding officers was quite impressed with my theories, then the commanding general became interested. Today we had a press representative come out to interview some of our 'Rats' for publication. Accompanying him was the assistant adjutant, who has to travel to Saigon tomorrow to brief some general officers on the Rat Patrol operations.

"We started it because we felt it had potential, and now it's being almost over-publicized. Commanders all over are being ordered to start running Rat Patrols. A new concept seems to have been born, and I have the satisfaction of being its daddy. As a matter of fact, my troops now refer to me as Granddaddy Rat!

"AS YOU probably can tell, I am quite pleased with our results.

"They plan to write something about our operation and send it to Fort Benning for use in the Infantry School. I don't know whether it will ever get that far or not, but I am still pretty proud of everyone's interest."

CRAZIEST GARB — Winner of Dimmitt's "Crazy Days" costume contest for salespeople Saturday was Mrs. Norma Conrad of Paulene's House of Fabrics. She made this crazy quilt-patch dress especially for the occasion, and trimmed it with a string tie dangling empty spoons. Her hat is an upturned Easter basket with four colors of decorations "to show that Paulene's has the right fabrics for all seasons." She won a \$15 cash prize from the Chamber of Commerce.

ANOTHER AWARD came to Tony Martinez Jr. of Hart Friday when he was presented the American Legion's "Outstanding Heroism" medal by Hart Post 311 and the state American Legion. The 17-year-old HHS junior saved two neighbor children from a mobile home fire Feb. 25. Here, Post Commander W. T. King pins

the medal on Tony while Post Adjutant Bud Steiert presents him with the accompanying certificate. In background are Jack Flynt of Dimmitt, past state commander, and Eugene Hochstein of the Nazareth American Legion Post. Tony already had received the Texas Rural Heroism Award for his lifesaving effort.

THIS NEW SIGN at the First Assembly of God Church was completed recently in memory of the late Bill Kitchens, with funds received from individual donors throughout the city as well as from congregation members. At right is

Rev. John Sewell, pastor, who built the sign. The memorial stone at lower left is inscribed, "This sign erected in memory of Bill Kitchens, a devoted Christian worker in his church and community."

Army Offering Language Study

The US Army is offering training in foreign languages to high school graduates, according to SFC Bert Pinales, Army Recruiter for the Dimmitt area. Instruction is given in French, Arabic, Indonesian, Korean, Romanian, Russian, Serbo-Croatian, Spanish, Thai and Vietnamese. **TRAINING** will be conducted at the Defense Language Institute, located at the Presidio, Monterey, California. Young men and women interested in this program will be given aptitude tests to determine their qualifications and aptitude for training. If qualified, they will be offered the chance to enlist in the US Army with the guarantee of attending the Language School after completing eight weeks' basic training. SFC Pinales may be reached at the courthouse in Dimmitt every Monday from 12 noon to 5 p.m. His telephone number is 373-4212 in Amarillo.

STORE OILY RAGS IN SHELL
An empty shotgun shell makes a handy and compact carrier for a small oily rag. A hunter can always use an oily cloth in bad weather when his gun is exposed to moisture.

FISH STRIPS FOR PORK RINDS
White strips cut from the belly of a fish are as effective fish-getters as pork rind. Like pork rind, you can store the fish strips in a saline solution.

STUDY LAKE BEDS
There is one advantage to a drought. You can study the lake beds while the water is low. Then you'll know where the fish hide. Make special note of where the ledges extend out into the water. That's where fish are likely to be found when the lake level rises again.

Bible Thoughts

CHRISTIANITY
By Ronnie Parker

I have just read this striking statement from the pen of some writer. "Christianity is not a puzzle to be solved, but a way of life to be adopted. It is not a creed to be memorized, but a Person to follow." There are two parts to Christianity. One part is obedience to the gospel. A second part is living the Christian life.

It is not enough to try to live the Christian life before you obey the gospel. In fact, it can not be done. On the other hand it does no good to be washed clean in the blood of Christ for salvation from past sins if one does not live the Christian life. First one has to enter the kingdom, then he must obey the laws of the kingdom. One without the other is useless.

In the New Testament a perfect system of religion is given. The practices of Christianity are just as perfect. The defect with so many is that the theory is believed while there has been little experience in practicing Christianity. Christianity is an abundant way of life. It is to be lived. Have you obeyed the gospel? Are you living in the perfect way?

Youngs Host Chicken Supper

By LAVERNE McDANIEL
Mr. and Mrs. Martin Young were hosts to Northedge Club members in the Easter Community building at 7:30 Tuesday night. Those enjoying the good chicken supper and 42 were the Herman Roses, Dan Heards, Buford Newtons, Bob Bakers, Robert McDaniels, Mrs. John Crum and P. L. and LaTrelle Hoyalier. Sue Young and Inez McDaniel helped serve. Mrs. Crum received a gift from her secret pal.

MRS. JOHN CRUM attended the funeral of her aunt, Mrs. Lelia Harbert, in Dumas Monday afternoon. Our sympathy is for you, Mrs. Crum, at this time.

Mr. and Mrs. Robert McDaniel and family had dinner with Mr. and Mrs. Nelson McDaniel near Hale Center Sunday.

Dorman Stowers of Hereford spent Friday night with Mike McDaniel. Mrs. N. E. Stowers visited Saturday.

V.F.W. NEWS

By GEORGE DERRICK
On May 1, our nation will observe "Loyalty Day." This is the day we can all stand up and be counted, and show the world we are patriotic Americans.

"LOYALTY DAY" was inaugurated by the VFW, as a direct, vigorous weapon against communism. It was aimed especially at Communist Party members and their followers who were trying to claw down our American way of life. The Communists were using May Day for their hate demonstrations against our country. (They still are!)

The VFW went right to work on its plan to revitalize patriotism and pride of our country. Our combat veterans inaugurated "May First Loyalty Day" programs across the nation. They were joined by thousands and thousands of men, women, and young folk, organizations and groups, churches and schools, civilians and armed forces units. All were enthusiastic about having a special occasion on which to reaffirm their allegiance to our flag and country.

VFW Post 8056 of Dimmitt churches, organizations, groups, business houses, etc., to fly the Stars and Stripes on May 1, and to attend or take part in the activities we have planned for that date.

If you do not have a US flag, please try to obtain one by May 1.

OUR NEXT regular meeting will be held Monday night, at 8:30. Our post will elect new officers for the coming year at this meeting. All members are asked to attend. Remember: Your ballot counts! So be there. Visiting members are always welcome.

Our recent "Old Folks Dance" was quite successful. However, the donations were not as much as we had anticipated. Our post plans another of these benefit dances in the near future. We regret this delay and disappointment to the patients of the "Golden Spreading Rest Home."

PASSING THOUGHT: The best substitute for experience is being 17 years old.

NEARLY a third of the 24 million social security beneficiaries are people under age 65 — over 5.2 million are survivors and dependents, one million are disabled workers and another million are workers who retired before age 65.

WRESTLING WITH OUR FEARS

Our fears seem as big and as terrible as this alligator sometimes, don't they? Fear about this thing and that can paralyze us and prevent us from doing our daily work.

Many of our fears are real. A great many of our fears, however, are unfounded — a result of thinking and worrying about ourselves. Sir John Denham phrased it this way:

*"My fears are causeless and ungrounded,
Fantastic dreams and melancholy fumes."*

There is only one thing that will dispel fear of this type. We must do something to get out of ourselves. That means loving and helping others.

The Bible puts it so well in I John 4:18. *"There is no fear in love; but perfect love casteth out fear; because fear hath torment. He that feareth is not made perfect in love."*

The Church is God's Agency designed to help you. We invite you to attend this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

EARL BROCK (right) waves hello to a friend while officially bidding farewell to a 40-year career with Southwestern Public Service Co. Sunday. More than 400 attended the retirement reception for the long-time Dimmitt area manager in the Recreation Center clubhouse. At left is Miss Hazel Merritt. In the reception line, from left, are Brock's son and daughter-in-law, Bob and Pat Brock of Kansas City; his daughter, Mrs. Glenn Merritt; and his wife, Mable. The Brocks received a portable oven and set of cookware for their new camper from the local office staff, a set of golf irons and a travel alarm clock from fellow SWPS people throughout the area, and a "treasure chest" from local friends.

Local Board Ordered To Draft 19 in April

Hereford Local Board 18 of Selective Service has been ordered to furnish 19 area men for the Army and Marines during April, and to call up 50 others for pre-induction exams as draft quotas continue to climb.

STATE-WIDE the draft quota is 2,378 men for the Army and Marines, according to Col. Morris S. Schwartz, state Selective Service director.

This compares with a quota of 1,948 for the Army in March, and is the largest monthly call for the draft boards since October 1966, when the share was 2,845.

The draft boards will forward 8,500 men to the armed forces examining and entrance stations in April for the pre-induction physical and mental examinations in preparation to fill future quotas.

This compares with 7,200 being forwarded for this purpose in March, 4,590 sent in February, and 5,455 in January. The March pre-induction examination quota originally was 4,200, but was increased later because of higher induction quotas.

The April call of 2,378 men for

Texas is the state's share of a national quota of 48,000, the Army to get 44,000 and the Marine Corps 4,000.

The order of selection to fill the April and March induction calls may be from among examined and acceptable men who are (1) delinquents 19 years old and older, (2) volunteers under age 26, and (3) nonvolunteers 19 through 25 years old, single and married, with those married after Aug. 26, 1965, being selected ahead of those married on or before that date.

These Old-Fashioned Sugar Cookies Are Good - and They'll Stay Soft!

By IRENE KEATING
 I'd like to share a recipe with you that I got from Zonell Maples. The nice thing about these cookies is that they stay soft. I'm sure you'll enjoy that too.

- Old Fashioned Sugar Cookies**
- 1 cup butter or margarine
 - 1 1/2 cup sugar
 - 2 eggs
 - 4 1/2 cups sifted flour
 - 1 teaspoon soda
 - 1 teaspoon baking powder
 - 1 teaspoon salt
 - 1/2 teaspoon nutmeg
 - 1 cup sour cream
 - 1 1/2 teaspoon vanilla
- Cream butter with sugar until fluffy. Add eggs, one at a time, beating well after each addition. Add sifted dry ingredients alternately with sour cream, mixing after each addition until smooth. Blend in vanilla. Wrap in waxed paper and chill overnight, or until firm enough to roll. Roll on floured board to about 1/4 inch thickness, cut with 3-inch cookie cutter; put on ungreased baking sheets. Sprinkle with sugar; bake in moderate oven (375 degrees F.) for 12 minutes, or until browned. Makes about 5 dozen.

last week we'll be able to have spring. I hope so anyway. My lilacs and rose bush are getting leaves - it sure makes me feel good to see growing things in the spring. It encourages me to try harder in whatever I do.

★ **SOME OF you may be having trouble with white clothes looking grey and all your bleaching has done no good. It may be that your clothes are grey from your over use of detergent and your rinse cycle doesn't get it all out. You need to run your laundry through the wash cycle with nothing but three or four tablespoons soda. The soda loosens the residue as you'll see from the suds in your washer. Not until the water's sudsless will every trace of old detergent be gone. You may need to do this several times. Now launder your clothes as usual using washing soda again plus the prescribed amount of detergent. The soda softens the water, giving the detergent more power.**

More and more homemakers have discovered that by using washing soda regularly for their laundry they can dispense with costly additions.

Diverted Acres Rules Outlined

By CHARLEY HILL, County Secretary

Diverted acres may not be grazed after April 30 and prior to Oct. 1. If you have wheat acreage you intend to use as di-

JIMMY LAWSON, an Clinton native and graduate student in agronomy at Texas Tech, has joined the faculty of Dimmitt High School's Vocational Agriculture Dept. for his practice teaching. He will teach in each of the department's classes during his six weeks here.

verted acres, the wheat must be destroyed by May 1 for the land to be eligible as diverted acres. Wheat not destroyed by May 1 will be classified as wheat. A skip-row pattern, to be used as diverted acres, must be at least four normal rows wide.

Applications are now being accepted for the establishment of a vegetative cover for summer protection from erosion on diverted acres. This must be seeded not earlier than April 15, and not later than July 15. The \$500 cost share farm limit is still applicable.

1968 FEED GRAIN COTTON and WHEAT PROGRAMS

Producers will again be responsible for certifying to their 1968 feed grain, cotton, wheat and diverted acres. Wheat acres may be certified to now, but no later than April 30. It is very important to measure and certify correctly to your acres. We will be happy to give you all the help we can here in the office in determining acreage based on your measurements. Measurement service will again be available for feed grains, cotton and diverted acres.

IN CASTRO County, 988 farms signed to participate in the Cotton Program with an intended diversion of 12,959 acres and a permitted acreage of 39,560. 1004 feed grain farms are signed, with intended diversion of 87,389 acres and a permitted acreage of 138,414. And 956 wheat farms are signed with a permitted acreage of 106,217 on enrolled farms.

Information has been received that Waxy Kafir will be classed as a regular grain sorghum and any production and acreage must be used in determining your future year's yield on an appeal.

THANKS TO ALL OF YOU

We in the Castro County ASCS Office would like to say "Thanks" to each of you for the fine cooperation and patience during the feed grain, cotton and wheat sign-up programs. Without your cooperation and patience our job would be much harder. May this fine cooperation continue between us in years to come.

railroad business needs little explanation in direct relationship.

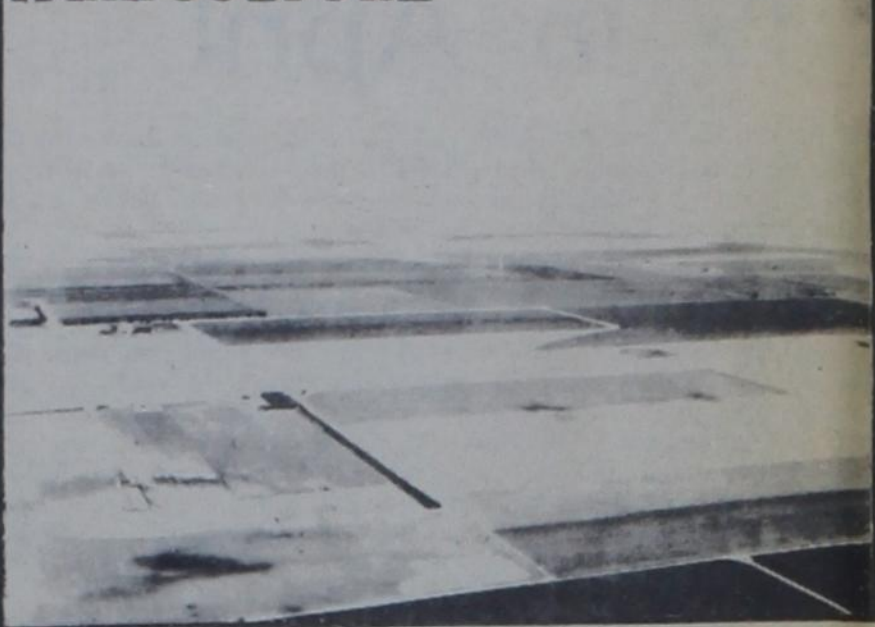

Agri-business employs over 50 percent of the total employment in this region. Add the portion of the wholesale and retail businesses associated with agri-business and a surprising total picture begins to emerge.

Many of our leaders, in both government and private enterprise, see a prosperity unparalleled in the history of the region for agriculture and the portions of agri-business related to this segment of the economy. Why?

WE ARE surrounded by a watching world, hungry and waiting to trade with a country whose farm planning and production have been a marvel of the American Economy. We are fast approaching the end to restricted acreages. The only limitations on production will be the dictates of good conservation practices. We are in a position to supply the ever-increasing demands for food and fiber. The opportunity for continued American leadership as the supplier for the world rests more and more in the hands of agriculture and its affiliates.

OUR ECONOMY can and will move ahead markedly if we accept the challenges of our age. And are prepared to meet the demands of a world ready to trade for everything our farms and industry can produce. We have a role to play. If we play it well, we will contribute measurably to the prestige of our states and to the strength of our nation — on whom the world depends as its breadbasket. There is much we can give. If we have sufficient water supplies,

MODERN AGRICULTURE

Water Depletion Table Ready; Exemptions Can Still Be Filed

Contour grid maps showing water table decline levels in the underlying Ogallala formation of the 14-county High Plains Underground Water Conservation District No. 1 have been completed.

THE MAPS, approved by the guidelines for computing 1967 cost-in-water depletion income tax allowances, are available for 50 cents each at the water district offices or by mail at 1628 15th Street, Lubbock.

Millions of dollars are being made available to area farmers through income tax allowances and refunds, due to the work of the water conservation district, which sponsored a test case in US courts (the Shurbert case) and has followed through with annual aids.

The mechanics of claiming the income tax allowances were developed by the water district in cooperation with the Internal Revenue Service after the favorable court opinion handed down in June 1964 by the Fifth Circuit Court of Appeals.

THE WATER district supplies materials necessary to calculate water depletion allowance, including (1) decline of saturated thickness in the taxable year, (2) saturated thickness at date of land purchase or acquisition, and (3) cost basis in the water (capital investment breakdown for the land and water underneath).

Refunds for 1965 and 1966 were estimated to be \$1 million and \$1.2 million respectively or about \$400 and \$480 per claim.

The number of claims filed each year has continued to grow until about 2,500 were filed for the 1966 tax year. However, water district officials estimate that this represents less than 50 percent of the taxpayers presently eligible to claim the depletion tax allowance.

AT THE 1966 level of tax allowance per claim, nearly \$2.5 million would be returned annually to taxpayers in the district if all eligible taxpayers claimed the allowance.

Taxpayers who wish to claim each year's depletion allowance should file an estimate to delay the filing of their final return until after their decline maps are completed each February, water district representatives suggest.

However, persons who derive income from farming operations can file an amended return by April 15 for each of the previous three tax years, claiming the depletion allowance.

ABOUT 215,000 college students will receive federal work-study employment in the first half of 1968. Almost \$55 million in federal funds will go to 1,700 colleges and universities participating in the program.

Friday's the Deadline For Loans on '67 Wheat

Producers who want loans on 1967 wheat crops should request them at the ASCS county office by 5 p.m. Friday, according to Jim Elder, chairman of the Agricultural Stabilization and Conservation County Committee.

FINAL dates for requesting price-support loans are approximately 30 days prior to the particular loan maturity date. If the crop is not placed under loan, it may be sold to the Commodity Credit Corporation by notifying the ASCS county office before the loan maturity date.

Growers who are considering the resale of 1967 crops under loan in commercial warehouses should also file a request for extension of the loans. The 1967 crops eligible for resale are wheat, corn, grain sorghum, oats, barley and soybeans.

Maturity dates for the different crops grown locally are April 30 for wheat, June 30 for grain sorghum and July 31 for corn, cotton and soybeans.

Elder pointed out that the price-support loans make it possible for farmers to market their crops when prices are most favorable. Crops may be redeemed from loans at any time prior to maturity by paying off the loan plus interest.

ABANDONED WHEAT Farm operators who wish to receive credit for wheat which is to be abandoned because of failure due to natural causes must file a request for the credit before the area is devoted to another use.

Credit for the abandoned acreage must be approved to earn wheat certificates or wheat history. Crops destroyed by natural causes before the final established disposition date and which will be planted to a different crop for harvest in the current year will not be considered as an acreage of the first crop for any purpose unless the abandonment of the crop is approved by the county committee.

THE SAME thing will apply to acreages of cotton and feed grain destroyed (or lost) before the final disposition date this summer. If you have any questions about this, please contact the County ASCS office, Elder advised.

INTEREST PER \$100 BORROWED

HOW MUCH INTEREST HAVE YOU BEEN PAYING ON YOUR FARM FINANCING?

WITH PCA ... YOU PAY ONLY FOR THE MONEY YOU USE ... WHEN YOU USE IT

That may not sound like much to you at first... but think about it a little longer. Through PCA, you borrow the money only when you need it during the year. Not in one lump sum at the beginning. As you sell your crops or livestock during the year, you pay on your loan. That's when the interest stops. Not at the end of the year, in one lump sum.

That's the way the 1,410 members of Plainview Production Credit Association do their financing. And that's why they averaged paying only 2 1/2% interest on the total amount of money borrowed for the year, in each of the past five years. It's a little thing. But with the cost squeeze on agriculture today, it becomes a mighty big thing. Perhaps, your margin of profit for the year.

Medicare Has Two Deadlines Monday

Monday is the deadline for two parts of Medicare, Travis C. Briggs manager of the Amarillo social security office, warned today.

IT WILL BE the last day older people not previously enrolled in the voluntary doctor bill insurance under medicare can sign up with coverage to begin effective next July 1. Although most older people in the Panhandle are now enrolled, some still need to take action by April 1.

Those who miss out on this second chance to enroll will have to wait another year, and pay a premium that is 10 percent higher for each full year they could have had the medical protection, but were not enrolled. Those who wait three years past their first chance to sign up for the medical insurance will not be able to sign up at all.

THE SECOND deadline on the same day concerns medical insurance payments for services received during July, August and September, 1966.

Anyone who had the "doctor bill" part of medicare during that period and who had bills amount-

ing to more than \$50 during the entire last six months of 1966 may be eligible for some medicare payment if it has not already been claimed.

Briggs emphasized that medicare claims may be made even if the bills for the services have not yet been paid.

Panhandle residents who need assistance in applying for the medicare benefits, or who wish to enroll in medicare, should get in touch with the social security offices at 1006 S. Adams, Amarillo. Field representatives from these two offices visit most of the larger towns in the area regularly.

THREE GENERATIONS OF KILLINGSWORTHS — ALL CHURCH BUILDERS . . . Jim and Woodrow (right) show C. E. their display of models

Killingsworth Story Is Told In New Film

The story of Killingsworth Construction Co. of Dimmitt is now being told through a professionally produced film, "A Key for You."

The 16 mm color and sound film had its first public showing Friday at the noon meeting of the Dimmitt Rotary Club. Presenting the film was Woodrow Killingsworth, president of the church-building firm, and his son Jim.

PRODUCED by Fidelity Film Productions of Abilene and Dallas, "A Key for You" is designed to introduce Killingsworth Construction Co. to church boards and building committees throughout the Southwest.

Basically, the public relations film outlines how the Dimmitt construction firm provides a complete, turn-key job for a new church—including architectural planning, engineering, site preparation, construction, carpeting and furnishing—at a guaranteed price within the church's building budget.

Killingsworth's approach in the church construction field is fairly unique. Only four or five other construction companies in the Southwest provide such full, turn-key service at a guaranteed price. Most construction firms build churches on a basis of cost plus a fixed fee, usually working from the plans of a private architect.

A WEALTH of experience lies behind the Killingsworth policy. In the last decade, the firm has built more than 80 churches of all denominations in Colorado, Texas, Oklahoma and Kansas.

The reason the Killingsworth company builds churches exclusively is simple. "I get a great

of satisfaction from building something as meaningful as a church," Killingsworth says.

AND THE reason for the firm's turn-key service arises from a problem that consistently plagues church building committees that of making the plans fit the budget.

"The main problem that most building committees face stems from the first stages of the project," Killingsworth says. "The committee will hire an architect, and he'll design a beautiful building for them. Then when they call for construction bids, they'll find that the building is much more expensive than they can afford. This causes hurt feelings sometimes. The church has to pay the architect the usual fee, only to find out too late that it can't afford the building he has designed."

"A new church is one in a lifetime experience for most people on building committees," he adds. "The usual experience of design cost versus budget is an expensive lesson that's repeated time after time by different congregations. We feel that our people, as specialists in the church construction field, are in the best position to help a building committee avoid this problem and get the full use of their building fund."

THE FILM, "A Key for You," includes testimonies by several building committee chairmen and pastors who tell how their churches paid as much as \$35,000 in preliminary fees before scrapping their original plans and contracting with Killingsworth Construction Co. to start the project anew and do the job at a guaranteed price.

One of the main advantages of Killingsworth's approach to church construction is that his firm stays in close contact with manufacturers of specialized church furnishings and buys directly from the mills and factories.

"It's an example of cost being lowered through specialization," Killingsworth says.

"Of course, we've run into some skeptical people who couldn't see how the one-company approach could be better than the usual method," he adds. "But I'm glad to say we won most of them over and they were pleased with their churches when we finished."

KILLINGSWORTH Construction Co. actually got its start in 1925, when C. E. Killingsworth started his general construction firm in Wellington and put his son, Woodrow, to work.

It was in 1948 that the Killingsworths first came to Dimmitt. C. E. Killingsworth's firm had the contracts to build the First Methodist Church here and Holy Family Church at Nazareth, and Woodrow Killingsworth—who was then in the construction business in Colorado—came here to help his father on the two projects. They built the two churches as the K&K Construction Co.

Woodrow liked Dimmitt so well, and saw such a bright future for the small but growing city, that he moved here and set up his firm, incorporating it as the Killingsworth Construction Co. in 1954.

AT FIRST the firm did general contracting, but in 1958 Killingsworth decided to specialize in his first love, the construction of churches.

The company recently completed the largest church project in its history. It's the First Methodist Church in Fort Stockton—a 21,331 sq. ft. complex with a sanctuary for 400, fellowship hall for 210, a 40-person choir loft, and 24 separate classrooms, office suites and meeting rooms.

"WE CAN build bigger churches," Killingsworth says. "We're set up for it. But the size isn't the main thing. We like to build good churches, whether they're large or small."

And that's the purpose of the new film, "A Key for You"—to tell their prospective customers that they can do it, and how they do it.

The View From Your Library

By VIRGINIA NEWSOM Librarian

"The Nine Lives of Deaf Smith" by Fay Campbell Griffiths.

WHEN DEAF SMITH pulled his strange, hornless cattle off the schooner in Velasco, Texas gained one of the most courageous and valiant men in its history.

Historians have long neglected to write a biography on Erastus Smith. It is hoped that this first record of his heroic deeds will cause his name to be remembered with dignity and praise.

Moses Austen Bryan wrote, in a letter, in 1880: "there are few men who did more than Smith did in 1935 and 1936 in winning and maintaining the independence of the Empire State of Texas."

Few people knew his name. He was known to all his friends simply as Deaf Smith. The fact of his hearing problem worried others far more than it did him.

General Sam Houston honored him by asking him to be his personal scout and spy.

THIS IS A brief review of very simply written, easy to read biography and should be of interest to all who would like to know more about one of our state's great heroes.

As we were making a trip to Hereford one evening one of my girls asked how Deaf Smith County got its name. Being a comparatively new Texan, I was unable to answer her question so this book has been of special interest to me. Miss Hazel Merritt purchased the book in Hereford for the library and we do appreciate it.

I'VE BEEN heard by some, making the statement, "I wouldn't want to live in my home state (Iowa) with all the cold and snow, anymore." Imagine my surprise to see a blizzard in our beautiful Texas on the first day of spring!

Conservation Consider Parallel Terraces

By DAVID SPRINGER

Parallel terraces may fit in with your soil conservation program. With the right to own goes the duty to conserve.

ALL OF life's privileges carry with them responsibilities; therefore ownership of land carries with it the responsibility of conservation. We might go a little further and say that the right to control carries the responsibility of conservation.

Soil conservation is an extremely broad field. Some soils may be conserved with a minimum amount of treatment; but texture, depth of soil and slope are some of the more noticeable factors that determine special treatment needs.

ON MANY farms there are slopes that could be terraced to prevent erosion and help conserve rainfall. Not all of the slopes can be parallel terraced, but many of them can be. Parallel terraces may not protect the land any better than the old standard type terraces, but they are easier to farm and to carry out other conservation practices.

For further information about parallel terraces for your farm, or for help in planning a conservation program for the land that you own or control, contact your local Soil Conservation Service assisting the Running Water Soil and Water Conservation District of Castro County.

Growers bought every pound of Planavin® Herbicide they could get their hands on last season. Read why.

Planavin® is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin® Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds—right through the early period when control really counts. Growers got what they paid for—freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow—no deeper than 1 to 1½ inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin® Herbicide early—to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

He was Sgt. Glen Standifer, 19, who was killed when his helicopter was shot down in Vietnam. The funeral was in the First Baptist Church of Colorado City.

MRS. JAKE SPEAKS UP

The Jaycee-Eltes acted as hostesses for Valentine parties for four rooms of grade school children on Valentine's Day. Laura Jean Presley was in charge of the parties.

SINCE December, we have welcomed five new members into our club. They are Invalene Ogletree, Earlene Christopher, Linda Springer, Twila West and Nancy Kirby. We are certainly glad to welcome these new members and know they will serve our club well. We look forward to having a few more new members within the next few weeks.

During the week of March 11-15, the Jaycee-Eltes provided refreshments for the Human Development School which is held each day at the First Methodist Church. That's all for now.

Everyone Had Fun at 'Follies'

By MYRTLE SHEFFY

The annual "Lions Club Follies" are over for another year, and didn't we all have fun hamming it up? We felt like big stars.

YOU SAW only those who got to perform in front of the lights, but so many who worked hard behind the scenes need credit, too. Alice Cowen kept things moving as the coordinator; Dwight Joiner had the hardest job as director, trying to keep us in tune and on time (he was the reason the show clicked right along); Bob Farrer served as stage director and also Russel Nelson handled the job of general manager, not even letting a broken back get in his way.

Can't that Skip Skinner and Robert Froehner make music with the banjo and piano? In addition to performing in their excellent act, the boys were working all around—Robert handled most of the lighting, curtain and microphone details, and Skip helped him out behind stage and even helped take pictures for the News.

I hear that Joe Benson, Joe Cowen and Jerry Frazier helped Dwight Joiner paint and assemble the scenery for the show. I know several others helped behind the scenes, too, but it's hard to get all their names.

I SAW Mr. and Mrs. Bob Estes of Bovina, their daughter Kathy and her friend, Randy Barrett, backstage after the Follies Friday night.

Home for the Follies were Pat Moran of Waco, Jane Cleavinger Stollings of Canyon, Kristi and Steve Wesson of Tech, Ginger Kemp of Baylor, and Robbie Lindsey of East Texas State.

Mrs. Doris Wilson of Bovina was at the show to see her pupil, Linda Langford, one of the song birds of the show.

Other out-of-town guests were Mr. and Mrs. Raymond Carson of Olton, and Mrs. Gene Phillips of Clovis.

Suzie Davis came backstage to greet the performers, many of whom were her teacher friends in the Dimmitt schools. (Maybe we should have called it "The Lions Club and Faculty Follies.")

LAWRENCE ALDACO of San Pedro, Calif., is visiting a few days with his parents, Edna and Joe Aldaco and his friends, Ray and Jettie Sheffy. Lawrence went to school in Dimmitt and is now an engineer in the Marines. He has just finished a school in New York City and was on his way home.

Jeanine Wimberley, Nelda Thomas and Faun Welker went to Muleshoe Friday night to present a musical program for the senior banquet. Jeanine sang three popular songs, Nelda played the trumpet and Faun accompanied both on the piano.

The Rex Sheffys from Van Horn were here on business last weekend, and visited the Sheffy family, the Staffords and the M. J. Reeds. The Reeds went to Berger Saturday and Sunday to visit her folks, and Shorty and Pat Barlow went to Earth Saturday to visit his kin.

ATTENDING the West Texas Judges and Commissioners meeting at El Paso recently were the J. M. Wrights, the Al Maurers and the Dale Winders. Marie Winders tells me they had a bus tour of the two cities, Juarez and El Paso.

Mrs. Dale Winders and Vicki went to Olton Sunday to attend open house of the flower shop that her parents, Mr. and Mrs. Gid Howell, recently purchased. She visited with our friend, Era Mae Walthaw, who lived at Flagg during the "Dusty 30's."

Mr. and Mrs. Abner Roberts of Lubbock were here last weekend to visit their son and daughter-in-law, Jim and Linda Roberts, mostly to see their little granddaughter dance in the Follies.

DO GO to the Bridge Tournament at the Recreation Center Clubhouse Friday and Saturday nights at 7:30. This is to be a fun party. Be sure to have a partner. Put a table and cards in your car, just in case they are needed. It's \$1 per person. Mrs. Olson will serve pie and coffee at the regular price.

Darlene Nossaman and Katy Kruse were hostesses at a bridge and luncheon Wednesday — that cold, snowy day. Darlene says everything happened to that party, but finally they got together. Attending were Mmes. Nancy Ross, Martha Dannevik, Beth Jones, Gladys Burwell, Stephanie

Virginia went to Hot Springs, N.M. to bring her parents, Mr. and Mrs. Bill Graham, home.

Mr. and Mrs. Glen Ratcliff went to Amarillo Sunday to visit her brother, Homer "Zeke" Hyatt. Homer is very ill in an Amarillo hospital.

Mary and Herb Burnham and three sons of Albuquerque were here for the week-end visiting her parents, the B. M. Nelsons, and her brother and sister-in-law, Don and Verbie Nelson.

DONNA MECHAM and little daughter Laurie of Denver were weekend guests of her parents, Hugo and Dottie Beyers, and the Roy Meacham's. Donna works for Bankamericard Co. and Wayne is with an oil company. Dottie returned home with her daughter for a few days' visit.

Mrs. Maria Langford and Linda and Mrs. Dean Meyers attended the Latter Day Saints Church in Clifton Sunday. Linda sang the solo, "How Great Thou Art," as a guest soloist.

Mr. and Mrs. Cecil Dennis took Ruth Hackleman (Mrs. Bill) to the New Baptist Hospital in Amarillo Monday. Ruth was hit by a car last week and suffered some broken bones.

Mrs. Luna Ayers of Anderson, Mo., and Mrs. J. O. Ayers Jr. and her mother, Mrs. Boggs of Enid, came in for a visit — Luna with her sisters, Dora Johnson, Katy Noble and Mrs. Gollehon. Mrs. Ayers and Mrs. Boggs went on to Lubbock.

MR. AND MRS. R. E. Blodgett of Wellington, Kan., visited a few days with his sister, Mrs. Ross Summers. All of her children, Bill and Melvin and their families, came in, as did Jack and Alta Summers.

Jack Summers was pleasantly surprised Saturday evening when his children came in to remember his birthday. (Don't know how many years he has been here.) But Elbert and Trellis Summers and their families, Louise Dodd and her family, Jack and Ola Gladman of Amarillo couldn't come.

Mr. and Mrs. Archie Lamb are staying in Amarillo for a while. Mr. Lamb had cataracts removed from his eyes at St. Anthony's last week. He is doing fine, I hear.

MR. AND MRS. Keith Howard and Aural Davis took Suzie back to Amarillo Sunday and then visited the Howard's daughter Linda and Larry Allen. Their little grandsons have the mumps.

Mr. and Mrs. Roy Stafford and Mr. and Mrs. Charles Hestand visited their friend, Mrs. Harold Knox, in the Clovis Hospital Sunday. The Knoxes live at Portales.

Buck and Christine Moke visited their son, Doug, in Oklahoma City last weekend.

PIE AND Monette Montgomery visited their daughter and son-in-law, Sue and Ken Jones, in Memphis last week. They looked over a lot of that rugged ranch land. Jane Koontz from Golf, Ill., is here for a visit with her parents, Mr. and Mrs. W. E. Kirkpatrick.

THE RECREATION Club was the setting Sunday for the big party honoring Mr. and Mrs. Earl Brock for their long service with Southwestern Public Service Co. They were in the receiving line

with their children Mona, and Glen Merritt, and Bob and Patricia Brock of Kansas City.

Lewis and Gene McDaniel of Bovina and Mrs. Billie Gunn registered the many guests, more than 50 from Amarillo, Clovis, and other area towns were represented.

Two long tables were decorated with big golden mums. Serving coffee and lime fruit punch and the green and gold cakes were Carolyn Pollard, Wanda Murdock, Linda Scott and Kathy McCarty of Clovis and Dorothy Jones of Plainview, both home service advisors.

And a pretty lady in pink was Mrs. Vaneta Cross of Plainview. Laura Hickey of Clovis and Mr. and Mrs. McClure of Amarillo were among the out-of-towners.

Ralph Brooks and Elaine, the Les Brays, the George Hiltons and sons, Ronnie and Jerry, the Milvin Brays and the Donnie Brays, all of Lubbock; Mr. and Mrs. T. O. Singletary of Clovis and Mr. and Mrs. Charles Brock of Tahoka.

Nearly 400 people came in to greet the Brocks.

JACK AND NELL Ingram were the honorees at a coffee Sunday afternoon at the community room at the bank, celebrating 25 years of married life. The hosts were their folks, Mr. and Mrs. Homer Owens from Waco, Mr. and Mrs. R. G. Morris of Petersburg (her brother), Bob Morris of Plainview, her father, and friends, Mr. and Mrs. Buster Morgan.

Serving the cake, coffee and punch were Mrs. Kent Birdwell, Mrs. Tommie Stout, Mrs. Gene Clarey, and Mrs. Garland Francis.

The table was covered with white silk net bordered with silver lace. The appointments were silver and crystal. The centerpiece was of pink roses and tall candles, flanking a pretty cake with a small wedding bell on top.

126 people signed the register. Another table was loaded with gifts and a money tree. A beautiful silver coffee service was presented to the Ingrams from their home church at Liberty, north of Plainview.

Connell Receives Honors at Tech

Richard Connell of Dimmitt was singled out for individual honors at Texas Tech's All-College Recognition Service Sunday afternoon.

THE ANNUAL service was held in Lubbock Municipal Coliseum to pay tribute to students who distinguished themselves and the college through scholarship or leadership during the two previous semesters.

Connell is the son of Mr. and Mrs. Cleo Connell of Route 4, and is the son-in-law of Mr. and Mrs. Odus Hastings of Dimmitt.

Cold Nose Is Often Natural The belief is almost universal that a warm, dry nose on a dog indicates that the animal is sick. However, unless this dry condition continues for several days, there probably is nothing to worry about. Short intervals of dry hotness can merely indicate that the nose glands that regulate the moist discharge are only temporarily off the job.

Clean Rod Ferrules Ferrules that are balky when you try to pull the rod sections apart, show that they need cleaning and lubricating. Use a soft rag, moistened with gasoline, to swab both male and female parts of ferrule. Then lightly lubricate. After this treatment you will find that the ferrule parts separate with nothing more than a little plip of resistance.

Putting Jesus First

Perhaps the most difficult thing for human beings to do is to put someone else before self. They rejoice in commendations and are often puffed up with pride. However, any real Christian will affirm that the only real joy in life comes as we put Jesus first. He must be first in personal life, family life, business life, and every part of our lives. Only as we put Jesus first, will other things be in their proper place.

In speaking of the material needs of our lives, Jesus said: "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you" (Matt. 6:33). The early disciples discovered this great truth as they left all they had and followed Jesus without reservation.

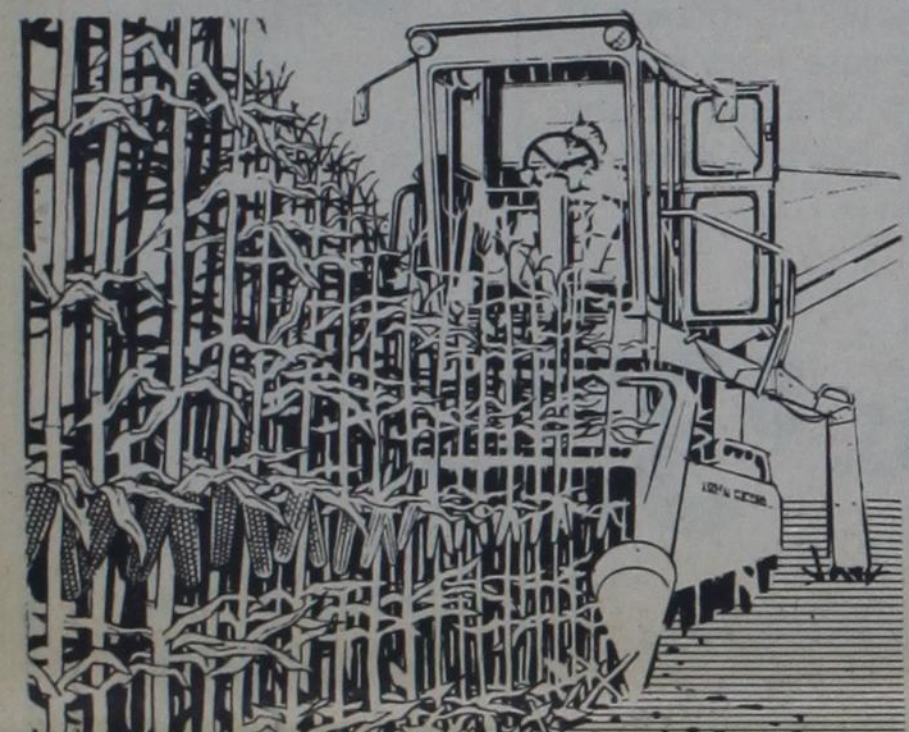

If we ever amount to anything worthwhile in the Lord's service, it will be because Jesus saved, called, empowered, and directed us in his service. We are unworthy of the very least of his favors; we are compelled to give him our all. "He it is, who coming after me is preferred before me, whose shoe's latchet I am not worthy to unloose." — John 1:27.

Community Meeting to Be Monday

By **TEENY BOWDEN**
Regular community meeting will be held Monday night. Bring your favorite game and cookies. We will have a film on the "dangers of cancer."

MR. AND MRS. John Moore moved into the Howard Bridges home Monday.

Marsha Dawson scored 25 of her team's 75 points in the state championship game in Austin, before she was transferred in the last part of the game to guard Mary Rosebrock, who scored 60 of George West's 65 points. It was the deciding factor of the game as Marsha held the George West forward scoreless for the rest of the game.

Mr. and Mrs. Cecil Curtis and Debbie visited from Wednesday of last week until Sunday with Mr. and Mrs. Bill Baker and children in San Angelo.

CONGRATULATIONS TO Gene Morrison, owner of the gin here, who has been named the "Gin-ner of the Year" by the Texas Cotton Ginners' Association. He will receive the Horace Hayden Memorial Plaque during the association's 55th annual meeting in Dallas Saturday as part of the three-day meeting.

Janis Bridge was on the Springlake-Earth ninth grade "B" honor roll for the last six weeks, Marsha Dawson, Naomi Carr and Debbie Curtis were all on the 11th grade "A" roll and Jerry Townsend on the 12th grade "B" roll.

In the Springlake-Earth Junior High, Marion Dawson was on the eighth grade "A" roll, Darrrell Carr was on the eighth grade "B" roll, and Lesa Morgan and Renee Jones were on the seventh grade "B" roll.

MRS. JOHN GILBREATH is helping out with the bridge tournament planned by the Castro County Re-

creation Association for the next two weeks. The bridge tournament and "42" tournament will start at 7 p.m. Friday and continue Saturday night. It is area-wide affair with people from Springlake and Earth invited to participate. Each player is to bring his own partner. There will be a charge of \$1 a person. Trophies and prizes will be given. The "42" tournament will start Friday night, April 5, and continue Saturday night with the same rules and invitations. These tournaments will be held in the new recreation center clubhouse on Halsell Street in Dimmitt, west of the hospital.

Winston Waggoner, Johnny Crozier and Larry Gamlin have been playing basketball at Dimmitt each Monday night for several weeks with some of the men from Dimmitt at the high school.

RAY JOE RILEY was the guest speaker at the annual Grain Sorghum Producers Association in Dimmitt Tuesday night. His subject was on Water, Inc., and his tour of the water projects carried out in California.

Mrs. E. R. Sadler and Mrs. L. B. Bowden attended the Plains Memorial Hospital Auxiliary annual orientation meeting in the First Methodist Church and at the hospital Thursday morning in Dimmitt.

NOAH SPENCER was admitted to Plains Memorial Hospital in Dimmitt last Thursday for two pints of blood, and was dismissed Thursday afternoon.

Mr. and Mrs. Troy Jones, Mrs. Wanda Newberry and James spent last Saturday night with Mr. and Mrs. Curtis Jones and family of Texline, and attended the 50th wedding anniversary party of Mrs. Curtis Jones' parents, Mr. and Mrs. George Jones, at Nara Visa, N.M., last Sunday.

Mrs. Winston Waggoner and Mrs. Ean McBley of Dimmitt shopped in Lubbock Thursday and were joined by their husbands and children Thursday evening and they had supper and attended the ABC Rodeo at the coliseum together.

E. R. AND GALE Sadler attended a gas meeting in Dimmitt Monday night.

Mrs. E. R. Sadler visited in the Hale Center Hospital Friday afternoon with J. B. Hensley. He was transferred from Methodist Hospital in Lubbock Tuesday when he was re-released from the intensive care unit. He is much better.

Ben Derrick was admitted to Plains Memorial Hospital in Dimmitt Thursday and was some improved Sunday.

THREE OR four inches of wet snow was received Wednesday with high winds. There was still snow on the ground Sunday in the larger drifts.

Mr. and Mrs. Bob Ball and Mrs. Garner Ball of Olton were dinner guests of Mr. and Mrs. J. Paul Waggoner Friday.

PEGGY OTT was home from Baylor University for the weekend.

Mr. and Mrs. Earl Phelan visited Thursday evening and spent Thursday night with Mr. and Mrs. Roy Phelan. They also visited several at Bradley Butane Thursday afternoon.

Mr. and Mrs. John Gilbreath and other friends played bridge in the Bethel Community Saturday night in the home of Mr. and Mrs. Charlie Wales.

Prayer meetings were held Tuesday night and Wednesday night for the revival. The revival services began Friday night with Rev. Howard Lyons of Amarillo the evangelist and Duane McClure

of Wayland the song leader. They were supper guests of Rev. and Mrs. M. D. Durham, but both went home after the services.

MR. AND MRS. David Sadler moved from the community to Lubbock Saturday. He got a transfer from his work with the highway department, and will attend drafting school three nights a week. Helping them move were Mr. and Mrs. James Powell of Dimmitt, Mr. and Mrs. Larry Sadler, Mr. and Mrs. Ezell Sadler, and her parents, Mr. and Mrs. Jake King of Hereford. The David Sadlers visited Sunday morning with his grandparents, Mr. and Mrs. W. E. Louder, on their way to Lubbock.

Sandra Crisp was home from Plainview for the weekend. Mar-

ian Crisp and Wayne Odum of Plainview came out for supper Saturday night with the Alford Crisp family.

Lance and Lane Louder of Flagg visited Saturday morning with their great grandparents, Mr. and Mrs. W. E. Louder.

Lee and Bradley went with a group of young people from the First Baptist Church of Dimmitt to a ski retreat at Glorieta and Santa Fe over the weekend.

Mr. and Mrs. John Gilbreath and boys and Mr. and Mrs. Bill Matlock and boys were among those attending the ABC Rodeo in Lubbock Friday night.

JANIS BRIDGE shut the car door on her finger as they arrived at the revival services Saturday night. There were no broken bones, but three stitches were required to close the deep gash.

Mrs. Howard Lyons attended the revival services with her husband Saturday night since he had to be in his own pulpit for the Sunday morning services. Several

remember her from the associational WMU work done while we were in the Staked Plains Association, and he was pastor of College Heights in Plainview.

Mrs. Pearl Sadler and Mr. and Mrs. James Powell and children of Dimmitt were Sunday dinner guests of Mr. and Mrs. Ezell Sadler. The Ezell Sadlers and Mrs. Pearl Sadler visited in Plainview in the Heritage Home with Mrs. Hugh Hensley, and in the Hale Center Hospital with J. B. Hensley and his sister, Mr. and Mrs. Erzell Keeler, who were also with him.

THE BOOK, "Peace of Soul," was presented to the church library this week by Mrs. Thelma McClanahan in memory of Buford Haydon.

The book, "Little Visits With God," was presented to the church library this week by Mr. and Mrs. James Powell and children in memory of Jonda Kay Adams.

Mr. and Mrs. S. E. Grider and family spent last weekend at Lake

Altus with his grandparents, Mr. and Mrs. S. E. Beavers, and an aunt and uncle, Mr. and Mrs. Leon Beavers, and the men got in a little fishing. They came home by Claude Sunday and visited with her parents, Mr. and Mrs. Taylor Moore.

DEBBIE CURTIS, Debbie Morgan, Terry Crisp, Marsha Dawson, Naomi Carr, Steve Jackson and Tony Holman practiced each right this week on the Springlake-Earth junior class play, to be presented soon.

Mr. and Mrs. Dave Gilley and Mrs. Alma Gillespie, all of Amarillo, spent the day Sunday with their brother, Mr. and Mrs. R. E. Duke and the Robert Duke family. They all had dinner together with the R. E. Dukes.

Mr. and Mrs. Roy Phelan visited in Halfway Sunday afternoon with Mr. and Mrs. Bill Dean. Mr. and Mrs. Lowell Westmoreland and children of Littlefield spent the day Sunday with Mr.

and Mrs. Alton Louder and also visited with Mr. and Mrs. W. E. Louder in the afternoon.

THE TEENAGE departments of the church had a meeting with Rev. Howard Lyons before Training Union Sunday night to make plans for youth night during the revival.

John Moore visited in Lubbock Saturday and Sunday and spent Saturday night with Mr. and Mrs. Chad Moore and family and Mr. and Mrs. James Foushee and family.

Mr. and Mrs. Raymond Lilley visited Sunday afternoon with Mr. and Mrs. Raymond Lewis and family of Olton.

Eighty-seven attended Sunday School with 62 in Training Union Sunday night. An altar prayer meeting was conducted at the close of the Sunday night revival services. Everyone is invited to attend the revival services at 10 each morning but Saturday and at 8 each night through Sunday.

FHA Girls Aid Accident Victim

By MYRT LOMAN
Hart's FHA girls held a very successful "benefit bake sale" Saturday, earning \$83 to assist Marsha Wakefield of Seminole, FHA girl who was seriously injured in an auto accident in January in Seminole.

Miss Wakefield is now a patient in St. Anthony's Hospital in Amarillo, where she has received a corneal transplant and numerous skin grafts. She lost an ear in the accident and received numerous broken bones and severe burns, so a long period of treatment will be required.

The Hart girls didn't know Miss Wakefield personally—they knew only that she was a fellow Future Homememaker who needed help, so they organized the sale to benefit her. All their cakes, pies and cookies were sold out by 10 a.m. Saturday as the townspeople cooperated in their project.

THE F.H.A. chapter will celebrate National FHA Week March 31 to April 6 by attending morning services at First Methodist Church Sunday with their sponsor, Mrs. Jim Reed. On Monday, the girls will dress for school in red and white, the FHA colors.

The girls will sell cook books as their next project, to earn money for the expenses of area officer Rebecca Futrell, who will have many out-of-town meetings to attend, plus the national FHA convention in Miami, Fla. The cook books are "The Favorite Recipes of Home Economics Teachers," with seven different books in the series.

MELVIN CHISUM, senior agricultural education major from Tulia, is now doing his student teaching in the HHS Vocational Agricultural Department. He has attended West Texas

State, South Plains College and Texas Tech. He was on the rodeo team at South Plains, and has been on the rodeo team at Texas Tech for the past three years. He is a bull rider and has participated in several inter-collegiate rodeos throughout the Southwestern states.

MEMBERS of the 4H and FFA chapter exhibited some of the top animals in the South Plains Junior Livestock Show held this past week in Lubbock.

Cindy Hill exhibited the first place medium Angus steer that was named champion Angus later. Dean Hill exhibited the second place light Angus, and Terry Hill exhibited the 11th place heavy Angus. Dennis Hill showed the fifth place light Hereford and ninth place light Angus.

In the barrow division, Mike Armstrong exhibited the reserve champion crossbred and third place lightweight cross.

Other top placings included:
Roger Cleaver — second heavy Poland China.
David Harris — fourth middle weight Hampshire.
Ricky Farris — third light Hampshire.
Phil Davis — fifth light Hampshire.
Jim Tucker — fifth light crossbred.

The boys were assisted in Lubbock by Melvin Chisum, student teacher from Texas Tech.

FORTY-SEVEN GIRL SCOUT FROM Troops 333, 47, 256, 168 and 23 with Mmes. Dwight Miller, Kenneth Covington, Jimmy Ray Davis, Donald Clark, and Mrs. Orville Friday were in Lubbock on Saturday to participate in the Caprock Girl Scout Council Fair, held in the South Plains Fair Park Coliseum in connection with the 56th anniversary of the founding of the Girl Scout movement.

Theme of the fair was "Girl Scouting in Action," and included a Juliette Lowe World Friendship Fund ceremony.

The fund was established in 1928, and is a memorial to Juliette Gordon Lowe, the founder of the American Girl Scout movement.

The Hart Girl Scouts presented songs and rhythm sticks on the program, with many interesting handmade exhibits.

Leaders and girls made the trip in the Hart Girl Scout bus. Ladies assisting the leaders were Mmes. Preston Upshaw, David Nelson, Wamon Foster, Arthur Cheves, Max Stephens and Mrs. George Heck.

THE LADIES of the Women's Society of Christian Service, First Methodist Church, have bought Betty Pickrell of Girlstown a new Easter wardrobe.

ance in the Senate. The point is that Senator Yarborough supported his party's platform, even if it did require cooperation with the president, a man he thoroughly dislikes, and to whom he owes very few favors. Conclusion: Congressmen are up for re-election and they feel that it is politically expedient to latch onto the president's coat tails.
