

Dickens To Have New Water System Installed Soon

Following is a telegram from Washington:
Washington, D. C.
Sept. 30th, 1935
G. D. Parkhill,
Dickens, Texas.

In the absence of Senator Shepard and by his authority I desire to say the PWA advise the President has approved loan of \$12,500.00 and grant of \$10,227.00 to the city of Dickens for constructing a water storage and distributing system.

R. D. POTTER, Asst. Sec.

Plans and specifications for the new water system for Dickens City, well will be located in the northwest part of town with a 60 feet stand-pipe to hold 85,000 gallons.

Distributing system will be of 6 inch cast iron main from well to the square and school building; the residence section will be served by 2 inch mains.

Meters will be installed for all consumers, with sufficient number of fire plugs to give adequate fire protection to both business and residence section of the city.

This project is scheduled to be under contract before December 15, and which will give employment to a number in need during the winter months.

When finished and operating it will be self supporting as payments are to be made to the Government from revenue derived from consumption of water and not from a tax.

Dickens is progressing along the lines of more pretentious cities and is to be commended for their progressive spirit.

Farmers Met At Palace Theatre Saturday, Sept. 28

The get together meeting of farmers which was held on above date and place was attended by a large and appreciated crowd and those present both old and young seemed to be glad that they were present and willing to cooperate with us for the promotion and future prosperity of the farmers of our country.

There were about five hundred people in attendance.

The house was called to order by W. E. Dortch, who by vote was placed in the chair.

The names of those on committee for arrangement and speaking were called from the roll and those present were as follows:

Messrs. W. M. Hunter, W. J. Collier, W. J. Conway, J. W. Davis, Sam Battles and C. L. Hale.

After calling the committee and speakers to occupy front seats a good old time spirited prayer was rendered by the only pastor present after which the chairman gave a short talk on the past and present conditions of the farmers and what a sad future awaited him if present conditions continued as they are at this time.

He spoke upon the question of production according to Gods way versus mans way and that man by the honest tilling of the soil could never produce more than the population of the world could consume, but that was by the manipulations of unjust organized monopolists with their unlimited capital that has caused farm products to accumulate on the markets of the world for their own selfish gain, thereby, compelling the producers to sell their commodities at prices far below the cost of production.

Messrs. W. M. Hunter, C. C. Haille, W. J. Collier, John D. Hufstедdler, W. E. Dortch, J. W. Walker and Sam Battles addressed the house as better opponents of the Bankhead Bill and the unjust farmers that great many were treated in their production of lint per acre and also in their allotment tags for ginning.

South Side Garage Moved Past Week To New Location

The Southside Garage moved this week to the building formerly occupied by the Ferguson Grain and Coal Company and next door to Mission Service Station.

Messrs. Penteost and Anglin have had new signs painted and otherwise made improvements on the building and will have a most convenient and adequate place in which to operate.

They will be pleased to have their old customers as well as new ones to visit them at their new location.

Drs. Alexander, Hale, Brannen Move To The Bank Building

Drs. Bob Alexander, B. F. Hale and M. H. Brannen have leased the suite of rooms in the Spur Security Bank building, formerly occupied by Judge W. D. Wilson and the Spur Mutual Life Insurance offices and which are being remodeled, redecorated and undergoing a general renovation and when completed will be occupied as offices by the above mentioned doctors and dentist.

Dr. Alexander has, since coming to Spur maintained an office at the City Drug Store; Dr. Hale and Dr. Brannen have for the past several years occupied a suite of rooms in the Campbell building.

This new location is considered an especially choice and convenient suite of office rooms. Drs. Alexander, Brannen and Hale extend to their former patients, patrons and friends and the general public to pay them a visit at their new location, when established.

Mrs. Val Smith Buys The Model Grocery

Mr. Val Smith this week purchased of Ray Sanders the Model Grocery business which he established some months ago, and assumed active management Tuesday, October 1st.

Mr. and Mrs. Smith came to Spur some four years ago and bought farm land in the Soldier Mound community where they have since made their home.

Mr. Smith being an invalid it devolved up on Mrs. Smith to manage the farm and which she found to be quite an undertaking and from that reason she decided to rent the farm and move into Spur and as a means of livelihood purchased the Model Grocery which she will manage and operate. She extends to friends and the buying public an invitation to visit her at her new place of business and solicits a share of your patronage.

Spur Schools To Get Appropriation

Superintendent O. C. Thomas is very happy to announce that his trip to Austin last week resulted in the Spur Public Schools getting approved by the State Superintendent for \$4,100 to assist in maintaining high school work for the southern half of Dickens County. Since the Spur School System serves 15 rural schools for high school work the State Superintendent felt Spur should receive special aid in carrying out this constructive program. This program is in complete harmony with the State Department of Education and it is one that lifts a large burden from rural school that have only a few students in each of the high school grades they might try to maintain.

The County Superintendent, Mrs. Madge D. Twaddell, is largely instrumental in formulating this progressive movement. She and the Deputy State Superintendent, Mr. Bryan Dixon, went to Austin with Mr. Thomas.

The Spur Public Schools now maintain eight school buses, and transport 350 children from rural schools to Spur Schools. This makes Spur Schools perform an educational service few other towns in the State attempt.

Herman Earnest returned the first of this week from a business trip to Dallas.

Mrs. Mace Hunter And Brother, Injured In Car Collision

Reports came to Spur Wednesday afternoon that Mrs. Mace Hunter in company with her brother, a Mr. McGinty, enroute to Dallas to consult a cancer specialist, had a collision with another car on Bank head Highway between Mineral Wells and Fort Worth.

Mr. McGinty, who is suffering of cancer had a leg broken while other occupants of the car escaped with only minor injuries and severe nervous shock.

Gilbert Bros. Install New Dye Machine

The Gilbert Bros., Shoe Shop the past week installed a new Amego Dye Machine and are now equipped to dye any shoe any color.

This is one of the latest machine for dyeing produced and so equipped to dye shoes in as many tones, or to harmonize with any dress or costume desired.

John O. Gilbert, in charge of the dyeing department invites you to come in and see the machine and sample of his dyeing.

First of Worlds Series base ball game, played Wednesday, on field at Detroit. Chicago winning 3 to 0, with Warneke pitching for Chicago and School Boy Row pitching for Detroit.

G. H. Nelson Is Elected To Fill Senators Post

G. H. Nelson, of Tahoka, received a plurality over his four opponents in the special election called by Gov. James V. Allred to fill the vacancy following the death of Senator Duggan Littlefield, held Saturday, September 28th.

Senator Nelson was sworn in Wednesday as Senator from the 30th District, after a point of order raised by Senator Holbrook, of Galveston that Nelson was ineligible had been overruled.

The Senator voted 22 to 3 the ruling of president pro-tem, Will M. Martin, of Hillsboro that Nelson was eligible.

Senator Will D. Pace, of Tyler, made motion to seat Nelson on constitution provision authorizing and the house of representatives to determine the qualification of its members.

SPUR VS. ROSCOE

The Bulldogs looked better than they did two weeks ago.

Roscoe scored first on a delayed pass to weak side. Then things went along smoothly with Big Chapman passes a short pass to Bingham, who raced 50 yards behind perfect interference for a touchdown.

Capt. McCombs, Lee, Gilbert, Wilhoit, Garner and Bumpas, played good in the line. Chapman accurate passing, Bingham line plunging Ira Hahn foot running and defensive work looked awful good for Spur.

Big Jones, full back, for Roscoe, and Emerson's long runs were very sensational for Roscoe.

The Bulldogs are working hard and looking forward to Colorado game, all in good shape with the exception of Garlen Chapman, who has a stiff leg.

There will be a good ball game here Thursday afternoon between Coach Martin squad and Paducah second team. Admission 15c and 25c

The game is set for 3:00 o'clock Thursday afternoon. Coach Martin's team beat them last Thursday 6-0.

Let's everybody come out and see the pups go to town.

Cap-Rock Insurance Doing Big Business

Secretary Brown is driving a new company car, a brand new Ford V 8 with "Caprock Life Insurance Company" painted in golden yellow lettering painted on side.

There's no excuse for anyone getting caught by Secretary Brown, provided they wish to avoid talking insurance, for his car gives fair warning that he is approaching.

New policies have been selected and will be ready to issue in the near future.

The Caprock Life has made a record in writing insurance in Dickens County having in the past five weeks written \$250,000 with more than 450 members.

Secretary Brown stated that it was the aim of the Caprock Life to have "everything going" by November 1st.

DRY LAKE P. T. A.

Dry Lake P. T. A. will meet at the school house Friday afternoon at 3 o'clock.

Big Race Meet To Be Held Here Monday And Tuesday, 7 - 8

A big Race Meet will be held in Spur Monday and Tuesday of next week at the Fair Grounds under the management of Olda Harrington, Jimmie McClannahan and Russell Smith, well known race horse men of the city, and who have had charge of the past race meets here.

Liberal purses are offered for contestants and a big thrill for the spectator.

All race horse owners are extended a special invitation to bring their horses to participate in the races.

Each evening after the races a big dance will be held at the Fair Park.

Everyone is extended a cordial invitation to attend both affairs and are assured of plenty entertainment and excitement.

J. I. Hill Of Rule, Is Appointed Head Of Production Credit Assn

Mr. J. I. Hill Jr., of Rule has been appointed manager of the Stamford Production Credit Association succeeding Mr. Martin McCain, who recently resigned to accept an appointment as a State Bank examiner.

Mr. Hill was assistant cashier of the Farmers State Bank of Rule, Texas, and had been in the banking business for 12 years. He is familiar with handling credits and is interested in livestock and agricultural enterprises.

After spending several days in Houston familiarizing himself with the setup of Production Credit Associations, he has assumed his duties in Stamford.

Production Credit Associations have been established all over the United States for the use and benefit of farmers. They are non-profit cooperative organizations designed to assist farmers in becoming financially independent.

Mr. Hill shall be pleased to have any farmers or stockmen who might be interested in securing loans for any agricultural or livestock purpose, call to see him.

The Dallas News Celebrates Its 50th Birthday Anniversary

The Dallas Morning News issued a nine section of 16 pages each or a 114 page edition full of historical reading matter and pictured in celebration of the event of their 50th anniversary.

The News was founded at Galveston, Texas, April 11, 1842; 93 years ago when Texas was a republic, by Samuel Bangs, who in 1843 hired a one Willard Richardson and who by the year of 1846 became chief owner and remained one of its head until his death which occurred in 1875.

In 1865 Alfred Belo in answer to an ad for a book keeper "got the job" and the following year became a partner, that year also the News and three other leading papers of the State organized the Texas Associated Press.

In 1873 Hamilton Steuart joined the News as its first "State Press Editor."

The Texas Spur wishes to ad its congratulations to that of thousands well wishers for another fifty years of unexcelled service to the Lone Star State.

PARKING INSIDE

FOOTBALL FIELD

Due to the fact that many people prefer to sit in their car at the football games during cold weather it has been arranged for cars to park on the north side of the playing field provided the passengers remain inside the cars. A parking charge of 25c per car will be collected at the gate in addition to the regular admission fee.

Mr. and Mrs. J. D. Powell, Jr., recently of Matador, are spending a visit in Spur visiting his mother, Mrs. J. D. Powell and other relatives.

Editors Attend Lubbock Fair Friday, Sept. 27

It was our privilege together
with other publishers of this section
of West Texas to be a guest of the
Panhandle South Plains Fair, Fri-
day noon at the luncheon given at
Hotel Lubbock for editors and see
exhibits at the Fair park in the af-
ternoon.

Chas. A. Guy as toastmaster
read a telegram from Gov. James
V. Allred expressing regret at not
being able to be present. He also
extended welcome to visitors, then
introduced George A. Simmons,
president of City Development, who
made the visitors feel at home in
Lubbock, by extending his friendly

welcome, to the city at all times
and especially on this occasion.

I. E. Hill, editor of the Lynn
County News, Tahoka, responded
in behalf of the visitors and said,
"we appreciate the hospitality of
Lubbock and are proud of this city
and our Fair."

A. B. Davis very interestingly
discussed various enterprises, local
civic groups had sponsored for the
benefit of, not only Lubbock, but
the South Plains as a whole.

Toastmaster Guy then named our
fellow townsman, Clifford B. Jones,
as the man most fitted to introduce
the main speaker, Harry Hines, of
Wichita Falls, chairman of the
State Highway Commission.

Mr. Jones stated that Mr. Hines
was an old friend of his father, the
late Charles A. Jones and was, as a
young man connected in a business
way. Mr. Jones being head of the
purchasing department of Armour
& Company of Kansas City, Mis-
souri, Mr. Hines was his assistant.

Mr. Hines paid a most worthy
tribute to his friend, Mr. Chas. A.
Jones, whom he said, "was like a
father to me."

Mr. Hines complimented Lubbock
and Texas Technological College
and said that it would be one among
the institutions of learning that
would be permanent.

His principal talk was of the high-
ways and said his objective was to
fill the gaps in the main arteries of
highways, mostly north and south
roads. There are more than six
hundred miles of such gaps, most
of which are from 3 to 5 miles long.
A 70 mile gap between Memphis and
Amarillo being the longest.

The Commission is going to close
these gaps on main roads included
in the list are numbers 51, 7, 15, 18,
84, 4, and 9 has two or three
gaps which are under contract.

Mr. Hines pointed out that the
expense of, not only construction
but that of up keep was enormous
and that it was not good judgment
to ask for and contract for the build-
ing of more roads than was possible
to finance the construction and
maintenance.

About 25 newspaper publishers
and a like number of other luncheon
guests heard Mr. Hines talk and ap-
preciate the judgment of Gov.
James V. Allred in naming Mr.
Hines to this, the most important to
West Texas, the State Highway
Commission.

SEE THAT SHELL!

ONLY WOLVERINE SHELL HORSEHIDES
HAVE BOTH SOLES AND UPPERS OF THIS
AMAZING SHELL LEATHER... WEAR LIKE
IRON... YET TANNED BUCKSKIN-SOFT BY
SECRET PROCESS!

If you want greater comfort than
ever before—more miles and more
months of service for every dol-
lar—then Wolverine Shell Horse-
hides are the work shoes for you
to buy. They are the only work
shoes with both soles and uppers
made of genuine Shell Horsehide
and that's why they wear so much
longer. What is more, only Wol-
verine's triple tanning process
gives Shell Horsehide that amaz-
ing buckskin softness, and that's
why Wolverines are so much easier
on your feet—always glove-soft and
they always dry soft after soaking. Try
one pair and you will tolerate no other
kind for the rest of your life. Glad to
show them to you. No obligation to
buy. Many popular styles, all sizes.

That's what makes the
difference between Shell
Horsehide and other leath-
ers. This center layer or
"shell" is tough like your
finger nail — enormously
strong and wear-resisting.
Only when it is tanned
the secret Wolverine way
does it become so amaz-
ingly soft and pliable.

Mayor Zeke Fowler, of Dickens, was transacting business affairs in the city Wednesday and while here was a most pleasant caller at the Texas Spur Office.

CLUB EXHIBIT TO BE IN OCTOBER

Interest is growing as the annual club exhibit draws nearer and plans are being made for the exhibit. In looking forward to the exhibit the committee of the Council planned that the following foods and household articles will be exhibited: 1 quart each string beans, field peas, cured cucumber pickle, peaches, canned tomatoes; 1 pint each beans, English peas, sweet pickle ring, cucumber relish, tomato juice; tufted bedspread, wash dress, pieced quilt, applique quilt and plain pillow slips.

The canned foods will be exhibited in glass-lid jars properly labeled with the home demonstration label. The needlework must be labeled correctly in one corner on the under side on white muslin with the label basted in place.

Miss Norfleet Grimes, who is the new home demonstration agent of Lubbock county and who helped judge the exhibit here two years ago will do the judging. The exhibit will be October 26th.

GARDEN DEMONSTRATOR TO FILL BUDGET

"We have canned more than 500 containers of food from my garden" reports Clara Rich, garden demonstrator for the McAdoo 4-H club. "We shall have more tomatoes, greens and other vegetables yet. My fall garden is growing nicely. We canned 160 No. 2 cans of corn, that is more than our canning budget called for of starchy vegetables; 83 quarts string beans; 16 quarts field peas; 25 quarts butter beans. If nothing prevents we shall be able to fill our canning budget in every item."

Clara planned, with the help of her mother and the home demonstration agent the canning budget for her family and with her mother is making an effort to fill it.

PRAIRIE CHAPEL MAKES RECIPE FILES

Six club members and 3 non-club members made recipe files at an all day meeting of the Prairie Chapel home of Mrs. R. C. Alexander, Wednesday. Each woman was given a list of suggested recipes for her files as listed by Miss Lola Blair Extension Nutrition Specialist. The more practical recipes are the ones that should be filed, with such dividers as Beverages, breads, cakes, eggs, etc.

Those working on files were: Mrs. Leslie Peak, Mrs. Paul Braddock, Mrs. Johnnie Hale, Mrs. F. Alexander, Mrs. R. C. Alexander, Mrs. C. W. Van Cleve, Mrs. D. O. Blasingame, Mrs. Daffie Hale and Miss Hattie Mae Peak.—Reporter.

Mrs. S. Williamson, of Glenn, Texas, was a pleasant caller at the Texas Spur office while transacting business affairs in Spur, Friday.

FREE TRIPS TO CENTENNIAL CELEBRATIONS IN 1936 MADE AVAILABLE HERE

Motivated by a desire to publicize the Texas Centennial Celebration in 1936 and to enable every Texan to these magnified pageants absolutely free; a patriotic group of organizations have banded together for this purpose.

Through the medium of "Centennial Thrift Stamps," which will soon be issued in every cross-road and city of the State, every Texan will be enabled to defray transportation cost; to any Centennial center, pay hotel and restaurant expenses, admission charges, and even to purchase gas and oil for the family "Lizzie."

Cooperating in this gigantic Texan plan are such famous names as the Greyhound Bus Lines, Bowen Air Lines, Western Union Spur, some 250 hotels and restaurants and the Uniform Bodies of the Shrine. Details of the plan may be secured from any of the organizations mentioned in the preceding paragraphs and from all business houses in Dickens County.

Securing these Texas Centennial Thrift Stamps entails no "selling" or "chance taking" on the part of the individual. The Stamps are given out with all purchases and in such quantities that they accumulate rapidly. Numerous families have already saved sufficient amounts to pay all of their expenses for trips to San Antonio, Houston, Galveston, Goliad, Dallas, Huntsville, Washington and other Centennial Celebrations in 1935.

Commenting on this wonder cooperative Texas plan, an official prominent in the recent Chicago Exposition said: "Had we had such public spirited individuals and corporations in the North, we would have been able to extend the fair for at least another year. Texas and its citizens are to be congratulated in having the Centennial Thrift Stamp Plan."

Brother Of J. P. Carson Died 25th

W. H. Carson, of Eunice, New Mexico, died at a hospital in Hobbs, New Mexico, Wednesday morning of last week following a few days illness of pneumonia.

Mrs. J. M. Carson 73 years of age in making an effort to reach her son left Abilene Tuesday night via train for Odessa where a daughter met and accompanied her, going through the country by auto, arriving at Hobbs Monday morning a time after her son had passed away.

The remains were conveyed to the home of his parents, Mr. and Mrs. J. M. Carson, Abilene where funeral services were held Thursday afternoon at 4 o'clock, the Rev. Murrel, retired Presiding Elder of the Methodist Church officiating.

W. H. Carson is survived by his widow, his parents, Mr. and Mrs. J. M. Carson, Abilene and a number of brothers and sisters.

J. P. Carson a brother and family of this place attended the funeral held at Abilene Thursday.

Trees And Flowers To Beautify Grounds For Centennial '36

More than one hundred varieties of native Texas trees will be planted in October to form the background of the \$200,000 landscaping plan of the Texas Centennial Exposition.

Sections of the Exposition grounds will be devoted to flora typical of the various parts of the state. A pine grove will shade masses of wild flower representative of East Texas. The cactus, in its numerous varieties, will typify the West. Palms and oleanders will recall the Gulf Coast and its sandy beaches while the Rio Grande section will be brilliant with the tropical colors of hibiscus and bougainvillea.

The crepe myrtle will be planted by the thousands throughout the grounds and its brilliant pink and red will dominate the color scheme. It blooms from June, when the Exposition opens, until Autumn.

The blue bonnet, state flower of Texas, will have blossomed and gone to seed before the Exposition starts. Its place will be taken by the rose and thousands, including the newly developed Texas Centennial Rose, will be planted.

Mr. and Mrs. H. O. Everts and Mesdames A. C. Hull and Roy L. Harkey returned Wednesday from a four weeks vacation spent in California, visiting in Los Angeles, San Francisco and attending the Exposition at San Diego.

Farmers Meet—

(continued from page 1)

In fact, most of those present seemed to have the same opinion.

Mr. Hunter's lengthy address was right from the shoulder and to the point without wavering and proved beyond a doubt that his assertions were true.

Mr. Collier was next in order and like some great general addressing his men before the battle he drove his words with power and effect to such extent that it aroused every farmer present. His opinion of the Bankhead Bill was expressed in such a way that it brought laughter and applause to the whole house.

Mr. C. C. Haile was next in order and when he arose to speak it seemed by his composure and self confidence that he knew his business, as a farmer, from A to Z. By the profound wisdom used in his talk he proved that the farmer under present conditions could not survive. And when he wound upon the Bankhead Bill there was nothing left of it, but the bones.

Mr. Sam Battles came next with a real honest to God talk that did the whole house good. He condemned the Bankhead Bill in bitter terms and that the County Committees should have been more liberal with a great many and less liberal with few inferiorities.

Mr. John Hufstедdler came forth like an old faithful war horse with his working harness on ready to help pull you out of the mud hole. He spoke in words of wisdom all through his discourse.

In expressing his opinion regarding the evils of the Bankhead Bill he said, "That if present conditions continued that all the farmers would soon be forced to the wall and be compelled to enlist on the Federal relief rolls.

Mr. Walker of Twin Wells, rose in defense of the oppressed farmer and stated that no farmer could ever get out of debt under present unequal conditions and pronounced the Bankhead Bill as a fake and a nuisance.

At the close of the speaking Mr. Haile called on the house for a show down on the Bankhead Bill. Out of

500 present 491 were against it, 5 not voting.

As we encroached upon the manager time for his show at the theatre, there was no time left sufficient to exhibit the free picture as promised.

In the near future there will be an arrangement made for a free picture for farmers and their families.

In conclusion we as farmers, who were present at the meeting, tender our heart felt thanks unto Mr. Parker and unto his very efficient and most pleasant helpers of the Palace Theatre in giving us free use of the building for this occasion.

W. E. DORTCH, Sec. Protem, Committees—Mace Hunter, W. J. Conaway, John Hufstедdler, Sam Battles, W. J. Collier.
