Red Cross Seed Wheat for Dickens County Farmers

Mrs. T. H. Blackwell has received word from the American Red Cross headquarters that a limited amount of seed wheat or other small grain will be immediately available for Dickens County farmers who are unable to buy same for themselves for seeding winter pastures.

A committee representing the Dickens County chapter of the Red Cross, has been appointed in each of the following places: Afton, Dickens, McAdoo and Spur. The duties of these committees are to receive applications for this seed and forward same to County Committee. Any farmers in the county who are unable to get seed due to the distressed financial conditions of the county, should go to their nearest committee and make application at once for this wheat or other small grain to be used for winter pasture.

The public should remember that the American Red Cross is not a charitable organization, and that it no longer is to be considered as charity. The American Red Cross was chartered by the Federal Government to relieve disaster. Any person making application for this wheat need in no sense feel that they are thereby throwing themselves on charity. However, every person making application for the seed should bear carefully in mind that a thorough investigation will be made in every individual case, and only those applicants who have exhausted every means of credit will be given the seed.

The County Committee urges that prompt advantage be taken of this offer by those who are unable to otherwise obtain winter pasture for livestock. They do not, however, recommend risking this seed in dry planting. In no case would this committee be willing to see more than half of any man's seed risked in dry planting. They believe that our situation is similar to the American troops in the Revolutionary War at the Battle of Bunker Hill. These troops had few bullets and less powder, and their orders were to "wait until you can see the whites of their eyes before firing." It seems to the committee that we are in about the same fix with this seed proposition, and that very little risk should be taken with it.

The County Committee further recommends that any person in the county who knows of a neighbor unable to get seed and who has failed to make application, that they urge on this man to do so at once, stressing at the same time that this in no sense should be looked on as charity.—Dickens County Red Cross Committee.

Spur Merchants Observe "Buy a Bale" Movement

A number of Spur merchants are observing the "buy a bale" movement, paying a price of 15c for a bale of cotton, and a number of bales may now be noted on display in front of the places of business.

Because of the protracted dry, hot weather, cotton is opening rapidly and prematurely.

The gins here today have ginned about 250 bales, and the crop this year will be nothing to compare with other years.

W. P. Marshall Wins Damage Suit Against the Railway Co.

In district court now in session at Dickens, this week the only important case tried was that of W. P. Marshall who was suing the Stamford & Northwestern Railway Company for damages, alleging that his farm lands had been damaged as a result of the construction of an imperfect dam along the railroad to impound the water in what is known as Wilson Tank, the water soaking through and underneath the dam and thus destroying the value and productivity of farm lands further down the course of the stream.

The jury in the case awarded Mr. Marshall a damage verdict of \$840 for the total loss of 12 acres of farm land. The court overruled a motion for a new trial, and the case will probably be appealed.

W. T. Wilson had a similar suit which was continued to a future term of the court.

MISS BELL ETHEBRIDGE AND FRANK FORBIS MARRIED

Frank Forbis of Roaring Springs, and Miss Bell Ethridge of the Espuela community, were married Thursday afternoon, September 11th, Rev. A. P. Stokes performing the ceremony at his home near Afton. After a few days they will be at home to friends at the Forbis farm and ranch in the north part of the county.

J. C. MILLER RETURNS FROM TRIP TO ROCHESTER

Mr. and Mrs. J. C. Miller, of Jayton, were in Spur Tuesday of this week visiting with Mr. and Mrs. Pete Perry and among other friends of Spur. Mr. Miller had just recently returned from Rochester, Minn., where he had gone for a diagnosis of his illness at the hands of the famous Mayo Bros. He is now under their treatment, and apparently is regaining health. Mr. Miller has been in poor health for many months, and his many friends here sincerely hope that he may find complete relief from the treatment.

Mrs. Ross Edwards Died in Hospital at Temple

Friends of Ross Edwards were grieved when the report came to Spur of the death of his wife, which occurred Tuesday in a Temple sanitarium, her remains being interred Thursday at their home cemetery in Lubbock.

Mrs. Edwards had been ill for months. They have one daughter, Mary Ross, 13 years of age.

In the early days of Spur Ross Edwards was a partner in the firm of Hogan & Patton, later going to Cisco and assuming management of a branch business, and still later withdrawing from the firm and establishing a business at Post, and for the past several years has been conducting a clothing business in Lubbock. Ross has many friends here among the old timers who will join in extending sympathy and condolence in this hour of bereavement.

MRS. SPARKS AND CHARLIE FOX ANNOUNCE MARRIAGE

The marriage of Mrs. Sparks and Charlie Fox was announced Saturday, and they are now receiving congratulations of friends. Mr. and Mrs. Fox were married in Clovis, New Mexico, Thursday September 4th, keeping the happy event a secret from their friends until the announcement Saturday.

Local Woman Enters "America's Champion Canner" Contest

Mrs. Matt Howell, of the Catfish community to the southwest of Spur, has entered the National Canning Contest, which is to be held in Shenandoah, Iowa, October 1st, to pick America's 1930 champion home canner. The contest is sponsored by the House Food Science Institute of Chicago, as a means of focusing the attention of American housewives on the economy and healthfulness of home canned foods.

It is hoped that Mrs. Howell may win the capital prize, (thus not only distinguishing herself as the champion home canner of America, but also lending distinction to Dickens county as one which recognizes the value of canning and preserving home products.

KONJOLA VERY MEDICINE THIS LADY REQUIRED

She Rejoices Over a Wonder Relief From Indigestion—Happy to Endorse the New Medicine.

MRS. ALMA WEBSTER

"I had a stomach trouble for a year and a half," said Mrs. Alma Webster, 5017 Avenue R, Galveston. "Each meal brought pain for my food was not properly digested. Gas formed after every meal, at times making me very ill. There are many things I did not dare eat because of the condition of my stomach."

"I kept reading in the papers about Konjola and what it was doing for so many people, that I began the treatment. Konjola has so improved my condition that I have not had a sick nor dizzy spell since I began taking the medicine. I can eat anything I wish without fear of subsequent misery. I have improved in general health and am happy to endorse this medicine because of what it has done for me."

Sufferers do not have long to wait after taking Konjola before relief comes. However, a six to eight bottle treatment is suggested for the average case.

Konjola is sold in Spur, Texas, at Sanders Pharmacy, and by all the best druggists in all towns throughout this entire section.

Interesting Y. W. A. Program Last Monday Evening at the Baptist Church

The Y. W. A.'s of the Baptist Church gave a very interesting program last Monday evening. The theme "Walking with Jesus every day" led by Miss Osborne.

The worship period, "I need Jesus," the president Miss Jennings presided over this period and a short business session.

Special music was given by Leona Denson with Evelene Hazel at the piano. Several others were on the program gave their parts nicely. Next Monday evening the program will be our week of prayer program "Sheep without a Shepherd" is the theme. This program will be given in costume, all young ladies are invited to come to these programs, every Monday evening at 7:00 at the Baptist Church.—Y. W. A. Rep.

Mrs. B. G. Worswick is spending the summer and winter with her daughters in Glendale, Ariz. We are glad to hear of her.

Former Spur Pastor on Board of International Council of Religious Education

Rev. E. E. White, former pastor of the Spur Methodist Church and at present presiding elder of the Abilene Methodist district, has been appointed on a board of 10 members to represent the Methodist church on the International Council of Religious Education headquarters of which are in Chicago. This board is an accredited agency of more than 40 protestant denominations discovering and making available better programs and methods of religious education.

L. W. BILBERRY AND WIFE ENJOY TRIP TO CALIFORNIA

Mr. and Mrs. L. W. Bilberry and Merle returned Sunday from a three weeks trip to California where they visited with Clarence Bilberry and wife. While there they endeavored to see all the sights of both land and sea. This was their first sight of the ocean, going out on a motor boat and spending several hours on a barge fishing, becoming sea-sick—but getting big water fish. Varied fruits which produce the year round was an oddity and attraction as well as many things common to the sea coast country. The trip was a real pleasure and experience to each of them. Clarence Bilberry has married since leaving Spur, has a good position and doing well in his adopted California home.

T. B. Sutenberger and son, Sinton, of Dublin, were in Spur the past week end, looking after their farming interests in the Steel Hill community. While Mr. Sutenberger has been engaged in the newspaper business the past several years at Dublin, he has retained his farm property interests here—possibly with the intention of some day retiring and returning here to enjoy life. He assured us "good fishing" with an invitation to come down, and we may find the time later from the rush of business and go down.

Spur Bulldogs Win Second Game by a Score of 52 to 0

After losing the first game of the season to Pampa, the Spur High School Bulldog Football team redeemed itself here last Friday in a game with Memphis by a score of 52 to 0.

The third game is scheduled for today in Spur with Hamlin, and the Bulldogs are expected to again make a record in defeating the Hamlinites.

George Renfro and wife were here the past week from the Sonora country where they have been several years. George has been engaged in the real estate and livestock commission business there since leaving Spur, stating that he had been enjoying a liberal and lucrative business. He added that the drought had not hit that section as hard as here, and elsewhere. They went on up to Whitehat to visit with Prof. and Mrs. Bennett.

Misses Francis Mannix and Eleanor Ensey left last week for Fort Worth to take trained nurse courses and as medical technicians at the M. E. Hospital of that city. The prescribed courses will require five years of study and actual practical experience.

W. L. Thanisch was here one day during the week. He and sons were among the heaviest losers in the hail storm of last week. They had 250 acres of cotton completely destroyed, with about fifty per cent loss on 750 acres more of cotton and feed on the place.

W. S. Perry returned Wednesday from Fort Worth where he had been to sell a shipment of work mules. There is no sale for mules, good mules only demanding \$25 to \$60 on the market.

E. B. Shaw was here the past week from his farm home in the Croton country. Uncle Eb has been here forty odd years, has experienced tight times—but we venture that 1930-31 will bring him new experiences.

Mrs. Allison and sons recently moved to Rosenberg where they all have positions. J. B. Britton received a letter from them this week stating that conditions were good and that they were rejoicing in the new home.

We miss thee in the church. In the club there is a vacant chair.

We miss thee dear friend every where. But we shall miss you the most.

Examination for Postmaster at the Dickens Office

A civil service examination will be held at a later date at the Spur Postoffice for those making application to fill a vacancy to occur in the postmastership at Dickens. Receipts of application for the place of Dickens Postmaster will be open until September 26th, after which time the examination of applicants will be held at the Spur postoffice. The vacancy at Dickens will occur July 1st, 1930, and the office pays \$1100.00 yearly. Mrs. Noble Littlefield, being postmaster at the present time.

IN MEMORIAM

"Surely she hath done what she could."

After eight weeks of agonizing pain, which she bore patiently and cheerfully, on August 9, 1930, Mrs. Della Hooper Scott, answered the call of the King, "Come ye blessed of my father, inherit the kingdom prepared for you," for you have served faithfully.

I was hungry and you gave me meat; I was thirsty and ye gave me drink; I was naked and ye clothed me; I was sick and ye visited me; then with that trustful unflinching faith, "Lord with your hand in mine, I'll go where you want me to go."

In the home-going of Mrs. Scott, the Steele Hill Missionary Baptist Church has lost one of its most loyal and efficient members and workers. She was church clerk serving since 1926, Teacher of the Senior Class in Sunday School since 1925, also sponsor of Junior B. Y. P. U.

From the time of her early conversion, eleven years of age, she has grown in the rich graces of christian life.

Her favorite scripture was John 3:16. "For God so loved the world He gave his son," and she so loved her Savior, she unselfishly dedicated her talents, life and all to be used for the glory of Him.

She was also interested in promotion of community interests, she was president of the Home Demonstration Club, Secretary & Treasurer of the Council and past Vice President of the Club.

She was born January 10th, 1899. Married to C. H. Scott February 15, 1914 moved to the Steele Hill community where they have since resided. Her gentle manners and beautiful, attractive personality, Christ illuminated, quickly and lovingly endeared her to those around her.

Four sons blessed this union, they are: Jake, age 15, John A. age 12, Clifford, age 9 and Dale, age 7. We pray these boys will be a blessing to their father and live for the glory of Jesus as their mother would have them do.

"Her children arise up and call her blessed; her husband also and he praiseth her."

Truly her parents can say "many daughters have done virtuously, but thou excellest them all; so tender loving and kind to her sisters and brothers; so loyal and appreciative of friends and neighbors."

We are glad it was our lot to be so closely associated with her in her short span of life here, and as a firm believer in God's word and promises as I turn through the pages of this book a picture most vivid aids my imaginative fancy, as I see our dear, sweet friend in shining robes, and a voice is speaking as of many waters, and there are harpers, and she is among those who are singing to the tune of those harps and a new song is falling from the lips of her, who sang praises here on earth with us, while she was earthly but now she stands among the four and forty thousand. These are they which are redeemed from the earth who were found without fault before the throne. While I view this picture I am not looking with my eyes of mortal flesh on things temporal, but unseen things eternal, according to 2 Cor 4:18 and Rev 14:2, 3, 4, and 5 and we write "Weep not as those who have no hope, but stand firmly upon the promises of Christ our Savior."

We miss thee in the home. We miss thee in the church. In the club there is a vacant chair.

We miss thee dear friend every where. But we shall miss you the most.

Dumont Boy Here for Treatment for Meningitis

Eddie Fuller, 12 years of age and son of W. F. Fuller of Dumont, was brought to Spur recently for treatment at the hands of Dr. Nichols at the Nichols Sanitarium suffering of meningitis.

After several days treatment, the boy was this week removed to their home at Dumont, with hopes of his recovery.

Dr. Nichols was recommended to the family, by other physicians and surgeons, as one of the best of the entire country to whom to carry the boy for treatment.

W. L. Farmer Injured by Run-Away Team Near Twin Wells

W. L. Farmer, of the Twin Wells community, was very painfully if not critically injured Tuesday of this week when his team ran away. He has been receiving medical and surgical treatment and is reported doing well.

MISS PAULINE BROWN HOSTESS AT BRIDGE THURSDAY

Miss Pauline Brown was a most charming and entertaining hostess with bridge Thursday afternoon and evening of last week, at the home of her parents, Mr. and Mrs. G. Brown just north of Spur.

Among the favored guests of the occasions were Mesdames C. L. Love, Bill Hart, F. W. Jennings, Elzie Watson, Wm. Manning, Chas. Powell, Mack Brown and Miss Zed Ellis. At the evening party Messrs. and Mesdames Bullock, Tillotson, Jim Sampt, F. O. Everts, P. A. Watson, and Mesdames Roy Harkey, A. C. Hull, Mildred Williams, Nellie B. Albin, and Alice Breeshear, Alton B. Chapman, Guy Harr and John Albin. Miss Mildred Williams was high for the women and Bullock Tillotson for the men.

BIRTHDAY PARTY

Little Miss Ellie Marie Russell celebrated her third birthday anniversary Saturday by entertaining a number of little friends at the E. A. Russell home. Punch was served and a big angel food cake was cut, ice cream following to the pleasure and delight of the number of little guests.

MRS. ANDREWS HOSTESS

Mrs. W. T. Andrews was hostess to Spur Delphin Club members Tuesday afternoon. An interesting business session was had, Mrs. Tanner giving a report of activities of the Red Cross, and Miss Osborn in organizing each school district into a relief society to provide funds to aid those in distress. Only wheat seed for sowing winter pasture and garden seed will be provided. Mrs. Riley Wooten gave a detailed report on the lesson—Ancient Tales. Mrs. Malcolm Brannen on magazine articles. The next meeting will be with Mrs. Dickson with Mrs. Geo. M. Williams as leader.

TWENTIETH CENTURY CLUB

The Twentieth Century Study Club met for the first regular meeting September 10th, with Mesdames E. S. Lee, Clay Smart, Ned Hogan, A. M. Walker and P. C. Nichols at the home of Mrs. Lee. All of the above mentioned were installed as officers for this year. Mrs. Jim Foster, past president, read the ceremony. After a short business session a delicious refreshment plate was served during a social hour. We are glad to welcome Mesdames Remington and Sam Hall into the club, and are delighted to have with us again Mrs. Leslie Roberts.—Rep.

Hansford county, high 19.6 miles grading and from Hutchinson county Ochiltree county line, Construction company, A \$24,650.

Fisher county, highway 8 miles grading and drainage near Roby to Jones county Huddleston and work, Cross \$48,428.

Contract for the construction of a free bridge across the river between Hardeman county, Texas, and Jackson county, Oklahoma, will be awarded jointly the Texas and Oklahoma commission. The low bidders on the job was Gaines and Yeokou Oklahoma City, at a bid of \$89,950.

Miss Bragg and Mr. Stephenson Married Monday in Spur

Monday morning, September 15, at eleven o'clock, Miss Annie Bragg of Spur and Mr. A. H. Stephenson of Silverton were united in marriage at the home of the bride, the beautiful ring ceremony being used by Rev. F. G. Rogers who united them in marriage.

Mrs. Stephenson was one of the loyal workers in the Baptist church, always dependable. Mr. Stephenson is county treasurer of Briscoe county, and a splendid citizen. The bride was very pretty with her black silk faille dress of white trimmings, hat and all accessories to match.

Mrs. Stephenson is the daughter of Mr. and Mrs. J. W. Bragg of Spur. Only a few friends and members of the immediate family attended the wedding. The bride and groom left at once for Carlsbad Cavern and points in New Mexico. They will make their home at Silverton where the groom had everything in readiness for the bride.

Their many friends wish them much happiness and prosperity.

W. J. ATTERBURY IS DEAD

Friends and acquaintances here of W. J. Atterbury learn of his death with sorrow. His death occurred Wednesday at his home in Amarillo, following a heart attack. Mr. Atterbury and family for years lived in Spur and operated the old Midway Hotel.

SPECIAL

Farmers having cattle to be sent out of the state, and wanting free inspection service, must register at the Chamber of Commerce office in Spur before 6:00 p. m. Saturday, September 20th.

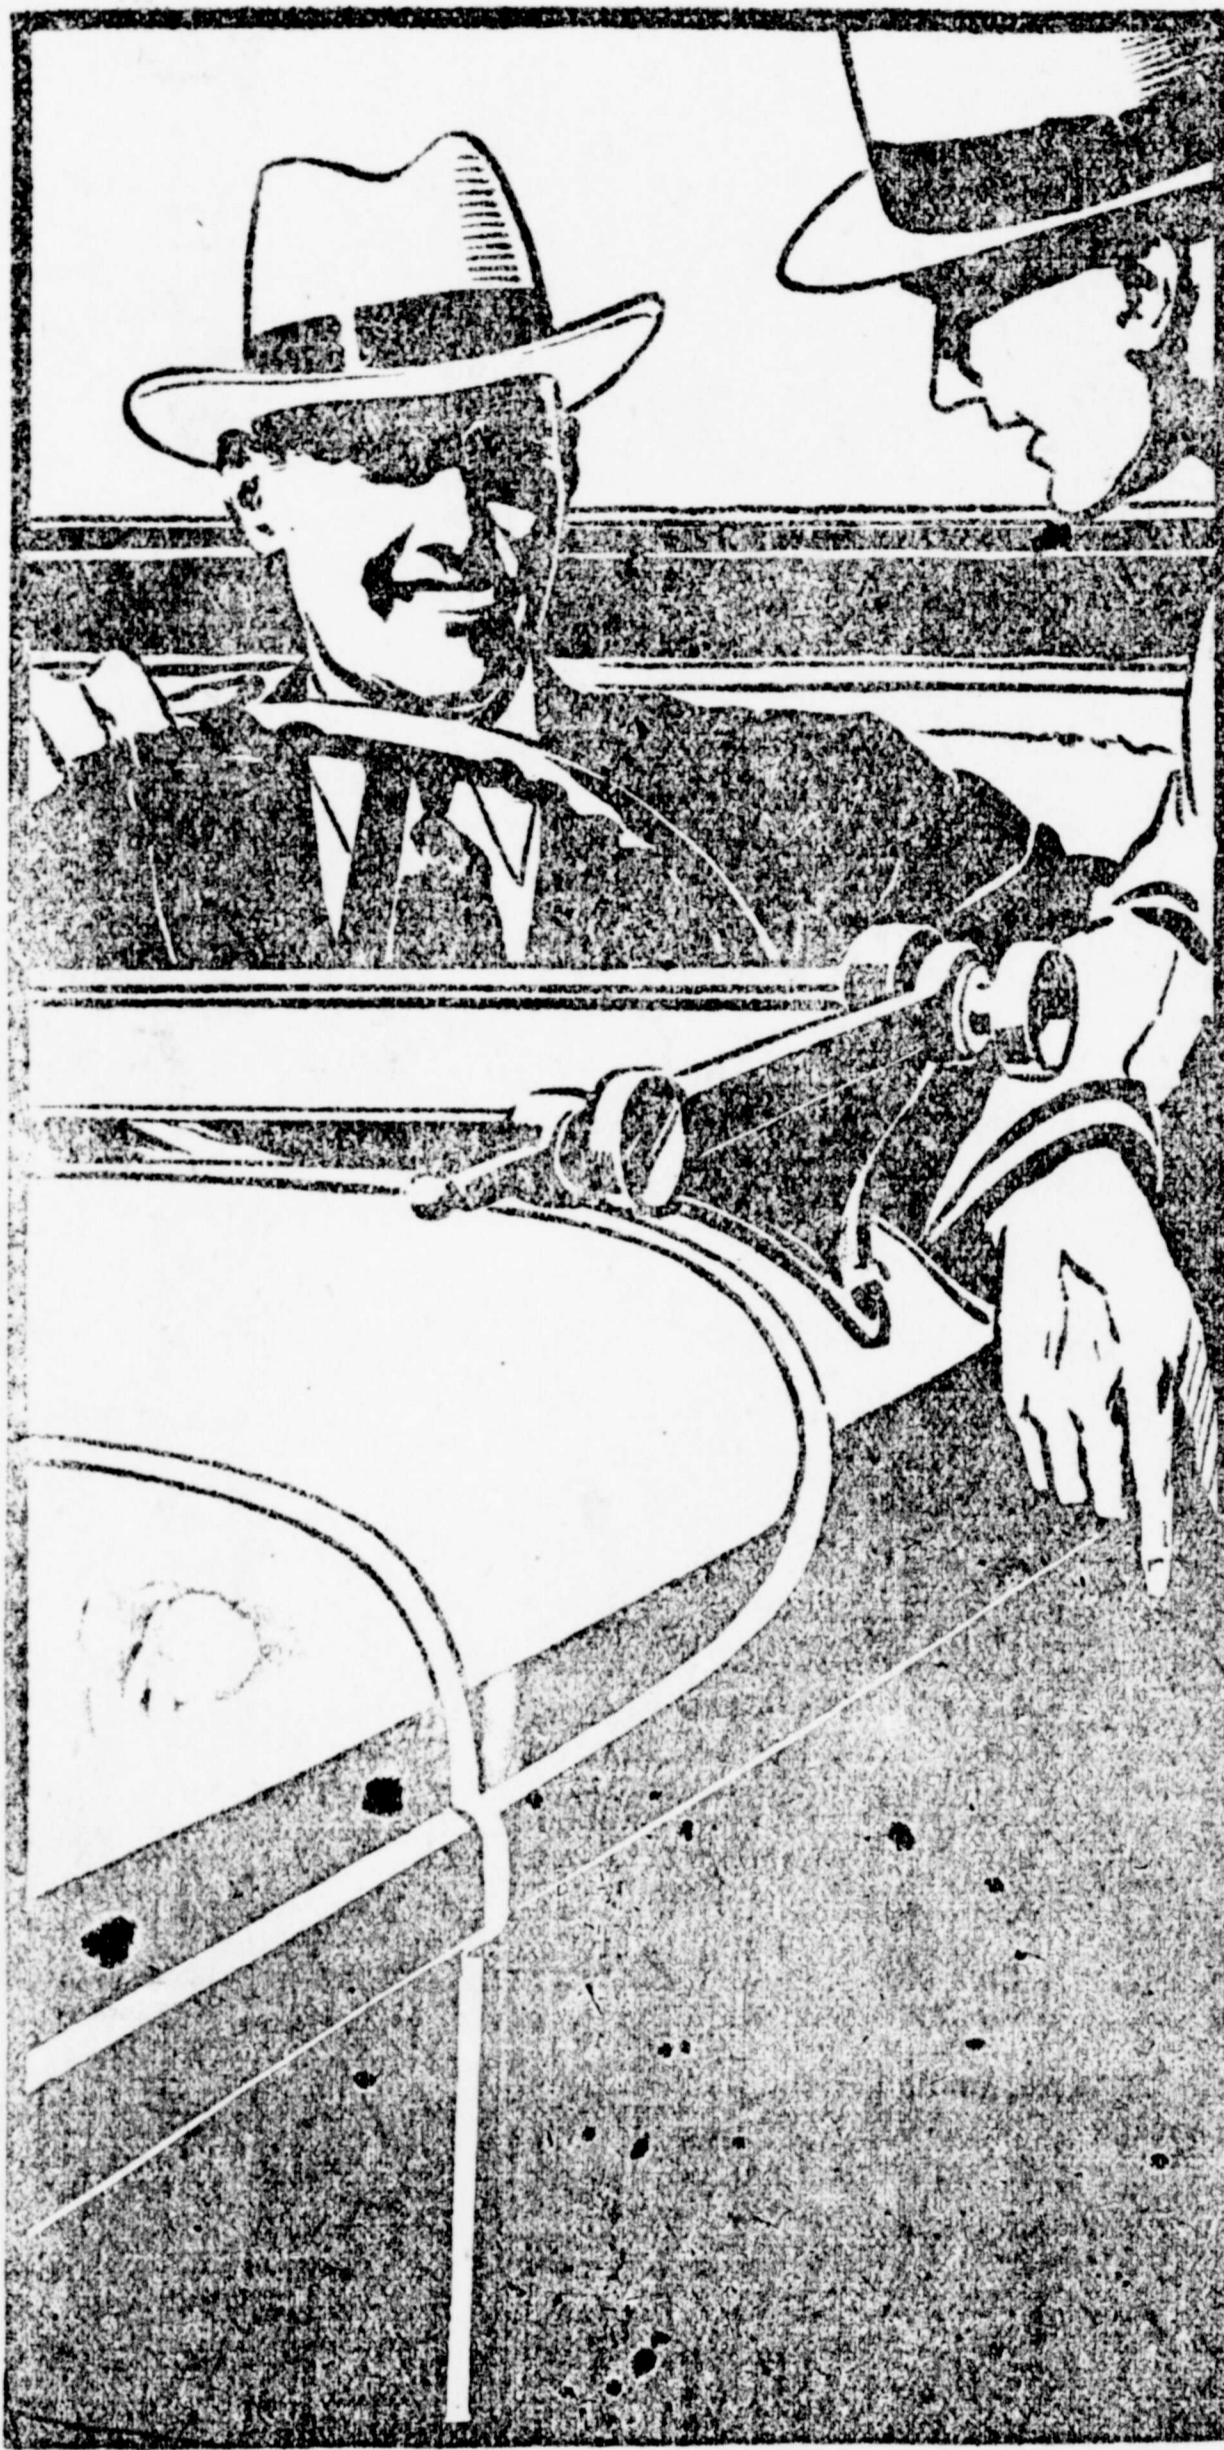

THE TRANSMISSION LINE BRINGS INDUSTRIAL DEVELOPMENT

Until the transmission line reached out to them, the industrial growth of small communities was hampered by lack of adequate power. Today, when industries scan the map for advantageous factory locations, they find the small town equipped with a metropolitan quality of electric power and with equal transportation facilities as well—and, beyond that, offering lower production costs and better living conditions.

This widespread distribution of electric power opens a new era of industrial development in which the disadvantages of congestion can be avoided—in which the small town may take a prominent place in the march of economic progress—provided it has a constant, dependable source of power to attract new industries.

The West Texas Utilities Company, rendering service to 120 prosperous cities, towns and villages in Texas, the "Land of Opportunity" through its major generating stations and transmission lines.

SPUR CHEVROLET COMPANY

C. D. Copeland stated while in town Wednesday that he, too, would have to move his stock within the next ten days if it failed to rain within that time.

J. T. and Austin Rose, of the Plains country, were in Spur the past week. While the Plains section has had more rain than some other sections, the situation is becoming serious at this time.

Miss Zell Ellis was a guest in the C. L. Love home Sunday.

E. T. Varnell, of Afton, was in Spur Wednesday. He was fortunate in escaping hail damage last week, he being just in the edge of the hail belt in which many acres of crops were swept clean. Hail damage in this instance was a real calamity, especially in view of the fact that the very best crops of the country were being produced there this

C. W. Roberts, of near Dickens, called in Wednesday to see us, stating that he and family are moving next week to his place in New Mexico where he has grass for his stock at the present time. He will make improvements on his place and also arrange to crop there another year. We are all hoping his first year's experience will bring good returns if not riches.

—Trade at Home—
Mr. and Mrs. Ned Hogan accompanied their daughter, Miss Mary Elizabeth, to Denton Sunday where she will reenter C. I. A. for this term.
J. R. Robertson, of near McAdoo, was on the streets Saturday and we had the opportunity to recall that election bet just before the primary. Even the old timers well informed have not learned to tell which way the political winds may blow.

J. Z. Smith was among those here during the week. He is one farmer who is not worrying about either the production or price of cotton, since he refused to plant any this year—however, he is beginning to consider seriously the feed and grass situation.

Tom Greer and family of Elcentro, California, and Mrs. Roy Johnson of Oregon, returned home this week after visiting with R. J. Williams and family and other relatives and friends here. Tom has been on the police force at Elcentro since leaving Spur.

All stock in my pasture one mile north of Dickens will be turned out Saturday, Sept. 20 if pasturage is not paid.—O. C. Newberry.

Mrs. Flora Love Russell, of Borger, has been visiting her parents, Mr. and Mrs. C. L. Love.

NOTICE TO BIDDERS ON COUNTY DEPOSITORY BOND

Notice is hereby given that bids will be received up to the thirteenth day of October, 1930, from any bank or banking association in Dickens, County as County Depository of Dickens, County, for both county and school funds till the 15th day of February, 1931.

O. C. Newberry
County Judge
Dickens County, Texas.
NOTICE

John A. Davis left this week for Lubbock where he will enter Tech. John A. will be a senior this year and will receive his degree in Architectural Engineering.

Jack Stephens and wife of Lorenzo, spent several days here this week visiting with friends. Jack has been city police and night watchman at Lorenzo several years.
 —Trade at Home—

Mr. Wafford of Merkel was in Spur the first part of the week and while here was a pleasant call at the Texas Spur office.

Mrs. Bill Dodson and little son, of North of Dickens, were among those shopping in Spur Saturday afternoon.

Hints For Homemakers

By Jane Rogers

THE next time you clean carrots which are to be grated, instead of cutting off the whole top leave about an inch of the stem. The whole carrot can then be used without the risk of scraping your thumb and fingers while the last bit is being grated.

A good general rule to follow in seasoning green vegetables is to use a dash of sugar to a pinch of salt. Without artificially sweetening the dish, the sugar restores the garden sweetness which so many vegetables begin to lose on their way to the kitchen.

Felt Bad After Eating

"BEFORE I started taking Black-Draught, three years ago, my health was very bad," writes Mrs. C. C. Carson, 945 Concord St., Beaumont, Texas. "I suffered constantly from constipation. I had headache when I got up in the morning, and I felt dull and sluggish. I hardly ate a meal that my food agreed with me. Frequently I would have gas on my stomach, and felt awful. "I read about Black-Draught, and I thought it might help me. After I had taken it a little while, I felt much better. It relieves constipation. I keep it on hand so when I need a laxative I will have it. In the three years I have been taking it, I have never found anything as good for constipation."

WOMEN who are run-down, nervous, suffer every month, should take BLACKDUL. Used for over 50 years.

COURTEOUS SERVICE

We Wash—You Iron

Let us do the unpleasant part of your laundry. We wash your clothes and return them to you, wet or dry, and you can do your own ironing when and how you want it done. Our wet wash system is extremely low priced, and takes care of the unpleasant part of the work.
 Try this system once and you'll agree it's the best and most reasonable way to take care of the laundry.
