Dr. Ernest Died At Hospital Here Tuesday Night

Dr. Thomas J. Ernest, 70, of Dickens, veteran physician of West Texas, died at the Nichols Sanitarium here Tuesday night. The doctor had been suffering for several weeks from a chronic disease of the liver and although little hopes were held for his recovery, his death was a sever shock to his many friends over this entire section.

Dr. Ernest was born at Chicamaya Battlefield, near Chattanooga, Tenn. He received his medical training in New York and Texas Colleges and following graduation, practiced medicine in Eastland, Texas, for more than forty years. He moved to this county in 1921 and has made his home in Dickens since that time.

Funeral services with Masonic Rites were conducted at Merriman, Texas, Wednesday afternoon.

Surviving members of the family are Mrs. Earnest, three daughters, Mrs. Julia McClanahan, Mrs. R. D. Baughman, Mrs. Paul Aiken, and a son, Herman Earnest.

Mrs. Cobb Makes Statement to Voters

On account of my home work and office work it has been impossible for me to meet with every voter of the county and to make a personal solicitation of your vote and influence; but wish to take this method of asking for your support at the primaries, July 23rd.

I will appreciate having the office two terms and if you see fit to give it to me for another term it will mean very much to me. My children have reached the critical time in their education and this will enable me to keep them in school for another term. Without the office I can work as hard as I may and will not be able to do so.

With the experience that have had in the office of County Treasurer during the past two years I feel that I can give you efficient and satisfactory service, and if you, the voters of Dickens County, will again honor me with this office, I promise to give you the best of service.

> Sincerely yours, MRS. NANNIE COBB.

Mrs. Oran McClure Makes Statement

TO THE VOTERS OF

DICKENS COUNTY:-I have endeavored to visit each and every one of you in your homes and talk with you personally. I intended to tinue but there are only a few more days in which to work and should I fail to see you, I ask you to accept this as a personal solicitation for your support at the primary July 23.

Jess C. Levens To Speak on Streets of Spur, Saturday

JESS C. LEVENS

Hon. Jess C. Levens, city at torney of Lubbock and a practicing attorney in that city, will speak on the streets here Saturday afternoon at 4:00 in the interest of his campaign for the office of State Senator from the 30th District.

Mr. Levens is an old Fisher county product, having been born and reared in the vicinity of Roby and Rotan, but for the past several years has made his home in Lubbock, where he has become an attorney of note and distinction.

In placing his name in our announcement column, Judge Levens asked us to quote the following as his platform and beliefs:

"Farmers stockmen, merchants and home owners are entitled to have 50% of their tax burden shifted from their shoulders to the foreign loan companies, who own the only real revenue bearing interest in most of the real estate and this can be done without impairing in any way public school systems or any other needful institutions."

To Voters of Precinct No. Three:

I would like to see each of you in person, or at least attend the meetings of the candidates but on account of wheat coming in day and night, I cannot do

However I wish to thank each of you for past favors and will appreciate very much your influence and support again for my second term. If favored with the office of Public Weigher again, I promise you I will continue to serve you in the same courteous manner as have in the past.

Thanking you in advance for your favors on July 23.

A. B. Martin Candi- Commissioners Cut date for Justice of Court Civil Appeals

A. B. MARTIN Present Associate Justice. Court of Civil Appeals, Amarillo, Appointed April, 1932 Candidate to succeed himself at the coming Democratic

Primaries His recent appointment was unopposed, and was made in recognition of the distinguished record he made as an Appellate Court Judge at Austin. He lives in the southern part of the Judicial District which contains more than one-third of the population. It has been the custom I have owned property here to select the three judges of this court from different parts of the district, which comprises fourtysix counties.

The following are excepts from some of the newspaper com ments made at the time of hi recent appointment:

"*** his decisions in style and texture and force won for him a high place among the lawyers and litigants of Texas.*** In his boyhood he brushed his way thru the snow to the little red school house miles from his home where he obtained the first rudiments of an education and in time became one of the scholars and successful lawyers of the land that was a wilderness when his father first invaded it to wrest from naeure its virgin soil and to build a home for his dependents and those who came after

-The Austin American "When he moved to Austin he resigned from the board of regents of the state teacher's colleges, on which he had served for ten years. He brought to that board a broad understanding of the problems of the boys and girls from the homes of the common people of Texas.**His struggle for an academic education and for preparation for the profession of law was not forgotten by him while he served the state on the board of regents of the teachers' colleges. In 1920 he created a loan fund at West Texas State Teachers' College for the use of poor boys and girls, retaining supervision of the fund during his life time. It has grown to approximately \$3,000.00, has aided more than a hundred boys and girls.***"

-The Plainview Herald. "Selection of Hon. A. B. Martin of Plainview, as associate justice of Court of Civil Appeals of the Seventh Texas District at Amarillo, is a pleasing one to South Plains people. A former commissioner of Criminal Ap peals at Austin, as a practicing attorney and a prominent citizen of Plainview and this area, Mr. Martin has made an enviable record. He typifies the right kind of man for the post to which he succeeds."

County Tax Rates Over 25 Percent

According to Commissioner W. F. Foreman of this precinct, the Commissioners' Court in reg-1 ular session Monday, made an appreciable cut in the county tax

Another session of the Court will be held Wednesday of next week when a definite rate will be set, but it is known that the reduction will be from 25 to 29 percent and will not exceed a minimum of \$1.26 nor a maximum of \$1.31 for the ensuing year. The rate for the past year has been \$1.77 per hundred valuation.

Mr. Foreman stated that the reduction had been made possible by the adoption of the budget system and by cutting out of several expenditures of county government not considered absolutely necessary. He expresses the hope that this action on the part of the Commissioners Court would meet with the aproval of the public.

-02-5 TO THE VOTERS OF KENT COUNTY

I heard so many tales about the county losing only eight or ten thousand dollars of the 1931 tax money that I went down to Clairemont and looked at their records. I found that the county collected about \$59,000.00 of taxes and that it was placed in the Jayton bank. At the time the bank failed the county had over a hundred thousand dollars on deposit. Every, dollar of it is gone and the bank is in the hands of a receiver. So now, Dear Voter, you know what becomes of a deposit when a bank goes into the hands of a receiver.

If any of you have so much money that you think eight or ten thousand dollars don't amount to much, then you should vote for the man responsible for the county's loss, even if the loss was over a hundred thousand dollars.

The records show that the commissioners ordered \$13,000.00 paid on the county's indebtedness last summer. Someone stopped payment on the check, and then the county judge and two commissioners, after all the others had gone home one afternoon held a meeting and passed an order not to pay any more bonds.

I made another trip to Clairemont to attend Commissioners' ourt in regard to the bank being closed and I went into the cour room and was politely invited out in favor of the bankers by the county judge. I believe all voters should vote for a man who would allow them to stay in the court room. I went out according to the orders of the county judge. I wasn't the only one they put out, they put everyone out except the bankers. They let Mr. Henry James of Abilene stay in. He is the man who they are still letting hold stakes on the new depository with the money they have collected since the Jayton failure and all the taxes to be colected

hereafter. I have been paying taxes to pay for the court house, I was thrown out of, for thirty five years. Of course the money I paid in hasn't paid for the court house. It has been donated to bankers, on two different occas-

I don't ask you to believe what I say. Go to the court house and examine the records.

If you had someone hired to attend to your business and they lost over a hundred thousand dollars of your money, would you hire them back? We have lost every dollar Kent County had, and the least we can do is to elect a county judge who will take care of what we have to

pay in from now on. J. Z. SMITH

------Notice To People Of Kent County

Last Court day one of the Commissioners made notion to bring suit against the bondsmen and the Judge refused to act as Chairman of the Court and would not have anything to do with bringing suit against the bondsmen for the Kent County Depository.

REPLY TO "A SERMON"

By WRIGHT RANDOLPH, Minister

In the last issue of the Texas Spur there appeared an article written by Mr. H. T. Harris, a preacher of the Baptist order, forth some points of setting teaching. There may be some Baptist that do not believe every position taken by the writer but it is generally the position of a greater per cent of the Baptist faith.

In as much as there were some points mentioned there that directly concerns the Church of Christ I desire to review a few of them. It has been charged by some, who are ignorant of the matter, that the Church of Christ is composed of a people that are always looking for trouble or arguments. I would like to call your attention to the fact that this discussion was started by some other than the Church of Christ.

The first point I would like to call your attention to is the fact that the writer refers to The Church of Christ as the Campbellites. In the long years past this name was very popular and was applied to us by a great number of people, but after some teaching along this line those who stand for fair treatment to all people ceased to use this name in referring to the Church of Christ and only people who still use this term are in one of two classes, one is a class that use it in ignorance, and the other because of the fact that they are filled with the spirit of the Devil to the extent that they do not have any respect for the Church. The Church of Christ has always been glad to call any religious people by the name that they desire to be known by and in turn expect to be treated with equal respect. As an individual member of the One Body and a Minister of the Gospel I would like to advance this truth, The Church of Christ, composed of a Body of Baptized believers, does not believe, preach or practice one thing that Alexander Campbell is the Author of, although we respect him for his courage and work but he is in no sense the Author of the Christian religion or the founder of the Church of Christ.

Mr. Harris makes much of Baptism and the Lord's Supper and through his ignorance of the teaching of the word of God makes, or attempts to make, them ordiances of the Church, I agree perfectly that the Lord's Supper, which was instituted by the Lord Jesus himself, was given for the purpose of remembering the Lord's death until he comes again (1 Co. 11:26) but ar ordiance is "an established rufe, rite, or law" and the Church of Christ assembles upon the first day of the week to this commandment (Acts 20:7) (Heb. 10:25) (Aits 2:42) Baptists fail to keep this commandment as it is given in the New Testament. Baptism is a command of the Lord and not an ordiance of the Church as Mr. Harris puts it, if it be an ordiance I would be pleased for him to tell the people why ne is not Baptized as often as he partakes of the Lord's Supper, by his practice he contradicts the very thing that he is trying to teach for he knows himself that if it be an ordiance of the Church he would have to engage in the practice of it over and over again, just another faliacy of Baptism doctrine.

Mr. Harris states; "If I denied immersion as Baptism then I would go all the way and deny the resurrection of the dead." If I, as Mr. Harris does, denied that Baptism is essential to salvation and that the Church is essential to salvation, I would go even further and deny the entire Bible and be an infidel, declaring the whole thing to be

null and void. Mr. Harris makes a lot of fuss over the conditions of salvation being given both postively and negatively negatively but says, we never hear "be Baptized and except ye be Baptized" In the great commission as given by Christ in Mark 16:15, 16 we have these words "Go ye into all the world and preach the Gospel to every creature; He that believeth and is Baptized shall be saved; but he that be-Neveth not shall be damned." Mr. Harris does not exhibit the amount of understanding the Lord expected man to have, considered a parallel statement; He that eateth and digesteth his food shall live; but he that eateth not shall die. An individual with a reasonable amount of understanding knows that the failure of one to eat will bring shout his death, so it is, the failure of one to have faith will bring about his condemnation. (Without faith it is impossible to please God, Heb. 11:6) (Whatsoever is not of faith is sin Rom. 14:2') Is it necessary to say Baptist "baptised not?"

trine upset again.

The scriptures teach that Baptism is a command of the Lord and a condition of salvation (Mt. 28:19) (Mk. 16:15,16) (Acts 2:'8) (Jn. 3:5) Acts 10:48) (Acts 22:16) (Ro. 6 :1,16) (Gal 3:27) (Col. 2:12) (Acts 16:31,34) (Acts 8:38). This teaching the Church of Christ stands ready at all times to defend. Mr. Harris says, "that a dead man does not kick about being buried". The burial of a dead man is contrary to Baptist teaching. They teach that one is saved and made alive before Baptism, this being true and their position that Baptism is a burial, they are guilty of burying a live man. If we should compare this with natural things which would be permissible, Baptist would violate the laws of our land and would be subject to severe punishment could God's law be more lenient?) Mr. Haraccuses the Church of Christ (by him called Campbellites) of making much of the catch phrase (obey the Gospel; but they always mean baptism when they say obey the Gospel') this is an untrue statement, the scriptures teach and we believe and teach; that for one to obey the Gospel he must believe or have Faith, he must Repent, he must Confess Christ and he must be Baptized for the remission of his sins. In reading Mr. Harris' article, he would lead one to think that he is an accomplished Greek Scholar, the conclusion is after studying his comments on Acts 2:38 that he is not a good English Scholar, not to mention Greek; he makes Faith and Repentance conditions of salvation but not Baptism, Peter, in Acts 2:38, makes Repentance and Baptism both conditions of sal-

vation, (which will you accept, Mr. Harris or Peter?) Grammar teaches that a conjunction, of which the word 'and" in Acts 2:38 is one, is a word connecting words, phrases or clauses of equal rank. What may be affirmed of one may be affirmed of the other, what may be denied of one may be denied of the other. Mr. Harris would make Peter to say in Acts 2:38 "Repent in order to receive remission of sin but be Baptized because you received remission of sin, another Baptist blunder. Many noted scholars, among them some Baptist agree that the word "for" in Acts 2:38 means "in order to receive," and not because of. Mr. Harris says it is "Symbolic," the following lines give you some idea of Baptist figurative teaching:

The Bible teaches us of God, A being that's supreme; Creature of each particle Of his universal scheme.

It teaches us of Jesus, Known as the Son of man! The founder of the Christian

Our Christ, the risen Lord.

It says his death and burial, And resurrection from the grave Is, in fact the true foundation Of God's own plan to save.

These facts God calls the Gos-His own appointed way;

A form of which comprises What sinners must obey.

By faith, which comes by hear-They are dipped beneath the

And thus obey the Gospel. God's appointed way to save.

But we have on earth a people And "Baptist" is their name. Who do not believe the word of

God, And hence reject the same.

They have a figurative God And a figurative Son. A figurative Spirit; And the figure's just begun.

Their figurative Lord Has a figurative plan To save within a figure A figurative man.

With a figurative Gospel, Preached in a rigure, too, They get figurative mourner, And figure him right through.

He tells then a figurative story Of blessings figured in, Of figurative deliverance From figurative Sin.

Then the Baptist take a vote, On the figurative plan, To decide upon the status Of this figurative man.

They baptize him, in a figure, In a literal mudhole, If thy decide he has salvation In his figurative soul.

Thus by a figure, in a figure, And figuring with a vim, They figure on a saphead, And make a Baptist out of him.

And when they are done figuring He's figured there to stay; He's figured to a finish, And cannat fall away.

But the real old devil, In his literal, lively hell, Is figuring on this figuring, And it suits him very well.

For his agents-they are figuring upon poor, fallen man; And in his place and by his grace They carry out his plan.

Begin to figure on your soul; But trust in the Lord Jesus, And he will make you whole.

If you'll submit yourself to him And his commands obey. You'll surely go to Heaven, Because he is the way.

Mr. Harris, the Author of the article appearing last week, was visited personally by me, with propositions signed by Church of Christ to discuss these differences before the public and he refused.

While the Brontosaurus browsed in OKLAHOMA

Millions of years ago-even before the ancient Brontosaurus lived-Nature formed the Cambro-Ordovician oil pool in Oklahoma. Today this oldest of Midcontinent crudes is piped to the great Sinclair refineries where it is refined, blended, de-waxed, freed from petroleum jelly and made into Sinclair Opaline-a product resulting from 80 million years of filtering and mellowing. Try a crankcaseful of Sinclair Opalinenote how it stands up in the heat of fast driving. Note especially at draining time how little oil has been used up-positive, visible proof of protection for the last mile as well as the first!
