## 140 Votes Cast In City Election Tues.

Judge E. J. Cowan was re-elected mayor of the city in the election Tuesday, April 2nd, receiving a total of the 140 votes polled and which is conclusive evidence that those interested in city governmental affairs were satisfied with the city administration of the past two years.

J. P. Carson was re-elected commissioner by a majority over his opponent C. P. Ensey. Carson receiving 73 votes and Ensey 67.

G. H. Snider was elected over his opponent W. M. Hazel who had served two terms as commissioner. Snider receiving 80 to Hazels 60 votes.

## Zeke Fowler For Trustee Precinct 1

Because of his excellent character, public spirit, progressive acts, his business ability, school interest training and good citizenship the friends of Zeke Fowler urge the voters of Precinct 1 to consider him well as a candidate for trustee of the County School Board Precinct 1.

Mr. Fowler, if elected, will serve the county in this and all other capacities to the very best of his ability, which, in the opinion of his friends, is very excellent.

The names for the candidate voted for, for this office, will have to be written on the ballot since the law makes no provision for having the names of candidates for County School Trustee printed on the ballot.—Political Advertisement.

### 7TH DISTRICT FEDERATION OF WOMENS CLUBS MET

The Seventh District Federation of Womens Clubs met in Plainview, March 27-28, in its 14th annual convention. This was a homecoming, the first meeting of this District having been held in Plainview 14 years ago. Mrs. W. P. Avriett, Lamesa, District President, presided, with several State officers, including Mrs. Volney Taylor, State President, in attendance.

On Wednesday evening the delegates and visitors were formally welcomed to Plainview by Mrs. Joe Wayland for the City Club Women and Mr. Grady Shipp, Secretary of Plainview Chamber of Commerce. Mrs. Jack Rector, Spur, responded in behalf of guests.

This convention was outstanding in attendance, total registration being 662, and work accomplished by the one hundred and fifty clubs represented.

"The Texas Federation of Women's Clubs is the largest group of organized women in the South," says Mrs. Taylor. State President and is such a group, each individual member should realize her potential power and seek to wield it wisely, sanely and efficiently."

Among the club women of Spur who attended the meeting were 2nd: Mesdames J. M. Foster, E. L. Caraway, B. F. Hale, J. J. Lane, J. M. Walker, of the 20th Century Club. 1st: Mesdames W. F. Godfrey, W. C. Gruben, Edgar McGee, P. H. Miller, J. E. Berry, of the 1917 club; Mrs. Charlie Powell, 1933 club; 4th Mrs. Jack Rector, 1931 club; Misses Grace Foster, Mary Barnett Johnson and Marion Hale, of the Junior club, which is sponsored by the 1933 Club.

Mr. and Mrs. C. H. White returned Monday morning from Big Spring, where Mrs. White had been summoned by telephone Thursday to attend her mother, Mrs. LaVelle who was critically ill at her home at that pace. Mrs. LaVelle was very much improved Monday when Mr. and Mrs. White left to return to Spur.

Miss Ann Lee, who is attending A. C. C. Abilene, spent several days over the week end and Monday in Spur with her father, Mr. and Mrs. W. B. Lee and family.

## Durward Pickens Winner Grand Chamion At Show

Under C. B. Middleton Durward Pickens' vocational agricultural student has the distinction of having been the first vocational student ever to win first place in the Lubbock show. The steer was bought from the registered herd of Sidney Johnson, Snyder, and fed out as a vocational project and led the junior division.

Durward and "Uncle Bud" are to be commended on their accomplishments and should more students show more interest probably more laurels would come to Spur.

### BELIEVE IT OR NOT

The following story was given us for publication and is vouched for by T. N. Morgan, manager of Miller & Williams Gin Company.

Several weeks ago Mr. and Mrs. Morgan went over to McCamey to visit her daughter, Mrs. Levi Kruse and Mr. Kruse who, by-the-way owned a huge gray Tom cat which was given to Mr. Morian, at his solicitation and which he placed in his car and brought to Spur; a distance of 285 miles via the Bankhead to Sweetwater hence to Roby Jayton, Girard and Spur. Old Tom remained two or three days then disappeared to reappear thirty days later at his former home in McCamey.

We have been wondering if he walked all the way or if he hitchhiked.

### NOTICE TO THE PUBLIC

Owing to the fact that one of our merchants can not close at 6 o'clock time agreed upon and announced in last weeks paper all stores will remain open optional to the management effective today.—Lester Ericson.

### SINGING CONVENTION DATE AT ANTELOPE CHANGED TO THIRD SUNDAY IN APRIL

Please be informed that we are to postpone our Kent County Singing Convention at Antelope from the Second Sunday in April until the Third Sunday, so as not to conflict with the Stonewall County Convention meet at Peacock the Second Sunday.

R. E. BEAVER, Pres.

Bob McCormick, a promising young farmer and Mrs. McCormick were in Spur Friday to move their furniture to their home, which was recently completed on the farm of Will Harris in the Espuela community. While in town Bob paid the Texas Spur office force a pleasant visit.

## New Books Added To City Library

The following books have recently been added to the City Library. "Sons to Fortune" by Virgie E. Roe. This is a good western story.

"Whatsoever" by Daniel Soot. A book about Texas people, by a Texas author.

"The Folks" by Ruth Suekow. This magnificent story relates the growth of an American family out of Iowa. A public review will be given of "The Folks" here in the near future.

"Skin Deep" by M. C. Phillips. An expose of the facts behind the beauty racket. It does for cosmetics what 100,000,000 Guinea Pigs did for patent medicines.

"The Asking Price" by Helen Hull. The authors name is a recommendation of this book.

"Trailing the Giant Ponda" by Kermit and Theodore Roosevelt. America's "big game hunting family" after a rare specie.

"World's Greatest Crime Stories" edited by Dorothy L. Sayer. You will find here mystery and crime stories from the best authors in one volume.

"The Crisis" by Winston Churchill. "Another story, from a different angle, of the Civil War" Written by an outstanding author.

"Mawba's Daughters," by Du Base Heyward. "A good Negro story."

"Our Presidents at a Glance" by R. B. Vinmont and S. Potric, full page pictures and short life histories given of each of our Presidents, including a short sketch of the lives of the 'First Ladies' of America."

"The Glorious Adventure," by Richard Halliburton. "This Glorious Vagabond carries his readers with him from deepest gorge to the loftiest mountain peaks."

Broaden Your Life, have the travel you secretly want, the romance that is yours for the asking, the history that lets you live thru the hardships and adventures of your forefathers, read the good books that are yours for so small a fee.

Join the City Library, located one door north of the Palace Theatre.

Mr. and Mrs. Bob Fox returned last week from a two weeks visit and vacation trip, spending several days with relatives at Amarillo and Dumas, Texas and Fort Sumner, New Mexico, sight-seeing and vacationing. Monday morning bright and early they were again pressed in to service, having resumed management and operation of the Highway cafe, which Mr. and Mrs. Austin Bell had successfully operated the past two months.

## Trustee Election To Be Held Sat.

Saturday, April 6th, all the schools of Dickens County should elect one or more local trustee. If there have been no irregularities such as resignations, the Common School District will elect only one trustee.

In a few of the districts there seems to be some confusion about petitions. If a petition signed by five qualified voters is presented to the County Judge ten days before the election the name or names petitioned for will be printed on the ticket. If the voter wishes he may leave one or more of these names on the ballot. If he does not care to vote for anyone whose name appears on the ticket, he may write in names and scratch off those that are printed.

The county trustees names can not be printed on the ballots.

This year the terms of office of the county trustee at large and of Precinct Number 1 composed of Dickens, McAdoo, Midway and Duncan Flat expire. County Board members are elected for a term of two years.

Two members are elected one year and three the next.—Madge D Twaddell, County School Superintendent.

## A Grateful Acknowledgement To An Honorable Profession

On April 18, 1906, the date of the great fire, the legal fraternity of this country was indebted to us in a sum in excess of \$200,000. The fire destroyed all of our books of accounts.

The lawyers of San Francisco having lost their entire libraries were absolved of their indebtedness to us, amounting to about \$30,000. This left an amount due from outside lawyers of from \$170,000 to \$175,000. Having no list of patrons we sent a circular letter to the lawyers named in Martindale's Legal Directory, advising them of our loss and asking for information as to their indebtedness to us.

The responses to this circular were so prompt and so gratifying that we think the legal profession should know that of this total indebtedness of say \$175,000, nearly \$150,000 has already been repaid to us, and we are receiving advices every day from parties who had not previously answered our circular asking about their indebtedness.

It is but right to say that some of the San Francisco attorneys declined to accept the cancellation of their accounts and have paid same. Let it be known to the world that the legal profession is made up of men of the highest honor.—Bancroft-Whitney Co. (Jan, 1907).

### ATTENTION

Several arrests of auto drivers have been made in Spur this week as a result of failure to have 1935 license plate on their autos.

### MRS. MARSHALL AND MISS BLUE OPENED BEAUTY SHOP

Mrs. Nuna Marshall and Miss Lola D. Blue this week opened a beauty parlor at 709 North Carrol Street.

Mrs. Marshall and Miss Blue are both experienced operators and extend to the general public a cordial invitation to pay them a visit.

Mrs. B. M. Bethel and two children and Miss Lona Slaton left Sunday for Flagstaff, Arizona, where Mr. Bethel has been stationed the past several weeks. From there they will go immediately to Yellowstone Park where Mr. Bethel will be in command of the C. C. Camp at that place for eight months or probably longer. Misses Gillie and Tona Slaton accompanied them to Sweetwater where they resumed travel on the Greyhound bus.

Mrs. Belle Martin, was here Monday, from her farm home in the Red Mud community.

## Collision On Highway No. 18 Wednesday

Glenn Carson, 1833 South First Street, Abilene, Texas, enroute to Pampa, Wednesday afternoon about 3:30 o'clock driving a Chevrolet Six on Highway 18 was a victim of a very unfortunate accident when he and Mrs. Leonard Jopling, driving a Ford Coupe had a collision at a road intersection about three miles north of town. The cars were badly wrecked but otherwise they were very fortunate as none of the occupants of either car were seriously injured.

Mr. and Mrs. Sandlin of Dickens, who had been visiting in Rotan where Mr. Carson very kindly consented to give them passage in his car as far as Dickens were among the wreck victims. Mrs. Sandlin suffered a dislocated thumb which was the most serious injury sustained by either of the four.

## Judge McLaughlin For County Trustee

The friends of Judge Chas. McLaughlin take pleasure in presenting his name to the people of Dickens County as a candidate for County School Trustee at large. Perhaps no person in Dickens County has served the cause of public free education for the children more earnestly than has Judge McLaughlin.

As a teacher for several years in the county, as County Judge and County Superintendent, as a member of the County Board of Education for a number of years and as an outstanding citizen he has constantly and actively stood for equal educational opportunity in the public schools of the county and of the State for every child urban and rural.

Previous to his teaching and other educational experiences in the county, Judge McLaughlin was for years a student in the University of Texas. He is brad in experience, impartial in his acts, and will, if elected, serve the people of the county well and fairly in the truest sense of the words. His friends solicit your support at the poll next Saturday.

The name of the candidate at large will have to be written on the ticket, as the law makes no provision for having the names of the candidates for the county school board printed on the ballots.—Pol. Adv.

## Congressman Geo. Mahon Busy In Interest of District

Congressman George Mahon introduced a bill in the House of Representatives Monday providing for the creation of a new Federal Judicial District for West Tex. The district is outlined to include those counties which have heretofore made up the Amarillo, Lubbock, San Angelo and Abilene division of the Northern District of Texas.

A study of the conditions of the courts now in the Northern District reveals that the four divisions in the proposed new district are from 6 to 12 months behind with their work. With a new judge resident in the territory included in the district, the litigants will have the advantage of convenience and the efficiency of the court itself should be greatly increased.

In commenting on the bill, Mr. Mahon said: "It is unfair for the people of West Texas to be compelled to travel all the way to Dallas or Fort Worth to contact a Federal Judge. This is often true when injunctions or special orders are sought. The three present judges of the Northern District reside in Fort Worth or Dallas. I believe that the court will be well justified on the basis of service rendered to the people of this vast area."

Miss Vera Adams and Tommye Chambliss, of Bomarton, Texas, spent Monday and Tuesday in Spur with her father, J. Q. Adams, salesman with the Spur Farmall House and while in the city were guests of Miss Clyde Collier.

## "CLEAN UP" BEING MADE

Beside delinquent auto licenses  
arrest several other arrests have  
been reported charges filed of  
drunkenness, disorderly conduct,  
fighting and others perhaps of  
which we have not been informed.

Just prior to District Court  
which convened Monday morning,  
April 1st. We apparently have  
done our "GOOD CITIZENSHIP  
DUDS" and commenced to "CLEAN  
UP."

Let the good work go on, and,  
may we suggest that we arrest not  
only the men and boys who im-  
bibe this "FIRE WATER" thereby  
loose gall sense and care as to con-  
duct and as a result their fathers  
and mothers "PAY THE PRICE"! But  
now that we have begun lets  
really do that which we would have  
the general public believe we are  
making an effort to do. Get down  
to the bottom and remove the cause.  
Stop the illicit sale of liquor, sure-  
ly there are such sales else the  
boys could not get drunk. Take  
the profit out of the illicit sale of  
intoxicants, "PROFITS"? Yes,  
profits. Who profits by a poor  
Simp getting all 'Lit Up' and infrig-  
ing on the rights of his neighbor,  
who on occasions in all probability  
gets 'Lit Up' too, but resents it in  
his neighbor.

O, consistency where art thou?  
If we could only see ourselves as  
others see us and purge our own  
conscience as we would have our  
neighbors purged and try as hard  
to apprehend the salesman as to  
punish by fines the imbibers we  
would deserve considerable commen-  
dation and help raise our citizen-  
ship, to a higher plane.—Selah.

Misses Tommie Brittan and  
Winnie McKeever students in Mc-  
Murray College, Abilene, Texas,  
spent several days in Spur visit-  
ing their parents, Mr. and Mrs.  
F. O. Brittan and Mr. and Mrs.  
John McKeever and friends in the  
city.

## BUSINESS AND PROFESSIONAL WOMENS CLASS ENTERTAINED

Miss Sadie Gabriel entertained  
the Business and Professional Wo-  
men's Class of the Baptist Church  
in a business and social meeting  
last Thursday evening, March 28,  
at her home in Roaring Springs.  
After a business session a refresh-  
ment plate of salad, potato chips,  
cakes and coffee were served to  
Mrs. Minnie Lewis, teacher and the  
following members: Mrs. Iris Har-  
key, Mrs. Uldees Robinson, Mrs.  
Jake Kyle, and Misses Pauline Bus-  
ter, Owita Towles, Carmen and  
Ona Lee Shockley, Bonnie Law-  
rence, Eula Mobley, Sue Patterson,  
Fay Davis and Sadie Gabriel.

Mr. and Mrs. A. P. Martin and  
family were here Tuesday from  
their Club Lake farm home, ten  
miles southwest of Spur. Mr. and  
Mrs. Martin and family move to  
this section three years ago and  
have had not only drouth and short  
crops but have had other misfor-  
tunes with which to contend, with  
it all however, they are uncomplai-  
ning and have the grit and stamina  
to stay on until more prosperous  
times return. While here Tuesday  
Mrs. Martin was a very pleasant  
visitor at our office.

Mr. R. J. Bateman and daugh-  
ter, Miss Annie Bateman, of Afton,  
were First Monday visitors in  
Spur and while here Mr. Bateman  
stopped by our office and report-  
ed his daughter, Miss Reba  
Kirby as having had a serious at-  
tack of appendicitis and was taken  
to Lubbock Wednesday, where she  
underwent an operation Thursday  
morning and when last visited by  
Mr. Bateman Saturday she was get-  
ting along very nicely. Her moth-  
er, Mrs. Bateman remained with  
her throughout her illness.

When you hear a man running  
down his home paper, or any other  
local industry, take a good look at  
him. Ten to one he will have a  
chin as long as a rail, an eye shift-  
less as a horse thief, and he will  
hitch around in his chair as though  
he had a touch of St Vitas dance.  
Talk to him awhile and you will  
discover that he has made a fail-  
ure of everything he has ever tried  
(except being disagreeable), and  
nine times out of ten he is depen-  
dent on the public for favors or  
support; you will find him of a  
meddlesome, peevish, hateful and  
unreliable nature, a man who is  
always complaining, and although  
he has but little, if anything, of  
his own, one would imagine to hear  
him talk that he had a quit claim  
deed to the earth and a first  
mortgage on heaven. He knows  
everybody's business, and why  
shouldn't he? He has none of his  
own to take up his time. Such peo-  
ple, like mosquitoes, were not  
created in vain, perhaps, but one  
fact remains staple, they do not  
add materially to the pleasures of  
conducting business. — Rochester

Did you ever stop to think

Fred W. Allsopp, general manager of the Little Rock Gazette, says:

"Then, think of the household articles that would never have been heard of but for advertising. Milady's brand of face cream, the tooth brush you use, many articles in daily use on our dining tables; almost everything that we eat, and drink and wear, or enjoy are made known to us and popularized through advertising.

"The candidate makes himself known through advertising. In fact advertising is the greatest force in the world and newspaper advertising tops all the mediums and newspaper advertising performs a great public service. It shows people what to buy for their comfort, their convenience and their enjoyment. It shows them where to buy safely and economically."

## Twin Wells School News

The Twin Wells P. T. A. met last Tuesday evening in what we consider the best program of the year. Some notable features of the program were: reading, Parents Know Your Job by Mrs. Don Merriam; a talk on the Beautification of the School Grounds by Mrs. L. B. McMeans, Sr.; Moral and Character Training in the life of the Child by Mrs. M. P. Duncan. Plans were discussed for putting out plants and planting seeds and for the community picnic at Carlisle Springs April 1.

Mr. and Mrs. L. B. McMeans, Sr. Mrs. Wright and Barney Yeakley put out a number of lilac, cannas, chrysanthemums and daisies at the Twin Wells School Friday. We hope to have more help next week in making other beds and planting annuals. Since we have plenty of

water there is little excuse for not having beautiful grounds.

Practically the whole community attended the picnic at Carlisle Springs April 1 with plenty of dinner, sand and sunshine. Everyone seemed to enjoy themselves to the utmost.

The Twin Wells P. T. A. and the Sunday School are combining their efforts for an extensive Easter program.—Reporter.

Jailer Luther Garner, of the capitol city, was transacting business affairs in the city Wednesday and while here was a pleasant caller at the Texas Spur office.

### PEGGY JEAN ALLISON AT REST

A more beautiful tribute could not be paid the memory of one deceased than was the demonstration of affectionate esteem given by the people of the Twin Wells community at the funeral of little Peggy Jean Allison, whose death occurred at the home of her parents, Mr. and Mrs. C. B. Allison, March 6, at 11:45 p. m. All that loving relatives, kind friends and attending physicians could do to relieve her suffering, was done but there was a greater physician, who was ready and waiting to perform his mysterious work to release her soul from its tabernacle of clay and take it to that home he had prepared for it.

The body was prepared by Campbell Undertakers and was carried overland to Stephenville Thursday. The funeral was conducted in the Hardin Funeral Chapel at 10 o'clock Friday morning, Rev. S. B. Culpepper officiating. Burial was made in the West End cemetery. Several people from Twin Wells accompanied the body to Stephenville.

Little Peggy Jean was just past sixteen months of age. "Whom God Loves die young." It is always the sweetest roses that are gathered first and the buds that are most beautiful, so this little flower has gone to bloom in the Master's flower garden.
